

Home for the holidays

by ARIBETH

«I am home for the holiday!» Alex announced himself loudly through the house, upon going past the front door.
«Someone's here?»

Hearing no answers after opening the door that wasn't locked, to begin with, he started to explore a bit the house, in case someone would be there but out of his voice's range.

He finally heard some noises coming from the dressing room.
He pushed the door and noticed his sister and his mother checking on each other, trying on all their swimsuits, as far as he could tell from all the pieces that were on the ground.

«Hello!» he said as they weren't focused on the door.

«What-» they started in sync, jumping away from the surprise.

«Haha, made you jump!» he laughed, seeing their highly confused faces.

«Is everything alright? You seem so serious right now»

«Yeah we are alright, I...Hum...honey?» Lea, Alex's sister, replied.

«Honey? C'mon sis, stop with this bullshit, this is disgusting!» Alex added, weirded by his sister's answer.

«Oh! Sorry, it's been a long time! Aren't you gonna give a hug to your sexy sis?» Lea said, opening her arms toward Alex.

«Not dressed this way! Mom, why is Lea so weird?» Jordan asked the blonde girl sitting next to Lea, who seemed as confused.

«I am your mother? I mean...of course, I am, I am so glad to see you!» Maria, the mother, answered Alex, jumping on him for a tight hug, pushing her barely covered bobs on his face.

«Mom no, what are you-» Alex tried to reply, before being cut off.

«I am so so happy to see you finally, my little boy!» Maria added, pushing Alex more in her chest, kind of suffocating him in there.

After some effort, he managed to free himself from his mother's hug, looking at both her and his sister in confusion.

«What is happening? Why are you so weird

all of a sudden?» he said, noticing his sister was staring mouth open at his mother's cleavage, her hand containing themselves from touching her breasts, before realizing she had a good pair too, and started to play with them slowly, totally forgetting the two others in the room.

«Especially Lea! Look mom, what is going through her?!»

«Well...your sister is really hot, I have to admit it...But so is your mother» Maria replied, starting to play with her assets too.

«I don't want to see that! You two are so weird at the moment» Alex said, going out of the room, hearing at the distance the two sweet moans coming from the two women.

Little did he know they both got turned into skinsuits by a duo of escaping thieves, that randomly crashed into Maria's house on their way out of the bank, and decided to stay low for a moment, hiding inside the girls' bodies and assuming their life.

As for Alex, his family holidays with his sister and mother would be really different from now on, the two women trying weirdly to strengthen the «family bond».

It happened a night when Alex couldn't really sleep. As he walked a bit around the house to exercise and relax, he heard loud noises coming from his sister's room.

Curious he went closer, and immediately stopped when he recognized his mother's voice, or should we say her moans.

«What is she doing in my sister's room...want what is she doing?» Alex asked himself, also hearing a man's voice behind the moans.

«Why is my mother nailing someone in my sister's room? Weird...»

Not wanting to stay longer, he went back to sleep, not finding much more of the will to sleep, concerned about what was going on.

In the morning, seeing none of the girls, he went to his sister's room and knocked on it.

«Yes?» his sister replied. «Come in»

Alex pushed the door open, only to quickly look away, both his mother and his sister being topless in the same bed.

«What the...What are you doing here mom? And why are the two of you naked?» he asked, highly confused.

«Oh! Your sister had a bad dream, so I went to help her sleep better» the mother replied, looking lustfully toward the sister.

«yeah, she helped me a lot, I feel soooooo good now» the sister replied, looking back at the mother with stares that meant some sexual complicity that Alex refused to believe.

«What the hell happened tonight? I heard mom getting nailed by a man in your bedroom!» Alex added, really lost about the whole thing.

«You must be dreaming brother, I was sleeping in my bed that night, and no men are in this house, except you. Maybe you had a dream about fucking your mother. I can't blamer you, I mean, look how good she is» the sister replied, smiling widely at the mother that laughed back.

«What are you saying? You are so weird, why are you talking about our mom like you are another person? Mom, say something! Don't you agree Lea is weird?» Alex asked his mother.

«Your sister is so hot...I don't find her different. Maybe it is you that is fantasizing about us, it would explain the fact you heard me moaning to a man» Maria replied, leaving Alex in silence, as he realized something was off, but couldn't tell what.

«Ok kids, I go to do some shopping for the week. You two, try not to fight too much, ok?» Maria said, upon going away from the house, leaving Alex with his sister Lea.

«Yes, I will take care of us!» Lea winked to Alex before the mother left.

Wanting to have a bit of time alone to think about the situation, he went to the pool to relax.

He was quickly joined by Lea, that sat next to him.

«What are you doing here? The pool isn't big enough for you to sit somewhere else? I need to think» Alex said to her as she laid down.

«Think about what?» Lea replied, now installed on the sofa in an unladylike way, leaving her boobs hanging out of her bra, not even caring to cover them properly.

«About you and mom! I mean look at you, it is like you are not the same, your boobs are even hanging out of your bra and you don't care! You are acting as if you were a guy!» He told her, making her smile as she realized she had her breasts going away.

«Haha, didn't even notice! But you did...Hum, brother, are you attracted by me? Is it why you are such a jerk lately?» Lea asked, sitting back.

«Uh what? No! You are my sister!» Alex replied, trying to look away from his sister pushing her boobs in his direction.

«This is completely ok. Look at her assets, she is huge!» Lea said, playing with her boobs while looking at Alex, before stopping, to bend in his direction.

«But maybe you don't want to just watch, and get a piece of me, is that it?»

«Have you lost your mind?» Alex added, pushing away his sister's hand, which was reaching for his leg.

«Am I really out of my mind? I mean...let's see...hum hum... Brother, don't you want my lips to run on your member with passion, while you would have my sweet boobies on your hands to play with? I can make you good~» Lea said with the cutest and most sensual voice she could, shortly after, enjoying seeing the bulge forming in Alex's pants.

«Aaaaaah, see? You want to nail your sis!» she added, smiling as she came toward Alex to grab his dick behind his pant.

«No, I...Stop!» he tried to say, before she leaned on him, slipping her hand in his pant, starting to wank him.

«Don't be such a virgin, let me relieve you from the frustration,» Lea said, her brother's member in her hand, a weird, and a devilish smile on her face.

«And if I can help straighten the family bond, I will be glad»

Home for the holidays

Page 4 - by ARIBETH

«You like it, as I can see!» Lea said, her brother's dick in his hand, wanking it as he tried to hold it.

«But...it is so wrong! You should stop!» Alex replied, trying to not look at what was happening, not believing it.

«You feel good, I feel good...where is the wrong in this?» Lea added, putting her boobs on his legs, her mouth almost at the same level as Alex's rode.

«What's wrong? You are my sister! That's what's wrong!» Alex said, trying not to stare at the heavyweight he felt on his legs, guessing what it was.

«Ok. Here is the deal. Believe it is not your sister wanking you. Imagine it is just a random hot chick then. How does THIS feel?» Lea smiled, gulping down Alex's member in her mouth, making him moan from the sudden pleasure.

«This...Stop...so wrong!» he tried to say, but she kept going on.

«What about this? Let's roleplay. Imagine, your sister has been taken over by a man somehow, now controlling her, giving absolutely no shits about who she is, and who are the one knowing her. Imagine this man just want to satisfy his infinite urge to abuse your sister's body to its limit, to feel all the possible pleasure she can give him» Lea added, playing with Alex's dick, seeing his eyes wide open from what she just said.

«Of course, it is for our little roleplay, to feel less limit on your side, so we can enjoy each other more~»

«That sounded very specific somehow...» Alex added, still mildly shocked.

«Shhhhh, don't think about it anymore. Instead, how do you like the sound of your dick, when I put it in my mouth this way?~» she said lustfully, sucking Alex again, for a longer time, ignoring his complaints, or his requests for her to stop.

In fact, the man inside Lea was taking so much pleasure in messing with the brother of his host's body, that he wanted to see where it could lead.

And as he said, he couldn't care less about his actual host body, ready to ruin Lea and her life if this could make him discover all the girl's pleasure.

Having enough of polishing Alex's shaft, the man inside Lea, took her panties away, throwing them not so far away from Alex, so he could notice it.

«Wait...what are you doing? Are you without a...hum...bottom part?» Alex asked, a little worried about what was coming next.

«You mean, is my slut shaved pussy, out and wet, ready for you?» Lea said, putting her legs over Alex, positioning herself right where she should be, her dripping pussy put on Alex's rode. «Let's strengthen this family bond~»

Home for the holidays

Page 5 - by ARIBETH

«Nooooo!» Alex tried to say, bending over to stop his sister from doing what she was about to, unable to move because of her weight.

