Come to die?

When the mission was over and we were returning home, a weak Grunt showed up.

I am Wuya, the third seat of the organization "Agent" ... I am currently on a mission to exterminate Grunts in a dungeon.

At the same time, at another location ...

Where the hell did Wuya go? We're in too deep.

Let's go look for her ... I'm afraid of an accident.

This guy is weak, but he's too fast! Could it be a trap?

Slip!

You lowlife! Go wash your head and wait for me!

And I fell into the trap ...

What the fuck!
Get away from me!
It's pulling me in!

slimy

One of the common terrains in the dungeon

White turbid liquid pool

With the magic skill acceleration, I should pop out of the white slime in one fell swoop!

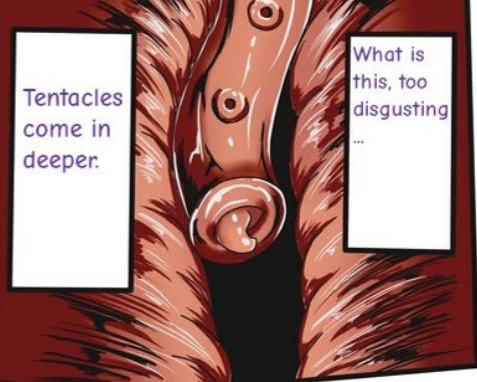

If I put my heel on the bottom of the pond ...

There is still a chance ...

It just keeps getting deeper and deeper ...

Ugh... Oh, God!
Tentacles on my crotch!
Good thing I have a chastity belt!

Oh, and after?

Tentacles
come in
deeper.

What is
this, too
disgusting
...

Through
my belly
through
my
anus!

But the
situation is
still
dangerous,
and I'm
starting to
have
trouble
breathing ...

Tentacles
forcing
their way
into my
mouth
and
what?

Breath
hole, air
into the
lungs...
Oh, I can
breathe!

Gross,
so
much
semen
in my
mouth!

Seems to be a
lot of oxygen
in the semen.

This
semen ... It
has an
aphrodisiac
effect.

No! No! No!
I don't want
to! My body
is getting
crazier and
crazier.

Thus ... I was
stuck in a
pool of white
fluid, and they
continued to
play with my
mouth, my
intimate
parts, and my
asshole.

