

Chapter 24

Nothing is as
it seems.

A few days later...

And again pictures in bikinis.

I thought this was supposed to be a series about school life.

Why do I have to wear a bikini again?

Yummy.

Cool that we got invited too.

jealous

Yes~

jealous

Really cool.

I doubt it, rather she just wanted to be nice.

Did Naomi do it on purpose?

It would have been nice if she had done something about it.

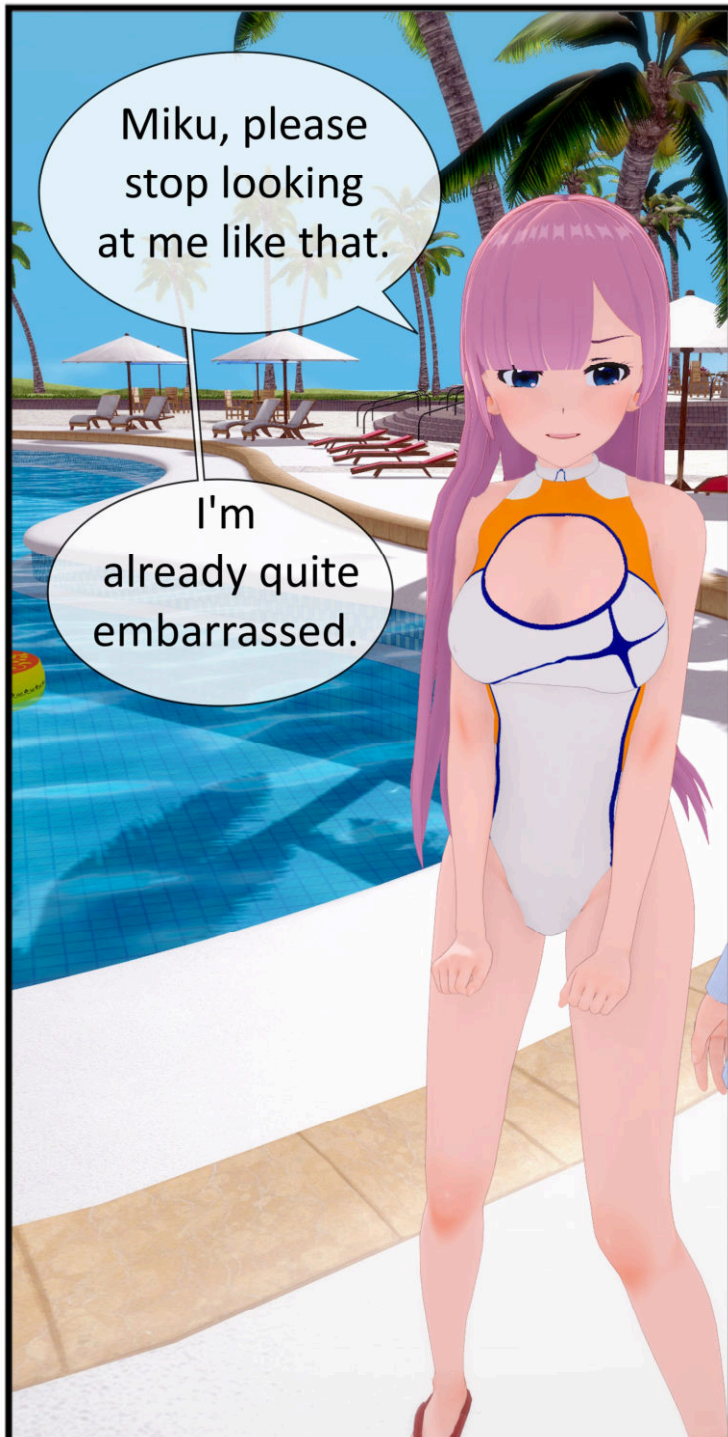

First she could do something about that.

embarrassed

Fortunately, for this show I have to pretend to be a girl.

I wonder what it's like to have such a thing?

Doesn't it bother her walking?

Miku, please stop looking at me like that.

I'm already quite embarrassed.