Unable to do anything, he had no choice but to see his sister, sliding his member down inside of her, feeling soon her inside, hot and wet, wrapping around his personal part. Sliding him all the way down made her moan for a long time, before she went back to herself, looking at Alex with a huge devilish smile.

«What have you done...» Alex asked, feeling way too good to admit it.

«I made you feel good. And mom said we should get along better together, and stop fighting. And you know...make love not war...so...~» Lea replied, starting to move her hips slowly, making both of them good and comfortable.

Or at least Lea, that soon leaned on his brother to be able to better control her hips, pushing her huge breasts on his face, as she could be the one in charge of making love.

«Dare to tell me having her tits on your face isn't pleasant... while having your rode getting massaged by her vagina. I can feel your breath getting stronger, your body getting hotter. You are enjoying this little time~» Lea moaned in Alex's ears, kissing his neck to add to the pleasure.

«This... We shouldn't... I am going to...» Alex manage to ex-

plain, unable to protest or resist anything, his body getting weaker as he approached the orgasm, his hand going on his sister's ass to grab it, trying to control her hips to not come too early.

«I was wondering when you would finally let yourself go and appreciate her fine ass. I will let you release everything inside of her if you wish to, let's feel good together» Lea replied, smiling as the man inside of her could see the struggle Alex had to keep up with the idea of fucking the body the intruder was using, making it twice satisfying to him to play in this way with the brother.

As Lea was trying to make him cum, the phone rang in the house.

«Gasp, seriously? I swear this shit always rings when it is less convenient! Look like you got saved this time» Lea smiled, kissing Alex on the mouth, moving her hips a bit in case it would be enough, before standing up and going to answer the phone.

«Stay ready, we aren't done brother~»

Alex looked at her walking naked toward the phone, which she picked up soon after.

«Yes? Eh, bro! Are you alright?... Ok ok...cool! Me, I sound exhausted? We were fucking when you called! Yes, with the brother, son, whatever... If he was ok? Nah, I forced things up, haha! So, what is the news about the investigation?»

Home for the holidays

Page 6 - by ARIBETH

«Haha, so they couldn't find the two thieves, so they concluded they flew away? Good! So we could go back to do whatever we wished at the end of the week?... I mean...do you really want to give up on those bodies or shouldn't we enjoy them a little bit more? Or even...keep them forever? I don't know for you, but I enjoy a lot the one I am in» Lea explained on the phone, talking to her partner that went to investigate how went the police search.

This was after she finished her sentence, that she realized Alex was next to her, mouth opened in disbelief about what he heard.

«What...but how did you end up as my sister and mother? Release them now, or I will call the police!» Alex said, wanting to hit his sister, knowing it would hurt the man inside, but also not wanting to get any violence toward his relative.

«Oh, you are here. So you heard everything, right? Yes, the two criminals they are trying to find, are just under your nose. Now that you know the truth I wonder...what will you tell to the police?» Lea smirked, putting the phone away for a second, looking at Alex that was about to burst out of himself.

«No one will believe you, to begin with. And what will stop us from...I don't know...running naked on the streets? Doing a little extra work as a prostitute? In case you didn't realize already, you can do nothing»

«You...I...how could you?» Alex yelled, so mad that his face

turned all red.

«See the bright side, you are going to enjoy your time with your family twice more» Lea smiled, bending over, her butt to the outside in a doggy style.

«Speaking about it, we weren't finished. Slide yourself back in your sis and let me feel good»

«No way, I won't satisfy you! Let her go!»

«Alright, guess I am going to meet your mother back in town...dressed like I am now~»

«No, don't!»

«So you know what you have to do. Come on, you were enjoying this. And please, not a word, I am speaking on the phone» Lea finished, looking at Alex coming next to her, still angry.

Without any choices, Alex made himself hard again, before sliding himself back inside of his sister again.

«Awwwww brother, I feel you inside of me, you are so big! What if momy finds out that you are raping me?~»

The man inside Lea moaned with her cutest voice, with the purpose of making Alex even more uncomfortable, before bursting out of laughter.

«Hahaha, see? This is so easy to do whatever I want with her body. So keep calm, and thrust all you have inside her!»

Home for the holidays

Page 7 - by ARIBETH

«I let you alone for a bit, and you start raping your sister! Don't you have any shame?» Maria, the mother said, upon seeing Alex and Lea on the couch fucking each other.

«I know your sister is too pure to have done that herself!»

«Mom, it's...wait no, Lea told me everything, you are not my mom, nor is she lea!» Alex said, pushing Lea away to face his mother, who he knew what possessed too.

«Mommy mommy, don't listen to him, he raped me!» Lea said, before bursting into laughter, seeing Alex's face.

«Mouhaha, way too funny»

«Wait, you went out as my mother, dressed this way?» said Alex upon looking at what she had on her, a very short top, barely holding anything together.

«This is inappropriate! respect her please!»

«Inappropriate? The cops that gave me every information I needed, didn't complain» Maria said, pushing her boobs together.

«It means...you had sex with a stranger? Stop! Don't you have any respect?» Alex yelled, furious.

«I don't really care about who this body belongs to, or her life, as long as it can keep me where I want you to know, you know» Maria said, smiling widely.

«Haha, I told him the same» Lea added, starting to fondle

Maria's chest as if Alex wasn't in the same room.

«I find you really erotic...Mind if I just nail you like that on the couch?»

«Huuuum, I mean, this is the least I could do to make my sweet daughter happy. But I think my pussy is still sore from all the sex I had with the cops back there» Maria said, playing with Lea's chest too with a hand, reaching for something between her legs at the same time.

After some time, a dick popped out of Maria's pussy.

«SO instead, I am going to rape my daughter!»

«Mommy no, not again!» Lea said with a huge smile, leaning back legs open for Maria's member to enter her inside.

«Look, brother, mom is fucking me!»

With disgust, Alex had no choice but to look at this weird scene, where he could see his mother having a dick, penetrating his sister with it, both of them seemingly having fun doing so.

«What have I done to end up in this situation» he thought to himself, realizing suddenly what where the sound he heard the first night inside of his sister's room, his mother suddenly yelling from pleasure with a man's voice, the thief inside unable to keep using his host's voice.

At a point, Lea grabbed Maria's head to say something in her ear. Maria pumped her hips a little bit more inside Lea, and the two suddenly started to look toward Alex, making him uncomfortable, the two wearing a devilish smile.

Home for the holidays

Page 8 - by ARIBETH

«I like the idea my dear daughter» Maria said, taking her dick out of Lea before pushing it back between her legs, making it disappear, to replace her with Maria's natural pussy.

At the same time, the man inside Lea had taken his member out of Lea's pussy, rubbing it gently with her hand.

«My sweet son, your sister told me you were pretty well built up down there... Get on the bed now, mommy will ride you raw» the man inside Maria said, using Maria's voice back, massaging her pussy to make it wet.

«And to turn this into a family time, your sister will put her member in the backdoor of mommy»

«What? No, I don't want it! This is my mother!» Alex tried to protest, wishing one of the two will have mercy on him.

«Wait, did you feel like I gave you a choice? You come right there and fuck this body. I don't care that it belongs to your mother. To me, this is just a random slut I am using, and you there...you are just our

private fuckboy» The man inside Maria said using his very own voice, frightening Alex, as visually, it was coming out of his mother's mouth.

As she said that, Maria headed to Lea that was on the couch, wanking her dick, biting her lips from anticipation.

They smiled at each other, and Lea opened her legs, setting up the place for Maria to sit.

Without saying much, Maria turned back to Alex with a wild smile on her face, slowly going down to meet Lea's member. Lea aligned her member with Maria's butthole, and when everything was in place, she slapped her butt to tell her to go down slowly.

As she entered Maria's ass, Lea couldn't stop moaning from pleasure, Maria on her side, making a lot of effort to make it fit inside of her butt.

After some minutes, Lea was finally fully inside.

«The feeling is really different! It feels tighter in there!» The man inside Lea said with his masculine voice, before switching back to Lea's voice.

«Oops sorry, I mean...Mommy, I can feel my dick inside of your butt and it is super tight!»

«This was a little painful on my side at first. But this slut had probably seen worth, because it quickly felt great» Maria said with a masculine voice, before looking at Alex.

«Now boy, come here and fill the other hole. Quickly! I would force you to do it in another way otherwise, and I would keep my own voice during the whole time. Except if you enjoy hearing your mother speaking in a male tone, of course»

«I hate you, both, so much» Alex said furious, as he came toward the two girls, having no other choices than to comply. He went in front of his mother, and made his way inside of her, making her moan when his meat was fully inside.

