TRANSIATOR:
Lady Lilah

In truth, the political landscape of some countries welcome tentacles, while some are entirely antagonistic.

In this world, tentacles and monsters are not entirely the enemy of mankind -- they offer irreplaceable and tempting benefits to humans.

This time, it's not a grand story about magical girls or agents fighting evil tentacles... instead, it's just a little tale about a peculiar woman and a special service agency...

After all, I am a true masochist

Tentacles

Madame, have you finally decided what kind of expert you are seeking?

Ah... we've received a lot of complaints regarding that one for aggressive play. If you aren't strong enough to bear it--

He's the one

Danger!!

As usual,
only a small amount of
money is charged,
with the main profit
being broods of
new tentacles.

Do you understand
the rules? You need
to wear the
protective sheath.
If things go out of
control, I can be
locked down.

Damn it all,
despite the warnings,
these so-called masochists
continue to select me!
I'll have to push her.

When I read
the complaints
I could hardly
wait another
moment...!

Is this
the final
piece~?

Be patient!
You still
need to
put on
some impor-
tant stuff!!

I've been addicted to
this kind of living suit
since the first time
I wore one...

No matter how many
times I put this on,
the feeling is
still so exciting!
♥♥♥♥

No matter
how I play
with your
body now,
it will be
protected.

Remove those piercings!!
I've got two for your tits,
as well!!

The Tentacles
are going
wild inside
my body...!
♥♥♥

From now on,
don't expect
me to treat
you like a
human being!!

Tentacles

Plug
them!

Hahaha! You slutty
sow... you even
have this tattoo.
You like extreme
play, don't you?

tighten!

I'm being sealed
in a tentacle
suit... I won't
be able to
take it off...!

Aahh!!

It's wrapping
me so
tightly!
♥♥♥

Strain...!

Bound up
by
tentacles...
I'm gonna
cum...!

There's no
escape
once
you've
put them
all on.

Let's
have a
drink
first.

Is the fun
about to
start...?

Get your
ass up.

Oh, how
romantic.
Eh? Hey,
what are
you doing?!

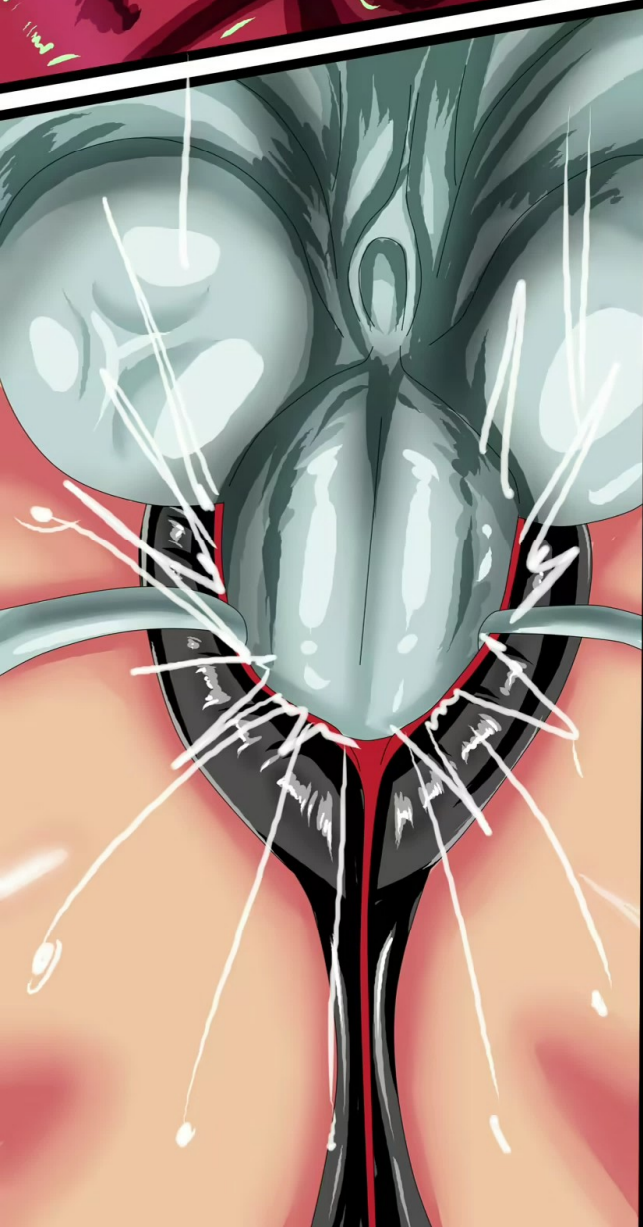

Wait, wait!!
That's not
where drinks go!!

And you're
already passed
out... really
now?

A short
time later...

I only got
through one
bottle of the
aphrodisiac
booze...

30 minutes later...

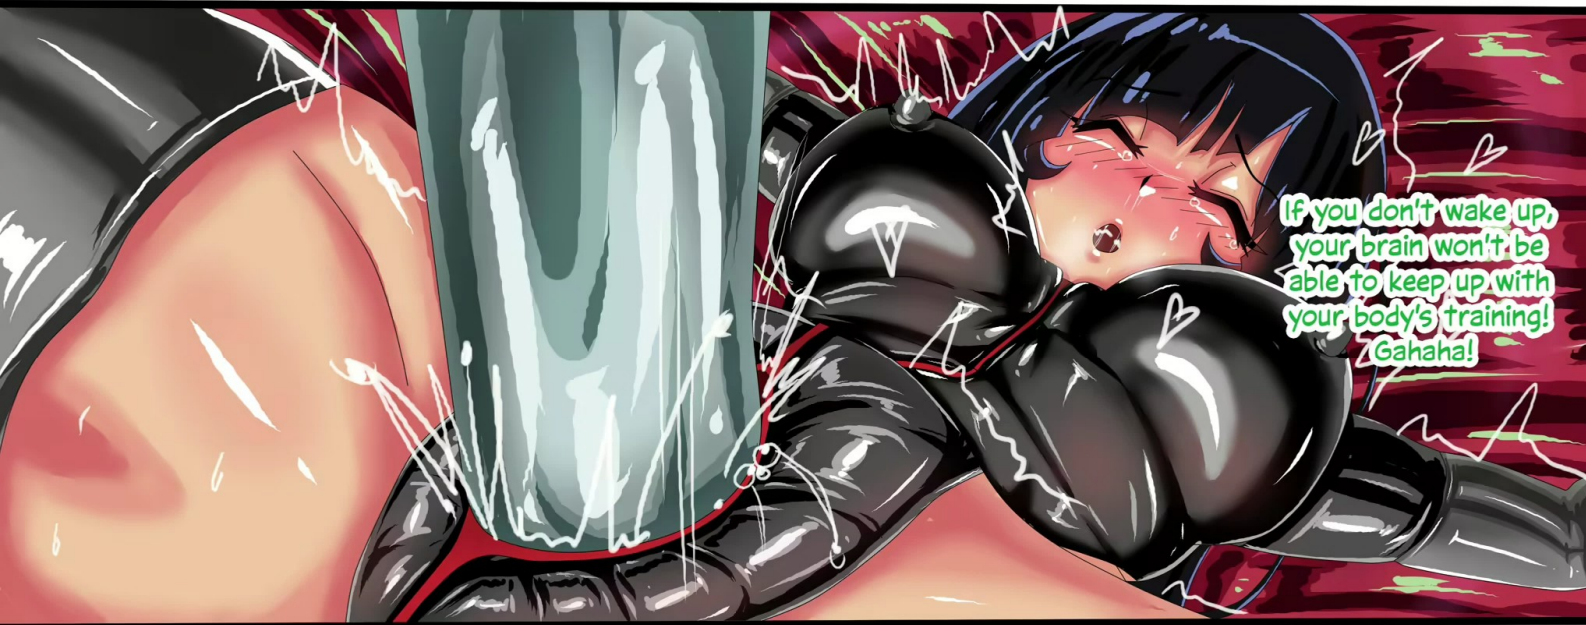

Still not awake?

You still have to do it even if you pass out.

2 hours later...

This pussy is still so tight!
You want it bad, don't you...?

1 hour later...

If you don't wake up,
your brain won't be
able to keep up with
your body's training!
Gahaha!

twitch

Ah... ah...!
Nnnhh...!♥♥♥

Ah!!
Wha--!?
I'm cumming-
ahhhnnn!!
♥♥♥♥

Has this
breeding
sow finally
come to?!

