

Chapter 25

This is my choice.

The next day...

You can believe me that it is something important.

I heard Mutsumi-chan say that they are going to meet.

I hope it's really something important.

What, with whom?

Shhh~

So what is this important thing you wanted to talk to me about?

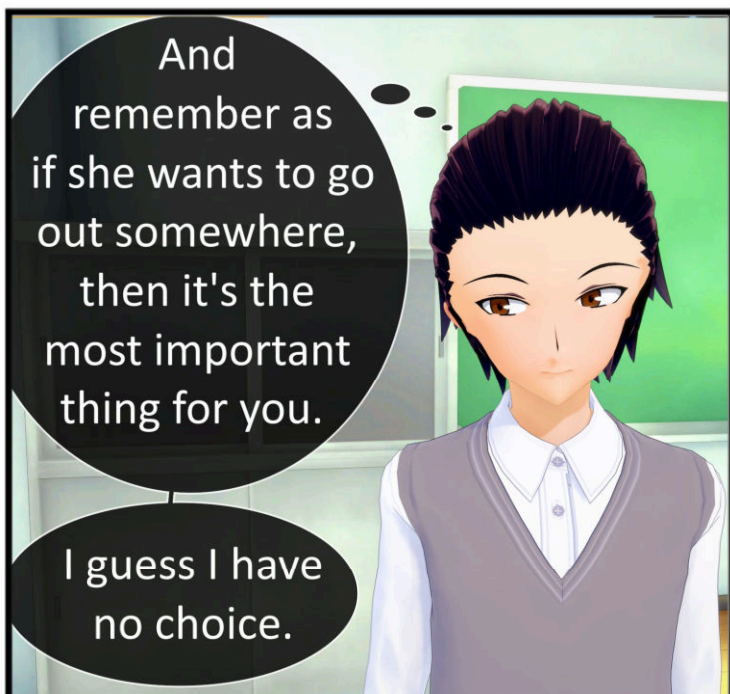

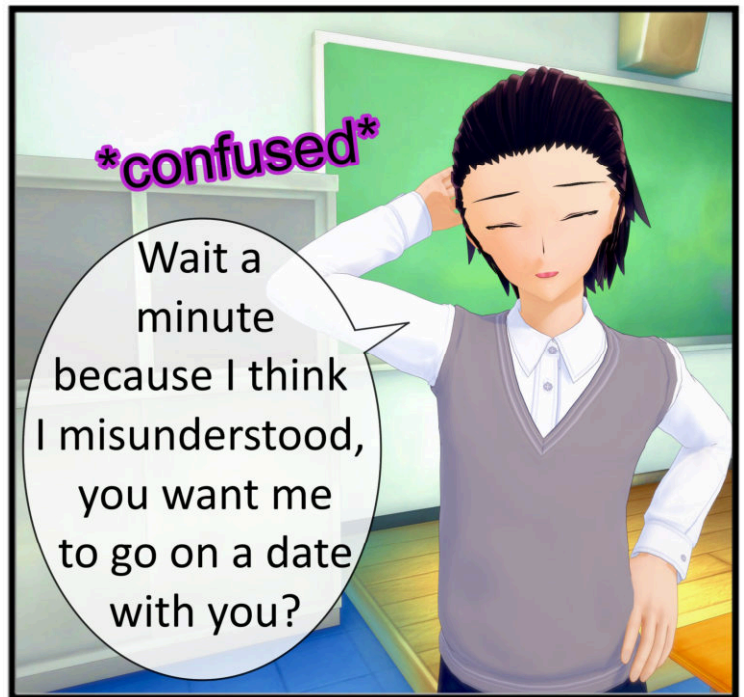

Well ... you see ...

