

BUNNY
&
TENTACLES

2 PART B

I'm locked from cumming, this situation is driving me crazy.

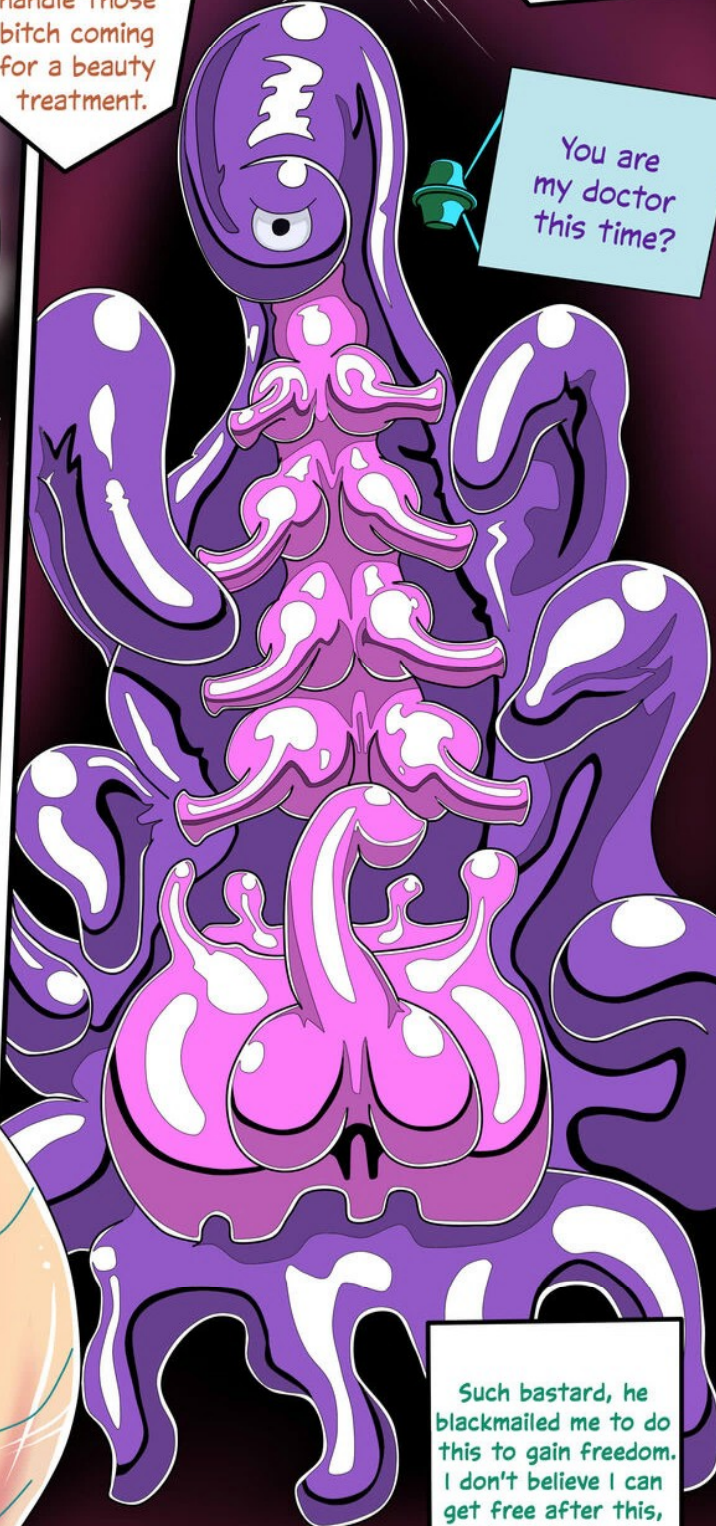

Elise, I'm talking with you on secret channel. This customer is the tentacle assemblyman. He has enjoyed too many women, and can't feel pleasure from female human anymore.

But the social levels is divided by sex ability, you task is to cure him and collect his semen. We need this to handle those bitch coming for a beauty treatment.

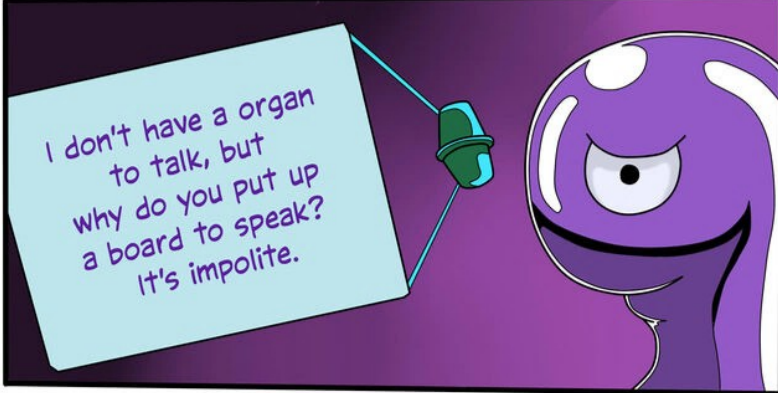

closed

You are my doctor this time?

Yes, I will try some treatment to make you, to recover your sex interest in women.

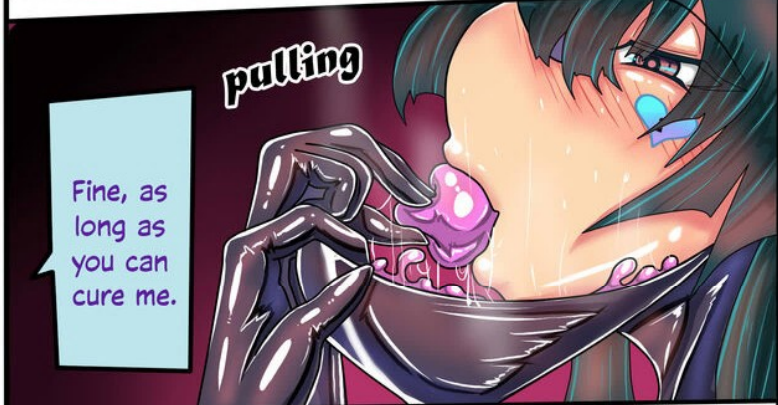

Such bastard, he blackmailed me to do this to gain freedom. I don't believe I can get free after this, but I have to do this to unlock my vagina...

I don't have a organ to talk, but why do you put up a board to speak? It's impolite.

Sorry, I don't mean to, but it's because my mouth is filled with the treatment materials we gonna use later.

pulling

Fine, as long as you can cure me.

The process will be a bit irritant. We will start it when your consciousness disappears.

start to inject anaesthetic~

20min later

Is it gonna get those girls pregnant? They are sufferers like me...♥

I'll take anaesthetic? Then what will thoes women here do?

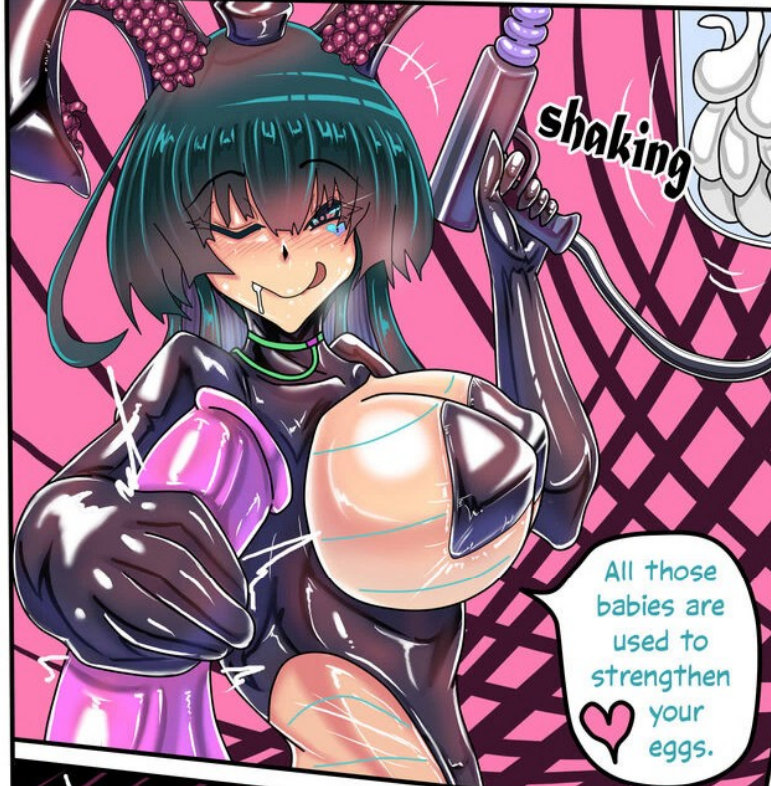

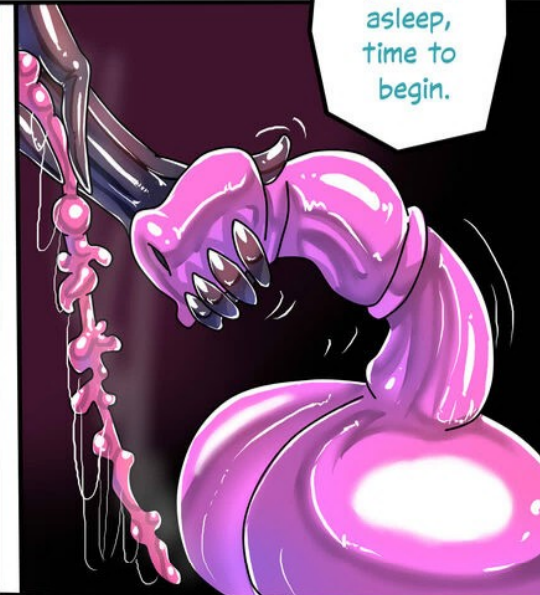

Yes, my master. They are here to test your semen strength.

