MEANWHILE...

HOW IS IT  
COMING ALONG,  
DEAR?

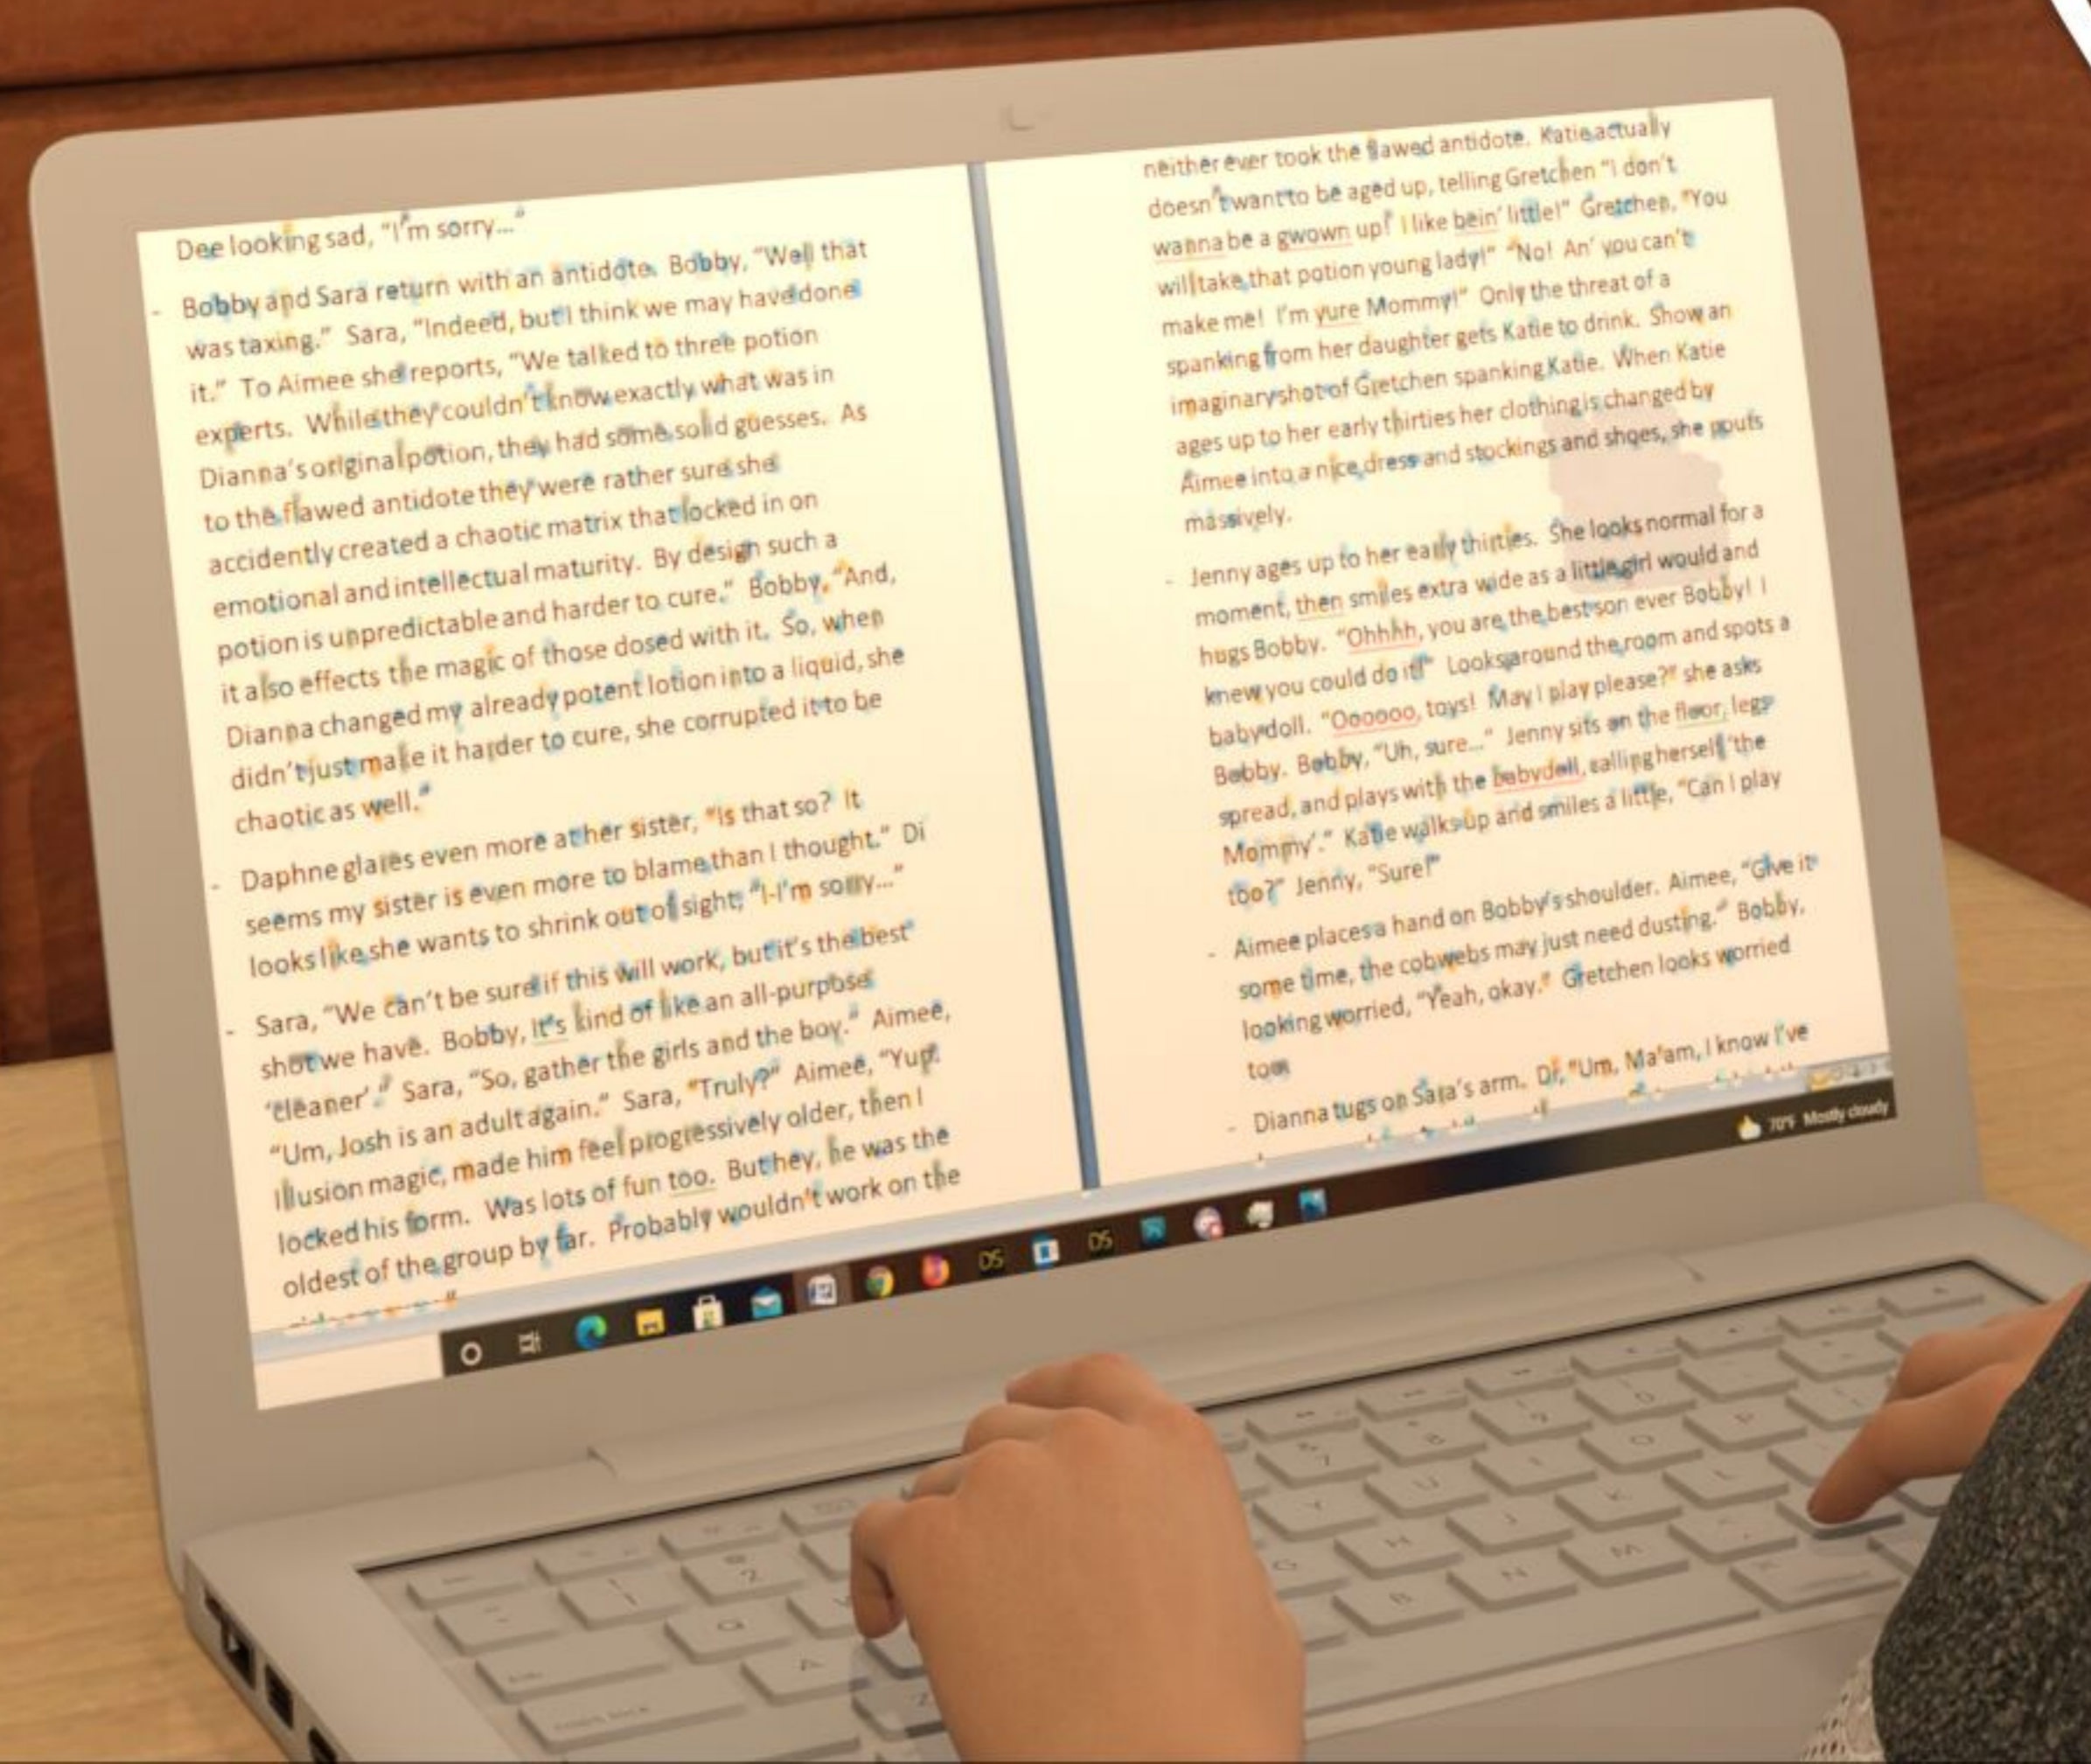

ALMOST DONE, MOM.  
I JUST NEED A FEW MORE  
MINUTES.

OKAY. I'VE FINISHED MY PAPERWORK. WE CAN GO HOME AS SOON AS YOU'RE READY.

SOUNDS GOOD. IT WON'T TAKE ME TOO LONG.

Dee looking sad, "I'm sorry..."

- Bobby and Sara return with an antidote. Bobby, "Well that was taxing." Sara, "Indeed, but I think we may have done it." To Aimee she reports, "We talked to three potion experts. While they couldn't know exactly what was in Diana's original potion, they had some solid guesses. As to this flawed antidote they were rather sure she accidentally created a chaotic matrix that locked in on emotional