This is just the beginning !!

I was just... trying to take a break...

You think you can get away?!

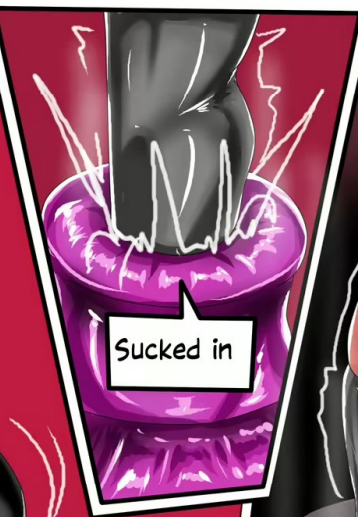

Purebred sows like you are rare~

I'm about to collapse...!!

W-Wait a minute ...

Sucked in

Impregnation time! Be a good girl and enjoy the breeding pot!!

This is not your choice.

No more!!
I really can't
take anymore!!

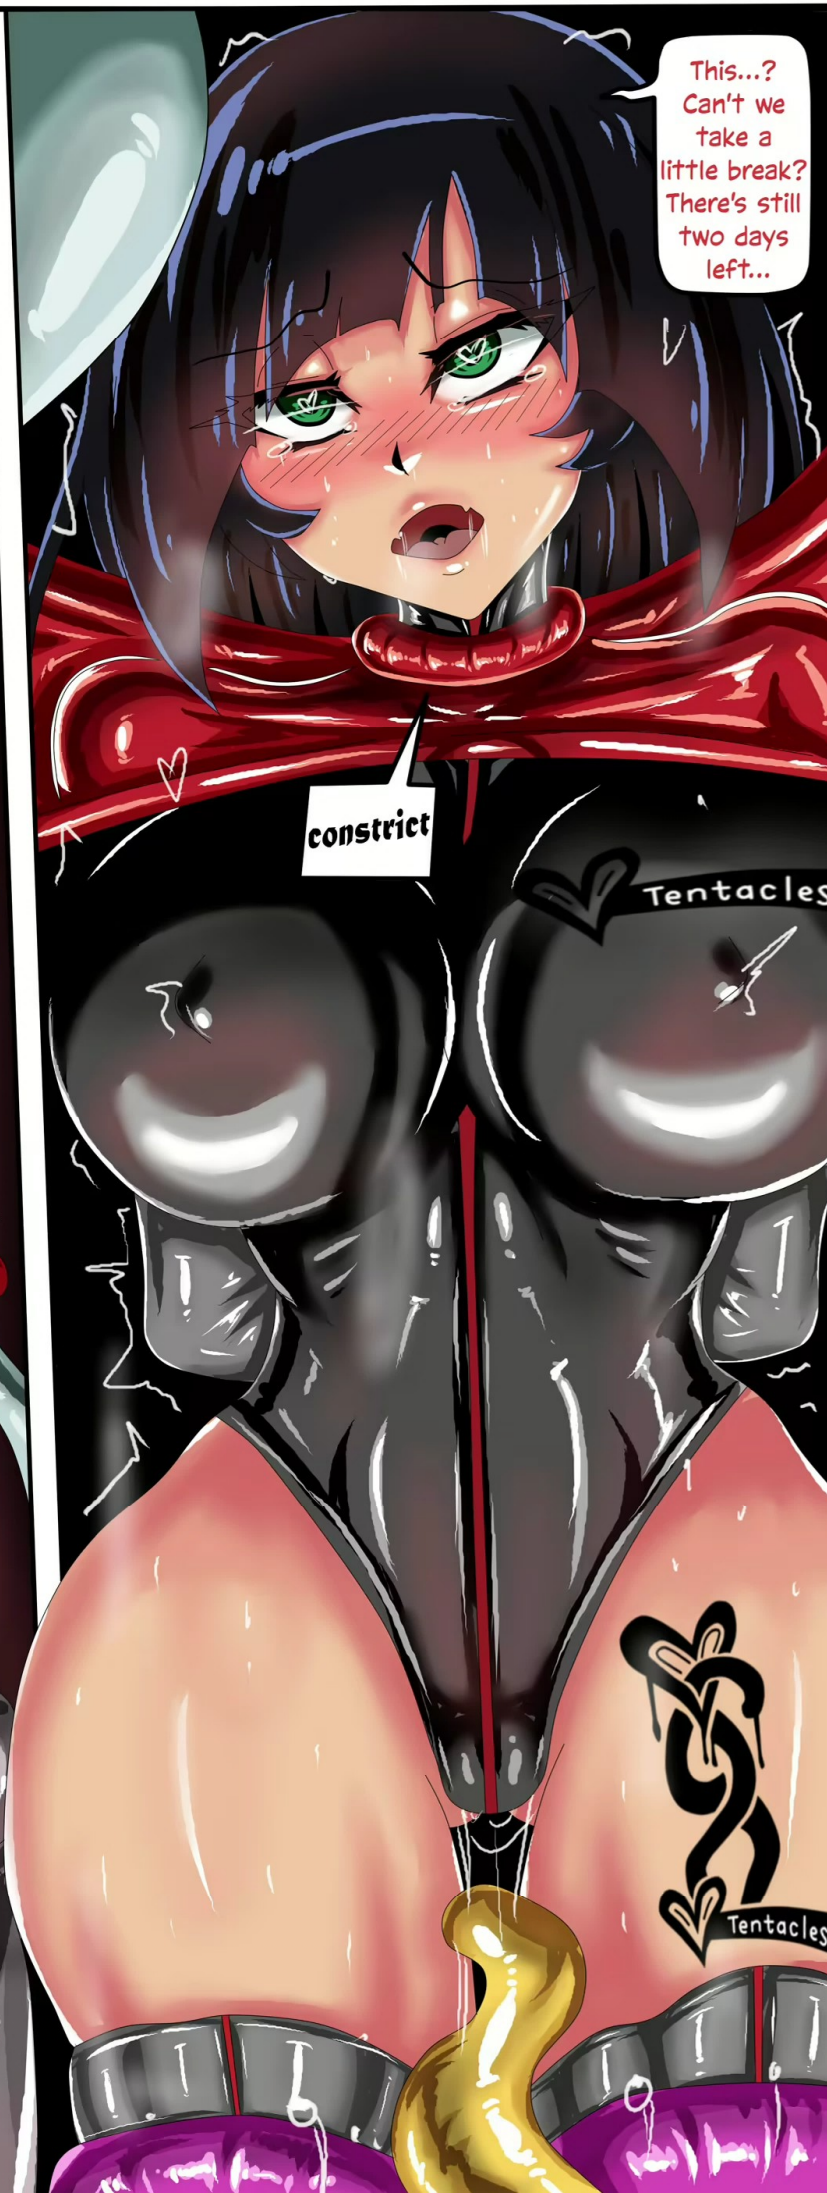

This...?
Can't we
take a
little break?
There's still
two days
left...

constrict

Tentacles

Tentacles

The breeding
pot would
stop if your
body was at
its limit, but
you're taking
it just fine,
aren't you?