«Don't worry honey, you will quickly love us more than you could imagine.» Maria said with her feminine voice, petting Alex's head before kissing him on the lips. «Our family fun is far from even the beginning~»

Home for the holidays - Part 2

Page 1 - by ARIBETH

Alex was horrified.
He couldn't believe what he had just done.
Not only have he heard the sound of his mother's moan,
but it was him that gave her the orgasm.

*do it by herself.
Come quickly and this time your sis will let you go to her
backdoor.
Huge kisses my dear son <3*

He was not in a position to refuse, as the two thieves that
were possessing his mother and his sister's body were clear
about the rules.
If Alex disobeyed them once more, he would put him in
situations worse than now.

Upon finishing reading the message, Alex almost threw
his phone on the ground, furious and sad that he could do
nothing.

«What did I do wrong to end up this way? Who those
two pieces of perverted shit had to meet my family...» he
thought to himself, finishing to buy what he had to, not
really wanting to go home as he knew what he would
probably end up doing if he was too early.

Wanting to avoid any of the two women to go out, to avoid
the thief from abusing their host's body, Alex decided to
do the groceries.

Finally done, he went back home.
Shortly after he pushed the door he was assaulted by his
sister.

As he was shopping, believing to be at peace at the mall, he
received a message.
It was from his mother.
Or should we say, from his mother's phone. But Alex knew
one of the thieves sent it.

«Brother! I have been dying to have you nail me! I want
you first with your full energy before mommy! Take me
here, right now~» she moaned, taking off the only fabric
she had on her, her panties.
«Now come on, slide your meat in my ass!»

Hesitating first, he opened it, and saw the picture attached
to it.
His mother and his sister were both half-naked, smiling
toward the camera.
Along with the pic was a little message.

«I wanted to bargain with you...Could we find a little
arrangement? Or I don't know, what could I do to have
some peace, and normal looking family, for the time my
friends come as it was planned long ago?» Alex asked.

*You did us so good honey. Mommy is proud of you, and your
sister is so eager to fuck you again that mommy will need to*

Home for the holidays - Part 2

Page 2 - by ARIBETH

«Huuuum, let's ask mommy about that» Lea said, taking her brother by his dick.

«Follow me, and try not to jerk off in my hand, I know you like it, deeply inside~»

The two walked into the house, to where was the mother last time Lea saw it.

They found it in front of an open fridge, completely naked.

«Mommy, here you are!» Lea said, making Maria turn toward them.

«Fuck, just as I was about to take a snack! What do you want?» Maria replied.

«Big bro wants us to be normal, as he has friends coming over. He even said he would be ready to bargain» Lea added.

«That is interesting...I do have something in mind. You will really do everything?» Maria asked, coming toward Alex.

«Yeah...» Alex added, fearing the worst.

«Well...I always wanted to get nice and cozy in a gang bang with your adorable sister, but for some odd reason, when my mate is inside, it doesn't feel right. Maybe if you were wearing her instead, so mommy and her friend could get intimate with your sis, this would be better» Maria suggested, a devilish grin on her face, relayed by Lea, as she

watched Alex see his reaction.

«Wait no, I don't want to wear my sister, nor to get nailed as her by the two of you!» Alex replied angrily, looking at the two girls, that had a huge devilish smile on their faces.

«Well then, I am sure we can spice up the party by going full slutty with your friends. I am sure some had dreamed about nailing your hot sister and your lovely mother. What about we find out for real?» Maria said, coming close to Lea before playing with her tits, her other hand going on her pussy. «Look at that, she is already so wet. Your sis is a real slut»

«I would love to fuck every one of your friends, brother~» Lea moaned, while she was fingered by Maria.

«Getting covered with all of their cum on my face, licking them dry until they collapse~»

«You see? I bet you never saw her true face!» Maria smiled, keeping fingering Lea.

«Because that's not her! That's your sick perverted friend inside of her!» Alex added, angry about the situation, yet feeling himself getting turned on by the scene.

«I guess it runs in the family...you are all hard down there...I want you inside of me brother, I can't wait anymore, I want a dick inside of me~» Lea moaned loudly, coming toward Alex.

Home for the holidays - Part 2

Page 3 - by ARIBETH

«That's wrong, I don't want to nail you! Strop this» Alex replied loudly.

«Or what little man? Just letting you feel her slender finger run on your neck...like that...her bare boobs under your sight...closer than ever the past years...don't you know I can see you staring at them since you arrived...Come one brother, you want to fondle them, feel their soft, hot, and exquisite touch under your hands~» Lea replied with a smile, starting to tease Alex like never, making sure to let him enjoy her rack.

«You want this body as much as your sister wants it, admit it~»

«No way that's...not...I don't want her! You say bullshit about my sister, she doesn't want me!» Alex added, trying to push away Lea while avoiding her tits to be in the way, the criminal inside her taking pleasure in this.

«We can talk to each other only you know. And she is telling me all that» Lea replied.

«I don't believe you, stop lying!» Alex burst out, feeling himself getting more and more tired of fighting.

«Let her say it directly then...» Lea replied before closing her eyes.

She then looked toward the ceiling, and suddenly caught

her head in her hands, making a hurtful face, before coming back to reality.

«Brother? It is me, Lea. I got a bit of control over my own body because I wanted to tell you that...you know, We have known each other for so many years, that I started seeing you as someone I wanted to be with...but we couldn't...so I had to keep this secret...It is difficult to admit it» Lea said, with a visible different tone and way of speaking. It sounded more like the real Lea than before.

«That's for this reason, you shouldn't be ashamed of nailing this body when the criminal makes me do it...I want you inside of me for real~»

«Wait...is it for real? I doubt you are my real sister» Alex added, confused.

«It is me brother, don't you feel it in your heart? The criminal is behind, but it is not him now. Sorry for all of what happened...but deeply I enjoyed it, and want you to do more to my body...please» Lea said silently, hugging her brother, pressing her chest on him.

«You are so warm...I can't remain in control for so long... goodbye brother»

Then Lea closed her eyes, shook her head a bit, and when she came back, a whole smile replaced her concerned expression from minutes ago.

Home for the holidays - Part 2

Page 4 - by ARIBETH

«So, you heard the little slut? Don't feel bad about fucking this hot body» Lea said to Alex, starting to tease him more and more.

«No way, you were talking like her!» Alex replied, with a doubt.

«Was it sounding the same? Did you feel she was normal this time? I assure you, this was really her...so...she even gave you a blessing, to nail her» Lea smiled, pressing her boobs on Alex.

«It wasn't...How...Why would she tell me that...Lea really said that?» Alex added, getting convinced that for once, he spoke with his real sister.

«I don't know how this thing works, but yeah...So, now that you feel better about it, how about you lie on the floor, and I rape you as your sister? You seem to really enjoy this kinky roleplay, and so does she, at least last time we did it» Lea moaned in Alex's ears, before pushing him away.

«Really? And...why does it have to be this evil? Now that I have done more than any family would have...why not leave us to talk and...or I mean...» Alex managed to reply, still confused and aroused.

«And let the two of you fuck like crazy animals? I could...but the pleasure in your sister's body is too high for me to leave

it. So as long as I am in control...those are my rules, and I want this to be...really devilish~» Lea smiled, seeing him take off his pants.

«Now I am going to rape you. But...why aren't you resiting? That was the whole point of it you know...»

«Because...somehow after hearing my sister say that she wanted me, I feel better having sex with her body, even if I know this isn't really her in control» Alex added, gently letting his hand run on Lea's body.

«Can't we do it...more gently this time?»

«Oh I see, you want me to act as her...? That's a very precise kink...You weren't into this earlier» Lea said, running her hand gently on Alex's torso, bending over him to reach for his lips.

«Let's do this brother...I want our first time to be the best ever~»

«Now that I know that you hear me, sis, I wanted to let you know I always saw you as a wonderful woman. I am so proud of you» Alex smiled, looking at Lea sliding him inside of her, moaning gently.

«And so do I brother, I admire you more than anything~» Lea replied gently, kissing him sweetly before starting to move her hips gently, for both to enjoy this little private time, under Maria's sight, that silently enjoyed the whole scene she just witnessed.

Home for the holidays - Part 2

Page 5 - by DRIBETH

Because of the different situation, Alex enjoyed this intercourse that time, leading him to, unfortunately, finish when Lea put her boobs on his face.

«I feel your love inside of me brother...this was very sweet...thank you~» Lea moaned slightly, kissing Alex like true lovers for a moment, before sliding away from him.

