

*Journey to be Alice!*

Are you so eager to leave me here alone!? I'm sorry! I know that you glad to be adult enough to start to live separately!

I'm ready, and so impatient! Tonight I will start to live alone in a new place! And in a couple of months, classes at the university will begin!

Mom, I'm won't live that far away! Just a couple of hours on the train and we can see each other! And I promise to visit you as often as possible!

**Almost two years have passed since Alan stopped pretending to be Alice. At first, he faced problems, it was very difficult to learn to behave like a guy again, all of his behavior was feminine and even the manner of speech was like that of a teenage girl. After a while, Alan realized that he was not able to return to the way he was before, and the strangest thing was that he did not want to! And even though he became a guy again for the people around him, his behavior and appearance were something between a guy and a girl. And this approach also helped his little hobby, being Alice! And he continued to spend most weekends as a girl.**

It's still completely different! I won't be able to see you every day, we won't have dinner and gossip at the same table!

Maybe I will! And I'll give her your room! Okay, sweetie, it's time for us to move out, otherwise you'll miss the train to your adult life!

I promise to call you every day! And Mom, if you don't want to be alone so much, maybe it's time to start living together with Anna? Besides, now I won't interfere with your flirting! \*giggles\*

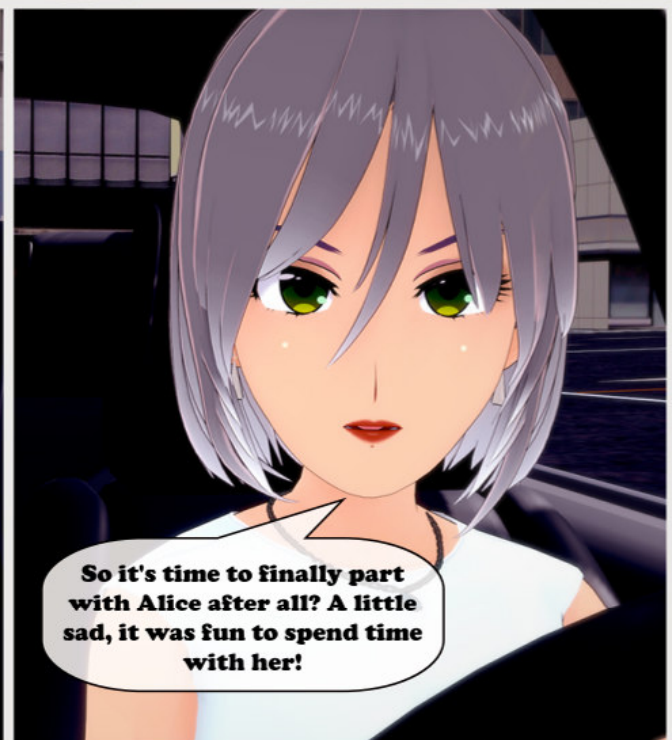

**I would really like to do this, but it would be dangerous! And to pretend that I live with my sister in an apartment for one person is too suspicious!**

**By the way, I'm curious, what are you going to do with my daughter? \*chuckle\* Are you taking a piece of her with you?**

**Previously, you were not particularly cared that the neighbors could see you in girl clothes!**

**We didn't have so many neighbors, and we didn't exactly communicate with them! Now I will live next to the university, and my classmates can live in the same house with me!**

**So it's time to finally part with Alice after all? A little sad, it was fun to spend time with her!**

**It was fun it is! But we knew that I couldn't always be both! Sooner or later I would have to choose who I would be, and you know, it's easier to be Alan, even though I'll miss being able to wear dresses!**

**So now it's really coming to an end? But it's fine as long as you feel yourself comfortable!**

**I won't be so categorical, but while I'm studying, I think I won't have much opportunity to be Alice!**

**Of course I'll call!  
And Mom, don't worry, I'm  
already an adult, I'm able to  
take care of myself!**

**I still can't  
believe my sweet child is  
leaving!  
Call me as soon as you get  
there!**

**I know all this,  
sweetie! You're my son, I  
taught you everything I could!  
Just know! No matter what  
happens, I will always be  
waiting for you here, at our  
home!**

**Well, here I am on my  
way to my new life!  
A little more than two years ago, I  
moved with my mom to a new  
house, but during this time it has  
become so dear... I want to cry  
a little!**

**So much has  
happened there! I even  
became a girl for some time and  
fell in love with a guy!  
It was a sad story, but it's my  
story!**

**Hi Mom!  
I have arrived, and  
standing at the train  
station!  
Yes, everything is fine!  
I'll call a taxi now and be at  
my new apartment in  
about fifteen minutes!**

**A couple of hours later.**

**Today it's worth renting a hotel room, but tomorrow I'll have to call and tell my mom everything! She'll either come up with something or make me come home...**

**Hey, hello friend! You know, we're kind of closing in half an hour!**

**Oh, I'm sorry! I guess it's time for me to go then!**

**No, I'm not kicking you out, at least not yet! I'm just curious, and also just bored, since you're probably the last customer today!**

**Okay, but then what are you curious about?**

**Well, for starters, how can I call you?**

**Kyra! Are there any more new customers there?**

**My name is Al...**

**No! Still the same lonely girl!**

As for me, as you may have heard, I'm Kyra! So Al, what happened, that you've been sitting here for a couple of hours with such a sour face?

\*Alan retells the story that happened to him from the moment he got off the train\*

This does not create the best image for my city! \*chuckle\* And what are you planning to do now, since we're closing soon?

I'll rent a room in a hotel, I don't know... I'll think tomorrow!

I have another option for you! Like I said, I'm a little bored, so how about you spend the night at my place?

I'm not offering anything obscene, just keep me company for a drink, a little chat and then you'll have a separate bed to sleep in!

You know, this is quite a generous offer, and I will gladly accept it, considering that I don't have much money with me! But are you sure I won't be a bother?

It's all right, I suggested it myself! Just a booze at your expense! And it will be cheaper than renting a room anyway!

Alright! I agree to your terms!

Alan waited for about half an hour until Kira was free

Hey, Al! Sorry It took me so long! Well, we should stop by the convenience store on the way, and then straight to my apartments!

Should I worry about spending the night in an apartment with a unfamiliar girl? At first glance, she's a nice girl, and I'm not going to take advantage of the situation in any way!

**Sorry for the intrusion! It's a nice place!**

**Well, welcome to my humble abode!**

**Relax, there's no need to be so polite!**

**By the way, Al, while I prepare snacks for beer, you can go and take a shower!**

**Thanks! I think it really won't hurt me, because I smell a little after such a long road! But unfortunately I don't have a change of clothes...**

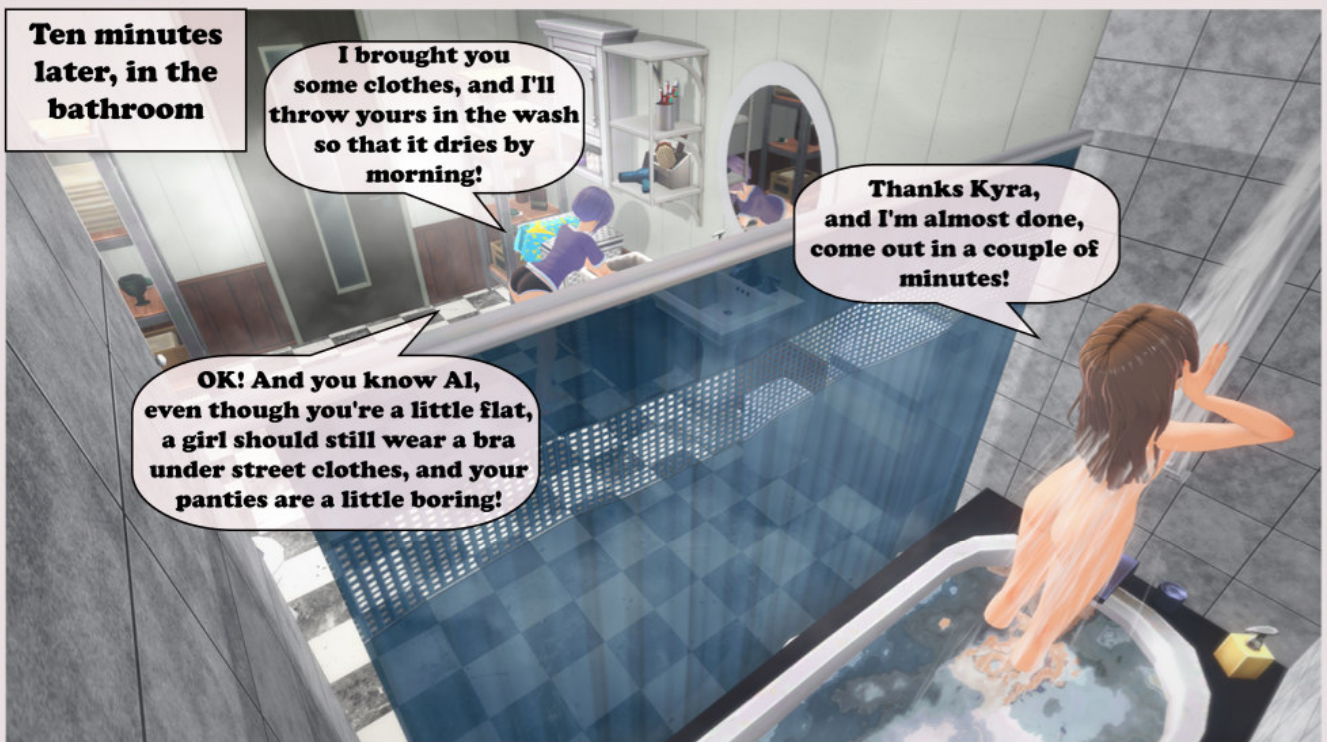

**Don't worry about it! I'll bring you something to change!**

**Ten minutes later, in the bathroom**

**I brought you some clothes, and I'll throw yours in the wash so that it dries by morning!**

**Thanks Kyra, and I'm almost done, come out in a couple of minutes!**

**OK! And you know Al, even though you're a little flat, a girl should still wear a bra under street clothes, and your panties are a little boring!**

Wait!  
What!?

It looks like there was a terrible misunderstanding! Kyra thinks I'm a girl!

I didn't think I'd have to wear women's clothes again so soon!

The main thing now is to explain everything... I hope she doesn't throw me out of her apartment naked...

Kyra, I have to tell you something! There was a misunderstanding, and I absolutely did not want to mislead you!

So, how's the shower, do you feel more alive?

What are you talking about?

Maybe you misheard when I called my name... My name is Alan and I'm a boy!

What!?! You're not serious!?!?

Damn it! I called the guy to my apartment!!! I also gave him my clothes!!!

This is of course my mistake... but still... you look like a girl... Oh, I'm sorry, it must have been offensive!

It's okay, I don't look particularly manly. I'm sorry about what happened... and I would have left right now, but you threw my only clothes in the laundry...

Well yes... it was awkward. Wait, at least I'll find you more suitable clothes!

Don't worry, I'm fine with these clothes... It's not the first time I've worn something like this!

Well, as long you're okay with it... Stop! What did you mean by "it's not the first time"? Are you trans or some kind of pervert?

Oops, I probably shouldn't have mentioned it! But you know, that kinda offensive to hear anyway! But I understand your reaction!

I'm sorry if I offended you, but you didn't answer my question!

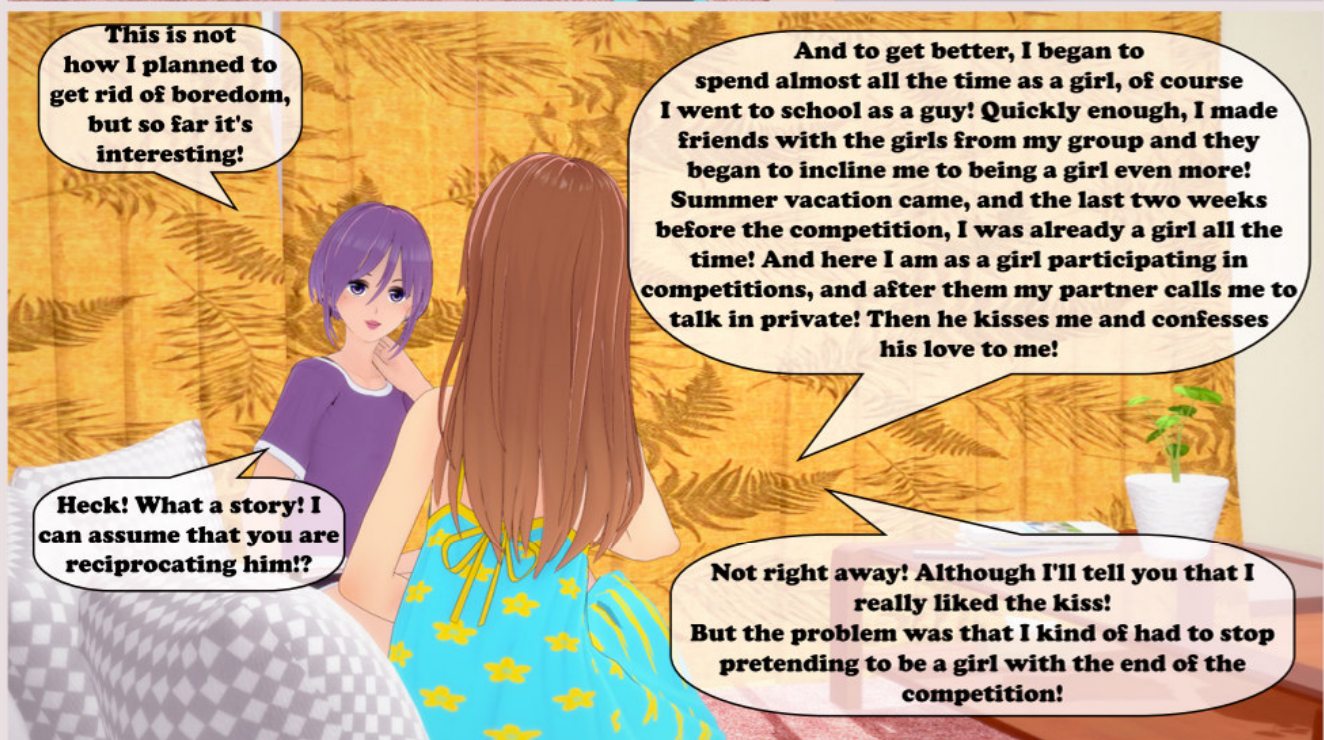

And you admit it so freely? Okay, I want to hear the whole story, because I can't throw you out like this anyway!

It's a pretty long story, but if you don't go into details, then I'm a bit of a pervert who was fond of dressing up as a girl...

I should probably say that I have been doing ballroom dancing since childhood, and a little more than two years ago my mother and I moved to another city! There I started attending my aunt's dance school, but there was one problem: I didn't have a partner, just like the other guy from my group.

And suddenly my mom and aunt came up with a stupid idea to pair me with this guy as his partner, pretending to be a girl. And like an idiot, I went along with them, then it turned out that competitions were coming soon and we could participate in them. And again I agreed! But it turned out that I'm not very convincing as a girl and I need to get used to the role better!

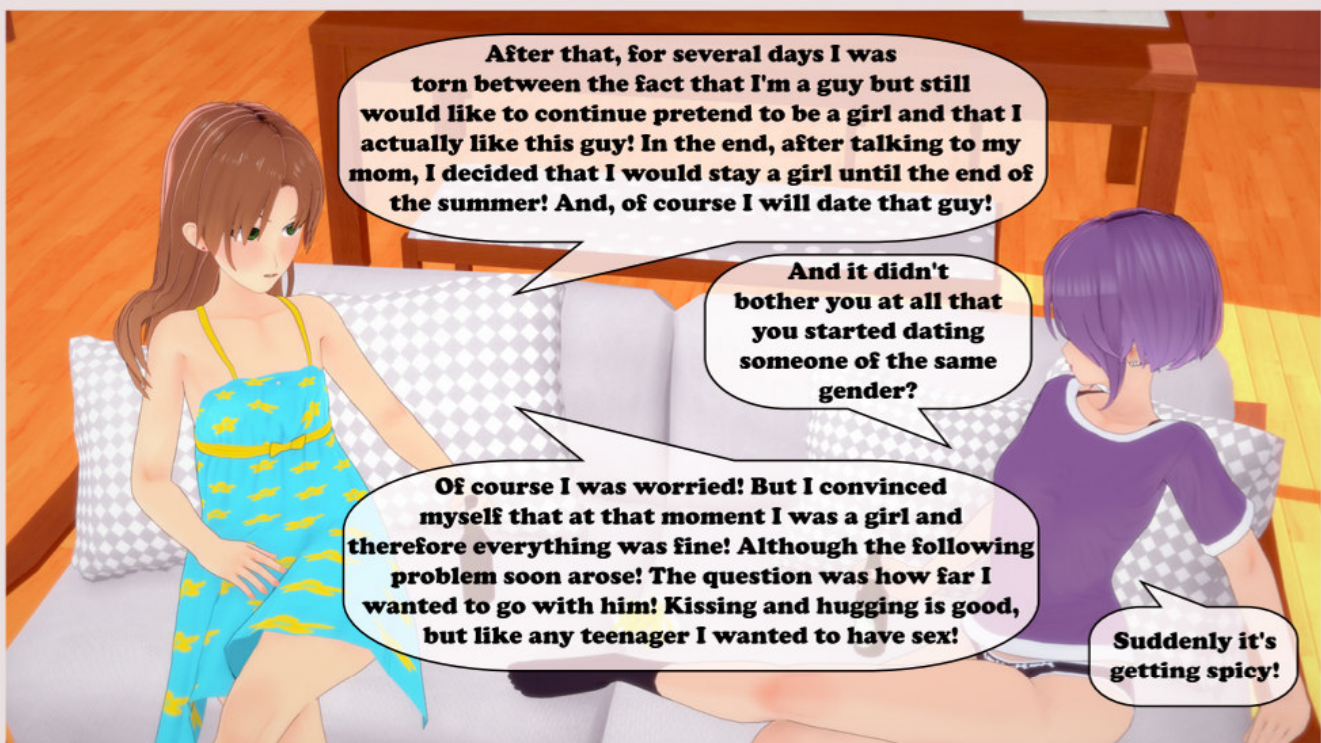

This is not how I planned to get rid of boredom, but so far it's interesting!

And to get better, I began to spend almost all the time as a girl, of course I went to school as a guy! Quickly enough, I made friends with the girls from my group and they began to incline me to being a girl even more! Summer vacation came, and the last two weeks before the competition, I was already a girl all the time! And here I am as a girl participating in competitions, and after them my partner calls me to talk in private! Then he kisses me and confesses his love to me!

Heck! What a story! I can assume that you are reciprocating him!?

Not right away! Although I'll tell you that I really liked the kiss! But the problem was that I kind of had to stop pretending to be a girl with the end of the competition!

After that, for several days I was torn between the fact that I'm a guy but still would like to continue pretend to be a girl and that I actually like this guy! In the end, after talking to my mom, I decided that I would stay a girl until the end of the summer! And, of course I will date that guy!

And it didn't bother you at all that you started dating someone of the same gender?

Of course I was worried! But I convinced myself that at that moment I was a girl and therefore everything was fine! Although the following problem soon arose! The question was how far I wanted to go with him! Kissing and hugging is good, but like any teenager I wanted to have sex!

Suddenly it's getting spicy!

Alice! That was my name! We started talking about sex... Up to this point, I somehow wasn't particularly interested in all this, I was a late bloomer, and, of course, I watched porn, but, note that the usual one! So the moment I found out what role I was going to be given, I was kind of shocked! But I still started to prepare my body for anal sex!

I'm wondering, what was your name when you were a girl?

Oh, wow! What a dirty girl you were! And how, did you like it?

Show some patience! We're almost at the end! My first experience... With my friends I went on a little trip to the beach, and there I spent the night with my boyfriend! It was innocent enough, I jerked off his cock and he caressed my body!

Come on already! I want some dirt and lust!

Then I'll probably disappoint you, because this is all my experience in sex! After returning from a trip, the guy inside me began to resist! I was just pretending to be a girl, not really being her! And then I decided that it was time for me to really become girl, and sex would be the starting point, only my boyfriend freaked out when he saw me naked, and suddenly remembered that I was actually a guy! It somehow hit me so hard that I went back to being a man again! That's about it! Although I will not hide it, sometimes I still dress like a girl, and I like it!

It's kind of sad... and your ex turned out to be a complete asshole! And after that, have you tried anal sex?

No, I've never had anything bigger than an anal plug in my ass, and I don't have any sex experience at all! Anyway, I don't even know what I want, it's not that I like guys, it's just that when I dress like a girl, it just seems natural! But I'm still attracted to girls when I'm not in character!

**It definitely worked! But now I'm consumed with curiosity, Alice, come with me to my room!**

**Well! Did I manage to dispel your boredom?**

**Hey hey! Wait, didn't you say that we wouldn't do anything obscene!**

**Well, now I'm not so sure about it! But right now I just want to look at you as fully dressed up and in makeup!**

**You know, I kind of moved here to quit! But to hell with it, tonight is the farewell party!**

**Alice, go sit on the bed, while I find my makeup purse and pick up clothes for you!**

**It looks like you really into it! Or we just too drunk!**

**I'm not that drunk! I've just never seen a guy look so much like a girl! So I'm just excited!**

**Sit still, or you'll ruin all my work! And what bothers you about being completely naked?**

**Kyra, do I have to sit completely naked!?**

**\*looked between his legs\* Well, there is not much to control!**

**Physiologically, I'm still a guy, I mean, I can't really control my reaction!**

**You're not so small that you won't be able to satisfy a woman, there just won't be a WOW effect!**

**Ouch! I know I'm not great in size, but you could say it mildly!**

**Well, are you happy with the result!? \*giggles\* It's so funny to feel stuffed socks in place of the breasts!**

**Yes, you came out quite nice! A bit like a slut!**

**But it quite authentic for what I'm going to do with you!**

**Hey wait! What are you intending to do!?**

**Isn't it obvious? I'm going to fuck you! Maybe I'm just drunk, but I can't miss this opportunity! A girl with a dick right in front of me!**

**Kyra, wait! Sex should only be between people who have feelings for each other! And besides, I'm just an ordinary guy!**

**This is bullshit! And please don't spoil my pleasure, because \*takes Alan's cock in her hand\* you want it as much as I do! And your little friend is proof for that!**

Despite t that I'm already so wet and ready to take action immediately, you, as a virgin, are unlikely to last long! So you have to cum a couple of times before you enter me!

This is too wrong!!!

Relax, Alice, and just take pleasure! I'm going to fuck you anyway! And don't worry, I won't touch your ass, so your first time with a guy is safe!

\*Quickly stroking\*

As I expected, you're too excited to even last half a minute! But I can't stand it anymore either, so as soon as he gets hard, I'll put him inside!

Oh shit, it was too awkward but so good!

Was it your first time when someone did this for you?

**Yeah! That's it, baby! Move your hips! Feel the rhythm and move faster!**

**You're doing well, girl! \*moans\* Yes, yes, exactly like that! \*moaning\***

**Yeah baby, fill me up with your hot cum! Oh! It's so damn good!**

**\*Strongly moans while cumming\***

**Good job girl! You lasted longer than I expected!**

**\*speaks in a tired voice\* That's feels really good!**

**Of course it is! Cause this is sex!  
I would invite you to take a shower with me, but it looks like you have no energy left! \*giggles\*  
You can sleep my girl!**

**Kyra, about what happened between us yesterday...**

**Good morning, sleepyhead! You look like shit, apparently you shouldn't drink so much!**

**What about my clothes?**

**We got drunk, had sex, there are no much to talk! But you should go take a shower! And just throw this clothes in the laundry basket!**

**You'll find them in the bathroom!**

**About half an hour later**

**That's... perhaps it's time for me to leave! Thank you for letting me stay the night! And I don't even know what else to say... It's all kind of awkward...**

**So that's it!? And I thought you'd at least stay for breakfast! But apparently you're a typical man, took advantage of a girl and just ran away!**

**It's not like that!**

**Relax Ali... Al! I'm just mocking you! But I wasn't joking about breakfast!**

**First of all, I would like to apologize to you! I don't regret what we did yesterday, but now I understand that it was piggish on my part to deprive of your first time like this!**

**It's fine, really... I didn't really resist much, I was drunk, upset, and maybe too aroused!**

**By the way, I hope you at least enjoyed having sex with a girl?**

**You little bitch! To use my own words to tease me!  
\*both laugh\***

**It was enjoyable experience! But even so, there was no wow effect!**

**What are you saying! I'm not like that!!! I'm not gay...**

**Al, I'm going to voice what you're probably afraid to admit to yourself, but after last night and your story, it's obvious! You would prefer that your first partner was a guy, you would be blissful if he tore you off like the last bitch, and you would moan with pleasure while he destroyed your ass!**

**This... That's not so... I'm trying to be an ordinary guy... but perhaps your words are not so far from the truth...**

**I didn't say that you are! You're bisexual, it's obvious that you didn't mind fucking me at all yesterday! Well, I'm trying to say is that you're just a girl who likes guys, but also doesn't mind having fun with another girl!**

**Interesting! I thought you'd completely deny it! Maybe you have potential!**

**There is no point to deny... I've had similar thoughts myself for a long time...**

**Besides, I'll be leaving your apartment soon and most likely we'll never see each other again! So I can be honest with you!**

**Don't tell me we're going to study in the same uni and in the same group!**

**And what if I say that this is not necessarily the case! I have an interesting idea that will make my life a little more fun! But first let's have breakfast!**

**I kinda wish to knock off your arrogance by saying no! But I'm an adult, I'll be nineteen in August!**

**I don't even know your full name! Not to mention the age! Oh shit, I didn't ask, are you at least an adult!?**

**Good, cause get minor drunk and seduce him would be a big problem!**

**A little later, after breakfast**

**You're funny! You're like a guy and a girl in one bottle! And I have a way out of your problem! You could move in with me! That way you won't have to go back to your mother's house!**

**Now, will you explain to me what you meant?**

**What? \* laughs\* Are you offering a stranger to live in the same apartment with you?**

**We've seen each other naked, so not exactly strangers! Well, I need a roommate, because paying for these apartments alone is expensive!**

**Besides, I don't mind your hobby at all, where else will you find a roommate who will agree to lend you her clothes!**

**You know, it looks like I'm not the one in a stalemate! I agree, but on one condition!**

**And now he sets conditions for me! It was stupid to said that I have problems with payment! Spit it out!**

**If we live together, then you won't try to have sex with me anymore!**

**Hey! It makes you a much less attractive roommate! It's so tedious to look for a man for one night, and you, even with such modest sizes, are a very good sex toy!**

**If you are not satisfied with my condition, then perhaps it's time for me to go! I still have to take a train ticket and go home!**

**Okay! Be it your way! I won't try to get you into my bed, but if you change your mind, let me know!**

**To be continued...**

# Journey to be Alice: Chapter 2

**It's been two weeks since Alan started living with Kyra**

**It's a little embarrassing to lie to Mom, but I'm not ready to tell her yet that I screwed up so much!**

**Hi, Mom! How are you doing there? I'm doing well, you can say that I even found a friend!**

**Is it a guy or a girl? And how did you get to know each other?**

**\*giggles\* So nothing has changed, it still easier for you to find a common language with girls!**

**I followed your advice and asked her to live together, and she agreed!!!**

**It's a girl, I got a little lost the day I arrived here, and she helped me! It's funny that at first she mistook me for a girl!**

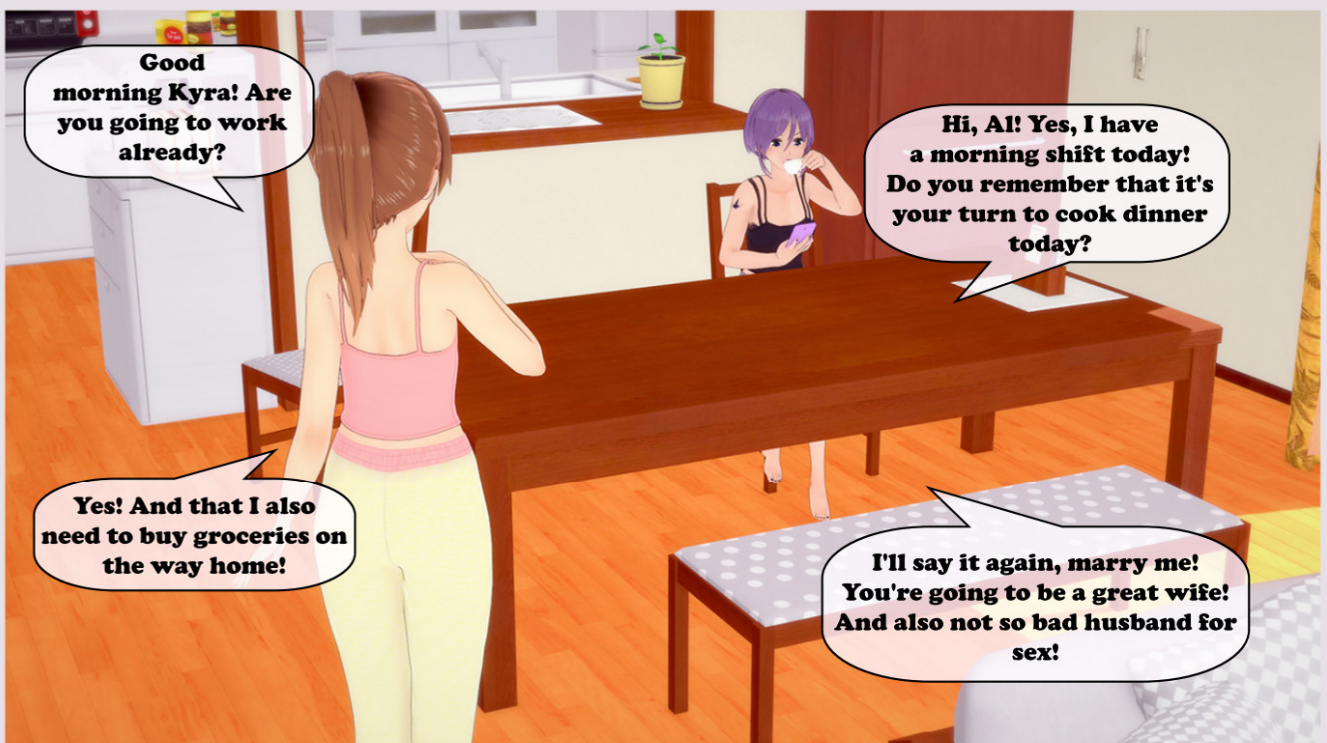

**\*laughs\* What can I do, apparently they perceive me as one of them! By the way, Mom, how are your things with Anna?!**