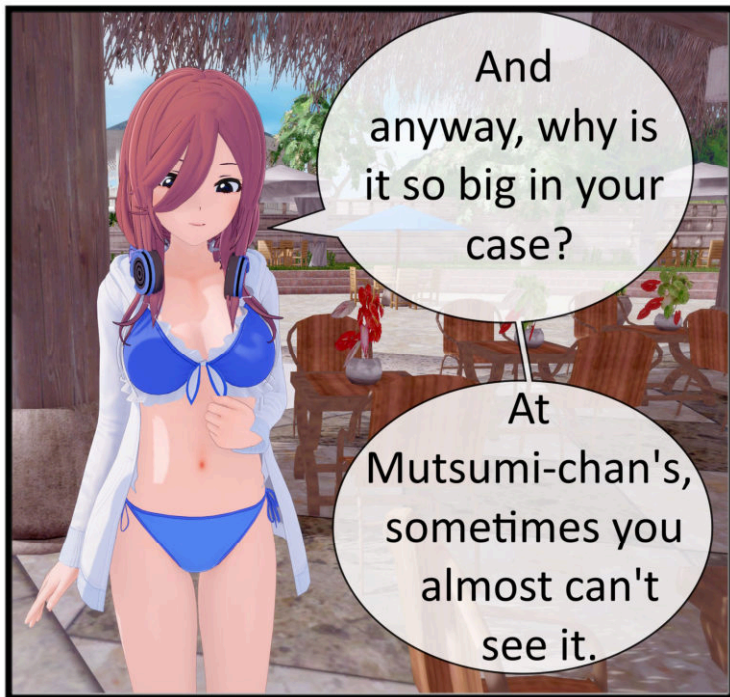

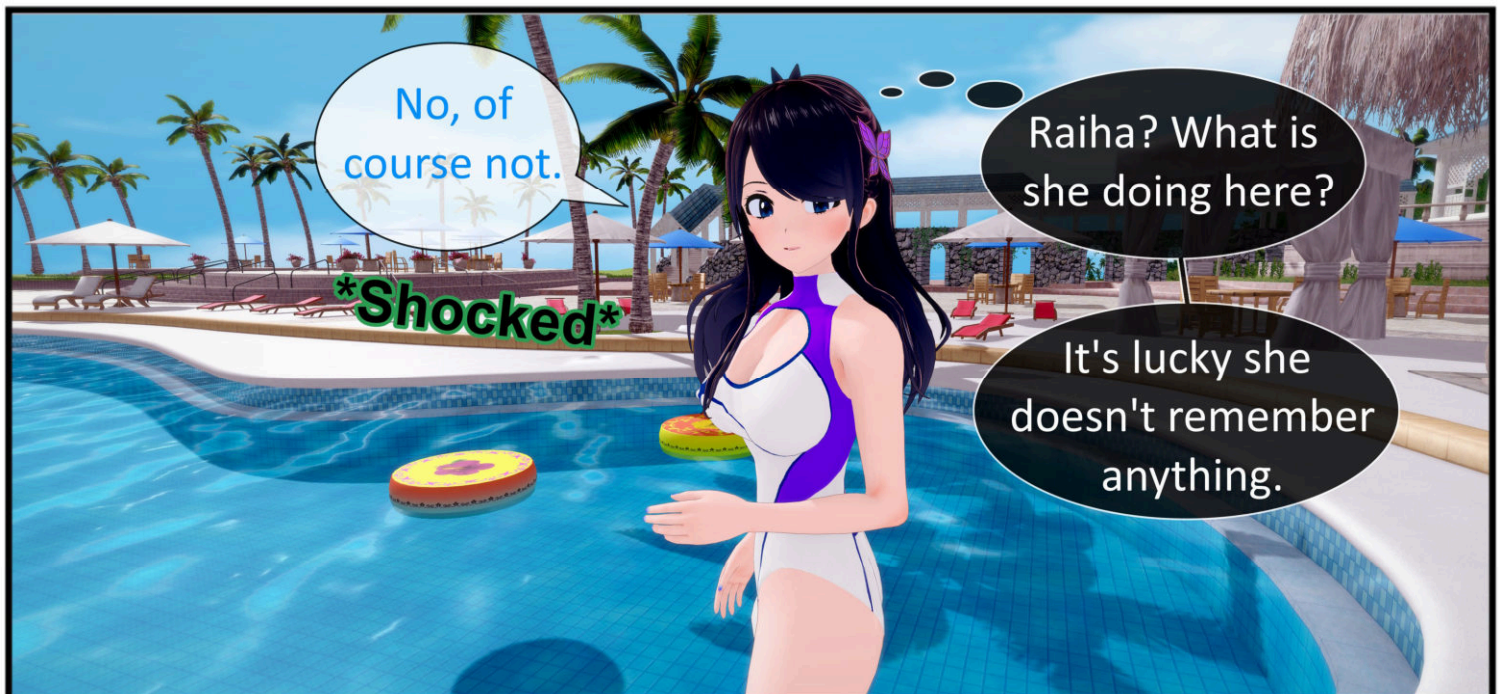

Sorry, I'm just curious what it's like to have something like this.

***sigh*.**
It's like having a wiener in your panties.

Only it can get hard or something drips out of it.

Then we must make up for it.

Say would you like to go for ice cream with me?

happy

Yay! ice cream! Dad, can I?

You have a half freezer of ice cream at home.

But those are at home, besides, they taste better with someone.

All right. I'll just give you some money first. I think 4,000 yen should be enough.

How much?

Shocked

Alright. Say as if you have run out.

No need, I have money with me.

What happened at my house in my absence?

confused

4000 Yen ~ 29 Dollars

During the recordings...

Okay, ready?

