

It was his first of four nights at the hotel. Evelyne could be coming back from her shopping trip any minute now. In the other room, the TV was playing loud.

ROOM
404

Yes?

Huh? It's not playin loud at all. I can't believe you can hear that in your room.
Well, I'm sorry, but it's the truth
Mind if I check in your room? If the walls are cardboard I'm gonna complain to the management
Eh, yes, sure, please come with me
ROOM 404

Seems to be a very tall woman...
One sec, coming right away!
ROOM 404

God, she seems just huge! And not fat but rather... Could she be a...
I'm sorry, I can't seem to hear anything at all.

C'mon Lady, stop kidding me. You have to be deaf not to hear the noise
Look, I said I can't hear anything. And I'm not hard of hearing. Are you trying to meet new people or something?
Ok, you got to be f*cking kidding me. Please go back to you room and turn the volume a bit down and we'll all have a good night.

Ok, you know what? you managed to get me annoyed. And people who know me know that it's not a good idea to get me annoyed.
Look, is that supposed to threaten me or something?
Not really, but...

... but perhaps
THIS IS?

Now, last chance. Take a good look at me and decide if you wanna pick a fight or not
hm, ehm... I think you're right, I think
can't hear the TV from here after all. I must've imagined it. I ehm, I wish you a good night.

That's a good boy. But I'm afraid it's already a bit too late by now. I think i'm gonna stay here and have some fun.
Eh, please, get back to your room. My wife will be coming back any minute.
I see. But that's no problem. She can join us. Or she can watch.

Let me get rid of this dress... Tell me, have you ever met a female bodybuilder before?
Eh no, but, please
No *ma'am*
Eh, no ma'am

Now take of my boots. Quik.

And now just this skirt

What do you think, little boy? Big enough for you?

NYSE

This body is going to have its way with you. But I think we'll wait to start playing till your wife is here. We can watch some TV while we wait.

Come sit next to me baby. Hurry up, right here!

Just watch TV now baby, you'll have every opportunity to experience my muscles later tonight.

Stop staring at my muscles and watch The. Screen!
So... sorry. It's just that... you look incred...-

Then the door opens...
What the...
ROOM 404

Darling this is not what...
Down, boy! And shut up!

Your husband is innocent Miss, He is a prisoner of my muscles and he had no say in this at al. I am dominating him.

Eh, eh... yes, well ehm. WOULD YOU GET OUT NOW PLEASE?
GET OUT! OR I CALL THE POLICE!!

Get out? My dear lady, we haven't even started, we were waiting for you. I love to have an audience when i dominate men. It's all the more humiliating, don't you think?

Take a look at me, take a look at Jake here. Snapping his neck or his wrist is not even an effort. And that's what will happen if you mention the police again or if you set one step out of this room. Understood? Now take of his pants.
Just do what she says honey! She's crazy!

Let's give you a taste of a REAL woman huh, Jake.

Let the games begin!

This is little Jake. Did he tell you he was going to protect you when you first met? Doesn't look tough now does he?
Oh please, please don't hurt my husband. We have money... How much do you want?

Two corrections: 1. I AM going to hurt him. And 2. he's not your husband. He's my husband right now. I stole him from you. No money in the world can take away my lust for humiliating him. And you. Sorry.
Please! PLEASE PUT HIM DOWN. We will do anything you ask

Oh it turns me on so much to hold him like this, his feet dangling in the air. And he doesn't even struggle anymore, he knows he'll never be a match for me. Does he still dare to look at you or are his eyes closed?

See, I can lift him any way I want. He's like a feather. I don't even have to use my two hands

And of course I can... HURT him!

Can you imagine what it's like to have this kind of control over someone?

STOP IT! YOU CRAZY BITCH! JUST STOP IT! PUT HIM DOWN!
Ah... feisty one! Now it gets really fun

Take this, little bitch!
Feel the power!

Feel my calves, bith. Jakie, check out how your friend is doing down there.

Ok, let mem drop you on the bed. I don't want to see you move one inch or your girlfriend is gonna het hurt.

So little one. Tell me, does your Jake like big tits? ANSWER ME!
Y-y-yes ma'am, yes he does

Glad to hear it. In that case, remove my bra, little bich

I'm sorry ma'am, I can't reach the clip.

Try harder bitch. So fucking useless...

t's ok babe, I'm a pretty big girl, it's normal that you can't reach around my torso I guess. Get around to the back the.

Don't you love my back? I think a helicopter can land on it.
NYSE

Yes, ma'am, it's v-v-very h-huge
Please make up my room

Thanks dear. Do you think Jakie will like these? I'm a bit insecure about them. Are they too big?

W-w-what? No!

You still haven't learned that I can make you do ANYTHING you want with my muscles, do you? Kick him or I'll choke him in a sleeperhold. And there's always a slight chance that he doesn't wake up...

AAARGHHHH
Yes!! Very good! I'm proud of you!

Oh no no no little girl. No comforting. Get up. I want you to make a victory pose in front of me. Flex your biceps for me. Now!

Look at that! Good girl! You've done well tonight, we had a lot of fun. Now it's time to go to sleep

Jake will sleep with me, I'm putting him into bed.

Lights out. Stop crying baby, you knew already he is mine now. I promise we'll try to be silent. And you try to sleep. Tomorrow we'll have a whole new day ahead of us.
