Hmmm...
Do you
want to
use my
method
to lose
weight?

Mistress
Patchouli
has such
a lovely
figure♥

At the end
of the month,
we all agreed
to go on
a beach
vacation
for 5 days.

I bought
a human
swimsuit
for you
♥

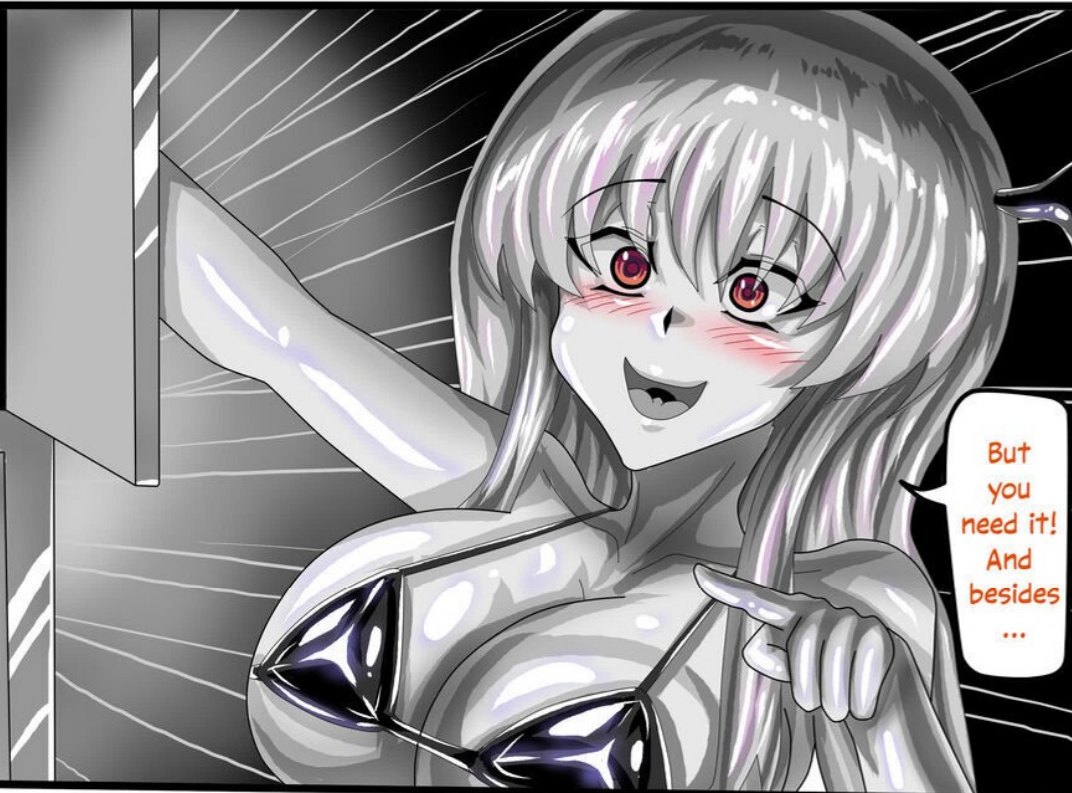

Quiet,
Little Devil.
My abilities
are above
such methods...

Try summoning
a Carnal Demon
to lose weight -
I'm happy to say
you only need to
trade a little
bit of sex ♥

This little devil
whispers the truth!

Innocent little me
found these new toys!
Hehe!

But
you
need it!
And
besides
...

Everyone in the
manor can
hear my Mistress'
cries at night!
Hoho!

I'm quite
good at
opening
locks,
you know.

I'm sorry!!!
Hey, I'll help my
mistress meet the
Carnal Demon!!
Augh, I was wrong!!
Have mercy!!!

I'm a blameless
little devil that
can't possibly lie...
becoming... the
target of a
magical attack...

After a good cry...

They think they're so pure and innocent, but I know they play around even more than I do...!

Fine! If everyone already knows my predilections, I may as well call this demon...

If I summon a ruthless one, I should be able to lose the weight in one week.

Complexion Correction Direction

Communion Protection ...

Contractual Satisfaction....
Copulation Compensation !!

Adipose Dissipation Transmutation...

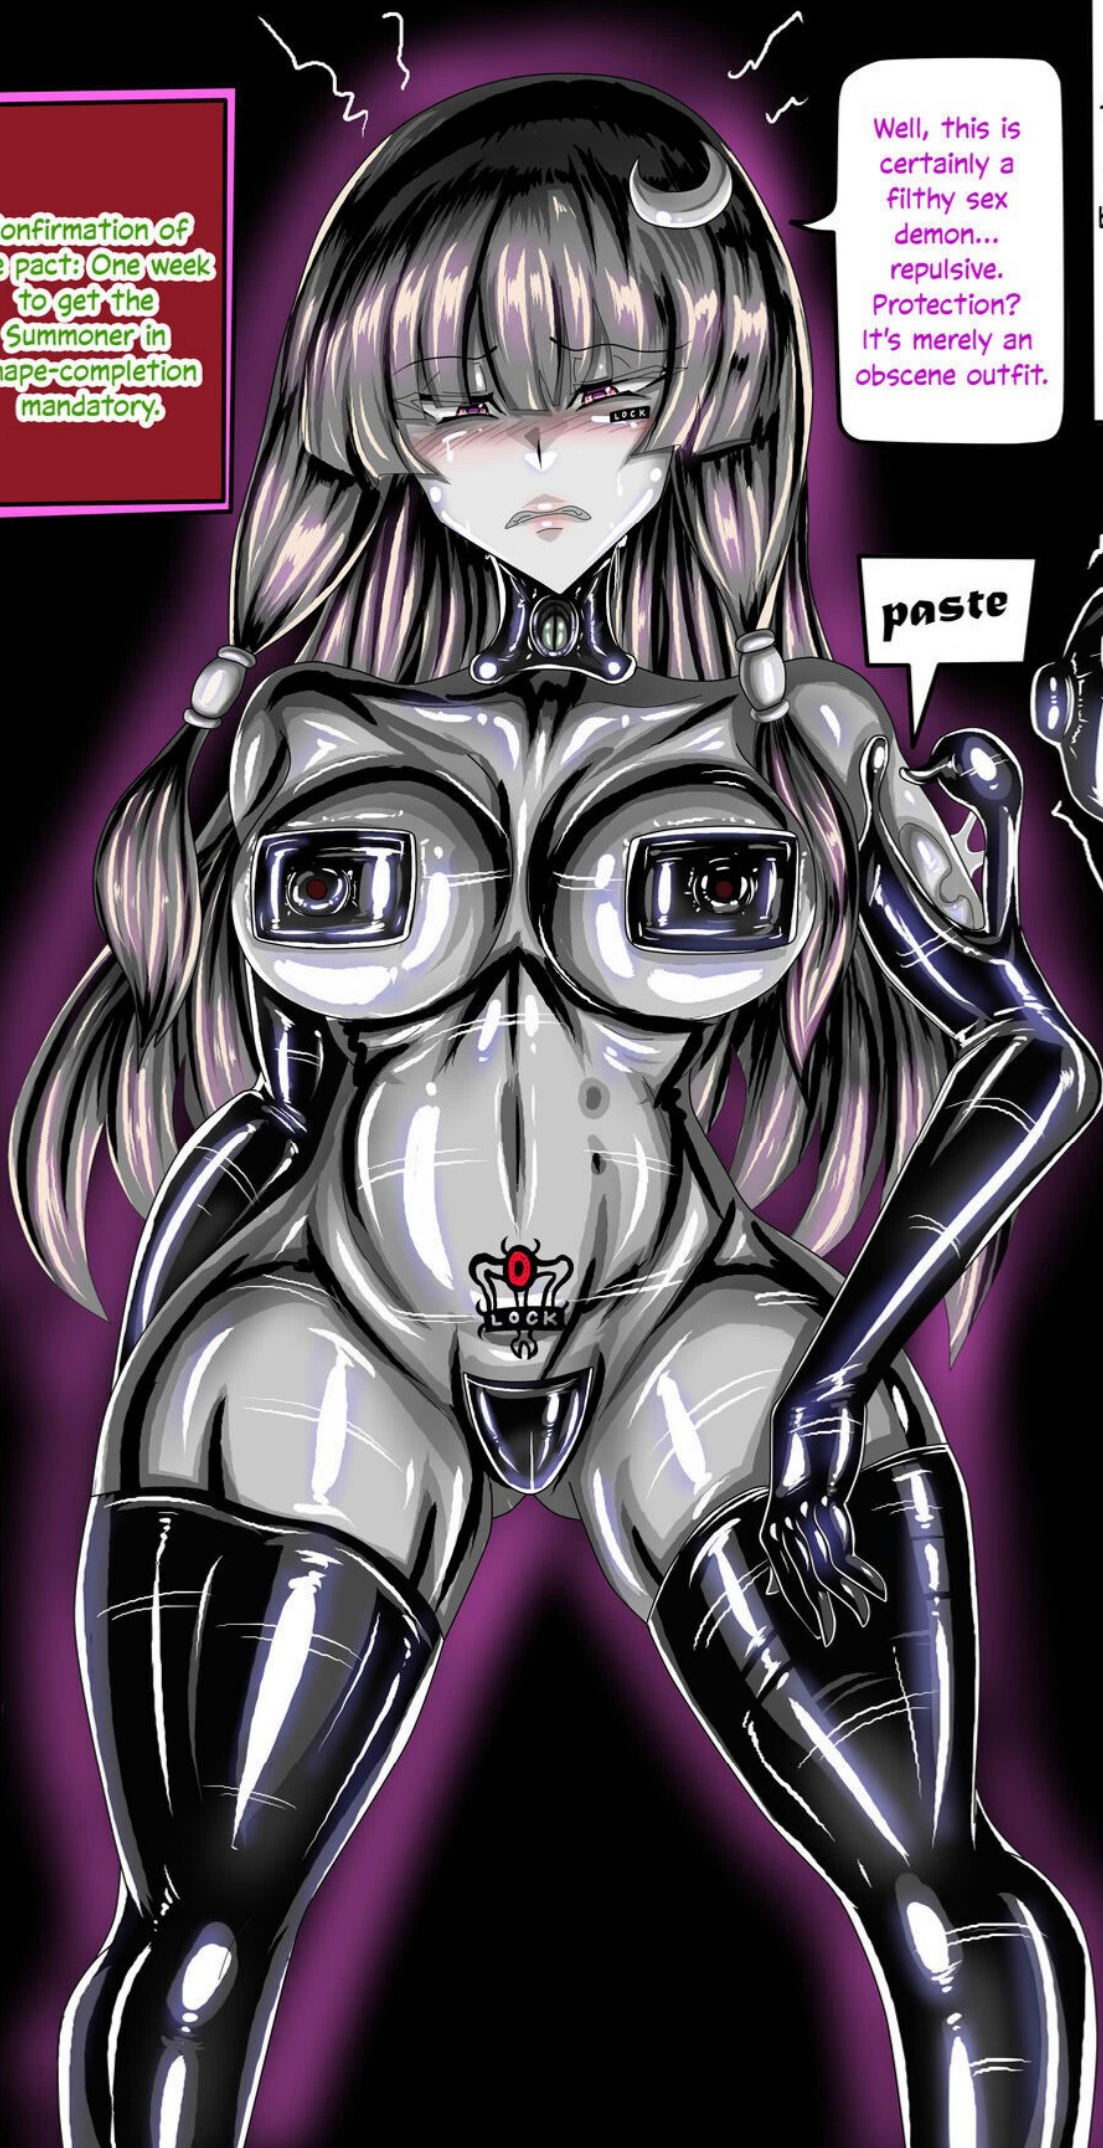

Confirmation of
the pact: One week
to get the
Summoner in
shape-completion
mandatory.

Confirmation
price: The
Carnal Demon
is granted
mating rights
with the
Summoner for
one week.

Well, this is
certainly a
filthy sex
demon...
repulsive.
Protection?
It's merely an
obscene outfit.

To protect
the Summoner,
they need to
be parasitized
by the demon's
protective
sheath.

paste

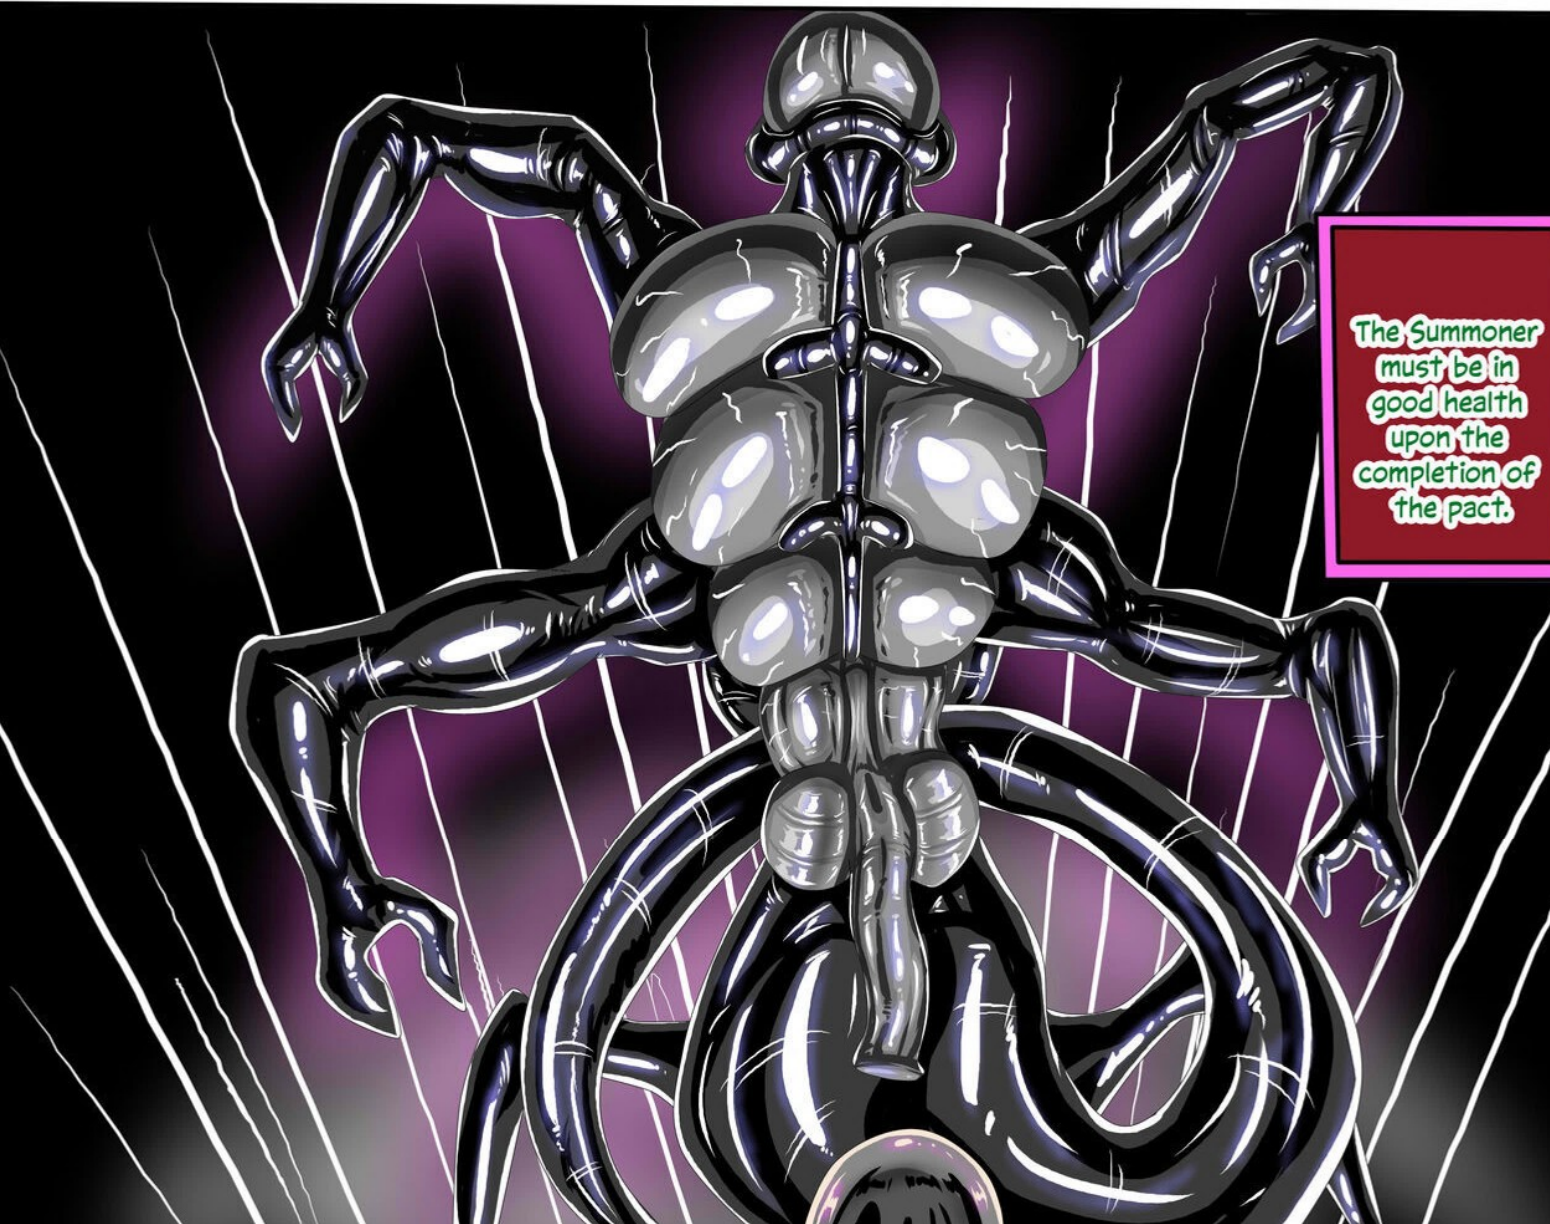

Any products yielded from copulation is considered a reward for the Carnal Demon.

In the event of impregnation, it must be brought to completion before the end of the pact.

Any Carnal Demon that violates these terms is subject to control by the Summoner.

Both parties must fulfill the pact to the best of their ability, and not bring harm to the other party.

The Summoner must be in good health upon the completion of the pact.

The pact
is sealed -
commence
mating.

...Come,
then!