«Those feelings I had...they were so intense...like never I had before... You can bring in your friends, I don't want to mess with you anymore, It gets me pleased whenever your sister is happy in the back of my head»

«But ...and our plan?» Maria added after hearing this, confused.

«You wanted to fuck this body? I will allow you, as she allows me to. Somehow she loves her mother too» Lea smiled back to Maria, turning to Alex.

«As for you, go buy drinks and stuff to party, let's do it well!»

«I will be back after! Again...thanks for...this» Alex said, turning away before closing the door once it was on the streets.

Maria and Lea waited a moment, being sure he was away.

«Hum...let's go in the bed then? Watching the two of you do it made me wet» Maria said, slapping Lea's butt.

«Yes, this was amazing...Let's see how this goes with you then» Lea added, following Maria.

Once they were on the bed, the two girls started to get intimate. As Maria played with her daughter's assets, she paused, before looking at her in the eyes.

«How did you do it mate? How did you manage to communicate with your body's owner?» Maria asked, looking at Lea, that burst into laughter.

«I didn't, hahaha! I only focused really hard on adjusting my voice tone, and my acting skill did the rest! This idiot fucked his sister willingly, believing she really spoke to him, hahaha!» Lea laughed violently, trying to keep her sentence understandable.

«This was...hahaha...brother, I admire you more than anything... hahaha! His last kiss felt so full of real love, it was really hard to keep focused!»

«For a moment I was confused too! You tricked me to you fucker!»

Maria laughed with Lea before she tried to keep a serious face.

«Let me try that too...huuumm...my daughter...the woman you are...it makes mommy wet~»

«It was almost good, but the last part gave you away» Lea smiled, spreading her pussy open for the criminal's member coming out of Maria, to slide inside.

«Come on now, straight to business! Fuck me like the whore I am, this idiot was so bad, he came too quickly for me to take any pleasure»

«This pussy is so fire...I kind of pity this dude for never being able to play with his mother's pussy...before us of course» the criminal smiled, having taken Lea, Alex's sister, skin off, nailing Maria, Alex's mother, on her own bed.

«I can't complain either...this is so euphoric to get nailed in such a slut» Alex's mother moaned, the criminal inside of her enjoying the moment.

«Wait, don't move, let's take another vid for the boys! Make the lewdest possible face!» the criminal smiled, his phone in hand, recording his bottom body part, making sure to have Maria's body on full display.
«And...go!»

«Awwwww...come onnnnn....destroy this fire pussy...fill me whole....I am a whore....I enjoy your cock so much~» Maria moaned loudly, her tongue stuck out of her mouth, her eyes rolling over.

«See that? That's my new sex slave brothers, she is so good, I can't get enough. See you soon!» The criminal recording said, having turned the camera toward him to record the last part, before cutting the video.
«I am sure our bro will like this one»

«Next time they enjoyed the sister so much, Pedro was ready to let everything go to come here, hahaha!» Maria

smiled, moving her hips slowly.

«Maybe one day we could let them come...and give them a huge sexy surprise, if you know what I mean» the criminal winked, laying on Maria to enjoy her tits.

«I see what you mean...and we could also find more sluts for them to wear...I am sure Alex has some nice friends for us to use~» Maria smiled, kissing the criminal.

As they continued making out, they heard some talking outside, coming toward us.

«Oh fuck, this idiot is probably back with his friends! Quick, wear the sister back!» Maria said, pushing the criminal away.

«Oh fuck him, I was about to come!» the criminal replied, frustrated, before taking Lea's skin, starting to wear it back, before going to the balcony with Maria.
«Yup, looks like them»

«So, we gotta dress...Remember, we have to 'behave well', as you are now his nice sister...well, at least for the first part of the plan~» Maria added, slapping Lea's butt.

«I remember mom, I will behave well and try not to fuck my brother or his friends» Lea smirked, heading back inside the house to get ready.

«Mom, Sis, I am home!» Alex yelled through the house, upon pushing the door open.

«We are in the living room, sweetie!» Maria replied, trying not to play too much with her assets, next to Lea, that tried to do the same, leaning slowly towards Lea to whisper in her ear.

«I think I heard a girl in his group!»

«Ouuuuh, maybe we can have a bit of fun otherwise after all, if you know what I have in mind» Lea winked.

«A girls only moment...perfect~» Maria smiled, before leaning back up, seeing Alex enter the room, followed by his friends.

When Alex saw his mother and his sister, next to each other, wearing casual clothes, bright smiles on their face, he wanted to believe what happened before was a bad dream.

«Hello my dear brother, you brought some friends?» Lea said, the criminal impersonating perfectly her tone again, using her most innocent smile, tricking Alex back into believing it was really his sister.

«Welcome to the house!»

At first, all of Alex's friends didn't know what to answer, too focused on staring at the two pieces of girls they had in front of them.

They knew Alex's family was hot, but something felt...more sensual.

«Don't be shy! Do you want some lemonade? I made one earlier, follow me to the kitchen» Maria smiled, heading toward the kitchen, making sure to make her ass giggle on the way, Lea sticking with Alex and two friends.

«Sorry brother, it wasn't easy to convince mom, but she agreed eventually. What's your name dear?» Lea asked the couple next to Alex, realizing the girl was very shy and innocent.

«Perfect indeed» Lea thought to herself.

«I am Marc, and this is Louise, my girlfriend» the man explained, introducing the girl that just nodded.

«Well, a pleasure to see you. Want a refreshment? Lemonade is ready, this way!» Lea smiled, waiting for the two to go away before slapping Alex's ass.

The afternoon went like a normal one, the two criminals inside Lea and Maria taking fun passing as their respective hosts, getting a little naughtier with Alex's friend when he wasn't looking.

Of course, Lea didn't miss the opportunity to tell Maria about Marc and Louise.

«She is very hot! What about...we get them to end their relationship, and you wear her instead of the mother?» Lea suggested once the two women were out of sight.

«And you stay as the sister?» Maria asked.

«Of course, we don't want to miss any opportunities to use these bodies, won't you?» Lea smiled, pushing Maria's boobs together.

«First, you get to make out with the boyfriend I think»

«Just at the same time my pussy started to itch from the missing cock~» Maria smiled back.

«And then you bring the girlfriend to see how infidel her love is?»

«Could be done this way» Lea added, before going back to the kitchen with Maria.

For the rest of the afternoon, the friends split up in different rooms, relaxing and minding their own business.

Maria took the opportunity to ask Marc for a little help, that he should follow her.

Not knowing what was going on, Marc followed Alex's mother innocently.

They arrived at her bedroom, and she asked him to see if a rat wasn't under the bed, as she thought hearing one.

While he was under, crouched, Maria quickly took away her pant, lifting up her shirt, striking a sexy pose when Marc looked back at her.

«Ooops, how clumsy am I...I let my clothes out~» Maria teased, covering her nipples as Marc tried not to look.

She went toward him and put his head between her breasts.

«There there, I saw how you looked at me...your girlfriend isn't as experienced as I am...let me teach you some things, you may never want to go back with her after this, and I will just have a small favor to ask, if you want this secret to be kept~»

Home for the holidays - Part 3

At the same time, Lea was relaxing at the pool, the criminal wanting a little break before continuing.

«After all, I am this slut, I might as well enjoy my holidays,» he thought to himself, laying on the sun bath, his legs spread open like when he was a man.

That's after a bit of time, he felt looked at. He looked around and realized Alex's friends were staring at him, or more precisely, at his spread legs.

«Oh right...I am this slut...I am teasing those poor virgin guys...hahaha!» He thought.

He stood back up and went toward the group of friends in the pool.

The guys didn't know what to do, seeing Alex's hot sister coming toward them after she caught them staring.

She sat between them inside the pool, making sure her boobs were just floating above the water.

«I saw you staring at my pussy...that's not really gentleman» Lea said, looking toward the 3 guys there.

«Sorry Lea, it was a mistake, we didn't want to-» one boy started, before getting interrupted by Lea's

finger on his mouth.

«Did I say it was a bad thing? You are young males, it is normal to get attracted to whore like her. I was the same when I was your age» Lea explained, realizing she was talking like a man.

«Do you want to play a game?»

«Which kind of game?» one guy asked.

«Well, you take the turn into licking my pussy well underwater, and the goal is to make me come, without being seen by Alex of course. And you have the whole time you can hold your breath to do so, if you resurface, your turn end. The winner...will get the chance to have a little naughty time with me somewhere hidden...the other can watch~» Lea explained, looking at the guy's faces that turned red, not because of the sun.

«Are you ok with the rules?»

The 3 men nodded, making Lea smirk.

