

That is it!  
This is the first time,  
after my aunts death,  
that i can visit her old  
house, which is now mine.  
But there are rumors  
in the village about  
this place. Thank god  
my friend Velma came  
with me.

Finally!  
New victims!

By Amay2k12

Oh, a Ouija Board and a Voodoo Doll... how cute. But... why did my Aunt have that crap?

Hi, Babe!

By Amy 2/6/12

A 3D rendered scene featuring a woman with dark hair, wearing a black and white horizontally striped tank top and dark pants with a brown belt. She is standing in a dark room, looking shocked with her hand covering her mouth. A speech bubble above her contains the text: "Oh my God! It moved! How...can it move? And...who spoke?". In the foreground, there is a large, thick wooden table. To the right, a portion of a yellow candle in a wooden holder is visible. In the background, a wooden ladder leans against a wall with vertical blinds. The lighting is dramatic, with strong highlights on the woman's face and the table.

Oh my God!  
It moved! How...can  
it move? And...who  
spoke?

*By Amaz2k12*

hehe...I'm so  
sorry Elizabeth.  
It was me...a little  
joke...umm...yea..just  
a little joke.

Vernon...ahm...  
Velma! How...how  
could you pull that  
lame joke on me?!  
You know how scary old  
places, like my aunts  
house, play on me!  
You...you...nerdy  
bookworm!

By Amaz2k12

No, It said:  
„Hi Babe!“

Yes! It moved on  
its own. Just before  
you pulled that  
prank on me!

So, you think that  
the pointer of that  
board moved on it's own  
and said: „Hi!“ to you?  
Hm...that sounds...  
interesting!

A shame that my  
team is not around.  
But Daphne is still  
fighting with her new  
„girly problems“.

But I promised you  
to help...but this  
board looks kinda  
normal to me.  
Are you sure...?

By Amay2k12

Oh yea? Like the skull who switched your gender, hu?

Believe it or not Velma....something is strange here. I don't know what it is...but...

I believe you Lizzy. Don't worry, there is always something logical behind such phenomena. Believe me there is nothing like ghosts or magic in this world!

That was never magic or anything similar. I think that it was a chemical reaction.... or something. I'm still researching it.

By Amay2k12

I don't know, but be careful Velma. This place is...spooky. I don't know how my dear Aunt could live here for so long.

I'll stay here. See you later!

I'll be back soon. There is a backdoor to a crypt or something. Will you stay here or do you want to come with me?

*By Amay2k12*

Oh? She has already gone?

Huh? What was that?

Let the Fun begin!

By Amay2k12

Wow! How impressive.

Elisabeth's aunt have a crush on a strange cult? Maybe a witch circle?

By Amaz2k12

Hmm, an old book,  
a burning candle  
and a skull?

VELMA!

What? Who  
called my name?

By Amaz2k12

This Skull looks interesting. there is no sign of aging on it. The bone is clear and perfectly bleached.

Hi Velma... or should I say VERNON? Remember me?\* Of course you do...every... single...day...

\*see Miss Mako's: „How I met your mother“ on YouTube for the story.

By Amaz2k12

What? NO!  
That can't be!  
It was a chemical  
reaction or  
....

Face it my dear.  
It was me who turned  
you and your friend  
into chicks...

