

Thursday...

So today it's your turn.

Exactly.  
*\*Excited\**

I know the perfect place where Fuutaro can see the best of me.

At a clothing store...

Hi, Fuutaro.

Not with your sister today?

Hi, Ram. No, not today.

Who's this girl?

A classmate.

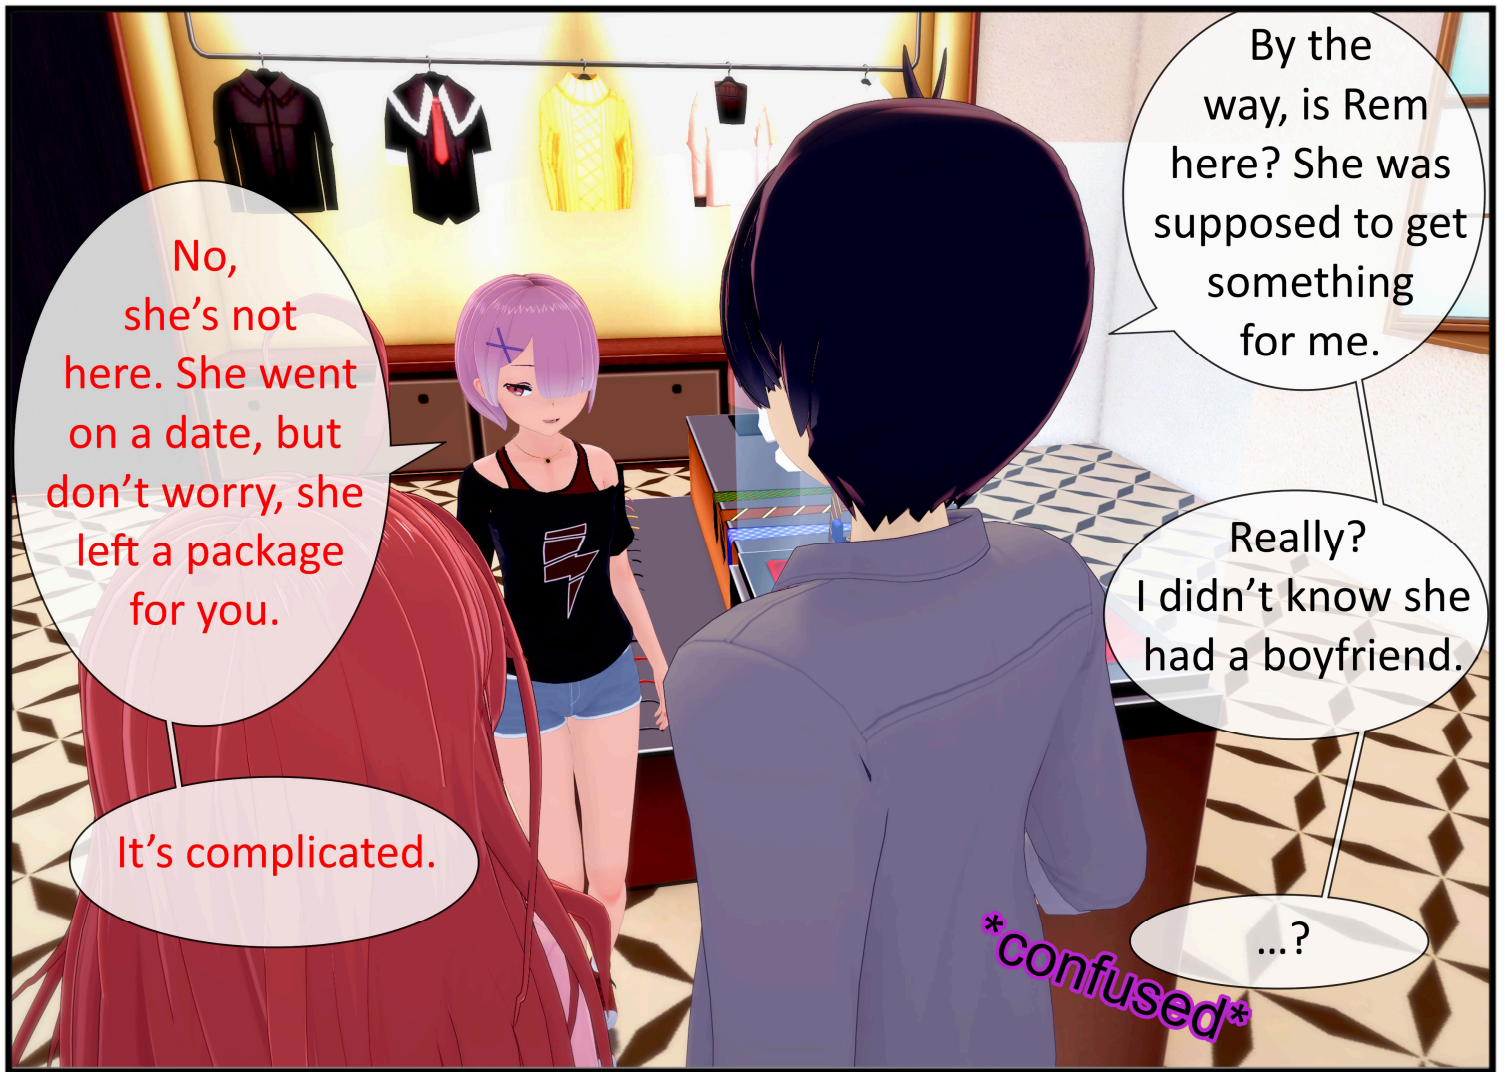

*\*embarrassed\**

I used Raiha as an excuse to come here; even if I can't try anything on, I can still look around.

