

Maybe I should have, but I didn't report him right away. Instead... I followed him every night for more than a week.

I blackmailed and kicked this guy around, and he never did a thing despite being this massive?! His muscles are huge...

Hi! I'm Kana! A recently discovered talent in the magical arts - but many know me as a real villainess to guys in the academy hallways.  
How could I not? After all, men in the country are second class citizens. Nothing makes me happier than bullying my wallet (a school guard) every single day!

One night, I spotted him sneaking into an alleyway... and suddenly he turned into a freak wearing this wild body suit. It turns out, he was the source of those weird rumors about disappearing girls...

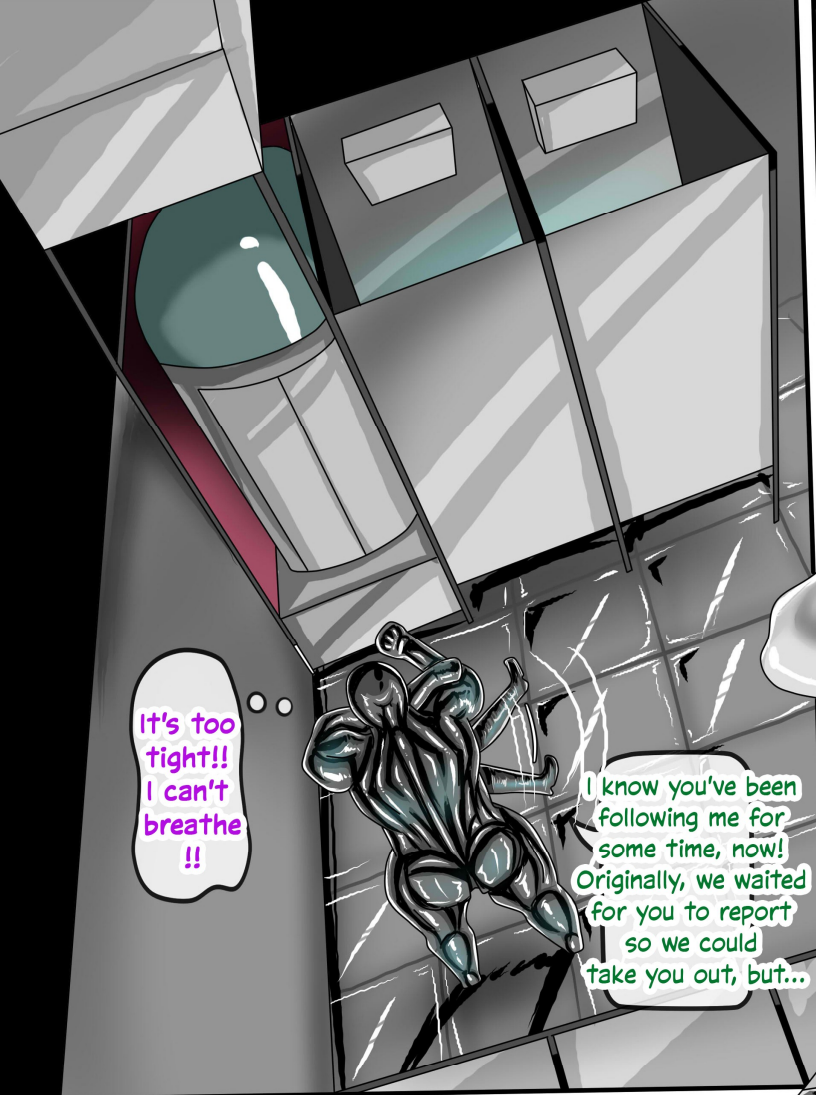

Slam  
Slam!  
Slam!!

Such violent, intense fucking... if I were that girl...

My libido tends to be unusually high, leading me to indulge myself quite a lot. After witnessing these scenes, it seems my fetishes have really come to life...

It's too tight!!  
I can't breathe!!

I know you've been following me for some time, now! Originally, we waited for you to report so we could take you out, but...

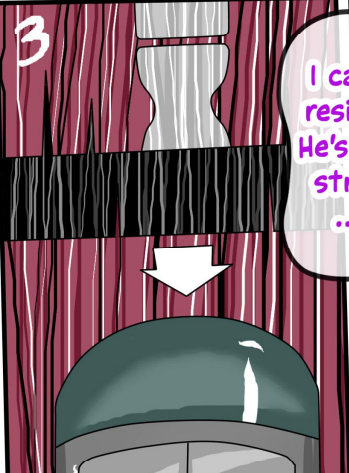

Oh, does the arrogant and domineering Kana-chan have a filthy penchant for peeking?!

Ah!!

2 So, congratulations to you, Kana-chan! You have such an honest body! You must have felt so envious watching those meat toilets...

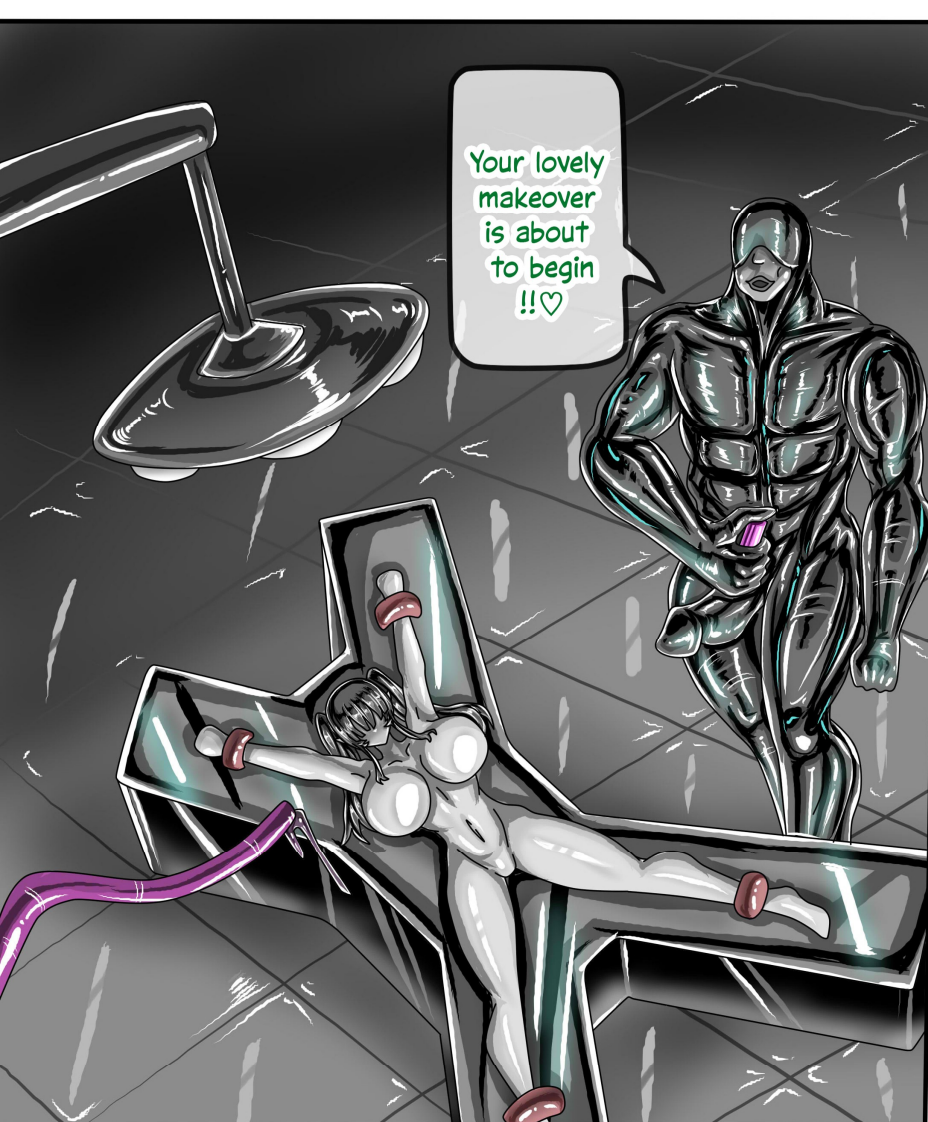

4 No need for envy any longer! You can become just like them. Of course, you have no choice in the matter!!

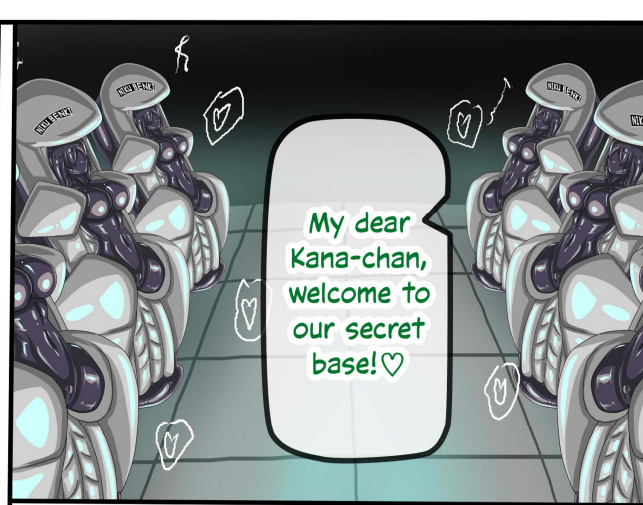

I can't resist!! He's too strong...!!

You didn't even try to report! It seems like you are more suited to become one of our girls...

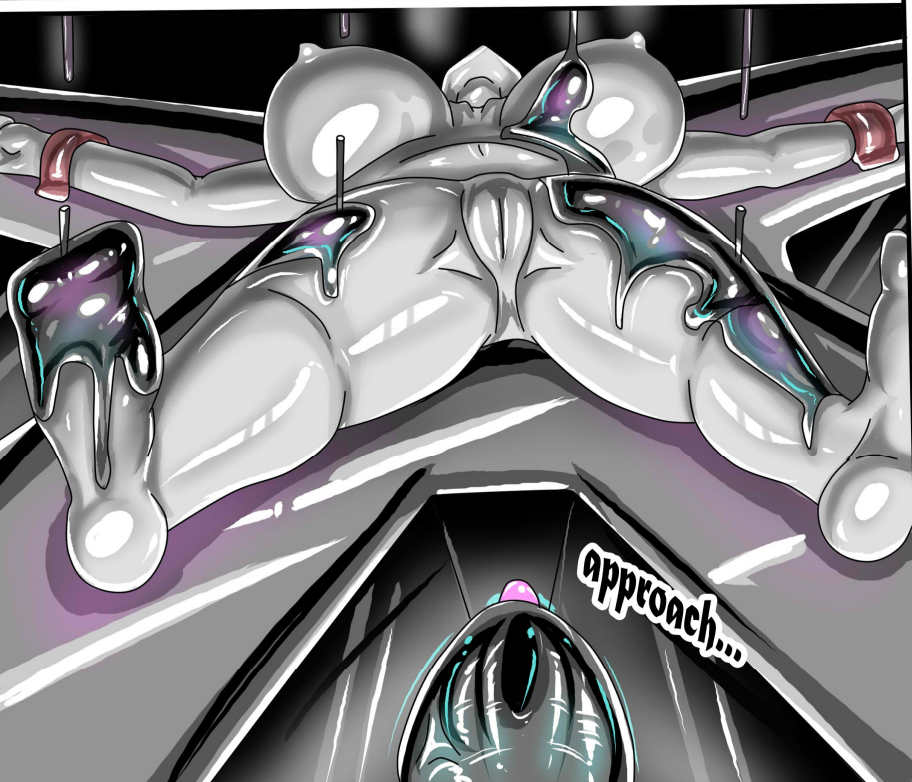

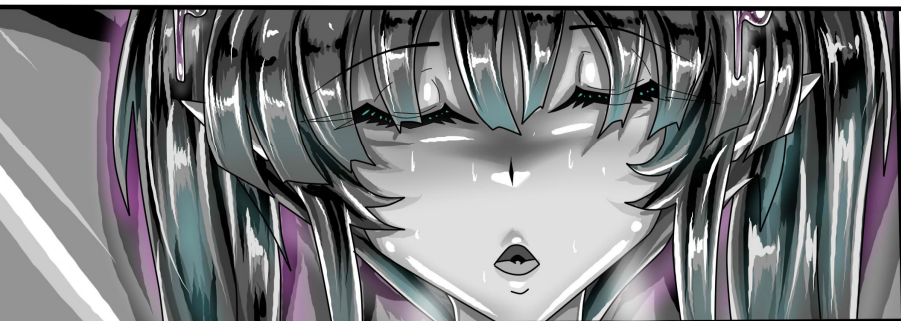

Your lovely makeover is about to begin !!♡

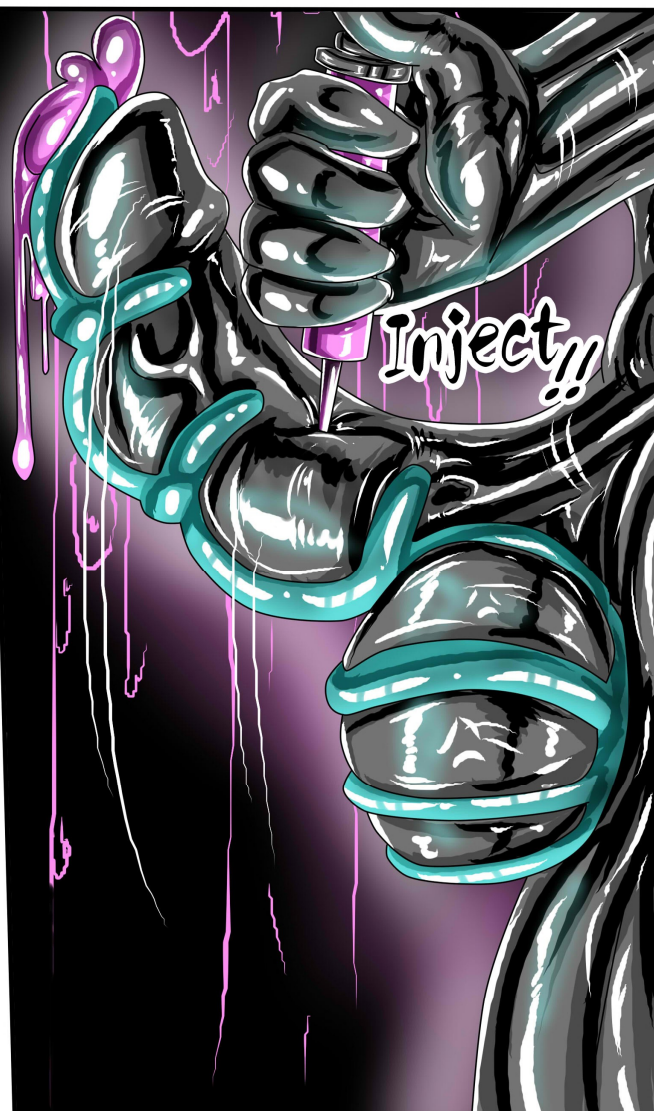

My dear Kana-chan, welcome to our secret base!♡

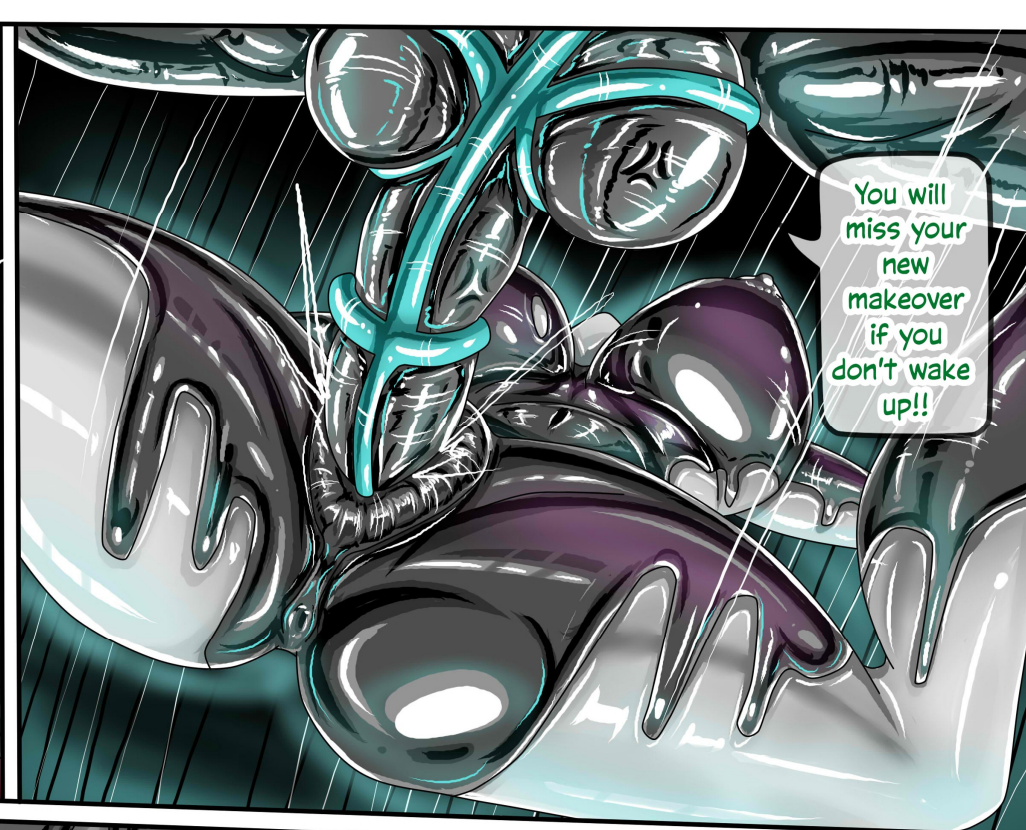

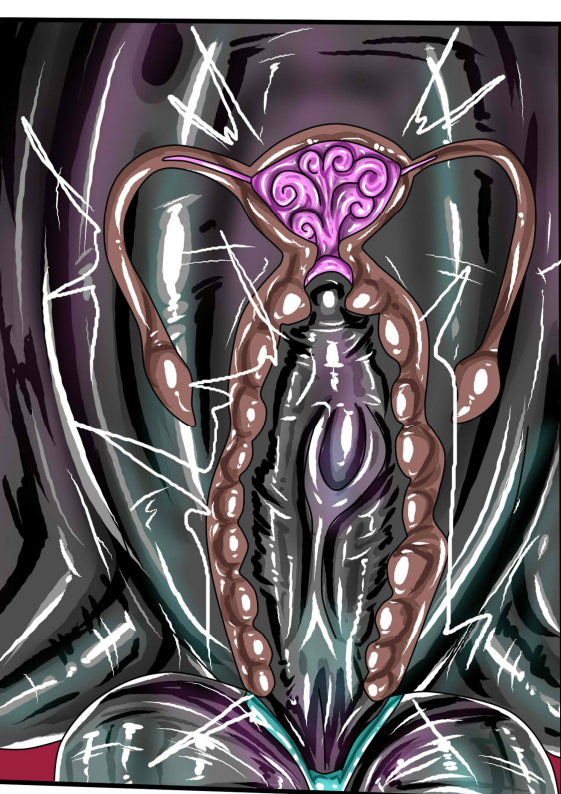

You need to breathe, or you're going to faint...

