So, here Am I trying to warn her about the punks here in Maxima City. Install a dojo here is telling them "we don't fear you", practically challenging their reign of crime...

Those thugs are a serious problem. they won't hesitate to stab you or shoot you to get what they want

I don't need help. I'm tired to hear you...  
ok, then Let me help.

You want a chance to help.

haven't seen you in a while. Let's see if you are still weak to women's charms...

Sorry for this G. I want to keep you out of trouble.

You gotta earn it.

EER...

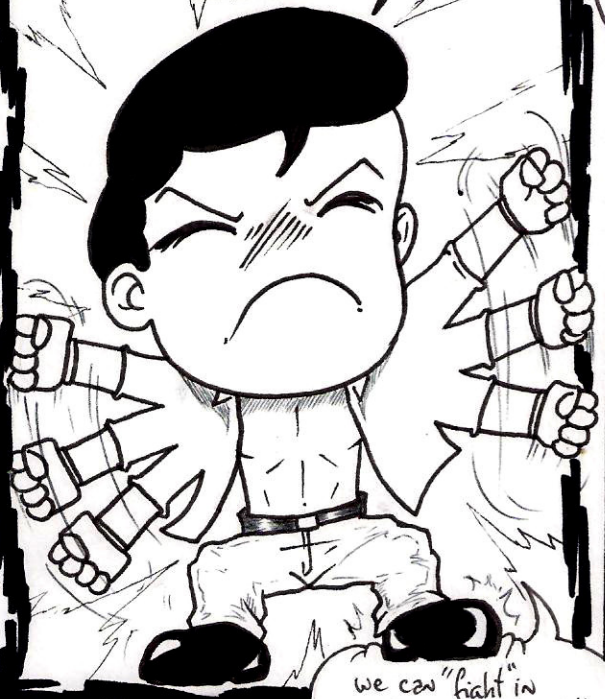

Additional supply depot required!!

C'mon!! If you can beat me in combat, I'll let you help.

Your clothes...

What? do you like what you see?

Put your clothes back!!  
I can't fight you like that!!

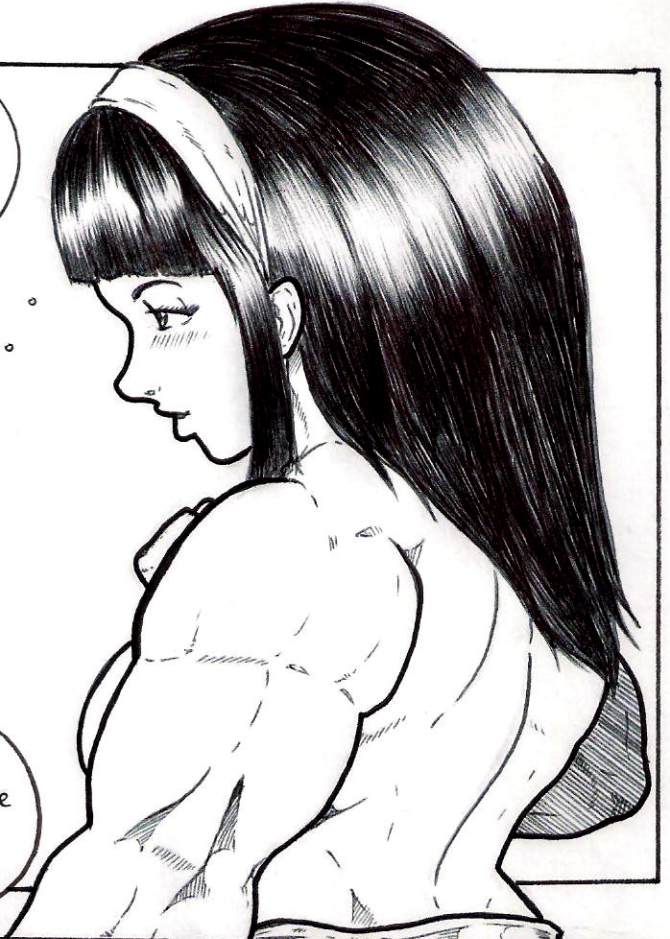

we can "fight" in another way like that but just not now!!

Oh, G, c'mon...  
don't tell me I'm  
distracting you.  
This is a fight.

You wish you could  
fight me in the  
way you're thinking  
♡

Let's begin, Attack  
me. But take me  
seriously or you  
will regret it.

Yes!! G's finally overcoming his  
trauma. that punch nearly hit me.

Ouah! kof!! kof!!  
I guess... that's  
enough. You win...  
kof! kof!!

Get up. I  
know the  
mighty G  
can't be  
beaten with  
a single  
lucky strike

uah!  
kof!  
uah!  
uuuah!

Here I come, against  
A right job...

... Countered by  
a faster snap  
kick in my face.  
How kind of you...

The hit sent me  
directly to the  
floor. Out in one  
move? This girl has  
been working her  
technique...

Done so soon?  
I expected a  
fight, get up!!

MMF! MMF!  
Wow! that was  
impressive.

