

RASUKA

SEX DOLL

WU YA
BITCH
PIG

FUCK ME

WU YA
BITCH
PIG

You're such
a semen-hungry
bitch!
Too happy to
speak now?

After
getting
orgasm,
I completely
became
a sex
processing
machine.

JIZZED---
Your turn,
I gonna
seek another
booth now.

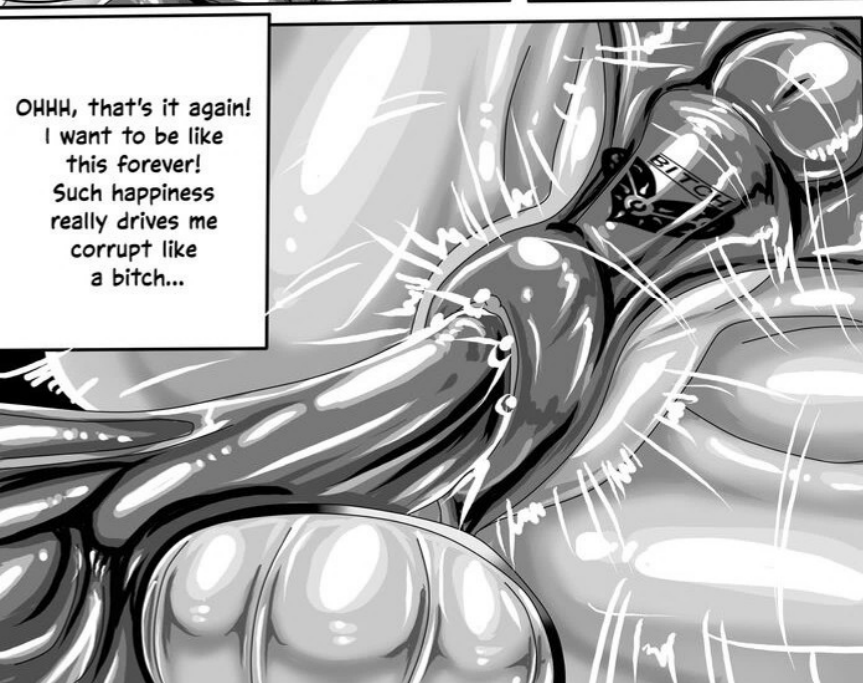

Drink
some
semen to
replenish
your
strength
before
we go,
then let's
do it!

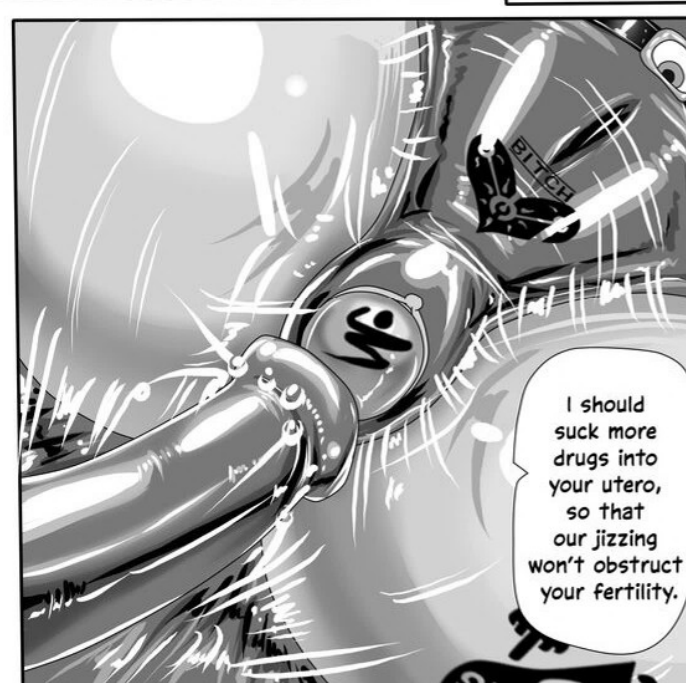

Times up,
hurry up
wolf man!
It's my turn
to fuck her now!

OHH,
big DICK
makes me
uuuum...
I want more,
let it in!

OHHH, that's it again!
I want to be like
this forever!
Such happiness
really drives me
corrupt like
a bitch...

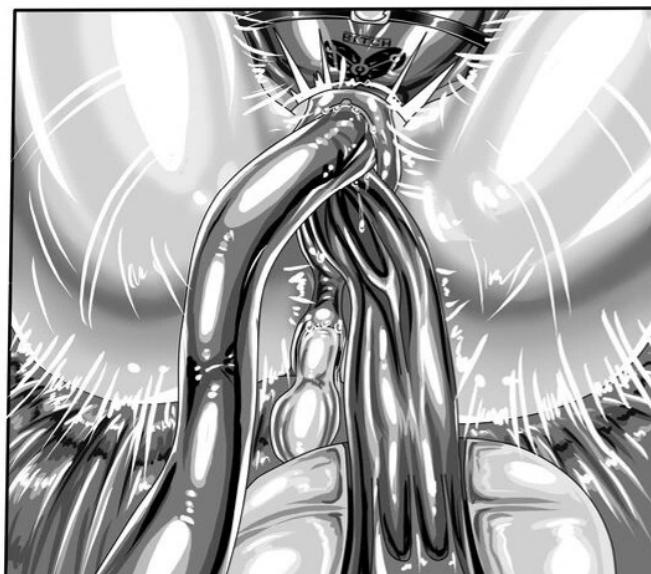

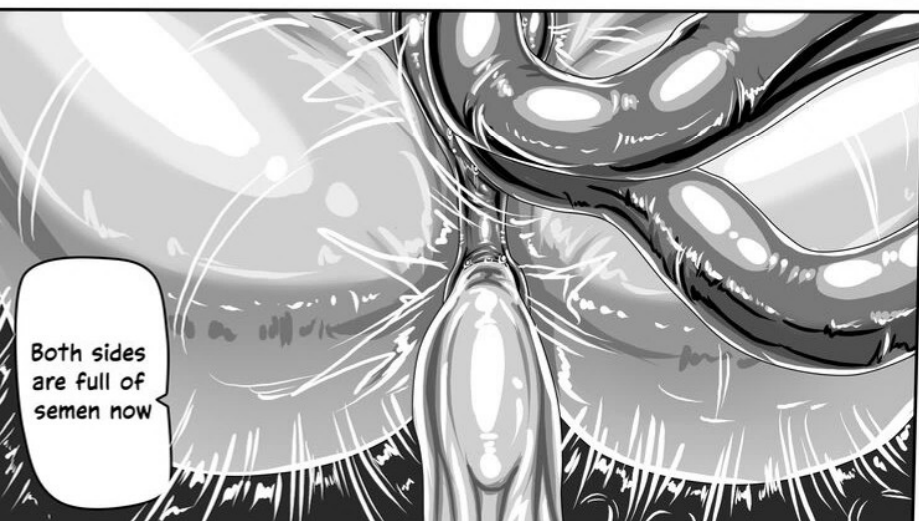

I should
suck more
drugs into
your utero,
so that
our jizzing
won't obstruct
your fertility.

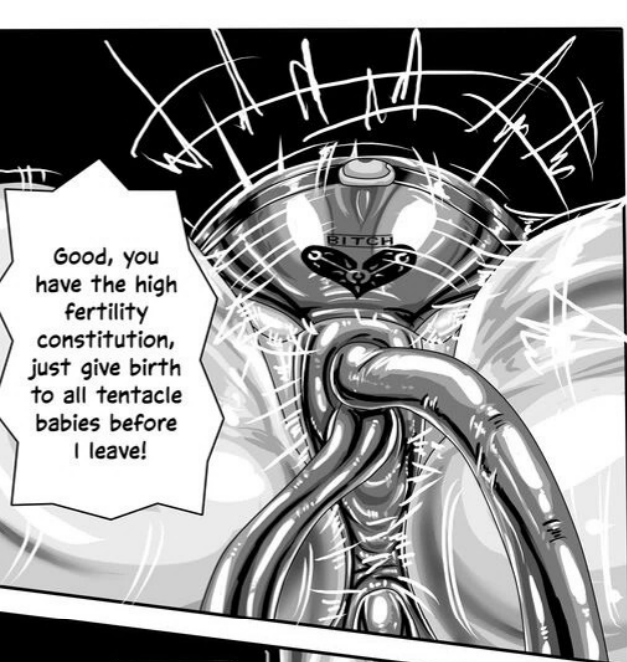

Almost
the time to
give birth to
next batch of
tentacles,
is the seedbed
still OK?

If this continues,
can I really
live a common
live after
I got back?

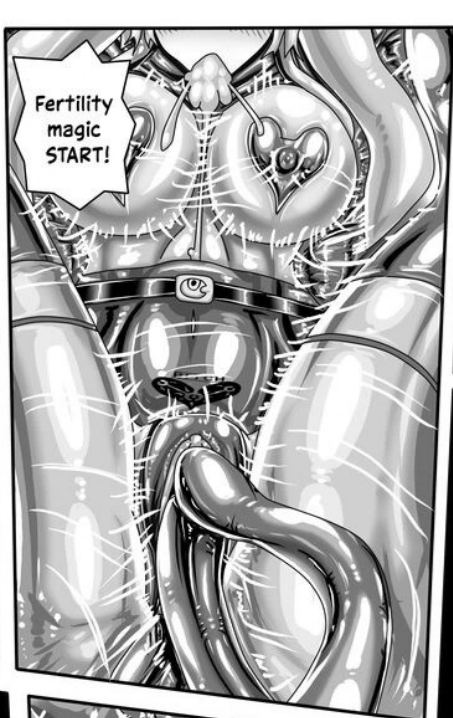

Fill her with
semen first,
otherwise
the nutrition
will be
insufficient.

How many
days left...
My body
became more
and more
strange after
being allowed
to cum.

Good, you have the high fertility constitution, just give birth to all tentacle babies before I leave!

Fertility magic START!

UMMM... EHHHH...

Almost there...

It is coming out... Please wait a bit more.

YAAHHHHHH~ !!!

Comon, I gonna help your childbirth!

