You haven't given me an answer yet, Edward.

Why? Are you serious? It is obvious why.

Why do you need a gun?

OK... I will. All that I want is your help to cure Erika and stop this nightmare in return.

Thanks, Erika.

The cola...

Yeah... Whatever.

Do you usually have this bad temper?

You don't like it? Well before you even answer me, I don't care!

That's her temper most of the time recently.

I don't need your help, and I'm not in need of a boyfriend, especially if he as naive and foolish as you.

Maybe she needs to have some friends in her life. I know someone who would make your life much better and full of joy.

Wow! She is losing her temper so quickly. Anyway, it is time to go now.

When shall we start?

I will. Don't worry. Erika's case is mine now.

I will call you so that we can meet and start your training. In the meantime, I need you to analyze that yellow pill and see if you can do anything about it.

That's good to hear. See you later then and be careful.

In the meantime

Wow! It has been a long time since someone could eat my pussy like you do, Kira!!

Licking

Yeah! Lick it more! Get your tongue inside my pussy!
Ahh...

I miss you so fucking much! Your pussy is mine today!

Ohhh, easy girl!

Yeaaahhh... Spit on it! Make it so wet!

AHHH. YEP! Suck
my clit!!

Sucking

But... My poor tits are jealous. You aren't taking care of them like my pussy.

Oh yeah? Then I shall
make it up to them.

Are you kidding me? I haven't taken my turn yet!

What do you think? Should we stop? Are you entertained enough?

Mmmm

You are indeed an experienced woman, Kira.

But I have my own too.

Show me if you have kept
your sexy touches or not.

Look who is being
small-minded here...

I'll never lose them, Kira!

Awww

Hmm... It seems
that someone
needs to behave.

SPANK

Shit, Margaret! My pussy is dry... You should have made it moist first... Eeeeeehhh...

Sucking

Ayyy... Gosh! You are so aggressive. Just like the old days...

Mmmm

Sucking

SPANK

AHH... Y...eah?
Who... is... it?

Knock
Knock

Ehem... It is Tom,
Mrs. Kira.

Mr. Jack would like to meet Mrs. Margaret now.

What is it, Tom?

OK. She will be right there.

Thanks. I will inform Mr. Jack.

Too bad... I thought that we would have had enough time to finish what we had started. Anyway, I enjoyed it so much, Margaret. You are magnificent! Maybe we can do it another time, can't we?

What's wrong? Why aren't you answering me?

...

Come and sit on my face,
my gorgeous slutty friend.
I haven't finished eating
your pussy yet.

What? Jack is waiting
for you, Margaret. He
will get upset about
you being late.

OK, OK. Don't lose your temper.

He can go and fuck himself. I'm not leaving until I have satisfied myself. Now, come here and finish what we have started, sweetie!

Mmm ... I like to finish my meal before I do anything else."

EEHHH....Are you... sure
of letting Jack waiting
for... YOU...?

Shut up and let
me enjoy this!

You are very wild... Ahhh...

Juicy and tasty!

Sucking

Mmmm

Margaret, I think that's enough... You should go to...

OH SH...ITTTT....

FUCK!! Margaret...
Stop.

No! I won't stop... Your pussy is begging for my fingers!!

Yeeeeahhh

Ahhh

I won't be
submissive this
time!

Haha. Too late!

Gosh... Haha.
Fuck you!

Fuck Yeah!!

Rubbing

You are craz—

Come on, rub my pussy
harder! I want us to
cum together!!

Ehhhhh

Rubbing

I am going to... CUM!!

ME TOO!! AHH!!

WOOO

Haha. That was amazing!

