

Tell me who you are!

*Come on.. No need to be rough to your brother*

Ryou?!

Surprised, huh?

Take that skin off now!

Why? we just fucked a few hours ago.. I thought you liked it

Wait... That was you?

Yes, that was me for all along!

No...

What's wrong? Those were the good times we had together

**Fuck it! just take the skin off already!**

What will I gain from that?

Do you really think that I will let this precious skin go?

What you gonna do about it?

Well.. I think I'll be using this skin for a while

Too bad...

*That's my skin, bitch!*

*Good job!*

Your brother attacked me and stole this skin

But now I got it back!

What should we do with him?

*Tie him up, He will be sent back to where he should have been*

Let me go you idiot!

Shut up and keep walking!

*It's finally over!*

What now?

Just go back to work as usual. But this time,  
you will be promoted to the head maid

Thank you so much! but I'm the only maid here,  
How is it different from before?

*That's why I'm going to give you a new task!  
You have to go out and find one homeless person for me*

Well.. I know a friend who is homeless just like me and he might take the deal
