1
I know you both
are surprised.

2
Yes, we are.

3
But, why?

Maybe I want to
make your life
better.

1

Or maybe worse. Haha

2

What do you mean? I thought you would be thankful after what Richard has done for you.

3

I am. And that's why I will give you a chance either to gain it or to waste it.

1
Let me phrase it this way. You are blackmailing us to either do what you want or lose the shop, aren't you?

2
Richard, calm down, baby.

3
Here we go again. Baby, sweetie, darling...

4
I am a businesswoman. I am a rich lady. I get what I want no matter what.

1
But...

2
But what?

3
After meeting both of
you, I have found out
what I am missing.

1
I envy you, Margaret!.
You have an excellent
relationship with your
son. You two are so close
to each other.

3
I want to have this
relationship with my
son too.

2
And??

1

Oh, It seems you have a miserable feeling in your heart. What is your problem with your son?

2

What?!

1
Well.. I...

2
Mom, come on!! She is blackmailing us, and you are trying to be nice to her!

3
Richard, stop it, please.

I am sorry for Richard's interruption. What is the problem you have with your son?

I cannot believe it...

After my husband's death a couple of years ago, I took care of our company. I am a tough woman and I know how to manage a business.

1
I have neglected my son for a long time. And when I tried to re-establish our relationship, it was too late.

2
He treats me like a stranger, no feelings, no talking, no joking... just nothing. He is so damn cold!

3
I am sorry to hear this!. Why do not you try to be nice to him? That will help.

1
Do not you listen?! I said that he sees me as a stranger. He is so COLD. Why on earth would he comply with me?!

2
Easy! Calm down, please.

No wonder he is cold with you...

2
I want to regain my relationship with my son.

1
Now, how do you want us to help you?

3
Right, I need to get Harry Potter's wand from my closet. Go to your son and say, "Love your mother."

2
No, Richard. It is you and Margaret who will convince him to love me again.

1
I know that look. I am screwed.

3
And how will you know that he loves you?

4
By orgasm.

1
By what??

2
I want him and me
to have an orgasm
together. I want to
feel that we are
one body.

3
That's a daring
request.

4
Find a way!

Why did he say, "you have destroyed my life"?

You have destroyed my life. It is time for payback

Not this way.

1
What do we
get in return?

2
I can renew the
contract for you.

3
That's not
enough.

4
What do you
want then?

1
Sell us the shop.

2
What? Are you out of your mind? No way!

3
Fine. Then you bought that shop for nothing. We can take care of ourselves.

4
You both are bluffing.

1
All or nothing, Olivia.

2
Nonsense...

3
If you refuse it,
you can go.

4
You have no other
source of living.

This is our problem,
not yours.

It was nice to
meet you,
Olivia.

1
... What else?

2
Space for three persons, staying at your place the whole time until we fulfill your request, and all expenses are by you

3
including the daily income of the shop as it is closed during that period.

4
Wow... Mom handles the negotiation perfectly.

1

Why three persons? I cannot accept a stranger to know about this.

2

This person is trusted. You do not need to worry about that. And that's none of your business just now. I'll decide on what is required to accomplish what you have asked.

1
All that I have heard
about you was
accurate, Margaret.

2
Ok, deal. When are
you going to move to
my place?

3
In one or two days. I
will call you. Please
send me the address
by phone.

4
Olivia wants this badly. Is
she honest about what
she has told us? Or is
there a secret?

I will wait for your call,
Margaret. Bye!

Sure, bye!

Mom, are you serious about this?. Will you do what she has asked?

Richard, you know that we were bluffing. We need to get the coffee shop back.

But mom, I can...

No, honey. Talking about searching for a job will not work. Let's come down to earth. That may take time.

1

I understand.

2

I trust you, Richard. You are everything I have in this world. You will support me in this, won't you?

Of course! I will do it
no matter what! I
trust you too, mom.

2
That does not matter. All I want is to see you safe physically and financially.

1
I know that you have many questions in your mind. Maybe one day, I answer all of these questions.

1

I will do my best to keep this fabulous smile on your face

2

Come here.

Kissing

Mmmm

1
Wow, who taught
you to kiss like this?!

2
You did. I love you,
mom!

3
I love you
too, honey.

1
Could you make a cup
of tea for me? I have a
slight headache.

2
Oh, sure. Have
some rest, and I will
do it.

3
Thank you,
baby

After 10 minutes.

Here it is, the cup of tea, and some biscuits

You are sweet, my angel.

Ding Dong

Open the door, please.

1
Hello, Margaret.

2
Is she...? I knew it!

3
I called Mia while you were in the kitchen. She is willing to help.

1

With no doubt. You are just like my family.

2

Nice words, Mia. We do consider you as a family member too.

I am happy to hear this.
First, I will go to the
kitchen to have a cup of
coffee.

Make yourself at home.

Hey, silly
boy!

Hahaha

1
Why Mia?

2
 We know her well. I trust her, and she can keep secrets.

1

Richard, where do you put the spoons?
Come here! Where is the sugar?

2

Oh god... I am coming.

1

Here I am. What do you need?

2

Come here and be helpful.

What is it?

1
Why, Richard?

2
I...

3
You are what?

4
...

1
Oh, what are you
doing?

2
Well... I will reward
you for this anyway.

3
Mia!

Mmmm

Your cock is
tasty!

Sucking

You are quiet. A cat
got your tongue?

No, I just...

Just what? You cannot resist me, can you? No way out. Haha

Licking

Very sexy! That turns me on.

That makes me
want to touch my
pussy badly!

Oh God! I do not want to stop

Ahhh

My pussy is calling
you Richard!

Well, well, well.
What do we have
here?

Well...

Come on! It is not good manner leaving a young lady waiting here!

Enjoy it, baby.

Oh GOD... YEEESS

Let me taste her
pussy's juice on
your cock!

Mmmm

Do you like it?

Delicious!

I am going to cum, mom!!

Woah

Hold on, baby.
Come here, Mia.

Give it to us, honey!

Ahhh

Hahaha

Oh my... I sucked your cock, and let you fuck me, but in the end, you cum quickly by Margaret's mouth!

I am a milf and I have my magic over the young guys.

Ok... I will bring some tissues.

I will get some, mom.

1
Ok, it is time to go to sleep. Mia, will you go home now?

2
Yeah, I will.

3
Stay here tonight. It is a bit late now. You can sleep in Richard's room.

What?? She can sleep in my room?!!!

My bed is not big enough for both of us.

1
It is ok, you can
sleep on the floor.

2
On the floor?

1
Be a gentleman. She is a young lady, and she is our guest too.

3
End of discussion!

2
But...

4
Fine...

5
No rest tonight... I live with a dictator! But a lovely one at the same time.
