“Flip over, doggie!” She commands. Tim flips over as Julia lifts up her white high heels once more.

He braces for impact. It’s clear she’s quickly realizing how well her plan worked.

“Don’t move, sweetie. Let’s see how much of me your cute little muscles can hold...” Julia explains.

Tim takes a deep breath. *Fuck...* he thinks.

He feels Julia shift her weight onto her foot. Tim grunts as his face starts to turn red.

“Wowwww... so very impressive, doggie!” She teases him, lovingly mocking his size.

Meanwhile, Tim starts losing control of his chest and his knees are starting to hurt as Julia playfully presses her shoe into his back.

One of Tim's arms gives out and he nearly slips out from under the mighty woman.

He yells, letting out pure pain and yearns for release. "Oh, come on! I'm barely doing anything, Tiny Tim! Stop being a little pussy!" Julia humiliates.

"Hold my pretty feet up!" She cutely adds.

Tim can't help but enjoy the way she talks... as angry as it makes him.

“Ugh. Fine. You’re no fun.” Julia scoffs as she instantly brings Tim’s fragile little body flat to the floor, leading with his head. He shrieks as he’s nailed down under a giant shoe.

“...jesus... you really are weak. How beautiful. I’ve taken your maleness and made it a little toy of my femininity. It kind of feels good to watch you be weaker than me... and you’re such a dirty little man, too. I can see it.” She explains.

Julia places her heels together and towers over Tim.

He starts to get up, weakened severely by Julia's shoe.

"Stand up." She commands. Tim wastes no time as soon as she utters the words, rushing to get up.

He stands as tall as he can before his new personal Goddess Julia.

Tim feels zero sense of confidence, humiliated of his size just from glancing up at how tall Julia is. She watches the fear, excitement, and submission enter his eyes as he looks up at her size.

“...hello, little man.” Julia purrs, seductively.

Tim’s heart sinks and warms.

“Spread your legs, pipsqueak.” She commands.

Tim instantly spreads his legs apart, shaking the whole time. Julia sticks her heel between his legs and lets him watch it graze his testicles.

Tim gulps several times.

“Aww... cold, doggie? Or maybe... a little... *intimidated*...” Julia purrs.

Julia presses on his balls with her foot.

“...you’re so small and fragile...” He sweats bullets.
She pulls her pressure away letting Tim feel brief hope.

“...and I’m so used to limiting my fun...” She continues.

Tim’s heart rate skyrockets. “But you?” Julia starts.

She grips Tim by the arm and yanks him upward. Julia hangs him out in front of her face.

He nearly loses consciousness seeing her face this close... due to the blood traveling from his brain. Tim watches her mouth form words... wishing she'd just eat him.

“Not you. I can do... whatever I want with you. Not like you could stop me, huh?” Julia smiles.

Tim, still entranced from her beauty, slurs out a response. “Yes, Goddess Julia.” He says, hypnotized.

Julia spits on his face, drowning him in her saliva. She giggles a bit.

“Fuck, you make me horny. You’re such a good boy, Tiny Tim. I’m gonna kick you in your little balls now, midget.” She smiles.

Oh, fuck! Tim snaps out of it.

She dangles him out by his arm and brings her leg up to crush his balls. Tim screams and starts to cry.

He tries to rip his arm free from her fingers... it's just impossible. Julia's manicured fingers are locked around his hand as if welded on.

Tim feels like nothing.

He's getting his balls crushed by this gigantic, strong, and powerful woman. It's humiliating.

Julia drops him to the floor. She steps on him, leaving him desperately trying to get her shoe off of him.

“T-thank y-you, Goddess...” He coughs out.

Tim listens to her laughter as he tries to breathe. It feels so good, but so painful at the same time.

She frees him from her white heel, and then commands him once more.

“Stand up, little man.” Julia barks.

Tim starts to get to his feet, covering his groin in pain. He gets a harder erection from the increasing fear of what this colossal woman will do.

Something about being afraid of such a tall female turns him on beyond belief.

With no hesitation, Julia kicks him upside the balls so hard she takes him with her as she follows through.

Tim watches the ground get further away, but also blurry with the crippling pain of her kick.

He catches his own breath and chokes on the sound he was about to make... the aching pain takes the soul out of him.

Tim holds his balls in agony as he lies next to Julia's shoes.

"God, you're so pathetic. Can't take a little kick in the balls from a girl? I know, I know. I'm really tall. Like, really tall. Kind of unfair." She mocks.

Despite the pain, this talk is making him want to touch himself.

Julia starts removing her high heels as Tim barely recovers.

“How about a little foot wrestling? If I win... you worship my feet.” She giggles.

This woman is amazing... Tim thinks to himself as he gathers his energy back.

“Hurry up, sweetheart. I want to feel you, now.” She says.

She stomps on Tim again, straight down onto his chest.

He wheezes nearly all of his air out as he tries to grab some kind of productive hold on Julia's giant foot. Tim feels the softness of her sole rubbing against him with such an aggressive and powerful manner.

It feels so contradictory, a soft woman with such dominant fantasies. But he loves it.