**Alan talked to his mom for about an hour**

**It's a little inconvenient that I have to wear these clothes, but not because they are women's, but because I have to borrow them from Kyra!**

**Of course, I bought a couple of men's casual outfits, but until I find a part time job, I can't spend money for my hobby!**

**Good morning Kyra! Are you going to work already?**

**Hi, Al! Yes, I have a morning shift today! Do you remember that it's your turn to cook dinner today?**

**Yes! And that I also need to buy groceries on the way home!**

**I'll say it again, marry me! You're going to be a great wife! And also not so bad husband for sex!**

**Has anyone ever told you that you're a nymphomaniac?!**

**My friends, my exes, even my brother mentioned it many times!**

**And it doesn't bother you at all?**

**Of course it bothers me! I constantly want sex, and the only available guy refuses me this! \*giggles\***

**Sometimes I regret that I agreed to be your roommate!**

**By the way, you said you'd stop over at the store on your way home, do you have any plans?**

**How about working with me together! I'll talk to the manager and ask him to take you even though you're a guy! And you can wear a maid costume!**

**I got a little used to the new place and it's probably time to start looking for a part-time job!**

**Don't really like it myself! But the working hours and salary are too tempting! And there is also a tips! Well, if you don't find anything, keep in mind my offer!**

**No matter how tempting it would be to try to put on this uniform, working as a waitress does not appeal to me at all!**

**Later that day**

**It's a bit of a pity that I couldn't find anything suitable, but it would be a real luck to get a job on the first day!**

**But I need to learn to be independent, she already helps me a lot by paying for housing and tuition!**

**Of course, I could just ask my mom for some money, and she would transfer the right amount to me without any problems! Especially if I said that it needed for her daughter!**

**It's been two weeks and no matter how strange it is, but I'm starting to perceive this apartment as my place!**

**And I even got used to Kyra, although I must admit that she is a very specific girl! Although not for me to judge, I'm quite strange "girl" myself!**

**I said "girl" about myself again! Somehow I'm giving Alice too much freedom again, considering that I wanted to give up this part of me for the duration of my studies!**

**Hello my beautiful wife! It's such a delight for the eyes, after a hard day's work, to watch you cook dinner for us!**

**You know, instead of just watching, you could help your beloved "wife"!**

**Isn't it your turn today!**

**You're really behaving like a wife, and a grumpy one!**

**Good! But then tomorrow I'll stand behind you and just watch you cook! And I'm not even talking about yesterday, when you left to answer the phone and I had to save our dinner!**

**Did I? Well... it's not because of work! Did I mention that I play in a rock band?**

**By the way, you mention a hard day, did something happen at work?**

**\*laughs\* No, we are not popular! We're just a bunch of amateurs who sometimes perform in clubs!**

**This is the first time I've heard about it! And how famous is the band, have you released albums?**

**And today one of the girls said that she would no longer perform with us... But we have a concert next Friday, and now we have real problems finding a bass player, given that we have nothing to pay her with!**

**Oh... I understand why you're upset! And what are you going to do now?**

**I dunno... if I don't find replacement within a couple of days, then we will have to cancel the performance so that the club can find a substitution for us... and no one will return the deposit to us, and it is unlikely that they will agree to work with us next time!**

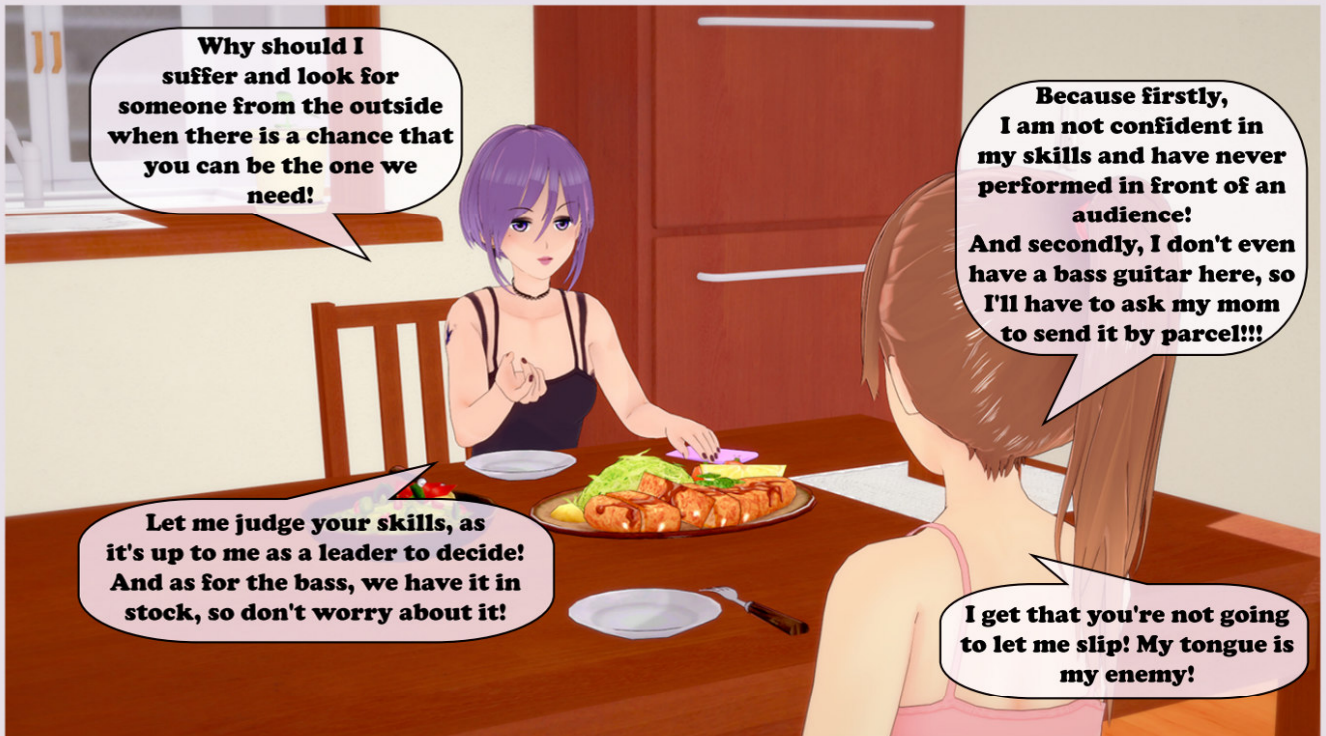

**I don't want to give you too much hope, but if you don't find anyone in a couple of days, I can try to help!**

**What? Can you play the bass? You're coming to rehearsal with me tomorrow!**

**Don't jump ahead of the train! I said I'll try if you don't find anyone! I'm not that good, I only learned to play at home a little on my own!**

**Why should I suffer and look for someone from the outside when there is a chance that you can be the one we need!**

**Because firstly, I am not confident in my skills and have never performed in front of an audience! And secondly, I don't even have a bass guitar here, so I'll have to ask my mom to send it by parcel!!!**

**Let me judge your skills, as it's up to me as a leader to decide! And as for the bass, we have it in stock, so don't worry about it!**

**I get that you're not going to let me slip! My tongue is my enemy!**

**I'm curious, besides being the leader of the group, what other part do you do?**

**I play guitar, and I'm also a lead vocalist!**

**Wow! I didn't expect that you can sing!**

**\*blushes\* Is it so surprising? I have a low and slightly husky voice, it is quite suitable for rock performance!**

**I can't say I'm that good, but I'm trying!**

**The next day**

**Hello girls! I brought my roommate for audition! Name AI!**

**Hi Kyra, hi AI! My name is Mina by the way! And the gloomy girl next to me is Karen!**

**Nice to meet you all! I hope I will fulfill your expectations!**

**Back to that! Don't be so polite, no one bites there! Except maybe Karen!**

**And also be careful, despite how she looks, she's still a schoolgirl!**

**Hey! I may not be friendly, but not to that extent!**

**Enough of this jealousy, you flat bitch!**

**You know, Karen, you should be more careful with what you say! I'm sorry AI, she blurted out without thinking!**

**I'm sorry AI, saying that I just wanted to hurt Kyra and not point out that it's bad to be so flat!**

**Karen! Better just be quiet!**

**\*Bursting with laughter\* It's so hilarious!**

**Kyra, maybe it's enough already, otherwise it might get awkward!**

**Before we start auditioning her, I wanted to clarify one thing about this girl!**

**Kyra, stop beating around the bush! anyway, my name is Alan and I'm a guy!**

**You're not serious, she's flat, of course, but to be a guy...**

**Oh, my God! What a cute boy you found! Tell me, have you tasted him already!? And Karen, stop obsessing about breast size!**

**Hey, I'm not obsessed! Only I don't understand, we have a girl band, a guy among Nasty Rocking Girls will be out of place!**

**Yes, Mina, I tasted him on the very first night! Although at first I also confused him with a girl! And no, I won't share him with you, he's mine!**

**As you can see, he is still very innocent! And as for the fact that he's a guy, if he can handle playing the bass, then we'll just put him in a dress and do makeup! No one will notice!**

**You know, telling such things to others so easy, it's too much! This make things to awkward!**

**Hey, I didn't agree to this!**

I had fun today!  
And you girls are all so different! I am glad that I have the opportunity to play with you!

*\*yawns\** You know, I'm starting to believe in fate! Our meeting is really amazing! It remains only to make you my wife!

You're not giving up?!

*\*giggles\** By the way, why force me to perform as a girl, as a temporary participant I could perform as a guy!

Who said about temporary! If you don't screw up at the concert, then you'll be my permanent bass player!

You know, I'm not really comfortable when someone makes decisions for me!

It's not that I'm forcing you to do anything, you have a choice, you don't want to, don't do it! But you said yourself that you had fun and you offered to help yourself too!

What about dressing me up as a girl? Did I decide that myself too?

Are you saying that you don't like dressing like a girl? For me, you don't mind, just for some reason you're afraid to do it so often!

I like it, but if I do it too often, I may get lost between who I am again!

Well, if I have to perform at a concert in women's clothes, then at least I will have to do it right, and not walk with socks into a bra!

And what did you mean by your "do it right"?

You'll see in a couple of days, although for that I'll have to ask my mom to send me my gear!

**If I really plan to ask my mom to send me my breasts, then I'll have to explain for what! And I also have to tell the address where I live, and it doesn't match up with where I was supposed to live.**

**So I'll have to tell you about everything, Mom will be very angry! But sooner or later it will still have to be done, besides, everything turned out fine for me!**

**Good morning Mom! Do you have time to talk?**

**Of course dear, is something wrong, you sound worried!**

**No, I'm fine, I just have a request, but first I need to explain a lot!**

**Okay, baby, I'm listening!**

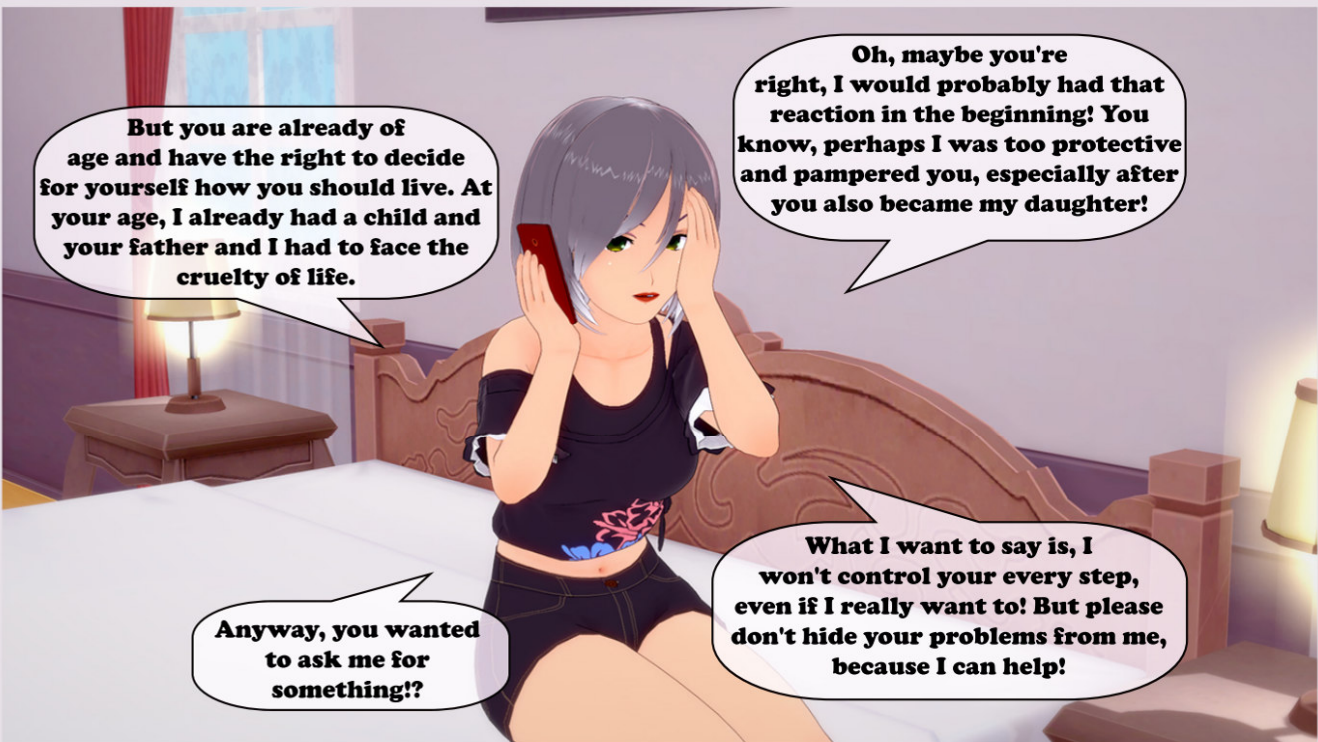

**Alan tells his mother about what happened to him after the move**

**I'm sorry Mom, you're mad at me now?**

**Of course I'm mad! And first of all because you don't trust me enough to tell me what happened right away!**

**I was afraid that if I had to go home, you wouldn't let me live alone anymore!**

**But you are already of age and have the right to decide for yourself how you should live. At your age, I already had a child and your father and I had to face the cruelty of life.**

**Oh, maybe you're right, I would probably had that reaction in the beginning! You know, perhaps I was too protective and pampered you, especially after you also became my daughter!**

**Anyway, you wanted to ask me for something!?**

**What I want to say is, I won't control your every step, even if I really want to! But please don't hide your problems from me, because I can help!**

Well, you see, my roommate has her own rock band, and it so happened that I will be filling in for the bass player! And considering that this is a girl group, they want to dress me up for a concert, and in order to look more convincing, I wanted to ask you to send me my silicone breasts!

Sarah: Wow! So Alice will have her first concert! Can Anna and I come and see you?

Of course I would be happy, but maybe not this time, I'm already very worried, and if you're going to be in the audience watching my performance, then I'll worry even more! But I will definitely send you a video!

Sarah: Okay, but promise me you'll definitely call us next time! Alice, maybe something else needs to be sent for you along with breasts, for example some clothes?

\*Enters the room after a shower\*  
With whom are you talking?

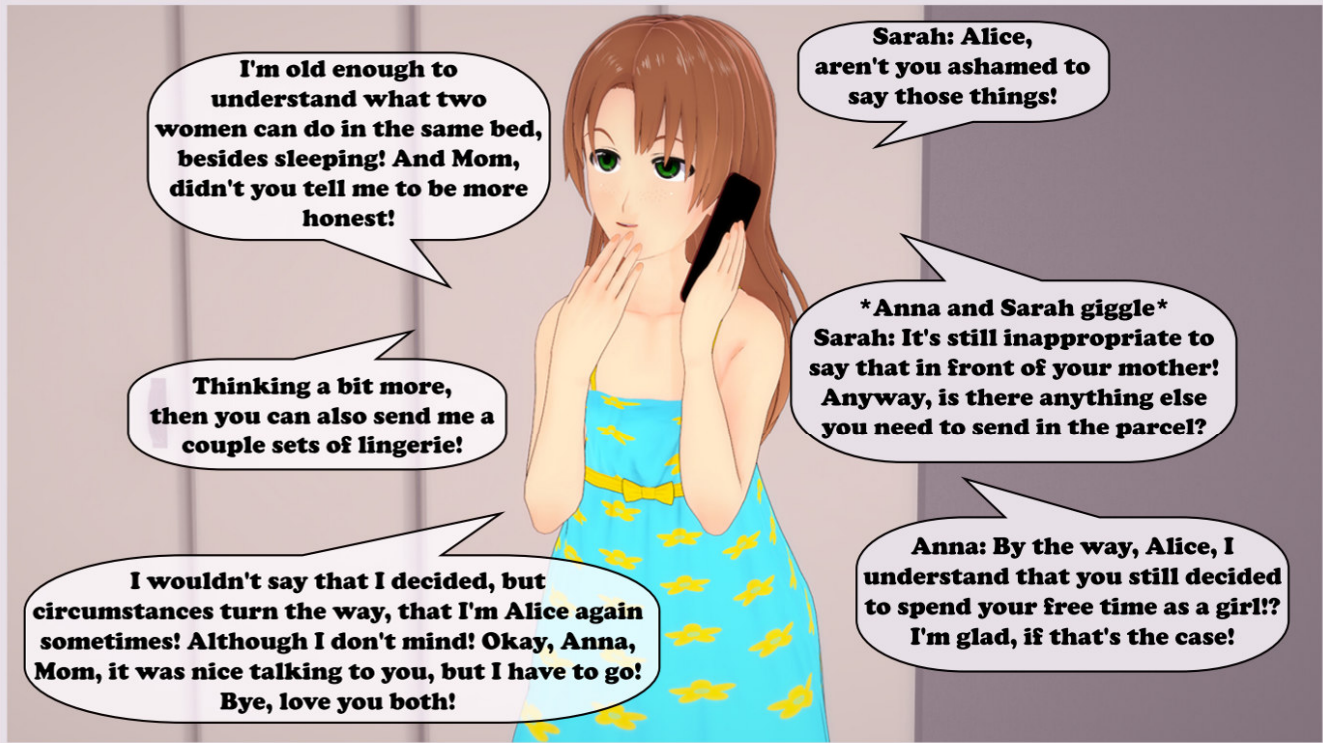

Hi Alice, long time no see!

This is Alice, I'll put her on speaker!

Not quite yet, but I'm moving my stuff bit by bit! We are waiting for you to visit as soon as you have the opportunity!

Alan: Hi Anna, nice to hear you! So, are you finally living with my mom now?

Alan: Okay! And Anna, I hope you're not moving into my room, since you should sleep in the same bed with mom!

I'm old enough to understand what two women can do in the same bed, besides sleeping! And Mom, didn't you tell me to be more honest!

Sarah: Alice, aren't you ashamed to say those things!

Thinking a bit more, then you can also send me a couple sets of lingerie!

\*Anna and Sarah giggle\*  
Sarah: It's still inappropriate to say that in front of your mother! Anyway, is there anything else you need to send in the parcel?

I wouldn't say that I decided, but circumstances turn the way, that I'm Alice again sometimes! Although I don't mind! Okay, Anna, Mom, it was nice talking to you, but I have to go! Bye, love you both!

Anna: By the way, Alice, I understand that you still decided to spend your free time as a girl! I'm glad, if that's the case!

**Two days later**

Well, here's the parcel. It's so strange, I tried so hard to give up Alice, but I keep coming back to her, and the most interesting thing is that I feel a sense of delight from opportunite being out in public again as a girl!

Okay, it's time to see what Mom put in besides breasts!

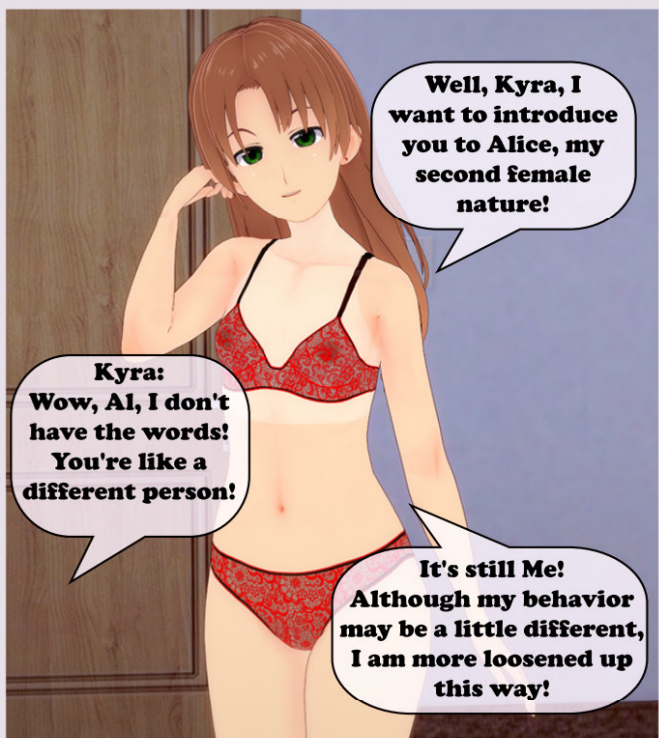

I'm a little out of the habit of such lingerie and the need of tucking!

\*Knock-Knock!\*

Kyra, can I come in? I want to show you something!

Kyra: Yes! Come in!

\*Straightens\*

Well, Kyra, I want to introduce you to Alice, my second female nature!

Kyra: Wow, Al, I don't have the words! You're like a different person!

It's still Me! Although my behavior may be a little different, I am more loosened up this way!

I have two questions for you! What are those breasts, and why does your crotch look like a girl's!

Doesn't it hurt to tuck, and do you always do so? Because I've never seen your bulge, even though you're wearing tight pants!

This is a silicone top! In it, I look like I have breasts, and they even almost feel real to the touch! As for the crotch with the help of a medical tape, I can tuck my penis so that it will look like this!

No, I'm already used to it. And as for the pants. I said that I pretended to be a girl for a long time, so I developed a complex about my crotch, therefore, instead of the usual underpants, I wear gafs!

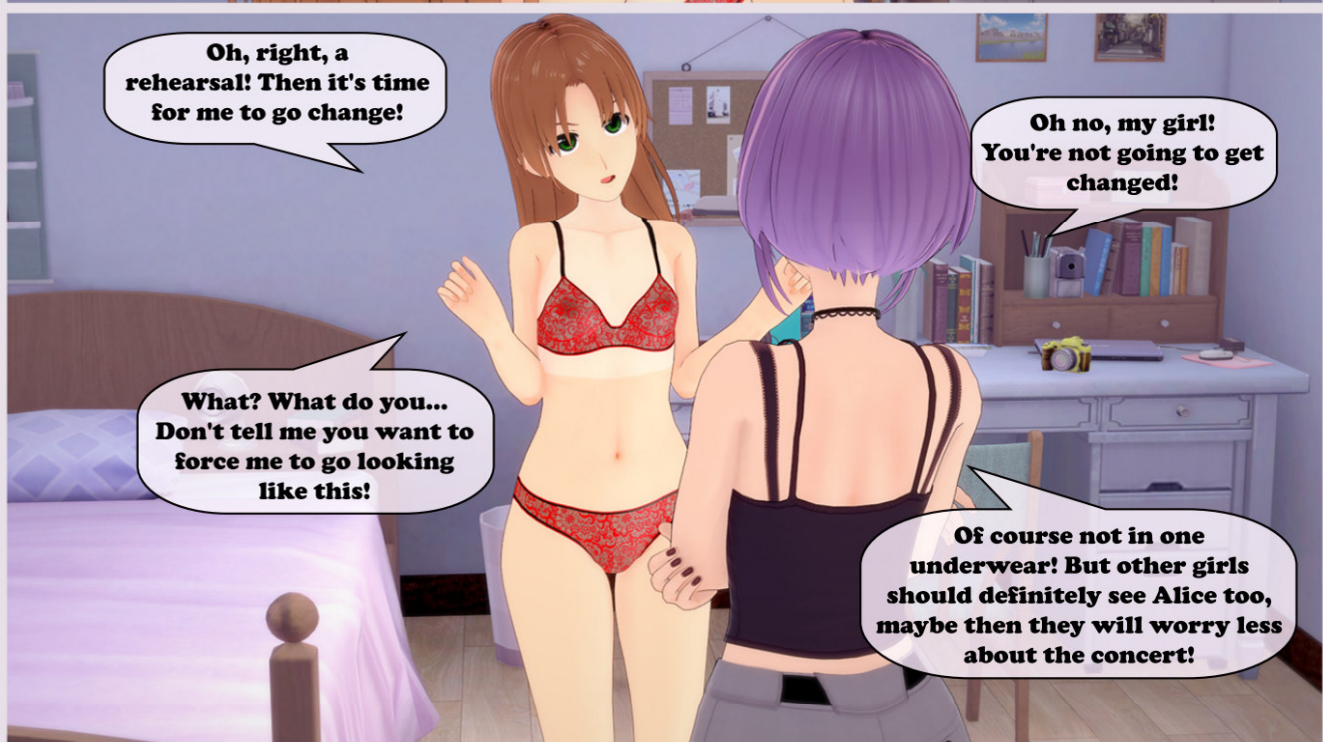

I don't mind, but only touchings! Remember, you promised me that there would be nothing sexual between us!

I'm so curious now! Alice, can I touch your breasts!?

They so soft and, as you said, they feel almost like real ones! I have a question, why your fake tits so small? Even mine are bigger!!

Now, as an adult girl, I myself would prefer them to be bigger! But when my mom bought them, I was a teenager and this size was exactly right, considering that before that I was basically flat!

Okay, that's enough for now, besides, we have a rehearsal soon!

Oh, right, a rehearsal! Then it's time for me to go change!

Oh no, my girl! You're not going to get changed!

What? What do you... Don't tell me you want to force me to go looking like this!

Of course not in one underwear! But other girls should definitely see Alice too, maybe then they will worry less about the concert!

Alice, you're worrying for nothing, you look very sexy! Besides, we already should go, so we don't have time to look for other clothes for you!

Kyra, I really can't go out like this! These are not casual clothes at all!

That's the problem! I don't want to look sexy, especially considering that I haven't been out as a girl for more than half a year!

\*Pushes Alice out of the apartment\* All the more reason to start getting used to such an appearance! During the concert, you will be dressed much more blatantly and I don't want you to froze up since you embarrassed!

Girls, look who I brought with me today!

Hello everyone!

Oh my! What a sight!

Hmm, new girl, what about Alan, has he changed his mind?

Karen, apparently it's time to change glasses! You are very beautiful Alan! I like you even more that way!

Well, from now on it's Alice!

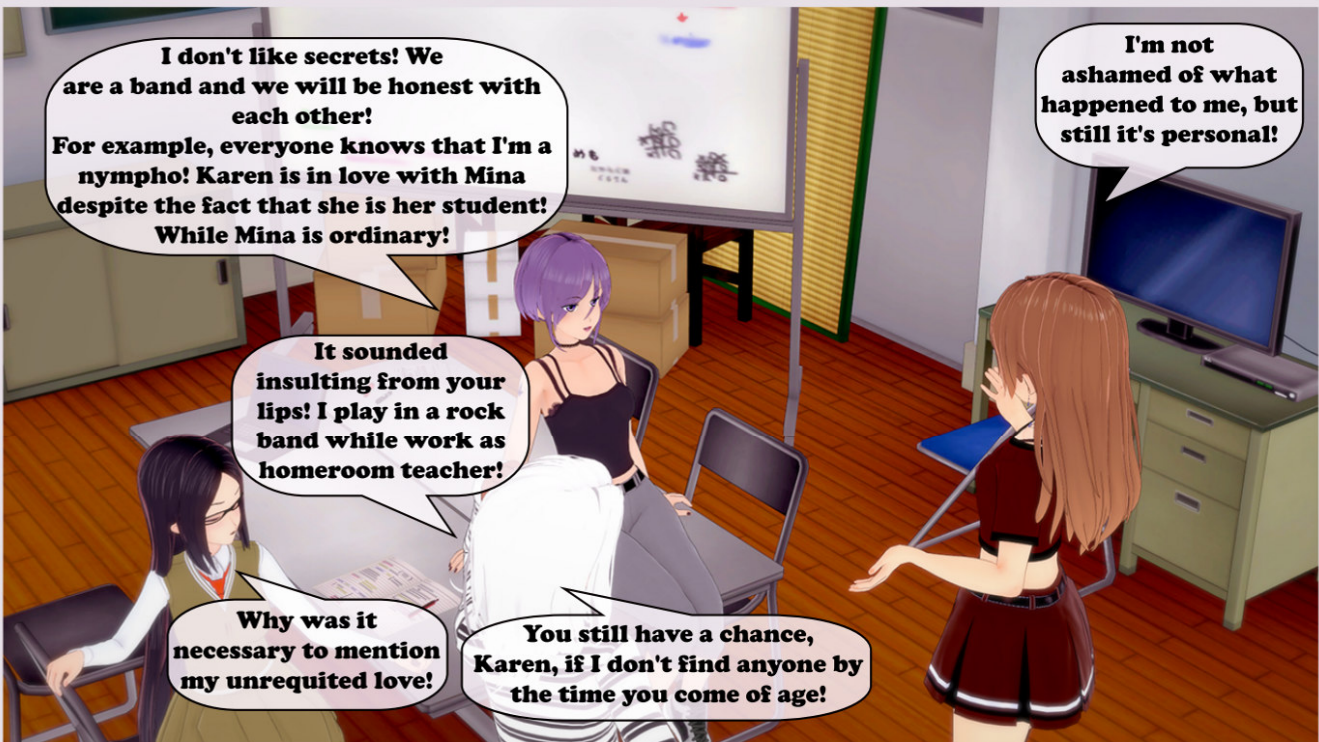

Don't worry about her! She's a pervert, and dressing like a girl is one of her hobbies!

