John stared outside at this new bigger world he had to face. Everything looked so BIG to him now! Little did he know, not only would he have to face this new bigger world, he also had to face his new bigger girlfriend...

Joyce & John

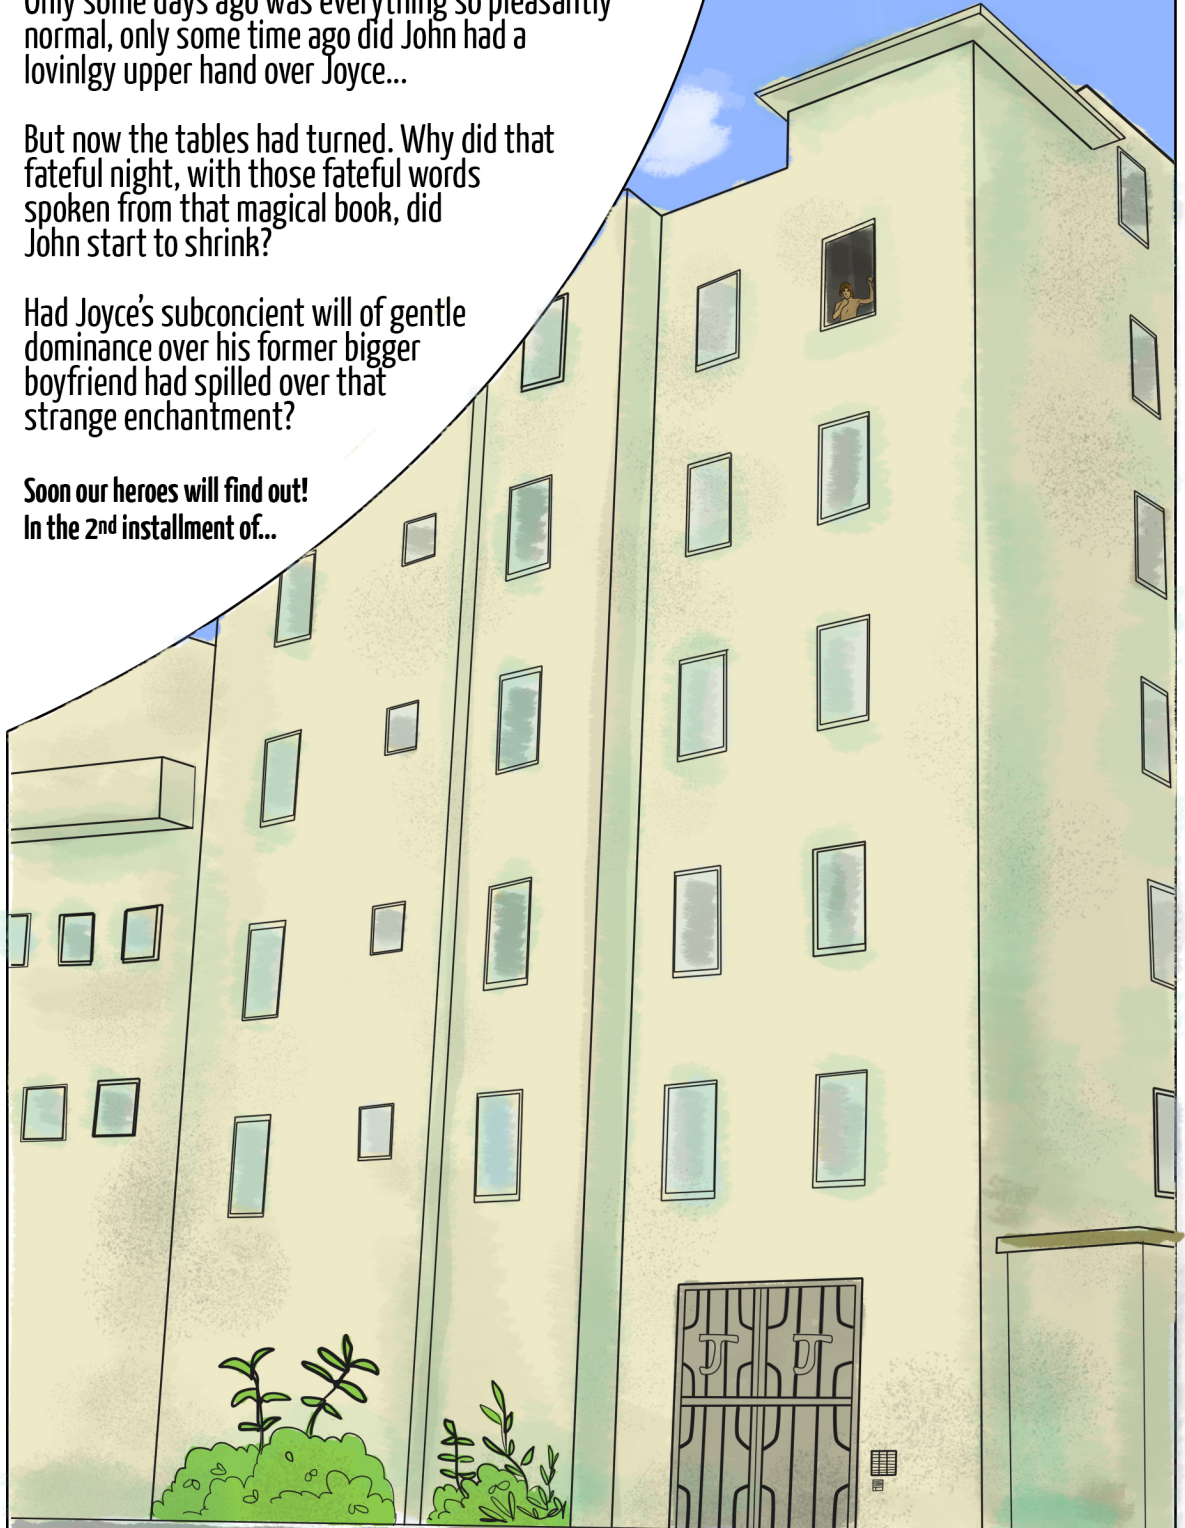

Turning the Tables

Only some days ago was everything so pleasantly normal, only some time ago did John had a lovinlgy upper hand over Joyce...

But now the tables had turned. Why did that fateful night, with those fateful words spoken from that magical book, did John start to shrink?

Had Joyce's subconcient will of gentle dominance over his former bigger boyfriend had spilled over that strange enchantment?

Soon our heroes will find out!
In the 2nd installment of...

It's already
four o'clock...

I have to find some clothes
that fit me. Joyce will be home soon!

Too big...

Maybe I can find
something that fits me
in this old pile of clothes...

A man with long brown hair, shirtless, is holding a large, dark blue high-heeled shoe. He is looking at it with a surprised expression. The background is a light green patterned wall.

Dam, that's big!

A man with long brown hair, shirtless, is holding a large, black pair of underwear. He is looking at it with a surprised expression. The background is a light green patterned wall.

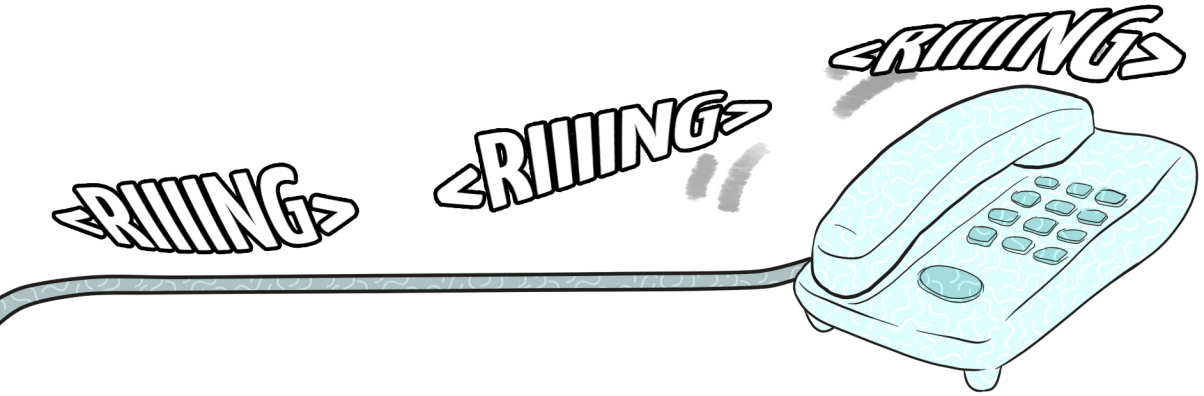

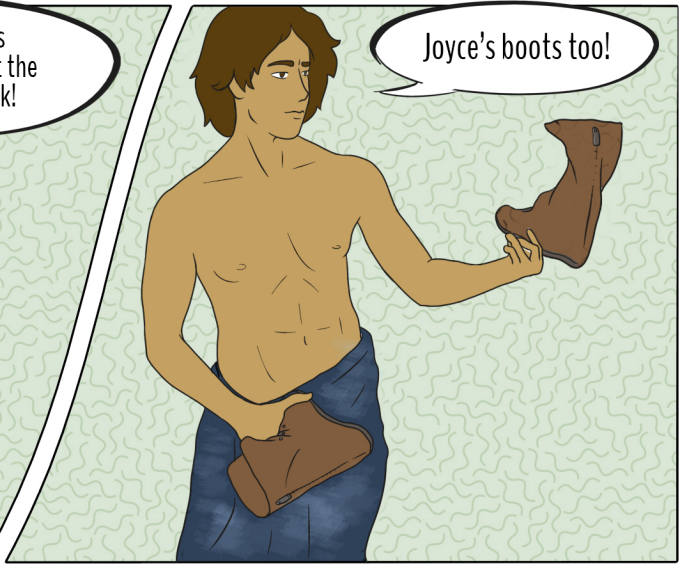

Wow!