This seems
more dang-
erous than
I expected...
but I need to
lose this
weight
quickly!

Body mo-
dification
pact will
complete
within
seven days.

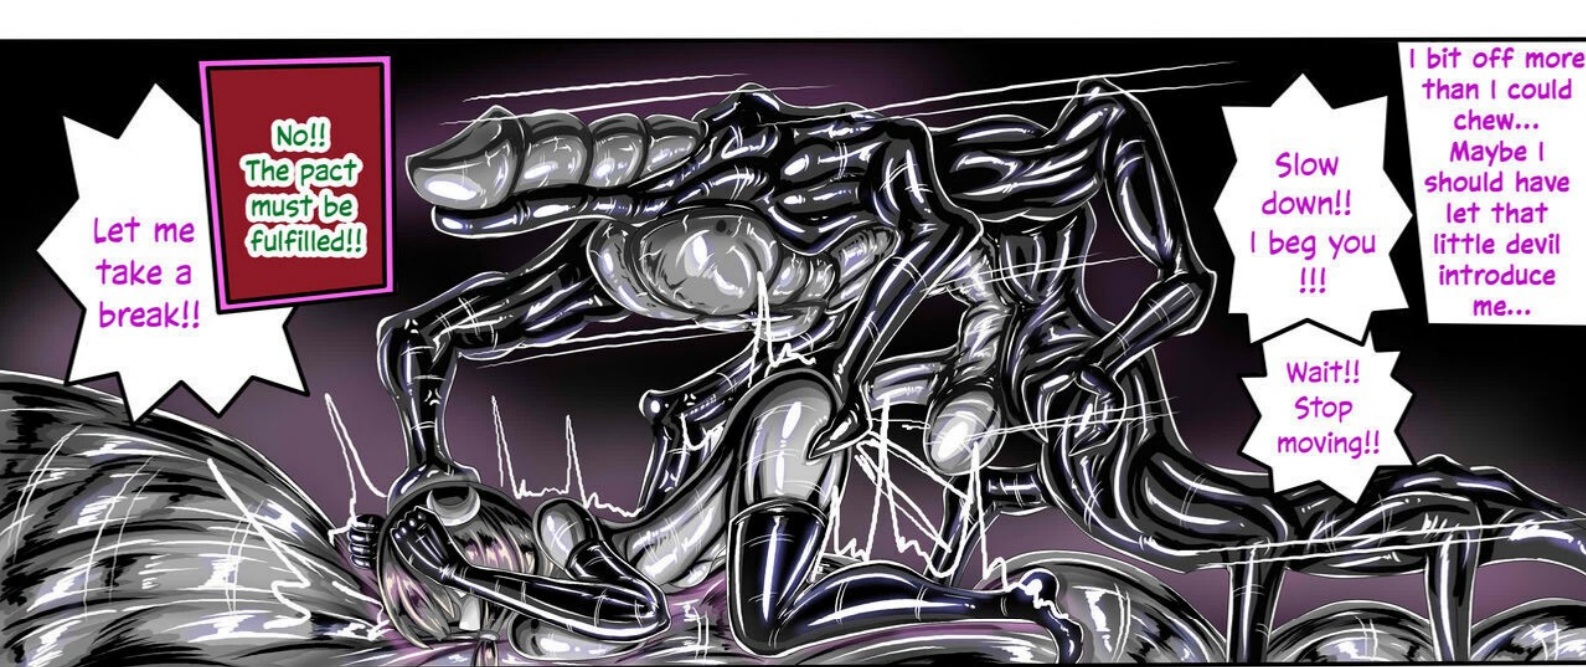

I've been
made a
laughing stock,
and I don't
want to rely
on that
little devil...

Ah!!
You went
right in?!
S-Slow
down a
little!!

Ah!!

The power of
the Carnal
Demon was
far greater
than I could
have
imagined...

In less than
ten minutes,
Patchoili couldn't
keep up with
the aggressive
mating rate.

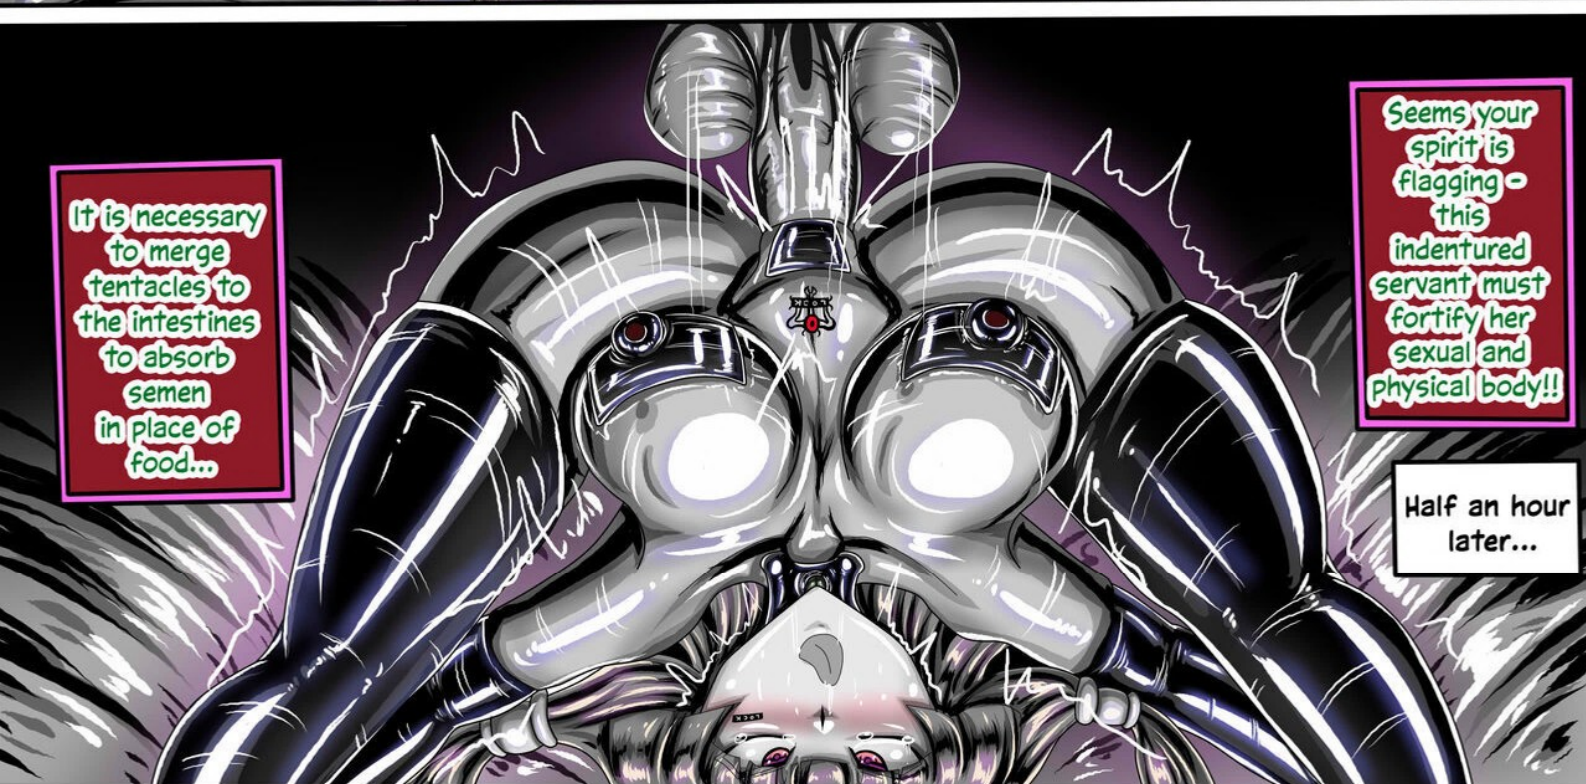

Let me
take a
break!!

No!!
The pact
must be
fulfilled!!

Slow
down!!
I beg you
!!!

Wait!!
Stop
moving!!

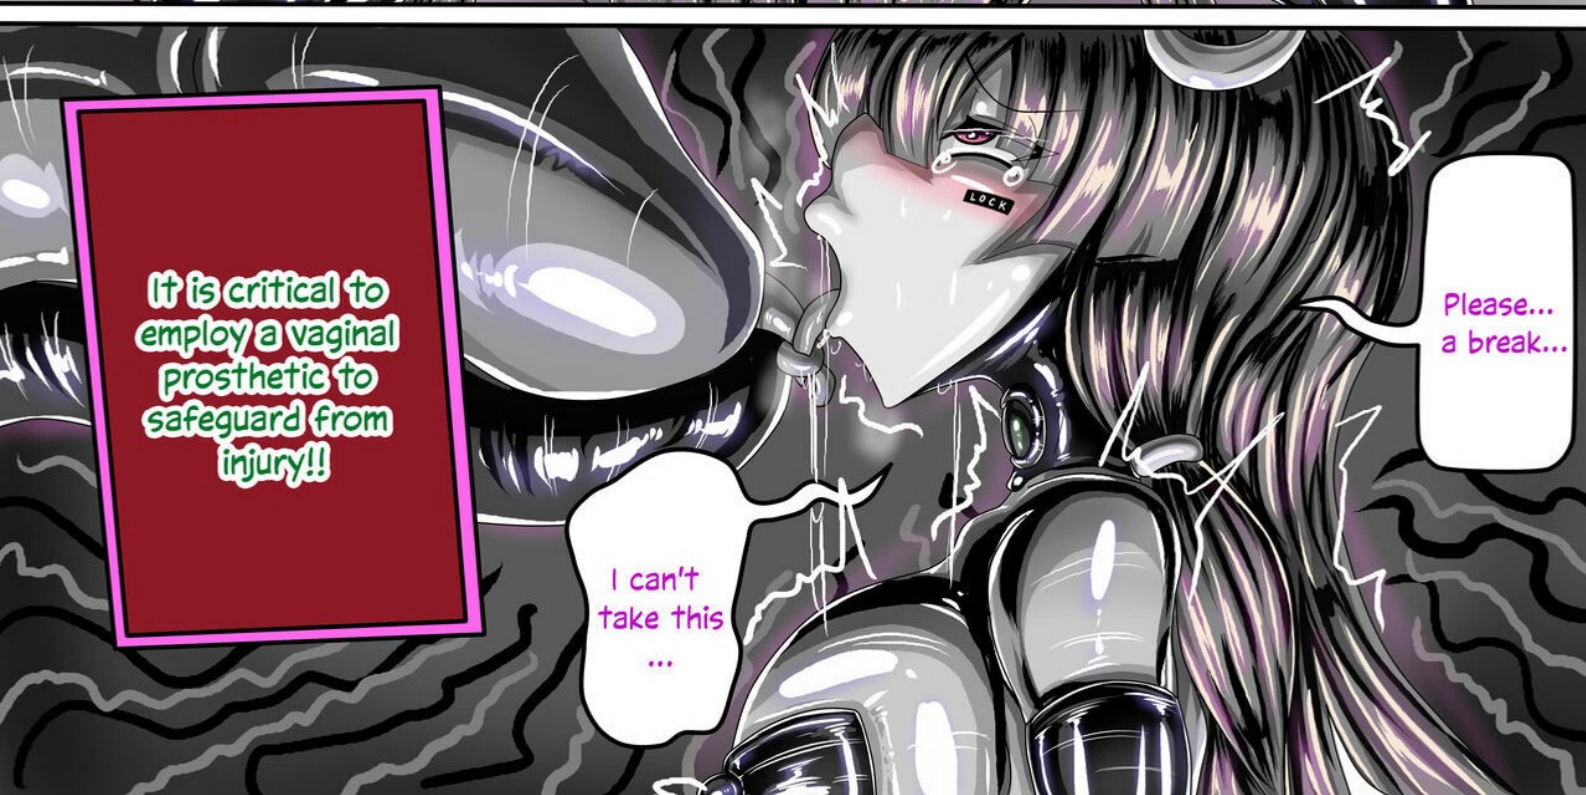

I bit off more
than I could
chew...
Maybe I
should have
let that
little devil
introduce
me...

It is necessary
to merge
tentacles to
the intestines
to absorb
semen
in place of
food...

Seems your
spirit is
flagging -
this
indentured
servant must
fortify her
sexual and
physical body!!

Half an hour
later...

It is critical to
employ a vaginal
prosthetic to
safeguard from
injury!!

I can't
take this
...

Please...
a break...

Fertilization complete!!
Protect the uterus from harm!!

Impregnation magic is unleashed!

Employ the summoner's own magic power...

Commence energy supplementation.

The magical womb has successfully integrated with the uterus and urethra.

fall

pop !!

The indentured has lost 6 pounds.
So now, I'll implant anal tentacles to ensure safer breeding.

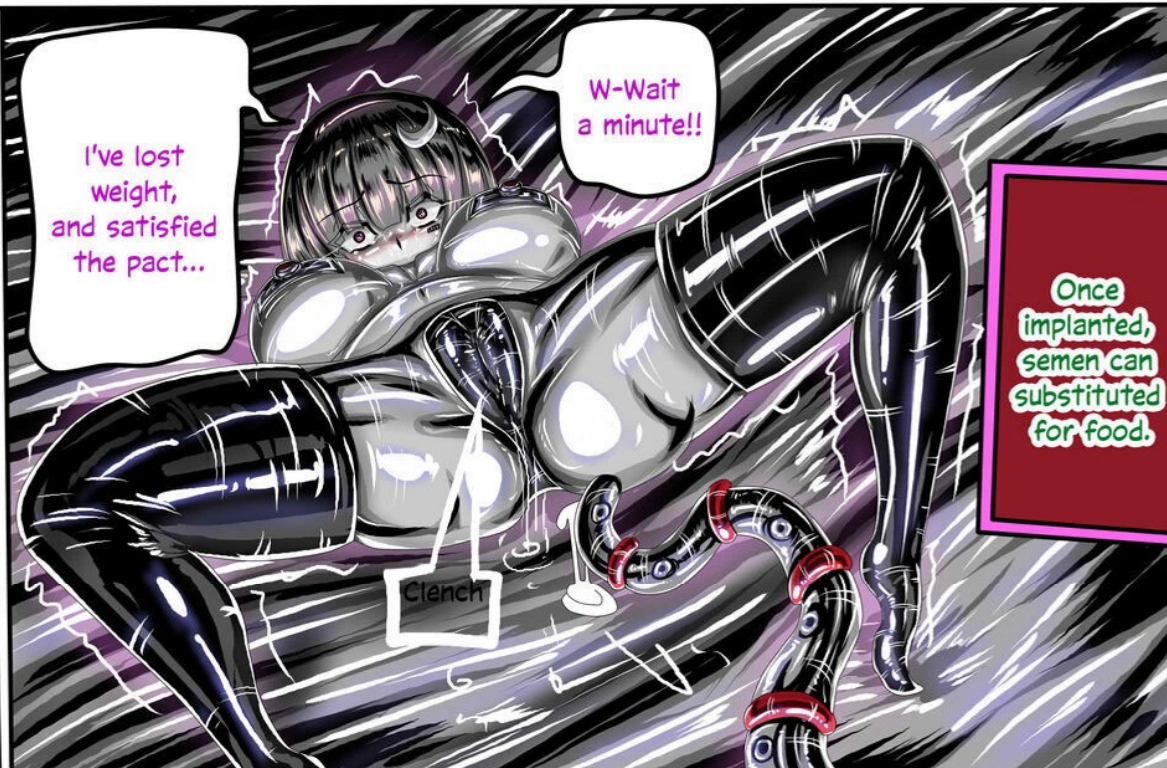

Ah Ah
Ah Ah
AHHH !!

Pachouli's body exploded with sexual excitement, the likes of which she never felt before.

It's only 6 pounds, but it still achieves my goal...

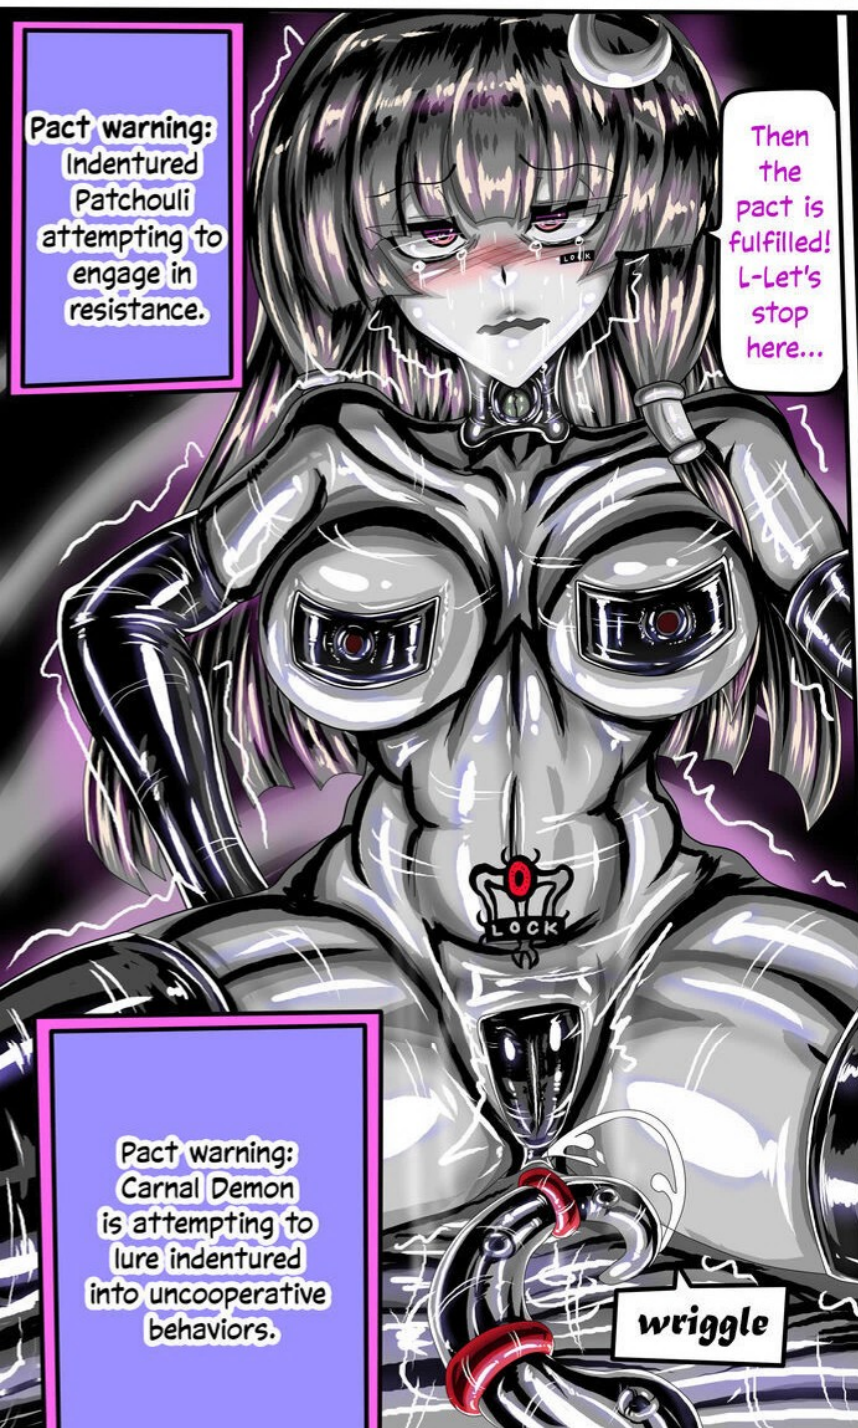

I've lost weight, and satisfied the pact...

