

Chapter 2

Dress like us.

A moment later...

I'm telling you, I'm not wearing this.

I will not wear women's clothes.

Besides, they're too small for me, can't you see?

Mutsumi-chan is right. There is no way he would wear it.

I think he'll have to wear men's clothes until we get the right clothes.

Unfortunately.

Wait ... I know how to fix this.

Call this girl.

What?

I thought we were just pretending to use our wishes to punish him.

No worries.

We only need one wish to undo that, right?

Yes ~

Right.

So no matter what we do, we can always take it back.

See, so we're not risking anything.

A moment later...

So you wish Mutsumi-chan could wear your clothes ~

No problem, I know how to handle it.

Yes, I wish all our clothes would fit on Mutsumi-chan.

But are you sure you want it?

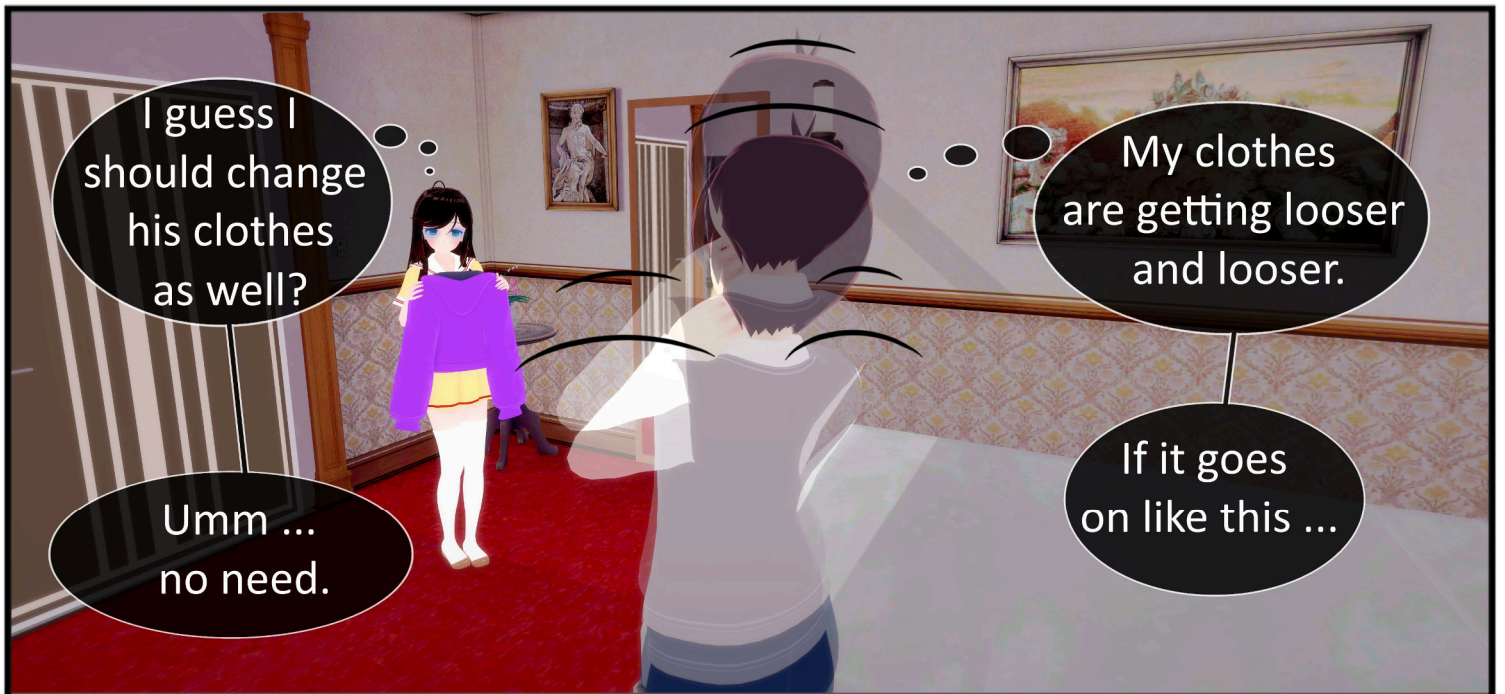

In that case.

Are you ready to resize, Mutsumi-chan?

You're not serious, are you?