He falls asleep, time to begin.

The tube in asshole will provide semen, and my stomach will give birth to tentacles to my mouth...

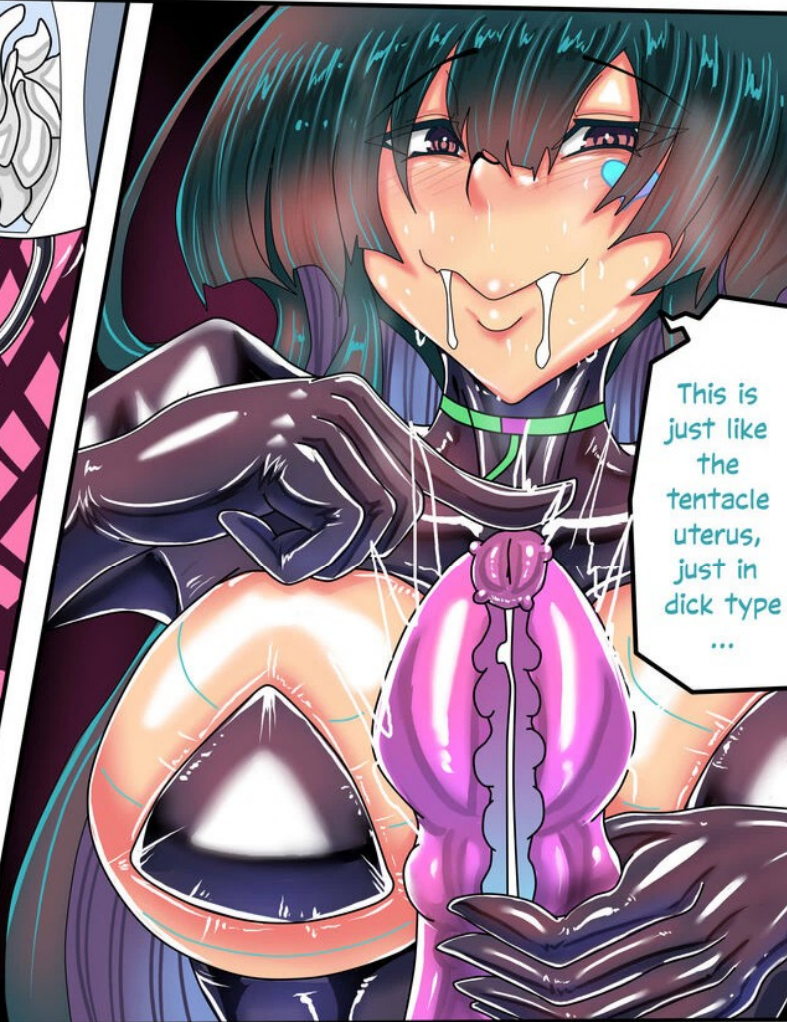

Fuckin tentacles, go to hell! You tortured me so much, any of you should go die now!

push in

shaking

All those babies are used to strengthen your eggs.

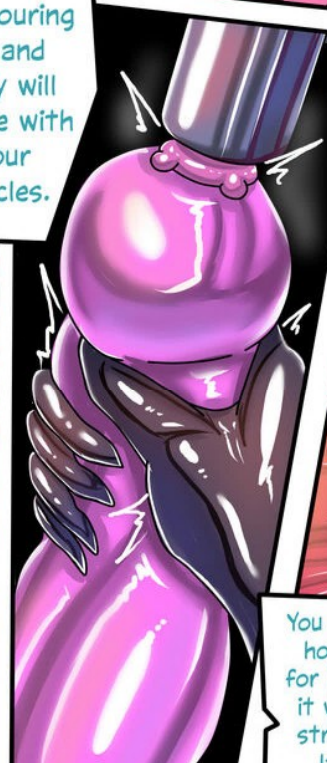

This is just like the tentacle uterus, just in dick type ...

Huh... It gets really hard, isn't it?

It's pouring in, and they will merge with your testicles.

You should hold on for longer, it will be stronger later.

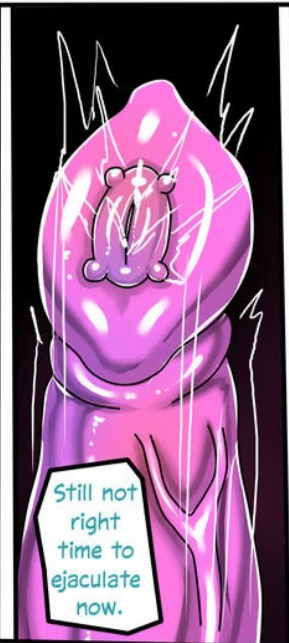

It's twitching, but I don't think you will wake up soon.

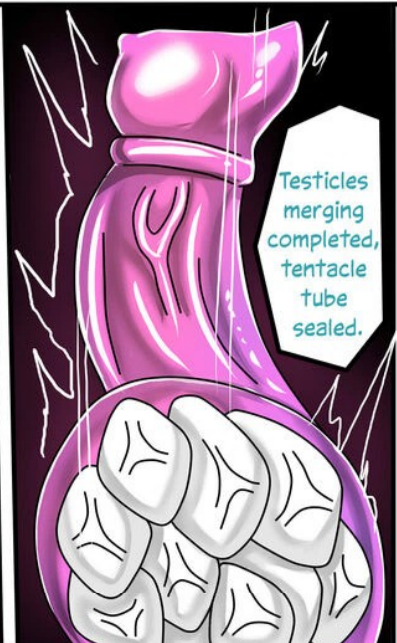

I'm also coming my limit, let me handle it now!

Are you feeling crazy? That's what I'm suffering everyday!

Still not right time to ejaculate now.

Testicles merging completed, tentacle tube sealed.

It's really twitching hard, I guess you will be energetic when facing to a woman now.

Your whole body is twitching now, can't you bear it?

pulling

LOCK LDC
LOCK LDC

The tentacle cover ensures that the shape of the dick does not change ...

I know I won't be able to escape anymore, I need to give vent to my anger.

I'm gonna trick you carefully.

open

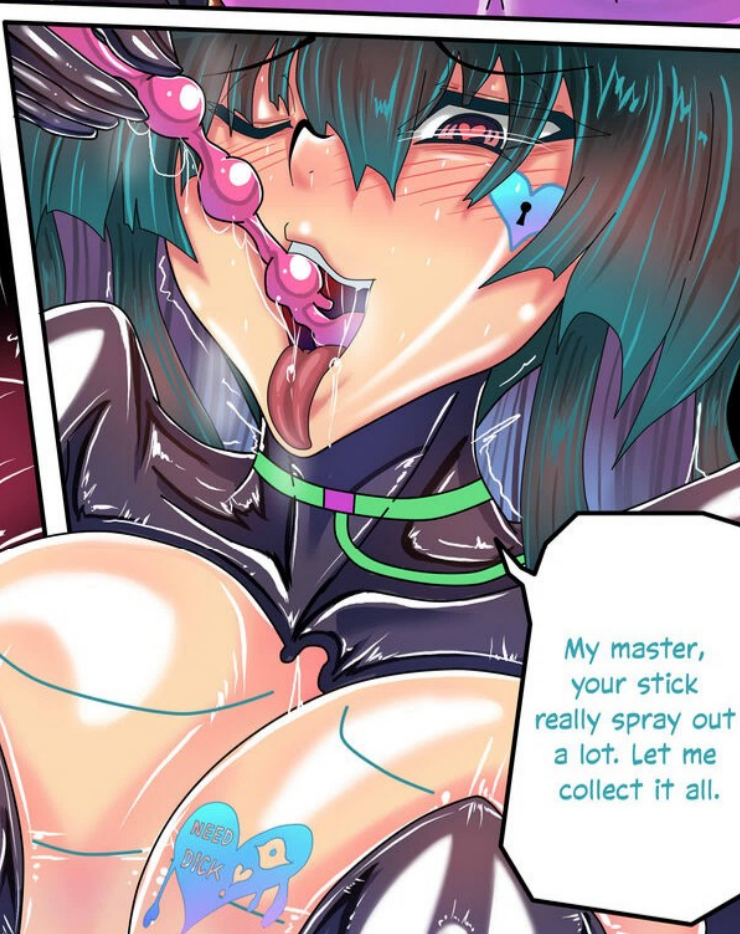

Don't move, or I will be unable to handle this.

Command confirmed

It is like my revenge, which really make me happy. I have been suffering here for too long!

Now I should use the device to increase the amount of anesthetic.

My master, your stick really spray out a lot. Let me collect it all.

NEED DICK

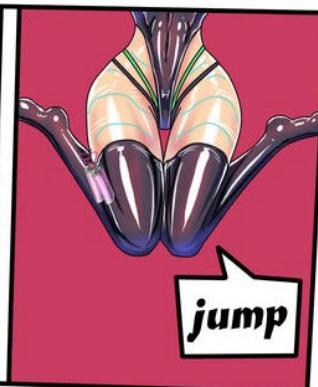

Lalala...
You will
be free
soon...

It's nearly
the right time
to make those
female
customers to
conceive a
child.