and intellectual maturity. By design such a potion is unpredictable and harder to cure." Bobby, "And it also effects the magic of those dosed with it. So, when Diana changed my already potent lotion into a liquid, she didn't just make it harder to cure, she corrupted it to be chaotic as well."

- Daphne glares even more at her sister, "Is that so? It seems my sister is even more to blame than I thought." Di looks like she wants to shrink out of sight. "I'm sorry..."

- Sara, "We can't be sure if this will work, but it's the best shot we have." Bobby, "It's kind of like an all-purpose cleaner." Sara, "So, gather the girls and the boy." Aimee, "Um, Josh is an adult again." Sara, "Truly?" Aimee, "Yup! Illusion magic, made him feel progressively older, then I locked his form. Was lots of fun too. But they, he was the oldest of the group by far. Probably wouldn't work on the

neither ever took the flawed antidote. Katie actually doesn't want to be aged up, telling Gretchen "I don't wanna be a grown up! I like bein' little!" Gretchen, "You will take that potion young lady!" "No! An' you can't make me! I'm yure Mommy!" Only the threat of a spanking from her daughter gets Katie to drink. Show an imaginary shot of Gretchen spanking Katie. When Katie ages up to her early thirties her clothing is changed by Aimee into a nice dress and stockings and shoes, she gouts massively.

