HA.....HA.....

Mmm.....

Fuh~

Ryan is on another business trip...  
I miss him even more than before..

Ever since I got this skinsuit, it feels like Ryan and I have gone back to the days when we were madly in love...

I miss him so much.

Tessa, you're tempting me again!

Oh, stop it~ I'm Scarlett now~

Alright, alright, Scarlett.  
Is that apron new? It's really pretty'

No way, Tessa's worn it before~ honestly.

I can't hold back anymore, Scarlett!

Ahh——

I still want more, Ryan.

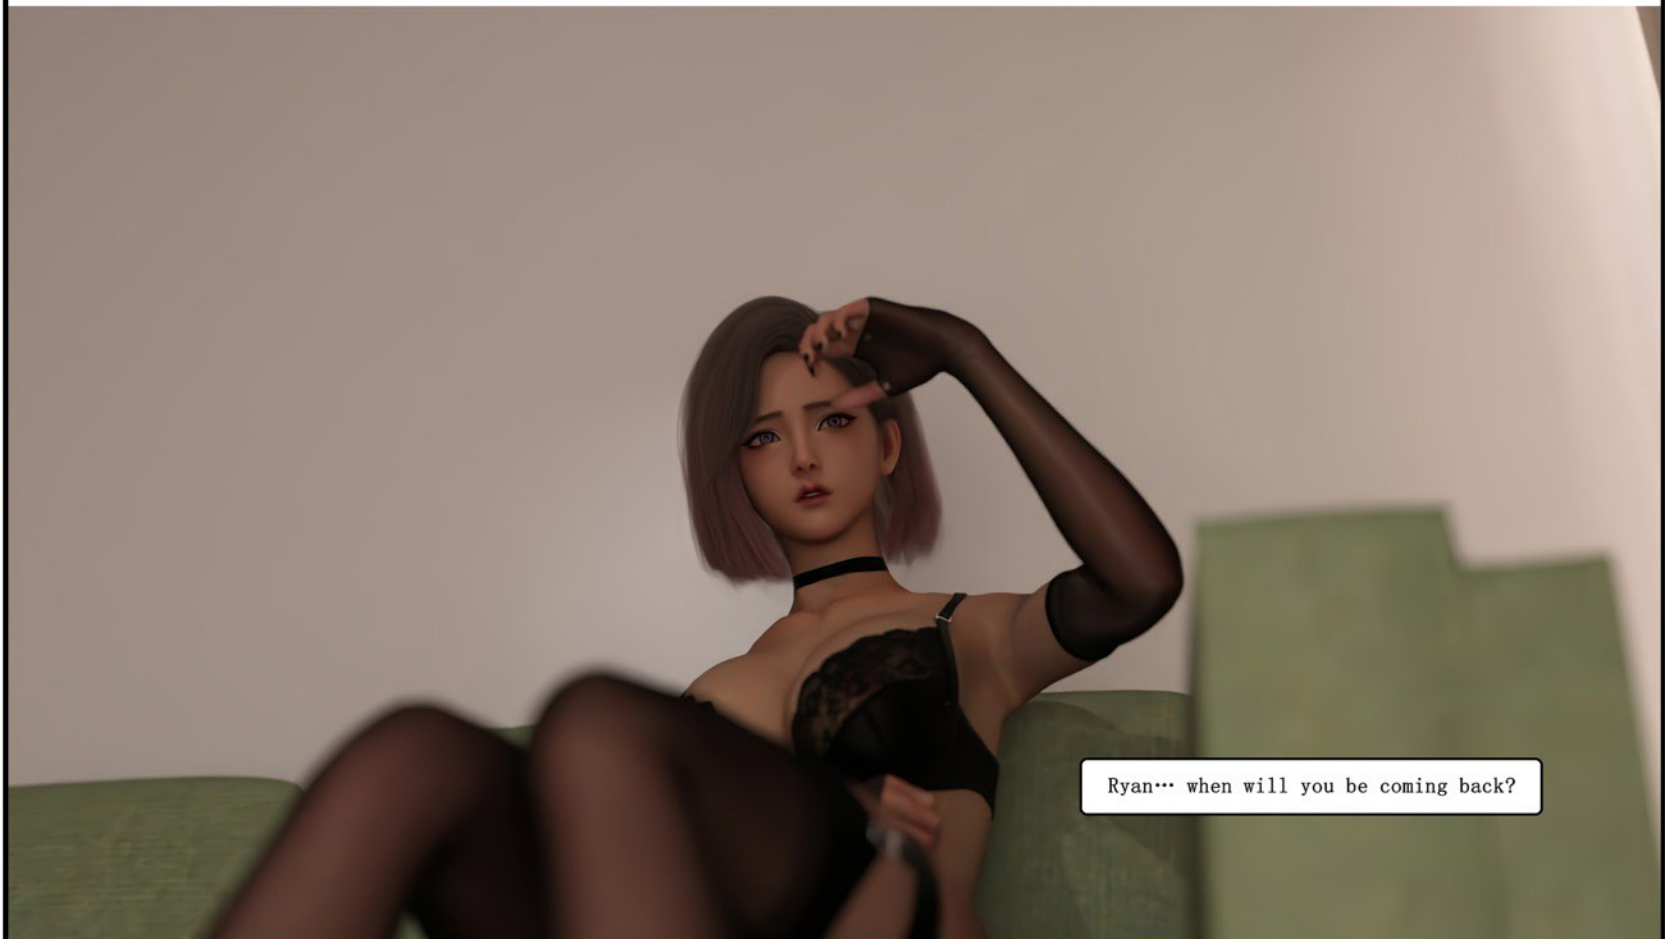

You really are a naughty little pussy~

Ryan.....Ryan.....

Ryan.....Ryan.....

Ryan... when will you be coming back?