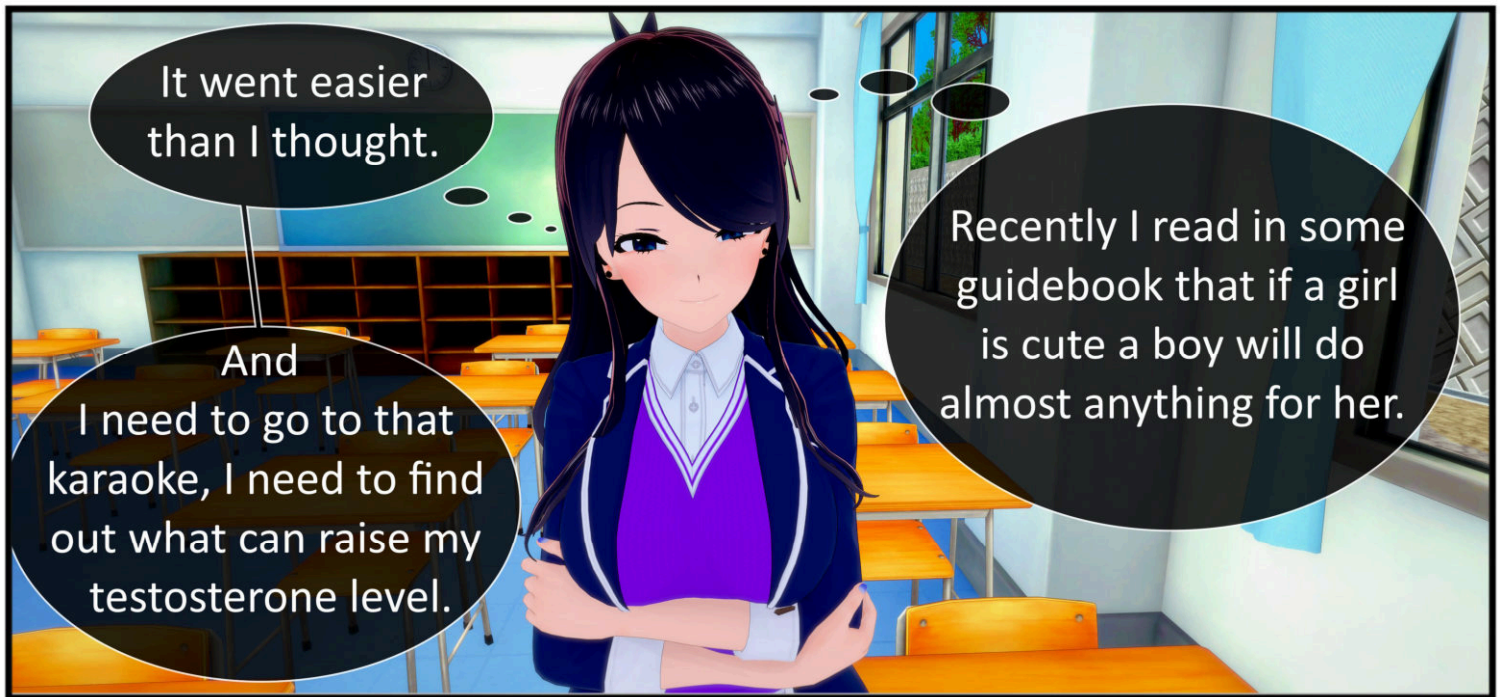

I would like ... I would like.

I would like you to go on a date with me.

Surprised
What?

It went easier than I thought.

And I need to go to that karaoke, I need to find out what can raise my testosterone level.

Recently I read in some guidebook that if a girl is cute a boy will do almost anything for her.

Are you all right?

Yes. Sorry but I have to go now.

In fact, it's a little strange that it worked on her. After all, from what she said she really is a girl.

Maybe I'm reacting so strangely because I know that Mutsumi-chan really is a guy.

After a while in the ladies' room...

What, Mutsumi-chan has a date?

I think you must have misheard something.

After a while...

What, really?
You're going on
a date.

Excited

Why didn't you
tell me before?

It's
not a date
at all, I just
asked him
if he would
go to karaoke
with me.

embarrassed

That's what
a date is.

Besides,
I heard you ask
him if he would
go on a date
with you.

Well,
because...

Hey, you
spied on me!

Angry

You weren't especially careful, so don't lie.

Are you going on a date with Zian?

They already know I can lie.

I wasted a great asset.

Okay, you won.

Yes, I'm going on a date with him.

But only because Erika forced me.

She said I should come with a boy. So a date was the only solution.

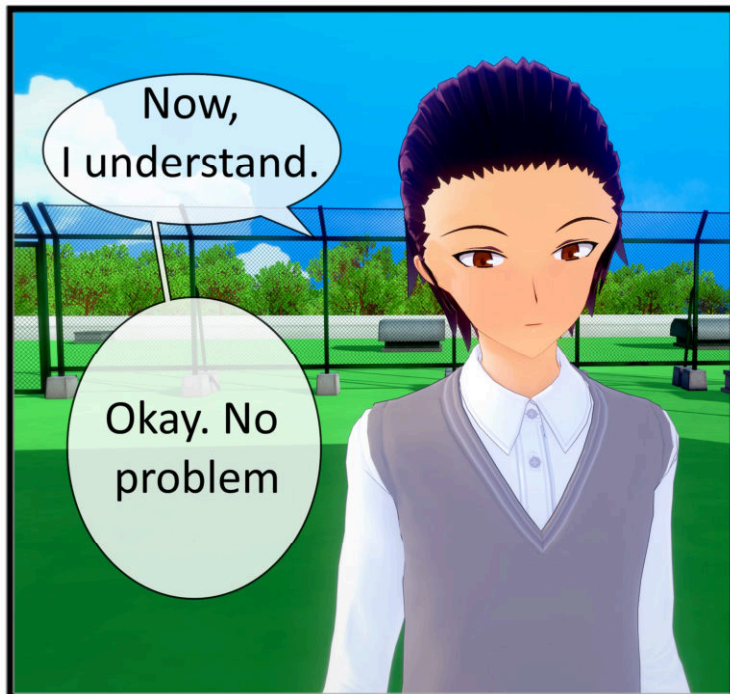

It's not that I want to do it, but a bet is a bet.

So that's how it was.

Internally Mutsumi-chan is definitely still a guy.

A while later...

And how was it?

Great. I'm sure he thought he was talking to the real Mutsumi-chan the whole time.

Now we don't have to worry about their date anymore.

Yes, now even if she would try to go on a date with him there is no way he would forgive her too quickly for something like that.

So that was the important thing.

Anyway, why did Mutsumi-chan want to go on a date with him?

She said that Erika made her do it.

But I'm not sure if that's true.

You don't think she's starting to like boys, do you?

What if, his preference has really changed?

And now he prefers boys instead of girls.

Haven't you noticed that he no longer cares about our presence?

Even in the locker room he doesn't pay attention to us.

In fact.

Maybe it's because she's starting to treat us like sisters.

We'll have to see if her preferences have really changed.

Friday...

Sorry for the delay.

I was sure Zian would come with me, but he's been acting strange all week.

Nothing happened.

Literally like he was avoiding me, even at work.

And today he didn't even want to answer the phone.

Zian?

Who is Zian?

You told me to come with my boyfriend, after all.

That means I didn't have to ask Zian for a date at all?

I didn't say anything like that, I said if you want, come with your boyfriend.

Of course not.

I thought maybe you had a boyfriend and would like to come with him.

I didn't tell you to come with him.

Wait, that means I didn't have to ask him for this date at all!