Alice, I like that! By the way, you probably feel uncomfortable looking like this!?

I didn't tell them that you took part in dancing competitions as a girl, and then also dated your partner! Oops, think I just did! \*Laughing\*

Kyra, wasn't it so necessary to betray my secret predilections!?

Wow, Alice, so you don't mind hooking up with guys!?

I don't like secrets! We are a band and we will be honest with each other! For example, everyone knows that I'm a nympho! Karen is in love with Mina despite the fact that she is her student! While Mina is ordinary!

I'm not ashamed of what happened to me, but still it's personal!

It sounded insulting from your lips! I play in a rock band while work as homeroom teacher!

Why was it necessary to mention my unrequited love!

You still have a chance, Karen, if I don't find anyone by the time you come of age!

**\*Laughs\***

**I know, my secret was discovered first! And now I feel less awkward! And I'm glad, glad that I can be a part of your band!**

**Hey Alice, why are you laughing, you know how embarrassing it is when your secrets are revealed!**

**See, the fewer secrets, the easier it is to be friends! But enough chitchat, it's time to start our practice!**

**Evening after the rehearsal**

**That's my girl name! When I'm dressed like this, there no other way! Maybe I'm a little worried, But kinda exited to do so exactly like that, it will be a new experience!**

**Alice, can I call you that? Even knowing about your hobby, I still want to ask, are you sure you don't mind performing in front of an audience in women's clothes?**

**Good! And I'm glad that you want it yourself and not we are forcing you! And don't worry, you're a pretty girl!**

**Thank for those words, and thank you for not freaking out that I'm like this!**

**A week passed and the evening of the concert came**

**Girls, I have an awkward question, why am I alone in a skirt and why did I need push-up for my breast!?!?**

**It's simple, you're frontline girl! You should be a delight to the eyes! Well, and you're just cute!**

**It's just like Mina said! Your main advantage is long legs, and we conceal your little ass with a skirt!**

**Alice, you're beautiful! If you were a real girl, I might even fall in love with you!**

**Oh, is that so? Well, Alice, now you're my rival! \*laughs\***

**Wow, the hall is filling up, and there are already more people than I expected!!!**

**Are you starting to worry? Can you handle it?**

**I won't deny that I get crawlings in my skin when I imagine how I'm going to play in front of all these people! But this is not the first time when a lot of people will watch my performance, although It was dance before!**

**LET'S GO!!!**

**Well, girls, it's our time! We've been preparing and practicing for tonight! So let's rock this stage! One! Two! Three! Let's go!**

**LET'S GO!!!**

**LET'S GO!!!**

Hi guys! Long time no see! But the Nasty Rocking Girls are with you again!

Let's enjoy our show together! Here we go!

Today we are in a slightly new line-up! Please love and favor, Alice, our new bass player!

*\*Playfully utters\**  
Hello handsome, a you staring at my body, do you want to conquer?

*\*Starts play and sing\**  
But you've been mistaken! Tonight i'm a huntress and you walk into my grounds!

You're snared in my web, follow into lair where you satisfy me!

Now you are believer cause i'm a goddess! And I will devour you till the morning light!

**About an hour later, after the last song.**

**WELL, GUYS, DID YOU LIKE OUR LITTLE SHOW TONIGHT!!?**

**\* APPROVING WHISTLES \***

**WE LOVE YOU GIRLS!!!**

**\* APPLAUSE \***

**\* whispers \***  
Well, how is it Alice, did you like to shine on stage?

**\* whispers \***  
I don't know yet, my heart is racing with adrenaline!

**\* Farewell bow \***

**\* Whisper \* Girls say goodbye to the audience, and then talk!**

**Girls relax in a bar after a concert**

**It's so good to take off this jacket, it's hard to breathe in it because it squeezes my boobies!**

**Kyra, I don't understand this, why are you hiding your breasts and I need to do them bigger?**

**It's simple, your goal is to attract the attention of boys, mine is of girls, so my tomboy image is very popular with female fans!**

**We could just switch roles, and I wouldn't have to change my appearance so much!**

**You don't get it, do you? You look like a cute girl, even without false breasts and in normal clothes, and on stage you would cause pity, because it would look like you are trying to hide your flat body!**

**Are you saying that I'm not manly enough to be just me? I know I look like a girl, but it's still kind of unpleasant...**

**I'm just talking about our stage images, nothing more!**

**I'm not going to make a scene out of this, I agreed to act as a girl myself! Maybe like you said, I just don't get it!**

**Hey, are you guys fighting? Didn't the concert go well and Alice performed decently?**

**No, we're fine! Just a little argument about appearance! And yes, "Alice" performed well, and I hope she will continue to do so in future!**

Just a little argument, nothing serious! By the way, \*nods head to the side\* it looks like Kyra has already found a new company for the evening!

So what's the commotion between the two of you?

\*Turns to look\* Oh, really! Alice, is it jealousy?

No, she's a grown-up girl, and we're just roommates! I just thought we'd hang out together, chat a bit, but apparently I was wrong! Karen also left, but that's understandable she is too young for a bar!

Hello, little one! What a sour face at the sight of me!

Peace, Kyra!

Hi Jack, nice to see you! And you, brother... did our mother send you to check how her little rebel is doing?

I won't hide that she always asks about you!! Can you make up already? But I just came to see your performance! You were great! By the way, do you have changes in the line-up?

No, at least not until she accepts that I'm not a sweet home girl! And yes, Gwen ditched us two weeks before the concert, fortunately my new roommate turned out to be able to play bass! Come on, I'll introduce you to her!

Hi Paul! Glad to see you! It's been a long time since you've come look at us!

Girls! I've brought someone to meet you!

Hello Mina, and a new girl!

Well, hello. I may be rude, but I'm not interested in hanging out with guys!

Hey, Alice, don't be so meanie! It's just my big brother and his friend!

To be continued...

**A few days after  
the concert**

# *Journey to be Alice: Chapter 3*

**Hello little  
one! Do you have  
some time to talk?  
I have a small request!**

**Paul? A  
request? Hmm, I'll have  
a break in about an  
hour, you can wait!**

**Okay, I'll wait! In the  
meantime, Miss Waitress,  
bring me some coffee and  
donuts!**

*\*with a strained smile\**  
**Okay mister, I'll bring it in a  
couple of minutes!**  
*\*whispering under nose\**  
**Asshole!**

**Do you have to always be  
like this? Regarding the last  
request, I tried, now it up to  
you! Today I came to ask for  
myself, sit down, I promise  
nothing serious!**

**Well, brother,  
what did you want to  
ask me? If the request  
remains the same, then  
you wasted an hour of  
your time and part of  
my break!**

**Kyra, come on, I'm your  
brother, why the hostility!  
And I don't want much! Thing is,  
Alice kinda interested me!**

**Okay, I'm even  
wondering what a  
successful boy like you  
might want from me?**

**Are you  
serious right now?  
You liked Alice?**

*\*After not taking an  
answer, started to laugh  
hysterically\**  
**I definitely didn't expect  
this, bro, this time you  
definitely missed!**

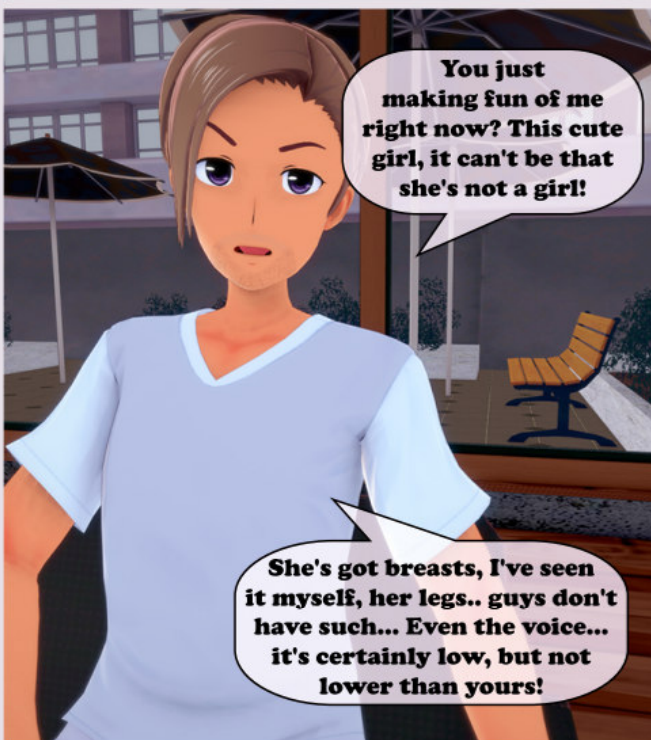

**I understood  
that I didn't make  
a good first  
impression, that's  
why I'm asking for  
your help!**

**She was even more  
hostile toward me than  
you usually are, but when  
she talked to you and Mina,  
she seemed like a cool girl  
to me, not to mention that  
she is beautiful!**

Probably before I start asking you for help, I should ask if I'm in her strike zone, or maybe she's into girls?

**\*Laughs\***  
Well, I think she doesn't mind both girls and boys, but, Paul, she's not in your zone! Or I should say "HE", Alice is actually a crossdressing boy!

You just making fun of me right now? This cute girl, it can't be that she's not a girl!

She's got breasts, I've seen it myself, her legs.. guys don't have such... Even the voice... it's certainly low, but not lower than yours!

I also took him for a girl at first, and this despite that he was in men's clothes and without a fake breast! But I saw his penis after, so I guarantee you that it's a guy!

I think now you have nothing to ask me for! Ok, brother, take care, see you!

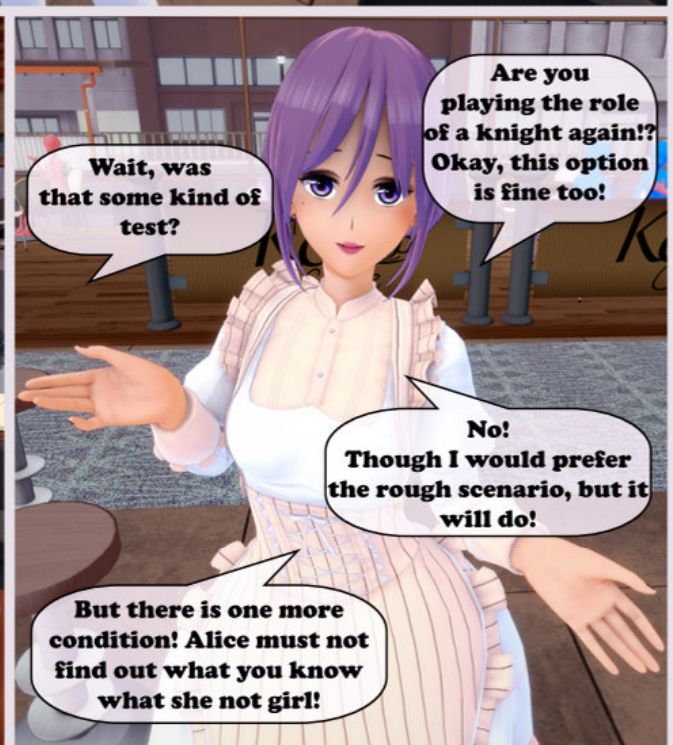

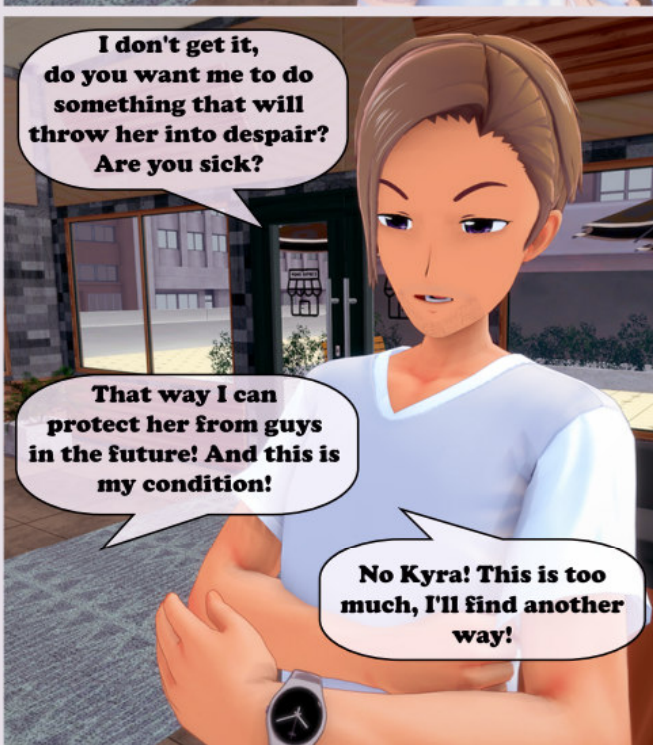

Kyra, wait! I still want to meet with Alice!

I heard you... but I still have a strange feeling... I'm attracted to her! Maybe if I see her again, already knowing what she is, this feeling will disappear!

Wait, what? Didn't you listen to me? Alice is a guy! She's got penis between her legs!!!

Paul, you've always been straight to the core! And now you want to go on a date with a guy? What if that feeling of yours doesn't disappear?

**The next day**

**Good morning Alice! \*Touches breasts\* What do we have here!?**

**If you want to embarrass me by groping my boobs, it won't work!**

**You think so, but what about what your back and butt are feeling right now!? Doesn't that faze you? \*giggling\***

**Not really, especially when I'm in Alice mode! I had a friend who did something similar, so I'm used to it!**

**You totally no fun! By the way, you are now constantly wearing this breast at home, and you have switched to lingerie!**

**I can stop if it bothers you! I just like to look good, and since I wear your clothes at home, this way I look more natural!**

**I don't really care, do as you pleased! I asked purely out of curiosity!**

**Then I'll continue, you know, I'm starting to accept that I probably won't be able to completely give it up, I like wearing women's too much!**

**Then you won't be mad at me because you have to spend the whole day in women's clothes this Sunday!**

**No, I want to ask you to go on a date!**

**Will we have some kind of activity related to our band?**

**Do you want to go out with me when I'm dressed like a girl? I don't mind, but why call it a date?**

**Your couple will not be me, but my brother!**

**Before I get mad, I'd like to clarify, you said that I have to go on a date with your brother and that it's already been decided, right!**

**My brother visited me at work yesterday and told me that he really liked you! But because you were very cold with him, he doesn't know how approach to you directly!**

**And so he asked for my help, while putting pressure on the point that I owe him big! Alice, could you please help me?**

**It didn't get any better! Do you even remember that I'm a guy, and I was cold on purpose so that such situations could not arise!**

**That's it! He doesn't know you're a guy! And I'm not asking you to start dating him! Just one date and at the end you just politely turn him down!**

**What's so big deal? He wants a date, he gets it, I don't owe him anymore! Or is it all about you, and you're afraid that you might like a date with a guy?**

**Then you can tell him right away that you're a guy, that'll suit me too, he didn't ask for details! And besides, you calmly accepted that you were lying to dozens of people during the concert!**

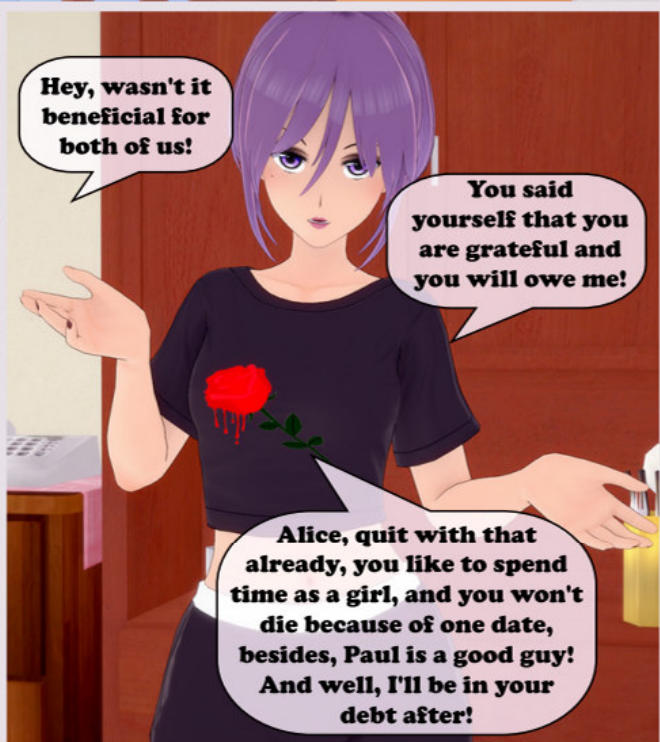

**Are you just going to deceive your brother like that? I won't do it!**

**It's not about me at all! And I don't want to lie to anyone about who I am!**

**Don't compare these situations! During the concert, it's just a stage image, people won't be harmed by it!**

**Don't use "This is different!" A lie remains a lie! Okay, you're leaving me no choice! Alice, you also owe me for your first day here, it's time to repay!**

**Hey, wasn't it beneficial for both of us!**

**You said yourself that you are grateful and you will owe me!**

**Alice, quit with that already, you like to spend time as a girl, and you won't die because of one date, besides, Paul is a good guy! And well, I'll be in your debt after!**

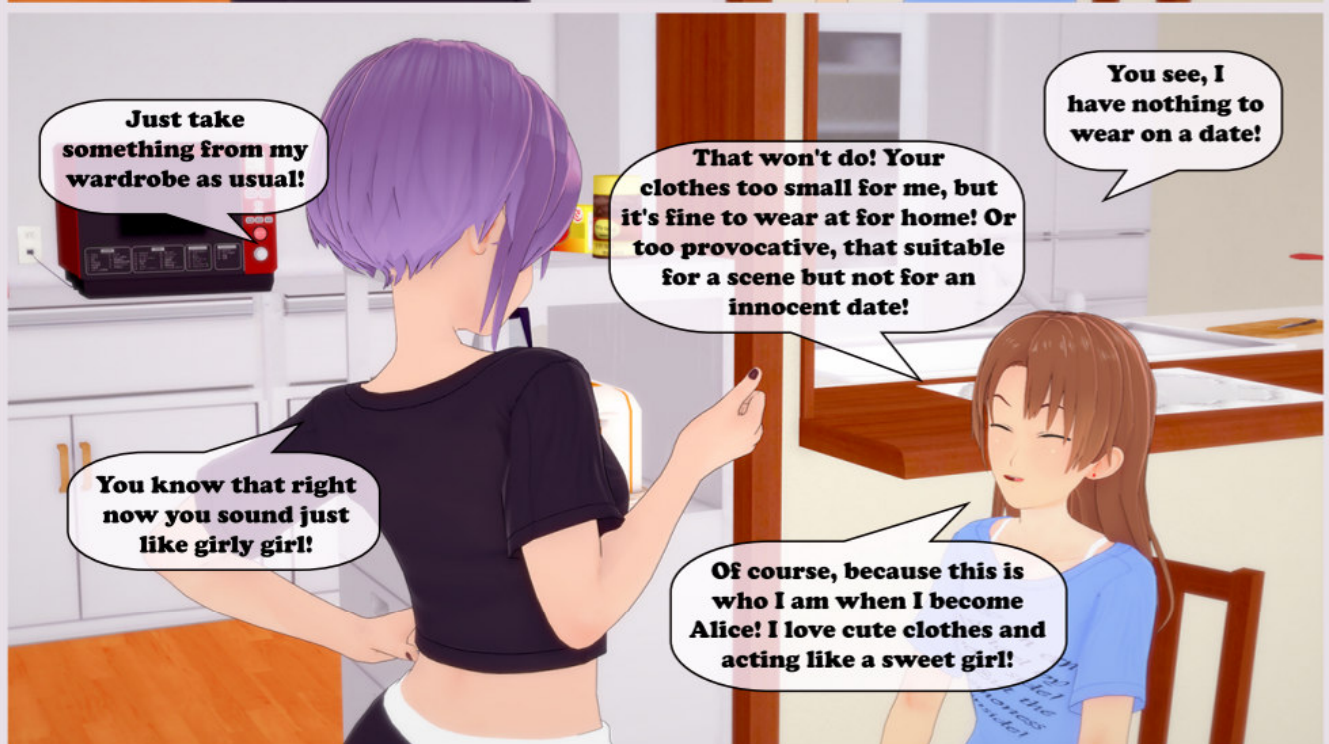

**Finally! Was it that hard, and you're even saying that I'm a bad roommate, well you not better!**

**You know, you're a awful roommate! Okay, I'm willing to go on a date with your brother, but I also turn him down after anyway!**

**What problem? Come on, say already!**

**Only then there is one more problem!**

**Just take something from my wardrobe as usual!**

**That won't do! Your clothes too small for me, but it's fine to wear at for home! Or too provocative, that suitable for a scene but not for an innocent date!**

**You see, I have nothing to wear on a date!**

**You know that right now you sound just like girly girl!**

**Of course, because this is who I am when I become Alice! I love cute clothes and acting like a sweet girl!**

**Are you serious about that, right!? And what do you propose to do about it?**

**This is your pain in the ass! If you want me to go on a date with your brother, provide me with clothes suitable for this!**

**\*grumbles with indignation\* This is not what I planned at all!!! Okay, we earned a little more from the concert than I expected, so on friday we can go and buy you something! But it will be my payment, and I won't owe you anything!**

**Yay! A new dress! Kyra, it doesn't always have to be your way, and I also have to get something!**

**Two days later, Friday**

**I already told you that I want to look like girly girl!**

**I have a question! What the problem to go on a date looking like this?**

**What's the point of trying so hard if you don't plan on dating him anyway?**

**Sometimes it seems to me that in your vision there is nothing from a girl at all! \*giggles\* What if I like him and soon after you and I will become sisters!?**

**Should I remind you that you're actually a guy? And my brother is straight!**

**At first I was like that too, but then I developed some longing for beautiful things! So I spent a lot of time shopping with my mom!**

**I've never understood how it's possible to go shopping for hours choosing a single thing!**

**\*giggles\* I'm not such a villain to make you spend all day doing something you don't like! But I hope you will still help me choose a cute dress!**

**Don't tell me we're going to spend the whole day picking out a single dress for you!**

**I'm curious, for someone who doesn't like shopping so much, you have quite a lot of clothes!**

**Most of these clothes were bought when I was still a teenager, my mother saw me as dress up doll!**

**I didn't find any of these clothes among your wardrobe! And I would like to look at you in that cute girl setup!**

**So it cost me a lot of effort and nerves to go shopping with her! We made compromises, and in the end I didn't have that many lacy pink dresses!**

**I left all this as soon as I could afford to live separately! And don't even think about asking me to try something on!**

Looking at you, and I have a question, why didn't you start living like a girl? You're much more feminine than me, even when you're Alan!

First of all, don't belittle yourself! Just because you're not a cute type doesn't make you not feminine!

It may sound rude, but apart from the little thing between your legs, there's nothing manly about you!

Answering your question, I do not know, I like to pretend to be a girl sometimes, but at the same time I am not ready to completely give up my manhood!

And I am aware of it! It's hard to explain, but even despite who I am, a part of me remains a guy!

And I'm afraid that I will become someone completely different if I give up on it!

Is it even possible to become someone you are not?

I was one step away from this before! So it's possible!

The one I was intended to become two years ago, was a girl to the very core! But I'm still a guy, even though I'm acting feminine!

Then I don't understand a little, what you want to achieve in the end!?

I believe that the answer will come to me by itself, sooner or later! In the meantime, I'll just be both! I like being a guy, but I also enjoy being cute and sweet girl!

I think it's yellow! It's the most simple and cute! Just the thing for a casual date!

But let's get back to the present, which of these dresses did you like the most?

Okay, then let's stop on this dress then!

**You can laugh, but I just wanted to spend some time with you!**

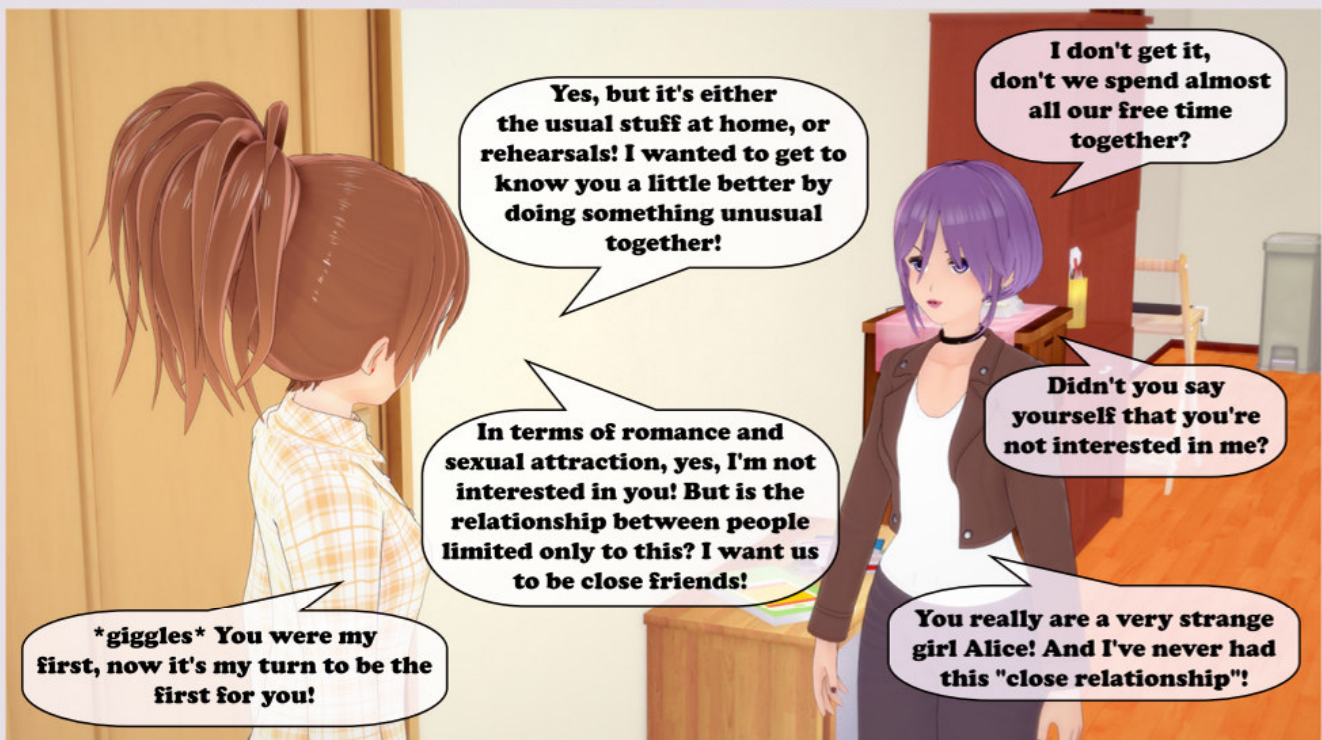

**I didn't want to torment you so much, besides, I'm quite happy with what we bought!**

**To tell the truth, I have money for clothes, mom sent me for a new wardrobe after she found out that I was going to play in a band!**

**I'm still surprised that we're already home! I thought you'd be choosing your dress for hours!**

**Also, why didn't you make me pay for the shoes as well?**

**And then why did you need this whole plan that I should buy you clothes for a date?**

**Yes, but it's either the usual stuff at home, or rehearsals! I wanted to get to know you a little better by doing something unusual together!**

**I don't get it, don't we spend almost all our free time together?**

**In terms of romance and sexual attraction, yes, I'm not interested in you! But is the relationship between people limited only to this? I want us to be close friends!**

**Didn't you say yourself that you're not interested in me?**

**\*giggles\* You were my first, now it's my turn to be the first for you!**

**You really are a very strange girl Alice! And I've never had this "close relationship"!**

**Sunday morning, day of a date**

**Good morning! It looks like you're sitting and waiting for me on purpose! \*giggles\***

**That's exactly what I'm doing! Cause this all happening with my light hand!**

**Are you worried about me, even though I'll be with your brother?**

**I'm worried because you're going to be with my brother! No matter how good he is, he's still a man!**

**\*giggles\* I am also a man, despite looking like a cute girl!**

**Nah, not convincing! \*Laughing\***

Well, it looks like your date has arrived!

**\*Doorbell\***

Suddenly, I had a lot of doubts about all this!

It's a little late for that, my friend!

I know, I know! But it still sucks in the pit of my stomach!

Hello little sis! Hi Alice, you look very beautiful!

Brother, you start flirting right from the doorstep!? Alice be careful with him!

Merely stating the obvious!

Hi Paul! All this is kinda... awkward, but let's try to have some fun today!

Aye, aye, ma'am! I won't take my eyes off her for a second!

Well, you will return her home safe and sound by the evening! And don't even try to do something stupid!!!

I heard from Kyra that you come into our city quite recently! What do you think about taking a walk and looking at the sights?

So, what are you're plans for our date?

Why not, I haven't really had the opportunity to look at interesting places yet!

Seeing how uncomfortable you feel around me, I would like to apologize for dragging you into this!

Your wish to go on a date with me was surprising, but I agreed to it myself, so don't be sorry!

But I'm curious, what prompted you to do this?

If I were more romantic, I would say it was love at first sight! But in fact, something about you caught me, even in spite of your hostility when we met first time!

And then two unfamiliar guys showed up and ruined the mood! By the way, was this really your first performance? You played well and were quite confident on stage, maybe a little stiff, but still!

