

IN GREAT SHAPE

By
ElRelator

It was a regular evening at Kelly and Sean's gym. Since the day they have opened the gym, they dedicated this time to train themselves, just before closing, when all the clients were gone.

Hey babe! It's late, maybe we should get going...

Just five minutes more, love...
I wanna run seven miles today!

Is it because I've told you
that today I've run **six**
miles? Kelly, why do you
always want to outdo me?!

(2)

Afraid? Come on, princess, don't be silly... I know you are as fit as you can be, but you are still a woman and no match for me....

(1)

Haha! Well, you know that I'm a competitive girl! And you love that about me, don't you? Or maybe you are afraid that I can beat you?

Suddenly, a new client walked into the gym, interrupting their conversation. He was a short, skinny, adult man. They didn't expect anyone so late, but what surprised them the most was his height. He was clearly in his 20s, but he looked tiny.

H-hi guys! Is the gym still open?

A 3D rendered scene set in a gym. On the left, a man with a beard, wearing a white tank top and red shorts, stands next to a woman with red hair wearing a black sports bra and pink shorts. They are both looking towards a man on the right who is wearing a brown tank top and green shorts. In the foreground, a stationary bike is visible. The gym has a wooden floor and a grey wall with circular vents. Two speech bubbles are present: one from the man in red shorts and one from the man in green shorts.

Hey! Well, to be honest, we were about to close now.... You should come back tomorrow...

Yeah, we are sorry, but it's too late... But if you want I can show you the gym...

Oh, well... unfortunately, it's impossible for me to come earlier, because of my job. Maybe if I pay more you could do an exception for me?

And how much more would you pay?

An exception? You mean closing later on wednesdays?

Maybe twice as much as a normal client? Or even more... I can afford it...

Wow! I see that you REALLY want to get fit! Ok, let's do this... Kelly will show you the gym now, and we'll see what can we do

Great, let's start then! As you heard, my name is Kelly, and that big guy is my boyfriend Sean. Now, please, tell me about you... What's your name? And do you work out regularly?

My name is Marty, and... w-well... No... I've never been in a gym before. I've been studying and working in an office most of my life, hehe!

Ok, Marty... Then let's start with something easy. This is the lightest dumbbell we have here. Since you are starting I think It will be perfect for you...

Well, it really looks light, at least for you! You lifted it like it weighed nothing! Or maybe you are a REALLY strong woman...

Kelly was shocked. Marty was definitely the smallest and weakest man she had ever met. She looked at him in disbelief, thinking about how easily she could overpower that tiny male.

Oh my God... is it THAT heavy for you? Awww! I'm really sorry sweetie... But I don't have anything lighter!

W-what the f*ck?! H-how is this possible!! You lifted it effortlessly! And you are a woman!!! Am.... Am I that weak?!!

Ok, ok calm down, Marty... You don't have to feel bad, ok? Yeah, I'm a woman, but look at me... I'm a lot bigger than you... So obviously I'm stronger... That doesn't mean there's something wrong with you, sweetie... You just need weights that match your little size and strength....

Thanks for trying to cheer me up, Kelly... B-but... I can't help feeling like a ridiculous wimp right now! I've always been a small man, but... I didn't know I was so weak.... You must think I'm pathetic...

Not being even able to lift the lightest dumbbells, Marty felt embarrassed, so Kelly tried to console him. As she did it, she suddenly started feeling turned on by the situation. Seeing him so tiny, so vulnerable and frail, made her feel powerful and important by comparison.

Awwww! Don't be so hard on yourself, Marty! You are not pathetic, and you are not a wimp... You are ... small... But that makes you adorable too! You shouldn't feel sad!

She kept trying to make him feel better, using nice words in her softest and most feminine tone, but she couldn't stop shinking how much taller and how much stronger than him she was. As she placed her hand on his shoulder, towering over him she felt a rush of excitement. She had never felt so big in front of a man.

Adorable? That's how women see me... Well, that's fine for a puppy... But I'm supposed to be a man...

In that exact moment, Kelly felt a tingling feeling running across her body. It was something hard to describe, as the sight of such a tiny male was making her bigger and stronger than she already was; it was almost as if she could absorb his power.

T-thanks, Kelly...

And then it suddenly happened...

Oh my God!!!
What's happening?

Y-you are growing!