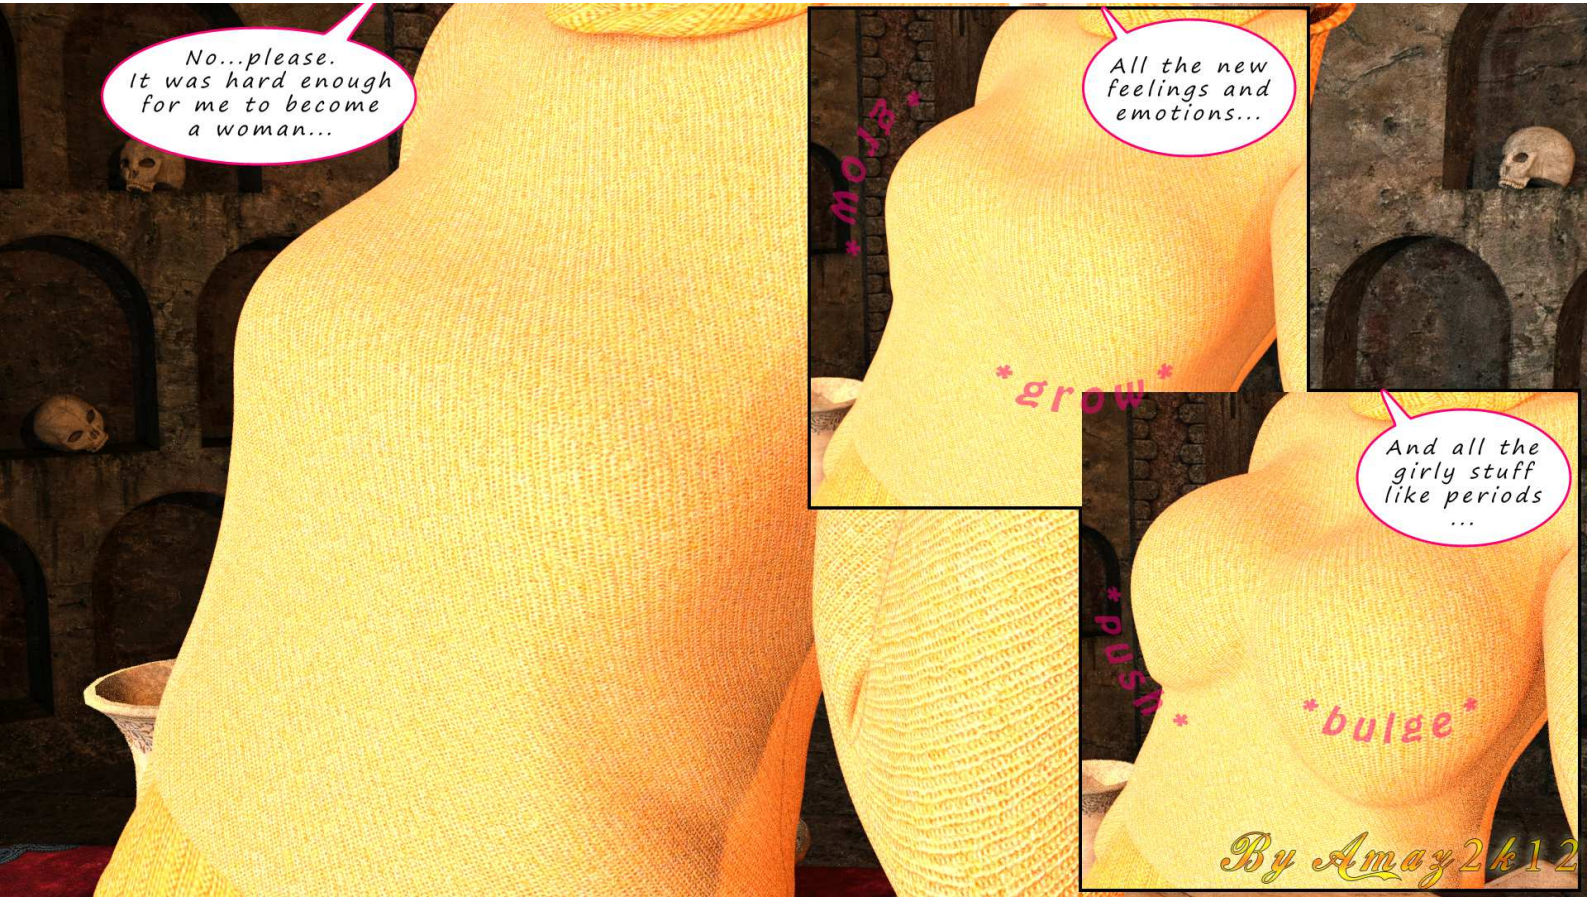

...but my work  
hasn't finished yet.  
Now...NOW...

...IT IS TIME  
to become what  
you are destined  
to be!

You Velma will  
be a huge titted,  
vapid Bimbo with  
a massive booty  
and platinum  
blonde hair!

Then your friend above  
will follow. Then both of you  
will capture Daphne, so that I  
can fulfil her destiny too!

By Amoz2k12

No...please.  
It was hard enough  
for me to become  
a woman...