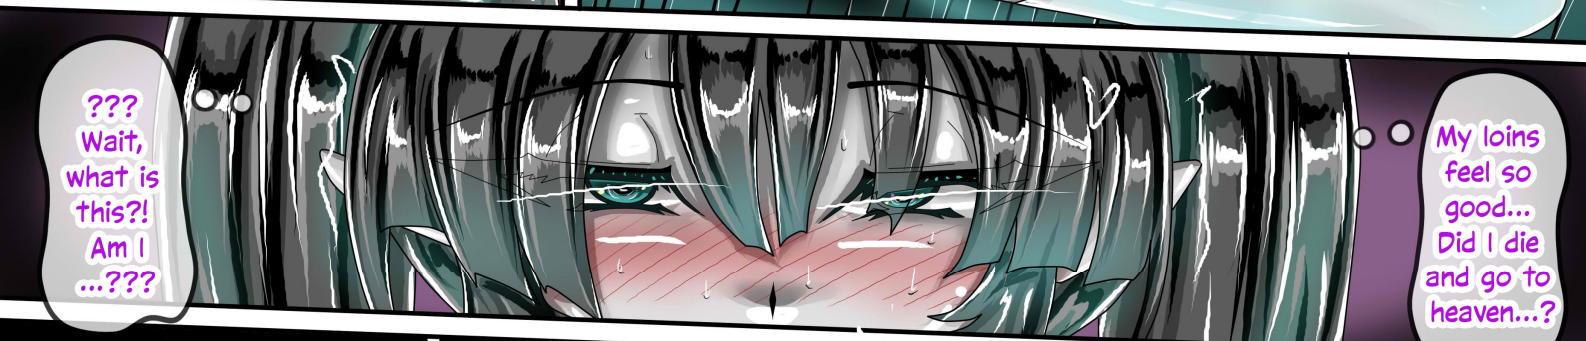

approach...

Inject!!

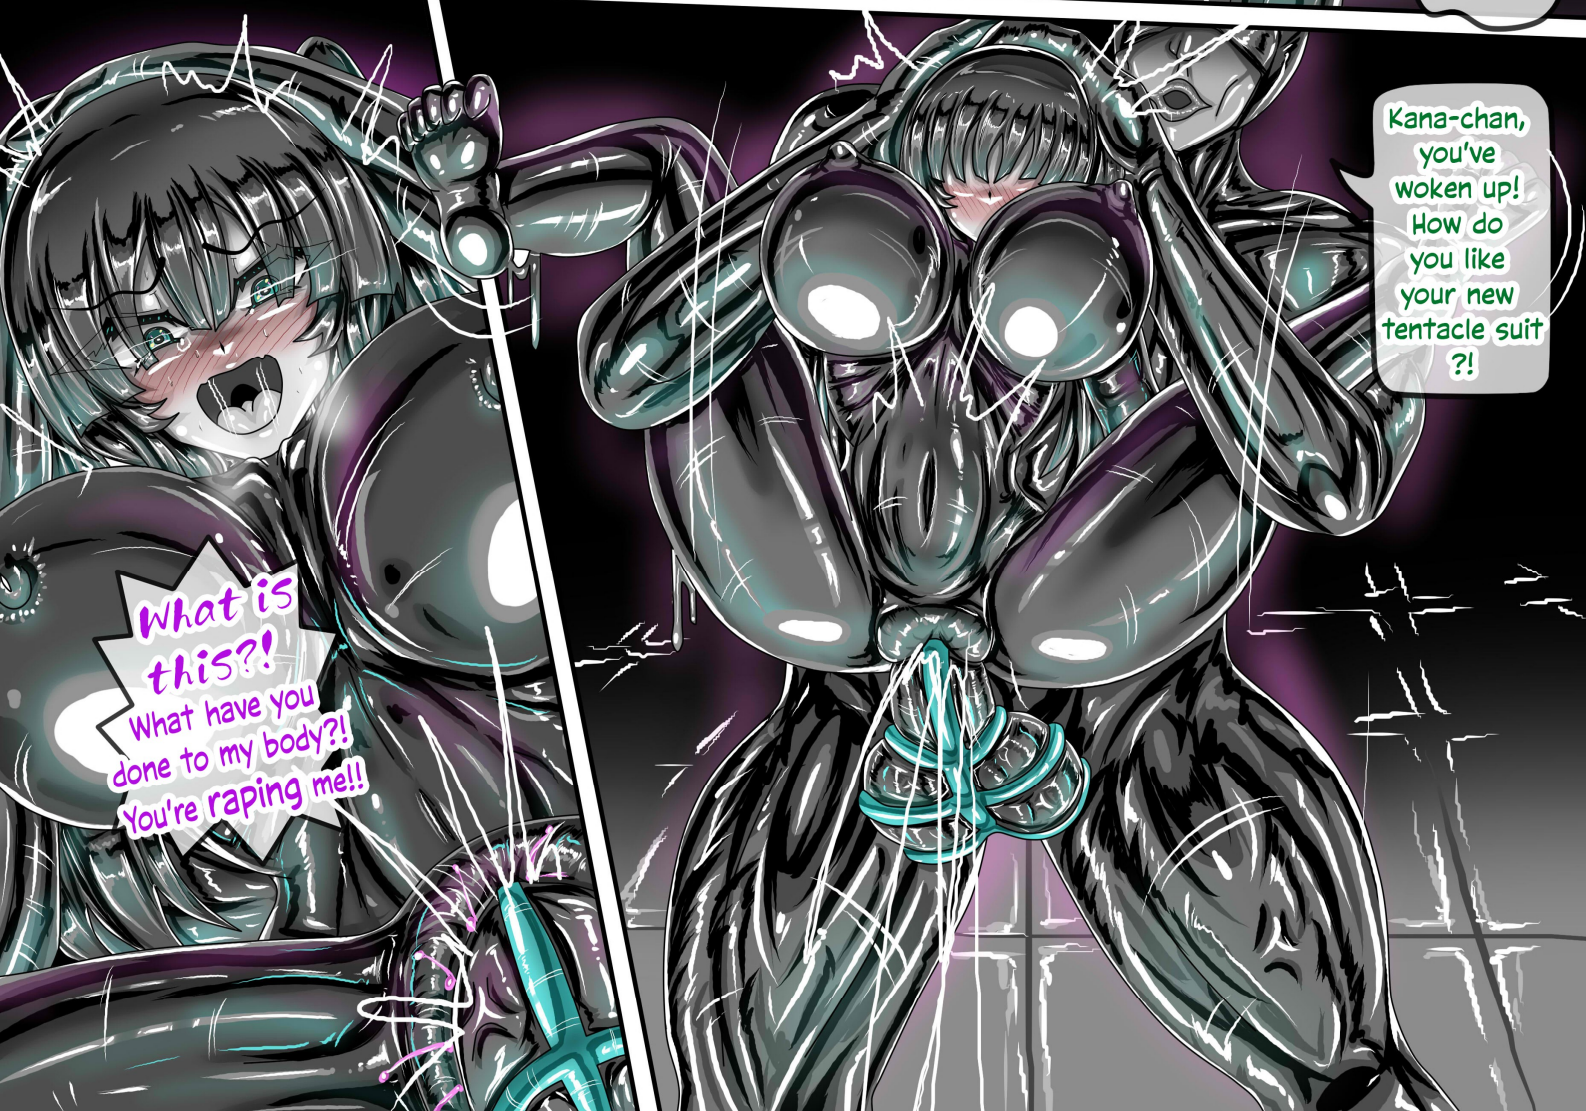

You will miss your new makeover if you don't wake up!!

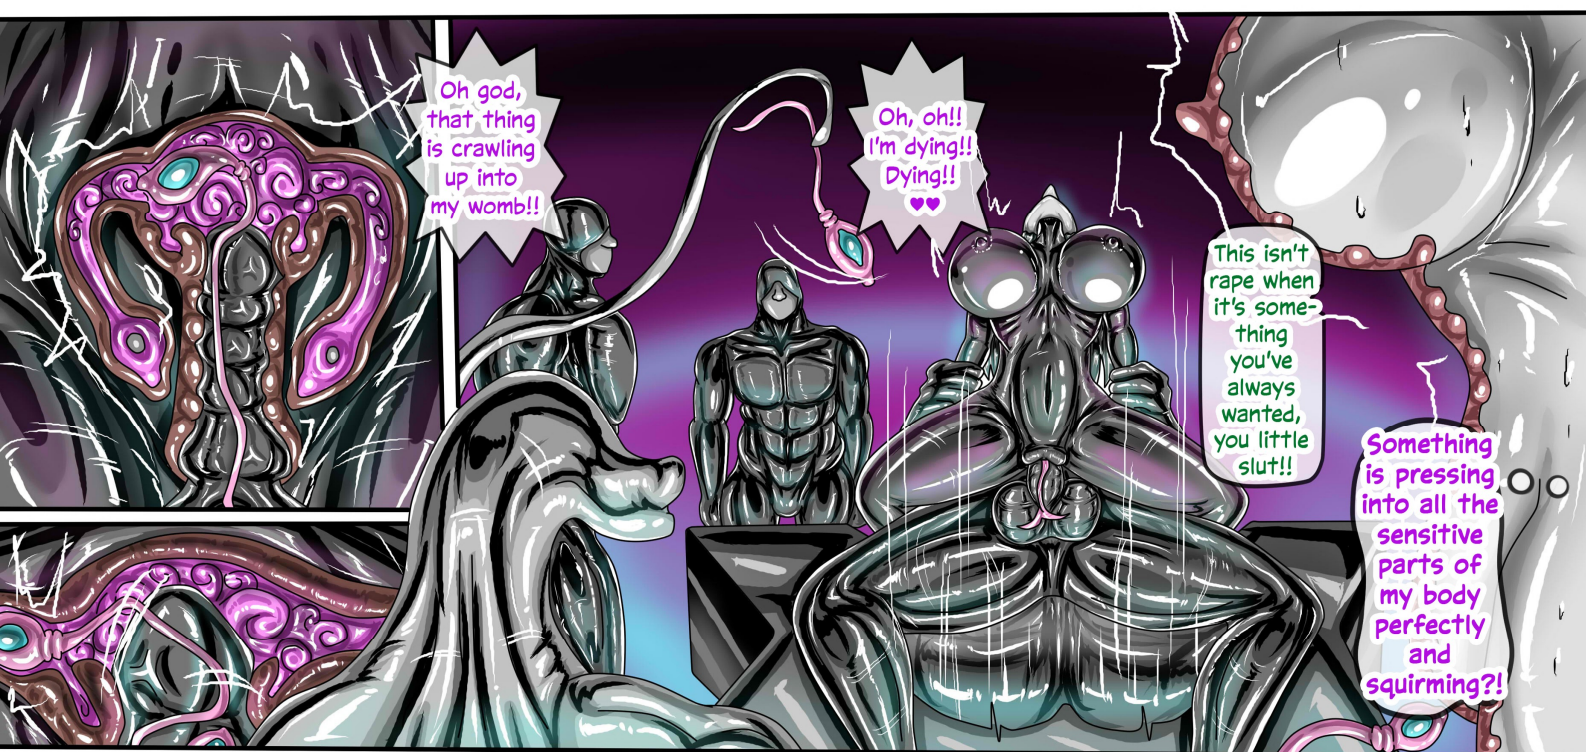

???  
Wait, what is this?!  
Am I ...???

My loins feel so good...  
Did I die and go to heaven...?

Kana-chan, you've woken up!  
How do you like your new tentacle suit?!

What is this?!  
What have you done to my body?!  
You're raping me!!

Oh god, that thing is crawling up into my womb!!

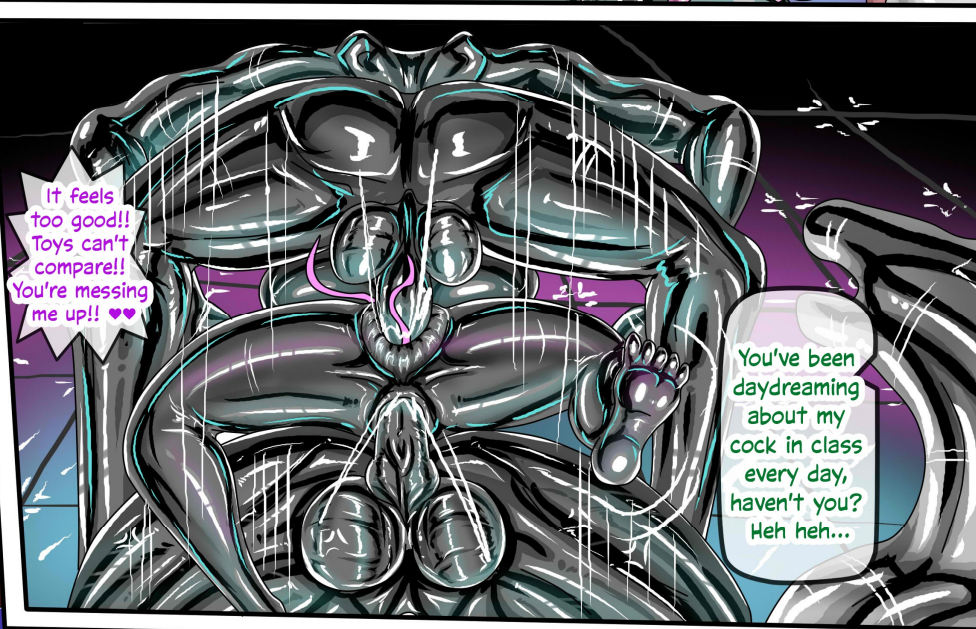

Oh, oh!! I'm dying!! Dying!! ♡♡

This isn't rape when it's something you've always wanted, you little slut!!

Something is pressing into all the sensitive parts of my body perfectly and squirming?!

Even more of those sperm things are filling me...! I'm going to end up just like that missing girl who becomes a meat toilet in those sketchy videos...!! ♡♡♡

It feels too good!! Toys can't compare!! You're messing me up!! ♡♡

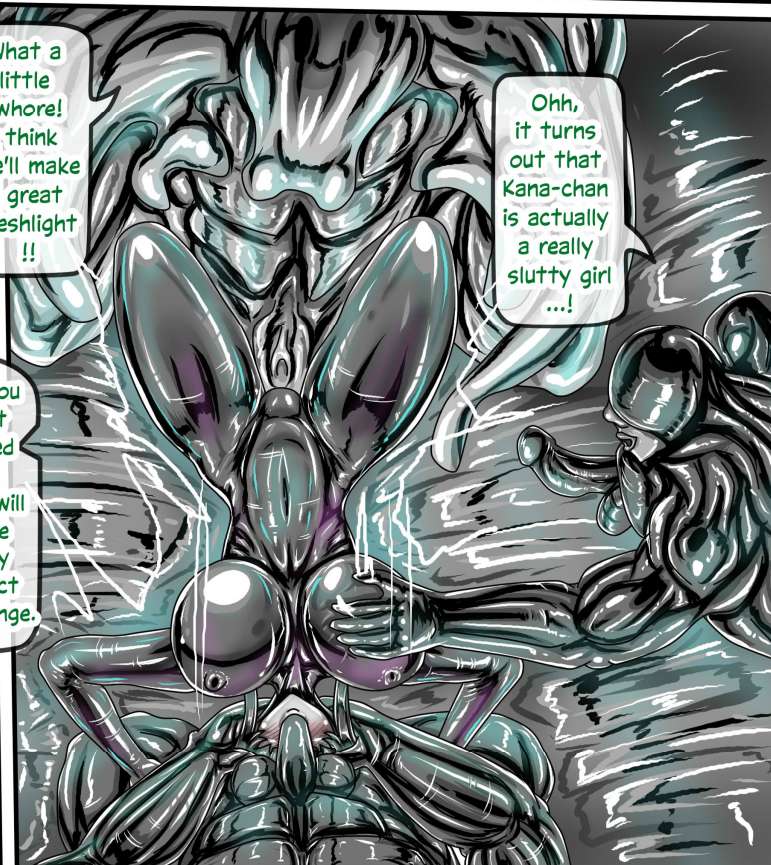

You've been daydreaming about my cock in class every day, haven't you? Heh heh...

Ohhh, you don't seem scared at all... you actually seem pretty excited!

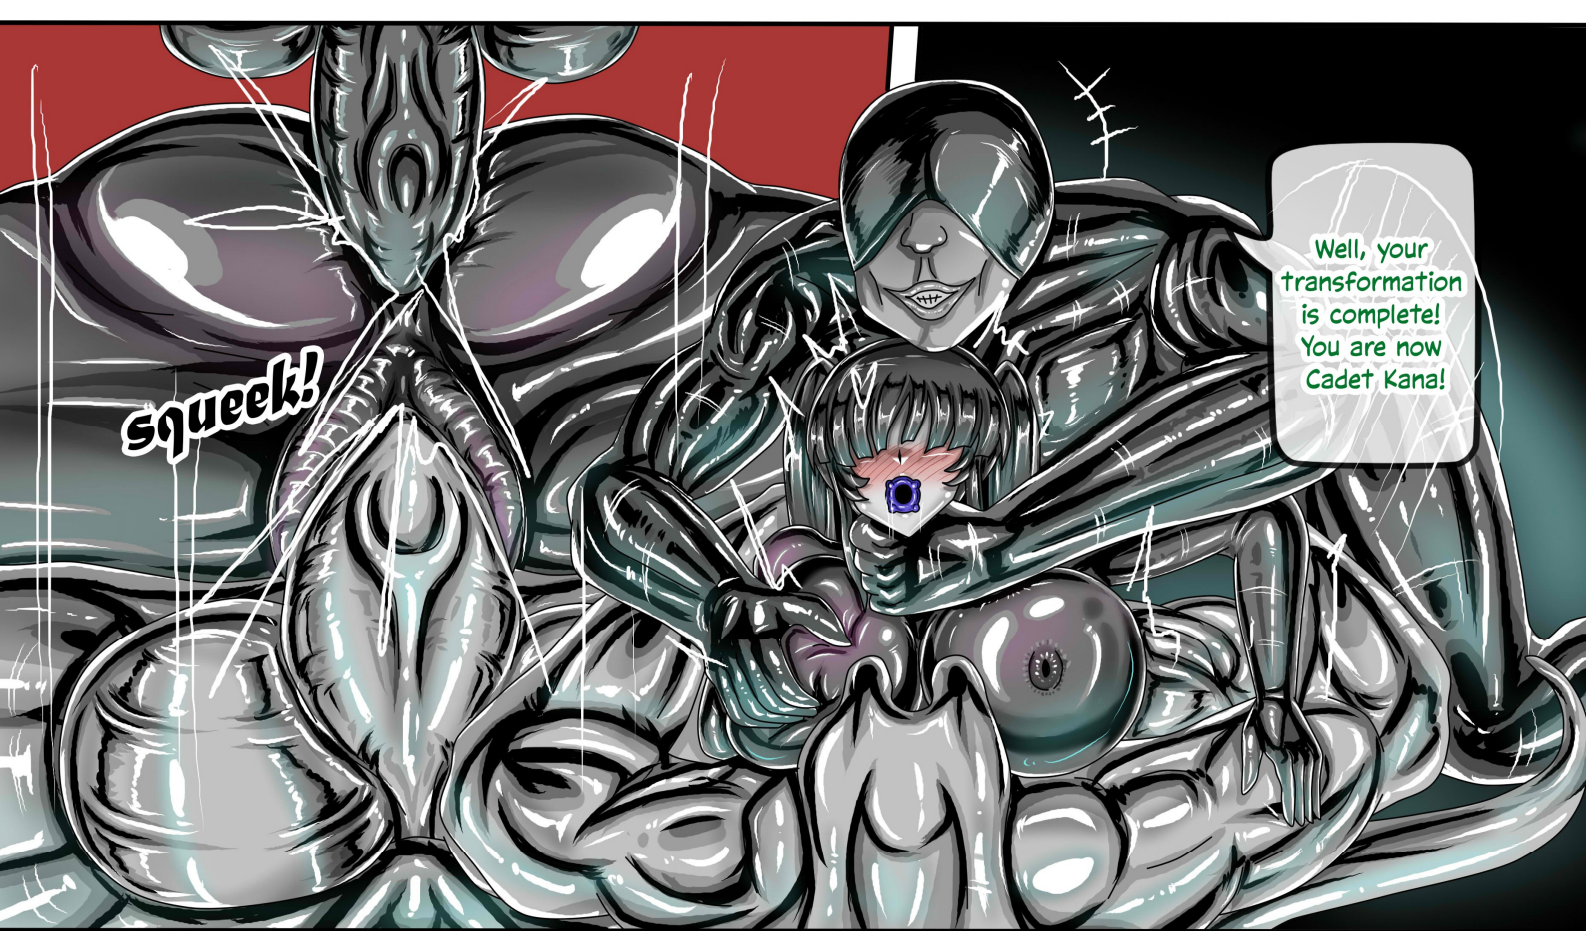

So that you don't get too fucked up, the tentacles will parasitize your body and protect it in exchange.