How is this possible?!
I'm.... so tall!!

A-are you serious?
You **were** tall! Now
you are huge!!

You are right... I'm so big!
I must be dreaming! This is
physically impossible!

A-Are you ok? H-how do
you feel? M-maybe we...
should call a doctor...

Well.... Actually... it might sound weird, but I feel **better** than before... I was tired after running on the treadmill, but now I'm not! I feel... It's hard to describe, but I feel full of energy...

R-really?! Better than before??!
B-but... this is not normal!

Wait... Have you changed too?
It's hard to tell, but I'm pretty
sure you look smaller... as if... you
had shrunk!

S-shrunk?! M-me?! No, you
are the one who has grown!

But you look clearly smaller compared to the environment, not only compared to me...

M-maybe you are right... And I think some parts of your body have grown more than others...

What do you mean by that, shorty?

W-well... P-please don't be mad at me... b-but I can't help noticing that your b-breasts are huge now! Even for your new body!

Oh, God! You are right... My boobs are so much bigger!

Wow! She is even hotter now! I wish I could touch those huge melons!

How curious... They feel really firm, but also soft. My top feels a bit tight now, but I love it!

Y-Yeah! I... I t-think I love it too, Kelly...

Sean! You wouldn't believe what just happened!!

WTF?!?! K-Kelly! Are you wearing platform heels?

Sean felt extremely confused. He realized that Kelly was wearing the same sneakers, and they were both standing on the same floor; but somehow she was now slightly taller than him. He wondered if he was dreaming, as Kelly proudly smiled down at him. Of course, that was really weird for Kelly too, but the growth just made her feel so much pleasure, and she felt so strong and full of energy, that she wasn't even worried.

Nope! I was just talking to Marty and I suddenly grew! Isn't it amazing?!

W-what are you talking about, Kelly?! T-these things can't happen! I mean... growth spurts do exist, but not within minutes!

A 3D rendered scene set in a gym. In the center, a woman with long red hair, wearing a black sports bra and pink shorts, stands with her back to the camera. To her right, a muscular man with brown hair and a beard, wearing a white tank top and red shorts, looks at her with a surprised expression. To the left, a shorter man with dark hair, wearing a brown tank top with a 'BOY' logo and green pants, looks at the woman. The background shows a gym with wooden floors, a wall of lockers, and exercise equipment.

Well... It happened to me... And it feels great for some reason... I was feeling so tired and now I feel like I've been resting for hours!

B-but.... There has to be an explanation, babe! We should definitely see a doctor!

Wow... Her peach shapped butt looks amazing now. And it comes up to my chest! She is so tall!

A doctor? I don't see the point, sweetie. I don't feel ill... This might be weird, but...

And it feels so firm... She must be amazingly strong now! What an amazon!

Hey!!! What are you touching down there, little perv?

Whoah! Come on, man! You are not allowed to do what you want just because you are small...

I'm... I'm s-sorry, guys! I was just t-testing something...

Testing what?!

Fortunately for Marty, in that exact moment, Kelly experienced a new growth spurt, as Marty shrunk a little bit.

Wow! You are just... HUGE now!!

And you are definitely smaller... You've shrunk!

B-Babe... What's going on here? T-This can't be happening! H-How?!

I don't know, love... I just now that it feels great. And judging by your reaction, my body must look spectacular now, doesn't it?

It... It does! Your tits look amazing, babe!

But my top feels super tight!
If I remain like this I'll have to
buy lots of new bras!

Is she going to take
off her top? I'm
definitely a lucky guy

Ah!! That's better!

Awww! Look at you... You are such a shorty now... So adorably small...

Hey! C-come on, babe! Don't make fun of me! I'm not short... YOU are huge!

And you seem to like it...
I feel something hard
pressing against my thigh

W-well... I like
being so close to
you b-boobs

If you like it so much, maybe I could grow even taller... I think I know how to do it

Y-you know how to do it??
What are you talking about?

A 3D rendered scene set in a gym. On the left, a woman with long red hair, wearing a pink bikini, stands with her hand on the head of a small boy. The boy is wearing a brown tank top and green leggings. In the center, a man with a beard, wearing a white tank top and red shorts, looks down at the boy. The gym background features a wooden floor, a pink mat, and various pieces of exercise equipment like a treadmill and a weight bench. Two speech bubbles contain text.

