«You say that, but I can see that you have a boner~» Sophie purred, looking at his son's crotch.

«You are the disgusting one! You are wearing my mother's body! You should be ashamed of yourself!» Nathan complained, looking down between his legs.

«I am ashamed of nothing. I did nothing wrong~» This is my body after all. You are the one getting excited over your busty mother's sight~» Sophie purred, grabbing her tits sensually.
«And honestly, with fun bags like those...who wouldn't~»

«Stop this! You stole my mother's body and turned her into a whore! You're a disgusting pervert!» Nathan complained as Sophie closed the distance between them.

«Don't be so mean, son~» Sophie said, grabbing Nathan's cock.
«I am doing this for your own good~»

Nathan tried to push his mother away, but she was too strong for him.

«I am doing this because I love you, and I want to see you happy~» Sophie said, rubbing Nathan's cock.
«And I know that if you fuck me, you will be happy. So stop resisting, and fuck me~»

Sophie grabbed Nathan's cock and stroked it.
«I can see that you are enjoying this~»

Nathan felt his cock grow even harder as his played with it. With a smirk, she took off her top, and bent on her knees, ending up with her mouth at the level of Nathan's erected dick.

«When you were young, you sucked on my nipples to get my milk. Now... I am going to suck your cum out of your dick~» Sophie teased, gulping down Nathan's whole hard dick.

Nathan moaned as his mother sucked on his cock, her tongue swirling around his shaft. After a while, she stopped sucking his dick and looked up at him with a smile.

«I know you are close to cumming~» She smiled, wanking him off outside of her mouth. As she said earlier, Nathan came shortly after, splashing his cum all over his mother's face and boobs.

«Look at you! I have your cum all over me! Hahaha! Thanks for the meal, son; mommy is about to lick everything now~» Sophie giggled, licking his son's cum from her fingers.

«This is so fucking disgusting! You are a sicko!» Nathan barked, looking at his mother, covered with his own semen.

«I'm not a sicko! I'm just a horny woman who wants to satisfy her needs, and teach a thing or two to my wonderful son~» Sophie replied, laughing and licking the cum from her boobs.
«Thanks for the meal. Now you can go. Mommy has to get cleaned~»

A few months later, the criminal was still wearing Sophie, enjoying way too much the comfort of being her. The criminal kept abusing Nathan, who now wasn't trying to avoid her anymore, knowing the criminal would use Nathan's mother's body outside of the house.

Nathan came back home, tired and stressed from the school day. As he entered his house, he wasn't very surprised to see his mother, wearing a revealing outfit, waiting for him.

«Good afternoon, my dear son~» She smiled, as she hugged him tightly.

Nathan was a bit suspicious as always.

«What are you up to, mom?» He asked, noticing the way she was dressed.

«Nothing, I just wanted to tell you something important~» Sophie smiled.

Nathan raised an eyebrow.

«What is it?»

«I am pregnant~» Sophie smiled, touching her belly.

«You are pregnant?!» Nathan was shocked.

«Yes, I am pregnant with your child~»

«What the hell? All the time you forced me to have sex with you, you never were on pills?!» Nathan replied, furious.

«Why would I bother about this? This isn't my body~» Sophie smirked, caressing her belly.

«And honestly, I never thought a worn body could get pregnant. It seems like I really became your mother after all, hihi~»

«What about father? How will you lie to him?» Nathan asked.

«Don't worry, I had sex with your father just 2 or 3 times, because you know... I was most of the time exhausted... getting fucked raw by my son all days~» Sophie winked.

«But last time we fucked, it was around 3 months ago, the age of the baby now~»

«This is so fucked up... Oh my oh my...» Nathan started panicking, wondering how this could have happened to him.

«Hey, son calm down! I have a good new! Look!~» Sophie purred, taking off her top, posing in front of her son, and letting her massive boobs fall down. «The pregnancy made them even bigger, and more sensitive! Come play with them~»

«Hugh no! I don't want this, I-» Nathan was about to complain before Sophie began to take her clothes off, ending up fully naked in front of her son.

Nathan froze, realising the pregnancy was visible. His mother had a huge belly, and from what he knew from earlier, her boobs did become bigger.

«What happen, my sweet son? Is mommy not attractive any more? Do you fear mommy's pussy won't feel as good as before? Let's try it, I am curious to know too... It has been some months since we did nothing... Mommy misses those intimate moments we had~» Sophie smirked, caressing her curves, before she laid down on the couch, opening her legs.
«See? It is as fresh as before. Come~»

Disgusted, Nathan had no other choice than to comply.
He stripped down all of his clothes and positioned himself between his mother's legs.
He looked at her, wondering how he could have ended up here.

His mother was naked in front of him, a perverted smile on her face. He looked down and realised how huge her boobs grew and how her belly was round. Then he looked down again and saw his dick caressing her private lips, feeling their wetness.