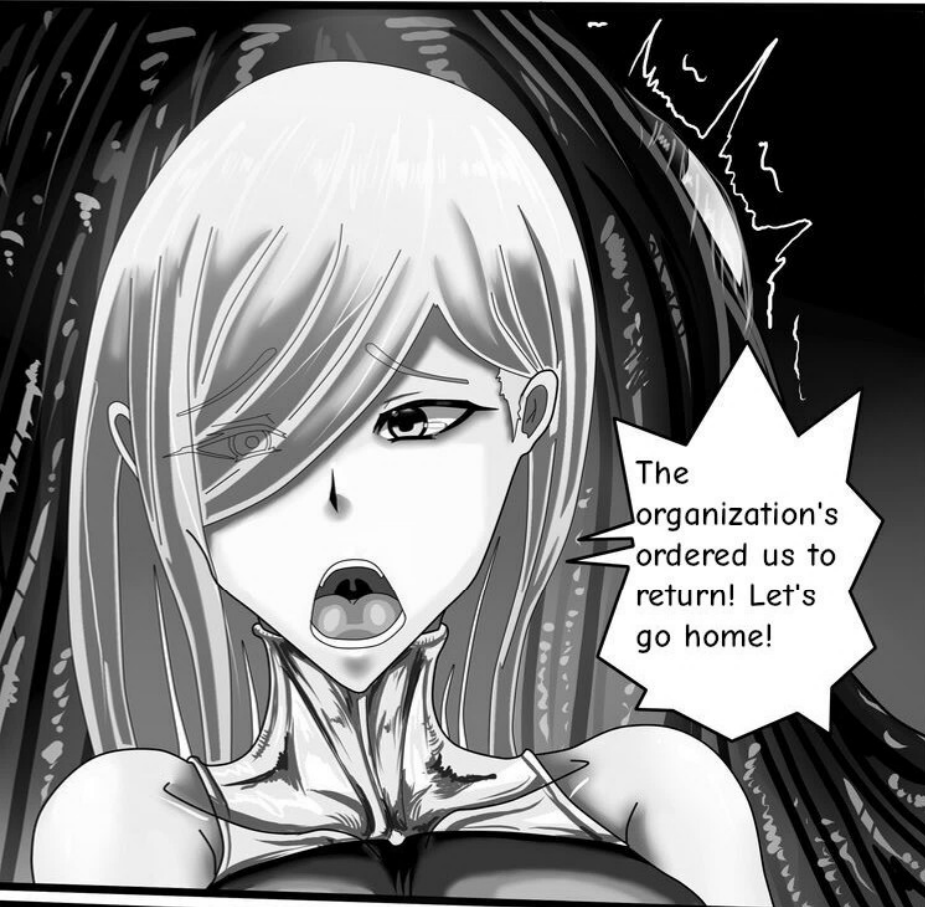

My chastity
belt has
been
breached
from the
inside!

Unh!
So
big ...

The organization's ordered us to return! Let's go home!

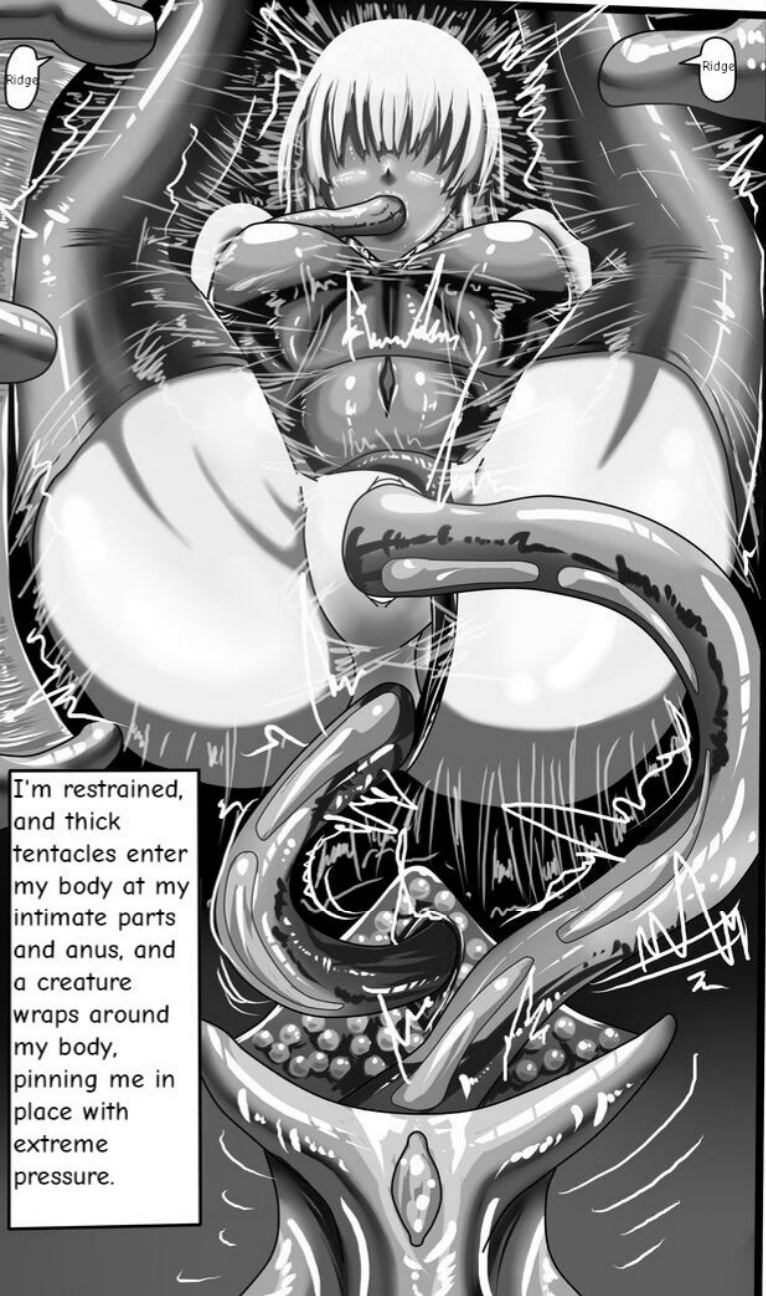

Wuya!
Where are you?

I could barely spit out the semen!

