A young man seeks absolution from his sins. It has been some time since his last confession. He makes his way to the cathedral. Little does he know, the Devil has plans for him other than absolution.

Forgive me, father, for I have sinned.

How long has it been since your last confession?

Quite some time... years.

I... I lust.

I love watching girls at the gym. I lust after their bodies.

Tell me your sins, my son.

Oh? Do you lust?

You lust after their big, plump, heart-shaped butts? And their wide, child-bearing hips? And their tiny waists?

Y.. Yes, father. I love every inch of their bodies.

Go on, my child. Tell me your sins.

I lust after their cameltoes.

I lust after their nipples

And their soft, beautiful breasts!

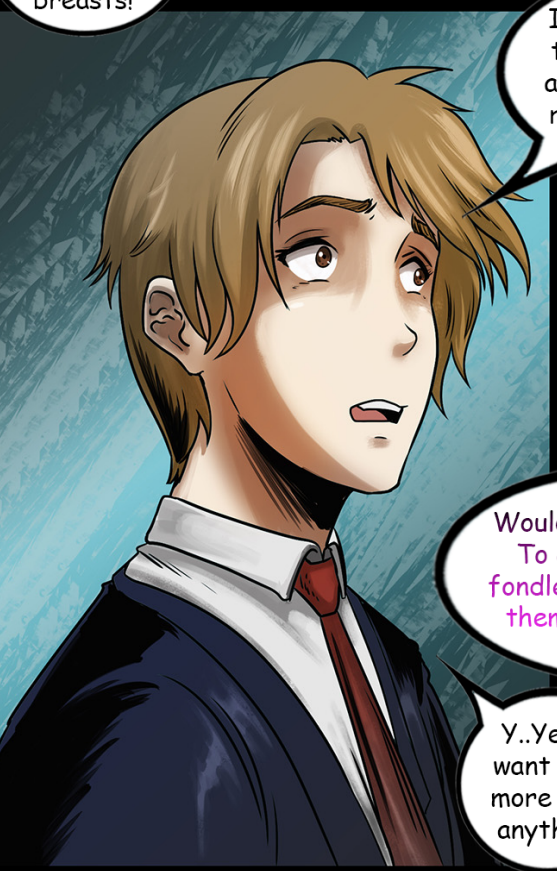

And?

And their breasts?

Delicious lust...

What would you do with them?

I want to squeeze them, press them against each other, rub them and kiss them!

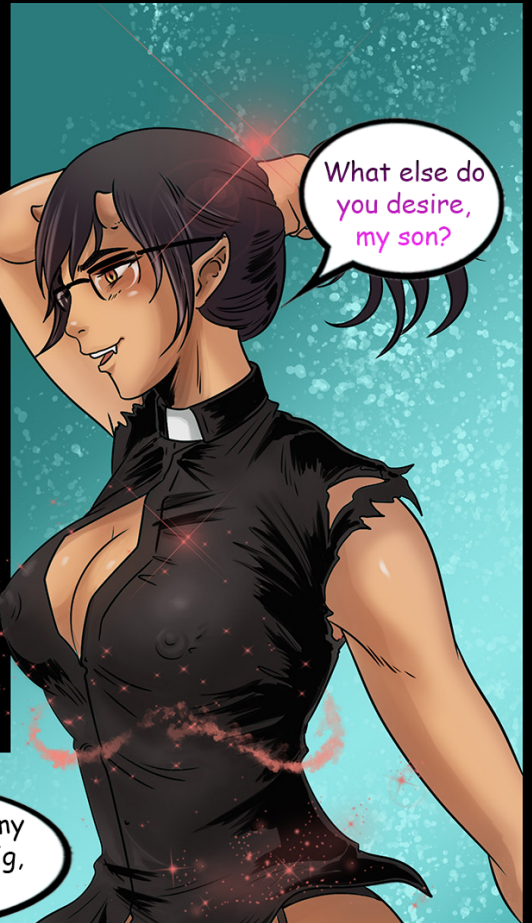

If you're not careful, your desires will consume you.

Such delicious lust!

Wouldn't that be nice? To caress them, to fondle them, to suck on them... whenever you wish?

Y..Yes! I want that more than anything!