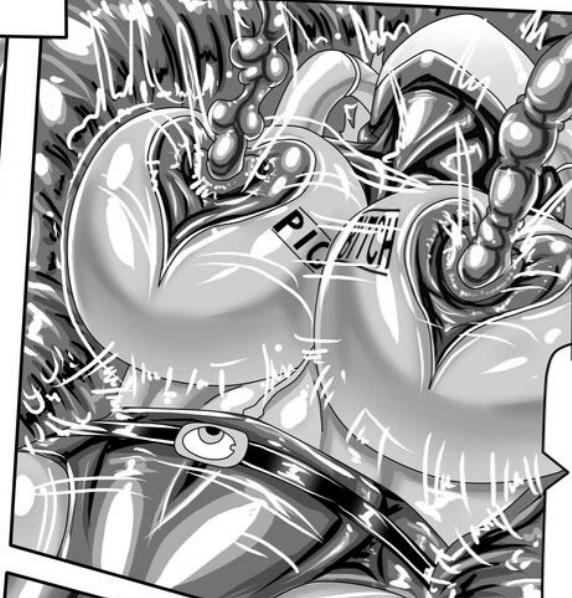

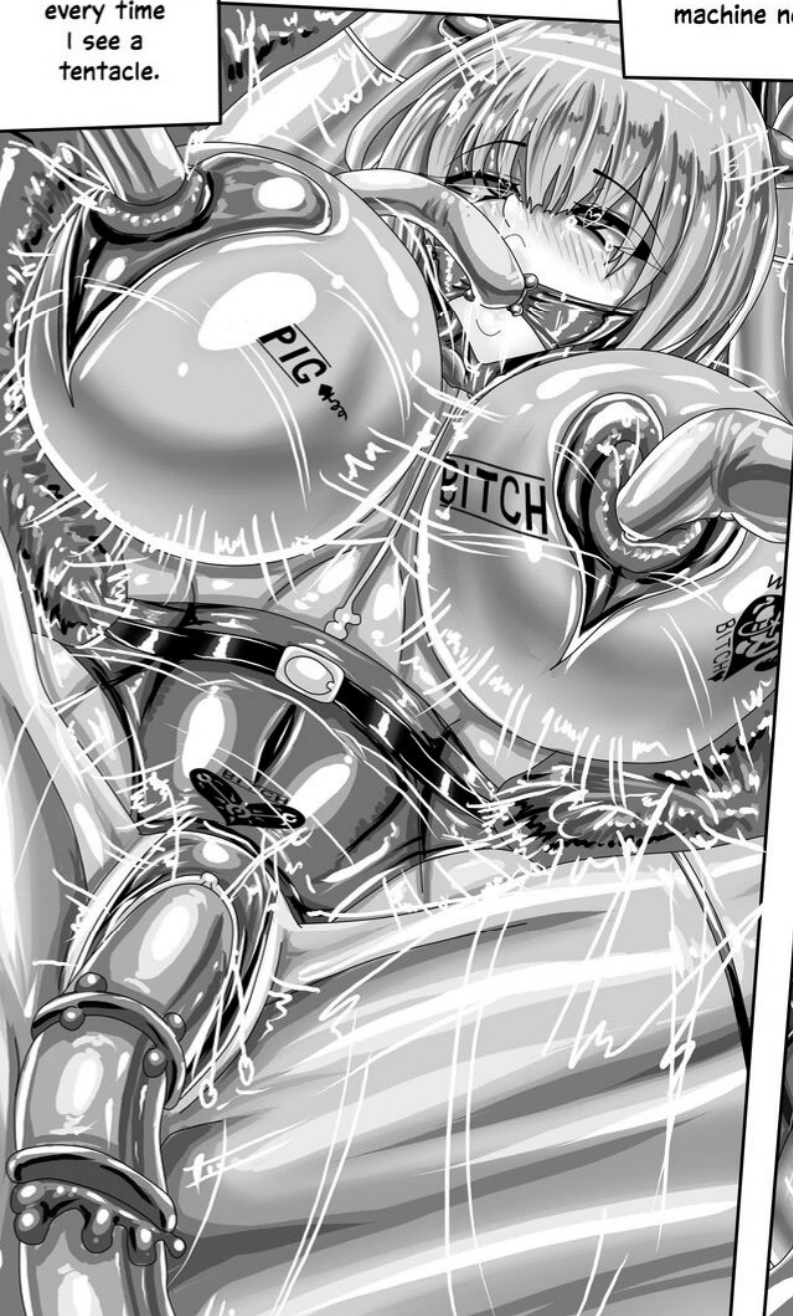

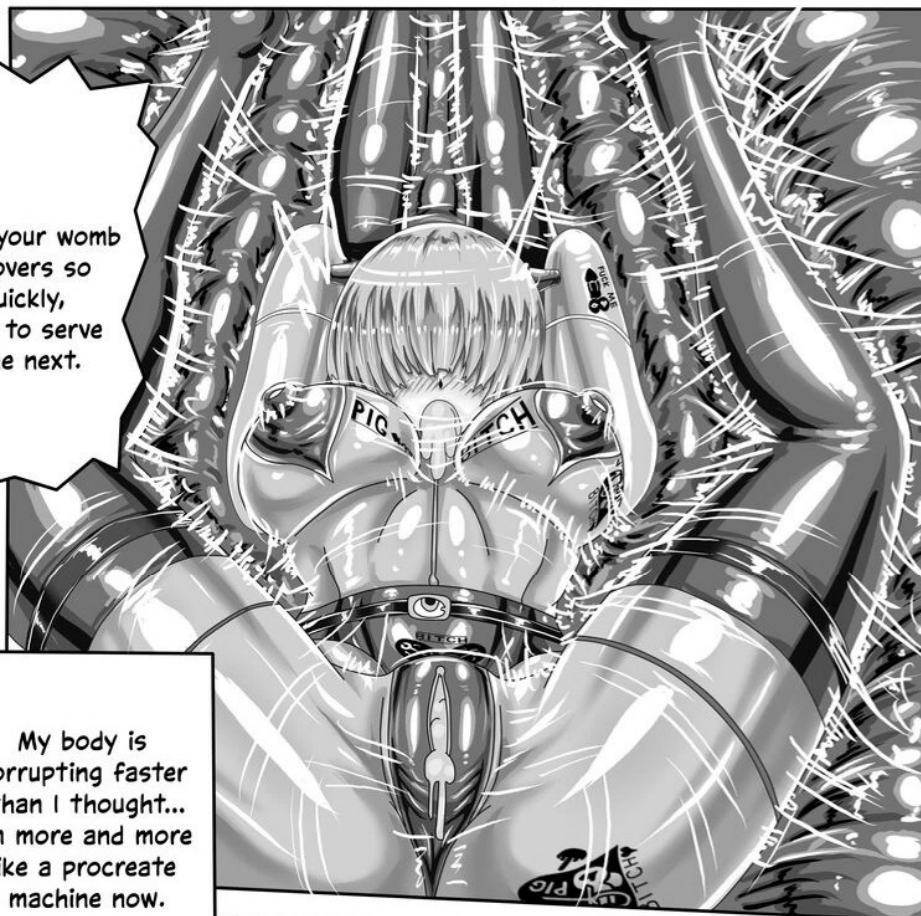

It's OK my master, it's delivered soon... Please give me some time!

Wow, your womb
recovers so
quickly,
time to serve
the next.

I think
I can't be the
Agent anymore,
I can't help
being submissive
every time
I see a
tentacle.

My body is
corrupting faster
than I thought...
I'm more and more
like a procreate
machine now.

Laska, please
help me!
Or I'm not
comin back
anymore...

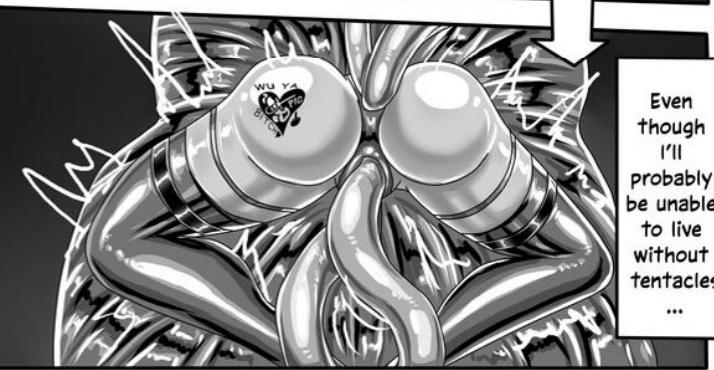

I like your
magic milk,
let me play
more with
your chest.

It will be
swelled!
Bigger
and
bigger!

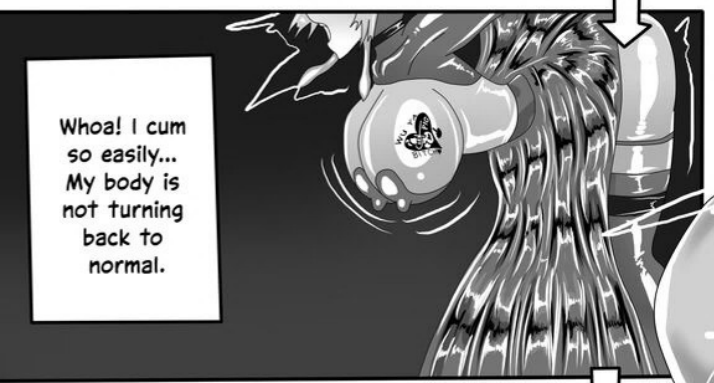

Oh,
the sixth
day...
I'm being
saved soon.

Even
though
I'll
probably
be unable
to live
without
tentacles
...

(The breast
gradually
becomes its
original size)

Whoa! I cum
so easily...
My body is
not turning
back to
normal.

How will I
be like this
...

Today
is the
sixth day,
enjoy your
new life!

It is
coming
out...

Hey, the
customer
with secret price
will come soon!
Secrete milk
now!

It finally ends!
All depends
on Laska now
...

Why am I
in a situation
like this...

Wuya-chan
won't want
to forget such
a good feeling
for sure,
will you?

I heard
that
you are
leaving,
here is
my farewell
gifts
for you!

Don't
play me
anymore...

Save me, Laska!
The Chief! Mama!
Anyone,
who can save me!

Help
...

Well...
Don't
you
even
say a
thankful
word?

