convulsing
!!!

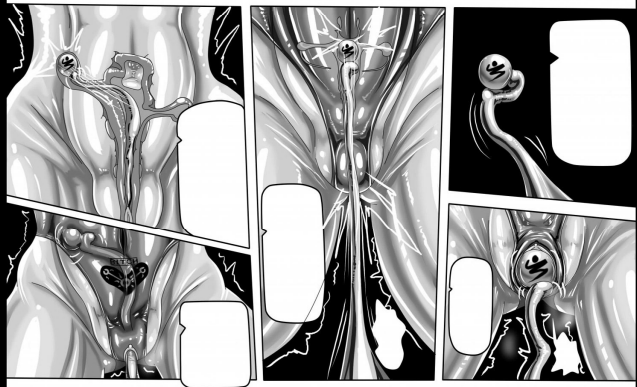

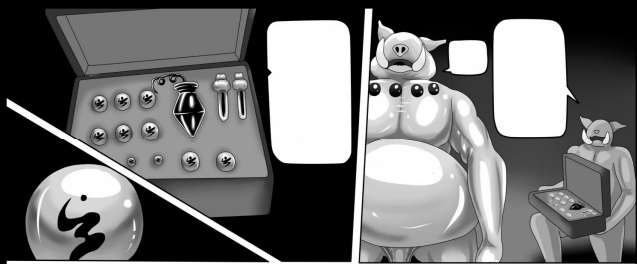

convulsing
!!!

My head feels all fuzzy...
I remember being captured during my agent mission

Right!!! It's Demon Asham!!!
He modified my body into some sex doll!!!!

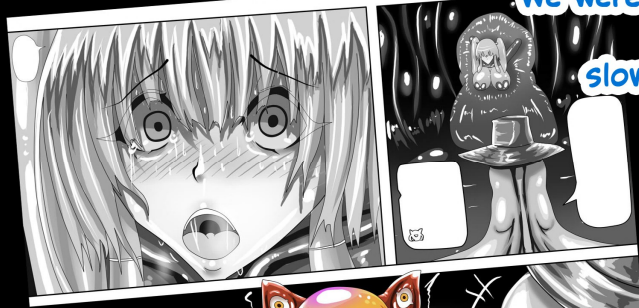

Demon Asham!!!!
He had bound me with layer after layer of
tentacle gear on me!!!

And rented me out to
those monsters in the black market!!!!

My body feels hot...feels so good...
What's happening to me... My mind is still so fuzzy...

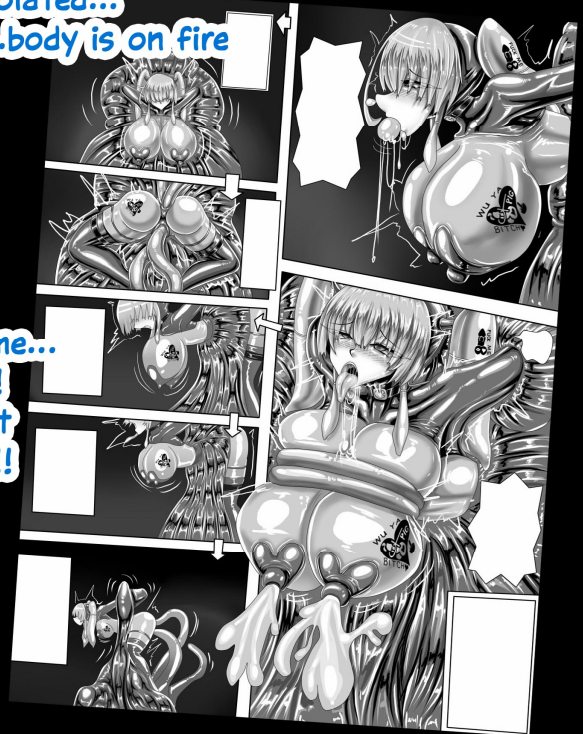

We were then trapped in the flesh cocoon,
constantly violated...
slowly passing out...body is on fire