*\*giggles\** I'm sorry for my behavior that day! I was on emotion after my first performance and I just wanted to discuss it with the girls!

The bass is a bit not the instrument that is good for a single playing at home! How did you choose it?

I'm not lying! It was my first time playing on stage! To be honest, before meeting Kyra I played bass only at home! As for stage, it didn't scare me much, I had to perform in front of people before!

I'm even more curious now! Please tell me!

It was a bit of an embarrassing story!

*\*laughs\** And it turned out that it was a bass and not an ordinary guitar!

Laugh laugh! Yes, I didn't know they were different! But it was so cool! As a result, I play in a band!

Fine! This happened shortly after I broke up and gave up my past hobby! I was wandering around the mall and accidentally walked into the music department, I saw guitars there! And particular one caught my attention so much that I immediately bought it!

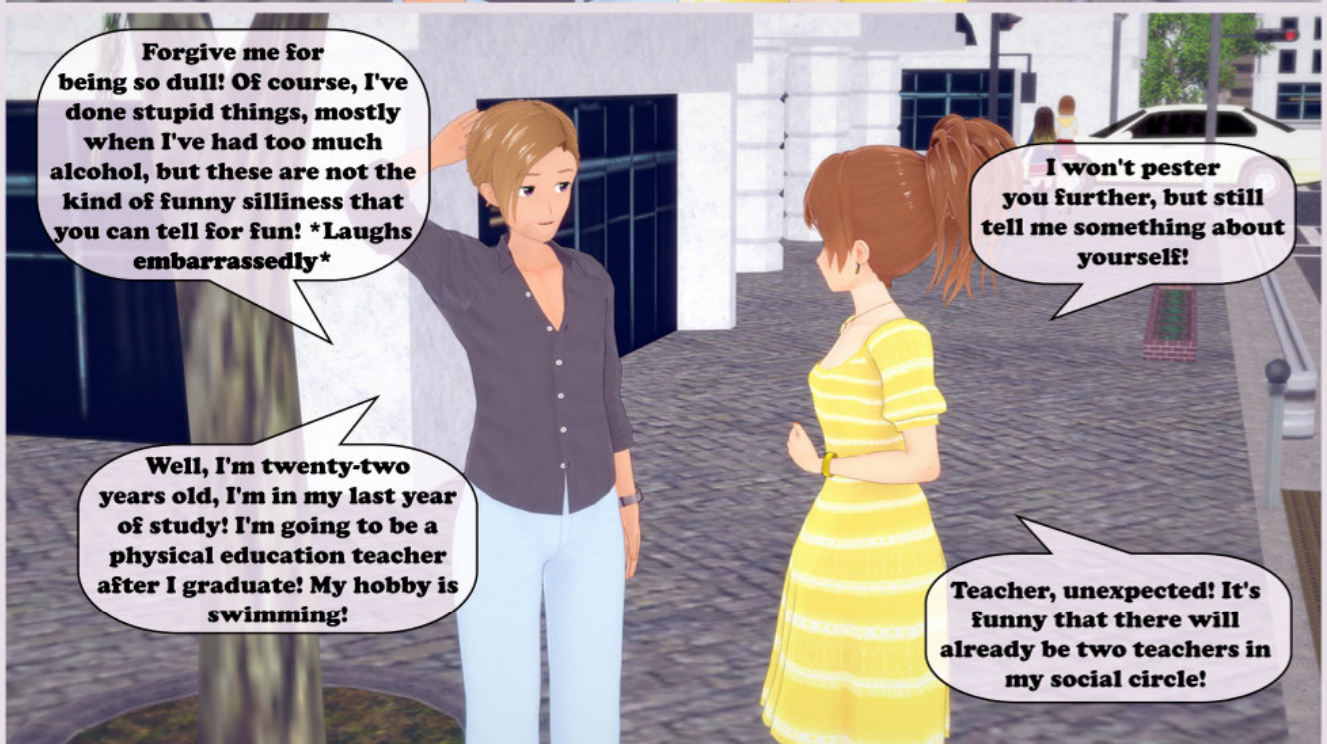

Let me think!  
It's harder than it seems,  
I can't remember a single  
silly story from my life!

Come on, now  
it's your turn to tell me  
something about yourself  
so I don't look so silly!

But such small details  
make girl more cute!

HEY! It doesn't come like  
that! Everyone has such  
stories! It wouldn't be fair  
if only I told something  
embarrassing!

Don't change the  
subject! I'm waiting for a  
story from you!

Forgive me for  
being so dull! Of course, I've  
done stupid things, mostly  
when I've had too much  
alcohol, but these are not the  
kind of funny silliness that  
you can tell for fun! \*Laughs  
embarrassedly\*

I won't pester  
you further, but still  
tell me something about  
yourself!

Well, I'm twenty-two  
years old, I'm in my last year  
of study! I'm going to be a  
physical education teacher  
after I graduate! My hobby is  
swimming!

Teacher, unexpected! It's  
funny that there will  
already be two teachers in  
my social circle!

You're talking  
about Mina right now,  
aren't you?

Exactly! I have a  
feeling that you have  
known each other before!

It's a bad story for a  
date, but yes, we knew each  
other! More precisely, it was me  
who introduced Mina to Kyra,  
besides, she was my senior, and  
we were dating!

So you prefer older  
and more experienced  
girls! \*giggles\*

Doesn't it bother you that  
I'm talking about my ex  
during a date?

I'll be honest with you, I went on  
this date only because Kyra asked me to,  
and to be even more honest, we can  
become friends, but I don't see you as a  
possible mate!

**So I don't have a chance, no matter how hard I try?**

**I won't be so categorical! But I'll only say that I'm not the kind of girl you should make a relationship with!**

**Don't know! For now I see only a smart, funny and very beautiful girl!**

**Thank you for the compliments! However, every girl has her own secrets, mine might spoil our walk, so let's not go deeper and just enjoy our date!**

**Alice and Paul continued to wander around the city, sightseeing and chatting on a variety of topics! After a couple of hours, Alice had the feeling that she had known Paul all her life! So she relaxed and just enjoyed the good company!**

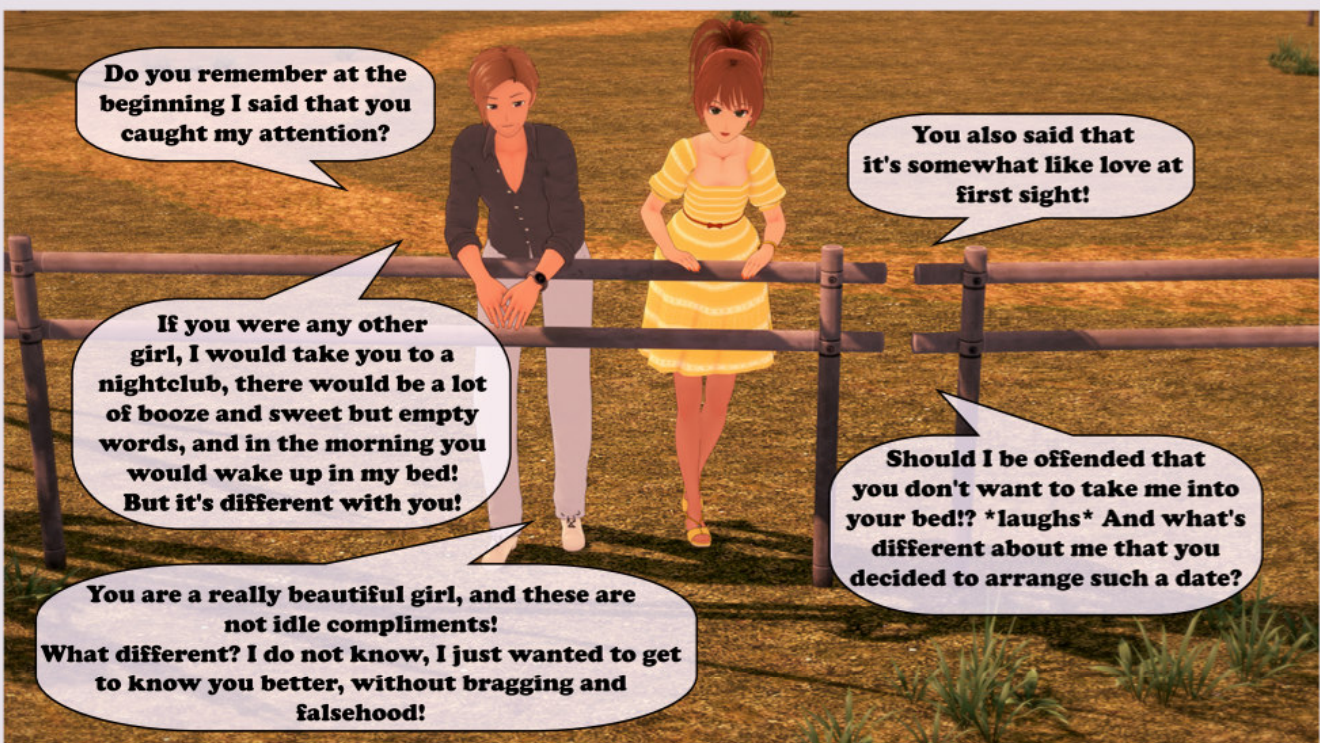

**Well, that's the last place I wanted to show you today!**

**You know, it was all quite unexpected! And I am very glad that I did not wear high heels!**

**I'm sorry, I didn't even think about it, I should have warned you in advance! So, what was unexpected!**

**This whole date! I was expecting you to invite me to a movie, a cafe, or even a nightclub! But in the end, it's just a friendly walk! Don't assume that I'm dissatisfied! Just surprised!**

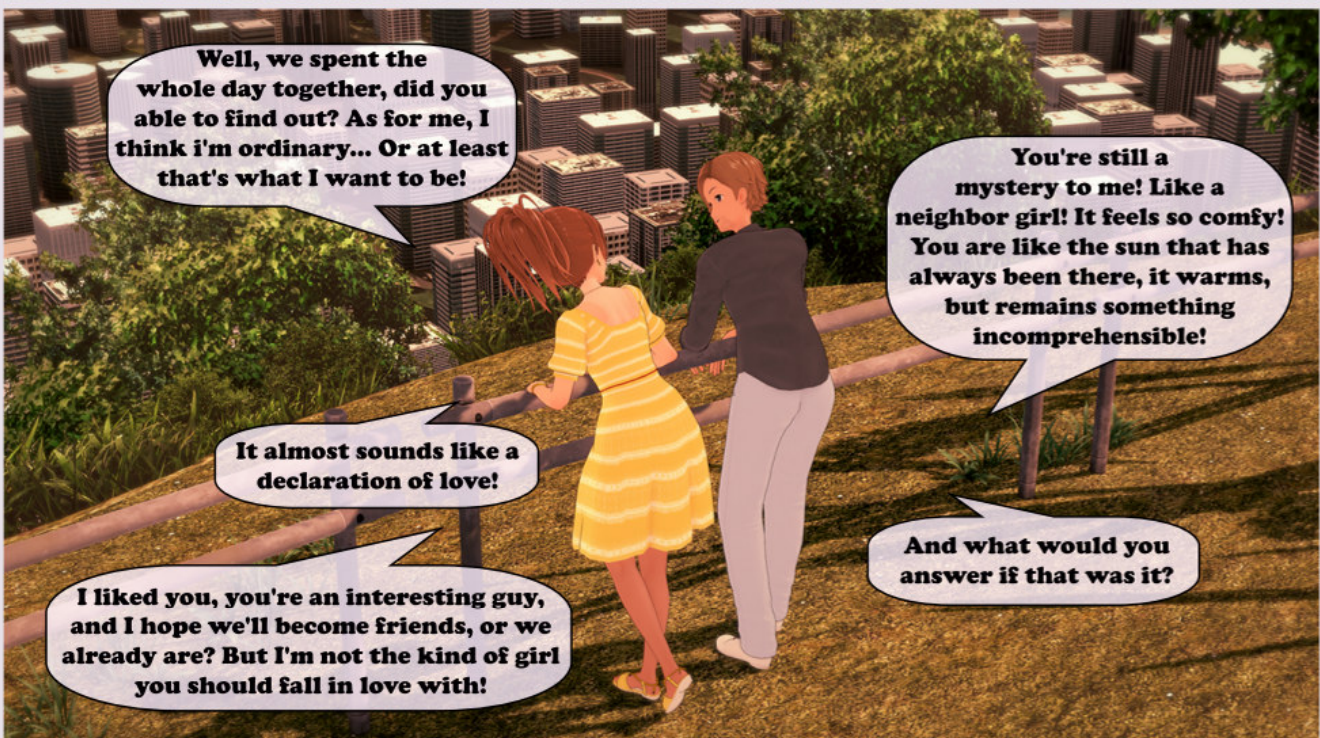

Do you remember at the beginning I said that you caught my attention?

You also said that it's somewhat like love at first sight!

If you were any other girl, I would take you to a nightclub, there would be a lot of booze and sweet but empty words, and in the morning you would wake up in my bed! But it's different with you!

Should I be offended that you don't want to take me into your bed!?! \*laughs\* And what's different about me that you decided to arrange such a date?

You are a really beautiful girl, and these are not idle compliments! What different? I do not know, I just wanted to get to know you better, without bragging and falsehood!

Well, we spent the whole day together, did you able to find out? As for me, I think I'm ordinary... Or at least that's what I want to be!

You're still a mystery to me! Like a neighbor girl! It feels so comfy! You are like the sun that has always been there, it warms, but remains something incomprehensible!

It almost sounds like a declaration of love!

And what would you answer if that was it?

I liked you, you're an interesting guy, and I hope we'll become friends, or we already are? But I'm not the kind of girl you should fall in love with!

Maybe one day... But until then, I hope you'll still agree to just be my friend!

Alice, you mention this for the second time! I do not know why you think that you are not worthy or worse than others! I won't pry, but I hope you'll tell me someday!

If it's just a friendly meeting and not a date!!!

Does this mean that you agree to go on another date with me?

**I have one last request for you today, would you mind taking my hand?**

**Didn't we agree that we'd just be friends?**

**Is it something so serious for you? It's quite normal for a girl to walk by the hand with a friend!**

**I want people around to be jealous that I'm walking next to such a cute girl!**

**For me, this is normal, but it seems that you have ulterior motives!!!**

**Someone want his plan for today to be praised! \*giggles\* It was unusual! I really liked the view of the city during sunset!**

**I think it's time to sum up our date! Tell me honestly, did you like it?**

**Hmm, let me think! The guy was a little persistent, but at the same time quite gallant! He is smart but modest, and therefore he didn't tell much about himself!**

**What about the company you spent time with? I can say for myself that I haven't enjoyed simple communication so much for a long time!**

**Would you like to know more about him?**

**Perhaps I would be curious! But leave it for the next time, since we have already reached my house!**

**There's one thing left about me, and I wouldn't want to lay it off for the next time!**

**You definitely know how to use the curiosity of your companion!**

**Alice, I want to be honest with you! And I don't want to fool myself! This morning I said that my feelings are like love at first sight, now I can say with confidence that it is so! Alice, it won't be enough for me to be just your friend, I want more!**

**Please don't tell me that! I, I won't be able to respond to your feelings, not in the situation I find myself in!**

**\*Kissing on the cheek\* I hope next time you'll let me kiss your lips!**

**It can only be decided by you! But now you know what I think, and I really really hope that this is not our last meeting! Bye Alice!**

**Why, why did you do that!? What should I do with this now!**

**And why do I say one thing, then I want something completely different! I wanted him to kiss me into lips!**

**Why is all this happening!?! I wanted to be a guy... I've moved here to make being Alice less enticing!**

**Your brother... he kissed me goodbye!**

**Hey Alice, what's up? You kinda late, I was already starting to worry that my idiot brother had done something! Hey, your whole face is red! What happened!?**

**He did what!? I'm going to...**

**Just on the cheek! But after today, I would like it to be on the lips!**

**I know!**

**Unbelievable! Didn't you say you wouldn't date him for anything!?**

**I know!**

**And you know that you're actually a guy and he's straight!?**

**But this, I do not know!**

**And what are you going to do now!?**

**To be continued...**

Two days after date

Hey Alice, do you mind if I come in?

*Journey to be Alice!*

*Chapter 4*

Alice: Of course, come in!

Alice, we need to talk, this can't go on like this!!!

This is one of the topics I wanted to discuss, but not the main one! You've been locked up in your room for two days and hardly ever left! Are you mad at me?

If you're talking about your brother, then don't worry, I won't meet with him anymore, you can tell him that he's not my type!

Why, you didn't do anything! I was just thinking about what was happening to me...

I started spending a lot of time as Alice again... you even stopped calling me Alan!

Oh, it's true! I didn't even notice it! But it suits you better this way!

By the way, you diligently wrote something in a notebook, if it's not a secret, what exactly?

**You know, I tried to put my feelings in the form of lyrics! I'm a rock star now, I have to be up to it! \*giggles\***

*Look into mirror, ask just one question!  
Answer will come through blurring reflections!  
Sorrow and joy, smiles and crying!  
Maybe we should, show what inside us!*

**So that's what's going on in your head right now!  
Not bad lines, of course you need to work on the rhyme!!!**

**Don't be so strict, I've never done this before!**

**It seems to me that what I should have hidden instead is too exposed! And I probably need to decide which part will stay outside!**

**No indulgences! If you want me to sing your song, then we have to get it right! Well, but right now, maybe you should talk to me about the things that you're hiding inside yourself?**

**So you don't want to wait for the answer to come by itself anymore?**

**Someone put me in a situation where it became impossible to just go with the flow! Besides, it's hard to continue being a guy when all the people around me see me as a girl!**

**Don't you do everything to avoid looking like a guy?**

**Well, yes and no! My body does not produce enough male hormones, but at the same time I still look after my body really strenuously!**

**And you could become an ordinary guy, but you don't want that, what do you want in the end? Probably you are already tired of this question!**

**I think I want to start living like Alice, and I don't even have to do anything special for that... After a date with your brother, I also think that I would like to find a boyfriend! Don't worry, I won't date your brother!**

**Why, do you think it bothers me? Of course, I wouldn't want my brother to suddenly start dating another guy! Although, from my point of view, you are not a guy!**

**Tell me, but be honest! Did you like him?**

**Then don't give up without trying! Tell him who you really are, and let him decide for himself!!!**

**But I'm still not a girl!!! Even if I'm going to be her for the outside world!**

**Yes, I think so! He's sweet and funny! Smart and polite! And what important, I think he really handsome!**

**Make certain of what, what do you want to do?**

**I don't understand you at all! We shouldn't do this when you're pushing me towards your brother!**

**But before you get my approval, I have to do one thing! I have to be certain!**

**I'm going to kiss you, and I'm going to ask you to answer on it! I have to confirm my own feelings!**

**Just shut up, Alice!**

**Thank you Alice! It was wonderful! And I can firmly say that I fell in love with you, but! But no matter how strange it is, you don't arouse me anymore!**

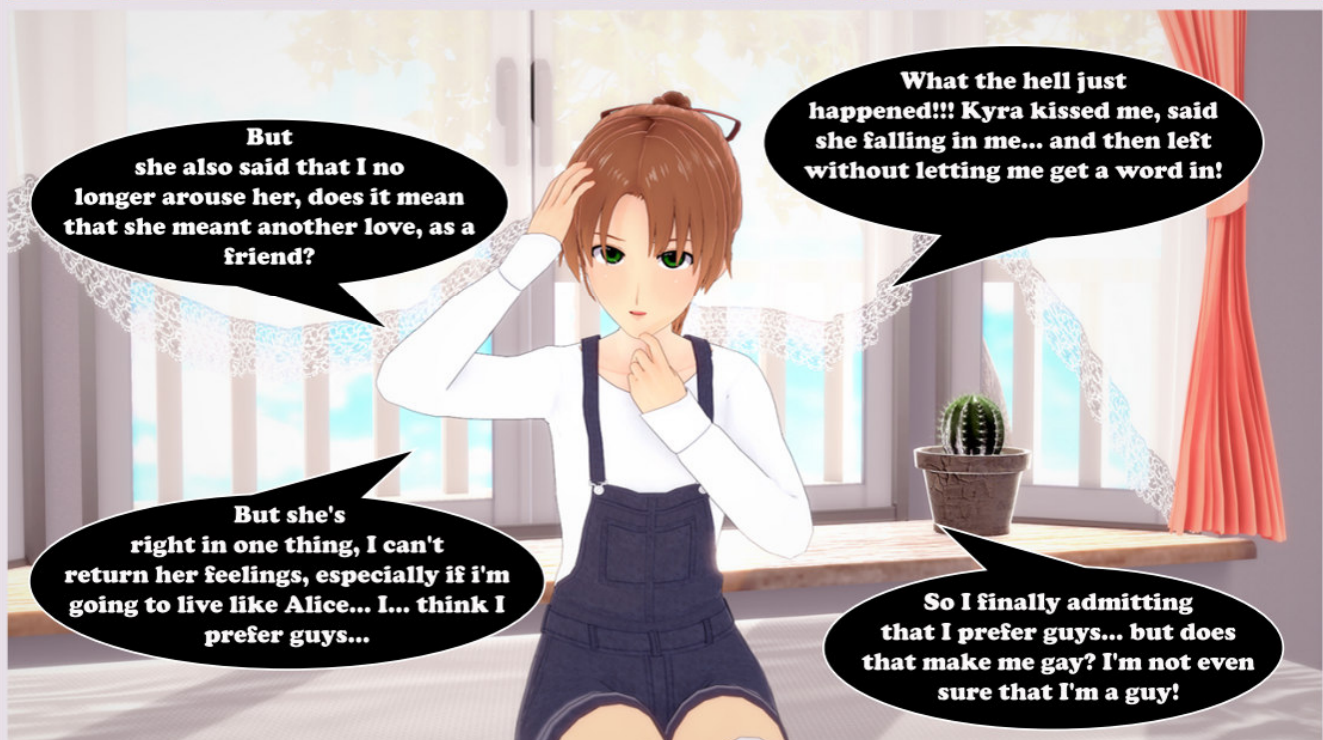

**And please don't say anything about it! I know that even if things were different, you wouldn't be able to return my love!**

**From now we'll just be friends, although who knows, maybe if you get together with my brother, we can even become sisters! \*laughs\* But now, I'm better go into my room!**

**Kyra, wait, you can't just walk away after saying that!!!**

**I can! And right now we have nothing to discuss! Oh, I almost forgot, Paul called me this morning and asked for your phone number, so wait for the call!**

**But she also said that I no longer arouse her, does it mean that she meant another love, as a friend?**

**What the hell just happened!!! Kyra kissed me, said she falling in me... and then left without letting me get a word in!**

**But she's right in one thing, I can't return her feelings, especially if I'm going to live like Alice... I... think I prefer guys...**

**So I finally admitting that I prefer guys... but does that make me gay? I'm not even sure that I'm a guy!**

**But this does not mean that I will immediately plunge into love affairs! Although I have to decide what to do with the Paul!**

**Anyway, now I am Alice, I prefer guys and I don't need to wear men's clothes anymore! But beyond that, what is changing in my life? I was expecting some kind of insight, or that I would somehow perceive things differently!**

**But everything remains exactly the same, I am exactly the same! Did I deceive myself that I was a guy, even though I had already accepted myself as a girl for a long time?**

**I've been on a diet for the last two years to avoid gaining weight or muscle mass! I do fitness to maintain the flexibility of my body! I have grown my hair and also making sure that they are not growing on my body!**

**It has long been a daily routine for me to take care of my body with all these creams, oils and scrubs! So to be honest, I haven't been a guy for a long time!**

**And now, even though it's a little embarrassing! I can get back to playing with my hole, or rather I have to, if I plan to find myself a boyfriend!**

**\*laughs\* Looks like one thing is still changed in me! Alice once again can be a little bit perverted!**

**The same day in the evening**

**Paul: Hello Alice! I'm sorry that I'm reaching out to you again through my sister, but we didn't exchange numbers during our date!**

**Hello, Paul! \*giggles\* You had no time to exchange contacts, during the farewell you sought to embarrass me by demonstrating your position!**

**Paul: And my position made you angry? I hope you don't hate me!**

**You didn't do anything so seditious, although I was a little befuddled! But let's not focus on that. So why did you decide to call me?**

**Alice: Just my voice? You have very strange tastes! So with that you got what you wanted, now we can say goodbye?**

**To be honest, I didn't have any particular reason to call, I just wanted to hear your voice!**

**Alice: Oh, so you've already decided that you'll call me tomorrow?**

**Did you get tired of me so quickly? I hoped that I would be able to listen you for at least half an hour so that I would have enough strength to wait for our next conversation tomorrow!**

**And also the day after tomorrow, and I want to talk to you everyday until you get tired of me! And if you do, I'll come up with something new!**

**Paul: The only way to find out and prove it is to call you every day! And I'm very glad that you don't mind it!**

**Every day!?! That's pretty bold! Are you sure you won't get bored with me in a couple of days?**

**Paul: Something serious? Unfortunately, despite that I would be happy to rush to you right now, alas, we won't be able to meet for another couple of weeks!**

**You are quite an interesting interlocutor, so I will enjoy talking with you! But you know, Paul! There is one thing we need to discuss, and it's better not to do it over the phone!**

**Alice: Is everything okay with you?**

**Yes, everything is fine, don't worry! It's just that I have two weeks of summer practice and I won't be able to return to the city!**

**Alice: Oh! Ok! But we'll need discuss this when you get back! By the way, what you do as practice?**

**I'm a camp counselor for a group of schoolers! I was supposed to lead the next shift, but I was unexpectedly asked to switch!**

**Alice: Right! You said before that you going to be a teacher! By the way, will you have a uniform? Will you send me your picture in it?**

**Paul: Not for the world! I haven't tried to look respectable in front of you yet to send you a photo of me walking around in funny shorts and a scout hat!**

**I have a good imagination, and I have already imagined you in this setup! So I'm sorry, but your image of a cool guy has sunk into oblivion!**

**Paul: Thank God! So I still have a chance to be the guy you'll like!**

**But, you know, I like even more the image of a kind guy who teaches children to survive in nature!**

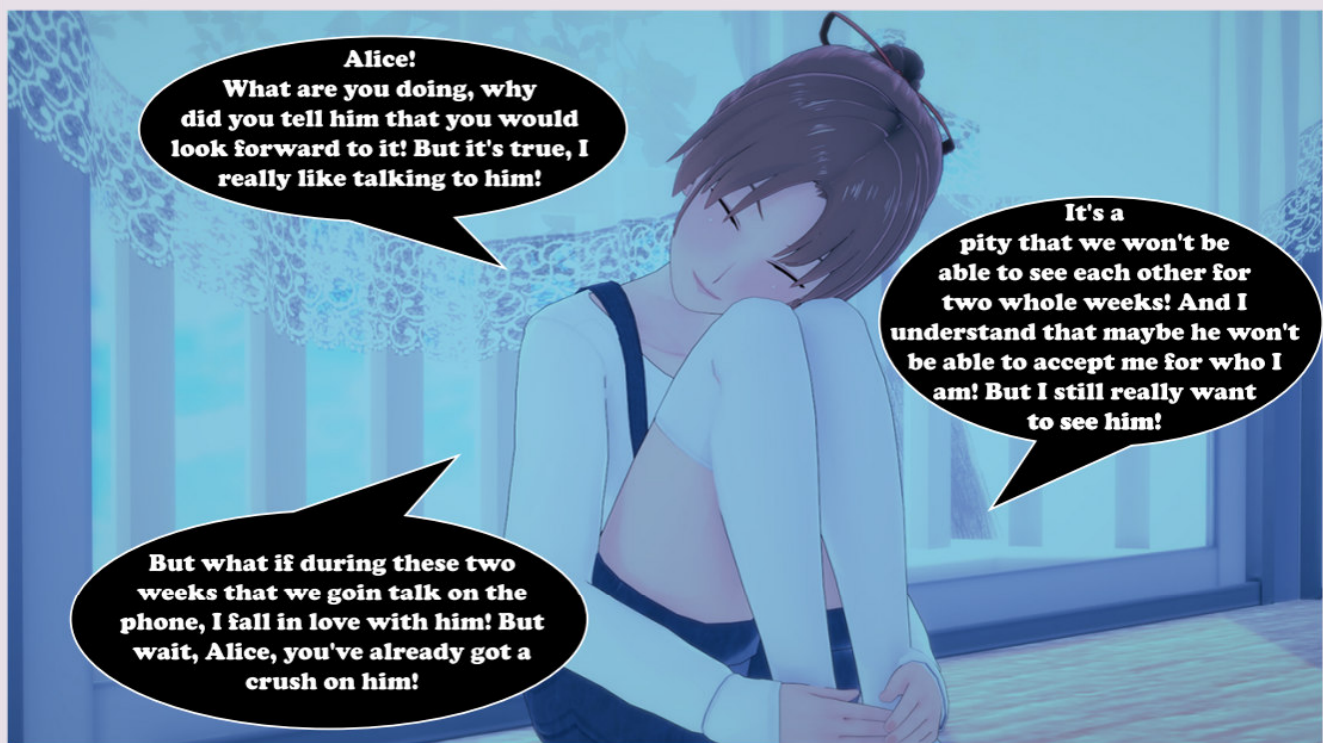

**A little over an hour later**

**Paul: Well, it's time for me to go check on the kids before lights out! Alice, thank you for answering my call, I was really glad to talk to you!**

**And I'm glad you decided to call! I really enjoyed talking with you! Good night Paul!**

**Paul: Good night Alice! But wait, does that mean I can call you tomorrow!?**

**Of course you can, and to tell the truth, I'm looking forward to it! Bye!**

**Alice!**  
What are you doing, why did you tell him that you would look forward to it! But it's true, I really like talking to him!

It's a pity that we won't be able to see each other for two whole weeks! And I understand that maybe he won't be able to accept me for who I am! But I still really want to see him!

