

Chapter 23

Are you kidding
me?

Some time later...

Wow, I can see that someone here really enjoyed themselves.

Too bad I have to fulfill Nini's wish.

But she doesn't need these mental changes anymore anyway.

Now you have to manage on your own.

Now the question is what about Ichika?

After all,
that's the only reason
he agreed to all this.

OK, you deserved a
little reward for showing
Mutsumi-chan what
sisterly love is.

That
would have been all
I had to do.

Ah, it's
probably nothing
important.

I have
a feeling I forgot
something.

In the morning...

My breasts...

This is
the happiest day
of my life.

Unbelievable.

Shocked

They're back!

But how did
it happen?

Shocked

After
all, Naomi
said there was a
need for an
antidote.

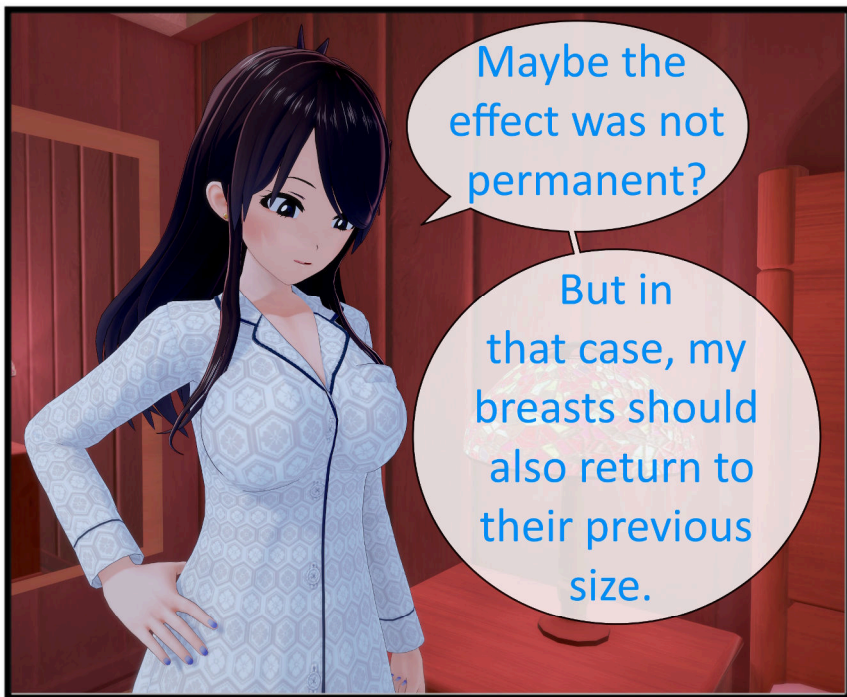

Is it
important?

happy

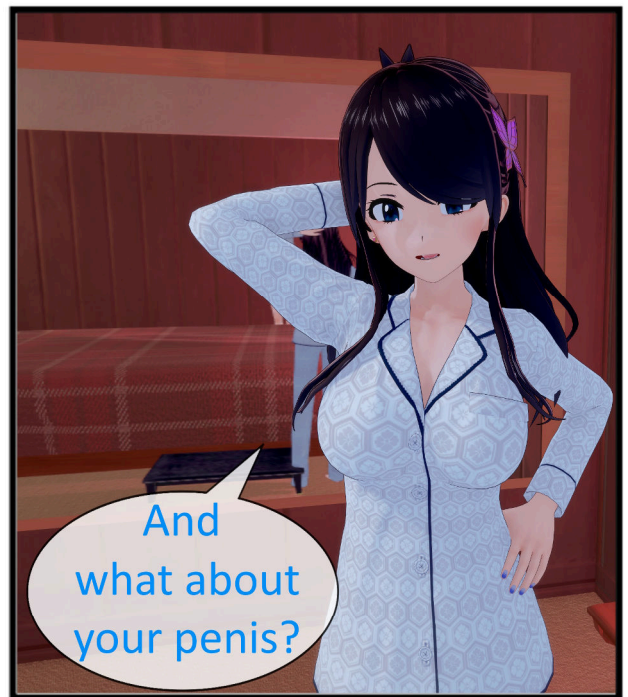

Girls you
do not even know
how much I missed
you.

Maybe the effect was not permanent?

But in that case, my breasts should also return to their previous size.

And what about your penis?

Still where it was.

That means only your breasts have returned to normal.

The main thing is to make everyone think I'm a girl again.

Right.

Mutsumi-chan is somehow strange.

Maybe it's just my imagination.

At school...

I already told you, I won't say where I was.

I think I may have some secrets of my own.

You were out all night, I think we have the right to know where you were?

Angry

No, now let me study, in the next lesson we have a test.

I guess some things will never change.

But that's all in all and a good thing. Not everything has to change.

Mutsumi-chan is somehow behaving strangely.

In my opinion, she behaves as she always has.

Thanks for covering for me.

I had to play a male role.

You won't believe what happened to me today.

Shocked

No problem.

Besides, what happened to you?

Why are you wearing a girl's uniform?

What do you mean why, because I'm a girl.

confused

What?

Eee. yes.
Miku talk to your brother to stop with this.

I don't care about it, but the other girls will kill him if he enters the women's locker room.

Even though Ichika got her breasts back everyone still thinks she's a guy.

Could it be because she still has a penis?

What are you talking about?

See, would a guy have breasts?

No but you know very well that you are not a girl.

And if you walk around in a woman's uniform will make you trouble.

During the lesson...

And the first place from the test has exceptionally Mutsumi-chan this time.

Congratulations.

You managed to surpass your sister.

Finally.
happy

Even if I can't be a guy for now, I'll still be the best student in school.

$$2a + 4bc = 1c$$
$$2e = 1c$$

And in the end I had to put my male uniform back on.

And I thought everything was finally back to normal.

I need to call Naomi and find out why everyone still thinks I'm a guy.

After the lesson...

Shocked

What do you mean she is not here!

My deepest apologies but Miss Naomi is currently at a family meeting.

And what about Yuri?

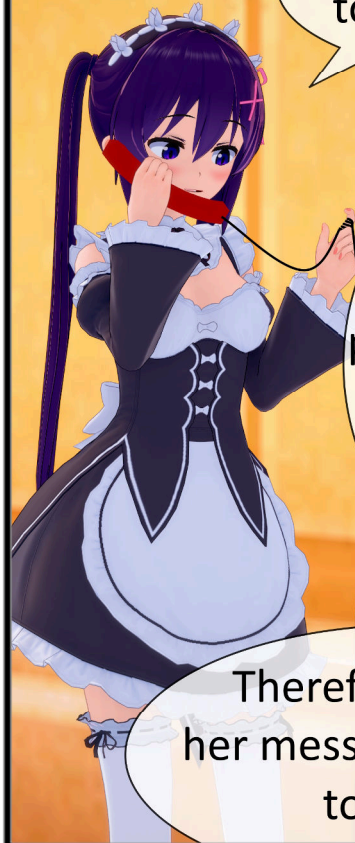

The residence of the Prus family...

She also went to this meeting.

Only the most important personal remained on the earth, eh... I mean in Japan.

Therefore, she had her messages redirected to Poland.

Er... I'm not sure about that, but certainly not earlier than a week from now.

Great, and when will she return?

Can you tell her to call when she returns?

Of course and to whom because it doesn't display the number for me?

Nakano Ichika.

I'll tell her.

Thanks.

So I have to stick like this until next week.

disconnected

Just now she has to have this family meeting?