Well... Apparently, our little friend Marty has something to do with it. I was touching him the two times I've grown

R-really? But you are touching him right now and you are not growing, babe... It can't be that easy...

I... I have no idea!
I didn't do anything! Not
on purpose...

Come on, little buddy... Tell us
how you make her grow. Can you
make me grow too?

Sean picked up Marty effortlessly, not even asking him, as if he was some kind of mysterious object; trying to figure out how that small guy could make someone grow. Marty was so shocked that he didn't even dare to protest.

(2)
I see... Well, he is so puny and light... He makes me feel like a giant...

(1)
Well... I must confess that both times I was a bit turned on by how small he is compared to us...

Oh God! ... It's happening again!

Hahaha! It works!
This is awesome!

Sorry little princess, but the King of the Jungle is back! I've defeated you once more...

Stop bragging... This hasn't ended yet! I bet I can grow a lot bigger than you..

As usual, Sean's cockiness triggered Kelly's competitive spirit. This was new to both of them, but she was sure she could beat him in the growth contest.

Wow! We are both amazingly tall...Especially me...Haha!

And Marty is so tiny! He comes up to my waist...

What the...!?! KELLY! What are you doing?! Are you serious?!

You liked my butt, don't you, little guy? I can let you kiss it...

Marty wasn't stupid, he knew Kelly just wanted to use him to grow bigger and defeat Sean; but he just couldn't resist to her peach shapped butt.

Come on tiny dude, don't do it! Don't you want the male team to win?

Kelly... Why have you done that?! H-how tall you wanna be?

Taller than you, sweetie... Does that make you feel bad?

This feel SO GOOD.. I bet I'm even stronger than you now...

What?! Don't be ridiculous, babe... You are tall, but your muscles are not that big...

No, it's not just the height...
I feel full of energy now.
I'm sure I can lift more than
you. Wanna bet?

Well... Those weights aren't
THAT heavy babe. You know?

Then why don't you go find the heaviest weights we have and bring them. Or you are too scared I would win?

Scared?! Are you kidding, princess? I'll find those weights and I'll teach you a lesson

Awww, good boy... I'll be waiting for you here, shorty...

You won't call me that after I defeat you...

Wanna help me growing a bit more while he is away, sweetie? It would be so funny if he comes back and find out I'm huge!

B-but... Kelly! Then I'd get even smaller!

Maybe, but don't worry... I promise I'll take care of you... Wouldn't you like that, little guy? To have a big powerful woman like me as your gentle protectress?

W-well... Yes.. I'd love that, but...

I know you love it, little male...
You are so small.... so vulnerable...
But I'll keep you safe...

Thanks! I'm huge now! This is great!

B-but... Look how small I am!
Y-you could even step on me!

When Sean came back, he realized that leaving Kelly and Marty alone hadn't been a great idea

Oh! Look who's back... My little boyfriend... haha!

What?! Have you grown AGAIN?! You are such a cheater, babe!

Cheating? We didn't set any rules in this game, love..

B-but you sent me to find these super heavy weights!

You call this "heavy"? I can easily lift them with one hand... I guess I'm definitely stronger than you!

As I said, Marty is not only making me grow in height... He is making me physically powerful in every way!

This is my chance, Kelly is not looking...

After his growth spurt, Sean pulled down his pants and showed his now COLOSSAL erect member.

Look, it seems that my dick is growing more than the rest of my body... Just like what happened to your boobs, Kelly

Kelly couldn't believe it. Sean placed Marty on his hard dick. How could an adult man be so small compared to another one?

Oh my God! It's so huge that... Marty can sit on it! This is surreal!

Yeah, I think I've won!

That's a great idea, princess!

Yup, I guess I've been defeated... I should kiss the huge cock of my champion...

Mmmmm! Yes.. you look like a little doll, sitting on my boyfriend's huge dick!

Keep doing that,
baby!

Hey! Why have you grown? I was the one getting turned on by Marty's size...

But I was the one touching him. I guess that's what matters

Wow! He is diminutive now!
Your cock must be at least
15 times bigger in volume

I know, babe... Haha! Wanna
keep kissing the gigantic
member of your champion?
You are the perfect height

Good girl, haha!
You are so good
at this, princess...