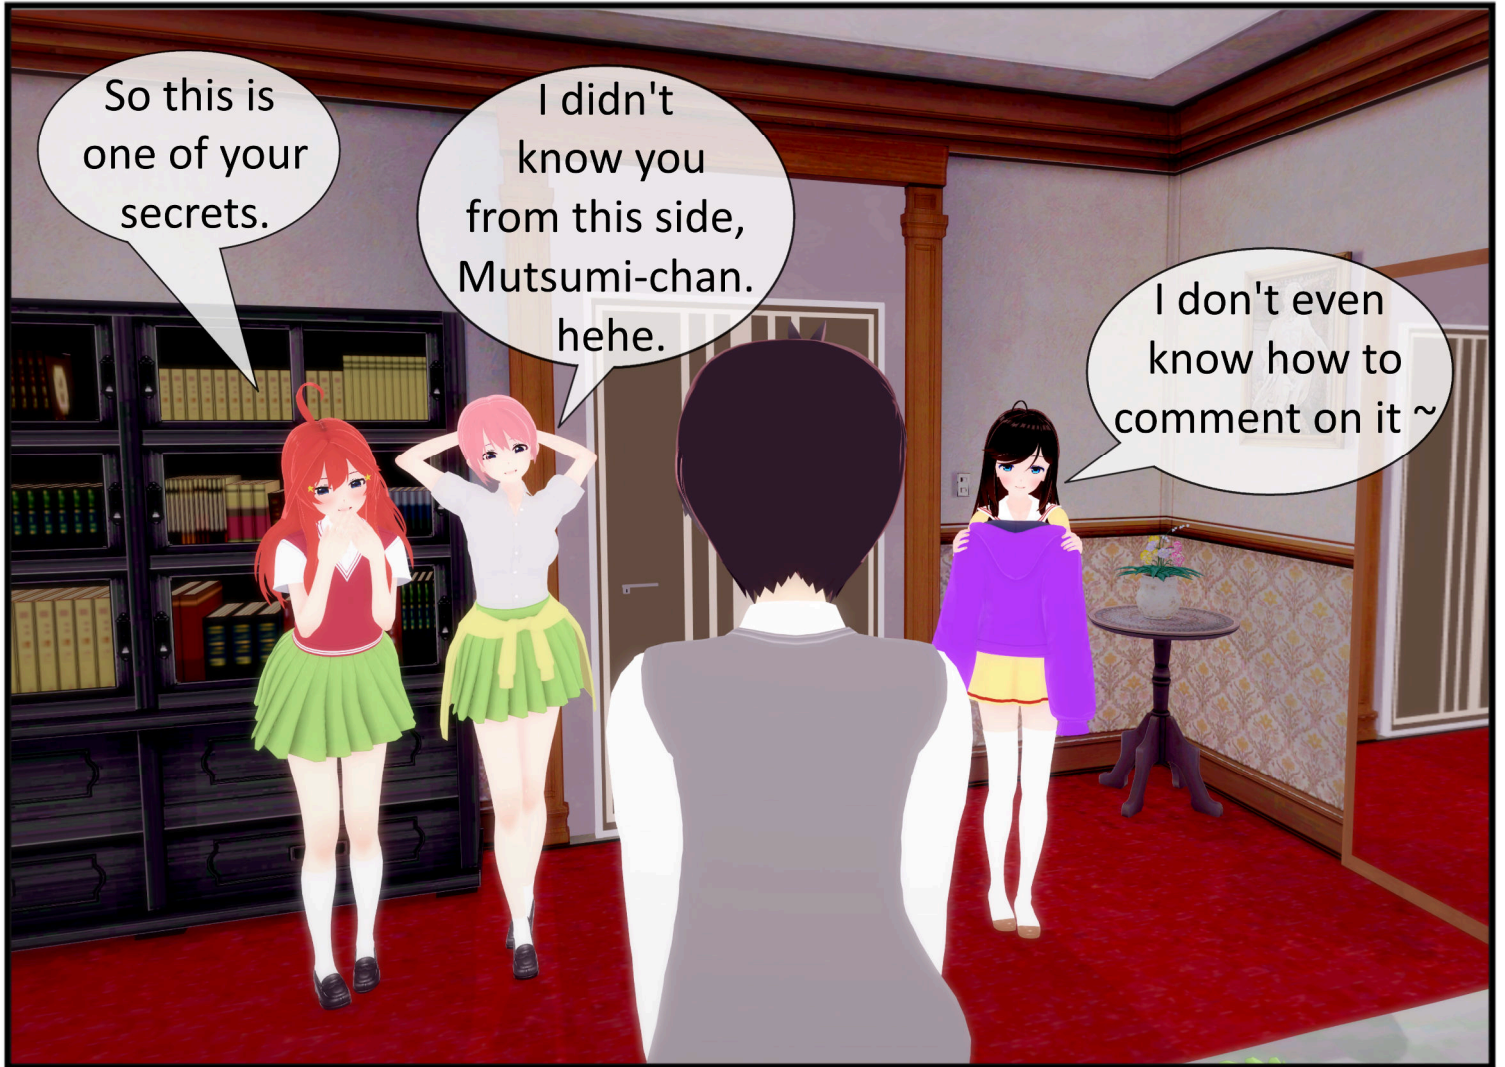

Hey what's this gonna be?

Take it back.

Itsuki, Ichika, do something about it.

So this is one of your secrets.

I didn't know you from this side, Mutsumi-chan. hehe.

I don't even know how to comment on it ~

Oh no, Raiha had to throw her red sweater into the washing machine again.

And in the morning I was so sleepy that I didn't notice my panties turned pink.

There is only one option to get out of this.

Why did you change my panties too?

Sigh

You know it's not nice to lie, apparently I'll have to punish you again.

I'm sorry, I won't be any more.

What happened to my voice?

Why is my voice suddenly so high, I sound like a girl now?

You were rude so I punished you.

Now be polite and put on your new clothes

Are you kidding? I will not wear women's clothes.

You already have panties. So what's the problem for you to wear the rest. hehe.

No!

Besides, they are men's panties.

Like with a kid~

Stop acting like a kid and put on these clothes at last.

Unless you really want to be a kid?

So ... what decision?

I'm already changing, but you can go out.

Please?