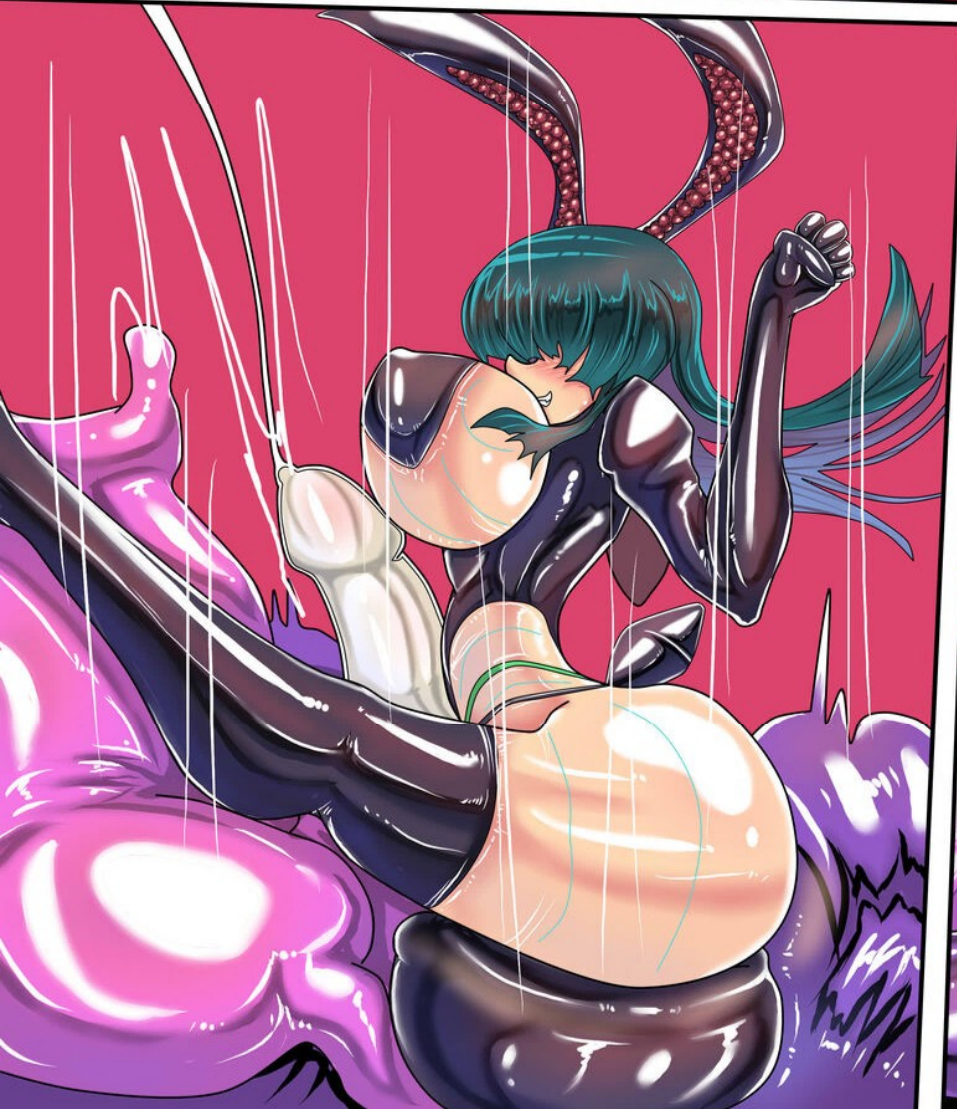

Huh, you
really have
a healthy
dick.

jump

One,
two...

I'm
finishing
my work,
I can
get free
too!

Fine, I
fixed the
sealed
tube. Just
hold on
for a bit
longer.

Now I will give you a nutrient injection.

Come on, ejaculate! Knock those girls up!

30mins Later

Which means... I can...

Hah... My task is completed...

LOCK

Hey, my master... Your dick is cured, and you finally knocked those bitch up... It is time for me to...

panting

And for those ex-virgin, you should repair their hymens. Ofc those will get damaged soon.

But before that, clean this room first~

Seems that you can really do a good job. You will get free.

Yes, my master ...

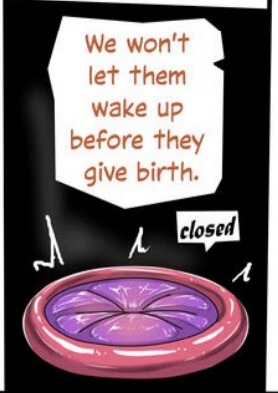

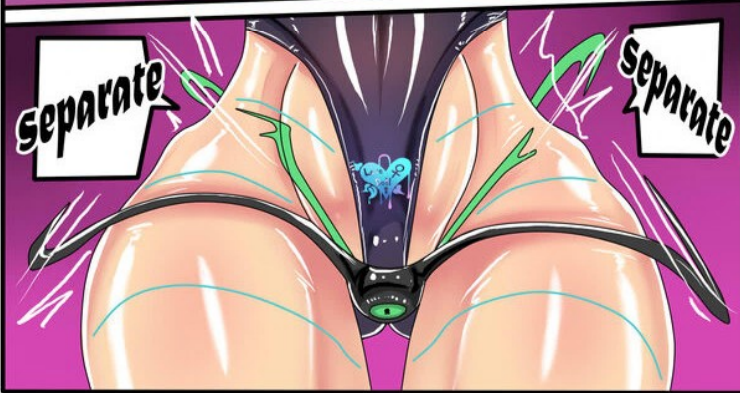

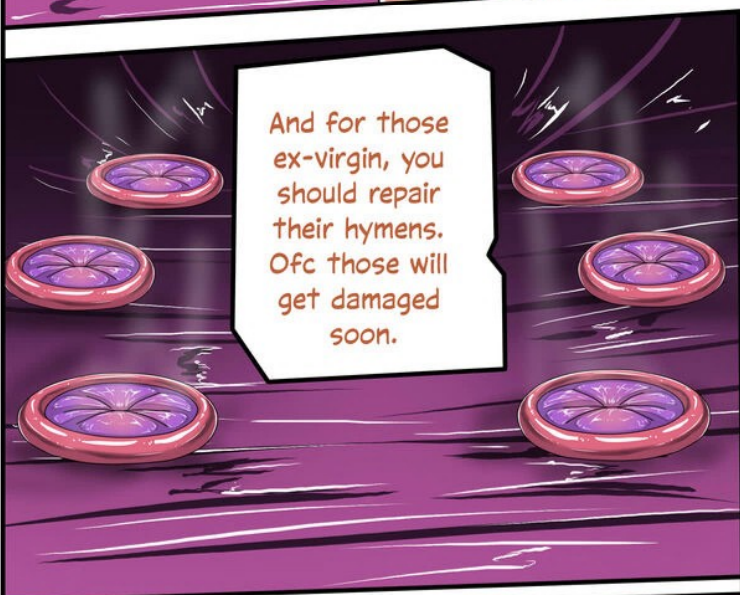

We won't let them wake up before they give birth.

And recycle those porny women.

Here is the first part...

Wait, is it a orgasm lock again? No!!

It falls down! Fantastic, I can finally cum...

OK... so it is a waist-band or sth?

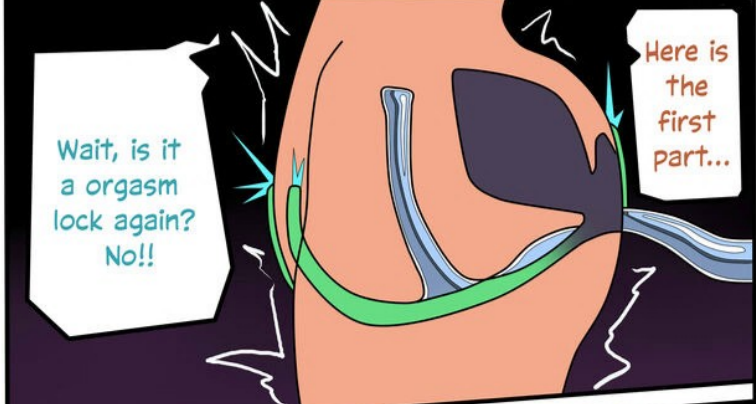

It is not, don't worry

The stuff on the asshole is part the toy, what about the part of uterus?

Just do sth big.

Those are installed to protect you. You wanna cum right?

Now you can do sex and get cumming, don't forget to put on the equipment.

It means, you and your tentacle will need to work here, forever.

Forever? What the hell are you talkin about?!

What?!

You are the one to operate this treatment, so there's nothing to do with me.

The truth is, this customer is one of my political enemies.

And you are the one who killed him!

turning

holding

...Seems that he can't understand my word...

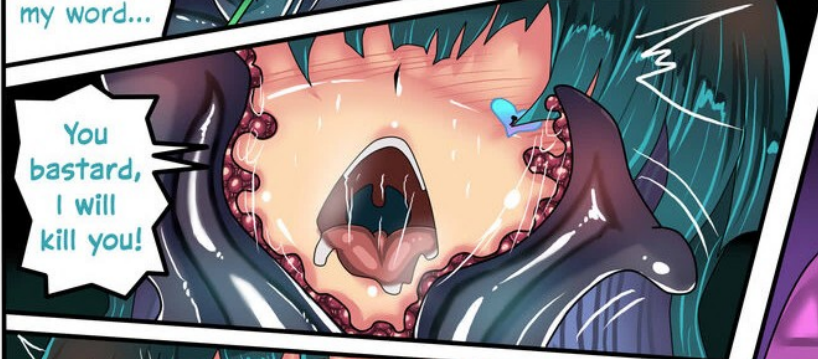

Both of us will come to an end if we just let it continue...

Wait, did you listen it? We are cheated!

pulling

You bastard, I will kill you!

Well well well, I'll be waiting for it, hahaha!