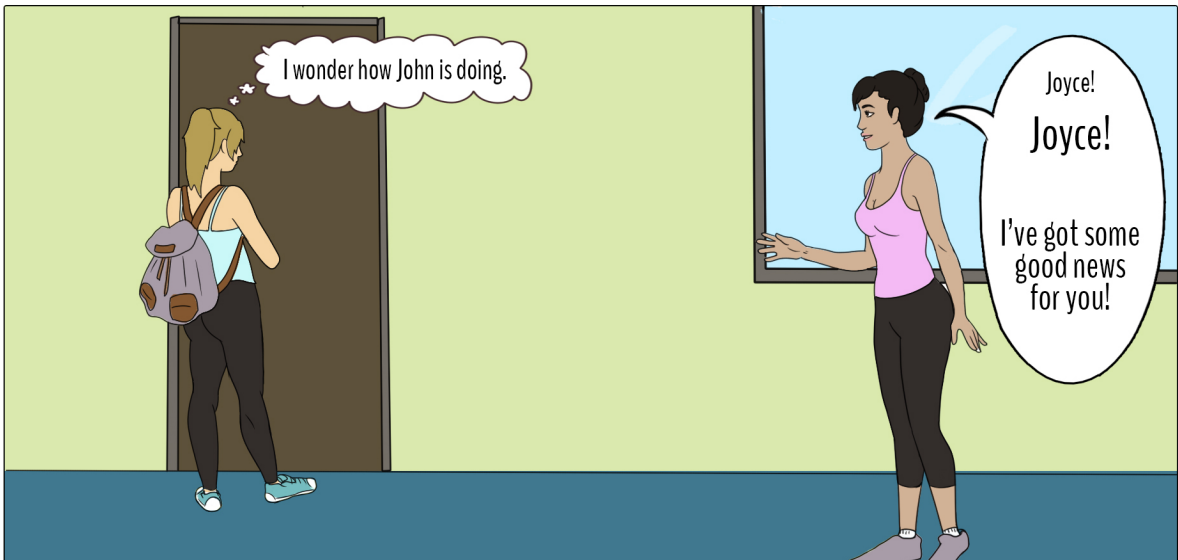

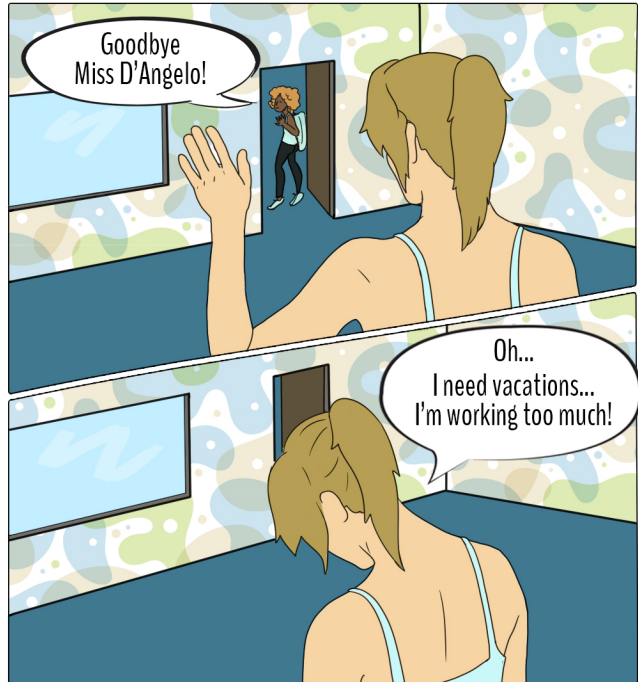

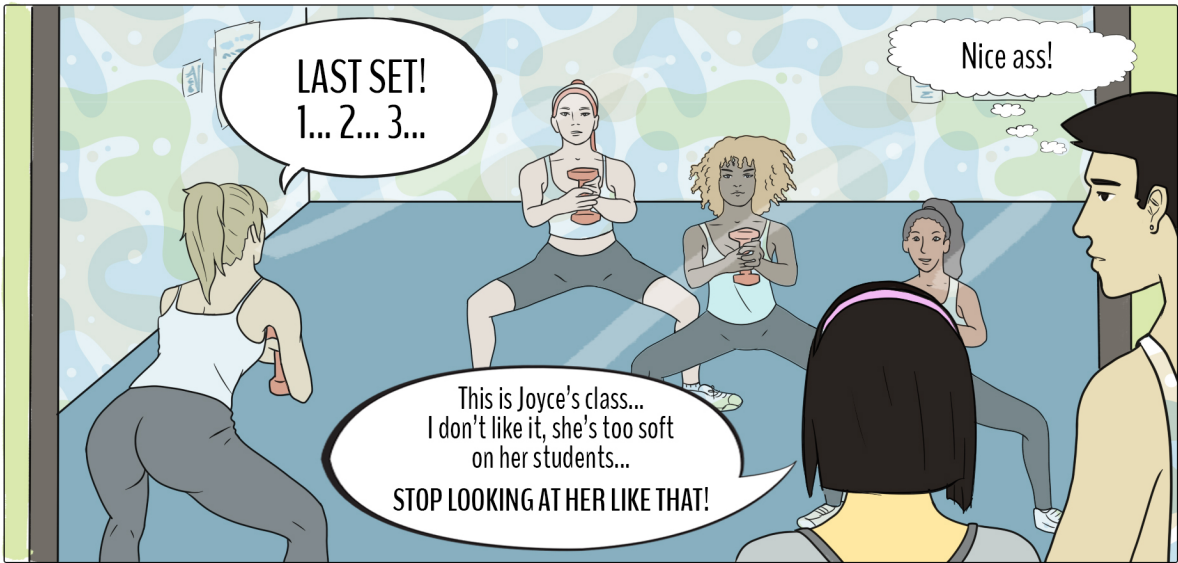

A man with long brown hair, shirtless, is holding a small, black bikini top. He is looking at it with a surprised expression. The background is a light green patterned wall.

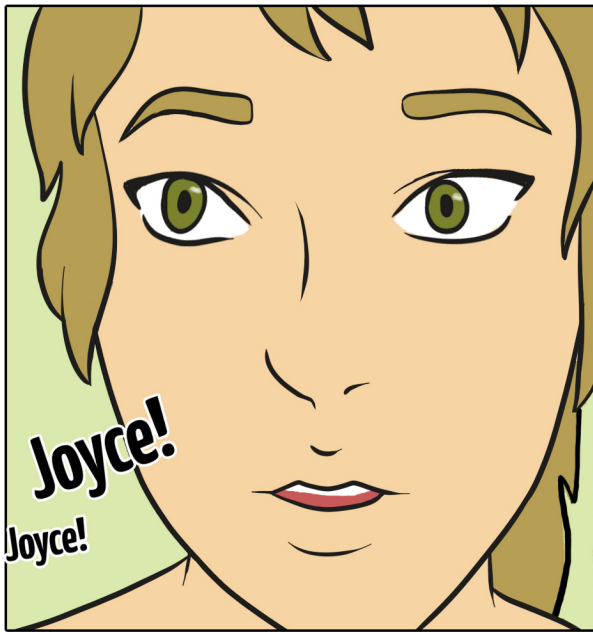

How small have I gotten?

A man with long brown hair, shirtless, is sitting on the floor next to a wicker laundry basket. He is holding a small, brown pair of pants. The background is a light green patterned wall.

There has to be something that fits me!

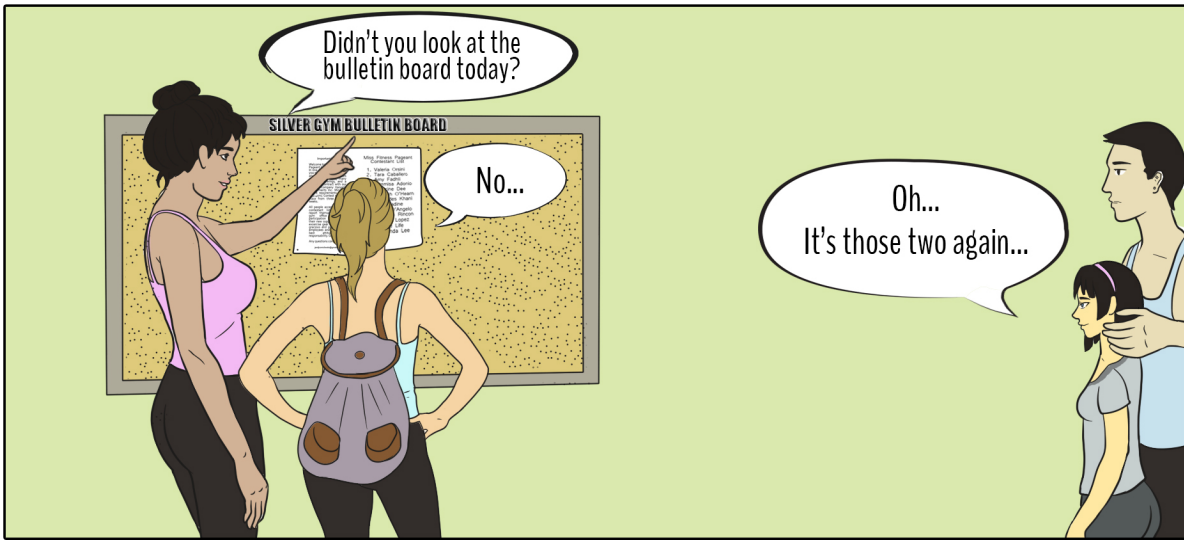

Come with me!
I have to show
you something!