What a little whore! I think she'll make a great fleshlight !!

Ohh, it turns out that Kana-chan is actually a really slutty girl ...!

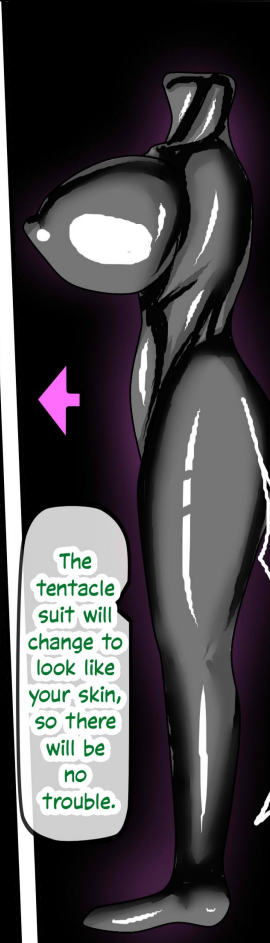

squeek!

Well, your transformation is complete! You are now Cadet Kana!

I became so addicted to the pleasure that I thought I was going to stay this way forever...

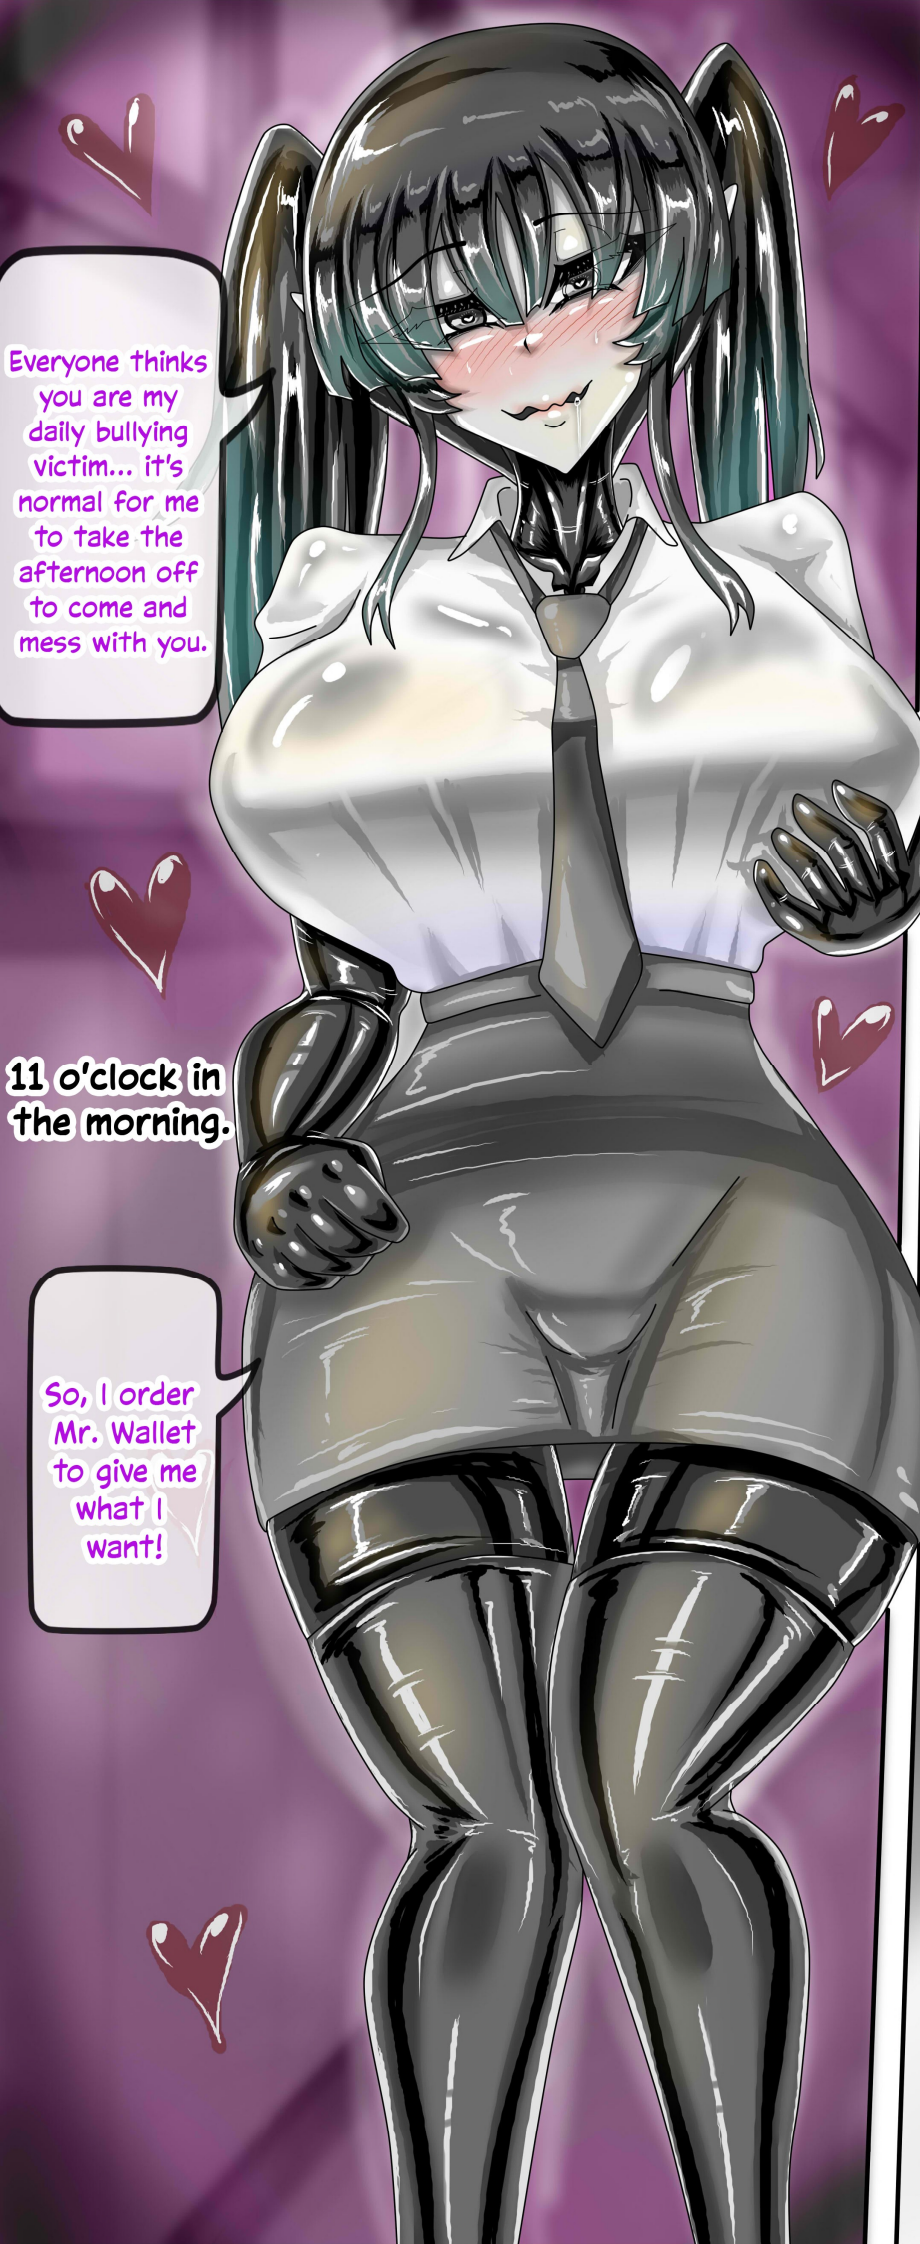

You need to help our organization achieve ever-more success here in this country!

The tentacle suit will change to look like your skin, so there will be no trouble.

Haaa... haaa...

It's Friday night! Monday morning, we'll get you back to school!

Everyone thinks you are my daily bullying victim... it's normal for me to take the afternoon off to come and mess with you.

11 o'clock in the morning.

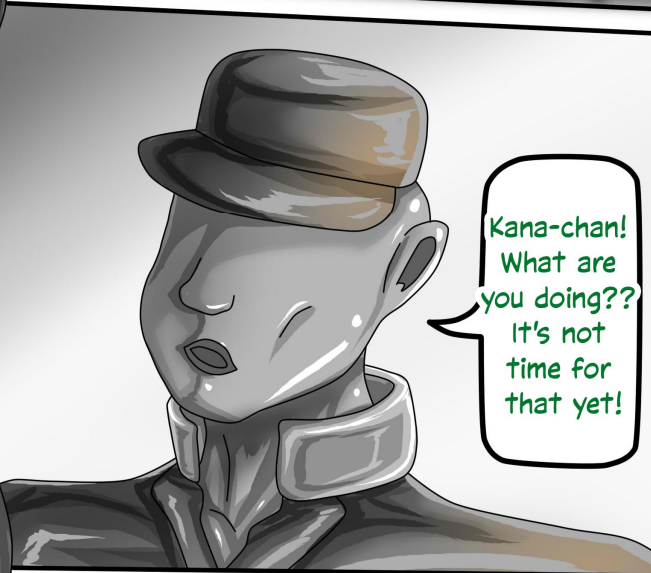

So, I order Mr. Wallet to give me what I want!

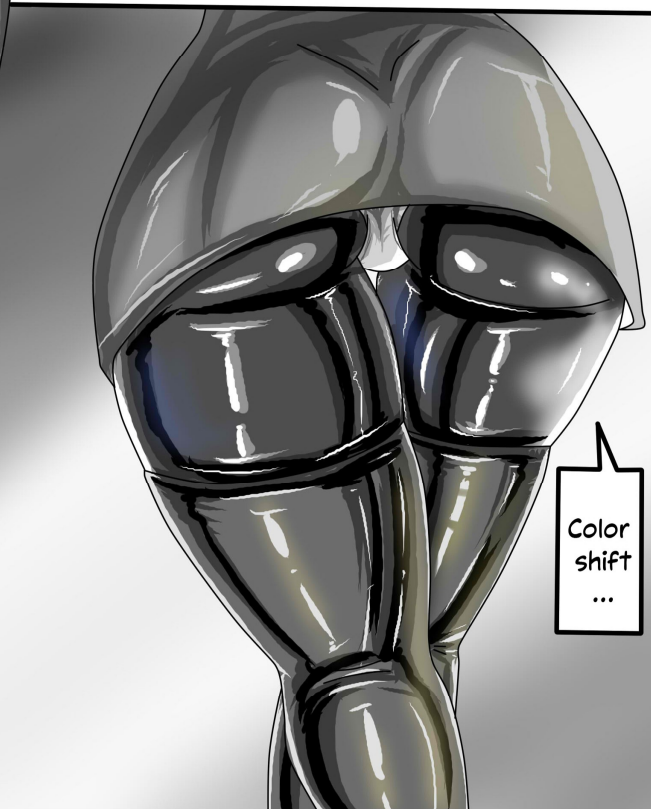

It turns out that girls who join are not just meat toilets, but recruiters. It seems there are many girls in the same situation as myself. Just like that, I returned to my normal life with new expectations of me. However...

Mr. Guard, sir...

Kana-chan! What are you doing?? It's not time for that yet!

Color shift ...

I'm not some freak, I'm a diligent school worker on the weekdays!! You wanna die, slut?? I'll fuck you up!!

Are you crazy?! You've been coming here too much - You revealed your tentacle suit in broad daylight!

Maintenance Staff  
Utility Shed

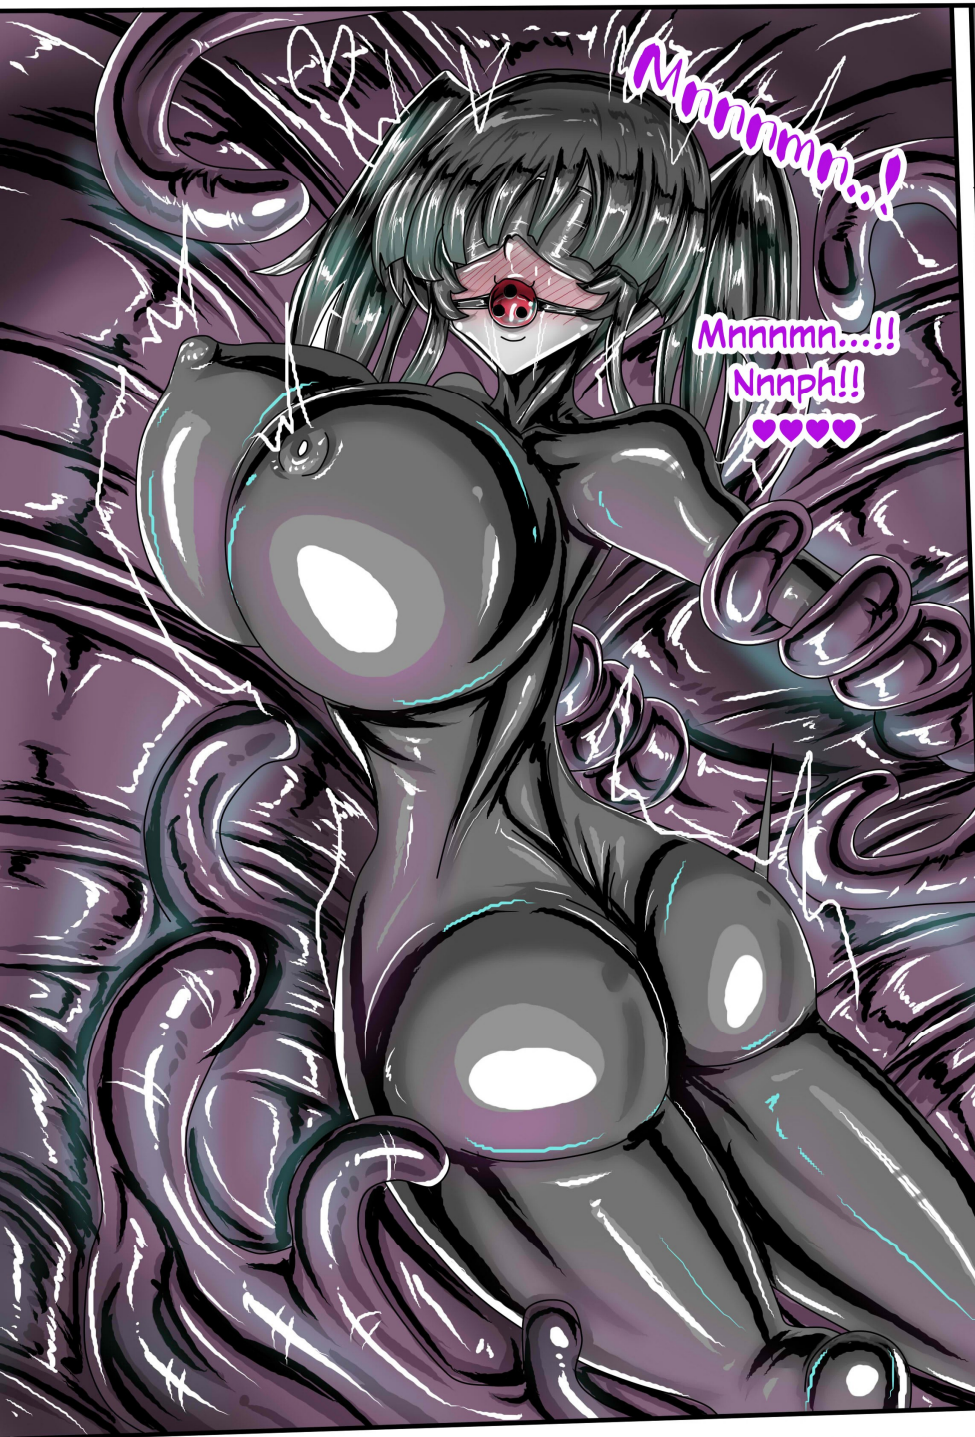

Mn Mn

Mn mn  
mn mnph!!!  
♥♥♥♥

If you keep doing this, something will happen to you, so cut it out!! I gotta get back to work...

Don't come around the utility shed if you have nothing to do! There's always rough types hanging around here, it's dangerous!

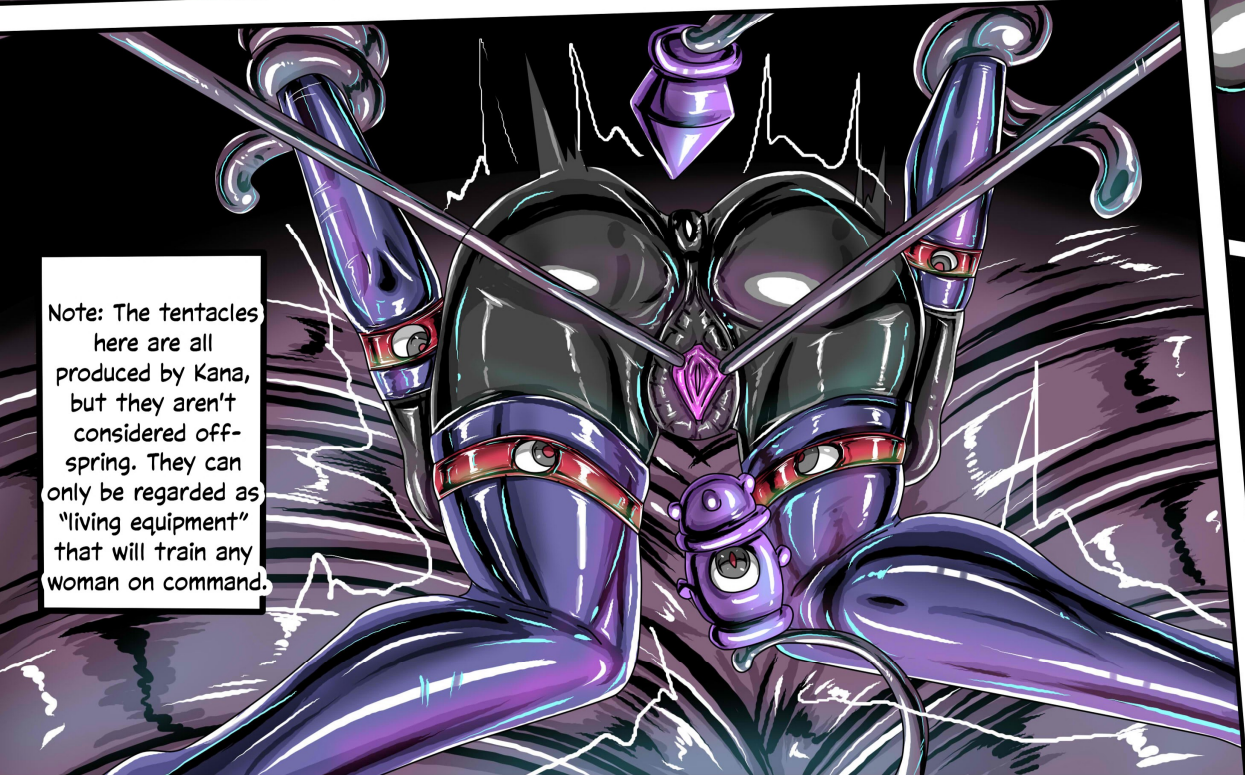

The tentacles will sort you out!!!