But what if during these two weeks that we goin talk on the phone, I fall in love with him! But wait, Alice, you've already got a crush on him!

I wonder if I fall in love with guys so easily, or is Paul just really so wonderful!?  
Well, at least I can enjoy two weeks of talks with him before I have to face that a straight guy as him can't date a girl like me!

Perhaps, I should call mom and tell her that I've decided to become Alice!

No, Anna and I are watching a movie before going to bed, by the way, you're on speaker! Is something wrong that you're calling so late?

Alice: Hi Mom! Did I wake you up?

Hello Alan!

Alice: I'm fine, and nothing serious happened, I just decided that I'm going to live like Alice! And I wanted to tell you this!!

Congratulations Alice! Glad you finally accepted yourself!

And what prompted you, daughter, did you meet a guy?

Alice: May say that, although I'm not sure yet that we will be together! But wait, it sounds like you're both not surprised by my decision!?

**Anna:** You know, I was more surprised when you decided to study as a guy!  
**Sarah:** Well, I kinda knew that you would make such a choice even two years ago, I just didn't want to pushing into this!

I'm starting to think that everyone around me knew more about me than I did myself! I really doubted this choice very much!

**Sarah:** Despite that being a girl suits you better, you were still born as boy and lived like him for almost sixteen years! Of course it's hard for you to accept these changes!

But you know, actually almost nothing changes! I'm still Me, just now I'll always may call myself Alice and dress the way I like!

And we are also very interested to hear about the guy who pushed you to the decision to accept your feminine essence!

Yes, yes! I want to hear all the details about this wonderful guy! Since he was able to awaken our Alice from her sleep!

It's still very early to say how serious everything is, he doesn't even know that I'm not a real girl! But yes, he's wonderful! By the way, he's Kyra's brother! So far we've only had one date, and today he called me and we talked for over an hour!

I'll tell you one thing! Daughter, believe in yourself, believe in your femininity and even if it doesn't work out this time, you will definitely find your love, because you have done the most important thing, accepted yourself!

Mom, Anna, thank you for encouraging me! This time I will not give up and I will be myself to the end! Good night, and I love you both!

What a lucky girl I am after all! I am glad that I have such wonderful people who support me!

**The next morning**

**Good morning  
Kyra!**

**To you too,  
"Alice"! And what are you  
up to? It's so unlike you to  
show your feelings  
through touchings!**

**Isn't this completely normal  
behavior between two close friends?  
I thought about your words yesterday,  
and can say that I love you too, Kyra!  
Maybe a little differently, as a person,  
as a friend! We have known each other  
for not so long, but you have already  
become a very dear to me!**

**Ooh... And what should I tell you  
about this? Was it really that hard to  
just leave everything as it is!?  
Well, I probably don't mind being your  
close friend!**

**\*blushes\*  
By the way! Did my idiot  
brother call you yesterday?**

**Yes, and we  
talked a lot, I think, for  
more than an hour!**

**And did you tell him  
about your unique  
circumstances?**

**I think I need to do this  
in person! But Paul has left  
for summer practice and he  
won't be back until next  
Sunday!**

**Wouldn't it have been simpler  
to tell about it over the phone,  
and this way it much easier take  
refusal!**

**How I want to tell her  
that he knows about her! But  
to know and really accept are  
different things!  
And I think it's important that  
she tells him about herself  
personally!**

**Do you really  
think I don't have a chance?  
Although why am I asking, I  
doubt it very much myself!**

**You are a very cute and  
sweet girl, yes you have a dick  
between your legs, but who knows  
maybe my brother is a pervert and  
this on the contrary will be your  
advantage!**

**Why do you speak so badly  
about your brother, he's a good  
guy and it seemed to me that he  
treasuring you a lot!**

**It's not that I treat him badly, he just irritates me... or maybe I just envy him!**

**He's always been my parents' favourite, he's smarter and more successful than me, and now he's stolen you from me! I love him, but he pisses me off!**

**You know, even if anything happens between us, no one will be able to take your place!**

**But I probably understand your envy, I myself have two older brothers who got masculinity what I always craved for and they also always got opportunities to do what they want!**

**\*surprised\* Hey, why are you so sudden! And I didn't say that to complain, I just wanted to support you!**

**Alice, poor thing, don't worry so much about how you look, you are beautiful the way you are!**

**I'm not so sure, maybe Sean is still single, and I don't mind introducing you! But do you really want to be my sister so much? \*giggles\***

**By the way, if your brothers are alike to you but much more masculine, then they must be handsome! If they are still single, how about you introduce me to one of them?**

**Well, if things don't work out between you and Paul, I'll have to take everything into my own hands! You won't get rid of me so easily now!!!**

**Then I'll invite my brother to our next concert! \*laughs\* Although I still have to explain to him how he got a sister!!!**

**I don't envy you when you will do it! And you know, I really wish you good luck with Paul, you will make a wonderful couple, and I will have an additional reason to make fun of him!**

**You know, Kyra, you're such a bitch! But you're a my bitch and I love you!**

**Saturday, two weeks later**

**Paul: Hello Alice! You instantly picked up the phone, were waiting for my call!?**

**I'm not going to deny it! A conversation with you is the most pleasant event of the evening! So, how was your day today?**

**Paul: Today was the last day of my shift, and I'm coming back tomorrow! And although I really enjoyed our conversations, I would really like to see you in person!**

**Oh, it's been two weeks already! I would also really like to see you when you can find the time for this!**

**Paul: So let's meet tomorrow!!! I can't wait any longer, I want to see you as soon as possible! And Alice, this is going to be a date!**

**Of course it will be a date, our meeting can no longer be anything else! And I'm already burning with impatience!!!**

**Paul: And Alice, can you wear a short skirt tomorrow in which it will be convenient to move and also comfortable heels?**

**Do you have a crazy idea about a date again? But I trust you, and I will dress the way you ask! And, Paul, I don't want to spoil the moment, but do you remember that I wanted to tell you something about myself personally, I hope it not't change our relationship!**

**Paul: Don't worry, nothing can change my feelings for you! See you tomorrow Alice!**

**Sunday**

**Good luck to you Alice, and whatever happens, the most important thing is just be yourself!**

**Well, today will be a very important day! I don't know, maybe I'll come back today with a broken heart, or maybe I'll be the happiest girl in the world! But anyway, I'm going!**

**To be continued...**

*Journey to be Alice:*

*Chapter 5*

**Hello Alice! I am really really glad to met with you again! Two weeks without being able to see you was torture!**

**I'm very glad to see you too! And for me, conversations in the evenings with you were the best moments of the past weeks!**

**\*blushes\* Oh! Thanks, but you're a handsome guy yourself, so I have to match up! \*giggles\***

**\*kisses the hand\* And you look very charming today! Although you are always beautiful!**

**And I dressed accordingly to your request, will you tell me now what our plans are?**

**It's a surprise! But I promise you'll like it! And I remember that you wanted to discuss something with me, but let's put it off until the end of the date!**

**All the more reason to postpone it for last! Whatever you're hiding, I don't think it's can set me back! And anyway, I want to remember and enjoy today's date!**

**Are you sure? The truth about myself can change the way you perceive me!**

**Okay, let's postpone it until tonight! And to tell the truth, I would also like to remember today and enjoy the day with the person I fell in with! Oh, I shouldn't have said that! \*Blushes\***

**Did I heard you right, you said you fell in love with me!?**

**Please pretend you didn't hear that! I, I shouldn't have said that now, not until you...**

**Did you want me to be the first to say that? \*laughs\* Maybe I didn't voice it, but Alice, the truth is that I fell in love with you too!**

**You!? Into me!? But it's too early! We shouldn't have said that... not until you find out the truth!!!**

**It's too late to take your words back! Now you have to accept the consequences from doing this!**

**We... it was... We shouldn't have done that... But I... this feels so good!**

**Well, I was finally able to taste your lips! It was the sweetest kiss in my life!**

**Alice, what have you done!!! You fell head over heels with him!!!**

**I'll tell you again! Alice, I love you! And I will make today the best day of your life! So let's go, we still have so much to do today!**

**It's so sweet and so much different! He guides me, he acting when I want it, as if reading my mind! With him... I feel like a real girl with him!**

**Did I really change so much by accepting my true self, or is it just that he's so wonderful? But it doesn't matter, I'm just in love with him! And I want this day to never end, so that I don't have to tell him the truth about myself!**

**We're almost there, but let me tease you a little! It will be related to your hobby!**

**Maybe you'll tell me what we're going to do? I'm really curious about what you're up to, especially considering my clothes!**

**I'm starting to doubt my choice a little, since you still don't figure it out! And I tried so hard to learn how to do it! I even attended special classes while I was at summer camp!**

**Hmm! Something related to a hobby, if not for the choice of clothes, I would say that it has something to do with music, or shopping, but this totally not a good idea for a date!**

**Whoa! You remembered! \*laughs happily\* That's wonderful, but you know, I almost never did Latin dancing!**

**Well, here we are! A small dance event is held here every Sunday! And you said that you were doing sports dancing!**

**Yes, they are part of! But not always, and it's hard to explain, but I didn't participate that much, and only in those competitions where was only classical dances! That's why I didn't get any ideas that my outfit is for this!**

**Aren't they a part of the competition program? Don't tell me I've learned to dance for nothing!**

**Phew! Don't scare me like that! I was already beginning to think that this time I made a mistake with the choice!**

**And even though I'm not very good at Latin dancing and I only know the basics, but I'll be delighted to dance with you!**

**Just being able to spend time with you already makes me happy! And you learning to dance for me... \*blushes\* that makes me fall in love with you even more!**

**Come on, let's go dancing! Till I changed my mind! Cause I'm kinda really embarrassed after saying you all these things!**

**\*Kaoma - Lambada starting to play\***

**\*Laughs\***  
**Definitely not that dance I was expecting!**

**Even though I like to plan everything in advance, the choice of the song did not depend on me in any way!**

**But it looks like we have no choice! \*giggles\***  
**Do you know the moves?**

**I think so! But we won't know until we try!**

About half an hour later

Of course! Shall we do it again next week?

Thank you for bringing me here! But you know, now I might want to do it more often! Are you ready to take responsibility!? \*giggles\*

I've never done it seriously, but the ability to dance has always been a good help when meeting girls! And I additionally trained in the camp so as not to disgrace myself!

I'm taking you at your word! By the way, you said that you don't know how to dance, it's not true, you're very good!

Alice, why do you say that! You are much more than any girl!

So I became another girl who fell for your tricks! \*laughs\*

Just relax! Let's savor the moment! By the way, it's time for us to move on to the next part of our date!

Don't know... maybe it's my inner anxiety, cause it's too good with you!

So, come on!

Paul, wait! No matter how much I enjoy our date, I can't do this anymore! I need to know your response!

My response? Oh, you mean your secret... okay, so be it!

Despite how I look, how I behave and feel! Despite all the difficulties I went through to accept myself as such!

I'm sorry that I misled you for so long, I'm sorry that I fell in love with you! And I know you can't accept me now that you know the truth! But I can't lie anymore!

Alice, please look at me!

*\*Whimpering\**  
I'm sorry, I'm sorry that I'm this way!

*\*shakes her head negatively\**  
I can not... please, just go away! I knew this was how it would end...

I'm not going anywhere! Just open your eyes and take a look at me!

*\*Whimpering\**  
I'm...

**Because I love you! Cause I knew you weren't a girl even before our first date!**

**Why... why did you kiss me!?**

**I promised Kyra that I wouldn't reveal that I know your secret! This should have to be your decision! But that's not the only reason!**

**You knew? But how? And why didn't you tell me about it sooner!!!**

**The truth is that I was afraid! I fell in love with you! You're amazing! You are a kind and beautiful girl, and it really is! But I'm still afraid that despite all of this, I can't accept your body! I'm ashamed, but that's the way it is!**

**Oh... I understand... You don't have to force yourself! I'm happy that we were able to spend time together, but let's get this over...**

**No!!! I will not let you go so easily! I didn't want everything to come to this so quickly, but we have no other way! Alice, spend the night with me! This is the only way I can see if I can accept what you really are!!!**

**You're not kidding, are you? You want to have sex with me even knowing that I have a guy's body?**

**I'd rather call it "making love"! And I want to believe that my love for you will be stronger than any of my prejudices!**

**\*Laughs awkwardly\* Are you really willing to go that far for me? You know, I would really like to make love with you if you can accept me!**

**Really?!! Then let's put aside everything that I planned for our date and get to my house right now!**

Welcome to my place! Make yourself at home!

Thanks!  
I like it here!

Perhaps this is already annoying! But are you sure you want to do this with me? I'll understand if you not! It will be much harder for me if you reject me in the process!

I wish I could dispel your worries, however I don't know! But I will ask one thing, do you want to regret later, cause you didn't dare to try, especially knowing that we can become something more as we love each other!

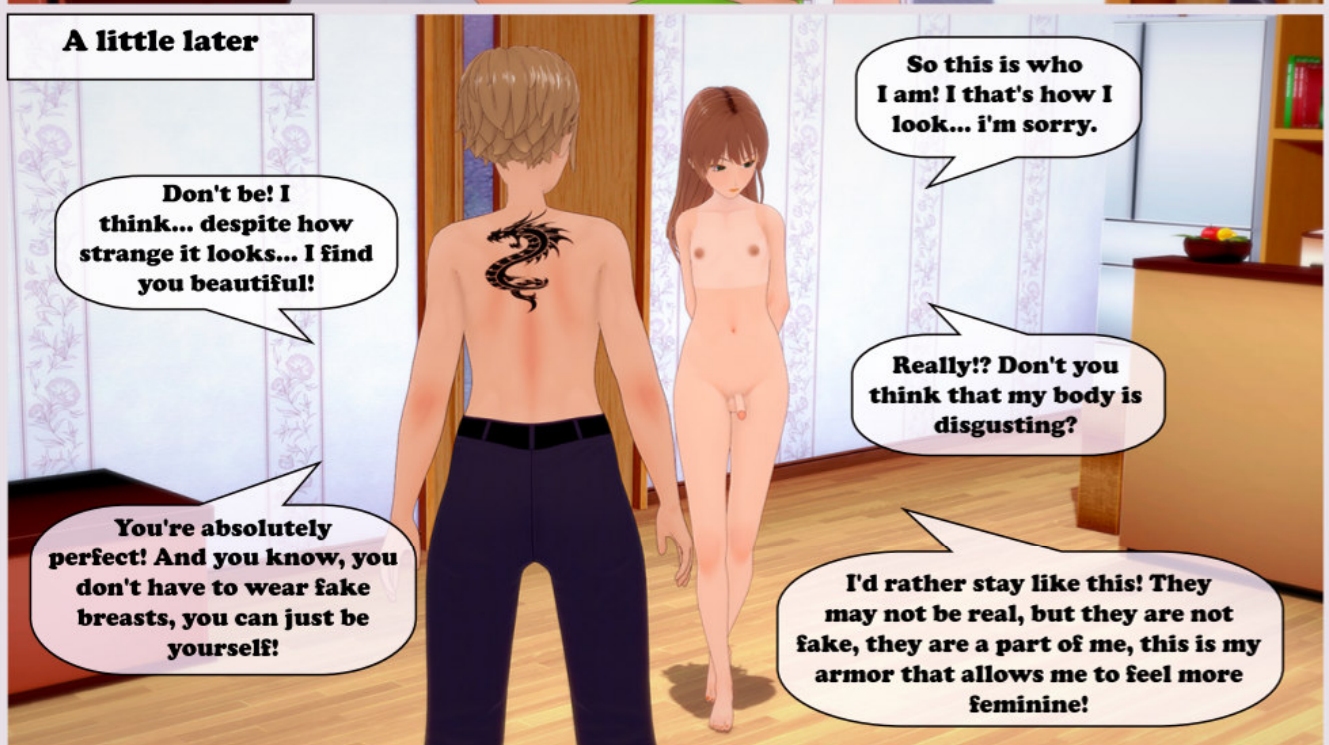

So shall we begin!?! And figure out as we go!

Is it necessary? I would like to start right away and the way as it is!

I'm sorry to ruin the mood, but can I use your bathroom? I didn't expect that we would go so far, and I wasn't prepared for it!

I'm sorry, but it would be complicated, and I promise I'll be quick! Besides, this way we can both get more pleasure!

A little later

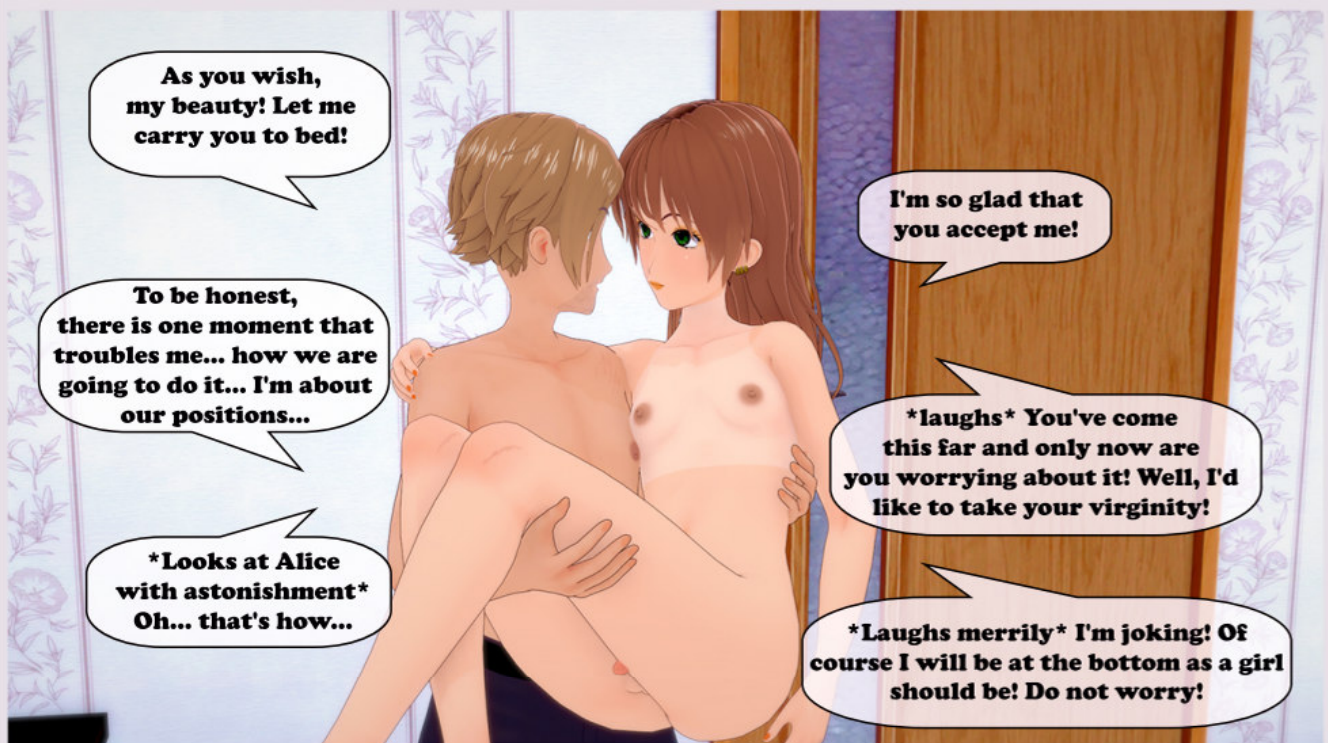

Don't be! I think... despite how strange it looks... I find you beautiful!

You're absolutely perfect! And you know, you don't have to wear fake breasts, you can just be yourself!

So this is who I am! I that's how I look... i'm sorry.

Really!?! Don't you think that my body is disgusting?

I'd rather stay like this! They may not be real, but they are not fake, they are a part of me, this is my armor that allows me to feel more feminine!

As you wish, my beauty! Let me carry you to bed!

To be honest, there is one moment that troubles me... how we are going to do it... I'm about our positions...

\*Looks at Alice with astonishment\* Oh... that's how...

I'm so glad that you accept me!

\*laughs\* You've come this far and only now are you worrying about it! Well, I'd like to take your virginity!

\*Laughs merrily\* I'm joking! Of course I will be at the bottom as a girl should be! Do not worry!

Alice, why do you keep hiding your body!? You have nothing to be ashamed of! You are beautiful as you are!

I don't know... I still can't believe that all this is really happening!

**And this show you that everything is real!**

**Yes! But I need more to get a better taste!!!**

**\*Slowly descends lower and lower giving Alice's body kisses\***

**Oh, Paul! It's so pleasant!**

**Paul, please stop! I am very glad that you are ready to accept this part of my body, but I don't want you to touch me there!**

**What, why? Don't you like it when I touch you like that? Cause I'd like you to feel good!!!**

**It's really pleasant, but at the same time it reminds me that I'm still a guy! But I want to be your girlfriend!**

**Okay, but then what do you want me to do? Because I do not know how to satisfy you!**

Then maybe you'd prefer me to play with this part of your body? \*Lightly presses the tip of his finger on Alice's hole\*

You can do whatever you want with me, just don't touch me there...

\*bites her lip and moans coquettishly\*  
Yes! Please do!

\*Presses a little harder and finger slips inside\* What a bad girl! Tell me honestly, were you preparing to accept me inside yourself?

\*moans as his finger slips deeper\* Yes! Even though I didn't dare to dream that this would happen, I had to be ready!

\*Gives a deep kiss\*  
How sweet you are! And so tight and sensual!

\*moans\* Your finger, it's so big and it going so deep! It's feels so good! But I want more!

\*Moans with pleasure\* Oh no! Paul, your tongue is entering into my ass! Oh, why this feels so good!

\*inarticulate speech\*

**\*barely speaks  
cause of the moaning\*  
Yes!!! Your fingers are so big!!!  
And the way you touch me  
inside... I... I think I'm going  
to cum!**

**You're dripping  
so hard!  
Are my two fingers inside  
giving you so much  
pleasure?!!**

**Who would have thought  
that behind the image of such a  
sweet and modest girl, there is  
another one hiding, so cheeky and  
sexy!  
\*starts moving his fingers even  
faster\***

**\*moans hard  
while cumming\***

**Didn't expect this is  
possible! I think I have a  
new fetish!**

**You know, it's a  
little disappointing!!!**

**Are you  
unhappy that you were  
able to cum? Doesn't that  
prove that it felt good?**

**I'd rather cum from your dick  
inside of me than from your  
fingers! Although I do not deny  
that it was wonderful!**

**We've just started! We'll  
get to that! You are my  
goddess tonight and I will  
satisfy you!**

**I hope I won't disappoint you, my lady!**

**\*giggles\* So I'm a goddess! Then you are in my web and I have to devour you! And I really don't mind! And I've been burning with the desire to see my man naked for a long time!**

**Glad you liked it! But wait until I show you what I can do with that! I'll make you feel even better!**

**How dare you hide such a wonderful thing from me! \*Wraps his penis with two hands\* Looks like I'm a hell of a lucky girl!**

**I hope these are not just words, and your endurance matches your size!**

**You know, you're being to cheeky for a virgin!**

**So that's how!!! And you don't mind having fun with a girl!? You surprise me more and more, my beautiful pervert!**

**And I never claimed that I was! However, I never done this with a man, but you will soon change that!!!**

**Don't expect me to share you with someone, even if I'm going to participate in it myself! But enough talking, it's time to make you ready for the main action!**

**And here's my first dick! I was a little afraid, but this is totally not like I imagined it! Only the tip is already filling my mouth! But I kinda like it!**

**I only took it in a half, but it's already hard to breathe! And the salty taste of his precum is driving me crazy!**

**Oh yes Alice! It is great! But try to use your tongue a little more!**

**Who would have thought that doing it yourself is no less pleasant! But Alice, don't get carried away, no matter how much you want him to cum, goal is to prepare him for my ass!**

**\*Alice pushes Paul on his back and sits on top\*  
So, it's time for us to fuse into one!**

**Are you against such a situation?**

**\*laughs\* Hey, didn't you say you wanted to be on the bottom!?**

**Not at all! But are you sure this is a good position for your first time!?**

**I don't know! But I want to be able to see you the moment you enter into me! And I want to have more control over the process!**

**Oh my gosh!  
I feel the tip of his cock pressing into my hole!  
It's so strange, I want it, but my body seems to resist!  
Oh yes! His head slips inside!  
YES! He's inside! It's so hot and huge! I want to let it all in!**

**So let's get started!  
Alice relax a little, allow me to get inside of you!  
Oh! You're so tight!**

**Paul! He's entered, your dick is completely inside of me!  
It's a little painful, but it's feels so good! So hot and thick!  
Paul, can we kiss while I'm getting used to you inside of me!?**

**Yes, Baby! You can do whatever you want! I am completely in your power!**

**She's amazing! Her delicate and slender body! Her tight ass that seems to suck me inside! Her delicious lips and cheeky tongue! And her little sexy penis, which hits my stomach and aroused me even more!**

**I think I'm ready to start moving!  
\*starts to move her hips slowly\*  
Why is it so good!? Your dick inside me is feeling amazing!**

**Oh, this place! It's so strangely pleasant when you rubbing against this place!  
\*Paul starts moving with Alice at faster tempo\*  
Yes! Yes! Harder, fuck me harder!**

**I'm sorry Alice that I couldn't control myself and continued!  
It's just that your ass was so adorable that I literally went off the rails!**

**Well, I won't say that I didn't like it, but it was probably too intense after all!  
And now my ass is itching a little!**

**Sorry for that too! I shouldn't have cum inside you! Perhaps you must take a shower now!**

**You know, if I go with you, there's a very good chance that I won't be able to hold back again!**

**Would you like to join me? Cause I may have gotten you a little dirty too!**

**And I really hope that this is exactly what will happen! \*giggles\***

**Following morning**

**What a delightful view! How lucky I am to have her! Although I probably overdid it a little yesterday!**

**Perhaps I'm still dreaming, because everything that happened is too good to be real! But if not, then I am really happy to wake up in your arms!**

**Good morning, sleepyhead! How was your sleep?!**

**I can assure you that this is not a dream! And I really hope that you'll get into the habit of waking up in my arms!**

**It would be wonderful, and I definitely wouldn't want to wake up from such a dream! \*giggles\***

**It may be a little sudden, but you know, tomorrow is my birthday, and I would like to ask you to spend these two days with me!**

**This is definitely unexpected! Why didn't you tell me about this earlier?!**

**I had not very pleasant memories associated with this day, but now that I have such a wonderful boyfriend whom I love deeply, I would like to create new memories that will be stronger and more important!**

**Of course, it will be an honor for me to spend these two days with you! And most importantly! Alice! I love you!**

**To be continued...**

**December, a couple of days before Christmas**

**Thank you guys for attending our concert! We love you all!**

**Happy holidays! See you in the new year!**

*Journey to be Alice: Chapter 6 - Finale*

**Alice! I hate you! It was so embarrassing to perform in front of an audience looking like this!!!**

**Kyra I don't understand why you hid your body for so long! Now we will have more fans! Or rather, you will!**

**Mina, stop teasing me! It was awful!**

**\*giggles\* Now you understand what it's like when all the guys are staring at you!**

**What do you want me to say? That I'm sorry I made you and Karen dress sexy! But someone has to do it!**

**\* Everyone is laughing\* Simply "sorry" would be enough!**

**Another ride on a Paul? \*Laughing\***

**Anyway, I have to do something, so I'll join you all a bit later!**

**It's a little disgusting to see you with my brother acting so lovey-dovey!**

**\*laughs\* It's just jealousy! And no, we'll have fun with Paul at night, but now I have to meet with one person in the hall! I'll introduce you later!**

To tell the truth, I wasn't sure either, but after talking to mom, I calmed down a little! Besides, we're still brothers \*stops\* although probably not anymore...

Hi! I'm glad you decided to come after all! I wasn't sure if you even wanted to talk to me anymore!

I will try... Besides, I came! By the way, you were very good on stage, and I can probably even say that such a look even suits you! You've always been cute, but now you're kinda sexy! It's strange to say this about my brother!

But I can be your sister! I understand that this is difficult to accept, but even if you don't talk to me anymore, my relation to you won't change, brother!

By the way Al... Sister, how long have you been like this? I mean, your body... it's

Alice! That's my name now! As for my body, I'm still a guy, just wearing fake breasts!

Wow, they look just like real ones! And you know, you're too cute for a guy!

So it's all because of Mom! You know, one Halloween she dressed me up in a dress too, but I looked so stupid that we didn't even leave the house! Only to no one, it's a secret!

Thanks! And the first time I put on women's clothes about three years ago, by the way, it was our mother's idea! And I began to live completely as a girl only half a year ago!

By the way, what are you going to do with Mark and Dad? Sooner or later you'll have to tell them about yourself... And I'm not sure they'll be able to accept it...

Don't know... I think Mark won't care at all, I don't even remember the last time we talked! As for Dad, it's going to be a blow for him... But I still can't hide the truth from him any longer!

Yeah, especially after the divorce with Mom! Al. Alice, do you want me to go to our father together? I think it will be easier this way!

You'll do this for me? But then Dad will be mad at you too! But you're right, it'll be easier this way!

Hey Alice, who is this dickhead is sitting next to you!?

Both of you, calm down!

Hey, asshole, who gave you the right to talk to her in that tone!?

I can repeat it again! Or better let's go out and talk like men!

He had the nerve to call me dickhead, and the way he talks to you, it really pisses me off!

I said calm down! Both of you!!! Why the hell do you men always use your fists before trying to figure things out?

Paul, this is my older brother Sean! Sean and this is Paul, my boyfriend! So all this is just a big misunderstanding!

Hey Al..ice... did you say your boyfriend? I kind of understand that you're a girl now, but it's kinda... too much!

