

Chapter 27

Before it's
too late

The next day
at the studio....

Me too,
I was sure she was
trying to steal you
from me.

I still
can't believe it
that your sister
was checking me
out the whole
time.

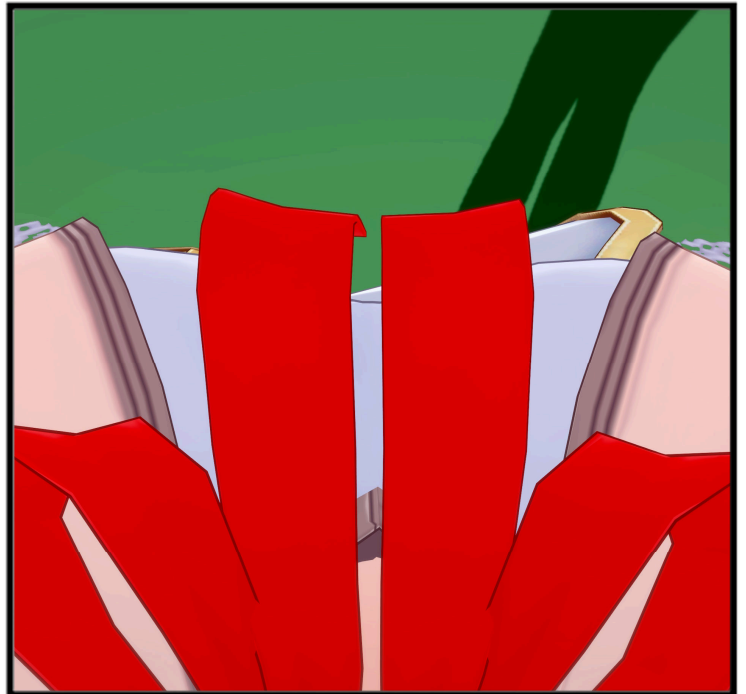

She wouldn't have been
able to do it anyway, after
all, I love only you.

If my
breasts get
even bigger I
think they
will start to
have their own
gravity.

concerned

Because
of them
I practically
can't see my
own feet
anymore.

It's
fortunate
that my
clothes are
adjusting to
me.

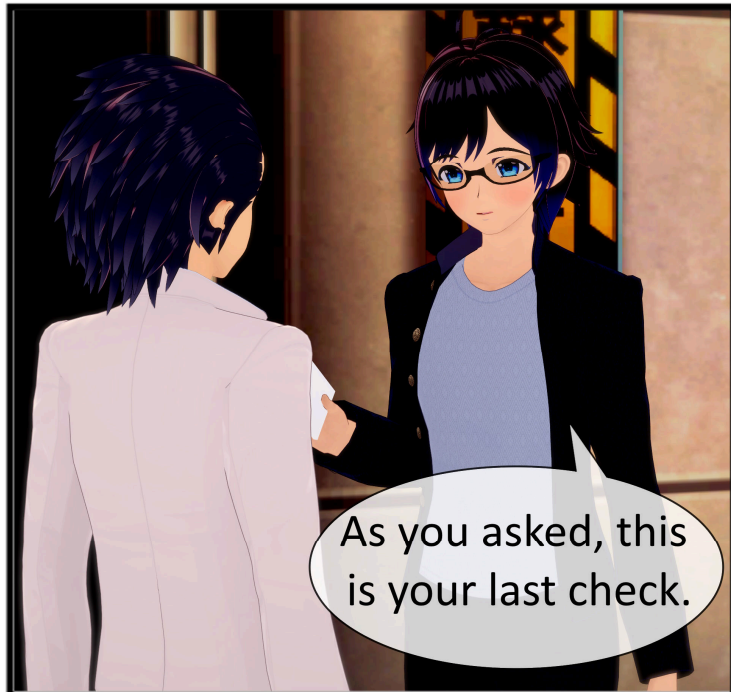

Some time later...

Thank you all for your work.

Too bad this was the last recording session.

As you asked, this is your last check.

Are you sure you won't even come to the premiere?

Aha. In that case, come to the office right away and I'll give you your employment contract and reference.

I would like to but unfortunately I am already leaving today.

Sure. And thanks for everything.

Strange why Zian didn't say he was leaving.

But he could have at least said.

Not that I care.

In the evening in the park...

What should I do now?

How could she do this to me. She said she would help me.

Can you tell me what you are doing?

Great, she's already here.

And she's not here.

Enough of that.

Shocked

What?

Angry

Oh, hi commander. We haven't seen each other for a long time.