Probably better not to upset her anymore.

A moment later...

Okay girls.
I put on these
clothes.

I also
understand your
lesson and I will
treat girls better
from now on.

So can you
take it back
now?

I would
like to take off these
clothes. I feel stupid
in them.

You better get used to them because from now on you will wear what we tell you.

After all, we cannot let our sister wear some unfashionable clothes and bring us shame.

What?

Put simply, your wardrobe is now our issue.

You're not serious, I can't be dressed like that.

People will think I'm some kind of pervert.

No worries. You remember that woman in the store, right?

The one who said I was your sister. yes I remember, and so what?

You don't understand yet.

Everyone thinks you're a girl.

So if you don't want to attract attention, wear only women's clothes from today, okay?

It doesn't sound that bad.

Worse, now I will have to wear a female uniform.

After all, unisex clothes are clothes for both men and women.

But if I don't want to attract anyone's attention, I have no choice.

Actually, I have no choice anyway.

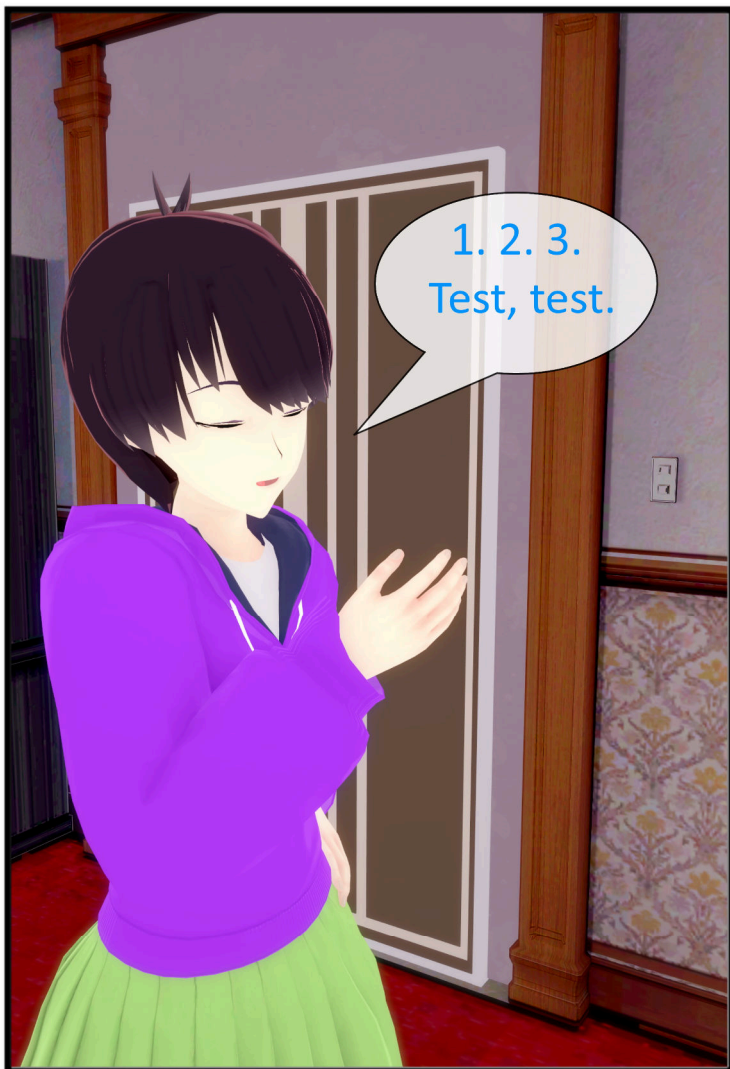

Some time later in
the Futaro room ...

I still can't
believe what this
little monster has
done to me.

In these
clothes and with this
height, I now look
almost like a girl.

It's good
that at least my
face still looks the
same.

Unfortunately,
this is a weak
consolation.

Literally a moment ago.

Ichika!

When did you come?

How many have you seen?

Just your vocal show.

You have a very nice voice, by the way.

So you've seen everything.

Okay, what do you want for silence?

Nothing.

Sure.
Better tell
me what
to do.

Then
I want you to
go somewhere
with me
tomorrow
after school.

Where
should I go
with you?

You'll find
out tomorrow.
Hehe

But you
know, there
is something
else you need
to do before
this.

Next morning...