Uahhhhhhhh

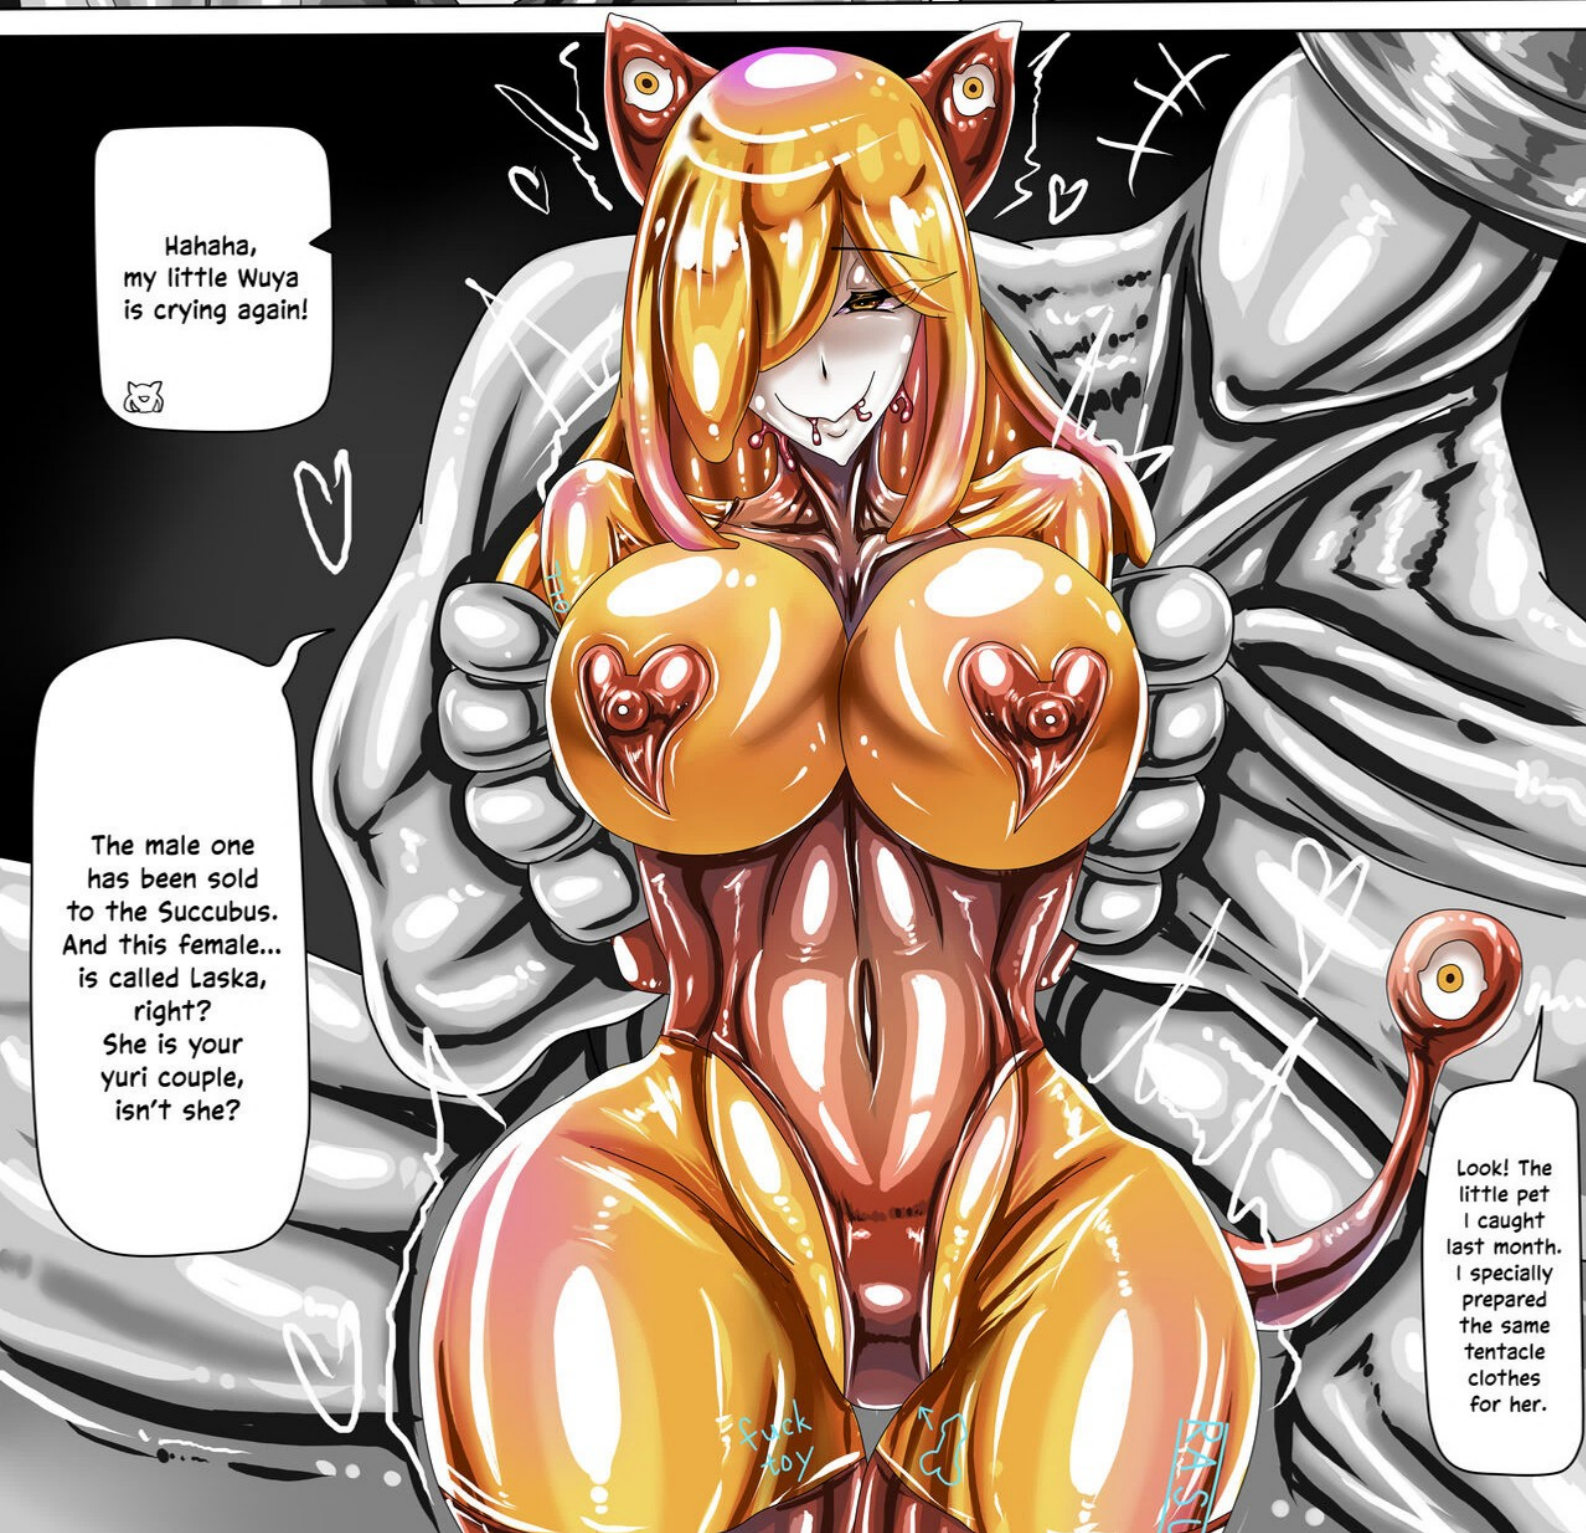

That can't be true...

Asham you are so cold. Don't you think it is too much to such a poor girl? Hee hee...

How active! I also have a gift for you.

Hahaha, my little Wuya is crying again!

The male one has been sold to the Succubus. And this female... is called Laska, right? She is your yuri couple, isn't she?

Look! The little pet I caught last month. I specially prepared the same tentacle clothes for her.

fuck toy

WASTI

There will be nobody to save you anymore, I leaked all the information to them...

Oh, is that Wuya? Sorry... I've been the eroslave of my master right now, his dick is so great...

What's your expression? Let's take off the mask can have a look!

Don't you want more reward?

Hey, eroslave. Wake up!

Look, it is your little honey!