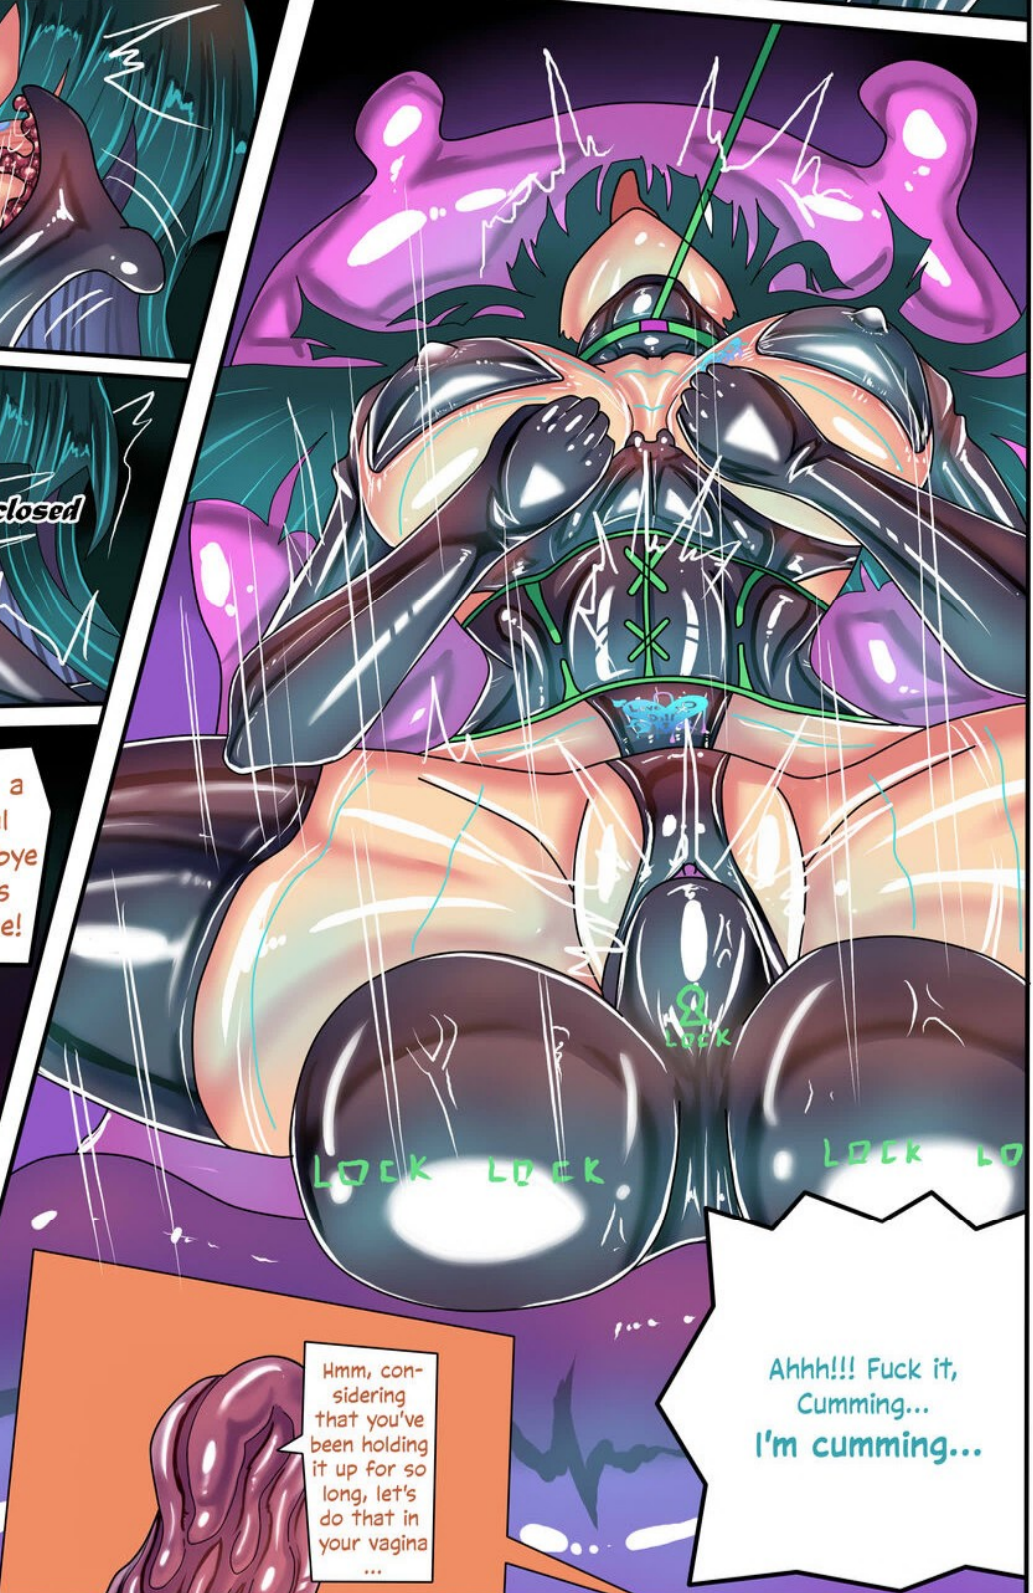

closed

It is a real goodbye this time!

LOCK LOCK

LOCK

LOCK LO

Hmm, considering that you've been holding it up for so long, let's do that in your vagina ...

Ahhh!!! Fuck it, Cumming... I'm cumming...

So the waistband is protecting me from stomach bursting, and the tube is to suck the semen away? I will be protected because he wants me to be like this forever?!

deliverrring

Stop please, I don't want it to be like this anymore.

The tentacle uterus is still looking forward to the dick...