By the way, was it for him that you dressed up like that?

Er...

embarrassed

No... I just like this outfit.

He made me look like an idiot.

From the agency they asked me to train her a bit.

So I invited her too.

It's great that you two know each other.

First Zian tricked me and now this.

I guess this day can't get any worse.

Unbelievable again her.

Is she stalking me?

Fortunately, however, I put on these artificial breasts, otherwise she would have laughed at me.

I see a good opportunity for fun here.

Erika how about a little contest?

Mutsumi-chan and Hina-chan want to become idols let them test their strength.

What, a singing competition?

I don't think you're serious.

Surprised

Why not, it will be fun. and you will solve your disputes.

That's right, it can be great fun, right Erika.

I'll get my revenge this time.

I think so too.

Fine, one round won't hurt.

Determined

I have to finally show her that I'm not inferior to her.

After the girls finished singing.

And this love is real.

Wow, that was great.

Erika	698 715 XP
Hina-chan	356 715 XP
Mutsumi-chan	350 715 XP

And see, you even got a better score than Mutsumi-chan.

Ey, you cheated. My song was much harder.

Angry

ust because someone has a better score than you, doesn't mean they cheated.

Great job, Darling.

But after all, everyone chose their own song.

You could have just chosen a different one.

But then I would admit that I am inferior to her.

Hey... Sorry to be so late, I had some work to do.

I think I have an idea.

Did I miss something?

In the hallway...

Sorry Mutsumi-chan but I can't help you.

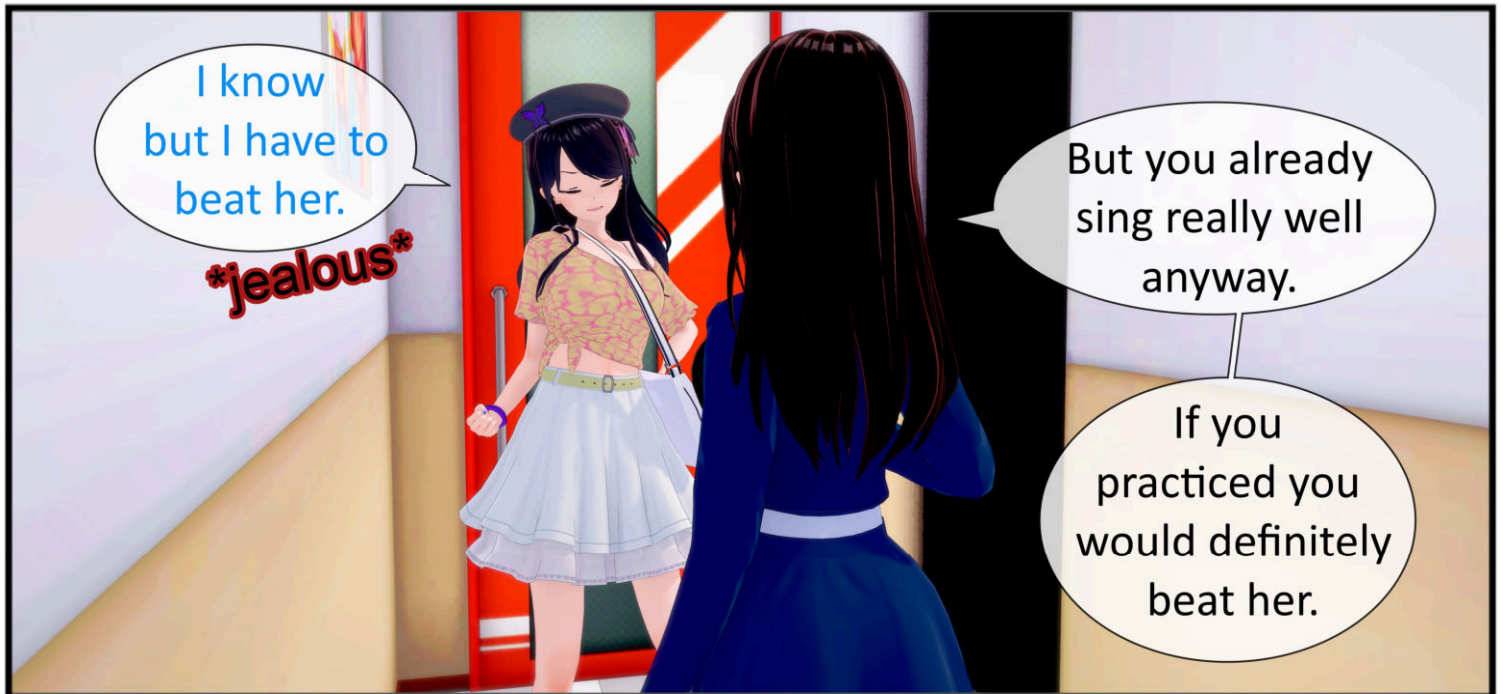

You have to accept that you lost.

What?

Please, there must be something you can do.

I can't let her beat me.

Then you will definitely beat her.

Unfortunately, your acceptance of being a girl can also speed up dramatically.

Are you ready for that?

I will never accept that I am a girl.

Just do something to make me win.

