All characters, situations, events and locations are fictional, and any similarity with the real world is a pure coincidence and no connection

You must be of legal age 18+ to read this comic. If not, please close it

You two have done a fantastic job so far. Now, let's move to the bed and take some sex shots.

Yes, is there a problem?"

Sex poses?"

But, wasn't he a male pornstar just a few minutes ago?

I have no doubt that Richard is a nice guy, but he isn't a male pornstar, and I can't let him fuck me in front of the camera.

It's no problem to do foreplay or softcore stuff, but not fucking.

Thanks,
Margaret.

Okay, let's just
do the poses,
but without
fucking, and you
just fake it.

To the
bed, then.

Now what?

Take your clothes off and lay down on the bed, Richard.

You, Ann, will crawl to Richard and tease him.

Move slowly
Ann, make it
look real.

Get closer

Act like a bad girl. I want to see some real passion here.

Do a titjob.

I am trying to be, Richard.

Do you feel comfortable?

Used to what?

It looks like you are used to this.

Used to doing this with female pornstars, although this is not your job.

Lick Richard's cock if you are okay with it. If not, hold his cock instead while kissing him.

Haha. Is that what you want?

What would you prefer?

Mmm... I sucked your boobs, and rubbed your pussy. Wouldn't it be fair to give me a blowjob?

I will be the luckiest guy ever, remember?.

That's... I don't know.

It's a bit weird, I know.

On the contrary, it's supposed to be weird, but it isn't. Usually, I don't get used to people that quickly. It took me some time to let Eric touch me.

And here I am,
sucking a cock
of a guy that I
had met only
once!

Ahh... I like
how you suck
my cock.

MMMM

Rub your pussy using Richard's cock.

AHHH

GULP

Can't you let her suck it a bit longer?

Mmm... That feels good.

You mean rubbing your pussy?

No. It's my first time that I can do what I like. Eric always keeps me submissive, regardless if I like it or not.

It depends. Huh...
Here I do it
again, talking to a
stranger about
my sexuality
stuff.

Haha.
Maybe It is.

You don't
like to be
submissive?

Maybe a
colleague is
more
reasonable.

Wow! Your pussy is already wet!

RUBBING

Good job,
Ann. Keep it
up!

She will.
Just...

Like father,
like son.

Wait and
watch

Do you think she
will give up and let
Richard fuck her?

What?

I don't
understand.

Shall I do it? I want to enjoy his cock penetrating my pussy. I must not lose this moment which may not happen again.

He is the first guy I have met who understands how to respect a woman's body.

*What are you
thinking of?*

*I'm not sure
what's on my mind.
What about
fucking me instead
of faking it?*

I can sense a tone of hesitation in your voice, Ann. It won't work.

What is this guy? I didn't expect that answer.

Why? I can try.

My cock isn't a toy to try. You can get a dildo to fuck yourself instead. If you don't have the full passion for having sex with me, I won't enjoy it.

What THE HELL are you saying? Nobody refuses ME!!!

I'm not refusing you. I am saying you aren't sure of what you're doing

Oooppssss...

...
Haha. Just like your father, Richard. History repeats itself.

I won't complete this session. Fuck this place. Fuck this job. And fuck you, Margaret and fuck your son!

Ann, wait!

I am done here! Where are my clothes?!

Nah, it's okay, sweetheart! Ann will understand what you did and will appreciate it later.

Did I screw it up?

I am talking about your agreement with the studio, Mom!

Haha. I thought you were caring for Ann.

I have everything under control, sweetie. No worries.

I care for you and only you, Mom! Did I cause more trouble for you here?

Won't you tell me what happened with Jack and why Mia was here?

A woman with short brown hair, wearing a white lace dress, is embracing a shirtless man from behind. They are in a hospital room, with a bed and white linens visible in the background. The woman is smiling slightly, and the man has a serious expression. A speech bubble is on the left, and a thought bubble is on the right.

I will, but first things first. We have a big hard guy down there to take care of, and Mommy is missing her lovely son. He hasn't had sex with her for two days. Instead, he has been paying more attention to his small lab.

I wasn't away from you. It is all for you. I must save you.

HAHAHA

KISSING

That was so fast... I thought you would mind doing it here.

I can't think probably right now! Let me enjoy your magnificent body!