Something's off here.

Why did he suddenly turn red?

No, she's not here. She went on a date, but don't worry, she left a package for you.

It's complicated.

By the way, is Rem here? She was supposed to get something for me.

Really? I didn't know she had a boyfriend.

...?

*\*confused\**

Meanwhile...

How do I look in this?

Maybe you want to try something on too?

*\*enchanted\**

Sure~

*\*happy\**

Hehe. Come in, I'll bring something right away.

Getting back to Fuutaro and Itsuki...

Oh, right, I come here often.

I can see you two know each other really well.

To a women's clothing store?

Oh, I see~

I mean, Raicha likes coming here; I'm just her companion.

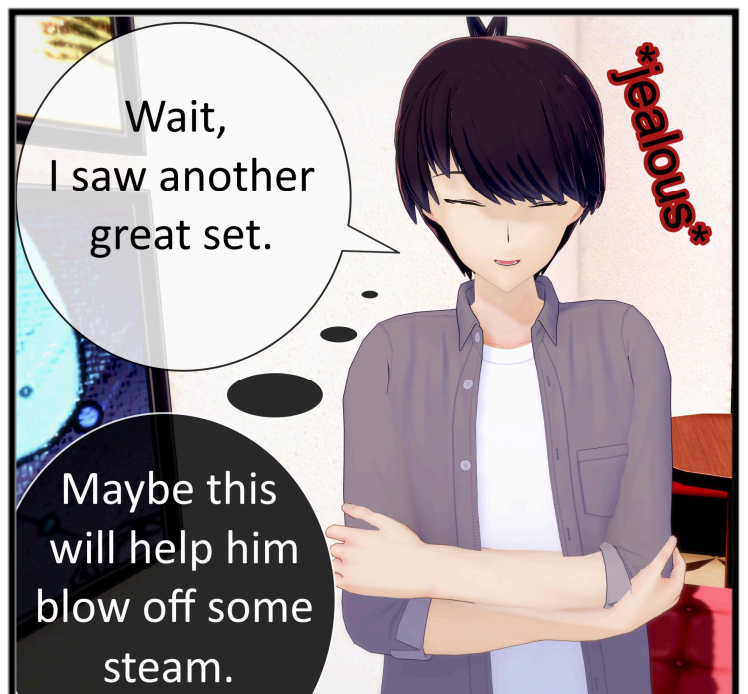

What's that package she was talking about?  
**\*suspicious\***

Can you at least tell me if it has anything to do with us?

Sorry, but I can't tell you.

That's the one. If I could, I'd take it myself.

Who are you?

**\*Shocked\***

What?

What do you mean?

It's me, Fuutaro.

Yeah... It's just...

Has anyone ever told you that from a distance you look like a girl?

**\*Surprised\***

What was that? I could have sworn he looked like a girl.

Really?

In the evening, in the eternal palace...

If I didn't force you to stay in your male form, you'd turn back into a girl in the blink of an eye.

Gosh, I never imagined he'd cause this much trouble.

And to think this was supposed to be just a short lesson.

All right, I'll give you one more option.

After that, you have to choose for yourself.

Mutsumi-chan

I'm curious which path you'll choose.

In the morning...

Onee-san,  
wake up!

It's time to get  
up for school.

If you don't get  
up right away, you'll miss  
breakfast again.

Oh my~

I understand  
you're studying,  
but you also need  
to remember to  
get enough  
rest.

Wait, what did  
you call me?

Onee-san,  
as always.

Huh?

What's  
going on?

No, that's impossible.

A mirror, quick, I need a mirror.

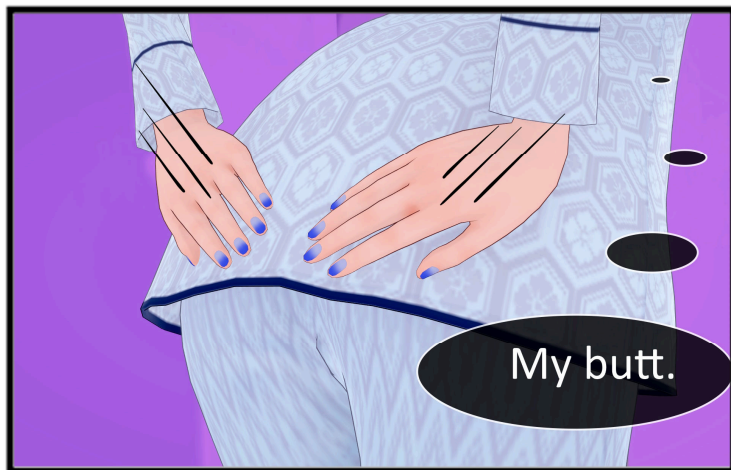

I'm a girl again.