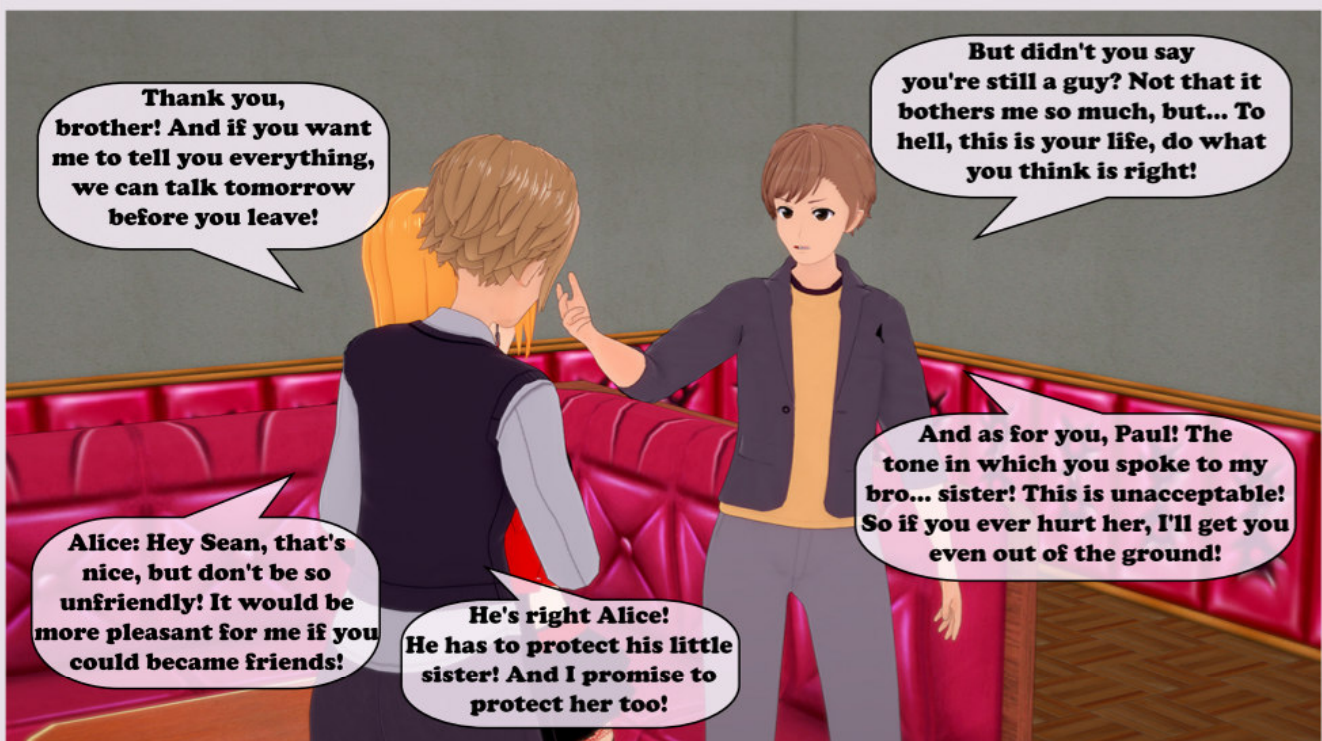

Sorry Sean, I didn't want to overload you with information, but yes, I have a boyfriend and we've been dating for almost half a year!

Half a year? But you said earlier that you only decided...

Sorry man, I thought you were one of those annoying fans hitting on my girlfriend!

He's like the main reason why I finally decided to become a girl! And I love him!

Thank you, brother! And if you want me to tell you everything, we can talk tomorrow before you leave!

But didn't you say you're still a guy? Not that it bothers me so much, but... To hell, this is your life, do what you think is right!

Alice: Hey Sean, that's nice, but don't be so unfriendly! It would be more pleasant for me if you could become friends!

He's right Alice! He has to protect his little sister! And I promise to protect her too!

And as for you, Paul! The tone in which you spoke to my bro... sister! This is unacceptable! So if you ever hurt her, I'll get you even out of the ground!

Are you sure I'm like a complete stranger to them?!

Anyway, follow me, I want to introduce you to the girls from my band!

That's kinda awkward! Yes, I'm still single, but I'm not desperate enough for my sister to match me up with someone! \*whispers\* This may be rude, but they are girls!?

Nonsense! You're my brother, and that's enough! And by the way, I kind of promised one of them to introduce my brother! So I hope you will help me to keep my word!

Yes, they are 100% girls, but still be careful, they can eat a great guy like you! \*giggles\*

Girls, meet my dear brother Sean! He's still single! \*laughs playfully\* Next to me is my roommate and the leader of our band, Kyra!

Well, hello, Sean! \*whispers to Alice\* I was totally right that your brother should be hot!

Sultry ash blonde, Mina! Our keyboard player! And the last Karen! Be careful, she's still a schoolgirl!

Hello handsome, come, sit down with me!

Nice to meet you all! Thank you for taking care of \*little pause\* my sister!

I don't even doubt that this is how it will end! Although there is a chance that he will leave with Mina tonight if you don't hurry up!

*\*Both speak in whispers\**  
Aren't you afraid to introduce him to me? You know I'm probably going to try to get laid with him!

I hope he won't be mad at me for that *\*laughs\** And Kyra, don't overdo it, he's still my brother!

Well, who knows, maybe we'll share him tonight! It's kinda amazing, he's like a proper masculine version of you!

About an hour later

I'm going to change, we still have plans with Paul! Girls, will you take care of my brother? He doesn't have any friends here!

Hey sis, you're not really going to leave me here like this!?

Don't worry Alice, we will "take care" of this handsome!

Well, then good! Sean, girls, have fun! And just don't eat my brother whole! *\*laughs\**

We deffently do! He's going to love our city after tonight!

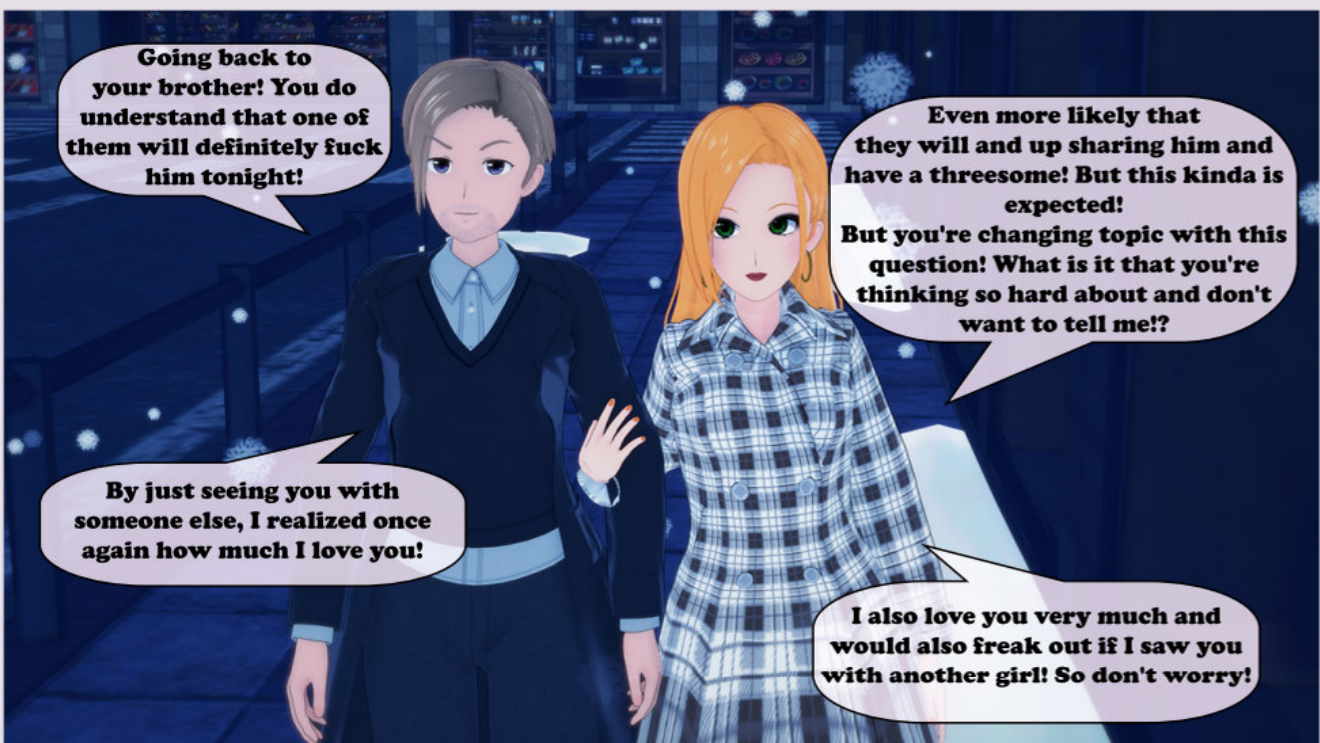

Are you really not afraid to leave your brother with these two sex-crazed ladies?

Do you remember that one of them is your sister and the other is ex *\*Laughs\** He had a hard day, it's not often that you'll find that instead of a brother, you now have a sister!

As for me, he took it quite normal! By the way, I'm sorry for the way I behaved when I saw you hugging!

Did you get angry and jealous because you thought I was cheating on you?

I know you would never do something like that... But I still lost control!

**Going back to your brother! You do understand that one of them will definitely fuck him tonight!**

**Even more likely that they will and up sharing him and have a threesome! But this kinda is expected! But you're changing topic with this question! What is it that you're thinking so hard about and don't want to tell me!?**

**By just seeing you with someone else, I realized once again how much I love you!**

**I also love you very much and would also freak out if I saw you with another girl! So don't worry!**

**It's not even about jealousy... I've been feeling kind of restless for the last few weeks, and I've been thinking about us a lot!**

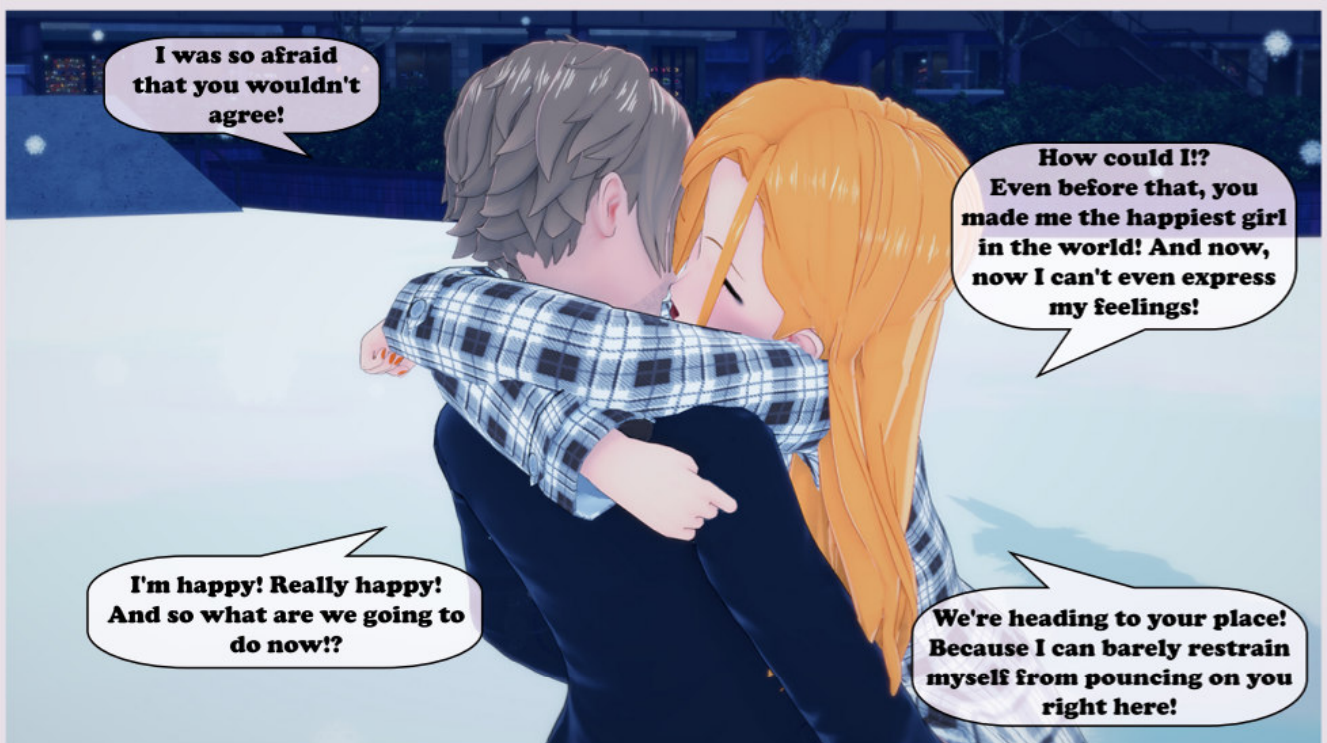

**Is that why you've been spending so little time with me lately? You know I was really worried! And each time you went off topic when I tried to find out what is happening!**

**I'm sorry I made you worry! But I needed time! So, well, I wanted to do it at Christmas, but your brother helped me realize that I don't want to wait even a day anymore!**

**Alice Kelly! You are the most beautiful and kind, smart and funny girl I have ever met! And I can't imagine my life without you around anymore. So will you marry me!!!**

**Paul, this is so unexpected! And you, even knowing what I am... Yes! Yes Paul, I will marry you! You are the love of my life and I can't imagine my life without you either!**

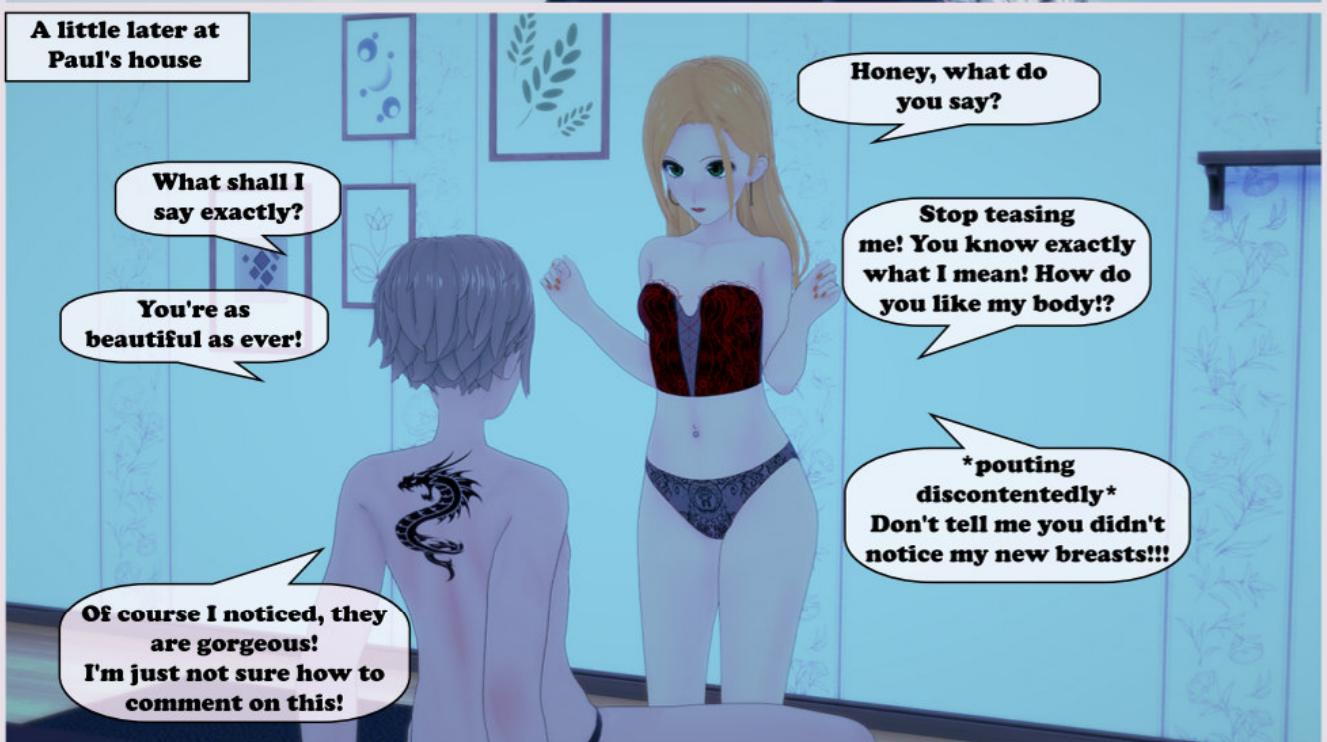

I was so afraid that you wouldn't agree!

How could I!? Even before that, you made me the happiest girl in the world! And now, now I can't even express my feelings!

I'm happy! Really happy! And so what are we going to do now!?

We're heading to your place! Because I can barely restrain myself from pouncing on you right here!

A little later at Paul's house

What shall I say exactly?

You're as beautiful as ever!

Of course I noticed, they are gorgeous! I'm just not sure how to comment on this!

Honey, what do you say?

Stop teasing me! You know exactly what I mean! How do you like my body!?

\*pouting discontentedly\* Don't tell me you didn't notice my new breasts!!!

I already said that they are gorgeous \*Groping breasts\* And they are more pleasant to the touch than the previous ones! But Alice, you're perfect even without them!

I will adore your body no matter what! But you know, it sounds quite tempting!

So you don't like them after all!? And I thought you would like them as much as I do!

But I just want to look more feminine and sexy! So, if I grow real ones, then you will like them much more?

So you wouldn't mind! I'll keep it!

**Then let's help each other!**

**But let's leave this topic for later! Because it seems to me that something very big is not comfortable in your underpants, and also my ass is aching with desire!**

**I continue to be amazed every time I see your penis! How damn lucky I am!**

**The things you've learned to do with your tongue and lips are just indescribably good! So don't worry, I really like your blowjob!**

**\*Smacking sounds\*  
\*speaks unintelligibly\*  
It's a pity that I still can't take him all inside!**

**That's because I like doing it, and your dick is delicious!**

A man is spanking a woman on a bed. The woman is on her hands and knees, facing away from the man. The man is standing behind her, with his hands on her buttocks. The room has a shelf with a plant and some boxes in the background.

**Alice are you sure I can put it in? I didn't even prepare you!**

**Yes! I have already lubricated myself and have long been used to your size! Besides, your fingers won't be enough to satisfy me right now!**

A woman is on all fours on a bed, looking back over her shoulder at the man who is spanking her. The man's hands are on her buttocks. The room has framed pictures on the wall.

**\*Slapping sounds\*  
Yes darling! That's it! Harder, fuck me harder!**

A woman is on the floor on all fours, looking up at the man who is spanking her. The man is kneeling behind her, with his hands on her buttocks. A bed and a chair are visible in the background.

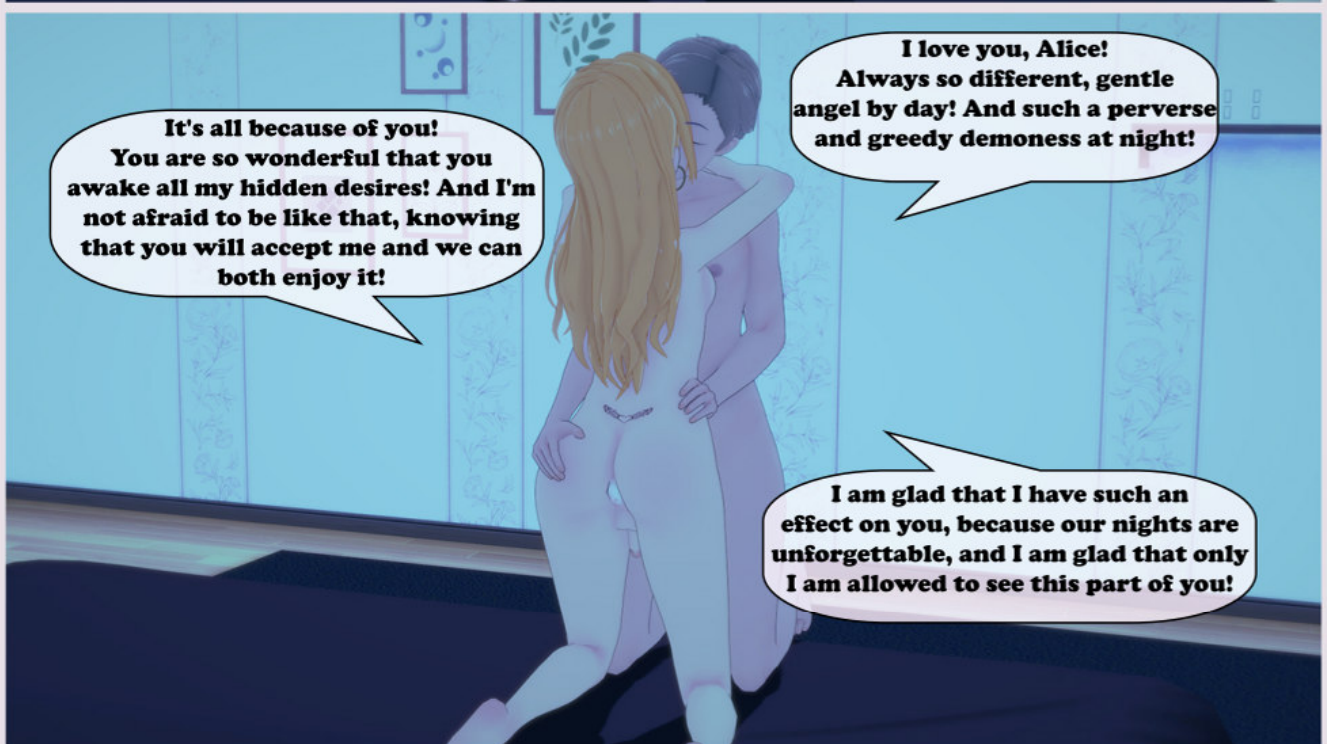

**\*Spanking sounds and erotic moans\*  
Yes, baby! Tear me apart! Make me scream!**

**\*groans\***  
**I love the way your ass squeezes me! I'm almost at the limit, I'm going to cum too!**

**Yes! Yes! I'm cumming!**

**Yes baby! Fill me up! I love feeling your hot cum inside!**

**It's all because of you! You are so wonderful that you awake all my hidden desires! And I'm not afraid to be like that, knowing that you will accept me and we can both enjoy it!**

**I love you, Alice! Always so different, gentle angel by day! And such a perverse and greedy demoness at night!**

**I am glad that I have such an effect on you, because our nights are unforgettable, and I am glad that only I am allowed to see this part of you!**

**Are you really asking me something like that while you're stroking my dick!?**

**By the way, Paul, do you remember that I'm going to visit my mom right after Christmas, and if you don't mind, I'd like you to come with me, I really want to show off my fiance!**

**Just showing what my gratitude will be, or what I won't do if you refuse!**

**Who are you trying to deceive, I can see that you are still not satisfied and will not stop even if I beg you for it! And yes, I'd love to meet your mom!**

**\*giggles\* You know me too well! And I'm glad you don't mind! But let's start another round, because you're right and I'm totally not satisfied!**

**A couple of days after Christmas**

**Mom, Anna, I'm home! I'm so glad to see you, I've missed you so much!**

**Greetings, sorry for the intrusion!**

**She's really beautiful indeed! Nice to see you, Alice! You've finally come to visit us! And greetings to you, young man!**

**Welcome home Alice! Oh, my! Daughter, you've changed so much, you're so beautiful! Don't you think so, Anna?!**

**And this handsome guy must be your boyfriend, isn't he?**

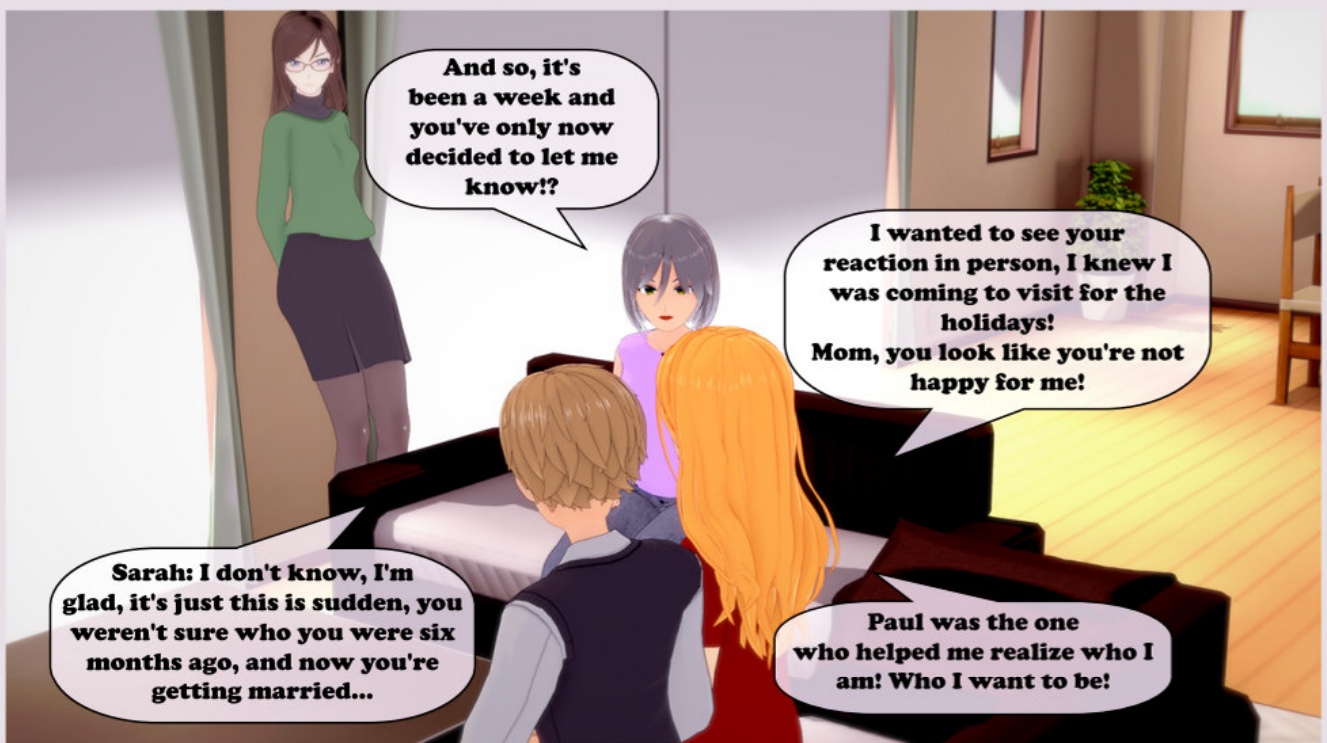

**So, let me properly introduce him you, this is Paul, and he, he's my fiance!**

**Anna, Mrs. Kelly, I'm glad to finally meet you in person!**

**Wait, what!?! Did I get you right, you said fiance!?**

**Wow! Congratulations to you guys!**

**I proposed to her a week ago and she agreed, which I am incredibly happy about!**

And so, it's been a week and you've only now decided to let me know!?

I wanted to see your reaction in person, I knew I was coming to visit for the holidays!  
Mom, you look like you're not happy for me!

Sarah: I don't know, I'm glad, it's just this is sudden, you weren't sure who you were six months ago, and now you're getting married...

Paul was the one who helped me realize who I am! Who I want to be!

Hey Paul, I need to go to the store and buy groceries! And now that we have a happy event to celebrate, I could use a man's help!

Of course Anna! I will be happy to help you!

Thanks Anna, it was getting a little awkward!

\*laughs\* Yeah! I think they just need some time to talk alone!

And don't worry, Sarah actually likes you, and she was very happy when Alice finally found someone who accepted her for who she is!

I understand... and I know it's hard to accept that her son is now getting married to another guy...

I don't think that's what she worries about! As you can see, she lives with a woman herself! It's just that it's hard for her to accept that her girl has grown so much and now is ready to tie her life with someone!

**It's not that I'm angry! Probably just a little upset! It's the first time you've come in six months, although you promised to visit at least a couple of times a month! And also brought a man with you, who turns out to be your fiance!**

**Mom, are you angry at me? Sorry!**

**It still doesn't excuse you! This is news that you should have told me right away! Okay.. show me your hand!**

**I was very surprised myself when he proposed! I didn't even think this it's possible, considering that I still can't fully accept that I live as a woman!**

**A beautiful ring! \*looks into her eyes\* Alice, do you really love him?!**

**Yes, I do! I love him more than anything in the world, he makes my life brighter, I finally feel that I am where I should be! Although! There is one person I love even more, and that's you, my dear mother!**

**\*Warm chuckle\* Trying to suck up? By your words, he's a decent man and also a handsome one! And even though I think you're too young to get married, you have my approval!**

**Thank you, Mom! It means a lot! And I'm not that young, didn't you already have a child at my age?!**

**Those were different times! And although I don't regret anything, it would be much easier to build a family if we stood firmly on our feet!**

**Well, you don't have to worry, since we decided not to rush into an official marriage! Yes, we are engaged, and I am very happy about it, but there are things I have to do before I become his wife!**

**So you still have doubts about becoming a woman? By the way, it seems to me or you have become bigger!**

I'm a little scared to ask, did you buy a new one or did you have surgery? And all this for Paul sake?

**\*giggling\***  
**Bigger, indeed!**  
Do you think I look even more gorgeous now? As for your question... I have completely accepted myself as a woman and I have no doubts about this!

Alice, if you accept yourself as a woman and want breasts, wouldn't it be more logical to start hormonal treatment? Looking at me and your aunt, most likely you will develop a pretty decent body!

Of course not surgery! And I did it for myself, because Paul keeps telling me that I don't need to wear breasts at all and that he likes me as it is!

Why? You would finally be able to make your body and self-awareness to balance!

You're right, it really would be logical! And I often think about it, but at the same time I am too afraid to do it!

I understand, and it can really be scary! But it won't change who you are! Yes, your emotions are likely to become more feminine, but you will still be Alice!

If it was just a body, I would jump into it without any doubt! But hormones will also affect my mind, and I'm afraid that I will become different! I was already changing a lot when I was dating Mike and I was ready to change even more even without hormones!

