No one would ever fall
for it!

Uhhh yeah...
no one...

It juices up your
curves while keeping
your waist trim!

I hope she's wrong.
I'll find out at lunch when
I go pick up the pills...

Later that day...

Hey Alina
any idea where Jack is?
I want to ask him about
a raise.

Ask? You mean you
want to seduce one
out of him with what you're
wearing today. He's in
a meeting with Mara, you
know, his girlfriend?

Oh please, like he
would ever go for a twig like
Mara. Them being together is
just an office rumor.

JUICY BOOM Pills

Part 1

by ZZZ aka Thatbumzzz

So what are we talking
about in our *meeting* today?
Giggle

Or how about the
huge sausage between
your legs?

Hmm we could talk
about the increasing number of
companies that invested in our
shipping services or...

Haha! That is definitely
an important company issue
that needs discussing!

Oh you are so thorough in our meetings Mara!

I wish I could take this for a ride at the office but he always makes it hard for me to walk right for a couple hours after sex. Hopefully those pills will help...

Later, during Mara's lunch break...

Gosh what was
I thinking meeting a complete
stranger in some back alley to buy
some imported drug from Holland?

For all I know she
could be some huge amazon that
just has her way with me and
takes all my money.

I just can't help but fear
that I will lose Jack to some
tall busty girl like Torrie. And
I've seen him looking at her. If
these pills can give a little more
"juice" like they advertise...

Oh my gosh
what took you so
long? My lunch break
is almost over!

Hey have we met before? You look famlliar...

A woman with short, vibrant red hair and a bright yellow, form-fitting top is standing and talking to a man. She is holding a small, colorful pill in her hand. The man is wearing a white button-down shirt and blue jeans. The background shows a brick building and a fire escape.

Uh no. I get that alot.

Hmm OK. Here we go one Juicy Boom Pill down the hatch.