«Ok, then, you, go first do me good~» Lea added, gently pushing down underwater the first man, that immediately started to lick her wholesomely.

Home for the holidays - Part 3

Page 5 - by ARIBETH

The game went well, making Lea moan gently when one of Alex's friend's finally made her reach a climax.

«Well...congrats...follow me for the price~» Lea smiled, panting a little, heading toward her room.

She removed her swimsuit and laid on the bed, legs opened, ready.

«Are you sure? I mean...what about Alex and...» the guy asked, concerned.

«Are you for real? You have his hot slut sister laid down, legs open for you on a bed, and you ask that kind of question instead of nailing me on the spot? If you don't want, I will ask one of the two others» Lea said, looking toward the guy, that realized what he would miss if she went away, and started to slide himself whole inside of her.

«Better~»

She let him fuck her for a moment, taking pleasure whatsoever. After a moment, feeling like it was the right time to do it, she wrapped her legs around his hips, pushing him further into her and avoiding him from backing out.

«Don't do...I am about to come» he said, trying to hold it as much as possible.

«I know, I felt it...and I would let you know I forgot my birth control...so if you come inside of me, I will tell you good news in a couple of months and you will lose your friend Alex...unless...~»

she moaned, moving her hips slowly to make it even more difficult for him to hold it.

«I don't want this...what do you want...I am about to come!» the man replied, frightened as he was aroused.

«Good boy~» Lea added, her hand caressing his face. «I want you to do whatever I will ask you to, without asking any question. If you do so, this slut will become your official fuckbuddy for as long as I will use her~»

«What do you mean by 'for how long I will use her' ?» the guy asked confused, feeling more and more about to release the load.

«Sorry, sometimes I speak like I am not me~» Lea smiled. «So we have an agreement?»

«Yeah! Now let me go!» the man said.

«Of course~» Lea moaned, letting her hand caress the man's ball, making it impossible for him to hold it anymore.

«Wait, no, what are you do-» he added, before finally letting it go, filling Lea with his cum.

«What have you done?»

«Just making sure you obey me, don't worry, I will do what is needed if you do~» Lea purred, releasing the man to let him see his cum coming out of her pussy, a new slave in the criminal's pocket.

Home for the Holidays - Part 4

Page 1 - by ARIBETH

While the criminal inside Léa had his fun as the sister, nailing all of Alex's friends one by one who was around her, the intruder inside Maria began to seduce Marc.

«Cute little boy...I'm a mature woman...look at my assets... wouldn't you want to...give it a try? I promise I won't tell anybody...but you'll miss the chance if you refuse now~» Maria purred, taking off her top, moving her bare breasts in front of Marc's face, who couldn't move because of the surprise of feeling maria's nipples rubbing his face.

She slipped a hand inside his pants, rubbing Marc's dick gently.

«Please marc...don't miss this, look, I can barely hold them within my own hands...give me yours~»

Without saying anything, Marc let Maria seduce him, taking off his pants, and rubbing her tits on his legs all the way up to his member, which she stuffed inside of her cleavage.

«The poor guy is completely hypnotized by this slut's body. I can't blame him, I am so used to being her now, that I have mastered all of her seductive aspects. I can't wait to take over his girlfriend, I am somehow curious to have a younger female body» the criminal inside maria thought, as he started to suck Marc's rod with maria's lips.

«This is still somehow weird how all of this works. As

for myself, I would never wish to have a dick in my mouth. But as this slut, it just feels so natural...»

Maria suckled Marc for a moment, until he came in her mouth, unable to hold it anymore.

«Did you just...you came so much! I can barely breathe! I guess your girlfriend isn't as good as I am then~» Maria smiled, gagging with her mouth full of the white liquid, before gulping it down whole.

She sat on her bed, laying down gently before spreading her legs open.

«We aren't done yet...give me that cock again~»

Unable to resist this hot woman's invitation, Marc let his primal instincts guide him inside Maria's vagina, hearing her moan for the first time.

She wrapped her legs around his hips, holding him inside of her, before smiling widely.

«You little pervert...you are nailing your best friend's mother, while your girlfriend is somewhere near us in the house...I love twisted-minded perverts like you...it reminds me of my old self~» Maria moaned, moving her hips gently, the criminal inside taking a lot of pleasure again to abuse others, using this stolen body of Maria.

Things led to another, and Marc, in the end, ended up filling Maria's womb the same way he did with her mouth.

«What have I done...» marc said silently, looking at Maria playing with the cum coming out of her pussy with her fingers.

«You had sex with a married woman, while your girlfriend was around...Congratulation~» Maria purred.

«Now I am all yours to play with. If you want to do it again tonight, just tell me...we will have to find an excuse. For now, leave, I have to clean myself, I can't go down with your love juice flooding down my legs~»

Marc left the room without a word, Maria locking the door behind him, as to not be disturbed.

«Fuck fuck fuck, I don't know why but getting nailed in this whore's body, turns me on so much! I need to relieve some steam!» Maria said to herself.

She grabbed her butt and tore it apart, revealing the criminal's body behind. He slipped down Maria's bottom part, keeping only the top part as he loved to hear her high-pitched voice, and play with her tits.

«This is so fucked up ...but I love it so much! I am looking at this stolen body, with my own lower body under it. I need to use this slut's hand to wank myself,

I am so hard I could break it~»

Without looking away from the mirror, the criminal masturbated using Maria's hand, looking at her aroused face and jiggling boobs.

«I would like my dear daughter to be here...I could fuck this whore too~» Maria moaned, soon before jerking off all she could on the mirror.

She sat down, on the floor, exhausted, looking at her deflated legs laying on the floor, like an unused pants, then down, seeing the criminal's dick slowly going to sleep.

«I wonder...would anyone notice anything if I kept wearing the top, and kept my own body under, hidden under some clothes? I have to try it one day~»

He picked up Maria's legs, putting them slowly back on, stopping once he was done, to look at the two parts of maria's body merging back together, reshaping as maria's natural body.

«I can't understand how all of this works...but it is just amazing,» the criminal said in Maria's voice.

«I wonder how 'my' daughter is doing...I better go check on her. But before, let's have a little fun in the shower...I need to be clean, in case she suddenly wants to lick me down there~»

The night time arrived, and all Alex's friends gathered with him and his family, in the living room for dinner.

There were awkward stares the whole time.

The group of friends who got lucky with the sister, avoided Alex's sight, believing they did something wrong and should keep this secret from Alex.

On his side, Marc was still confused about what happened with Alex's mother and decided not to talk about it, avoiding Louise's questions about why he disappeared for a moment without warning her.

For the criminals inside Léa and Maria, they couldn't help but silently enjoy the mess they did, now having most of Alex's friends in their pockets in case.

To celebrate this, the two thieves decided to enjoy their nights, partying but as the two girls, kissing themselves sensually from time to time, teasing the whole group, Alex included.

«Whoa, your mother and your sister are...I mean they always were hot but now they are...» one of Alex's friends said to Alex.

«Acting like sluts? Yeah, I know...» Alex sighed, aroused, but also knowing what was happening.

As she was their next target, Lea and Maria became closer to Louise, inviting her to a girl's only trip tomorrow.

Seeing this, Alex tried to warn Louise to refuse, but Maria quickly retorted, convincing Louise to follow the two women tomorrow.

«I see you still haven't understood the lesson. Maybe you really do to nail these bodies after all, even if they do belong to your mother and your sister?» Maria purred in Alex's ear, when Louise was far enough away, pressing her tits on his shoulder.

«Or maybe you really want me to run in the street naked like this? Does it turn you on?~»

«No please, don't! What are you going to do to Louise?» Alex asked.

«That is not your concern. Don't worry, she will like it. As for you...come to mommy's bed tonight, I want you to fill every one of my holes~» Maria moaned, biting Alex's ear when nobody was looking.

«No please, I beg you, I don't want to-» Alex started to reply.

«So you really want mommy to run naked in the streets?~» Maria asked.

«Then come by tonight. I bought some lube to help you not get hurt. You see, I think about you. It would be a shame to ruin your sweet mommy's body while you are thrusting in her~»

Home for the Holidays - Part 4

Page 4 - by ARIBETH

As the criminal forced him to, Alex had no choice other than to go to his mother's bedroom after the party. When he opened the door, he gasped out of surprise.

He thought he would see Maria in yet another weird pose. But instead, he found her watching a movie on her computer, fully naked on her bed.

«Oh Alex, it's you. I am so glad you came. I wanted to watch a movie tonight, I hope you don't mind?» Maria asked sweetly, laying down on the bed.

«Come on, make yourself at home, take those clothes off, and join me~»

Hesitating at first, Alex remembered the deal he was facing and preferred to do as the criminal asked.

