«Yes, we are almost at the address you gave. We are just staying at a motel for the moment, resting a bit before driving again tomorrow morning» Lea said in a deep masculine voice, fully naked, cum flooding out of her vagina.

«Oh yes, you can hear I am excited, because we have a huge surprise to show you guys»

«You might not believe us at first tho» Maria said loudly to be heard over the phone, also with a masculine voice, a penis coming out of her vagina, dripping with cum all over the floor, trying to contain the droplets with her hand.

«Yes, it was Matt, saying you might not believe us. Yeah, hahaha. And, little other subject, is your hideout... safe? You know, you guys were tracked by the police, not to say the least. We would not want to be found in a difficult situation...well, even if the police won't...let's say, recognise us» Lea added, still with Lachlan's deep masculine voice, watching Maria struggle, giving her a sign to come closer.

Lea let her finger run on Maria's penis, cleaning it with her tongue, while she got answered over the phone.

«You found a safe place? Nice news! Well, see you

later then» Lea finished, putting the phone down as the call ended, before licking her fingers clean from the cum.

«Dude, be careful with your cum. We might be completely out of suspicion in those slut's bodies, but if they ever run a DNA analysis for no reason, they can track us»

«Hey, I can't help it! Whenever I have my dick out, especially after fucking my sweet daughter, touching my huge whore breasts makes me cum uncontrollably ~» Maria purred in her own voice, pushing her now cleaned dick, back into her vagina. «So what are our friends doing there? We lost contact with them for so long~»

«Well, I don't really know... the two stayed kinda vague about their situation. Apparently, they are safe and out of the police where they are~» Lea said in her own voice, looking down at her vagina, scooping the cum getting out of here and putting it in her mouth.

«Damn, that's so weird, but I think I developed an addiction to cum in this body, hahaha~»

«From wanted by the police, to a complete cum loving whore... What a twist~» Maria winked, heading to the shower.

«Bro what the fuck? Are you still not ready?~»

Maria asked Lea upon seeing her stuffing her clothes into her suitcase, not even dressed.

«Give me some rest, I had to do my nails, my makeup... I am still not used to doing all of those. You would know if you tried at least a bit to do that~» Lea replied, stuffing her tops in the suit.

«I don't need that, hahaha! The perks of having the milf body, I don't need to cover my face with makeup, I am perfect by design~» Maria added, playing with her hair, making them move around. «Be careful my slutty daughter, one day you too wouldn't need to do all that shit~»

«I am really not in the rush of finding out if we can age while wearing those bodies... or if those bodies can age while we wear them~» Lea smirked, pushing her breasts together.

«Giving up on those beauties would be a crime~»

«I just can't disagree with you! But stop playing with your tits, and focus on that luggage! I want to move out of this hotel room!~» Maria said, turning around, leaving Lea to finish her stuff.

Lea finished putting all her clothes in the case,

dressed, and joined Maria in the parking lot, who was obviously flirting with the owner.

«Oh, and this is my daughter. She is as much of a whore as I am, hihhi, I raised her well!~» Maria said as Lea joined them.

«Up to you to choose, we both want it~»

«We? What is all this about?~» Lea asked, curious, even more seeing the perverted stare of the owner, going back and forth between Maria and Lea.

«Can we go now? We are already late~»

«Not now, we still have to... you know... pay him... but we don't have any money~» Maria winked toward Lea.

«What? I thought you did that yesterday! For fuck sake, we don't have time!~» Lea complained, the owner smirking widely at her.

«What are you peaking at, you perv? Wanna see this slut's tits? Here, take a look, and let us go!~» She added, pulling her top down, showing her bare breasts to the man, before covering them again.

«I want to do it with your daughter. I want to feel her bratty cunt around my dick» the man grinned, looking back at Maria, who widely smiled in return.

«What? No way, I spent hours this morning on my makeup and-» Lea tried to complain, before Maria interrupted her.

«You heard the man, my little girl. Fuck him, right, we don't want him to complain to the police~» Maria winked, slapping Lea's butt.

«I will wait in the car meanwhile~»

«Come on, little slut, daddy will make you have a good time» The man grinned, taking Lea by the hand, heading to his place, Lea furiously looking at Maria, waving to her with a huge smile, as they went away.

As soon as the man closed the door behind him, Lea tried to say something, but was immediately jumped on by the man, who kissed her, and began to slide his hand between her legs, quickly finding her vagina.

«I am being violated!» Lachlan thought, as he felt powerless, having to let the man do whatever he wanted to Lea's body.