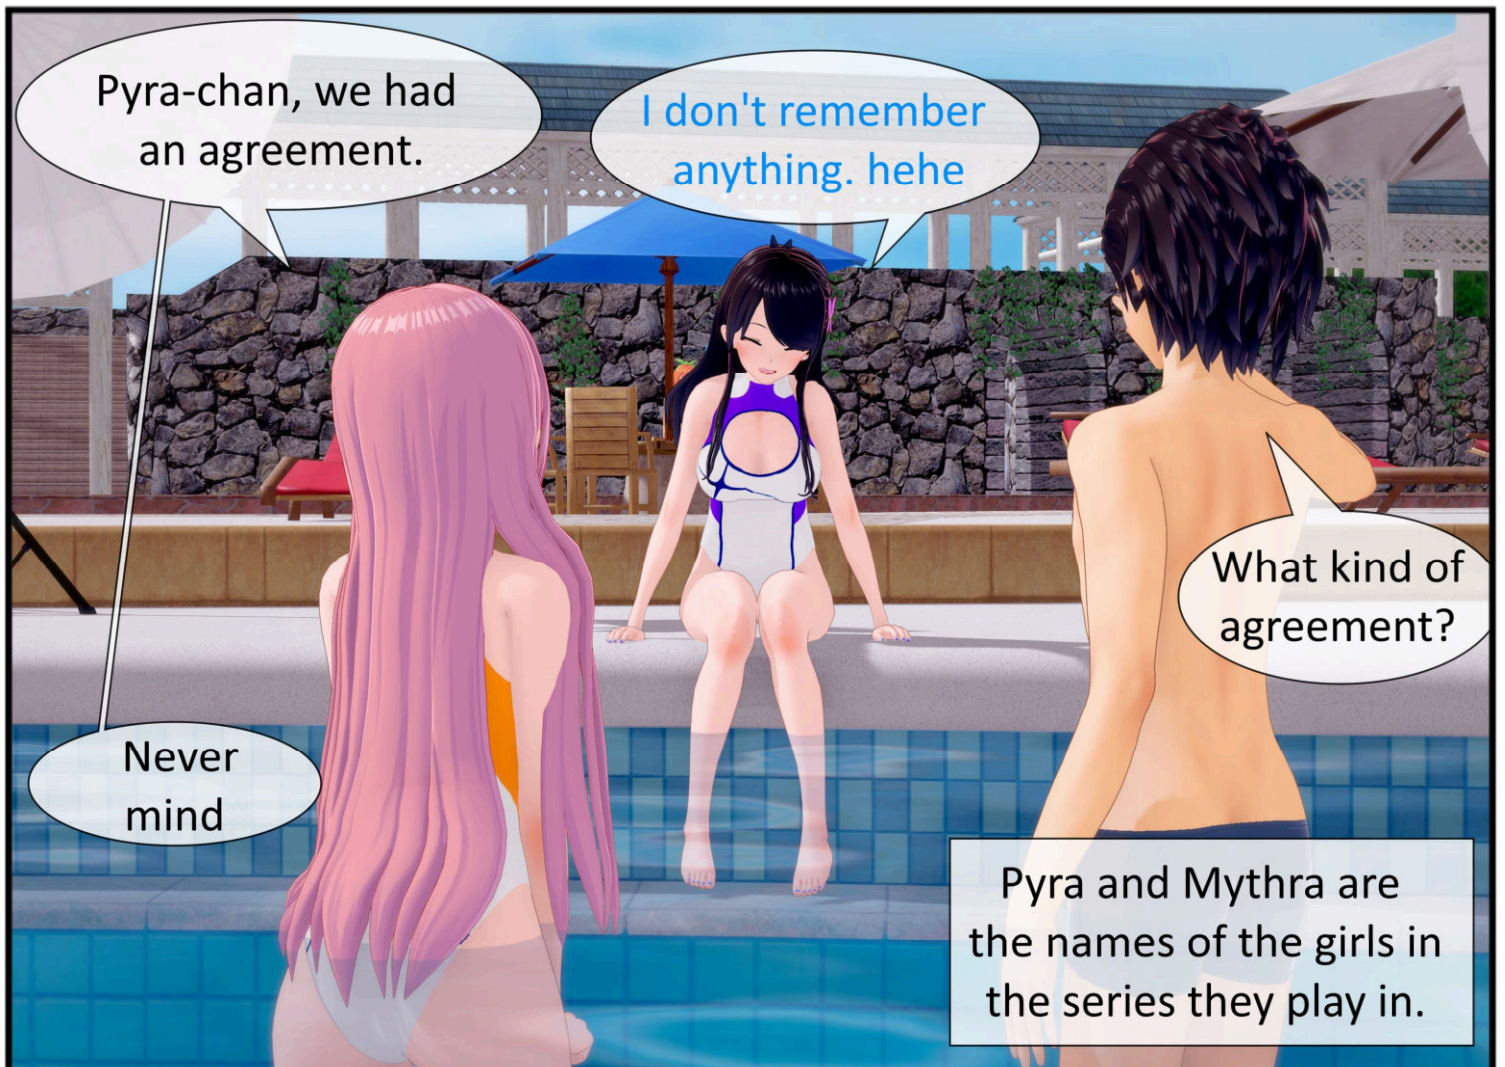

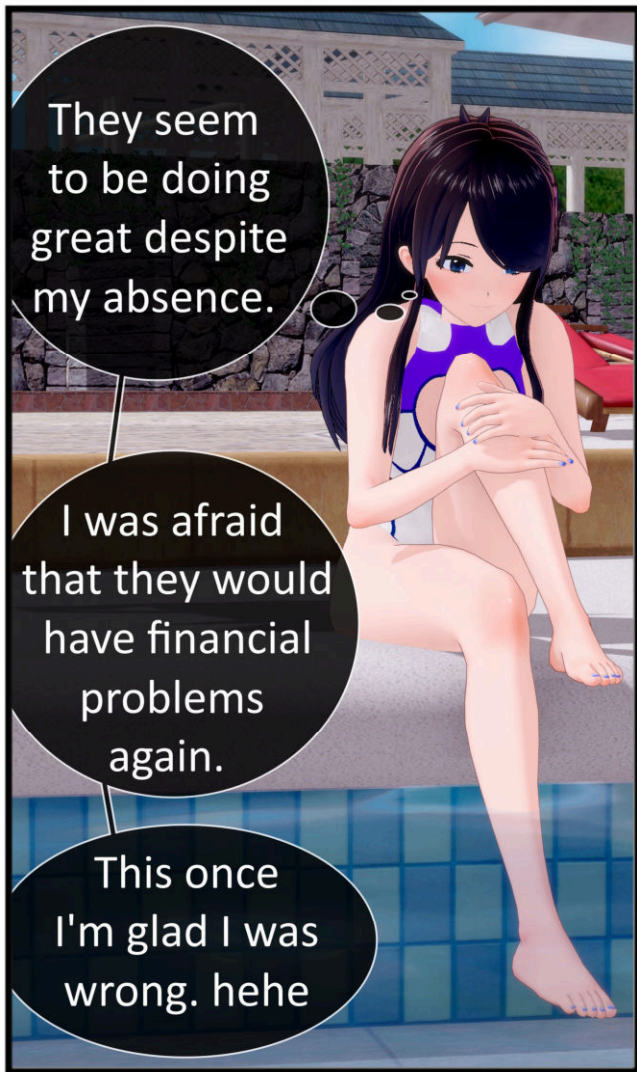

I'm about to let go.

No, don't do it, what if I drown?

Relax, it's shallow here, besides, I'm with you.

So much money for ice cream?

After all, it's a real fortune. For a simple ice cream?

Yeah, cool right?

Mutsumi-chan always says she hates the job, but I think she's ashamed to admit she likes it.

Wow, so this is what an actor's job looks like.

She doesn't look like she's ashamed of anything.

So what do you say, should we get started?

With what you want, I don't care.

Sure, but with what?

Boy, she looks so sexy.

I mean I wish I could look like that again too.

I know that Mutsumi-chan is just playing her role.

jealous

But still, I'm jealous.

All right, fifteen minutes break.

Great job.

And how, can there be such a thing?

I can't do better.

Yes, that's exactly what I meant.

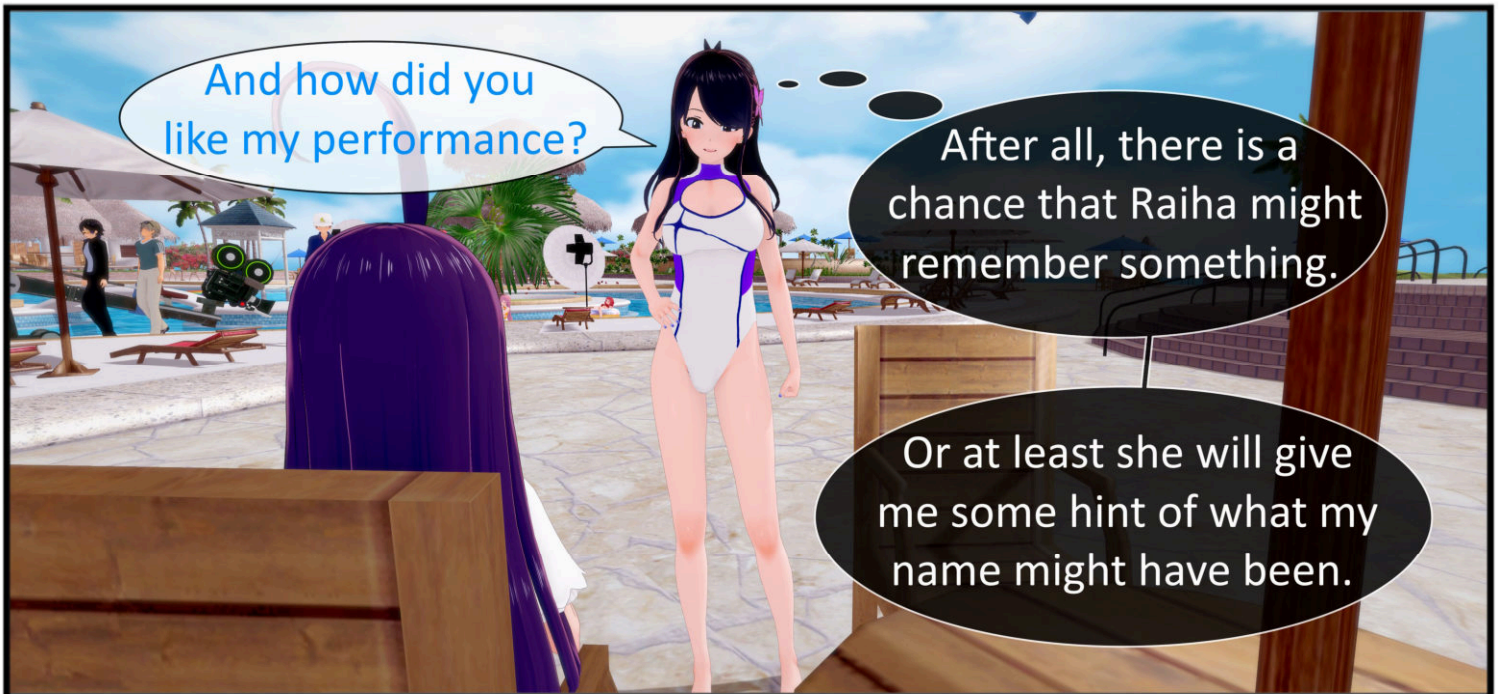

So this is what his work looks like.

Shocked

Shocked

Now I'm not surprised that Mutsumi-chan didn't want to tell us anything.

Yes, it was really funny.

Now tell me, can I ask you some questions? I'm terribly curious...

It's really great that you are now happy onii-san.

Onii...san?

confused

Onii-san - older brother.

Oops, she told me to keep it a secret.

She?

Wait a minute, you remember everything.

Shocked

And you know exactly who I am?

Er...yes.

Of course I know.

Why?

She said that I should now pretend that I have never seen you.

And above all, I can't tell you what your real name is.

Then something terrible will happen.

What?

Naomi!

Mad

If Raiha can't tell me anything then why didn't you delete her memories too.

This is probably another one of her games.

If I say her name then this will all be over.

And I don't want onii-san to be sad again.

Raiha Memories...

Again,
I failed to buy
chicken in the
promotion.

They
had to buy
everything
out while
I was at
school.

And I was
hoping to cook
something tasty
for dinner
today.

Unfortunately,
we can't afford to
buy meat at the
normal price.

Onii-san
has been
working so
hard lately,
I wanted him to
eat something
better for
once.

But I'm
sure it will
get better
soon.

Eeee... Yes...
I think so.

Great. it was
very close.

Literally at
the last minute
I managed to
catch you.

Your
purchases,
unfortunately,
were not so
lucky.

Nothing
happened.

At most
I will go
shopping
again.

In any
case, thank you for
saving me.

I hope there
is still some rice left
in the house.

concerned

You
don't have to
be an angel to
know that
something is
wrong here.

concerned

Reality....

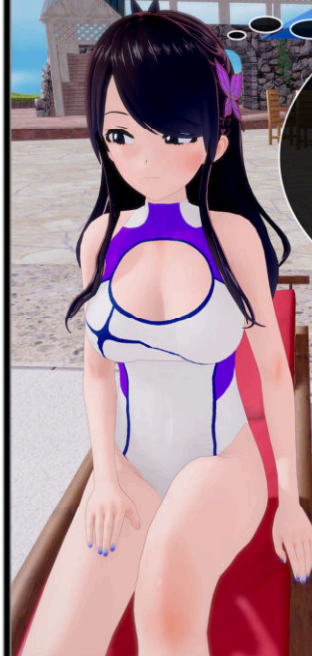

She just keeps making fun of me.