He took all of his clothes off, and joined Maria in the bed, laying down not so far from her.

She rolled toward him until she was close enough to sweetly hug Alex, halfway laying on his torso, one of Alex's legs between hers, her head resting on his shoulder, like a couple. She took his hand and wrapped it around her behind her neck, Alex's hand ending gripping one of her buttcheek.

«I love watching movies and cuddling like this, don't you?~» Maria innocently asked, looking at Alex with a comforting smile, making sure to press her boobs on his torso, as she cuddled him.

«Yeah...Same...» Alex replied, confused about all this sweetness.

«Alex...I am so sorry about what I did...it was never my intention. I only wanted us to be closer...I always loved you for the man you became, ever since your father left us» Maria explained, looking Alex in the eyes.

«Since I merged with your mother, I saw all of her thoughts about you and...the things she never wanted to tell you...and it affected me too»

«What do you mean?» Alex asked, slowly starting to feel something he would not want with his mother...before.

«I mean...do you love all this sweetness? I want us to be more... since your father left, I always saw you as the big man of the house and...it was like I had a new partner...the best I could ever dream about» Maria smiled, kissing Alex on the neck, turning him on on many levels, running her hand between his legs, grabbing his hardening dick.

«That's why I only wanted to chill tonight...to see if you were feeling the same toward me...I am so happy to see you do~»

«But you ...I mean...» Alex replied, starting to see his mother like a girlfriend, getting excited over her comforting words.

«I can see what she feels and thinks, I am just letting her talk to you this way. She loves you so much...do you want us to do it...as lovers?~» Maria purred, kissing Alex on the lips before mounting him without hearing his answer.

Home for the Holidays - Part 4

Page 5 - by ARIBETH

Alex had an amazing night, the criminal inside of his mother successfully made him see his biological mother as a girlfriend.

The next day, Alex and his friends stayed at the house to clean it, while the girls went out for their girl's only time.

«Haha, you were right, it was so fun to mess with that idiot, pretending to be his mother for a moment» Maria said to Lea, while Louise was buying some ice cream for them.

«I told you! I guess he fucked you even better, right?» Lea asked, looking at Louise's back.

«She is so hot! I would like to do it so much!»

«Hahaha yes, he even said he started to love me too. What an idiot!» Maria laughed, slapping Lea's butt.

«Not as good as yours, my dear daughter~»

«Oh mom, you are going to make me blush~» Lea smiled.

«By the way, I called one of our old friends...to have a little more fun~»

«Don't tell me...» Maria added.

«Yep, he will wear Louise, I hope you don't mind staying as the busty mother~» Lea replied.

«Yeah! Absolutely not! I would miss these!» Maria said, cupping her breasts sensually, almost pushing them out of her swimsuit, making all the men around stare at her.

«Oh come on you losers, you've never seen a woman before?» she said to the ones that stared at her, her hands still playing with her boobs.

«Stop messing around dude, this slut is coming back» Lea stated, looking at Louise coming back to them.

«Hey, here I brought you the ice cream!» Louise joyfully said, giving the melting ice cream to Maria and Lea.

As she started to lick hers, Louise felt Lea staring at her.

«What? Have I got some on my clothes?»

«No no, you are just licking that ice cream so well...I wondered how your tongue would feel on my dick, and it turned me on, hahaha!» Lea replied, realizing how quickly it was melting.

«We better eat it, it is pouring down my hands. Be careful, if some falls into your cleavage, I would have to lick it~»

«What?» Louise added, confused about Lea's previous sentence.

«Nothing darling, don't care about what my daughter is saying. She is a little slut, and sometimes she says weird things» Maria smiled, reassuring Louise.

«Maybe but 'mom', you have to admit that...look at her boobs...look at the shape she has...huuuuum, she smells so good, I want to screw her so badly~» Lea added, looking lustfully at Louise, creeping her out in the meantime.

«I can't wait for our friend to come so we can start having some fun~»

Home for the Holidays - Part 4

Page 6 - by ARIBETH

«Whoa, this is becoming so weird...it,s as if I was with two horny men» Louise stated, smiling forcefully looking at Lea, who was literally eating her on sight.

«Don't be stupid! Look at these tits, no man could have these~» Lea replied, making her chest jiggle with her hands.

«We are just...messing with you! Oh by now, our friend should be at the beach cabin mommy rented, let's go!»

The 3 girls stood up and headed toward the beach cabin where they had stored their belongings.

Lea took Louise by the hips, running her hand gently on her shapes as they walked, making Louise even more uncomfortable.

They reached the cabin and opened it, finding a man inside, who was anxiously looking around, as if he shouldn't be there.

When he saw the woman enter, he first started to panic, trying to go out.

«Oh sorry, I think I am in the wrong place, I was meeting with a friend and I hugh-» the man began to explain, before Maria took him by the hand, putting his hands on her chest.

«Don't be so weirded out big man, you may be lucky after all~» Maria smiled.

«Do you want us to give you a good time~?»

«Yeah, come on Andrew, don't leave us this quickly, didn't you want to play with these whores before ?~» Lea added, pushing her tits on the man's arm.

«Wait, how do you know my name?» Andrew asked the two girls, who were running their hands on his body.

«Yeah, who is this guy and...why are you acting like this to him?» Louise wondered, creeped out and was about to leave.

«This is too much for me, I am going back home»

«Not so fast~» Lea added, taking Louise by the hand before stinging her with a needle.

«There...sleep tightly...a better you will arrive when you will wake up~»

«What have...hellppppp...» Louise tried to say, her voice getting muffled as she fell to sleep on the ground.

«So where were we, Andrew? Oh yeah, we were at the point of you fucking us, right?~» Lea smiled, taking off her bra before going back to running her assets on Andrew.

«With who do you want to start? The young slut, or her mother?~»

«Wait, you are her mother?» Andrew asked maria, who had also taken her bra off.

«Yeah, and we just can't give up on sex...we are so addicted! So you want to start with her fresh tight pussy, or my older one?~»

«Whoa...I...» Andrew was about to say, confused and turned on about those two girls hitting on him.

Home for the Holidays - Part 4

Page 7 - by ARIBETH

«Mommy let me start, I want to show you what I learned last time~» Lea purred, caressing Andrew's shaft.

«Alright. Don't disappoint me or you will have to lick me out tonight~» Maria purred, looking at Lea slowly mounting Andrew.

«Whoa, you girls aren't joking!» Andrew stated, looking at Lea sliding his dick inside of her vagina, his hand going to her butt.

«I never thought two sluts like you would be so eager to mount someone like me. You still haven't answered my question...how do you know my name?»

«Do you...huuuuum....care?~» Lea moaned, starting to bounce up and down on Andrew's member.

«Oh fuck mommy, he is so big! My young pussy can barely handle this~»

«Don't you like my daughter's boobs? You can play with them! Come on, she is your bitch!~» Maria smiled, sitting nearby the two, her hands starting to fondle Lea's assets before she kissed her.

«Fuck fuck fuck, this feels like it is out of a fucking porn movie! I won't hold it long if you keep playing with me like that!» Andrew explained, getting so much pleasure from the two women, even forgetting that Louise was laying nearby, sleeping.

«I can't hold it, I can't hold it...I can't hold it!»

He came inside Lea, unable to hold himself any longer because of the two busty girls teasing him too much.

«Damn...its a sham your wife left you...I can't believe she used to ride

such a big dick and decided it was not worth staying with you, in the end, ~» Lea moaned, laying on Andrew, pushing her boobs on his face, as she felt her vagina getting filled.

«Wait wait wait, how do you know this? Who are you?» Andrew asked, even more, confused about Lea's last sentence.

With a smile, Lea stood up, Andrew's member still inside of her, and started to rip off her face, until the criminal's face could be seen under it.

«Lachlan?! Wait...how? What?!» Andrew asked, heavily surprised.

«So, you are...?»

«Surprise mate!» Matt said after taking off Maria's head.

«So how does it feel, fucking your old mate? hahaha!»

«How could it be so real? It was like nailing a real girl?! How is that possible?» Andrew added, cupping Lea's breasts.

«These felt so real too!»

«It is because they are...let us explain to you this» Matt added, taking the costume gun out of Maria's purse.

«Look. Did you see the girl on the floor? She is a real one, you can touch her if you aren't sure, she is sleeping anyway, hahaha! Now, look at this!»

Matt fired the gun at Louise, who started to deflate until she was nothing but an empty husk.

«Now the fun part...» Lachlan said, sliding Andrew out of Lea's pussy.

«Go wear her!»