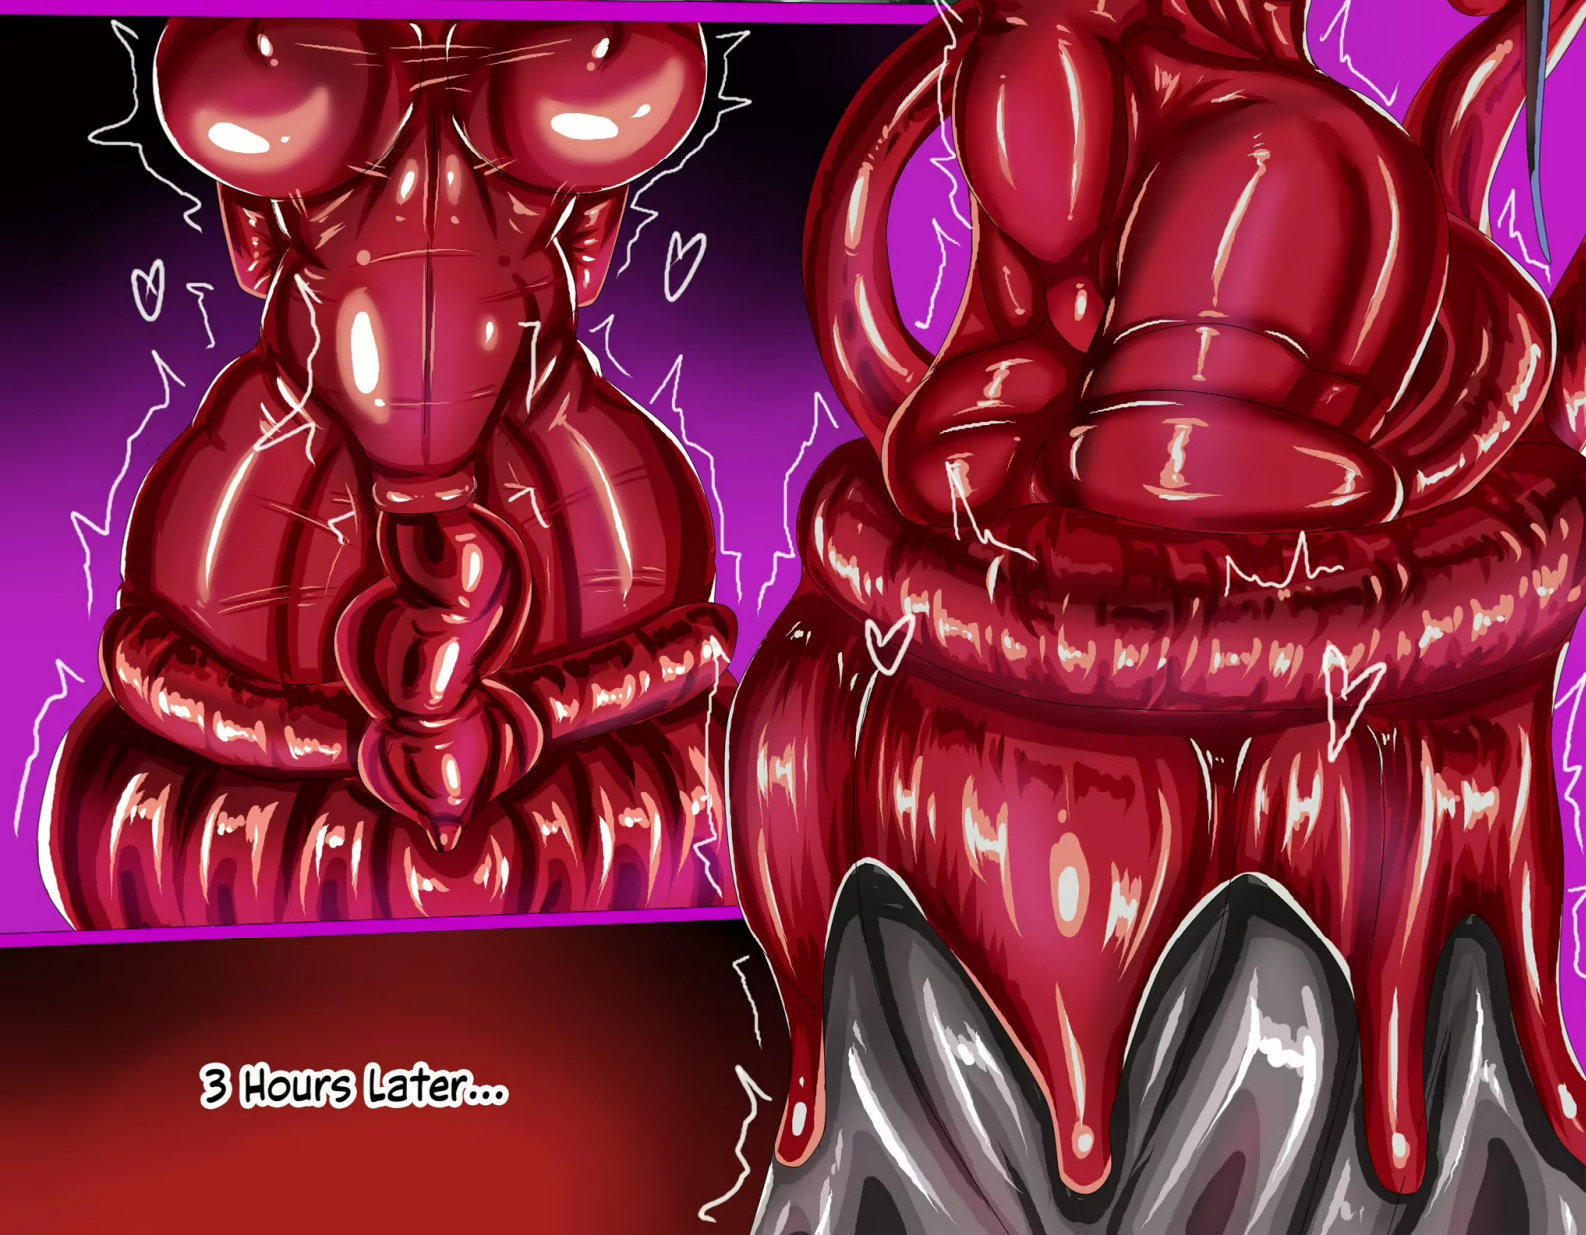

Oh god,
this is too
exciting, what
will happen to
me if I keep
playing like
this??♥♥♥

You'll be given
nourishment and
constantly filled
with seed,
impregnating you
over and over.

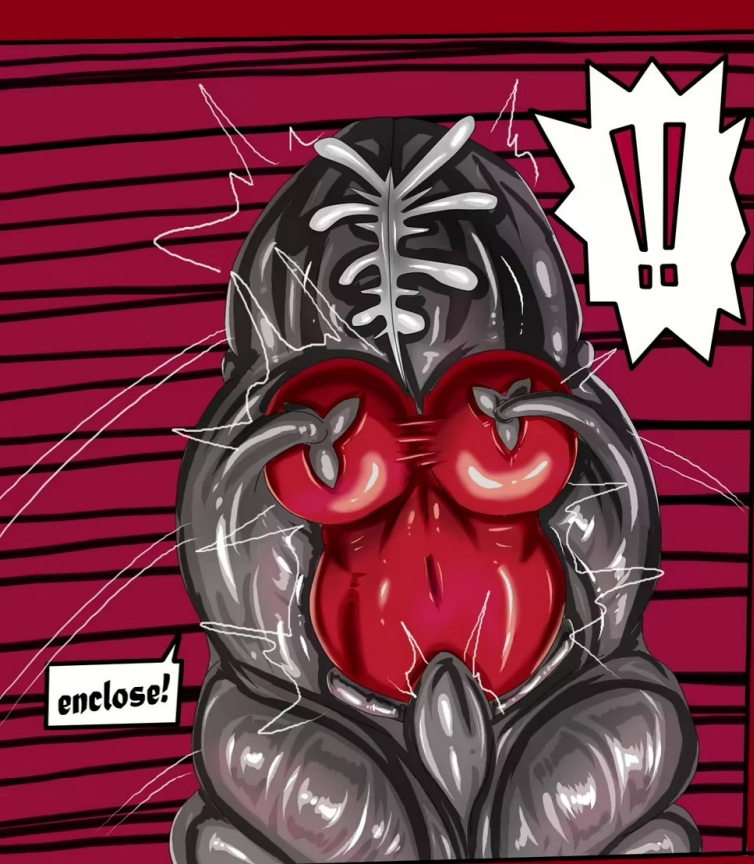

The semen pouring into me
is a strong aphrodisiac, too...

Oh...
my body is
getting so
warm...
it's
wonderful.

3 Hours Later...

Three hours later...

enclose!

Didn't you say you were the ultimate masochist? Show me!!