*Touch me and
kiss me more.
I missed you.*

I see. You are so horny after the session we had with Ann! She is hot, isn't she?

It is going to be different this time. I will show you how much I love you!!

Thanks,
sweetie. But
I wasn't
naked.

She is definitely hot.
No offense to her,
but you are more
alluring and sexier!!

Naked or not,
you are
stunning!

Allow me to reveal your tits. I want to give them a massage.

Richard, are you okay? You are being naughty this time.

you shouldn't blame me for this, Mom. I missed you so much! Two days were like two years to me.

Oh! Then we better not have sex for some time, so that you will miss me more.

SQUEEZING

SQUEEZING

No, we won't!

Yeah? Persuade me, then!

EEEEMMMM

KISSING

SQUEEZING

SQUEEZING

More... More,
baby!

AHHH

SUCKING

Excellent!

Don't tell me.
Show me!

Don't move your
head away. I'm still
hungry for your
sweet soft lips.

MMMM

EEEMM

Hmm.
Well...

So?

You got to convince me more!

Haha. I am all yours!

Haha! Stop it, Richard!

KISSING
MMMM

HAAAAHA

LICKING

No, no, no.
Not my
armpit,
naughty
boy!!

Why not? You are a super clean woman, and you shave it.

You are getting better and better, Richard. You are turning me on.

I want hug tits, Mom!

Please, Mom. I beg you.

No "Please"?

*Did you miss them,
my poor baby?
When you were a
child, you used to
push your head
against my tits and
ask me to hug you.*

*The safest
place ever.*

*It's still my
favorite place.*

*You thought
so back in the
old days.*

Yeah, it's warm down there. Hehe.

Oh, your face is slightly red.

So, what's your next move? Or should I do mine?

P-

HAHA.

You won't do anything this time, Mom. I'll take care of everything. Just relax and leave it to me.

Please. I know.

Make my pussy wet, baby. I want it so before fucking me.

LICKING

Ohhh,
YES!

MMMM

Keep using
your tongue!
Eat my
pussy!

Wow!! Look at
the *determined*
look in your eyes
Richard. I love it!!

You are my man! AHHH!
You are...

SUCKING

May I?

My Richard is
always a
gentleman
even though
he is horny.
Sure, honey.
Finger me!

So hot!
So sexy.

Ahhh. Are you
describing me
or my pussy,
naughty boy?

I adore you,
Mom!!

KISSING

EEHHMMMM

It... HURTS...
Too deep...

My queen
can order
me to stop,
and I will
obey.

Don't
stop! I
enjoy it!!

Fuck! This feels 5000 GOOD!!!

Would you like three fingers?

No. Two is fine.

As you wish, your majesty.

I love you, Richard. You are more than just a son to me. You are my lover, my best friend, and my guardian angel.

Hey, I was
flirting with you
not seducing
you! Hehe.

Your moaning
turns me on
more, Mom!

АННН

My son is
a bad boy.

Hmmm...
Very, very
bad boy!

Fuck! AHH!!
Yes, put it all
inside.

YES!
YES!!

Do you like my
cock, Mom? Are
you enjoying
yourself?

AHHH

I love it, baby!
Fuck mommy
harder. Make
mommy proud!

In the meantime.

What the fuck are you talking about?

It was your task to blackmail Margaret, get her into the dirty business and degrade her!!

How the hell did she figure it out??

It didn't work.

I know, but... Shit! That woman is intelligent. She was well prepared.

I have no fucking idea. What shall I do now? She's got the upper hand and is blackmailing me now to do what she wants.

Jack

I followed your orders.
What else could I have
done?

DEN DEN

You fucking
IDIOT!! You
ruined my plan!!
The boss is going
to be very upset.

Shut the
fuck UP!!

The boss is
calling me. I will
call on you later.

Yes, boss.

It didn't
work out.

But...

Okay,
boss.

The boss

Status?

Hmm... I told you it wouldn't
work. I know Margaret
very well. You got your
chance, Oliver.

I will take the lead myself
from now on. Wait for my
new instructions.

FUCK YOU,
MARGARET!!!
YOU BITCH!!!

Why are you insisting on hurting Margaret and Richard yourself, Oliver? Why don't you leave them alone?