Take it easy
Karen...
You scared
me!

Didn't you look at the
bulletin board today?

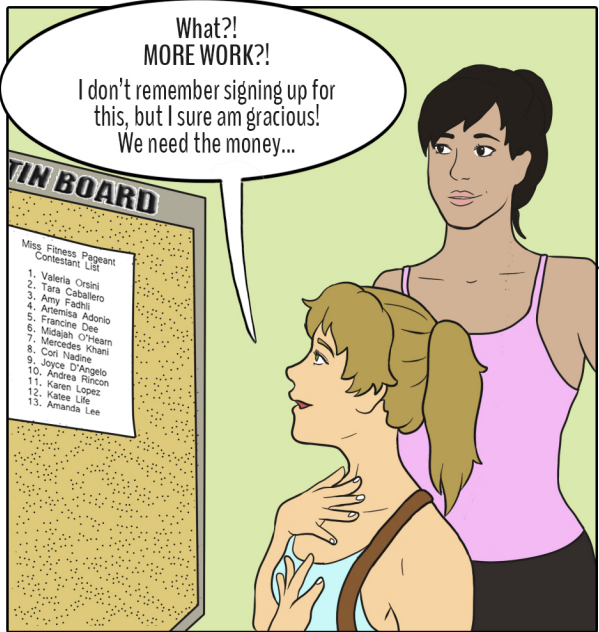

No...

Oh...
It's those two again...

Hi honey, I'm home!

Hi Joyce...
I've been looking for information about what happened to me.
I can't find any...

And... I got a phone call today...
I had to turn down that new job offering.
I can't do it being this small!

Don't worry about it...

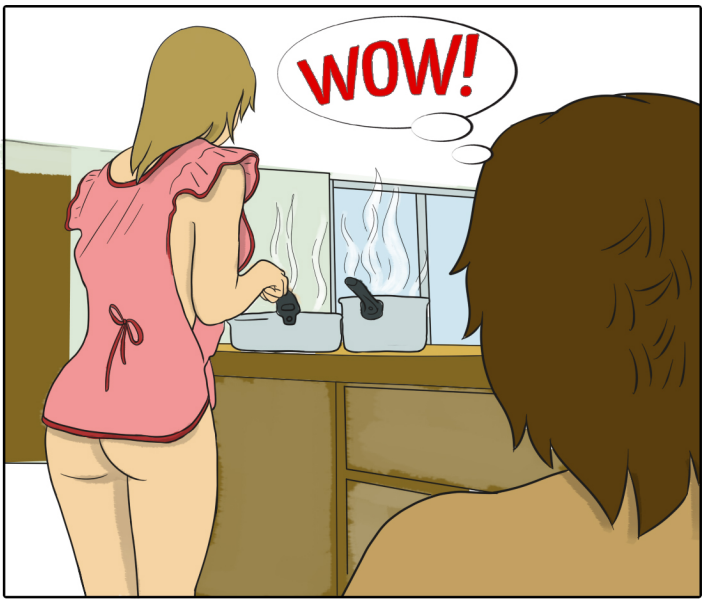

I'm here for you.

I know what will make you feel better!
I'll cook your favorite meal!

Dinner is ready!

WOW!

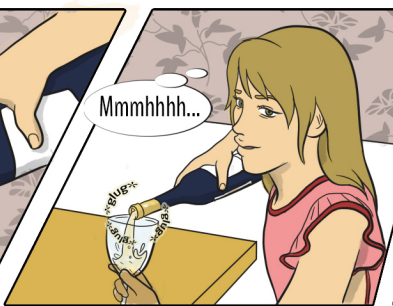

Thanks for the meal Joyce... But I still feel bad about losing that job offer.

I mean, how will we pay the rent next month?!

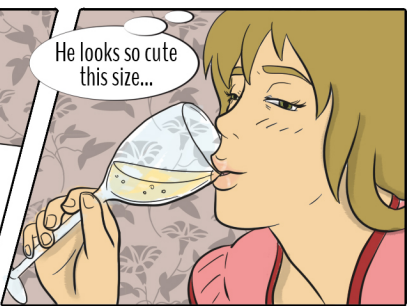

About that... Don't worry, I've got a new job offering today at work, but enough talk.

Let's drink a little white wine and relax...

Mmmhhh...

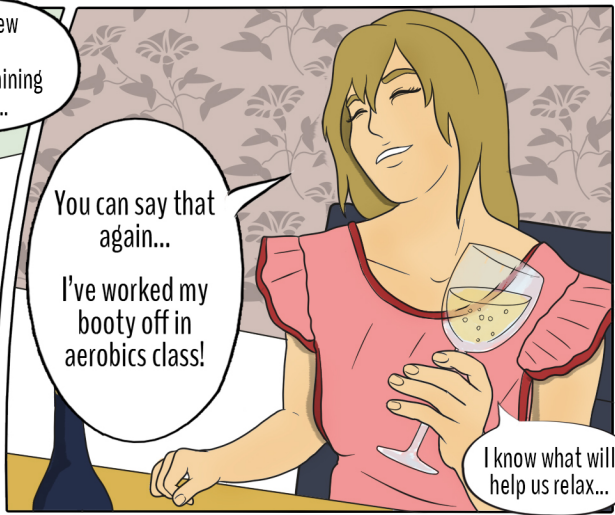

He looks so cute this size...

Why is she looking at me like that?

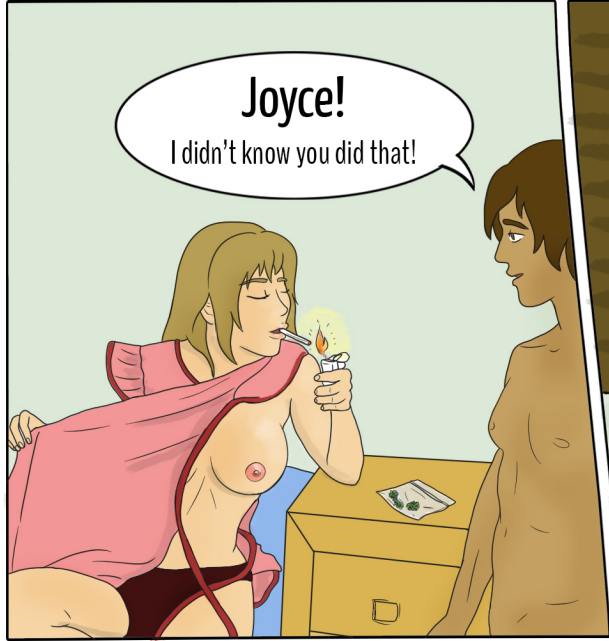

So tell me about your new job offering!
I thought you were complaining you worked too much...

You can say that again...
I've worked my booty off in aerobics class!

I know what will help us relax...

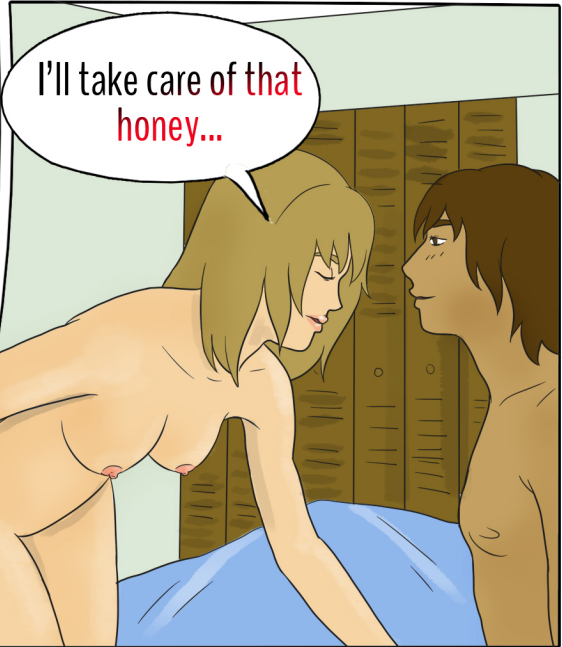

Joyce!
I didn't know you did that!

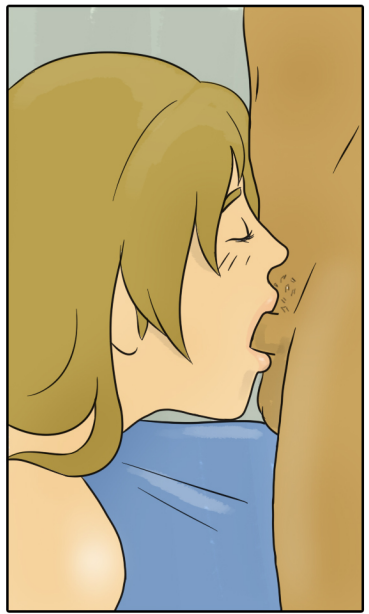

It's the best thing you can do after an intense work out!