«I am going to fucking kill you, Matt, for that!»

«I can't have enough of hot bratty girls with big tits like you! I used to masturbate so much to porn videos like those, and now I am going to do it with one slut of this kind» The man groaned, shifting his hand from Lea's ass to her tits, gripping them firmly, too firmly,

making it slightly painful for Lea.

«Hey, be careful, this is sensitive-» Lea tried to say, before the man slapped her in the face.

«Shut up slut, your mother said you would be my obedient sexual slave if you don't want me to call the cops on you» The man added.

«Now take your clothes off, I want you to ride me, call me daddy, and make silly faces like a young Insta slut»

«You better not be around if one day I decide to stop wearing her, because I would make you pay a dozen times this slap» Lachlan thought, recovering from the hit.

«I guess I have no other choice for now than follow what he says... sigh»

Lea began to take off her clothes, soon ending up in her underwear in front of the man, who was clearly getting way too excited by the sight.

«Wanking to those Insta sluts made me learn a thing or two... mimicking them to tease Alex's friends came in handy... I guess I will have to roleplay the slutty innocent again, but not really with all the fun as last time...» Lachlan thought, making the silliest face as Lea, willing to play with the pervert as much as he did with Alex's friends.

«Daddy... would you like my slutty ass to bounce on your dick?~» Lea said in the sluttiest possible voice, Lachlan trying very hard to stay in character.

«Oh yes! This makes me so hard!» The perv said, taking off his pants, showing his raging erection to Lea.

«Oh gosh, I wasn't expecting it to be this huge! He has a way bigger dick than me!» Lachlan thought, staring at the perv's erect penis.

«Ok, this might actually feel good... I am kinda excited to ride him now»

Lea lay on the bed, opening her legs, ready to take in the pervert who slid himself inside of her vagina quickly after.

«Oh fuck! Your whore pussy is so tight!» The perv groaned, moving his dick inside.

«Oh fuck yes, daddy! Your huge cock is stretching your little slut's tight pussy so good~» Lea moaned loudly in her sluttiest voice, the words spilling out exactly like the insta-slut the pervert wanted, while inside her head, Lachlan was biting back a grin that had nothing to do with acting.

«Holy shit, this guy's dick is massive... I can feel every single inch dragging along my walls. Lea's pussy is

clenching around him like it was made for this. Fuck!» Lachlan thought, feeling his mind going blank from the pleasure.

The man grunted like an animal, slamming harder into her, his hands mauling her heavy tits, pinching her nipples hard.

Lea's back arched off the cheap motel bed, her legs wrapped tight around his waist, heels digging into his ass to pull him deeper. Every thrust made her huge breasts bounce wildly, slapping together with wet, obscene sounds that filled the room.

«Mmmph yes, daddy, wreck your daughter's cunt! Fill me up~» she panted, eyes half-lidded, lips parted in that perfect fake-innocent face Lachlan had practised on Alex's friends. He could feel her clit throbbing every time the man's pelvis ground against it, and the way her pussy fluttered and squeezed was driving him crazy.

«Fuck... this feels way too good» Lachlan thought, eyes rolling back in Lea's head while her mouth kept spilling out those high, breathy moans.

«Been wearing this body for weeks, and it still surprises me how deep it can take dick. Every inch is rubbing right against that spot that makes her legs shake. Her pussy is creaming so much it's dripping down my ass already»

Page 5/9 - by **ARIBETH**

«Yes, daddy! Fuck your little girl harder! Wreck this tight cunt!~» Lea wailed, legs locked around the man's waist.

The pervert's hands mauled her tits harder, twisting the nipples until they throbbed. «Take it, you bratty little whore! Gonna fill this teenage pussy full!» he snarled, pace turning brutal.

Lea's back arched violently off the bed. Her mouth fell open in a silent scream for half a second before another loud, broken moan tore out.

«Oh my god, daddy, I'm cumming! I'm cumming so hard on your huge cock!~» Lea screamed, reaching climax. Lachlan felt Lea's pussy clamp down like a velvet fist. Hot girl-cum squirted around the shaft, soaking the man's balls and the sheets beneath them.

The pervert followed slowly after, emptying his balls inside Lea in a groan.

When the man finally pulled out with a wet pop, a huge glob of cum poured from Lachlan's stretched, puffy pussy, running down over his ass and pooling on the sheets. His hole kept twitching, pushing out more of the load in lazy pulses.