Home for the Holidays - Part 4

Page 8 - by ARIBETH

«How do I do it?» Andrew asked, picking Louise's skin up off the floor.
«It is as if...it was real skin»

«It is a real skin. She turned into a costume you can wear. Do it, and you will become her. Like we did with these two» Lachlan explained, putting back Lea's head.
«or maybe you want to have fun with mommy now?~»

Too eager to try it, Andrew slipped his hand in Louise's mouth and slipped it inside her arm.
When it reshaped as her, he got surprised at first, then amazed, moving Louise's hand around as his.

«Whoa, you two weren't joking! I am really becoming the girl you brought with you!» Andrew stated, promptly putting his other hand in her mouth, then his legs, ending up with Louise's mouth spread open, forming a kind of a belt around his hips.
He finished wearing the girl by putting her face over his, and when her whole body reshaped over his, Andrew couldn't contain a hysterical laugh as he looked down at his new cleavage, using his stolen hands to cup them.
«What is this magic? I am really a girl now! I have her voice, I have her fucking huge tits! Hahaha»

«Welcome to the family mate! These girls were our hideout ever since we found them but now...we can barely think about leaving these bodies. What do you think about our whole gang turning into sluts like them? We could stop hiding, and have all the sluts we want to play with~» Matt explained, after putting maria's head back.
«And nobody can know anything about our new identities~»

«Also before we start to have fun...» lea smiled, coming toward Louise, running her hand between her legs, and starting to finger her slowly.

«Ooooooow! Is this...awoman's pleasure? Oh my god...Huuuuuum~» Louise moaned, as Lea fingered her deeper.
«My brain...what are...her memories?!...I...aaaaaw...I remember her life...fuck fuck fuck~»

«Now you can more easily pass as her~» Maria purred, putting a hand in her pussy, taking out Matt's dick from her pussy.
«Since we saw her yesterday, I couldn't help but want to fuck this whore! Now that you are here, maybe you can show us what you learned from her memories?~»

«And while you are at it...» Lea purred, taking the criminal's dick out of her pussy too.
«Don't just please mommy...make it double~»

Andrew was lost, he didn't know where to look at.
Between the itch between his new girly legs, the feeling of Louise's tits within his hands, how she used both to please guys, and the two girls sexily teasing him with their dicks out of their pussy, he was in extasy.

«I...I'll gladly let you ravage my pussy! I want to know how it feels to be a slut!~» he purred with Louise's voice.

«Gladly~» Lea and Maria said at the same time, coming toward him for a lot of fun.

«Hmmm, why does it looks like something changed in your girlfriend?» One of Alex's friends said to Marc, looking at Louise and Léa having fun together next to the pool.

«ever Since they got back from the beach...I don't know, I can't describe it...both of them are giving me the creeps...»

«I don't know...Yes...no...» Marc replied, lost in his thoughts after he had nailed Alex's mother.

«Marc? Are you alright? What is going on?» The friend asked.

«Nothing...I am alright...» Marc added, looking at Maria, who was talking with Alex behind a glass, then back at his girlfriend, who was playing with her boobs in the open, not caring who saw.

Lea laughed when she saw what Louise was doing, and did the same, pressing her tits together to compare them with Louise's cleavage, entertaining and turning on, Alex's friends who were watching outside.

Meanwhile, inside the house, Alex was talking with the criminal, still wearing his mother, Maria, about the sudden personality change he noticed with Louise.

«What did you do to her? It is obvious she isn't the same since you are back!» Alex stated, looking at Maria, smiling widely.

«What's the matter, my dear son? You really took me out of the fun to tell me this? Look outside, I don't see any problems with Louise, and she seems way happier now~» Maria smirked.

«Stop your crap; what have you done to her?» Alex added.

«Oh, nothing much...we just invited one of our friends to have some fun with us. He needed a place to rest, and now he even has two tits to sleep on~» Maria explained.

«You ... a man is wearing her as you did with my mother and sister?» Alex said, wanting to be sure he understood it whole.

«Congratulation! You are really a wonderful detective! Let me reward you ~» Maria smirked, getting down on her knees, her hands caressing Alex's crotch.

«Let mommy give you a little sweet...take a good look out the windows, to be sure nobody sees us...this could get messy real quick~.»

Knowing he had no choice, Alex did nothing but watch his mother get on her knee, Unzip his pant, And start to give him a blowjob, Hidden from all the others.

«Don't make this face; I know you love the new mommy more. If I can confess, what I told you in bed yesterday is true...I see you as my boyfriend now. So what is wrong with giving a blowjob to my lover?~» Maria purred, gulping down Alex's member.

«DO you want to have sex after? Or finish in my mouth?~»

«I never know if you are serious or...aaaah!» Alex moaned, feeling Maria's teeth rubbing his dicks sensually.

«Do you think I would do this to someone I don't consider my boyfriend? You are so lucky to have me as such; all of your friends wished they could get their hands on your sister and me...and you have both for yourself~» Maria smiled, stuffing Alex's dick between her tits.

«While mommy is massaging your member with her boobs, I wanted to ask you something~.»

«What...what is it?» Alex wondered, feeling way too good.

«We were talking about you with my mate...sorry, your sister the other day. Thanks to your awesome family, we had a lot of fun. So, we wanted to know if you wanted to join ours~» Maria explained, spitting on Alex's dick to put lube on it before wanking it vigorously.

«Come on, imagine all the fun...this every day...or we could get you a girl to wear too~.»

«What the...why...oooooh...I can't think straight...I'm going to...I...» Laex tried to reply, about to cum, as maria's handjob was way too good for him.

She stopped wanking him before it happened and looked at him with a devilish smile on her face.

«Mommy won't let you finish until you answer...sooooo?~» Maria purred, biting her lips sensually.

«I...I think I want to try this...I don't have much to lose anyway...» Alex replied, looking at his mother bending down before him after he told her his answer.

«I was sure you would say this~» Maria purred, sliding off her panties.

«Now slide your meat inside, mommy; let's finish quickly to make sure you aren't cummin on my tits like you used to ~.»

Alex did as instructed, emptying his load inside of Maria before they joined the others outside as if nothing had ever happened.

For the rest of the afternoon, Alex tried to ignore the 3 women lustfully playing together in the pool, all of his friends being unable to look elsewhere, all turned on by the situation except Marc, who was trying to avoid looking at Maria.

Alex noticed something was off with his friend and went to speak with him.

At first, he avoided all questions of Alex, stating he was doing ok.

This was until Alex noticed how Marc seemed to look weirdly at his mother.

«Wait...is the topic you are afraid to talk to me about, is... my mother?» Alex asked, seeing Marc turn immediately toward him.

«What? No, no, no, no! I mean, no!» Marc replied immediately, letting Alex know he was right.

«Marc, you are my friend; you can tell me everything. I won't get mad at you or say anything,» Alex tried to reassure Marc.

«My mother did something to you?»

Marc took a second to proceed with this before finally

breaking down, explaining everything to Alex on how Maria seduced him and dragged him into her room to let him do her finally.

«Please, don't tell this to Louise! I already felt so bad toward you for doing your mother, but if Louise were to know that, this would be over between us...» Marc added when he was done explaining the situation.

«Are you mad at me? I am so sorry...I didn't know what to do...»

«No, don't worry, it is not you I am mad about...the son of a bitch!» Alex added.

«Hugh? Who are you talking about, then?» Marc wondered, confused about Alex's latest insult.

«Oh, nothing...I have to talk with my mother,» Alex finished, heading to the pool.

As he tried to talk to Maria, Lea, and Louise couldn't stop looking at him with judging eyes.

«What do you want to tell her, brother? Don't you see we were having fun?» Lea said.

«Don't you have enough to mess with us?»

«Don't worry, girls; I am sure he wants to tell me something good.. doesn't he?~» Maria replied, following Alex.

«What was so urgent that you wanted to talk to me about?» Maria asked.

«What have you done to Marc?» Alex asked.

«Oh, he told you? I have done nothing...Except, of course, making him a little happier than he was...just the time needed for your dear sister to convince Louise to go to the beach with us, as her boyfriend seemed to be away~» Maria explained, a smile on her face, before enlacing Alex.

«Don't worry; I prefer to do it with you, honey~.»

«You made someone fuck my mother again...» Alex stated, avoiding Maria's attempt to kiss him.

«And? It is my body for now, remember? Plus, you know that your sister and I have some pleasant time together often, and you don't seem to complain~» Maria added.

«It is different! I am...used to you two taking over my mother and my sister by now ... I don't know...it doesn't feel the same knowing you let someone else do her...» Alex said.

