20 days later, in the morning.

Hey! Good morning, sweetie!

Yes. Today is the last day of his firearms training course.

Good morning, Mom.

Has Richard left already?

What's wrong?

Ah! Because of Richard?

Is he still trying to help that girl you guys told me about? Her name was... Erika?

The last days were so dull and boring.

He was either at the training course, or in his lab.

He is.

But those days were good enough for you to prepare your papers for admission to the master's degree.

Why do you want me to have a master's degree in IT security?

Why not? Will you work as a waitress in my shop forever? You are a smart girl and you like IT hacking stuff. So, you should become IT specialist as your mother was. I'm sure she would want the same thing for you, Mia.

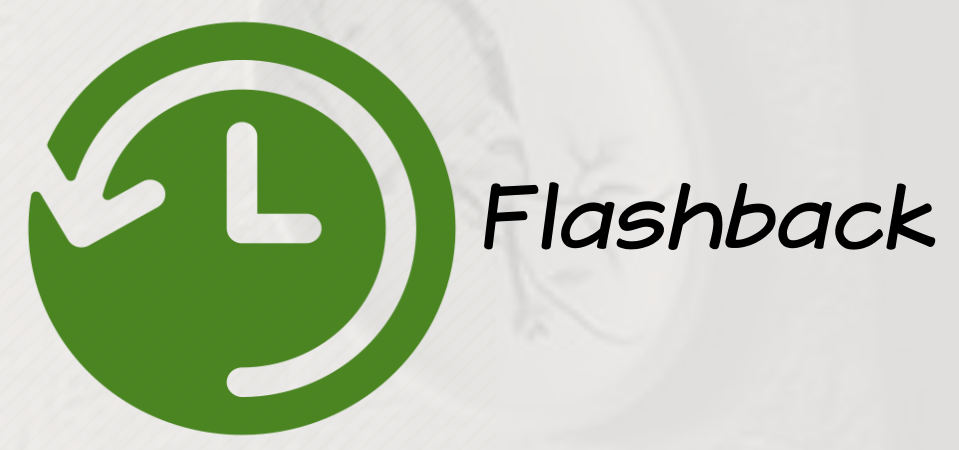

Thanks to you, we could deal with Oliver and that asshole Jack.

But it was your idea to hack into Oliver's accounts to gather the information you needed.

Maybe, but blackmailing Jack was your idea, remember?

Looking at his face's reaction on the set was priceless. Haha.

Flashback

From chapter 28

Well, I have to go to do some stuff, then I will pass by the studio this afternoon to deliver the capsules.

I will be there before noon. Meet you there, sweetie.

And I will take care of the coffee shop as usual.

Alright, see you later, ladies!

I'm not feeling comfortable about that meeting with Jack. His insistence on meeting me is suspicious.

No. That guy is an asshole. Kira spoke about him. But I don't know what to do. I want to be prepared just in case.

Why do you look concerned, Margaret?

Maybe you are worrying too much after what we've just got through with Oliver and Olivia.

Just in case of what? Do you think he may blackmail you somehow?

But why? Margaret, he has never met you before and doesn't know you. You're overreacting.

Ok... I've got an idea. I have a small device we can use.

Could be.

I believe in my instinct, which says something may go wrong.

What device?

But I can use my phone to record the conversation.

A small device will transmit your conversation with Jack into my PC to record it. You can hide it easily anywhere in his office when you enter or hide it under your clothes.

If your instinct is correct, then most probably, they will check you before entering his office to make sure that you're clean.

The only cons of this device is that I must be near your location. And taking me to the office may not be a good idea.

You can come to the office to give me my handbag back.

Your handbag?

And?

Ah! Okay!

I'll leave my bag with you before entering the company. And within an hour, you come in asking for me to return the bag. The receptionist guy is called Tom.

If they check me before meeting Jack, I'll take that device from you somehow, and if not, then I'd have gotten my phone to record the conversation already.

Get ready, then.

From chapter 30.

I will need your bathroom for a couple of minutes to get ready to meet Jack.

Sure! Take your time. I have to get ready to support Ann in her first scene.

KNOCK KNOCK

Tom

Ms. Kira?

No-no. There is a girl outside called Mia asking for Ms. Margaret.

Oh, I'll be out in a minute.

Okay, Ms. Margaret.

Margaret will meet Jack in a couple of minutes, Tom.

Who is Mia?

Later, Kira. I must hurry and get dressed to meet Jack.

What's going on?

Hey, Mia!
Why are you here?

You left your bag at home, and here I am bringing it to you.

