Afternoon, at Olivia's house.

Hi, Olivia.

Hi, Margaret.
Welcome guys,
please come in.

1

I hope you enjoy your stay here. I have prepared everything.

2

Thank you, Olivia. And I hope you enjoy the results soon.

3

I am sure of that. You want to get back your shop as soon as possible.

1
And who is she?

2
This is my beautiful girl, Mia. She isn't my daughter, but she calls me Mommy from time to time.

3
Does Mia call Mom "Mommy"?!
4
Damn it, Margaret! How does she do that? Everybody likes her...

5
Nice to meet you, Olivia.

6
Nice to meet you, Mia.

Let's take a quick tour around the house to get you familiar with the place.

Good idea!

2
I am OK with it.

1
This is your room, Margaret and Mia. Sorry, but you will have to share it.

3
Me too.

4
Good. Now let's go to Richard's room.

1
And here is your
room, Richard.

2
Oh, nice! Maybe
I could share it
with Richard,
then.

1
In your dreams!

2
Are they always like this?

3
You will get used to it

4
OK, let's go.

And the rest of the house, you are welcome to discover it by yourselves. The bedroom of my son "Oliver" is over there. And mine is at the end of this corridor.

1
That's nice. Where is
the bathroom?

2
There are two
bathrooms in the house.
The nearest one to your
bedroom is over there.

1
Richard, please bring
my bathroom items
from your bag.

2
Now?

3
Yes, now. Mia, please
prepare our room.

4
OK...

After five minutes.

1
Mom, I didn't find
your stuff in my bag.

2
What? Wait, I will open the
door. Just a second.

This is the third time
today she has taken a
shower!!

Woah

1
What is wrong, Mom?

2
I missed you!

3
Come on, let's
have some fun.

Here? Now?
Olivia is outside!

Have you ever heard of
the "Almost Caught"
adventure?

1
Oh god, Mom...

2
See? Even though I suck
your cock at home, It is
different here, isn't it?

3
How do you know all of
this?... You are
incredible!

Ahhh

Mmmm

1
Ooops...

2
Who is it?

3
It is Olivia. Have you started your shower? If not, I need to talk to you urgently.

This is going to be more interesting now. It will be an excellent test for you as well, Richard.

Test?

Hey Olivia.
What's urgent?

I want to confirm
something with you
before meeting Oliver.

1

We know why you all are here, but I do not want any reckless actions or behaviors.

2

Reckless? Like what?

3

Sneaky ones. Seduction in front of people. I do not remember the term...

4

"Almost caught"?

5

Yeah, that's it.

1
And who would do that?! It is too daring...

2
Crazy people are everywhere.

3
Including your house, Olivia... I want to scream...

1

And do you not like it? To feel risky?

2

If I feel risky, how would I enjoy it?

3

Because you aren't Margaret.

1
Well... I think it may depend on your partner. If he is smart enough, he will follow your lead without confusion.

2
Do you think so?

3
Is this a hint?

1

If a woman waves with her finger towards her pussy, what does it mean?

2

Is that the test? I will not let you down, Mom.

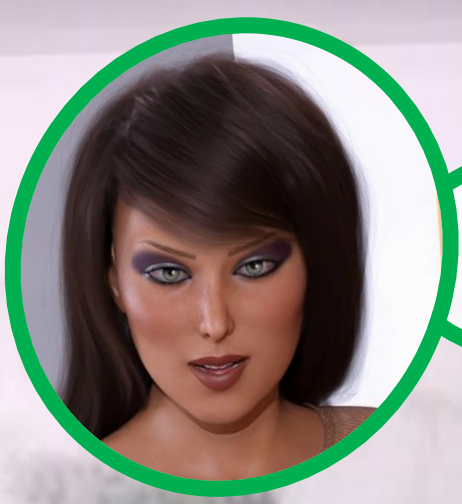

1
That she wants her
pussy to get licked by
her partner?

2
Exactly! It is licking.
Good girl!

3
I mean good boy,
Richard!

Yeah... More...

More?

1

I mean, it takes more than just licking to get excited.

2

Do you mean her partner fucking her?

1

What about fingering her first?

2

OK, good point.

1

Mmm... What an incredible feeling...

2

What feeling? And why are you moaning as if someone is fingering you right now?!

1
Oh, I like to imagine it.
That's all. But you know,
one thing is missing.

2
What is it?

3
Maybe he should finger
her and lick her pussy
at the same time.

Margaret, why are you mentioning all these details?!!

Because she is helping her partner.

2
My touch?!

1
Oh God! your touch
drives me crazy...

1
Yeah... I mean, when you said "these details" all manner of naughty ideas came into my mind.

2
Margaret, I think you need to take some rest a little bit. I will leave you alone, and we can discuss it later.

3
Well.... you don't want to continue talking about this. It seems that you and your husband were not happy with each other.

1
What are you pointing at?

2
Your sexual life. Did you enjoy it? Did he fuck you with passion?

3
This is too private, Margaret!. I will not talk about it!!

1

OUCH...

