A Message to My Supporters

First of all, I want to sincerely thank you all for your ongoing support and affection. Your subscriptions and encouragement are the driving force behind my continuous creative efforts. I genuinely hope that my comics can not only fulfill your fantasies but also bring you joy.

Here, I have an earnest request to make: please do not upload my comics to public websites or forums like e-hentai. This is very important to me, and I greatly appreciate your understanding and support!

As an independent creator, I devote a significant amount of time each month to producing comics, using almost all of my spare time for creation. I typically queue rendering tasks at night and wait for the computer to generate the renderings during the day. Day in and day out, I work on short and long comics, creating over 450 pages each month. Although I started creating comics out of interest, subscription income has now become my primary source of revenue, which directly affects my livelihood.

If my comics are frequently pirated, my income will inevitably suffer a substantial impact. Just in May, nearly 400 pages of my new work were uploaded to e-hentai the day after release, causing my sponsorship income to be nearly halved. Given the quality of my comics, I believe such a significant drop in income shouldn't be attributed solely to the quality. Therefore, having my comics uploaded to these websites severely impacts my income, livelihood, and creative enthusiasm. I hope you all can understand this.

I know that your intention in sharing is good, and we all have watched pirated movies, animations, and comics at some point. Sharing my comics comes from a place of appreciation for my work. However, our community is small, and creation is not easy. I earnestly ask you to refrain from quickly sharing my entire comics on public websites. Thank you once again for your understanding and support!

With love,
YTsnow

About Home Visit

"Home Visit" is adapted from my friend PdCatalyst's novel of the same name, which is originally in Chinese. Therefore, I've chosen to set the characters' names in the format of English first names combined with Chinese surnames to make it easier for readers to remember and distinguish the characters while reading.

As I mentioned earlier, I feel like my creativity for plot development has been a bit depleted lately. Whether it’s for "Little Sister" or a few other series, I haven't arranged the plots to my satisfaction yet. So, I chose to adapt classic novels that I love. My last adaptation, "Moonlight," was relatively successful, and this time, "Home Visit" is also a popular piece on the forum. I will do my best to adapt it well. Meanwhile, I’ve been in communication with the original author to enhance the plot and backstory, making it a more complete story.

Since this is the first part of a longer story, it requires introducing and establishing many characters. To stay true to the original setting, I've spent a lot of time focusing on the protagonist, especially Grace Shen's outfits, and the different scene settings. That's why you may notice the plot progression is not very fast, covering only about two chapters of the original. However, I really enjoy this detailed narrative process, and I hope you will like it too!

However, the extensive character and background introductions mean that there are very few sex scenes and skinsuit moments in this part. Unfortunately, this trade-off is necessary for the sake of the upcoming plot, and I hope you can understand.

In short, I’ve put more effort and time into this project than the previous ones, and I’ve also added a 4K resolution version. I hope everyone enjoys it! I appreciate your patience with my infrequent updates on the site, as I’ve been very busy. I’ll do my best to provide more status updates in the future. Thank you all!

I will continue to work hard.

With love,
YTsnow

BUT HEY, BRO, HAVE YOU NOTICED THAT MS. SHEN HAS BEEN A BIT DIFFERENT LATELY?
TYLER WANG
A LIVELY BOY WITH POOR GRADES BUT A STRONG PASSION FOR SPORTS.

LOOK AT HER! IT FEELS LIKE HER STYLE OF DRESSING HAS COMPLETELY CHANGED ALL OF A SUDDEN.