With visible disgust, Nathan took his member and pushed it inside of Sophie, making her moan. The criminal had set him free from doing this for months, and Nathan hoped those horrible days were behind him.

«What are you thinking, my sweet son? Are you happy feeling mommy's inside again?~» Sophie purred, making her boobs jiggle in her hands.

Nathan grunted, thrusting deeper inside of her.

«I hate this. I hate you. You are a disgusting pervert.»

«Oh, come on, son! I am your mother! We are having a baby together! How can you say I am disgusting? You are the one who is fucking me right now, and I can see you are enjoying it~» Sophie smirked, pointing at Nathan's dick, which was getting harder and bigger.
«Fuck me well, and we will go to a Hooters later. Then mommy will slip inside a hot waiter of your choosing, and you can fuck her as long as you want~»

«Thank you, my sweet son. As promised, mommy will drive you to a Hooters ~» Sophie smirked, eating the cum from her face.

«If you want a sweet... because mommy is full thanks to you~»

The next day, Sophie and Nathan drove to a Hooters. Sophie couldn't help but stare lustfully at all the hot waitresses in this place.

They sat at a table. Nathan said nothing, wondering what the criminal had in mind.

«What can I serve you with?~» A cute waitress asked them a few moments later.

«Well my dear son, do you find this one to your taste?~» Sophie asked Nathan, before looking back at the waitress.

«She is quite hot~»

Nathan looked at the waitress, then back to Sophie, and with a sigh, not wanting the next part to happen, said yes.

«Very well then... Excuse me, can you help me with something in the toilets? As you can see, I am pregnant and... I would require you~» Sophie smirked as she stood up.

«Hugh... Of course... Follow me~» the waitress said, having no choices.

As they went away, Sophie winked at Nathan, and both disappeared from his sight.

Once in the toilets, Sophie made sure they were alone.

«How can I help you, madam?~» The waitress asked.

«Oh... I need you...whole~» Sophie smirked, pointing the costume gun at the waitress and shooting her with it.

She deflated instantly, and the criminal wasted no time wearing her.

«Bye-bye for now to those huge boobs and pregnant belly~» Sophie laughed before putting the waitress's face on herself.

«And welcome to the young new me~»

She dressed back in the waitress's clothes and headed to Nathan.

«Hello, dear customer... HUUUUUM, I didn't see it earlier, but... your mother told me how huge your dick is and... I was wondering if you were willing to give me a big tip~» The criminal said as the waitress, bending sexily toward Nathan.

«Shhhhh, not that loud! What if someone hears you?» Nathan complained, looking around to make sure nobody was listening.

«Do you even know who she is? How can you pass as her if someone spots us?»

«Huuuum, give me a minute~» The waitress added, closing her eyes for a moment, before opening them again, a smirk on her face.

«Hehehehe! I am Noémie, a cute twenty-year-old student who struggles to pay for my college loan, so I work here hoping for a better future. I am hard-working and very loyal to my boyfriend~»

Noémie bent toward Nathan again, cupping her tits sensually.

«But now... I am worn by a pervert, so to you, I am just Noémie, your new fuck toy, hehehe!~» Noémie laughed.

«Look how sexy this body is! Let's go back to your place and give it a try~»

«And why not? I am Noémie now; I don't care; this would be her problem when I stop wearing her... maybe one day~» Noémie smirked, taking Nathan by the hand and heading outside.

They arrived in front of the car, and Noémie gave her purse to Nathan.

«I can't drive... I am not your busty mommy for now~» She smirked.

Nathan took the keys and drove both back to their

place.

As they arrived, Noémie rushed inside the place, taking Nathan by the hand.

«Quick, I am so horny, dying to try this body! I think your mommy's pregnancy turns me on even with the skinsuit on, hahaha~» Noémie purred, taking off her clothes.

«Come here and fuck me raw~» She added, laying on the couch, spreading her legs wide.

Nathan took off his clothes and stood there, looking at Noémie.

«Come on, don't be shy! Come and fuck me! Or maybe you want me to use the skinsuit right under this one?~»

Nathan hesitated for a moment, then moved closer to Noémie.

He took his cock and slowly pushed it inside Noémie's pussy.

«Ohhhhh yes! That feels so good~» Noémie moaned.

Nathan began thrusting his cock inside of Noémie's pussy, slowly at first, then faster and faster.

Noémie moaned loudly, her boobs jiggling with each thrust.

She grabbed her tits and squeezed them hard as Nathan fucked her harder and harder.

«Ohhhh! Yes! This college's girl's pussy is so good~»

Nathan kept thrusting his cock inside Noémie's pussy, his balls slapping her ass with each thrust. For once since the criminal had invaded his family, Nathan admitted he was taking pleasure in fucking Noémie.

She wasn't a member of his family, and if things were different, Nathan would have probably asked her out, as he found her to his taste.