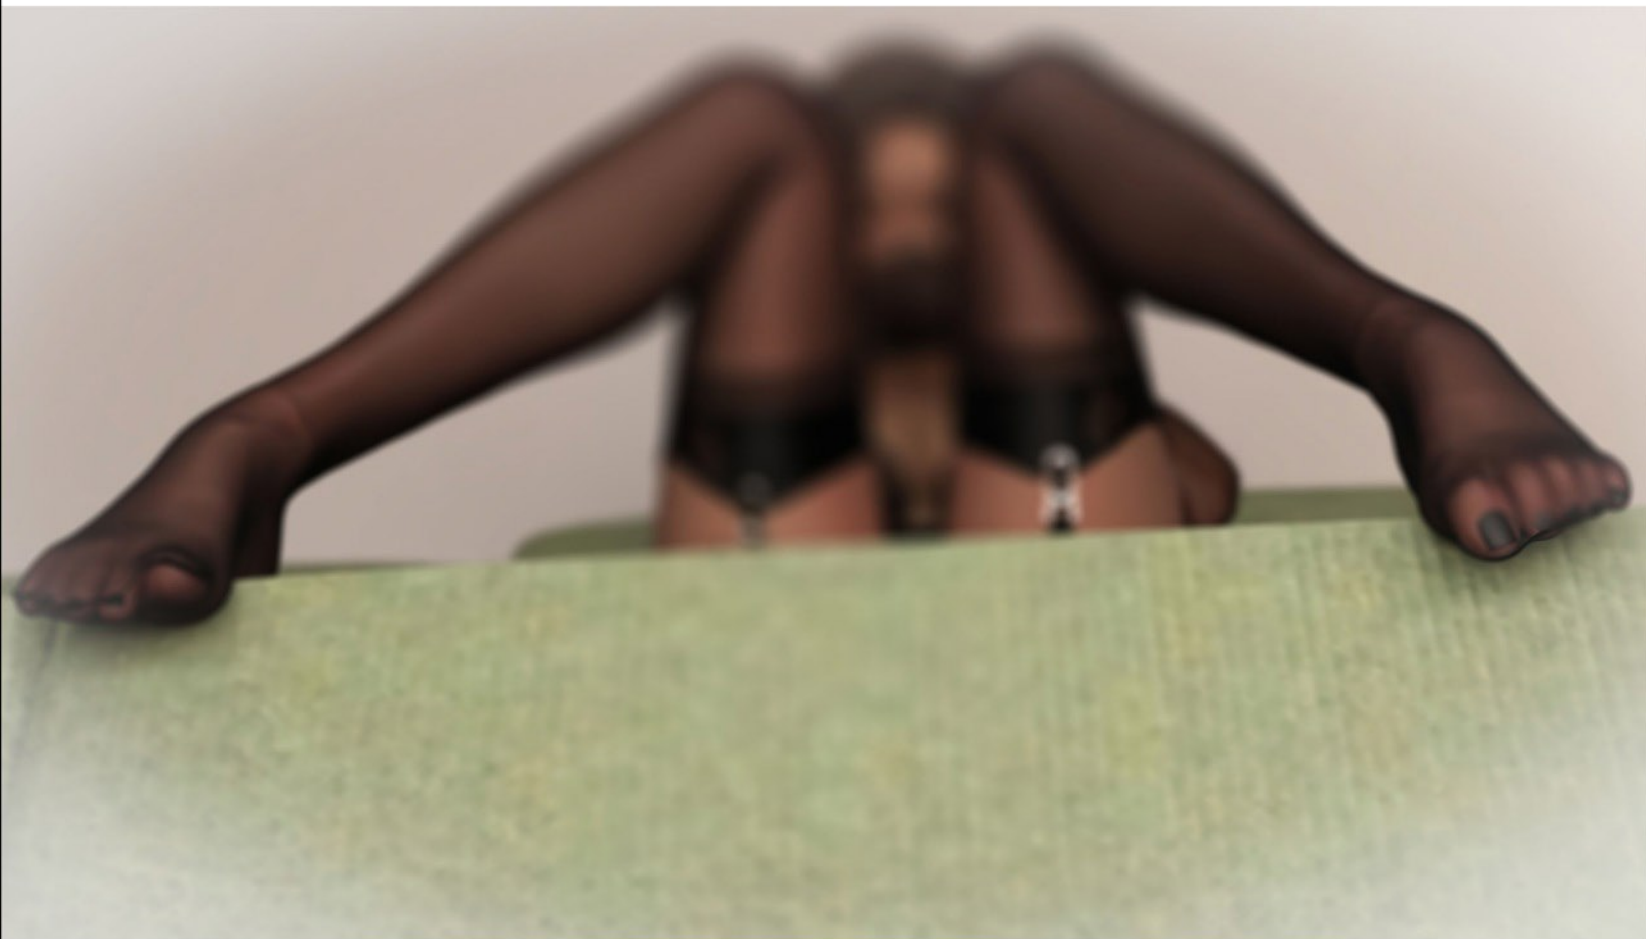

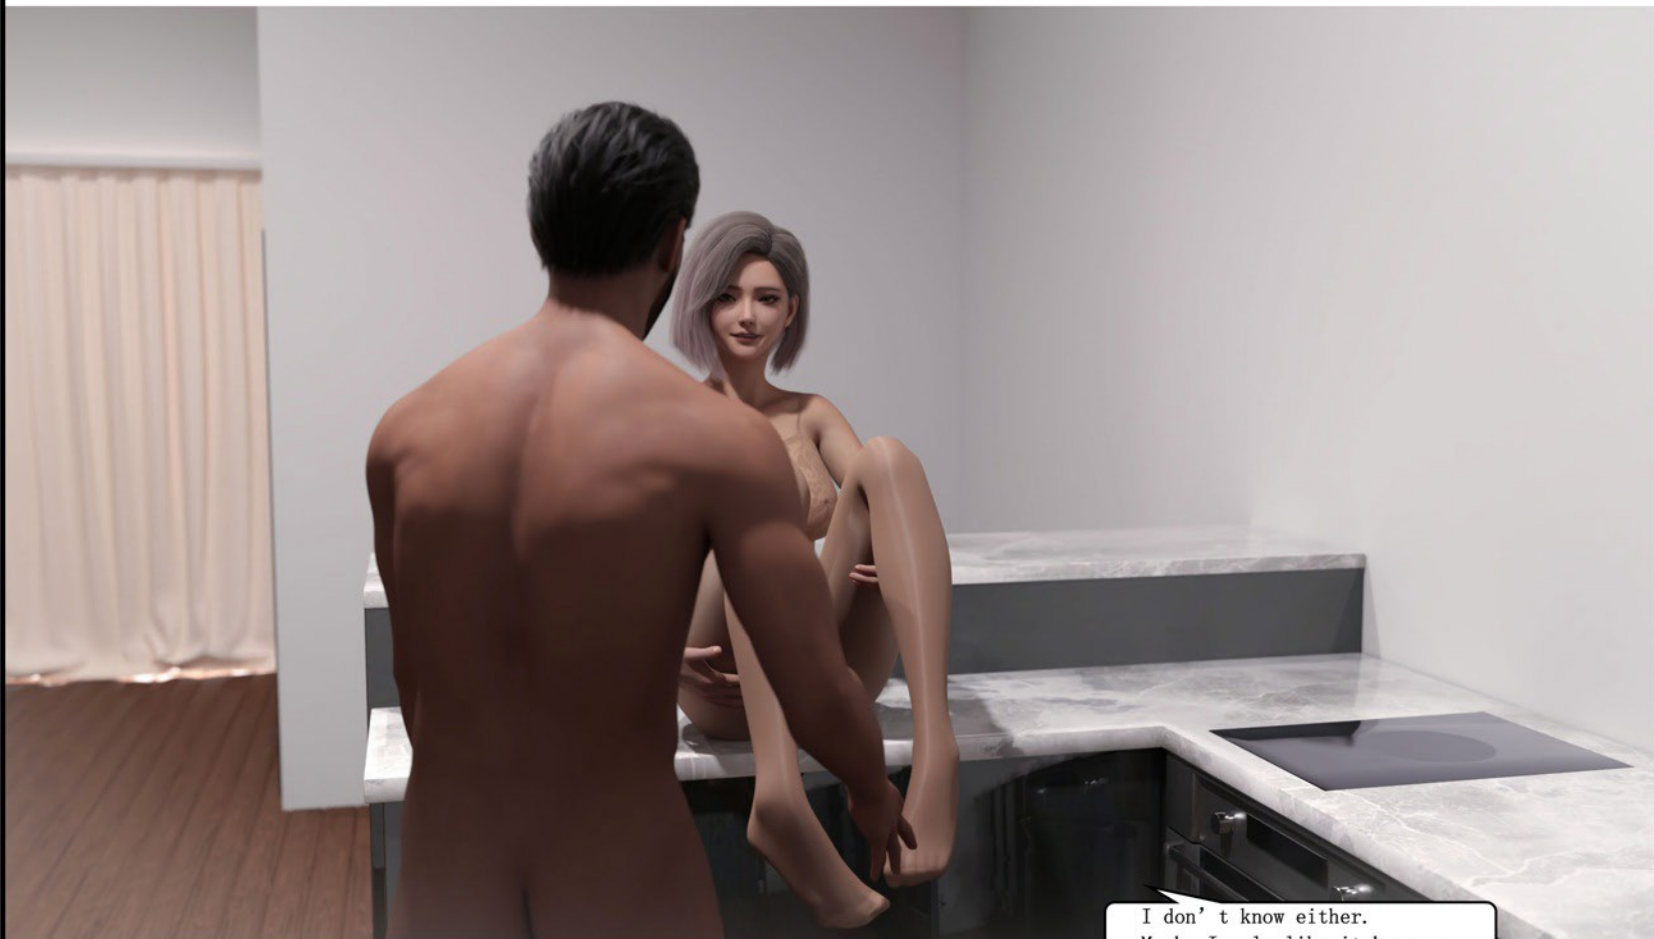

Ryan——

Ryan, why didn' t you tell me sooner that you like stockings!

I don' t know either.  
Maybe I only like it because  
you' re the one wearing them.

Enn~

Shh...Shh...

Tickle me, Ryan~

Heh, Ryan

Want to try it like this?

Like this?

Does it feel good?

Hah!

Am I being too rough?

I' ll try to be slower.

Hehe, too late!