I told you that if you make people your slaves again I won't forgive you.

Isn't that what they are for?

Hey, don't forget that this is my body!

concerned

No worries I remember.

Besides, don't forget what you did.

And now you pretend to be so innocent.

Commander.

happy

There was at least one order you didn't follow.

There is always a choice.

That's in the past. Besides, I had no choice.

That's why I resigned!

I won't be able to do this for a long time.

She is furious so why has she still not fully transformed?

After all, the succubus said she already had halos.

So why is she only in combat mode now.

Why didn't she go into destruction mode like she did then?

I'll find out later, for now I have to run away.

I will force you to become your old self again.

You're finally back... What happened to you.

Sorry, she ran away.

But no worries, she won't get near you or your family again.

Well... I was counting on being a girl again but even that is enough for me.

I don't know how to thank you.

As for that I have an idea.

But no worries you will be a girl again.

Really?

Yes, I will also make your parents recognize you as their daughter again.

Why would I supposedly want that.

Only you can become a guy again if you want it.

happy

In Fuutarou's room...

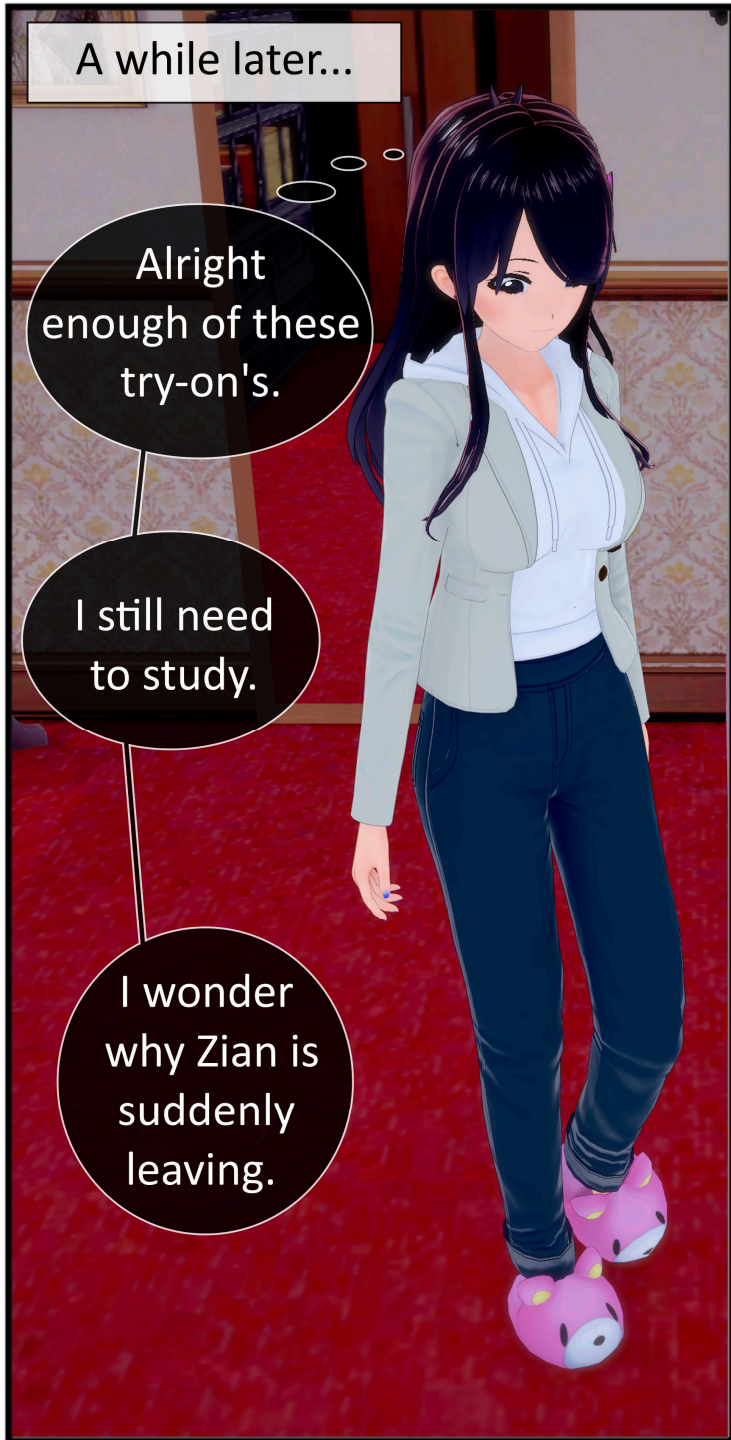

It's just too bad they don't all fit me.