Wait, but why didn't she delete the memories for Raich?

After all, it was close and Raiha would have told me what my name was.

Would she really risk that much?

After all, it wouldn't make sense.

Why didn't she put any restrictions on her like she did on me then.

Especially since Raiha could speak without any restrictions.

And how, have you thought about my offer?

You asked me to give you some time to think about it.

Of course I'm trying to be a guy again.

Angry

It's not my fault.

Yeah~ but somehow I don't see the effects of your actions.

Any problem?

No, we're just talking.

What do you mean?

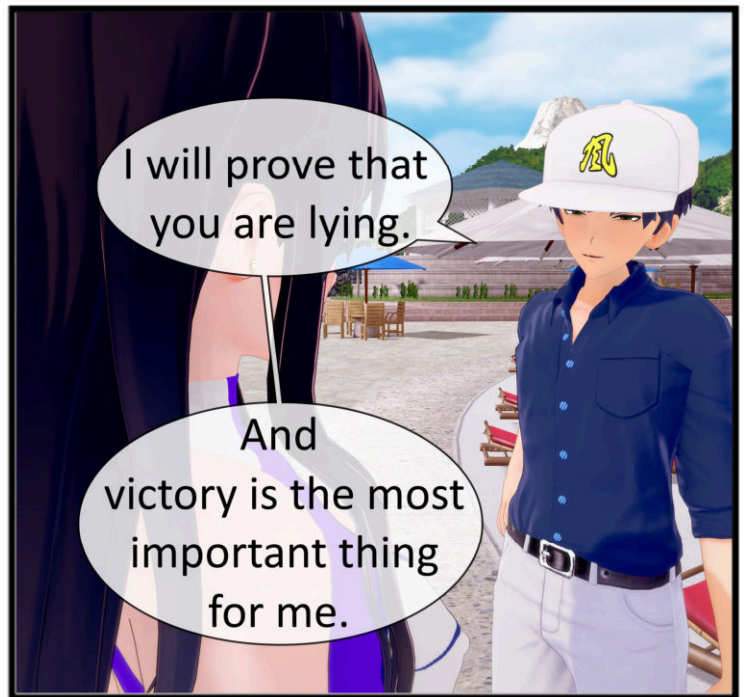

Hmm... Maybe. How about a free trial?

I'll give you some of my powers for a while and you prove me wrong.

Are you serious?

After all, then I will immediately be a guy again, what will you get out of it.

I will prove that you are lying.

And victory is the most important thing for me.

Agreed.

And what about the effects?

Just be careful, my powers do what their owner wants, no more no less.

No worries they are permanent.

This angel is a douche.

But thanks anyway, thanks to you I will be a guy again.

Do you really think I will give you my powers?

Never in my life.

But you are lucky, I need you.

Some time later...

Wow You really learn fast.

I want to be a guy again!

I want to be a guy again!

I said that she can swim.

I have a very good teacher.

I want to be a guy again!

Mad

Why doesn't it work!

Do you really think so?

Of course.

That stupid angel fooled me!

Now I understand why he never tells us anything.

jealous

Just don't say you're jealous.

Did you forget a certain thing?

I didn't forget that Mutsumi-chan... prefers girls.

And what of it? After all, they're just pretending. Besides, don't forget that Dad forbade Mutsumi-chan to meet him.

But how they look at each other and smile at each other.

To be honest, I'm jealous myself.

I would never have expected Mutsumi-chan to be a better girl than us.

jealous

I was hoping to get rid of them finally.

Why do my breasts have to be so big?

Can't I at least have breasts like other girls?

jealous

Looks like it's time for the fun to begin.

You wanted my powers, no problem.

Have fun. In carrying out my plan.

Hmm? What the hell is going on?

Why am I suddenly wearing a purple bikini?

What happened to my nails, they look like Nino's.

Shocked

Itsuki? Where did you come from?

confused

What are you talking about?

We came here just now.

Hey! What are you doing!

What script?

What is going on here?

What? So it was in the script.

A moment later...

What, you swapped bodies?

But how?

Shocked

Shocked

I have no idea.

I understand that Naomi is trying to teach Mutsumi-chan something.

But why does she have to punish me too.

Fortunately, she didn't guess anything.

Wait a minute, but didn't Naomi say she was going away for a while?

Oh no, just now?

scared

Wait a minute, that's actually a good thing.

Naomi, why did you have to leave just now?

Do you have a problem?

And you?

And wouldn't it be easier if they just dyed their hair.

After all, Mutsumi-chan already looks almost like us

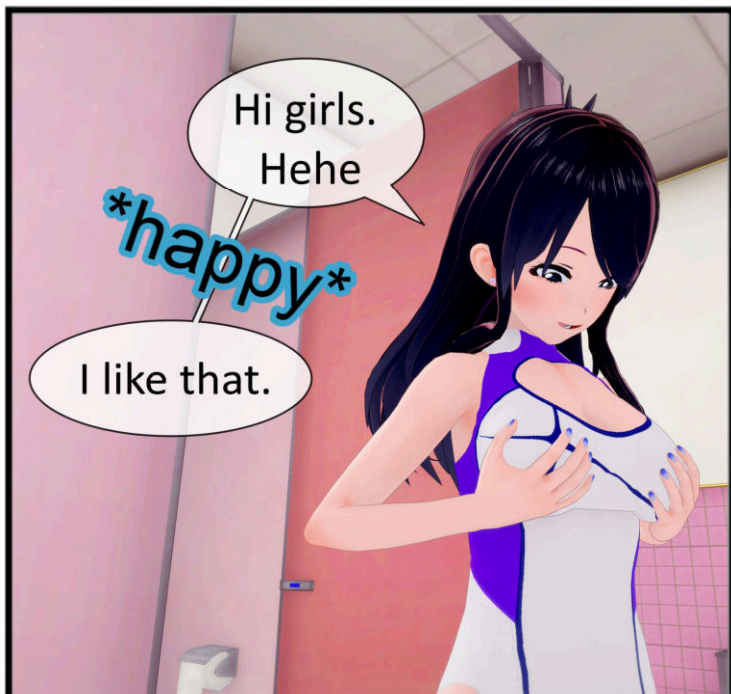

Surely no one will notice anything.