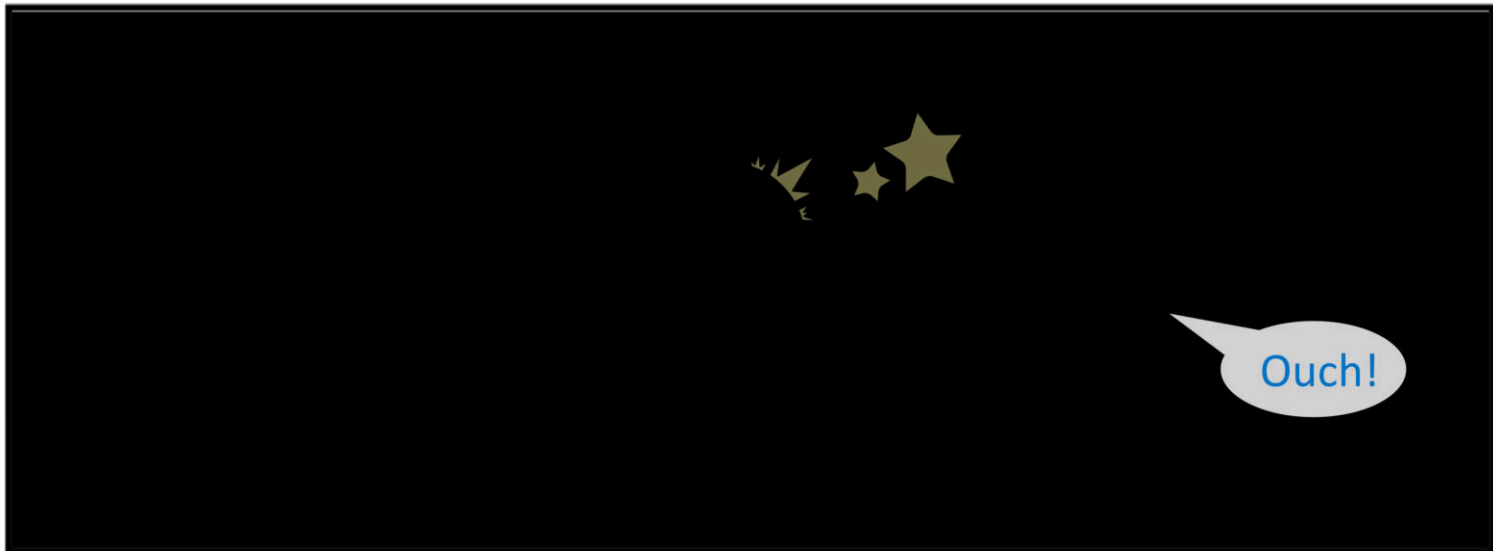

Don't say I didn't warn you.

Now don't move. This will hurt a little.

confused

What?

Ouch!

After a while...

We were waiting for you with another round.

Where have you been?

Now it's your turn Mutsumi-chan.

You could have been a little more gentle, you're going to give me a bump.

We had to take care of something.

Sorry.

Ready for the second round?

Or maybe fear has gotten the best of you.

We'll still see who will laugh last.

OK.

Naomi gave me my alternative memories.

My first day at the new school.

Hi everyone. My name is Mutsumi Nakano.

Many memories I never had and many are alternative versions of what I remember.

Another night, another dream, but always you

It's like a vision of love that seems to be true

I have to admit that not all of them are bad.

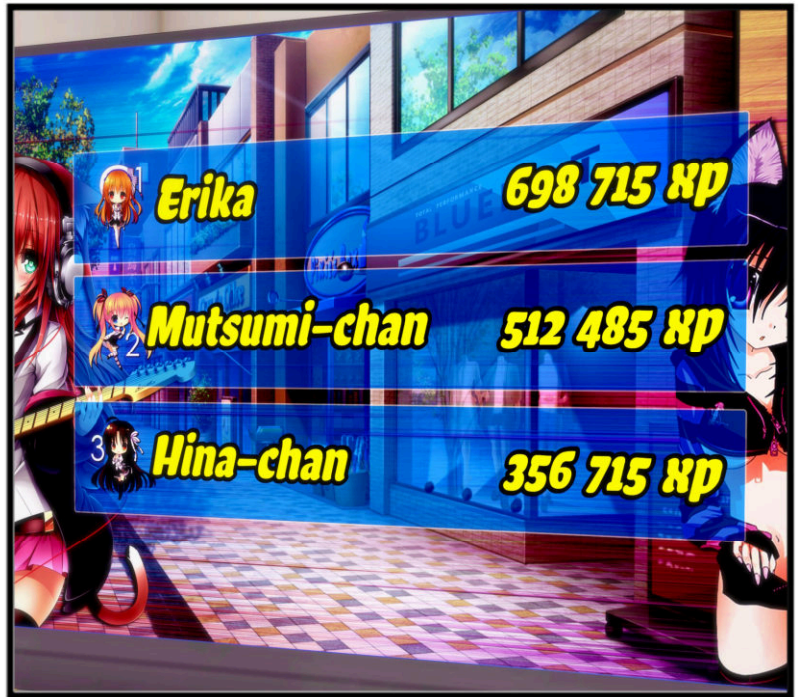

But one thing is for sure I feel very different about them.

sfx - Another Night

Moments later...

WHAT?

"This must be some kind of joke!"

Ah~

happy

Looks like I won.

I guess I just had to warm up.

Don't worry, you did great too.

She was definitely cheating.

Wow, I can see that she really got into character.

I was so focused on singing that I completely forgot I was a guy.

Shocked

How about one more round?

I don't know what Naomi did to Mutsumi-chan but I have a bad feeling.

I have a better idea.

Yes, you'll see it will be funny.

What, me?

Surprised

I don't know. I'm not very good at singing.