Oh no, just not him.

I really can explain it, I....

If you run away from my lesson again I will call your dad to school.

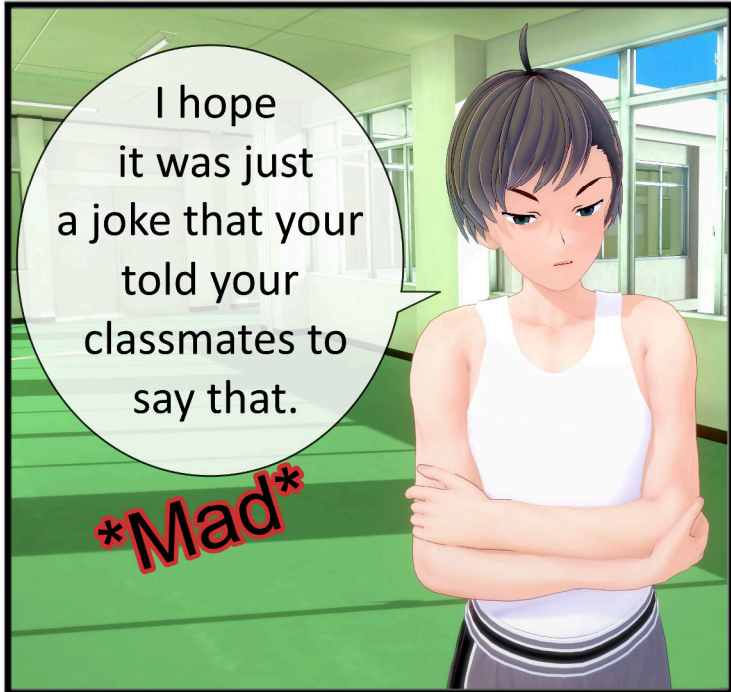

Now go get changed.

Mad

Yes sir.

And I don't want to hear any more excuses that you have your period and that's why you didn't come.

I hope it was just a joke that you told your classmates to say that.

Mad

Of course it was.

Not funny, and now go, as punishment you will also do ten laps around the pitch.

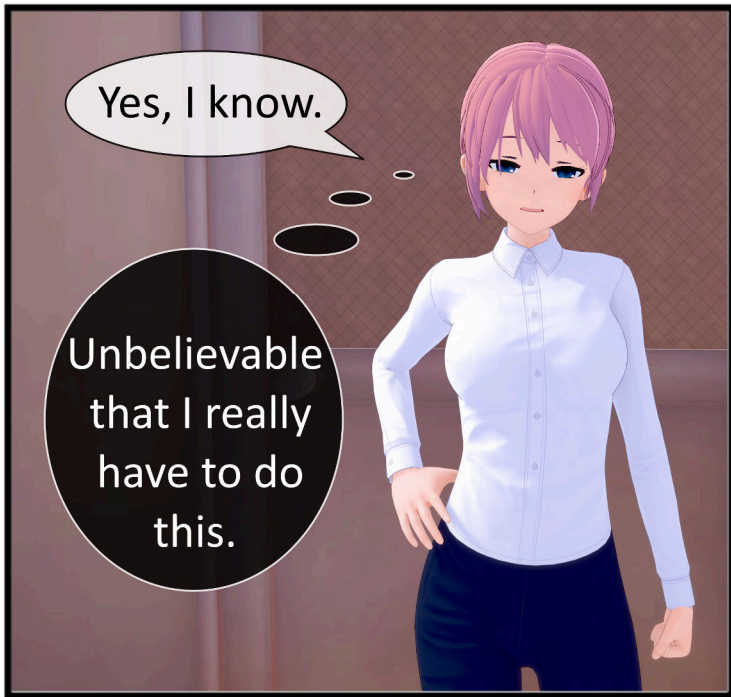

In the boys' locker room...

Shocked

Ichika? What are you doing here?

This is the men's locker room.

Yes, I know.

Unbelievable that I really have to do this.

Even though Ichika looks like a girl to everyone she seems to be a guy.

This is humiliating!

This angel that Mutsumi-chan met must be really powerful.