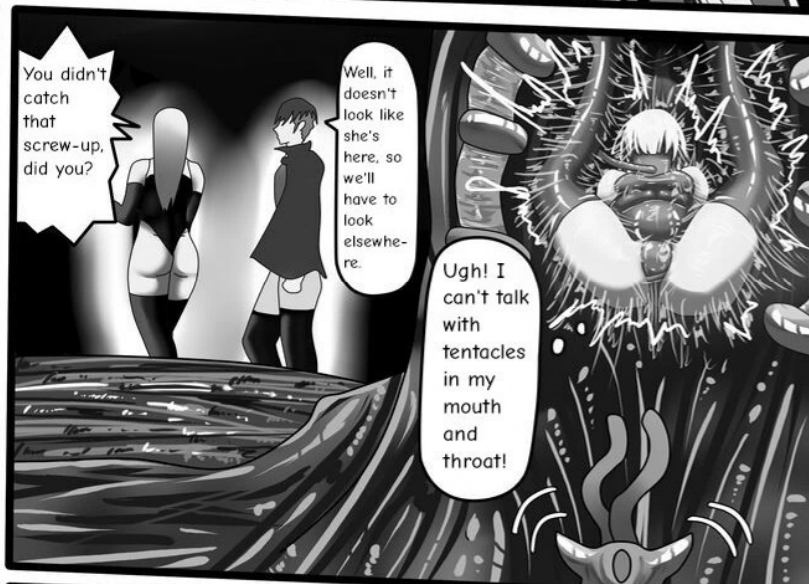

If you can hear me, answer me!

Ugh! The tentacles are acting up again!

I'm restrained, and thick tentacles enter my body at my intimate parts and anus, and a creature wraps around my body, pinning me in place with extreme pressure.

You didn't catch that screw-up, did you?

Well, it doesn't look like she's here, so we'll have to look elsewhere.

Ugh! I can't talk with tentacles in my mouth and throat!

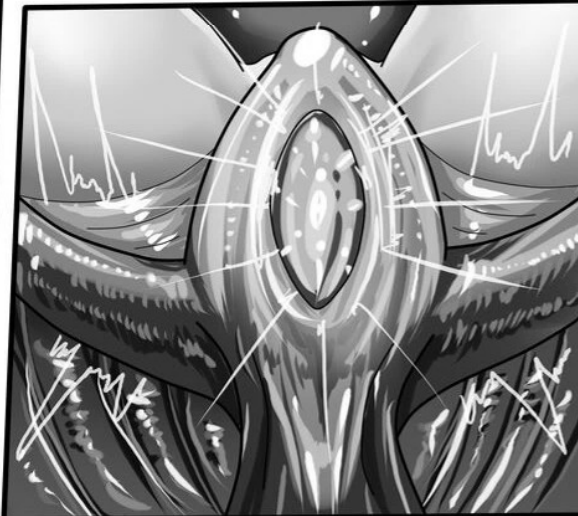

Don't go! I'm here, help me!

Even if I can't see, I can see a thin membrane-like substance enveloping me. If not for the creature, I could escape with a trump card that would turn my body into slime!

I need to do something about this membrane or I won't be able to use my trump card.

What the hell! Don't tell me the whole dungeon is alive? How far down do we have to go!

Perhaps a Fiend is watching this place! Help! That thing is on a totally different level than a Grunt!

The creature restraining me begins to move down

Continuing to descend

Hm? These clothes... Are you an agent ?

The Fiend took me out of the membrane ... This is my chance!

Now that I've finished reading the book, it's time for me to deal with you.

I knew you were a demon! My whole body tingles from the semen.

3 hours later

Oh... A new doll has arrived

Asham!

Go to hell!

Slime...

What the...!

The magic power taken from the white slime pond can liquefy my arms for a short time.

I also have my magic cannon in my left hand with a spell ...

They'll fuck
me forever!
They drive
me crazy!

..... Oh,
tingling! Oh,
it feels so
good! This
dungeon is
the worst!

Hahaha,
I've
beaten
the
demon!