My stomach is getting bigger and bigger... I can't even move! Oh, this is really going to mess me up...! ♥♥♥♥

peel

spread

I can only feel the pleasure from the tentacles ravaging me... I'm just an abused piece of fuck meat!♥♥♥

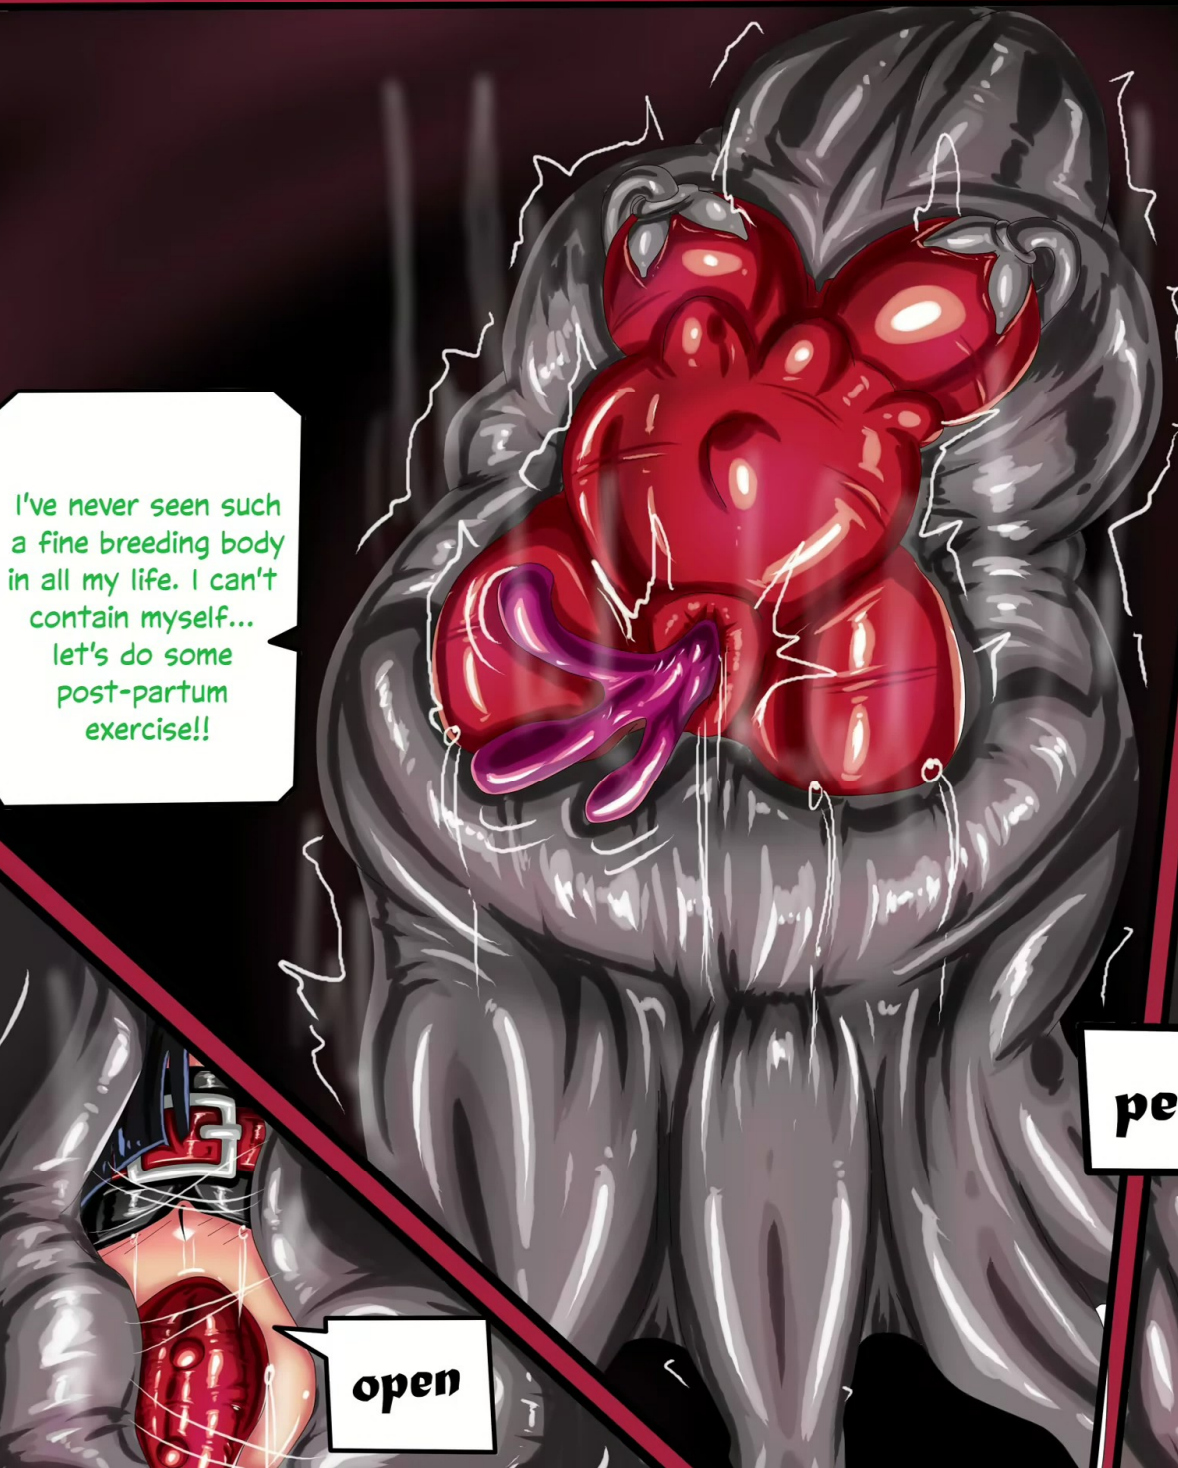

This is the modified breeding pot that I used back in my sketchier days. Although I can't make you into a true seedbed now, this breeding pot's almost like the real thing! Haha~!

You might
give birth
so soon?

A high quality
mother will pro-
duce new
tentacles so
fast that her
belly will expand
and bulge out
rapidly.