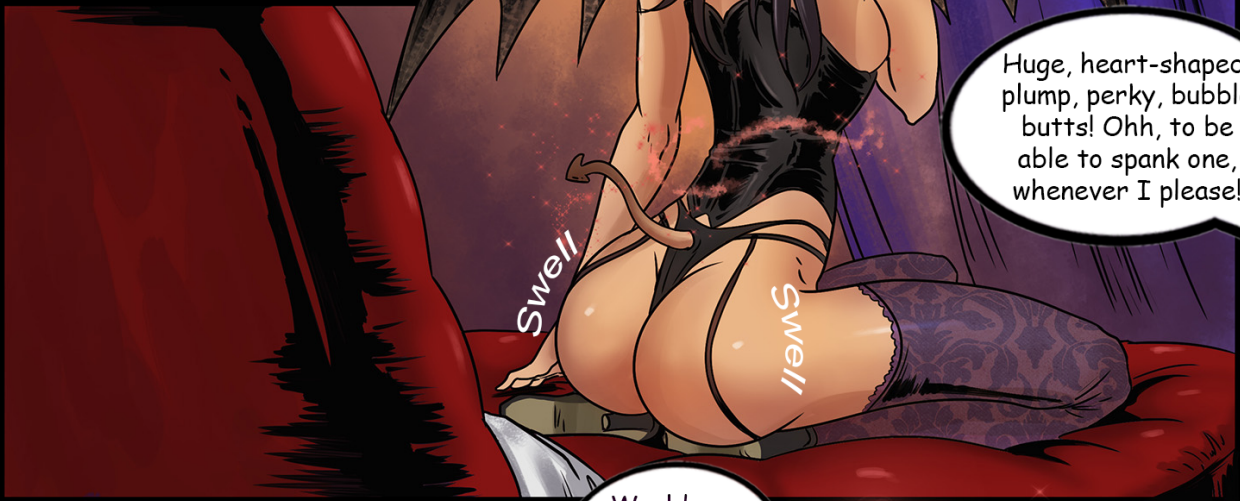

Not just their breasts, though... I lust after their big butts!

This guy is making it too easy. He's completely giving in to lust.

Ooh, big butts?

Huge, heart-shaped, plump, perky, bubble butts! Ohh, to be able to spank one, whenever I please!

Would you give anything to have what you seek?

Anything..?

Your own soul, even?

Y.. Yes..? Father..?

YES!
YEEEESSSSS!
Such powerful
LUST! Lustful souls
are the most
delectable!

Anh! Ohhhh...
Yeeeessss...
Mmh!

Father? Who's
in there?!

Grow

Jiggle

Father??
What's going
on in there?
Who is that?!

Hehehe... You
don't have to call
me "father"
anymore,
sweetie.

In fact... you
should start
calling me
Mommy.

What on earth..?
That's it, I've had
enough of this
cruel joke.

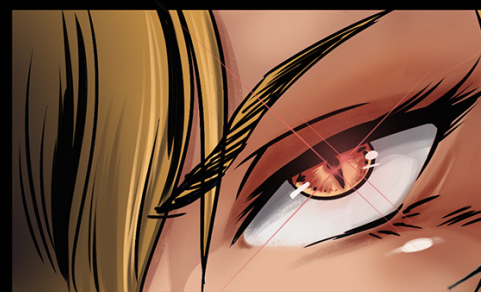

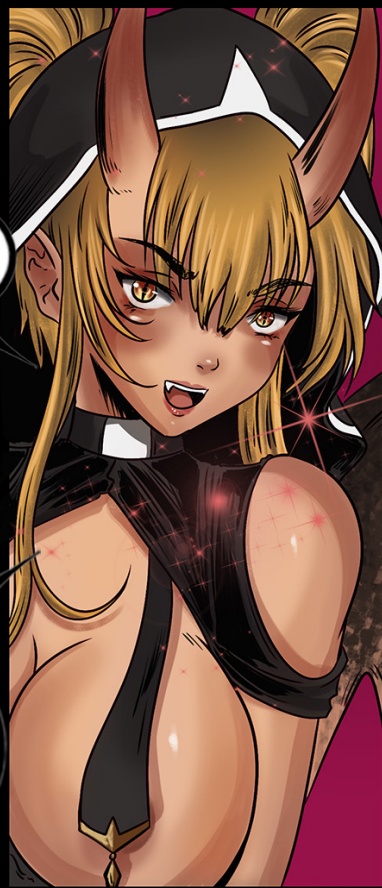

But sweetheart, I'm just getting started with you!

You don't have any sa... Good God almighty!

And where do you think you're going? Hmm?

Why did you leave out the time you stole a pair of panties from the girl's locker room to satisfy your compulsion?

As punishment for your sins you will find out firsthand what it's like to wear them and fill them out!

What?? How did you..?

What's happening?!