- Jenny ages up to her early thirties. She looks normal for a moment, then smiles extra wide as a little girl would and hugs Bobby. "Ohhhhh, you are the best son ever Bobby! I knew you could do it!" Looks around the room and spots a babydoll. "Oooooo, toys! May I play please?" she asks Bobby. Bobby, "Uh, sure..." Jenny sits on the floor, legs spread, and plays with the babydoll, calling herself "the Mommy." Katie walks up and smiles a little. "Can I play too?" Jenny, "Sure!"

- Aimee places a hand on Bobby's shoulder. Aimee, "Give it some time, the cobwebs may just need dusting." Bobby, looking worried, "Yeah, okay." Gretchen looks worried too.

- Dianna tugs on Sara's arm. Di, "Um, Ma'am, I know I've

TALK ABOUT BIZARRE! A  
YOUNG MOTHER NAMED LAUREN  
SMITH, AND HER LITTLE BOY  
NAMED JON.

WHAT ARE THE  
ODDS? JON WILL SURE GET A  
KICK OUT OF THAT, WHEN I  
TELL HIM.

$$E_r = \sqrt{(m_0 c^2)^2}$$

The table below shows the area in square miles for 5 different states. Which 3 states did Carlos include in his total?

State	Square Miles
Illinois	55,503
Hawaii	6,423
Ohio	40,953
Vermont	9,249
Wisconsin	54,314

- A Illinois, Vermont, Wisconsin
- B Vermont, Wisconsin, Hawaii
- C Wisconsin, Ohio, Vermont
- D Ohio, Hawaii, Illinois

6

A pizza was cut into 8 equal pieces. Ben ate 2 pieces, and Sam ate 3 pieces.

- What fractional part of the pizza did Ben and Sam eat?
- A  $\frac{3}{8}$
  - B  $\frac{5}{8}$
  - C  $\frac{8}{5}$
  - D  $\frac{5}{3}$

5

Lisa had \$40.80. She spent \$14.50 for a CD, \$9.57 for a shirt, and \$8.95 for lunch.

- Exactly how much money should Lisa have left?
- A \$1.85
  - B \$1.87
  - C \$24.07
  - D \$24.09

7

What value for  $n$  makes this number sentence true?

- $65 + n + 141 = 141 + 9 + 65$
- A 9
  - B 76
  - C 206
  - D 215

THE PLACEMENT EXAM? I MUST HAVE ZOOMED LITTLE JON BY MISTAKE. LOOKS LIKE HE'S FINISHING UP.

Mathematics

4

The table below shows the area in square miles for 5 different states. Carlos calculated the sum of the areas of 3 states. He found that the total number of square miles for these three states is 119,156 square miles.

State	Square Miles
Illinois	55,593
Hawaii	6,423
Ohio	40,953
Vermont	9,249
Wisconsin	54,314

Which 3 states did Carlos include in his total?

- A Illinois, Vermont, Wisconsin
- B Vermont, Wisconsin, Hawaii
- C Wisconsin, Ohio, Vermont
- D Ohio, Hawaii, Illinois

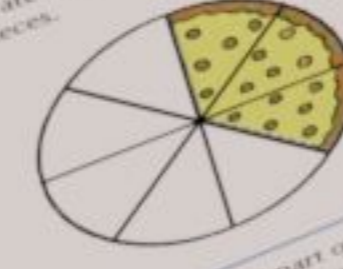

5

Lisa had \$40.80. She spent \$14.50 for a CD, \$9.57 for a shirt, and \$8.95 for lunch.

- Exactly how much money should Lisa have left?
- A \$1.85
  - B \$7.78
  - C \$24.07
  - D \$47.78

6

A pizza was cut into 8 equal pieces. Ben ate 2 pieces, and Sam ate 3 pieces.

What fractional part of the pizza did Ben and Sam eat?

- A  $\frac{3}{8}$
- B  $\frac{5}{8}$
- C  $\frac{5}{11}$
- D  $\frac{8}{11}$

7

What value for  $n$  makes this number sentence true?

$$65 - n = 141 - 141 + 9 + 65$$

- A 0
- B 76
- C 206
- D 215

GO ON

HE'S JUST ABOUT OUT OF TIME. HALF OF THE ANSWERS ON THIS PAGE ARE WRONG.