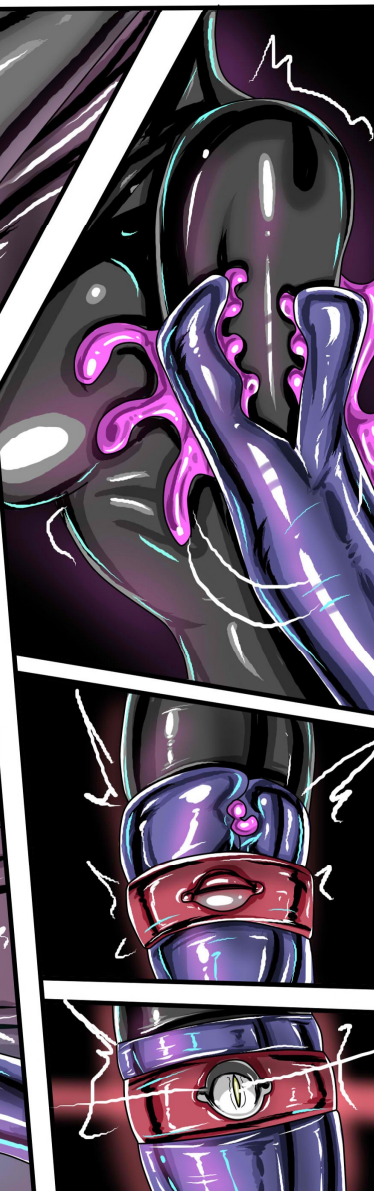

That girl is becoming more and more disobedient...

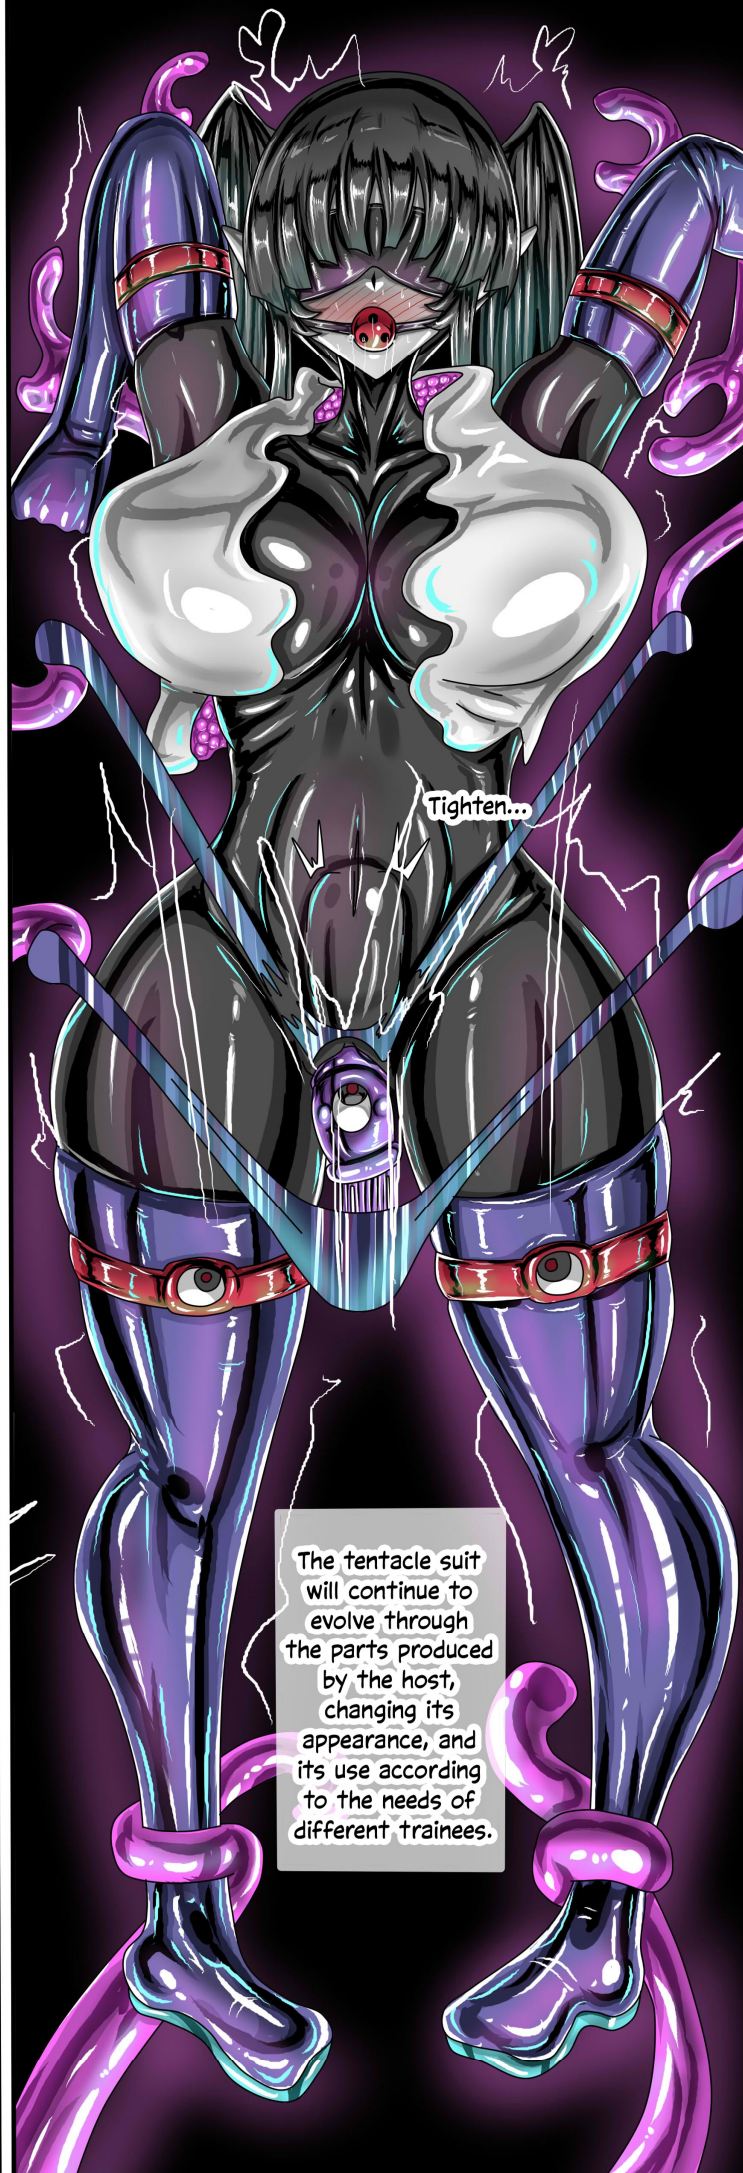

I'll clean up her act after work ...!

Note: The tentacles here are all produced by Kana, but they aren't considered offspring. They can only be regarded as "living equipment" that will train any woman on command.

The tentacle suit will continue to evolve through the parts produced by the host, changing its appearance, and its use according to the needs of different trainees.

*Meat Toilet Kana-Ghan*

*18+ Female Student*

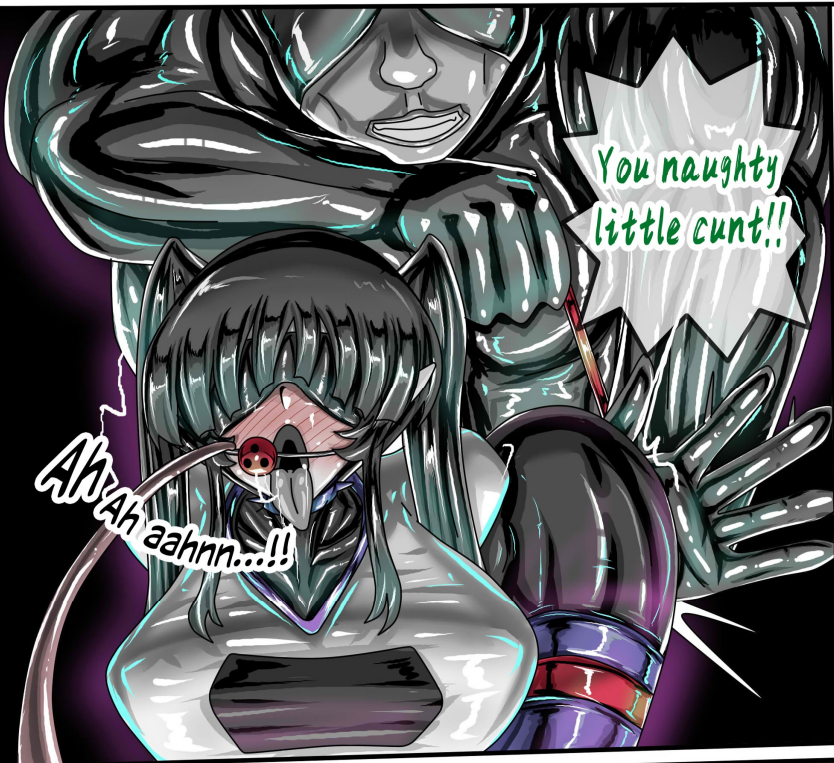

*"I like rough training~ ♥"*

*Please use*

*without a condom*

This suit can also control feeding with sperm and prevent any loss of semen-allowing the host total safety and health even with a sealed body.

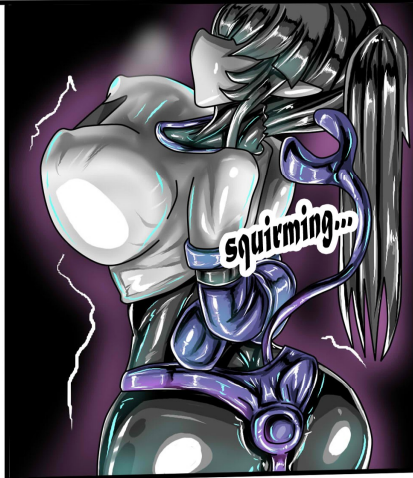

You naughty little cunt!!

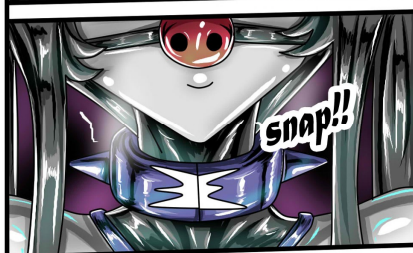

Ahhhh aahnn...!!

After school, when the staff gets off of work...

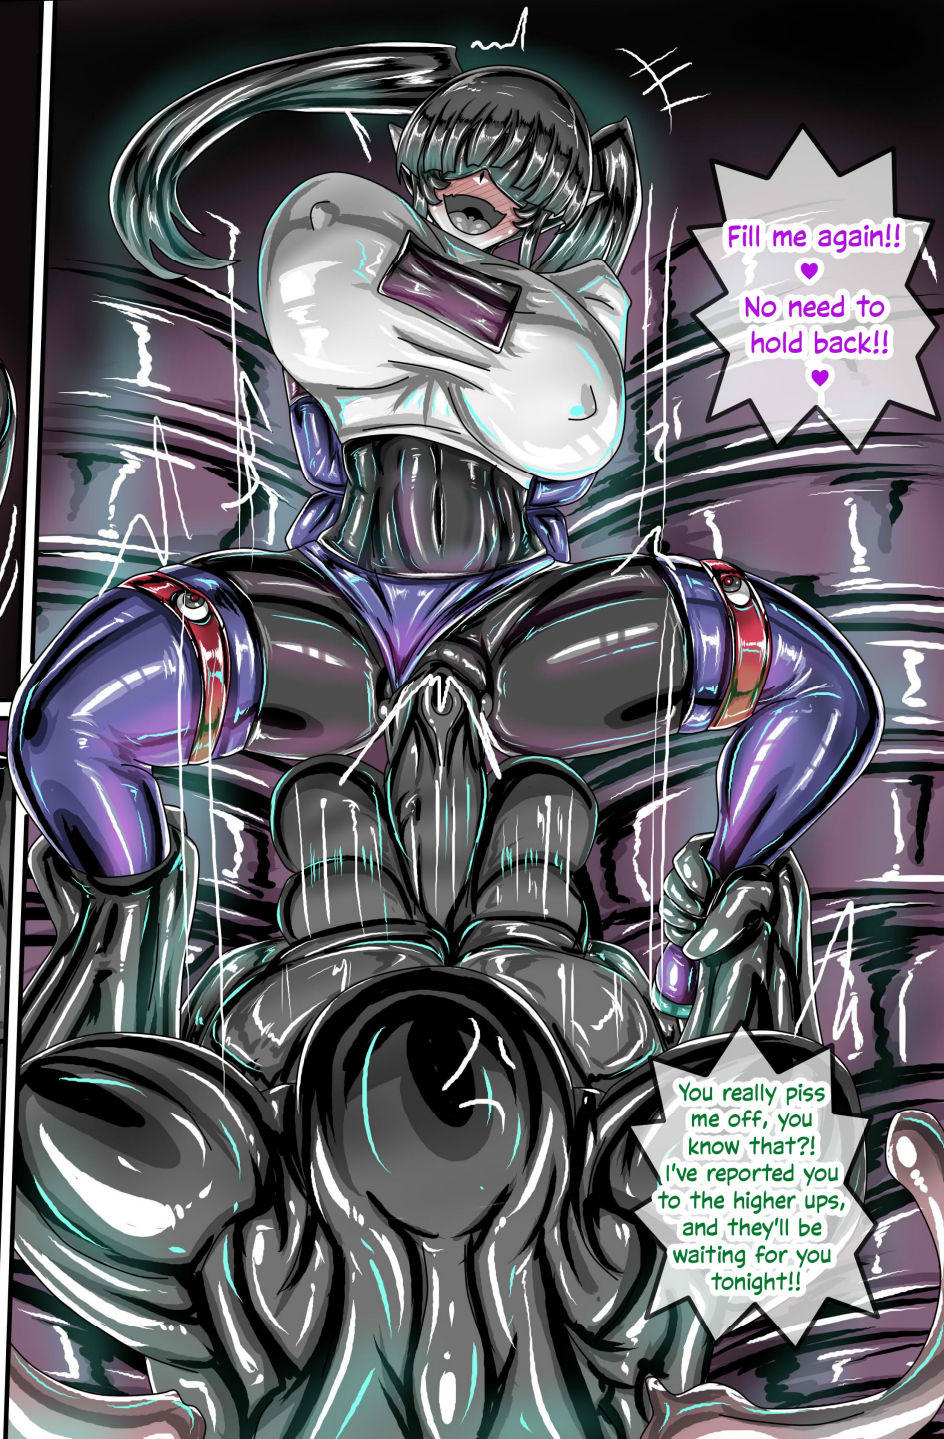

18:00

squirming...

snap!!

Fill me again!!

No need to hold back!!

I'm binding you up and taking you there, now...!

Yes yes! yes!!

You really piss me off, you know that?! I've reported you to the higher ups, and they'll be waiting for you tonight!!

This is  
no good...

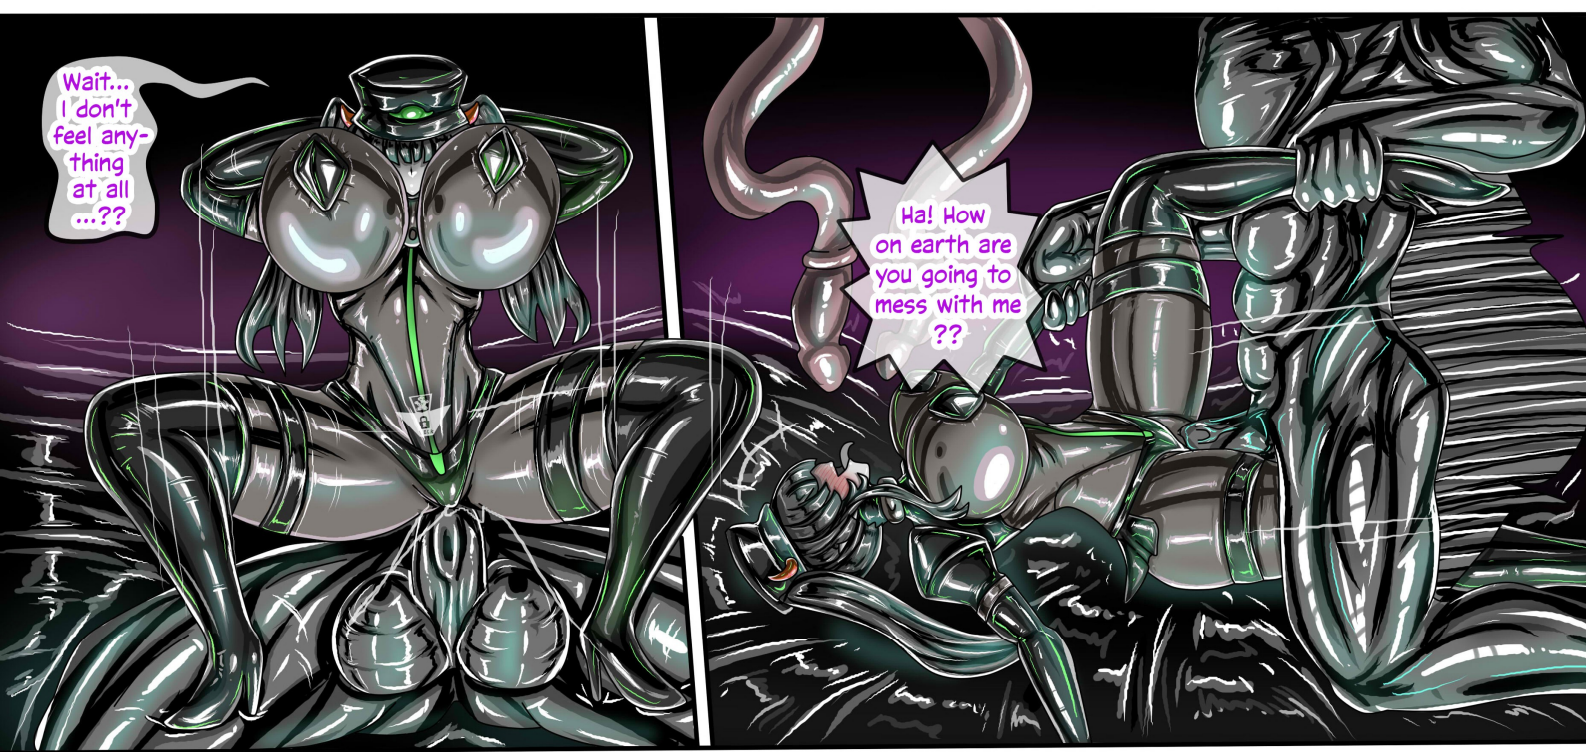

This greedy  
little fuck pig  
...  
I'm so angry  
right now!