This is great!
We should remain
this sizes...

mwah But love... wouldn't you
prefer *mwah* my sweet wet
pussy to be the same height
mwah as your gigantic dick?

But... are you saying this because you still wanna defeat me?

Of course not! I just wanna please my big boyfriend...

Come with mommy, little one... She needs your help to please the big man...

B-but Kelly... If you get as tall as him, I'll get ridiculously small... I'm... I'm excited, but I'm also a bit scared..

A digital illustration of a woman with long, wavy red hair and blue eyes, looking slightly to the right. She has dark red lipstick. A large hand is holding a tiny man from behind. The man is wearing black shorts and blue and white sneakers. The background is a plain, light-colored wall.

You already are ridiculously small, sweetie... Now is too late to think about that. But you have a giantess who can take care of you

I... I c-can't say no to you... Let's do it Kelly... Shrink me!

I hope you are comfortable there, little man... Haha!

This is so funny! I'd have never imagined that one day I'd have a tiny adult man hanging from my breasts. You are making me feel like a mountain!

Come on, baby... Your big strong man is waiting up here for you!

Wow! Look at him now!
I could pick him up with
just two fingers, haha!

The poor guy is dissapearing
between your tits, babe...
How small can he get?

I don't know, but I'm very curious about that... Do you think I could make him so small that he could sit on one of my nipples?

Hahaha! I don't know, but seeing a man sitting on your nipple would be really hot...

Marty couldn't believe what he was hearing. They wanted to make him as small as an insect. He was both scared and turned on by the idea. Anyway, he knew it was too late to stop that. He didn't have any power over those gods. The gigantic couple could do anything they wanted to him.

So... Are you going to help me shrinking him, love? Please?

Sure, as long as we both grow!

B-but Kelly! What if I become microscopic! Then who would t-take care of me?!

Awww! Calm down, little bug...
We'll stop shrinking you while
you are still visible, I promise...

Marty didn't know what to think about Kelly's promises. How could they stop shrinking him? How could they stop growing? They seemed to be obsessed with getting bigger and bigger, and making him insignificant seemed to be extremely exciting for them. Of course, it was also exciting for him, but some part of him couldn't stop thinking about how dangerous that was. What if he couldn't get back his normal size? Would he remain as a bug sized pet for that giant couple? That didn't sound that bad, he loved being between's Kelly's breasts. He just hoped he wouldn't get microscopic.

Ok, love... Let me feel your gigantic manhood in my pussy, while you gently squish this tiny guy between my boobs...

Hahaha! Wow, Kelly... You are such a naughty girl, aren't you?

Your new body feels amazing, babe...

Your huge dick does too, and your hands....

A close-up, high-angle shot of a woman's bare torso. Her skin is a warm, light brown color. A tiny man with dark hair and a black shirt is lying on his back on her midsection, with his arms outstretched. The woman's right hand is visible at the bottom, with her index finger pointing towards the tiny man. In the background, a wooden floor and a black metal frame are visible. A speech bubble is positioned above the tiny man.

Be careful with the tiny man... He is very delicate. Just let him feel a little bit of your infinite power...

Oh Yes!!! It's starting again!! I can feel it!

That growth spurt made Marty so small that he fell between Kelly's breasts. For him, it was like falling from the top of a skyscraper

Dude!

I got you,
little buddy...

Poor thing! He almost fell... Look how tiny he is..

Haha! Don't worry babe...

I'll put him in a safe place...