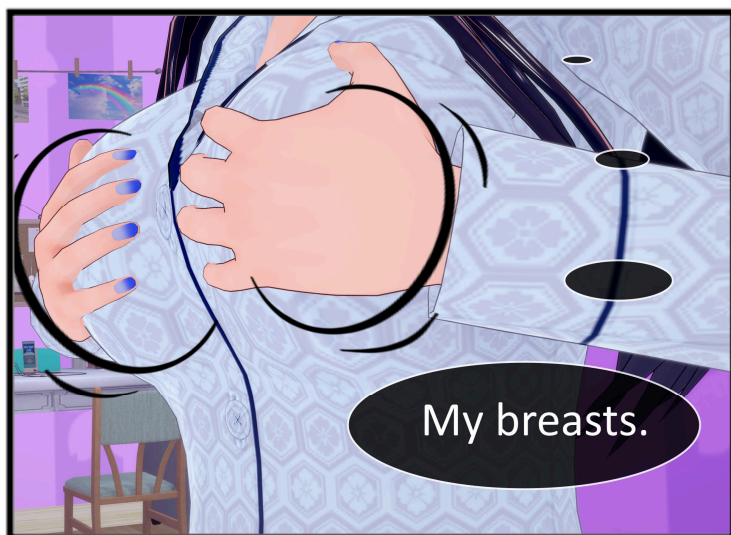

*\*Shocked\**

But why?

How?

My butt.

My breasts.

Everything's in its place.

*\*happy\**

I thought I'd never see you guys again.

I almost forgot, Dad asked...

*\*embarrassed\**

Umm...  
Nothing.

What are  
you doing?

You better  
not play around too  
long or you'll miss  
breakfast.

*\*jealous\**

Don't  
worry,  
before  
you know  
it, yours  
will grow  
too.

Sure, just  
give them  
time.

Really?

At school...

It looks  
like my whole family  
thinks I've always  
been a girl.

So now I'm just  
the female version  
of myself.

At school...

Ohayo!

Asuna~

Do you have any plans after school?

We're going to do a little shopping after school, do you want to join us?

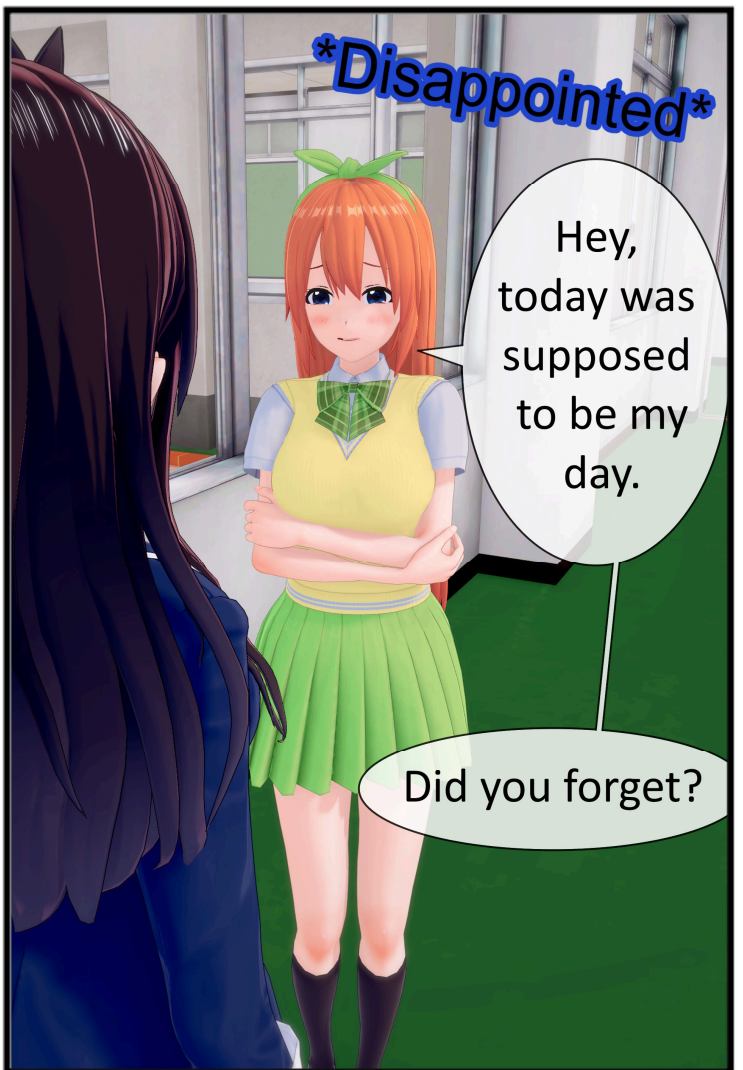

Sure.

Finally, I'll be able to buy whatever I want without holding back.

*\*happy\**

Being a girl is the best.

*\*Disappointed\**

Hey, today was supposed to be my day.

Did you forget?

Sorry, girls.  
I already promised  
Yotsuba I'd spend the  
day with her.

No problem,  
we'll go together  
another time.

