Kidnapping from the

plane E-97JX2

Sorry honey, I will take your place on your next flight.

Who is this?  
It must be a woman so thin arms.

In the middle of the night in the apartment of flight attendant Mei Lin

A woman with blonde hair, wearing a black, form-fitting bodysuit and black boots, is walking towards the right. She is carrying a black duffel bag with red trim. She is looking down at the woman lying on the bed. A speech bubble is next to her. In the background, there is a nightstand with a lamp and a window with a starry night sky view.

Then I want to make  
it a little more  
comfortable for you  
until you are  
picked up.

Well she is tied up!  
My clothes are in my  
pocket, then I want to  
get me ready.

Have fun when  
your charming  
prince comes!

Finally the E-mail  
with the confirmation  
that my client did a  
good job as a replacement  
for this Mei Lin.

Hello are you Captain Taylor?

Did you reach Mei on her cell phone?

Who is that?

Yes I am!

No, and that worries me Mei always goes to her cell phone!

I have no ideal!

# Terminal B

I don't know about that!

Please ckeck your emails the airline should have sent you an email with all the information.

Did you get a email form the airline?

See how I said!

Everything is going according to plan.

Welcome on board  
and I wish you a  
pleasant flight with  
our airline!

What would you like to drink miss! Red wine, white wine or champagne?

I would like champagne!

When the aircraft had reached the cruising altitude, the stewardess began to serve the passengers

Can I bring you anything else?

No thanks.

So exciting the first time on an airplane!

You said on the beach I hope he has a sexy slingkini for me!

Well girls we have a lot to do when the plane lands. Are we at one of the hottest designers with a subsequent photo shoot first in the studio and then on the beach then we go to bed and tomorrow morning it continues.

Yes it is but you-all can do it.

mmm ... sounds interesting!

That sounds like a lot of work!

Is everything ready?

Yes sir, the gas masks are next to your seats!

Ok boss, I'm in the aircraft's on-board computer, I can now control everything and switch on the autopilot and redirect the flight's radio traffic to me.

Yes Sir!

Why the  
panties too!

Do it or you  
joins them.

Take off all of her  
clothes but keep your tights  
and stockings intact, use a  
knife or scissors for your  
panties and put the corsets  
on them from our suitcase.

The gas has put everyone to sleep while the plane  
flies on autopilot.

**When the truck is here  
you invite the slaves into  
the truck and then you  
make the plane disappear.**

**Yes sir the plane  
will never be  
found again!**

Hey Don't talk so much, more work there are nine more cages.

You can forget that. She's for the boss, Edward said.

Hey man, have you seen this rich slut with the hot body, I would fuck her.

**You now have all these girls. Now to my payment!**

**Well that was good work! Then let's go the money is in the car:**

AAAAH...

The boss said to me. No eyewitnesses!

THWACK

A woman with blonde hair, wearing a black uniform with a cap and high heels, is lying face down on a paved road. A speech bubble above her contains the text "Hey guys, strip her and put her in an empty cage!". The legs of another person in black pants and shoes are visible standing over her. The road has yellow dashed lines.

Hey guys, strip her and put her in an empty cage!

Is she the last one?

Hurry up, the boss is waiting.

Yes she is!

P09 SJRS

We know who you are Agent King!  
We also know that you are in  
regular contact with your team!  
Even if you started with us a year  
ago and gave information to your  
team to arrest our boss. Sorry, all  
the information you collected so  
diligently was wrong information!

MMMMMM...MM...MMMMM

The boss wants her to turn her into a loyal agent!

A man in a black suit stands on the left, gesturing towards a white box on a bench. A woman with blonde hair is kneeling on the right, facing him. The background is a wall with a repeating geometric pattern in shades of green and brown. The floor is a textured, brownish carpet.

**Now slave put on the clothes that are in this box and whenever you are in the presence of the boss or me you have to wear this clothes unless you have received another order. Understood! Now hurry up the boss wants to see you!**

Yes man, she is the older sister of the other.

Oh yes, the team leader is also a hot bitch

After the next station, this is our obedient slave and we have the FBI under our control.

And what about the FBI team from the younger sister?

According to the information, there are still 3 sluts! But let's take this slut to their next date. 😏

AAAAAAAAAAAAUGH!!

Ava Young Training went for a day like her sister, she was brought to the climax by 2 special dildos (rubber), one in her pussy and one in the ass, but then with the help of an electric shock, Ava heard the whole training a sound recording that was repeated over and over again. Ava was the end of their powers! Ava only wanted to be an obedient slave and serve her master.

Ava repeated the same words over and over again.

I am your obedient slave, Master!

Who is your  
master. Slave?

Answer him  
bitch!