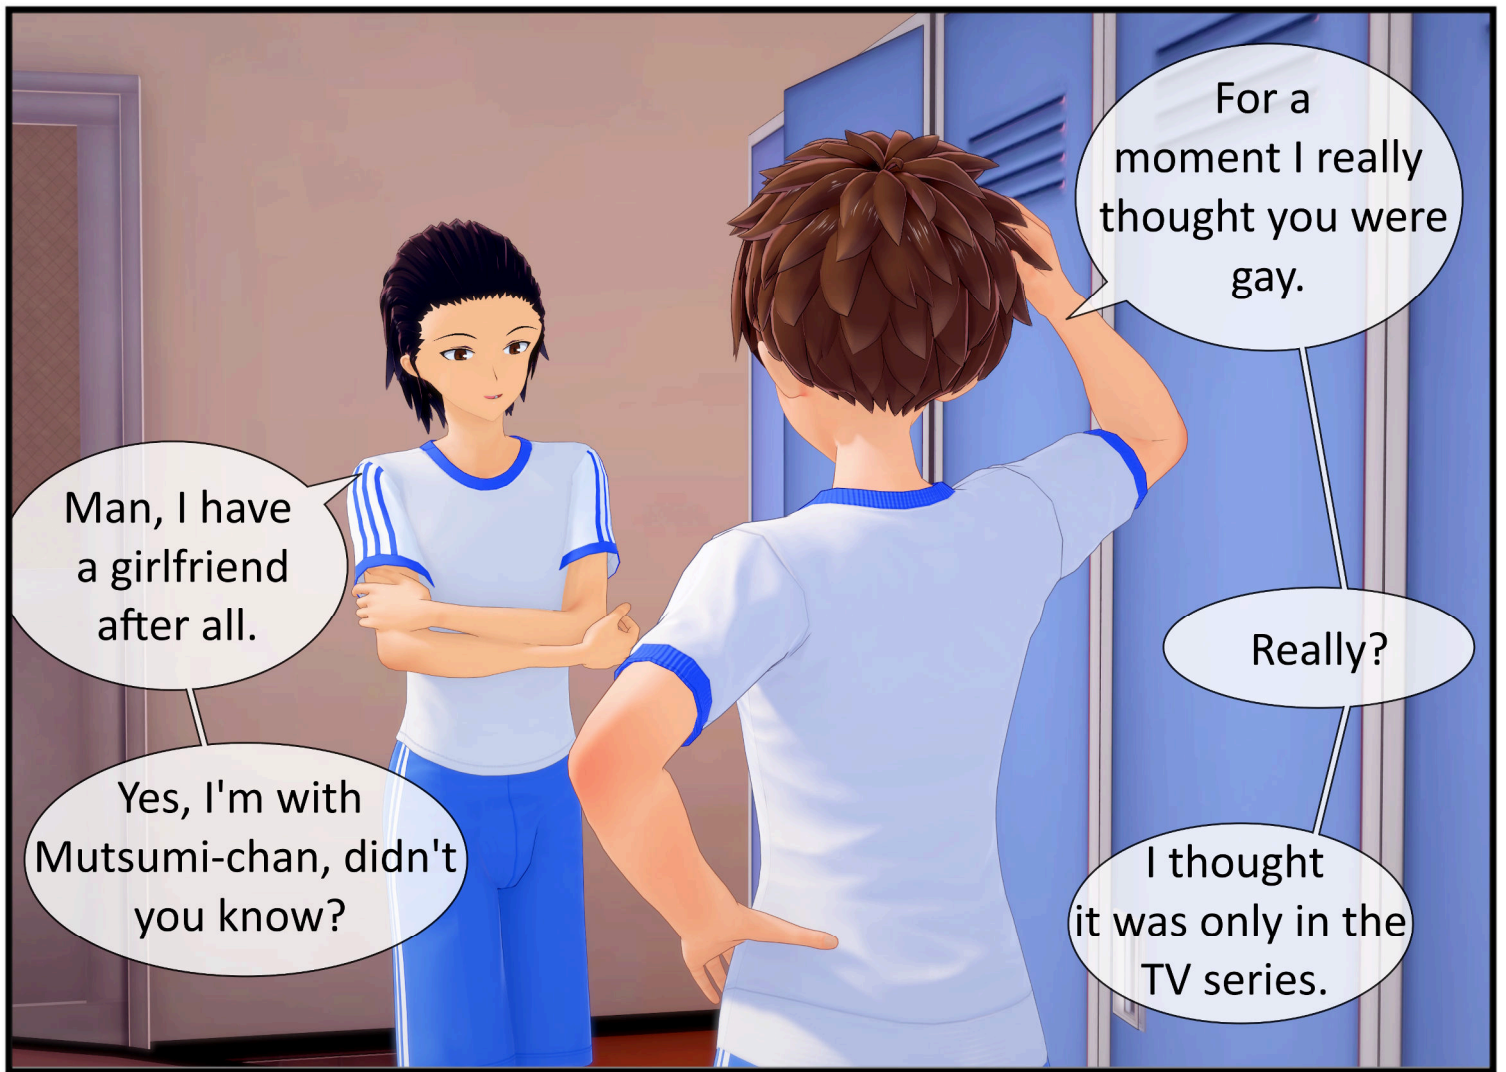

I wonder if he could help me with my problem?

embarrassed

I feel like everyone is looking at me.

Man, I have a girlfriend after all.

Yes, I'm with Mutsumi-chan, didn't you know?

For a moment I really thought you were gay.

Really?

I thought it was only in the TV series.

At first it was, but then we really became a couple.

What?

Dude, how I envy you, you snatched a chick 10/10.

Are you serious, you really are a couple!!!?

scared

Yes, you didn't know.

No, it's impossible, it's impossible!

Mutsumi-chan can't fall in love with a guy!

Angry

Eee...
Ichika, I can see them.

Kyaa!!!
Don't look!

I'm not looking.

embarrassed

What are they doing?

I don't know but it's better not to pay attention to them.

Some time later...

happy

So they are not a couple after all.

What did you say?

Mad

That we are a couple!

Are you out of your mind!

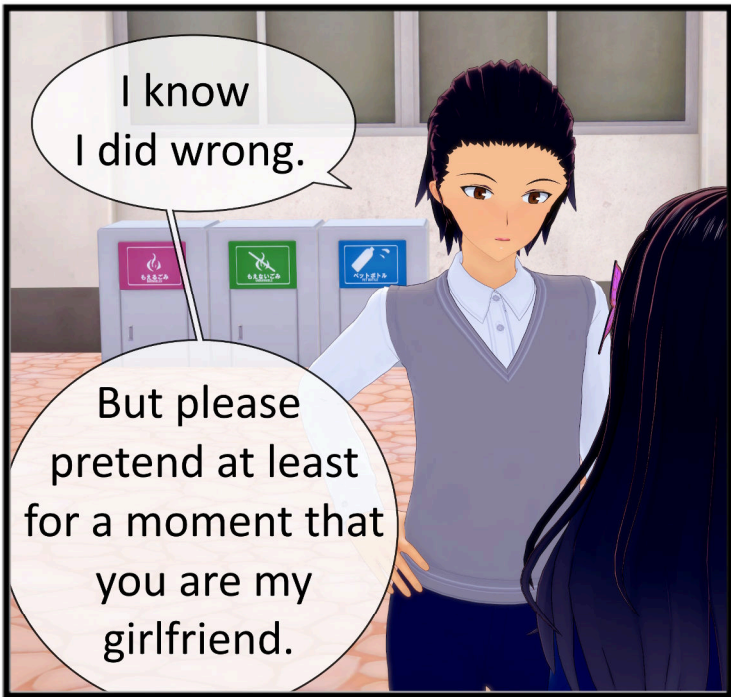

Sorry, you see there was a problem and I had to come up with something quickly.

And that's what you came up with?

Do you know what you did?

Now everyone at school will think we're a couple.

I know I did wrong.

But please pretend at least for a moment that you are my girlfriend.

Otherwise the boys won't stop laughing at me.

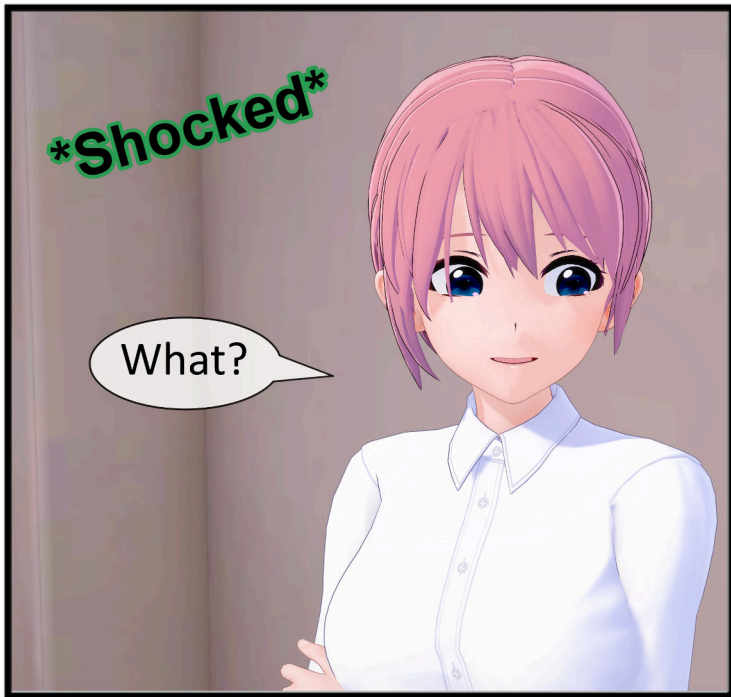

I think that's more your problem. hehe

Fine

I will become your girlfriend.

During the week...

Wow you really are a couple, however, you did not lie.

Of course not and why would I lie.

Right honey?

Yes, of course.

I'm about to puke.

Tell me how did you manage to do that?

After all, she rejected all the previous guys.

It's a secret.

I'll just say that the most important thing is the right attitude.

Sorry, I had to do it.

Sure.