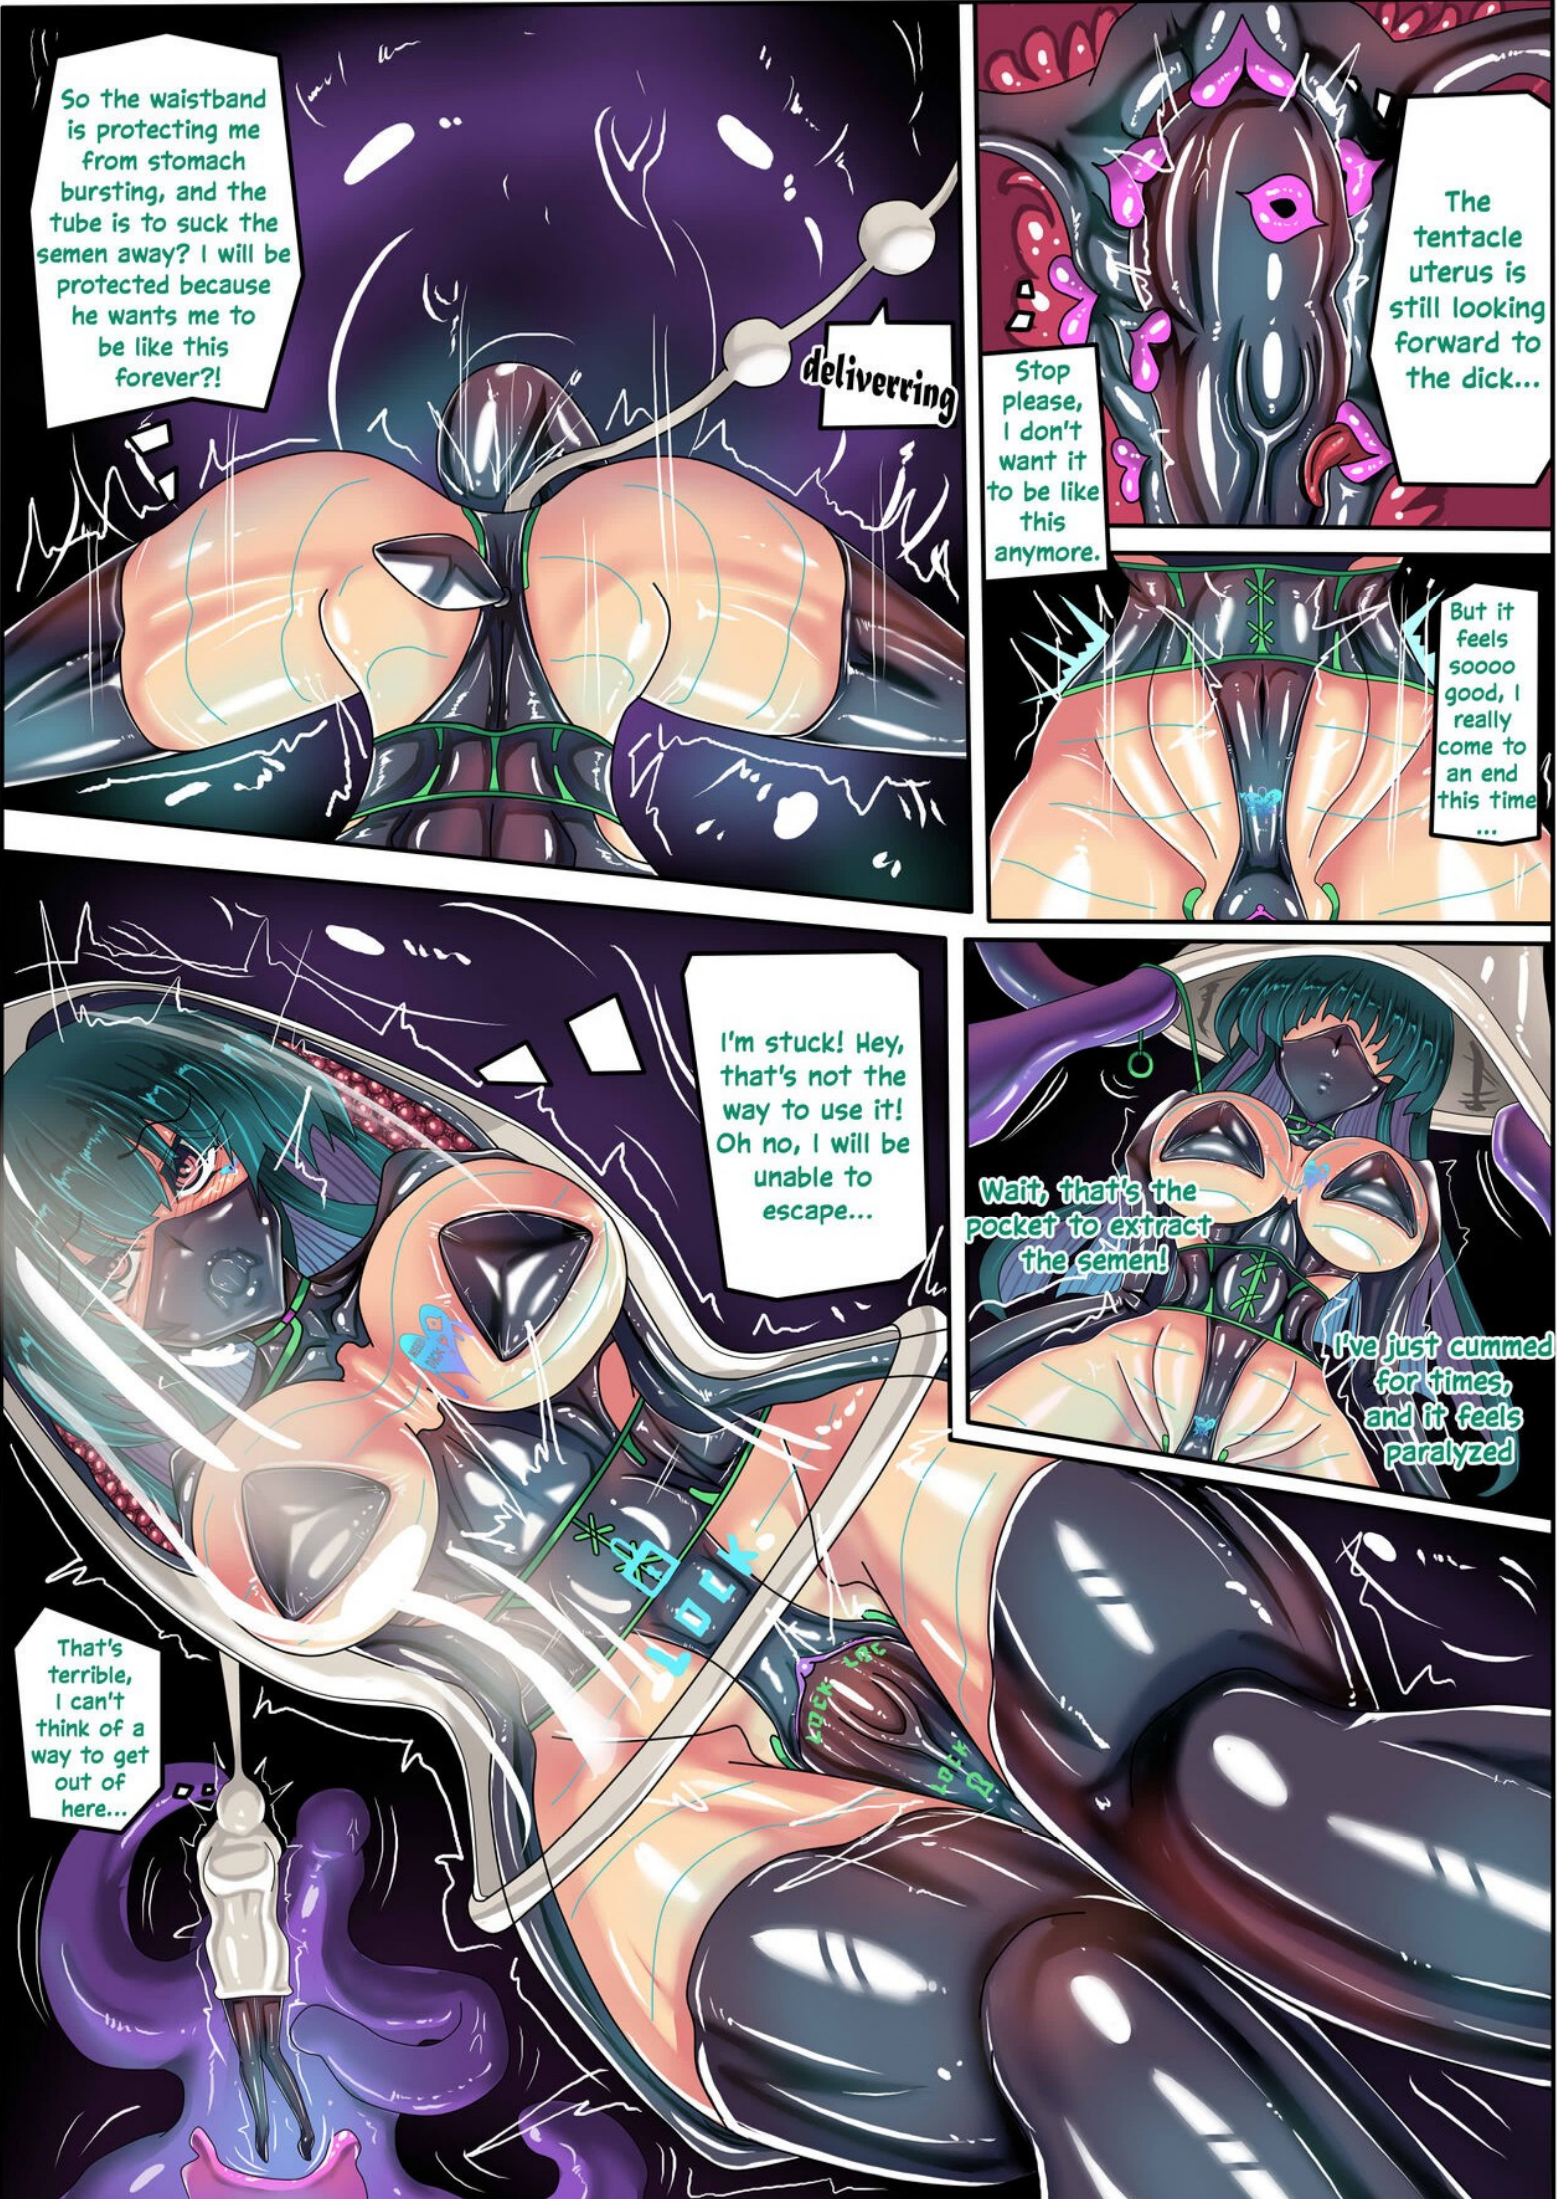

But it feels sooooo good, I really come to an end this time ...

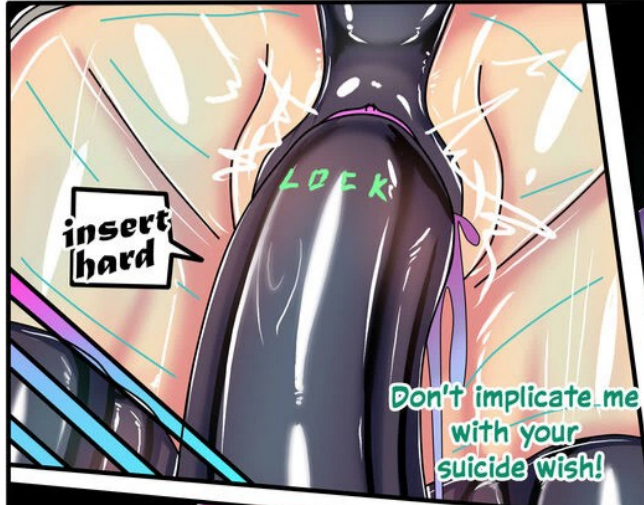

I'm stuck! Hey, that's not the way to use it! Oh no, I will be unable to escape...

Wait, that's the pocket to extract the semen!

I've just cummed for times, and it feels paralyzed

That's terrible, I can't think of a way to get out of here...

insert hard

LOCK

Don't implicate me with your suicide wish!

pulling

pulling

No, it is locking my legs...

I've been hung up. Maybe I can use gravity to pull it off?

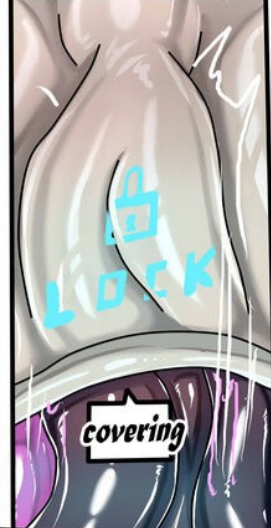

But at least don't inject those aphrodisiac on me...

All gone, I remember that he say even an elephant can't break this.

LOCK

It feels sooo good!!!