**THWACK**

You be my master

**... and you slave Nikki oversee the meeting on site. Then you take out Emily Hill and Jessica Jones with sleeping pills.**

**Yes Master!**

**Yes Master!**

Ladies! I have a top secret mission for you from an informant, we learned that a reporter named Jessica Jones has information about the boss of the slave ring, we need this information. Nikki and Emily will meet Miss Jones. Alexis takes over the security of the meeting. Chloe goes home to her computer and keeps me up to date and gives Alexis instructions via text message from me

Any questions!  
Good.

I have arranged a meeting with Miss Jones for tomorrow

This is very good, I will be there at the meeting and will provide protection in the house and Alexis will look for a nice place outside with her rifle.

That sounds good! I hope we get this information quickly and this bastard goes to jail

Okay until tomorrow. I'm just going to report our actions to my sister

A man in a black suit stands on the right, looking towards a woman kneeling on a wooden floor on the left. The woman has blonde hair and is wearing a black top, red shorts, and black stockings. The room has wood-paneled walls and a herringbone wood floor. Two speech bubbles are overlaid on the image.

Here is a powerful sedative  
that comes in the coffee or  
drinks of journalists Jones and  
Emily Hill. Wait for our ladies  
to fall asleep and then give  
me a call.

Yes Master

It is not easy to find information about Akahando. There are several reasons. First, he tries to stay in the shadows. Second, his men are loyal to him. The structure of his organization is similar to that of the army, they have their own secret service

What I got from my sources, he doesn't have a lot of men, there are around 15. all specialists.

Let's say that people who do black work are hired. If they do their job successfully, they have a chance of getting a contract.

What is known about the number of his henchmen?

That's not much, but let's keep looking for information.

Here girl I made us coffee.

Master Edward!  
The two are  
in dreamland.

A man in a dark suit and tie is standing next to a black SUV, talking on a mobile phone held to his ear. He has his left hand on the head of a woman who is kneeling on the asphalt in front of him. The woman has long blonde hair and is wearing a black short-sleeved top, a red skirt, black thigh-high stockings, and black high-heeled shoes. A speech bubble is positioned between them, containing the text "Team B, you can now go to goal B." The background shows a clear blue sky and some trees.

**Team B, you can  
now go to goal B.**

10-105

10-104

Okay, this Edward brought Nicky over here. If I want to go in there I'll have to get some other clothes and then I'll go through the main entrance!

MERCY  
COUNTY  
HOSPITAL

Here must this the  
room, of the  
Dr. Fabritz be!

Well there is only Nurse

brought in in a black van.  
Where are they?

Good  
Girl!

I don't know, there are several  
rooms downstairs in the hospital  
that we nurses only when  
accompanied by Dr. Allowed to  
enter Fabritz I think they were  
brought there.

A woman with large, dark, curly hair, wearing a white short-sleeved dress and white high-heeled sandals, stands in a hallway of blue lockers. She is leaning into an open locker where another woman is sitting. The woman in the locker is wearing a white bikini and white anklets. The woman in the dress has her hand on the woman in the bikini's shoulder. A speech bubble is positioned above the woman in the locker.

I'm sorry, but I need your clothes and I can't let you blow me up.