All the new  
feelings and  
emotions...

\*grow\*

And all the  
girly stuff  
like periods

By Amaz2k12

the board again?  
What does that  
mean?

be the next!

*By Amay2k12*

Make her  
Bimbo!

There must be  
a trick or something.  
Hope Velma will  
be back soon. We  
should never have come  
to this place...never  
met my aunt...why  
did I inherit this  
place?

By Amay2k12

Like Hi hun.  
Totally missed  
me, hu?

Velma, thank God!  
Good that you...  
oh my God...  
Velma?

*By Amaz2k12*

against the  
wall...

*By Amaz2k12*

You will become a Bimbo!

Resistance is futile!

What?

It is time to fulfil your destiny Elisabeth! You'll become Lizzy, the horny Slut... a Bimbo Slut!

By Amaz2k12

You are...kidding?  
Right? You must be  
kidding!

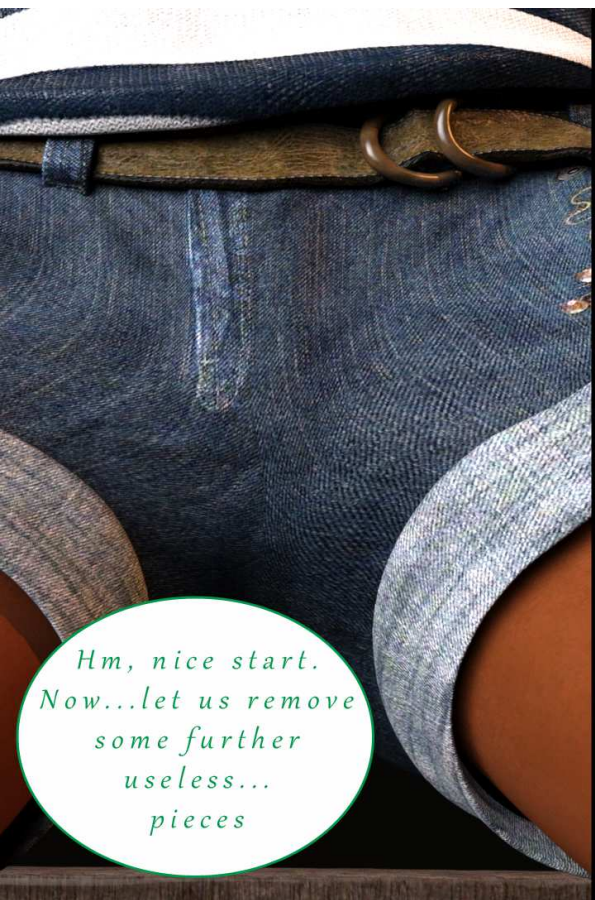

You will soon be a  
Bimbo! You and Velma  
have to capture Daphne.  
She has to become  
a Bimbo to. But  
first...it is your  
turn! Be Ready?

You are not as  
strong minded as  
Velma was...you will  
transform very fast.  
Say bye bye to your  
old self and say Hello  
to your new Life!

*By Amz2k12*

*By Amaz2k12*

*Hm, nice start.  
Now...let us remove

there!*

*Move, you dumb  
big piece of  
flesh! I need  
to get away  
from here!*

*Ok, you can  
let her free  
Velma. She'll  
stay, because  
she has already  
started to  
forget how  
to flee...*