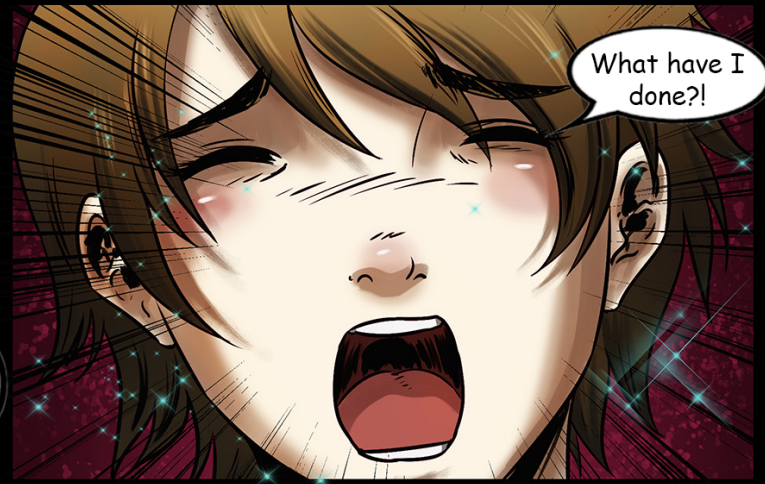

So.. Hot..!

Your lust has consumed you. You will become the very thing you desire!

God, forgive me!

He can't help you, hun. Your soul is forfeit.

What have I done?!

My chest...

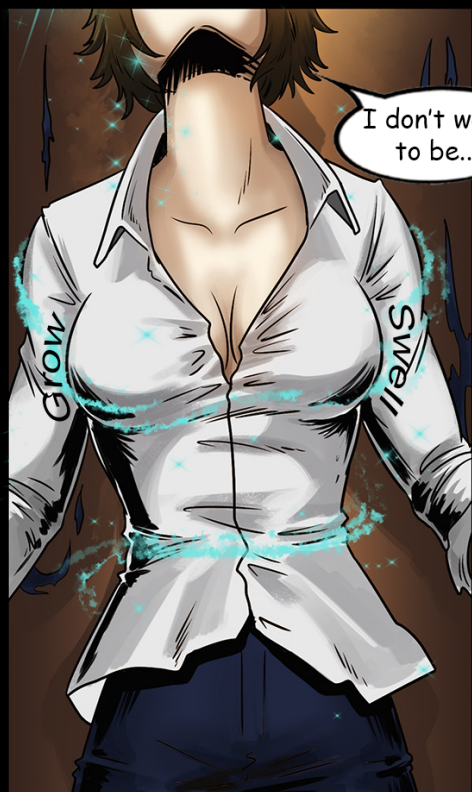

Swell

Swell

Remember how you wanted big, soft titties to play with whenever you want? Hehehe.. well, now you can!

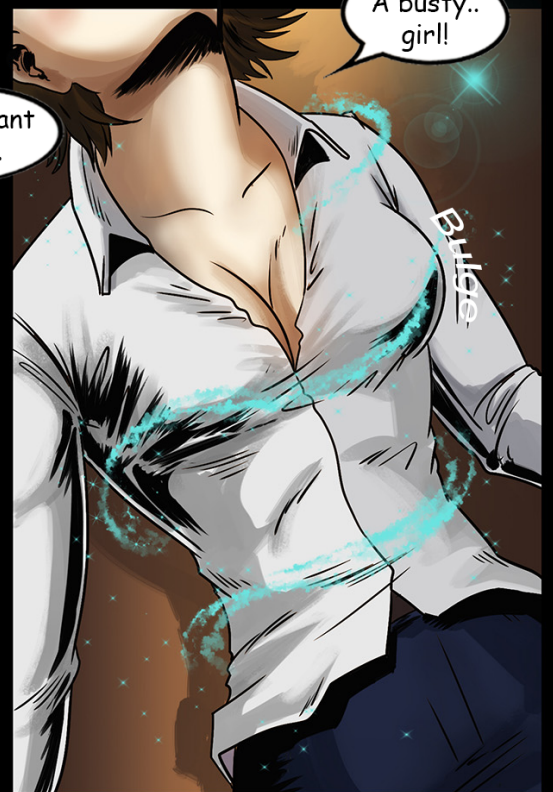

Agh..!

Grow

I don't want to be...

Swell

Bulge

A busty.. girl!

Hehe.. you should have decided that before you let yourself be consumed by lust.

Wha..?

I can't wait to see how you turn out! You're going to be so pretty!

Pretty..?

Eeeeeeeeeeeeeeeeeeeeeeeeeeeeeek!

Oooh, you're growing a nice big butt!