W-Wait a minute!!

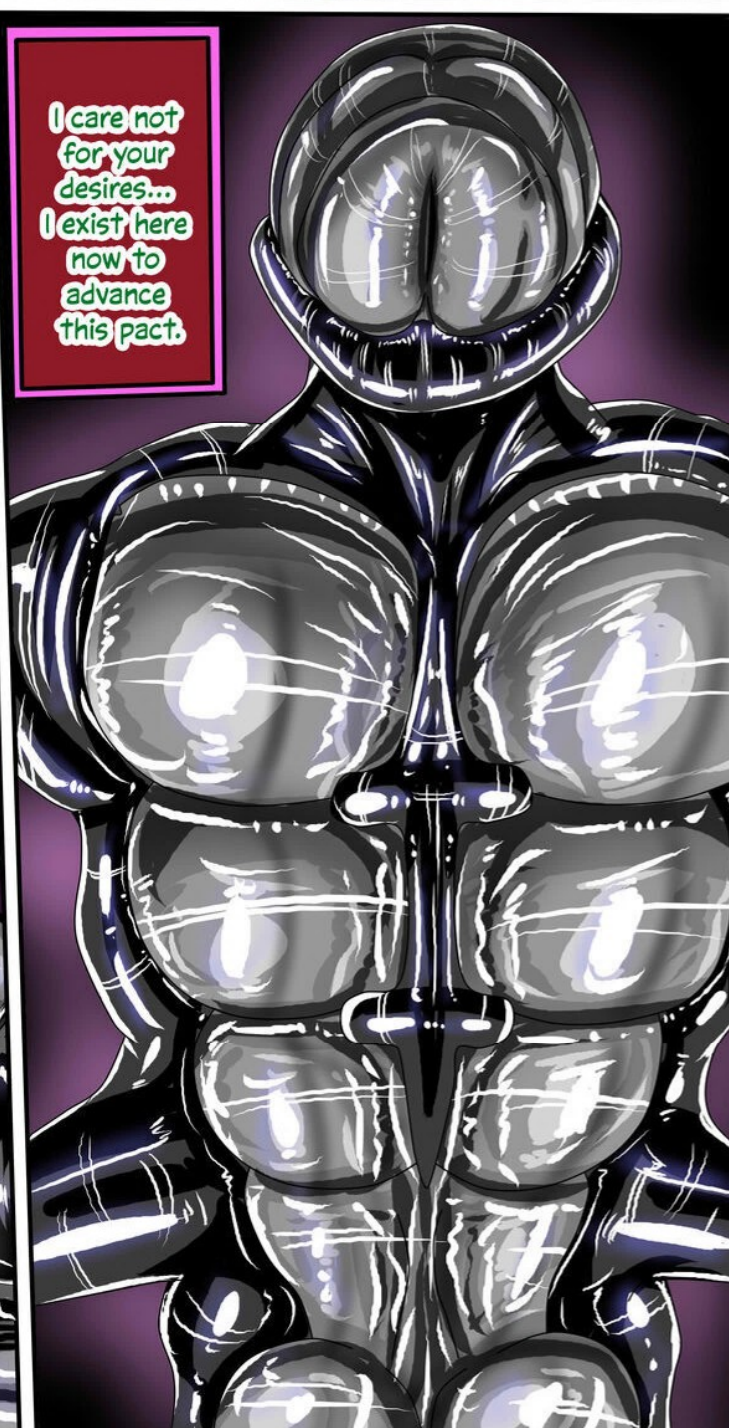

Once implanted, semen can substituted for food.

Clench

Pact warning: Indentured Patchouli attempting to engage in resistance.

Then the pact is fulfilled! L-Let's stop here...

I care not for your desires... I exist here now to advance this pact.

Pact warning: Carnal Demon is attempting to lure indentured into uncooperative behaviors.

wriggle

Patchouli finally realized she'd been fooled, and could only continue with the pact. She began to regret not asking the Little Devil for help.

Pact warning:
Both parties must
do their utmost
to obey the pact.

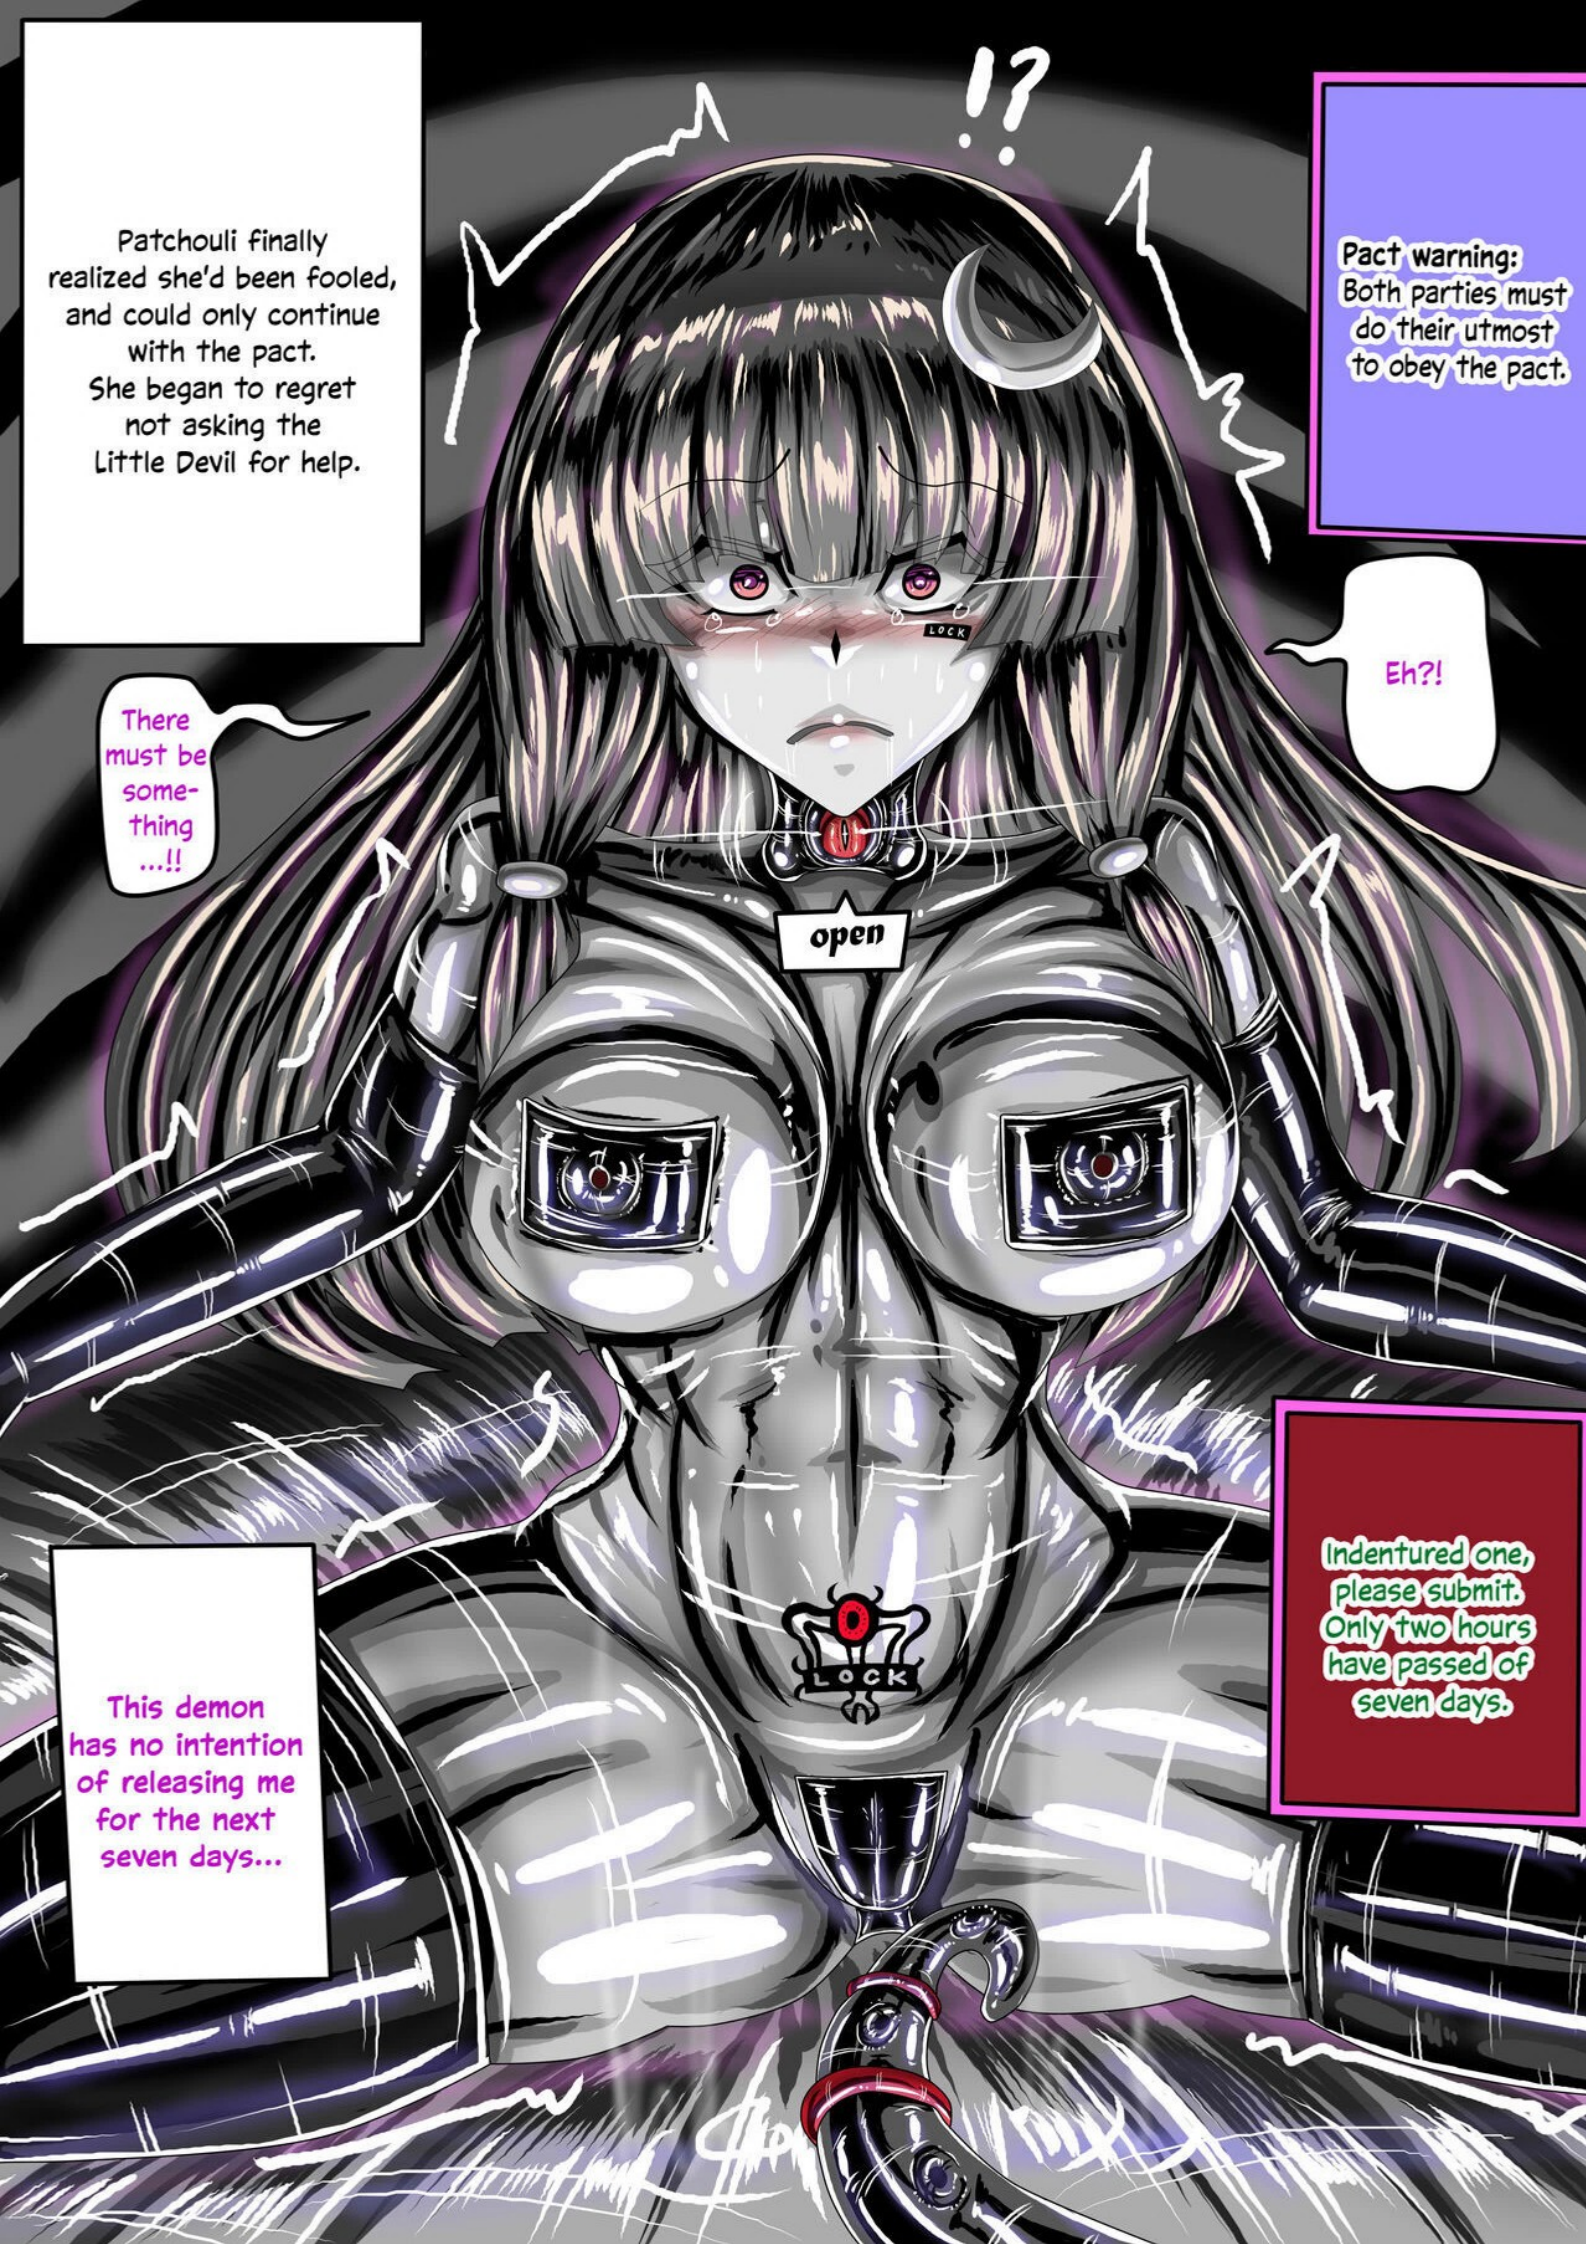

There
must be
some-
thing
...!!

Eh?!

open

This demon
has no intention
of releasing me
for the next
seven days...

Indentured one,
please submit.
Only two hours
have passed of
seven days.

Patchouli understood the gravity of her situation... worse, if she resisted, the pact's punishment would lengthen the time limit endlessly. She had to hope for the Little Devil to rescue her.

A demon's pact is very strict... the contract will not end if you merely lose weight... you must endure the seven days as well!

But if I remain uninjured, the pact remains intact... too cruel!!

What horrible suffering! Tentacles are invading every orifice!!

Initial modifications are complete! The indentured servant's body can now withstand the shock of mating... heh heh heh...

grasp

wriggle

Ahhnn ~n!