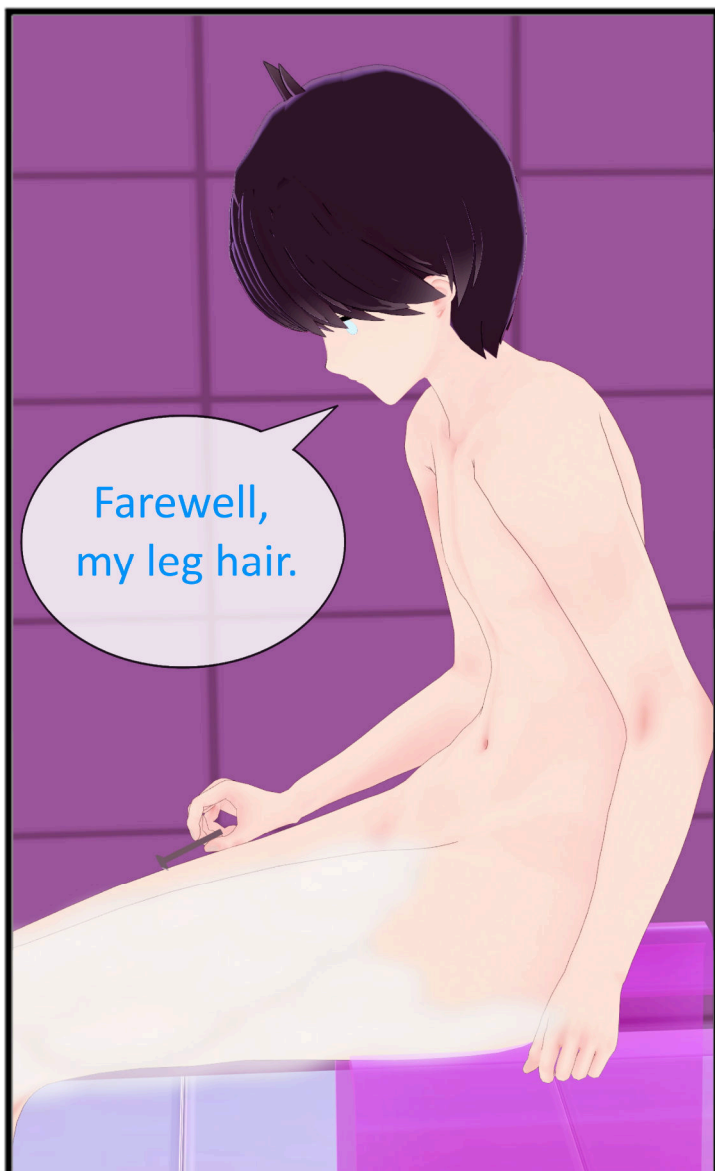

I hate you!

Ichika!

Farewell,
my leg hair.

Some time later at
the school gate ...

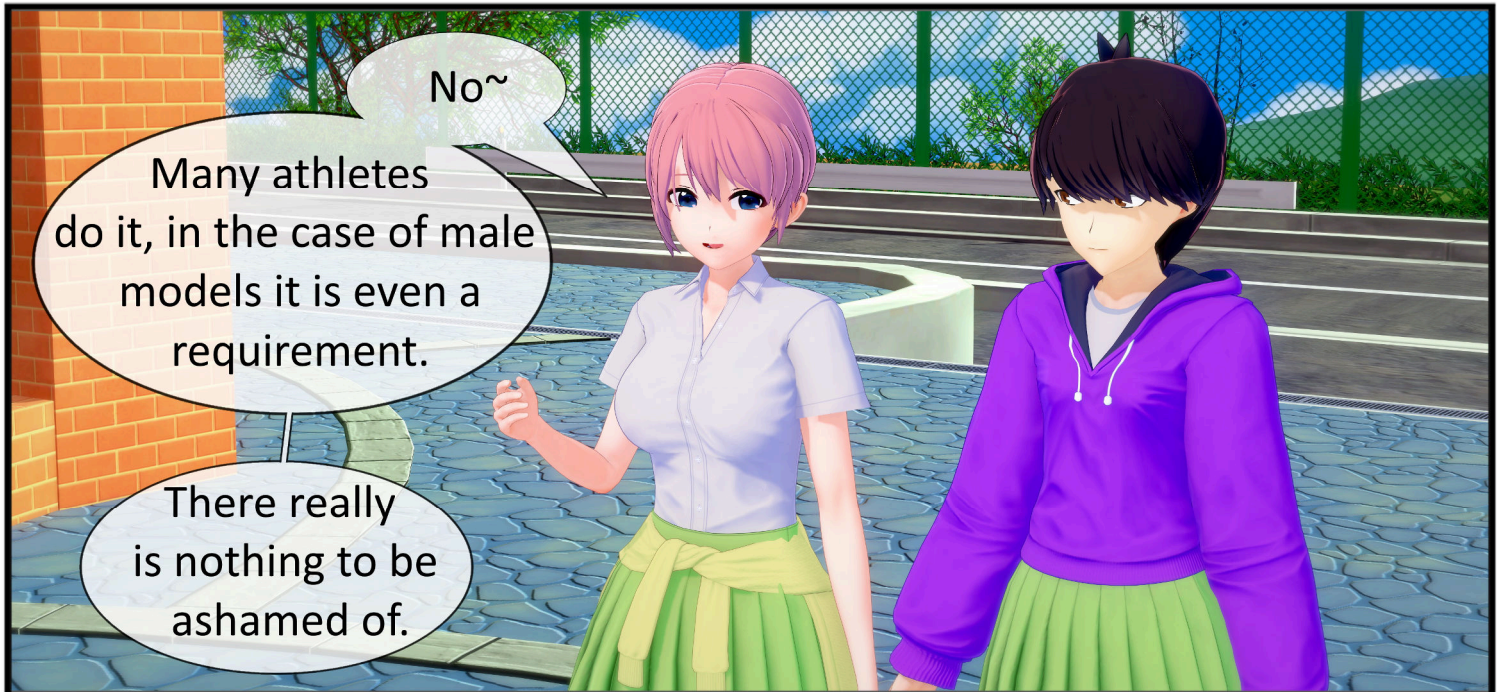

I hate you.

