Huh? I thought I saw some one...Did you saw something Ella?

Nope! I didn't saw any one.

Never mind. Why don't you wear a bra?

Bra's are annoying! I always let them free!

Here it is, Anthony: The girls lockers! Lets break in and set up the camera's!

Don't worry, Anthony. I have something special for these kind of cases...

But James, How are we going to break in without the girls noticing us?

Marcus told me there is a spell we can use to be able to get in the girls lockers.

Here it is:
"Verander ons in vrouwen.
Dan kunnen we ons in de
meisjes kleedkamer
sjouwen!"

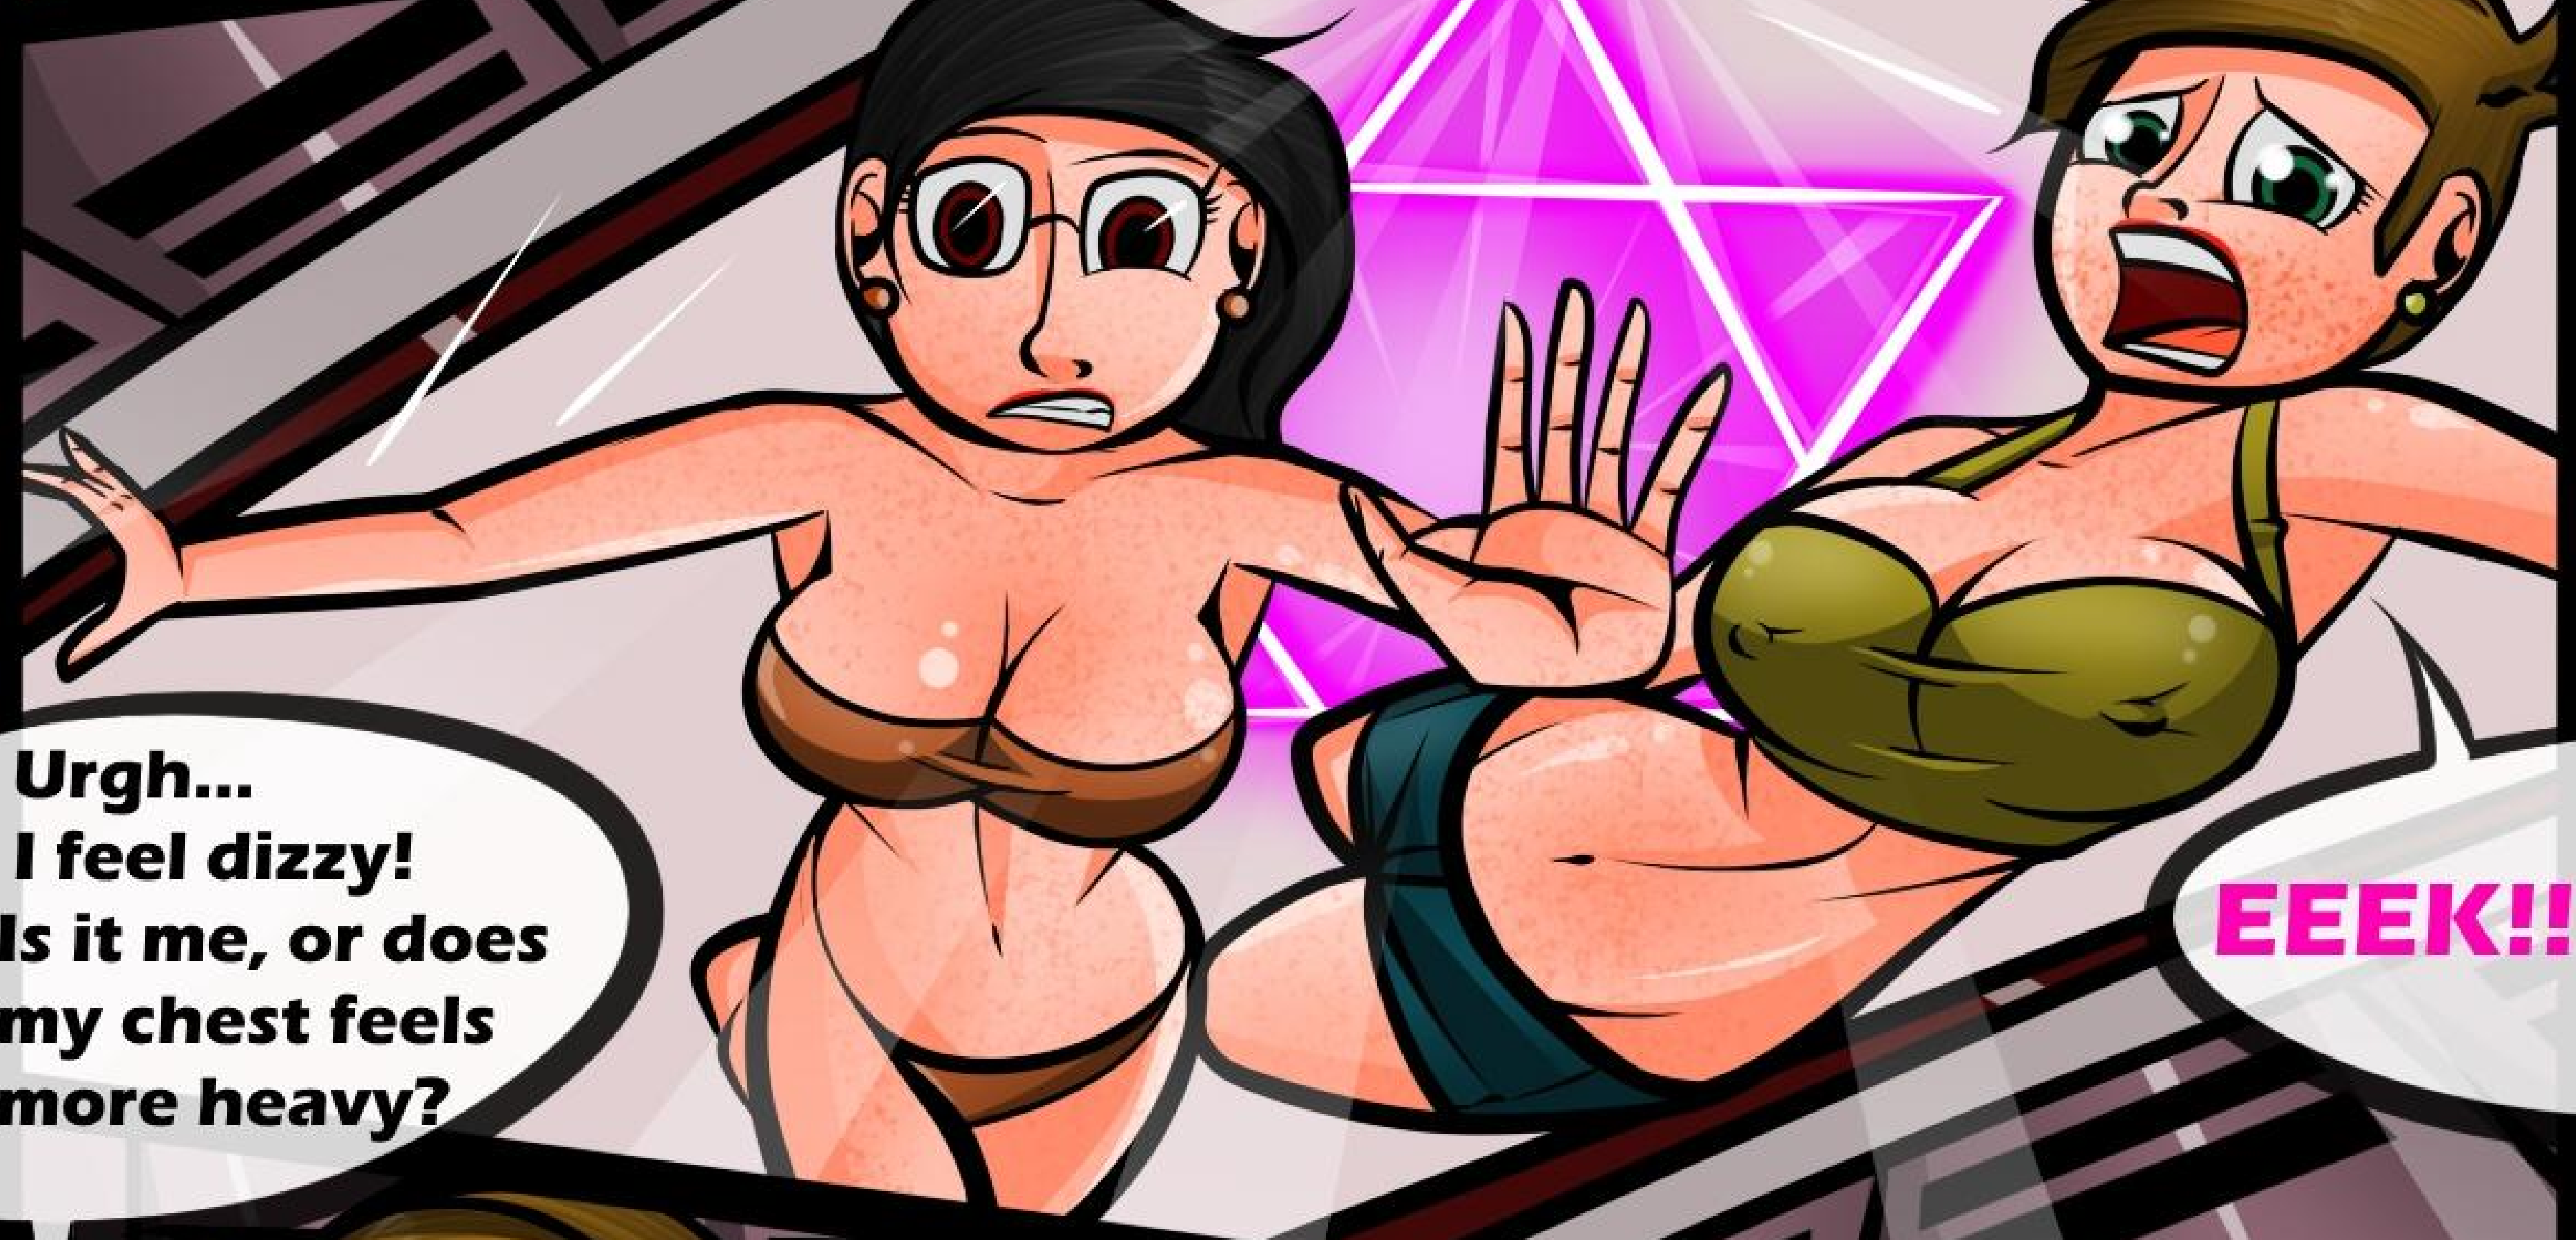

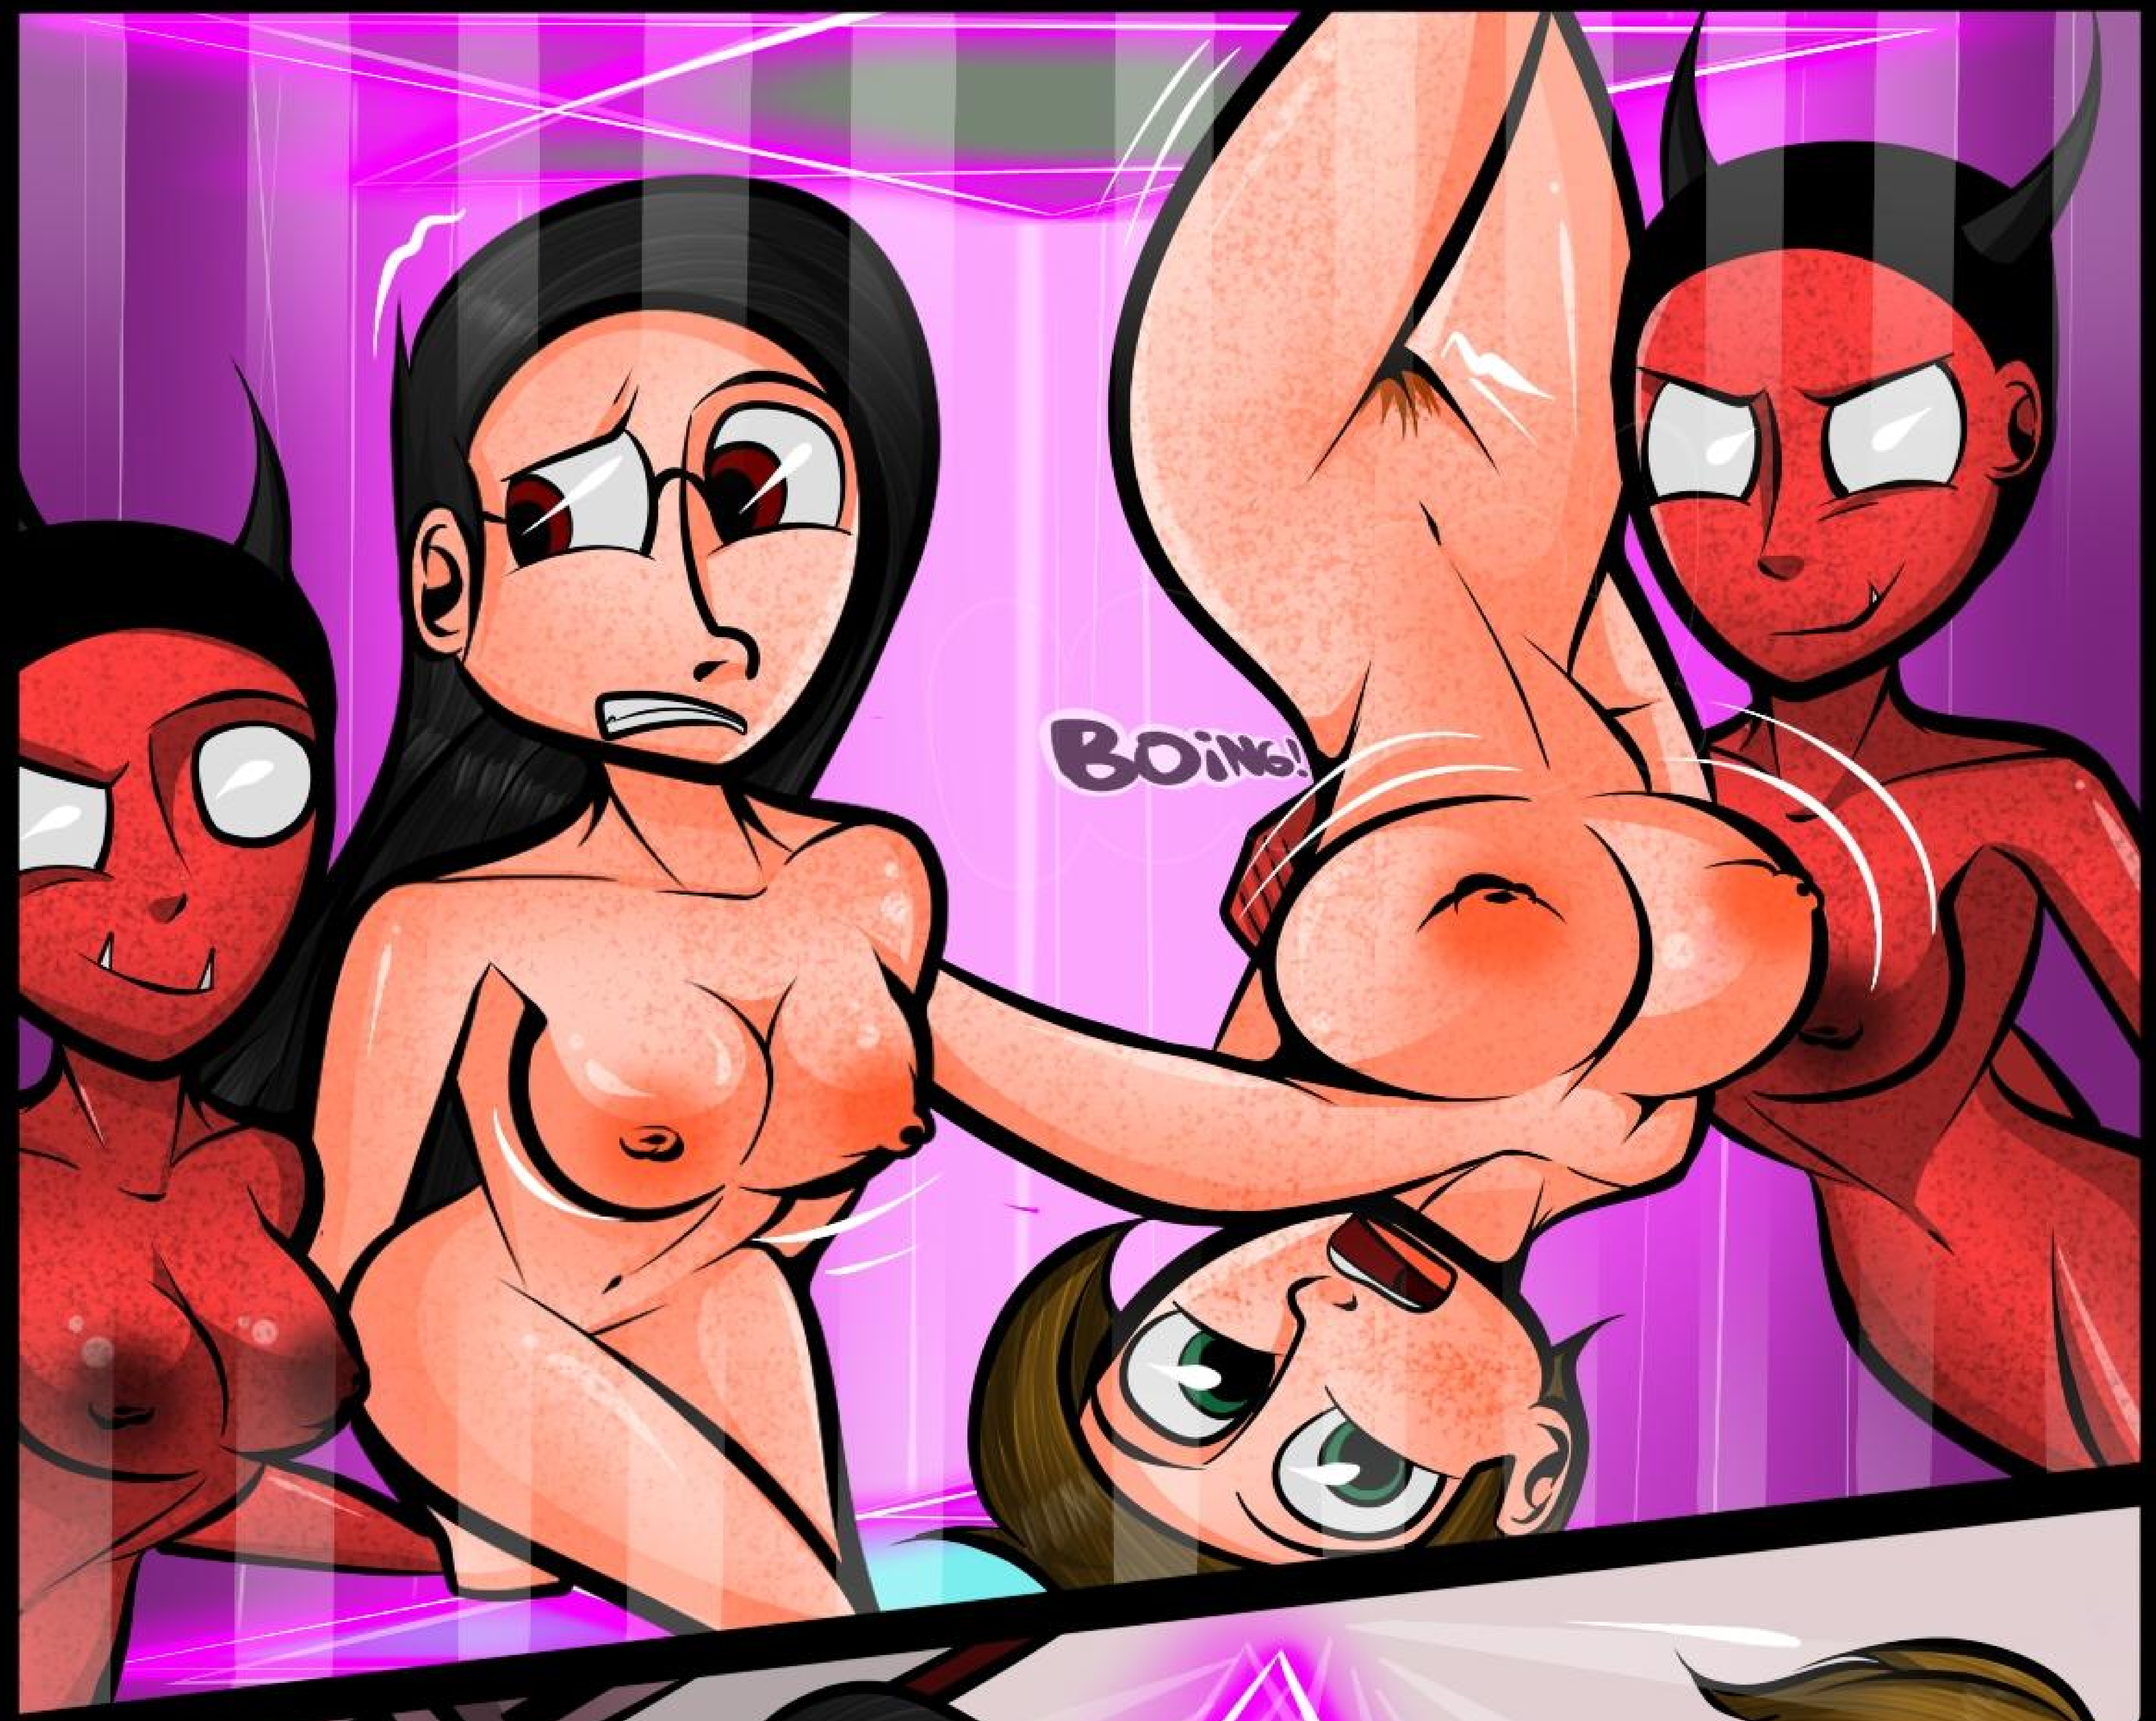

Hmm...
Why is
it pink?

You had
to summon
some strange
demonic
entity, didn't
you?

Aah!!!
Let go of
ME!!!