«Ooooooh, you feel ok knowing we do stuff, your sister and I, because you see us as...family? I am so happy I asked you to join us because I really see you like a member too~» Maria smiled, kissing Alex passionately, who, this time, didn't try to push her away.

«I want to apologize to you for Marc...Do you want us to

fuck quickly before returning with the others?~»

«I...yes,» Alex replied, being somehow happy. Maria confessed she preferred him, seeing his mother more and more like a girlfriend by now, the criminal-wearing Maria enjoying the result of the little game he was playing with Alex's feelings and mind.

She sat on the table not far from them and let Alex slide his cock inside of her. She let him suck his nipples like a baby as he was ramming her inside at a fast rate, trying to finish before anyone would witness this.

«Ooooooh, mommy is...you're making mommy so happy!~» Maria moaned as Alex kept pocking her womb.

She wrapped her hands around his hips and kissed him sweetly.

«Do you like me more like this?~»

«Yes...I do,» Alex replied, feeling his dick deep inside Maria's vagina.

«Say it...say iiiit~» Maria moaned.

«I love you, mom!» Alex replied, cumming inside of maria, the pleasure and the sweetness being too much for him to handle.

As they finished, Alex and Maria went back to the pool. Maria went back with Louise and Lea, telling them what happened, making the 3 laughs as they looked at Alex, who didn't see them mocking him.

At the same time, Alex talked to Marc about the situation with his mother.

«I talked with my mother... Do not talk to her again; I don't want to see you around her anymore!» Alex said to Marc.

«She is MY mother, understood?»

«Whoa, whoa, easy there, of course, I want nothing with your mother, don't be so angry! She was the one making me do this...» Marc replied, surprised by Alex's sudden aggressivity on the topic, talking the same way as a jealous boyfriend.

«It better be this way,» Alex concluded, returning to the rest of his friends, confusing Marc.

As the night came, Alex's friends, including Marc, returned to their place.

However, he returned home alone, and Louise decided to stay with Lea for a girl's night.

«Finally, all those idiots are gone; we can have some fun,» Lea said after closing the door for the last of Alex's

friends.

«Do you want me to teach you how to do some slutty makeup?»

«Only if I can fuck you right after~» Louise smiled, slapping Lea's ass.

«I may have a big ass too now, but it feels so different to play with another one~.»

«I know right? Let's get you dressed up sexy; the clothes of this slut may be the same size as yours~» Lea stated, the two heading to Lea's bedroom.

Meanwhile, Alex started to watch a series on the TV; Maria was browsing her phone nearby, playing with her boobs occasionally, making Alex wonder if this was conscious or not.

After a moment, Lea and Louise returned to the living room, all sexily dressed.

«Voilaaaaaa! Look, a better version of this slut, hahaha!» Lea laughed, fondling Louise's tits from behind.

«What a wasted potential she was! Now...she is fully her~.»

«I feel so like a whore...I love it~» Louise smiled, pressing her boobs together.

«if only there were a dick around to satisfy me~.»

«What? Wait no. She is my friend's fiance...» Alex said when he understood the meaning of Louise's sentence.

«And? Is your friend around? Besides...can't a girl have fun with whoever she wants?~» Louise purred, sitting on Alex's lap.

«Your 'sister' told me how you liked to play it rough... DO me well, and I promise I will fake being normal with your dear friend~.»

«Come on, stupid brother, you prefer to fuck your mother and sister but not your hot friend's girlfriend? How weird are you?» Lea added.

«Get this pant down already, and let us watch a good show!»

«I guess I don't have the choice...» Alex sighed, letting Louise remove his pants before removing hers.

«Are you ready to fuck me, Alex? My idiot future husband doesn't satisfy me enough, and I am a dick-craving whore...I need to have my daily load of dicks, and I am far from being satisfied yet~» Louise smiled, sitting on Alex's lap, her vagina pressed on Alex's member.

«Why are you making her say that...they love each other, as far as I know,» Alex replied, putting his hands on Louise's ass, enjoying secretly, finally knowing the

feeling of her assets.

«You know he nailed your sweet mother, so it is only fair I have a little fun with you now. And for what I feel in my hands...we will have a lot of fun together~» Louise purred, caressing Alex's dick in her hand, lifting her hips a bit to slide it inside her pussy.

«It is a secret...don't tell my husband that I am a dirty whore~.»

Louise sat down, and Alex experienced the warmth of her inside, seeing her comforting smile, making him not care anymore about what was happening, enjoying the pure pleasure of Louise bouncing on his hips.

«Huuuum, seeing my lover fuck this slut right in front of me turns me on so much~» Maria purred, gently wanking the dick coming out of her vagina, rubbing her boobs with her other free hand.

«Ooooh, mommy...do you need a little hand? It is becoming kinda hot in here~» Lea smirked, looking at Maria, dropping her clothes before sitting next to her mother, taking her ride out of her pussy too, wanking it while staring at Alex and Louise, her other hand grabbing Maria's penis.

«Maybe we can help each other out?~.»

Page 7/8 - by ARIBETH

As Alex changed position with Louise, he noticed Maria and Lea wanking each other out, playing with their boobs as they were still staring.

For some reason, this turned on Alex to see his mother and sister so happy together.

«Ooooooh! While this idiot fuck me from behind, who wants to stuff their assets in my mouth?~» Louise smiled, coming toward the two women, taking Alex by the dick to follow her.

«Slide yourself back inside; I am not done yet!»

Alex did as told, watching Lea and Maria slap Louise's face with their members.

«This is so great...you love it too honey, don't you?~,» Maria asked Alex, coming towards him to kiss him, her dick in Louise's mouth.

«This is...pure bliss,» Alex purred, fucking Louise harder, cumming all together on her after a moment.

«Look at this whore...she has cum all over her face~» Lea stated, pushing her dick back inside her vagina.

«Can you even breathe?~»

«Yeah...i...give me a second,» Louise explained, pushing as much cum as she could inside her mouth before swallowing it.

«Ahhhh, much better! Damn, that was a huge load you gave me! Ah crap, I even have some in my nose!»

«Let me help you then~» Lea smiled, licking Louise's face, stopping quickly after.

«Ergh, you have too much! Let's head to the shower instead~.»

Alex watched the two girls heading toward the bathroom, leaving him alone with Maria, who sat back on the chair, browsing her phone, almost fully naked this time, wearing a wardrobe she didn't even close.

Alex tried to not look for a moment but quickly couldn't resist, staring at the busty woman, getting turned on again, having only put his underwear back.

Maria noticed his bulge, and as she drank another cup of her cocktail, she let some drops of the liquid fall on her boobs.

«Oups, I am so clumsy...Imagine if someone in this room was turned on by looking at me...maybe we could have some sexy time while the two others are getting clean~»

Maria smiled, putting her phone on the table nearby.

«I wasn't satisfied enough earlier...what do you prefer? To take me on the table, or should I come and sit on your dick?~.»

Page 8/8 - by ARIBETH

«Sit on me, please. I want to play with your tits from behind» Alex said, taking his underwear off and waiting for his mother to come.

She gave him a lovely long kiss before sitting on his dick, moaning as she slid in.

Alex grabbed her boobs and kissed her on the back, enjoying the comfort and sweetness of the situation.

«I love you, mom,» he whispered to her, making her tits jiggle within his hand, feeling Maria's vagina tighten as he said those words.

«Oh...thank you, honey...mommy loves you too~» Maria purred back, a devilish smirk on her face that Alex couldn't see before she turned back toward Alex to kiss him sweetly.

«We can do so much together... Are you willing to help me with everything I may ask you?~»

«Yes, mom... whatever you may ask,» he smiled happily, kissing Maria again before the two proceeded to fuck passionately.

In the meantime, Lea and Lousie finished their showers and dressed for the next part of their plan. Once ready, they went to the living room, finding

Alex and Maria still having some fun.

«My idiot brother is still doing our mother...I can't really blame you~» Lea stated, jump scaring the two as they were focused on each other.

«We have to wake up early tomorrow, so don't spend too much time fucking him, or you won't sleep.»

«I know, but...hmmmmmm...I love it so much...I have to finish~» Maria moaned, bouncing on Alex's dick, and turned toward him, his head stuffed between her boobs.

«Wait, wait, wait, where are you going tomorrow? You can't just go like that!» Alex stated, stopping Maria to be able to talk to Lea.

«You see that? That's my answer. This body belongs to me; I do what I want with it for now,» Lea replied, giving the middle finger to Alex.

«Don't worry, baby, we must see some of our old mates. We will be back after, so we can have fun again~» Maria assured Alex, kissing him sweetly as she moved her hips again.

«For now...Ooooooh...keep fucking me, honey~»