Tim flips around and tries to stay on top of her foot.

“You’re so cute, Tiny Tim.” Julia remarks, watching him try to wrangle her below the ankle.

He holds on tight, but Tim can feel her lack of try. He starts to realize nothing he can do actually gets him ahead... and the more he realizes that... the more he likes it.

I’m going to worship you like God... He thinks.

Julia lifts her foot up elegantly, letting Tim hang off the back of her foot and dangle along the top of her foot.

“So little... oh my... I love the way you look.” She notes. Tim smiles as he tries to keep his grip.

“Thank you, beautiful Goddess.” He replies.

“...I know how I can love it more, though...” She teases.

She snaps her fingers at him. “Lay down. Belly up.” Julia commands.

Tim drops at her word like a puppet. “Yes, my great Goddess...” He responds as he impacts the carpet.

Julia giggles as she works up her next move.

Tim sits below her slightly dirty, massive, yet beautiful sole. He stares up at it with intense excitement.

Come on... just crush me.... please.. He eagerly thinks.

"I know you want it, Tiny Tim. So, beg." Julia giggles. Tim's dick gets a little harder. *Wow...* He revels in the feeling of being dominated.

"Please, Goddess Julia. Crush me with your pretty feet and ruin my strength." He begs.

Julia slams her foot down, completely crushing Tim's face and bending a few limbs in the process.

Fffuck yeah.... Tim exhales through pain, feeling the amazing pleasurable after-feeling.

Julia moans a bit.

"It feels so nice to not have to hold back..." She exhales.

She lifts her foot up once more.

Tim's reddened face watches it gain height as Julia makes it clear she's going to do it again.

"Crush me! Please, Goddess! Ruin me, beautiful..." He asks once more.

"Good boy." Julia responds as she forces her weight on him again.

Tim takes it again. He feels the pain of broken bones, but it dissolves into pleasure.

He quickly realizes he's in heaven... not hell. *How did I not know I needed this...* He reflects.

The loss of control makes him feel like his only purpose is to please this giant, sexy, loving woman.
What more could I want?

He continues to wonder.

Julia gets down to his level.

“Try to fuck me... I wanna feel how small you are. Now, pretty boy.” She barks.

Tim starts making his way to her behind as she places her ass on display for him. He can only imagine how a giant woman’s pussy is going to feel.

All he knows is that one touch might set him off.

He hangs off Julia's ass, gripping her butt and panties while he tries to thrust.

Julia starts laughing.

"You're too small to even fuck me! I almost wish you were bigger now... but then again... smaller makes me hornier..." She giggles. Tim desperately tries to get it in.

"W-wait, Goddess! One second, please!" He begs.

She sits up and lets him drop down between her legs.

Julia touches down onto Tim's body to start shrinking him again. "Oh, fuck! Fuck!" He screams from the pain of shrinking.

"I'm going to humiliate you even more you little loser..." She giggles. Julia's demeanor starts reaching dangerous levels of horniness.

Tim stops shrinking.

He barely gets his head screwed on straight before Julia grips nearly his entire body in her hand.

“Come here, pipsqueak!” She snaps. He jumps at just how much bigger she is.

Tim feels violated as he’s effortlessly picked up by her.

“Goddess, you got huge!” He excitedly screams up to her. Julia starts giggling more.

“No, stupid little man. You got smaller!” She mocks.

Tim looks down to see her glistening pussy eager to feel his lack of size. Julia has a wild look in her eye.

“...let’s see how much smaller you feel now...” She desperately stuffs him in her groin.

Julia bites her lip and she moans loudly. “God! Feeling that little dick just keep getting tinier and more useless makes me ravenous, Tiny Tim...” She explains.

“...fuck me with your head. I need a real man. Not some puny little doll with a tic tac penis. Fuck me with your useless head and I’ll imagine you’re a huge, hot hunk.” Julia giggles. Tim revels in the degradation.

“Yes, Goddess.” He responds.

Tim shoves his head inside Julia's pussy and tries to fuck her with it.

She moans, tightening her vagina and keeping Tim trapped. "Harder, fuck toy." Julia barks.

Her tone is starting to get more and more dominant.

Please just grab me and fuck yourself with me... please just make me a toy... please... He fantasizes.

Julia does just that. Tim's heart sinks in his chest as they make brief eye contact.

She holds him up, ready to fuck him like a dildo.

"I love you." Tim blurts. Julia smiles at him for a moment.

"Good boy." She says as she winks.

Have I stumbled into a dream? Tim ponders.

She fucks herself with Tim. He's so small now she grips him like a literal toy.

"Take it, dirty little man toy! How do you like being a giantess' little fuckdoll? Hm?" Julia moans out.

I love it I love it I love it I love it I love it.... Tim thinks over and over.

He feels his neck break over and over... but it comes right back.
She tastes like heaven, too.

Julia's legs elegantly shake and twitch as she climaxes a few times.

"I-I c... can just fu-fuck you forever..." She gets out over back to back climaxes.

"...and you're not going fucking anywhere but my pussy, little bitch-boy..." She laughs and fucks herself harder.