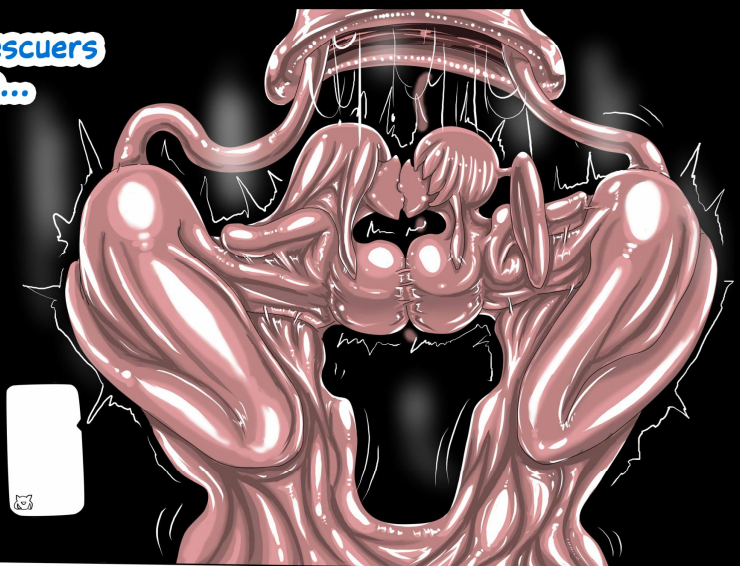

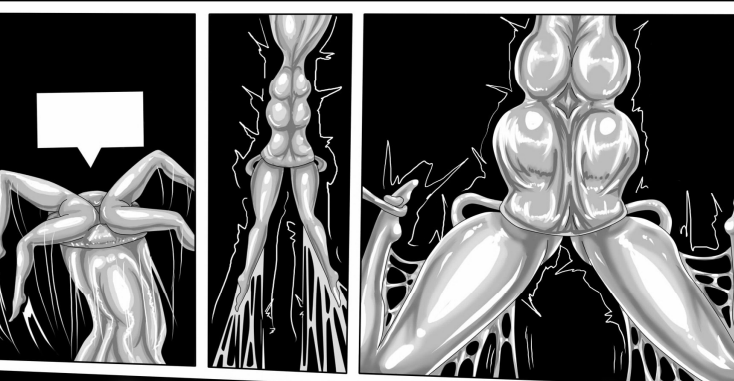

Then Laska said to me...
my head hurts!!!!
I can't recall what
she said to me!!!!

My hope was shattered...
even Laska was turned into a sex doll...

Following that, Demon Asham also turned the rescuers
into sex dolls and brought them before me...