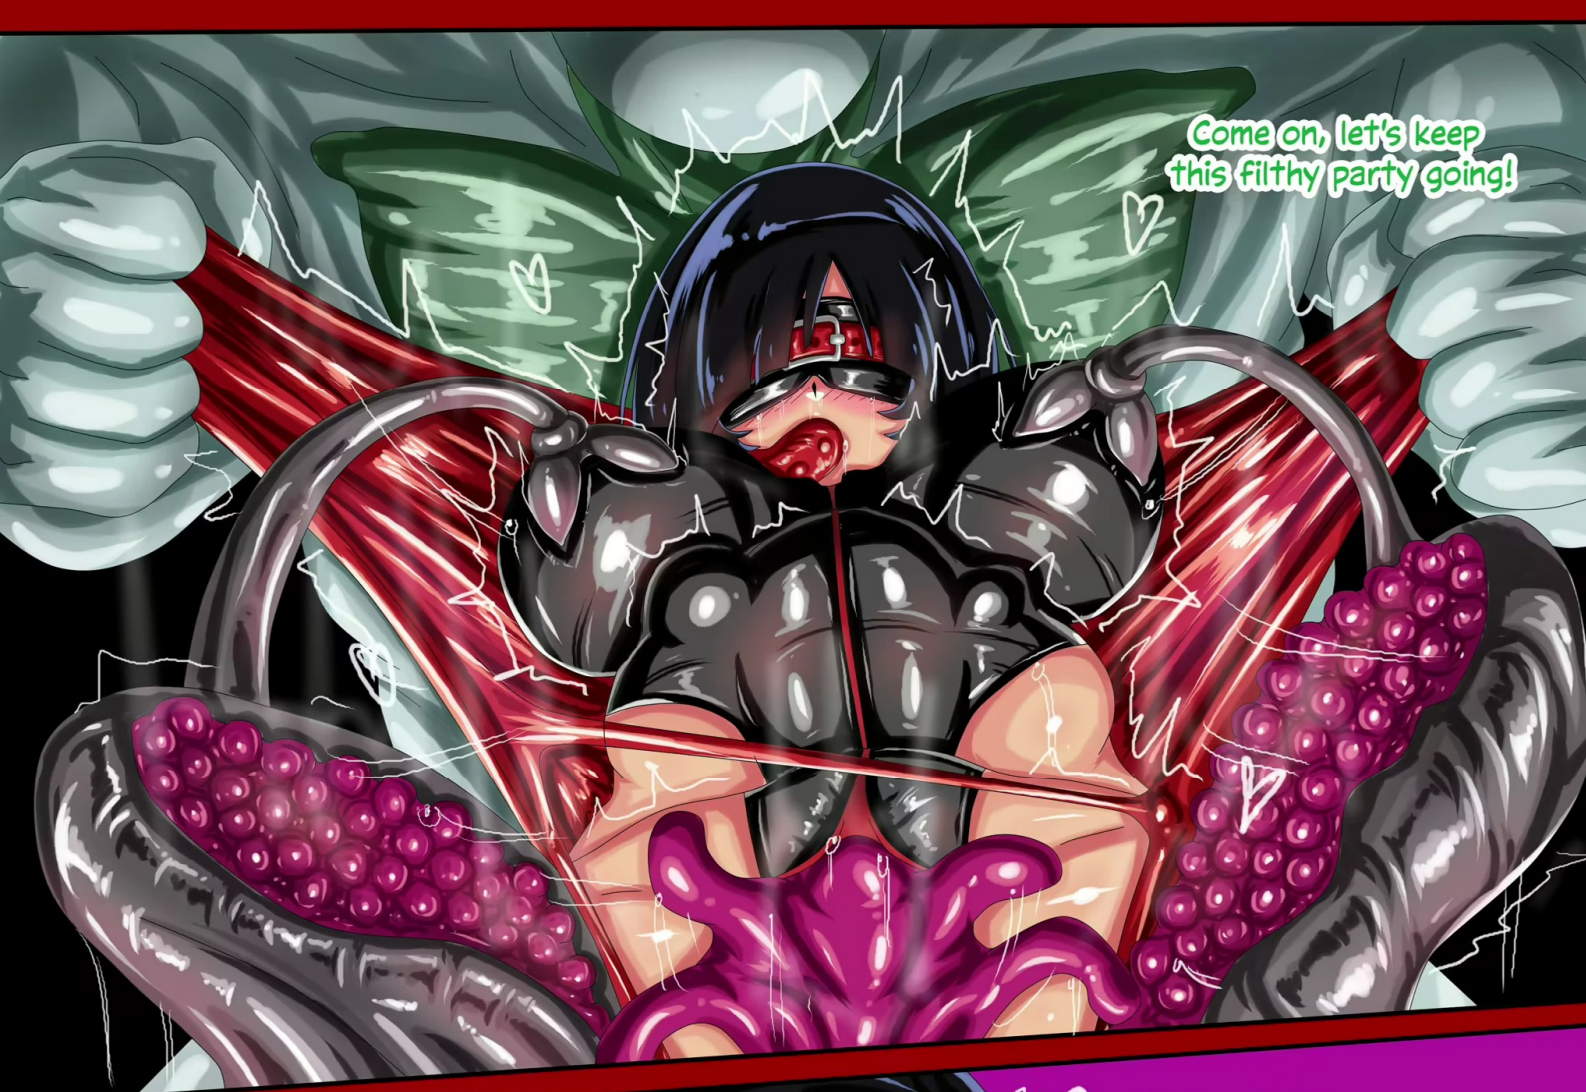

I've never seen such
a fine breeding body
in all my life. I can't
contain myself...
let's do some
post-partum
exercise!!

open

peel

Ah, but you
can't because
this little hole
of yours is all
sealed up.

Come on, let's keep
this filthy party going!

Very good,
this trembling
little masochist
is worthy after
all! I haven't
read your body
wrong yet!