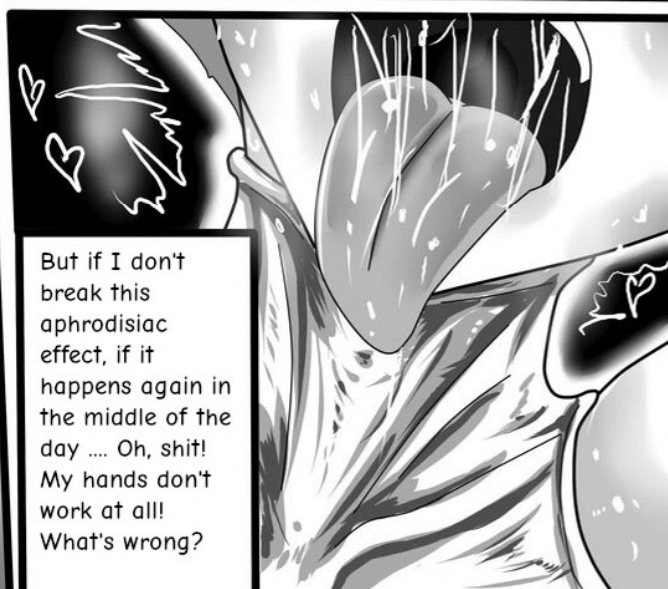

I did
it ...?

Finally...
Finally...

This is the
center of
the
dungeon ...
No, I have
to get out
of here
now!

But if I don't
break this
aphrodisiac
effect, if it
happens again
in the middle
of the day ...
Oh, shit!
My hands don't
work at all!
What's wrong?

I had no choice but to do this too ...

Heals

Twitch

An ahhhhhhh, it's also cumming

You've hurt me! You use your strange powers! Then let's do this!

Hmph!

!?

My mind went blank ... It feels so good...

Gah! What? What? Did I just get attacked by something?

Hmmm ...
Ickkkkkkk... Did
I faint? What's
happening now?
I can't see
anything! Can't
I move?