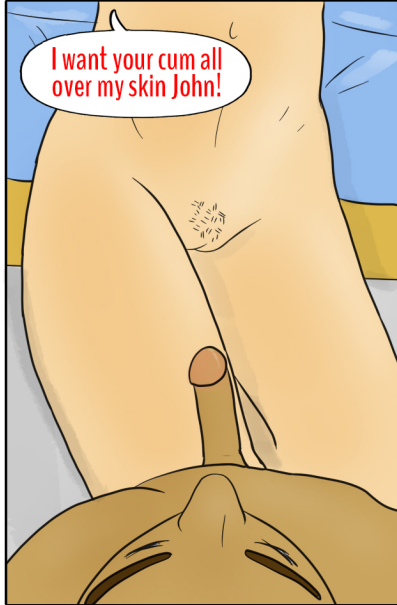

I can see your friend is up and eager to see me!

I'll take care of **that** honey...

Mmmhhhh...

I want your cum all over my skin John!

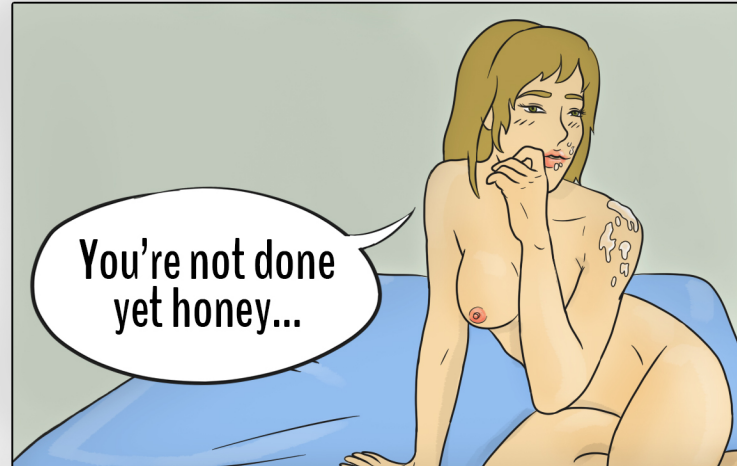

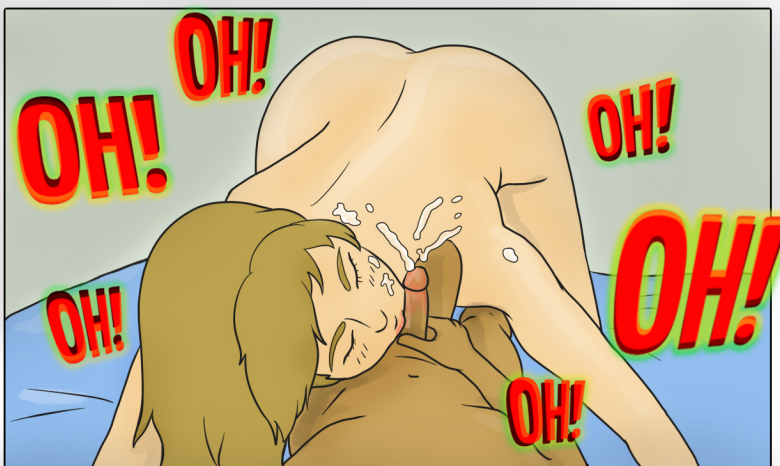

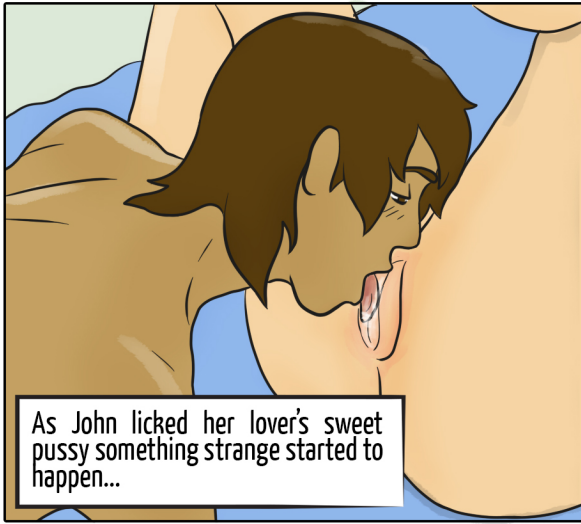

Lets go somewhere more comfortable...

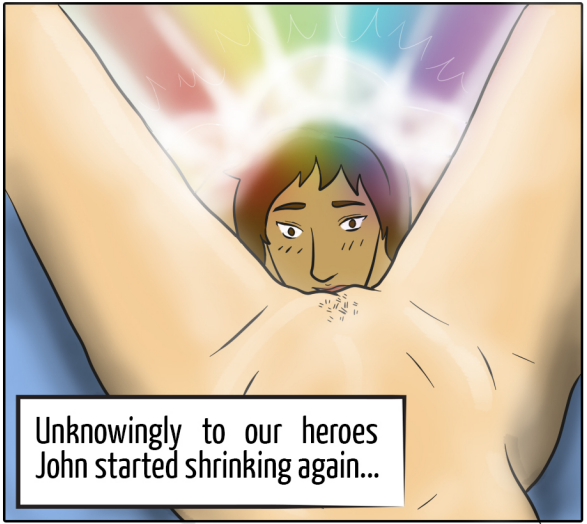

I'm going to suck him ALL up...

I feel so light headed...

As John licked her lover's sweet pussy something strange started to happen...

Unknowingly to our heroes John started shrinking again...

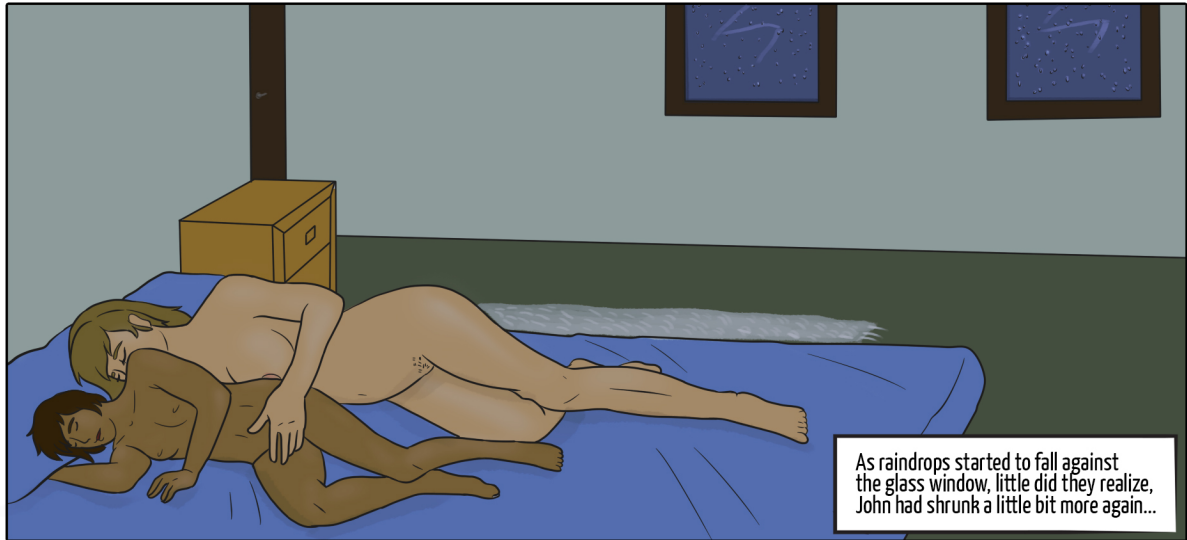

Oh honey! That was great!

I feel... I feel something's not right. Do I look smaller to you?

You're just tired honey... It's been a long day, let's go to bed and rest...

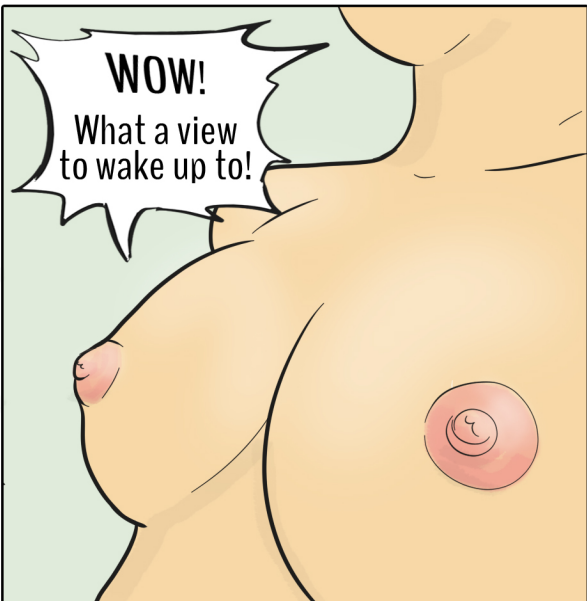

As raindrops started to fall against the glass window, little did they realize, John had shrunk a little bit more again...

He looks so adorable!

Good morning honey... Wake up sleepy head!