I'm going to punish you~

Ryan, I' m sorry, Ryan~

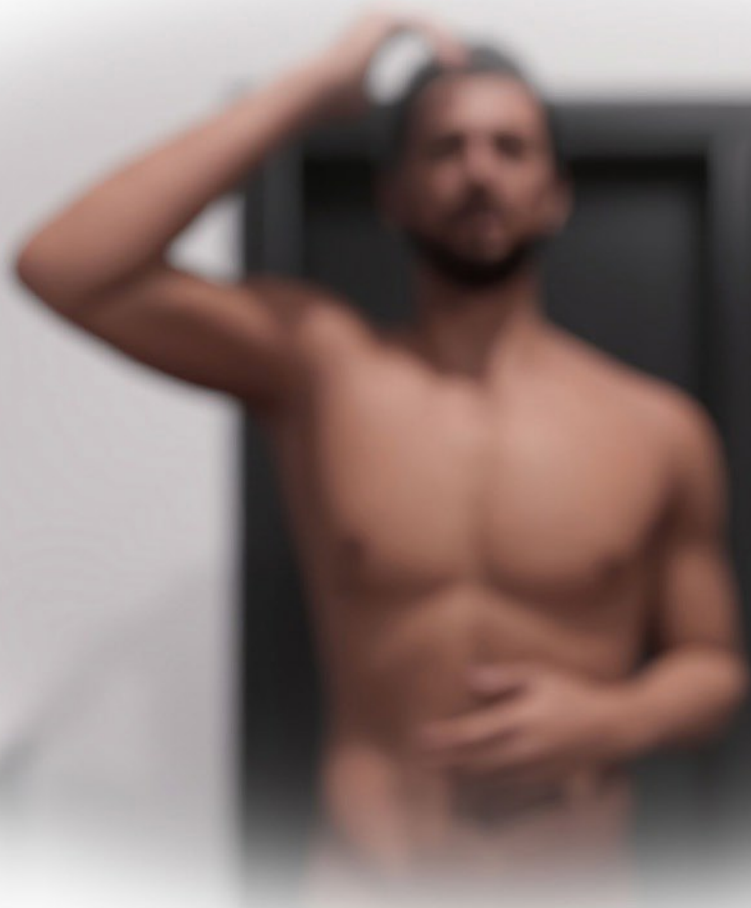

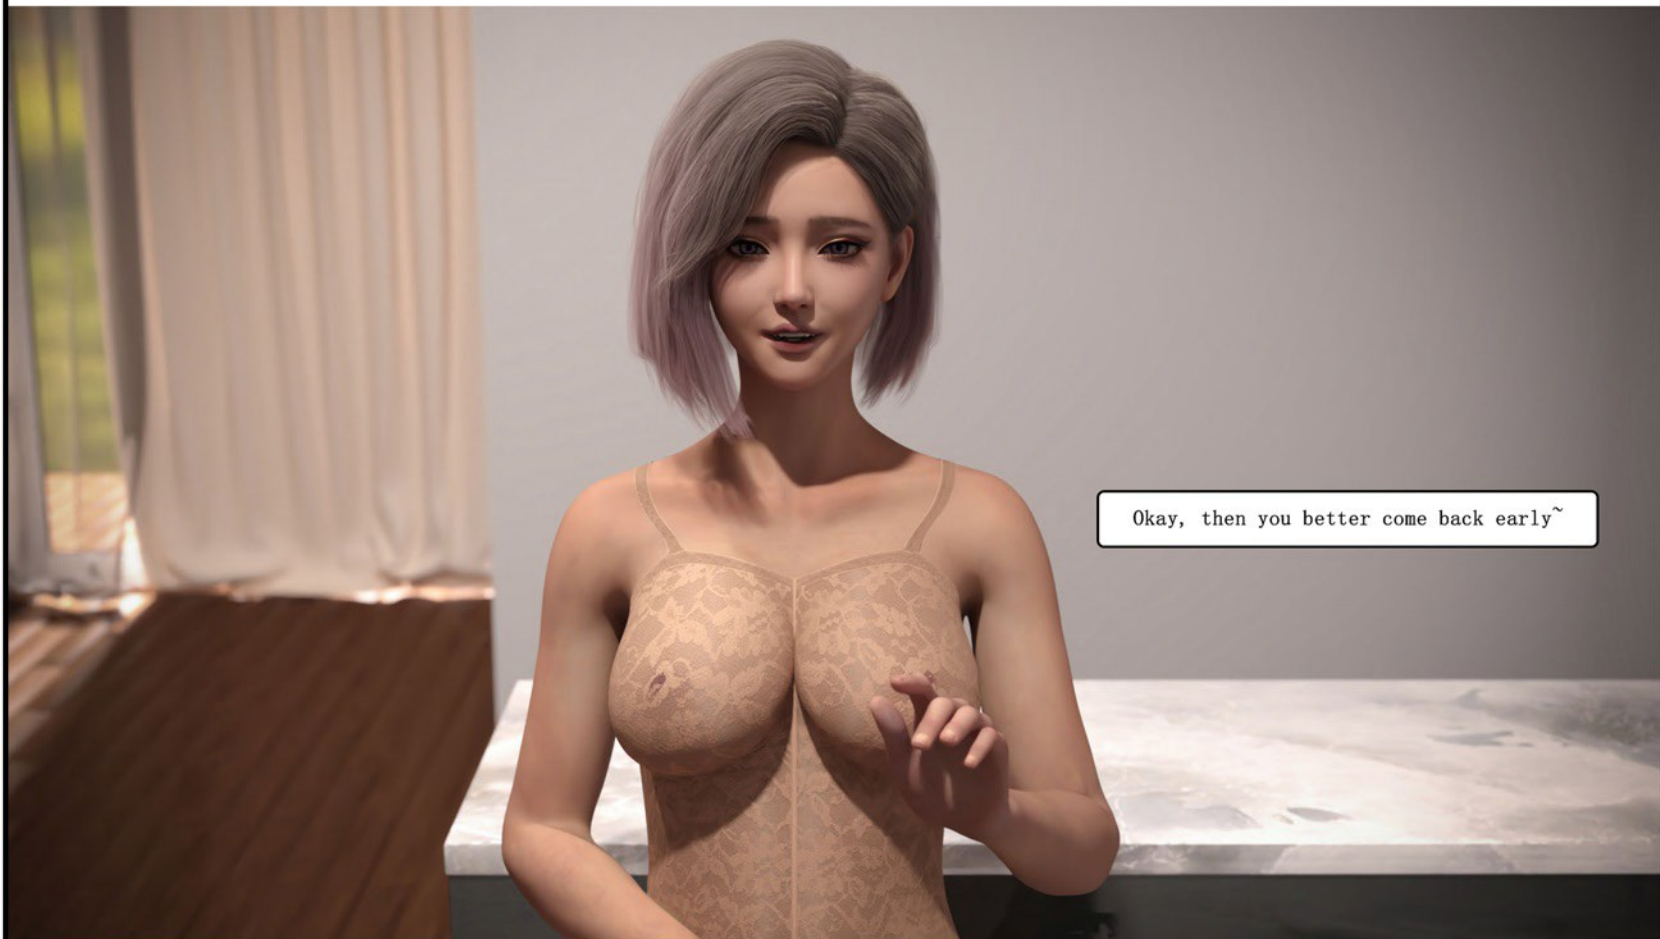

Alright, I' ve got to go to work now.