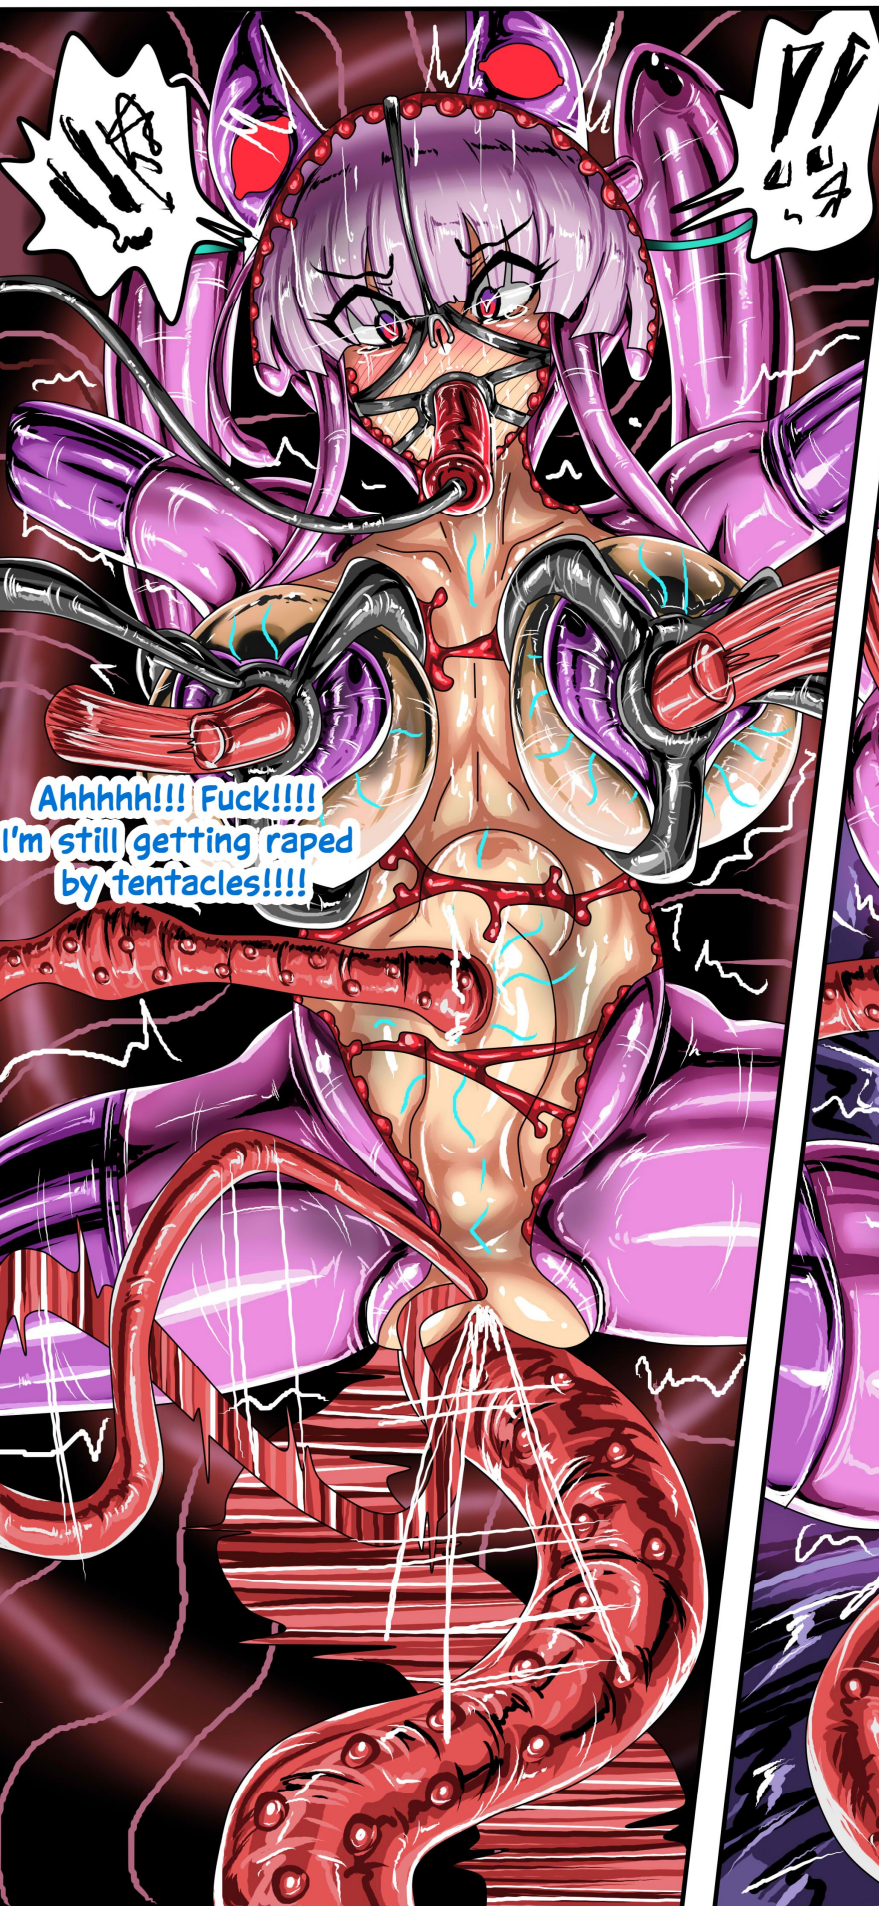

I was trained endlessly in the black market...
but deep down, I still hoped for a rescue