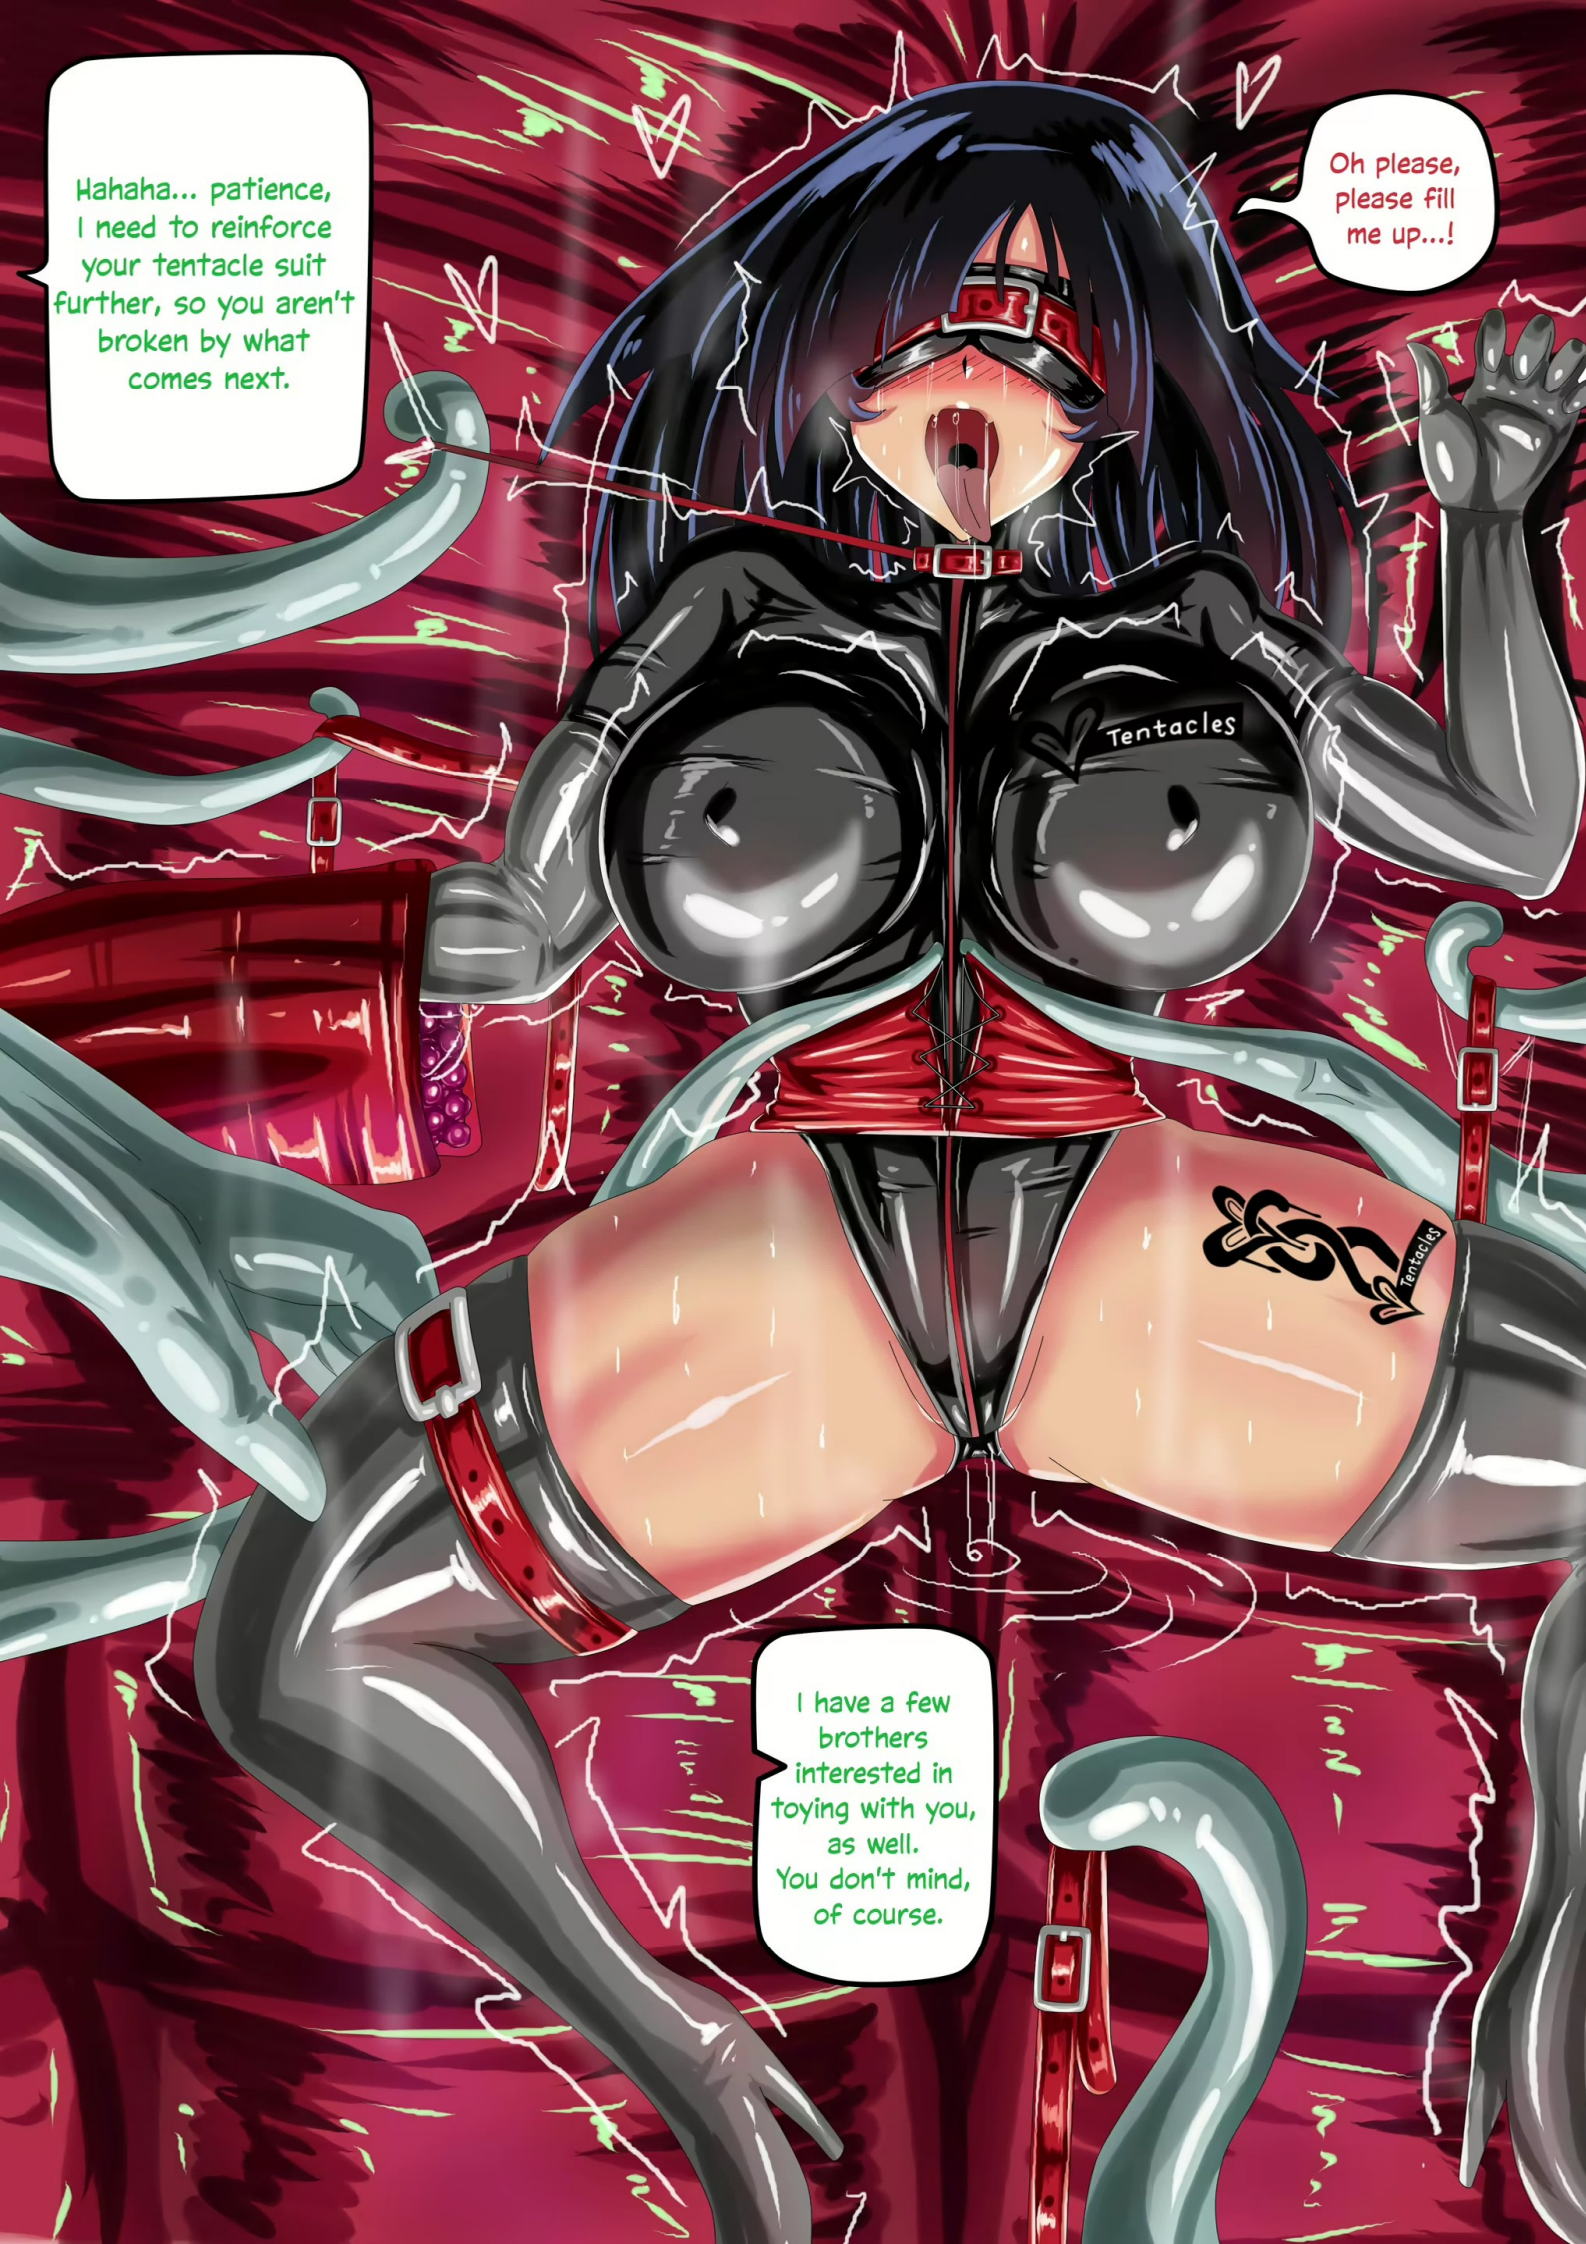

I want
more....
♥♥♥♥

Ahh...
Master
Tentacle...
♥♥♥♥

Oh, and here's some
injections of the good
stuff. You know,
ordinary people
don't get to enjoy
my collection.
Seedbed reagents
are scarce in
this country.

fiercely inject!

pierce deeply!

Hahaha... patience,
I need to reinforce
your tentacle suit
further, so you aren't
broken by what
comes next.

Oh please,
please fill
me up...!

I have a few
brothers
interested in
toying with you,
as well.
You don't mind,
of course.