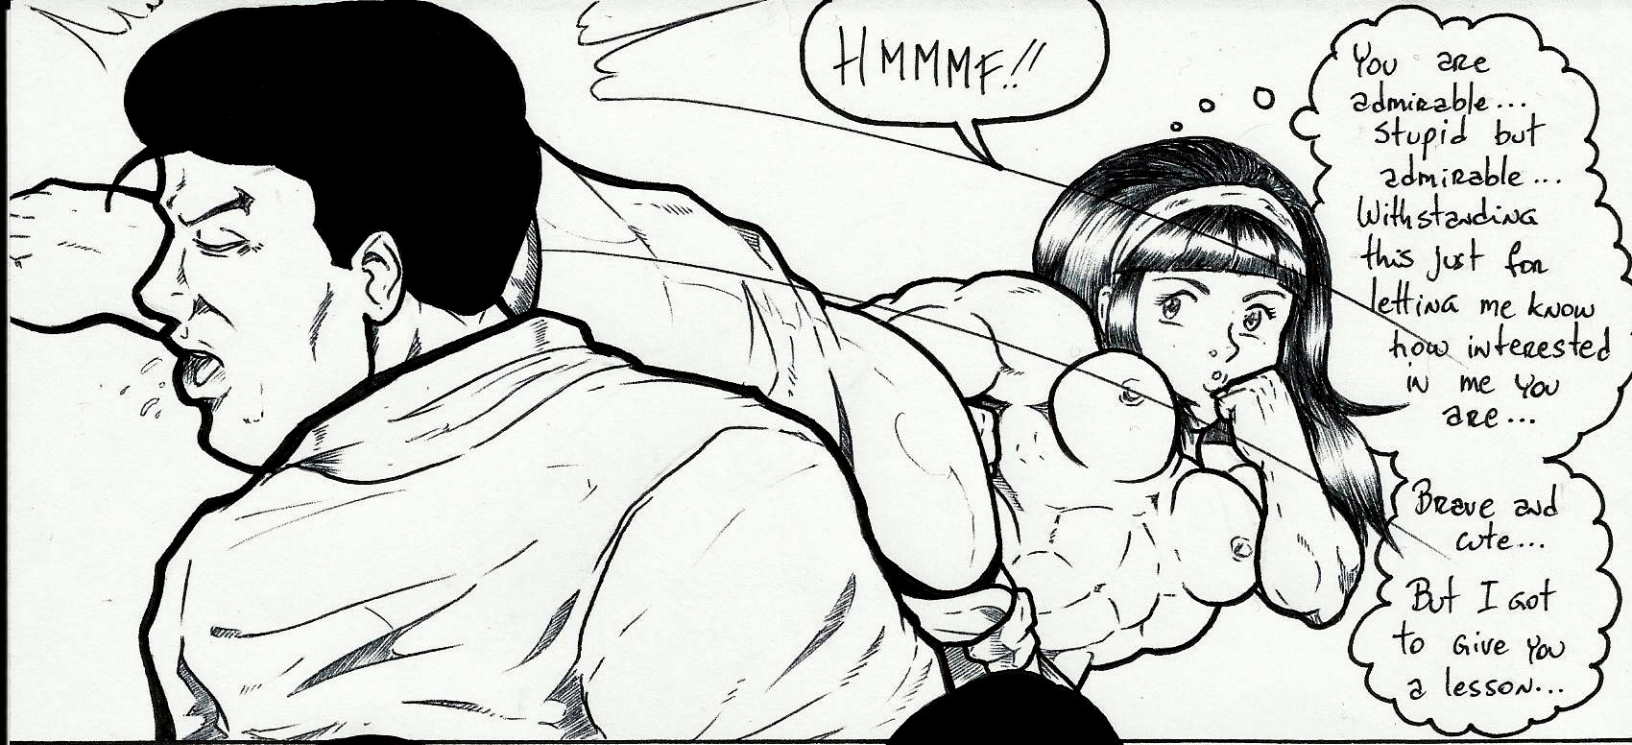

Do you have any other hobby?  
That kick was almost perfect  
But I insist. Even with all your  
training you won't be able to  
handle those guys. You need  
my help.

You sure? You're  
conscious because I  
wanted. I can knock  
you out with one  
blow if I desire.

Not even you  
could withstand my  
strength. Get up!!  
I will show you  
I don't need any  
help.

