Too much pain for  
a day. Pooa...  
pooa bastard... I  
have to admit, it was  
fun ... I would love  
to repeat this  
once in a  
while.

I sent him to  
one of our  
buildings...

As you can see  
he needs an  
hospital badly.

... internal wounds  
must be very  
painful ... don't  
you think?

Pay the money  
or...  
G could be  
dead in a  
day or  
two.  
See you!

What is making you  
think we won't beat  
you his location out  
right now??!

You won't do  
that cause  
you want him  
alive... and  
I am the  
only reason  
he's still  
among the  
living.

I know  
the guy...  
let him  
talk.

Charlotte,  
don't...!!

You better  
start looking  
at the  
cheapest bar  
in town.

Now!

Later that day...  
The Girls search  
the city looking  
for the "cheapest  
bar in town..."

I told You!!  
we should have  
beaten the truth  
out of the Guy.

ABRAWL AVN.

001 - 120

3 hours walking...  
we have visited 10  
cheap bars and no  
one seems suspicious.

...Since "San Carlos" is famous for crime  
and gangs... the cheapest bar in town  
could be in every corner in the city...

You want to  
mess with a  
Kiraishima? be  
my Guest!!

"Kiraishima"?

He was in the  
bar "Wallowack"...  
the one right  
across the street.

the so called  
heroes to do that?

in every single kidnap  
situation... whispering  
the dramatic phrase to  
the wind as if the  
one in danger was able

when superma' ...

hears a "help"  
in space... IN SPACE  
for god sake!! Every  
body knows sound  
does not propagate  
in space... Never
