

I went bankrupt, ended up on the streets, starving and hungry.

Had really bad luck today, ran into a few jerks who bullied me just for fun.

A slice of pizza? Which kind-hearted person gave this to me?

Oh my god, it's actually a cute girl

This girl is probably a college student, but she said she has a job she can give me.

This girl is really tall, healthy and beautiful. She said her studio is nearby and she needs an assistant.

Is it just my imagination? I feel like the pizza in my hand is getting bigger and bigger.

No way! The girl in front of me is getting huge, I'm shrinking!

At that time, I didn't know that I had already been forced to accept a job as a girl's pet.

I was so stupid, thinking I could run away from her.

I feel like a ragdoll, caught in her hands, completely unable to escape.

“Don't even think about running away. Stay with me, and you'll have food to eat and a place to live.”

And just like that, I started my life as a girl’s pet.

“Your job is simple, just do whatever I tell you to do.”

“If you can't satisfy me, you'll be punished, you know.”

So this is my job, playing the role of a trained toy.

“You're so cute and weak, little thing, I'm starting to like you a bit.”

She said I am a very good and obedient pet, and I even felt a little happy. What is wrong with me?

Seems like being a pet wouldn’t be so bad.

I just need to be obedient and follow my master's requests.

But she's so strong, I feel like I'm about to be crushed by her thighs.

“Being a good pet must be really tough, haha, keep it up, little thing”

“Your body is so soft, I can't help but want to keep playing with you”

“Ah, I think it's missing a rug under the sofa to put my feet on.”

SEXY

“Wow, the new rug is so comfortable, just a bit small, haha”

I simply can't resist her huge feet

In her eyes, I am nothing more than an insignificant plaything.

“We've played enough with this size, let's move on to the next part. You need more pizza, right?”

When I came to my senses again, I realized I was actually smaller than her toes.

This is a scene that can't be described in words; I'm just a bug under a girl's feet.

I'm really scared, I'm such a good pet, she couldn't really step on me to death, could she?

I have only one thought in my mind- to be a good pet.

“Oh, I've never seen such a well-behaved little bug, haha”

“I told you, you don't have to sleep on the streets anymore, you have a new big house now.”

Be good here, okay? I'll be gone for a little while.