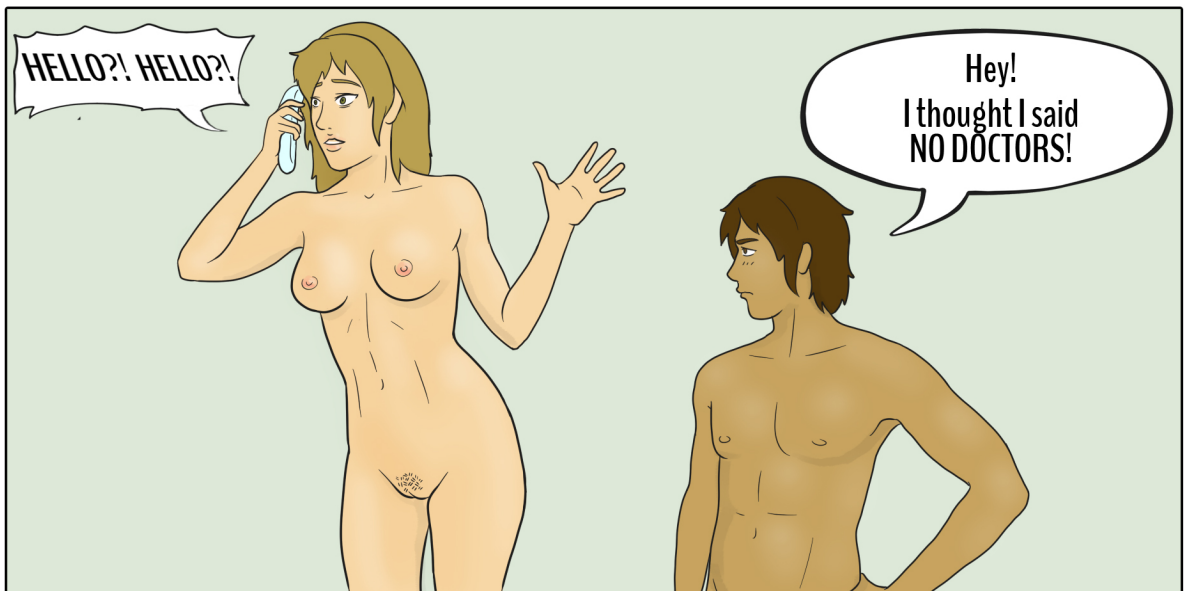

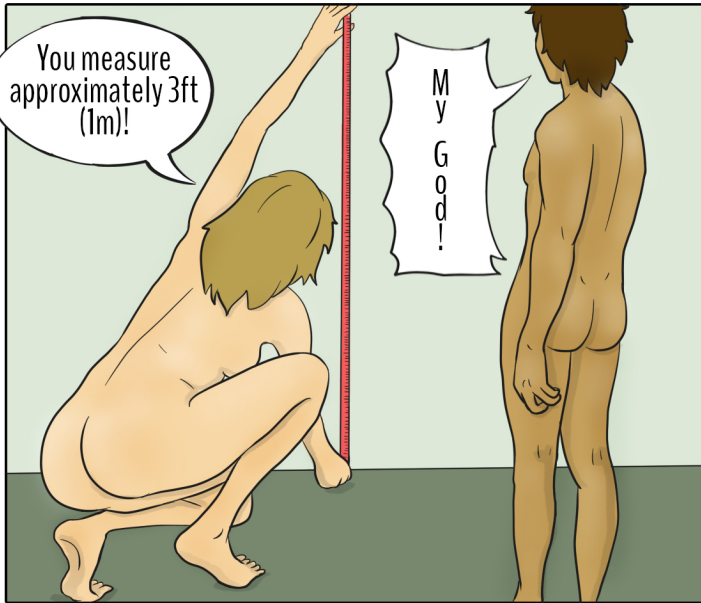

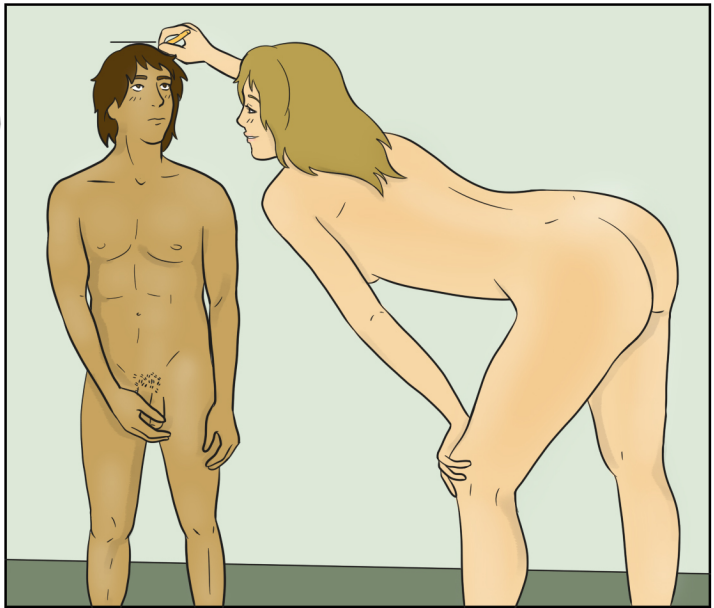

WOW!
What a view to wake up to!

Yaaaaaaaww!

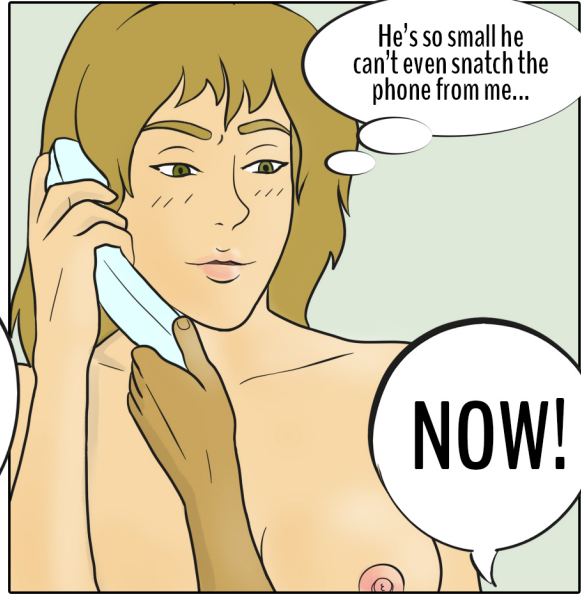

Joyce...
I still feel kind of strange!
Are you sure I don't look smaller?

Give me the phone dammit!

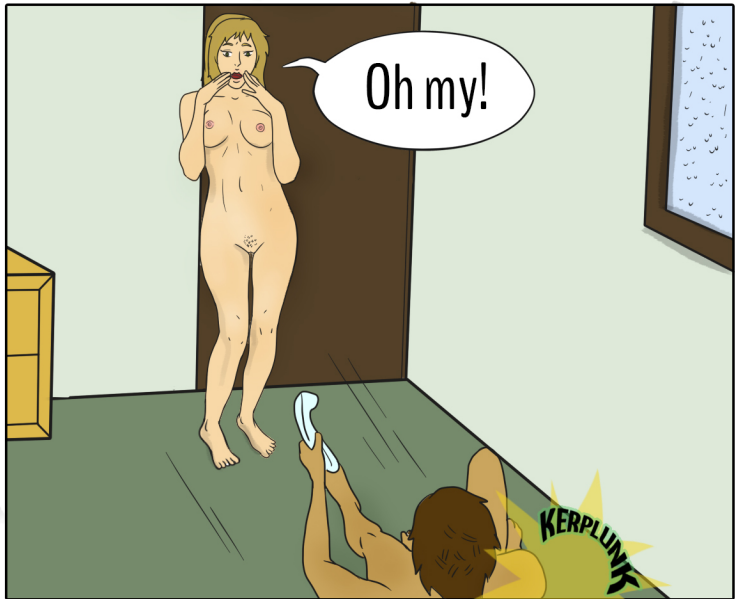

He's so small he can't even snatch the phone from me...

NOW!

HERE!

whoaaw

Oh my!

KERPLUNK!

I'm sorry!

I told you! No doctors! If we're going to solve this! We are going to do it on our own!

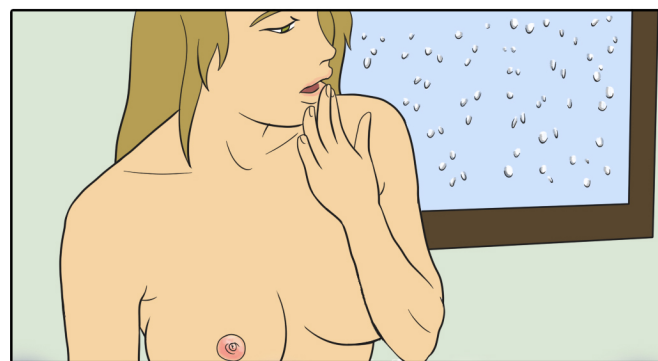

The clothes we had on that night at the beach also shrunk with me!
Something happened that night that caused all of this!

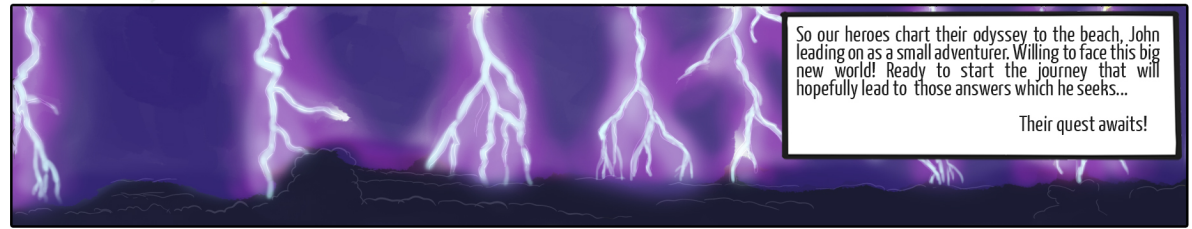

Oh my God!
The only strange thing I remember happened that night was meeting that gypsy!