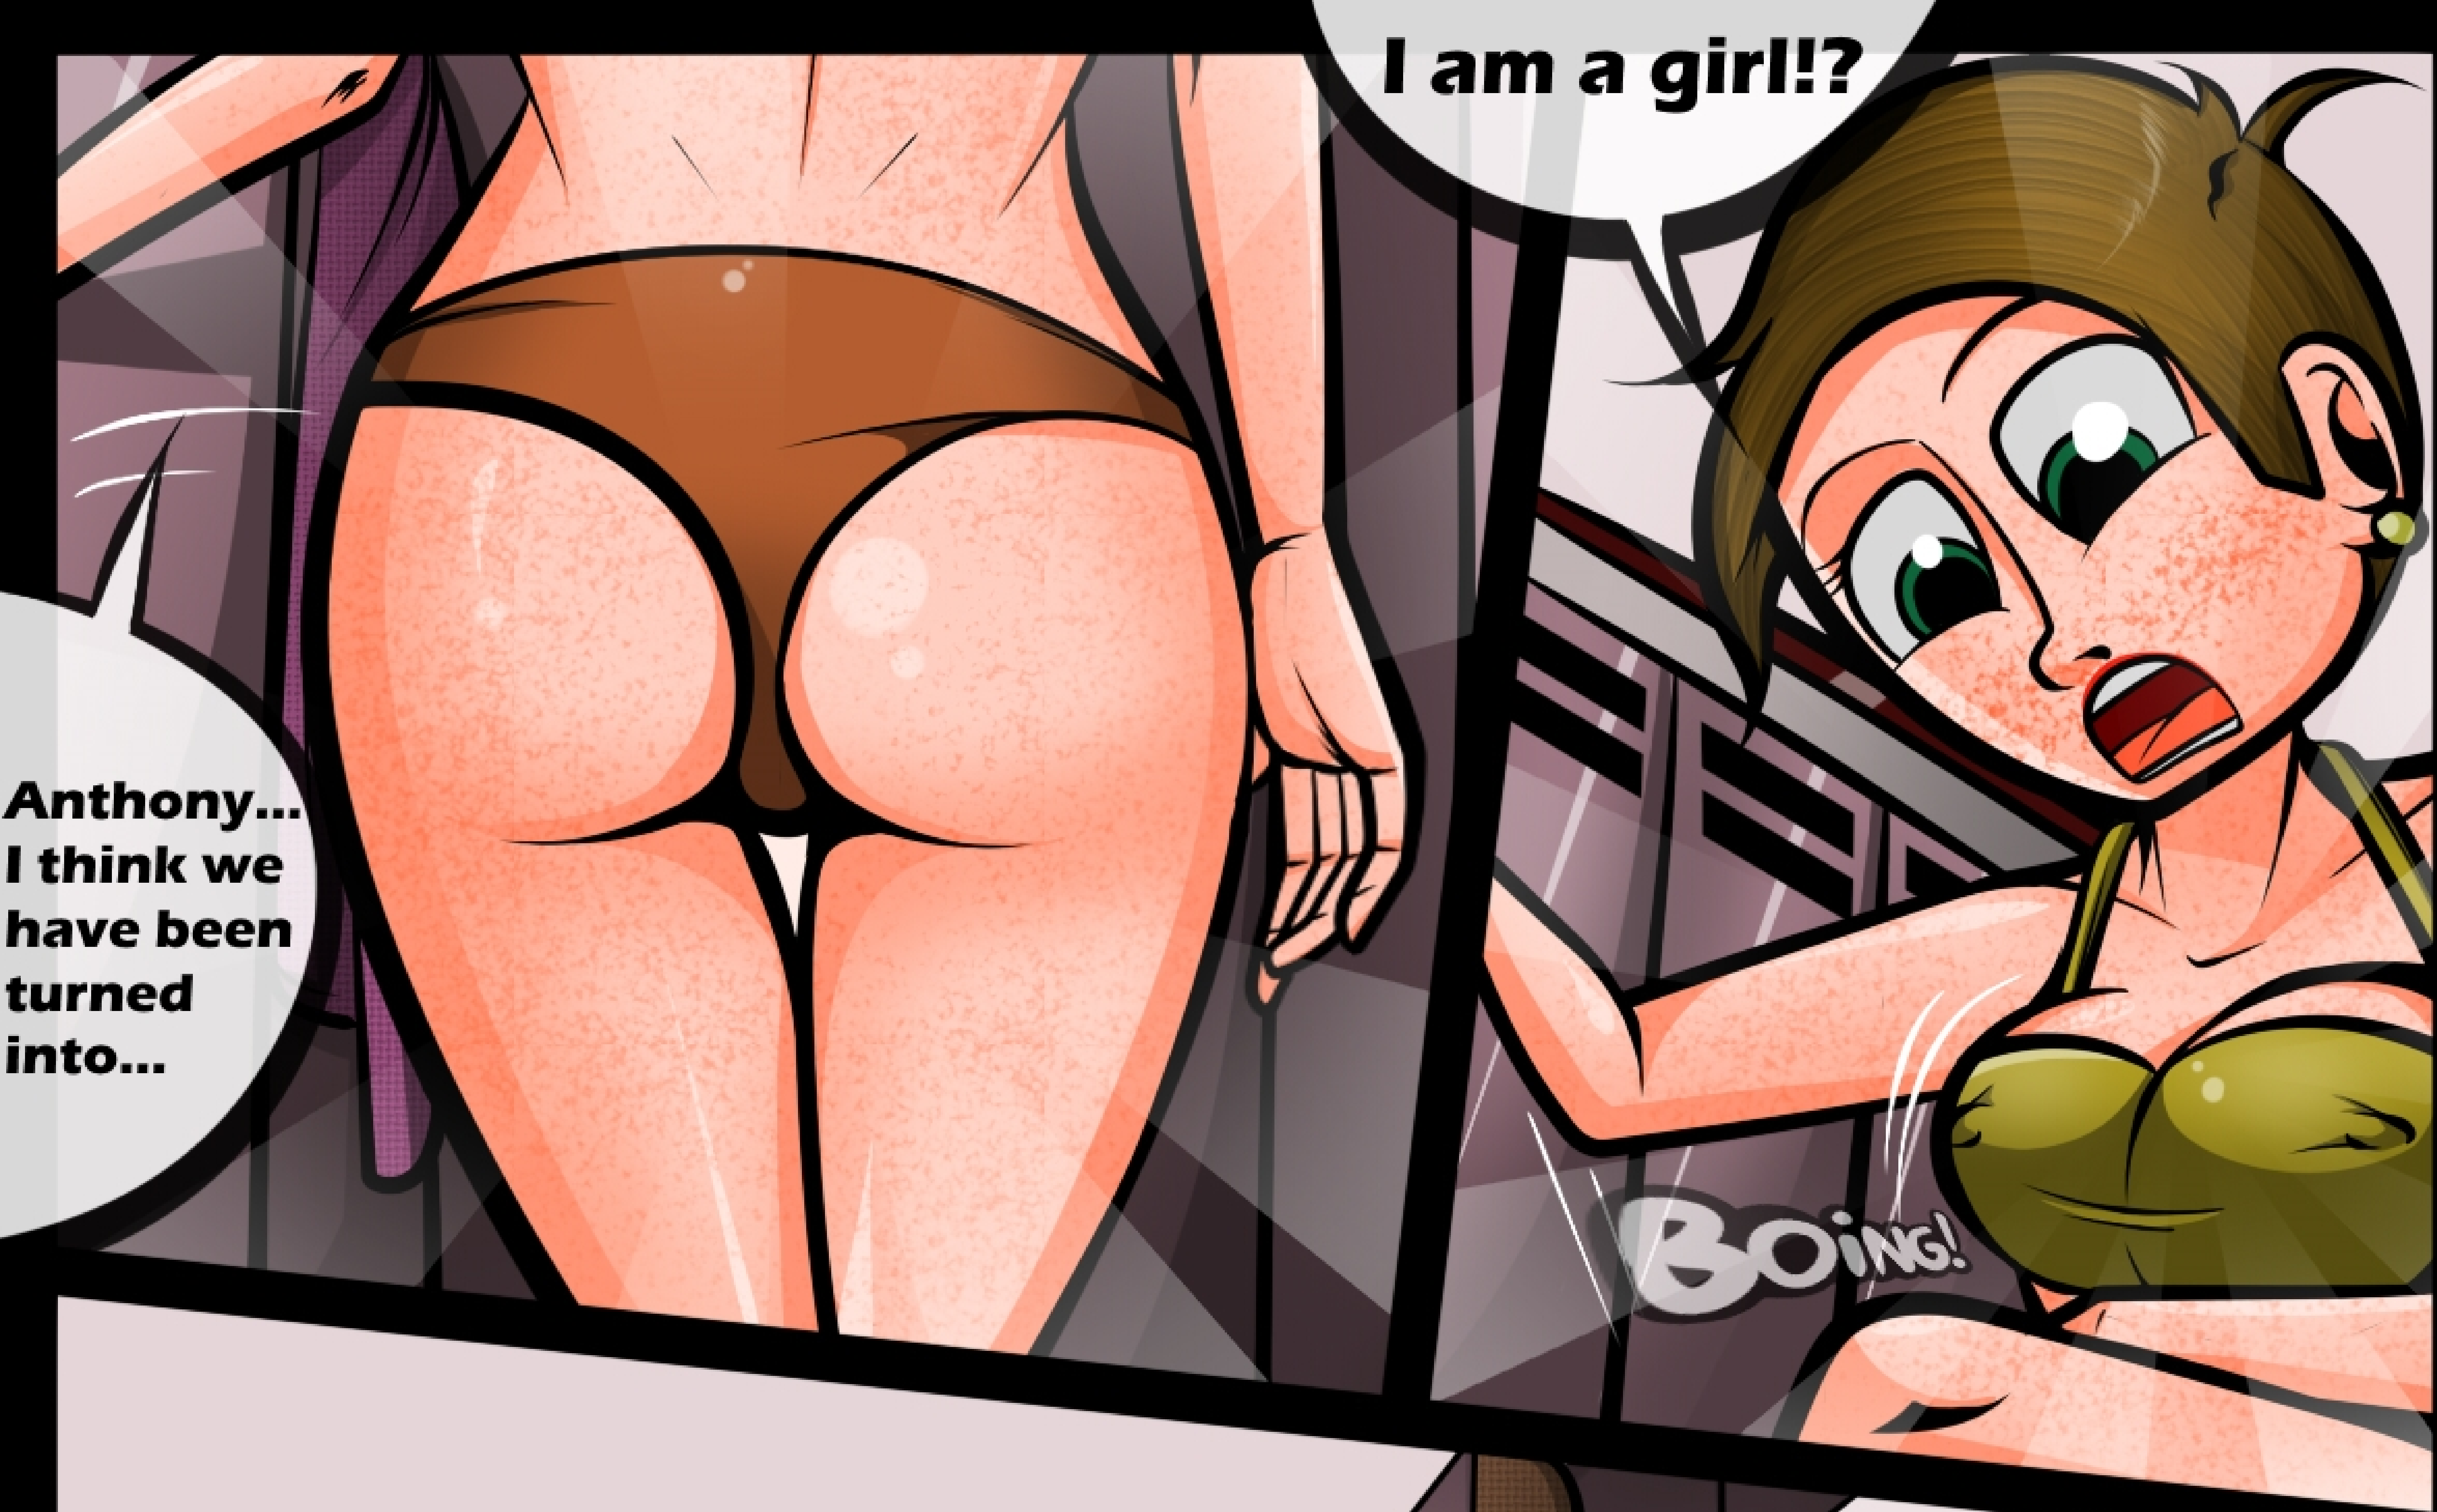

Urgh...
I feel dizzy!
Is it me, or does
my chest feels
more heavy?

EEEEK!!!

Oh god...

BOING!

BOING!

Anthony...
I think we
have been
turned
into...

I am a girl!?

Boing!

The spell made
us into girls so its
possible for us
to go into the girls
locker room.

No no no!
I can't be a
girl.... oh god.
I have breasts,
I have a booty,
I can bearchild-
ren, I am a
woman...
sob