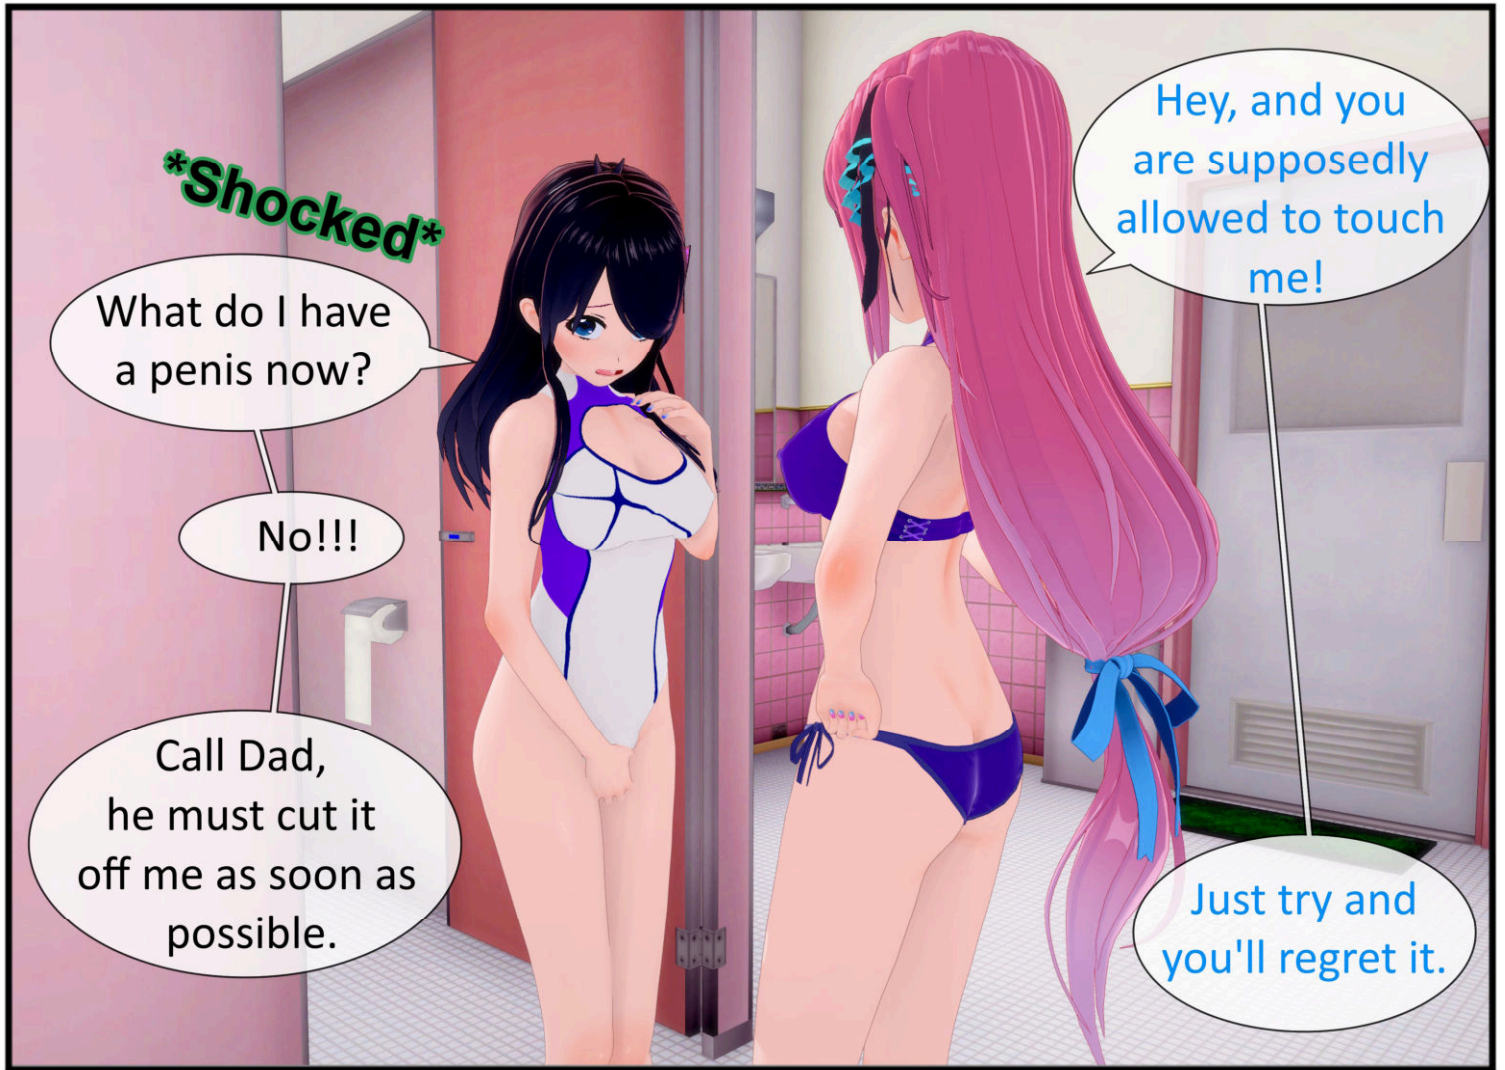

Except maybe a small detail.

Although now you are a real girl now.

What detail?
confused

Shocked

What do I have a penis now?

No!!!

Call Dad, he must cut it off me as soon as possible.

Hey, and you are supposedly allowed to touch me!

Just try and you'll regret it.

Can you two finally stop?

No one is going to cut off anything for anyone.

Until Naomi comes back you have to get used to it somehow.

Mad

hehe

After Nino explained to Fuutaro what he should do....

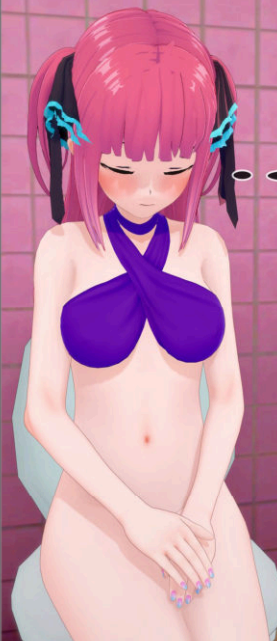

This is humiliating.

embarrassed

Phew...
Relief at last.

It's a strange feeling to pee without a penis.

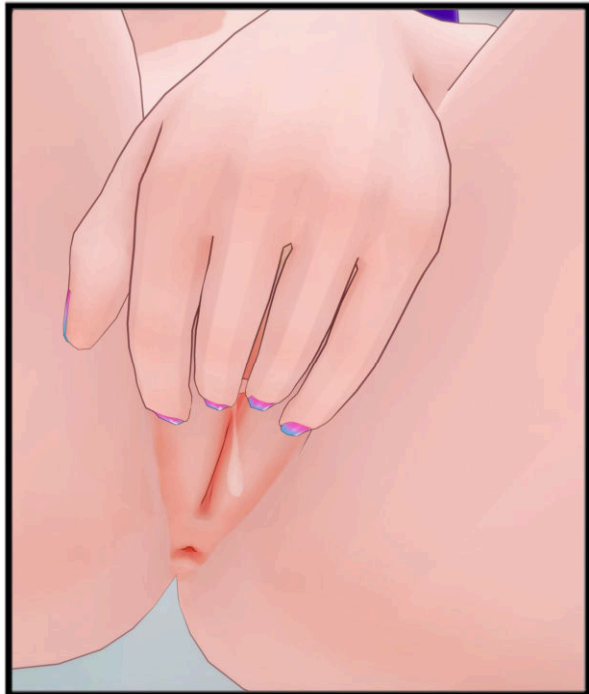

Man, it's so sensitive.

