The question is, will you show Ann the love and pleasure she desires from you? Or will you break her heart?

Hmm... You're such a wonderful daughter, Alice.

This is... Unbelievable.

NO! I can't break... Her... Oh my God!!

Am I?

Why do Margaret and her family perceive me in such a positive light? I never realized I was that good.

Now I understand why Richard and Mia were so kind and affectionate towards me during sex.

Can't you see it? You responded instantly, saying that you wouldn't break Ann's heart. Your mother is truly fortunate to have a compassionate daughter like you.

Since you genuinely care for Ann, treat her wishes with respect. Remember, she is your mother, not just someone you will intimate with.

I will.

Training? Are you joking? I've had plenty of experience with both guys and girls.

Huh?
Hmm...

Fantastic! However, before embarking on your journey with Ann, it's important to receive some training beforehand.

Were you considering their emotions and well-being during sex? Or was it purely about the physical act?

I believe you understand what I'm trying to convey.

Haha. No, no.
It should be
with a female.

No.

No.

Hehe.
Nope.

Hmm... Alright.
Who do you
recommend?
Please, not Max...

Okay. Maybe
Mia?

Auntie?

Oh, I get it!
With you then.

What?
Lisa??

Exactly. She is your younger sister and the perfect one to practice with.

Lisa is like a younger version of Ann.

That's because you've never made an effort to understand their profound emotions and how alike they are. You'll understand what I mean later.

Why Lisa specifically?

Hmm. I think you're mistaken, Margaret. Their personalities are completely different.

Mom just informed me that she won't punish me, Margaret! Thank you so much!! Haha.

Ooops. So-
Sorry. I
thought you
were alone.

Mmm...

It's okay,
Lisa. You can
tell her.

What
punishment,
Lisa? What
did you do?

Lisa shared with Alice all the details of her time with Margaret, but she conveniently left out any mention of the secret spot.

Yes, and thanks to Margaret, I didn't get in trouble with Mom. She even said it's okay for me to spend more time with Margaret.

Alright, I'll let you two continue your chat. Catch up with you later.

Wow! You two together??

If Margaret was able to persuade Mom not to punish Lisa, then Mom must really trust Margaret. So, I guess I should trust her too.

Margaret

Great job, Lisa. You followed my instructions perfectly.

Alright. I will practice with Lisa, first.

And if you need any help, let me know.

Nah. I won't need any. It's a piece of cake. Good night, Margaret.

Alright then. Sleep well, Alice.

All I need now is Richard to finalize this small twist in the plan.

A few minutes later.

Oh, perfect timing, Richard.

Haha. That's fantastic news, honey. And you're expecting your reward, right?

I think tonight is going to be a memorable one for us because I have a small surprise for you.

Hey, Mom! I have some good news. I had sex with Alice! Mia was there too.

Without any doubt.

What surprise?

After midnight. Ann was still awakened in her bedroom.

**KNOCK
KNOCK**

It's me,
Margaret. May
I come in, Ann?

I'm having trouble
sleeping. I'm still in
complete shock. Alice...
Lisa...Max... This doesn't
feel real...

Huh... Who is it?

Margaret? Of
course, come
in, please.

I knew you would still be awake. You can't seem to get our conversation out of your mind, can you?

And what about Lisa?

Yes, it's really unsettling for me to feel like a stranger in my own home. I feel like I don't recognize my children anymore, especially when it comes to Alice's behavior and Max's as well.

Lisa seems to be handling things relatively well. She's young and curious about her body changes and her sexual desires, so she's chosen to confide in you to figure it all out.

Ann

I understand.
It's a matter
of incest, then.

Hmm... And why do
you find incest so
terrible?

Alice and Max are
unique situations. Max
desired to touch his
sister, while Alice has a
crush on me... Uhhh...

Indeed. I never
imagined that such a
terrible incestuous
notion would influence
their thoughts.

What do you mean?
Family members
engaging in sexual
activities together. It
is against the nature.

Definitely
some do.