Fuck me  
hard!  
Punish me!!  
♥

Her status is  
special due to  
her abilities,  
so she can't  
just be written  
off as a toilet...  
if she continues  
like this, the  
organization will  
be exposed.

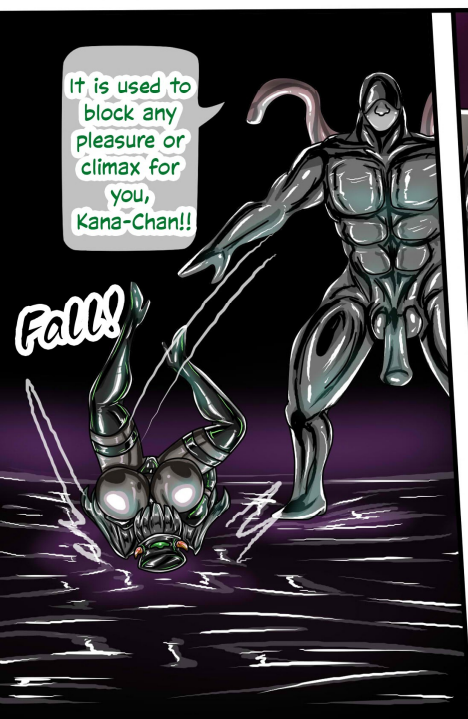

What's  
this...?

A masochistic  
whore like you won't  
benefit from the  
usual punishments...

Wait...  
I don't  
feel any-  
thing  
at all  
...??

Ha! How  
on earth  
are you  
going to  
mess with  
me ??

It is used to  
block any  
pleasure or  
climax for  
you,  
Kana-Chan!!

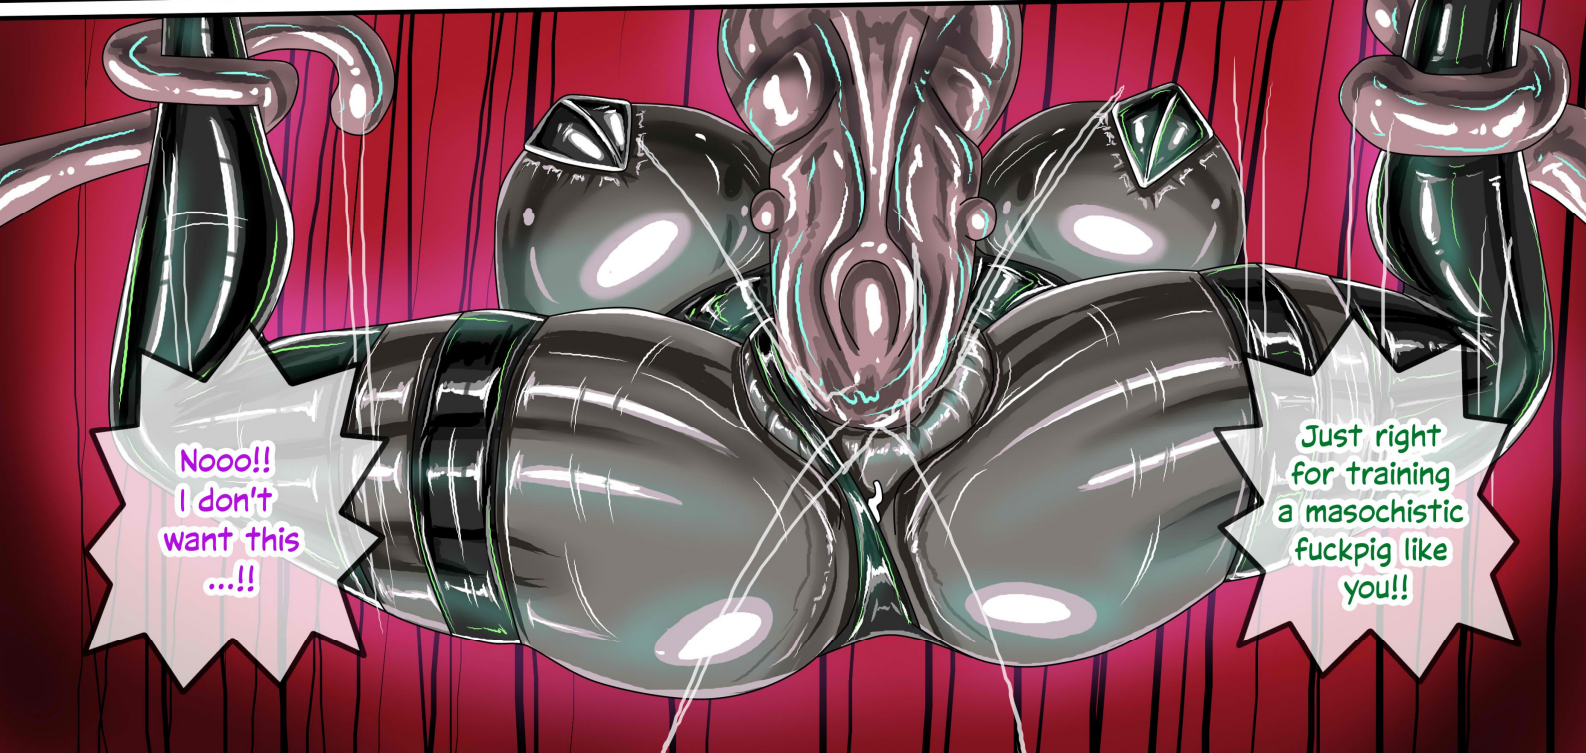

Falls!

That  
brand  
over your  
womb is  
exactly  
what it  
feels like!

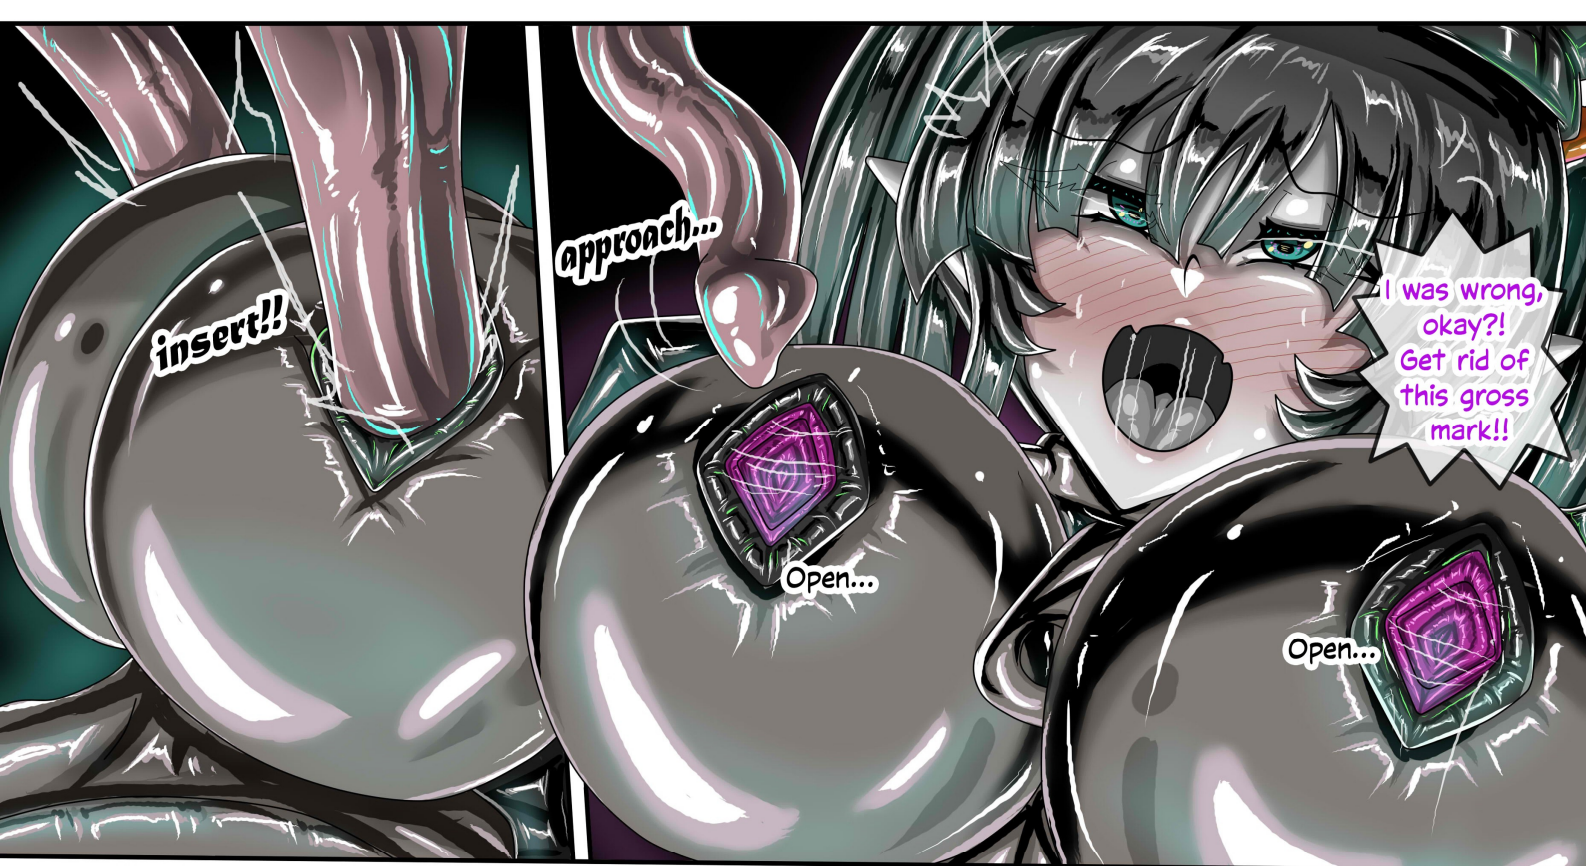

No way!!  
You can't  
mess with  
me like  
this!!

Nooo!!  
I don't  
want this  
...!!

Just right  
for training  
a masochistic  
fuckpig like  
you!!

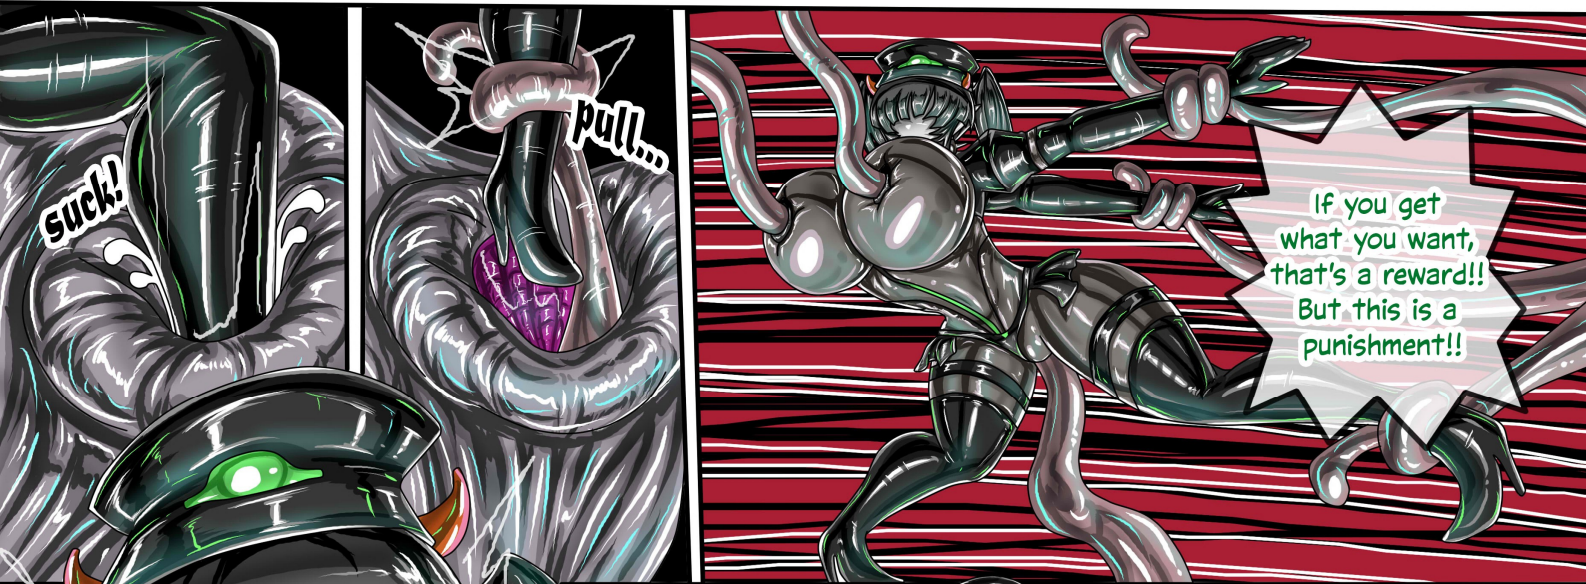

insert!!

approach...

Open...

Open...

I was wrong, okay?!  
Get rid of this gross mark!!

suck!

pull...

If you get what you want,  
that's a reward!!  
But this is a punishment!!

You stupid wallet, get rid of this dumb mark already!!

Your punishment begins now ...!!

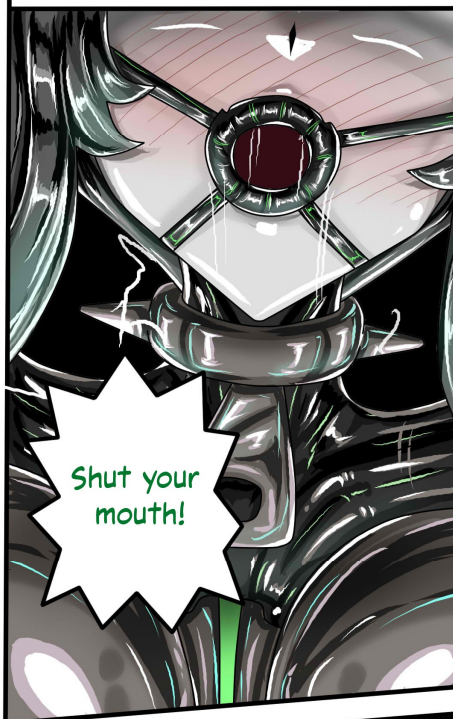

Sure enough, after losing all pleasure, she returned to her usual bratty, loud-mouthed self.

Ahhh  
Fuck you!!

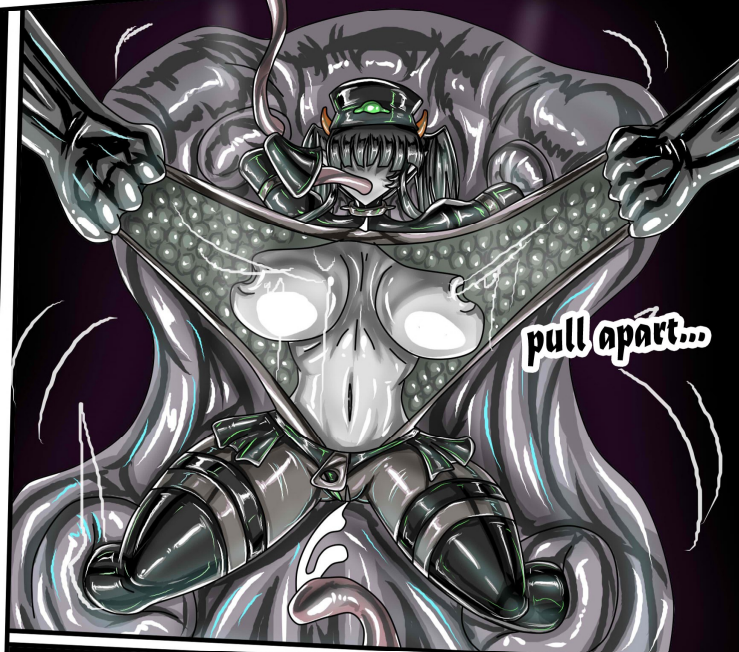

You asshole!!  
I came here to have fun, not--!!

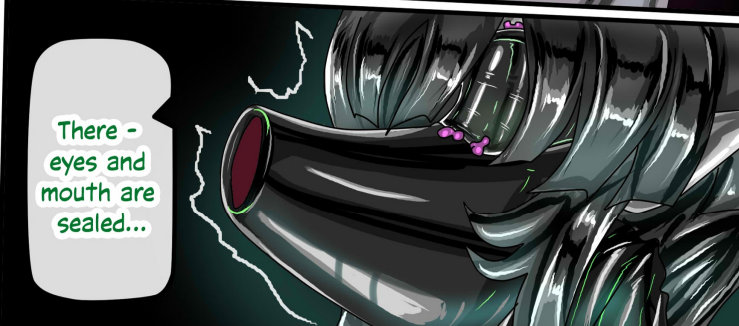

Shut your mouth!

