

A woman with long dark hair in a ponytail, wearing a grey and black athletic top with green trim and camouflage-patterned leggings, is kneeling on a wooden gym floor. She is wearing large blue headphones and holding a smartphone in her left hand. In her right hand, she holds a tiny, shirtless man in a white bikini. A large grey gym bag and a water bottle are on the floor in front of her. The background shows gym equipment and a green wall.

**FOREVER DOLL**  
PART 3

*What is that glorious smell?* Tim asks himself.

He slowly wakes up to the incredible smell of pancakes, cooked bacon, and eggs.

*Is she a true dream? The best one night stand imaginable, and then breakfast?* He continues.  
Tim can softly hear Julia's humming while she cooks and cleans.

“Oh- what the- the fuck...” He looks around.

*I'm the... breakfast...* He learns.

Tim tries to move himself, but he's kind of stuck in syrup. He can feel the giant woman walking around as she cleans up.

“...uh, Goddess?” Tim squeaks.

Julia places down her glass of orange juice, delighted that Tim is awake.

“Hi, sweetheart!” She says, in a mocking girly tone. She watches him try to break free from her plate.

“No, no. Let’s stay put, baby. Be a good boy like you were for me last night.” Julia adds, giggling.

Tim dodges the fork. "Come on, stop!" He shouts, though secretly enjoying the feeling of helplessness.

Julia laughs at his pathetic attempts to break free from her breakfast.

She digs the fork into the pancakes, letting Tim wallow in syrup and anticipation.

She chews on the pancakes.

“...mmm these are so good. So soft, small, and... sweet.” Julia recites as she stares into Tim’s soul. It’s as if she’s thought about this before... she probably has.

“...so many delicious choices on my plate this morning...” She continues.

He screams, feeling the fork just barely piercing his skin as Julia tests the limits.

“Okay, okay! Come on! Please, don’t hurt me with that!” Tim responds. She gives it just a little bit more to make him feel even more powerless.

“...my breakfast is so sensitive.” She giggles.

Julia plucks him up by the leg and starts to yank him from the syrup.

“Alrighttt... guess I want you in one piece, huh?” She says. Tim notices her grip is bigger and even stronger.

But he quickly realizes she must’ve made him *even smaller* as he slept. Tim’s thoughts race more.

*Why does this have to be so damn hot?* He wonders.

jmark1966

She sucks the syrup off his body like some kind of popsicle.

Julia smiles, feeling Tim give up fighting and just take her. "...mmm, yes..." Julia adds.

She makes pleasurable noises while she sucks on her puny man-toy.

jmark1966

Tim hardens up faster than he's been able to his whole life as the massive woman grips him carelessly and licks the syrup off his little body.

"...fuck, I feel so dirty and usable...." He moans.

Julia tightens her grip to let him feel it more. "That's right, bitch." She laughs.

jmark1966

Julia licks all the sticky, sweet syrup off of Tim's little groin.

She pins him by the head with her fingers and sucks it up dry. He blows once or twice into the syrup as she licks it up, letting him get away with it.

*Fuck, that felt so naughty...* He says to himself.

She holds him up to her jawline and neck area. "Kiss. I like to feel pretty before going to the gym." She commands. Tim aggressively kisses and sucks the soft, perfect skin of his tall Goddess.

Julia giggles a little bit. "Your skin is my church, Goddess." Tim says. She moans a little bit.

"God, you're just so puny. You say shit like that, and I just want to... okay, let's just get to the gym before this goes a different way..." She stops.

Tim rattles around inside Julia's gym bag. So far, he's aware they've entered a building.

That's about it.

*What if people see me?* He thinks.

Tim can barely make out Julia talking to another woman. *Maybe I should just start screaming for help...* Tim ponders. *Nah, he thinks, I don't want to miss what's next...*

Julia's beautiful face greets Tim as she opens her gym bag.

"Hi, puny. Everytime you're out of my sight, I get worried about you, my love. I don't know who or what I would fuck like I can you..." She trails off.

"...use me, Giant Woman." Tim says, with a growing erection.

Julia drops her frown. "You're such a good boy..." She smiles.