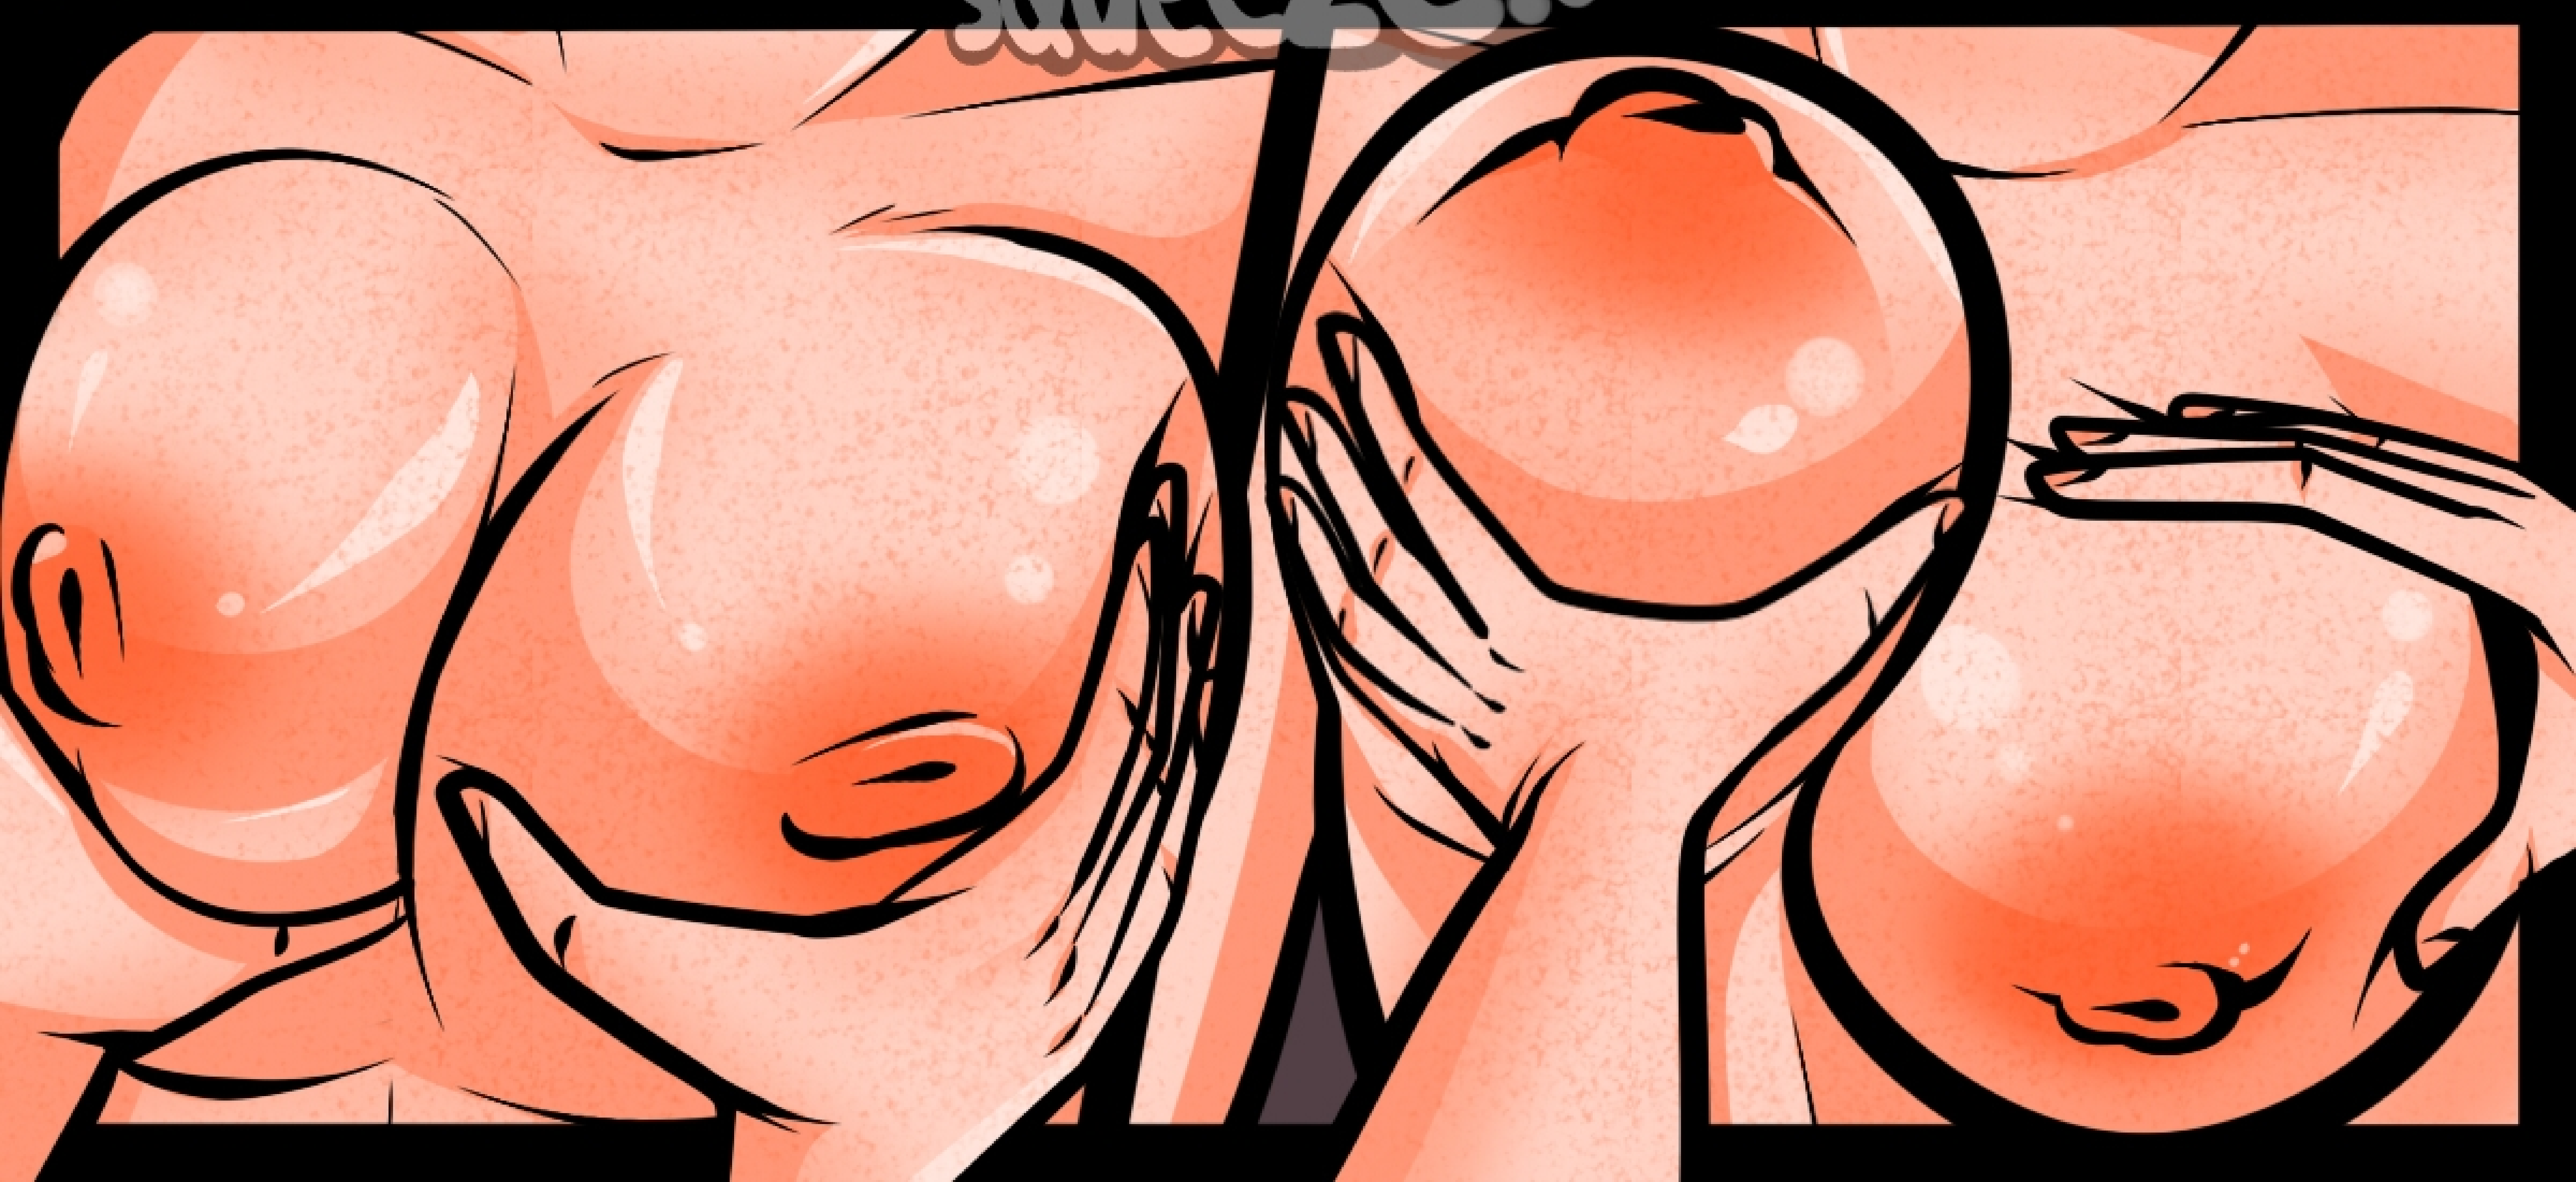

Hmmm...
We also
have lingerie
and make up
on like we
always have
been girls.