Ah, that's how it is! And you're not even embarrassed to tell me about it?

I do not know, I am not ready to make this decision now... Besides, I feel good now and the way I am! I look cute enough! I have a man who loves me and we have amazing sex!

So my instructions helped you develop your ass pussy?  
**\*Laughs fervently\***

Well, not in detail! But wouldn't it be more strange if I denied that something like this was happening between two adults?

**I thought you said you were a woman now! You will not deny that this is exactly the kind of sex that you have! Besides, if you took after me, then you must have a lot of sex!**

**Mom! How, how are you not ashamed to say this to your ex-son!**

**So it was Tina who accustomed you to those toys that are in your room!?**

**Hmm, fine! Thank you for inspiring me to experiment with this part of my body! But to be honest, it was Tina who helped me develop this particular place!**

**Didn't you ask me to send your breasts? Everything was in one box, and I even thought to send it all together! \*laughs\***

**How, how did you even find out about them, did you get into my stuff?**

**Don't worry, it's quite normal for a woman to use those! I also have some interesting things that I used when your father wasn't around!**

**Oh, right! How awkward it turned out!**

**Okay, okay, let's change topic! Are you still in touch with Tina?**

**That's not what I want to know about you and Dad!**

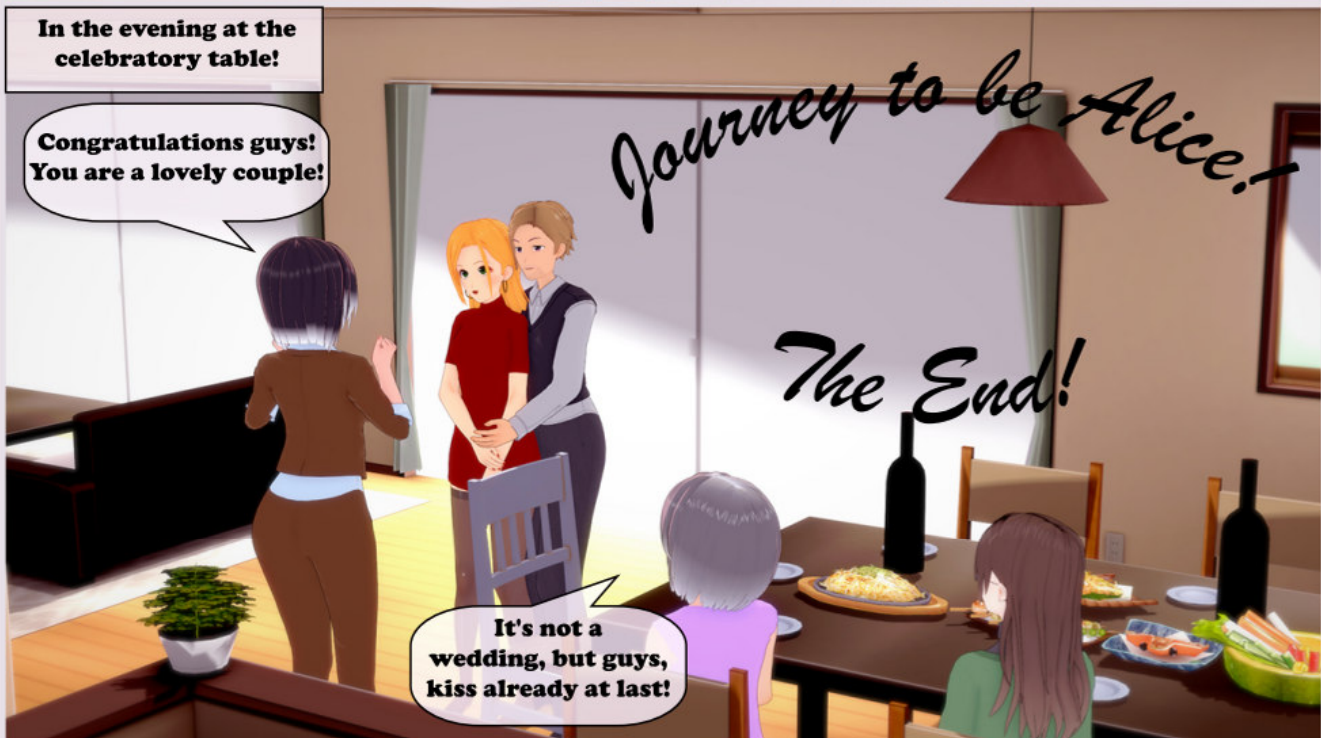

**Oh, right, you were even her bridesmaid, even when you were so against being a girl! Although, that summer you also worked with me as an assistant!**

**Of course, she's my best friend, we're almost like sisters! By the way, I plan to visit her tomorrow, to show off my fiance!**

**And it wasn't just an excuse to spend the whole summer as a girl! Why deny it now! After you tried, you always wanted to be a girl, just couldn't admit it for a long time!**

**I just couldn't say no to her! And yes, I worked with you as Alice, but everyone knew me there, I couldn't come to work as a guy!**

**You're right! I was very happy when Tina offered it and was glad to work with you as a girl!**

# *Journey to be Alice: Afterword*

**So it's time to say goodbye! Creating this story was an interesting experience and even if a lot of things didn't work out the way I would have liked, the main thing remains that I was able to bring the story to the end.**

**By the time you are reading this, I have already decided not to continue making comics, although I will post another short story in the next two months.**

**Thank you for finishing reading! I hope the story gave you at least a bit of fun!**

**If you liked my story, you can send me tips or purchase an epilogue to Alice's story, which is just a "What if Alice chooses this way" But originally this story intended with open ending!**

**<https://boosty.to/cutemente/donate>**

# *Pretending to be Alice*

**After a little thought, I decided to put into free access what was available to subscribers. Alternative sex scenes from Chapter 5 as well as an epilogue that is just a fantasy on the theme of "What if"**

# *Journey to be Alice*

**And this show you that everything is real!**

**Yes! But I need more to get a better taste!!!**

**\*Slowly descends lower and lower giving Alice's body kisses\***

**Oh, Paul! It's so pleasant!**

**Paul, what are you doing? You... isn't it disgusting to you? You don't have to force yourself!**

**What makes you think I'm forcing myself? It's a part of your body and I accept you the way you are!**

**I'm not sure, but do what you want with me!**

**So if you don't mind, then I want to give you pleasure!**

**\*speaks unintelligibly while continuing to suck\*  
Don't worry, It's what I want!  
Your little dick is very cute and looking yummy!**

**Oh fuck! You really don't have to!**

**Ooh!!! It's a bit hurtful!  
It's not that small!**

**\*still unintelligible\*  
As for me, it is perfect for your delicate slender body!  
\*speeds up the motion while fully taking her penis into his mouth\***

**Oh! Paul is too pleasant!  
Your mouth and your tongue... Ooh! It's like I'm melting inside you!  
I'm going to cum soon!**

**\*Continues to suck without paying attention\***

**Paul! I can't hold it anymore! I'M CUMMING!  
\*Hugs him tightly while he continues to suck\***

**\*gulp\***  
**Thanks for the meal!**  
**\*laughing\***

**I totally don't get it! You... You're a straight guy, why would you go so far for me? You even swallowed my cum!**

**Didn't I already said that I love you!? Every part of your body and it doesn't matter if it's male or female! And what I did, it just felt right to do!**

**Isn't the most important thing that you enjoyed it! And if so, then I am ready to continue doing it further!**

**Yes, it was felt really good! It seemed impossible to me, but I think I'm falling in love with you even more!**

**\*Deep and long kisses\***  
**Do you want me to do the same for you!?**

**Yes, I would really like that, but let's leave it for next time!**

**Oh! So we'll get a next time? \*giggles\***

**Yes! Because from now you are my woman and we will get as many "next times" as you wish! But in this moment you are my goddess, and I will glorify your body and bring pleasure to you!**

**It sounds very tempting and I will take advantage of your offer! But I also really want to see the tool with which you will satisfy me!**

**Oh! What is this sudden change of behavior? Where has my gentle Angel gone! Although I don't mind the domineering demoness at all!**

**You said yourself that I am your goddess, so why should I restrain myself! I will use you the way I want and you will satisfy me as much as I want!!!**

Such an impressive and beautiful thing! It's a bit of a pity that I won't taste it today!

I won't mind if you still want to taste it!

Oh, no, my devoted follower! You must keep your word! But I know another way to enjoy your rod! And for this you must prepare my hole!

Such a glorious and beautiful hole you have!

*\*flirtatious\**  
Are you going to keep teasing me? Or will you start giving me pleasure already!

Okay okay! Let's make your ass pussy a little more slippery!  
*\*pushes tongue inside\**

Oh, yes! How pleasant it is!

**What a sexy and tight hole! And look who's hard again! So this part needs my attention too!**

**\*moaning passionately\*  
No! Not both at the same time! It's too stimulating! I'm will cum again!**

**I promised to give you pleasure! By that day's end, there won't even be a drop of indecent liquid left in you!**

**Oh no, that... Oh! Oh fuck! Yeah! I'm going crazy!**

**How tight but so greedy! It's like it sucking my fingers! And it looks like you really like it since you cumming again!**

**\*Moans, unable to utter a word\***

**I can't wait any longer! I want you! \*leans tip against the hole\* Besides, it should be easier to take me while your ass-pussy is still open after my fingers!**

**Hey, what are you doing!? Don't tell me you're going to put it in right now! I just came, I can't!**

**\*The head of Paul's penis slips inside\*  
Oh fuck! What a huge dick! Why is this feels so good when it going into me!?**

**Oh my! His thick and hot cock completely entered me! I can even feel his balls touching me! It hurts, but why is it so nice! Alice, you're a fucking pervert! And if he starts moving right now, then I'll just going to lose my mind!**

**Yes baby! Your ass is amazing! My dick has never felt so good in my life as it is now!**

**I can't even talk anymore, only moan! He fucks me so hard that I think he'll tear my ass up! But every time his penis rubs against my prostate, my whole body feels as if electricity is piercing!**

**It's so damn good that I'm ready to cum again, even without my penis stimulation! I've already lost count of how many times I've had an orgasm, but Paul is not planning to stop!**

**Cumming once again!? How adorable you are! But I'm sorry we can't stop there, because I'm still full of energy!**

**\*Moaning while cumming\* Paul, please stop! I can't take it anymore, I'm exhausted so I won't be able to cum anymore, and my legs won't hold me anymore!**

**Don't worry, my love, you are still able to continue, and I believe that you will be able to cum once more, but this time together with me! And let's change our position since you have no strength left!**

**No! No! How can it be, I'm cumming again! Why, why this is feel so good!!!**

**Yes! Yes! I'm cumming from your ass squeezing my dick so hard!**

**Oh my God! You fill me with your hot stuff! God, this is too good!**

Three years have passed since Alice accepted herself as a woman and started dating with Paul

*Being Alice:*

*Epilogue!*

Not that bad, how about checking the bed for suitability!?

What do you think, quite a good place to spend our wedding night!?

Are you so tired from the road? It only took us four hours to get here!

Tired? I am full of energy and on the opposite, I would like you to exhaust me a little!

I've spoiled you so much! We'll have to be patient, dear, besides, we decided that we wouldn't have sex until our wedding night!

I already regret that I agreed to such nonsense! \*laughs\* Then what do you propose we do?

How about a bite to eat, and then I'll get to leave you for a while! I have the last dress fitting, and I also need to

I'm a little surprised how much you get involved in the organizational process, considering you didn't want big wedding!

Like almost any girl, I wanted a beautiful wedding and a delightful white dress, but it took so long for us to finally settle for a wedding!

They were very furious when they found out about it! They even took it upon themselves to arrange everything, so that their daughter would have a real wedding!

I'm sorry it took me so much time, but I wanted to be exactly your wife, and none other way!  
And thank you for telling my moms that we're not going to do a big ceremony!

And what are you planning to do today without me!?

I need to meet Jack and your brother! By the way, Sean wants to give me a mini stag party tomorrow!

Didn't you already do one last week!? By the way, don't forget to bring Glenn with you!

Your brother couldn't participate! Don't worry, we'll just sit at the bar, and yes of course Glenn will be with us!

I think it's you who should be worried, since at the same time, I'm with the girls are going to have fun at my bachelorette party!

I still have about an hour, so I can give you a ride and also I should say hello to your moms!

Okay, then let's get going!

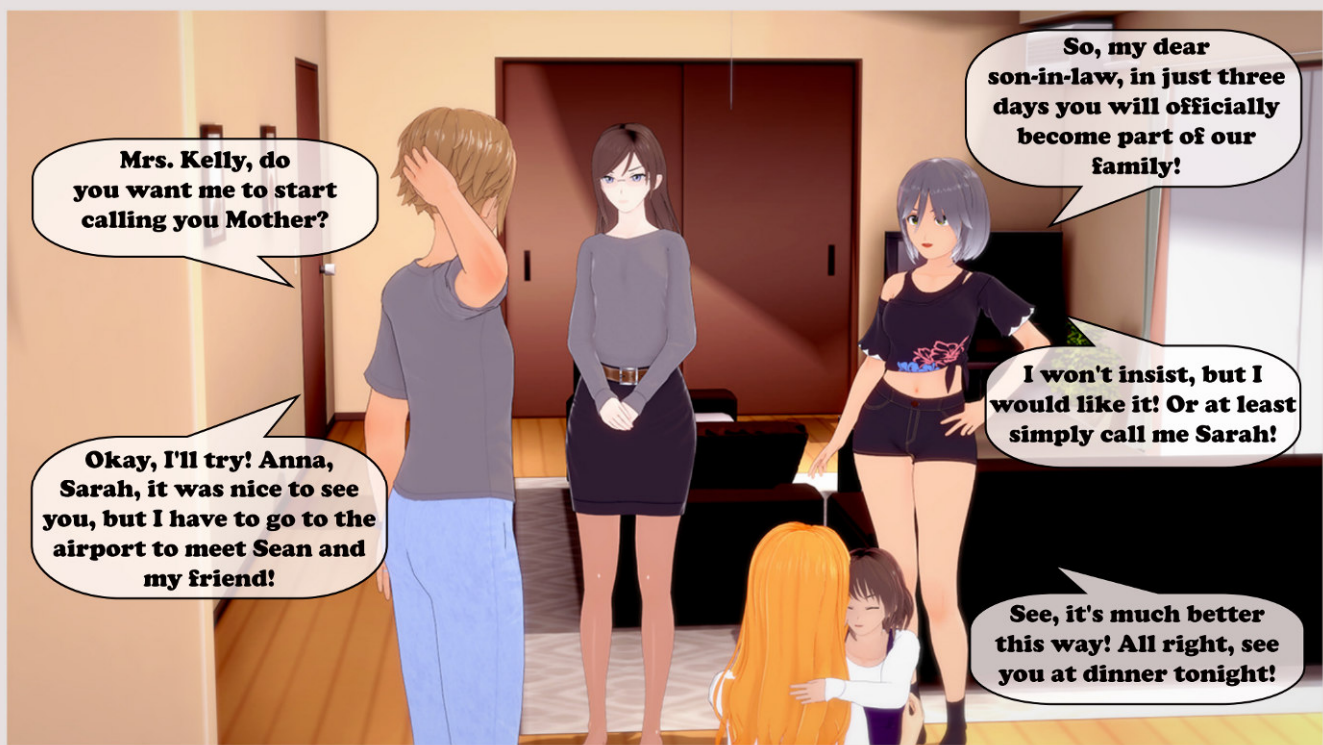

Hello everyone!  
Hello, cutie Lily!

Who we got here!? Isn't that my favorite lovely sis!

Yay! Big sis and brother!

Hello kids! Glad to see you!

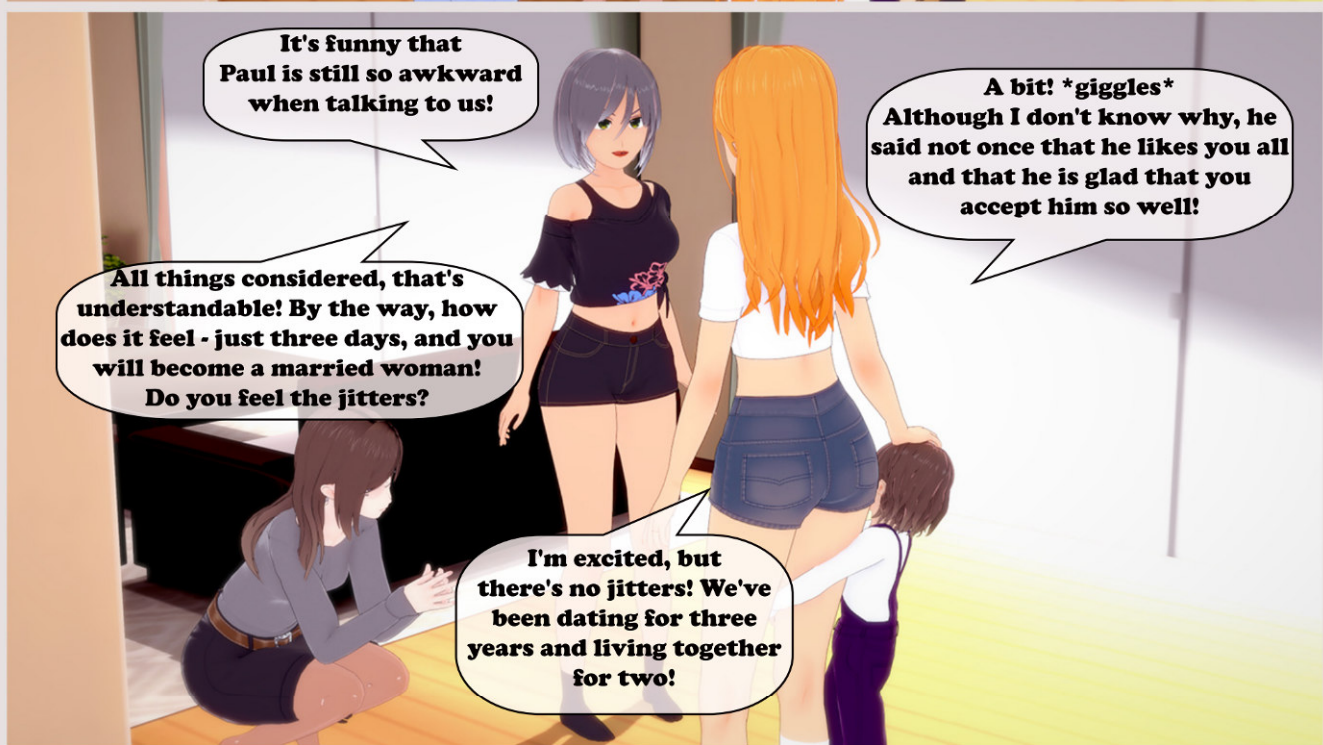

**Mrs. Kelly, do you want me to start calling you Mother?**

**So, my dear son-in-law, in just three days you will officially become part of our family!**

**Okay, I'll try! Anna, Sarah, it was nice to see you, but I have to go to the airport to meet Sean and my friend!**

**I won't insist, but I would like it! Or at least simply call me Sarah!**

**See, it's much better this way! All right, see you at dinner tonight!**

**It's funny that Paul is still so awkward when talking to us!**

**A bit! \*giggles\* Although I don't know why, he said not once that he likes you all and that he is glad that you accept him so well!**

**All things considered, that's understandable! By the way, how does it feel - just three days, and you will become a married woman! Do you feel the jitters?**

**I'm excited, but there's no jitters! We've been dating for three years and living together for two!**

**All is fine, Anna! We don't see each other that often, besides, I love this little angel!**

**Hey Lily, stop clinging to your sister like that!**

**Sis pretty and kind! Mom, meanie!**

**Angel, she's only with you, usually this fidget just drive everyone crazy!**

**Okay, Alice, let's go check out your gown, and a bit later we'll have also go settle everything at the venue!**

Oh my! Alice, how beautiful you've become! It's hard to believe your body has become so feminine in two years!

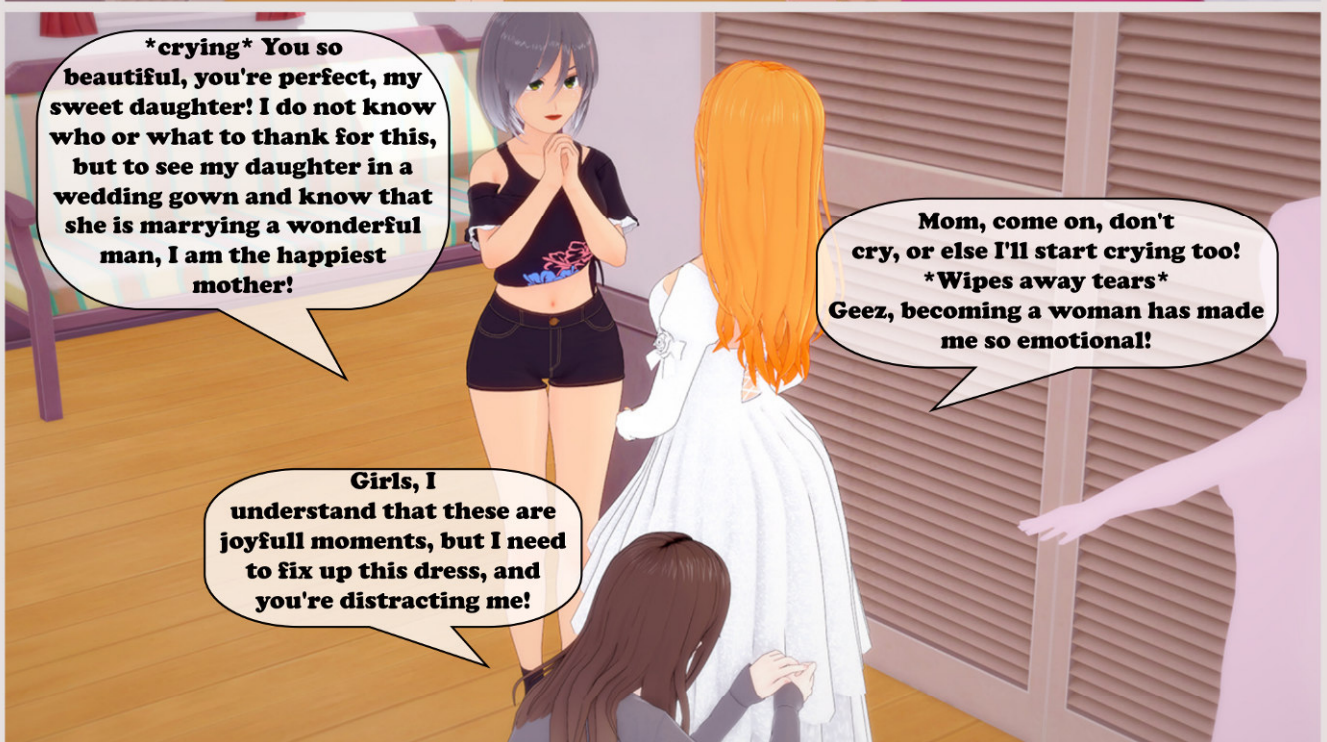

Mom, this is embarrassing!

There's nothing to be embarrassed about, you've come a long way and become what you should be!

I want to be like my sis when I grow up!

Here, in this room, a bit more than five years ago, I helped you get dressed for the first time, and then I was able to see my daughter for the first time!

How long ago it was! Then for the first time something clicked in me! I looked at myself and saw a girl!

*\*crying\** You so beautiful, you're perfect, my sweet daughter! I do not know who or what to thank for this, but to see my daughter in a wedding gown and know that she is marrying a wonderful man, I am the happiest mother!

Mom, come on, don't cry, or else I'll start crying too! *\*Wipes away tears\** Geez, becoming a woman has made me so emotional!

Girls, I understand that these are joyfull moments, but I need to fix up this dress, and you're distracting me!

Ohoho! Our daughter!?! *\*laughs warmly\**

You're right, dear, our daughter is absolutely perfect!

I saw how she became a girl and then a woman, definitely a daughter! Sarah, are you actually jealous and want to be her only mom!?! *\*laughs\**

I'm probably blessed! I have not only the best mom in the world, but I also found another one that has become so dear to me! Thank you both for being in my life! And I also have you, my little sister!

**A little later, after fitting**

**I'm not sure that Dad will succeed, alas, for Mark, I'm just a pervert with whom he does not want to deal...**

**Who knows, Thomas himself only started to reconnect with you a year ago!**

**By the way, your father called a couple of days ago, said he would try to convince your older brother to come to the ceremony!**

**I am glad that he accepted me as a daughter, and even agreed to lead me down the aisle!**

**And what about Paul's family, will they attend?**

**Despite that his mom doesn't fond of me, which is quite understandable! She accepts her son's choice, so yes, Paul's whole family will be at the wedding, as well as his childhood friend!**

**So Kyra will be too...**

**Of course! She's my bridesmaid! By the way, why do you dislike her so much?**

**It's not that I dislike her! I'm a little strained by their relationship with Sean, friends with benefits! I want grandchildren! And Mark does not trust me, believing that I can adversely affect his children!**

**It's a little early to talk about this, but if everything goes well, in about a year you will have a grandchild!**

**You planning to adopt child after you graduate from uni?**

**I'm not going to tell you the details yet so as not to jinx it, but you'll find out about everything as soon as Paul and I settle everything!**

The next day, shortly before the bachelorette party.  
Megan dance studio

Sometimes I'm really interested in getting to know you before Alice, but you didn't even let me see your photos!

I haven't been here for so long! This place has actually changed me so much!

What if you like Alan more than me!? \*giggles\* Just kidding! I don't even know why I'm ashamed to show you this part of my old self!

Anyway, let's go in and say hello to your aunt already!

What a surprise! Isn't that my lovely niece and her betrothed!

Hi Megan! It's a pity that you couldn't join us yesterday!

Hello auntie! I see there is not much that has changed!

Do you visit the places of your teens? \*giggles\* Are you just on the way or did you want something from your favorite aunt?

We wanted to chat with you, or rather ask for something!

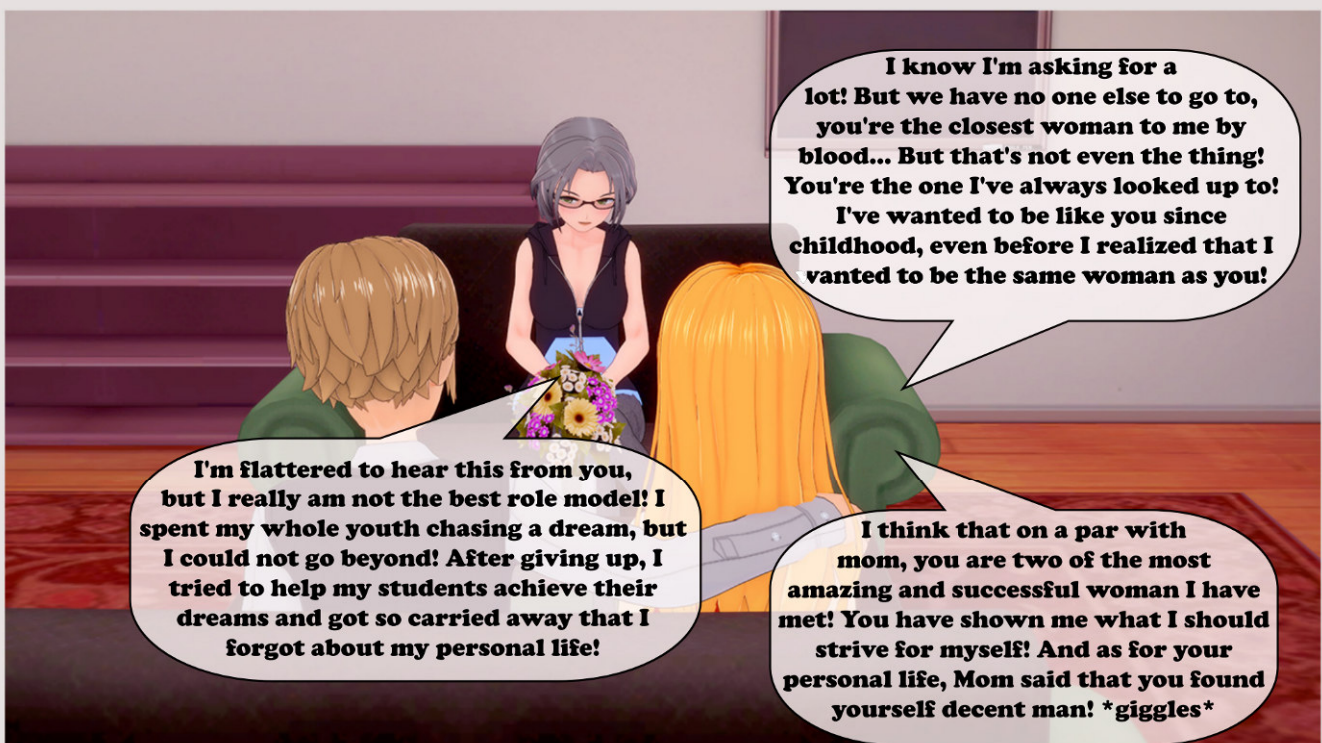

The day after tomorrow is our wedding and we wanted to ask you something! \*Awkward pause\* Geez, why is it so hard to say!

So kids, what did you want to discuss with me?

Okay, I'll say it for you! Megan, thing is, we want to have a baby, but it's not possible in our circumstances, so we'd like ask you to become donor of our child!

Wow! That's quite unexpected! I do not know what to say, I... I need to think about it...

I'm flattered to hear this from you, but I really am not the best role model! I spent my whole youth chasing a dream, but I could not go beyond! After giving up, I tried to help my students achieve their dreams and got so carried away that I forgot about my personal life!

I know I'm asking for a lot! But we have no one else to go to, you're the closest woman to me by blood... But that's not even the thing! You're the one I've always looked up to! I've wanted to be like you since childhood, even before I realized that I wanted to be the same woman as you!