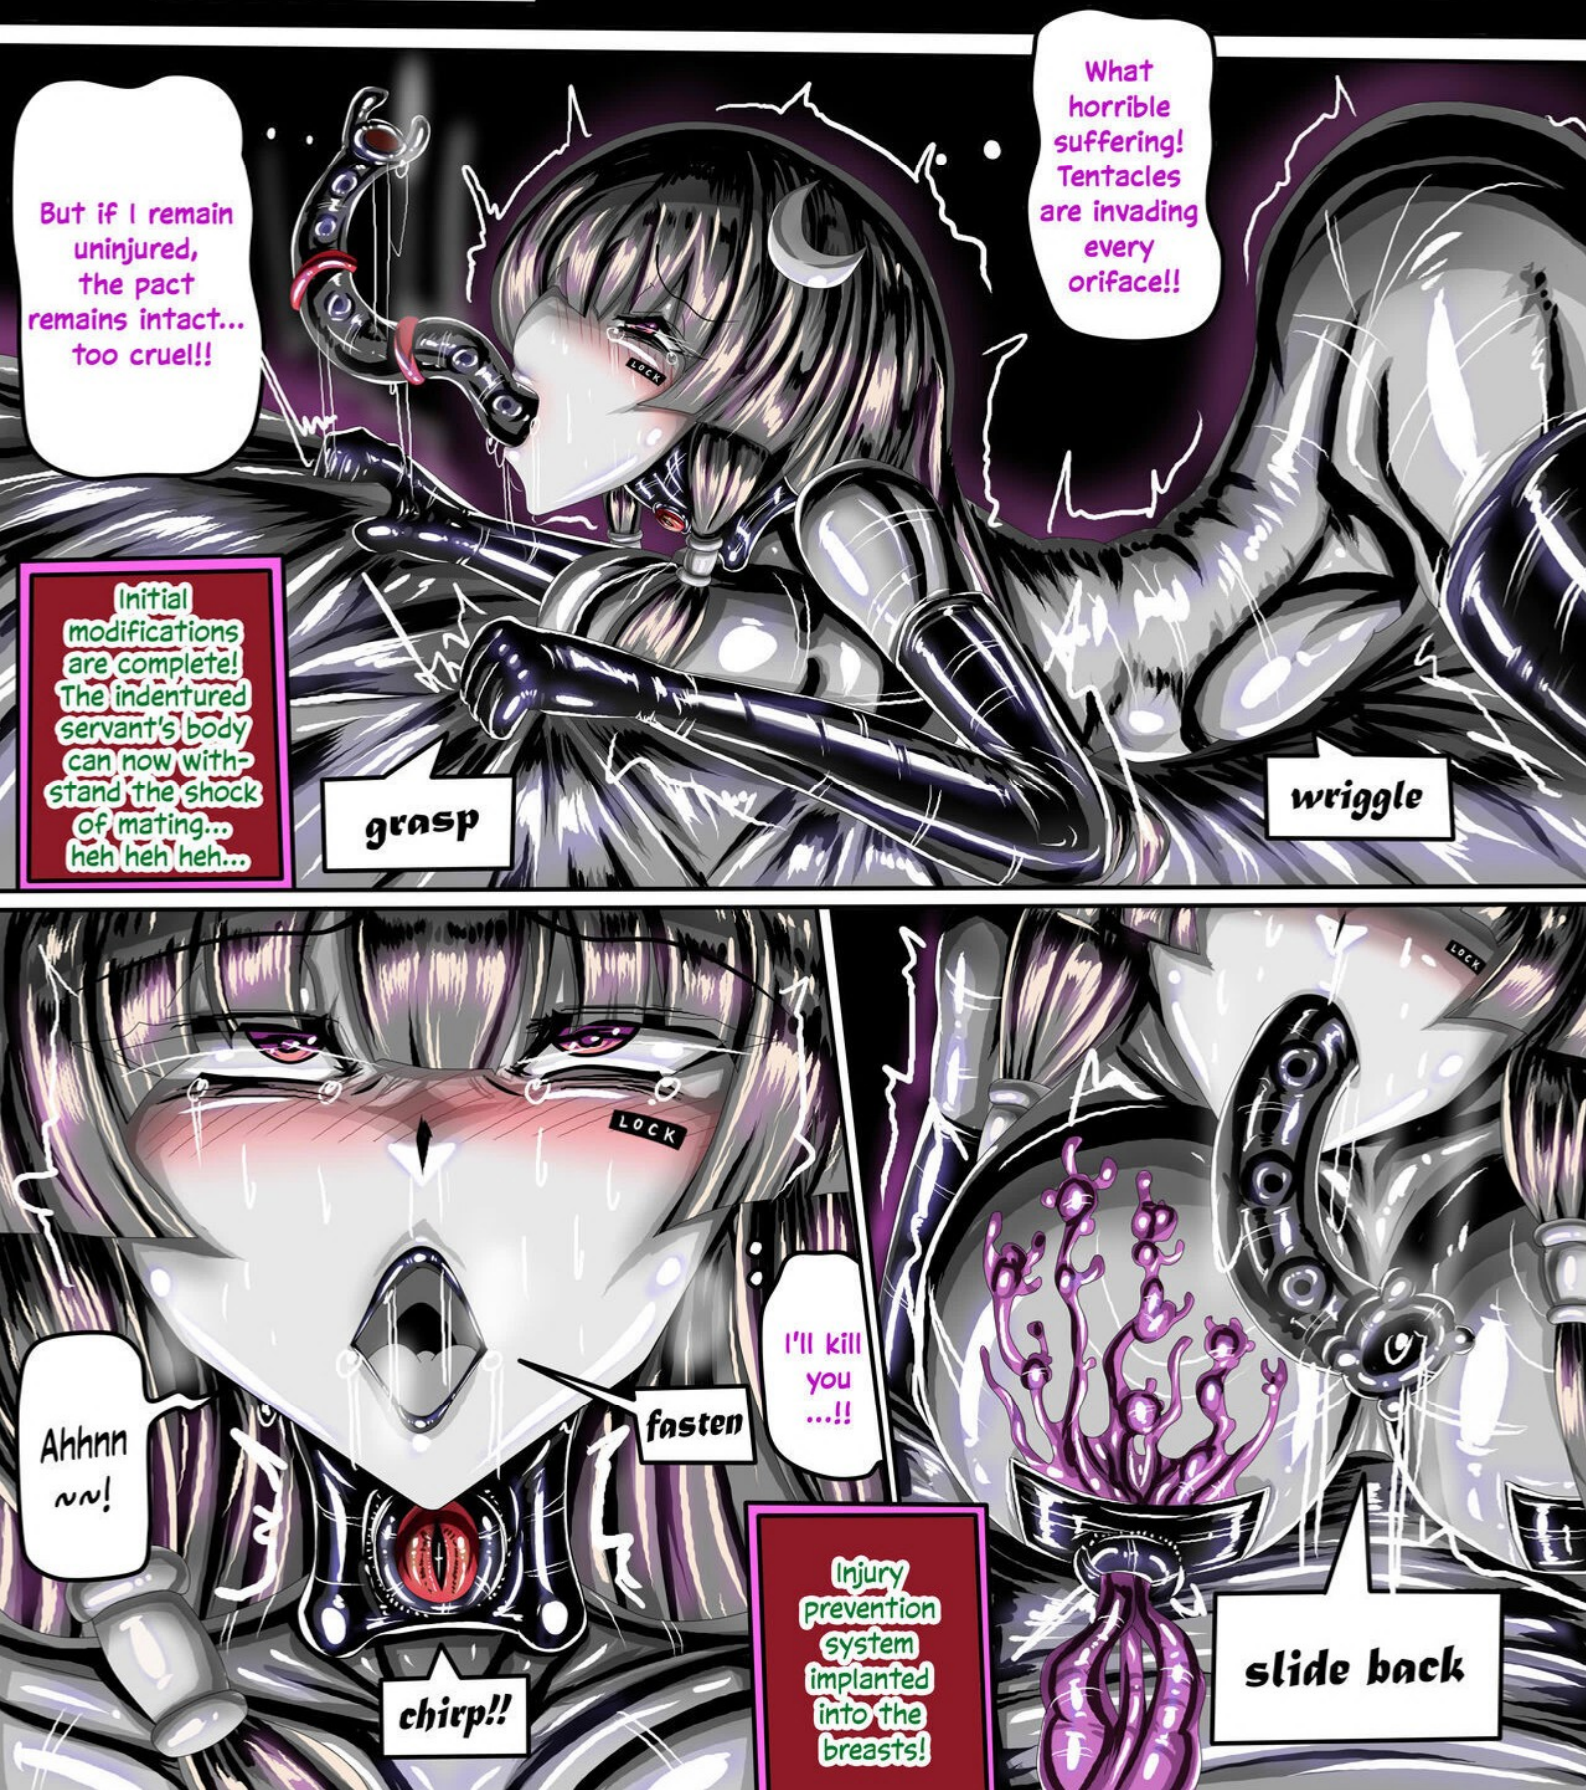

fasten

I'll kill you ...!!

chirp!!

Injury prevention system implanted into the breasts!

slide back

The desire to orgasm
increases...
If you extend the
length of the pact
by one day,
you may have one.

Mnnph
...♡

The sixth hour
...

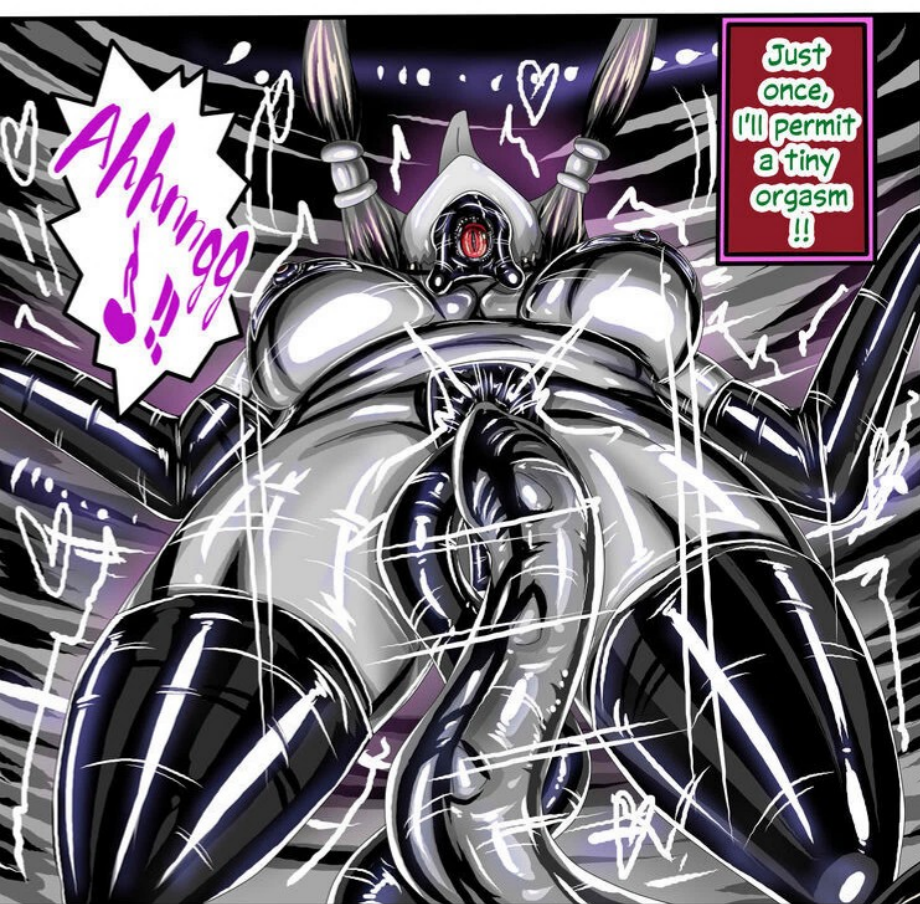

When their true
colors show,
Carnal Demons will
use a servant
without letting
them orgasm.

After the Demon
failed to lengthen
the pact by forcing
her disobedience,
he began to use
coercion...

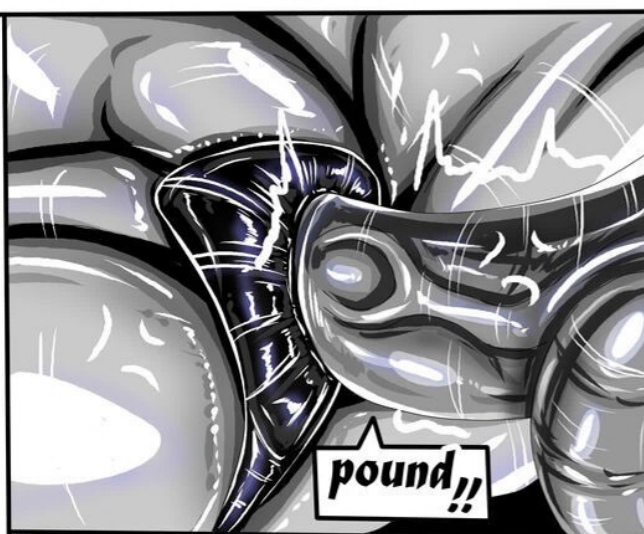

lip
tentacle
tremble

I won't
give in...

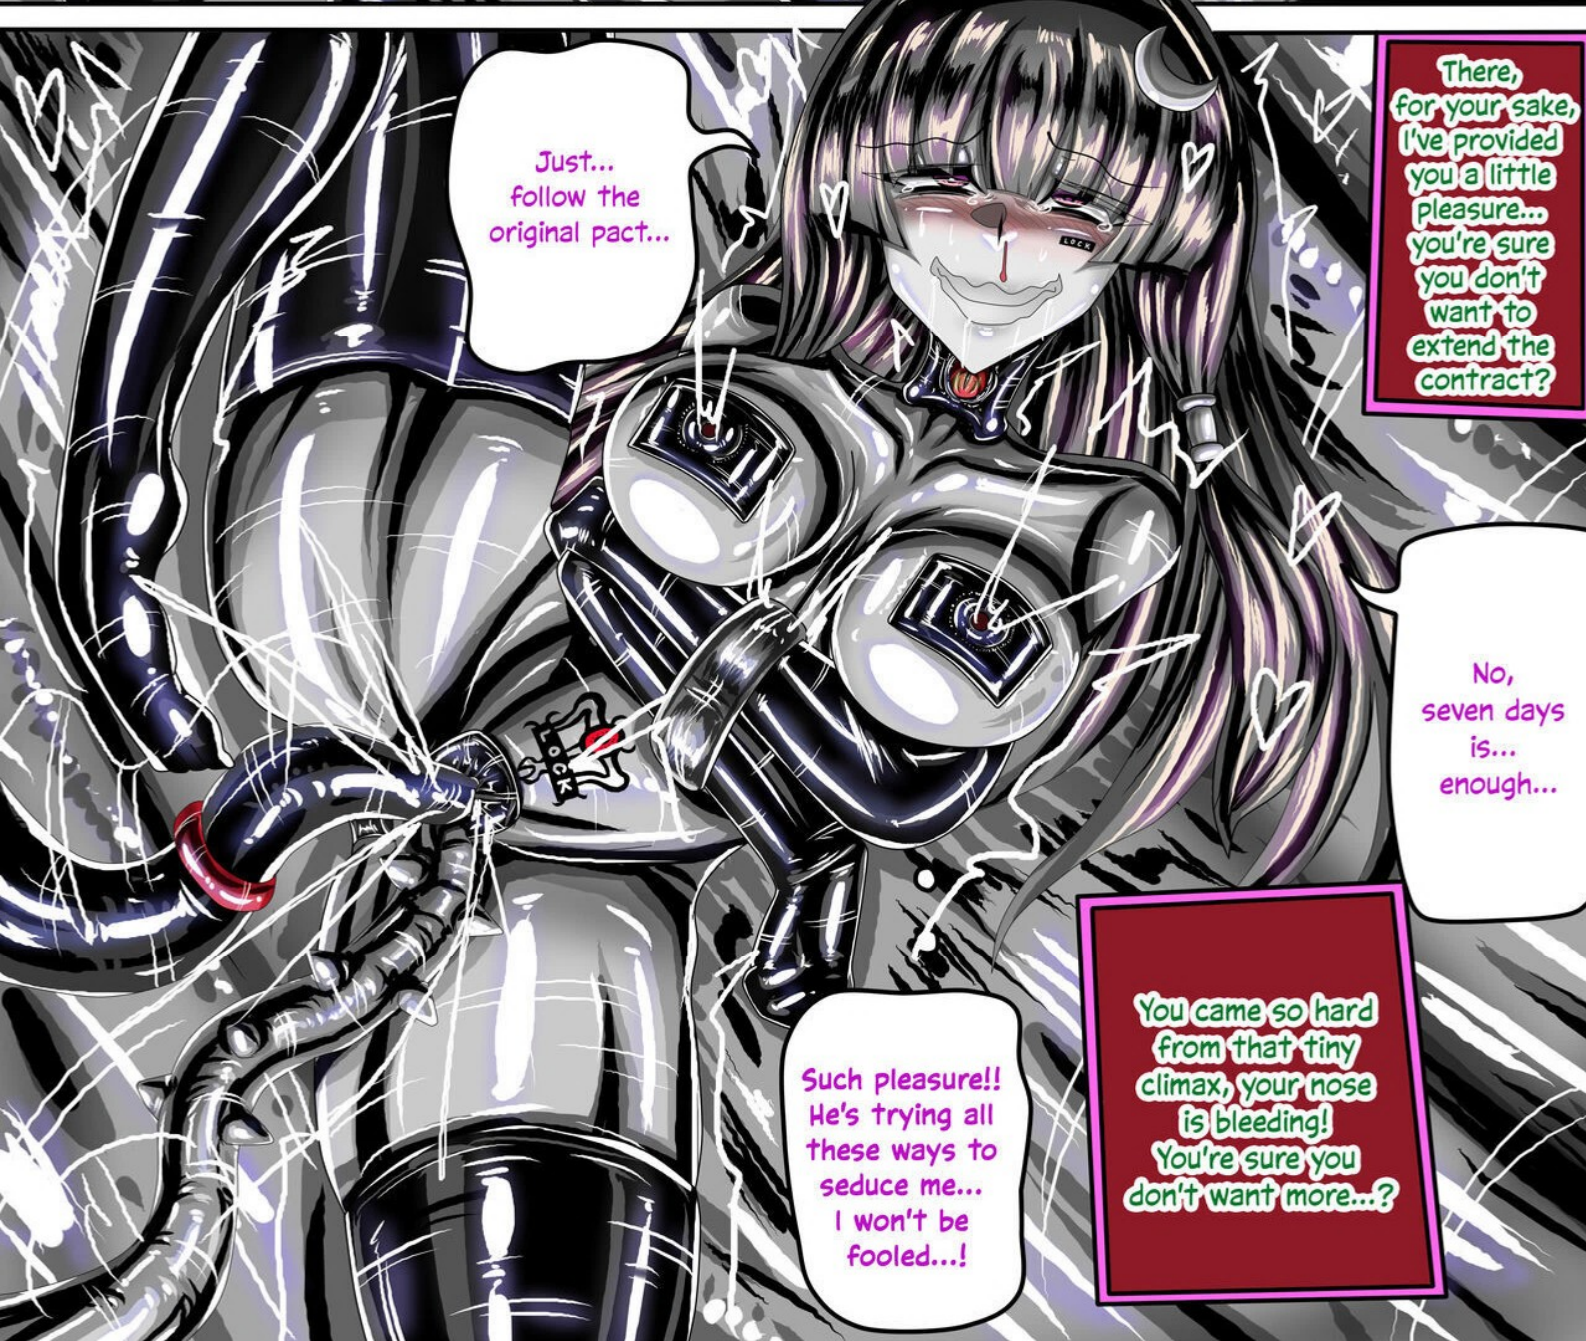

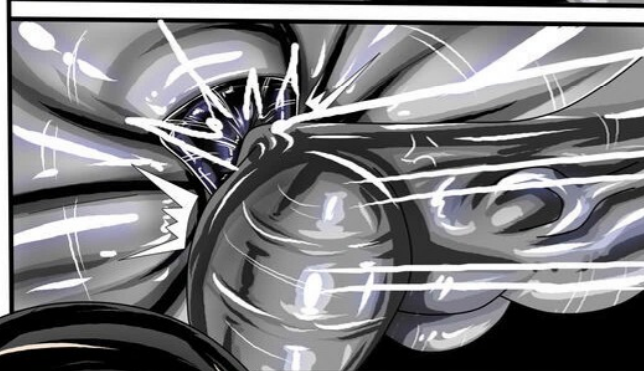

The magic
within you
fascinates
me.