Don't be
over-dramatic,
shaving your legs
is really nothing.

Don't say
you've never done
this before.

Maybe
for you.

Guys don't
shave their
legs.

In the classroom...

I thought since everyone thinks I'm a girl now.

The best way to avoid drawing attention is to wear women's clothes.

I did not expect the effect to be quite the opposite.

Tell me, why you came in a skirt today?

Maybe she has a boyfriend.

Really, you have a boyfriend ?!

No, I don't have a boyfriend!

Oh, poor thing, I'm sure you'll find someone now.

If you don't have a boyfriend, why did you suddenly decide to wear a skirt, Mutsumi-chan

I'd rather not talk about it.

What?
Your sisters made you do it, did I guess?

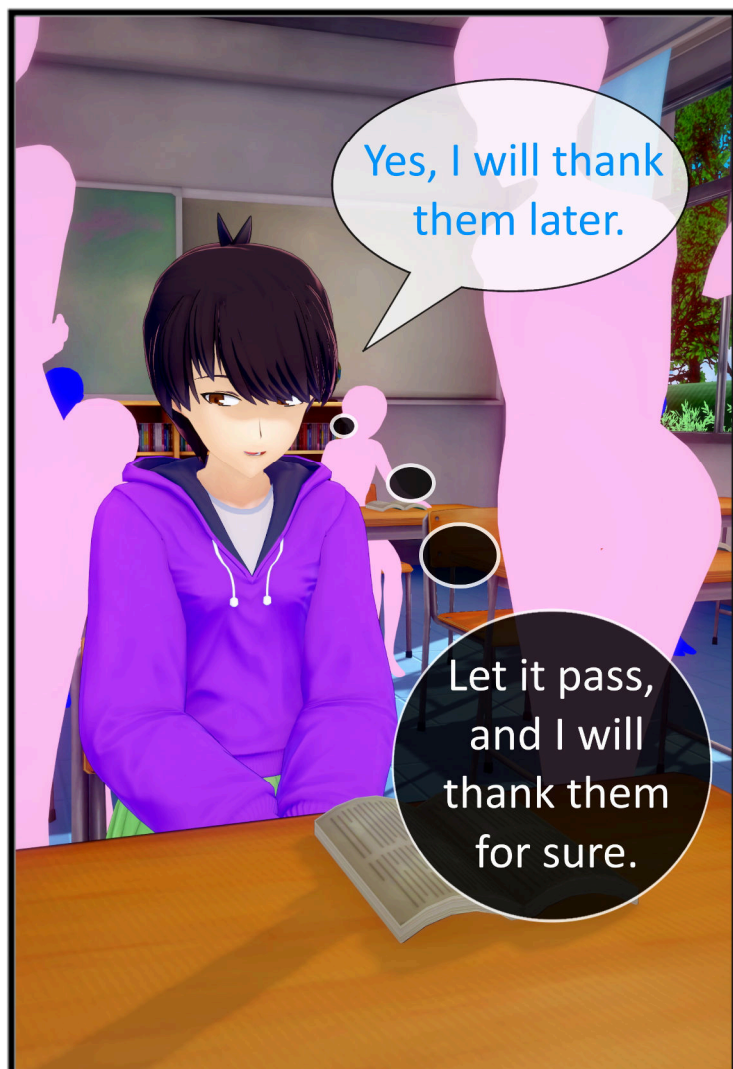

Ymm ...
yes ~

And good, because in those men's clothes and with that hairstyle you looked almost like a man.