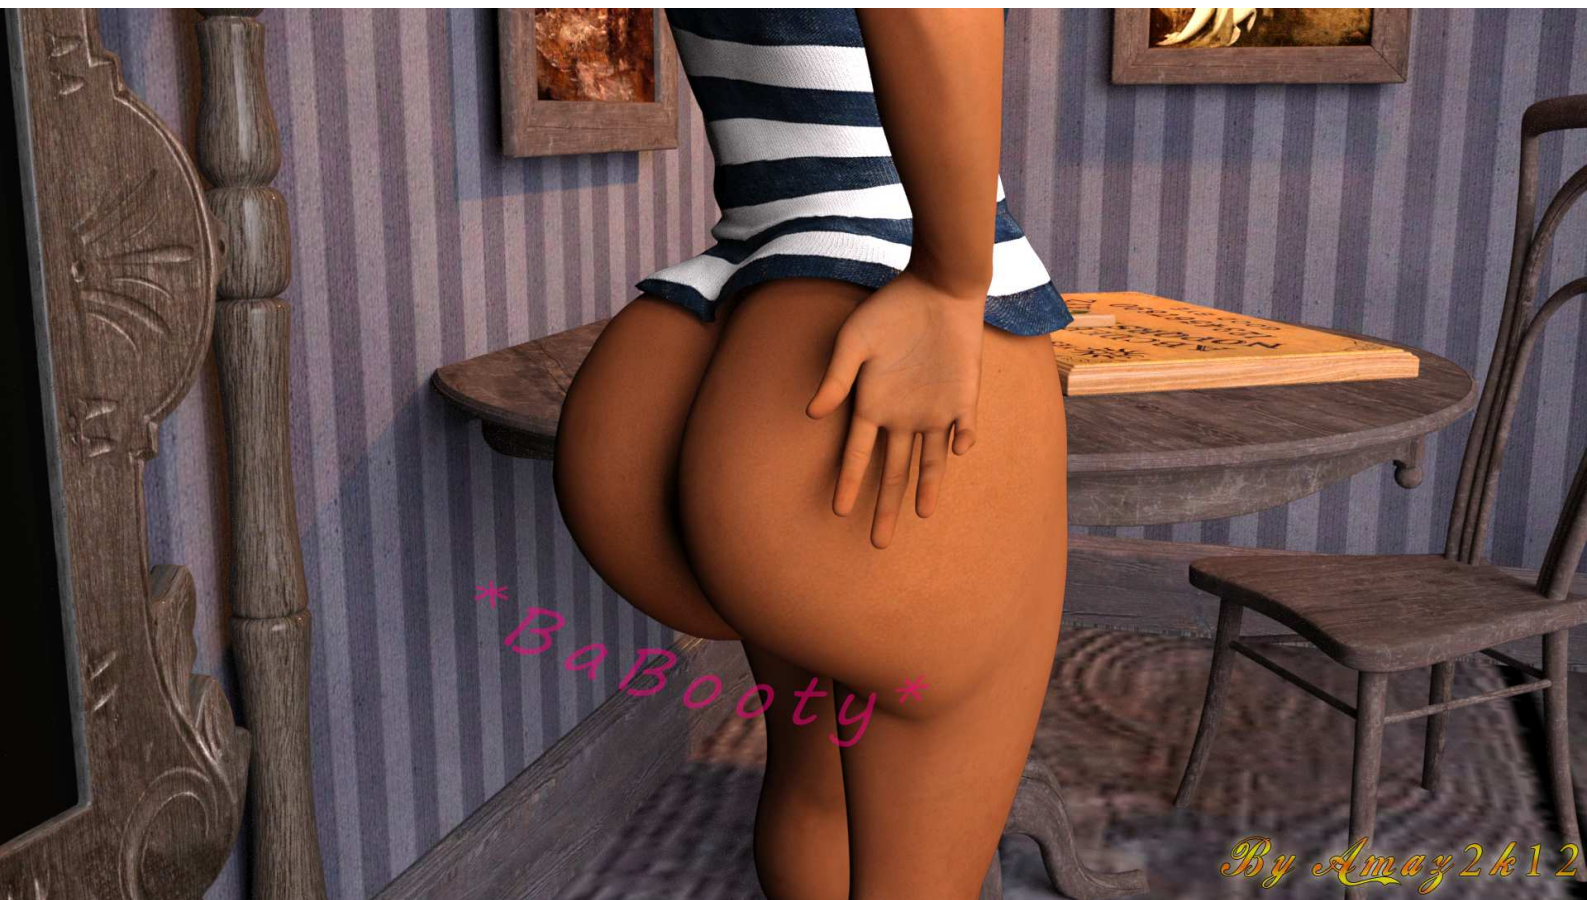

*By Amay2k12*

What do you mean?  
Of course I know  
how to flee. Who  
are you to say  
that?

I'm smart.  
YOU can't turn  
me into a Bimbo  
and crave for  
dumb cocks!

By Amaz2k12

\*BABOoty\*

By Amaz2k12