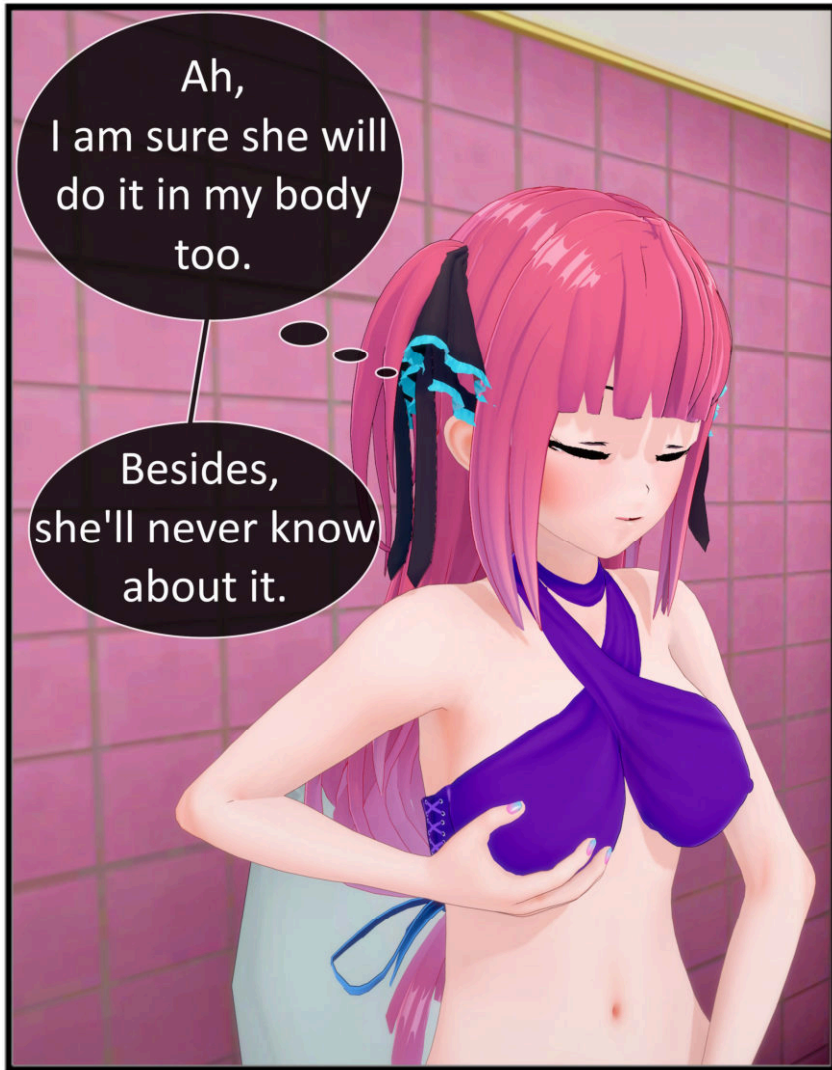

But she said I should rub it gently when done.

That's not fair.

Ah,
I am sure she will
do it in my body
too.

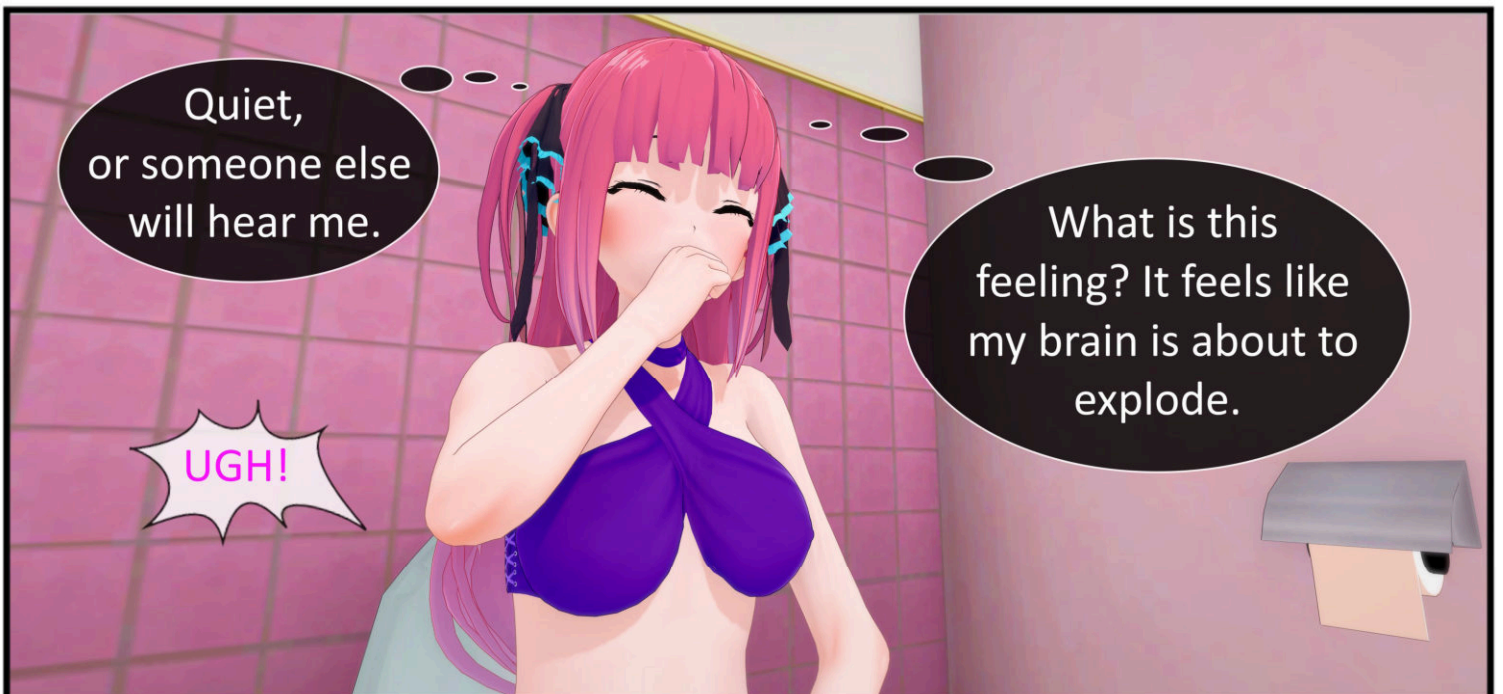

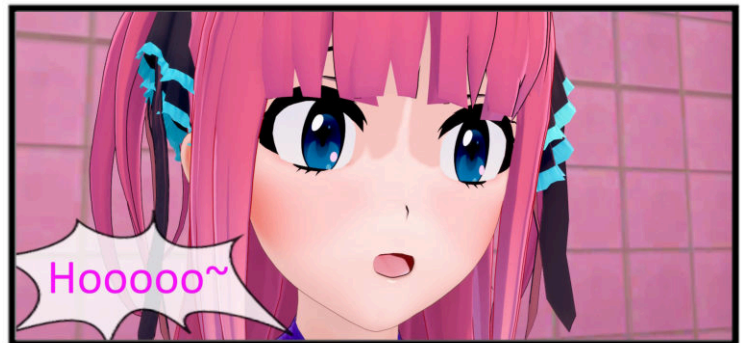

Besides,
she'll never know
about it.

It's just a pity that
her breasts are not as
sensitive as mine.

Well... you can't
have everything.

Disappointed

I... I... I'm coming!

Hm~~~~~

All right. One more try. Only this time don't forget the text.

What?

How did I suddenly find myself here?

After all, I was in the toilet a second ago.