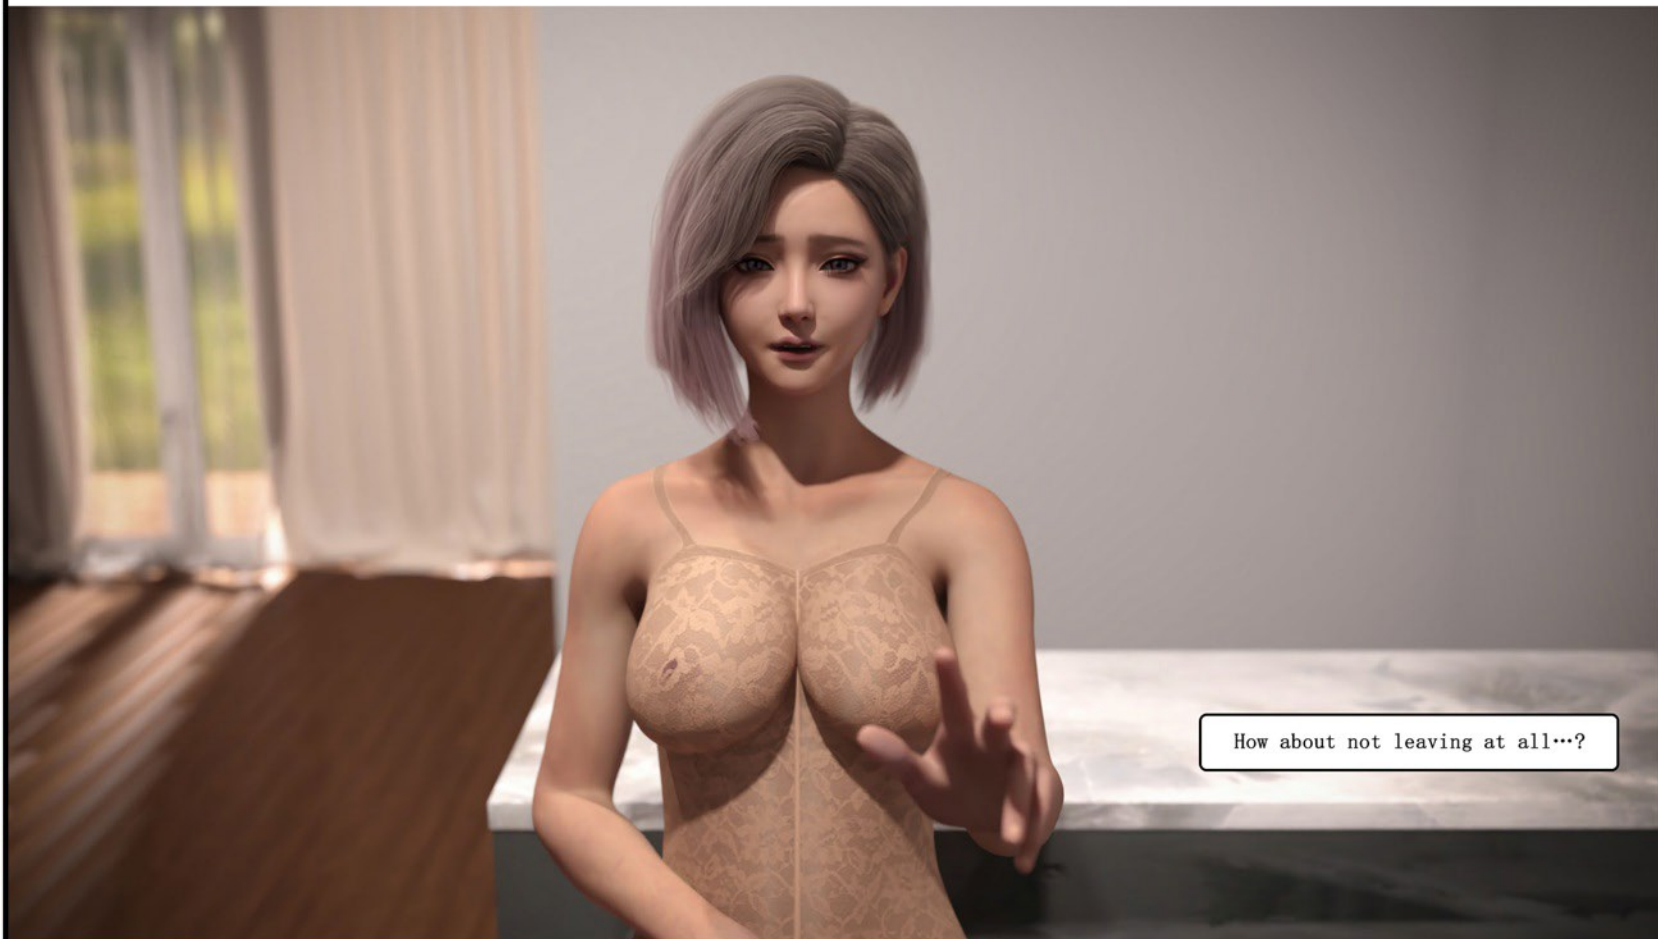

Make sure to come home  
for dinner tonight too~

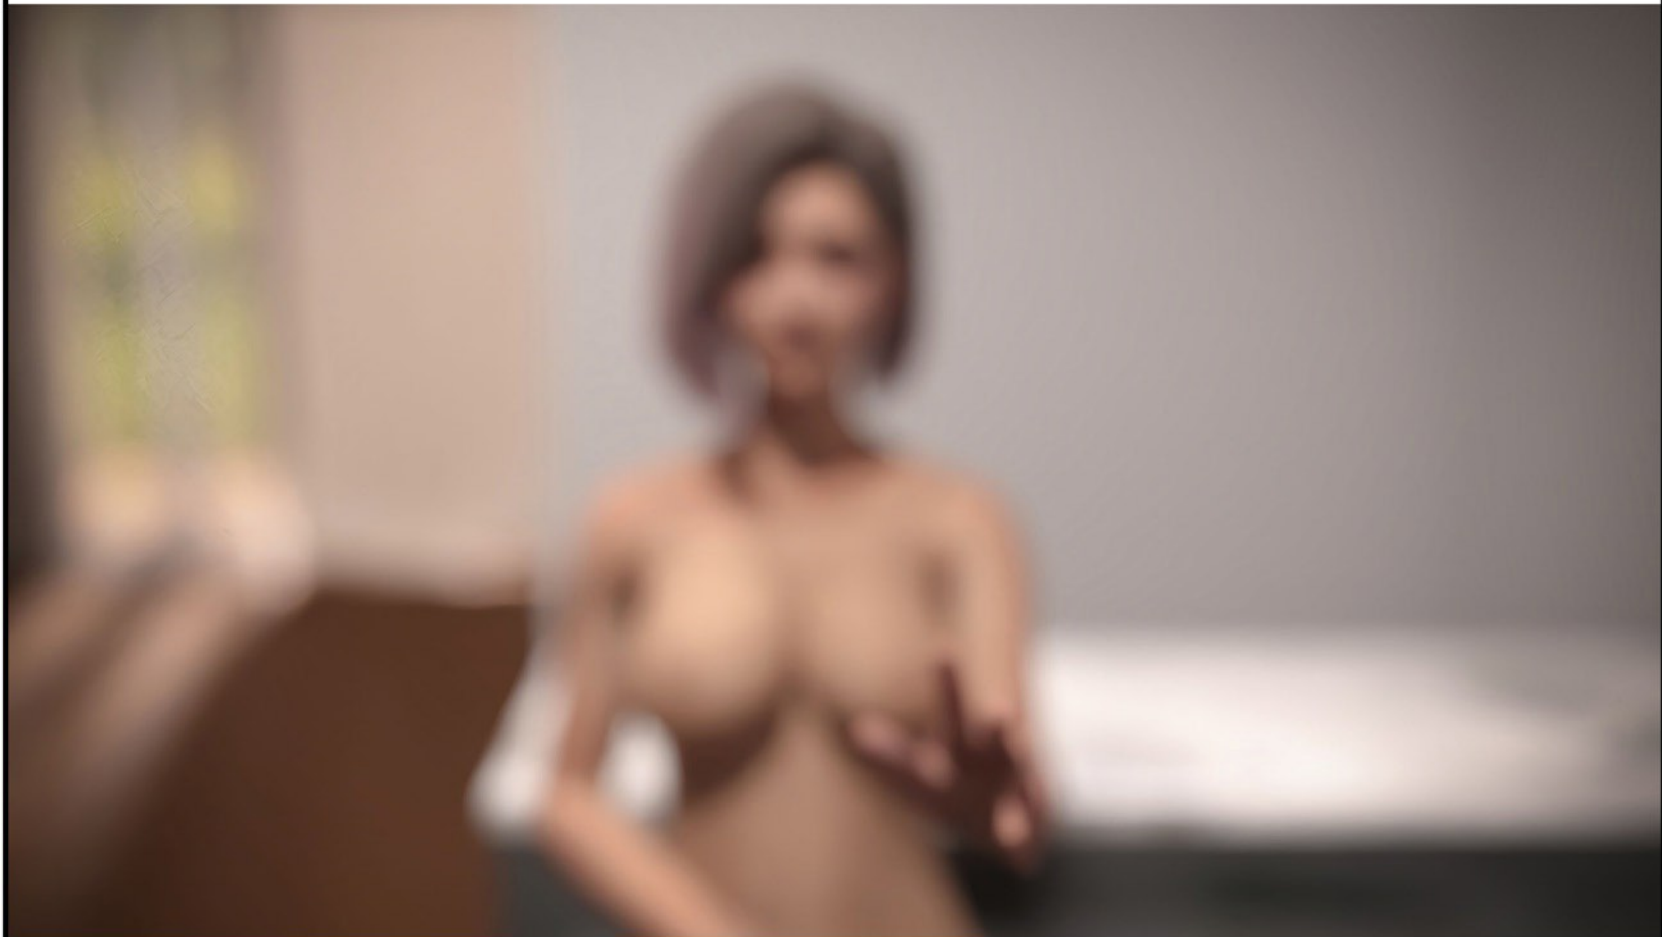

Okay, then you better come back early~

How about not leaving at all...?

Don' t—

Who are you, and how did you get in?

Uh, ma' am?

Uh, I' m the new community repair worker.  
You reported something that needs fixing,  
so I just came to take a look first...

I noticed your door was unlocked  
and thought you left it open,  
so I just...

He~

You just saw that, didn' t you?

Uh, ma' am?

I' m really sorry, I honestly  
didn' t know you were here...

Hey there, you wouldn' t happen to have  
come in on purpose, would you?

Don' t be shy now~

Lean on me a little, okay?

Alright, alright, ma' am!

You see, you' re clearly getting hard...

I' m sorry, it' s just... it' s just...