LOCK

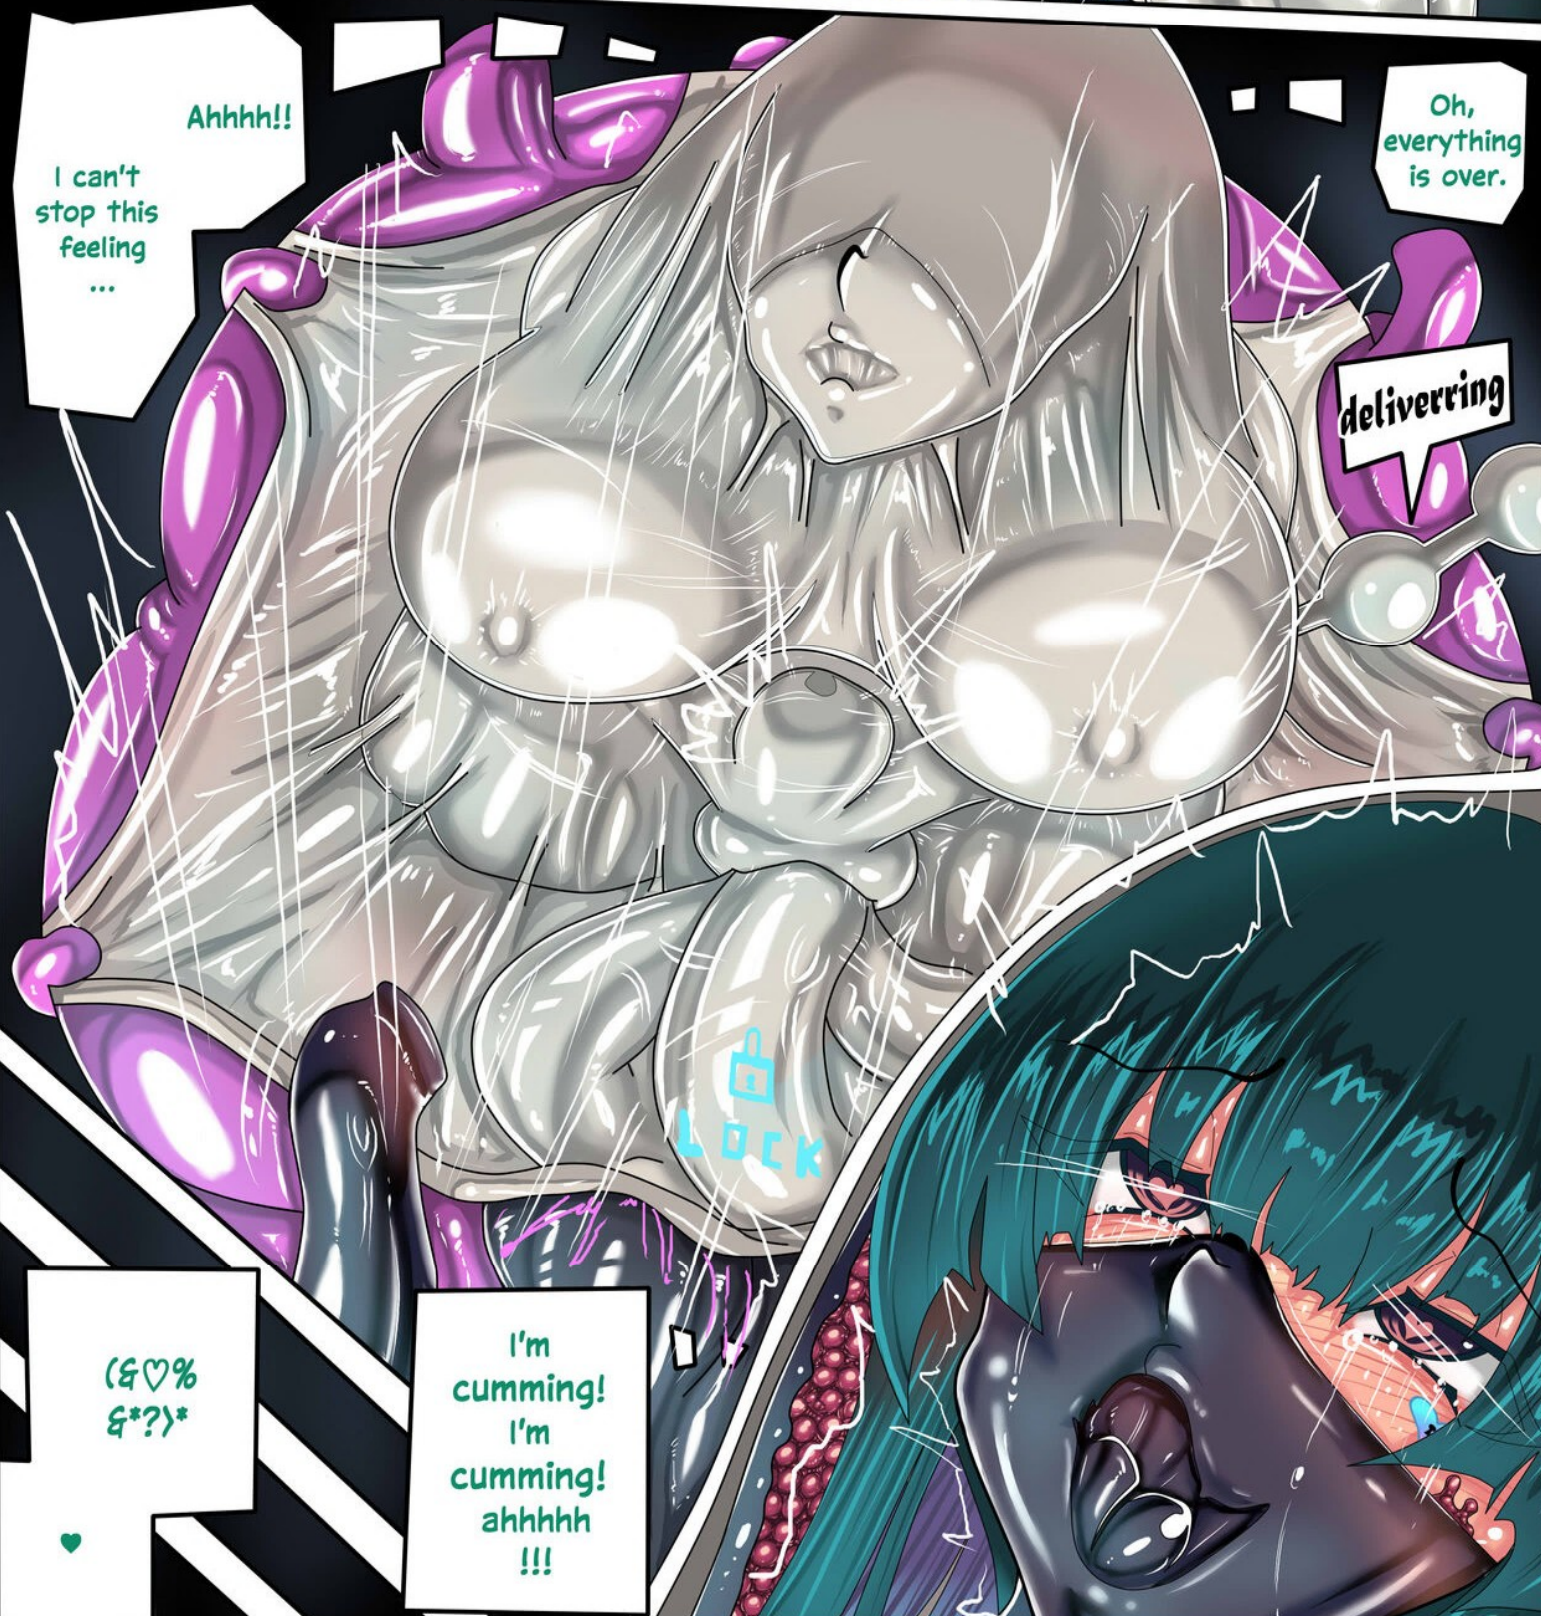

covering

tightening

How should I escape... It feels too good ...

Ahhhh!!

I can't stop this feeling ...

Oh, everything is over.

deliverrring

LOCK

I'm cumming!
I'm cumming!

20 Days Later

Offence of tentacle-murderer Elise established. According to Human-Tentacle Coexistence Act, the Defendant Elise will be deprived of human rights for life.

This case is tried by tentacles. Considering that the defendant's seedbed rating is A or better.

The crimes she committed should be reimbursed by her life-time seedbed services.

to compensation in the form of contribution to the tentacle clan.

According to our autopsy, the victim still had a life expectancy of 200 years when he was killed.

So the sentence will also be set at 200 years.

We will do hard in anti-aging during the execution of the sentence to prevent the defendant from dying prematurely.

If the execution is over and the defendant is still alive, human rights can be regained.

I declare that the prisoners will be executed immediately upon her separation from the dead tentacle.

The judgment has been read out.

Execution? What is happening?

What? I'm still alive?

Offence of tentacle-murderer Elise established. Seedbed execution will be started immediately.

The rubber membraned and tentacle wall on the prisoner were successfully removed. Immediate execution.

Wait, I'm the victim, I didn't kill anyone ...

I try so hard to survive. Why am I finally treated like a murderer?

What...?

Tentacle uterus powering liquid injection ready.

The tentacle uterus is becoming manic!

We have investigated and tried him. He's already broken down and dead.

Please, I can tell what the hell that bastard has done!

My uterus is so itchy...