Just
once,
I'll permit
a tiny
orgasm
!!

pound,,

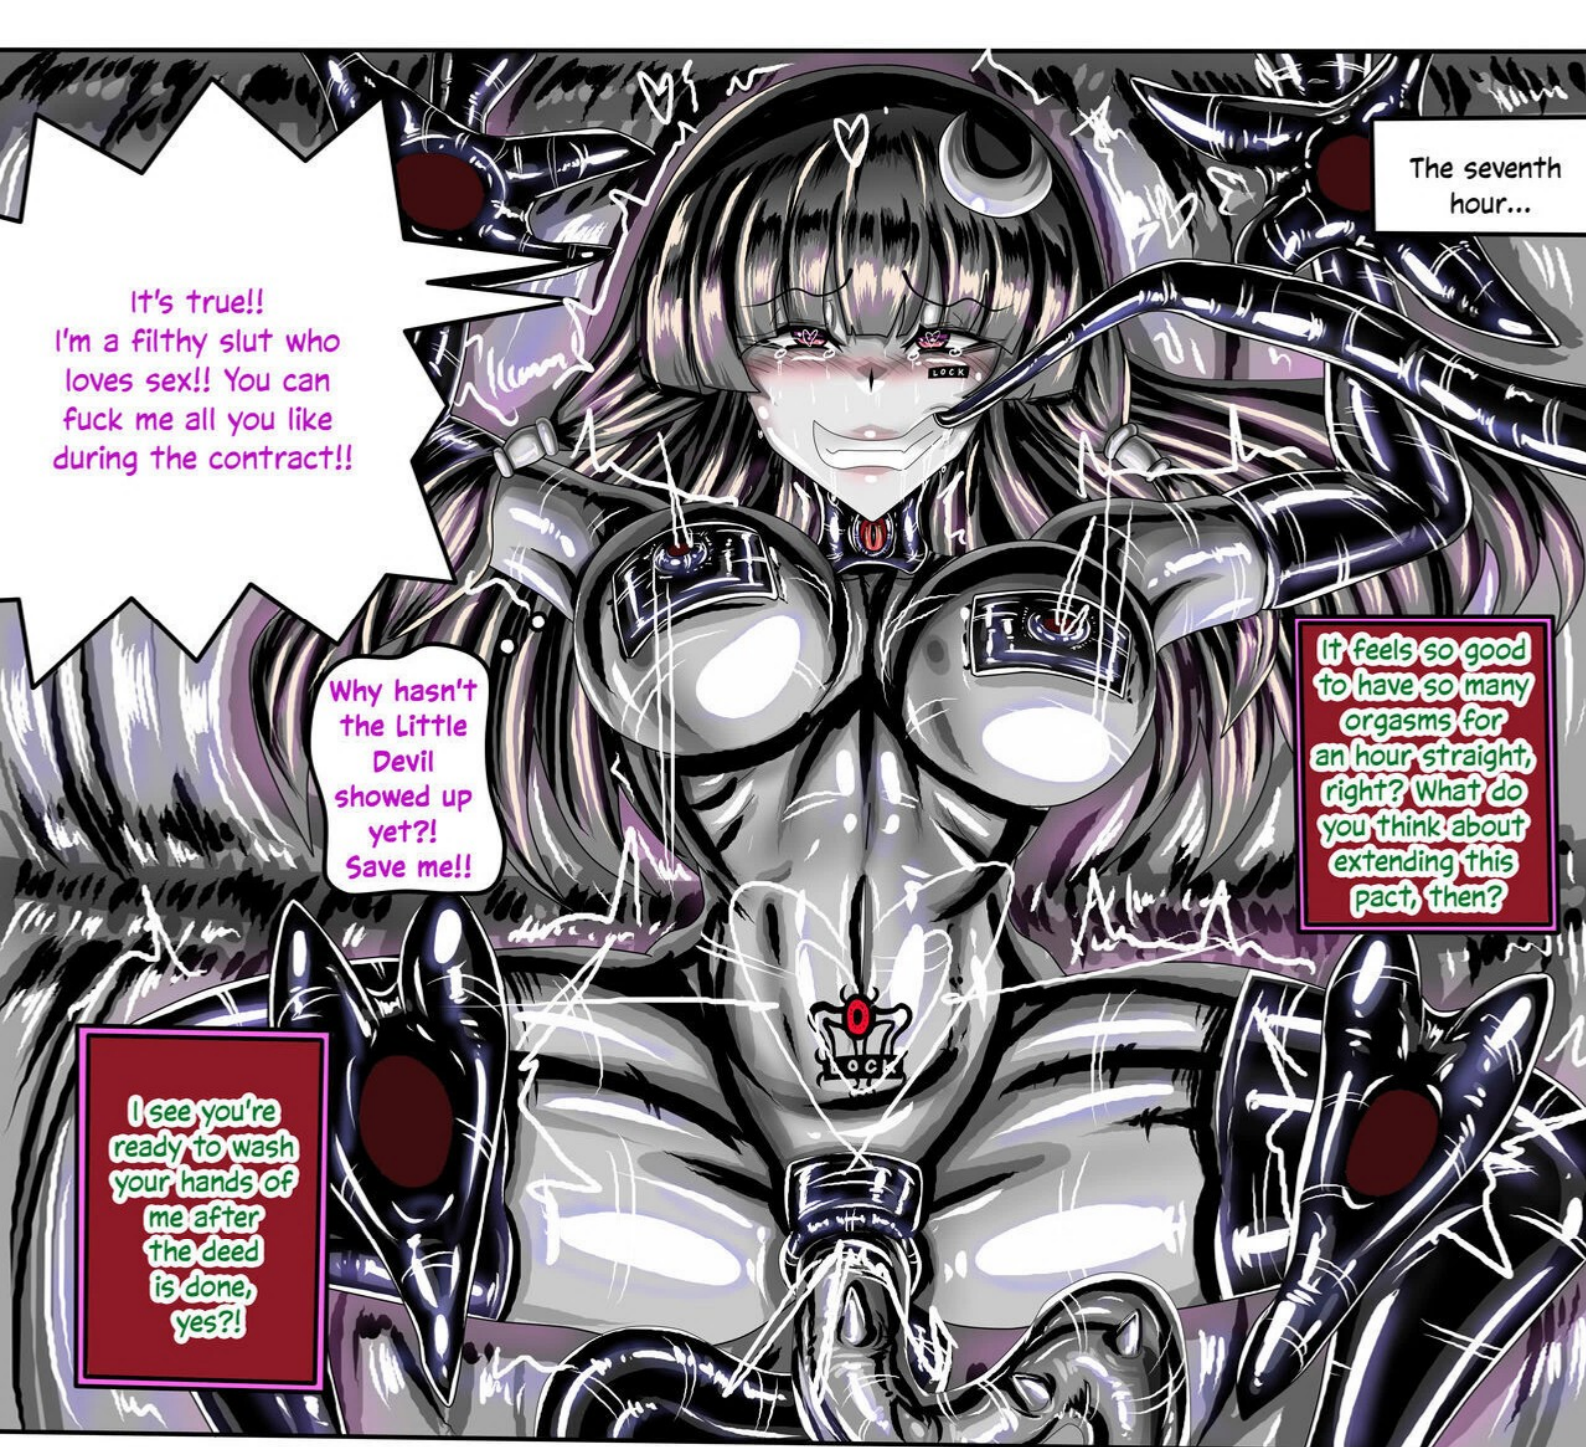

Just...
follow the
original pact...

There,
for your sake,
I've provided
you a little
pleasure...
you're sure
you don't
want to
extend the
contract?

No,
seven days
is...
enough...

Such pleasure!!
He's trying all
these ways to
seduce me...
I won't be
fooled...!

You came so hard
from that tiny
climax, your nose
is bleeding!
You're sure you
don't want more...?

The seventh hour...

It's true!!
I'm a filthy slut who
loves sex!! You can
fuck me all you like
during the contract!!

Why hasn't
the Little
Devil
showed up
yet?!!
Save me!!

It feels so good
to have so many
orgasms for
an hour straight,
right? What do
you think about
extending this
pact, then?

I see you're
ready to wash
your hands of
me after
the deed
is done,
yes?!

As you
wish!!
I'll comply!!

With that,
you cannot
have another
orgasm for
at least
three hours!!

Then let's stuff
that urethra of
yours full,
and let these
tentacles turn your
piss into aphrodisiac!
It'll be quite fun
to let it fill to
the brim, no??

The ninth hour...

This is so good, it's killing me... but no orgasms!! ...Ugh!!

I'm anxious to pee, but it's not like the feeling is going to suffocate me to death...

Nothing to say? Are you thinking that you can't endure for seven days?

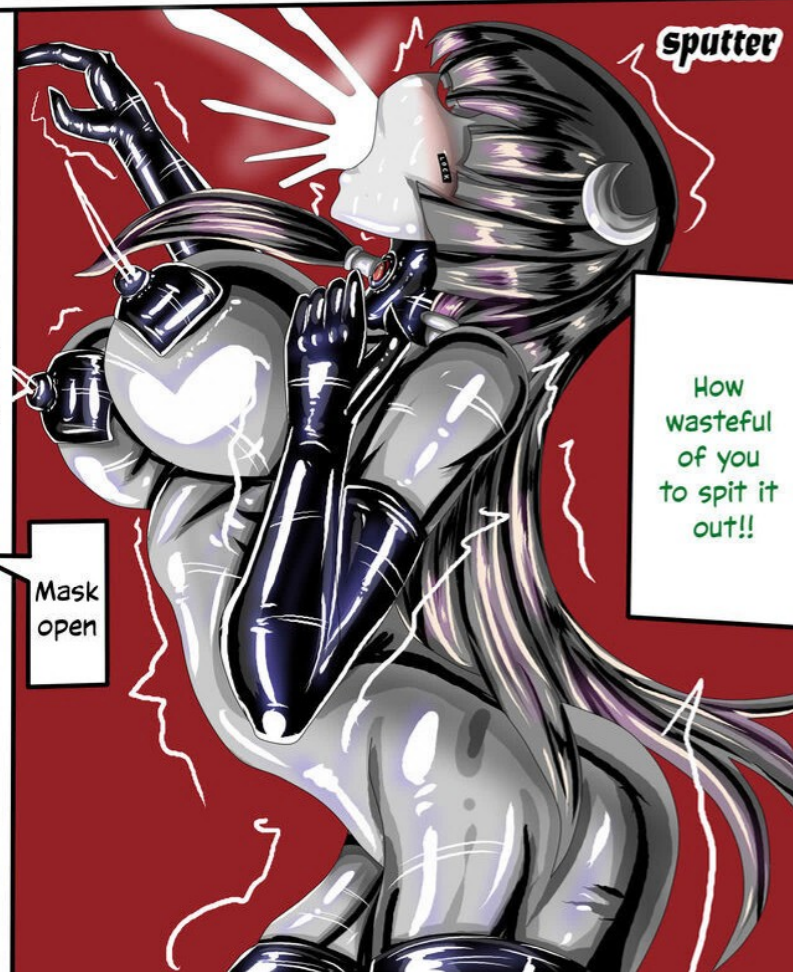

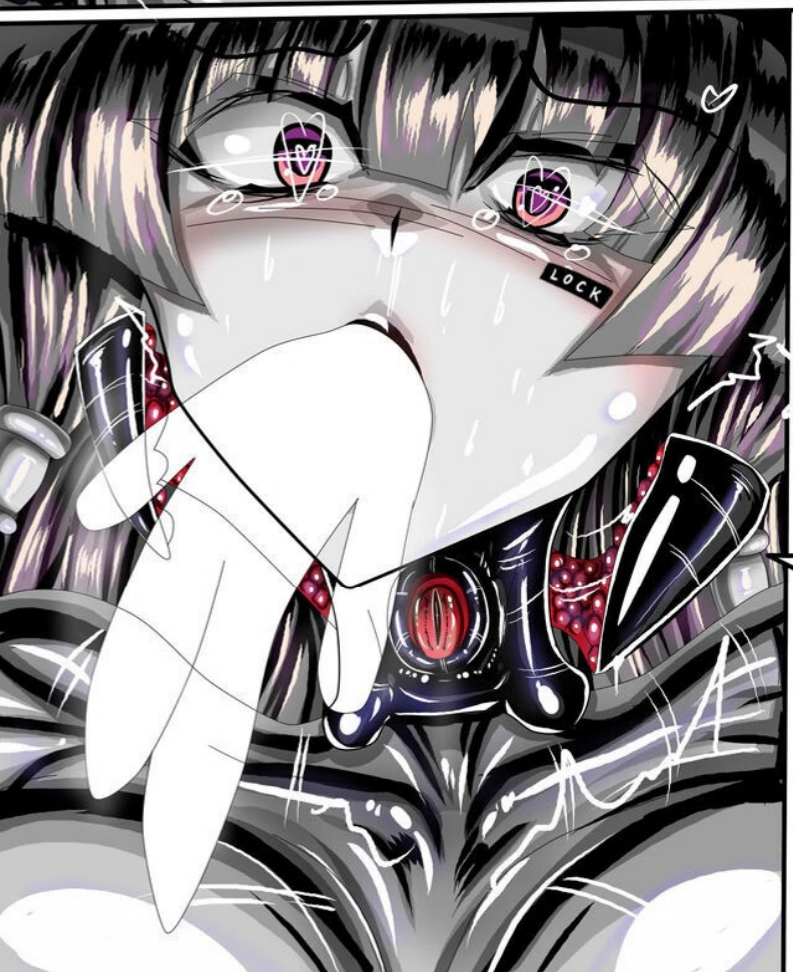

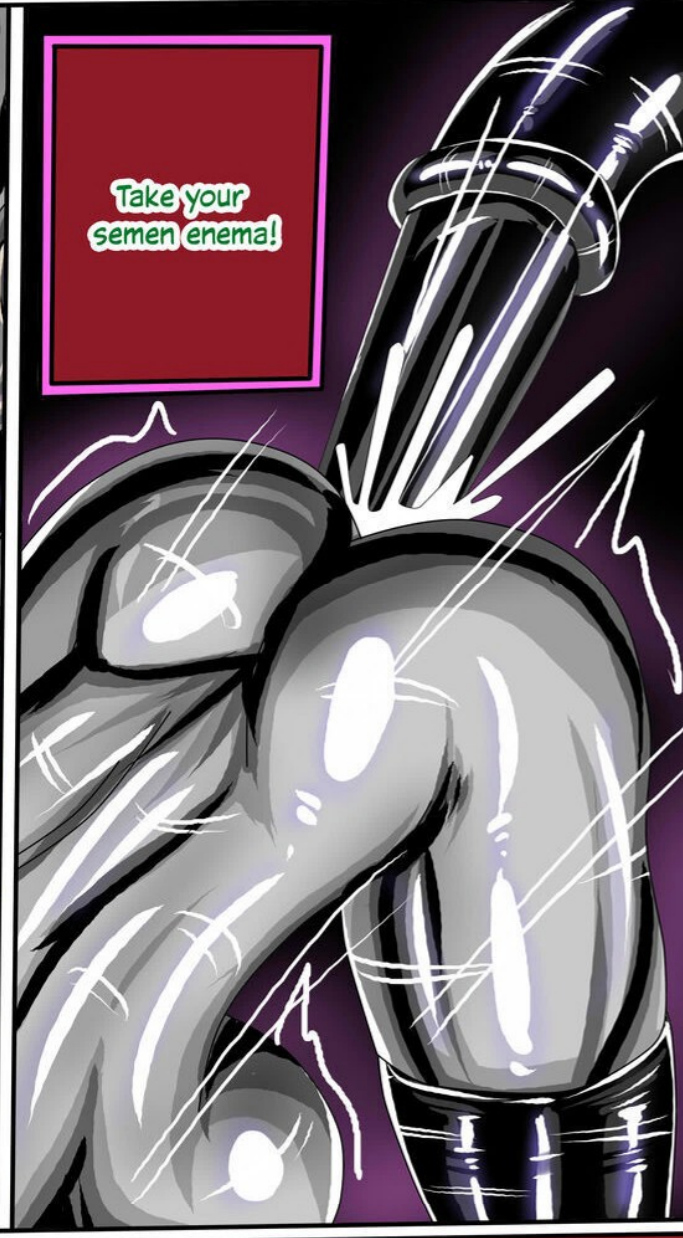

I've been going for such a long time... I'm starving...