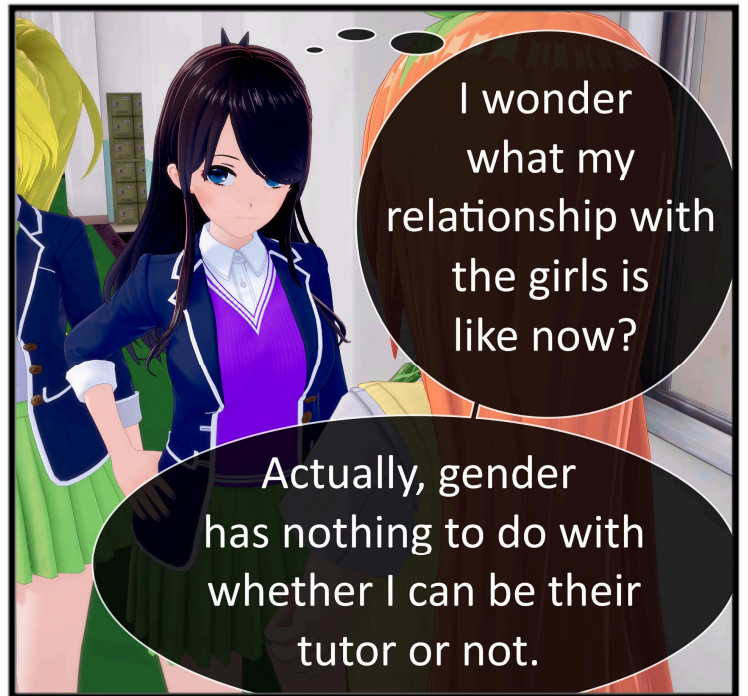

Looks like I still  
ended up spending those  
days with the girls.

Sorry, it  
completely  
slipped my  
mind.

Of  
course, I spent  
the day with you  
today, just like  
I promised.

*\*happy\**

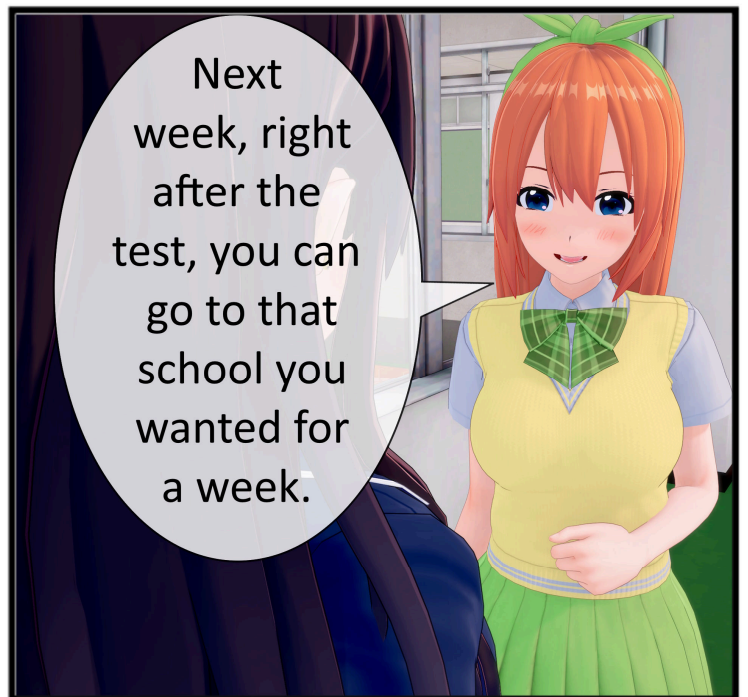

I wonder  
what my  
relationship with  
the girls is  
like now?

Actually, gender  
has nothing to do with  
whether I can be their  
tutor or not.

Oh, by  
the way,  
Mom said  
she's already  
taken care  
of what you  
asked for.

Next  
week, right  
after the  
test, you can  
go to that  
school you  
wanted for  
a week.

On the school roof...

Running into her right now is the last thing I need.

After all, if Naomi sees me now, she'll immediately turn me into a guy.

*\*Mad\**

Maybe I should just make sure they fail this test?

Then I'd have nothing to worry about.

No, I won't do that. After all, I'm their tutor, and I'm supposed to help them, not hurt them.

For now, I'll focus on spending today with Yotsuba and on their test.

And Naomi supposedly misses a lot of classes, so maybe I won't run into her.

*\*concerned\**

Even though that would solve my problem.

I just won't try to find out anything from Hina-chan.

I don't want to lose this again. Although there's still something missing for me.

At the girls' house...

Yotsuba, are you ready yet?

She's in her room.

*\*sad\**

I really am not one of them anymore.

Nothing, it's just... Wasn't there a door there before?

They don't even remember that I used to be one of them.

What are you staring at?

*curious*

Not as far as I remember.

At the lingerie store...

So, how do I look?

Great, that color suits you.

Thanks, I'd already been looking at this set the other day.

Finally, nothing's sticking out.

A moment later...