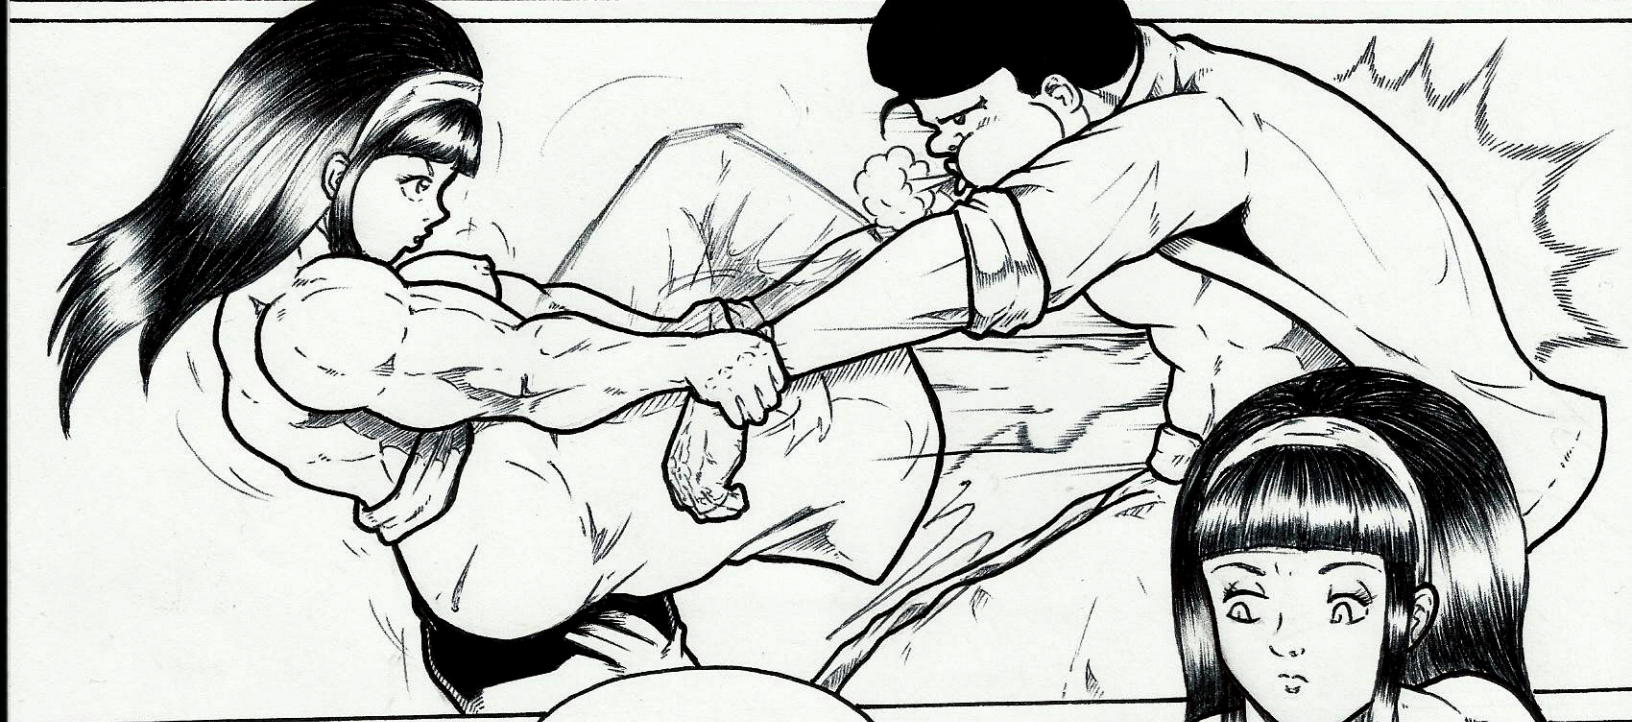

HMMMM!!

You are admirable...  
Stupid but admirable...  
Withstanding this just for letting me know how interested in me you are...

Brave and cute...

But I got to give you a lesson...

I'm ready to accept your surrender.

Agh! Unah!  
I... still...  
can... fight  
Just... give me  
a second...

Ok. I will  
give you more  
if you insist

Technique, overpowered...  
From which Joaze Garay's  
comic does this girl  
come from???

It's like hitting  
a wall!! You haven't  
changed. Brave  
but slow...