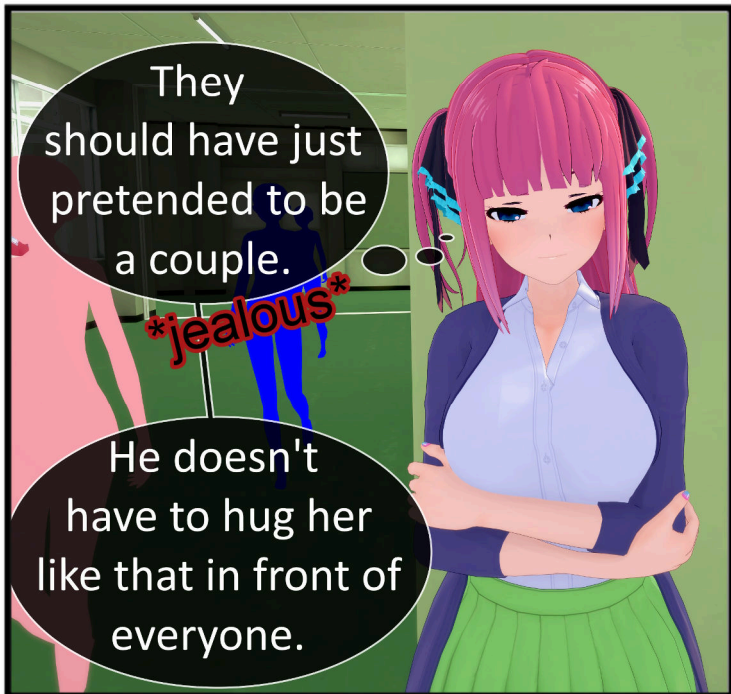

It was probably a mistake that I agreed to pretend to be his girlfriend, though.

So much so that their teeth fall out from all that sugar.

They are such a sweet couple.

I knew from the beginning that they would fit together.

They should have just pretended to be a couple.

jealous

He doesn't have to hug her like that in front of everyone.

But since you want a boyfriend so badly I think I have something for you.

In the evening in Fuutaro's room...

Surprised

What, a gift?

And on what occasion?

Does a sister always need an occasion to give her little sister a gift?

Besides, it's something you'll need soon.

Really?

Yes especially now that you have a boyfriend.

You know very well that me and Zian are just pretending to be a couple.

It always starts that way.

Moments later...

Shocked

Nino, what is this?

Since you have a boyfriend now you should start exercising.

So I thought you needed a new vibrator.

So you used him.

But the old one was completely enough for me.

embarrassed

Er... Maybe once or twice.

And by the way, from what I've seen Zian seems to have a pretty big one.

That's why I advise you to start practicing.

I think he's kidding me, there's no way I'm going to put it up my ass.

I once even heard that a guy has a penis as big as his hand.

And as thick as his thumb.

In fact, my penis is more or less like my hand.

That's why you better get ready.

Everyone says so but in the end we all know how it ends.

How many times do I have to tell you we are just pretending to be a couple.

And I certainly have no intention of doing it with him.

A guy will not last too long in the company of a beautiful girl.

I have to scare Mutsumi-chan so much that she gives up this stupid idea of pretending to be a couple.

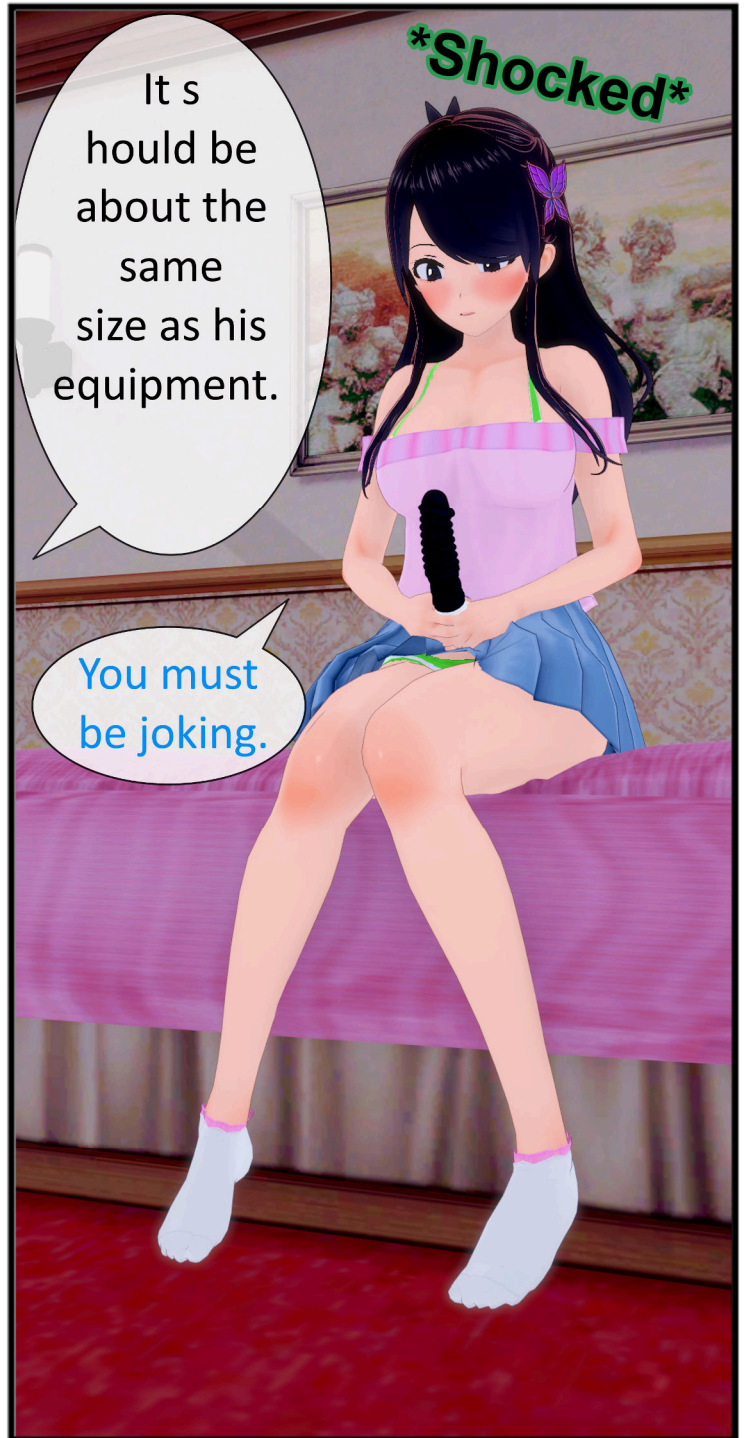

You know it well after all, you were one yourself until recently.

But I'm still a guy.

embarrassed

Besides, I'm not beautiful but handsome at all.

It should be about the same size as his equipment.

Shocked

You must be joking.

Say what you want.

In any case, you must be ready to fit it in.

Of course I could be wrong, in the end I'm just guessing, I've never seen it.

I knew. It's impossible for him to have one that big.

He might have a smaller one or ...a bigger one.

But admit it, how many times have you barely resisted us, and little did you go a step further.

Not once, I always have full control over myself.

Unfortunately, not every guy is like that.

And a girl is not always able to resist either.

Er... yes. They influence this?

Do you have hormones in mind?

Of course, they are responsible for sexual desire.

At night...

No way, I will never do that.

Never~.

???

Good morning honey.

I see you are already waiting for me. hehe

Zian?

What are you talking about?

Don't play innocent.

You know very well how I like your ass.

Fuutarou room...

Mad

Hey,
what are you
doing!

Hmm?
No one is
there.

confused

I guess it
must have been
just a dream.

Dream...

Shocked

What,
ready for
what?

Ready?

I'm about
to make
you feel
really great.

Moment,
time!

!! I don't
want it!

Don't pretend, I
know very well how
you like it.

After all, you
yourself always ask
me to do it.

What?

Hooo~

Hmni

Fuutarou room...

Ahh~

What, was
it just a dream
again?

Strange.

Very
strange.

Disappointed

Anyway,
it's time to
finally go to
sleep.