She clutches Tim nice and tight as she holds him up and flexes her arm.

“Mhm. Feel that, little boy. You like that?” Julia purrs. Tim, melting in her palm, nods his head.

“Yeah, I can feel your puny little tic tac poking my hand. I knew this would be perfect... I love to intimidate men here as it is, but now... I’ve got my own empty gym and an indestructible little barbie to play with...” She warms up.

Julia drops him onto the mats below, next to her immaculately sized legs.

“How about a little stretching, Tiny Tim? I’d ask if you’d like to join, but you wouldn’t be doing much stretching...” She teases.

Tim starts to adjust himself. Looking up to her from this small feels impossible.

*The smaller I get... the sexier she gets...* He melts.

jmark1966

Tim watches Julia bend over in front of him to touch her toes.

It's as if she's gripping his heart and yanking it straight down.

*Sit on me, sit on me, sit on me...* he quietly begs.

"Oh, sweet boy? Where are you, Timmy? I sure hope you're not behind my giant ass..." She laughs.

He compresses instantly as Julia lets her ass smack into the floor.

Tim feels her entire weight at once. It hurts more than anything you can imagine for about a second, and then it feels like cumming for the first time.

As Julia stretches more, she violently smothers Tim with all of her exaggerated movements.

He takes all of it like heaven.

She lifts her butt and impatiently commands him.

“Get right under it. Now, pipsqueak.” Julia barks.

Tim, hearing the deepness in her voice, crawls instantly to where he is right below her ass. “Yes, Goddess! Yes, Goddess!” He replies, startled but turned on.

jmark1966

Julia grinds her ass into the mat and performs a deep ass stretch, ruining Tim completely.

She can't help but whimper out little moans.

"Mm... that feels so good. How's my giant butt feeling, puny!? I can tell you up here... your little bones breaking makes my pussy throb." She giggles.

jmark1966

Tim takes a massive breath and freaks out looking at his arm... which is now mangled.  
He starts to move it and notices that the bruising and damage almost instantly goes away.

Julia is already walking away as he sits, mesmerized.  
"Keep up, shrimp." She snaps.

jmark1966

He sprints as fast as he can to keep up with her. Tim is getting so small now that Julia's steps will soon turn into miles for him.

"Goddess! Wait up!" He squeals, but she doesn't even hear him.  
*Fuck, I'm getting really fucking small...* Tim thinks, getting nervous.

He observes her ass bouncing from a couple inches off the floor.  
*Fuck. I'm getting really small...* He thinks, getting hard.

Julia gets onto a bench press and grips the bar.

“Climb into my bra. You’re going to watch me lift over a hundred times your weight, little boy.” She teases. Tim starts climbing Julia’s pants.

“...and you’re going to do it before I’m old as fuck! Get up here, Barbie!” She commands.

Tim’s heart sinks at her volume as he nervously speeds up.

jmark1966

She jams him in, shrinking him again at the same time.

“Ugh, you don’t even deserve *this* size... I’m making you as pathetic as you’ve been acting, little boy!”. Goddess Julia slides her headphones back on and watches Tim scrunch up.

“...she’s a maneater... maneater...” Julia sings along to her playlist, smiling down as she smothers him in between her warm breasts.

Tim shrivels in ecstasy but also nerves...

*...this is getting scary... I like it... He thinks*

"...about time. Stay put, shorty. I don't want a word out of you until I'm done with my set. Got it, pocket-boy?"  
Julia commands.

Tim nods under the pressure of her finger shoving him between her tits.

Julia pushes the weight up and Tim watches her arms flex.

He watches her toned, womanly arms turn briefly to shredded athlete levels.

He feels the muscle below her beautiful bust tighten up on him, reminding him he's nothing. More and more he starts to understand Julia.

*You're the perfect woman for me, Julia...* Tim watches, enjoying the show.

When she dips the weight back down to her chest, she lets it sink into Tim for a moment.

He feels the pressure around him rise like his dick after one second of looking into Julia's eyes.

"God—" He can't get a word out before it cuts off his air.  
She giggles at this.