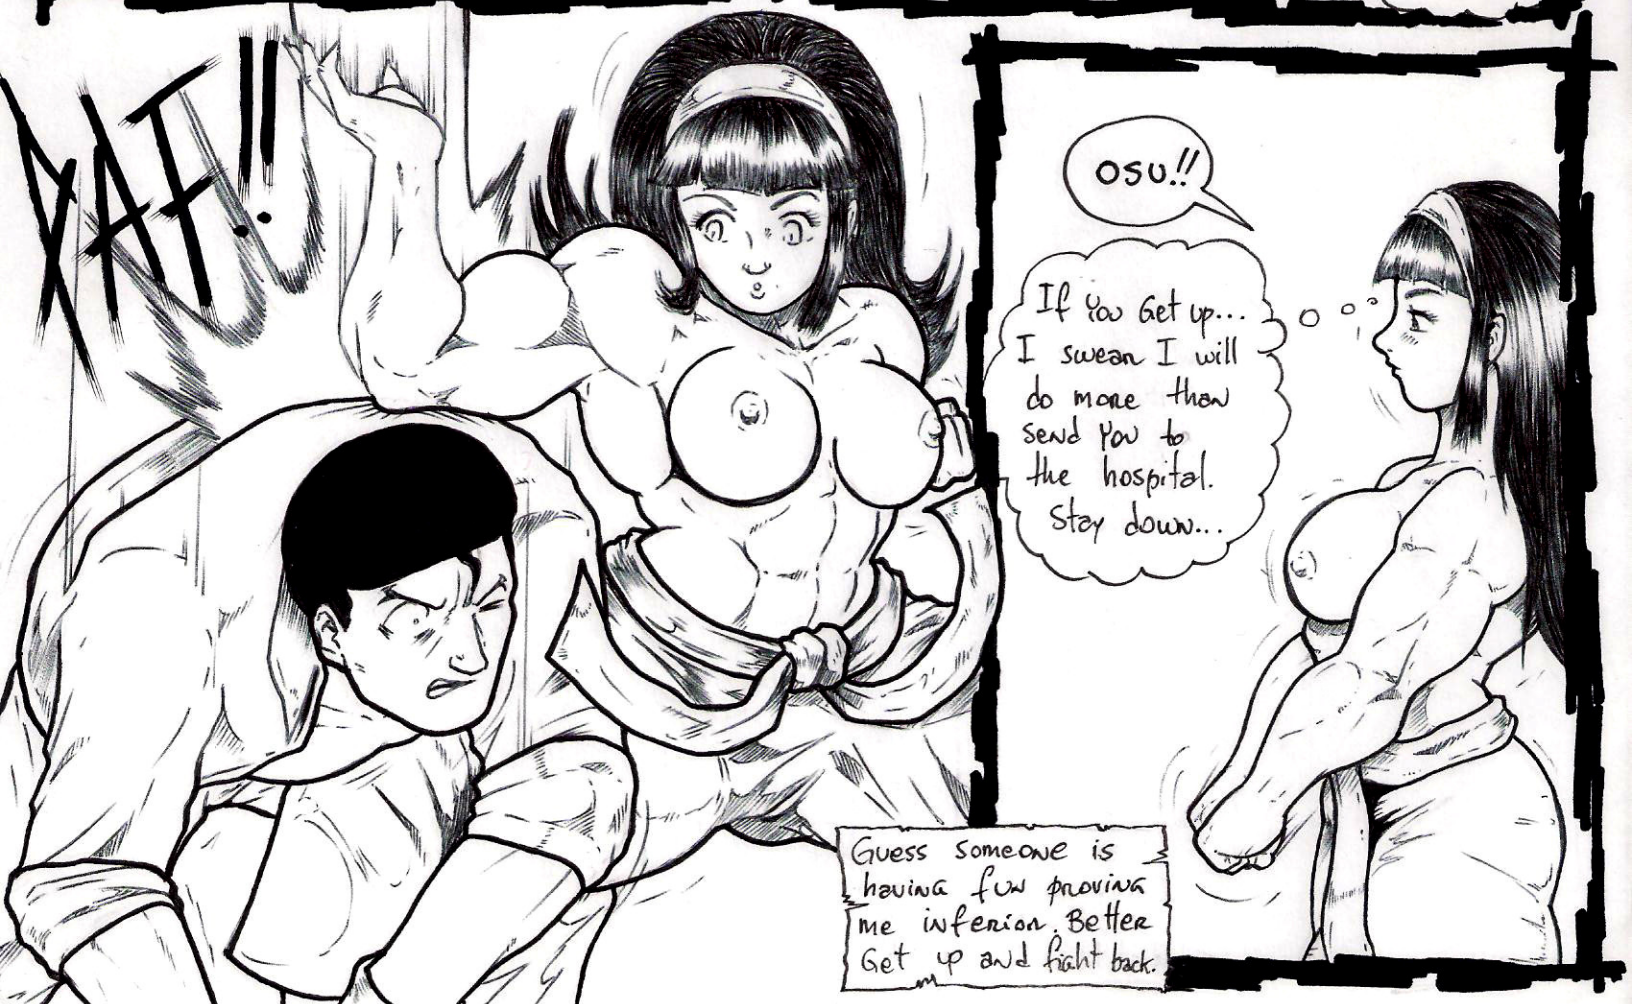

Ouch! I feel  
like fallina  
into a pool...  
I'm about to  
get k.o.ed  
Better recover  
fast!!

stupid G, why do you  
have to annoy her.

What happened?  
I was too much  
to handle Years  
ago...  
I have trained  
every day since  
we last met.

Do You really  
think you can  
stand a chance??  
If you can get  
up, I will show  
you more.

I hate you.

Wow! I must admit you have improved a lot.

Anyway those bastards don't fight clean.

I have some friends wantwa to help... we should talk.

No way. I put this dojo to make the people feel safer. I will take care of the Mob guys alone.

ee... You're not understanding... This is organized crime thugs with guns... You know what I mean.

The hell with them. If they come in those teams, I will send them in body bags back to their boss...

ok...!!

You sound like one of them and let me tell you that sucks... and sounds cliché too...

too much cliché I think...

...like 70's karate movies...

Shut up... beat me and I will hear you.

Ok then.

DAMN it!!

Don't forget who I'm. If I really fight... we both we'll be sorry

You! You almost hit me, you piece of shit

I'm able to defend my...

Shut up, brat and accept that you need me!!

You wanted a fight, right. I've come to save your cute ass and I receive only your warts!!

What... what did you just say??