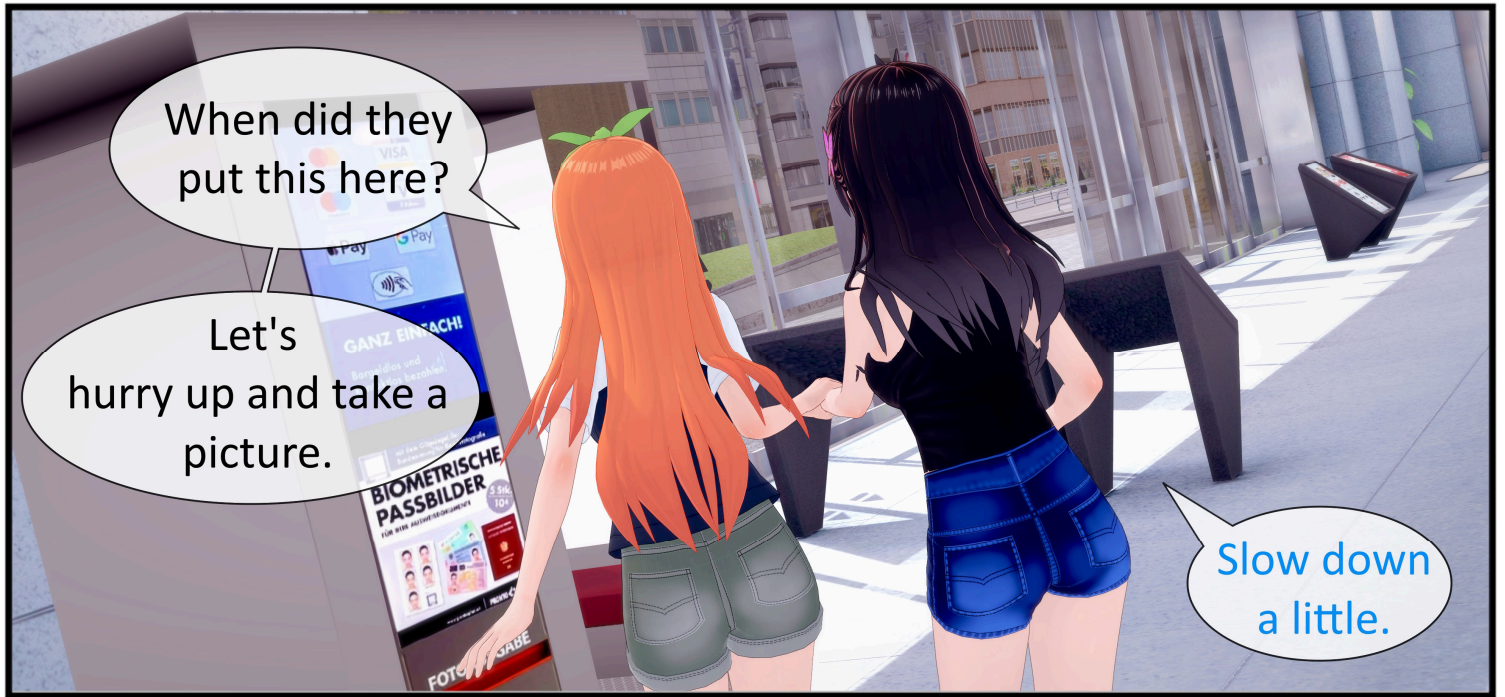

Look what I found, isn't it cute?

Yeah, it suits you.

In that case, I'll take it.

I wanted it back so badly, but in the end, it just got in my way.

Just please don't show them to anyone.

You look great in this one.

So where are we going now?

Why not? They're great.

Sure, I'm actually a little hungry myself.

I don't know about you, but I'm hungry. How about we go get something to eat?

I know a great place with the best curry.

At Shokudō...

Sorry, but I think there was a little mix-up.

I ordered the super spicy curry, but I got ramen instead.

A moment later...

How can people actually eat this?

Looks like he mixed up our orders.

But if I were you, I wouldn't drink so fast, otherwise...

Aaaa.... My brain froze~

That's exactly why. hehe

Next time, I'll pick the place where we eat.

Couldn't we have gone there instead?

If you want, I know a great bakery, too.

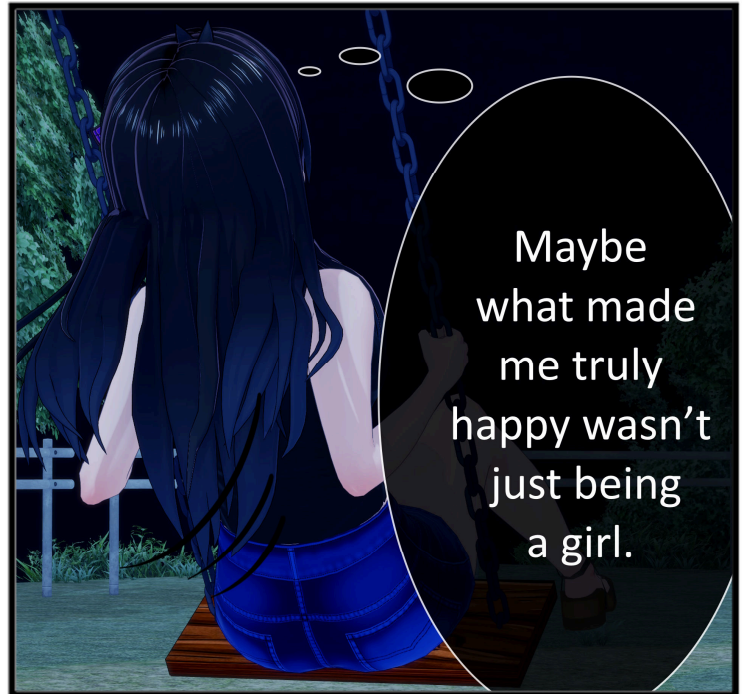

A little while later...