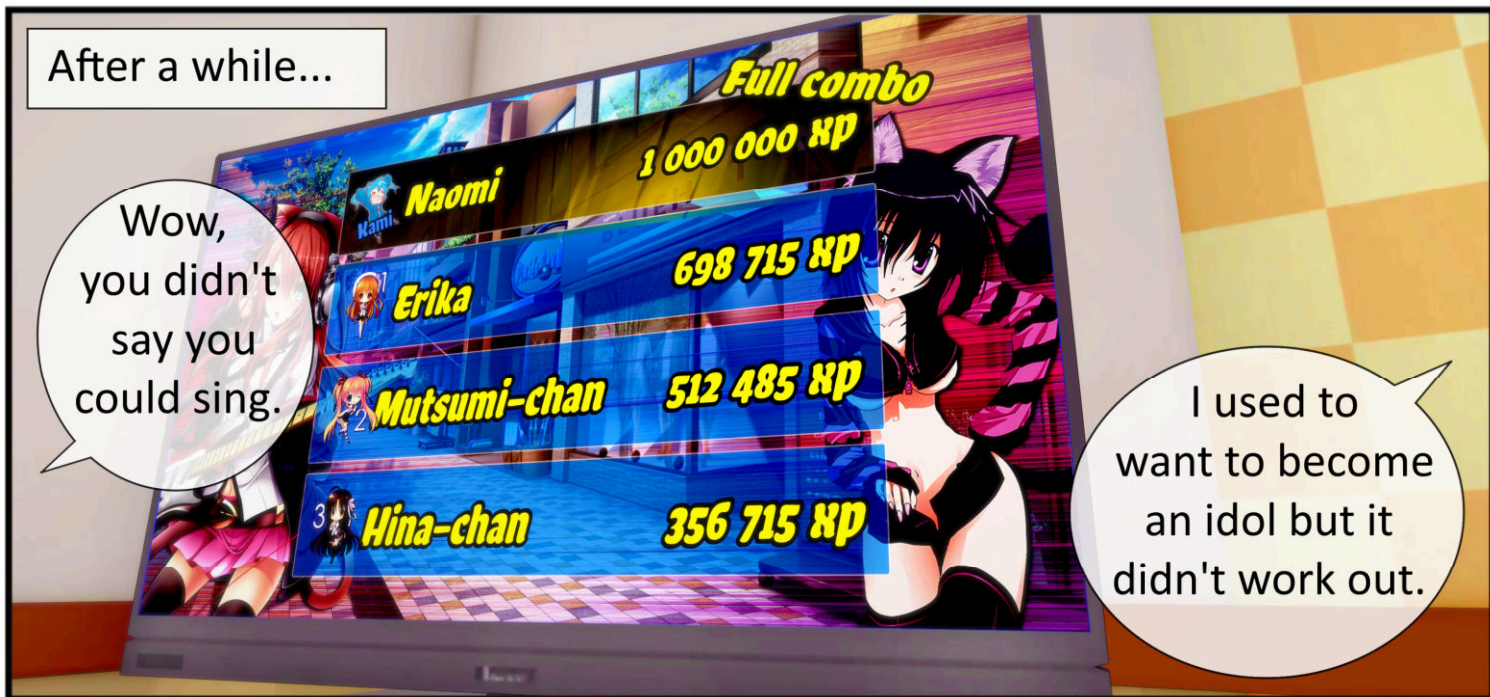

What are you talking about, after all you can sing very well too.

There is no way I will sing again today.

Exactly, only you haven't sung yet.

This could be a good revenge for what she did to me.

After a few more rounds...

Sorry but unfortunately it's time for us.

Oh, and sorry about that with your boyfriend.

I won't hook him up like that again in the future if you don't want me to.

We'll have to do it again sometime.

He is not my boyfriend.

Mad

That means I can?

No!

Besides, don't think I'll let you off so easily.

Hehe

Something makes me think that this is not the end of their rivalry yet.

But I guess I shouldn't have drunk two big shakes

After everyone left...

I did as you wanted, now what kind of thing can raise my testosterone level?

All right, we are alone.

I still don't understand why you even want to do it.

You're a pretty girl, and this will definitely ruin it.

It's my business, then?

Since you're sure, there's a way to raise your hormone levels.

I once heard that Natural Testosterone was made from Bull Sperm.

Human probably works the same way.

Er... Should I rub myself with it?
Shocked

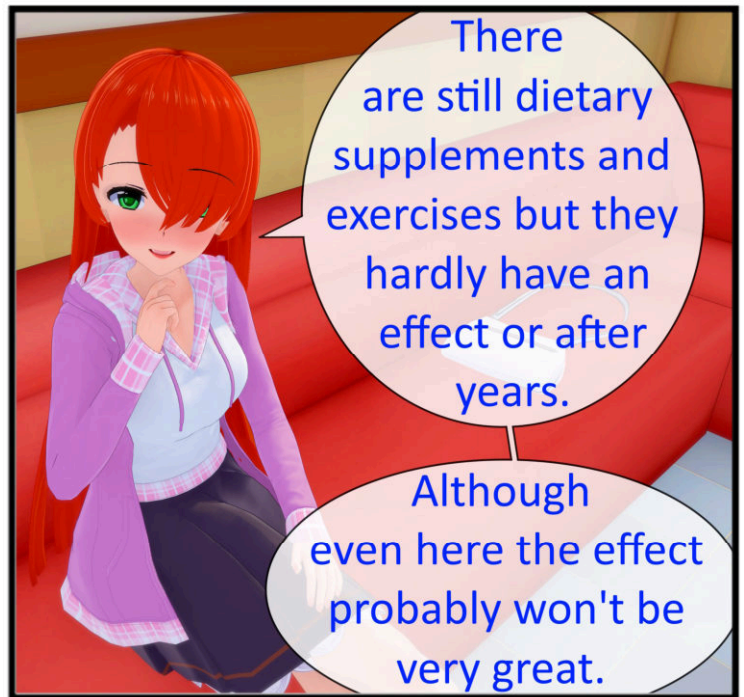

Actually, you should have to swallow it.