But for now, Nathan was just glad to not be nailing Sophie, and he enjoyed it to the fullest, emptying his balls inside of her.

«Whoa...did you just came inside of me? Be careful, I am a college girl, I won't want to have a baby! This was just to fuck!~» Noémie said, caressing her filled vagina.

«Stop messing around. If you take her off, it will be as good as new...» Nathan sighted as Noémie's devilish smile became wider.

«You know... If it means you stop using my mother, I don't really mind if we do this...with strangers that aren't part of my family...»

«Really? Whoa ! I wasn't expecting this, hahaha!~» Noémie laughed, pinching her nipples really hard. «But maybe you want me to keep her for a bit? So you have a baby with her too? I can't stop playing with her tits, they are so sensitive, so imagine when they get bigger~»

«For fuck's sake, can you act like someone normal for a change? I don't want her to be pregnant, and those are real people! Plus, my father will be suspicious about something bad happening if my mother isn't home when he returns» Nathan said.

«You know what... Just let this one go... Stay as my mother for now, I don't want you to hurt any other innocent...»

Nathan sighed as he went away, knowing well what he will have to go through again, without any idea on how he could force the criminal to go out of his mother.

HOSTILE TAKEOVER – PART 3 ALTERNATIVE

The following months went exactly as Nathan feared, his mother's belly getting bigger and bigger, yet the criminal sexual needs were also high.

Nathan's social life was drastically reduced, having no time at all for friends or a relationship, most of the time being spent satisfying every need of his mother.

Some nights, when the father was away, the criminal would just order an escort to come to their place and wear her, milking Nathan empty to the last drop, making him completely exhausted the next day.

After 9 months, one day, Sophie asked her son to go to the hospital, the term being due. The birth went smoothly, Sophie's vagina stretching more than usual thanks to the skinsuit.

«Hey son, he looks so much like you, hihhi~» Sophie smirked, holding the baby for Nathan to see.

Nathan went away from the room, disgusted. On his way out, he met his father, who rushed to see his wife. Nathan looked at them from the windows, and sighted, knowing what happened.

He let them together and went to take a coffee downstairs.

A few minutes later, his father went down, seemingly

happy.

«At least one that doesn't know what happens and isn't affected...» Nathan sighed, drinking his coffee, going back to the hospital room.

However, when he entered it, his mother wasn't there anymore, but the nurse he saw earlier. But something was wrong with her, and Nathan knew exactly why when she turned toward him, a devilish smirk on her face.

«Looking for someone?~» she asked, her voice dripping with teasing playfulness. Before he could answer, she reached out and placed a hand on his chest, her touch.

«Your mommy told me everything...how good in bed you are and...~» Clara whispered, leaning in. «I am the one who took the baby out, so... maybe I deserve a little reward~»

As Nathan sighted, she went to close the room, making it impossible for anyone to see them. And for the time that followed, despite the nurse beeper activating from time to time, Nathan and Sophie spent sometimes discovering her moans, Nathan wondering what the criminal would do next.

«Good morning, my dear son~» Sophie said to Nathan, as he entered the kitchen for breakfast.

«Good morning mo-» Nathan was about to reply, before he saw his mother wearing nothing but a bra, a devilish smile on her face.

«Oh gosh, can't you wear something else? I don't want to look at my mother this way!»

«Why not? This is my body, I do whatever the fuck I want! Besides...~» Sophie purred, caressing her curves.

«We fucked raw all night yesterday, and we were both fully naked. So I don't see the problem~»

«You forced me to fuck my mother! You psycho!» Nathan replied angrily.

«Don't be like that dude! I may have forced things a little, but only for the first round. For the 4 others that followed... I did nothing much~» Sophie smiled, groping her tits.

«I can almost feel your hands on those beauties as you creamed inside of me. By the way, do you know when your sweet father will be back?~»

«I have no idea... Sometimes, he goes away for months. I was raised by my mother more than by him, actually, she knows me better than he does» Nathan

explained, trying to focus on pouring himself a bowl of cereal. Sophie stopped at what Nathan said, not knowing what to answer.

«Huuuum, so it means I know you better and that I know what is good for you...what you should learn~» She smirked.

«But you aren't my mother! You are a pervert wearing her, acting like her!» Nathan snapped before walking away from the kitchen, bowl in hand.

«Where are you going, young man?~» Sophie asked.

Nathan rolled his eyes at his mother's remark. «I'm not hungry, I'm going to my room. I'll eat later.» Nathan walked towards the stairs, before he felt a hand on his shoulder.

«You are a big boy, you should understand staying when I tell you to~» Sophie smiled.

«Besides, your breakfast isn't finished. So come and eat it right now~»

«Fine, I'll eat in the kitchen... but you must put some clothes on. I'm not eating with my mother almost naked... that's disgusting!» Nathan complained, going back to the kitchen.