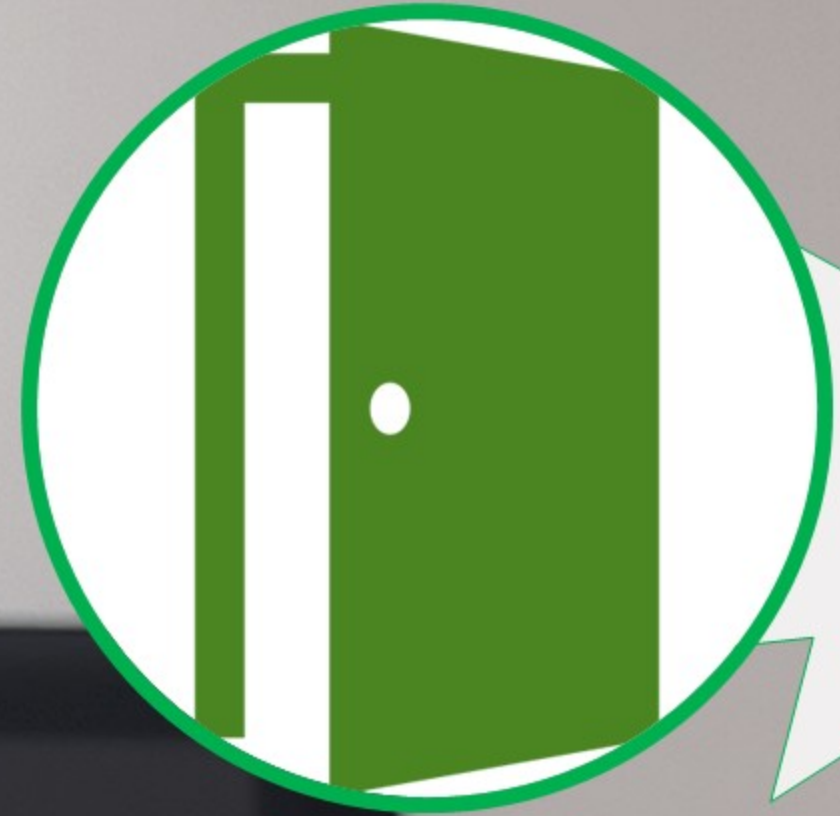

That was incredible! I haven't had such intense sex like this in years!

I will need your bathroom for a couple of minutes to get ready to meet Jack.

Sure! Take your time. I have to get ready to support Ann in her first scene.

After a while.

Knock
Knock

Come in.

Good afternoon, Kira.

Oh, Richard!
Come in.

What are you doing here?

I have come here to deliver the new capsules. Tom guided me to the administration department to hand over the capsules and get paid.

Where is Mom?

Hmm, that meeting...

Kira, what does Jack want from Mom?

She has just left my room to meet Jack.

What is it?

Why does he want her to work in the studio? He asked me to talk to her about getting her a job here as a model, but I ignored his request.

He wants—

Jack gets what he wants, Richard. He won't leave Margaret alone until he gets her to work here. I am sure he will convince her.

Why?

It looks like all sons behave the same.

My nephew doesn't like to see his mother Ann working as a model here either.

And?

As I said, Jack gets what he wants by any means. Unfortunately, my nephew "Max" couldn't stop my sister Ann. She is here already and getting ready for the sex scene shoot.

...

I must be with Ann on her first shooting day. I am sure she is a bit confused and nervous. Would you like to come with me?

Where are you going?

Okay.

In the meantime.

Hello.

Oh! Hello, Margaret!
Have a seat, please.

Sorry to dress like this,
but I guess you already
know the reason.

That's right. So, I am
sure Kira told you about
my offer.

With pleasure.

The scene with
Kira's sister.

I would like to hear it
from you, please.

Waaa... That's a lot of money!!

Here.

The money is yours once you sign the contract. And you will get the double after the first scene.

Some of Kira's fans are from the old days when you both were working together. And many have been asking her about you and if you will come back one day.

You were very popular, Margaret. Most of your fans are first-class clients. Imagine this ad "The famous former exotic dancer has returned to her loyal fans and will work in Lustudio as a pornstar actress". Our first-class fans base will be huge!

Double?? That's a big offer, Jack! Why all of this?

That's nice to hear and I am flattered, but I can't accept the offer. I don't want to get involved in this business again. I am sorry.

Margaret... Come on! You can't refuse a great deal like this. You could be rich in few years... You can fulfil all Richard's dreams.

But you may lose everything, Margaret.

And that would make it even worse!

I am not interested, Jack. Richard and I are happy with what we have.

If you mean the shop, I won't lose it. I am the owner of the place not just a renter.

I don't understand.

The police could visit your lovely shop if they got an anonymous call claiming that there are drugs hidden there.