2

What happened?
Are you Okay?

3

Nothing, nothing...
Just a little pain
between my legs.

A woman with a tan complexion is lying on her back on a white towel spread over a wooden bed frame. She is wearing a black bikini. Her right hand is resting on her hip, and her left hand is near her waist. The background shows a white wall and a window with a view of a blue sky and clouds. A thought bubble with a green border is positioned to the left of the woman, containing the text "Oops, I thought she was hinting to fuck her...".

Oops, I thought
she was hinting to
fuck her...

But I can handle it. Go on. What were you saying?

Fucking

Are you ignoring what I have just said not to talk about my personal life?!

No, but we will need to talk about it sooner or later.

Fucking

1
Forget it!

2
Talk to you later.

Fucking

Oh baby... fuck me...
FUCK ME, HARD!

Fucking

I am enjoying it,
Mom. I love you!

I love you too, my
baby. I am fully
EXCITED!!

Fucking

Kiss me,
sweetie.

Fucking

Mmm... kissing me and fucking me at the same time is fantastic. The kiss has more passion!

Kissing

Fucking

1
You did great while
Olivia was here. Well
done, partner!

2
At your service.

3
Ok, baby. You
can stop now.
That's enough.

1

But I thought we
would continue until
I....

2

Cum? No, sweetie.
Save your energy
for later.

1
I just...

2
Should I repeat
myself TWICE?!

3
No-No. I will go.

In the evening

1

Your house is stylish,
Olivia. I like it.

2

Do you and Oliver
live here alone?

3

No, I have given the
maids a vacation for the
week. I don't want
anyone to know what we
are doing here.

And when shall we start?

Oliver will be here in a minute. He always comes on time. He is a very organized person.

1

Margaret, I like to see quick results!

2

We shall see. I need to get an impression of Oliver first.

3

Oliver is here.

Click!

Hi, Oliver. We have some guests here. Come say hello.

You all will leave the house by tomorrow morning.

2
I told you he is cold...

4
He will kick you out of the house by tomorrow. I know him well. First challenge to deal with!

5
Hmmm... As expected, he refuses the entire idea.

1
What's wrong with him? He did not even say hi!

3
You forgot to say that he is rude too...

Mia, get the box and meet me in Oliver's room.

Got it!

1
You two stay here
until I come back.

2
Why are you
going to Oliver's
room? And what
is this box you are
taking to him?

Olivia, stop asking me why, when, what, how... If you want this done, then let me do it. I don't have to explain every single step to you!

2
Good girl! Richard,
be nice to her.

1
But I must kn...

1

What a woman... OK, let's go Richard to the other side of this floor near the kitchen to drink something.

2

And stop LAUGHING...

3

OK, I am sorry. Let's go.

May I come in, Oliver?

I guess so.

How can I help you, madam?

Oh, that's nice. You can be polite. Then why didn't you welcome us in the living room?

I am sorry. I was... Madam,
I know what Mom has
asked you to do and why
you are here.

And I am sure that she
blackmailed you somehow
to come here. That's her
way to get things done.

How would I welcome you, when you have come here without any free will?

Go on.

1
You are kind, Oliver. Please call me Margaret.

2
Thank you, Margaret.

3
And if I tell you that we have come here with our free will, would that change your mind about your mother?

4
No, that stupid idea to have an incest relationship with her is entirely unacceptable to me.

5
You all must leave the house by tomorrow, sorry.

I am here.

Come in, Mia, and give
the box to Oliver, please.

Oh, that is very sweet!
Thank you! How did you
know that I like chocolate?

I hacked your email
and your social
media accounts.

1
You WHAT?!

2
I hacked all your
accounts.

3
MY PRIVATE
EMAIL??!!

1
Did I say private
or business?

2
Does it matter?
You hacked both
anyway.

3
Prove it
then.

Can I have a piece of chocolate?

And?

Wow... It feels nice... Haha.

1
Would you help
me, Margaret?

2
With pleasure.

3
What are you
aiming for?

Open your mouth,
Oliver. A sweet with
pussy juice.

Last week, you got a mail from a naughty client who uses sweets inside her pussy. Was it with her own free will, Oliver?

And that was your business email account. Would you like to get my mobile to check the rest?

1
I guess we don't have to leave by tomorrow, do we, Oliver?

2
I...

3
Do not worry. We will not blackmail you for anything personal. We only need to do what Olivia asked us.

We will not leave the house. I think this is fully clear now.

2
Fine. I will not force you to do something you don't like. But I will do my job here. Deal?

1
OK, you all can stay here. But... I will not have an incest relationship with my mother!

3
I can't believe this.... OK deal.

YES!

Good night, Oliver

Good night...

1

We could have blackmailed him and forced him to have sex with Olivia to end it and take the coffee shop back. Why didn't you do that?

2

Olivia wants to have passion with Oliver. Passion is what builds the incest relationship. Forcing or blackmailing buries that relationship.

3

Besides, I like challenges. Easy winning is boring.

Ahhh

Oh my God!

Well done,
Richard!