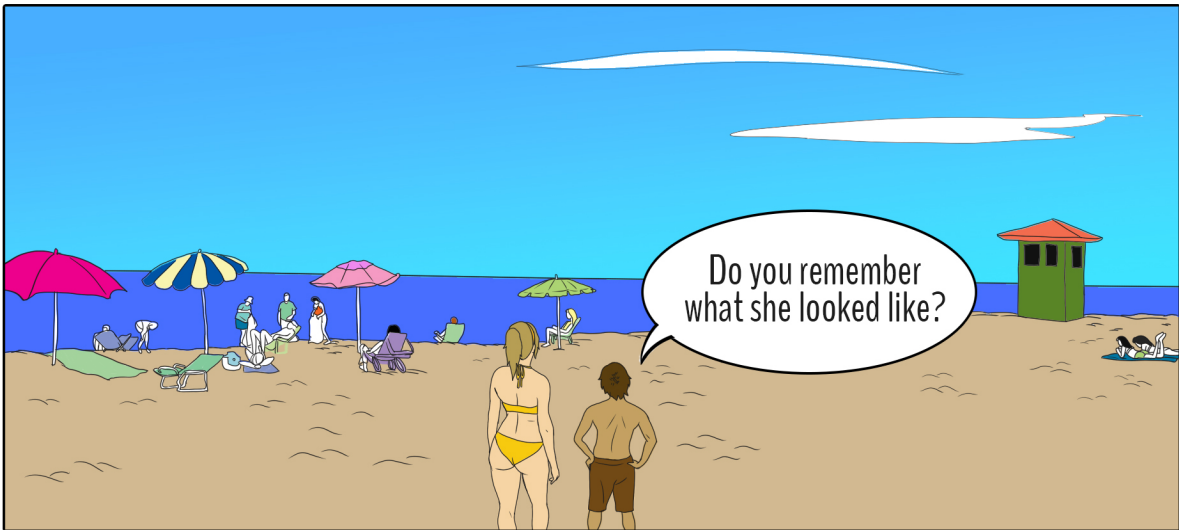

That's it!
We have to find...
THE GYPSY!

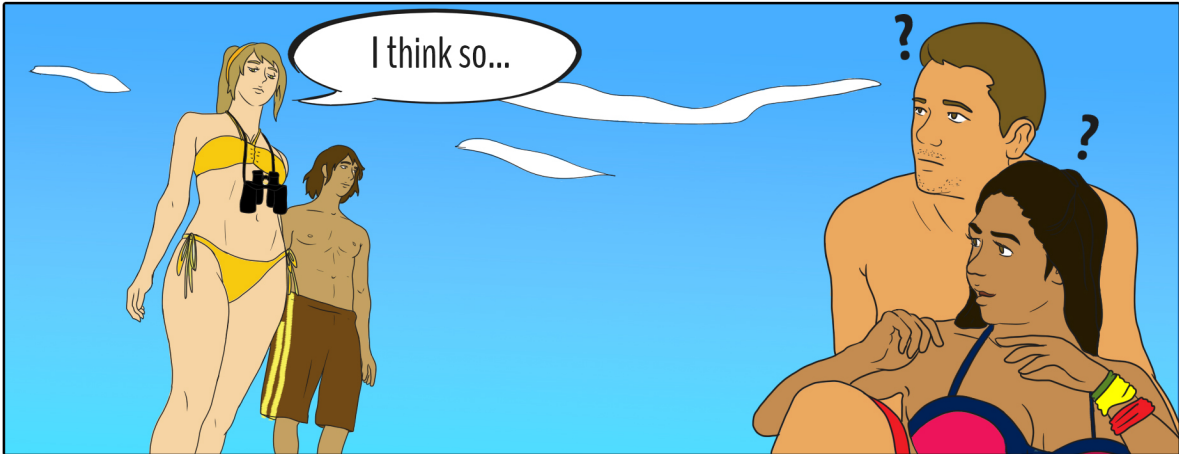

Tomorrow, after the storm passes!
We're going back to that beach!

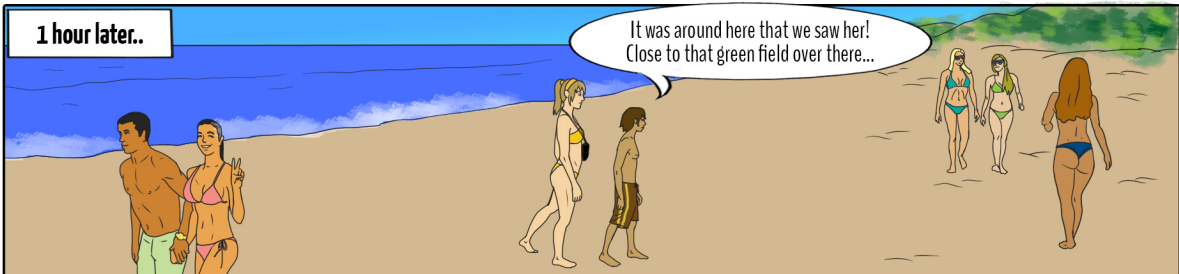

So our heroes chart their odyssey to the beach, John leading on as a small adventurer. Willing to face this big new world! Ready to start the journey that will hopefully lead to those answers which he seeks...
Their quest awaits!

Do you remember what she looked like?

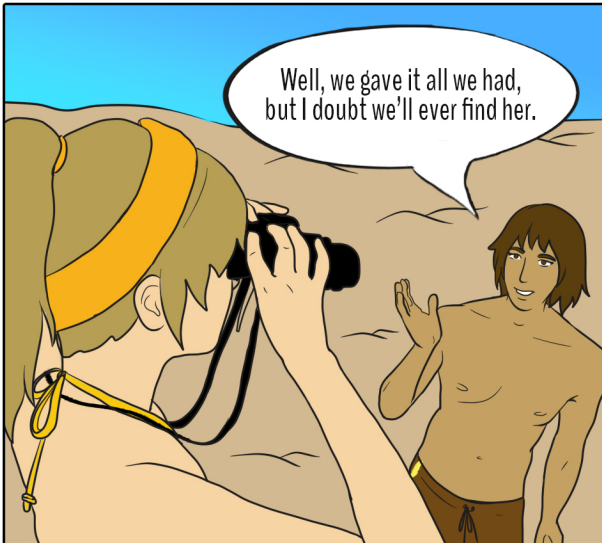

I think so...

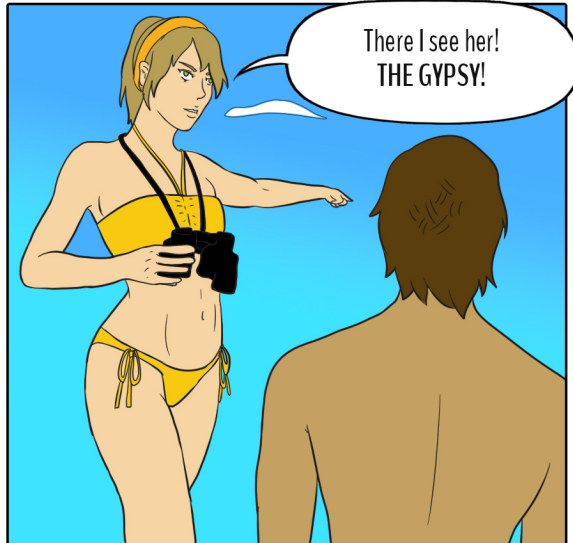

1 hour later..