Oh, thanks! I will need this before the meeting with Jack.

Aaa, Ms. Margaret?

Excuse me?

Secretive, huh? Asshole!!

I don't accept it.

Sigh Fine...

Nevermind, Margaret. Maybe he wants to talk to you about a profitable project idea and keep it as secretive as possible.

Before getting in Mr. Jack's office, please ensure you don't have any electronic devices. Also, I'll keep your bag with me until you're out.

That's Mr. Jack's orders. He is a very secretive person when it comes to business.

Yeah, that's how Mr. Jack usually does.

Tom checked Margaret, and she was clean. She took the device from Mia without Tom noticing that.

From chapter 30.

Does it matter? It is sex in the end. And you could give it another name like "VIP model". Yeah, VIP is a good title.

Maybe later. You will be the first, Margaret! Now, decide your future.

WHAT?? That's almost working as a night whore, not a pornstar model....

Do you do so with Kira too?

HAHAHA

You are fucked, Jack! I'm looking forward to seeing you in jail! Hehe.

W-What are you laughing at?

Hey! Send Jack a copy.

J-J-Jail? What are you talking about??

Who are you talking to?

Jack received an audio file with his whole conversation with Margaret.

YOU....

You won't get away with this!

SIGH
Is that all?

Nope. Soon, you will get some new orders. But for now... Thanks for the money!

Surprise!
Haha.

Bla-Bla,
Asshole!

Now, listen carefully. If something wrong happens to me or any of my family members, that audio will be in the police's hands. Do you get it?

Why is that?

Oh, I almost forgot. I'll work here as a pornographic film director from today.

It's none of your business.

Now, let's go to the set.

Who could that be?

DING DONG

It's for any expenses of yours and Richard's. For instance, I'll pay for all your tuition fees.

And what are you going to do with that money?

Oh. Thanks, Margaret!

Hello,
everybody!

No excuses this time,
Margaret. You've
been postponing our
visits to Ann's house.
Tomorrow is the
weekend, and you'll
come with me today.

Oh, Kira? What
are you doing
here?

Oh, that's not
inviting, that's
arresting.
Haha.

DING DONG

I don't care! You guys will stay at Ann's house tonight. My nieces and nephew are looking forward to meeting you.

Haha. I'll do my best.

Oh, another guest?

You better keep your perverted nephew away from Mia and me, Kira.

Oh my God.
Hello, Olivia!!

Hi, Kira.
Nice to
meet you
again.

Olivia?

Do you
know each
other?

May I ask why you are here, Olivia?

Olivia is our biggest investor in the Lustudio company.

I wouldn't invest in that company if you weren't there, Kira. You are the most famous pornstar in the market.

I thought that we were friends, and I could visit you from time to time.

Last time I was here, I didn't get a chance to see your apartment. Can you give me a tour, please? I'm curious to see it.

What is she after this time??

Of course... Follow me, please.

It's a long story.

How did you guys meet Olivia? She is a well-known businesswoman.

Nope. Haha.

May I hear about it?

I prefer you ask her instead,

Hmmm. Just like Margaret. She prefers to keep her secrets away from people too.

Okay. I'll do that. So, tell me more about you and Richard.

What do you want to know?

Well, our relationship is more profound than just boyfriend-girlfriend.

I know Richard loves me, and I love him too. Although he has never said it once, I know I'm the only one in his heart after Margaret.

Are you in a relationship?
Boyfriend-girlfriend thing?

That's sweet.

And doesn't that bother you? The relationship with his mother?

Nope. I love Margaret too. Haha.

I see. So, you can have sex with other guys, too, can't you?

I know, and it doesn't matter. We aren't in an official relationship yet. So, I can't blame him, but I know Richard very well. He is for me, and I'm for him. Our relationship is more than just a sexual one if you get what I mean.

Me? With other men? Nobody deserves me but Richard.

Wow! You're such a confident girl!

Oh! That's interesting. And what about Richard having sex with other girls? You know that he had sex with me once, don't you?

What a lovely apartment, Margaret. I like it.

I wish I could stay longer, but I got some business to finish. Anyway, I was thrilled to see you again, guys. Please, send my warm greetings to Richard.

Bye, everyone!

We will, Olivia.

So, ready to go?

But Richard won't come back until this afternoon. Shall we wait for him first?

No. You can pack his bags, and he will meet us at Ann's house. Just text him the address. What do you think, Margaret?

Margaret? Hey!

Huh?

About what?

Fine with me.

What do you think?

We pack our bags, including Richard's, and he meets us at Ann's house after the training course.