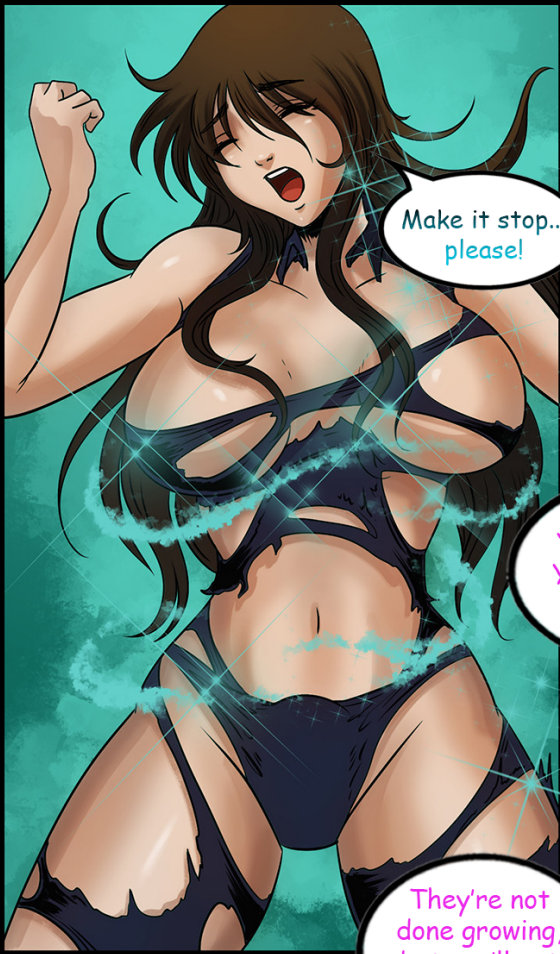

My butt..?

Bulge

Shrink

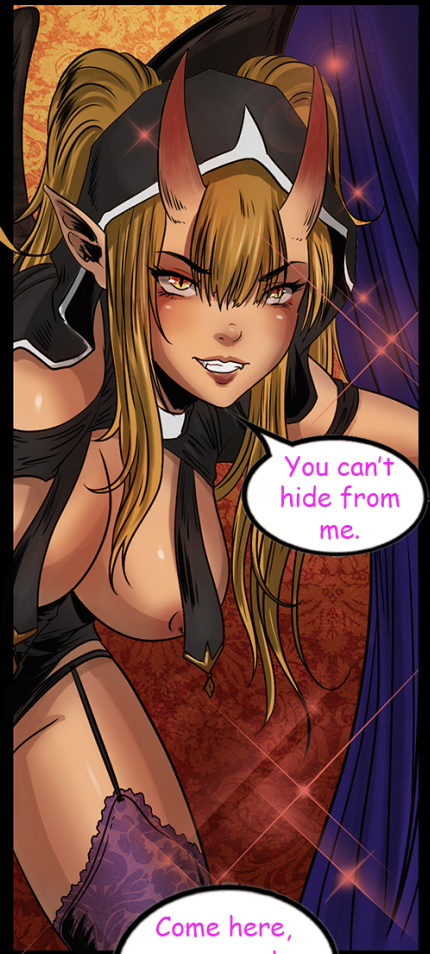

Jiggle

Make it stop... please!

Hahaha, never! You're mine, bitch! You will beg me for more before the end...

You can't hide from me.

They're not done growing, but you'll get used to them.

They're so big and soft...

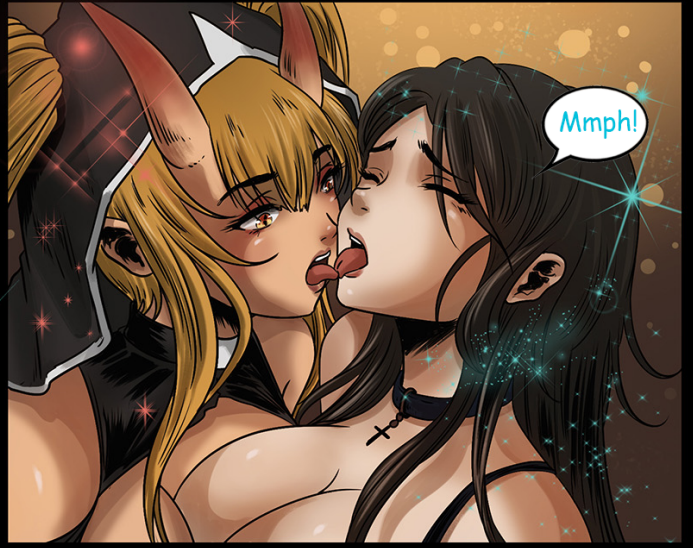

Come here, my sweet little plaything.

