engage your
next opponent:
ME!!

Dagoee...

my cover.

No way!!
...
she is hot.

Yes, she
is.

Here I go again...
Captured by the
enemy... seems like
I'm about to be
beaten again...

Mr. G... this
is so nice of
you to finally join us.
Could you please stand
up for a formal
introduction?

You're funny,
Mr. G, but...

big surprise...
the woman in front
of me is Korina
Petrenko... a Pro.

35 years old, tae kwon
do expert and under-
ground fights champion.

Howdy! is
that formal
enough?

You will have to
entertain me in
a more complicated
way, I'm afraid. Get up
and fight me.

Karina. What the hell...
this hottie from Russia
wants to fight me??
I'm so exhausted...
...why here?
...why here?

Karina Petrenko...
Your reputation precedes
you... what is the most
feared woman in the
fight world doing
here?

Bestia... prepare
the camera,
seems that
Mr. G is ready
for our little
Game...

Bestia
Wait!!

You will see
soon, dear. I will
destroy your reputation
today.

Where is...? there it is...! the number of the guy with the experimental stuff. Don't worry, G. You will be fine... Good as new for tomorrow.

And the DiMals' is fine with that?!

Let's say I'm here securing the interests of the family.

Well done, pal!! Now the Russian girl falls in depression and... who is going to give her support? Me of course... Ji, Ji, Ji.

But?? Karina!!! I know G can resist a lot, but that kick was simply lethal... he should be out... or almost dead. I can't believe he is still... breathing after that.

this... this is unacceptable... How? How is this... possible!!
This guy is not human... or really G is capable to endure my punish... but... I've beaten bigger guys than him in seconds...