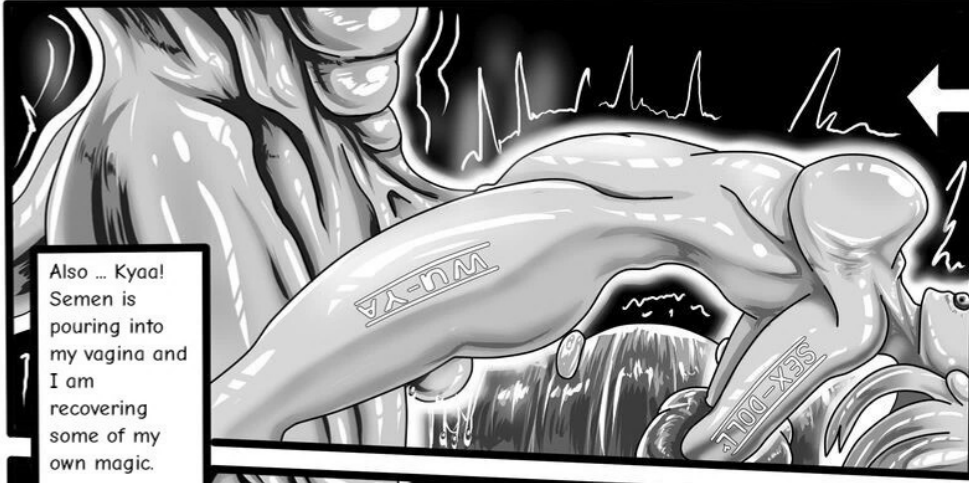

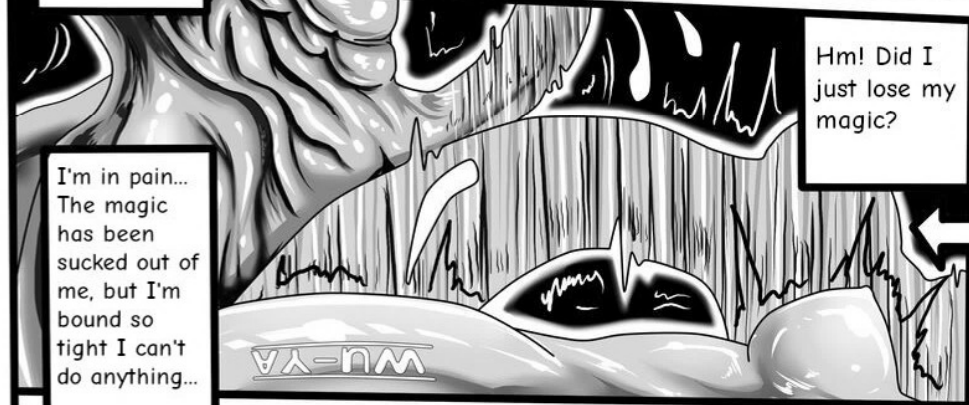

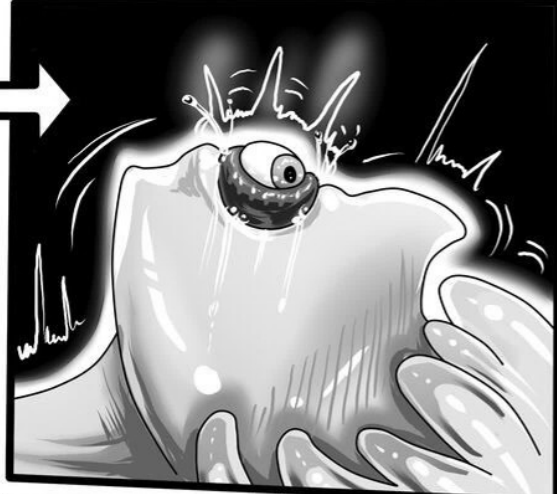

A huge meat stick is piercing through my vaginal tentacle clothes and into my womb. My five senses are blocked, and the pleasure surging through my vagina is so great that I can't think of anything else!

In the course of several ejaculations I was invaded by the magic of the semen, and my body became more and more sensitive as I became more and more aroused.

Apparently I have a tentacle suit wrapped around my entire body.

Also ... Kyaa!
Semen is
pouring into
my vagina and
I am
recovering
some of my
own magic.

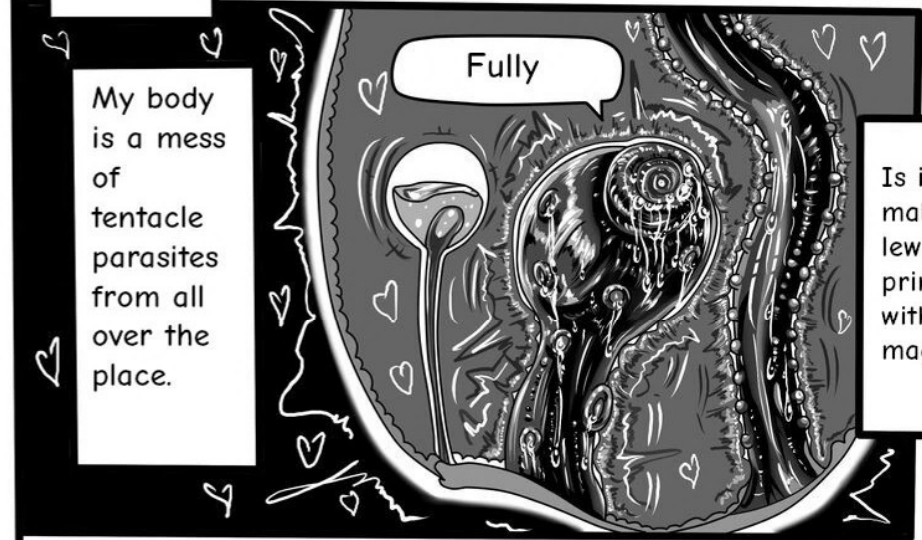

I'm in pain...
The magic
has been
sucked out of
me, but I'm
bound so
tight I can't
do anything...

Hm! Did I
just lose my
magic?

