You grew while having sex?!

No... Well, yes, but it felt like I was growing because I was having sex.

I can't believe it. You are still taller than me!

That is all you care about, isn't it? I didn't exactly ask to just keep growing.

Oh god, you're right. I'm so sorry, Chloe.

Why didn't you tell me?

A woman with brown hair in a ponytail, wearing a red tank top, is shown in profile, looking towards the left. She has a slightly open mouth and a concerned expression. The background is a modern interior with recessed ceiling lights, a chandelier, and a framed picture of a city skyline at night.

I was scared you'd be upset. And with good reason, it seems like.

Please, Chloe. You're my best friend. It won't happen again.

Alright, I forgive you.

I'm still scared, you know? What if I never stop growing?

We'll get that figured out!

Speaking of which the nice lady from KG wanted to see you. She might be able to help.

Okay... Would you mind going with me?

**At Kim's Goddesses.**

No, I understand.

Yes, I will make sure she tries it...

The other girl? But that would violate the guidelines.

Yes, I'm sorry. I'll see to it.

God, what a mess.

Ashley, would you come here for a second?

Of course, what do you want me to do?

She has a new serum that she wants us to try out on the girl that grew so much.

But... A new serum?

Yes, this one is supposed to stabilize the growth of women.

Stabilize?

I can't say that I understood everything, but it should stop her from growing.

It's very important that she agrees to this treatment, understood?

Yes, of course.

Oh, and offer her friend another dosage. The boss believes there might be a correlation between the two.

But that's against protocol.

I know, I know, but if that's what the CEO wants, then I'm not gonna say no.

Alright.