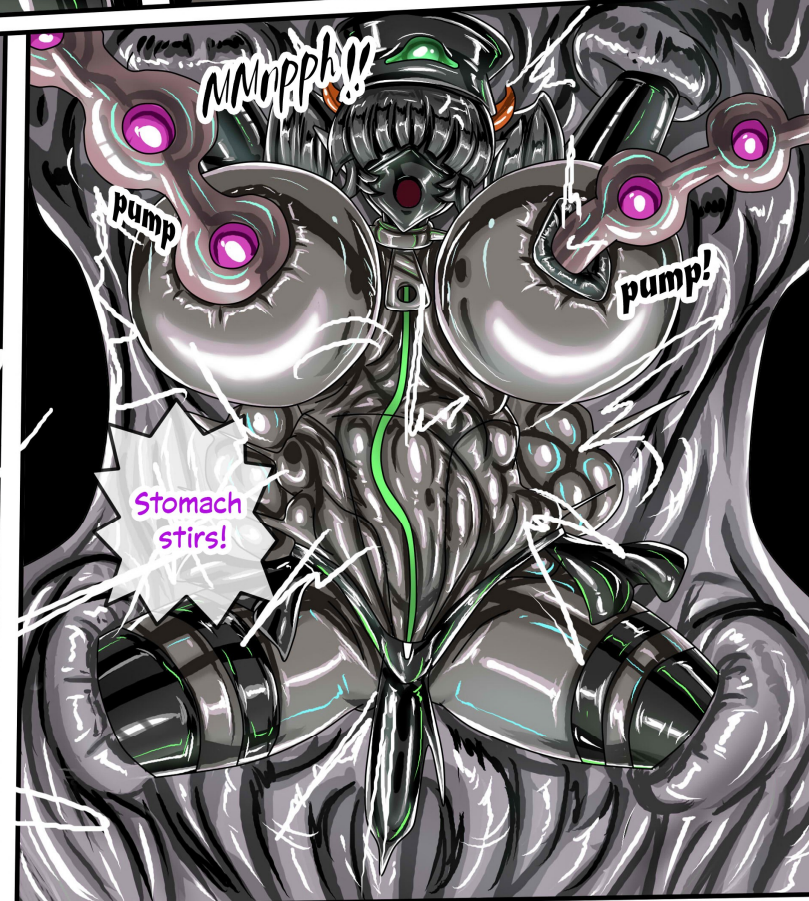

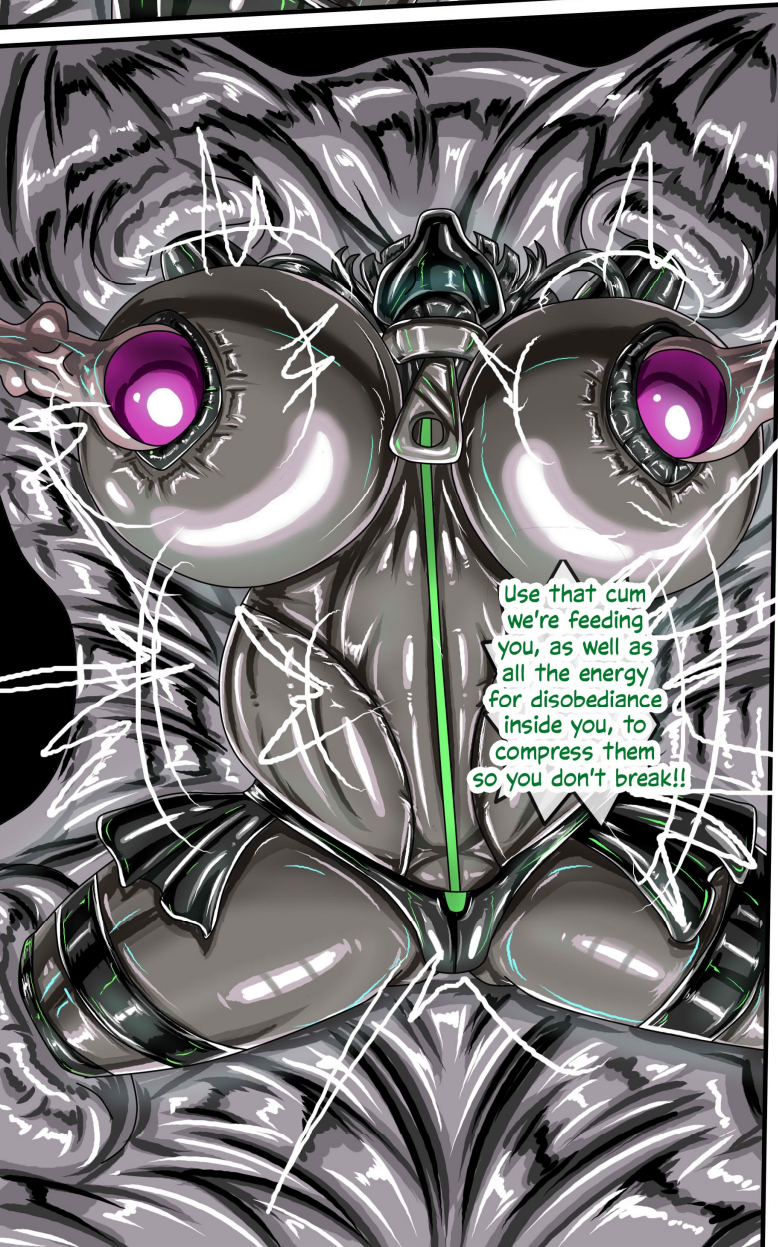

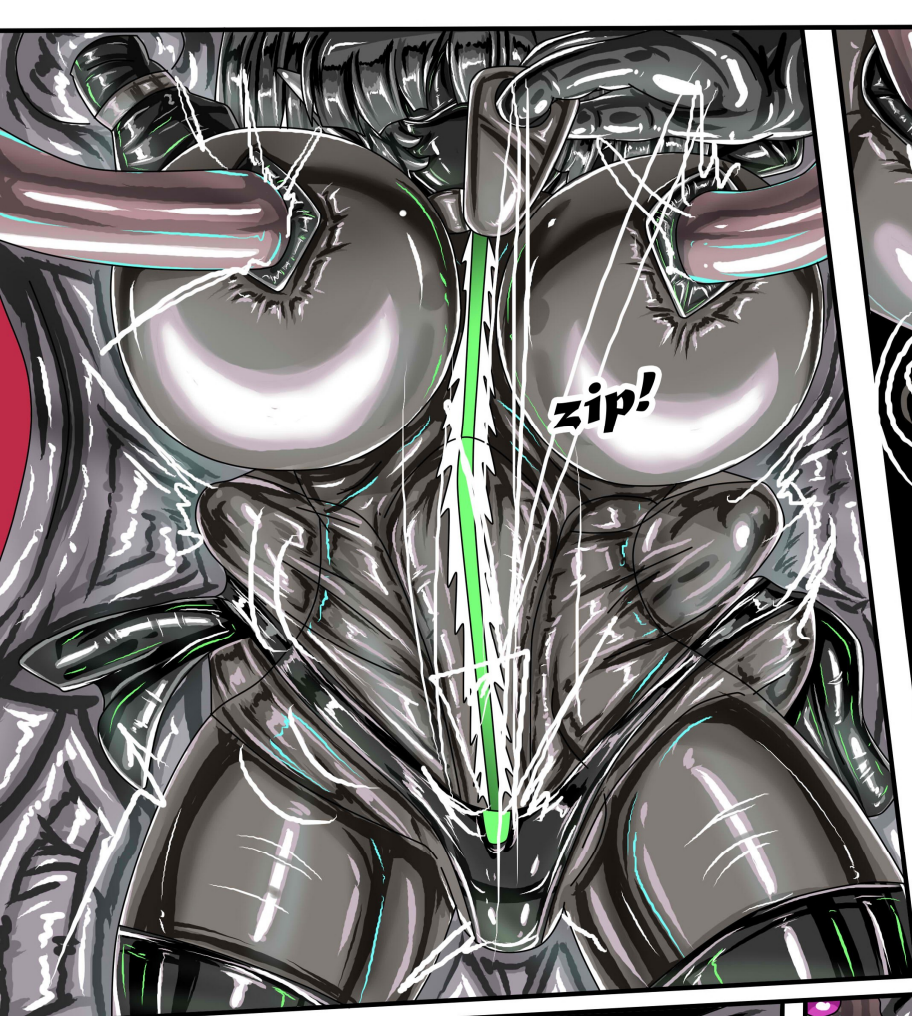

Now it's time to insert the special tentacles into her body...!!

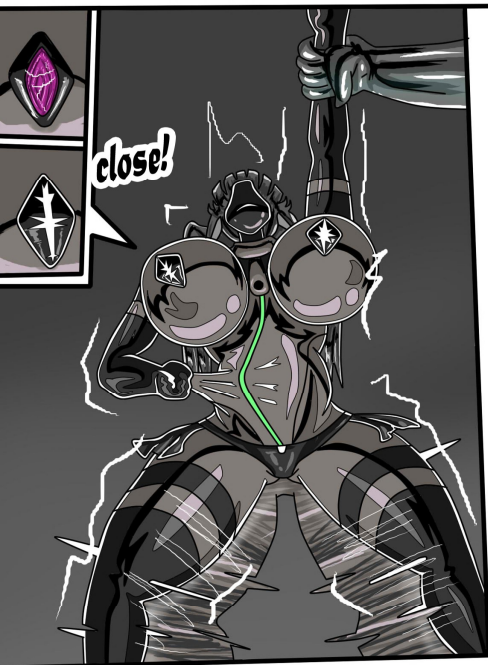

pull apart...

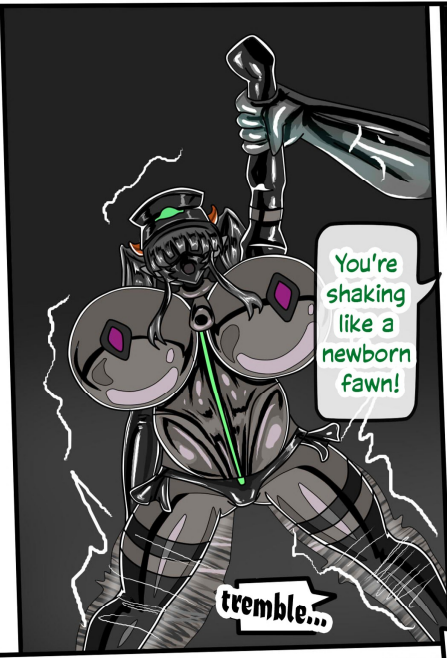

There - eyes and mouth are sealed...

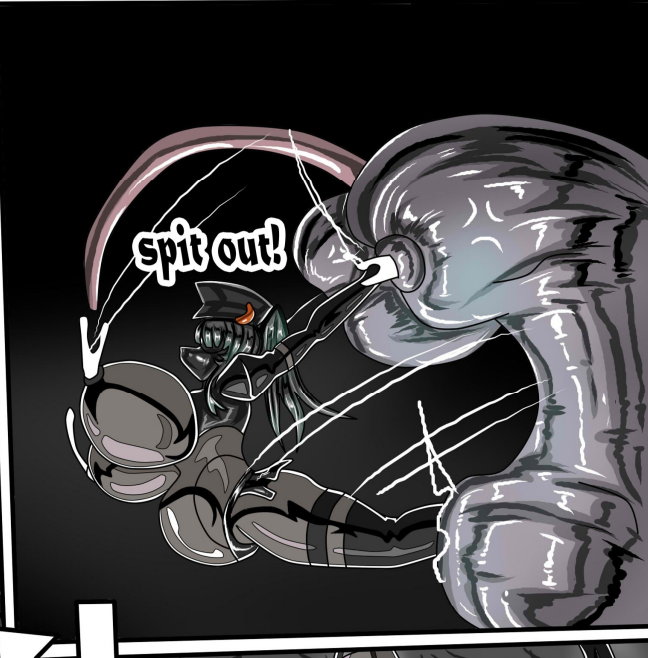

close!

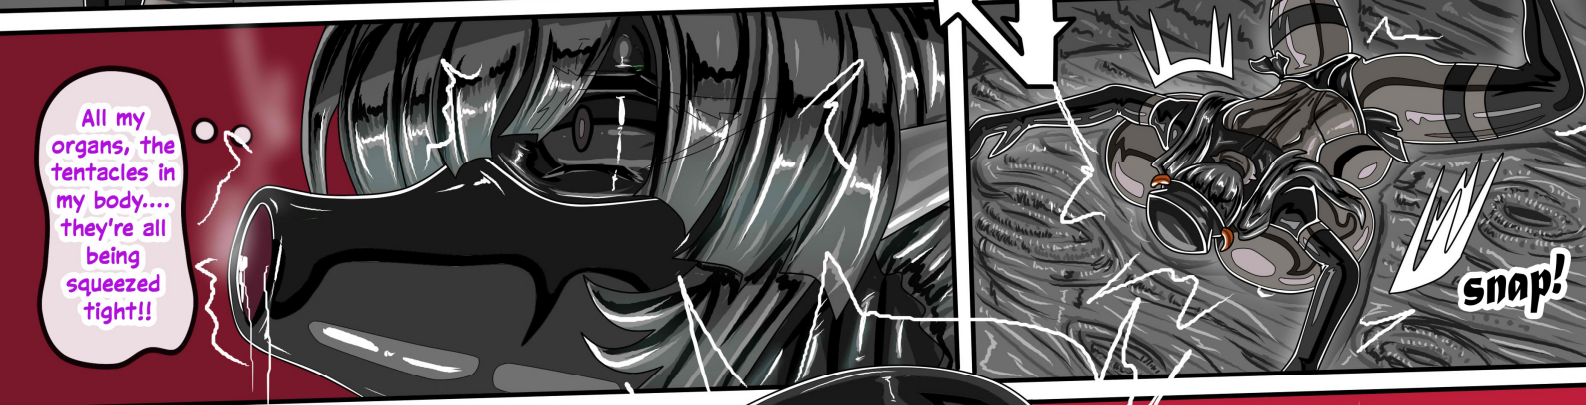

You're shaking like a newborn fawn!

tremble...

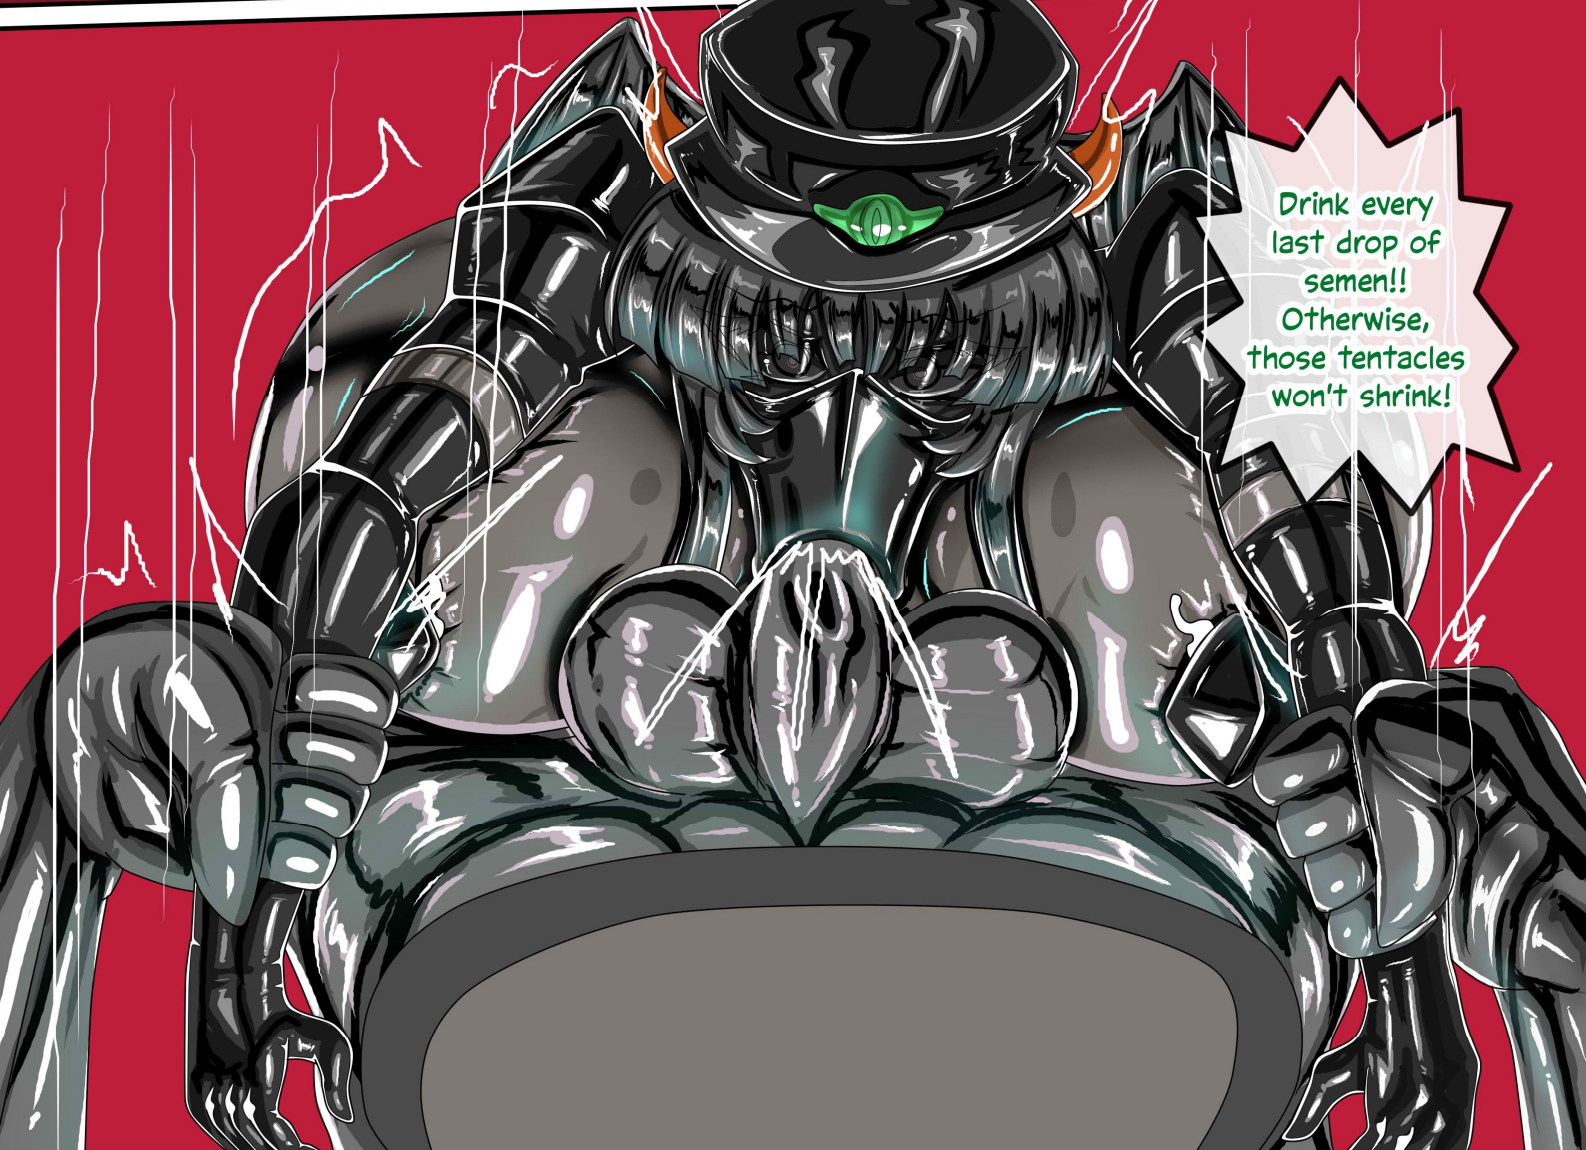

spit out!