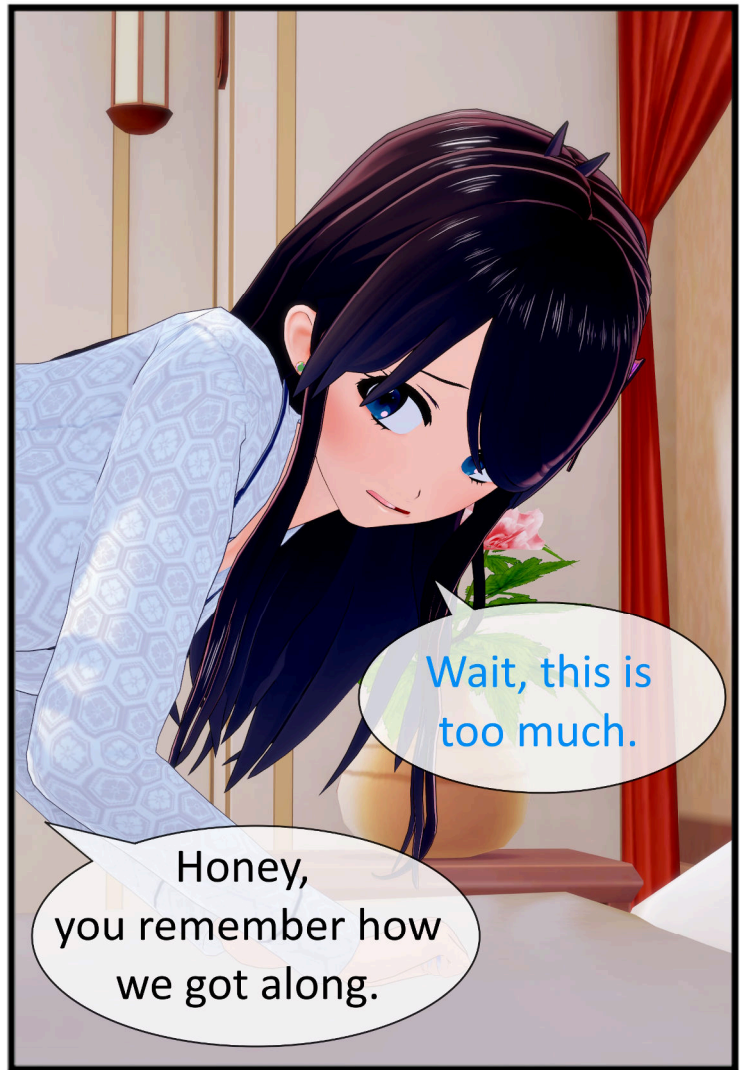

Angry

And stop
thinking about such
things!

Dream...

And now something for me.

Gosh, you don't even know how I love your ass.

Wait, this is too much.

Honey, you remember how we got along.

Reality...

No, no.

Meanwhile, in Heaven...

I wonder how Mutsumi-chan is doing.

I hope he can somehow manage while I'm gone.

His unlike Rem and Ram I didn't teach any magic.

I hope nothing will happen.

concerned

Back to Fuutaro...

I'm sure these dreams are Naomi's doing.

She is the one who is trying to make me a girl at all costs.

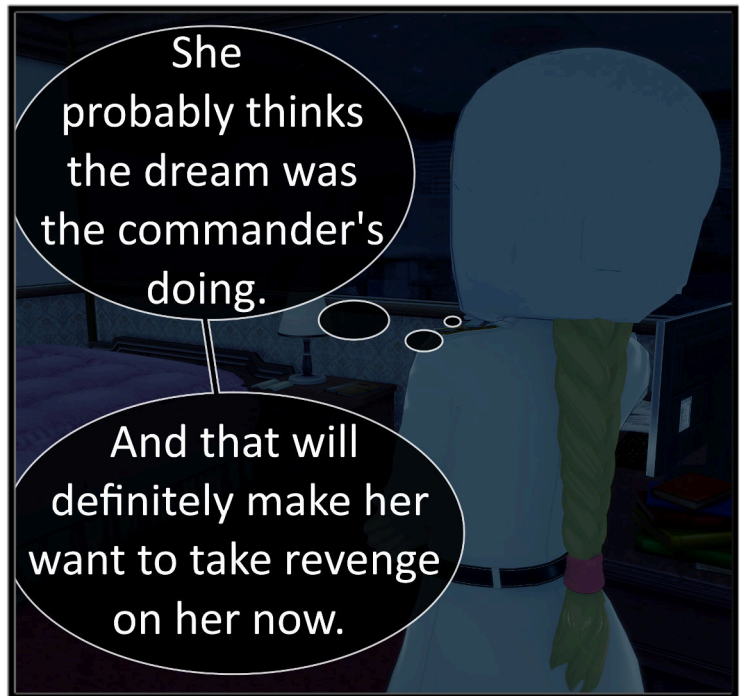

She's probably doing it out of revenge for that one.

Alright, I'll play your game.

Now no matter what I don't get out of bed.

Mad

After all, it's just a dream anyway.

Some time later...

Aaa...

I shouldn't have drunk that Coke before bed.

Alright, now where is my room.

Wall.

Oh, there they are.

Aaaa~

Fuutaro's room...

Itsuki Pov

Okay, and now it's time for bed.

Why is it that whenever I'm sleepy I can hardly see anything?