Emm~

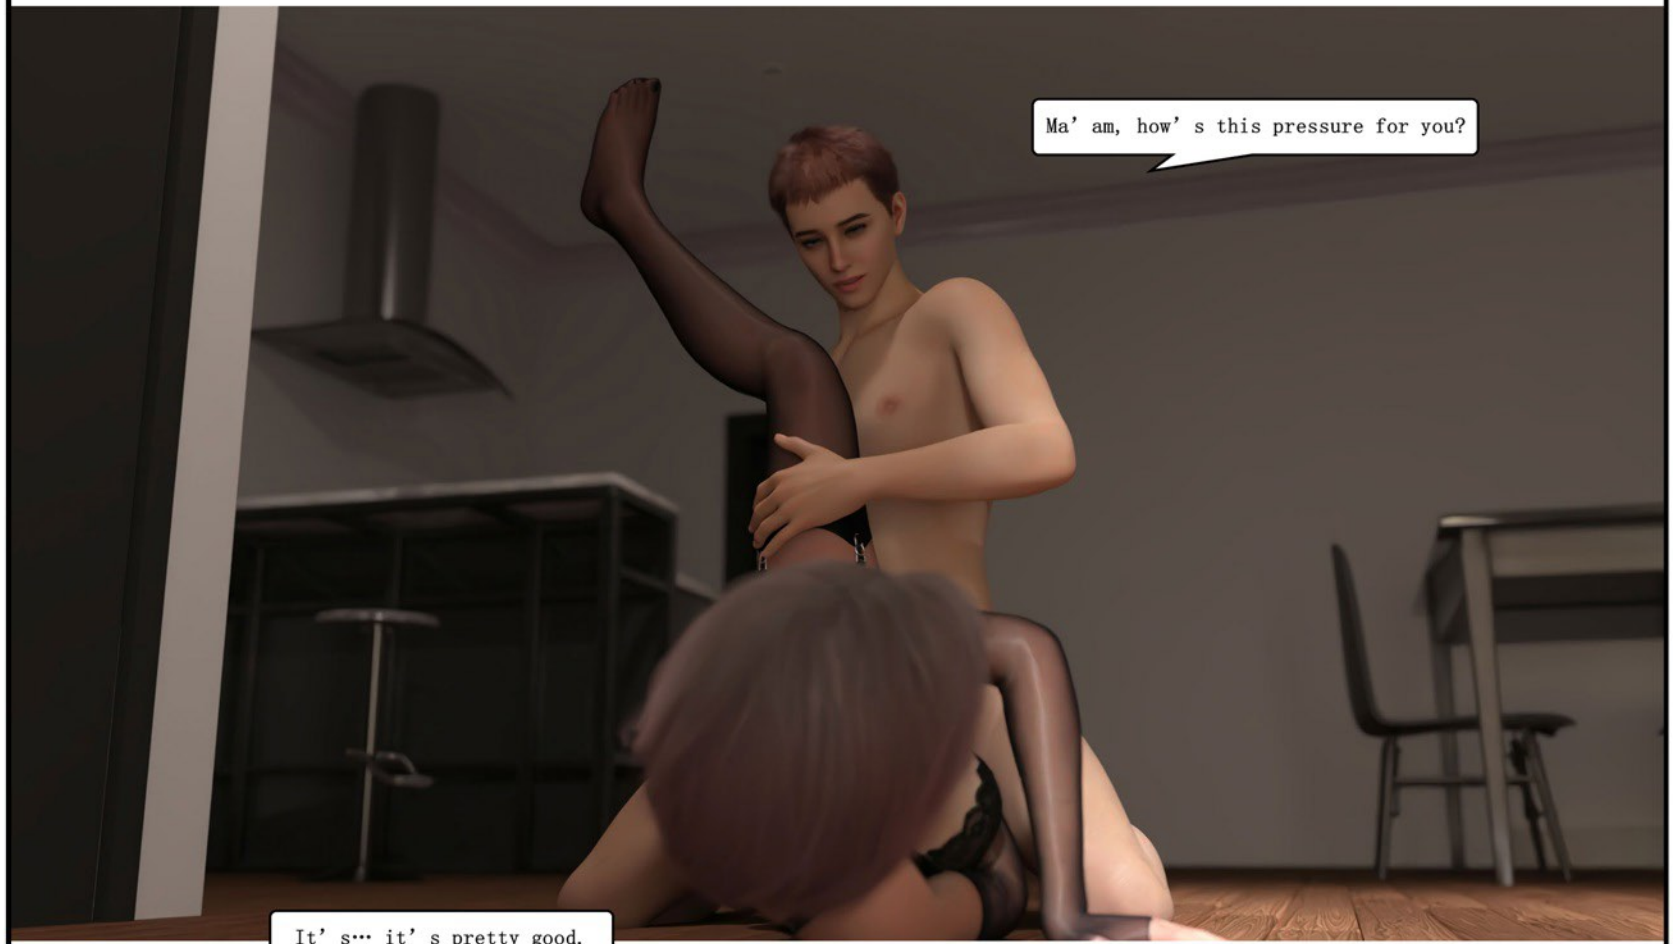

Heh!

It's just that you're too beautiful~

Such an amazing feeling!

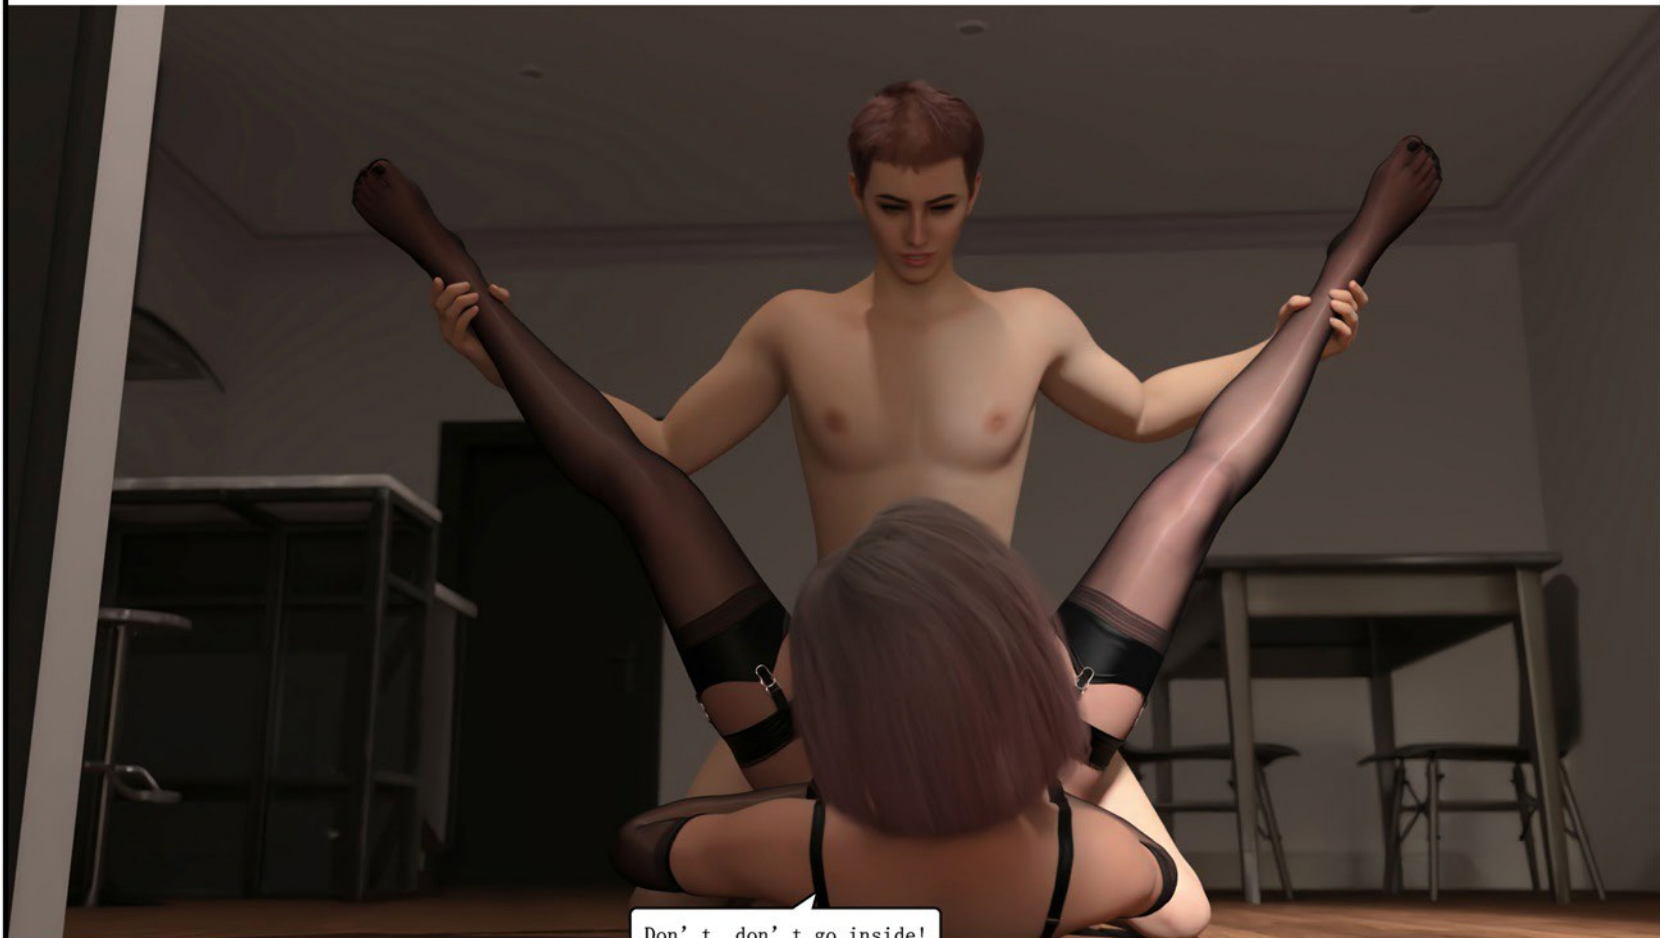

Ma' am, how' s this pressure for you?