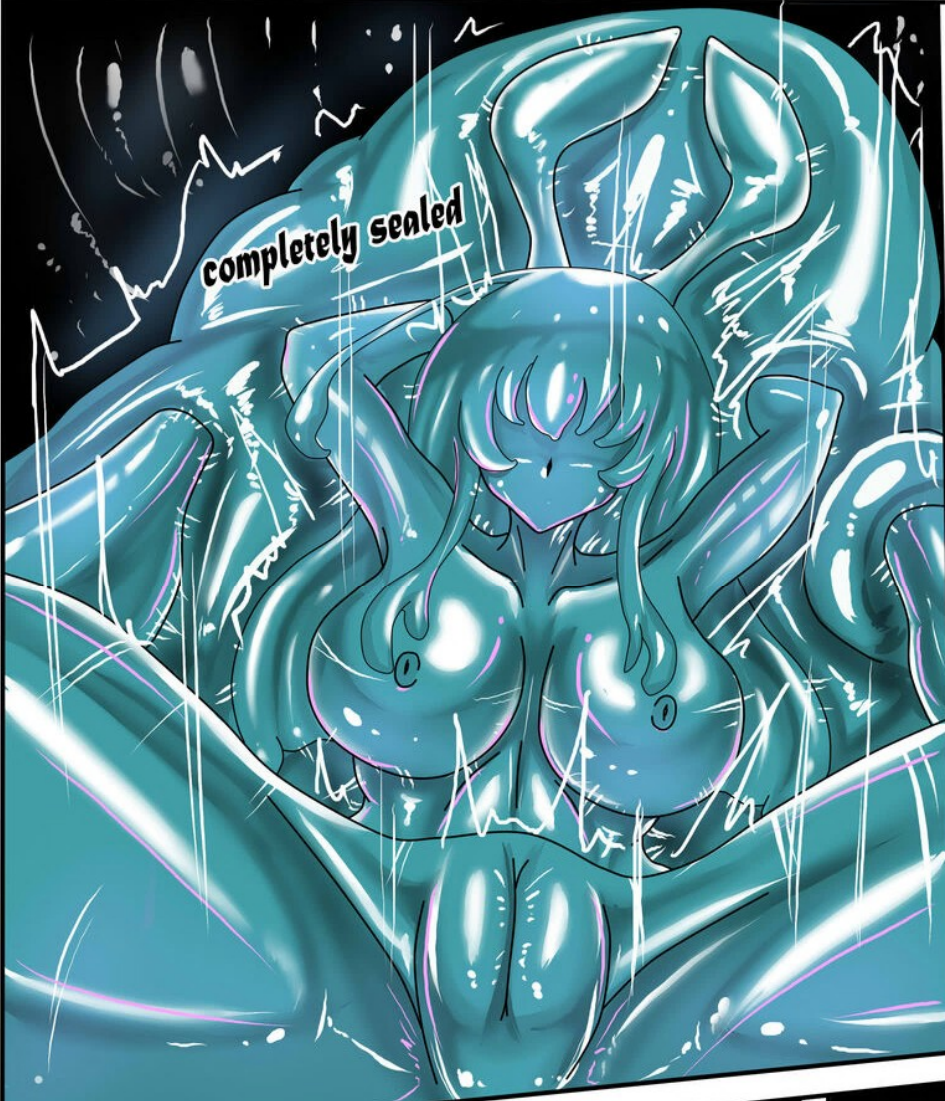

Ahhh, it is Asimov, he controlled my body to do this! He implanted me with another personality!

No, please, please listen to me... Wait!!!

Now unless we find other evidence, no matter what you say, you will be punished

Don't waste your energy,
no woman has ever
escaped from here.

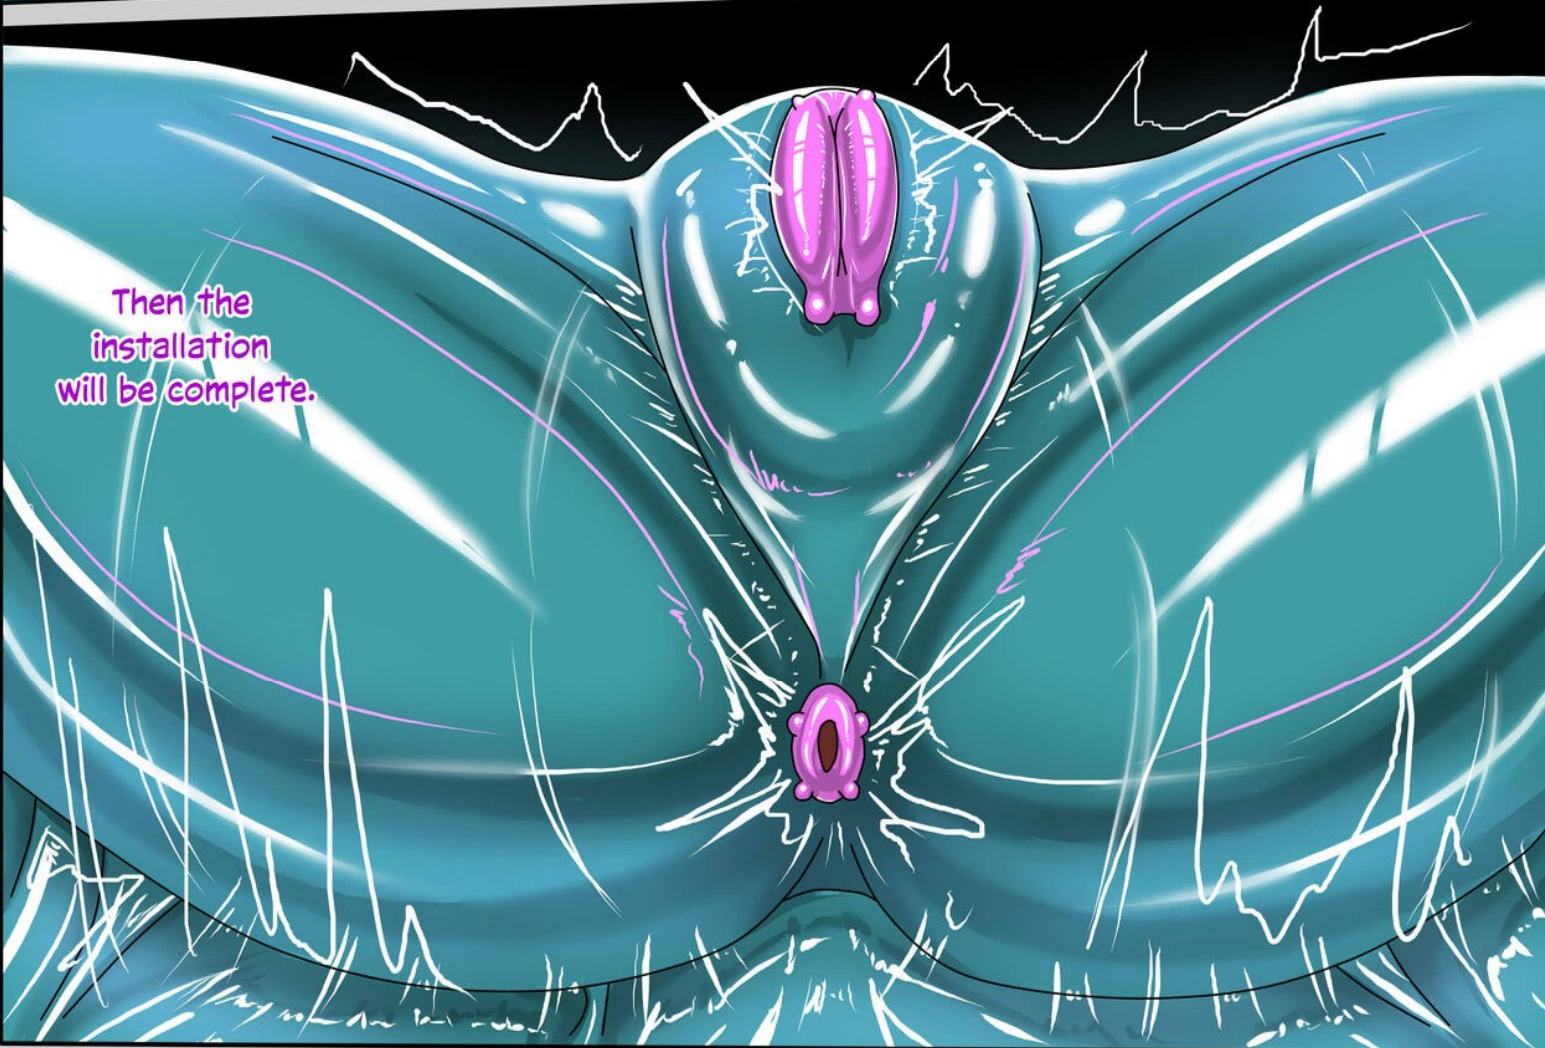

Just give in. You
have no human right
anymore. You will be
a seedbed
from now on.

And fix a
forced-opener
for her

Now we will
put a tentacle
into every hole
that can hold one.

Then the
installation
will be complete.

Let me tell you one more thing.

breathing hard

Ha! Ha! Ha!

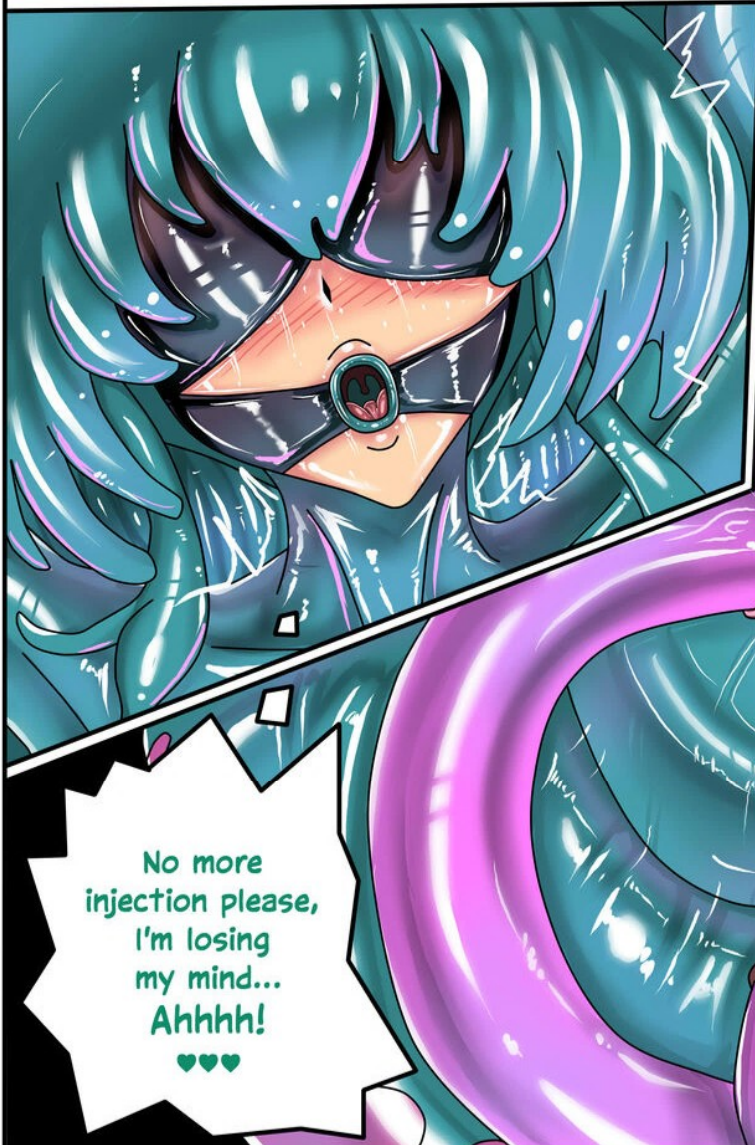

tear

You will not die from suffocation.

