I do not know how that happened in the kitchen... I have no idea why I kissed Mia.

Or maybe because  
I... I do not know.

Is it because she  
accepted to help us?

Mom is right to trust Mia. I have known Mia since we were children. Her mom was my mom's best friend.

Too bad that Mia has lost her mom. She has become more closer to us since that loss.

Oh, it is windy tonight.

I need to check mom's bedroom. She is careless sometimes and sleeps without a duvet.

As expected, I need to take care of this. First, I need to close the window.

Second, put the duvet  
like this. Here we go.  
Mom is fine now.

Good night.

I promise you that will never happen again.

I am sorry, mom. It was my fault for getting us into this with Olivia.

Where is my angel going?

Oh, you are still awake, mom!

1

Do not blame yourself.  
What happened has  
happened.

2

I am sorry, mom. But,  
how do you know  
that?

3

I am your mother, Richard.  
You are part of me. And as  
long as we are together, I am  
not worried about anything.

A woman with dark hair and red lipstick is hugging a child from behind. The child is wearing a white tank top and has their eyes closed. The woman is wearing a black top and has red nail polish. The scene is set in a bedroom at night, with a bed and a window visible in the background. The lighting is dim and blue-toned.

I love you SO MUCH, mom.

I love you too, Richard.

What a caring family. I wish I could have a family like this. But I had bastards instead...

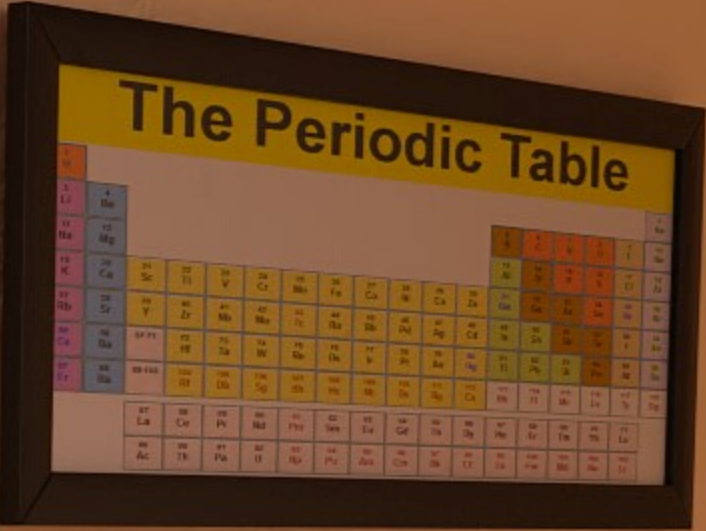

I miss you, mom!

Without Margaret, my life would have been tough. She and Richard are my family now. Anyway, I will go to sleep.

Good night, my new family.

Next Morning, in Richard's lab room.

I have only today to study this chemical stuff before moving to Olivia's house. I wonder What would happen If I mixed these two?

Oh...Shit...

\*BOOM\*

1  
Oh, both of you are here. Good morning.

2  
Good morning, sweetie. We are talking about Olivia and her strange request.

3  
She hides something, mom. I do not believe her.

4  
We shall see that. I can get some information

1  
It is time to take a shower before leaving.

2  
That's interesting. I will join you.

3  
You will what?

1  
Shhh, get out, Richard. This is girls' time. Go and destroy some more tubes...Go on!

2  
I was talking to mom, not to you...

3  
Out! Let's go Margaret

4  
Damn it!

I have not shared a shower with girls for some time.

I am glad to share it with you.

Let me find something first.

Where did I put  
the shampoo?

**\*SLAP!\***

1  
What the hell...?

2  
You are very sexy. Your  
butt is incredible!

3  
Mia!

What is the matter?  
Aren't you into girls,  
Margaret?

Did you use to do  
that with your  
mom?

Yeah, we used to do that together. I miss her!

I am stupid to mention her mom. I am supposed to help her to forget what happened!

Alright then.

You can call me mommy  
if you would like to.

I need you, MOMMY!!

\*Kissing\*

I miss this passion!

Haha. Ok... slow down!

\*Kissing\*

Poor girl... she is so emotional.

2  
Suck it, Mia.

1  
Give it to me, please.

Aaahhh... yeah...  
suck it more!

I have always wanted to eat your pussy, mommy! Could I?

Yeah, sweetie. Go for it.

\*Sucking\*

Allow me, please.

Stick your tongue  
inside it, honey!

Oh, your words  
turn me on!!

Mmmm

Come here and let me  
show you a Milf's  
experience!

How does it feel?

... I ...