It' s... it' s pretty good.

I—I' m about to go!

Don' t, don' t go inside!

Hey!

What's there to be afraid of?  
You're wearing a skinsuit anyway—  
you won't get in.

Because... I' m wearing one too.

No way, I bought one too just because I knew you'd like it—to tease you a little~

Ryan, I'm sorry~

I finished work early and came back ahead of schedule. Did you miss me?

Ryan, you're so sweet~

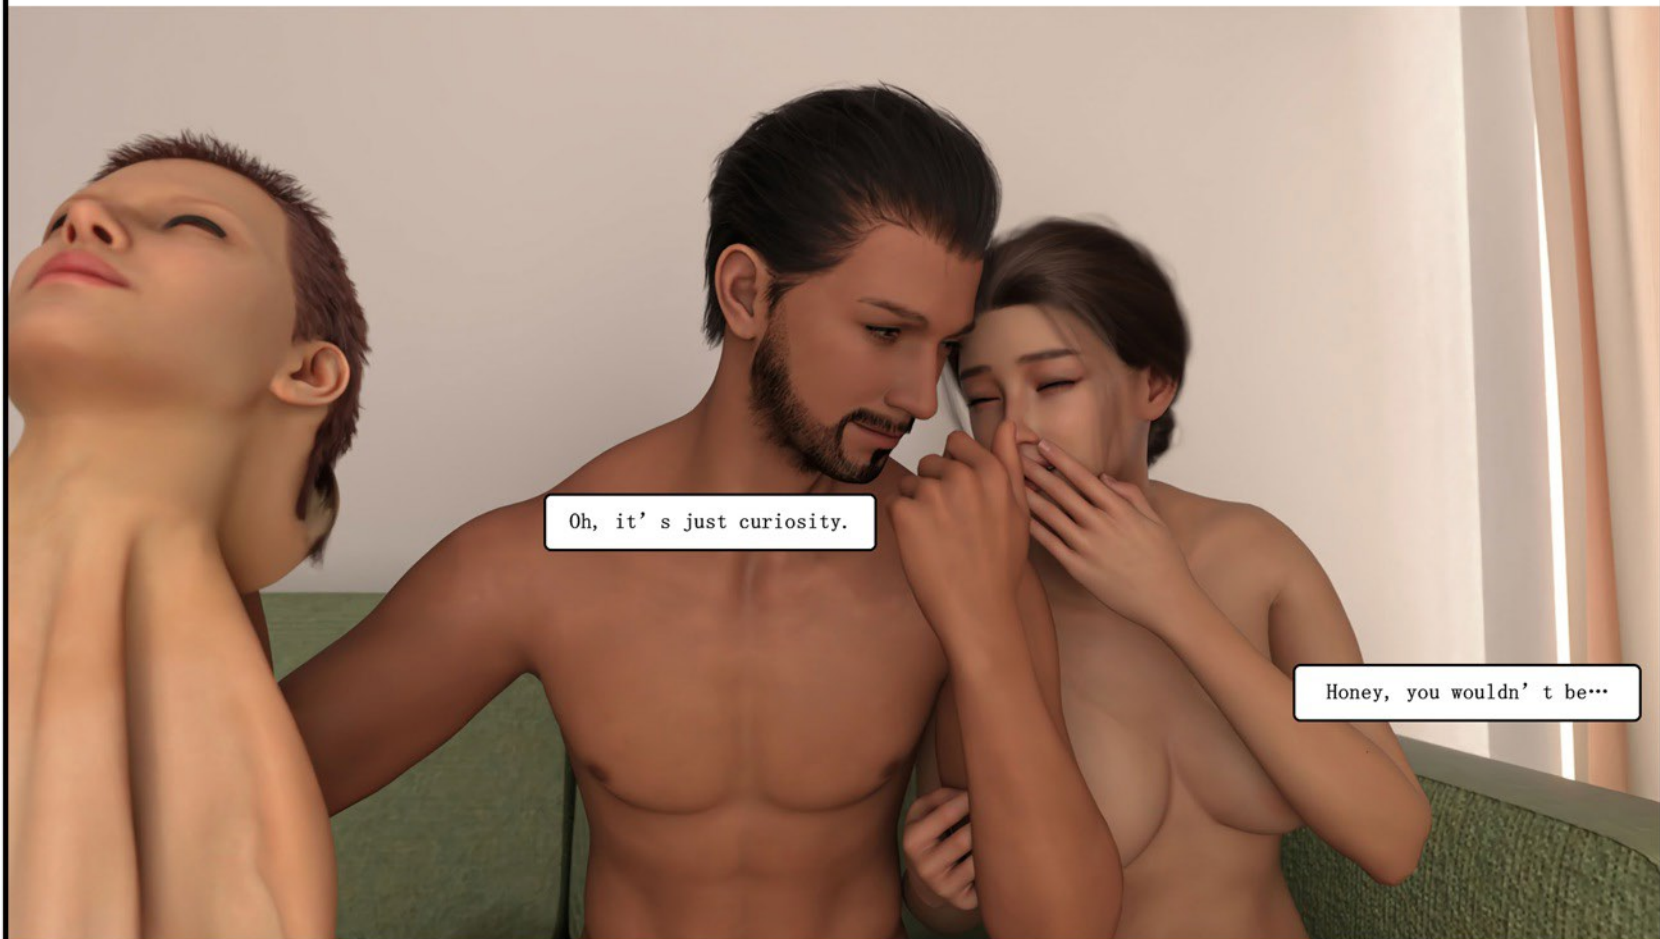

So, would you be willing to grant me a wish?

What' s the wish?

Try putting this on and see how it feels.