He was made into a fleshbed, just which you are bonding to.

After Asimov being broken down and dead.

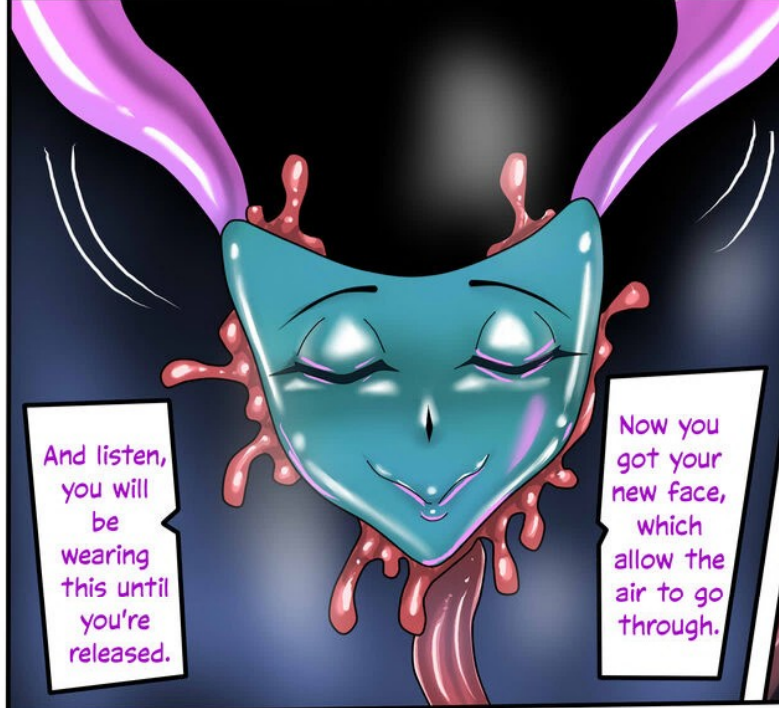

Umm!

Umm!

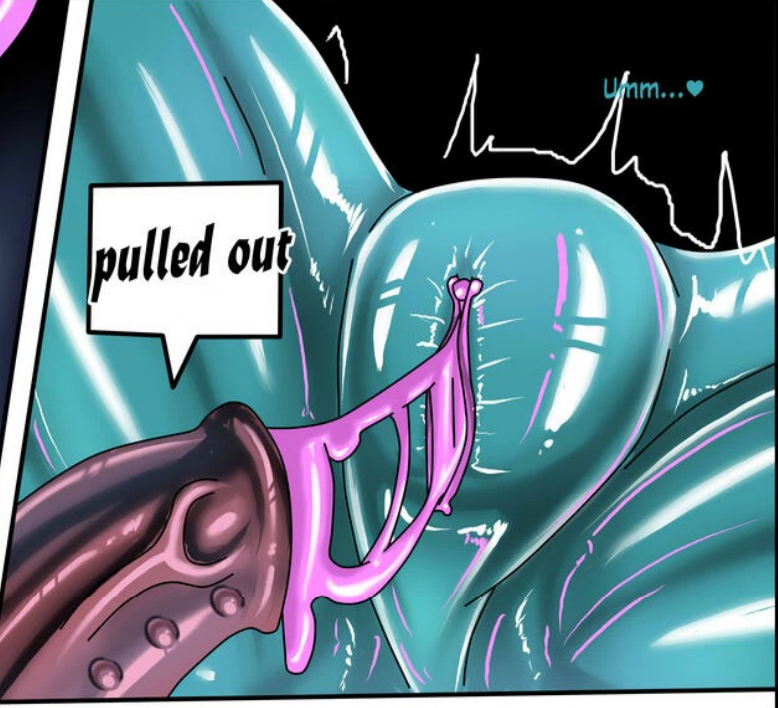

No more injection please, I'm losing my mind... Ahhhh!
♥♥♥

That means, the one you want to accuse, is also dead.

And listen, you will be wearing this until you're released.

Now you got your new face, which allow the air to go through.

Installation finished

puzzzzz

Time to put on this happy mask.

We decided to set her into the procreate area, and draw some crotch tattoo on her body.

The poisoner Elise is made into a seedbed, and will be sent to the special seedbed manage unit.

Tentacle seedbed completely bound.

5 Years Later...

It is so
narrow and
tight!

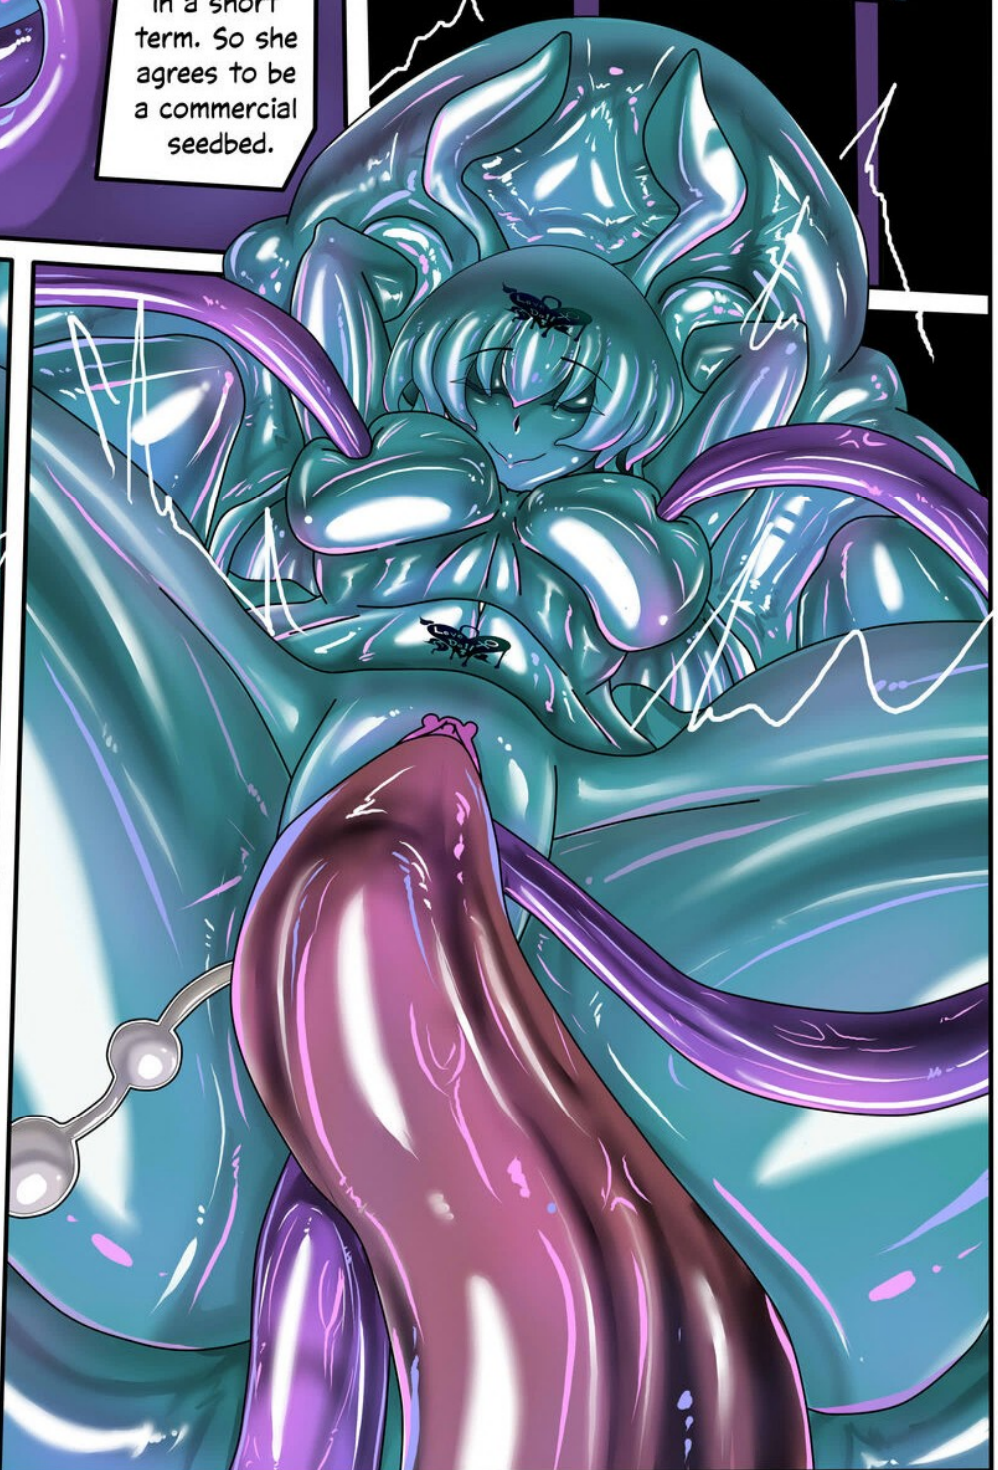

Elise can't
live without
a tentacle
in a short
term. So she
agrees to be
a commercial
seedbed.

However,
since the
long time
of being
a seed-
bed...

After 3 months after
Elise made into a
seedbed, new evidence
found, and she has
been rehabilitated.

A device monitoring her brain wave,
is to make sure she will be
released whenever she wants.

No matter how much
she's been tortured,
and how long
she's been twitching.

But she didn't want
to get out anymore.

She still decides to
seal herself in the fleshbed.
The only time she got out
is one day, when the
dicks stopped fucking.

And since then, she
never gets out, for 4 years.

She bought a seedbed
enhancer and did much advertising
to attract those rudest
and most lustful guests.

That's her story,
a perfect tentacle seedbed,
both flesh and mind.