Tim has entered a trance, letting the friction warm him and ruin him.

She rips him out of her and holds him up to her face.

Julia flicks him in the head, breaking his neck back another time. She giggles at it, finding it sexy.

“Like a fuckin’ toy...” Julia whispers.

Tim oozes with submission, he can barely look into his dom’s eyes.

Julia licks him up upside the cock, letting Tim feel her again at this size.

“...Goddess... you’re just so big...” He pathetically moans. “...and you’re just so little... weak little bitch-boy who likes to be treated like a little dildo for the pretty girl... huh?” She giggles.

Tim blushes.

“...yes, Goddess Julia.” He whines.

She continues all the way up his body, licking him like some kind of ice cream bar.

“...Tim... you’re so delicious...” Julia moans. Tim notes how much she’s enjoying his taste.

“T-thank you, Goddess.” He says, nervous at the hungry giantess’ intentions on the compliment.

That could sound sexy, though... He wonders.

Julia plants a wet kiss against the side of his head.

“I love you, little sweet treat. I’m going to fuck you again now that you’re all wet. Okay, bitch-boy?” She commands quietly in his ear.

Tim feels her powerful voice echo throughout his head.

“Anything for you, queen.” He replies.

She fucks herself hard with him again.

Julia leans against her bed, with her newly shrunken toy shooting quickly in and out of her.

“You’re my little bitch, Tim! Such an easy catch. You’re irresistible to women like me, pussyboy. I’ll fuck every last bit of masculinity out of you until you’re a little wimp, kissing my feet and begging to be fucked.”
Julia moans aggressively.

Julia finishes and drops Tim onto the floor in front of her pussy.

She throws her head back and rests for a moment. "Go kiss my feet, puny loser." She commands.

Tim starts to get himself up.

"Thank you for using me, Goddess. I'm going to give your beautiful feet the best worship they've ever seen." He explains.

Tim approaches her feet as Julia stretches her gigantic, long legs out. They look huge.

He's getting another boner just feeling along this woman's tight calves. *The bigger they get... the more I want to give to her... my Goddess...* Tim revels.

Julia's giant legs are so soft... yet so strong and toned.

It would be a mistake to fuck with her at this height... or would it... He thinks.

He kisses along the top of her foot as he mounts it to give it love.

“That’s a good man. Remind them how much more superior they are to you, mouse-boy.” She says. Tim rubs her foot with every limb he can, kissing along her soft skin.

“My Goddess’ feet alone matter more than my entire life... so gigantic... and beautiful. Goddess Julia, thank you for gracing me with the opportunity to be your slave.” Tim explains.

“Careful with those words, little Timmy... I’ll fuck you again if you keep that up.” She giggles, but Tim can feel how serious it is. He massages his giant female captor’s feet while she scolds him for how small he is.

I’m living the dream... He thinks.

“You’re such a good boy that I wanna fuck your little brains out... crush your little head... make you whine like a bitch. Then - I remember I can!” Julia says.

She nails him in the testicles with her big toe. Tim whines, just as she wanted.

“That’s right, fuck-boy.” Julia closes her eyes and puts her head back again.

“Keep up the worshipping, Tiny Tim. You take it like a good boy.” She smiles.

Tim holds his nuts, feeling humiliated. “Yes, Goddess Julia.”

Tim gets down on the ground and starts kissing Julia's toes. "Mhm. Cum on them." She commands.

He looks up at her.

"Goddess, are you sure?" He asks. Julia gets cold so fast, Tim can feel it before she even speaks.

"I said cum on my toes, little fuck. Do you listen?" She growls.

Julia crushes Tim's body down with one of her feet. He feels multiple bones break again.

Tim wails out with a scream. "Get the fuck up and jack off onto my toes, man-brain!" She scolds.

He tries his best to get out from under Julia's sole, but he literally can't.

"Come on! You're not that fucking small! Get up!" She laughs.

She lifts her foot and lets him out.

“Wow. I guess you really are that pathetic.” Julia judges. Tim starts touching his dick, moaning uncontrollably. She watches him jack off to her. Tim looks up at Julia while he touches himself.

“Five.. four...” Julia giggles, as she watches him reach climax.

“Three—” Julia smiles as he finishes before she gets done counting.

“Oh, Tiny Tim. You are just the most sad excuse for a man...” She says down to him. Tim feels embarrassment kick in... but as he hears her words it turns him on.

I just feel so small compared to her... it's perfect...

Julia uses her other foot to smother his face into her toes where he just blew a load.

“Now, clean that shit up, loser.” She laughs while keeping Tim’s entire body locked to her pretty toes. He tries to resist the pressure but it’s impossible to move such a massive woman. Tim’s muffled screams do nothing but fuel a mocking party.

“Aw, little screams! Whine more, bitch!” Julia giggles.

Tim continues cleaning up his own cum off Julia's toes. Julia pulls out her phone and looks at the time.

"Almost time for some shut eye, little boy." She explains. He listens while trying not to gag on his own cum. "Tomorrow, I'm gonna take you to the gym with me. You're gonna learn how puny you truly are." Julia teases.

I can't wait... Tim thinks.