**Hands up bitch  
and tell me where  
my friends are  
being held?**

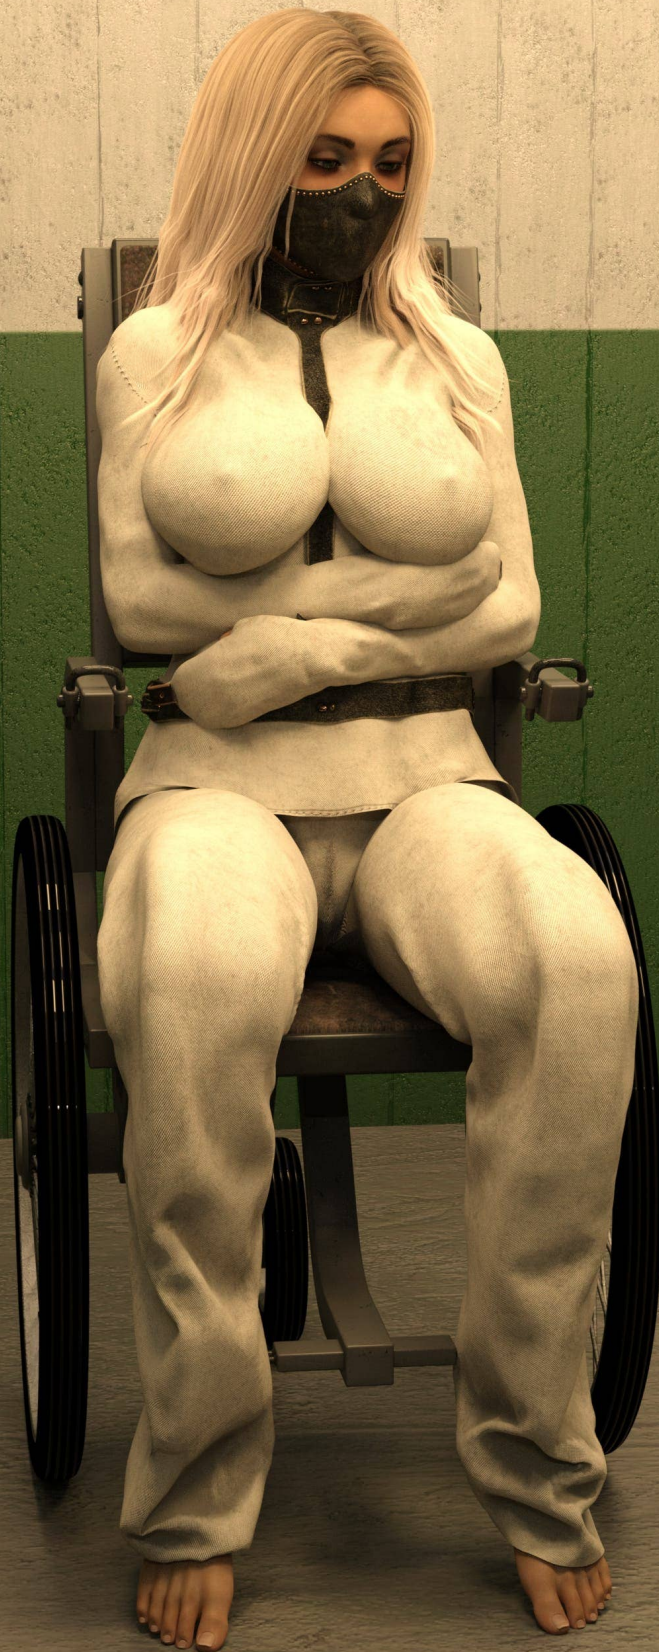

**Don't lie to me I saw the van  
you were in drive into the  
underground car park of the  
hospital and the nurse who  
lent me her clothes said they  
were in the basement and only  
you have access to your ID card.**

**I'm sorry we don't  
keep your friends

LEVEL B4  
CONTAINMENT

Do you think you can escape the  
whole FBI that is behind me?  
(tries to bluff Alexis Carter)

Do i do that So let me show you what options  
you have - and show her the remote with the  
two buttons in his hand. As you can see, all of  
these women are IV drops associated with  
poison bottles. If you decide to shoot me, I'll  
hit the poison button. Of course, you can free  
a hostage or two.

The FBI behind you, let me  
show you something!

- Zoey, Nikki, Ava you  
can come in.

All the ladies in a latex outfit come in and kneel in front of them.

Learn a lesson in gratitude!

Alex comes to us!

Good Girl!

Good Bye BlueBird

What are you doing,  
what kind of  
insidious game  
is this?

Welcome Alexis! I know you do  
not remember, but during the  
mission in Moscow until you fell  
into my hands and I implanted  
a hypnotic command for you so  
that you would not hurt me.

Boss, if I were in  
your place, I don't  
trust this woman!

I agree with you!  
Nikki through  
search your agent  
for weapons!

Yes  
Master!

Yes  
Master!

I think, my little Alexis,  
that after the brainwashing  
procedure you will tell me  
what you have in mind!

You will never  
break my will!

Nicky, Zoey carries her to  
the chair. First, we need  
to make Agent Carter  
more relaxed and limber.

Did you hear that the master will forgive you if you are a loyal slave!

Master forgive her!

Master forgive her!

Master forgive her!

I won't think about it until I see that she is loyal to me!

Now my little bird you will be a loyal and submissive slave to me!

No, not me but the drugs and this fucking machine will! Let the fun begin sorry not for you.

You will never break my will.

A woman with dark skin and curly hair is sitting in a red, tufted chair. She is wearing a black watch on her left wrist and has her arms raised behind her head. She is looking upwards with an open mouth, as if shouting or crying. A black vibrator is inserted into her vagina, and a stream of clear liquid is dripping from it. The vibrator is connected to a black base on the floor. The base has a label that reads "DOUBLE TROUBLE" and "PENETRATOR 350". The background is a plain, light-colored wall with a green horizontal stripe and a red fire alarm pull station on the left. The floor is a dark, polished surface.

Oh god please "stop" I can't take it anymore.  
No, I'll come again! please "stop" I will be your  
loyal and submissive slave  
but please stop this devil's machine!

Sorry my little bird  
your words don't  
convince me yet.

The days passing!

Welcome your new slave sisters Chloe, Emily, Jessica and Alexis! But before you go back to work at the FBI, we're going to have a sex party this weekend where I'll fuck you all so you can't walk straight ahead.

**The End**