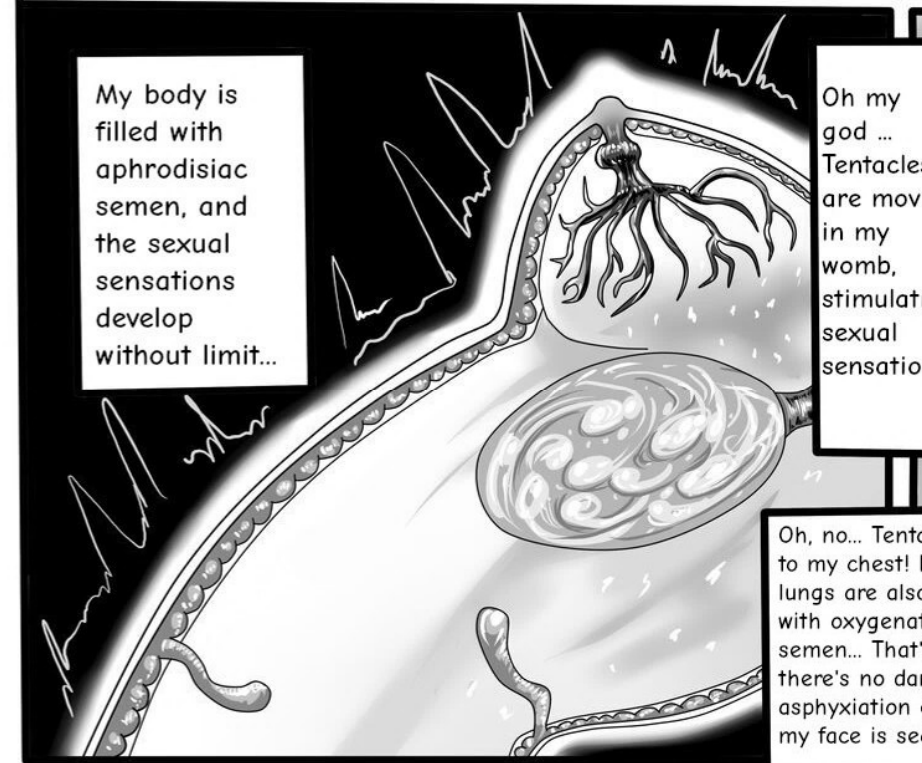

Magic
Extraction

Fully

My body
is a mess
of
tentacle
parasites
from all
over the
place.

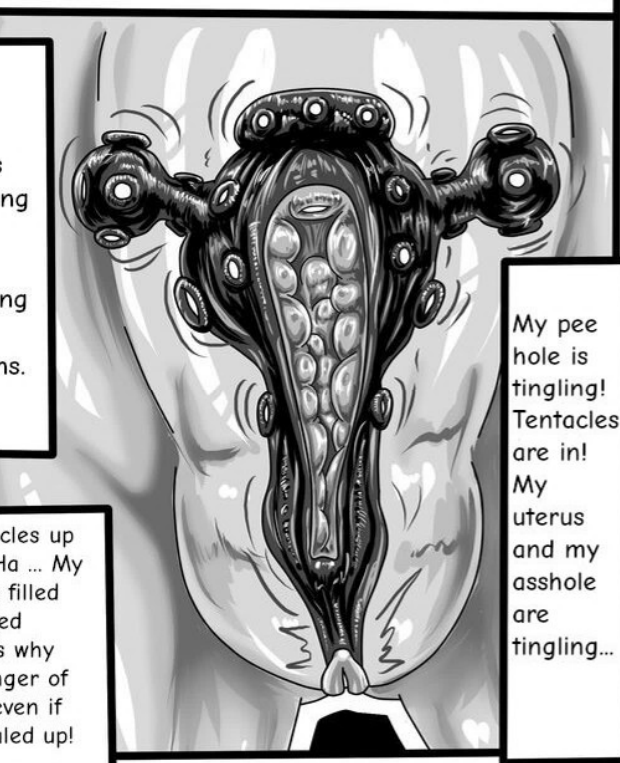

Is it
making
lewd
prints
with my
magic?

My body is
filled with
aphrodisiac
semen, and
the sexual
sensations
develop
without limit...

Oh my
god ...
Tentacles
are moving
in my
womb,
stimulating
sexual
sensations.

Oh, no... Tentacles up
to my chest! Ha ... My
lungs are also filled
with oxygenated
semen... That's why
there's no danger of
asphyxiation even if
my face is sealed up!

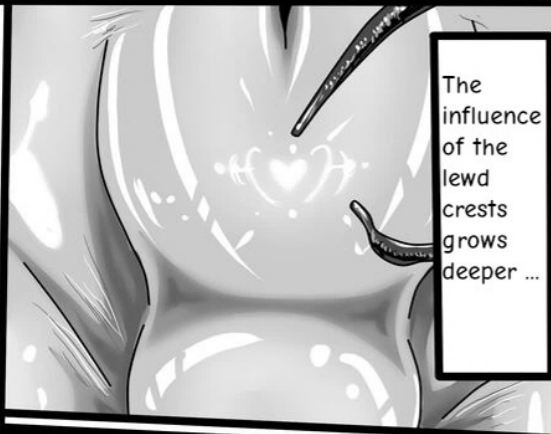

My pee
hole is
tingling!
Tentacles
are in!
My
uterus
and my
asshole
are
tingling...

... In this case, the only way is to absorb the magical power contained in the semen and wait for it to recover. So there is no other way but to accept the meat stick!

Come on... Don't tease me! Please... I can't take it anymore!

The influence of the lewd crests grows deeper ...

The magic suction stopped? Thank God, I'll die if I run out of magic.