It's a shame it's over.

We'll have to do this again sometime.

Yeah, it was really fun.

Maybe what made me truly happy wasn't just being a girl.

Let's see who can go higher?

Sure.

I really liked being one of them.

Even when I was their tutor, I just liked spending time with them.

After getting home...

It was a really great day.

I'm completely exhausted.

I don't think I've ever had as much fun with any of the other girls as I had with Yotsuba.

Flashback...

Thanks~

Well, now no one should have any trouble telling us apart.

Not that it bothers me, though. You get it, right?

I think I know what decision I should make now.

It was fun, but I have to be a guy again and forget about it.

And I guess there's no point in lying to myself anymore.

Even if I have my doubts and I like being a girl.

A few days later...

Hehe. Now you can come after me.

I'm just an ordinary girl going to school.

It's great that the girls' mom even got me a uniform; now I can operate without any worries.

As per our deal, in exchange for helping the girl pass her last test, she arranged a one-week transfer for me.

So I have a week to get this done.

What do you think, could she prefer girls?

\*surprised\*

\*surprised\*

What? She's pretty.

A few hours later...

But you said the doctor told her not to fly.

Where is she? I've been looking for her all day.

She thought she couldn't fly while she's pregnant.

The doctor said it's no problem, she just has to be careful.

She'll have a heart attack when she finds out what I did.

Hehe. It won't be that bad, she wanted a daughter and she's going to have one.

I don't think that's exactly what she had in mind.

Hina-chan, I finally found you.

Oh gosh~ another fan.

**Irritated**  
That's just what I needed right now.

I bet you'd like an autograph, no problem.

What? Why would I want your autograph?

I just wanted to ask if you happen to know where I can find Naomi?

Um... I think she should be at the manga club right now; she's often there.

**\*Shocked\***

Is that it?

You don't even want a photo together.

Thanks, that's all I wanted to know.

Yeah~

No need, we have tons of photos together, don't you remember?

Actually, no.

Oh, he'll probably forget about it soon anyway.

Darling, just say it was someone from your work.

*\*scared\**

Manga Club...

I finally found you.

Please, let something happen to keep this from happening, anything.

I don't want this to be the end.

It's taken you 7 months, 15 days, and 7 hours.

*\*Angry\**

Hey! Do you think it was easy for me to get here?

You could have gone straight to the principal and asked for a meeting with me.

I'd say you have some business with me or something.

They're not bad, they're just keeping order.

And the girls at the gate would even be happy to show you the way themselves.

Honestly, I hadn't even thought of that.  
**\*Shocked\***

Don't worry about it, I was avoiding you a little too, so you wouldn't run into me by accident.

You were dragging this out.

But tell me, you didn't want to find me at all.