«Fuck, I will never get this moment out of my mind! I was never lucky with girls, and both you and your slut

mommy showed up yesterday and... fuck, thank you!»

Lachlan sat up slowly, biting his lower lip in that innocent-yet-filthy way. He scooped two fingers through the messy creampie and sucked them clean while staring straight into the perv's eyes.

«Mmm... thank you, daddy. Your cum feels so good, flooding your slutty daughter's womb~» Lea purred, winking.

«Oh gosh, you two are... unbelievable! You can go now, your room is paid» The man smirked, before going away, Lachlan soon hearing the shower.

He sat up, feeling cum still pour out of Lea's pussy, and stared in the void for a minute.

«Have I really gone all slut in and loved it? Being a woman is way too addictive...» Lachlan thought.

«I don't know, Matt, I want to hit you, but also thank you... shhhhh...But I have to make my makeup nice again, and clean myself... gotta take another hour»

Lea sighed, stood up, and went to the bathroom where the motel owner was taking his shower.

He looked at her as she entered, soap all over his body.

Page 6/9 - by **ARIBETH**

«I hope you don't mind, but I have to clean myself a bit~» Lea explained, sitting on the toilet and peeing, pushing all the cum away from her vagina.

The perv stared at her through it the whole time, wanking himself slowly.

«I can feel his eyes on me... this feels a bit awkward, even if we fucked minutes ago» Lachlan thought, finishing his business before standing up, joining the perv in the shower.

«Alright, clean my body well, and I will give you a last little reward~» Lea smiled, letting the man run his hand on her body, full of soap.

As expected, the perv took the chance to fondle her one more, but eventually ended up cleaning herself well.

«Thank you for that! Now, time for the little reward... daddy~» Lea smiled, going on her knees, and sucking the owner until he came inside of her mouth.

She gulped down everything, went outside the shower, dried herself, and joined Maria, taking a nap in the car.

Lea hit the window hard, making Maria jump in

surprise and hit her head on a part of the car, which made Lea laugh.

«Oooooouch, you little shit! So you are finally done being a good little whore, my sweet daughter?~» Maria said, scratching her head.

«Yes, but jokes on you, this actually felt good! this guy has a bigger dick than even you... Compared to him, I barely feel you when you are inside of me, ah!~» Lea said, flipping a finger at Maria.

She then went in the car, and the two drove away from the motel, leaving a happy owner, and cum stain all over their room, which the owner still wondered where it came from as Lea and Maria were the only clients he had those past days.

The road was long, Maria driving most of it, while Lea finished her makeup.

They got pulled over from time to time for speeding, but got out all the time thanks to Maria's huge cleavage, displayed when necessary.

«Hehe, those idiots were chasing us some weeks ago, and now all they can do is wank in their head, staring at us, and letting us control them. What a twist~» Maria laughed, along with Lea, as they drove back.

They finally arrived at the address, a cosy suburban house in a rich neighbourhood.

«Damn, they are really hiding among those wealthy fuck? Let's see that~» Maria said, coming out of the car, followed by Lea.

They walked toward the house, and knocked on it. They waited a bit, but soon enough, a sexy middle-aged girl, barely dressed in a very sexy outfit, opened the door to them, and right behind her, a younger girl, also dressed in a very slutty outfit, looked at Maria and Lea in surprise.

«Hugh... Hello~» Maria said in huge confusion, shared by all the other girls.

«I think we are at the wrong house... We...were supposed to meet friends and... well... sorry we are going now~»

The two other girls looked at each other in deep confusion.

As Maria and Lea turned away, the youngest girl talked to them.

«Sorry, I... your friends... their names are Marc and John?~» The youngest said.

Lea and Maria immediately turned over, even more

confused.

«How...how do you know their name? Were they here? What happened to them?~» Lea asked.

«I got to ask first... What did Vigo break in the set of a famous movie?~» The girl with purple hair asked.

«A fucking overused fact~» Lea added, the two other girls smiling widely.

«Matt...Lachlan, is that you?~» The purple-haired girl asked, tearing away her mouth slowly, revealing a woman's mouth behind, then a man's mouth behind again, before slapping it back.

«What the fuck? Hahaha, I can't believe this is real! We wanted to surprise you with our awesome finding, as those two sluts, but it seems you also had some fun on your side!~» Maria laughed, pulling her mouth out a bit, showing too the criminal's mouth behind.

Then Lea went to hug the youngest girl, and soon both had their hands all over each other's assets, while Maria and the other girl did exactly the same.