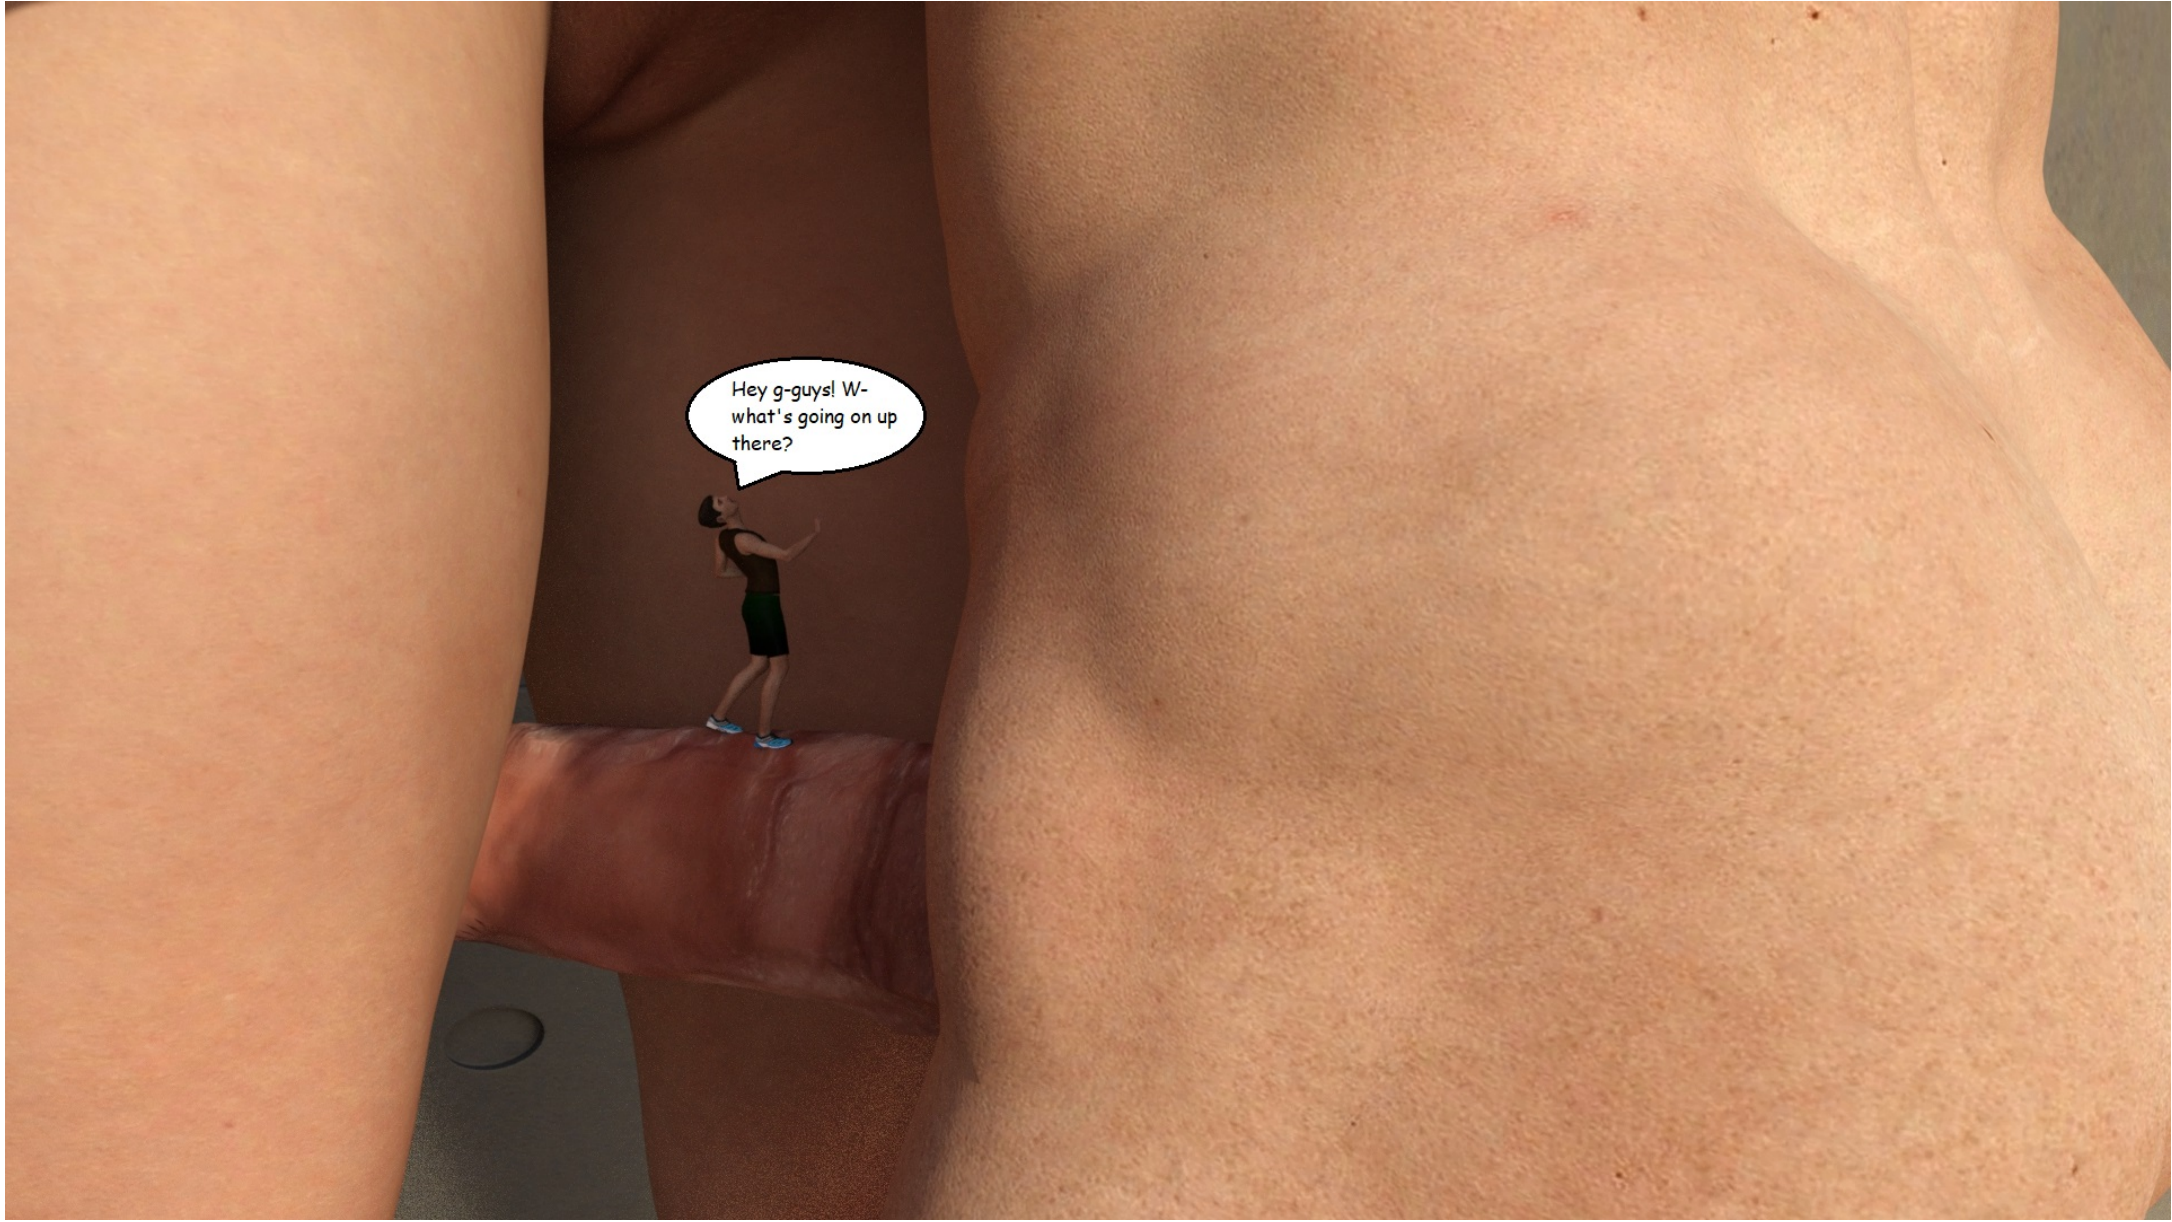

Wait... Did you put him on your dick again, little cheater? Haha! You just can't stand that I'm taller than you...