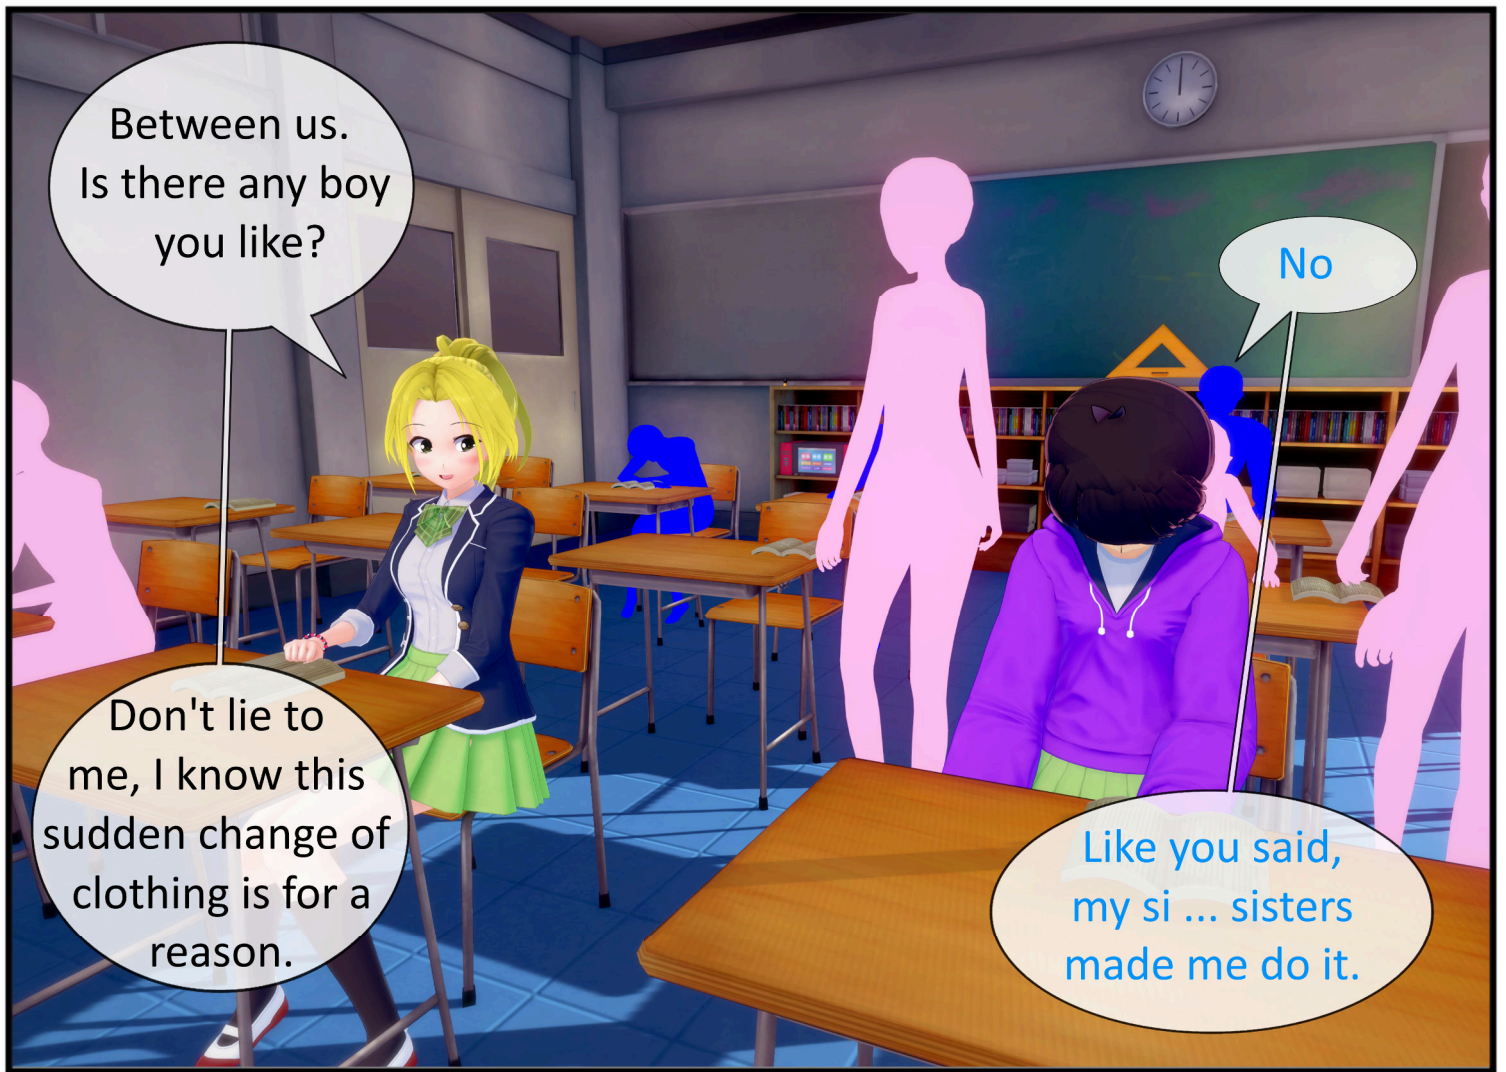

Now look how cute you are. hehe

You should thank them for that later.

Yes, I will thank them later.

Let it pass, and I will thank them for sure.

For the rest of the day,
nothing else happened. And
most people treated Fuutaro as
if he were always a girl.

After school,
Ichika took Fuutaro to a
clothing store ...

This is
the place you
talked about?

Why
are we here
again?

No,
Mutsumi-chan,
this is not the
place.

Yeah, but I'd rather not use it.

What's the problem, you now have a debit card, you can pay with it.

I see, you don't want to be a parasite.

What would you say if I lent you that money?

What?

But...

I'll lend you some cash to get you started.

Don't worry, you will pay me back later. What do you think?