Can I ask you
something? Kira
works in the adult
film industry. Do you
think people find it
distasteful?

And what
about you?

Initially, I was hesitant
about it, but after
being on set, my
perspective shifted. I
found myself enjoying
it in a way.

So, you had a
change of
heart after
experiencing it
firsthand,
correct?

Naah, Margaret. I can already see where this conversation is headed. It's absolutely ridiculous to suggest that I should involve one of my children to determine whether incest is wrong or not.

Oh, alright then...

Are you suggesting I watch an incestuous porn film?

So, how would I witness a real-life instance of incest then?

Haha, you've got it all wrong. I'm not foolish enough to make such a request.

How about you just observe it?

Those porn movies are purely fictional, just actors playing roles.

With me and Richard.

We are.

It's been years. We started our relationship just when he turned 18.

Yes, she does. Sometimes we have threesomes together.

Huh?? What? You and ...? Are you two in an incestuous relationship??

How long has this been going on?

Oh my God. Does Mia know about this?

Richard is waiting outside.

You are kidding me, right?

He is what?!?

Haha. Listen, you've got nothing to lose, Ann. I was already planning to have sex with Richard tonight anyway. So, what do you say we have some fun here in your bedroom and you can watch? If you feel uncomfortable, we'll go. If not, maybe your thoughts on incest will change.

No, wait! I haven't agreed yet.

Damn!

Richard, come in!

Your eyes have already given me the answer, Ann.

Hey, Ann.

I'm so glad that you will give us a chance to show you how amazing incest is.

My mom taught me to follow my beliefs and not let others' opinions affect me, as long as it doesn't harm anyone. My relationship with my mom is personal, and it's not for others to pass judgment on.

H-Hi, Richard...

Is it? Doesn't it make you feel embarrassed?

I appreciate your understanding, Ann.

Of course, Richard.

It wouldn't be cool to decline right now with Richard around. I don't want to make him feel awkward. Maybe I'll let them carry on for a bit, and then I'll politely mention that I'm not comfortable.

Hmm... What am I supposed to do now?

Keep your eyes on us.
If you're feeling
turned on, feel free
to pleasure yourself.
And if you're tempted
to join, you're more
than welcome.

Great! Her
challenge is really
motivating me!!
You'll be begging
for us to fuck you,
Ann. Hehe.

•Giggle• Thanks,
Margaret. I'm
sure it won't be
enjoyable.

Remember what I told you in our house to make me cum twice? Hehe.

Two times?!

Dinner is ready.

Next time, you will fuck me harder and better. I want to cum at least two times.

At least! Haha.

T-Twice??
Here? In my
bedroom?
Now?

Looks like it's
going to be a
long night...

Haha. Why all the
questions, Ann?
Yes, yes, yes,
aaaand yes!

Mmm... What a way to kick things off! Great job!

KISS

Hmm?

Well, tonight,
my body is
yours, Richy.

Hehe. My soul and
heart belong to
you always, Baby,
not just tonight.

What's this?

Can I have your
permission to
touch you, my
queen?

Only your
body?

Hmm...
Beginning with
the exposed
areas?

I can't control
it. Mom, you
are so hot in
this outfit!

MOUAH

LICK

Mmm.
Nice!

They still haven't
had sex yet, and I
can feel my blood
rushing through my
veins.

KISS

It's not a commonly chosen spot to taste, but you always insist on it.

Can you move your arm up, please?

I never want to overlook any part of your breathtaking body, Mom.

Ah! You're well aware of how much I enjoy being complimented. Alright then! •giggle•

HAHAHA

MMMF

It's so ticklish!
HAHA.

Oh! I didn't realize he was referring to her armpit. Jeez... Her armpit??

LICK

I've never had anyone
lick or suck my armpit.
But now I see a son
doing that to his
mother. I wonder how
much he loves her.

TOUCH

Can I have a little kiss, Mom?

Nah, show me more love first, Richy.

Oh, my love! You know what really gets me going.

MOUAAH