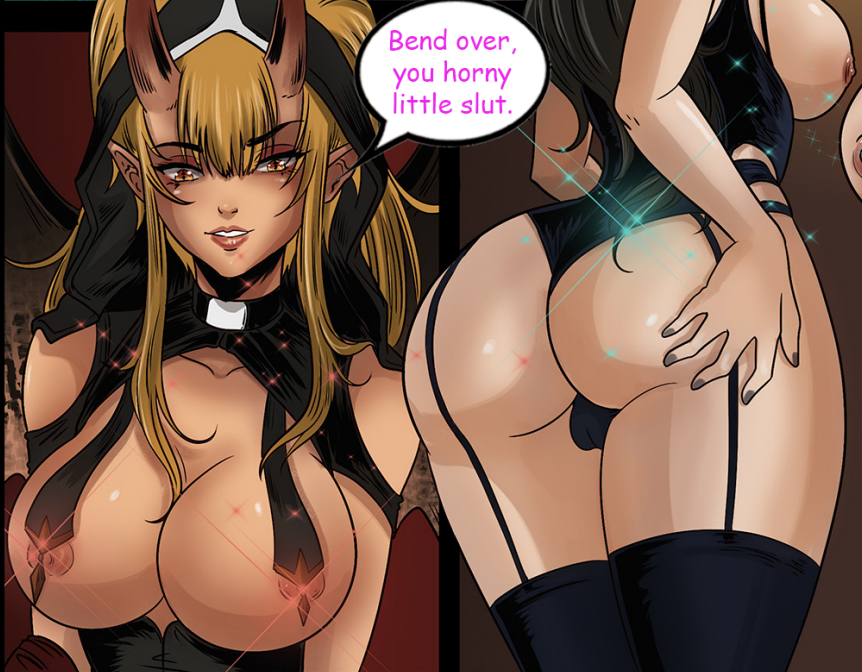

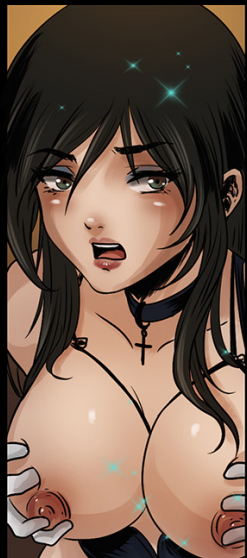

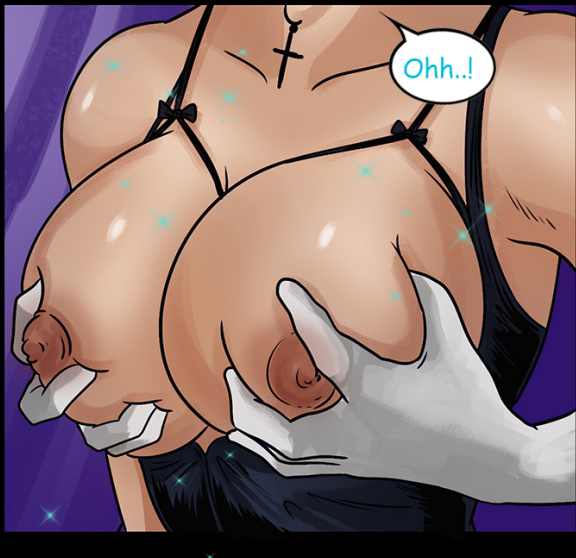

Call me Mistress.

Yes, Mistress...

Mmph!

That's right... take my cock into your tight little ass like the whore you are!

Yes, Mistress!

Anh!

What are you?

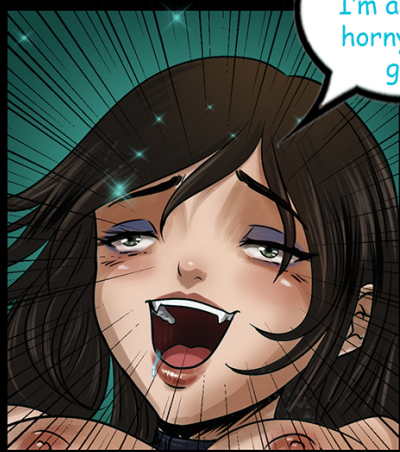

I'm a whore! I'm your little whore, Mistress!!

Yes, Mistress!! I'm a girl! A horny little girl!

Th..Thank you, Mistress..!

You were never a man. This is who you are.