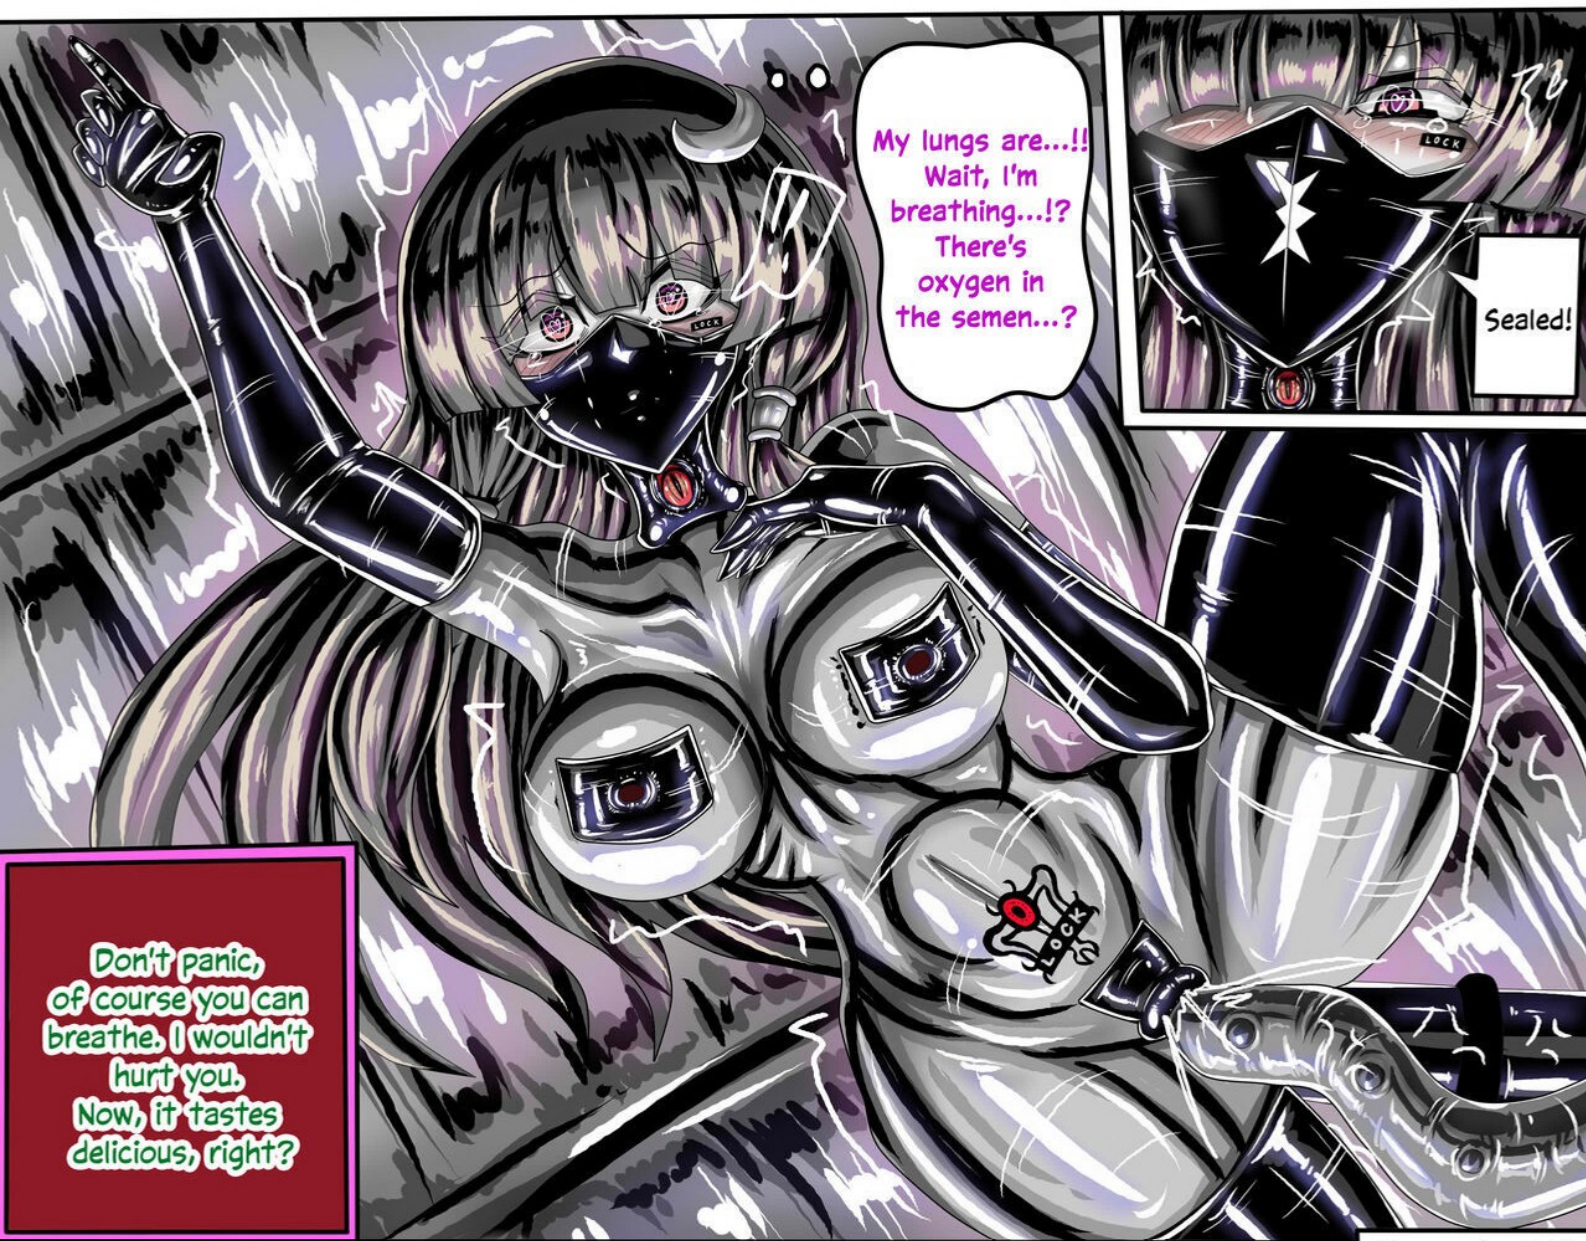

It's time for your feeding.

It's time to be impregnated and take your meal all at once ...

approach

Eh?!

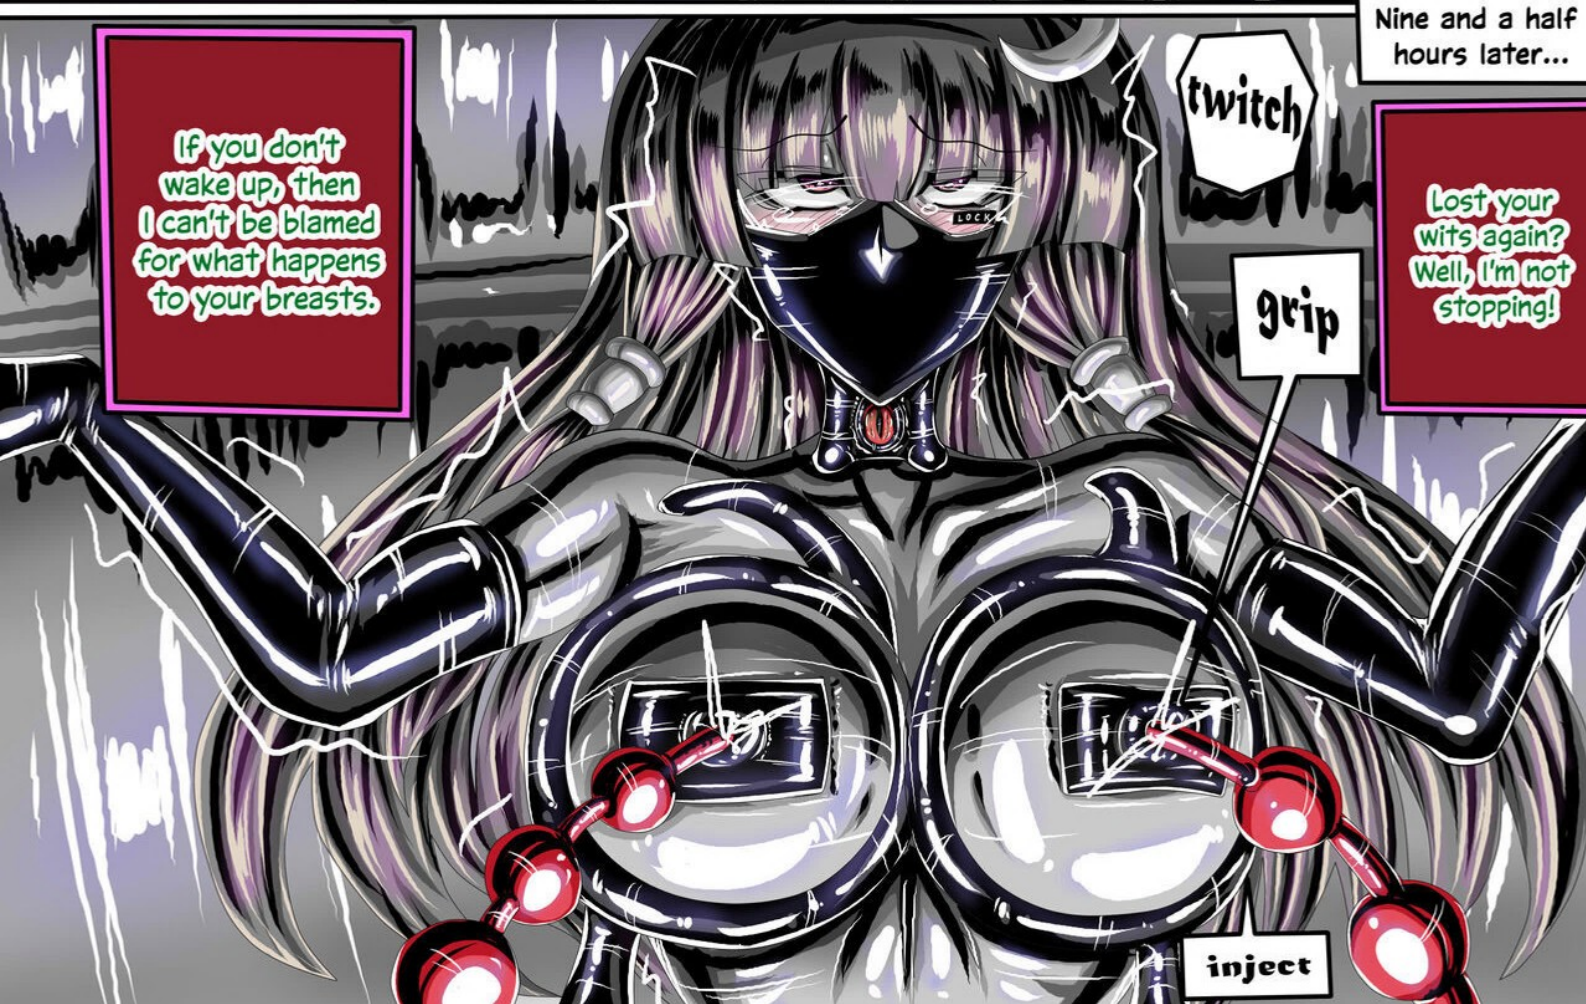

My lungs are...!!
Wait, I'm
breathing...!?
There's
oxygen in
the semen...?

Sealed!

Don't panic,
of course you can
breathe. I wouldn't
hurt you.
Now, it tastes
delicious, right?

Nine and a half
hours later...

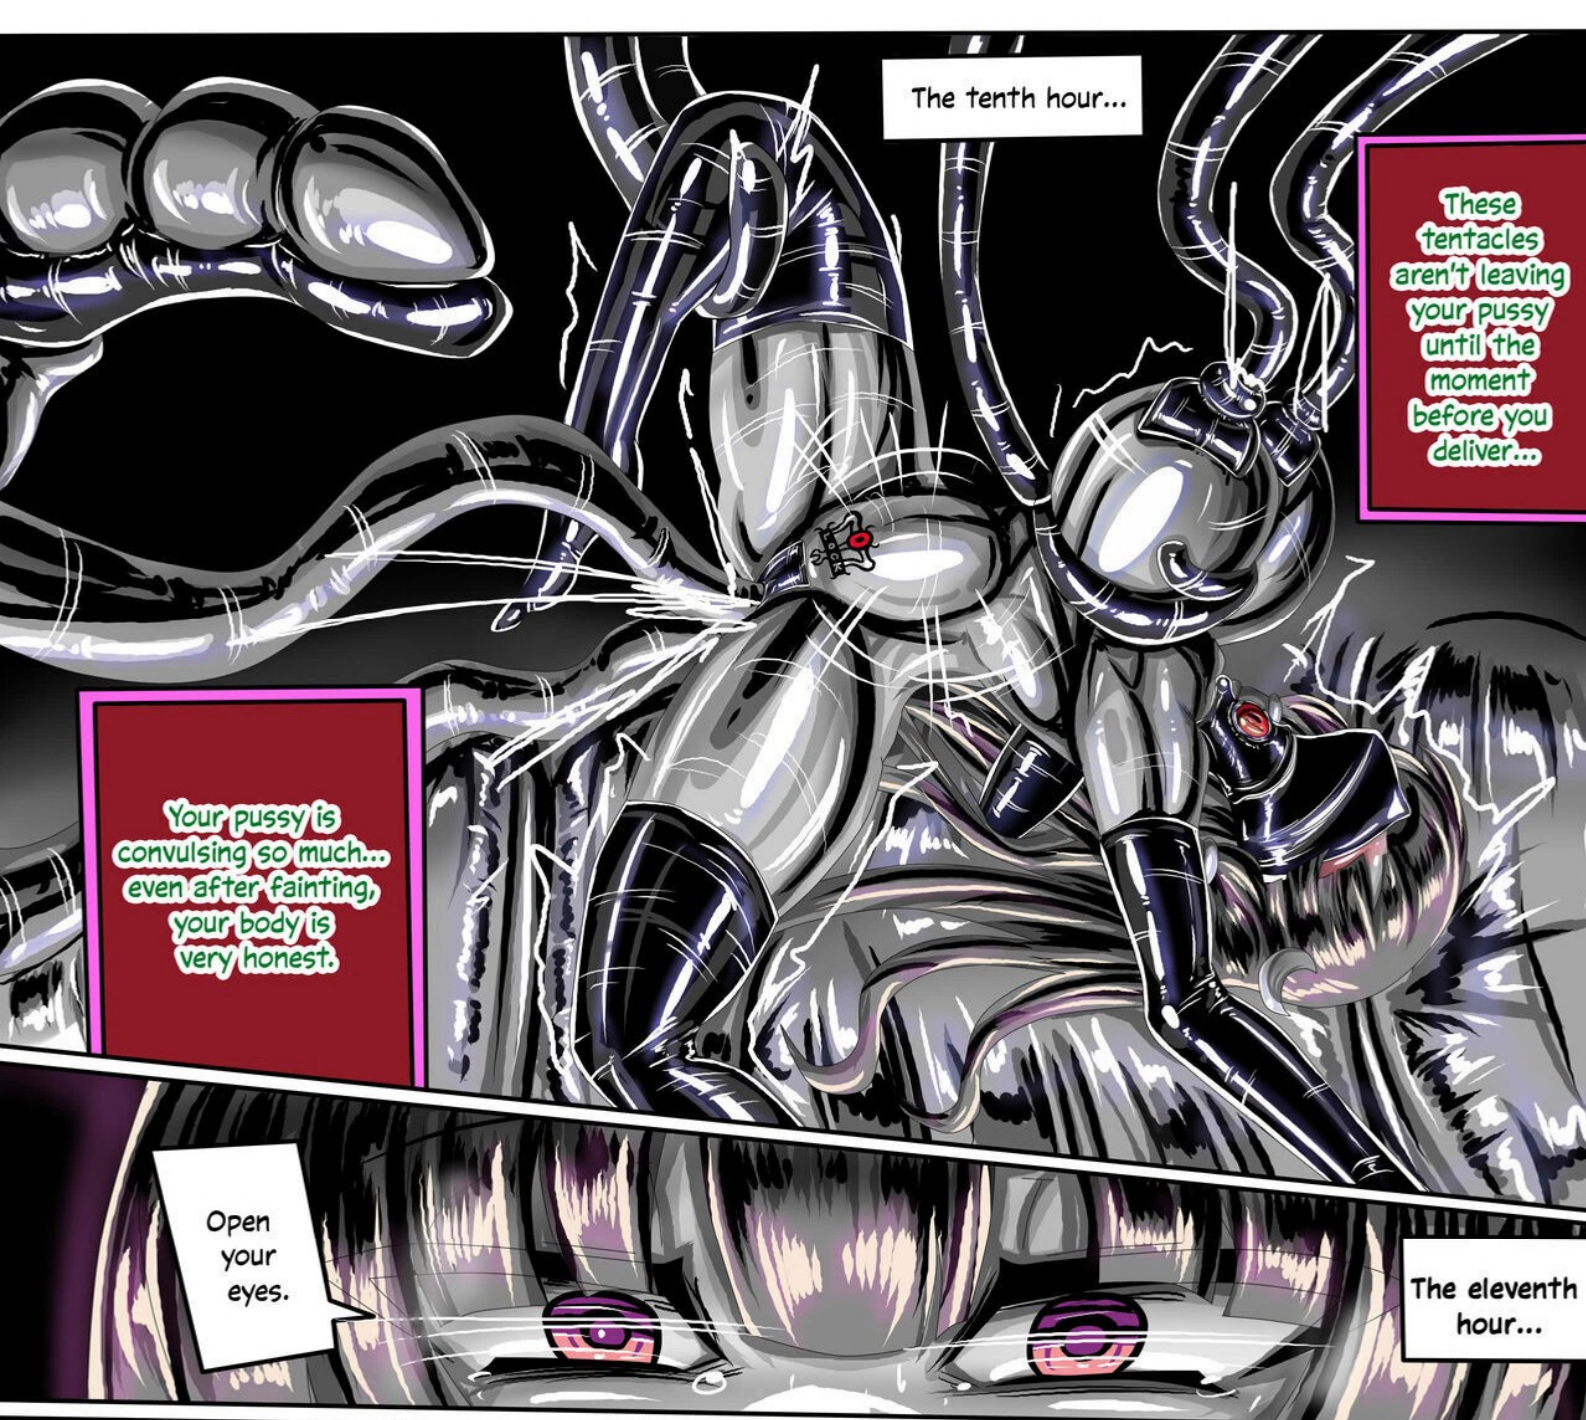

twitch

grip

Lost your
wits again?
Well, I'm not
stopping!

inject

If you don't
wake up, then
I can't be blamed
for what happens
to your breasts.