Please give me the address so I can text it to Richard, Kira.

In the meantime.

EHHHH

Surrender
Richard, you've
got no chance.

Nnnnooo...

Time!

The Unknown asked me to.

Good work, Richard. You're getting better each day.

Thanks Edward. But why are you training me to fight too? I only asked for firearms training.

I wish I could know who that unknown person is.

Me too. I tried to investigate but got no result.

Guys, hurry up and catch me. I'm going to fall.

You idiot! Your capsule doesn't last for 30 minutes.

Hey, watch your mouth! I'm doing my best to find a cure for you. So be patient!

I wish the black pill was that easy like the yellow one, but it isn't... Damn it!

Then work harder, Lazy head!

Erika! Stop it and behave yourself. Let me take care of her, Richard. You go, take a shower, and get dressed.

After a while.

Same time
again
tomorrow?

I'm working
on it. I'll need
some time.

It's time
to go.

Let me text you later
to confirm. I've just
received a text
message from Mia.
We may be spending
the weekend at the
house of one of my
mother's friends.

By the way,
when am I
going to get
the gun?

More than
just a
girlfriend.

More than any
other girl I've
ever seen.

Bye, rude
girl!

Hey! Is Mia your
girlfriend?

Is she
beautiful?

You're
uncivilized!

Sigh...
Whatever!

Wow! It's such a big, modern villa.

It's beautiful.

Is Ann the owner?

But the Villa looks expensive. How did she get it?

Hmm, now it makes sense.

Do you like it, Mia?

And what about you, Margaret?

Yes.

From her ex-husband. She got it by court order.

*This is my niece,
Lisa. She is the
youngest. Lisa,
this is Margaret
and Mia.*

*Hello!
Welcome to
our house.*

*The
pleasure
is mine.*

*It's a pleasure
to meet you,
Lisa.*

You've got such beautiful hair. I wish I'd been a blondie like you Mia.

Thanks! And I adore blonde girls.

Of course!

Haha. And I wish I'd been brunette like you, Lisa. I like brunette girls, and you are so pretty!

Oh, we can be friends, then, can't we?

Noo! Mia will join Margaret and her son in the guest room.

Mia will stay and sleep in my room, won't she, Auntie?

Why??

Haha. You're sweet, Lisa.

Okay.... I'll show Mia my room.

She can do it with Margaret. I'll do it with Mia.

Ann will do the house tour.

Mia

Ok-Ok. Slow down, Lisa!

Haha. So what do you think about Lisa?

She is. Anyway, let's go in and find Ann.

She is an innocent and honest girl. Is she in high school?

After you.

And this is Max,
my cutest
nephew.

Hi Margaret.
Nice to meet
you!

Hi, Max.

You look hot! Are
you the one who
will help me to
fuck Mom as your
son fucks you?

Hmm... He is a
good puppet
to use in the
training.

Welcome,
Margaret!

Max...!!

You told me that she has had sex already with her son, and she would come here and help me have sex with Mom. I didn't say anything wrong.

You say that about every woman I see and fuck later.

Are you nuts? How could you say that to her?

Max, be cautious with Margaret. She isn't what you think.

Let me show you the house and your room.

I do like the decoration.

Even you and I had a threesome with other women I met, like the family doctor, remember?

The blonde girl I saw with Lisa? She is hot too!

No-no. It's different this time. Trust me! Don't do or say anything stupid to Margaret and Mia.

Max...!!
sigh

This is Alice,
and this is her
bedroom.
Alice, this is
Margaret.

Can't you leave
that shit for a
bit and greet
Margaret
politely?

What
the...
ALIC-

Sigh Let me
show you the
next room.

Hey!

I'm busy
with my
blog. Time
is money.

None of
your
business.

That's nice.
What business
do you do?

Hehe.
Okay.

Nevermind,
Ann.

And this is a shared bedroom between Max and Lisa.

Looks like you two are getting closer.

We've prepared the guest room for them, but I'll reconsider your request for later.

Now, to the guest room.

Mom, I'd like Mia to share the room with me instead of Max during her stay here.

Please, Mom!

And here is your bedroom, guys. A big bed for you and Mia, while the other small one is for Richard.

What's this?

Ann

Oh, this was Kira's idea. You look stunning, Margaret.

Lisa

Oh, look at this too!

Haha. When did this happen?

You look very sexy in this one too, Margaret!

The day we were at the studio. But Kira said she'd keep them for herself... *Sigh*

TIN TIN

Aaa...
Mom... I.

Not
again.

Lisa... I've just
received your
grades report.
You got an F for
the third time!!

