"OK, Cindy, joke's over! Your mother's dead and you're gonna live in the stable now. I'll keep you chained up with your huicy cunt winking at me, saying, come and get it, come and get it! Cindy's been in the stocks for two weeks now. Since the day Blackdick kidnapped her outside a disco. Cindy eats, drinks, and performs her most basic physical acts in the stocks. Time and again she is raped and bugged... "Please, noooo! I'll do anything you want! Pleeese! You're hurting me! Take me out of this!" "Cut the crap, kid, and move that ass around! I wanna see it wiggle!"