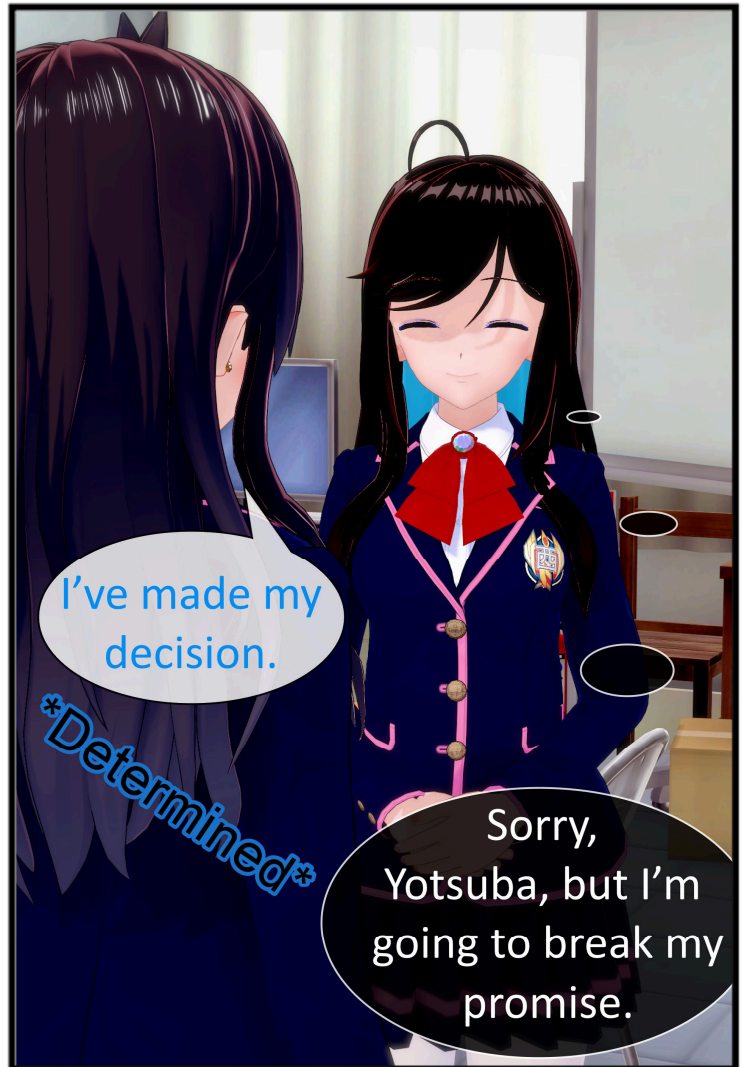

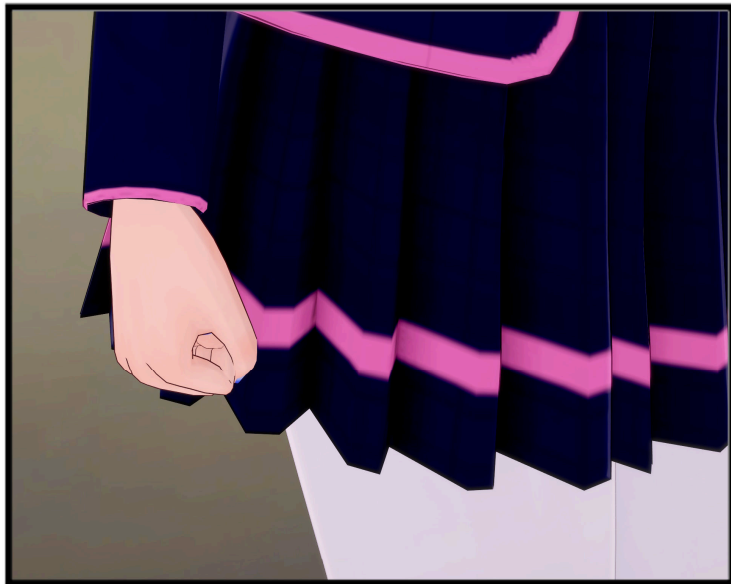

I want you to turn me back into a guy!

And I want you to erase all my memories of being a girl.

That's my wish as Mutsumi-chan.

I want to be one of the girls again.

I also don't want to live with the burden of choosing what I should choose.

Even if I'm no longer Raiha's brother, no one's stopping me from continuing to look after her.

I won't give up the memories that are important to me, either.

In that case, see you in a few years.

Mutsumi Nakano.

A few years earlier...

What?

My voice sounds different.

**\*Surprised\***

Mutsumi!

We're going home.

Did something happen? You look like you've seen a ghost.

Nino?

Who else?

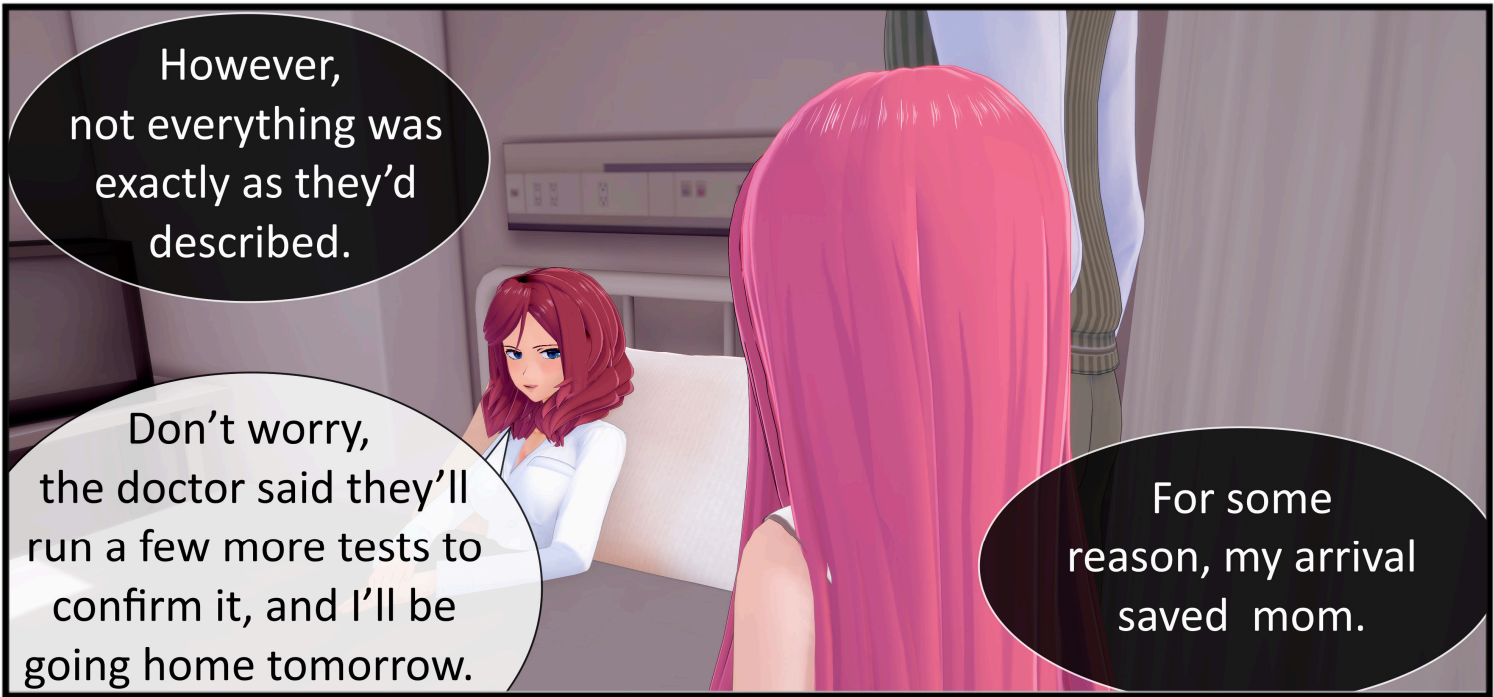

And you're Mutsumi-chan.

