

Jen

Description

You're a young girl at the park. You're sitting at a table, watching as some kids play on the playground. It's a beautiful day, the sun is shining, and there's not a cloud in the sky. Suddenly, you hear a voice next to you.

"Um... h-hello?"

You turn around, seeing a young girl near you. It's Jenny Walters, a girl your age who was a friend of yours that went to your school.

"Hey, Jenny." You say.

"U-Um... hi..." Jenny says, her face a little red. She seemed so.... uncharacteristically nervous?

"Are you okay, Jenny?" You ask, concerned.

"Uhh..." She mutters, before shaking her head. "I-I'm fine! Uh... I just need to... um... talk about something."

"What's wrong?"

"Well, I-I'm..." Jenny stutters, her face reddening further. "I'm really nervous... and, uh, I-I just wanted to tell you something. Something that I've been wanting to tell you for a long time."

"Yeah? What is it?"

Jenny takes a deep breath, and closes her eyes, her face turning a deeper shade of red.

"I... I really like you."

Your heart skips a beat, and your eyes widen.

You feel a mixture of emotions rush through your body, your mind going blank.
You take a moment to process the information.
"Y-you... you do...?" You ask, your voice trembling slightly.

Jenny nods, her face as red as a tomato.
"Y-yeah. I-I've liked you for a while now. S-sorry."
You take a deep breath, trying to steady your racing heart.

"Jenny, I..."

Suddenly, Jenny's eyes turned green, her expression of nervousness turning to one of fear.
"What the-- oh no, not now, please--!" She gasped, her legs starting to tremble.

"W-what's wrong?"

"U-um, I need to use the bathroom real quick! I-I'll be right back!"

Jenny tried to run, but suddenly she fell onto her hands and knees, her body shaking as she cried out and moaned.

"Ah... oh no..." Jenny gasped, her breathing growing heavy.

"Jenny?! What's wrong?!"

Jenny let out a low groan, her head falling forward as she began to shake, her body quivering.

"Hahh..." She moaned, her back arching. "Oooohhh..."

You watched on in fear and confusion as Jenny's body began to grow, her twintails lengthening and becoming more wavy, her arms bulging and her shoulders broadening.

"Haaahhh... oohhhh..."

Your attention was diverted to her legs as from the looks of it, her thighs were getting thicker, her calves

enlarging and her feet widening.

"Mmmm..." She groaned, her hips swaying, her ass beginning to grow, becoming bigger and rounder.

"Uh... J-Jenny?"

"Haahhhh... mmm..."

Jenny's moans grew louder as her hips continued to expand, her butt continuing to grow bigger and rounder as her pink skirt began to ride up, exposing a pair of white panties that hugged her now massive ass tightly.

You were completely taken aback by the sight, your eyes locked onto her rapidly growing rear.

Jenny's body shuddered and her moans grew louder and louder as she flipped herself over onto her back, her eyes screwed shut.

"Ohhh, oohh, ah, ahh..."

Suddenly, her chest began to grow, her pink overalls and white button up shirt beginning to strain against her chest as her breasts began to balloon, growing bigger and bigger, becoming the size of large watermelons.

Her overall straps snapped and her short tore open, buttons popping as her shirt ripped, her enormous breasts now free.

"Aahhh... aaahhh... oooohh..."

Jenny's moans grew even louder as her face changed, her features changing into the ones of an mature woman, her lips becoming fuller and her cheeks rounding out.

"Haaahhh! Oooohhhh!!"

Her body continued to grow more and more muscular, her muscles rippling and bulging under her green skin, her entire body growing bigger and stronger.

"Ah... ahhh... ohh... oohh... ohh, mmm..."

After a few minutes, Jenny's body finally stopped growing, her transformation completed.

She laid there, panting and moaning, her massive tits bouncing and jiggling with every breath. A large purple and white gym uniform began to manifest on her body, almost like nanotechnology, covering her now exposed, voluptuous body.

"Mmm, hah, ahh... mmm."

After a few moments, Jenny opened her eyes, her now green, glowing eyes looking directly at you. She chuckled nervously, her cheeks still flushed.

"Uh... surprise?"