"Oh! Were you going to speak, Timmy? What did I tell you, sweetie?" Julia reminds him.

jmark1966

She racks the weight and plucks him out of her breasts.

Julia scolds her little boyfriend inches from her face. "I told you to do one thing right, Tiny Tim." Julia snaps.

"I don't have all day in this place. Are you a doll? Are you my fucking boy doll?" She growls. Tim watches her rage like a train wreck.

"Yes, Goddess! Yes!" He replies. "Then act like it." Julia barks.

Julia places him on the bar above her chest.

“You’re staying here until you be good.” She explains. Tim pouts internally.

*No! No!* He rages. Desperately he clings to the metal bar, wanting so badly to simply drop back into her shirt.

“I would hang on, puny.” Julia adds.

Next, she performs a couple sets on dumbbell rows on a bench.

Below Julia, an eager, smushed Tim watches from under her converse as she drips little beads of sweat onto him.

“You look so small down there, Tim... little jelly boy I can break...” She purrs, through labored breathing.

He blushes under the confines of her shoes. “...pathetic boy.” Julia grins.

In front of the squat rack, Julia starts to slip Tim into her yoga pants.

“Yes, please! Thank you, Goddess! Thank y—” He’s muted by the damp fabric of Julia’s workout pants.  
“Keep being good, then.” She grins.

Julia’s breath hitches, feeling him slip against her butt.

“Ugh... this is the life...” She whispers before her set.

Julia squats with Tim sticking out of her pants.

“Oh Tim, you are the perfect little motivator. I’m going to shred my quads so I can squeeze the life out of you with them...” She giggles.

Tim feels himself slipping deeper from her sweat. But he goes with it... *maybe a little too much.*

Tim slips down inside of Julia's pants, along her butt crack.  
"Oh!" Julia squeals out a girly moan.

He moans but it's quickly muffled under her damp leggings. Tim's heart sinks as he feels himself swept away by sheer gravity and sweat of a giant woman.

"I was going to slide you down there anyway... but you're so weak and little..." Julia tries not to laugh.

He feels his dick sliding along her massive ass cheeks and it slips between them, leaving him with a wet, warm coating to his skin.

Breaths become increasingly harder as the warm moisture coats his lungs. Light peeks in, and Tim gets a glance at Julia's shiny butt as he holds onto it to live.

Tim creams himself once or twice as Julia's aggressive reps plunge his body along her butt crack.

jmark1966

Tim kisses her ass uncontrollably, licking and rubbing his face in her sweat like a dog.

He can feel Julia pumping her glutes around him, bringing the heat up even higher. Tim feels the wet fabric suctioning him to her butt harder and harder.

*I can't escape this even if I wanted to... I'm a fuck doll...*

jmark1966

Julia sits totally naked in the Sauna, softly handling Tim. Her hair is wet and her skin is sweaty and shiny.

“That was like, my best workout in months. You’re like a little magic toy... it’s better than any pre-workout I’ve ever had.” She giggles.

“Goddess? How did you get this entire gym to yourself?” Tim asks.

“...just a little favor from a friend. It’s her office gym.” Julia smiles.

jmark1966

The massive woman gently places Tim between her legs.  
He instantly gets hard again, and quite nervous to be around such a large pussy.

“You know, pretty boy... you were so good for me today...” Julia explains.  
Tim feels the warmth from her groin and the hot coals nearby.

But he can't tell which is hotter.

jmark1966

Julia scoots forward, slipping her wet pussy over Tim's lower body. She hovers slightly, pressing her breasts together. As she glides herself over him softly, Julia lets out the smallest, girly moans possible.

Those moans trigger something deep within Tim... it's such a sexy contrast to her size. "...ohh.... Thank y- you... Goddess..." He tries to say.

Tim watches his pitiful cock get caught in her pussy lips... *oh no... fuck...* He dreads.

jmark1966  
original comic

“May I cum, Goddess? May I?!” Tim urges, already on the tipping point. Julia smiles down and acts like she’s thinking for a second.

“Hmm... I don’t know yet...” She giggles. He grunts and breathes heavily, trying for his life not to bust from such soft, warm, and squishy movements.