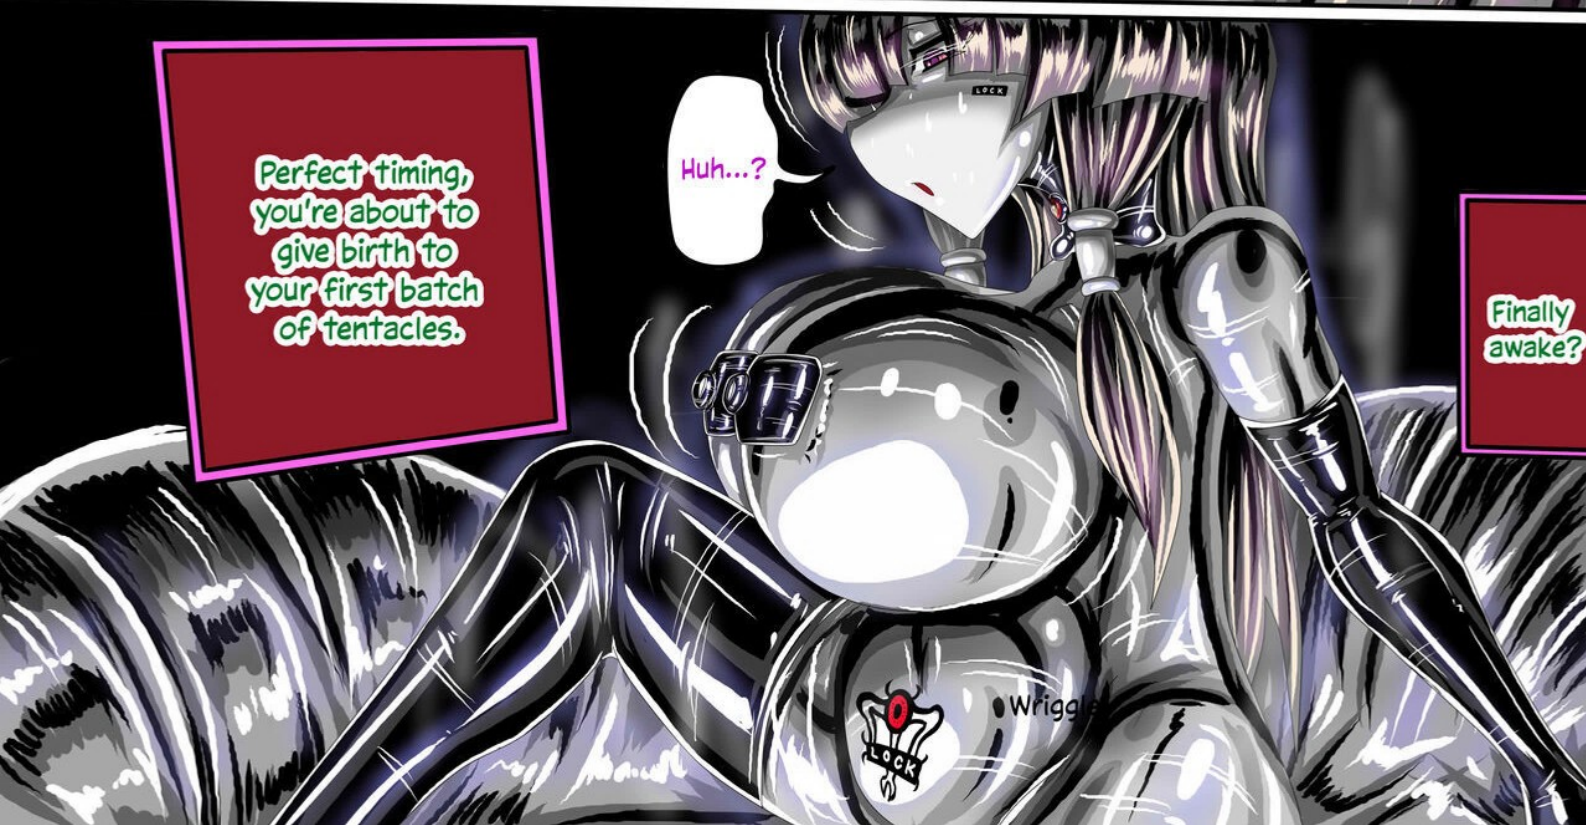

The tenth hour...

These tentacles aren't leaving your pussy until the moment before you deliver...

Your pussy is convulsing so much... even after fainting, your body is very honest.

Open your eyes.

The eleventh hour...

Perfect timing, you're about to give birth to your first batch of tentacles.

Huh...?

Finally awake?

Wrigg

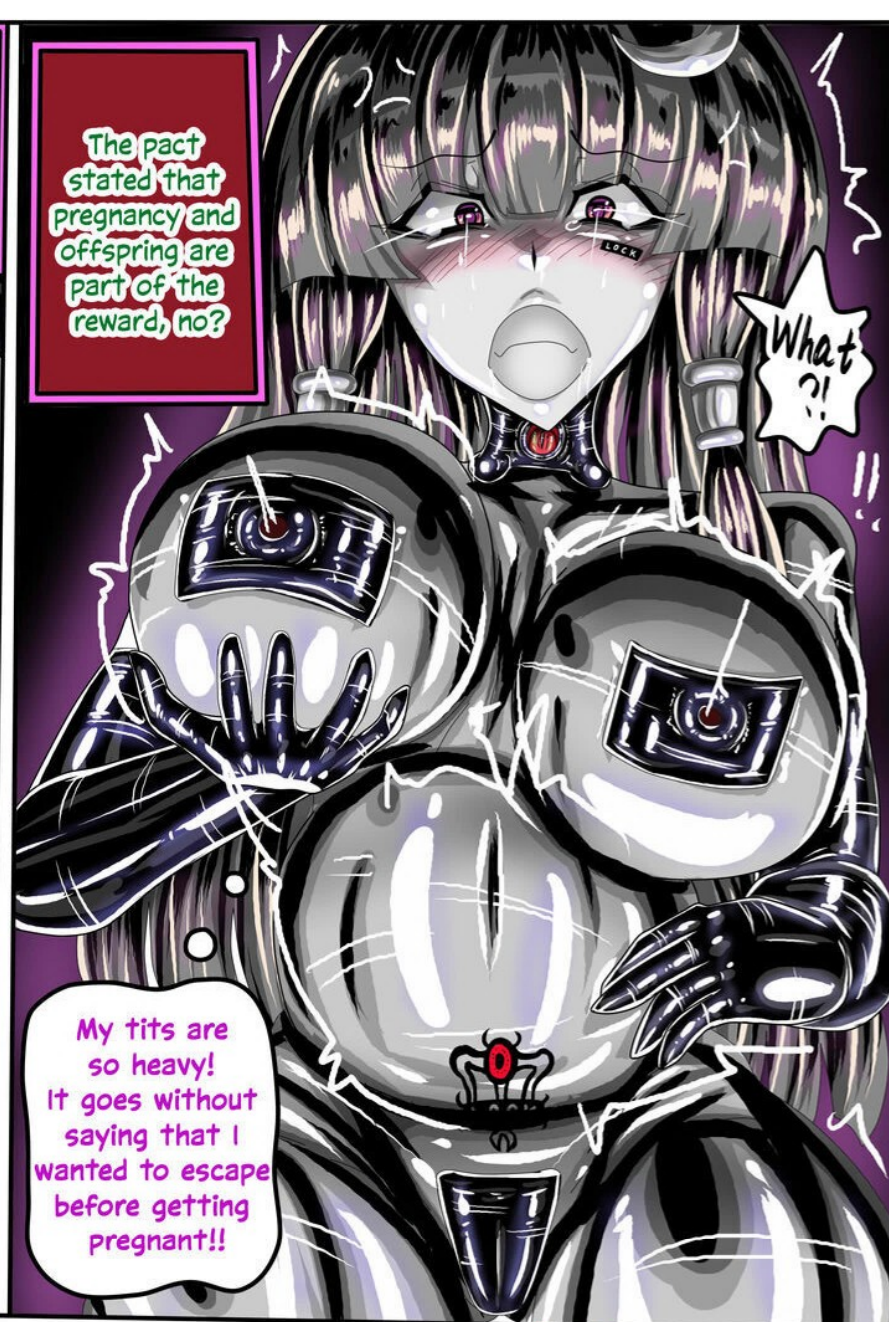

Oh? Feeling dissatisfied ...? But this was the agreement!

Oh, I'm quite satisfied! Shall we proceed ...?

This bastard keeps trying to trip me up...!

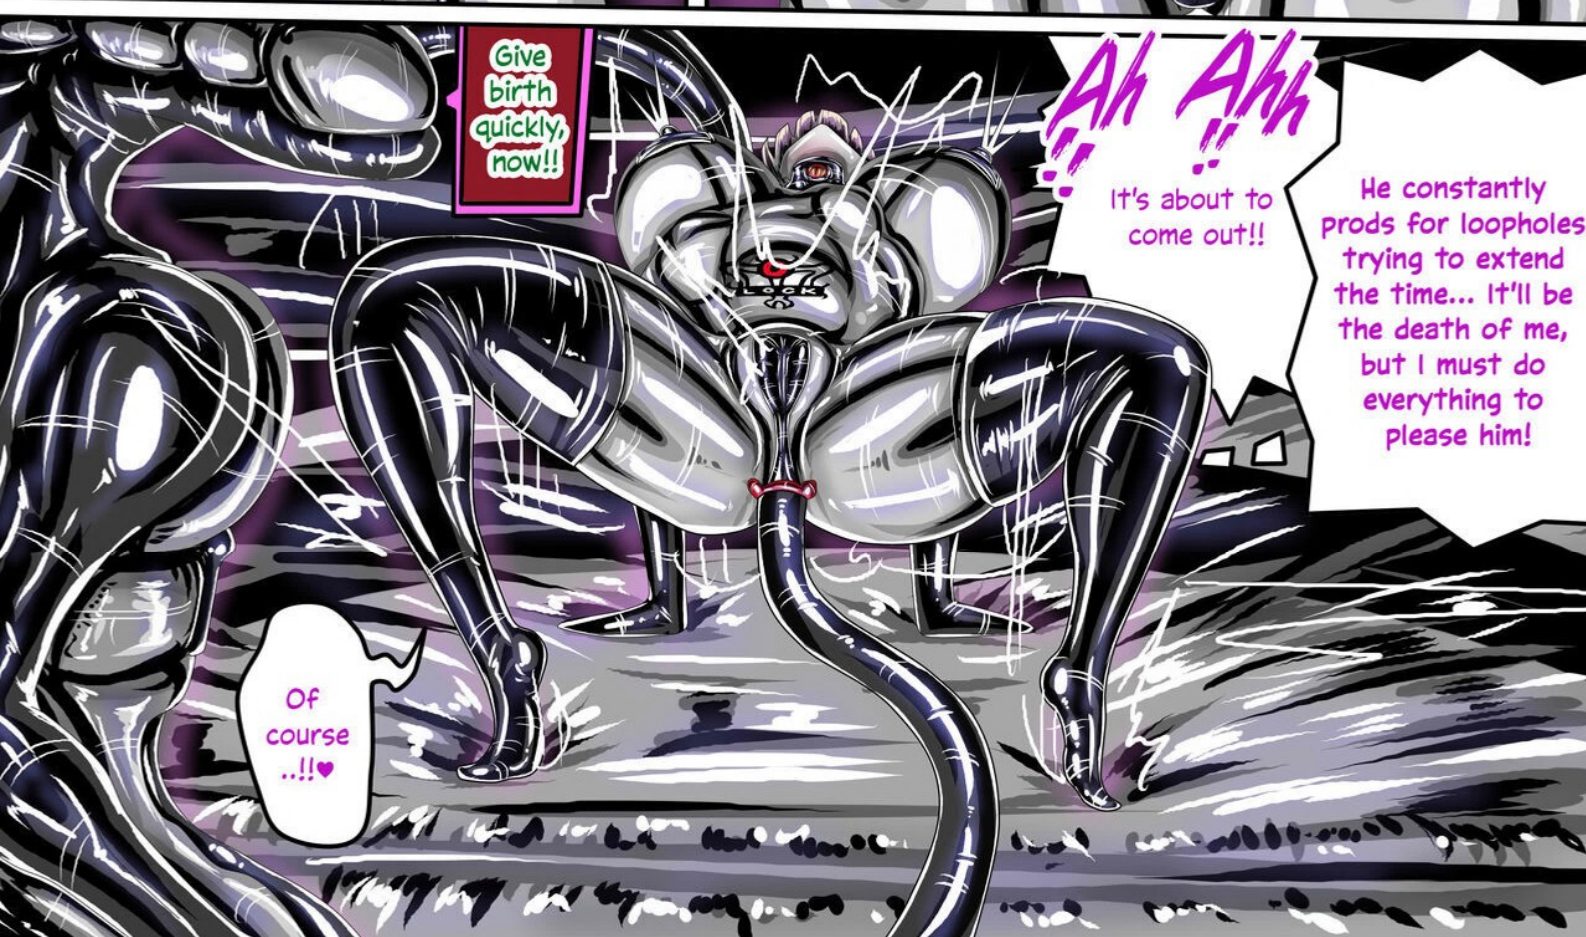

You won't fool me...

The pact stated that pregnancy and offspring are part of the reward, no?

What?!

My tits are so heavy! It goes without saying that I wanted to escape before getting pregnant!!

Give birth quickly, now!!

Ah Ahh

It's about to come out!!

He constantly prods for loopholes trying to extend the time... It'll be the death of me, but I must do everything to please him!

Of course ...!!♥

These fat
tits of yours
are making it
hard to mate!
Feed your
newborn
tentacles
already!!

This is
unbearable!!
Hurry up,
Little Devil
...!!

Ha...