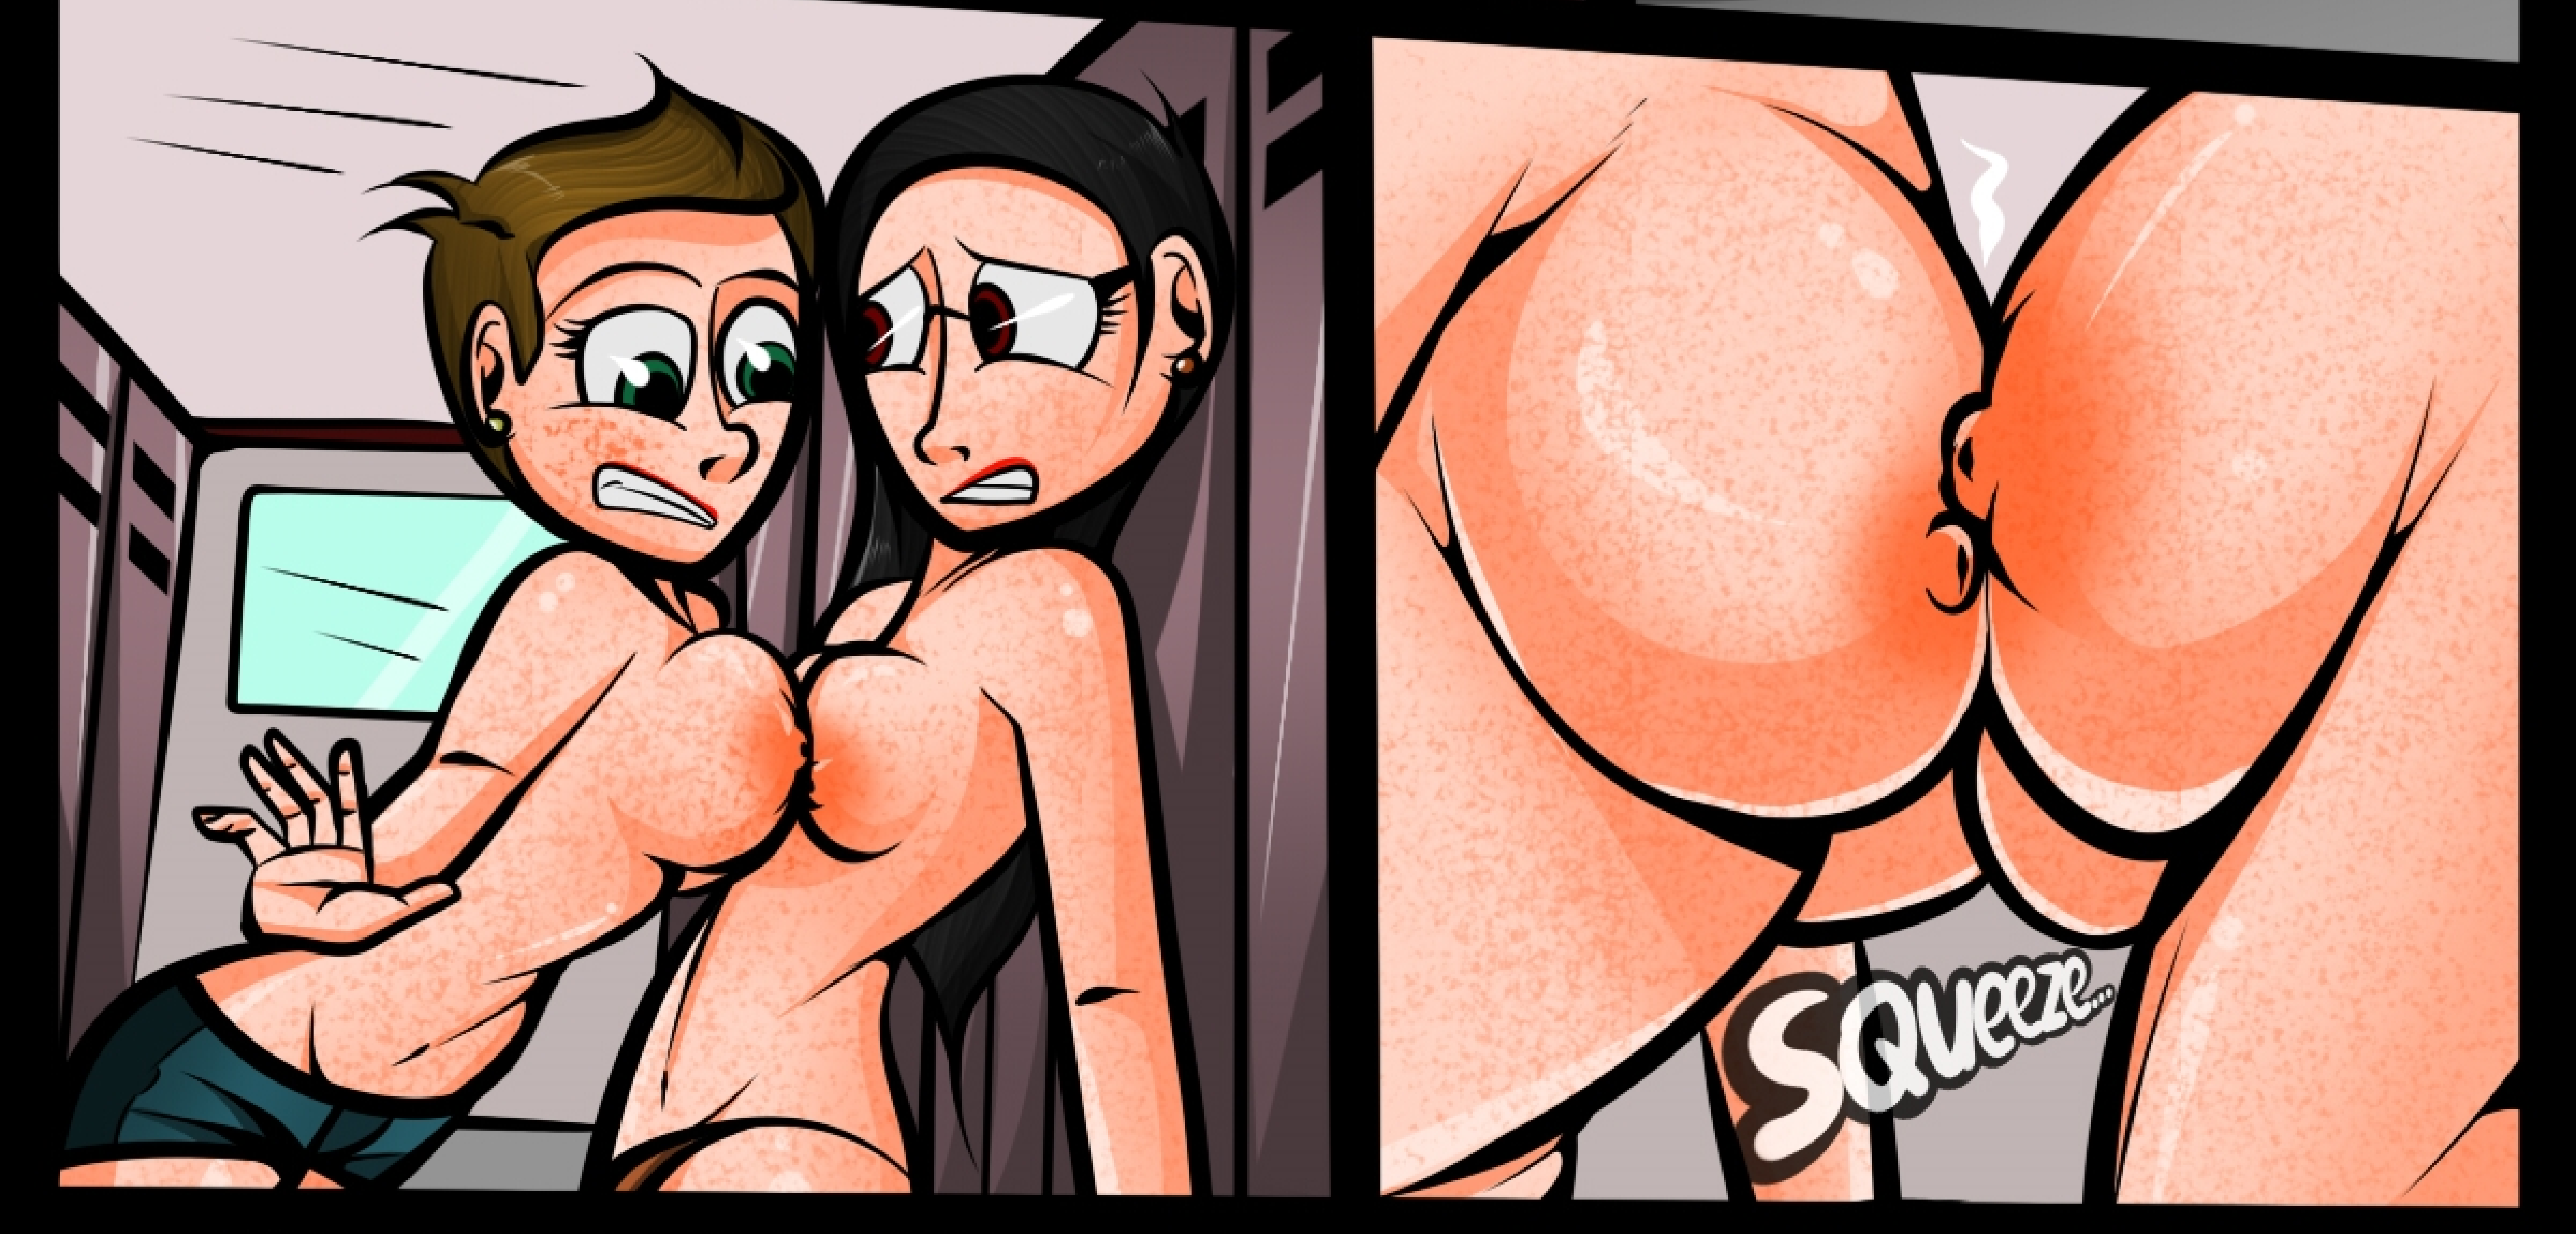

**This is all your f#\$%ing fault!
Because of your demonic book, we have been turned into chicks!**

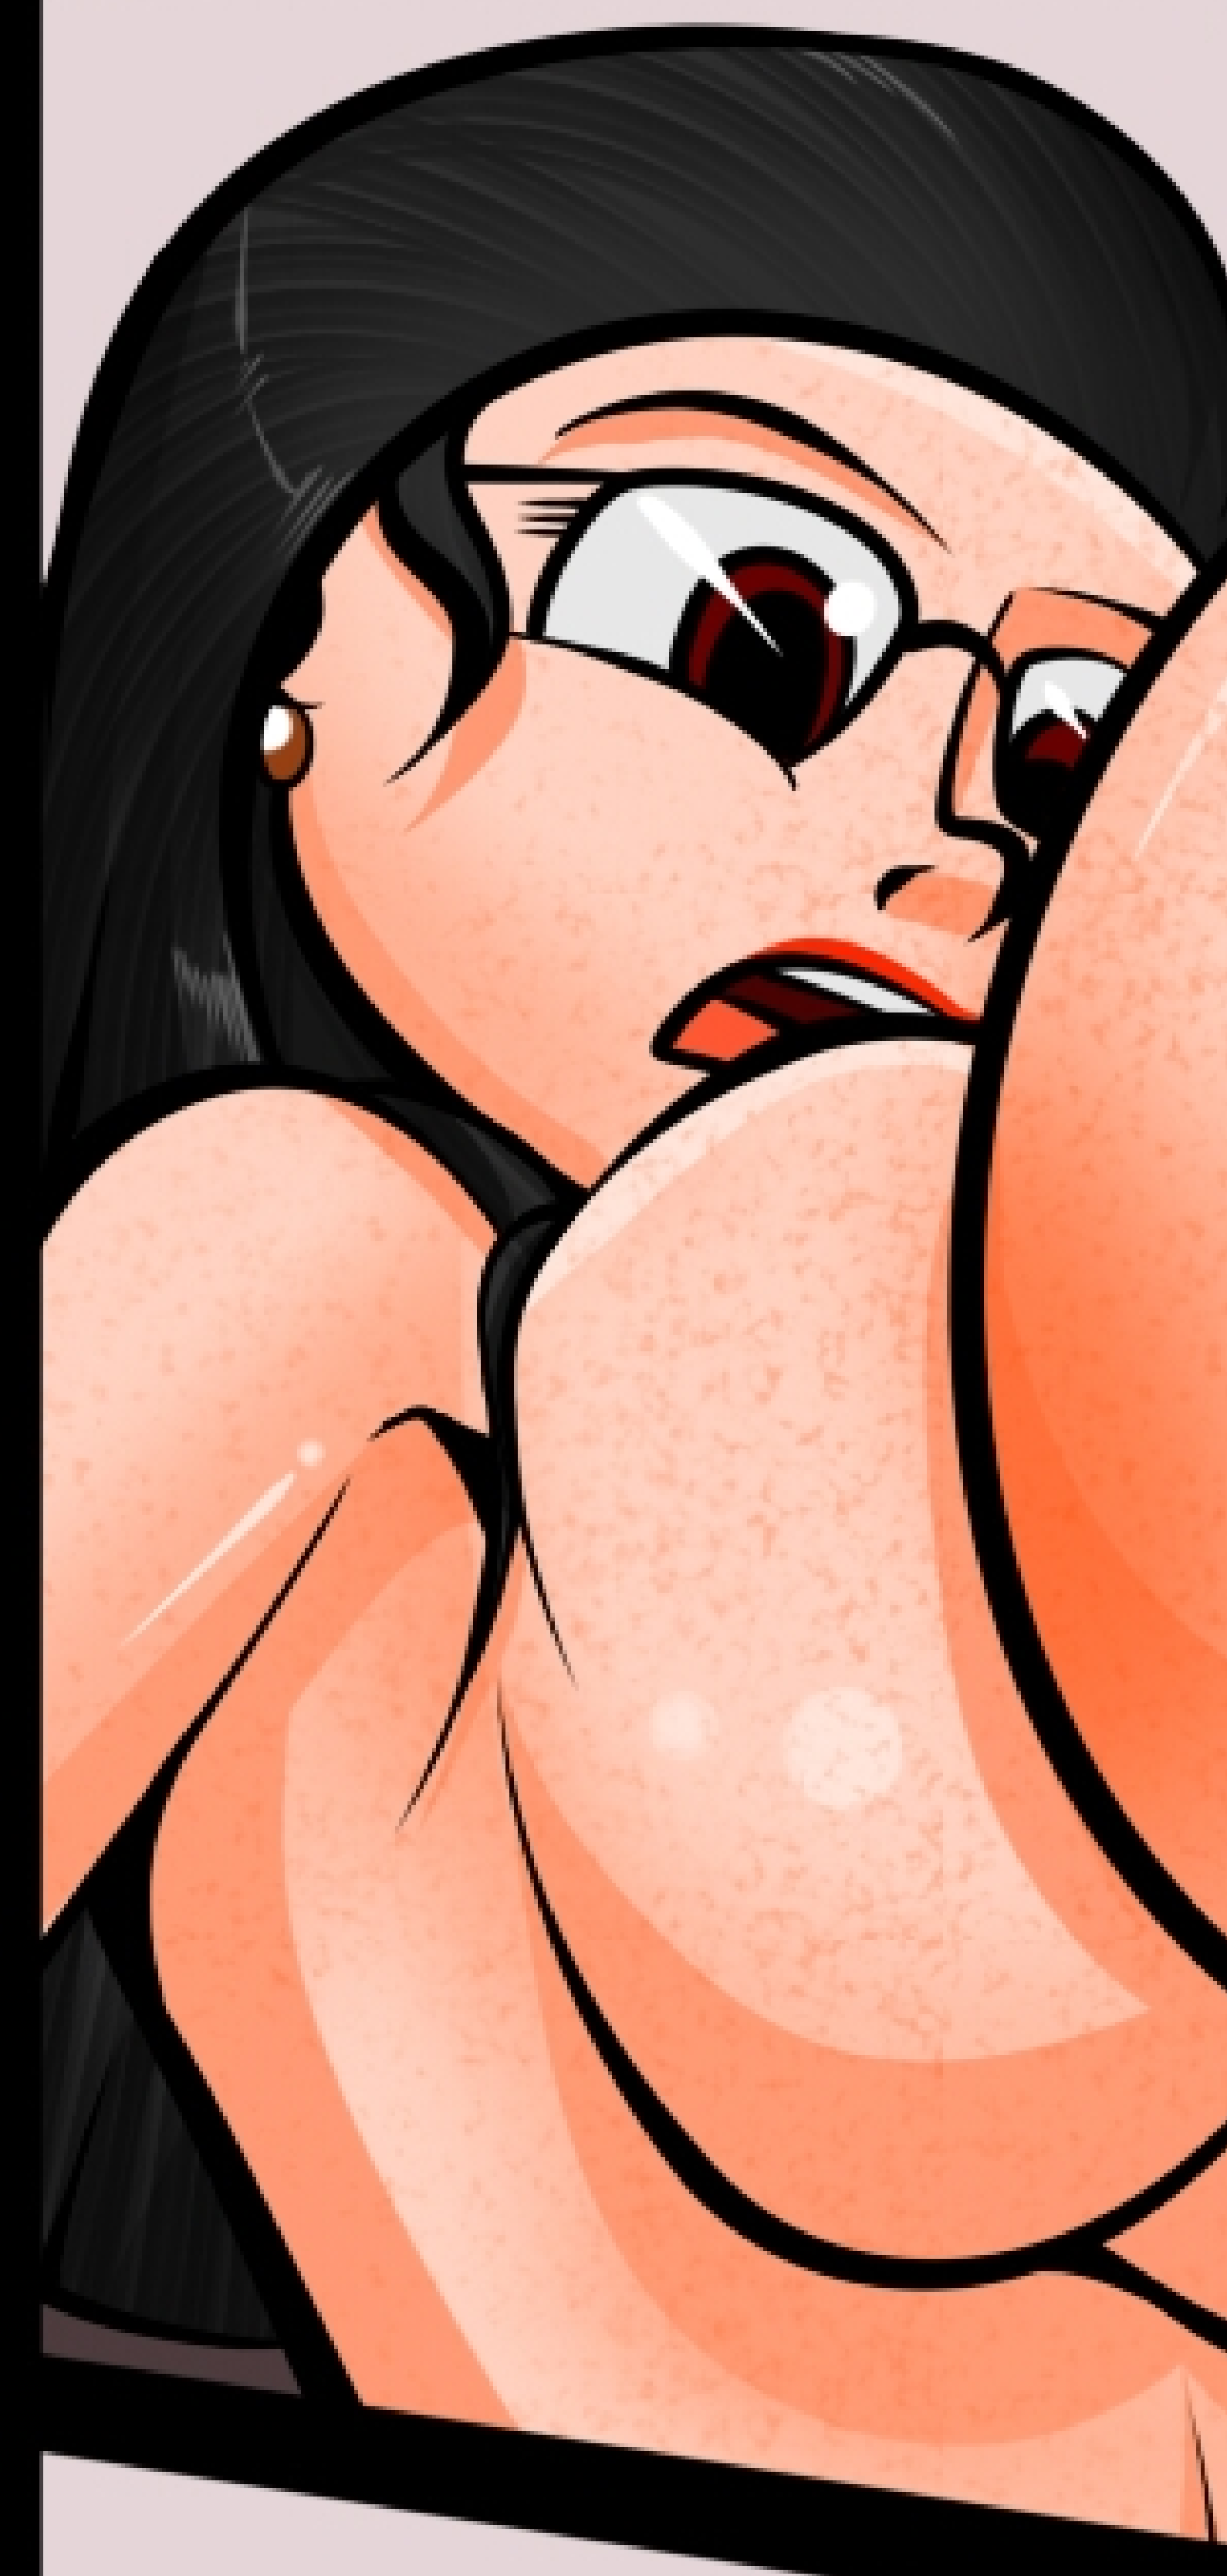

Don't call me Antonia because I am a babe because of you! Even my tits are bigger than yours!

What are you doing, Antonia?

Oh man...
This is so weird. My tits
against his... her.

It is so
unreal...
but also
good!

Well Anthony...
you tell me.