Bring the
others and
wait for me in
your bedroom
to get
punished.

Move on,
young lady!

You must be there too.

This is our rule in the house.
Everyone in the house must attend the punishment of the others.

Come with me, please.

Mia and I will unpack our luggage until you finish your family... thing.

What?
Why?

I don't understand.

OK. Now, everyone is here. Today, Lisa will get punished for her bad marks in school.

Hehe. It's the third time. Mom will get her naked this time. My plan worked!

I don't mind doing it in front of others, but not in front of Max...

You failed again, Lisa. This time the punishment will be harsh. Take your clothes off.

Rules are rules! Do it!

Oh YEAH!!! Show me your butt, Sis!

AWWW

SPANK

That's so you learn to improve your marks.

It's too rough, Mom!

Hello? Is anybody here?

Where is everybody? And why did they leave the front door open?

AYYY! MOM...!!!

What the fuck is going on here??

Richard?

COLONY CRISIS
F IDENTITY

OLD TIME RENAISSANCE
AUTHOR'S NAME

What's going on, Mom?

It's okay, honey.
It's just a punishment for Lisa.

Punished naked in front of everybody...? I-I'll be waiting outside.

What's wrong, Margaret? Is your son a shy boy? Hehe.

Oh! And who are you? His lawyer?

He is the type of guys that you'd date only in your dreams!

What are you-

Sigh

Easy, Mia. That's Enough.

*Hmm, Richard.
He looks elegant
and polite.*

*Now, get up and
get dressed, Lisa.
And be sure that I
won't be easy on
you if you get F
again!*

It's Eric's. He convinced Ann that humiliation was the only way to control her kids.

Because the punishment is to anyone in the house.

Yeah... That's how our lifestyle is

To whom does that punishment idea belong? I'm sure it isn't Ann's.

Hmmm... But Ann asked me if I could follow the rules too. Why?

Hmm... Really...?

That's ridiculous.

Are you alright, Lisa?

It hurts a little bit down there. I'll be fine.

What is the school subject which has caused you to be punished Lisa?

Science, Chemistry.

Oh! Richard is a chemical engineer.

Can he?

Exactly. He can help you with your studies.

But it's his weekend. We don't want to bother him with Lisa's studying issue.

Nah. He won't mind.

Sure. I'll talk to him.

Thanks! So, you guys go to your bedroom to unpack your luggage, and in the meantime, I'll prepare a quick snack for you.

Haha, sure!

Yes, please! I'm hungry!

Later.

At the studio, Kira captured some photos for me. And she hung the posters here to surprise me.

You aren't bothered, are you?

Ohhh! Thanks, sweetie!

Wow! Look at you, Mom! When was that?

That's nice!

Not at all. Let people see how beautiful and sexy you are, Mom!

To stop Eric blackmailing Kira.

Oh! I had no idea about that.

It isn't a must, but nice to do, of course.

So, you guys know why we are here, right?

And make Ann open to incest with her son.

Richard, you'll take the lead on this mission. And Mia will be your assistant.

It's time for you to learn how to do this kind of stuff.

So what?

I'm what??
Why?

But I may screw it.

Kira wouldn't get rid of Eric, and the situation might get worse.

But-

Then it's
bad luck
for her.

I don't care, Richard.
As long as you and Mia
are safe, I don't give
it a damn shit. That's
why I'll be here to
enjoy my time while
you figure out what
to do.

No, Mom... I'll need at least to consult you for help.

Come on, Mom! The mission isn't a mission without you!

Naahhh... I'm on vacation now.

Nah... Don't ruin my time, Richard. I want to enjoy it a bit. I'd like to spend most of my day swimming and doing exercises.

A woman with dark hair, wearing a pink and white checkered dress, is sitting on a bed. She is looking towards a man on the left and another woman on the right. The man is wearing a black shirt and light-colored pants. The woman on the right has blonde hair and is wearing a black strapless top. They are in a room with a large window overlooking a city skyline. There are palm trees and modern buildings visible outside. The scene is lit with soft, indoor lighting.

Richard, what do you think?

I think she needs some special treatment and indulgence.

We'll do it then!

No-no-no, don't even think about it...

Haha. Stop it, guys!

MUAH

MMMM

KISSING

*What you guys
are doing won't
convince me to
change my mind.*

*I've done
nothing yet!*

Oh God! Richard,
you naughty

Good job,
Richard! Keep
enjoying her
down there!

AHHH

Will you be in
the team,
Mom?

Mia

Maybe this
will persuade
you some
more, Mom!