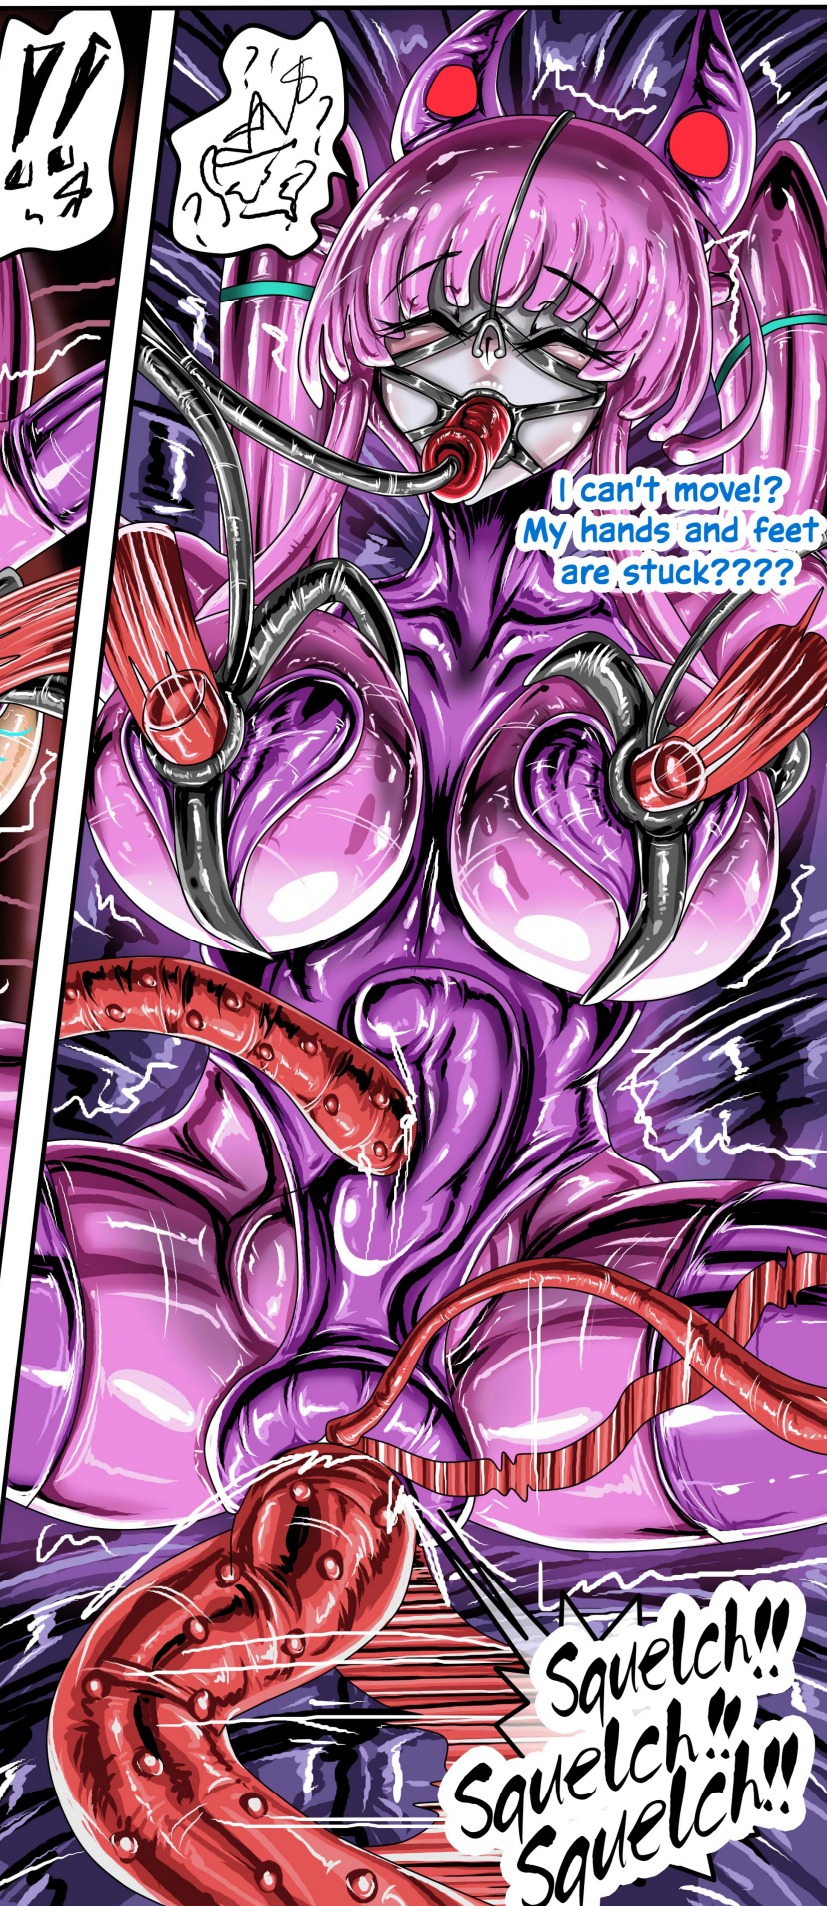

... I am...
???????

... my heart is
suddenly beating
so fast!!!!

Woke up
in shock
!!!