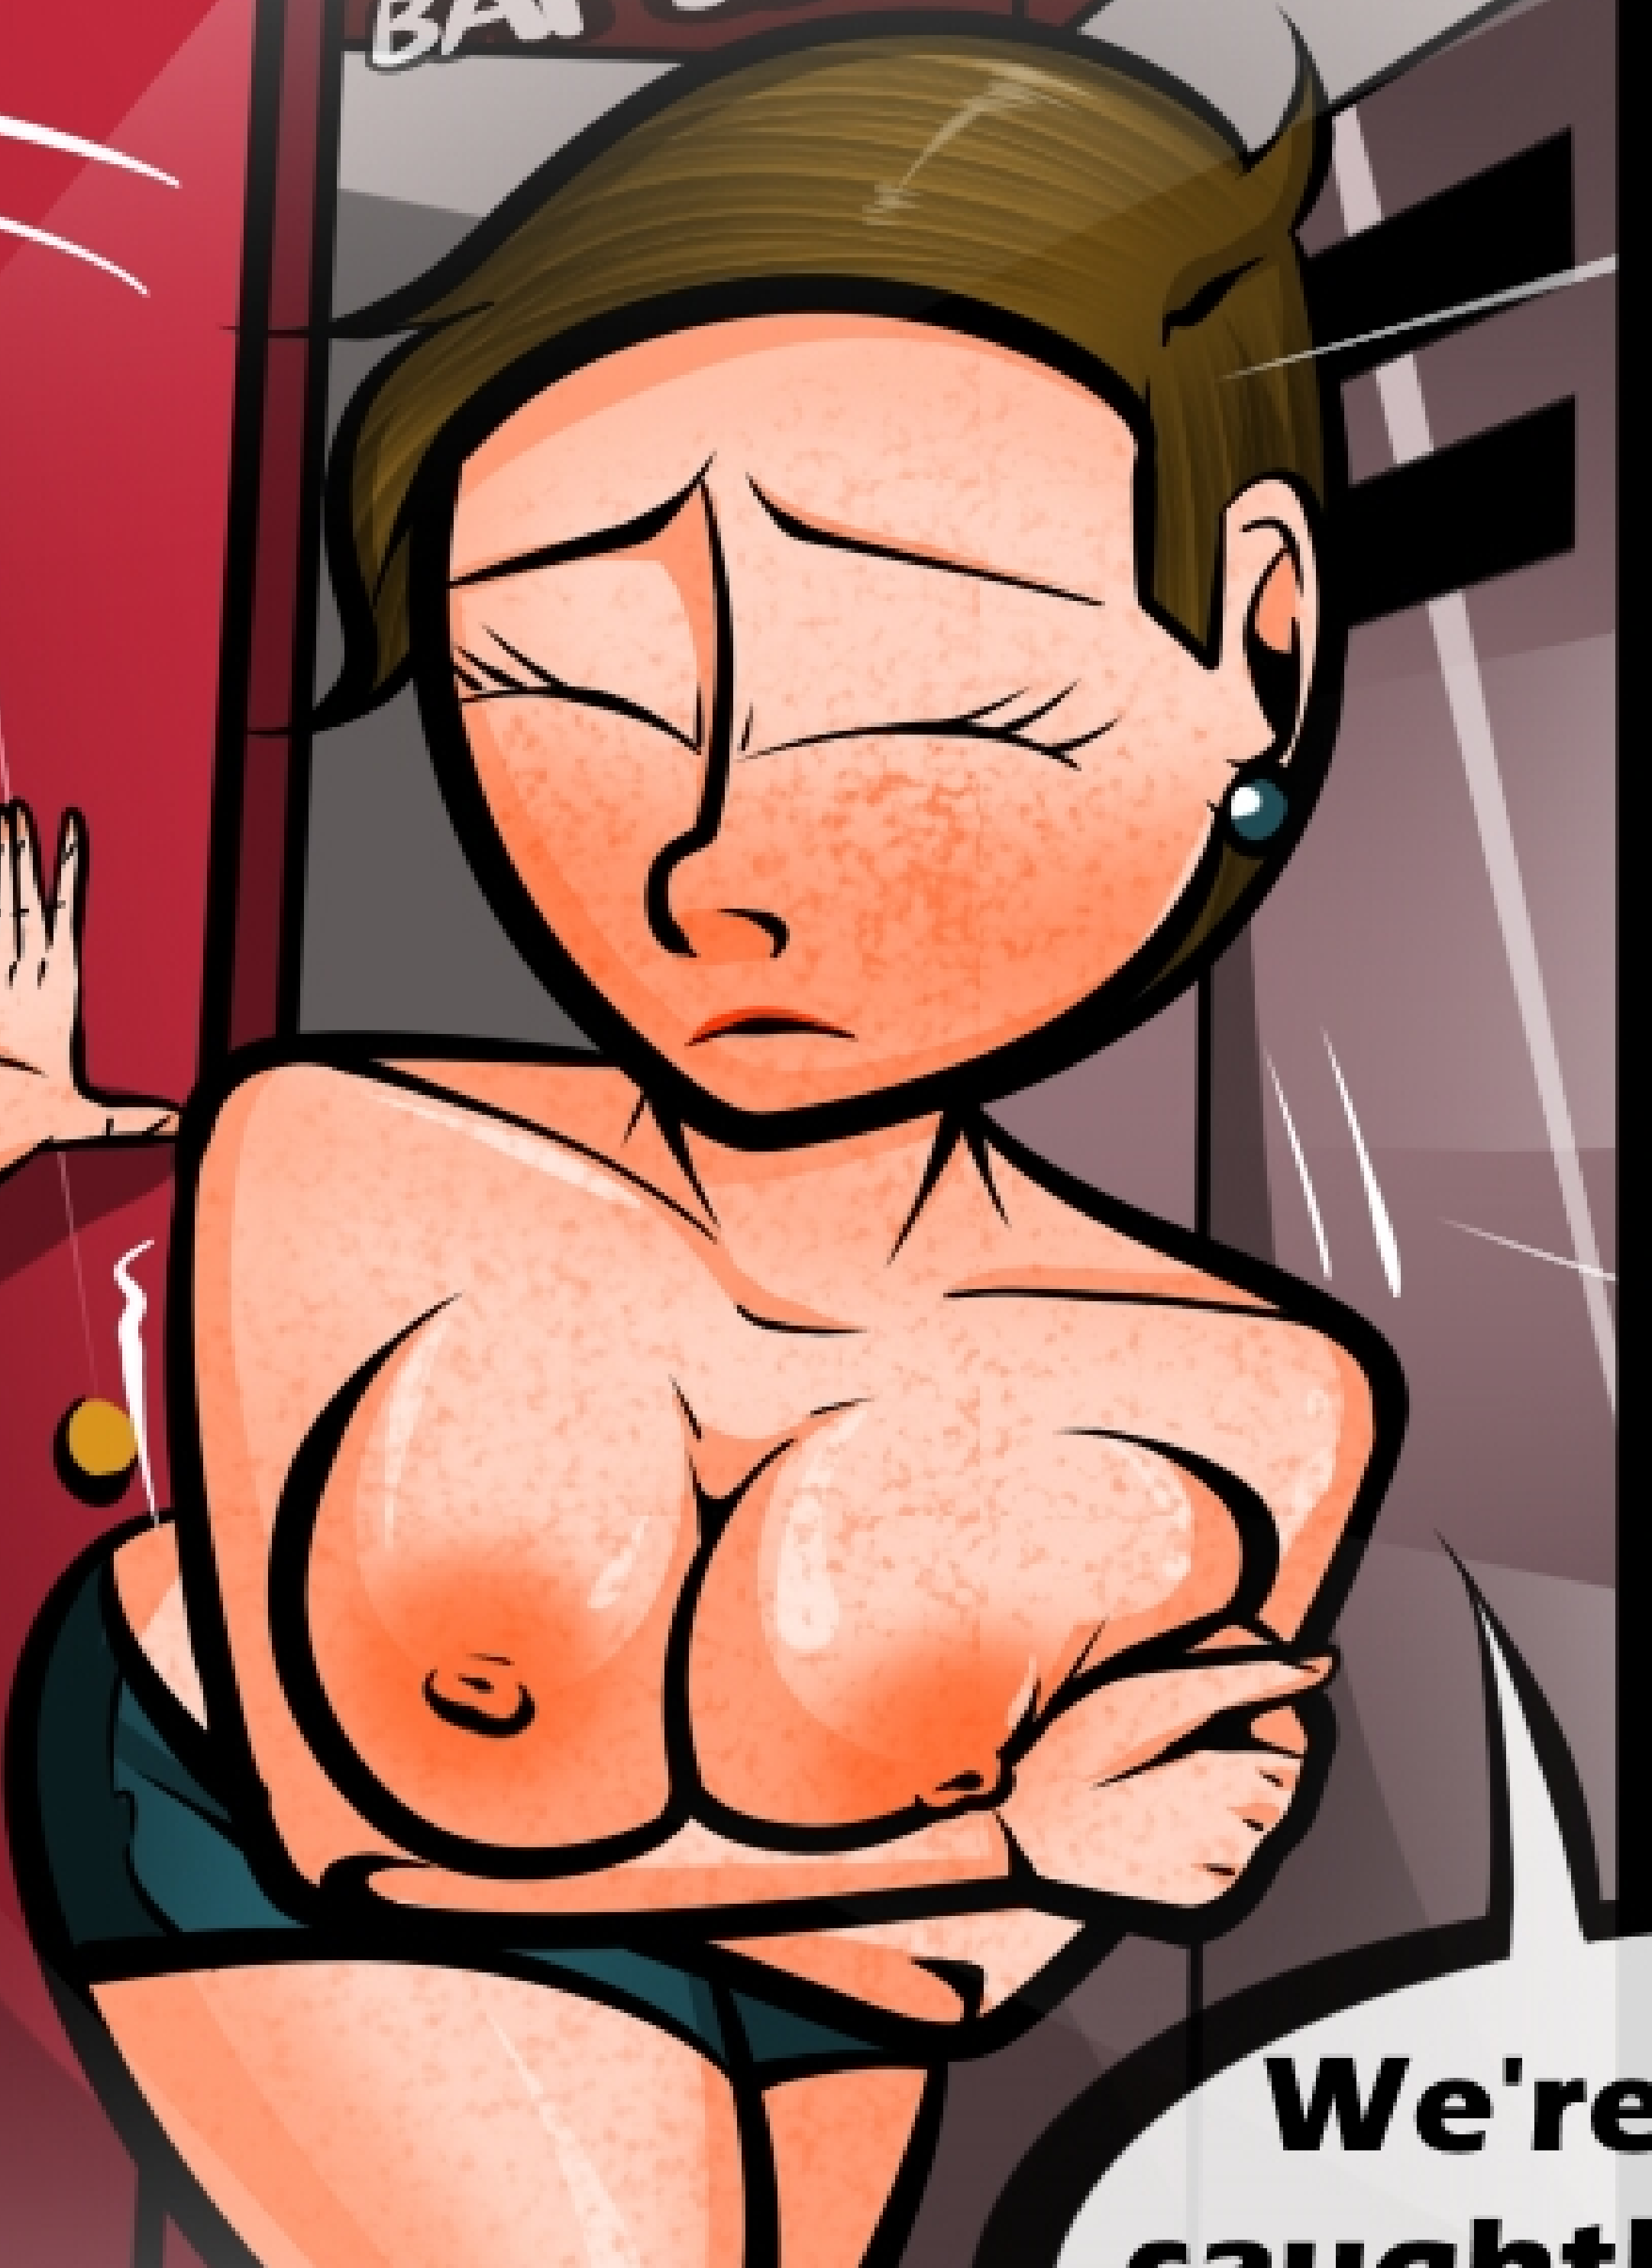

Hey James,
here comes a
boob-joke: What
did one boob say to
the other boob?

Oh god...
That is such
a bad pun.

You are
my breast
friend!!!

@#&!>

We're
caught!

How did that happened?

We used a demonic spell to get in to the girls lockers.

...James, ...Anthony, You two are Girls!

Okay... So you somehow turned into chicks. But why did you fondle each others tits, my I ask?

Uh... It felt nice?

Oh silly boys, let me guid you to the nice feeling!

Slip!

MMN...!

Please... **AHHH!**
We just want to be
guys again... **EEEEK...!**
can you help us get-
ting outside?

Wow...
she knows what
she's doing!

I'll
help you
getting
outside, but
first you
need to
wear some
clothes,
here take
mine.

BAM!

These
clothes are
too small
for me...

Just put
them on,
we need to
get that book
to change
back, before
it is too
late.

I never would have imagined being here as a woman looking outside...

So... strange!

We'll find a way to change back into guys and forget this weird day.

BAM!

This way guys.

Let's get out of the girls lockers!