That's right! Now take my load in your sissy hole!

Mmm... so hot!

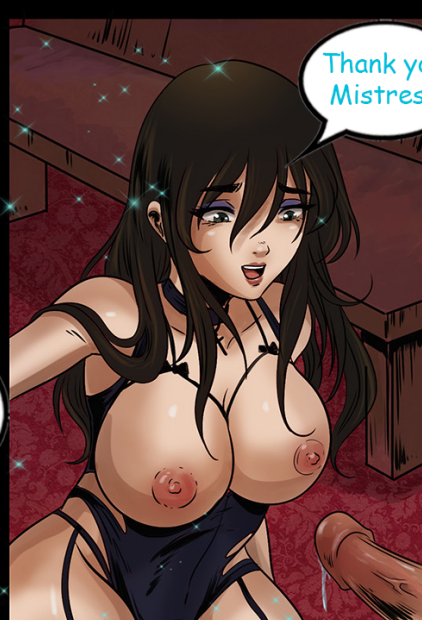

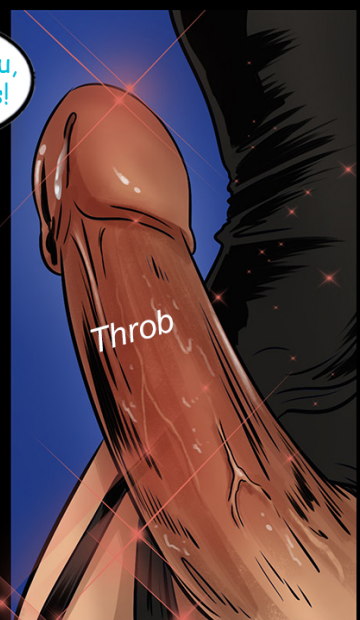

You're still full of lust. What is it you desire?

Mistress... your cock.. could I..

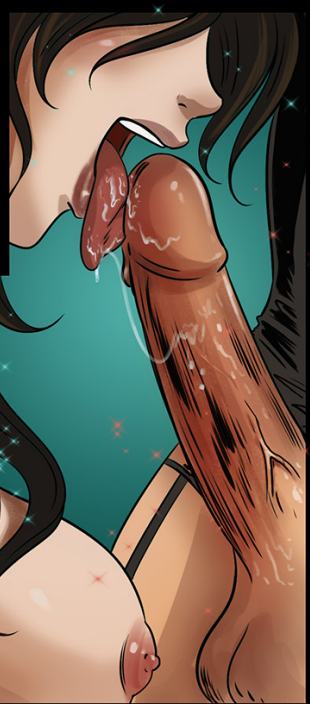

You insatiable slut! Get on your knees.

Thank you, Mistress!

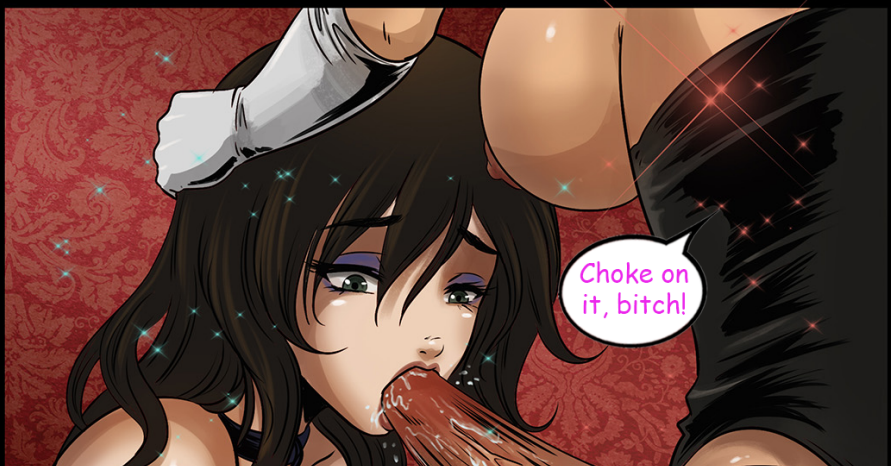

Throb

My breasts have gotten so big..!