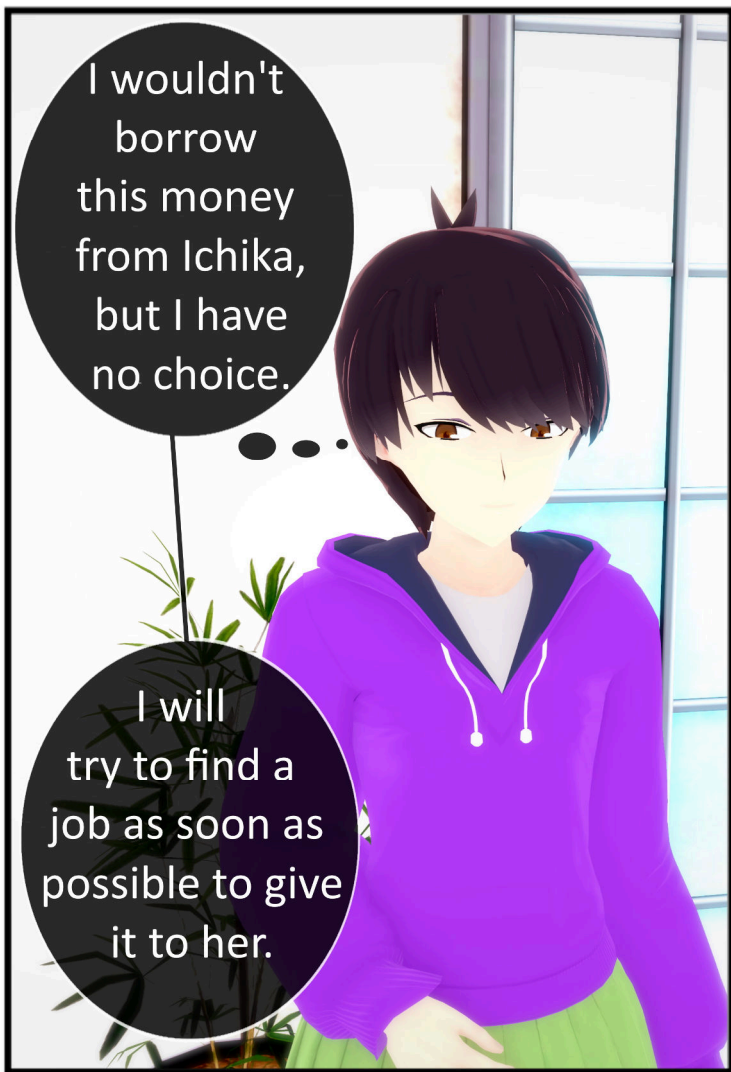

Okay, since you proposed it yourself.

I promise, I'll pay you back later.

Sure thanks.

Okay, now let's finally get you these clothes.

I wouldn't borrow this money from Ichika, but I have no choice.

I will try to find a job as soon as possible to give it to her.

Perfect.

Now Fuutarou will have to obey me, whether he wants to or not.

Some time later...

Ichika?

This is surely unisex?

Ymmm, see for yourself.

Yes ~

Of course,

I even chose something more masculine.

Why are you asking?

I do not understand what you mean.

I think you look great.

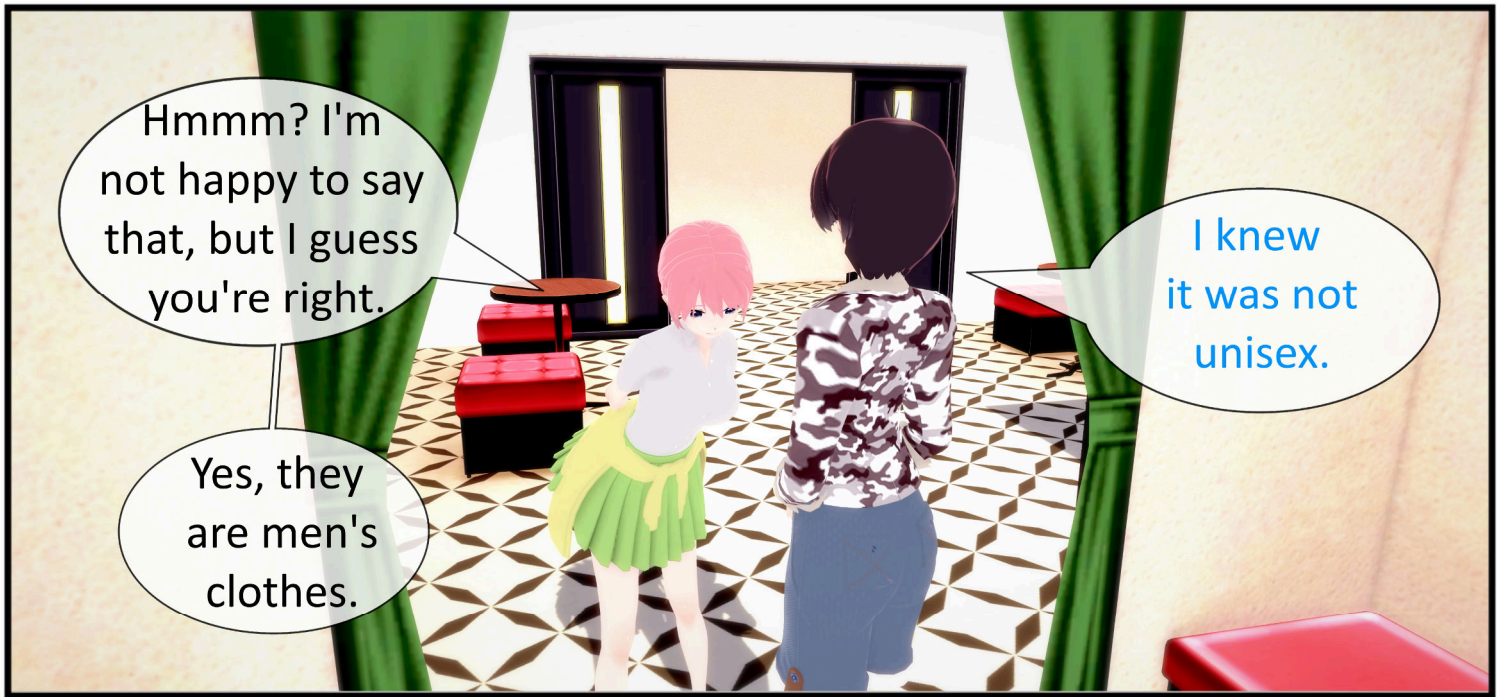

Do I really look good in them?