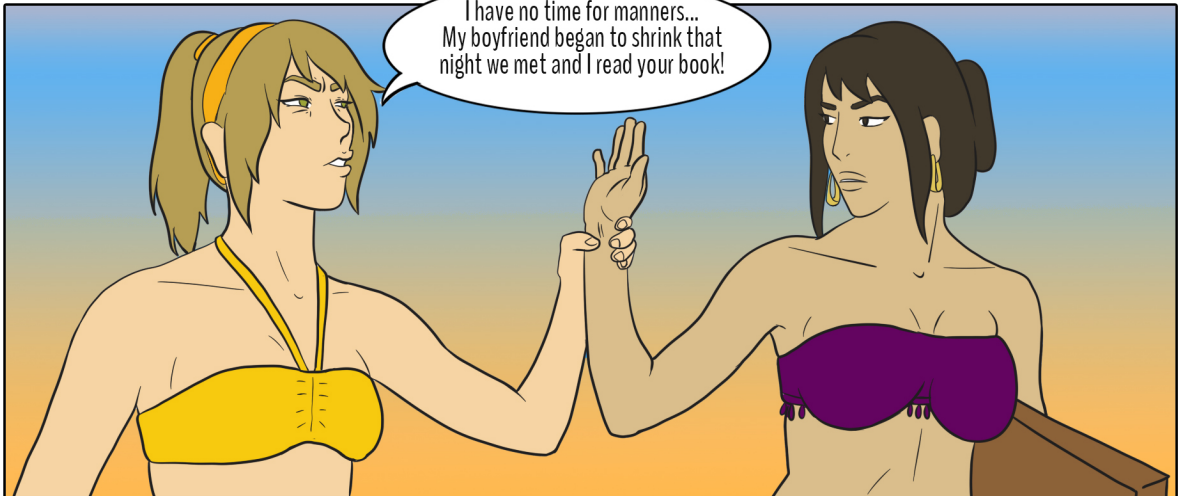

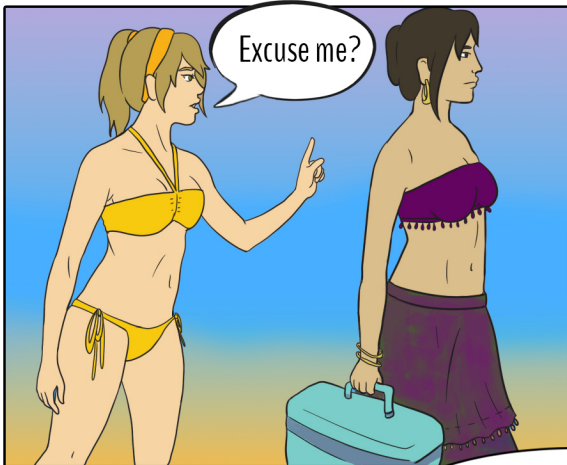

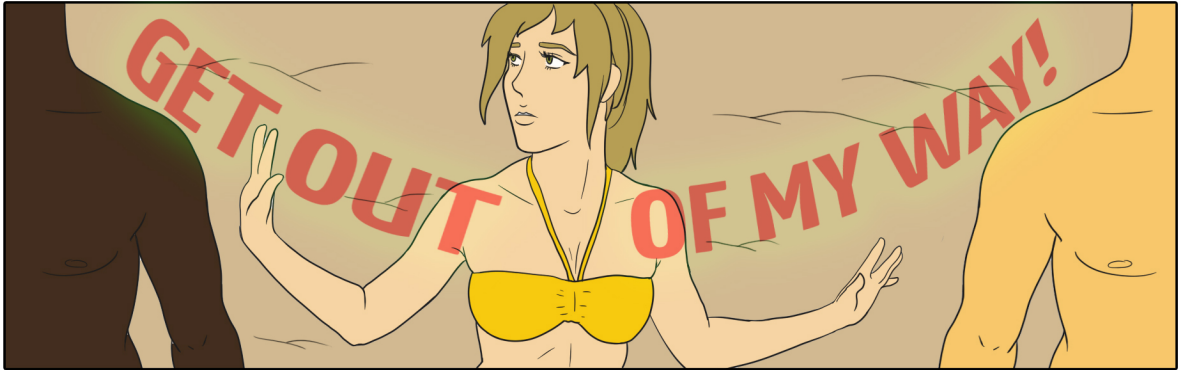

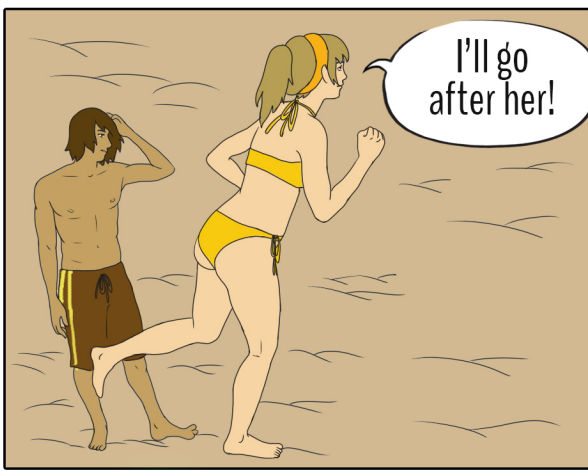

It was around here that we saw her!
Close to that green field over there..

Well, we gave it all we had,
but I doubt we'll ever find her.

There I see her!
THE GYPSY!

I told you that
was no toy...

Can it be
reversed?

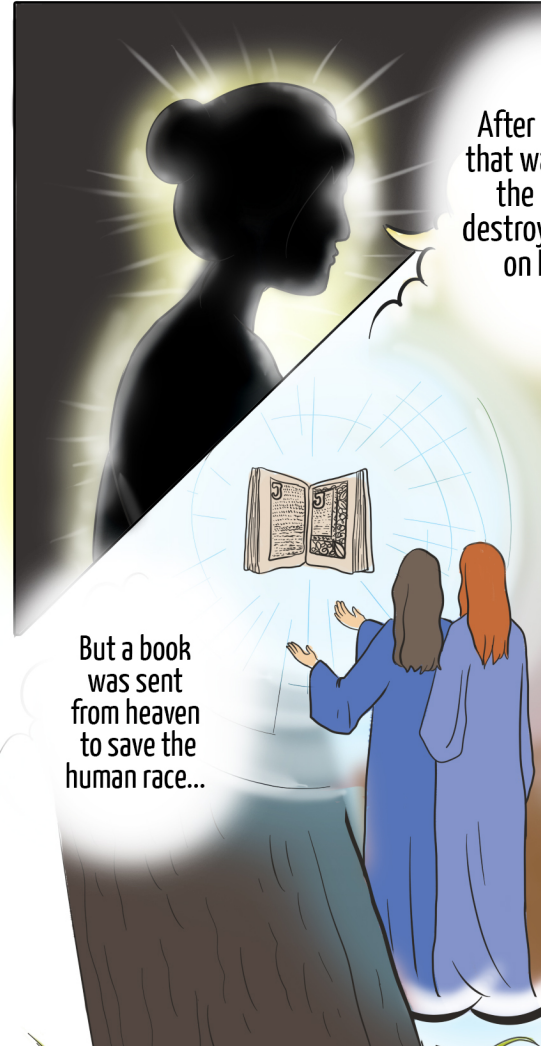

With magic there seems to always be
some form of balance. You have disturbed
that balance.

YOU HAVE NO IDEA WHAT YOU HAVE DONE...

That book has been passed down from
generation to generation in my family.
It's a mysterious and strange book,
I myself haven't even been able
to translate it yet!

So it was the book!

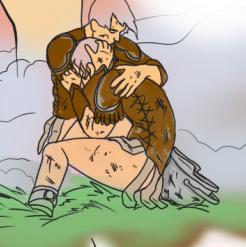

After the flood that was sent by the gods to destroy all giants on Earth...

But a book was sent from heaven to save the human race...

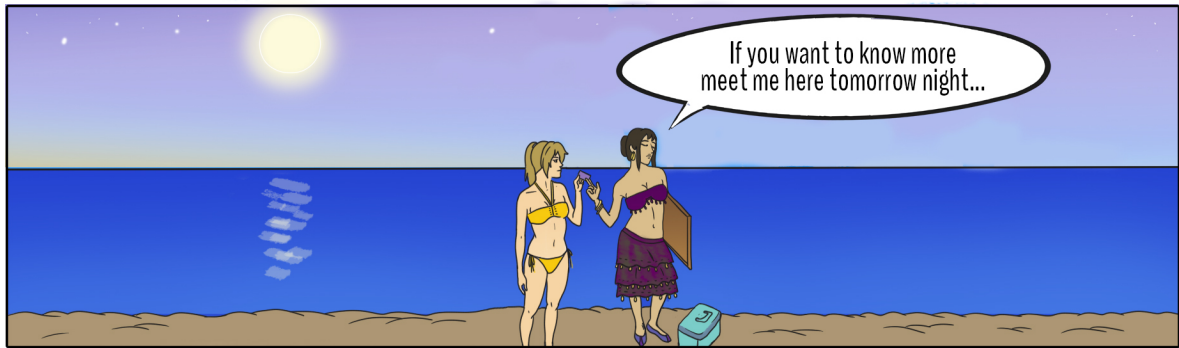

The ones that were able to survive turned into barbaric and cruel masters...

And with the magic contained in that book, the giants were shrunken down and turned into elves.

Banished to live in the forest, where it is said that till' this day, they are still learning humility.