As promised, Onee-san I mean Ichika, gave me all her men's clothes.

Do I really have that much bigger bust than them?

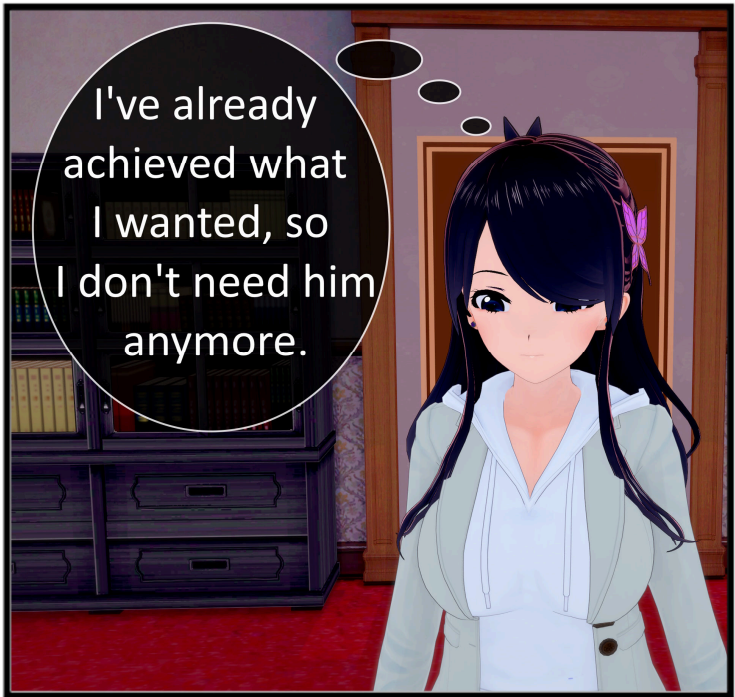

A while later...

Alright enough of these try-on's.

I still need to study.

I wonder why Zian is suddenly leaving.

I've already achieved what I wanted, so I don't need him anymore.

But he could at least say.

Too bad this angel turned out to be more hopeless than Naomi.

I was hoping he would help me become a guy again.

The next day
at school...

He really left.

You
already miss him,
don't you?

Don't pretend,
I see you looking in
that direction every
now and then.

But who?

I look at
the window.

Nakano
Mutsumi is
asked to go to
the teachers'
room

$$2a + 4bc = 10$$

Sigh.

They must
have mistaken
me for one of the
girls again.

If you're already trying to pretend to be someone then at least sit at the right desk.

So that's how you recognized me. Bravo.

As for that, no way. You already fooled me once.

I won't fall for it a second time.

But you got what you wanted.

You know very well that this is not what I wanted.

Now if that's all, I'm going back to my class.

It seems you liked being a girl.

I hate being a girl.

Hmmmm!

Of course I'll turn you back into a boy

It doesn't matter if you want it or not.

As soon as you help me and I succeed in achieving my goal, you will immediately become a guy again.

Shocked

Without any tests, challenges or whatever Naomi told you to do.

As soon as I achieve my goal you immediately become a guy, and everything else becomes as it was before you met Naomi.

Some time later...

I guess I'll have to use better arguments to convince her.

I could then not make fun of her

Angry

All right, you're free.

Better don't tell anyone about it.

What?

Shocked

What's going on here? How did you get free?

Oh, you're back already?

You call that gagging someone? Please.

In the studio...

I thought about it for a while but it seems to me that it is the right decision.

Great, that would be all.

It's really great that you agreed to our proposal.

I'm really glad that you both agreed to accept a role in the second season.

Next time you will meet the new girl who will play with you.

I will also introduce you to the new boy who will play the male role.

In the corridor...

I thought you hated this job.

And who said I liked it. I only agreed because they pay a lot.

If I do it with Mutsumi-chan one more time I should be fully back to normal.

But how to convince him to do it?

Ey, tell me what you think about doing it again.

embarrassed

You know what I was talking about.

Shocked

Your PC has a problem and needs to restart. We're just collecting some error info, and then we'll restart for you.

20% complete

Some time later...

So before you lose your penis you still want to lose your virginity.

Oh someone seems to be starting to accept the facts.

Yes, I don't know if I can become a guy again.

But if I lose my virtue as a guy then I will forever remain a guy.

I feel a bit used. But okay.

What about your problems?

Well. Just be careful to get the right timing.

If I start as a girl I may end up as a guy.

No worries.