Yuck~
Disgusting!

disgusted

And isn't there
something less
disgusting?

There
are still dietary
supplements and
exercises but they
hardly have an
effect or after
years.

Although
even here the effect
probably won't be
very great.

Mutsumi-chan,
why do you want
to become a guy
so much?

Being a
girl is much
better.

She says this as
if she knows what it's
like to be a guy.

This is
my choice and
nothing will
change it.

Well... It's
your choice.

I wish you
to be happy
with him.

During the way home...

Don't worry, I'll take them away from you right away.

It is still strange for me to have these memories now.

And could you leave them for me for a while longer?

Sure, they are your memories.

But you know that the longer you have them the bigger the consequences will be.

And in time I won't be able to take them away.

Yes, but I have to find out something.

It won't take long. Then you will take them away from me.

OK. Let me know when to do it.

It seems that we are alone.

Yes, no one will hear you. Now give the money.

confused

Gosh I hate this job. Especially when I run into idiots.

Okay, let's start with the height first.

I warned you.

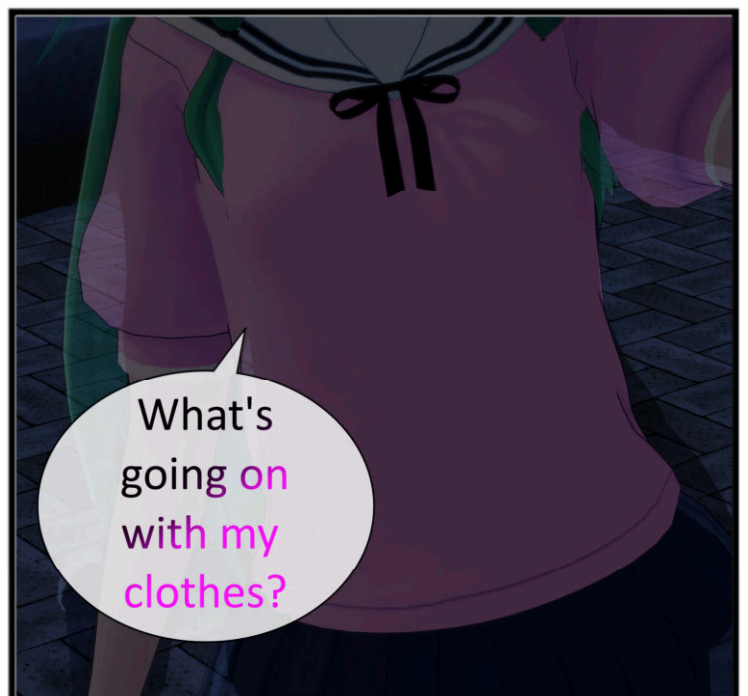

What the hell!

Shocked

shrieking

Now be a good girl and don't move.

What's going on with my clothes?

What did you do to me?

scared

You turned me into a little girl.

How cute~

Yes, and little girls shouldn't play with knives.

Ayako-chan where are you!?

Can you hear? I think your parents are looking for you.

Hey, give it back, it's mine.

What, but my parents... They will be angry if I don't come right away.

At home...

And going back to that from earlier, don't you regret giving that bet up?

A little, yes.

But I couldn't let her beat me.

And so it was me who kicked her ass.

Besides, I'm going to be a guy again anyway if not this way then another way.

Do you think Fu-kun will ever guess what his name was?

Fu-kun?

Fu... Fu... Futaro

Futaro!

That's right, my name is Futaro!

happy

I finally know what my name is!

What, when did you come back?

Did you hear what we talked about?

Of course she heard.

Angry

Yotsuba, we told you so many times never to use her old name again.

Sorry?

I didn't notice her.

embarrassed

So much work and all in vain.

Unbelievable that he beat us so easily.

Eeee!!!
Mutsumi-chan what are you doing!

Shocked

No, no, no.

Angry

I think this is some kind of joke.

It can't be true.

Why did I do that, it would have been over.

What happened to her? Has she gone crazy?

scared

No. No worries.

But let's just say that Mutsumi-chan has done a not so good exchange lately.

On Monday
at school...

confused

Why you
didn't come to
karaoke?

Angry

Do you
know how long
I was waiting for
you?

If you didn't
want to then you
could have said no,
not lie to me.

What are you
talking about?

After all,
you were the
one who told me
to stop stalking
you. And that I
should stay away
from you and
your sisters.

What? I, I never
said anything
like that.

confused

Besides,
would I have
asked you
then to go with
me to ...
karaoke?

You did it an
hour after that.

What, after all, we met on the roof of the school, don't you remember?

After that you did not speak to me again.

On the roof of the school? At that time I was in the library as always.

I think they finally reconciled.

happy

After all, I couldn't be in two places at the same time.

Unless...

Miku?

They guessed.

I think we need to talk about something.

Moments later...

Thanks for canceling that date for me.

Surprised

What, then you're not mad at me?

Of course not.

I didn't want it to be a date at all. But Erika forced me to invite Ziana.

happy

No problem.

So thanks, I owe you green tea.

Just don't say anything for Zian, he doesn't need to know everything.

It seems that Mutsumi-chan still prefers girls.

I guess we were worrying unnecessarily.

I'll have to tell the others about it.

Actually, I'm mad at her for canceling this date for me.