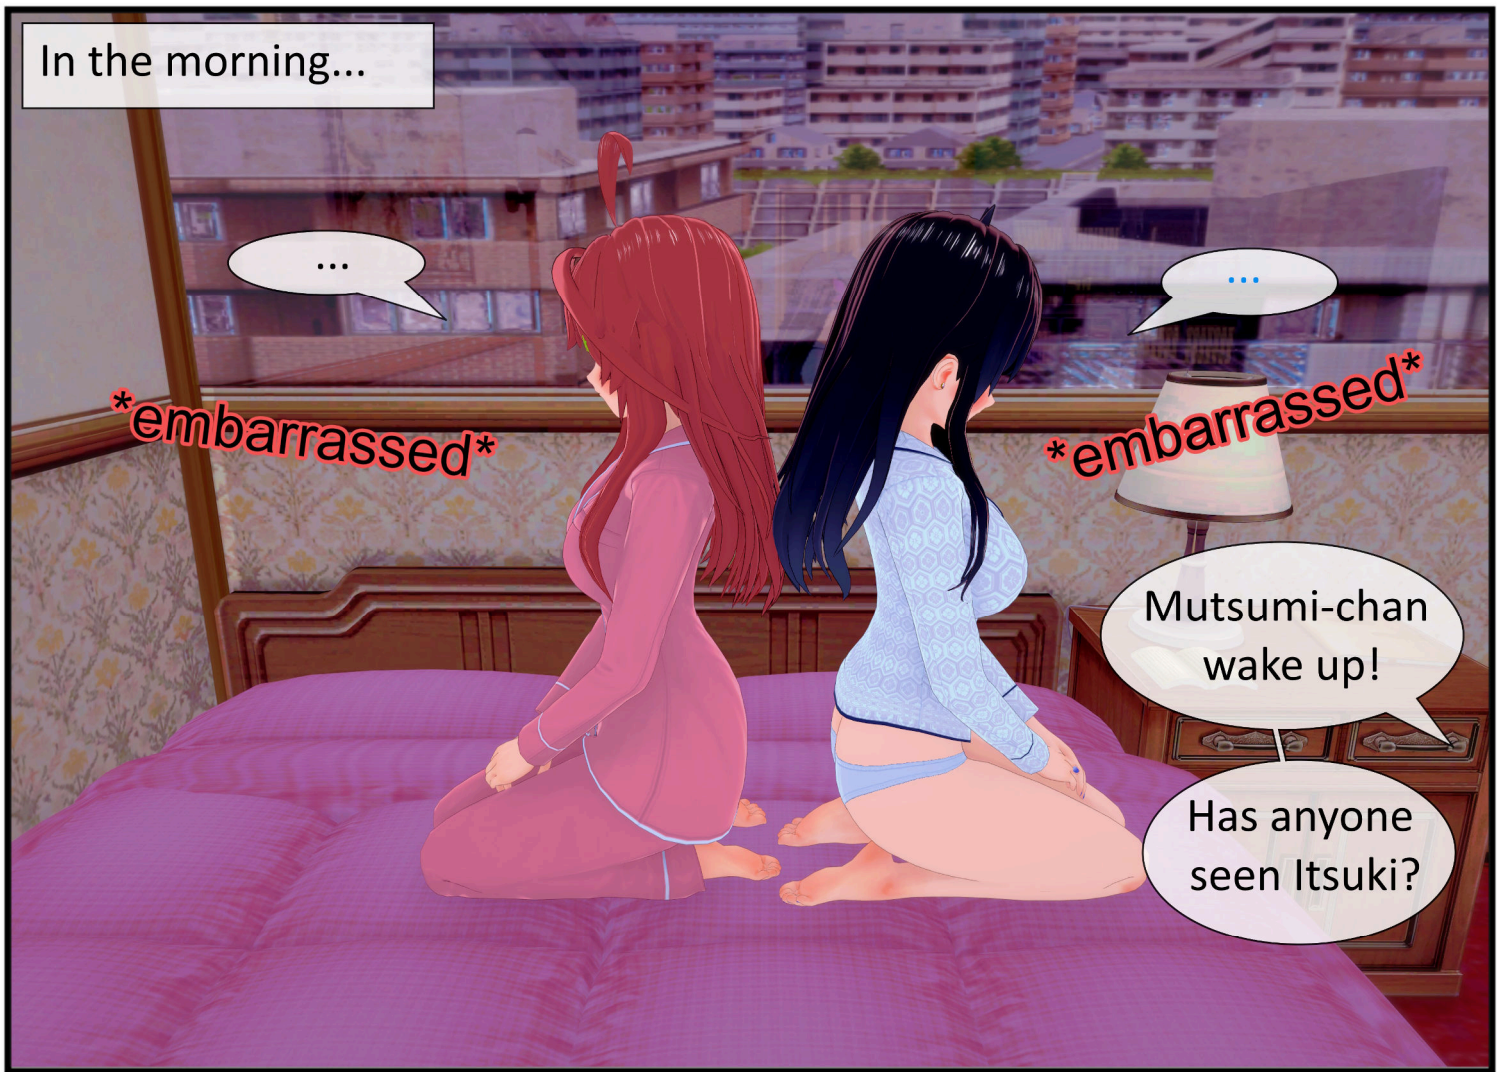

Hmmm~
Yummy.

So soft and
warm.

Hmm~

In the morning...

embarrassed

embarrassed

Mutsumi-chan
wake up!

Has anyone
seen Itsuki?

As if
they were
asking why I
was in your
room, I mixed
up the rooms
during the
night.

Nothing else
happened.

Of
course, we
only slept
together.

Nothing else
happened.

At school...

Again, what should I do?

But what for?

Show me your hand.

No matter, just do it.

Okay, happy?

Surprised

Eee...
What are you doing?

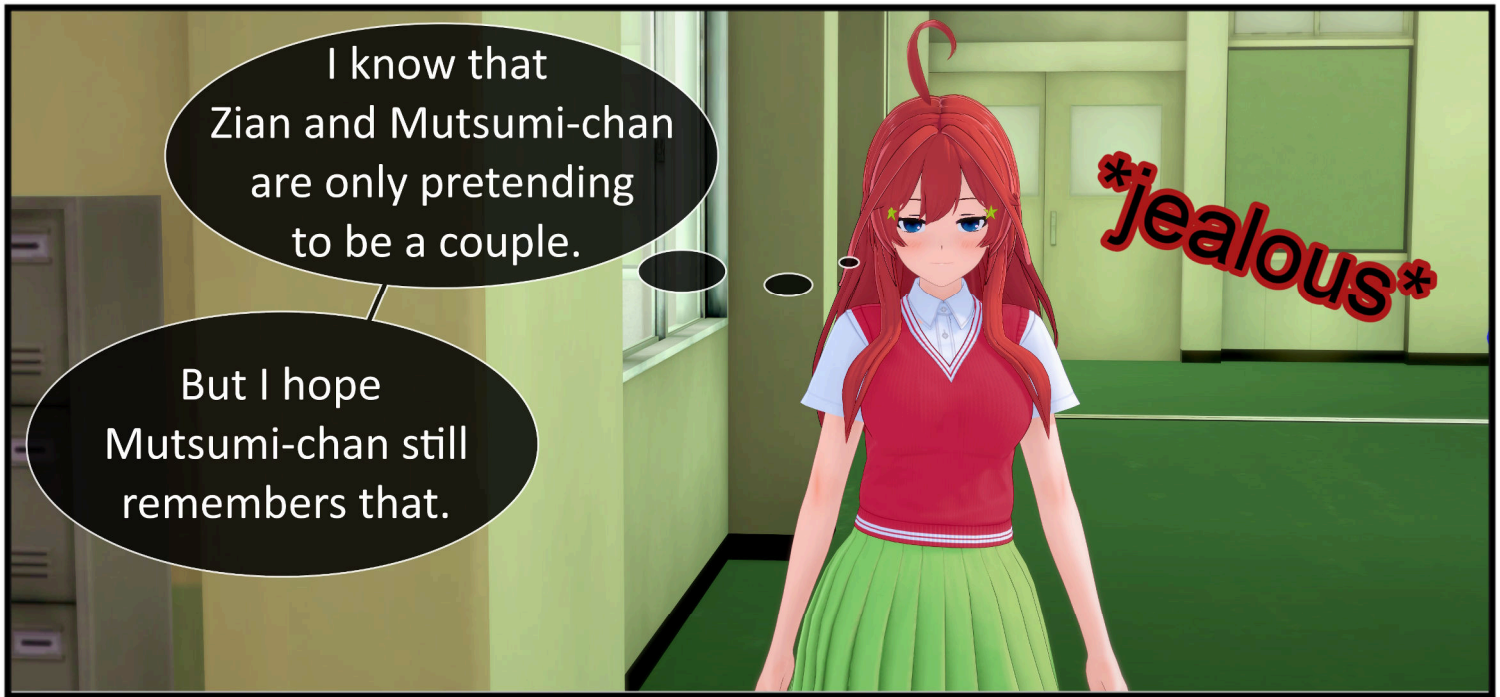

If what Nino said is true, then his penis must be huge!

scared

How cute~

They are really a cute couple.

My plan seems to have worked. hehe

During the lesson...

Why do I keep acting like a girl?

I even noticed that I'm starting to think like one.

I need to do something just what?

Friday at last.

Yes, I thought this week would never end.

Exactly.

I almost forgot about it.

After the last lesson...

Really, you have recordings at the water park soon.

But that means you'll have to wear a men's swimsuit.

Yes, I'm already looking forward to it.

Er... I didn't think of that.