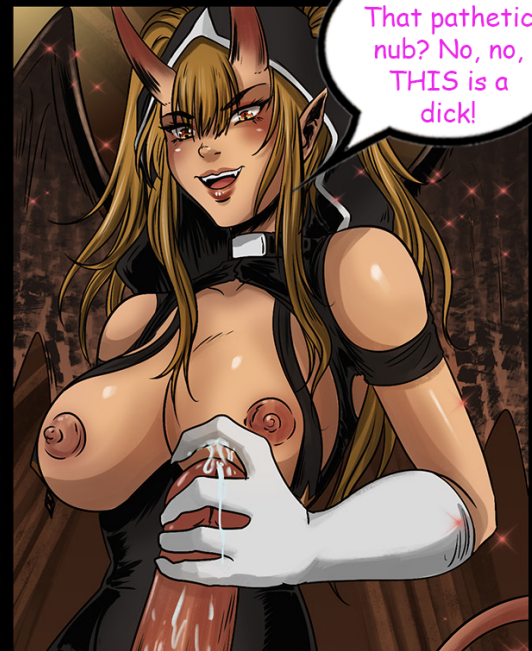

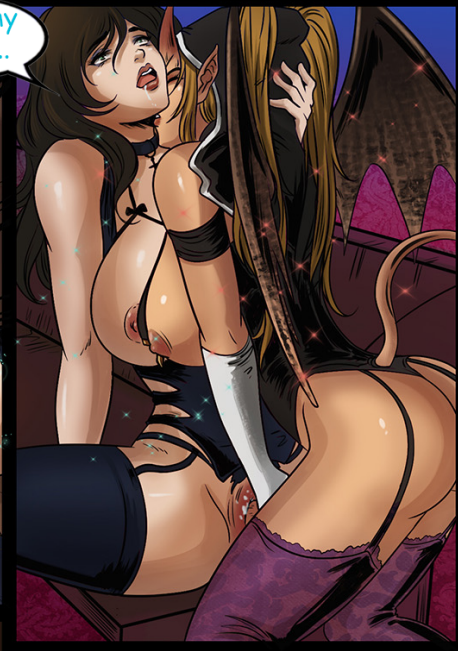

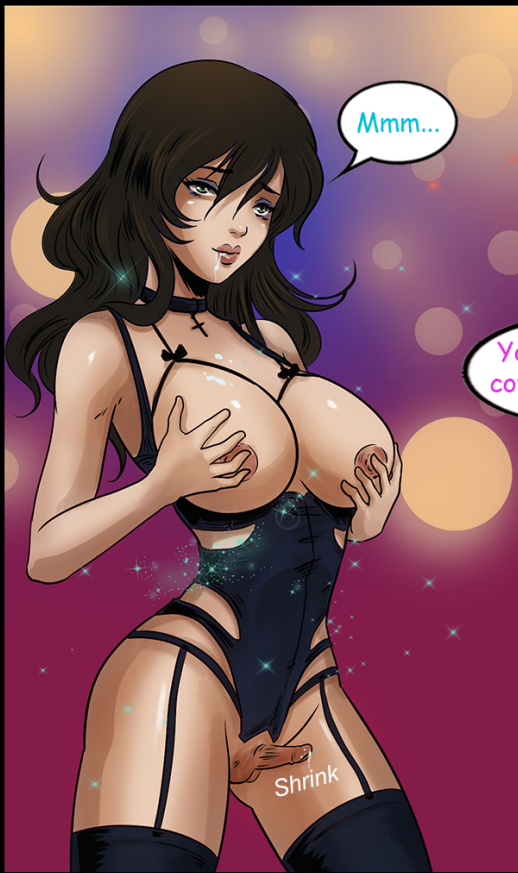

Ohh thank you, Mistress!

Choke on it, bitch!

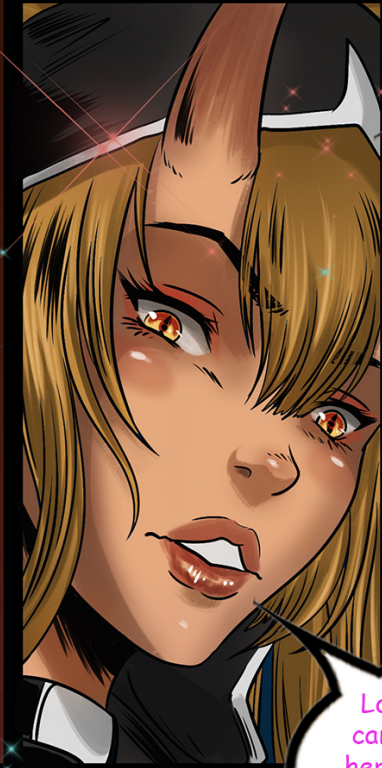

gasp!