We can try if you are willing to.

And they will find the drugs, won't they?

I do whatever it takes to get the business done, Margaret. Are you going to sign the offer? Or should I make the phone call and get you into trouble? You must decide now!

Are you blackmailing me, Jack? Are you a studio manager? Or a crook?

Is that why Kira asked for my help? I am sure he is blackmailing her too. What a bastard!!

I need some time to think about it. I may answer you in a day or two.

I said you must decide now, Margaret. You won't leave this office unless you work for me, or you get into trouble with the police.

If I accept it, can I only do the scenes with Richard?

Haha. What...? Hell, NO! You will do the first scene with me. It is one of the studio's rules. Then I may invite some of your first-class fans to join the show.

How the fuck do you think I can afford to pay you double?! They will spend a LOT of money to have sex with you! Mmm... Maybe later you can do some incest scenes with Richard.

Does it matter? It is sex in the end. And you could give it another name like "VIP model". Yeah, VIP is a good title.

Maybe later. You will be the first, Margaret! Now, decide your future.

WHAT?? That's almost working as a night whore, not a pornstar model....

Do you do so with Kira too?

In the meantime.

Wow! This is a huge set!

Haha. Welcome to the world behind the scenes.

I guess this is the room decoration for the sex scene of Jack and my sister Ann. Excuse me Richard, I need to check on my sister.

And what's this?

Sure.

Hey, Ann

I wish I could know how it's going with Mom... I am kind of worried... After Kira's talking, it seems that Jack isn't an easy person to deal with...

Oh! This can't be...

I know what I am doing, Eric. This is my job, remember?

A minute later.

Should I go to Jack's office and interrupt them?? Or is it better to wait here?? I am dying to know what happened there. I don't want Mom, getting into any more trouble...

Excuse me. I think we have met before, haven't we?

Nice to meet you again, aaa...

You have good memory.

Oh! Hello! That's right, a couple of days ago. Nice to meet you again!

It is Richard, and you are Ann?

No one could forget
a beautiful lady like
you, Ann.

Haha, Thanks, Richard!
Also, I would like to thank
you for what you did! You
are a gentleman.

What did he do?

We met Three days ago in the boutique.

Do you know each other?

Do you remember the day I asked about a good shop to buy some clothes and gifts from for Mom?

Do you know a good boutique nearby?

Yeah, but don't tell Mom. I would like to surprise her.

Yeah, there is a very good one at the next bus station. Are you going to buy some gifts?

That's sweet.

Your sister? Ann is...

The new model?

That's right.

Oh, I remember now.
What a coincidence to
meet my sister there.

She is my sister.

Another time, Kira. I need to get ready.

Now tell me what happened out there with Richard?

You are almost ready. Don't be silly. Tell me your story with Richard.

Flashback

This swimwear is so elegant and sexy on me. It is just too expensive to buy it... I hate it when I ask Eric to buy new expensive stuff for me and my daughters. I won't use his credit card this time. Also, my daughter should forget about the dress that she has picked up.

This dress is mine and you won't take it. You know nothing about the etiquette.

That's my daughter's voice!

The dress had no reserved label! That's why I picked it up. What's your problem? If you liked it, why haven't you bought it??

Damn it, Alice! Now I must pay for the dress, or she would look like an idiot and liar.

Oh. I see... Too bad...
Sorry for the
misunderstanding.

Excuse me, Sir. We are
going to buy this dress.
Maybe it is our fault for
not telling the salesperson
to reserve it for us.

Shit... I have no choice
but to use Eric's credit
card again.

Nevermind, it is OK.
Anyway, your girlfriend
wouldn't mind getting
her a different dress.

Your mother?!!

Were you going to buy something that expensive for your mother?!

I have two daughters and a son who have never thought of buying a small gift for me.

Actually, it was for my mother.

Yeah! She is so beautiful and would look amazing in this dress. Anyhow... I will search for another one.

Why not? She is the best thing in my life. She deserves more than just an expensive dress.

Oh, really??

Well... I don't know... In this case, you can have the dress.

Mom! Are you serious??

Your mother is a lucky woman to have a caring son like you, Mr...

It is Richard.

Nice to meet you, Richard. I am Ann.