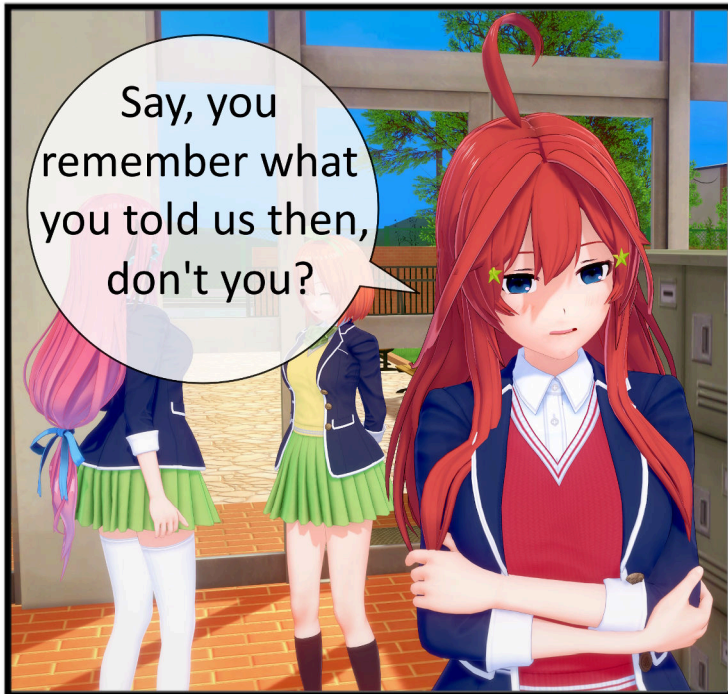

And you're not changing?

Is it about Zian?

I have still something to do. I'll be back later by cab.

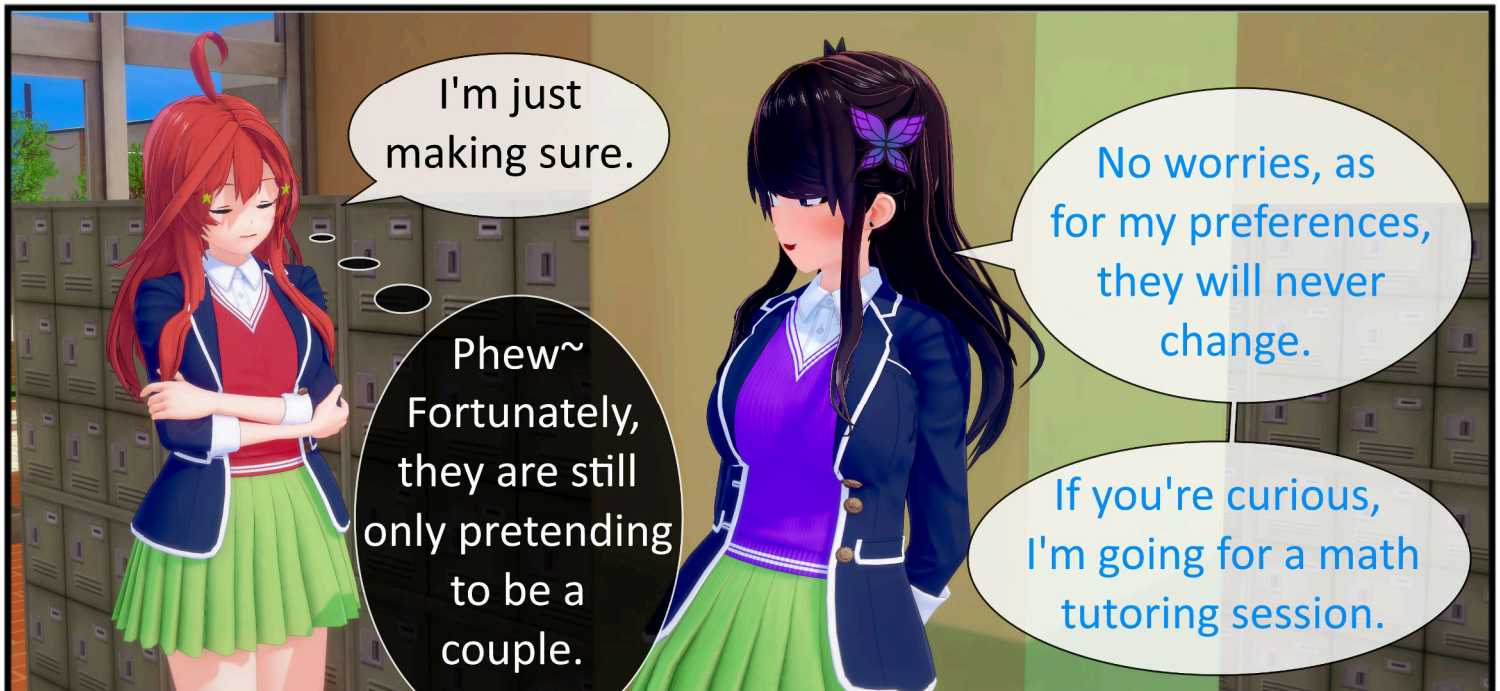

No, it has nothing to do with him.

Say, you remember what you told us then, don't you?

Of course, you probably don't think otherwise.

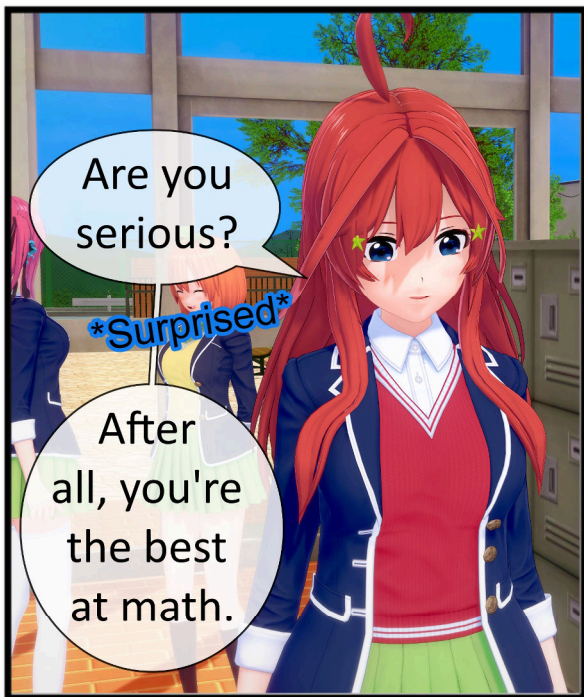

I'm just making sure.

Phew~ Fortunately, they are still only pretending to be a couple.

No worries, as for my preferences, they will never change.

If you're curious, I'm going for a math tutoring session.

Are you serious?

Surprised

After all, you're the best at math.

Once Yotsuba had better grades than me, I won't allow it a second time.

Determined

I have to be the best.

