Good that this nice old lady
in the new shop on the corner
sold me that great book.
Maybe it will solve

Oh Mother Venus,
here my plea! You are
the light of all beauty and all light...

Whose blessing
I call upon tonight!

Make me
what my Love desired.
Regardless of the cost

What the...

First:
You are always so uptight.
From now on you only want
to wear very revealing
clothes or nothing.

By Amay2k12

And a Face
I can really love.

By Amay2k12

And big, fake
Titts I can put my
hands on.

By Amay2k12

baby...I mean really
big tits...at least
Beach Ball
Size!

By Amay2k12

And some
„junk in da Trunk“.

...the Legs.
A girl like you need
some meaty legs
to walk with.

By Amay2k12

And finally
some dumbing down
while those hair grown
down to your ankles.

By Amay2k12

And I...I...
totally tschink tschat
I can life witsch it
giggle

And now
you wouldn't ignored
by me any longer
Babe.
