I'm not going anywhere.

Hmm

You like teasing me,
huh? You got it!

Suck it harder,
Richard!

Ohhh...
Naughty boy!

No, but you are going to get your reward

Are you going to bite my nipples the whole night?

Gulp

So, you prefer
Richard's cock to my
pussy, Mia? I can't say
that I blame you. Haha.

Ahhh

Sucking

You guys are making
me so horny.

Gulp

Mmmm

Hey, you two get undressed and go to the couch over there.

You can have it later. Come on!

Mom, that's enough. I am hungry, and I want to have my dinner...

My love, I am so horny right now because of you. I want you to fuck me hard until I cum.

Ehem...

And then, you can make Mia cum again.

I will not do it because you are keeping me hungry. It is a kind of punishment... I am tired of this.

You keep stressing me. Fine, then I won't have my dinner tonight. You ladies can enjoy your dinner together. I am going to sleep.

Oh...

OK! Then I won't have my dinner either! You don't care about me anymore...

Come on...

You can't be serious, Mom.

I am! Can you sleep tonight knowing that your mother is trying to sleep, while starving?

No... I... I am sorry.

Like you have no idea.

How much do you
love me, Richard?

Show me.

Emm... YES!!

You can fuck me harder
until I cum... Make me
cum, my champ!

Yeah... I love it rough! Harder!

EEehhhh

WOW! I haven't seen you enjoying it that much before, Margaret!

AHHH!! I DOOOOO...

Fucking

You do... You do, my champ! But before cumming... I want to look into your eyes.

Tonight, your pussy is mine, Mom! Repeat it! Who owns your pussy?!

Perfect! That's how you should be. By looking into your eyes, you seem very determined! I don't cum for a weak man. I want you to be like your father. He was very gentle and kind, but deep inside, he was a fighter!

I will be!

And I will prove it now!

I am always ready!

Ready?

Yes! Take it Mom!

Eeeehhh

Fucking

Woah

Fucking

My cock is deep inside your pussy, Mom! You can't resist its pleasure, can you?!

YES! YES! I LOVE IT!

Ahhh

And I will be ready for the next time, Mom. I will improve my skills to make you happier.

Haha... That was amazing, Richard! You were lucky that I was horny already to cum quickly. Next time, I won't cum easily for you.

I am the happiest mother ever, because I have a wonderful son like you. Oh ... Watch out, someone is coming for you!

We aren't done yet!
You still got some
energy for me.

Ohh YESSS!!

I want you to make me cum just like what you did to Margaret! AHHH...

Gosh... It is too deep inside...

Do you want it deeper?

Yeah...

Fucking

What?! Are you teasing me?

You should beg me for more!

Shall I stop?

N... No... OK... Please I beg...

Shhh. I was joking. You should never beg me to make love with you because I like you so much! Kiss me.

I kiss you?!
Does it mean
that you forgi...

Stop talking and
kiss me, naughty
lovable girl!

Now, I want to see a happy ending!

You do?

I have a better idea, Mom.

Mia will clean up
your wet pussy.

Haha. Good idea! I like
how Mia licks my
pussy with her tongue.

And I missed
your pussy scent,
Mom!

Right there! That feels so good!

Sucking

What a naughty fucking family we are! The clit, Mia... YES!

Licking

AHH... my fucking God... I love it when you fuck me with your tongue, Richard.

Mmmm

Mmm... My juicy pussy is yummy...

FUUUUCKKKK...

Ric...ard... I want to
scream... Let's take
some rest...

He shouldn't stop right
now! Fuck her hard
until she cums, sweetie!

No... Wait...

Don't make me cum until...

Until what, naughty girl?

AWW...

Say it, bad girl! I can't hold it anymore...

SPANK!

Wh.... Are... you
sure??

Will you cum inside me,
babe? I am looking
forward to having your
sperm inside me!

One hundred
percent... Do it!