I'm... GONNA...

Great! G, you're a genius. She was playing until now. This will get ugly... and that kick tells me I'm going down again.

SHUUU!

MMMF!

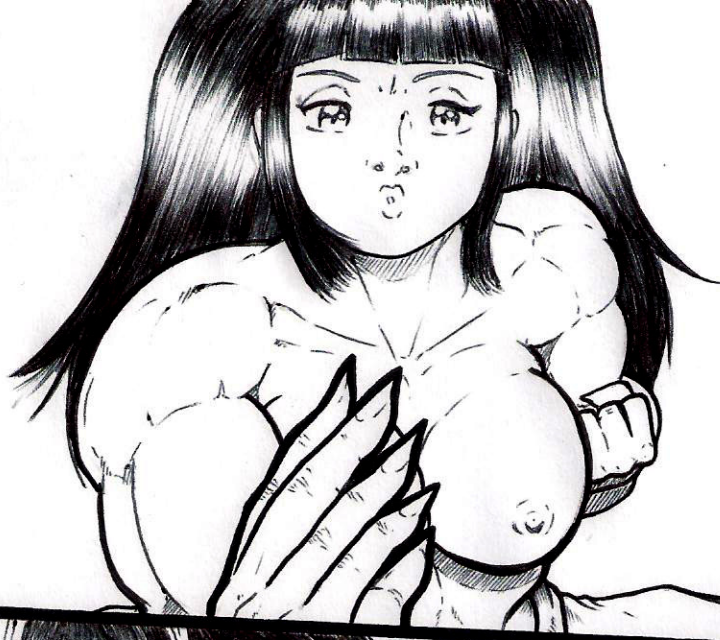

She's no holding anything back now. Two blows to my face in a perfect combo. The force of the impacts left me cornered... at her mercy.

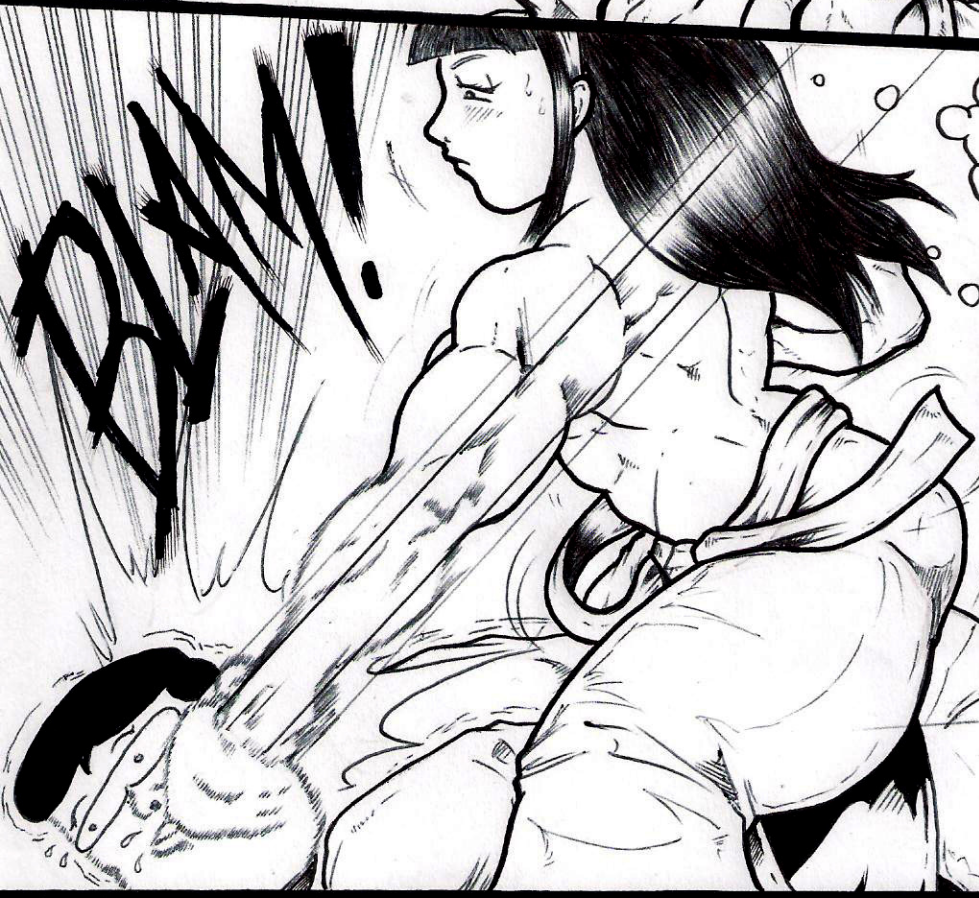

At last. You finally decided to stay down. feeling dizzy? Your body doesn't respond?? I told you. I'm too much to handle when I really want to hurt someone ...

You want me mad? I will give you that... five minutes rest... then I will fuck you.

She's taking a deep breath...

This won't be good for my health...