“...pump your little seed into me, pipsqueak. I want all of it... fucking all of it...” Julia reveals.

jmark1966

She sits on top of Tim completely, engulfing him in a hot pussy.  
With all the sweat and humidity, she slides effortlessly around on top of him.

Julia moans uncontrollably, while Tim takes her entire pussy against the warm wood of the sauna.

“I can feel all that little cum!” Julia giggles sexually through massive, hitched breaths.

jmark1966  
original comic

Tim feels everything getting crushed.  
There is truly no way to describe the pain and pleasure he's experiencing.  
Julia's weight, wetness, warmth... it all dominates him.

He's made a complete mess of her groin from cumming around three or four times.

It sticks all over her pussy and to the wood.

jmark1966

She lifts up and snags Tim by the leg. The giant woman twitches, feeling him slip up along her clit.

“Come here, good boy.” Julia says in a deep, sensual voice.  
He feels her tug him out from under all the juicy goodness.

The feeling of a giant woman toying with his body like this has been nothing short of a dream until now.

jmark1966  
original comic

Julia places Tim in her palm, puts on her ring, and shrinks him down once more.  
“Let’s try a little smaller, sweet boy. I want to see how truly pathetic I can make you.” She smiles.

Tim doesn’t argue. In fact, part of him was waiting for the next time she’d shrink him.

*Yes... yes... I just want you to be huge to me...* He fantasizes.

jmark1966

He must be no taller than 4in right now. Julia gazes down at him like it's Christmas.  
"...oh, how badly I want to just..." She refrains from crushing him into her hand.

"Please, Goddess! Yes!" He reminds her.

Julia remembers he's immortal.

jmark1966

Julia places his head between her toes and grips him tight.  
Tim feels his airway close up, as he's choked out by pretty girl feet.

"Awww... my baby." She says in a mocking tone.  
"...your little neck was made to be between my pretty toes." Julia adds.

Tim pulses.  
*I love you...* He thinks.

jmark1966

She leans down and presses Tim against the edge of the hot coal pit with her foot. He pathetically clings to her dirty, sweaty feet as he feels his back starting to get hot.

“F-fuck... fuck... please, I’m getting burned!” Tim squeals.

Julia assaults him with toes in his mouth whenever he tries to speak.

“Goddess! Godd—”

jmark1966  
original comic

“No, you’re not.” Julia giggles.

Tim feels the burning pain he normally would, but it instantly heals and leaves no damage.

He quickly starts to enjoy it, realizing it’s just intense.

“See, sweet boy? You’re a toy now, not a man... a woman’s toy...” She adds.

jmark1966  
original comic

Julia giggles at him as she presses him harder towards the hot coals.  
“Kiss my feet or I’ll drop you.” She commands.  
Tim starts making out with her entire foot.

Licking and kissing it up and down.  
He passionately worships her, feeling the threat of hot coals behind him. She watches joyfully.

“Fuck! You are *such* a good boy, Timmy.” Julia exclaims.

jmark1966

She pulls him up to her mouth and starts to violate his groin with her tongue.  
Julia snakes her tongue around his cock and balls.

Tim moans like a bitch while she delivers devastating blows to his balls with her tongue.

“Funny, I can still fuck up your little balls. It just takes even less effort now.” Julia laughs.

jmark1966  
original comic

Julia sucks on Tim at just 3in in size.  
He glazes the inside of her mouth at least two or three times while she sucks the soul out of him.

Tim feels her tongue dominate his dick as he feels up her lips on the outside.  
“I-I can’t stop cumming in your mouth, Goddess!” He moans.

jmark1966  
original comic

She takes him into her mouth all the way, concealing him entirely.  
“Now... let’s get going... while... you’re in there...” Julia says through muffled lips.

She stands up to leave the sauna, pack her things, and head home.

Inside Julia's mouth, Tim nearly takes her tongue up the ass. She casually violates his little butt by ramming her tongue into it. He moans like a bitch again. "Thank you, Goddess! Than—" She snakes her slippery tongue up his ass crack and between his legs to smother his cock.

Tim blows into her bottom row of teeth.  
He can barely speak.  
*It feels amazing.*