Oh, no! Oh, I'm so full of magic... No, wait! No! The magic sword is sucked out!

Deep! Deep! Deep! Put it in deeper! Yes, even pour in that semen!

It's too much!!! I've been parasitized by a tentacle suit and this is the only thing I can do now!

I'm cumming!

Again! Am I just a bonded semen refining device? I can't resist.

It feels so good, but it's painful, painful! Help me! No...! Don't suck my magic! Aaahhh...

When sucked to the limit, the sucking stops ...

I can't! Something is stuck in my mouth and I can't even move.

The lewd crest is then strengthened by the absorbed magical power.

Magic Extraction

Oh, I'm sorry! Forgive me!

Wait! It's sucking the magic out of me...!

At last, this vile and over-powerful lewdness is complete ...

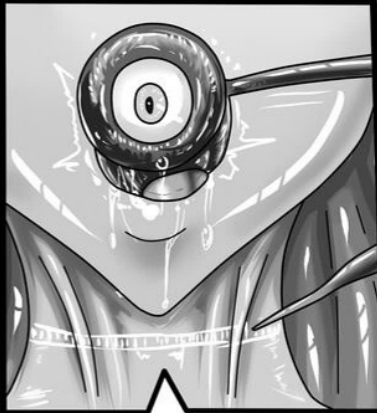

Every time the lewd crest shines hot, magic power is consumed. With the depletion of magic power, I am unable to move, and may even die. The demon aims at the very edge and does not give me a chance to recover.

For a long time my body has been impatient and hungry for semen

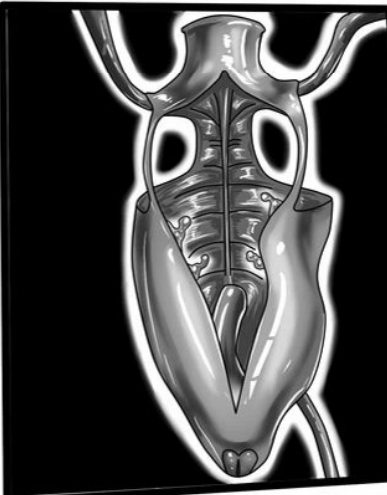

Collected Magic Power

And then I gave birth to a new tentacle suit ... Of course he's going to use this one on me too.

The absorbed magic power was used to force the production of milk from my tentacle-controlled breasts.

Magic Stitch

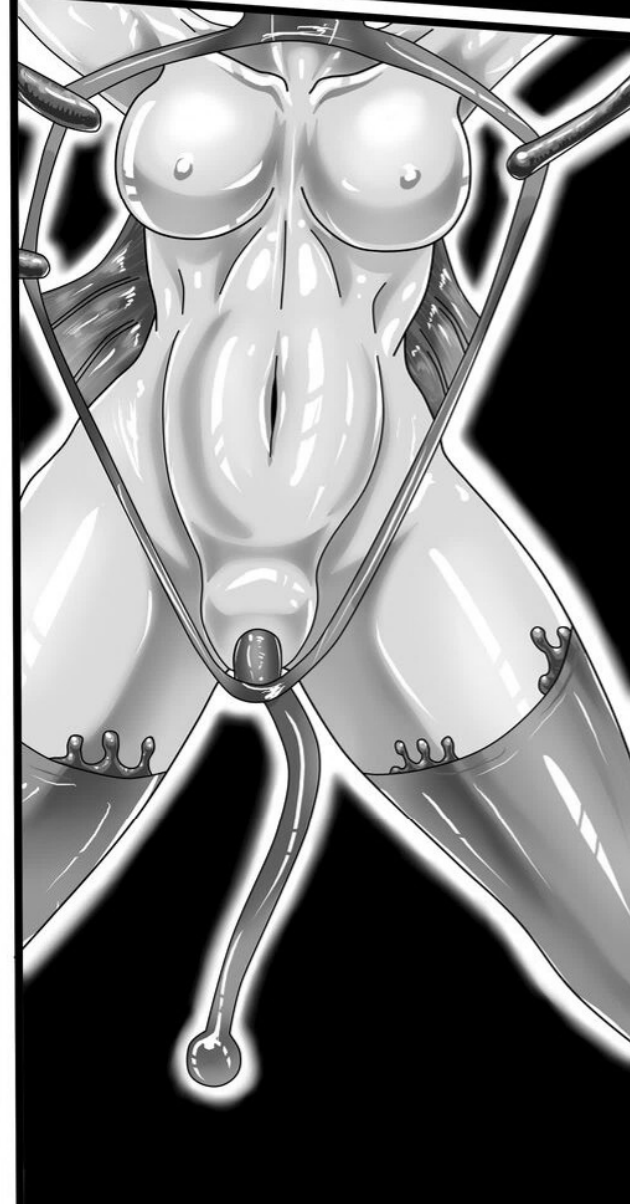

Fixed

Also, I'm bound by long gloves and can't move my fingers.