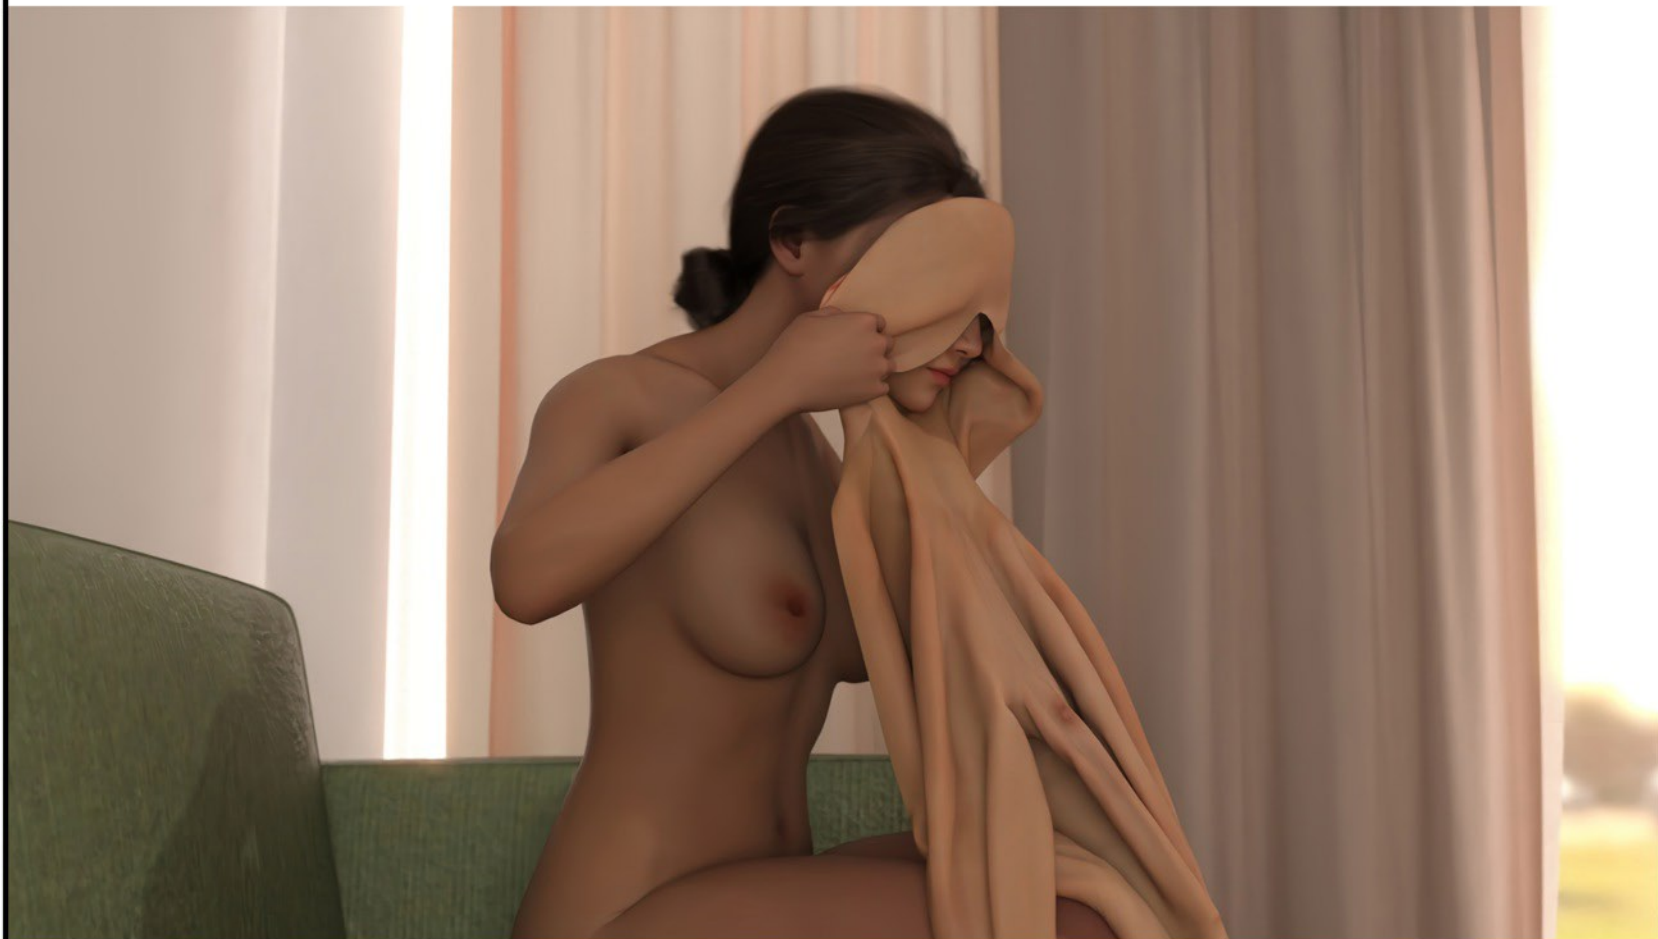

Oh, it' s just curiosity.

Honey, you wouldn' t be...