fuck toy

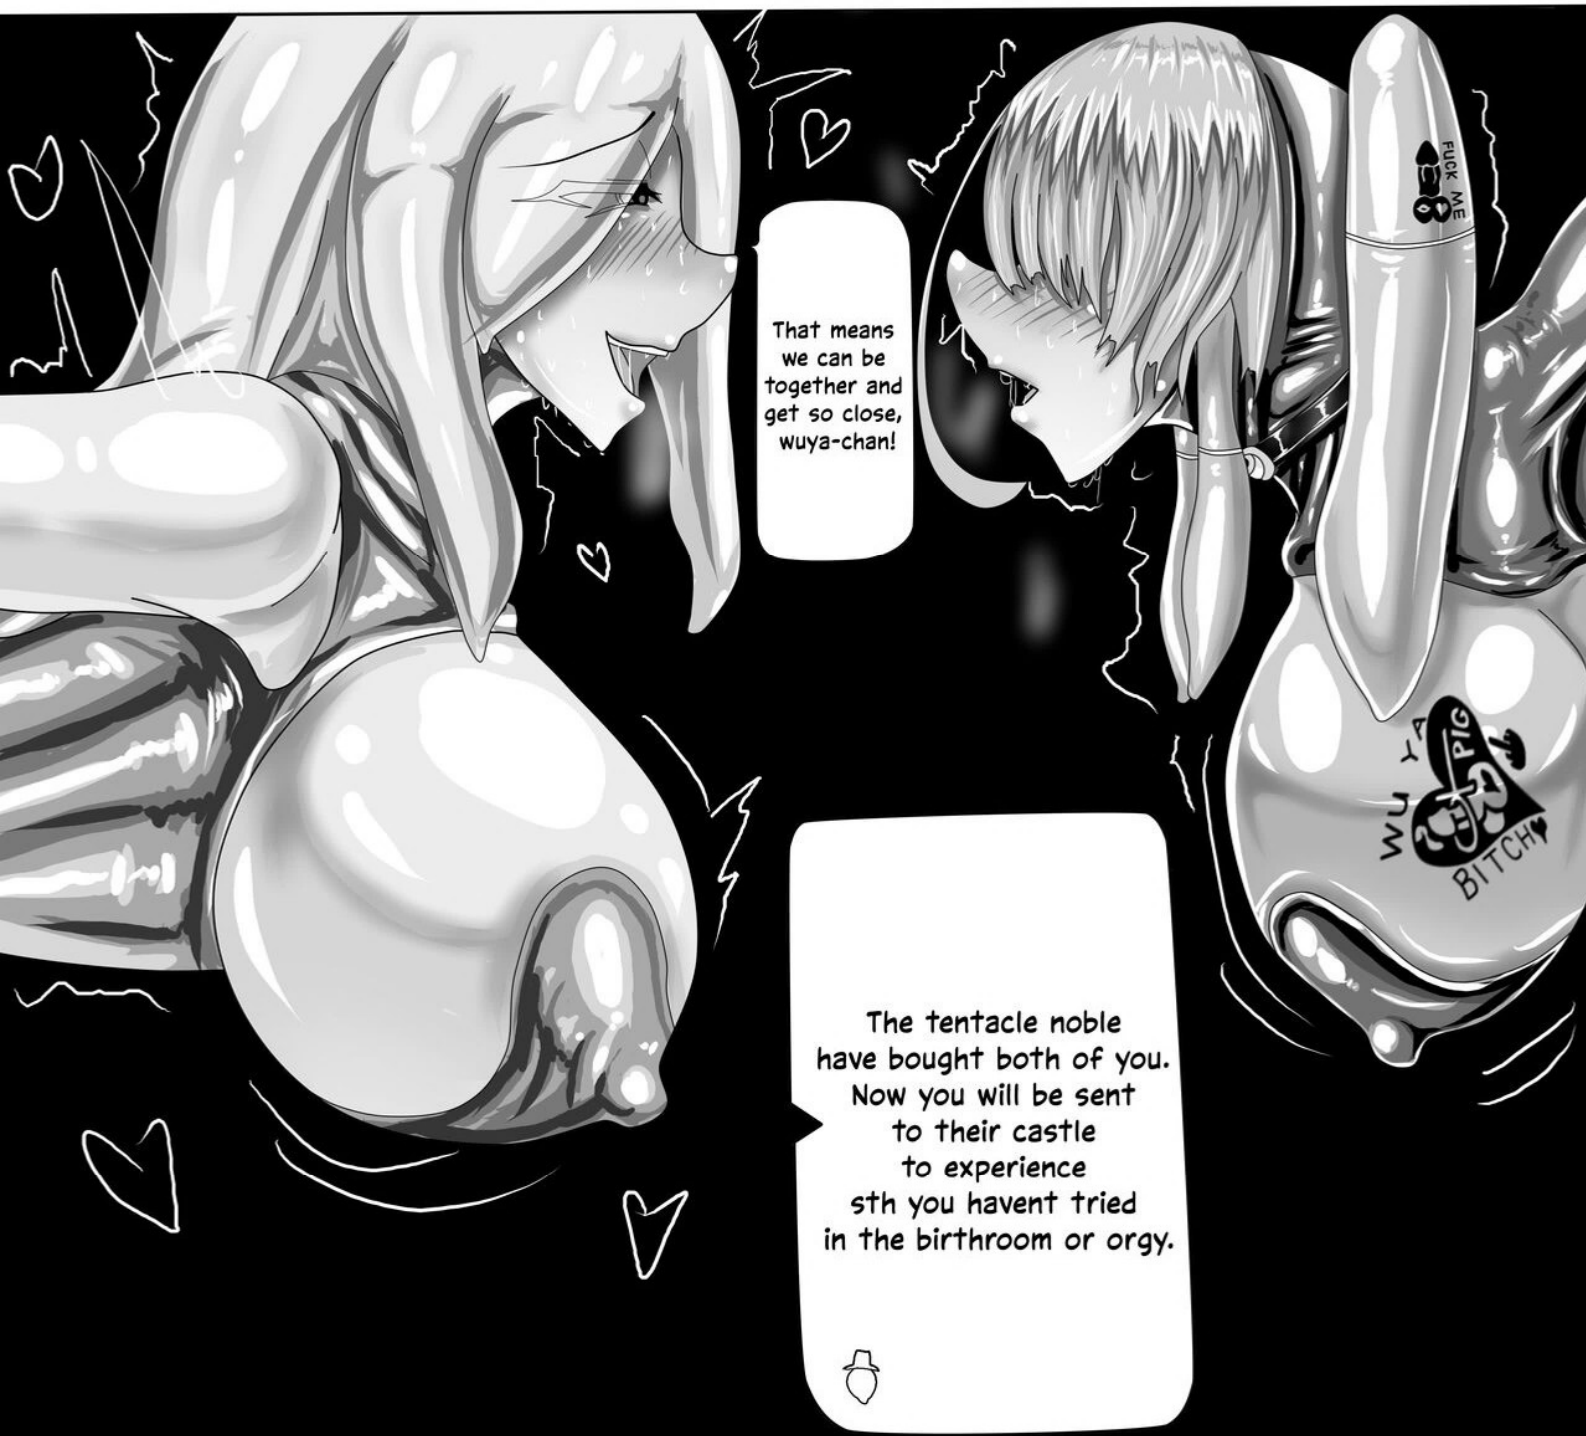

Why do I
hold on
for so long
...

Cut the crap.
Now it's time
to pack and
deliver.

Wuya, you have
always been
the Masochismus,
I didn't expect that
you will be so firm.
Come on,
just be corrupted,
so that we can
get together
again, OK?

That means
we can be
together and
get so close,
wuya-chan!

The tentacle noble
have bought both of you.
Now you will be sent
to their castle
to experience
sth you havent tried
in the birthroom or orgy.

The buyer this time
is a bit violent.
But as public property,
you will be under our
good protection services.

Now you two
will be tied together.
The tentacle skin
of several layers
will be outside
as protection.

If they do
something drastic,
the alarm of the
tentacle clothes
on your bodies will
ring, and we will
retrieve you
at once.

First, use it
to connect
these two
eroslave.

This is a
special double-
end hand
shower
tentacle.

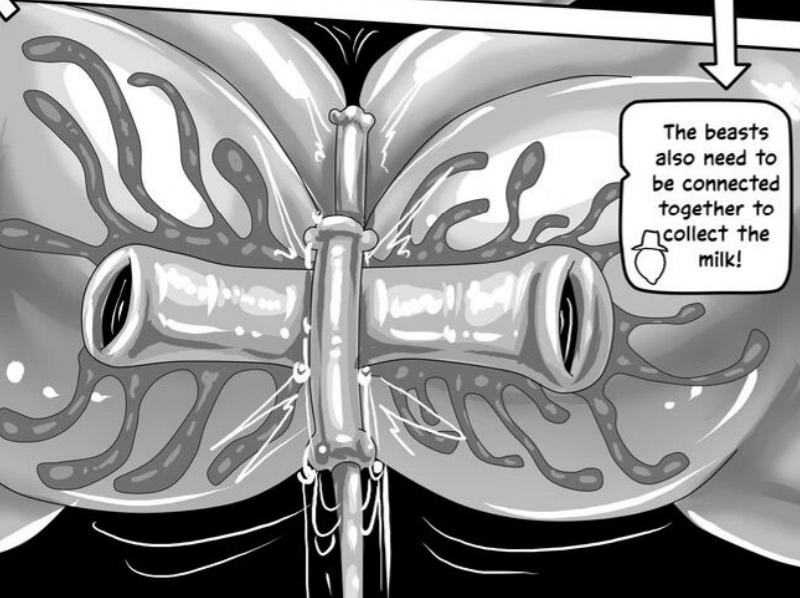

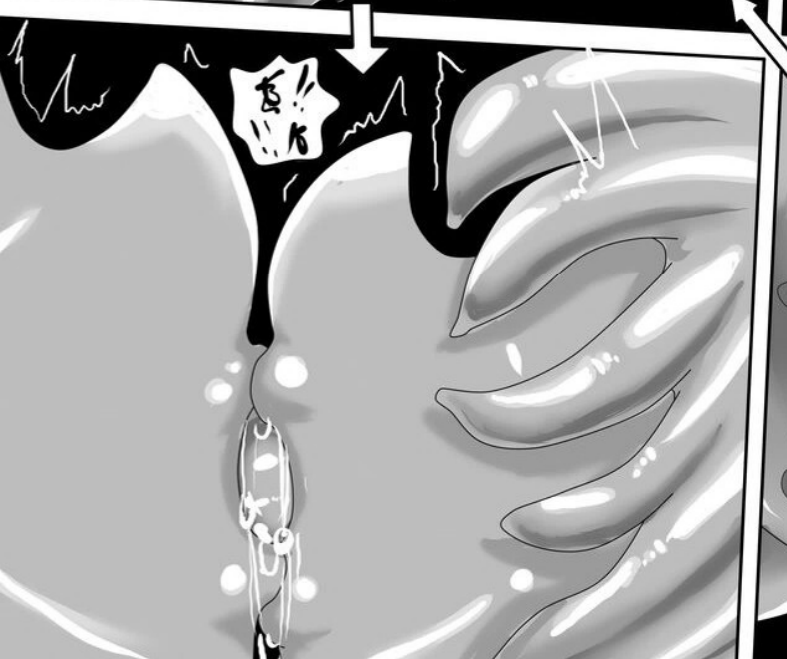

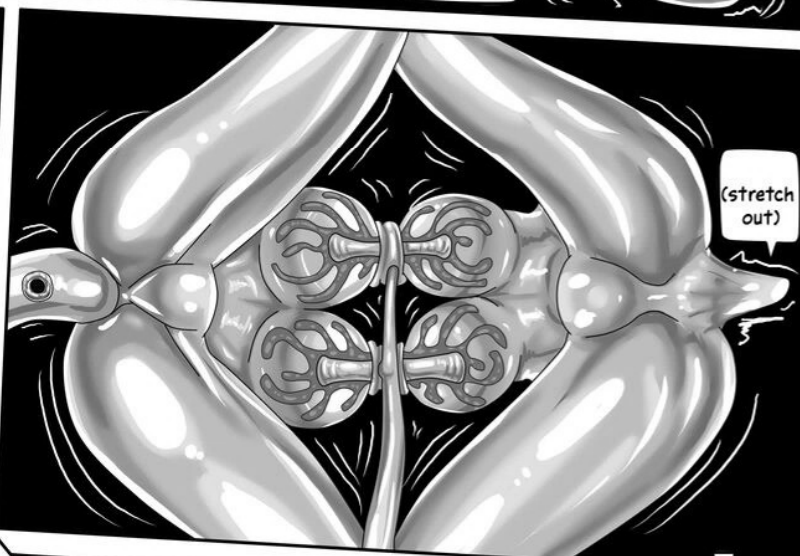

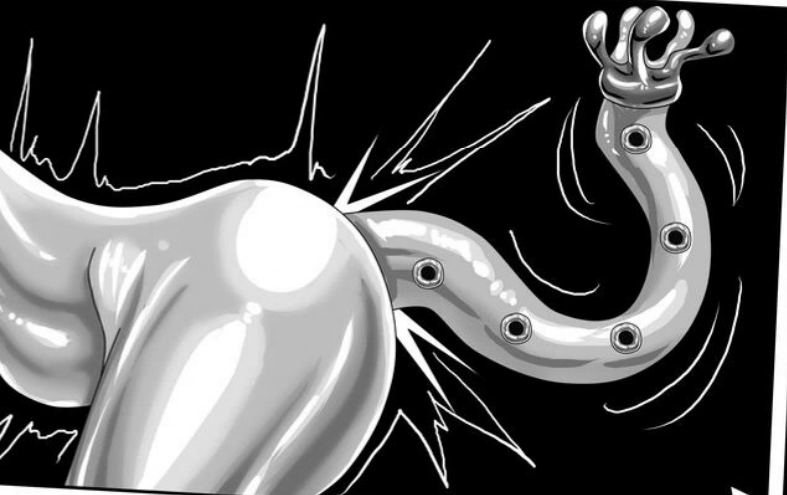

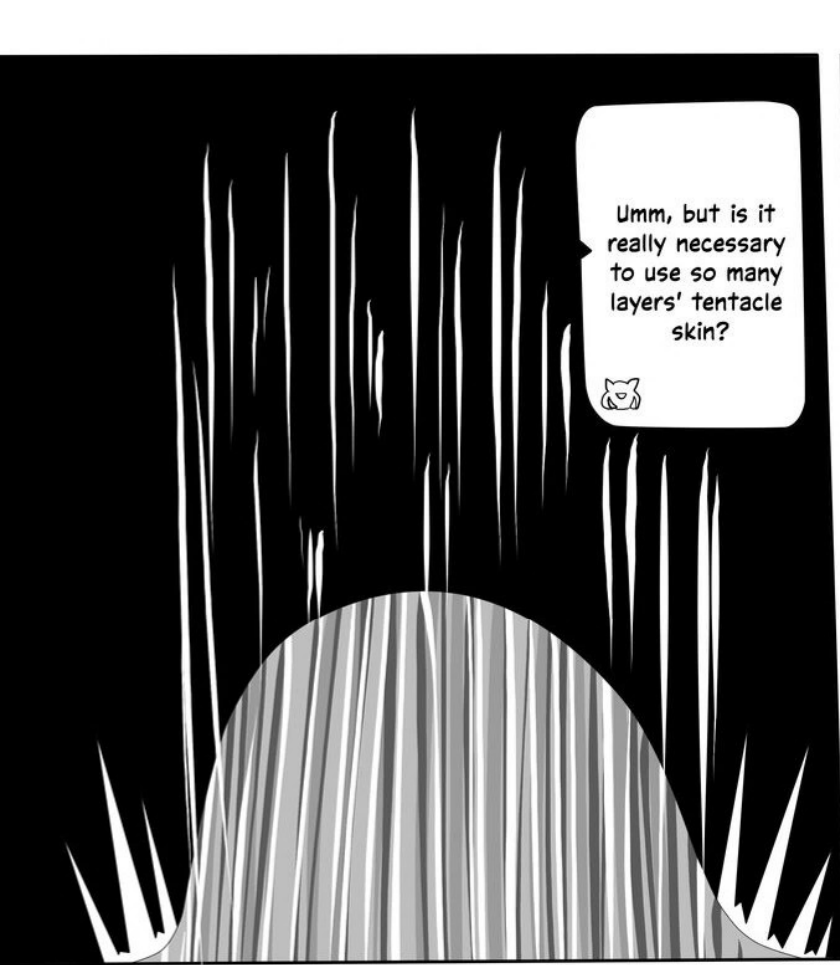

Then,
deliver the
aerobic
semen
in the
container
to the
end.