I think that on a par with mom, you are two of the most amazing and successful woman I have met! You have shown me what I should strive for myself! And as for your personal life, Mom said that you found yourself decent man! \*giggles\*

Can't wait to see him! Although I still have to ensure that he is worthy of my auntie!

Sarah has already turned me in! \*laughs\* Well, I'll introduce him to you at the wedding! And it's worth thanking Tina, since she began working here as an instructor, I've had time for myself!

\*Laughs\* Just don't scare him off! And regarding your request, I am very flattered that you have such a high opinion of me, but I need to think about it! Will you give me a couple of days?

Of course, Auntie, as much as you need!

I don't think you need the oversight of adult ladies! Come off to the fullest before a married life!

Auntie, are you sure you don't want to go to my bachelorette party?

It was nice to see Megan, see you on Saturday!

Goodbye! And I love you Auntie!

Have fun kids!

Evening at the bar, shortly before the bachelorette party

Hello little sis, long time no see! And you're getting prettier and prettier!

\*gently puts her hands on belly\* Growing and already kicking quite actively! Alice, do you want to touch!?

That's my line, Tina! You look wonderful, and I see my little nephew is growing too!

Don't be so scared, nothing will happen to me if you just touch me normally, and with him too!

By the way, Alice, Tina and I were discussing and we had an idea! Darling, will you tell her!?

You could have done it yourself, since you were the first to suggest it!

Hey, don't give me away!

Last week Glenn suggested to me to consider you as the godmother of our future son! And I kinda wanted to propose it myself!

You both want it!? I, I will be happy to, and it will be an honor!

Okay girls, we'll go! Don't mess around here without us!

No promises!

Well, Alice, today I entrust the care of my two most precious people to you!

Don't worry! I'll take care of them!

See you tonight darling!

Well, my dearest sister, let's talk a little while the rest come over! Tell me how is it, how do you feel!?

*\*Laughs\** Yes, it feels wonderful, I remember myself before the wedding!

It may not be appropriate but im curious, you've been a woman for four months now, what does it feel like?

I don't know, excited, a little frightened, but delighted!

Hmm, a difficult question! I'll probably say that I'm comfortable now and I don't have to hide my body anymore!

Maybe I'm making it up to myself, but you've become more confident!

You see, it's not that by doing this, I became a woman. It was a long road, but I accepted myself even before this, it was just the last step!

And one more question, have you and Paul already tried to do "this"!?

Tina!!! You're going to be a mother soon, but you're still such a pervert!!!

That's not the answer to my question! So?

Well... the doctor said only two weeks ago that everything has healed... and... and I want my first time to be special!

Time has not changed my Alice much, still the same shy and innocent! Be sure to tell me how it went!

We'll do it on our wedding night... How embarrassing!

Hi Mina, long time no see, very glad that you were able to make it out!  
Kyra, I will become your sister only the day after tomorrow! But I don't mind having another big sister at all! \*laughs\*

Hello girlfriend, or is it more appropriate to call you sister now!?

Hello, Alice! You're looking fantastic!

By the way, Karen sends her congratulations to you, and apologizes for not being able to come!

Another!?! \*throws a stinging glance at Tina\*  
Oh, you mean the impostor who sits in the corner!

Kyra, don't be so mean!

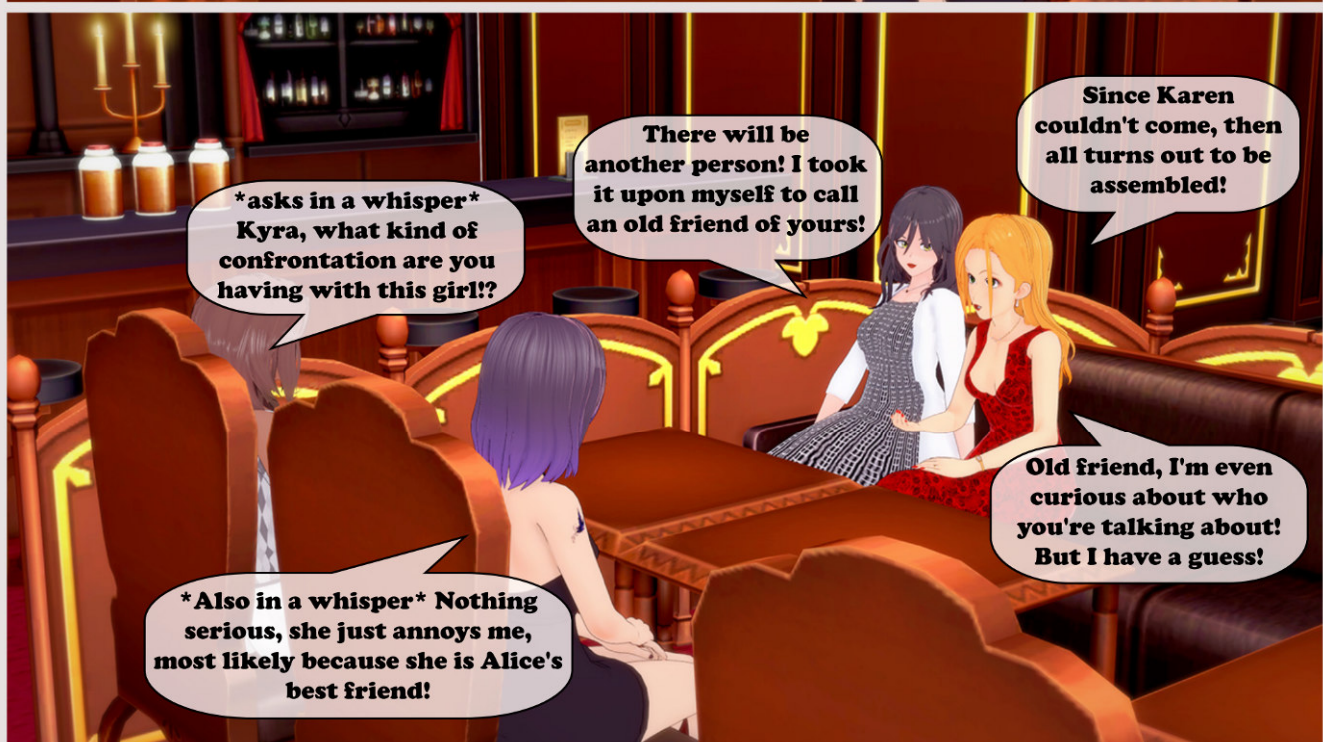

Don't worry, sister, Kyra just can't accept that someone has a closer relationship with you than she does!

And this is said by a person who, at best, meets with my sister once every couple of months!?

Girls, stop it! It should be a fun evening where you will be happy for me and not figure out which of you is closer to me! I love you both!

I'm sorry Alice, I can't resist teasing this envious little girl!

\*faking sweet smile\*  
I'm also very glad to see you, dear bitch!

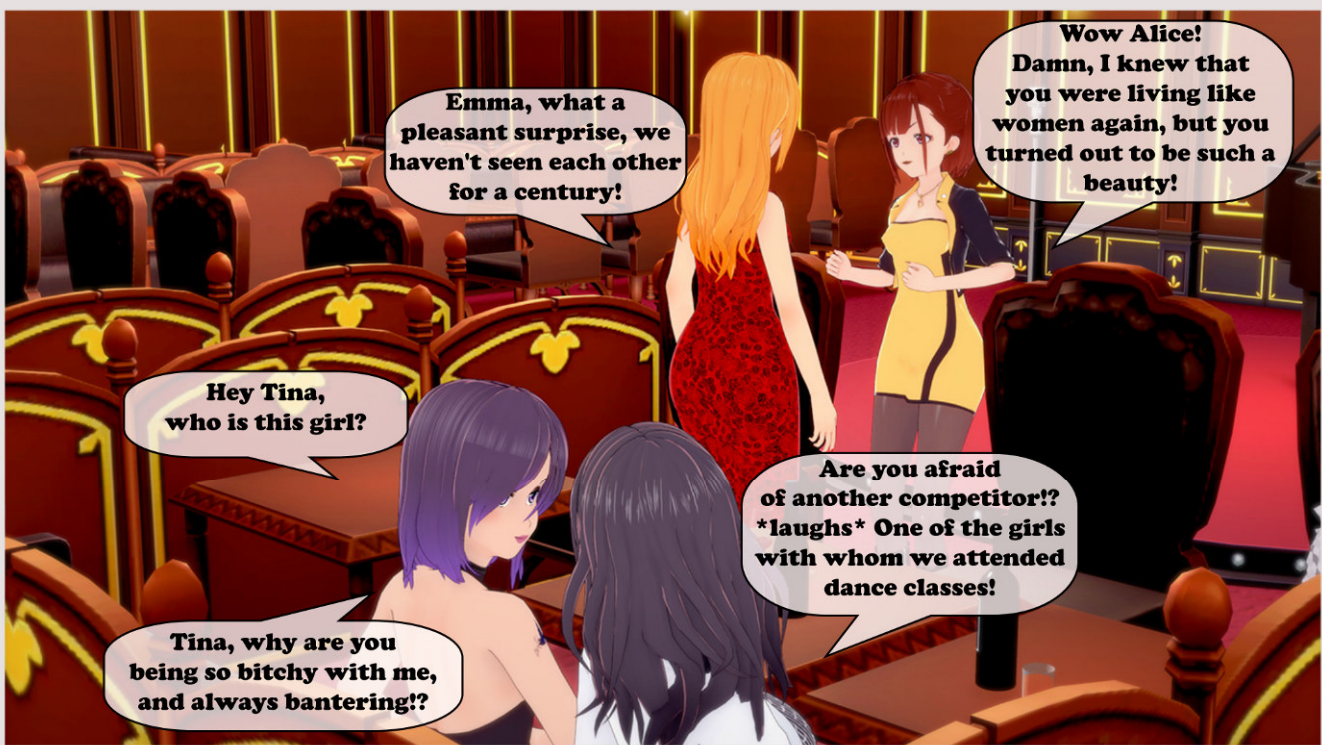

\*asks in a whisper\*  
Kyra, what kind of confrontation are you having with this girl!?

There will be another person! I took it upon myself to call an old friend of yours!

Since Karen couldn't come, then all turns out to be assembled!

Old friend, I'm even curious about who you're talking about! But I have a guess!

\*Also in a whisper\* Nothing serious, she just annoys me, most likely because she is Alice's best friend!

Emma, what a pleasant surprise, we haven't seen each other for a century!

Wow Alice! Damn, I knew that you were living like women again, but you turned out to be such a beauty!

Hey Tina, who is this girl?

Are you afraid of another competitor!?! \*laughs\* One of the girls with whom we attended dance classes!

Tina, why are you being so bitchy with me, and always bantering!?!?

Didn't you start all this yourself!?! It's just funny to me to watch how much you are jealous of Alice! And no matter how much you would like, there are other people in her life besides you!

I'm not jealous of her for everyone! I'm just annoyed by the way she treats you, you're almost not in her life and yet she considers you a sister!

You know that I was her first real friend, the first one who accepted her in a new role! And I helped her embrace femininity where Sarah couldn't help her!

I know about it, but you also pushed her to be a girl rather than just helping! And don't tell me that's not true!

I did what I thought was right! And considering that she chose to become a woman, I was not wrong!

And according to your logic, you are no better! You made her dress up like a girl and fucked her, and then you sent her on a date with your brother!

How do you know about this!?! Damn it! We were just both drunk! And with my brother, it shouldn't have turned out like this! But you're right, I'm no better...

How about we stop our little feud and just support our little sister further!

Okay, you're right! Although I won't suddenly start liking you, but Alice first of all!

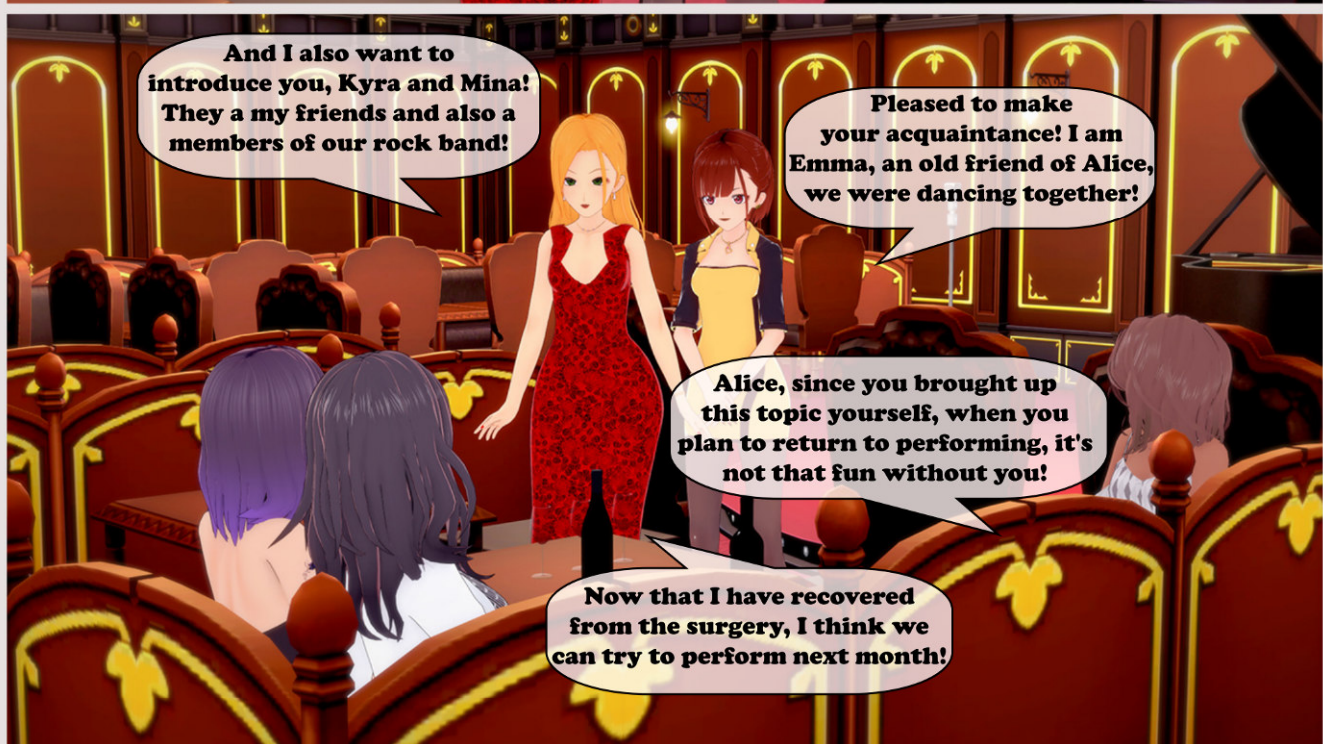

It's a little strange, but it's been almost five years since we stopped communicating. What have you been doing these years?

I am still doing dancing, we became professionals with my partner, you could even say! I entered the university at the Department of Acting!

What else can I tell you, I'm dating my partner, your aunt is still our instructor! And that's it! Well, what happened to you during this time!?

As you can see, in the end I decided to live as a woman and now I have finally become one! This Saturday I'm getting married to the most wonderful man! This year I'm finishing my studies and I'm going to be a landscape designer!

And I also want to introduce you, Kyra and Mina! They are my friends and also members of our rock band!

Pleased to make your acquaintance! I am Emma, an old friend of Alice, we were dancing together!

Alice, since you brought up this topic yourself, when you plan to return to performing, it's not that fun without you!

Now that I have recovered from the surgery, I think we can try to perform next month!

Probably because of this, it was difficult to readjust that you were not a girl!

By the way, Emma, I am still tormented by the question, why did we stop talking, is it because I then tried to become Alan?

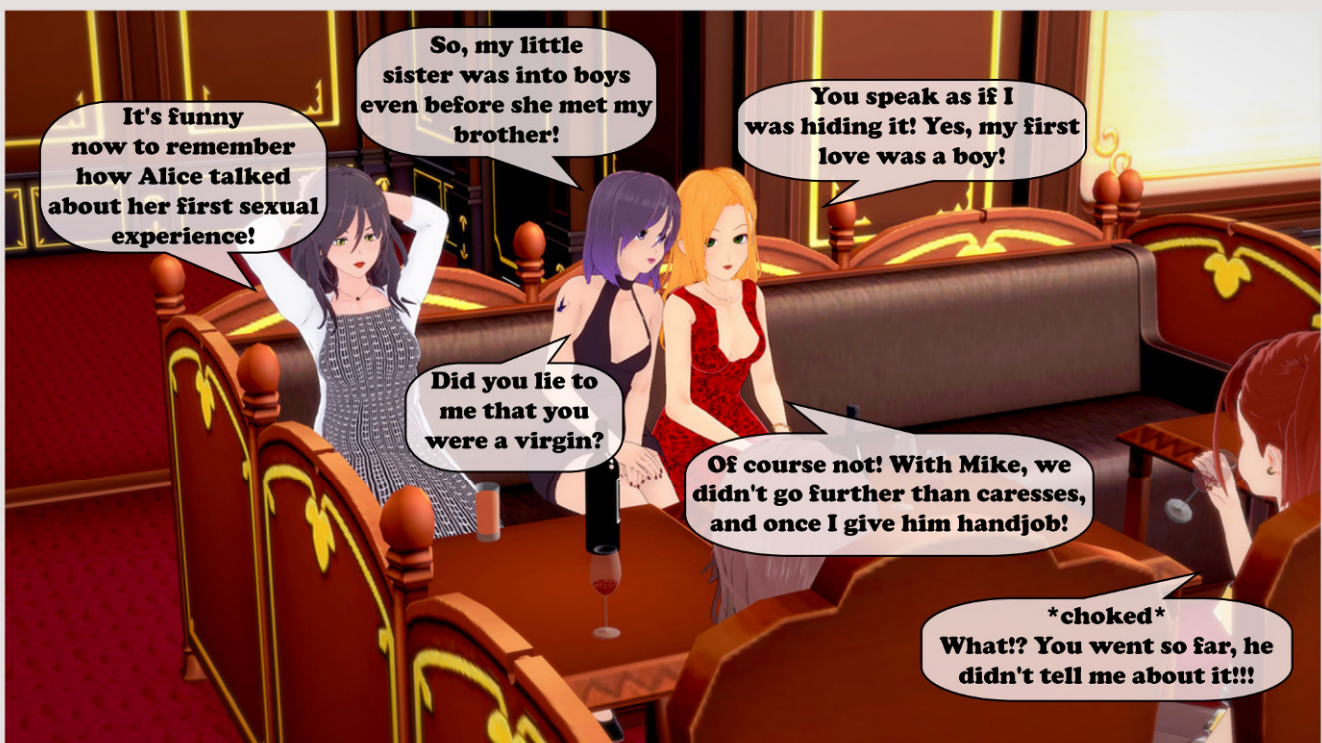

Emma seriously, at least don't invent ridiculous reasons while I'm here!

Fine... Alice, after you quit dancing, your aunt paired me with Mike, and three months later we began dating!

Wow! This is definitely an unexpected turn! Tina, you knew about this and didn't tell me anything!?

I'm sorry Alice, it was too awkward for me to continue being friends with you!

You were heartbroken! Glenn and I decided that it's better for you not to know that your ex is dating your friend!

**It's funny now to remember how Alice talked about her first sexual experience!**

**So, my little sister was into boys even before she met my brother!**

**You speak as if I was hiding it! Yes, my first love was a boy!**

**Did you lie to me that you were a virgin?**

**Of course not! With Mike, we didn't go further than caresses, and once I give him handjob!**

**\*choked\*  
What!? You went so far, he didn't tell me about it!!!**

**It turns out we are kind of colleagues! I'm a dance instructor, I work with preschoolers!**

**By the way, Mina, how are you? I'm sorry that we haven't talked much lately!**

**Ordinary!  
I still remain a homeroom teacher, sometimes we perform in a duet with Kyra, but everything else is pretty boring.**

**Yes, that's right! But it's somehow not mine, I was always drawn to dancing! And I am grateful to your aunt that she took me to work for her!**

**By the way, Tina, like Glenn, you graduated from law school!**

**Thank you, but you know, being a journalist has never been my goal... I always dreamed that I would sing!**

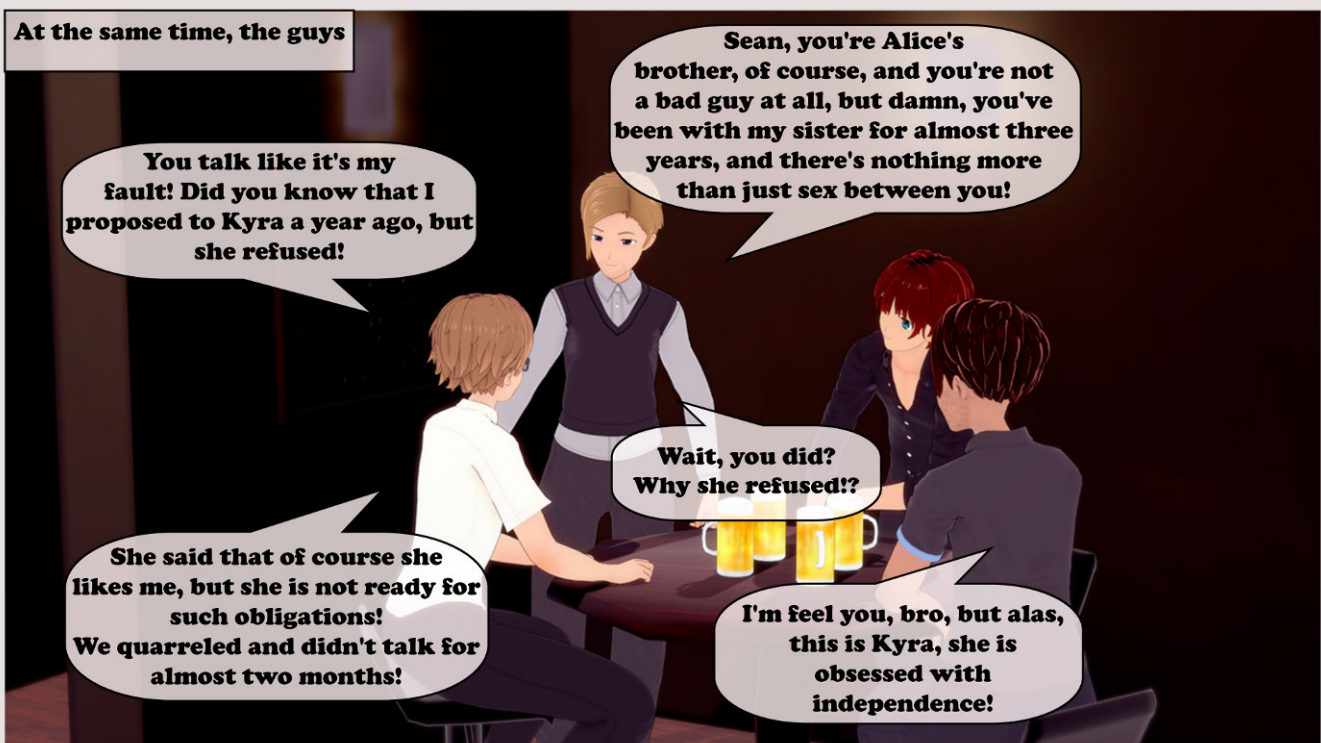

**I read your last article, you're getting better and better at this!**

**It was my teacher's advice, I always managed to write texts. And dreams, they are not always destined to come true, although I am glad that I can be a singer at least as a hobby!**

**Then why did you choose this profession?**

**By the way, I heard that you staying with my brother in the same apartment! It's not really my business, of course, but how far your relationships have come?**

At the same time, the guys

You talk like it's my fault! Did you know that I proposed to Kyra a year ago, but she refused!

Sean, you're Alice's brother, of course, and you're not a bad guy at all, but damn, you've been with my sister for almost three years, and there's nothing more than just sex between you!

Wait, you did? Why she refused!?

She said that of course she likes me, but she is not ready for such obligations! We quarreled and didn't talk for almost two months!

I'm feel you, bro, but alas, this is Kyra, she is obsessed with independence!

Paul, thanks for the intention, but better not go into it!

I'll have a serious talk with her, someone has to put her brains in place!

He's right, you can only make it worse!

Of course she doesn't! And I hope you won't tell her about it!

Does your sister know about this!?

And so you're saying that about a year ago, Sean proposed to you!!! I understand why he didn't say anything, but why did you hide it from me?

Because I knew you'd be angry! And start a serious conversation!

Now I'm angry, but then I wouldn't impose my opinion on you, you're adults, it's your choice! But I'll ask you one thing, if you don't have feelings for him, then at least just let him go!

I don't know.. Maybe I love him, but this step will change everything! I have a life that I like, and I will have to change it! We even live in different cities!

Apparently I was wrong, adults could just discuss, and not hide!

Okay, okay, I'll talk to him after your wedding!

After the party, Tina and Alice decided to take a little walk

What are your impressions of the "bachelorette party"?

Don't know. I was expecting something crazier, a handsome stripper on the table, a lot of alcohol and stupid deeds!

Honestly, I can't imagine you in such an environment! You're not even really drunk!

Alas, that's truth, I'm not a loose girl at all! But I'm still glad that we were able to get together like this, just girls!

Are you still clinging to this part of yourself even when you turn into a wife tomorrow?

Although you know, even now that my body has changed so much, inside I'm still the same boy who pretended to be Alice!

So at the end of the day you still think of yourself as a guy living the life of a woman?

I'm not clinging, it's just who I am! I've never been a girl trapped inside a guy's body! And perhaps if it weren't for the prank of my aunt and mom, I would never have known that living as a woman suits me much more!

Frankly, I do not know what to tell you! Probably just that from my perspective, you look happy!

This is a very controversial issue! I have completely changed, and not only externally! The way I feel and the way I think! What I like and irritate! In these aspects, I am a woman, and Alan is just my memory!

Oh, you're making me blush! And I'm glad you think that about me, because it's mutual!

Of course I'm happy! The love of my life is by my side, I am surrounded by wonderful people! And I also have you, a very special person, much more than just a sister!

**Wonderful, Mr. Brams! It was one of the best days of my life!**

**So, Mrs. Brams, how does it feel to finally become my wife!?**

**But we also have a long night ahead of us, and maybe we can make it unforgettable too!  
So how about you help me take off my dress!**

**I don't need to be asked twice! There is nothing in the world that I would desire now more than my beloved wife!**

**\*giggles\* Is that so! Didn't you tell me that I've been this way before!?**

**Oh my! You're so beautiful! Your body is a masterpiece!**

**Alright, but how about you stop talking and just take me! Because we both long for it!**

**Yes, you were the most delightful girly boy, but now you've become the perfect woman with the flawless body!**

**At this moment in your arms as your wife, I feel myself so lucky! I am grateful that I met you, that we fell in love with each other! I wouldn't have been able to get this far without you!**

**\*laughs\* Didn't you want me to shut up and get down to business!?! I'm no less lucky to be here with you right now!**

**\*laughs\* I didn't expect that the road to bed would be so long! It was necessary to keep up the mood with something!**

**Paul, how long are you going to stare at me like it's the first time you've seen me naked!?**

**I'm checking how wet you are! Besides, I kissed you so many times today, but these lips were deprived of my attention, it's time to mend it!**

**Hey Paul, what is it you're doing!?**

**Paul, you know, this is a bit...**

**I understand that you're a little scared because this is your first time, but I promise you'll love it!**

**He hasn't even gotten to my pussy yet, but the way he kisses my thighs just drives me crazy! \*moans\***

**Baby, your pussy is so beautiful, and so delicious! And you moan so sweetly!**

**I feel the warmth spreading through my body! And I'm so wet, is it his saliva mixed with my juices or it all me!?**

**Oh, he presses his tongue on my clitoris! I can feel it hardening! Oh! He'll suck it! My God, why is it so pleasant!**

**Honey, can I assume that you just experienced your first orgasm as a woman!?**

**\*breathes heavy\*  
I can't talk right now...**

**\*laughs\* I'll be back in a minute!**

**Geez, I really do that! I can still feel the aftershocks on my body and my legs are numb! It's so intense! It was worth becoming a woman just to experience it!**

**My! He was so good at it! It's even a little annoying that he understands my body better than I do myself! But to be fair I didn't have many opportunities to get to know my new body!**

**And I understand that I shouldn't, especially now that this man belongs to me, but I'm a little jealous of the girls who were with him before me!**

**I see that you have recovered a little! \*laughs\* Well, how are your impressions!?**

**It was really really good! But maybe you've opened pandora's box! Because having known such pleasure, I may want it even more!**

**You will only need to say a word! There is nothing more important in the world than to satisfy the desires of my woman!**

**I will keep in mind! \*Kissed him\* But what about your desires and needs, as I see your dick is on edge! Do you want me to repay you!?**

**As tempting as it may sound, but I have to refuse! I've been waiting for the opportunity to cognize your new body for so long that I don't want to be distracted by anything! \*gently bites her nipples\***

**\*sweetly moans\* Didn't you want to focus on the new parts of my body!?**

**There is no means to rush! Especially knowing how much you love when I caress your breasts! And now your body emits such a pleasant scent when you get excited! And you're getting so wet down there waiting for my dick!**

**I want so much to finally feel him inside of me, but the way he teases my body is also very pleasant and I don't want it to end!**

**And so my love, how do you want to do it!? Do you wish me to take everything into my own hands, or do you want to be on top and control the process as usual!?**

**I, I need you to take me the way you want it! I want to feel dependent on you, to give myself completely and become one!**

**Alice, I'm inserting! But are you sure? There will be no turning back!**

**Turning back? We've crossed that line a long time ago! I'm your wife, and all you have to do is finally make me your woman!**

**In the morning**

**\*Snoring\***

**It's nice to wake up in the morning in the same bed with your husband! And he's so cute lying and snoring! However, he deserved some rest after what he did with me last night! And I should probably admit to myself that it was the best night of my life, and what we did felt really good and absolutely right!**

*The End!*