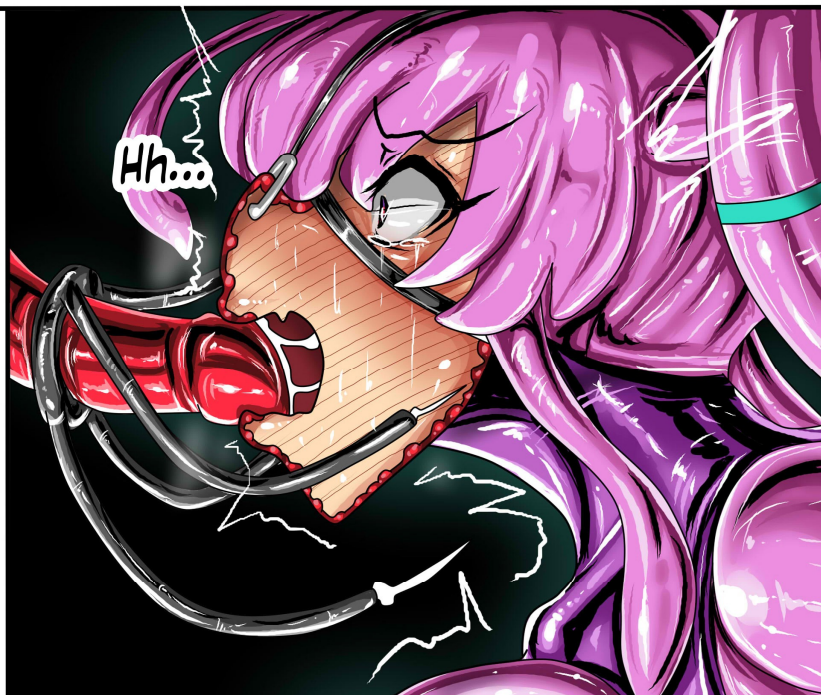

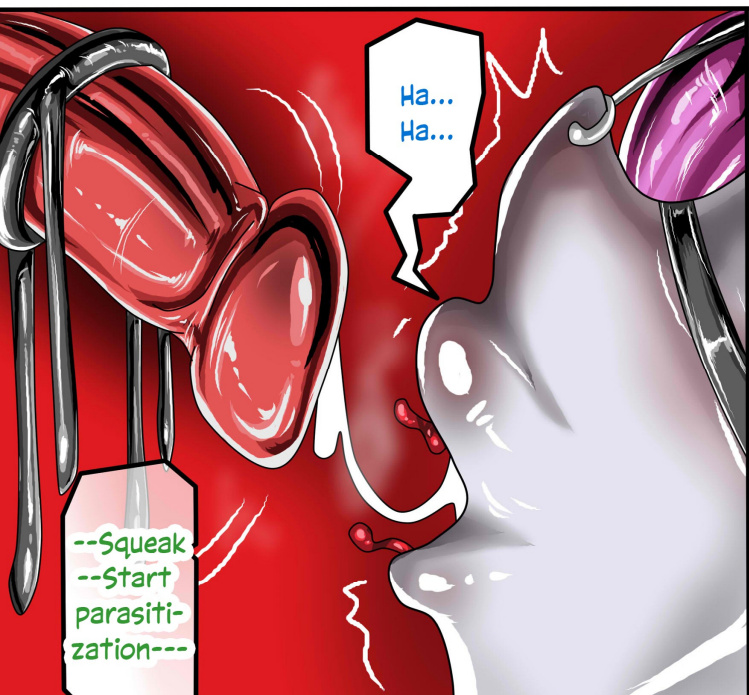