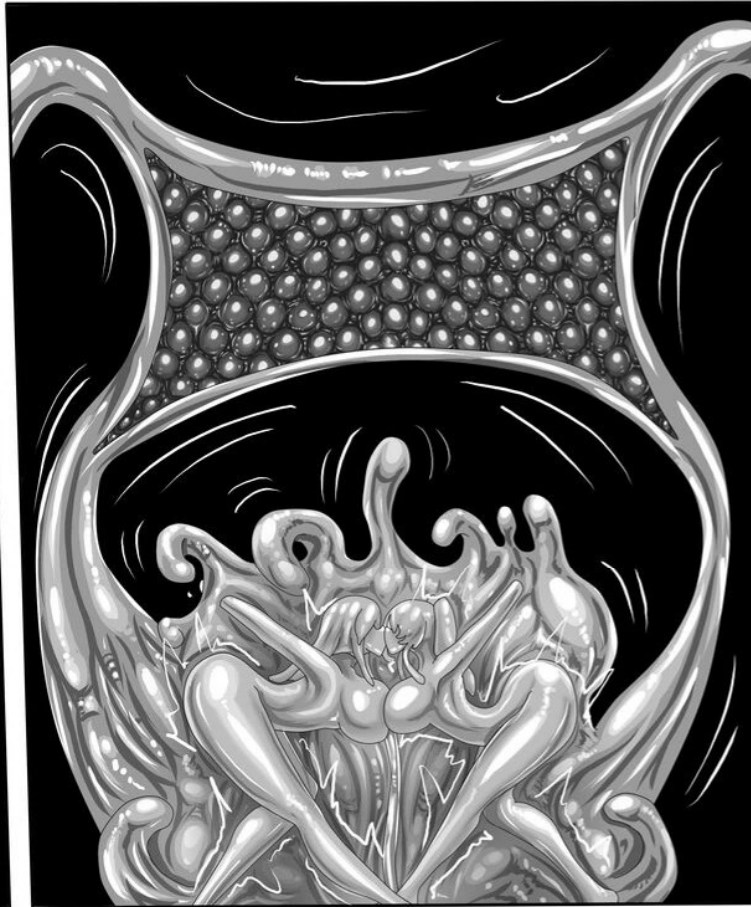

So, it
will
ventually
form an
aerobic
cycle of
semen
right?

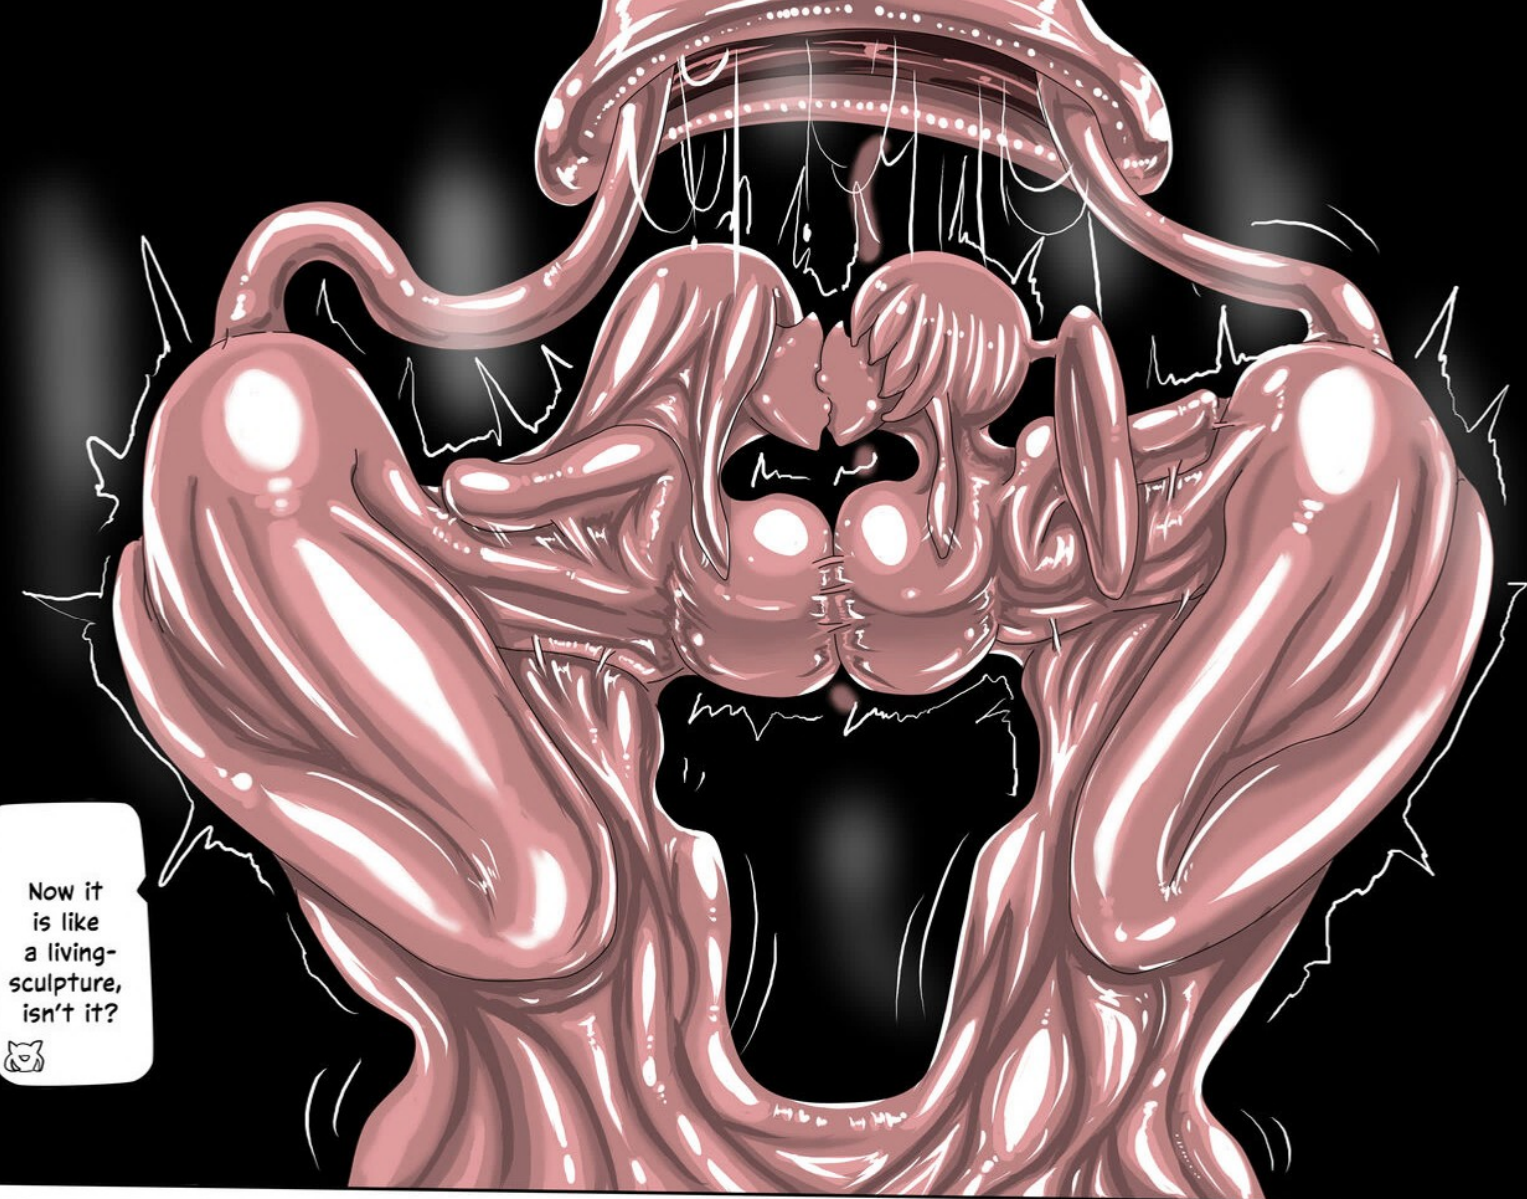

Umm, but is it
really necessary
to use so many
layers' tentacle
skin?

That tentacle
noble have
destroyed
hundreds of
eroslaves, I must
be careful to
what they
might do.

Now it
is like
a living-
sculpture,
isn't it?

