Maybe you should try  
gathering your  
strength... focusing  
your "chi" to recover  
your normal size.

MMMF!!  
Please avoid  
jokes about  
the weather,  
big boobs,

I must have brain damage already...

fear not my child, cause the answers for this quest are simple as the morning water thins that appears on plants I forgot it's name...

Old master father relative important persons I lost long ago!! how is this even possible!!??

I was lost in your memories and you need the brain damage to bring me back to give you some advice... convenient... isn't it?

You look like turtle puppet with a disguise

I'm not him... err, your mind gave me that friendly appearance... YES!! That's it!!!

it cannot be...!!! You were murdered in front of me!!!

Wisdom mode on!

...thank you, old master father relative important persons I lost long ago...

You and I can see it's turtle puppet right... she must be losing conscience... Good!!

"embrace your true nature. just by reaching the balance of yin and yang you can beat the hardest battles. Remember: you can't do an omelette without breaking eggs... and we know you love it!"

WHAT!

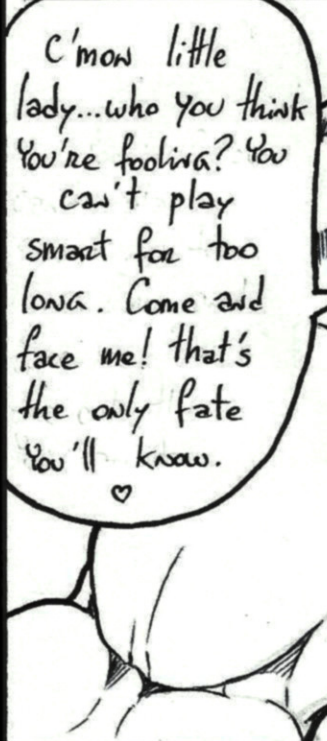

Get off You...!!!  
I mean...  
Me!!

I... I better do this fast!!  
I am you... you are part of myself... that part I cannot accept and is hard with me... the part that judge every single thing I do...

JA, JA!  
You sound like a shitty philosopher.  
Listen to yourself!!  
JA, JA, JA, JA!!

C'mon little lady... who you think you're fooling? You can't play smart for too long. Come and face me! that's the only fate you'll know.  
♡

fighting is all you ever know. try again... Get physical... you love it!  
C'mon!!!

my work here is done!

WHAT?!! You didn't do shit, Hobbi ONE!! You cheater!! Don't stole my moment of glory!! I saved...

I did it! I'am cool!!

... I saved the girl!! I saved the day!! And...

... don't try to cheat me with your "chi" tricks!!

MMM... I am what I am... No matter what. I can do my best to grow up as a person, become better human being every day... but my core... it's the same. All my flaws and virtues make me, they shape me... this form... this is my true self... the way I look myself...

... accepting those flaws and seeing them as part of myself is what I should do instead of judging and hating myself... the mirror is to look and learn to embrace... it is not to be broken...

I am the result of my actions, my actions make me who I am...

... all that bullshit is not going to save you from me!!!

You don't want to fight back? well... it's your funeral. I'm going to have fun with your unconscious body... ♡

and yes... that count as fap-XP.

I'm not hurting myself anymore!!!

Not... anymore!!!

... from this moment on, I'll stop judging myself, I accept my errors and I'll learn to live with the consequences of all my choices.

SEE!!!

what!?!  
Noooo!

... Fight Me! You suppose to fight me! everyone does! everyone hurt themselves internally to death! why don't you!?

... shut up, bitch. You are a lovely person. You got a goal to reach ...

... a tower to conquer, cause you know you have the skills, courage and sexyness.

cause there is a point where you realize doing that is stupid, and in fact hurting oneself only brings tears, despair, sorrow... nothing good. Embracing oneself, only lead in happiness.

Uh!?! where did she go? waw! I feel my "chi" flowing normal again!!

dear reader: thanks for your support... It was a pleasure. You don't have to thank me I brought you hot lesbian action... Just remember the old mirror that brought you a smile to your face.... SAYONARA!! ✨

Oh, feelinga better!!

Glad it's finally over.

... everything coming back to normal.

except...

... Except this time she grew inside...  
as human being by understanding  
herself... the hardest battle  
you'll face in life...

I bet she learnt a  
valuable lesson  
today...

... When you fight  
yourself, nobody  
wins...

There goes a  
great woman...

... Great arms, biceps... sweet  
ass, lovely legs...

... a great woman.

Chapter end!!

of vengeance!!