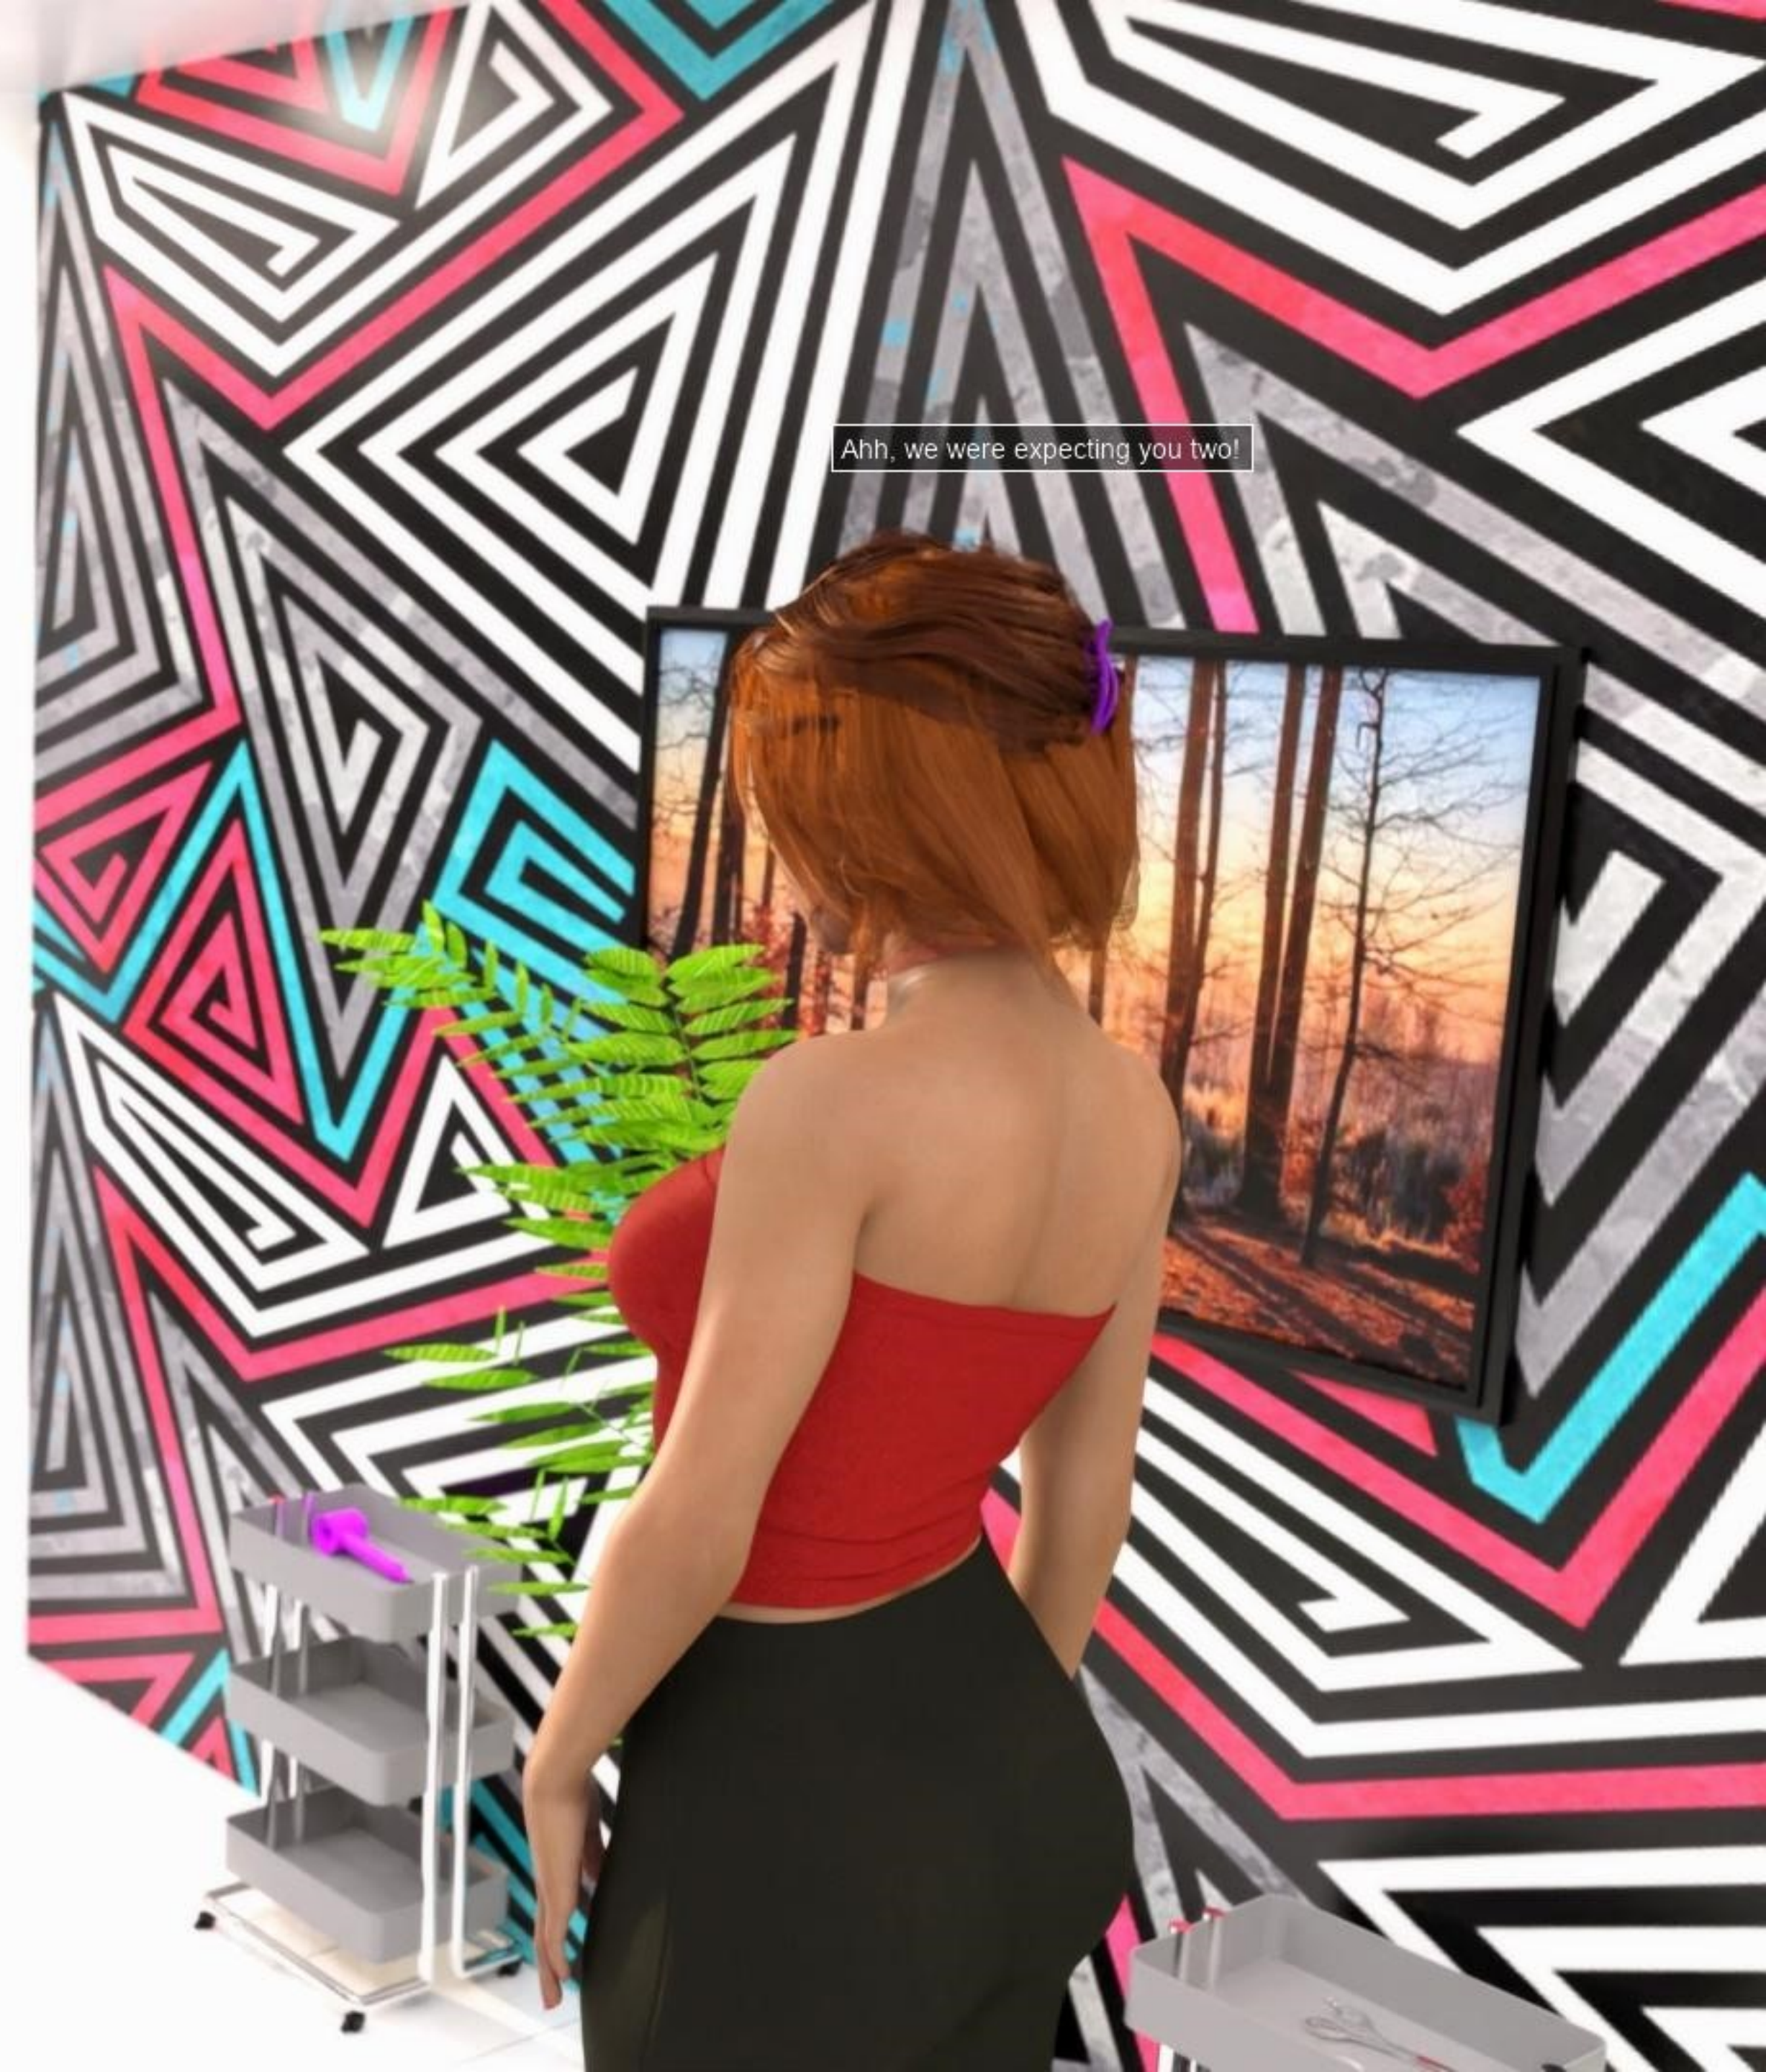

**Later that day.**

Hello?

Yeah, you wanted to see me?

Good god. She is huge!

Yes, we want you to join our trial for a new serum. This one stabilizes your growth.

That sounds like I'd be your guinea pig.

No no, our CEO personally developed it and she is very confident in it.

Stabilize. huh?

Yes, just think about all the girls out there, who we could help by stabilizing their growth.

I guess that's a good point.

We are also able to offer Lily another treatment, if you agree.

Alright, you convinced me.

Oh, thank you, Chloe!

Chloe, if you would join Clara. She will work with you.

What do you think? Should we get your treatment underway?

I can't wait!

Ok, everything is ready. Would you like to begin?

Yes, go ahead.

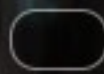

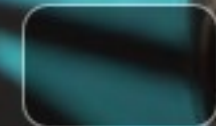

What? She is growing again? The serum didn't even affect her yet.

Good god, You are gigantic.

I thought this was supposed to stop my growth?!

This shouldn't have happened.

I have a theory, but we won't know for sure until later.

Theory?

A scene from a video game. On the left, a character with dark hair and glasses, wearing a white long-sleeved shirt and a black and white checkered vest, is looking towards a mannequin on the right. The mannequin is wearing a red tank top and a black skirt with a blue and white pattern. The background is a wall with a complex, colorful geometric pattern of black, white, red, and blue lines. A white door with a gold handle is visible between the two characters. A small text box is overlaid on the left side of the image.

I'm guessing you had a growth spurt while the serum stabilized your growth.

A close-up shot of a woman with short dark hair, wearing dark-rimmed glasses, a white collared shirt, and a black and white checkered vest. She is looking upwards and to the right with a slightly open mouth, as if speaking or reacting. The background is a vibrant, abstract pattern of overlapping geometric shapes in black, white, red, and teal. A small text box is overlaid on the left side of the image.

This would mean that you are now in a constant state of producing growth hormones.