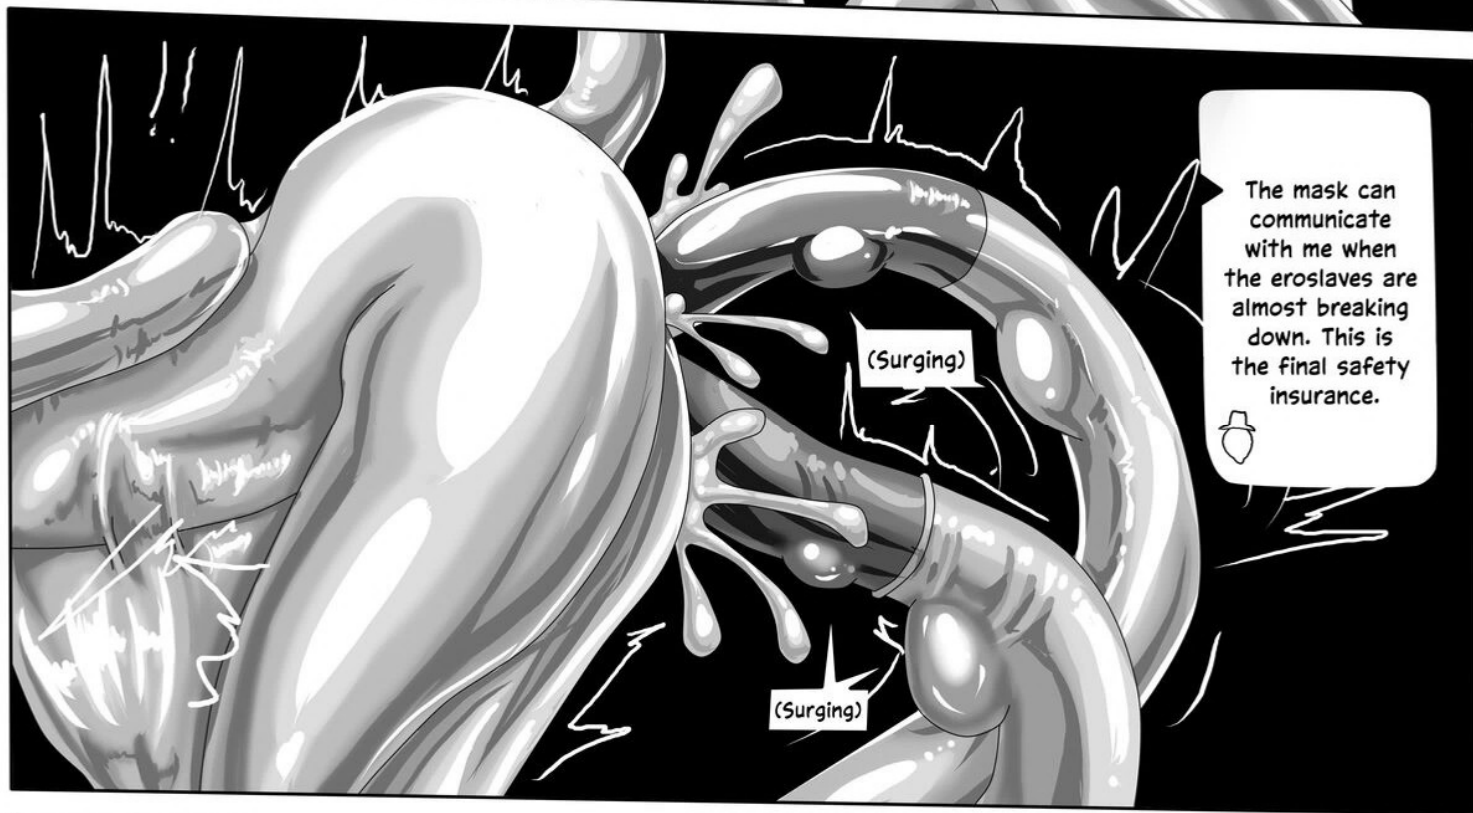

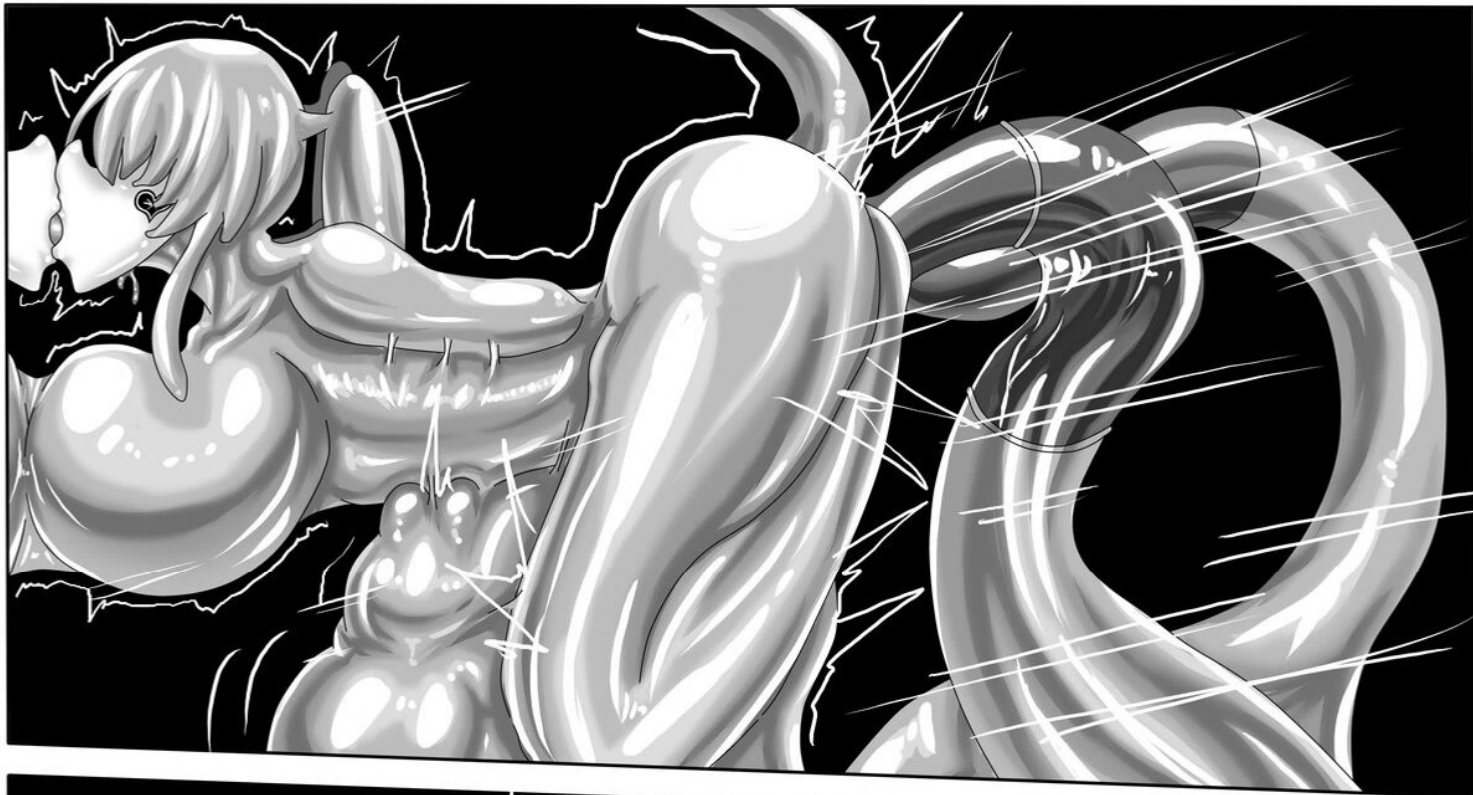

I would say it is
almost finished,
it is for the
first time
I do such strict
packaging! Isn't it
like a piece of
artwork?

Let's see
how it works!
Good...
It looks
durable~

The mask can communicate with me when the eroslaves are almost breaking down. This is the final safety insurance.

(Surging)

(Surging)

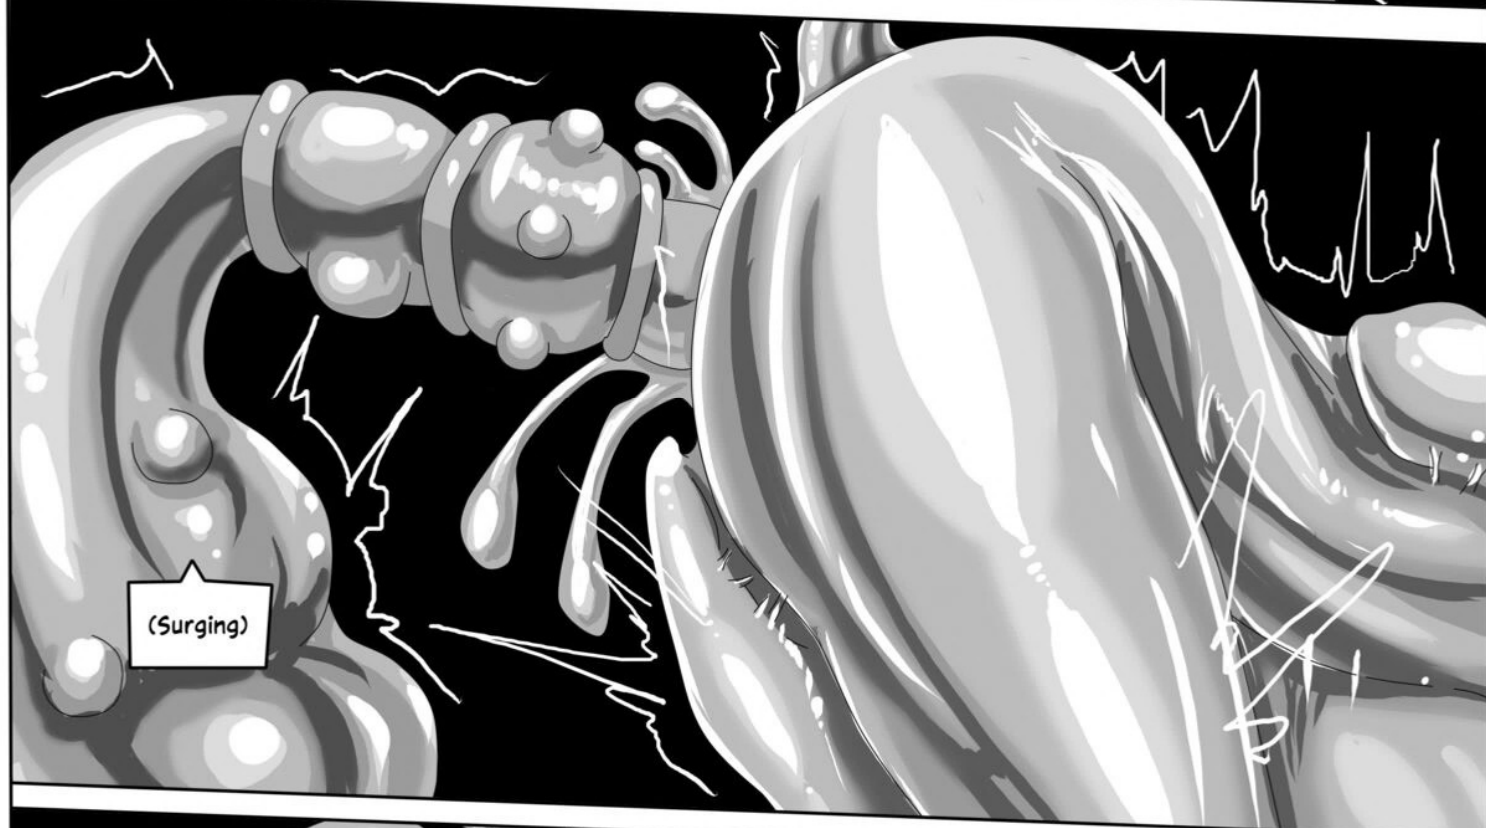

Now use the tentacle to test whether their consciousness has been blocked.

