

L.A.

ASS

Made by Rubberduckfucker

*One private invite to an L.A. rooftop party...
Champagne, skyline, and way too many hungry eyes.
Guess who's the main course tonight?*

*Champagne on ice,
skyline on fire...
And me? About to get
absolutely ruined.*

*Pop goes the champagne...
and the night just got started.*

*My pussy's dripping
just thinking about it...
Come and take what's
yours.*

*Can't wait any
longer, baby...
First taste is
mine.*

*Roxy's milking them one after another...
The first ones already decided: straight
into her mouth.*

*Mmm, your cum tastes so
fucking good...
But don't all finish in my
mouth yet - I still want to
get properly fucked hard.*

C'mon guys!

*Mmm, finally...
Stretch me good, boys
- I want to feel both
deep inside!*

*Mmm, so full
already...
But I'm still hungry
for more cocks.*

*Fuck... that's it...
Now make me scream
for the rest of you!*

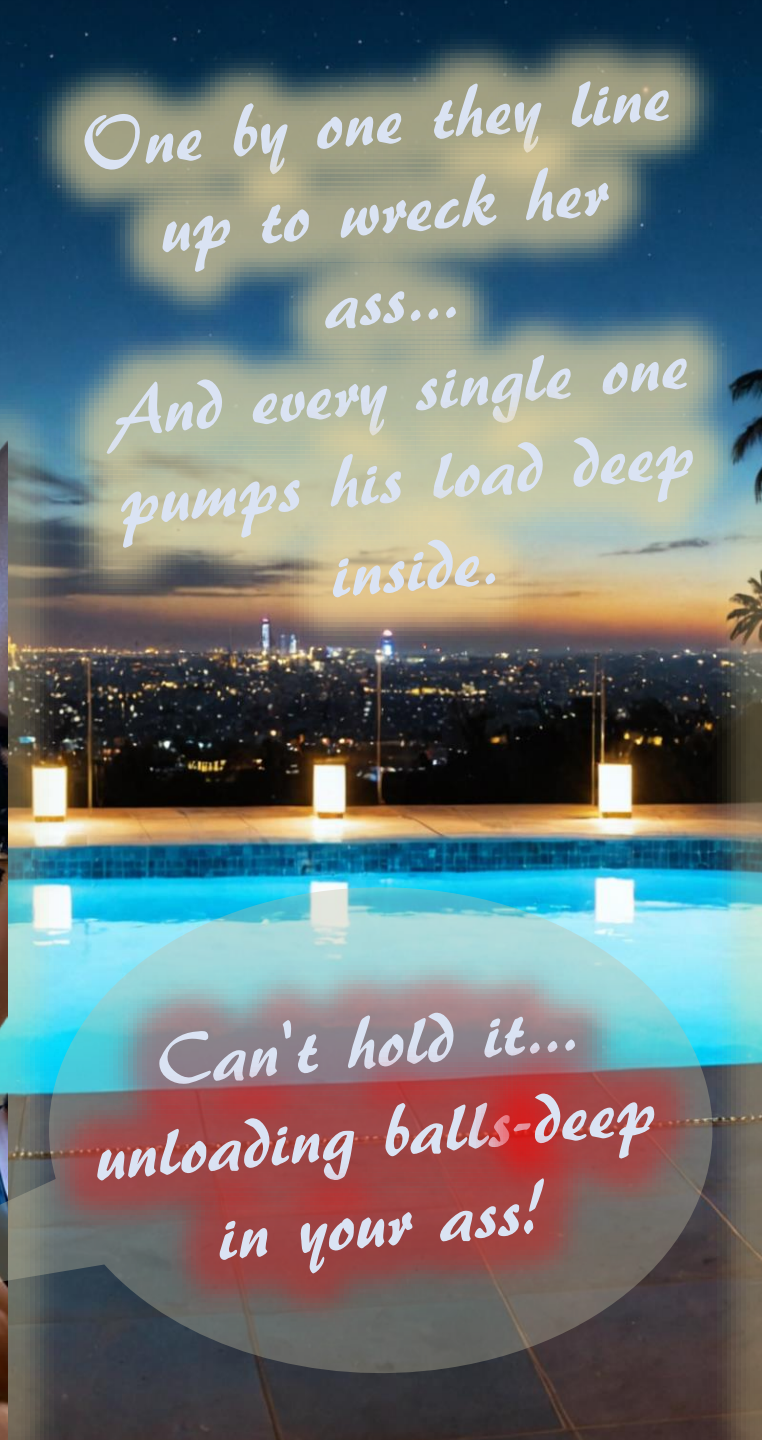

*One by one they line
up to wreck her
ass...*

*And every single one
pumps his load deep
inside.*

*Can't hold it...
unloading balls-deep
in your ass!*

*Yes... stretch me wide...
Pound both my holes till
I can't walk!*

*Now I want to feel
many cocks at once
deep in my ass...
Stuff me full, boys!*

*I want to feel every
single one stretching
my ass together...
All in - now!*

The image is a composite of two photographs. On the left, a close-up of a person's face is shown with their mouth open and a pink tongue sticking out. The skin is wet and glistening. On the right, a close-up of a woman's face is shown. She has long, wavy blonde hair, blue eyes, and freckles. Her skin is also wet and glistening. Two speech bubbles are overlaid on the image. The top speech bubble is red and contains the text "Oh Roxy we know you love it!". The bottom speech bubble is white and contains the text "Don't stop it i`m coming!".

Oh Roxy we know you love it!

Don't stop it i`m coming!

*ROXY!
We're coming!*

AHHHHH

Cumshower?

AAAAHHH FUCK...
HERE IT COMES!
Open wide, slut - we're
unloading!