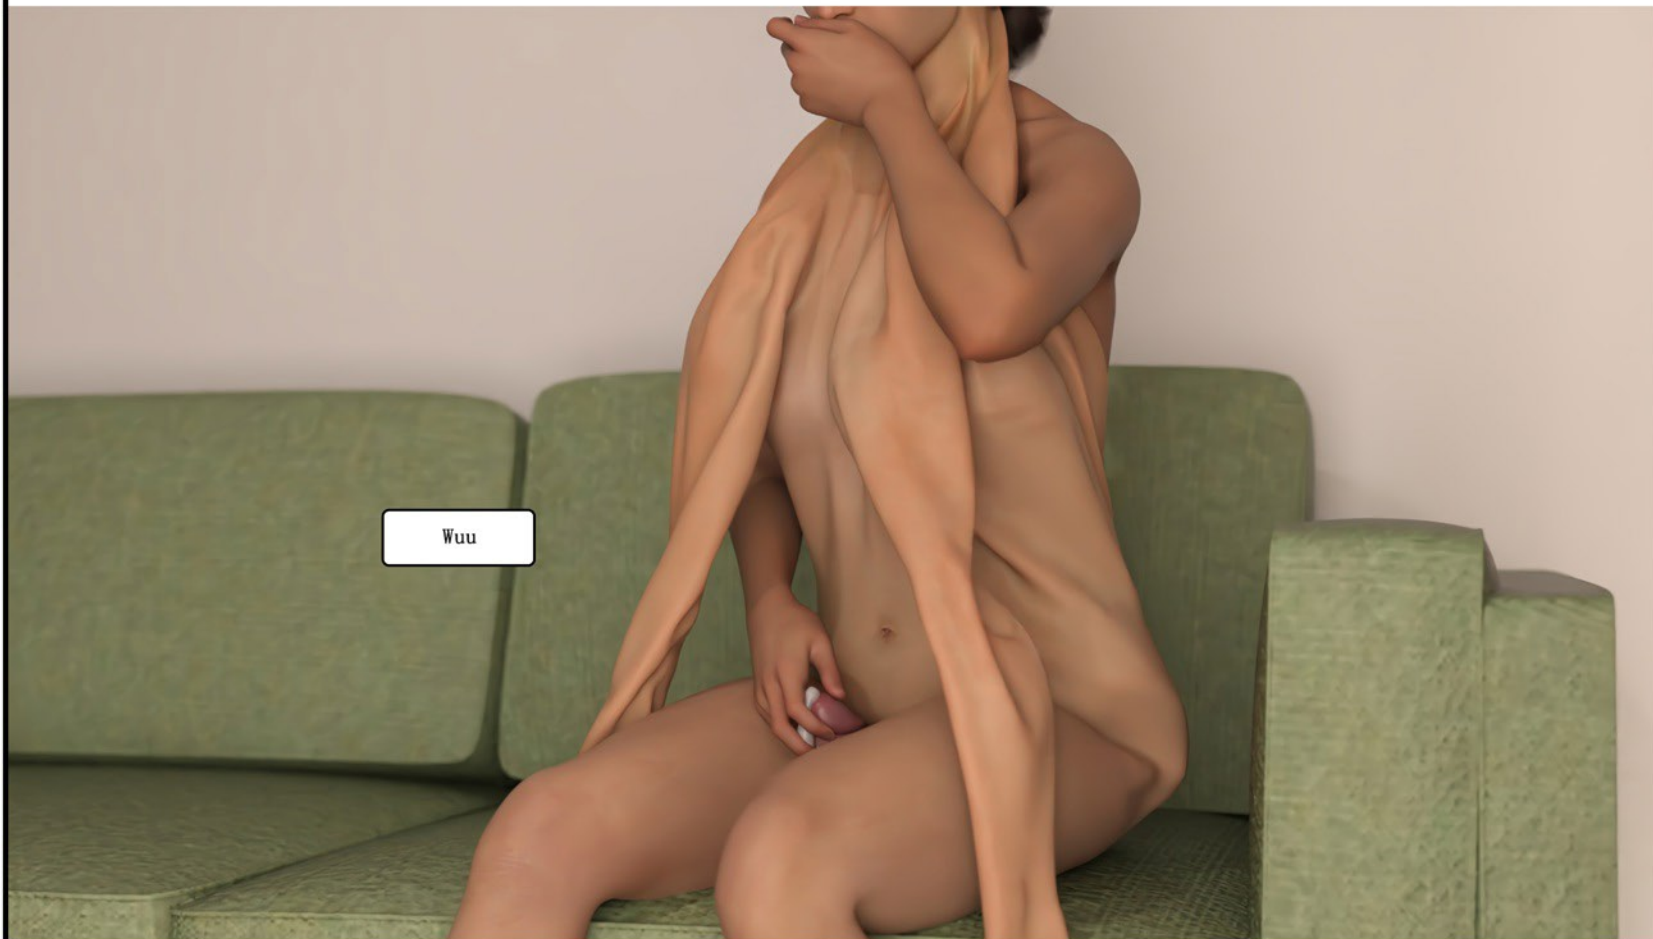

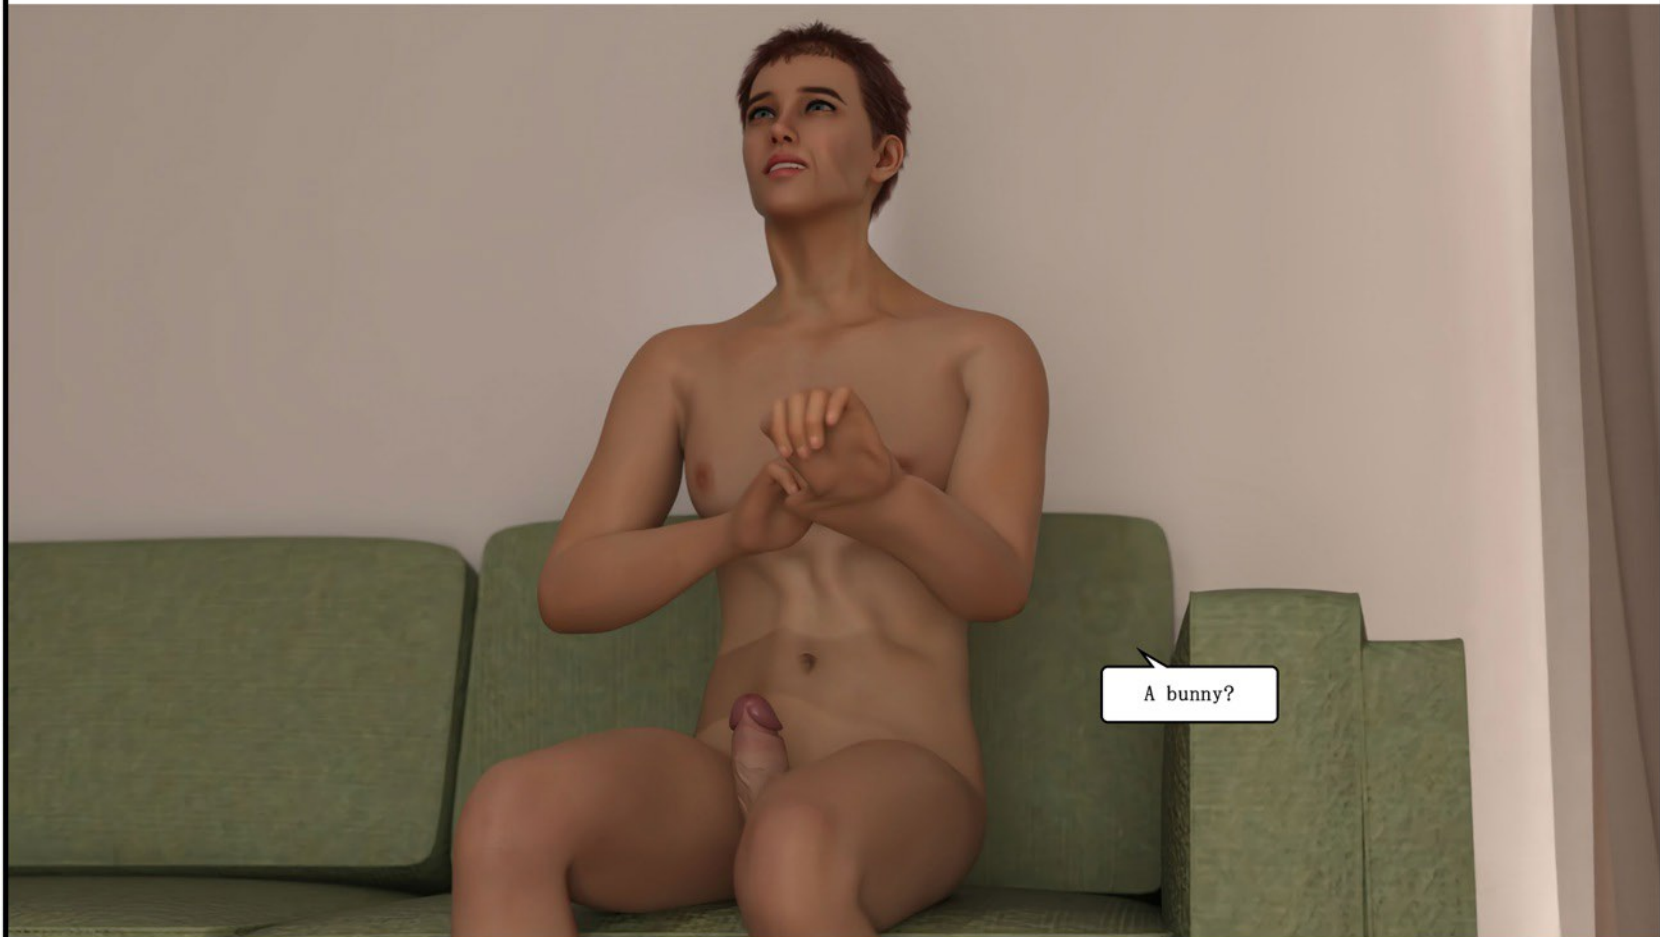

Oh, it feels so suddenly tight!

Wuu

That' s kinda weird~

What' s weird about it?

How does it feel being a man, darling?

Then I' m coming in~

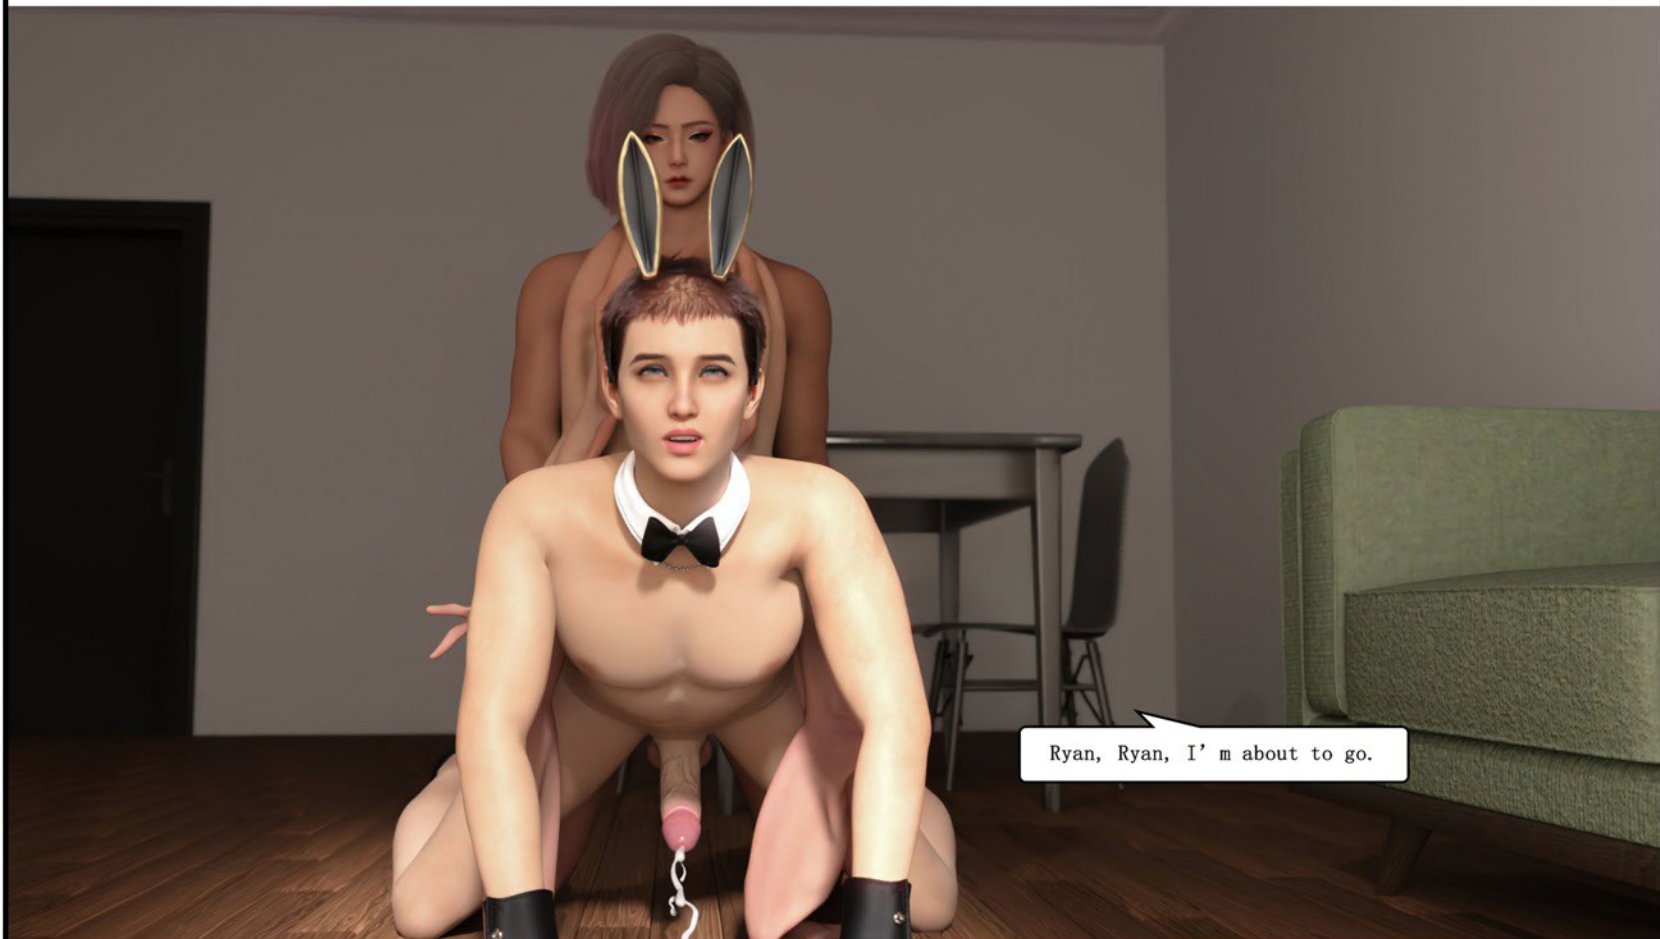

Honey, why don' t you put on a skinsuit too?  
I... I want to try it as well.

Alright, little puppy,  
lie down and don' t move^

Ryan, Ryan, I' m about to go.

So smooth and ticklish.

How about trying a little foot massage?  
How does that feel?

You' re hopeless~

I-I' m about to come again~

Just use some force...

How do you do this?

Ahh——

That's not what I meant!

I'm sorry, honey...