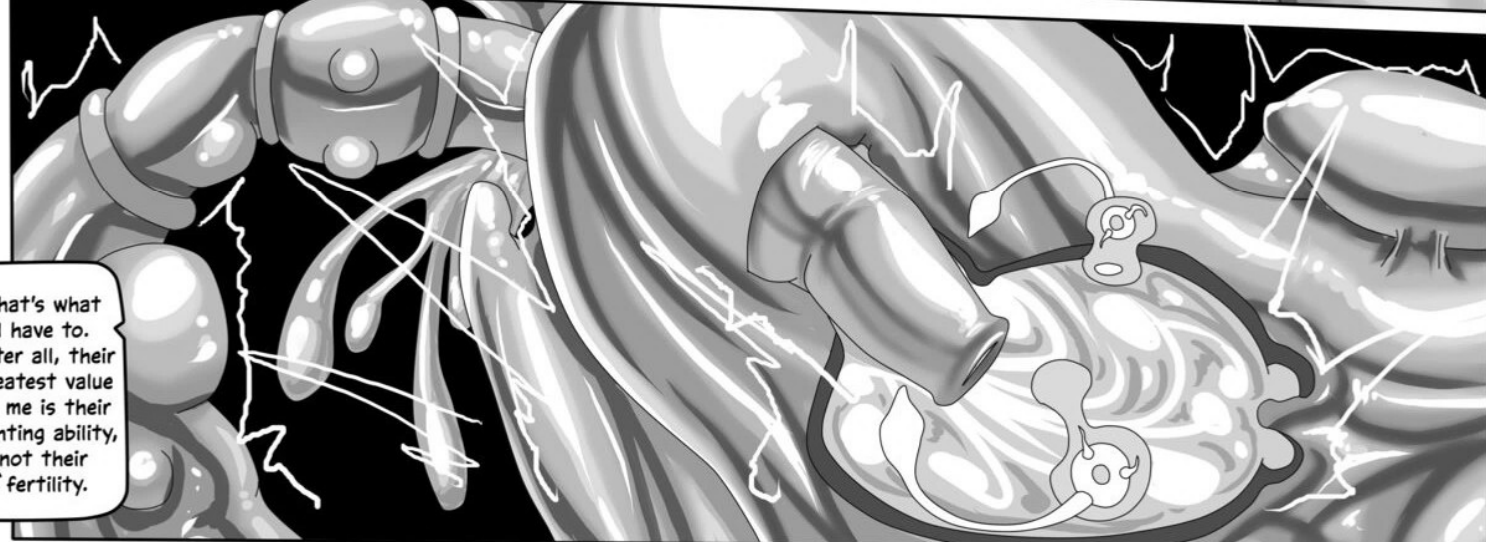

The packaging
measure this
time really
makes me
admire it.

(Surging)

That's what
I have to.
After all, their
greatest value
to me is their
fighting ability,
not their
fertility.

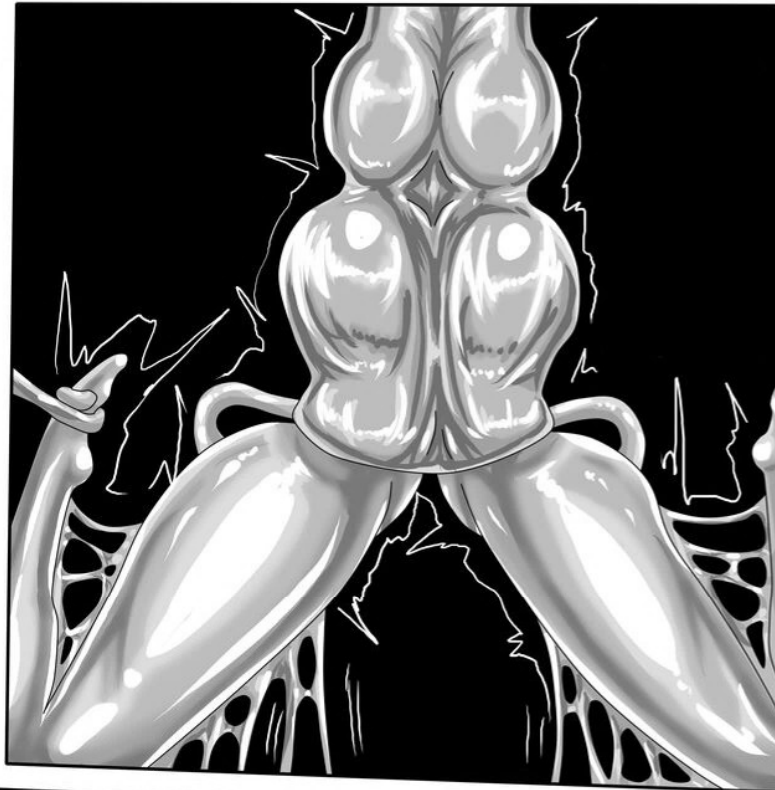

According to
the signal from
the mask,
they are
unconscious
now.

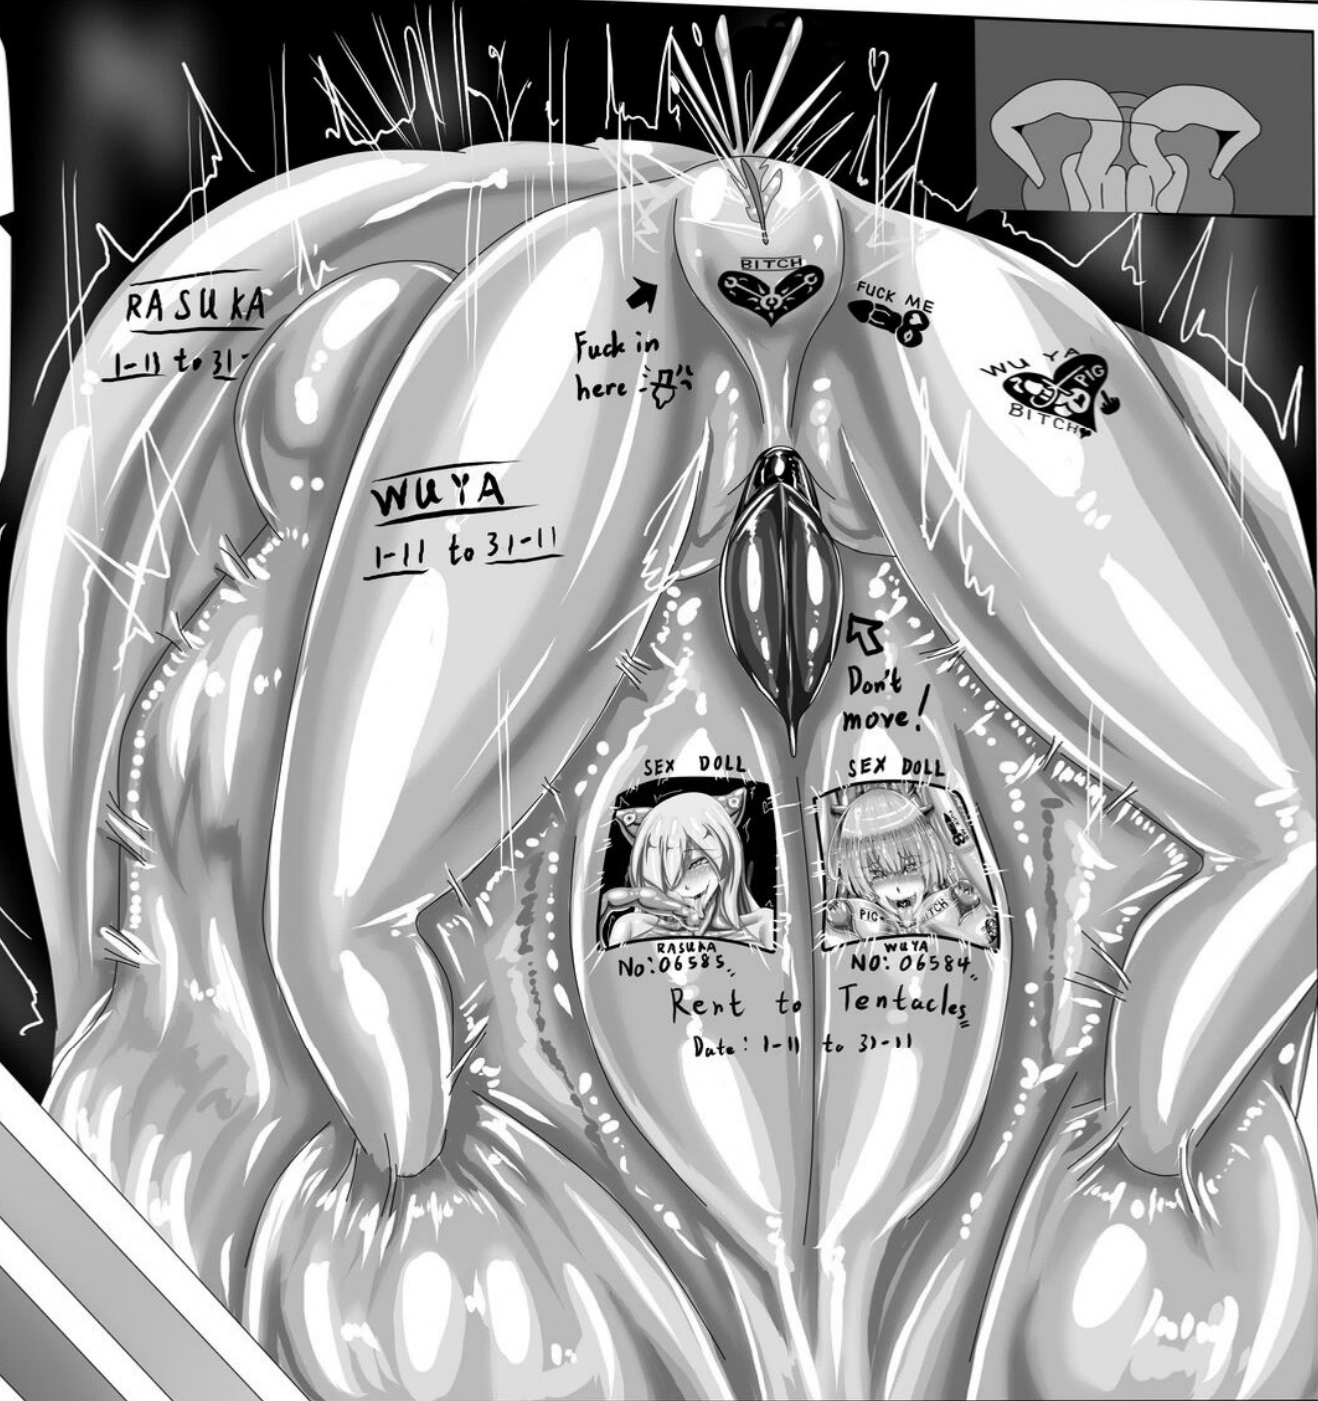

(Swallow)