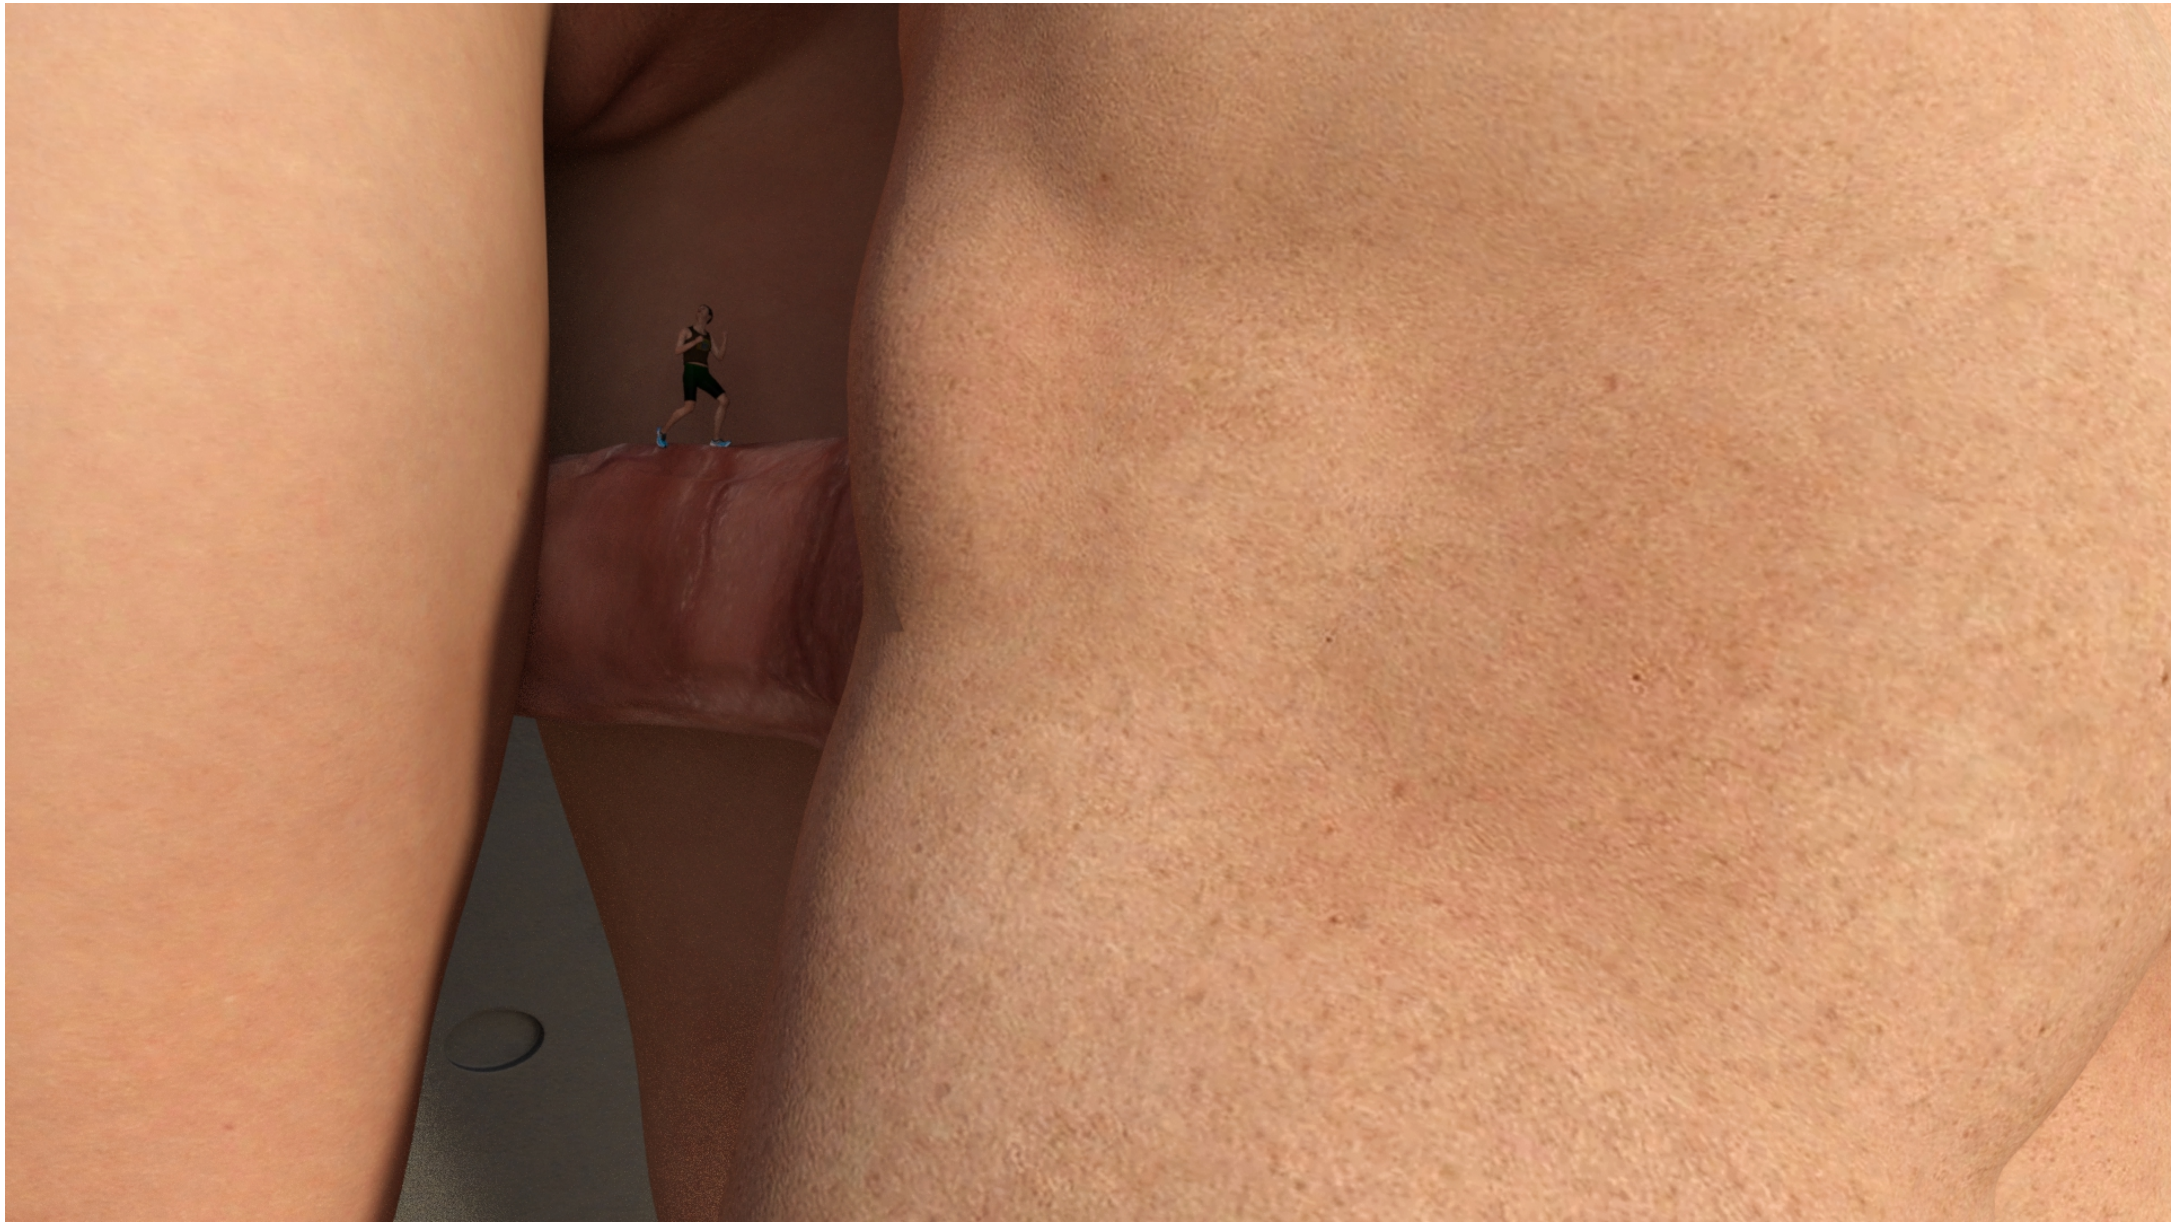

Haha! *mwah* Not for much time, baby! *mwah*

We meet again,
princess...

Haha! I can feel something very tiny wiggling inside of my pussy..

The only "tiny" thing down there is our friend Marty, so it must be him...

Sean carefully placed him on Kelly's nipple. Fortunately, the shrinking and the growth seemed to have reach a limit; but he was as small as an insect now.

I'm super turned on by this, but I'm not growing anymore... And he is not shrinking...

We've reached the limit, but that's a good thing. If he was smaller we wouldn't be able to see him

Marty felt how Kelly's nipple got bigger and harder under his diminutive body. He couldn't believe how small he had become.

THE END...

Don't worry sweetie... As long as you keep me horny you won't fall from there...