C... C... C... YEP, HE'S OUT OF TIME.

HMMM... HIS SCORE'S A BIT ON THE LOW SIDE...

... I CAN GIVE HIM THE OPTION OF FIFTH GRADE WITH A TUTOR, GIVEN HIS AGE...

... BUT HE MAY HAVE LESS STRESS IF HE REPEATS FOURTH GRADE.

...king with numbers  
...ican History  
...k time

HOLD ON A SECOND...  
LAUREN NEVER GAVE ME HER  
EMAIL ADDRESS, OR THE LITTLE  
BOY'S. AND I WAS ZOOMING  
JON... MY JON, THE OLD  
ONE...

...THAT HAS TO  
MEAN...

...WHAT THE FUCK?! THAT IS MY JON, TAKING THE TEST! AND HOW WOULD HE HAVE GOTTEN THE LINK?!

IT'S NOT LIKE HE TURNED INTO A FIFTH GRADER! THAT'S IMPOSSIBLE!!

WHEN HE WAS HERE, HE DIDN'T SAY ANYTHING... DIDN'T ACT LIKE HE EVER EVEN MET ME.

I HAVE TO BE CAREFUL NOT TO SCARE HIM. HE MAY NOT REALIZE WHAT HAPPENED.

OK... TEACHER MODE.

I... SEE YOU'VE FINISHED YOUR EXAM, JON. HOW DID IT GO?

*HUH? OH, HI MRS. GIBSON. I  
COULDN'T FINISH ALL OF THE  
QUESTIONS, AND I TRIED REALLY,  
REALLY HARD!*

*I BET I REALLY MESSED IT UP!  
CAN I TAKE IT AGAIN? I DON'T WANNA  
BE PUT IN KINDERGARTEN OR  
SOMETHING!*

I'M AFRAID  
STUDENTS ARE ONLY  
ALLOWED TO TAKE IT  
ONCE.

DARN IT!  
SOME OF THOSE  
QUESTIONS WERE  
IMPOSSIBLE! I FLUNKED IT,  
I'M SURE I DID!

THAT'S JON, ALRIGHT.  
NOW THAT I THINK ABOUT IT, HE  
LOOKED JUST LIKE THAT WHEN  
HE WAS TEN.

THE VERY HARD QUESTIONS ARE SIXTH AND SEVENTH GRADE LEVEL. YOU AREN'T EXPECTED TO KNOW THOSE ANSWERS. FEW STUDENTS DO.

AND YOU CAN RELAX, THERE IS NO FLUNKING. I SAW YOUR TEST SCORES, AND I WOULD LIKE TO DISCUSS THEM WITH MOM.

IS SHE AVAILABLE?

I DUNNO. SHE WAS GONNA GO OUT WITH AUNT NADIA.

MAKE GOOD GRAMMAR A HABIT, JON. I CAN TRY HER ON HER CELL.

YES, MA'AM.

- Work with numbers  
- an History  
time

I'M  
READY TO GO,  
MOM.

OKAY.

I HAVE TO MAKE A QUICK CALL,  
DEAR. WHY DON'T YOU SAY HI TO  
JON? I'LL ONLY BE A MOMENT.

HI RUTHIE!

HI JON!

I'LL GIVE YOU TO RUTHIE  
WHILE I CALL MOM, IF THAT'S  
ALRIGHT.

IT'S ALRIGHT  
WITH ME, MRS.  
GIBSON!

LANGUAGE,  
JON.

HAHA...  
YEAH, RIGHT!  
IT TOTALLY  
SUCKED ASS!

SORRY MRS. GIBSON.  
I'LL BE LUCKY IF THEY  
DON'T PUT ME BACK A  
GRADE OR THREE.

HOW DID THE TEST  
GO? THINK YOU'LL SKIP A  
GRADE?

HAHA... YOU COULD  
RULE THIRD GRADE!

THAT'S COOL! WE CAN HANG OUT, OR SOMETHING. WE HAVE A POOL!

MOM SAID I'M COMING OVER TO YOUR HOUSE TOMORROW.

AWESOME! I WISH WE HAD ONE OF THOSE.

BRING A SWIM SUIT.  
WE CAN USE IT IF IT'S  
NICE OUT.

I DUNNO. WE'LL  
FIGURE OUT  
SOMETHING.

ALRIGHT.  
WHAT IF IT ISN'T  
NICE OUT?