Because these clothes seem a little weird.

As if they were designed typically for women.

Are you sure it's unisex?

Hmmm? I'm not happy to say that, but I guess you're right.

Yes, they are men's clothes.

I knew it was not unisex.

Then we'll look for something else for you.

What, no, you don't have to.

It's definitely unisex.

Okay, then let's go.

Okay.

So it's men's clothing, maybe it's such a fashion now?

Another step forward.

Now Fuutaro thinks I was wrong and these are men's clothes.

But in fact, this way it will be easier for me to get him used to wearing women's clothes.

Strange, I have a feeling that I've seen these clothes somewhere before.

Nothing unusual, after all, anyone could buy something similar.

Now come on. We still have to pay.

Okay.

At the checkout...

It will
be 198,474
yen in total.

Payment
with card
or cash?

198,474 yen = \$ 1,742.44

Card.

Perfectly.
It should take
a moment for
Fuutaro to pay
off such a
debt.

Now it's
time for the
second part of
my plan.

I need to
find a job
as soon as
possible.

One more
such shopping
and it will be
my end.

Some time later...

Can you finally tell me what's going on?

What is this place, and who are we waiting for?

Be patient.

All in good time.

I'm sorry I made you wait this long.

I had a few more errands to do.

It doesn't matter, thank you for finding time for us.

Tall.

No problem.

So this is the girl you were telling me about?

Yes, that's my sister, introduce yourself.

Hello, my name is Nakano Mutsumi, nice to meet you.

Nice to meet you too, Mutsumi-chan.

My name is Fujioka Risa and the girl behind me is Haruna Yuki.

Excellent.
Because we're
looking for a girl
with a nice voice
to play one
of the main
characters.

What?

We need a girl with a
nice voice to play the role of
one of the main characters
in our new production.

Of course, we
would normally do a
casting for that.

But as I told about
it for Ichika, she told
me about you.

And since we used to work together and we are friends, as an exception, I decided to give you a chance.

But of course, first I have to find out if you are suitable.

So come with me, I'll show you what you're gonna do.

Haruna, you and Ichika can now go to the control room and wait there for me, I will come soon.

Okay.

Ichika, what is that supposed to mean.

What do you mean? I got you a job.

Yes, but it's work for girls.

What's the problem?

You are a girl after all.

I don't know what you're up to, but I won't do what you tell me to.

hehe. Of course you will do what I tell you to do.

After all, don't forget that you owe me a little.

And how are you going to pay off your debts without a job?

sigh

I am naive. You planned it all from the beginning.

Cheer up, it won't be so bad, after all, no one will see you.

What?

But that means ...

It's a dubbing job if you didn't notice.

Yes, no one will ever see you, so you have nothing to be ashamed of.

Are you coming, Mutsumi-chan?

Yes!

Good luck. I'll keep my fingers crossed.

Thanks.

Sorry to keep you waiting.

In fact, if no one will see it, it's not a problem.

Nothing happened, everyone is a bit stressed at the beginning.

Before we start, I have to get everything ready.

What are you doing, Haruna?

Cameras too.

Yes, but don't worry, we won't record anything with them.

We will only use them to see and hear Mutsumi-chan.

Say.

If I asked you, you would have recorded it for me.

I would have it later as a souvenir.

Sorry but I can not.

Risa will be furious when she finds out I recorded it.

In the meantime...

Yes, I have to read the text that will appear on the monitor.

And I am to try to speak it as the character would say it.

Do you understand everything?

Exactly, some questions?

Just one.
What are these cameras for?

Don't worry about them.

We will only use them to see and hear you.

But we are not recording anything.

Meanwhile, in the control room ...

Thanks a lot, you really are very talented.

Done, Now when the recording starts, the video will be automatically saved on your phone.

Can you leave me alone now? You are scaring me.

And don't tell Risa what I did, she'll kill me when she finds out.

Of course.

Perfect. If I can't have Fuutaro, I'll have Mutsumi-chan.

An hour later it turned out that Fuutarou, despite the great voice, has one serious drawback ...

This girl has no talent at all.

She talks just like a guy, is that a girl for sure?

As far as I know, yes.

It's a pity because she has a really nice voice and I see potential in her.

But you would have to teach her how to be a girl first.

It's not such a bad idea at all.

A moment later...

Never
in my life.
I'm not gonna
be learning how
to be a girl.

Yes...

Well...

Mutsumi-chan is
just ashamed.

Why not?
You are a girl
after all?

So
what is the
problem?

But I'm sure she will be very happy to take your offer.

Not at all.

And I'm going to support her in that.

You listen to me at all, I said that ...

I have it all recorded.

To be continued...

Noshiri Asuna

Nice girl
Fuutarou age. Currently,
she considers Fuutarou
a girl.

Fujioka Risa

Ichik's friend from the
time they both worked as
models. Her intentions are
not entirely certain.

Yuki Haruna

Afraid of everything. Risa
is the only person she trusts
except for her own parents.
Will Haruna trust Fuutarou too?

Inoba Eri

The owner of a
boutique that girls
like to visit.