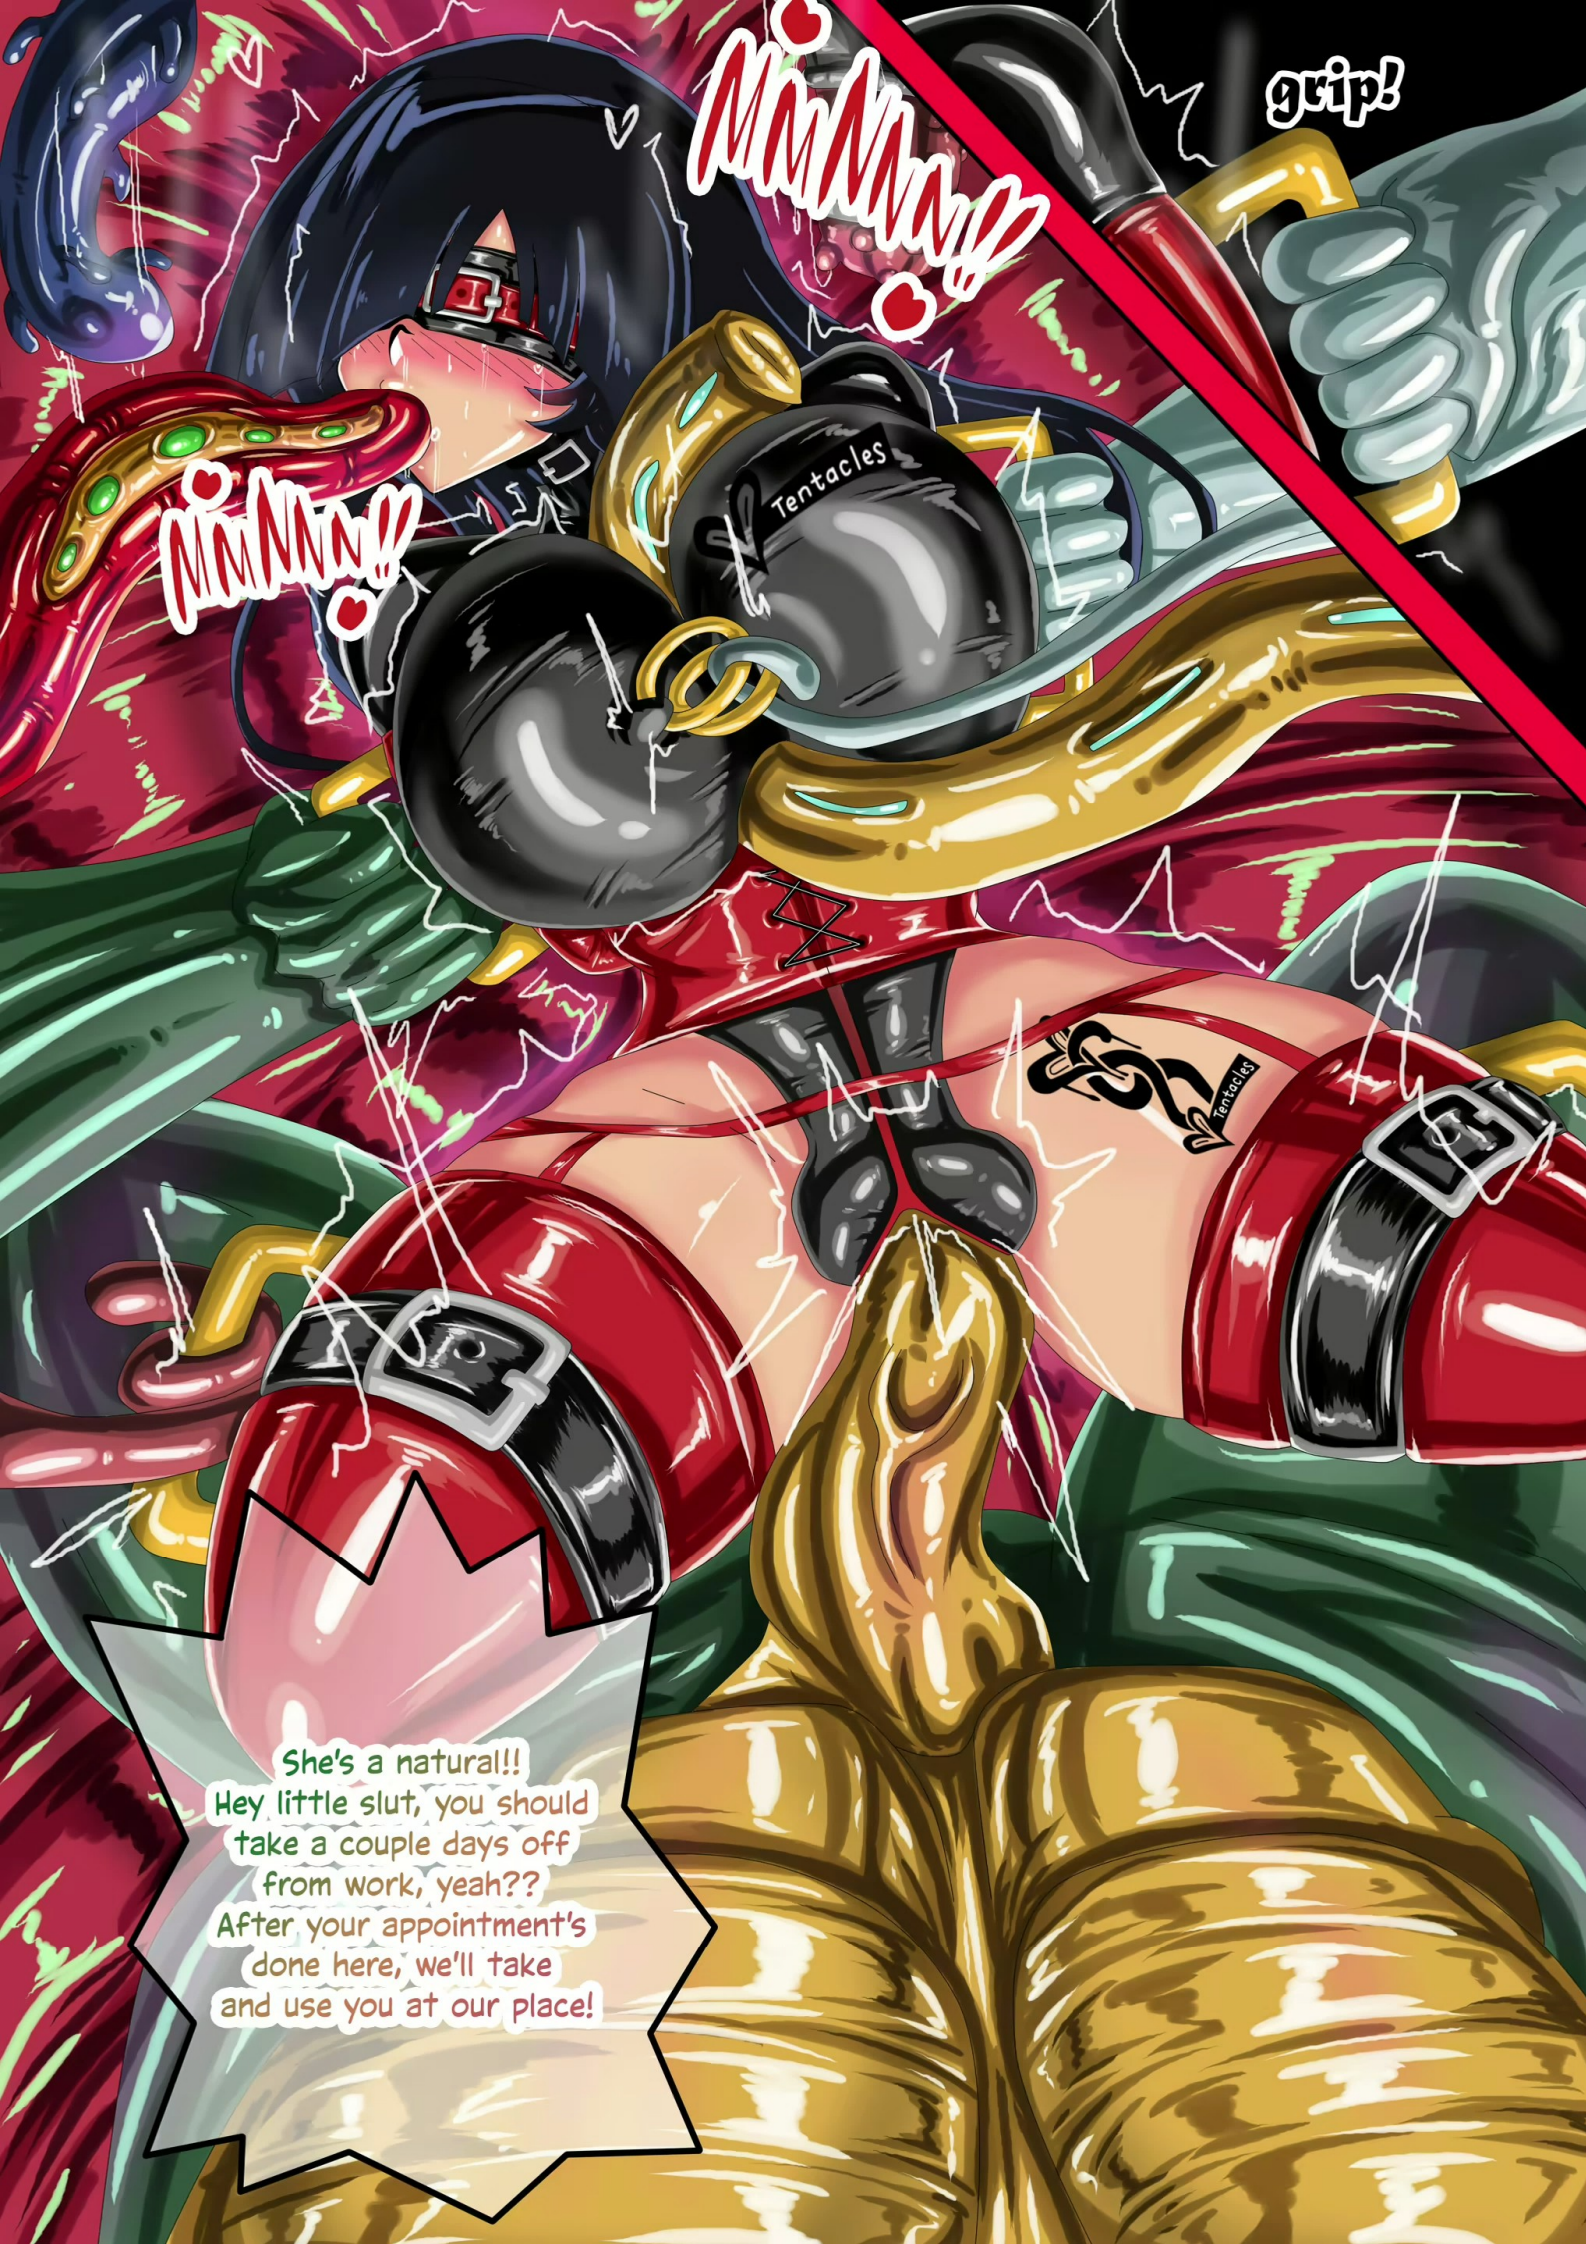

Ohh, that's
a fine piece
of ass!

Hehe...
I'm going to
get fucked
again...!

Let the
fun begin...

grip!

Mmmmm!

Mmmmm!

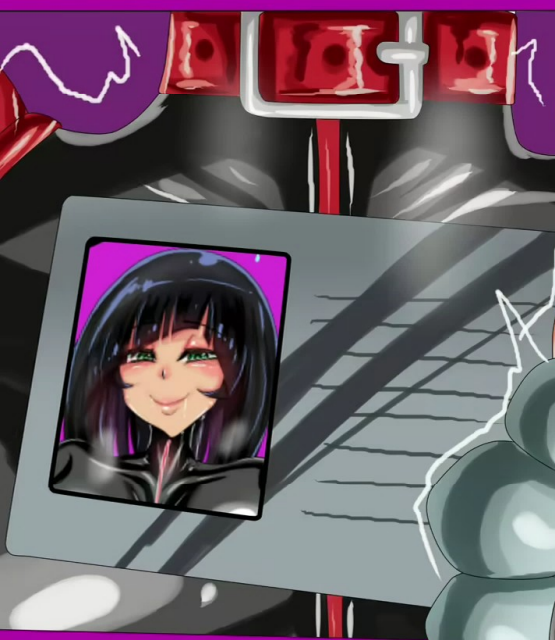

Tentacles

Tentacles

She's a natural!!
Hey little slut, you should
take a couple days off
from work, yeah??
After your appointment's
done here, we'll take
and use you at our place!

Two days later,
on Monday morning,
I called the office to
request two more days off,
and then...

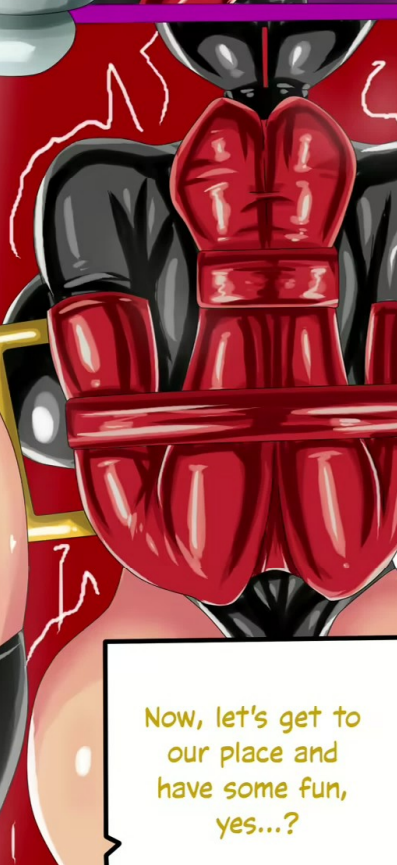

The car
is ready.

pull on

Your VIP clip is
registered, and
your custom
suit is complete.
From now on,
you will be our
special cockslave,
hahaha!

Now, let's get to
our place and
have some fun,
yes...?

After her two day stay with the other tentacles...

The Masochist was made to become a host to tentacle panties, which dealt with her bodily functions while giving her tons of pleasure.