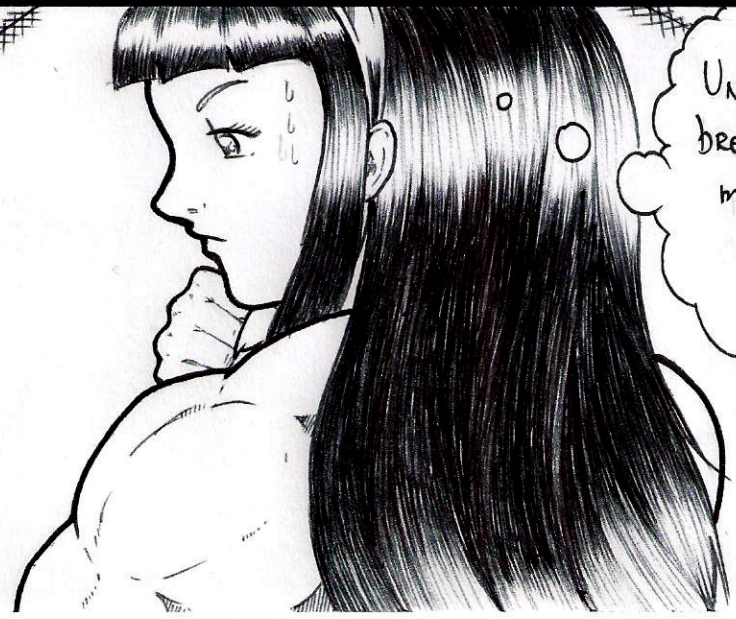

I used to break bricks with this move.

Hope this is enough to show this guy we don't need him around.

Gotta admit... he's kind of cute... trying to help me...

But he needs to learn I am the best around and I can deal with those punks.

Uf! that blow left me almost unconscious... Hope she is satisfied proving me inferior in combat. I couldn't take more punishment... >.<

Unbelievable! still breathing after that?! mmm... maybe he could be useful after all... cute little bastard.

What the?!  
but... You...  
You should...

I will endure all  
You have, little  
women...

Until You  
understand  
You can't do  
it alone!!

Indeed You're skilled, but  
face it. You can't fight  
a bullet.

I had two good guys  
killed by those freaks.  
If we wanna take them  
down we here to be  
together.

Alone You're  
another blood  
spot on the  
floor...

We both know You care about  
me much as I do for You.  
I know You want me out of the  
game... to handle this Your  
way. But You're not alone.

You've got nothing  
to prove...  
forget Your pride.

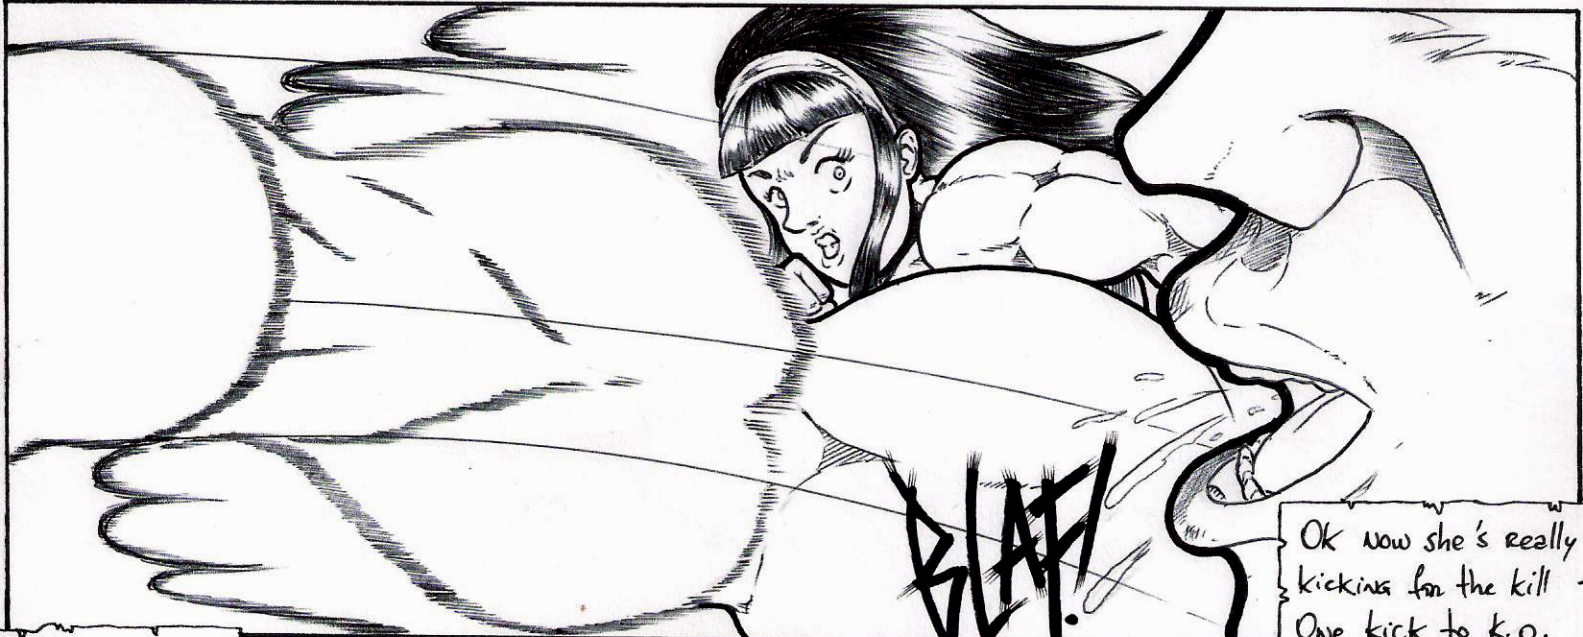

You're acting like  
the stubborn little  
immature girl that  
I once knew.  
There's is more than  
Your stupid dojo pride  
in play here...