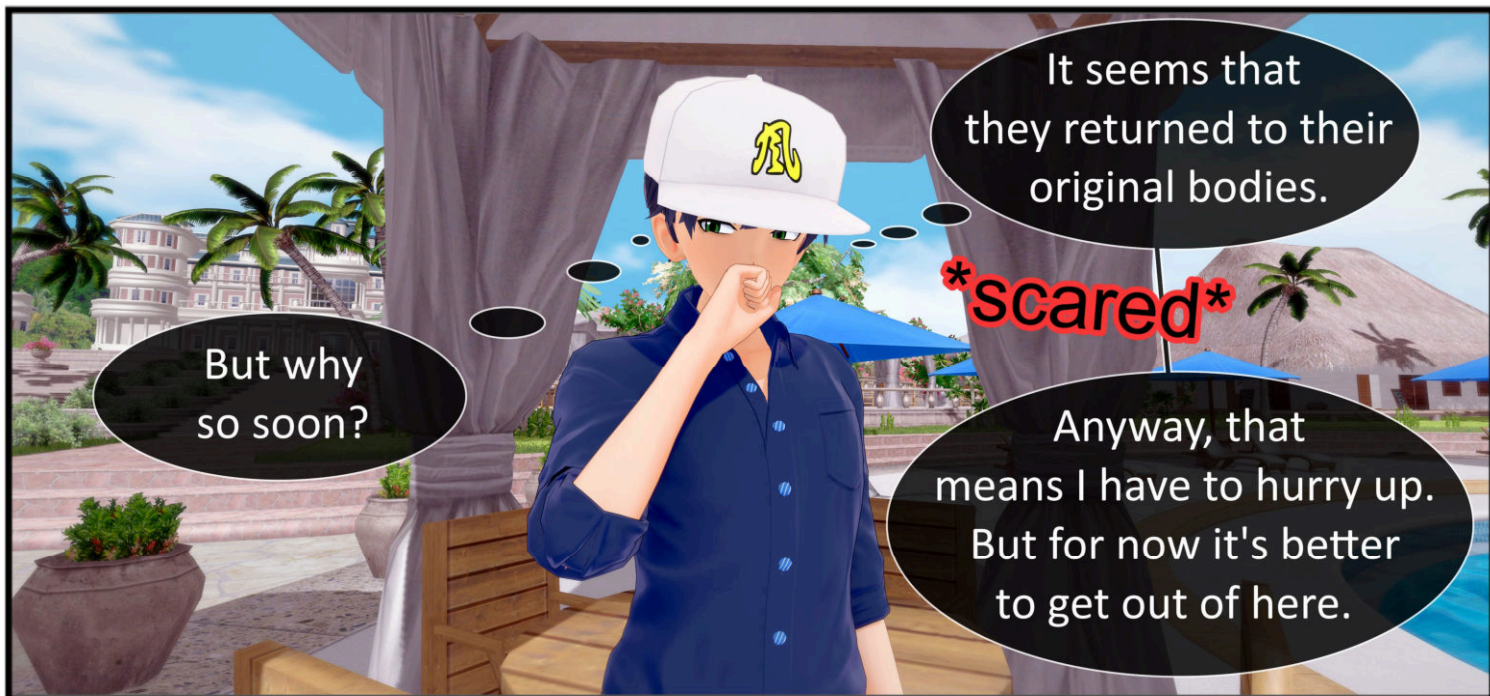

confused

Mutsumi-chan!!!

U... that was probably a bad idea after all.

But why so soon?

It seems that they returned to their original bodies.

scared

Anyway, that means I have to hurry up. But for now it's better to get out of here.

In the evening...

I still can't believe I did it.

I masturbated as a girl.

And that in the body of my own sister. That is, in Nino's body.

But I guess that's not surprising after all, I'm a guy.

I was only surprised by Nino's reaction.

I have a right to be curious about a woman's body, right.

confused

She was furious but seemed more disappointed. Was she jealous of my breasts?

She was probably upset to have her breasts back.

I knew mine were more sensitive.

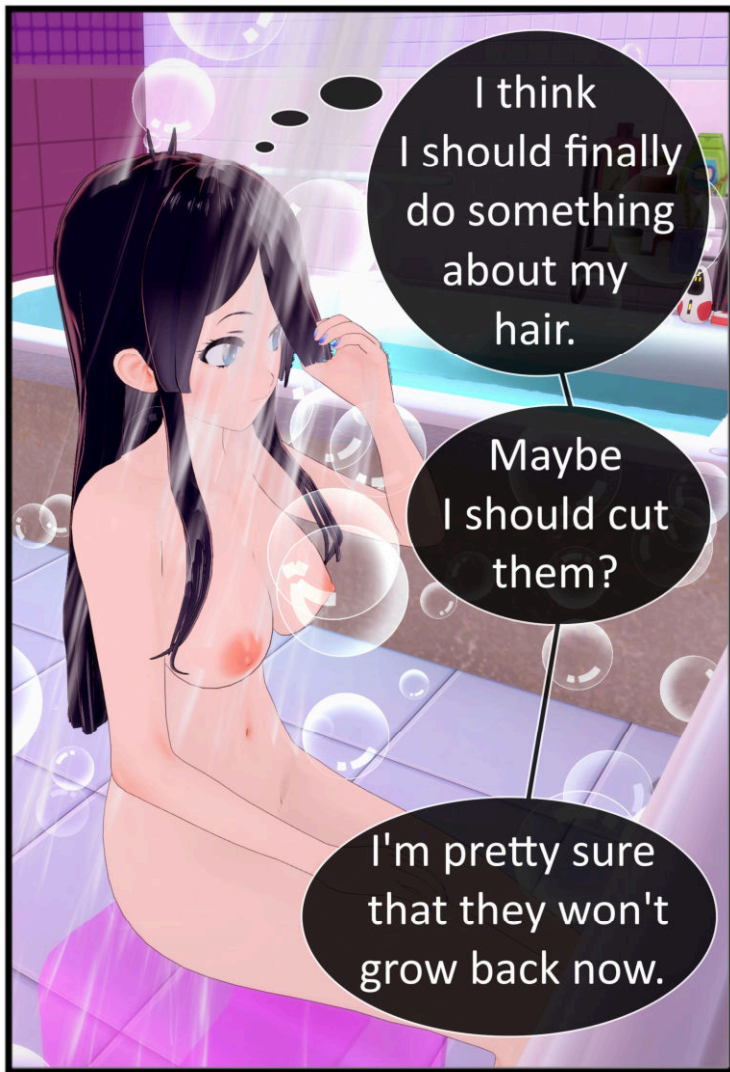

Although that is still nothing compared to having a vagina.

jealous

What am I even thinking about after all I am a guy.

I think I should finally do something about my hair.

Maybe I should cut them?

I'm pretty sure that they won't grow back now.

Retrospection....

I always had long hair.

I thought that this is the kind that boys like the most.

Why did I ask him about it?

Mad

If I want to cut my hair, I'll just do it.

And I don't need to ask anyone's opinion.

But I won't cut my hair for now, in case it should grow again later.

Or should I just give up finally?

After all, Mr. Isanari and Raiha have a happy life now.

confused

I don't need to go back.

No, I can't give up.

Determined

Everything depends on one decision.

Especially now that I'm so close to being a guy again.

It's all Naomi's fault, let her bear the responsibility for it.

And masturbation as a guy is the best.

Yes, just like that.

After today I have something to imagine during this.

Meanwhile, in the living room...

I'm not surprised.

Apparently, Nino is still angry with Mutsumi-chan for what she did.

They only swapped bodies for a moment and Mutsumi-chan did something like that.

But what's strange about it.

After all, he's a boy, it was predictable that he wouldn't be able to stop himself

Why did it have to last so short.

Mad

I also want to know what it's like on the other side.

And I didn't even have time to enjoy them.

Moreover, Mutsumi-chan has much bigger breasts than mine.

jealous

Some time later...

However, masturbating as a guy is not the same as doing it as a girl.

Disappointed

Maybe I did something wrong?

No, I did it the way I've always done it.

Could it be that masturbation as a guy is no longer able to satisfy me?

That would be the worst.

This cream I recently bought is really great.

It's just a shame that it's terribly expensive.

Stupid mental changes.

Although from what I've been talking to the girls lately, Naomi has taken all the mental changes off me.

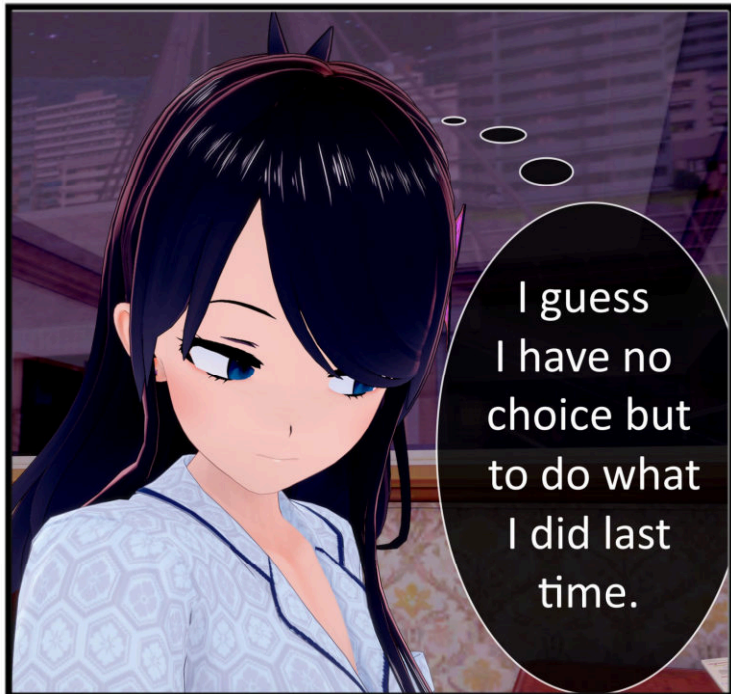

I wonder if that's true? But why would she do that?