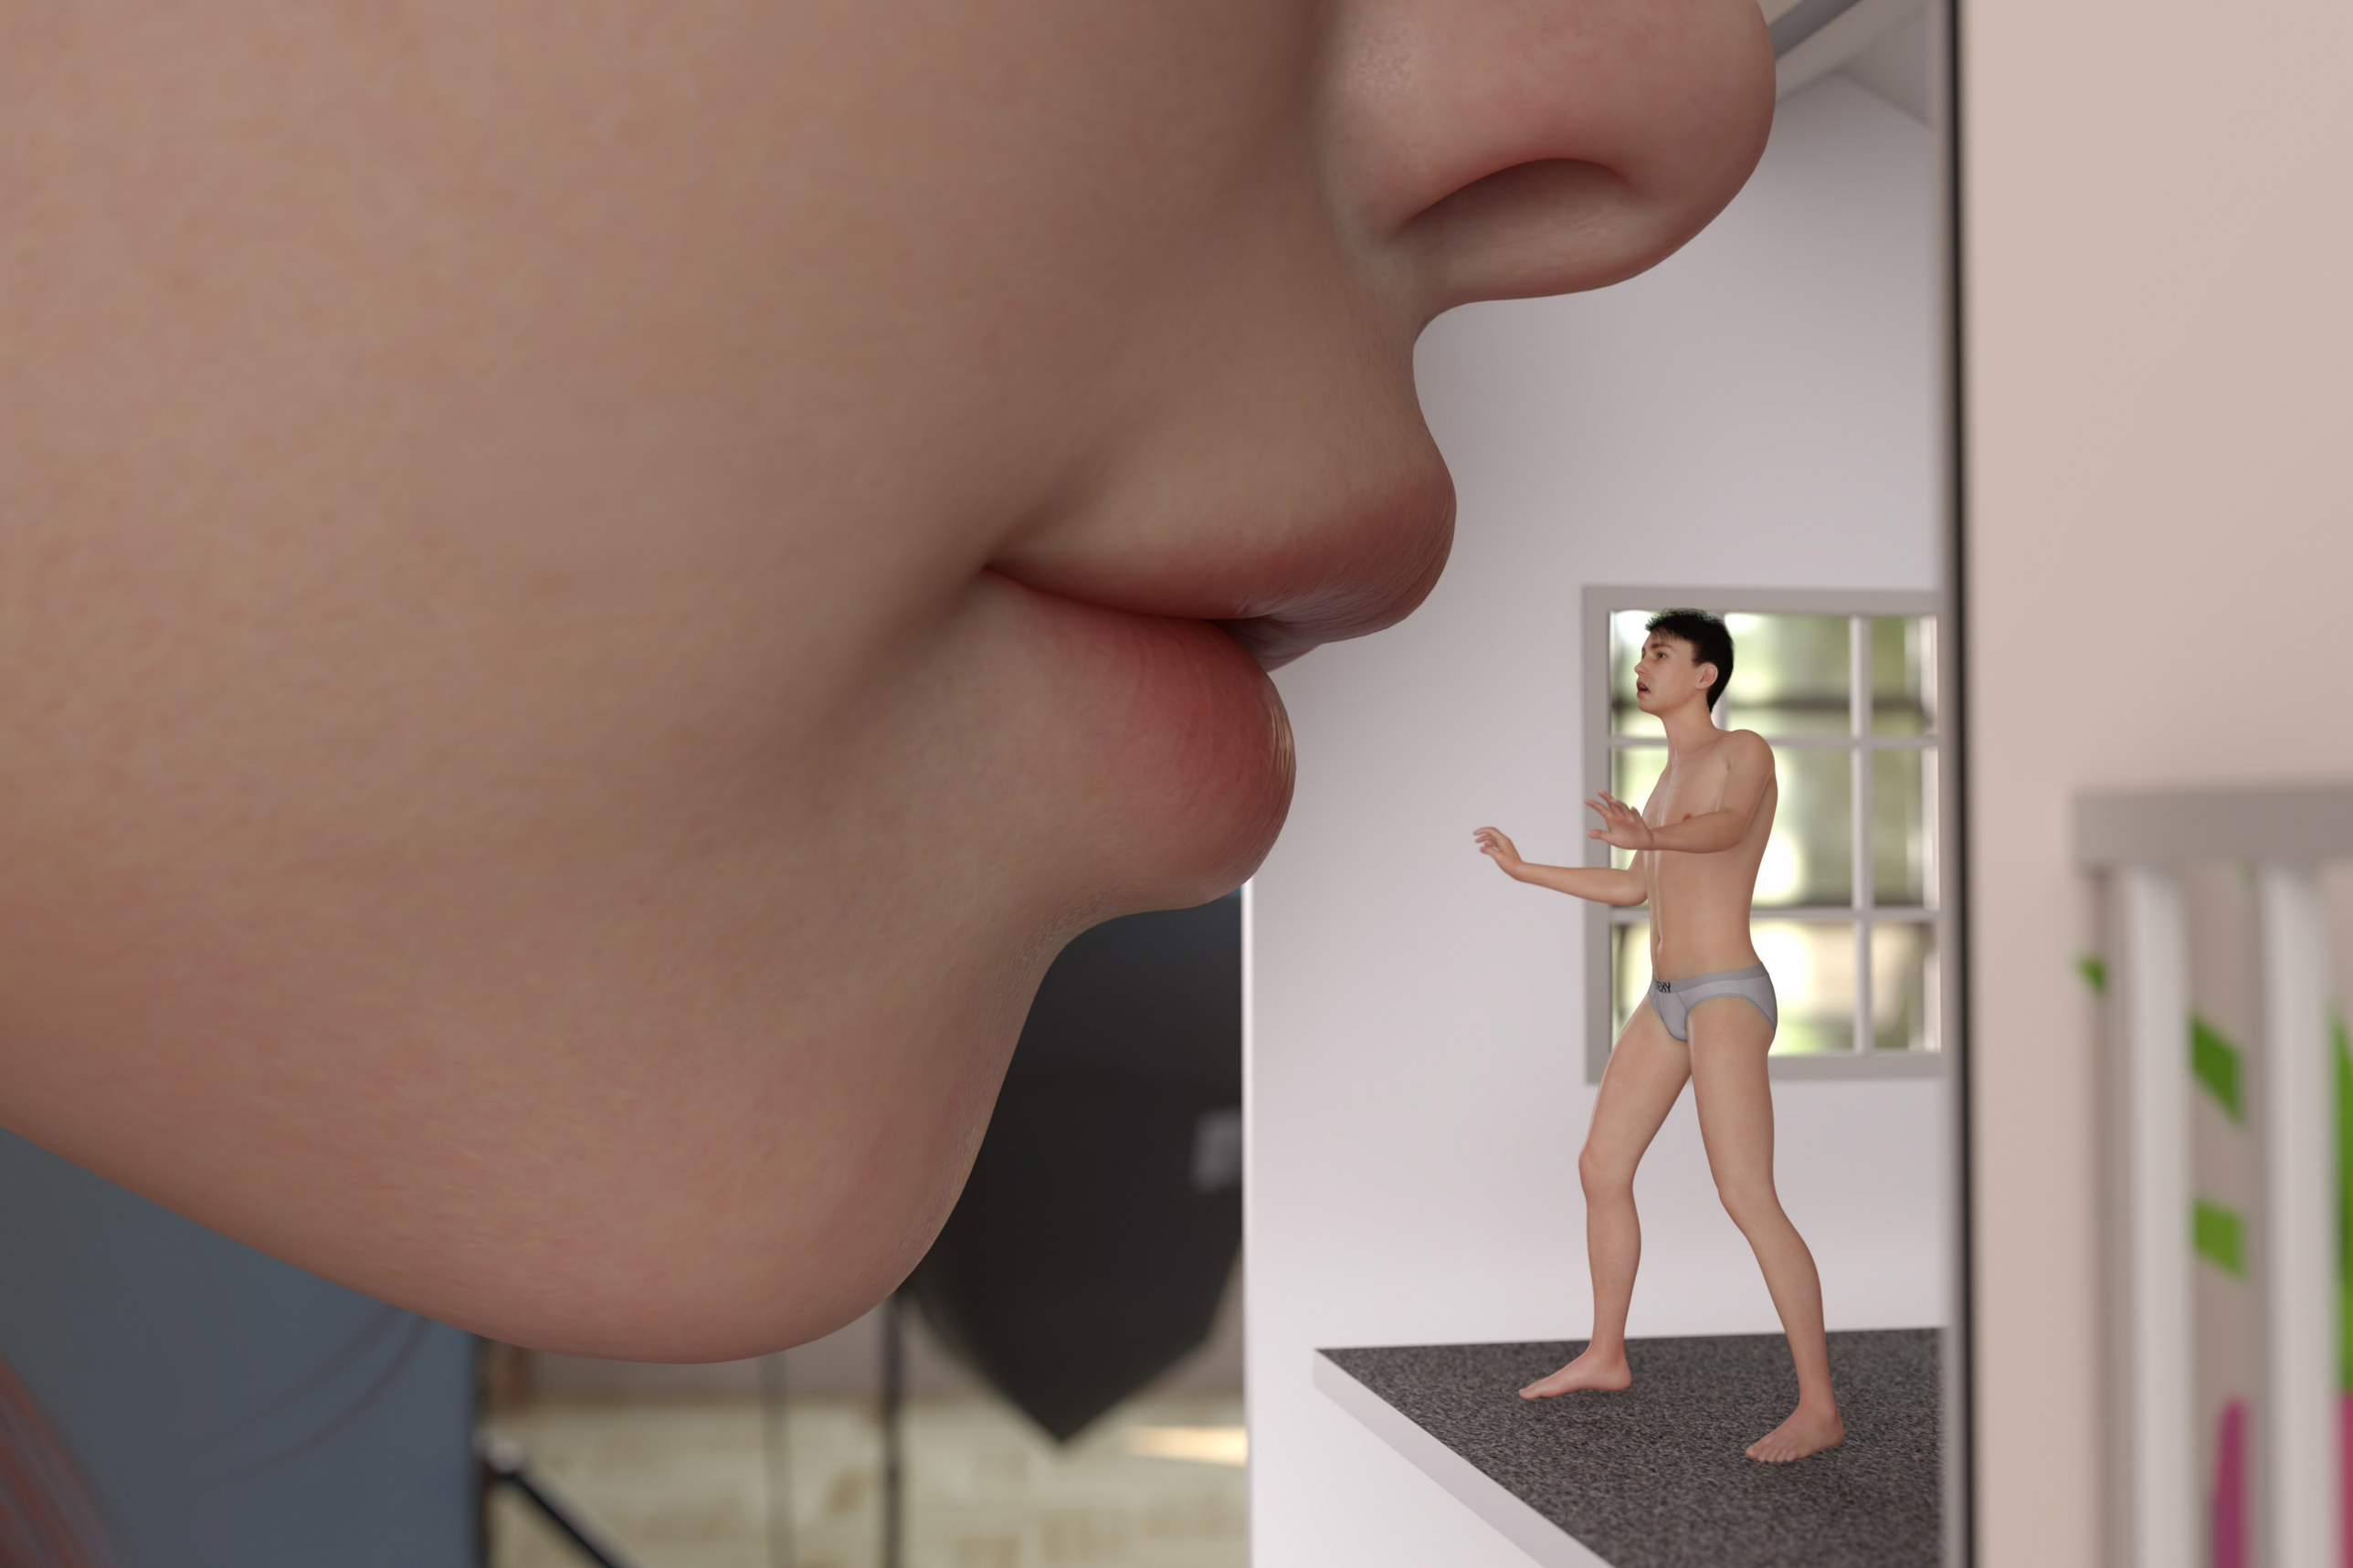

Maybe this is a bit better than sleeping on the streets?

I don’t know how long had passed, but I woke up and felt the whole building starting to move.

“Hi little bug, I just went out and prepared some rewards for you”

“But before that, let me see how someone as small as you can please me.”

My mind went blank, my body struggled helplessly, I was just a tiny hanging on her underwear.