My mother left me this  
dojo, G. This was  
her dream... she  
spent years working  
hard to build an  
academy with a  
name. I won't  
let a bunch of criminals  
steal her life's work.

And I won't  
let You  
interfere...

At the hospital,  
You will be  
safer.

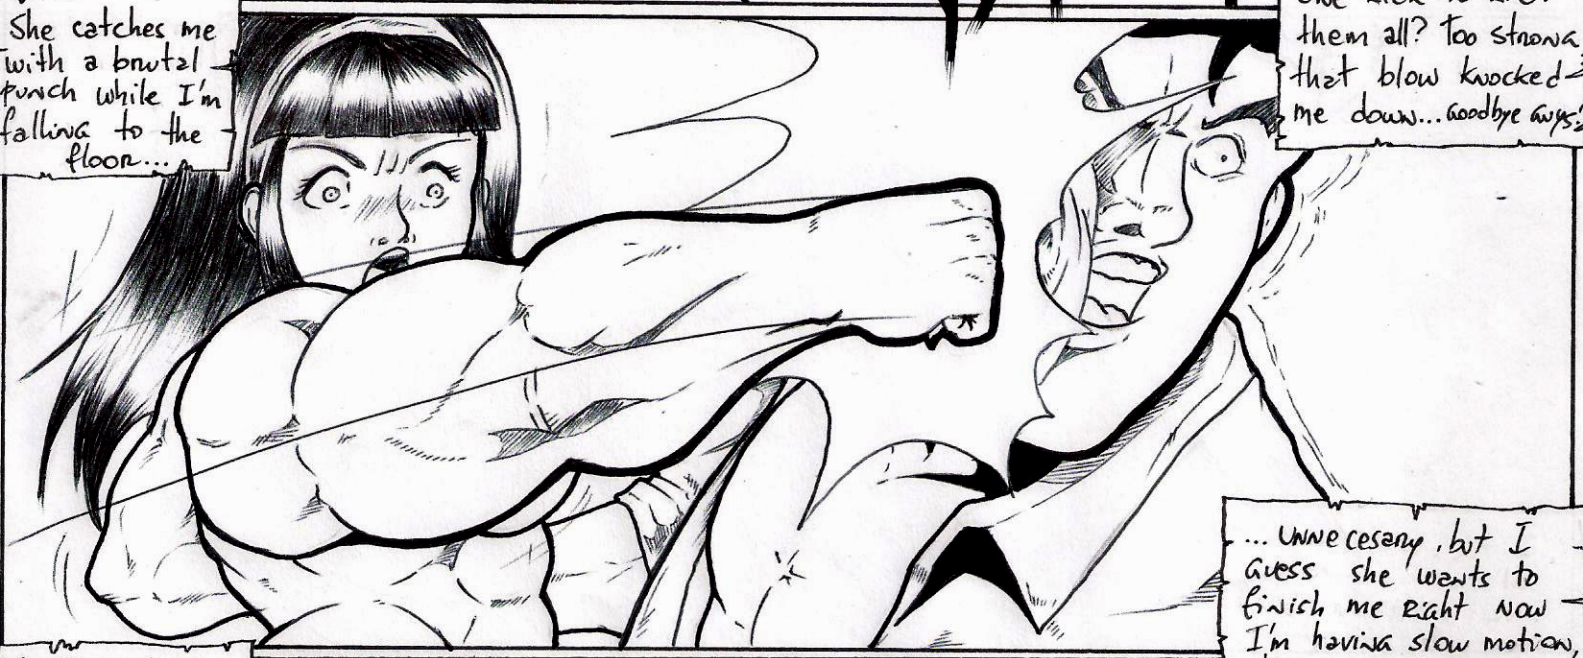

She's looking at me with  
anger while she removes  
her pants... what's she doing?