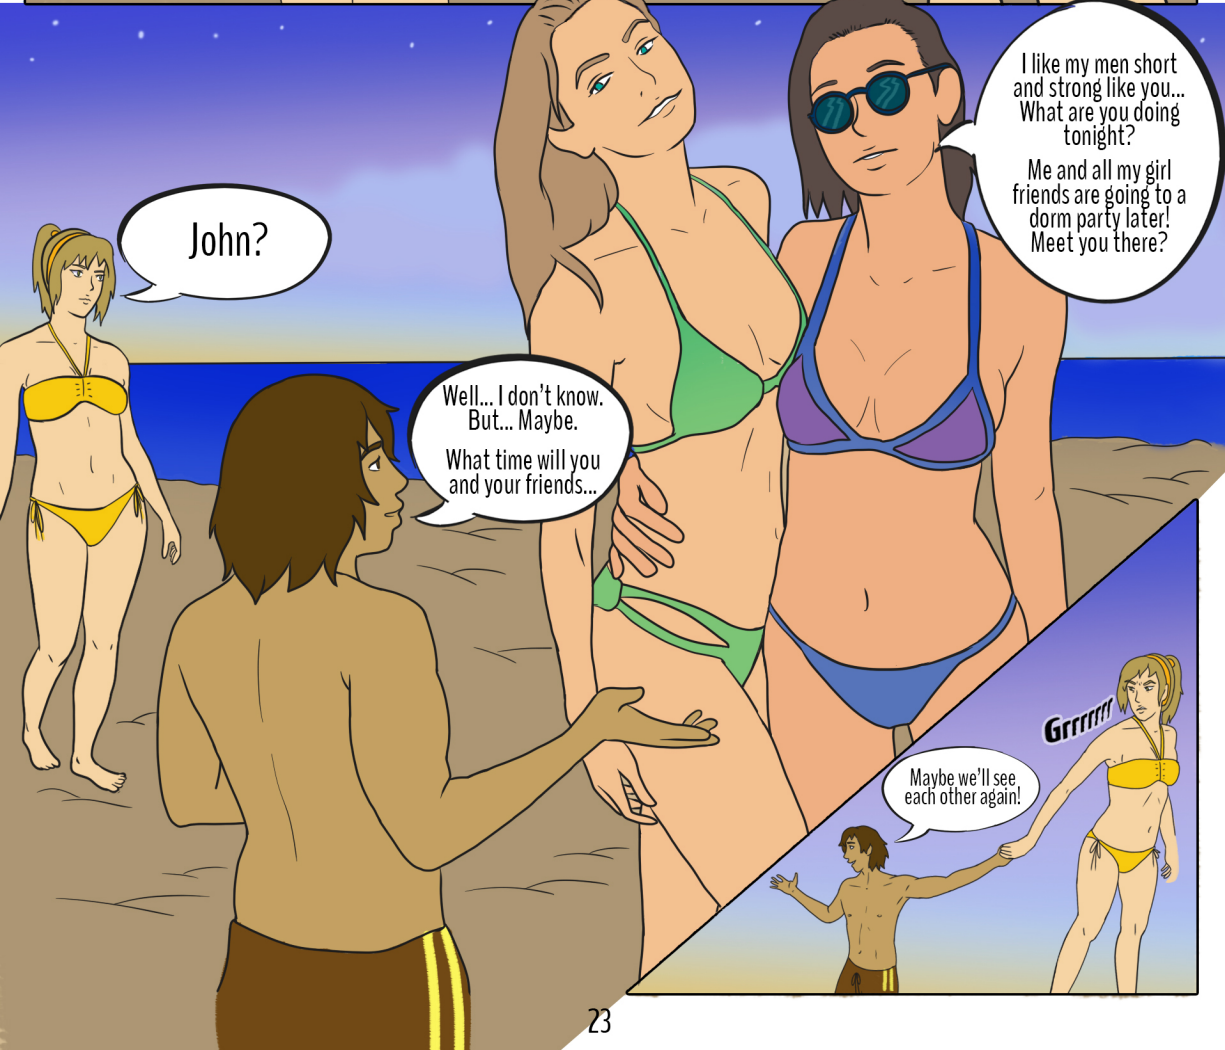

If you want to know more meet me here tomorrow night...

What have I gotten John into?

John?

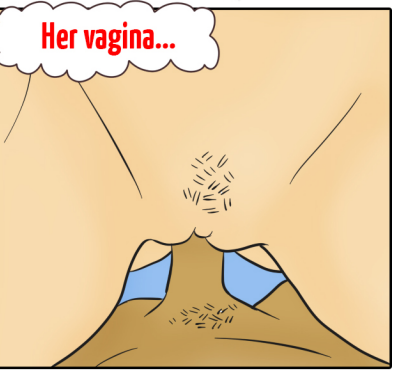

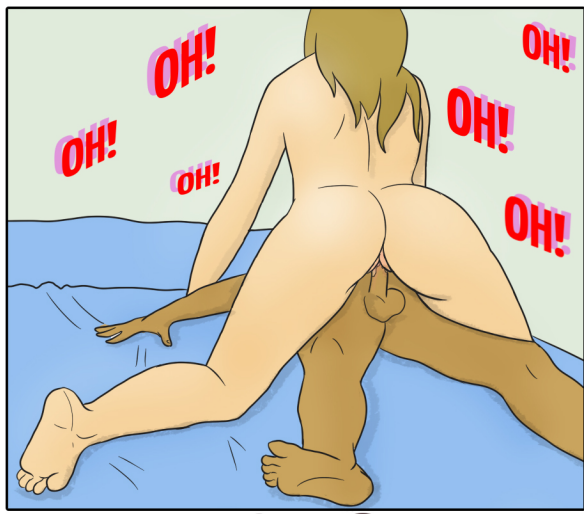

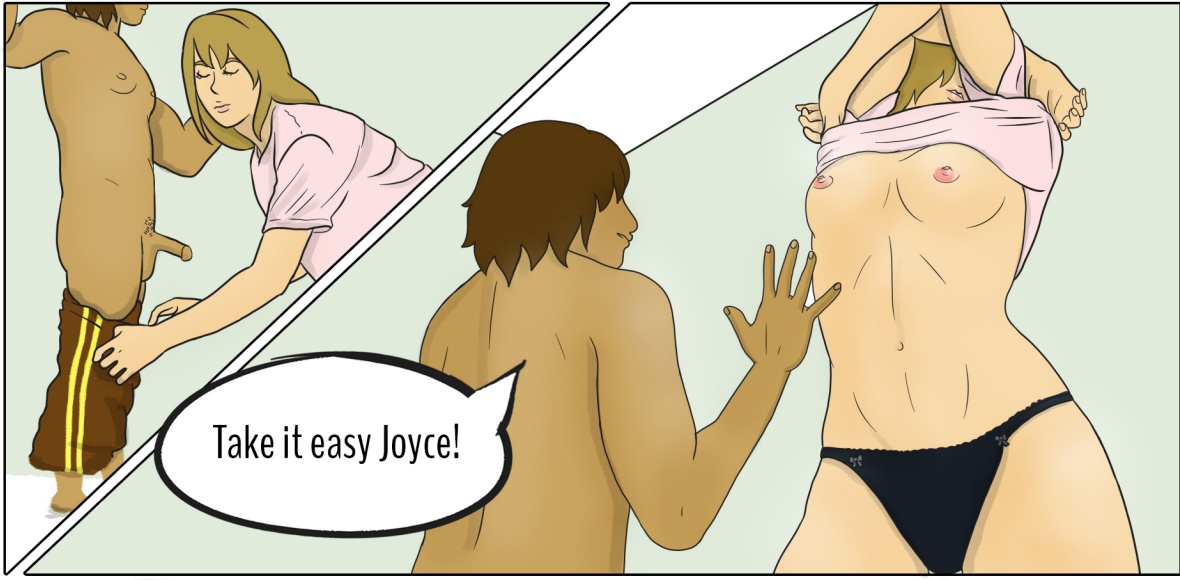

Well... I don't know. But... Maybe. What time will you and your friends...

I like my men short and strong like you... What are you doing tonight? Me and all my girl friends are going to a dorm party later! Meet you there?

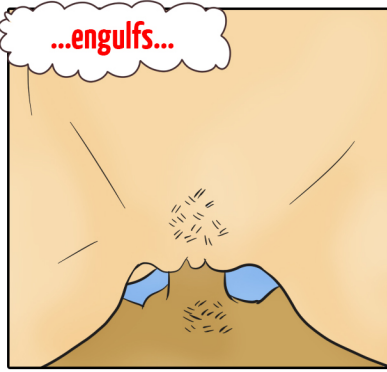

Grrrrrrr!
Maybe we'll see each other again!

Our heroes both return to their home... John was happy that their quest was succesful, having found the gypsy, but Joyce was in no good mood, especially not for being spoken down to...

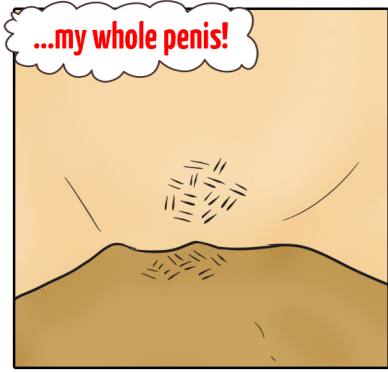

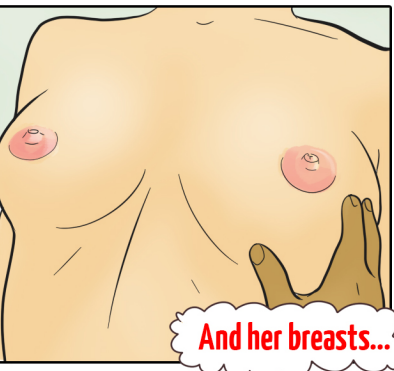

Her vagina...

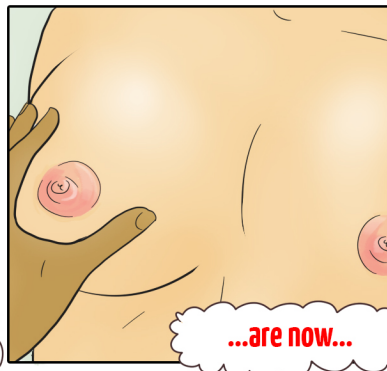

...engulfs...

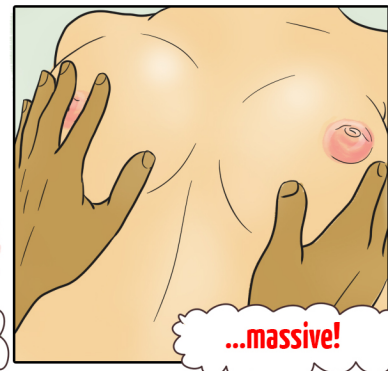

...my whole penis!

And her breasts...

...are now...

...massive!

Give it to me doggy style!

AH!

AH!

AH!

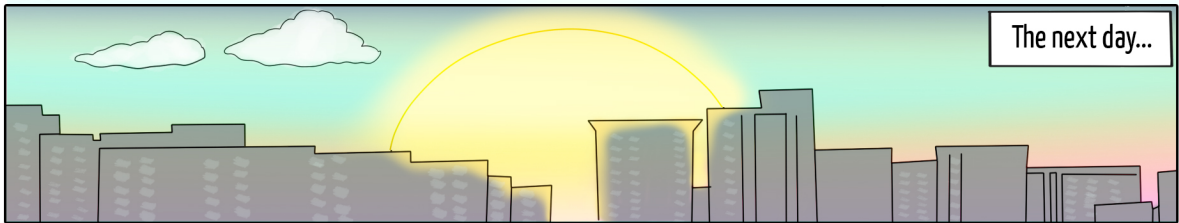

I'm cumming!
I'm cumming!

JOHN!

So, after our heroes have their pleasant make up sex... They peacefully fall asleep.

The next day...

to be continued...