Due to her masochistic ways, she was able to behave normally while in the office... but she could only answer her horniness by frantic masturbation after work...

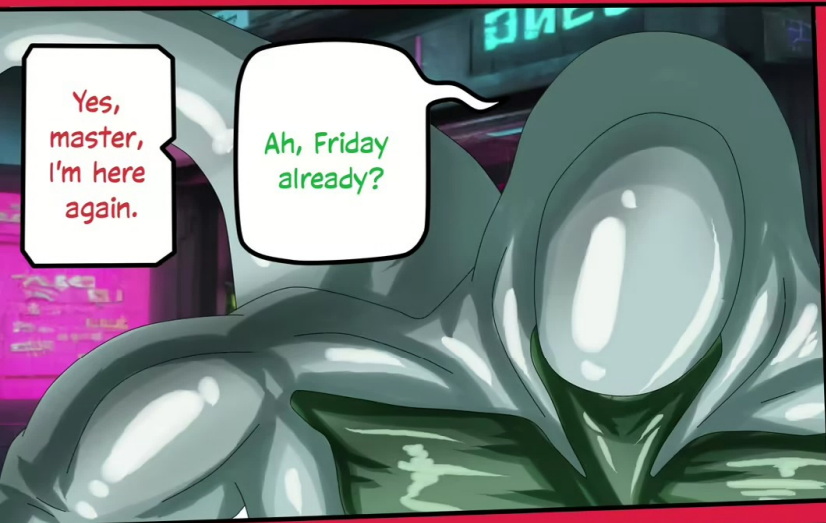

That is, until Friday night arrived...

We'll register
you with a VIP
ID, so you'll have
to come and
serve us every
Friday night
from now on!!

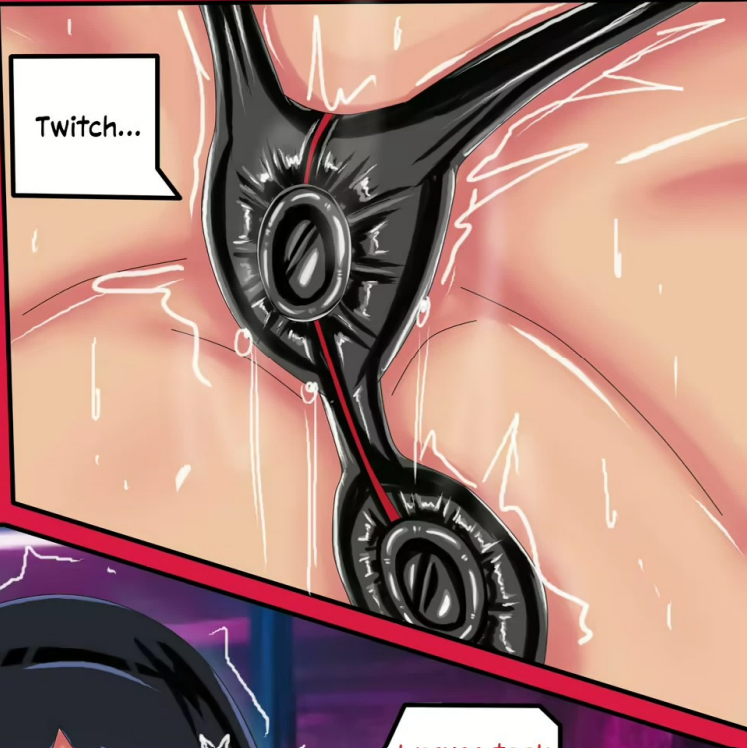

Oh, how could
I say no to that?!
I have lots of
vacation time!!

Thank you
very much,
my masters, and
please treat me
harshly in the
future, too!

Yes,
master,
I'm here
again.

Ah, Friday
already?

Twitch...

I think this is
going to be my
favorite place
for a good
long time...
♥♥♥♥

What a natural
masochistic slut
you are... normal
women would have
them off in a day,
but I see you're
still loving it.
Come then, this
weekend is sure to
be very intense.

I never took
these
panties off
once...♥