NOO!!!

You let him cum either in
your mouth or on your body!
Do you UNDERSTAND?!!

O.. k...ay...

Gulp

Finish it in her
mouth!

Good girl!

Thank you for this
passionate
moment, Mia!

What? Did you swallow it?

If I can't get it inside my pussy, I should swallow it instead.

Why did you stop us, Mom?

You two listen to me very carefully. Both of you are too young to have a baby. It is a big responsibility. So, no impregnation until you two get a proper job, with a decent salary, and a plan for your life in the future.

I am sorry. It was my fault. I will not let my lust get in the way of caution again.

Well done! my lovely kids.

I am sorry too. I have to be more careful.

Before having our dinner, I suggest we clean up and take a shower first.

Good idea. I will go first!

Shit... I wasn't ready for this.

Aaa... I dropped it, and it got broken, Richard.

Hey Mom, where is the dope I have given you today?

What?! Mom... I asked you to keep it...

Mmm... OK.

I am sorry, honey. It was broken by mistake. But listen, I won't argue with you about this. You can prepare a new one for me, and I will be careful next time. Deal?

Do you think that he will believe that? Richard isn't naive, Margaret.

I wasn't prepared. I had to figure out what to say quickly.

Getting attacked today isn't a simple event, Margaret. It is getting too dangerous!

Keep it a secret and never
let Richard find out!

So, Mom lied to me, and
Mia knows more about
what's going on with
Mom than I do...

Mom was attacked... Black pills...
Oliver is after Mom... I have
many issues here... And God
only knows what other stuff I
have no idea about yet...

I can't answer your question right now. But you can come to this address later. You may find the answers you are looking for.

That's the only choice I have now. Maybe that guy can help me and give me some information. It seems that everything is sort of connected. Oliva and him, then the blackmailing, then the black pill, then saving Mia and me, then meeting us at the coffee shop...

Hurry up, Richard! I am starving!

After two days, in the morning.

In the last two days, I bought the new equipment I needed for my lab. And luckily, Lustudio called me asking for new capsules. It is pay day again! Haha.

What is going on?

What the fuck are you talking about, Kira? I told you not to get me into this!

Stop it, Kira! You know what, I will come to the studio to kick your ass and your manager's too... BYE!

Kira's manager would like to meet Margaret to talk together in business.

What happened?
Why are you upset with Kira, Mom?

I still don't understand why Mom is upset. She can say no and end it.

Kira insists on me accepting it and helping her somehow to have more share percentage in the studio. Even though she is my old best friend, I don't want to get involved in this.

Margaret is worried that the studio may stop working with you if she refuses the offer. And you may not get paid today either.

Is that so?

Nevermind, Mom. I don't care about it and can search for another job. Just do what makes you feel comfortable.

Thanks, Richard! I love you so much, babe!

Haha. The devil's plan.

OK... I have an idea. I will go today to meet the manager. I will stall for more time until you get paid. And then I reject the offer. What do you think?

And I will take care of the coffee shop as usual.

Well, I have to go to do some stuff, then I will pass by the studio this afternoon to deliver the capsules.

I will be there before noon. Meet you there, sweetie.

Alright, see you later, ladies!

After an hour.

I guess this is the place. Yeah, it is the correct one.

A man with short brown hair, wearing a blue polo shirt, stands with his back to the camera in a doorway. He is looking towards a man standing in the doorway. The man in the doorway is bald, has a goatee, and is wearing a black t-shirt under a black denim vest and black pants. He has his right hand extended in a gesture. The background shows a hallway with a wooden floor and a framed picture on the wall.

Good morning
aaa....

Richard! Good
morning. It took you
some time to come
here at last.

It is Edward.
Come in.

I was sure of your coming.

I am sure you do. Luckily, you are here before the others.

You will understand everything.

I need answers to many questions that I have.

The others?

Hey you! Get out of the house!

Who is she?