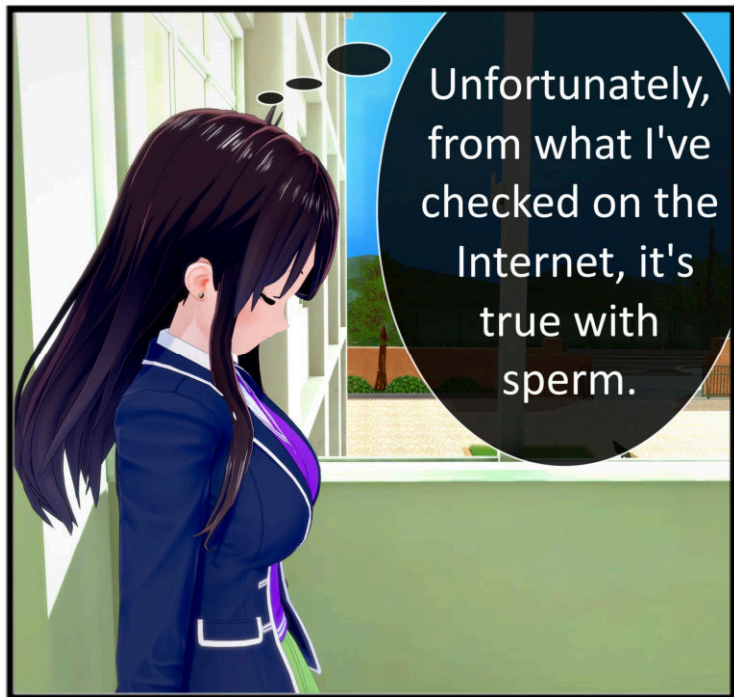

Even though I didn't want to go on it.

But if I had done anything other than praise her. The girls would have started thinking that my preferences had changed.

And that I prefer boys now.

Which, of course, will never happen. I'm not gay!

Unfortunately, from what I've checked on the Internet, it's true with sperm.

Sperm really raises testosterone level.

In the sense, on some sites it said so others even contradicted it.

But it's true that animal testicles were once used to raise testosterone levels.

The amount of testosterone in sperm is minimal, it has no effect on the human body, no worries.

No way, I won't swallow some guy's sperm.

So Naomi finally found a way to get it right.

I didn't mind having a brother. hehe

No thanks.

Yes, I will finally be normal again.

If you want I can tell Naomi that you also want to try how it feels.

Hmm... Theoretically Ichika is a guy now.

Besides, doing it with her wouldn't be so gay, after all she really is a girl just that she has a penis.

But am I really going to do it? That's disgusting.

disgusted

I don't think I have a choice. Even Naomi said that I'm wasting an opportunity to be a guy again, maybe this is one of them.

In the evening in the studio...

Mythra? When did you return?

Literally just a moment a go. I was only gone for a moment and what did I find when I returned?

My fiancé in the embrace of my sister.

I think they finally reconciled.

Yes, everything looks like it.

Don't be so angry with him he just needed someone to hug him.

And it had to be you?

All right,
that's enough.
That's all for
today.

Finally.

I'm hungry.

Wait a
moment

Did
something
happen?

I wanted to
apologize to you
for that one.

It's
cool, nothing
happened.

You had the right
to make a mistake
after all we all look
the same.

Thanks, but
I already have plans
for today, maybe
another time.

I know, but
sorry anyway. What
do you say if, as an
apology, I invite you for
something sweet?

Sure.

All in all, he apologized, although it was not his fault.

I have time tomorrow after school.

Great, I know a good restaurant.

embarrassed

Not at all, I just like sweets.

Did you feel sorry for him?

And you said you prefer girls.

Ouch!

Sorry.

Angry

And not a word about it for the others.

Moments later in the locker room....

By the way, is this true?

That supposedly Naomi found a way to fix your problem.

But what's that?