Well... I guess there's nothing wrong with taking care of your skin.

Ah, I wish I could relieve myself.

I guess I have no choice but to do what I did last time.

a while later...

gulp

scared

It's much bigger than I remembered it.

Maybe I should use those smaller ones. It's just that I lost it somewhere.

I have no choice, I have to be a guy. If girls are not afraid to use it then I can't either.

I wonder if Zian really has such a penis.

What am I even thinking about!

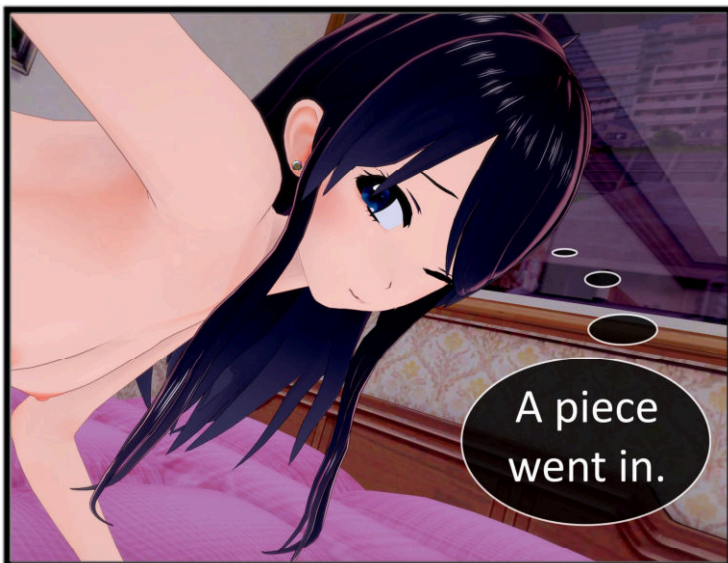

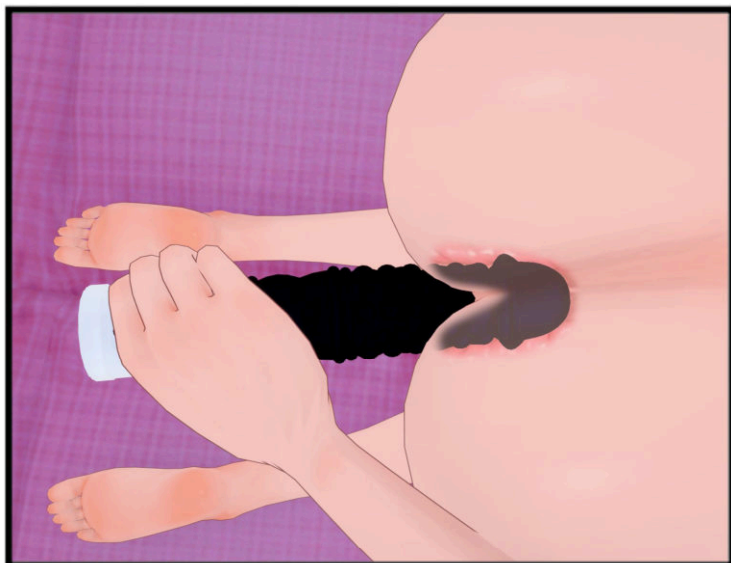

All right, I want to get it over with.

Angry

Alright, let's get started.

I have to relax my buttocks otherwise it won't go in.

A piece went in.

But it's much harder to do it alone.

Hmg~

Alright, 1... 2... 3...

It came in.

It feels strange to have something like that in you.

Hmmmm~

It's a completely different feeling than before.

I feel almost like when I did it in Nino's body.

hoo~

Yes, yes.

I just remembered where I lost that little vibrator.

But it doesn't matter anymore anyway. I won't use it again.

And I will use this one only as a last resort.

Unless I'm a guy again.

Then I won't do it at all anymore.

Now I only did it because I had no choice.

Waaa.

No, just not now

scared

phone rings

It's just my phone.

Hi Erika. You'd give me a heart attack.

Hehe. Sorry if I disturbed you in anything.

No. You didn't disturb me in anything.

embarrassed

I just didn't expect a call at this hour.

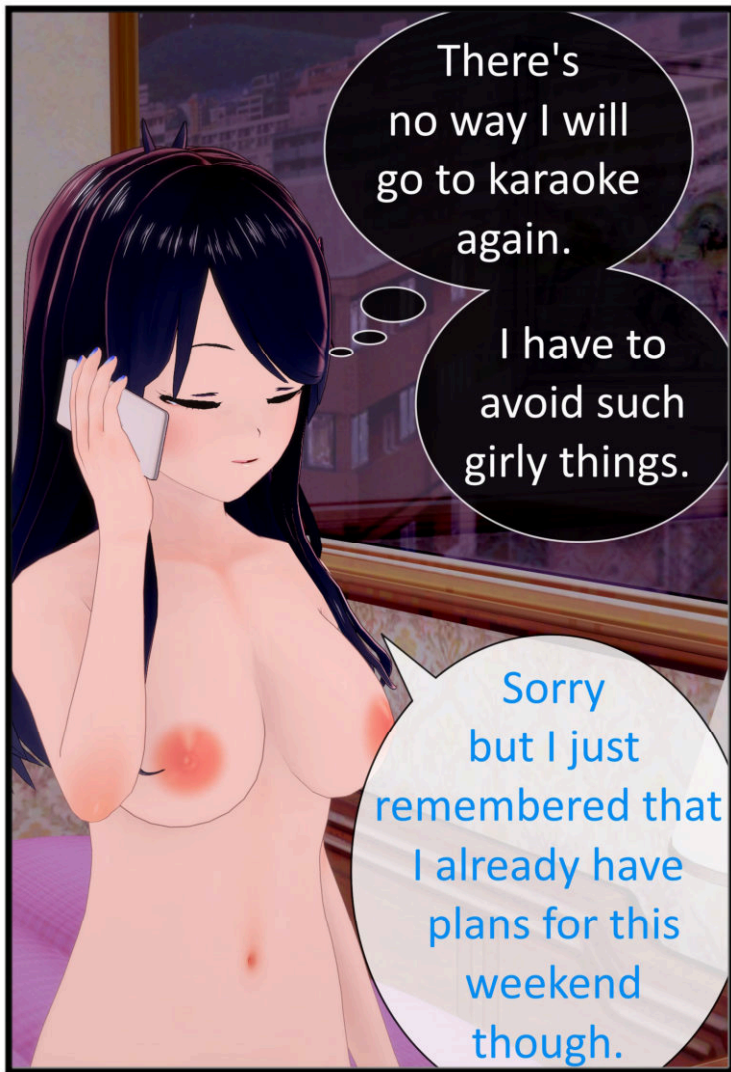

Say, do you have any plans for this weekend?

No, I don't have any.

I'm going with my friends to karaoke, maybe you want to join us?

There's no way I will go to karaoke again.

I have to avoid such girly things.

Sorry but I just remembered that I already have plans for this weekend though.

I heard recently that eating certain things raises testosterone levels a lot.

Really?
Surprised

Yes.

I'll tell you on Friday.

What are those things?

Tell now.

Trump Come with your boyfriend.

Mad

What?

Sorry I have to go now.

To be continued...