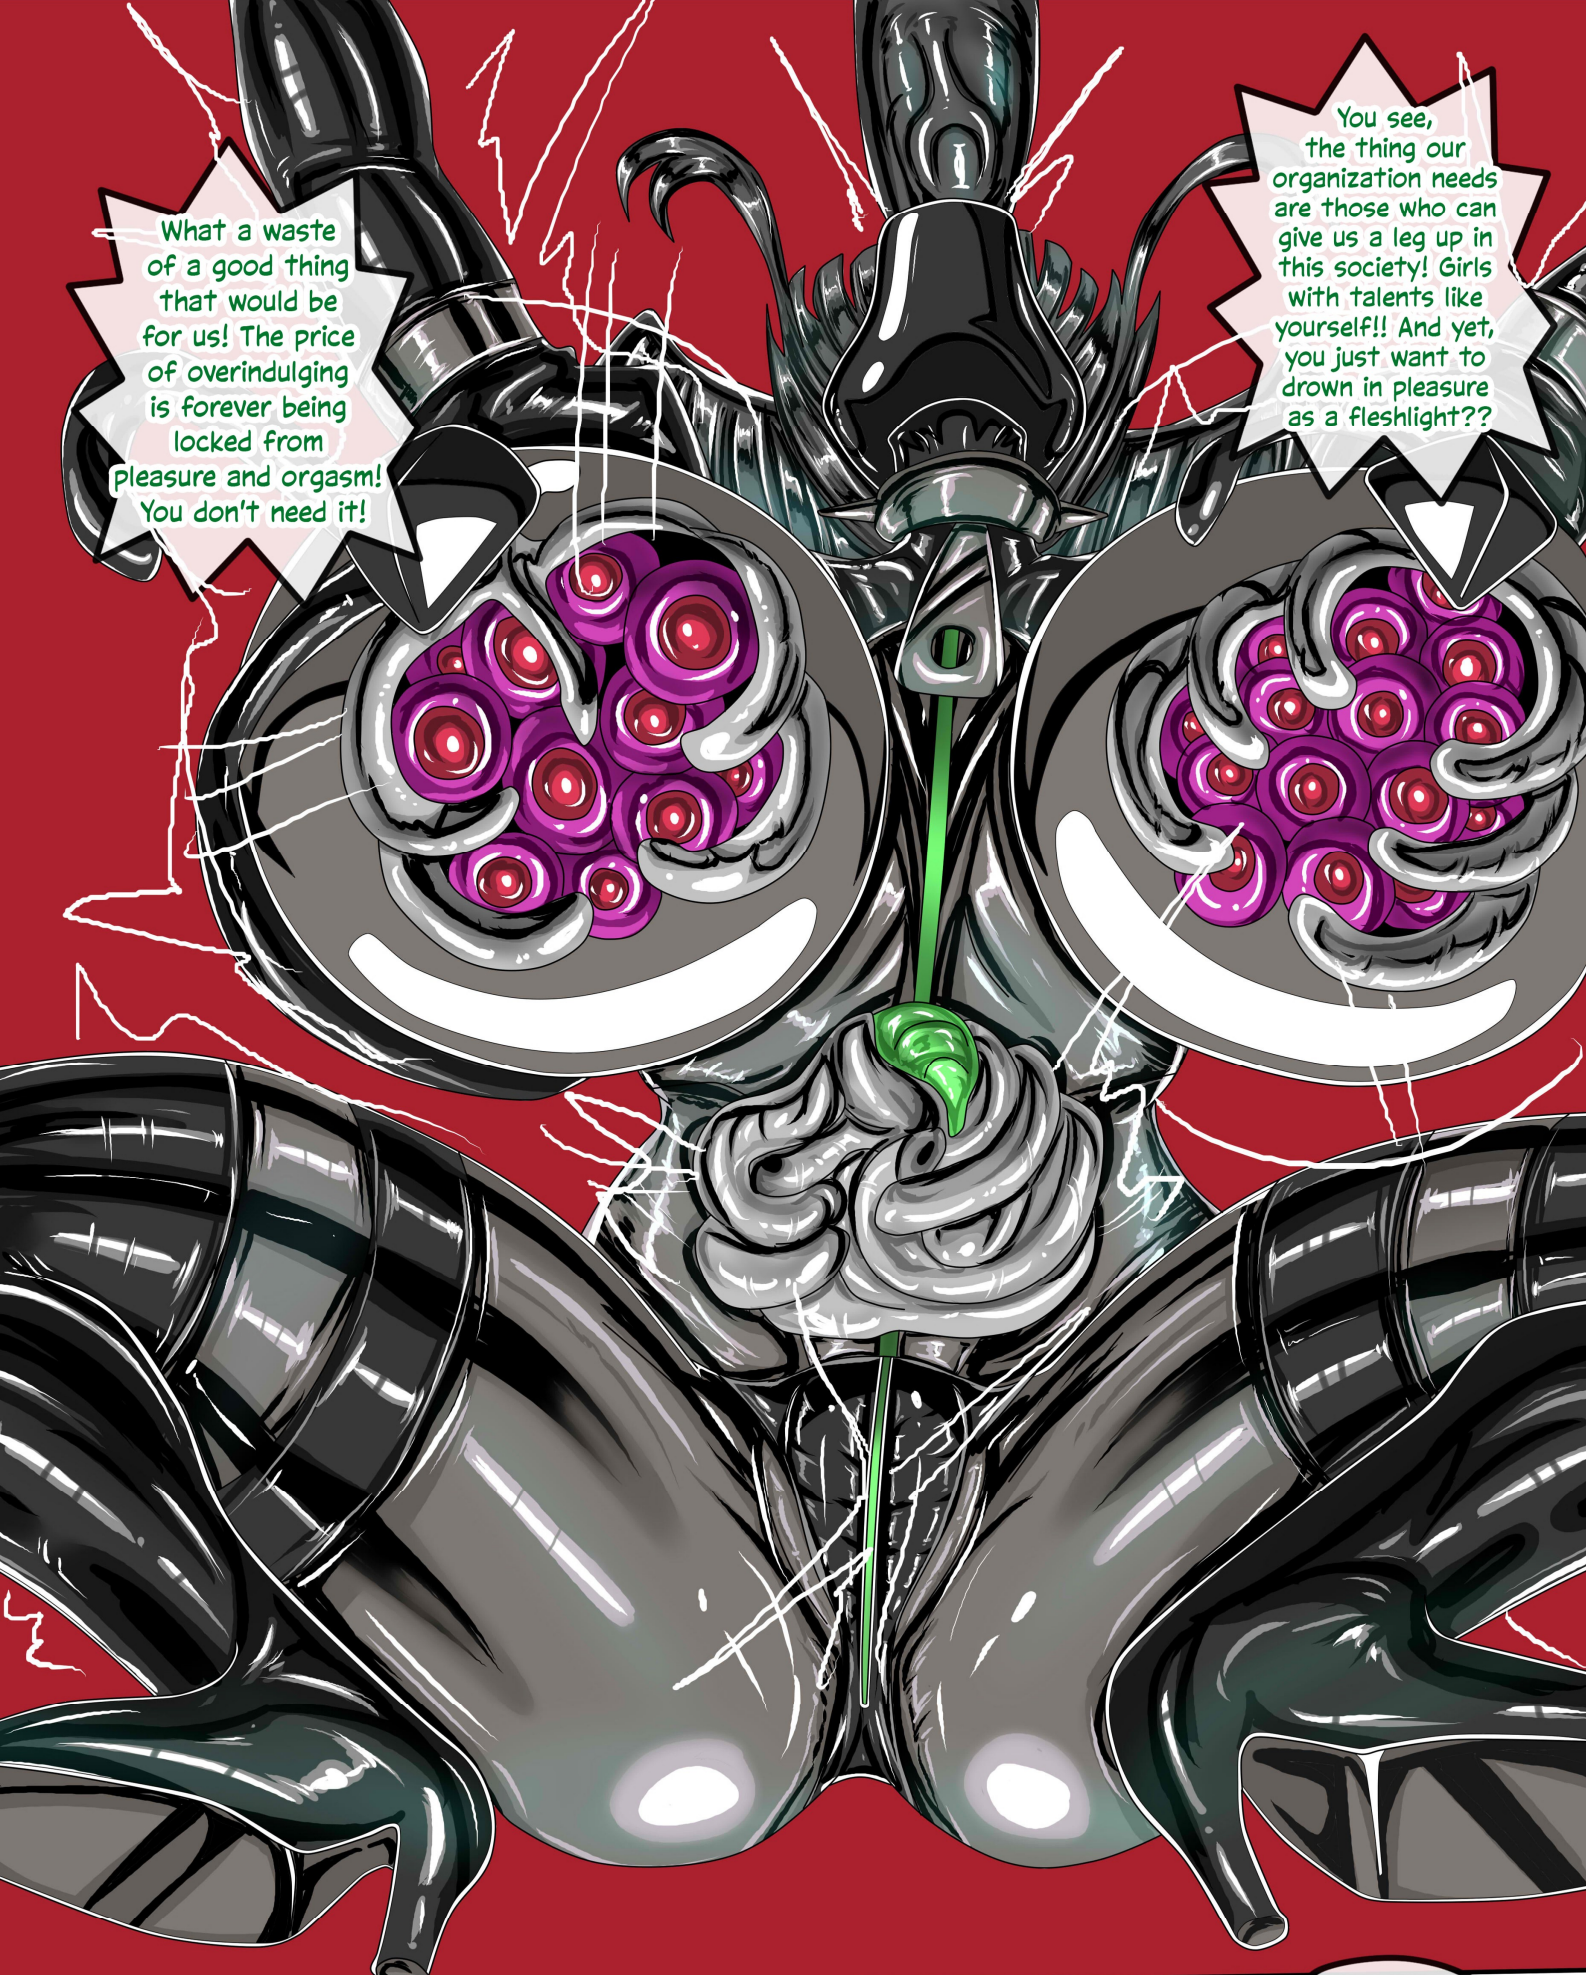

All my organs, the tentacles in my body... they're all being squeezed tight!!

snap!

Drink every last drop of semen!! Otherwise, those tentacles won't shrink!

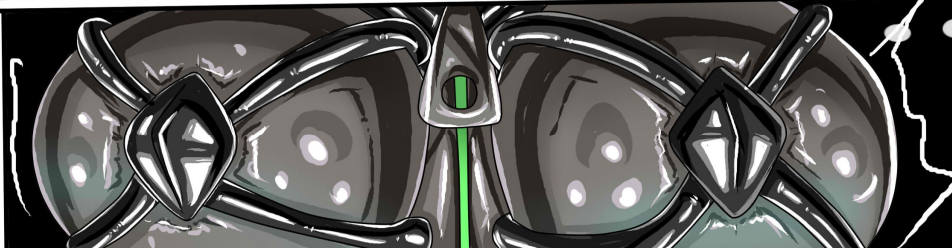

What a waste of a good thing that would be for us! The price of overindulging is forever being locked from pleasure and orgasm! You don't need it!

You see, the thing our organization needs are those who can give us a leg up in this society! Girls with talents like yourself!! And yet, you just want to drown in pleasure as a fleshlight??

Open...  
slide out...

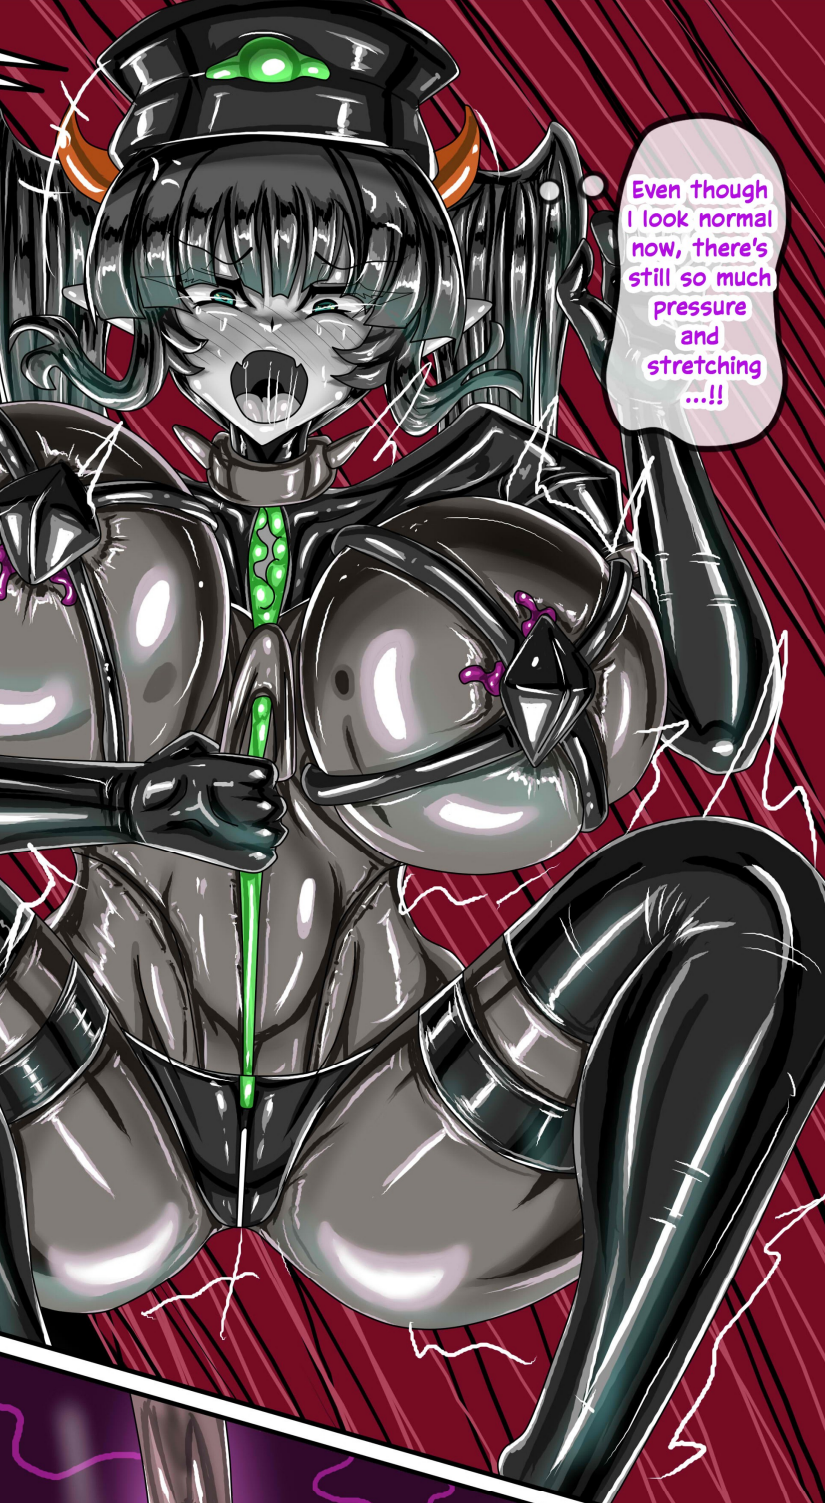

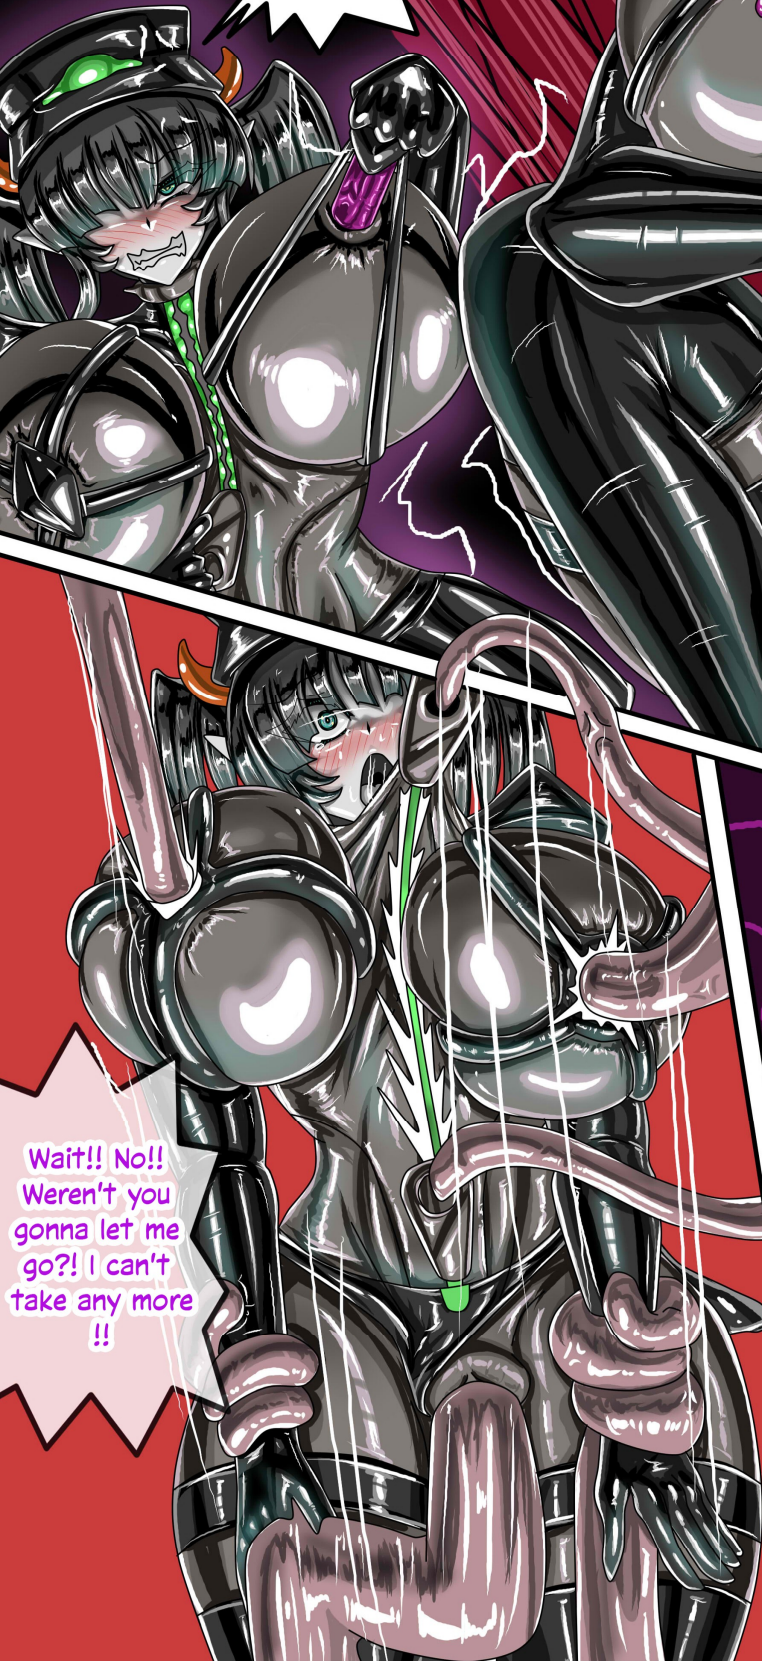

After swallowing the cum... the thrashing tentacles became smaller... but they still have all this energy! Like they're vibrating...!

To become an elite member of society, Kana-chan, you have to develop a good demeanor!

I can't pull it off!! Please, get rid of these things inside me ...!!

I'm really sorry, I was wrong, okay?! I will be a good girl and go to classes! I'll behave before evening meetings or recruitments! I promise!!

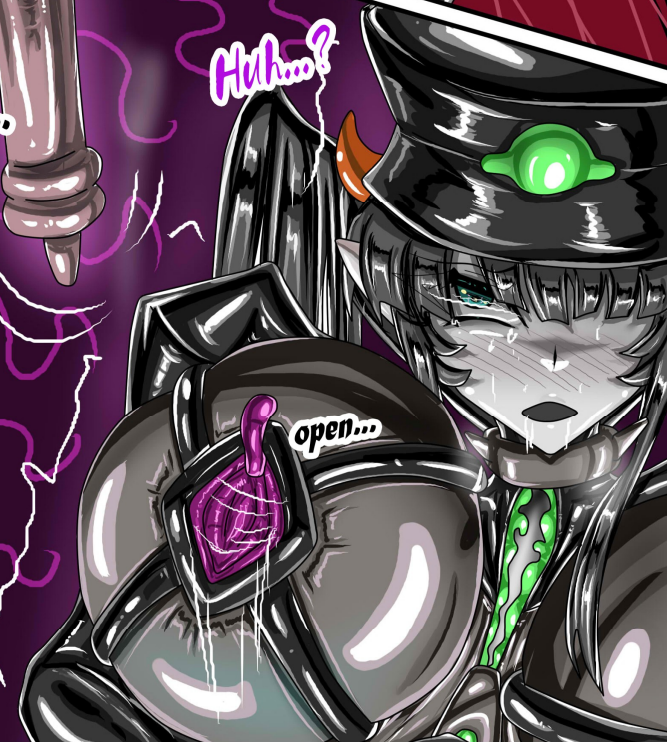

Even though I look normal now, there's still so much pressure and stretching ...!!