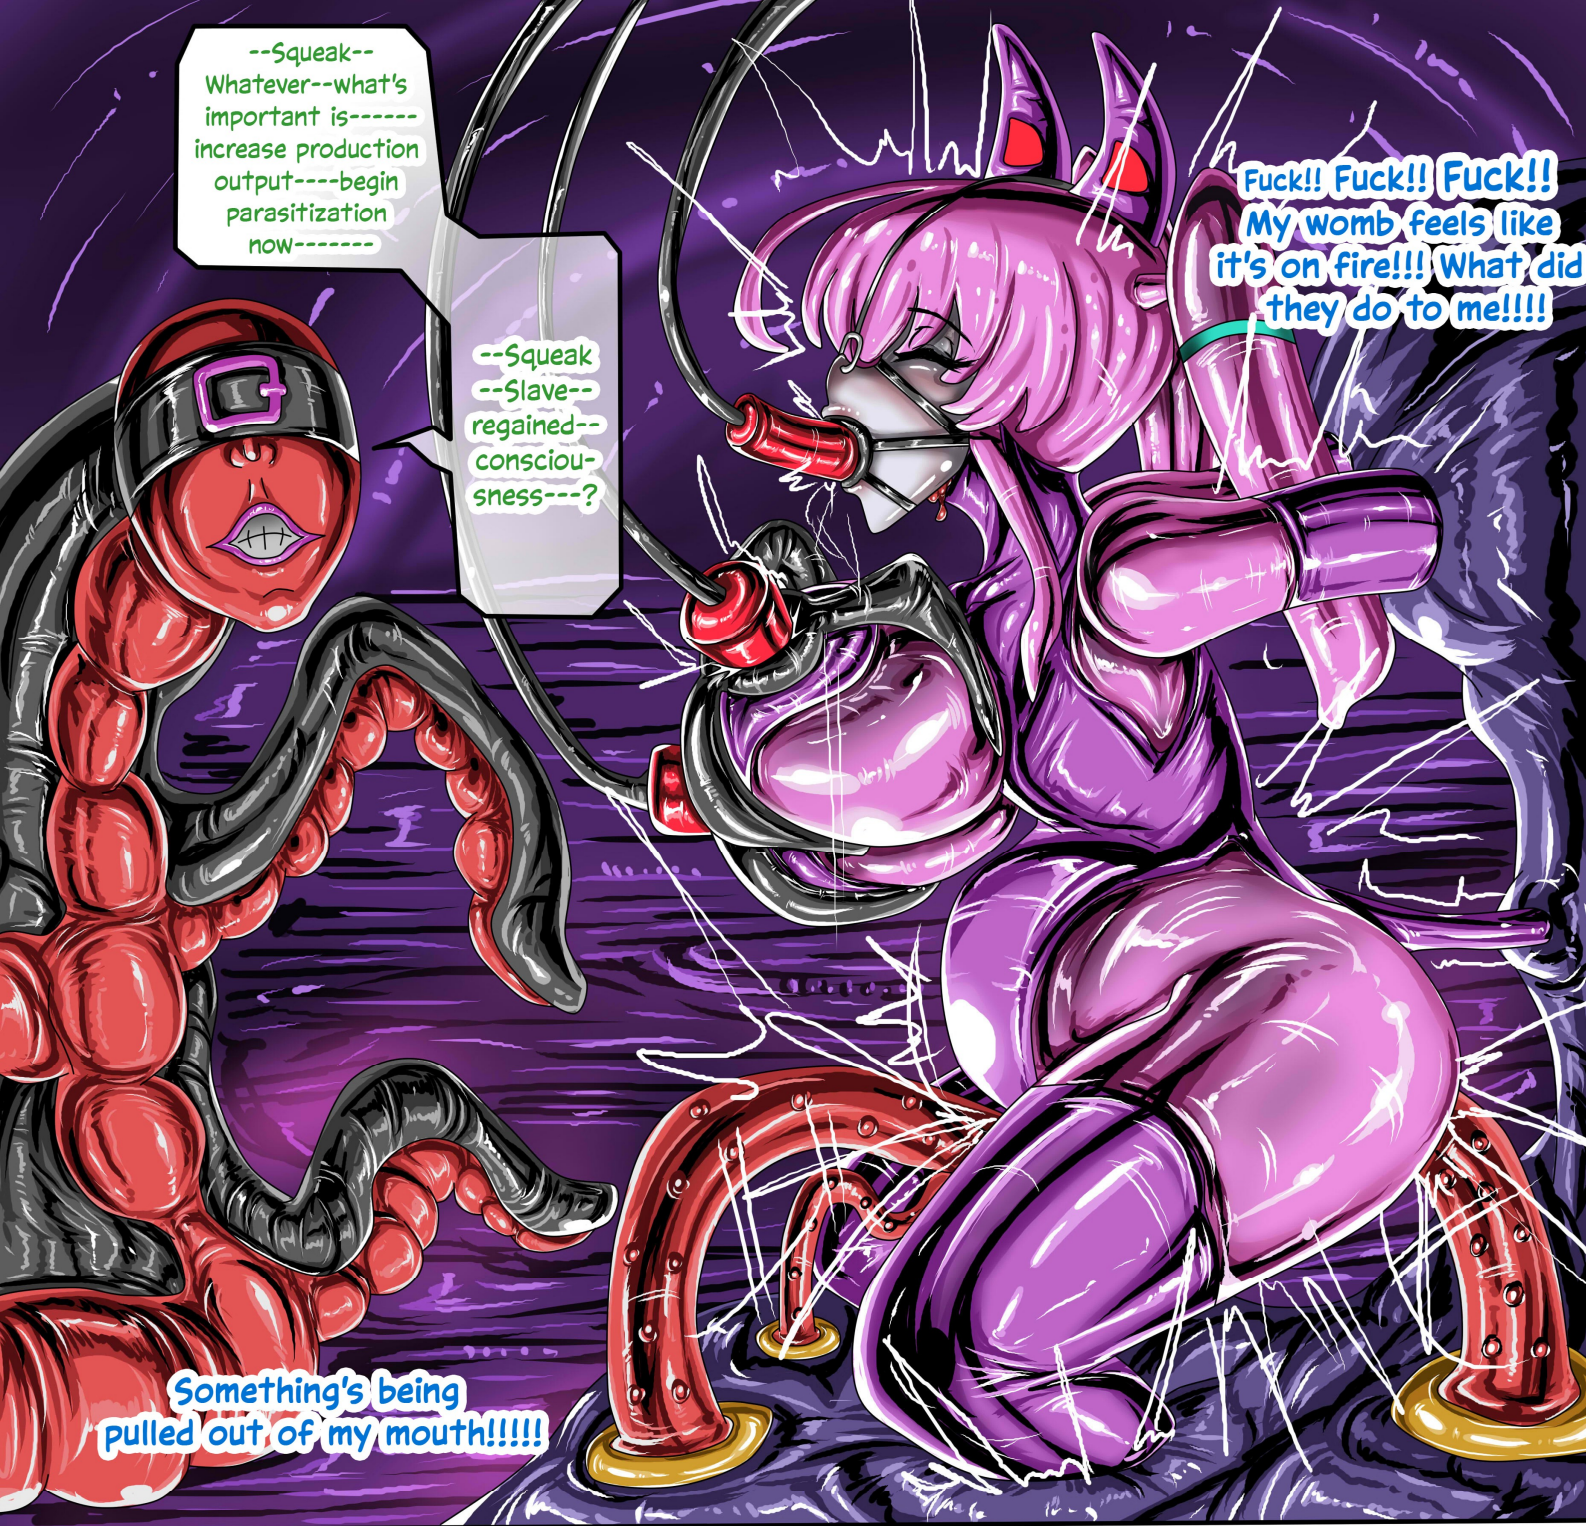

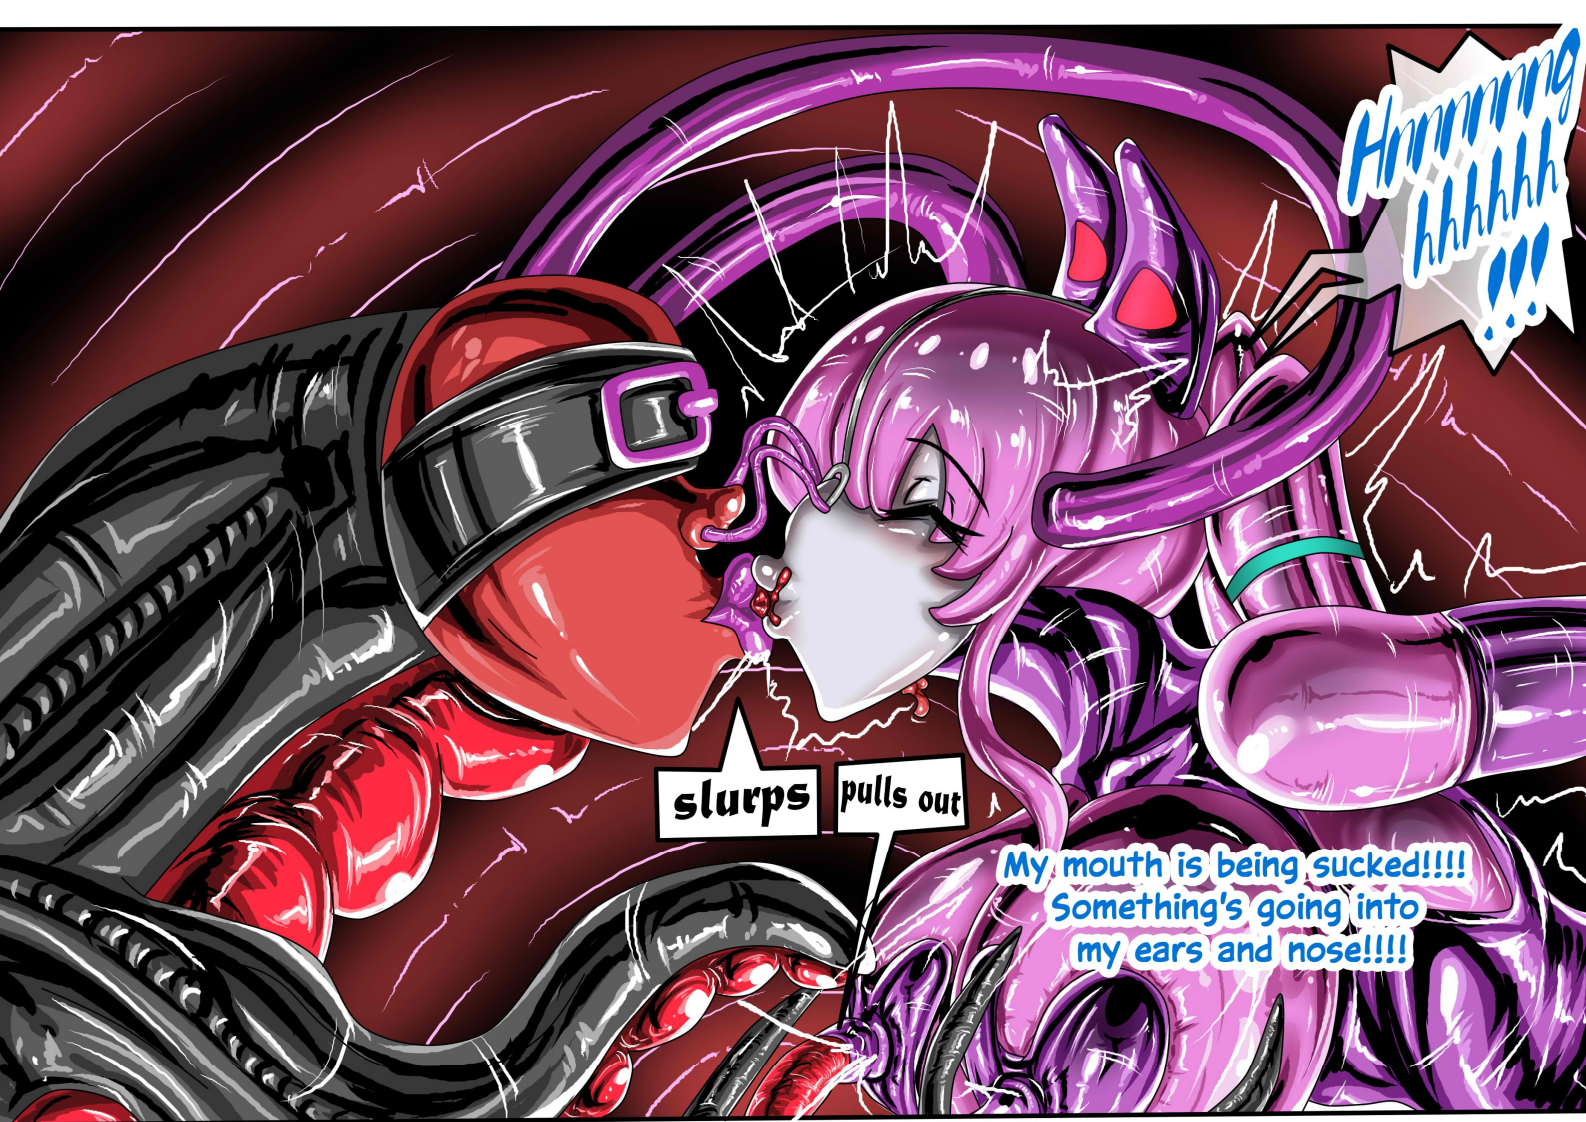

Ahhhhh!!! Fuck!!!!
I'm still getting raped
by tentacles!!!!

I can't move!?
My hands and feet
are stuck????

Squelch!!
Squelch!!
Squelch!!