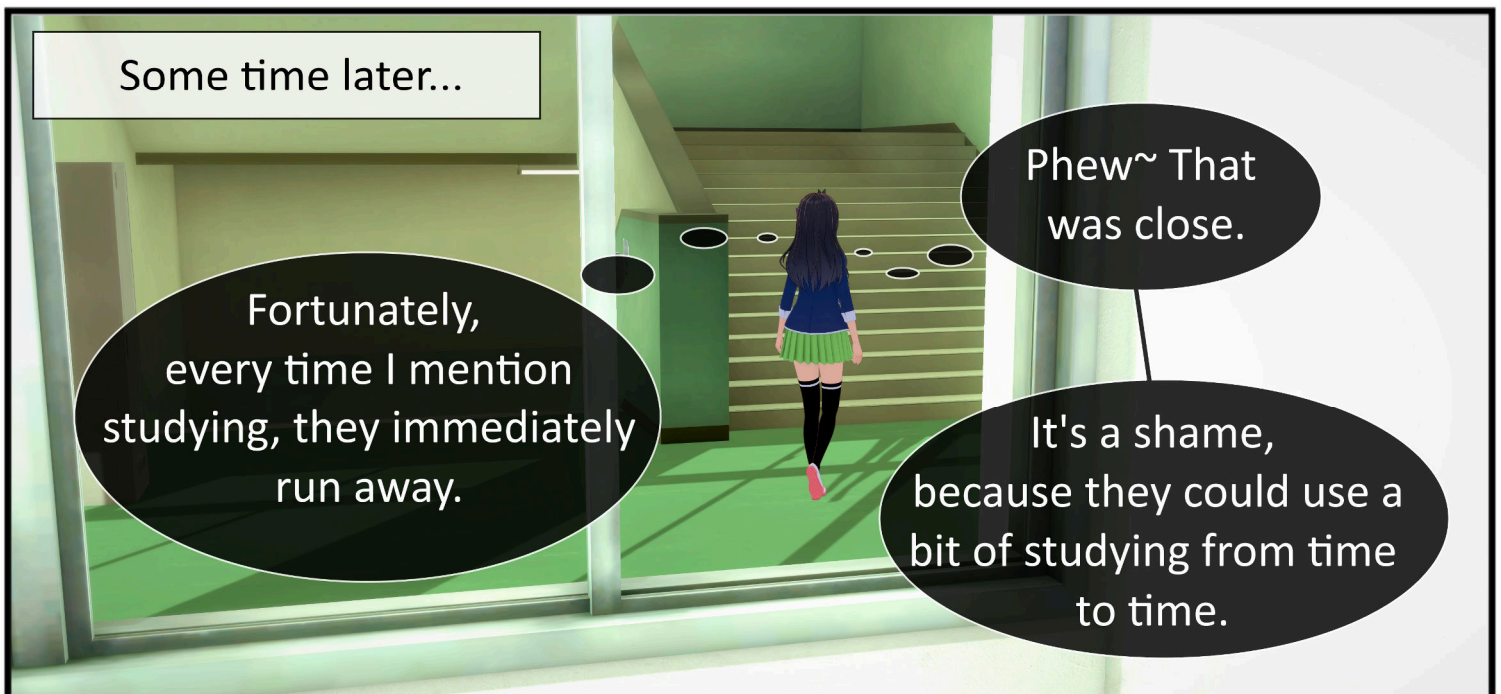

Disgusted

Eee... Maybe some other time, I'm expecting an important package today and have a lot of plans in general.

I have an idea, maybe you'd like to come with me, it might be useful for you.

Then maybe some other time.

Some time later...

Fortunately, every time I mention studying, they immediately run away.

Phew~ That was close.

It's a shame, because they could use a bit of studying from time to time.

On the school's roof...

But I'll worry about that another time, right now I have more important things on my mind.

Oh, finally you're here.

I was afraid you wouldn't come.

Wow, I have to admit that the Commander did a good job.

If I could I would have taken over that girl's body.

Surprised

Ayako?
Are you the other angel?

But for that she would have killed me immediately.

And in an open fight I have no chance with her.

Do you mean this body?

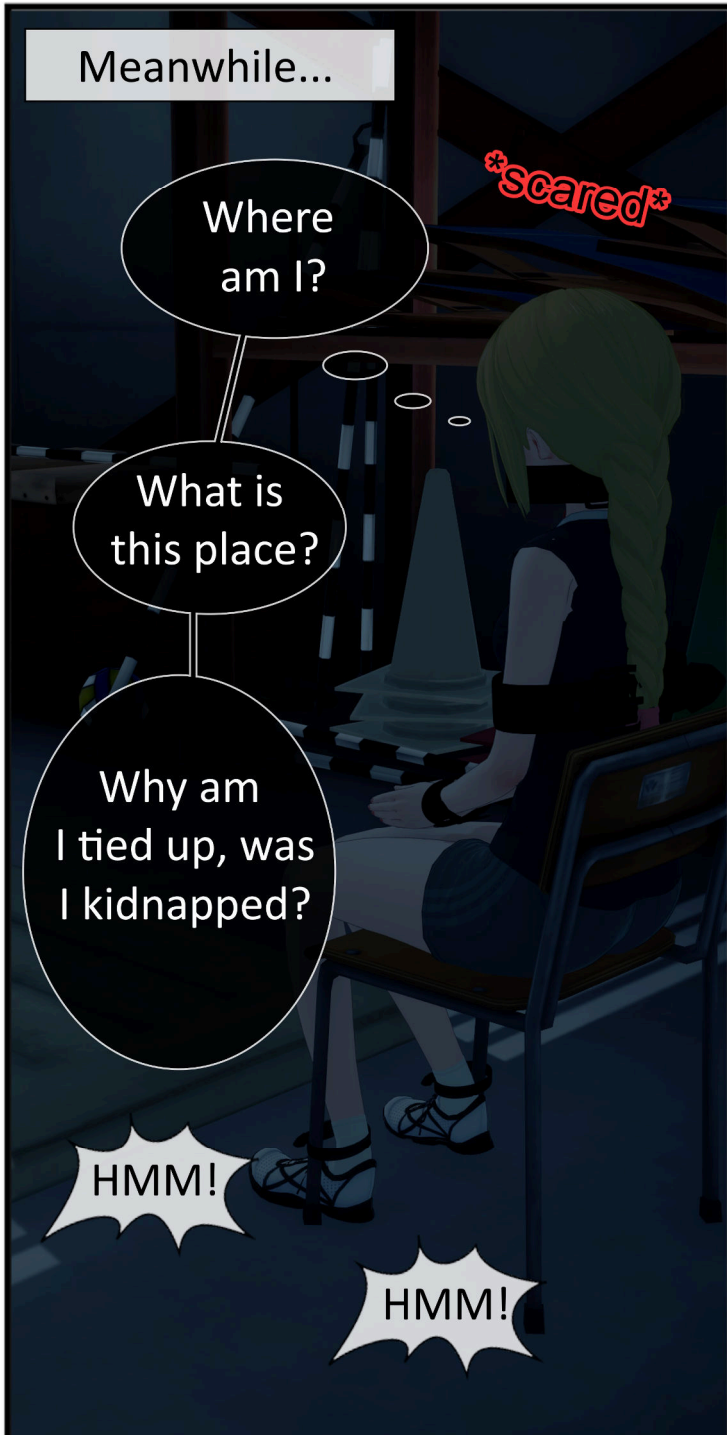

No worries,
I always make sure that
nothing happens to
her.

After all,
I can't let anything
happen to him.

Right? Where
would I go back then?

Meanwhile...

Where
am I?

scared

What is
this place?

Why am
I tied up, was
I kidnapped?

HMM!

HMM!

Yes.

That makes
sense.

This will
be easier than
I thought.

hehe

And where else would she be hiding?

No, that's impossible.

After all, she lives at her aunt's house. How can she be a criminal.

Besides didn't she suddenly have to leave somewhere before my arrival?

Doesn't this seem suspicious to you?

Indeed, strange.

So I have a proposition for you.

If you help me catch her you will get your male body back.

I know you want it, so how?

To be continued...