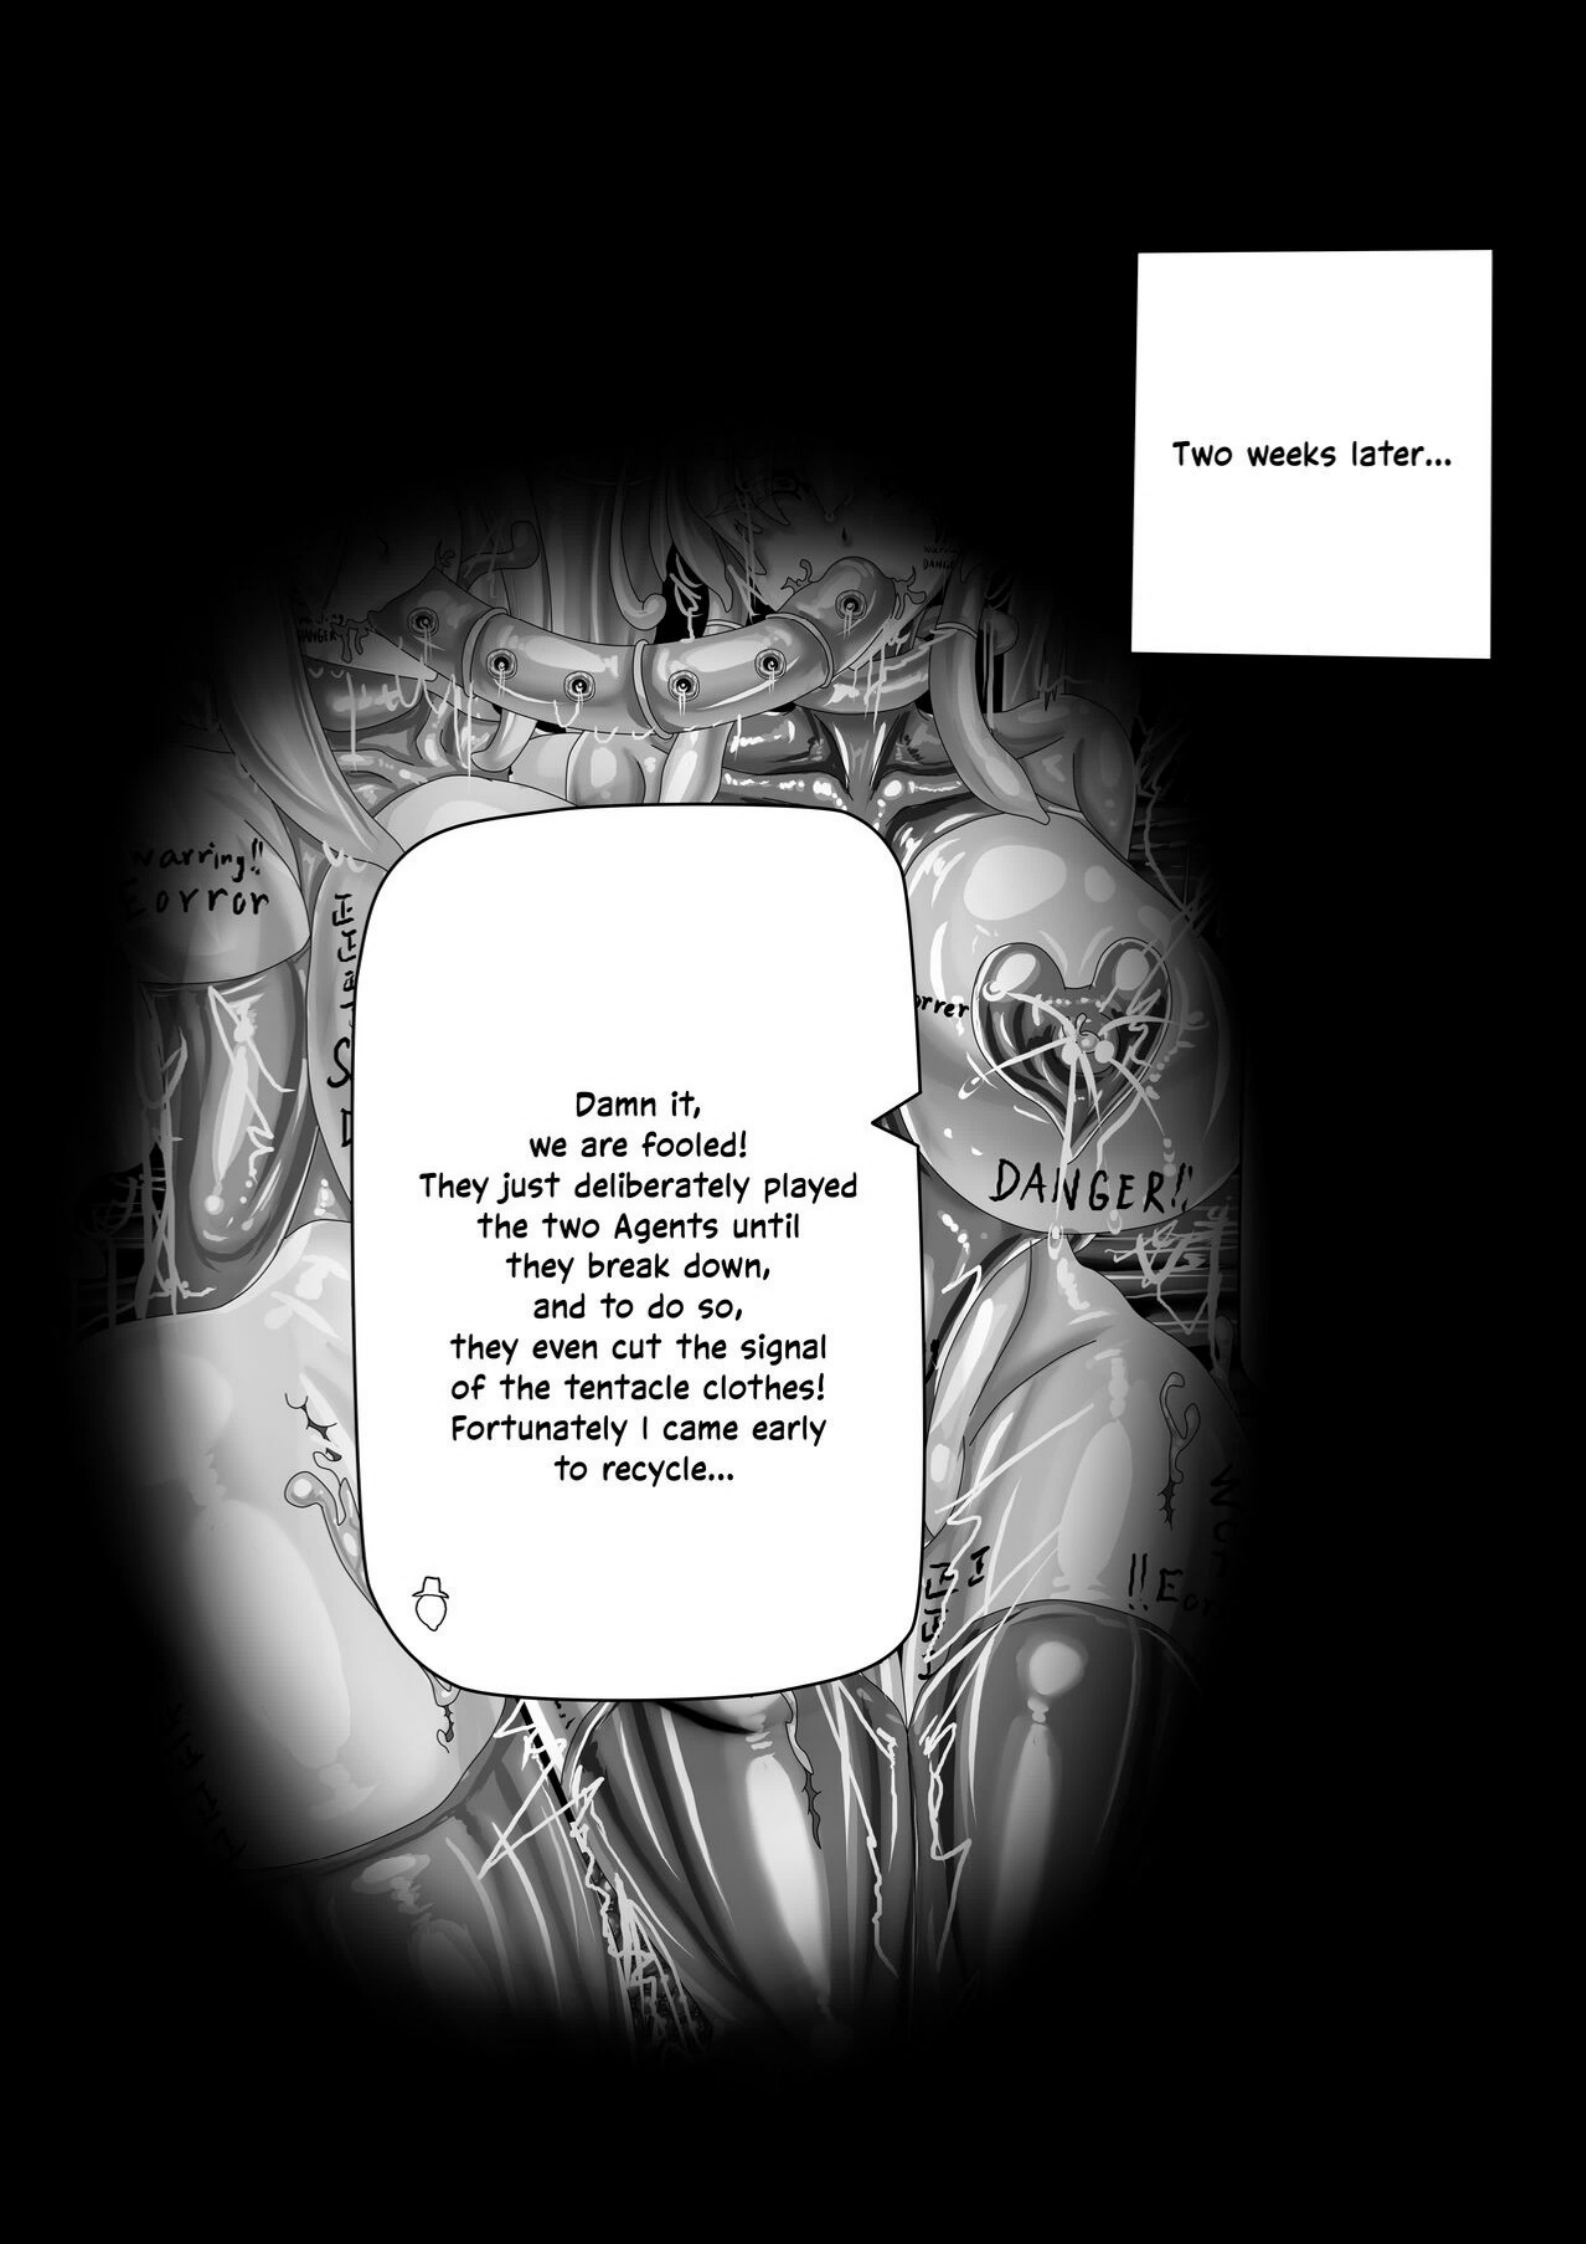

(Turn over)

Only the vagina
is exposed
outside the
package.
Write some
warning notes
and so that
we can ship
the goods.

Two weeks later...

Damn it,
we are fooled!
They just deliberately played
the two Agents until
they break down,
and to do so,
they even cut the signal
of the tentacle clothes!
Fortunately I came early
to recycle...

!! WARING!!
DANGER!!

Be careful and
don't take the
mask off!
Otherwise their
brains will be
damaged immediately
due to strong
stimulation.

warring!!