Nice to meet you.

As it turned out, Naomi didn't just make me one of them again.

She also sent me back in time so I could experience the same things they did.

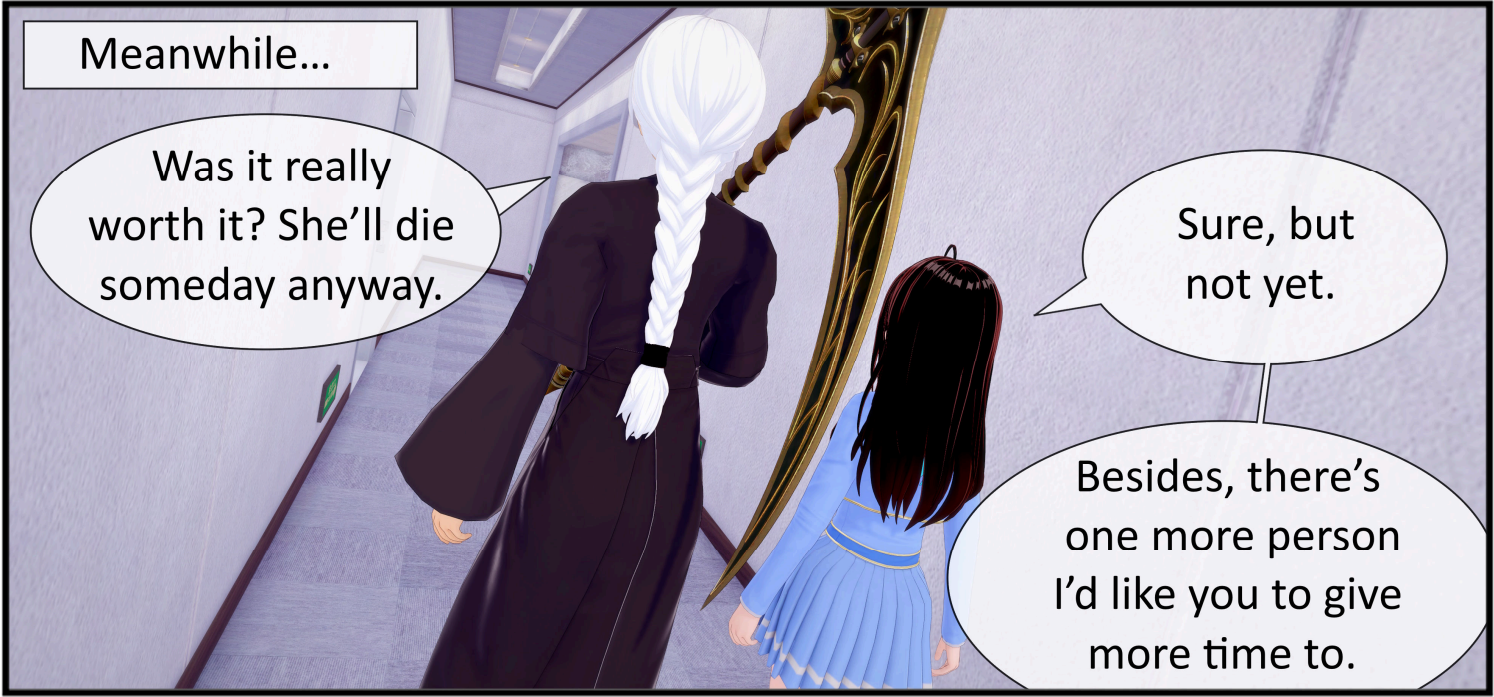

The girls told me I'd had a hard life, but it's completely different when you go through it yourself.

However, not everything was exactly as they'd described.

Don't worry, the doctor said they'll run a few more tests to confirm it, and I'll be going home tomorrow.

For some reason, my arrival saved mom.

Meanwhile...

Was it really worth it? She'll die someday anyway.

Sure, but not yet.

Besides, there's one more person I'd like you to give more time to.

Days quickly turned into weeks, months, and years.

And before I knew it, I was back in high school.

I also check on Raiha regularly,

and apparently, it's not just us who've gone through

Apparently, not only did Mom survive, but so did Mrs. Uesugi.

From what I've noticed, though, they have a son.

*\*happy\**

Only this time, it's not me.

As for the girls...

Why are your breasts bigger than ours again?

And this is the second time.

*\*jealous\**

After all, we have the same genes.

Maybe it's a matter of genes?

I guess Naomi figured these memories might be precious to the girls, too.

I also went back to being an idol.

I couldn't stand the fact that Hina-chan had beaten me.

Besides, I actually kind of like this job.

After all, I've truly become one of them.

And it's a decision I don't regret.

THE END

Thank you for reading  
\*The Last Wish\*.

Don't worry, we'll  
meet the girls again in  
my other series, which  
I invite you to check  
out.

The true end

It's been a really  
nice three years