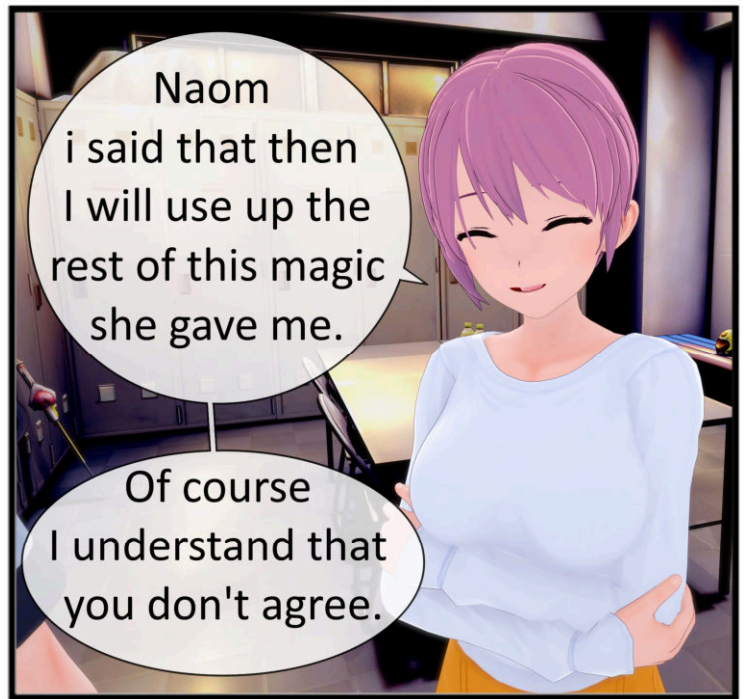

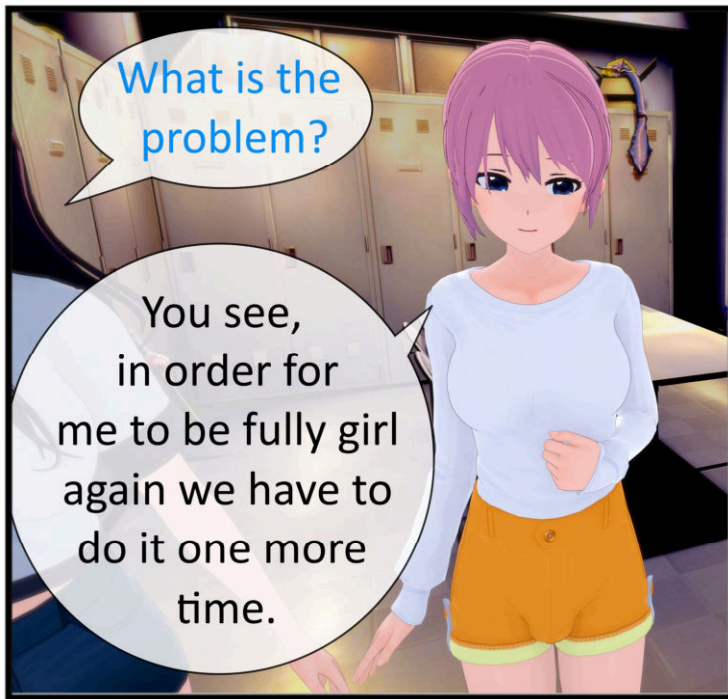

Yes, only there is a problem.

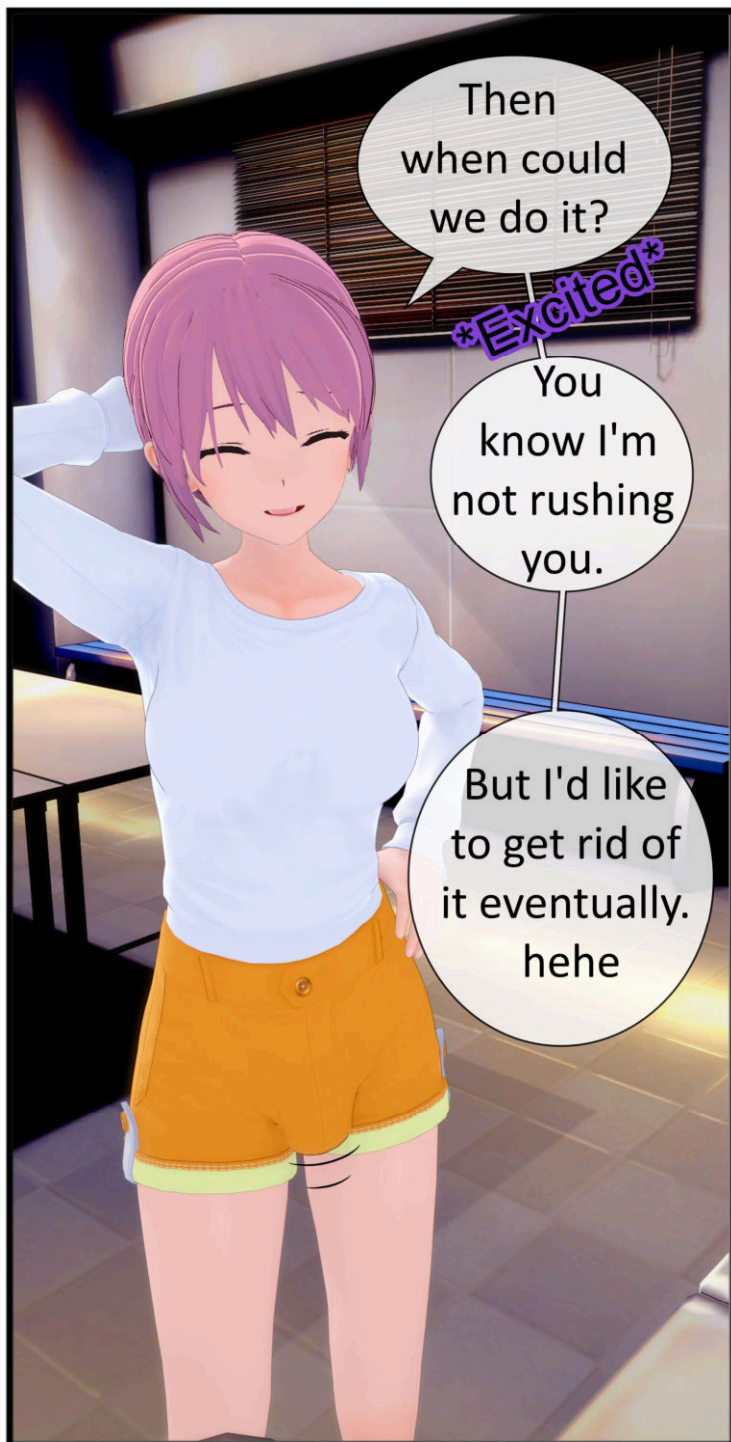

Compared to Ichik, my crotch is already almost flat.

Jealous

If it goes on like this, I'll be a full-girl faster than she.

In the taxi...

Alright.
the door
will be open
the key take
with you
later.

Sure.
Thanks.

disconnected

I still can't
believe you
agreed.

And
I spent so much
time wondering
how to convince
you.

I want to show
Naomi that I can
beat her.

A strange
way to do
it.

Besides, do
you remember
what you
promised?

Sure,
I already bought
some of it.

Everything
is yours.

After a while...

happy

Now I'll have a whole bunch of men's clothes that fit me.

It's great that I was able to convince Ichika that in return I want those men's clothes what she had to buy.

Are you coming or have you changed your mind?

Hehe. I'm already looking forward to it.

I'm coming, only today we'll do it a little differently.

Although I still don't like all this.

I don't want to swallow it for nothing.

Let's hope this with the sperm turns out to be true.

disgusted

To be continued...