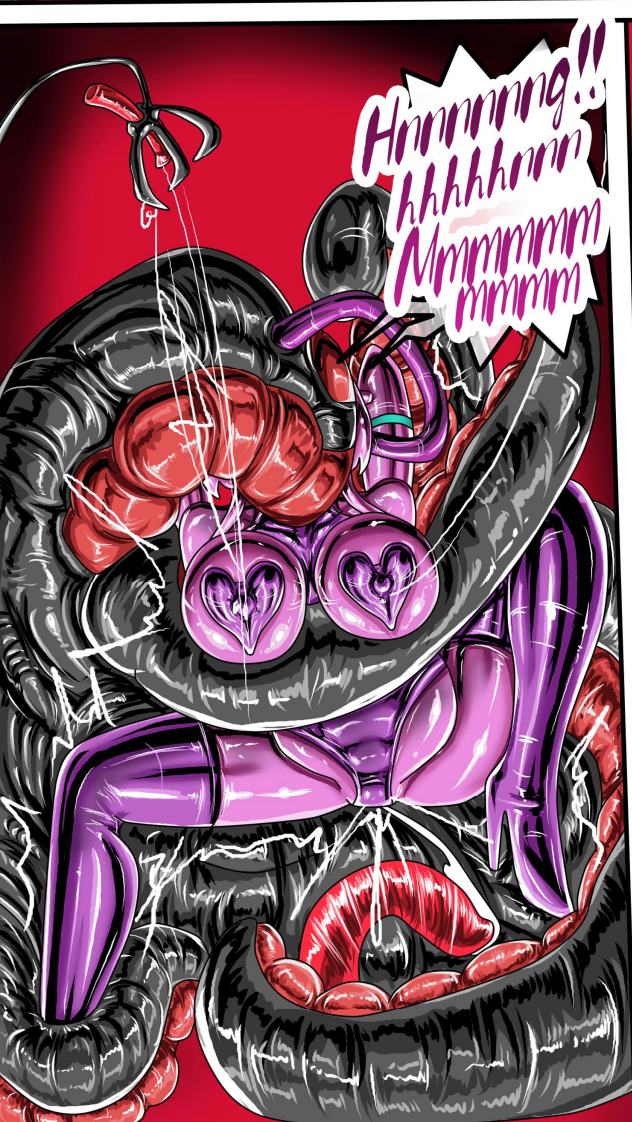

slurps

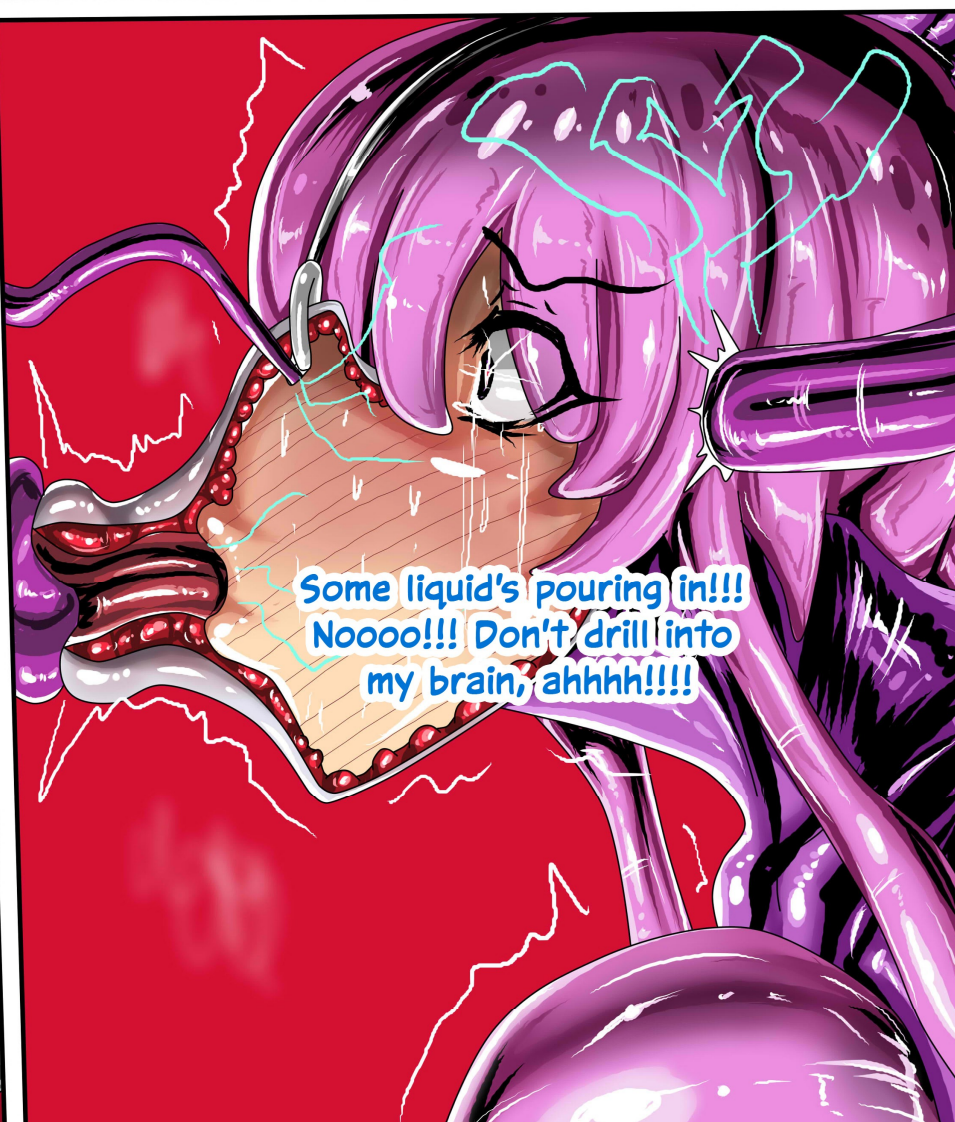

pulls out

Hnnnnng

My mouth is being sucked!!!!
Something's going into
my ears and nose!!!!

Some liquid's pouring in!!!
Noooo!!! Don't drill into
my brain, ahhhh!!!!

slap!!

I completely blacked out just now...
Why can't I retract my mouth...
this is so scary... what's going on???

--Squeak--

So heavy!!! Something's crawling up!!!
My body won't listen to me!!!!
That thing behind my back is controlling my body!!!