Semen was sprinkled inside my boots and attached to my legs

Long time no see. Was my hospitality satisfactory?

Please release the facial restraints.

Decorative tentacle clothing have been added, and I know I'm now a sex doll without having to see what I look like now.

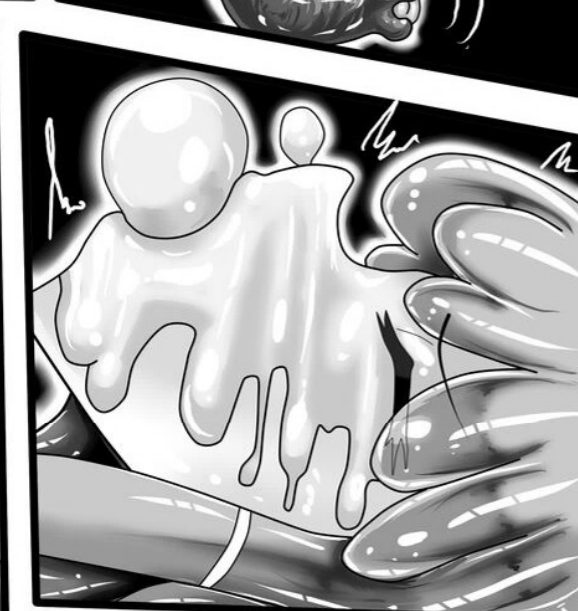

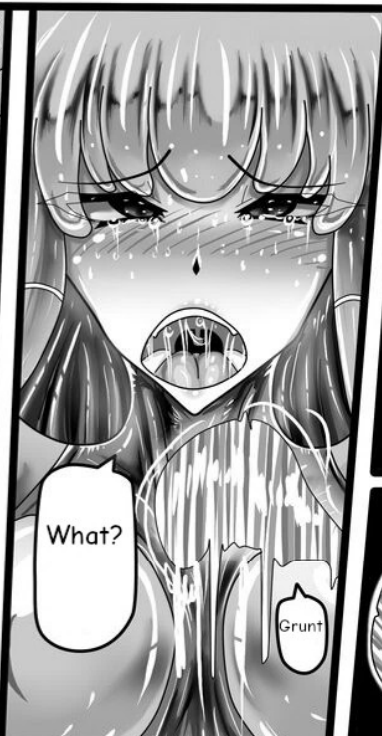

Detach

Liberate

You can't do this to me. No agent will ever forgive you!

You've got to be kidding me!

A black and white manga-style illustration. A young girl with short hair and bangs is shown from the chest up. She is wearing a mask that covers her face, with large, round, eye-like openings. She is surrounded by a large, dark, tentacle-like mass that appears to be emerging from her mouth or chest. The tentacles are thick and have a glossy, wet texture. One tentacle is holding a small, round object with a face on it. The girl has a distressed expression, with her mouth open as if screaming or crying. There are several speech bubbles and sound effects around her. In the top right corner, there is a close-up of the girl's face, showing her eyes and mouth. In the bottom right corner, there is another close-up of the girl's face, showing her mouth and the tentacles inside it. The overall style is dramatic and horror-themed.

Somebody help me! If I don't resist now, it's really over!

Ha ha! I like the perfection in this one!

Mouth mimicry completed.

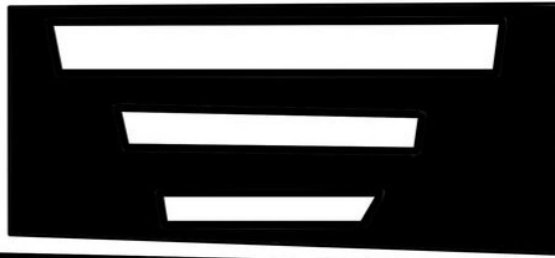

Open

Tentacles stuck to my throat inside the mask... Oh no!

Anyone

Try to run
away! Try to
run more!
If you don't
run, I'll sell