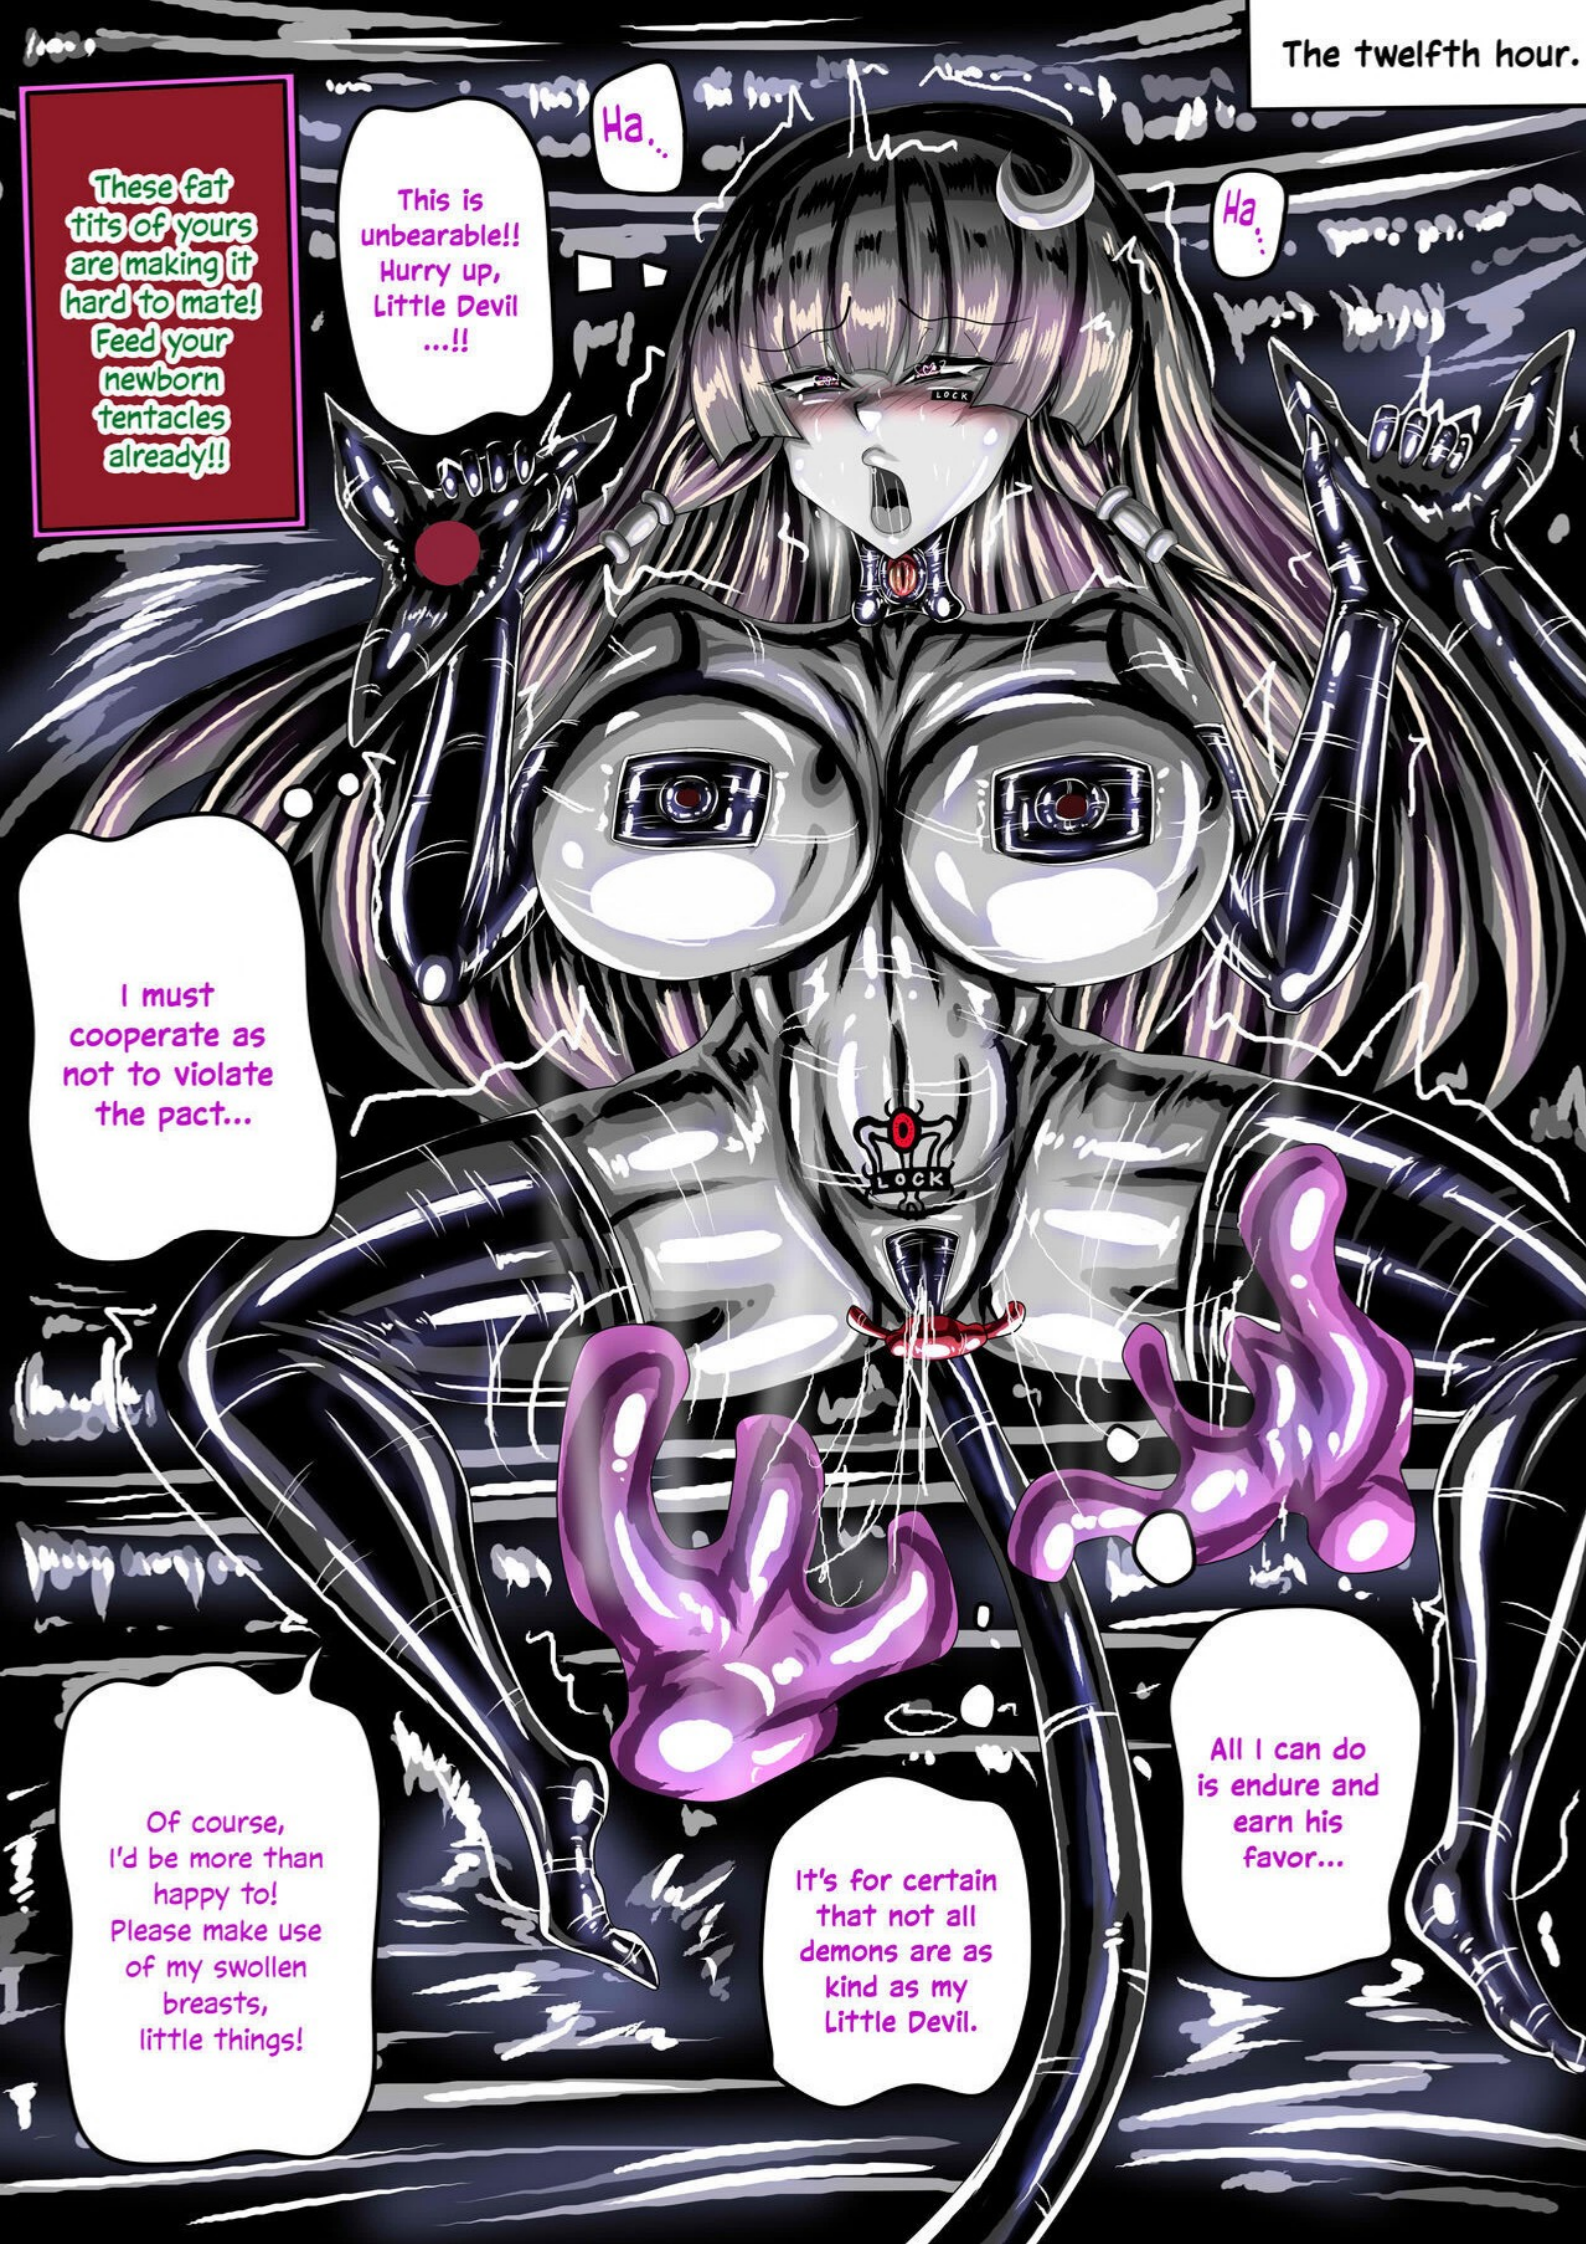

Ha...

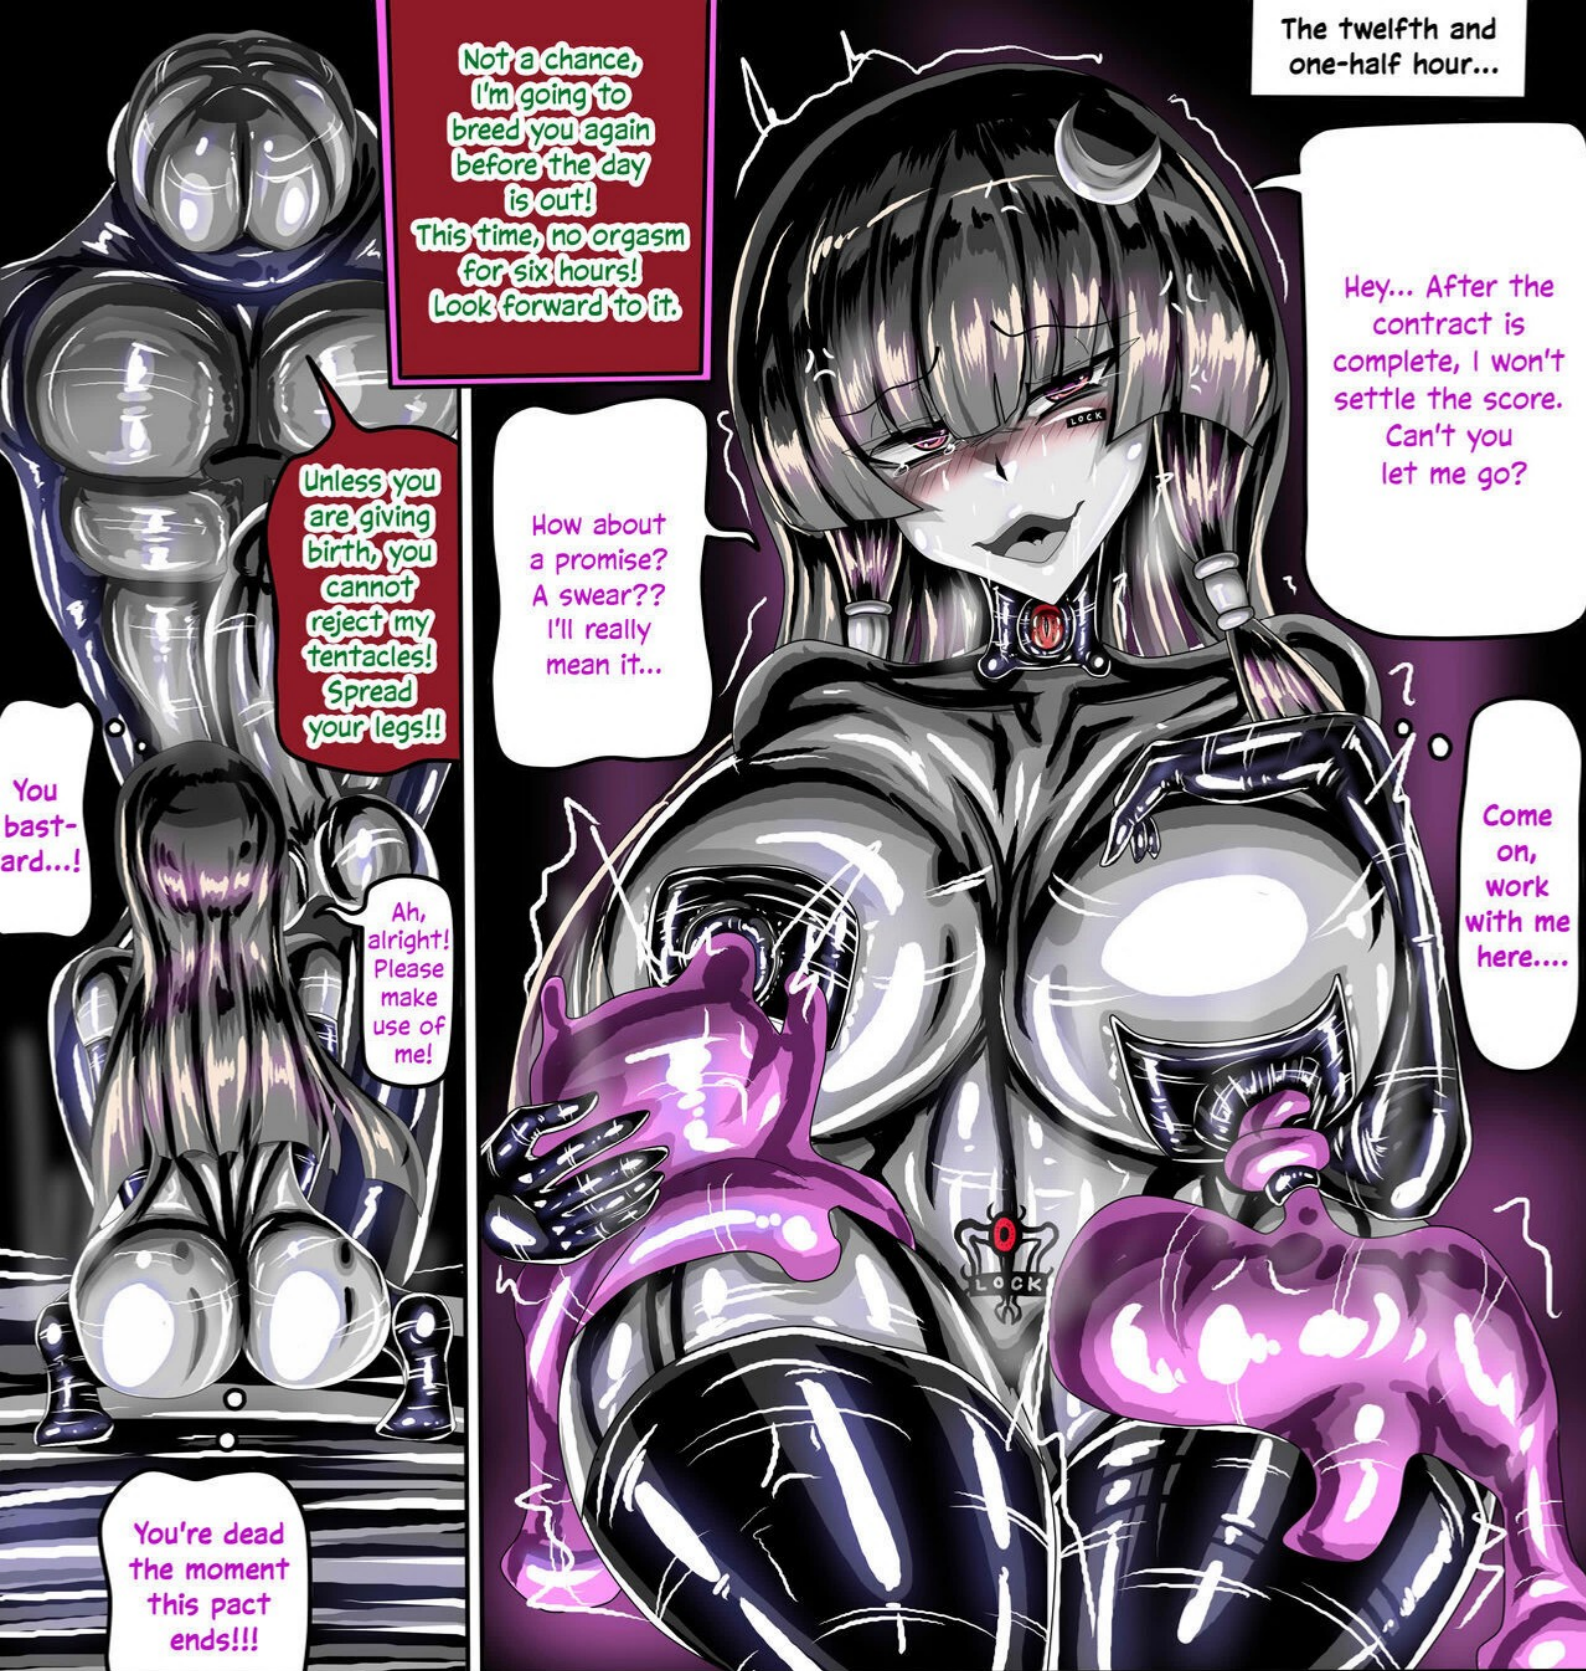

I must
cooperate as
not to violate
the pact...

Of course,
I'd be more than
happy to!
Please make use
of my swollen
breasts,
little things!

It's for certain
that not all
demons are as
kind as my
Little Devil.

All I can do
is endure and
earn his
favor...

Not a chance,
I'm going to
breed you again
before the day
is out!
This time, no orgasm
for six hours!
Look forward to it.

The twelfth and
one-half hour...

Hey... After the
contract is
complete, I won't
settle the score.
Can't you
let me go?

Unless you
are giving
birth, you
cannot
reject my
tentacles!
Spread
your legs!!

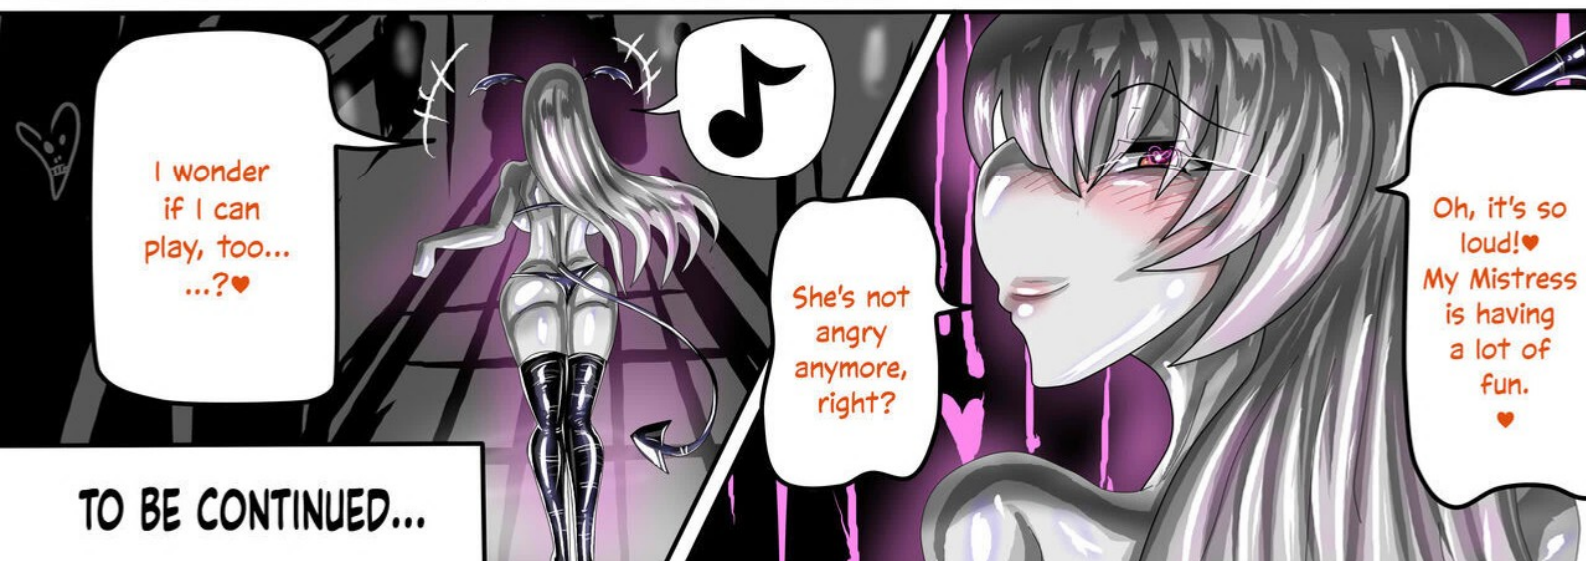

How about
a promise?
A swear??
I'll really
mean it...

You
bast-
ard...!

Ah,
alright!
Please
make
use of
me!

Come
on,
work
with me
here....

You're dead
the moment
this pact
ends!!!

I wonder
if I can
play, too...
...?♥

She's not
angry
anymore,
right?

Oh, it's so
loud!♥
My Mistress
is having
a lot of
fun.
♥