«They are both nice, but ours are definitely more gifted, hahaha! Who are they, mother and daughter?~» Lea asked, staring into the young girl's cleavage.

«Not at all! This one is called Sarah, while mine is called Emma! She is the daughter of the adults living here, and I am her teacher. We found her while scouting this slut's school, while I was wearing a student~» Emma explained, tearing her face away, followed by most of Emma's top, revealing Rachel's body behind. «I use this one, Rachel, to have some fun at student parties, since it would be weird to see their teacher there... even if I don't think the boys would complain to have their hot slutty teacher getting flirty. She is not as hot as the teacher, but she is quite popular... and became even more now that most men fucked her, hehe~» Marc said with Rachel's voice, before pulling back Emma's suit over hers, reshaping fully as the teacher.

«So, can we talk safely here? Where are her parents?~» Maria asked, her hands still playing with Emma's breasts.

«Yes! Daddy is at work, and Mommy is away for another week. So my teacher just dropped by to give me some naughty spanking for not attending school today~» Sarah explained.

«Is that really you, John?~» Lea asked, confused and aroused to see their friend act as a total sex-crazed whore.

«Yep, as surprising as it may sound, it is indeed John.

He got so overwhelmed by the female's pleasure that he began to fully act as a depraved whore, assume this girl's life fully. He even studies so she can pass tests, hahaha~» Emma laughed, slapping Sarah's butt. «I don't complain tho, it is so hot when he goes full horny whore, I came so much inside of his stolen body... as her father first, then as myself~»

«Yeah, by the way, how did you end up like this?~» Maria added.

«We were robbing a highly valuable van, and found a costume gun inside it. As we tried to escape the police, we broke into this house, and shot her and her father with the gun, before wearing them. Then we just lived their life... well, having a little incestuous father-daughter relationship, of course, that the mother never even could have guessed. Then we tried to have more fun, skinning her friend, then the teacher~» Emma explained.

«When I think of it... the sexual tension between you and me that we had to keep secret from the mother... huuuum, I am getting wet again ~» Sarah purred.

«See? She really turned into a slut, hahaha~» Emma laughed, turning back to Lea and Maria. «What about you? What is your story?~»

HOME FOR THE HOLIDAYS / HIDING IN PLAIN SIGHT – PART 1

Page 9/9 - by *ARIBETH*

«Oh, we began kinda like you. We robbed a bank, and found a costume gun inside. Then, as we searched for a place to hide, we found the house with those two sluts inside. We skinned them, wore them, and... well... you know us, how could we resist having those huge breasts in our hands~» Maria explained, opening her top, flashing her perfect huge breasts.

«You see that? They are more stacked than your mounds, hahaha! And as we began to play with their bodies...having a sweet lesbian time, we got interrupted by the son of the one I am wearing.. the brother of Lea, who told us more about who were those two girls~»

«Ever since, we had a lot of bonding between the mother and her daughter... and also the son, who knows who we really are by now~» Lea added to what Maria explained.

«Wait, there is a witness to your real identities? Are you mad?~» Emma asked.

«DON't worry about that! Do you remember Andrew? He is wearing a hot slut too now, and closely guarding the son. Knowing Andrew, they are probably fucking nonstop all day. This is also why we didn't bring him here, dude is way too deep inside the pleasure~» Maria laughed, gently fondling her boobs, seeing Sarah staring at them lustfully.

«Hey John, are you ok? Are you stuck on my tiities for a

moment now... wanna play with mommy's breasts? My daughter tells me she loves to have her dick wrapped in mommy's tits... she just can't resist them~»

«Oh yeah, I would love to~» Sarah purred, reaching for something in her pussy, pulling a dick out of it.

«Well...since you guys are the guests, I guess, Marc, I will have to let you fuck me?~» Lea sighed, taking off her top, flashing her two perfect breasts to everyone. «Be gentle tho, my pussy is still tender from the fucking I got on our way here to pay the motel~»

«You know, back when I saw wearing the father, my daughter told me the same... it got me so turned on, I nailed her perfect pussy for the whole night~» Emme purred, too, taking her dick out of her vagina.

Then all friends began to have sex, first in the living room, then in the bedroom, bathroom... any furniture was a display of pleasure, switching from lesbian to all futa.

When night came, the father went back home, finding those new women, whom her daughter Sarah asked him nicely if they could stay the night, Lea and Maria's tits bouncing up and down while they fucked the father, just to help him choose his answer.