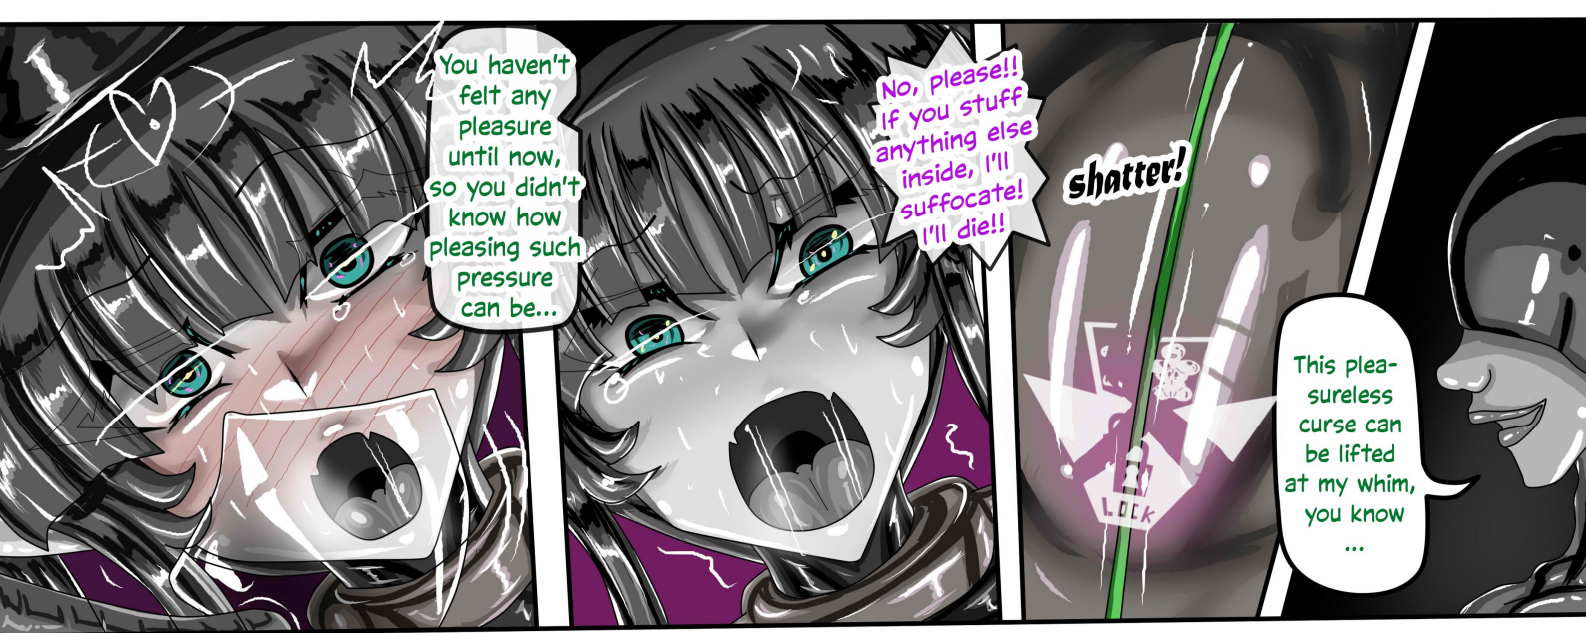

slither....

Huh...?

Wait!! No!! Weren't you gonna let me go?! I can't take any more !!

open...

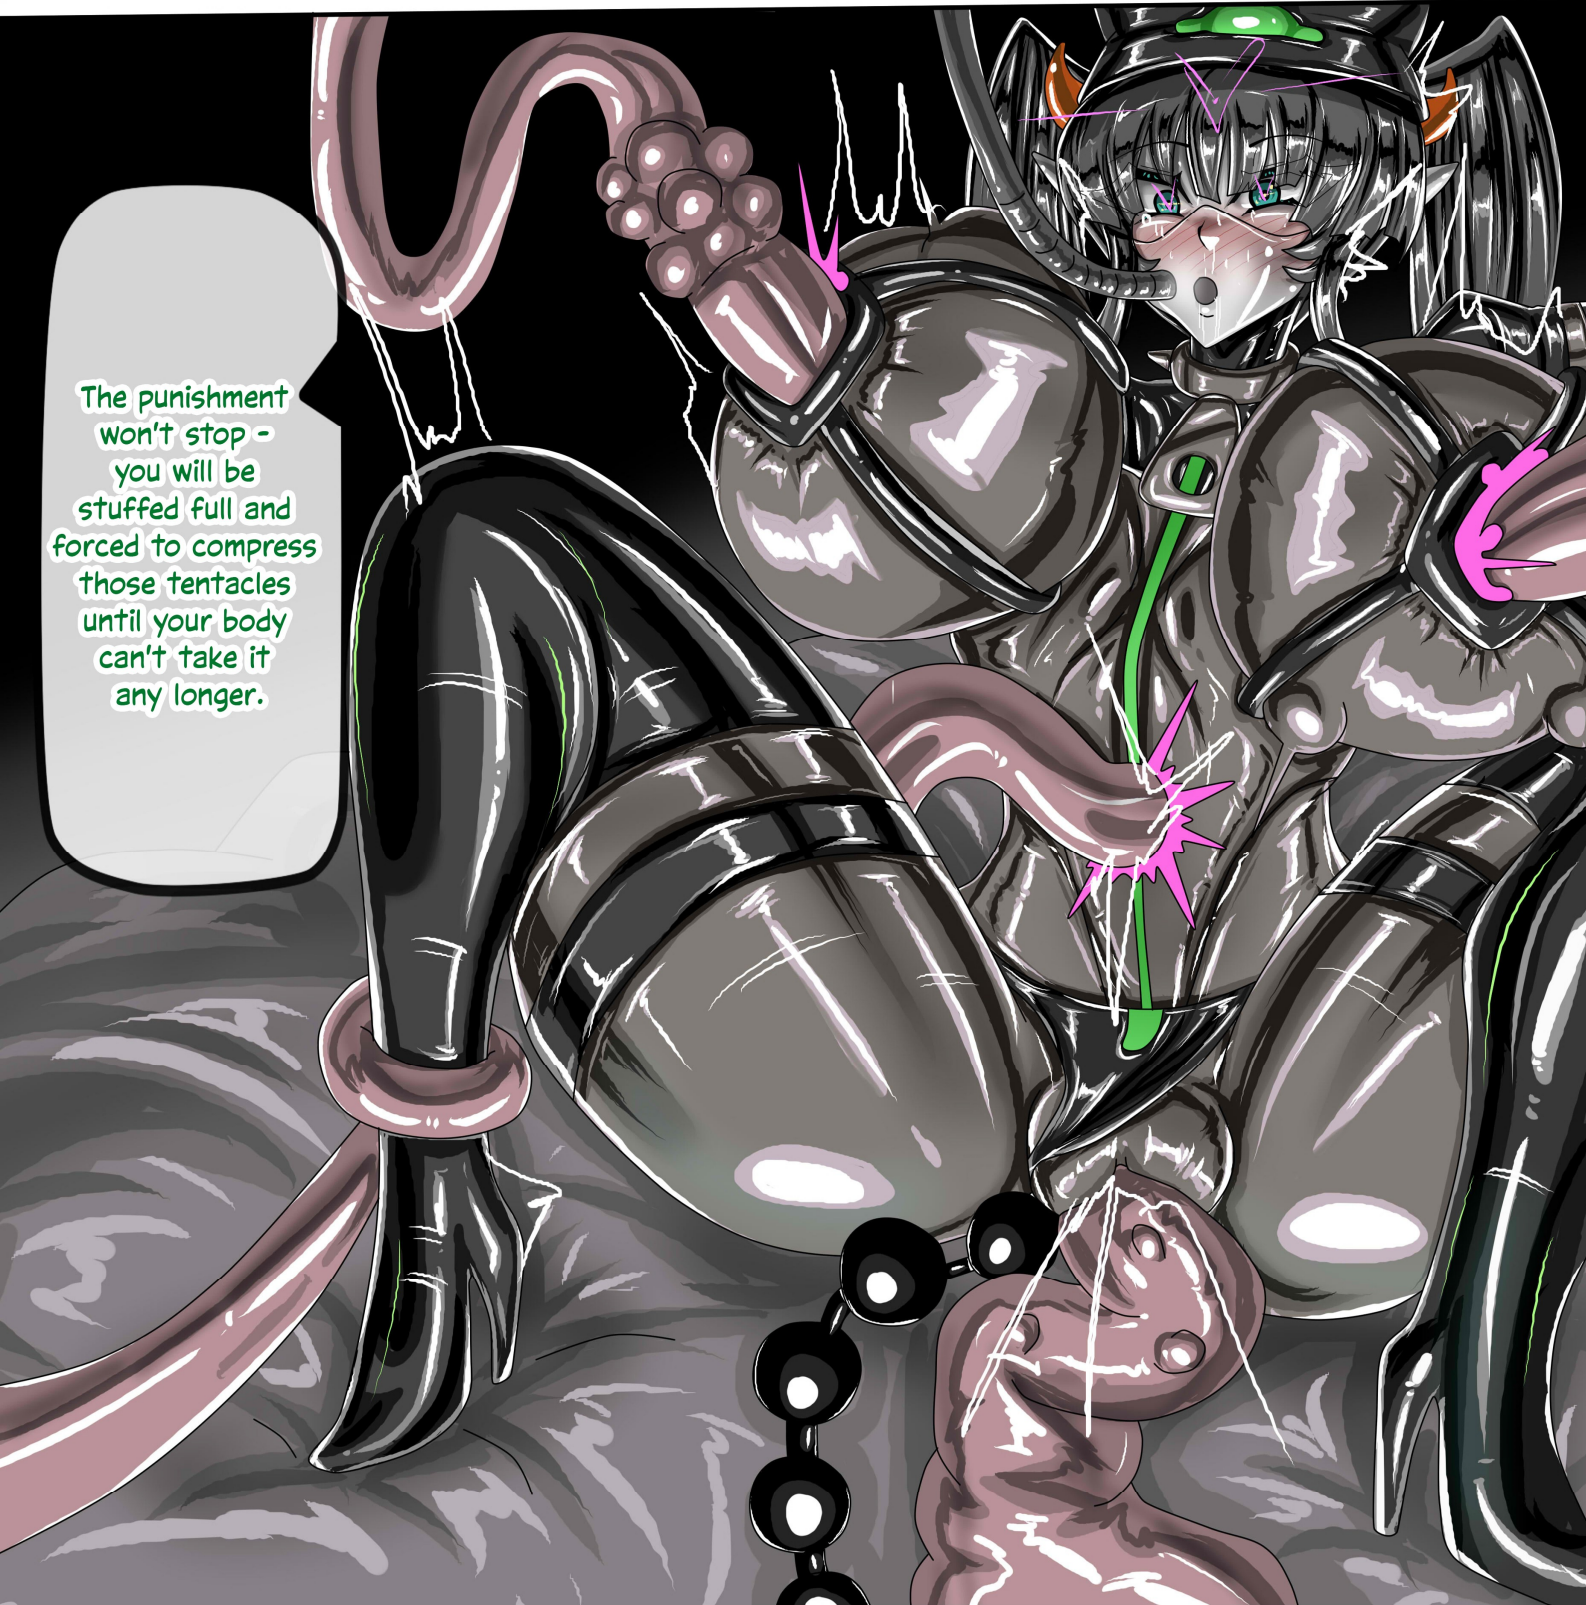

You haven't felt any pleasure until now, so you didn't know how pleasing such pressure can be...

No, please!! If you stuff anything else inside, I'll suffocate! I'll die!!

shatter!

This pleasureless curse can be lifted at my whim, you know ...

The punishment won't stop - you will be stuffed full and forced to compress those tentacles until your body can't take it any longer.

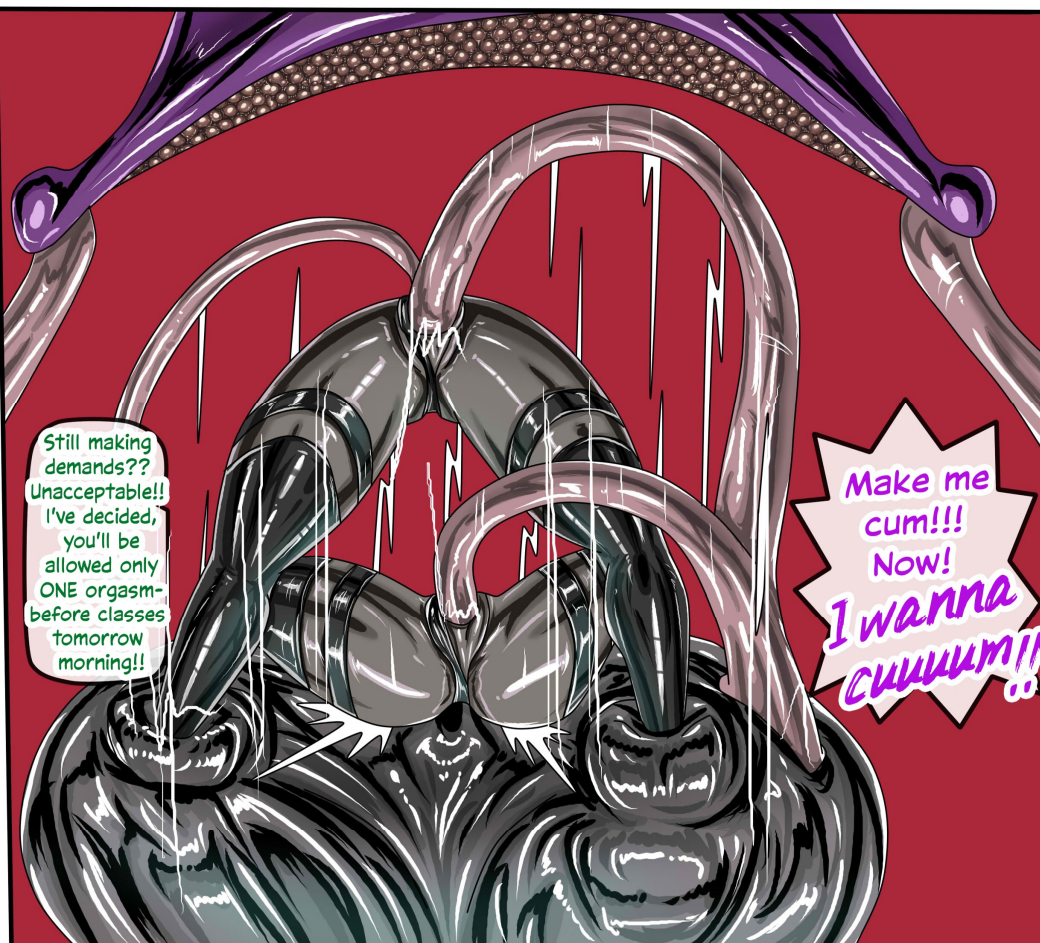

Oh my GOD!!  
It feels  
so amazing  
.....!!

Mnnpphh  
Oooooouuhhh  
YESSS!!  
♥♥♥♥

It's  
dangerous  
for you to be  
thrashing  
around like  
this, so I'm  
going to have  
to seal you  
tightly.

Still making  
demands??  
Unacceptable!!  
I've decided,  
you'll be  
allowed only  
ONE orgasm-  
before classes  
tomorrow  
morning!!

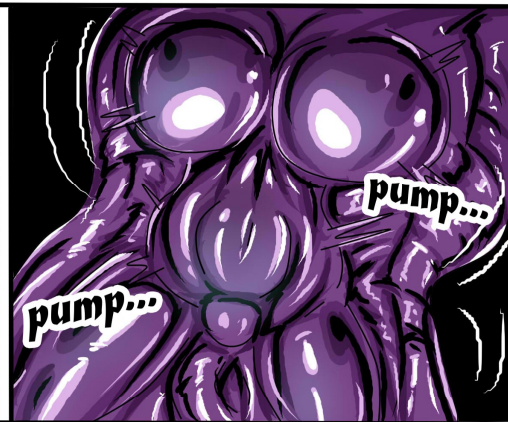

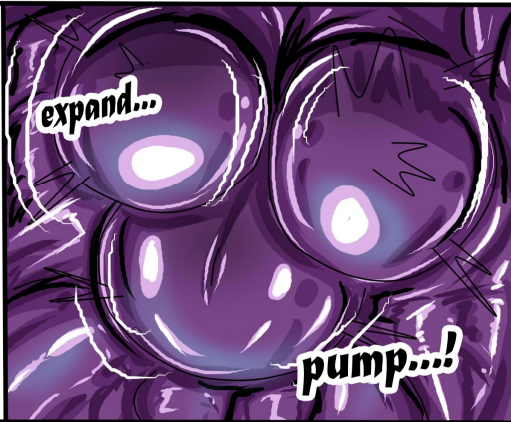

Make me  
cum!!!  
Now!  
I wanna  
cummm!!

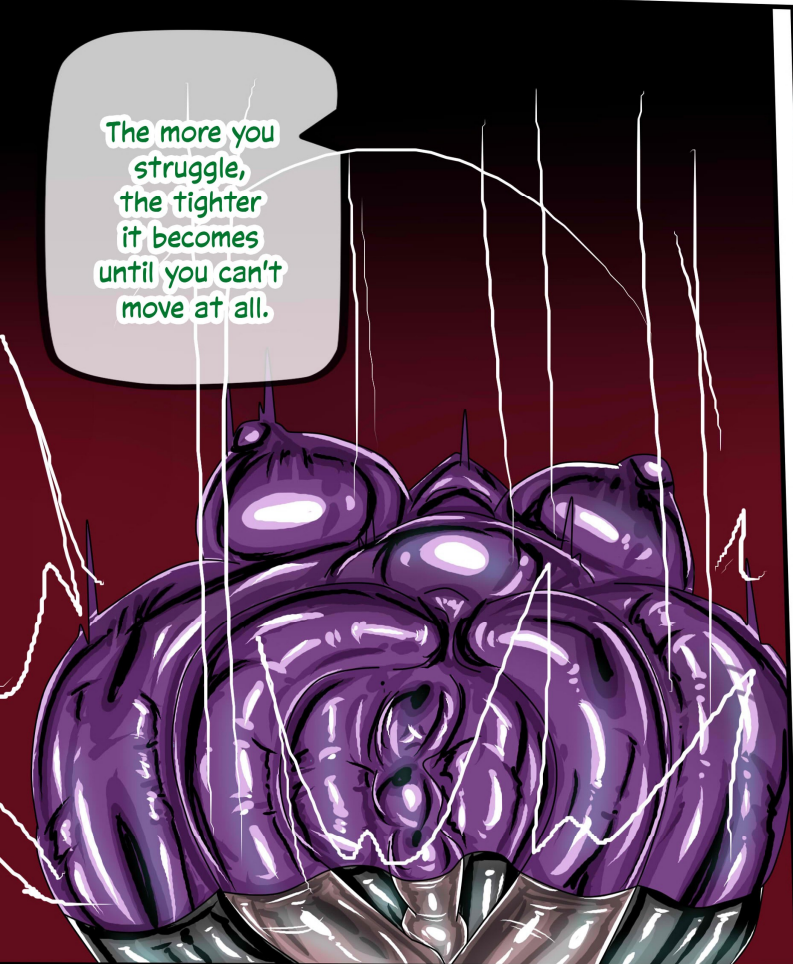

Even more of  
that thick  
tentacle meat  
is about to  
fill you up,  
Kana-Chan....  
are you ready?  
Hah!

...

Remember this lesson well... otherwise, I have much harsher ways of dealing with greedy little fuckdolls like you.

The more you struggle, the tighter it becomes until you can't move at all.

You cannot just brute force your way out of this thing...

And just like that, Kana-chan is stuffed full and forced to compress it, over and over, until the next morning...

The first thing you think about when being released is cumming?? Not releasing all the tentacles?!

(cough)  
I'll... be a good girl... I promise... Please sir, let me cum...

Ah...!! But master ...

What an insane, masochistic bitch you are... Let me pull out all those tentacles - then you can cum.

You will be freed at the proper times at night!! Do I need to punish you again, Kana-chan??

Ah... yes sir... please use Kana-chan's body for your pleasure in the evenings...

Take a proper rest and go to class! I'm going to seal your pleasure and orgasms during the day - it's good for you!

Thank you master... Thank you for freeing me...  
♡♡

End...?