**BLAM!**

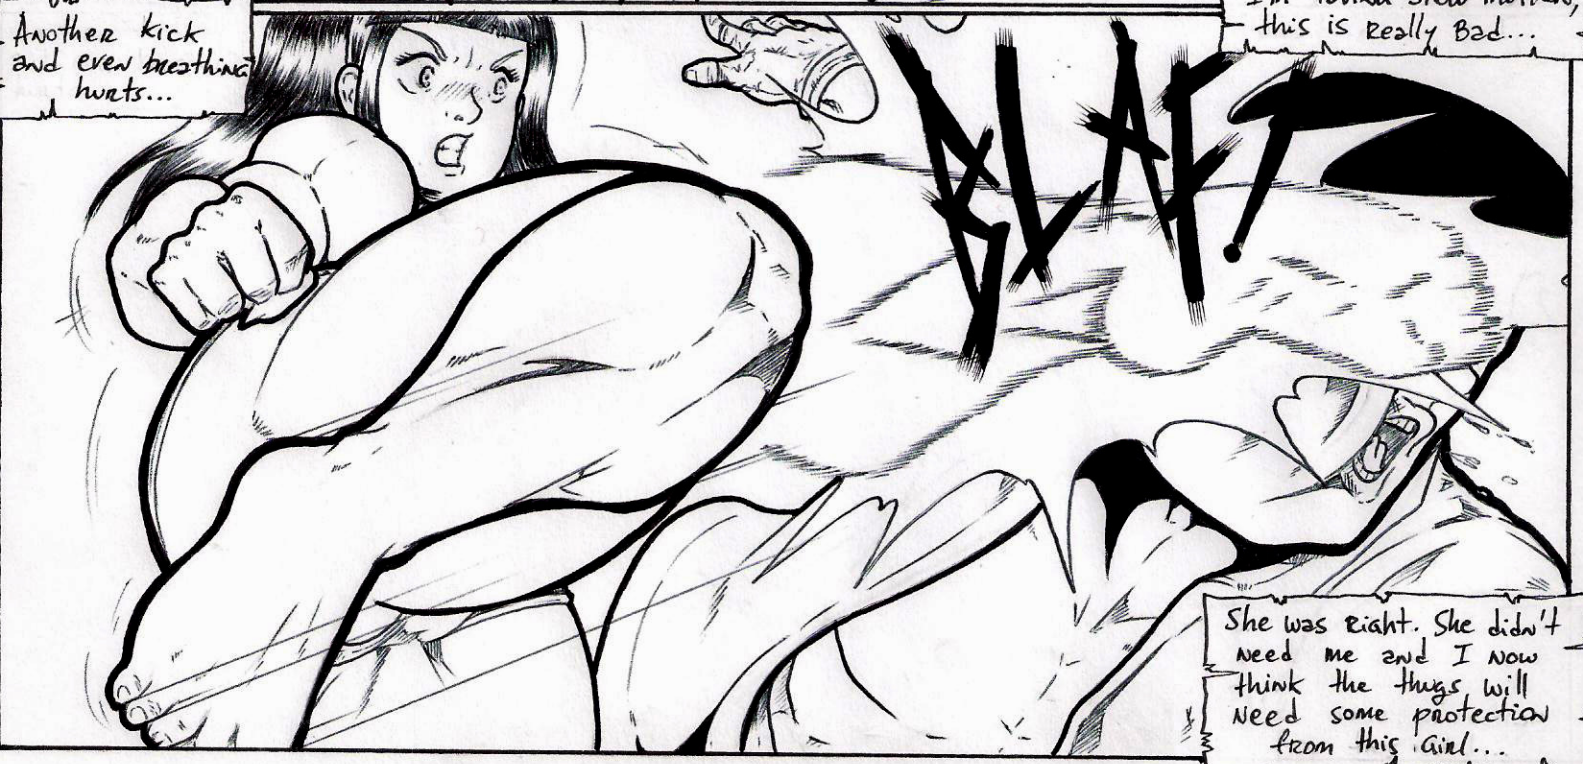

Ok now she's really kicking for the kill. One kick to k.o. them all? Too strong that blow knocked me down... goodbye guys.

She catches me with a brutal punch while I'm falling to the floor...

... Unnecessary, but I guess she wants to finish me right now. I'm having slow motion, this is really bad...

Another kick and even breathing hurts...

**BLAM!**

She was right. She didn't need me and I now think the thugs will need some protection from this girl...

Idiot. Years ago... when I was just seventeen, I gave you a decent beating.

Remember? I did it because you didn't want to be my boyfriend.

look at you. I could do whatever I wanted to you now.

You humiliated me before... and you are humiliating me now, offering your help I eat thugs for breakfast.

Just because I'm a woman, right? stupid G. You never learn.

let me show you all my strenght in one kick

She takes her time... slowly rises and readies her leg for a fatal blow.

HAIIIIYAA!

In a violent, fast and overwelming movement, my world turns black... Nothing to do but fall...

Hell No! She beat me again!! I guess she's standing victorious in front of me right now, tell me without words how weak I'm compared to her...

Damn it! Why I'm always ending this way!?! I'm supposed to be stronger than this...

Now she must be disappointed... How!?! Ok, she's faster and stronger, but I could... It doesn't matter... my body can't respond...

Ups! G is on the floor of my dojo... at my complete mercy... What to do? what to do? mmm ♡ cute... I'm gonna have some fun with you after all...

... what the..?!!

Body, respond!! You will thank me later!!

You deserve something sweet for caring about me... You don't need to take care of me... I will take care of you darling... ♡

THANK YOU FOR WATCHING

END?