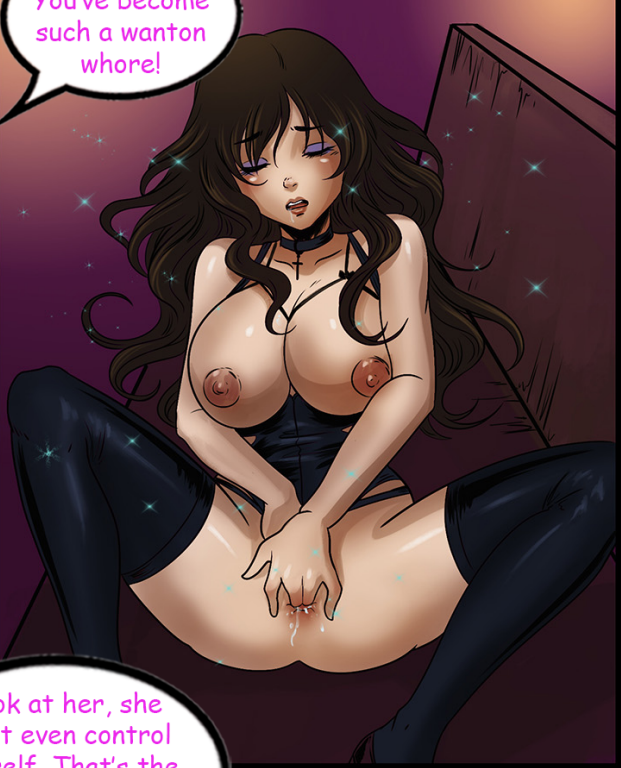

M.. More?

Nine hells... You've become such a wanton whore!

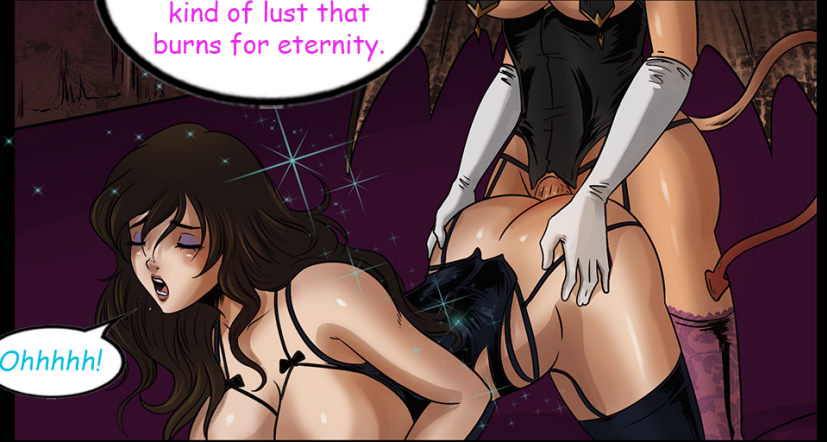

Look at her, she can't even control herself. That's the kind of lust that burns for eternity.

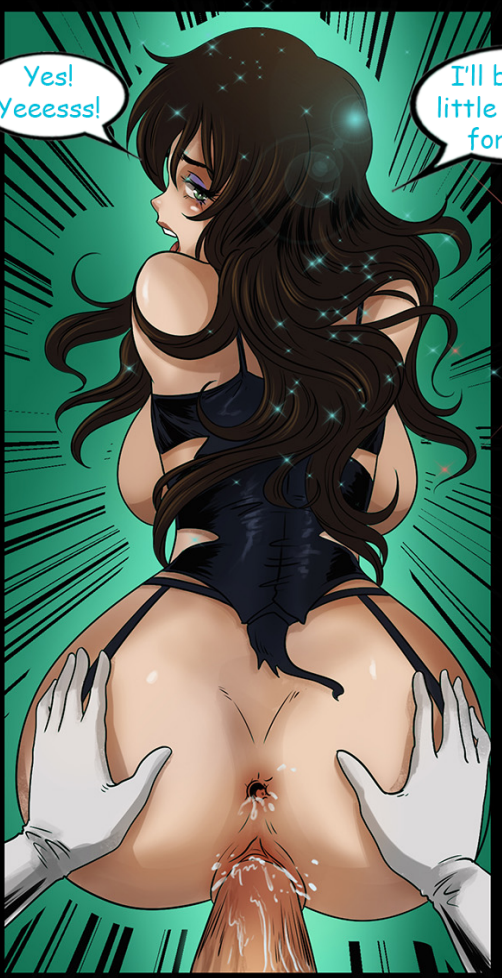

Mistress? Pleeeeease?

Wiggle

Ohhhhh!

Yes! Yeeesss!

I'll be your little whore... forever!

You're going to make an excellent succubus some day.

Yes, Mistress.