Do you like my  
fingers in your  
pussy? Ha?

Yes, YEES... I am going to cum!

Kiss me!

Ahhhh

Cum for me,  
baby! CUM!

Mmmmm

OH MY GOD!!!

1  
Veeerry good!

2  
Wow... That was  
amazing!

3  
We can start taking  
a shower now.

4  
Absolutely.

Meanwhile, in Margaret's room

I do not like it when mom  
hides some of my  
chemical equipment.  
Where is it?

Not here, and not there.

What is this?

A box without any  
texts... black pills...  
What's going on here?

Does this belong to mom  
or Mia? I guess it is  
mom. I mean, why  
would Mia keep it here?  
It is suspicious.

I need to call Peter.

1  
Hi Peter.

3  
I need your help.

2  
Hey, what's up, buddy?

4  
What happened?

Listen to me  
carefully.

Richard claimed that the black pills were given to him by a stranger to try them out.

2  
I suspect that too.  
What should I do?

4  
Good idea. I will  
do that. Thank  
you, Peter. Bye.

1  
Hmmm, that's weird. That  
could be smuggled goods. I  
am afraid it could be illegal.

3  
Could you send me a sample?  
We need to analyze it first to  
understand what's going on.

Ok, I will take two samples.  
One for Peter and one for  
me. I need to do some  
research by myself too.

But how and when  
can I send the  
sample to Peter?! I  
have an idea.

Hey mom, I think we have forgotten to put a signboard that our shop will be closed for a week or something.

*\*Knocking\**

2  
I will. Do you need to bring back anything?

1  
Ah, good idea Richard. Will you come back quickly?

3  
No, sweetie!

4  
Ok, bye for now.

I need to dress up to  
get my stuff from my  
flat.

And I need to  
prepare mine and  
Richard's too.

Where did I  
hide it?

Won't you tell  
Richard about it?

No.

1  
For how long?

3  
It is getting out of control, Margaret.

5  
But...

2  
He does not have to know at all.

4  
No, I can handle it.

NO! I SAID NO!! NOW GET DRESSED, AND BE BACK HERE IN TWO HOURS MAXIMUM!

I am worried about her. Richard must get involved.

1  
Ok, I will go and get dressed.

3  
Sure.

2  
And do not forget to get the information we need for the visit.

After 20 minutes.

2  
To get my stuff. I will  
be back here in 2  
hours.

1  
Hey, where are you  
going?

3  
Ok

1  
Richard.

2  
What?

3  
Nevermind... I  
need to go.

4  
I do not know what to do.  
Should I tell him? Or  
should I respect Margaret's  
wishes?

5  
Something is  
bothering her.

Oh. My queen is preparing the bags by herself!

That's because my prince left me alone and went out!

I am here now.  
Please tell me how  
to help you.

It is ok. I will take  
care of everything.

I hope Peter speeds up  
and finds out what  
that black pill is.

Ouch!

\* HIT \*

No, I am here.

Busy mind, ha?

1

What about some fun with my prince?

2

Now?

3

Don't you miss me?

4

I do... It is just... I thought we were in a hurry to leave

Fine... As you wish... Maybe you are right... I will go to prepare your bag.

1

On the other hand.

3

Who cares? I am  
all yours!

2

Haha. I thought you  
were in a hurry to leave!

I never get enough of you, mom!

Mmm... Sweet... I like your  
butt hugging my face like  
that, mom! How do you  
keep it that soft?

No woman reveals her secrets. Come here.

Your cock is mine, isn't it?

Mom... I... Oh my god!

SAY IT!

Ahhh

Mmm... It is yours, mom!

Good boy! Here is your reward. Fuck me and show me how much you do love me.

Oh. you tease me, ha?!  
Come on, fuck me!

Watch out!

WOOO

Hahaha

That's even better! Over here, sweetie.

Hahaha

More... Fuck me more.

Ahhh

Oh god, oh god..  
yeah..yeah...

Mmmm

Mom... I am going to cum.

You know what  
to do, baby.

Sorry, mom, I made a mess here.

Haha. It is ok, my love. I will clean myself up.

Honey, You take care of packing the bags while I take another shower. Mia will be back in an hour or two.

1

What? But you said...

2

How do you answer your queen?

3

Hmmm... At your service, your majesty.

4

Well done, my loyal prince.

Fine, I will do it. My mom knows how much I love her. And she takes advantage of that.

1

HURRY UP, RICHARD.  
WE HAVE NO TIME.

2

OK.

3

Oh god, she is  
annoying...

4

I CAN HEAR YOU...
