

# Chapter 7

You can't hide that.

In the examination room ...

I'm really not sure this is a good idea.

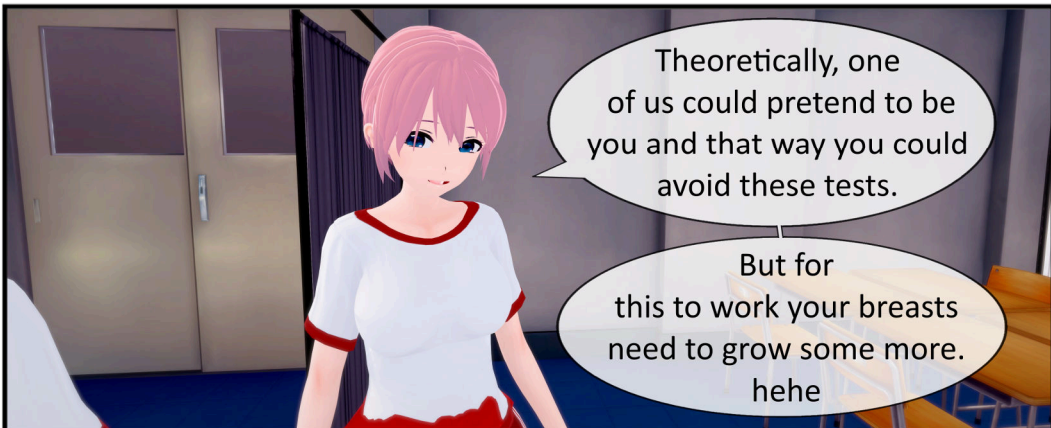

Maybe I shouldn't do this test after all.

Don't worry, everything will work out. Besides, you have no choice anyway, after all, these tests are mandatory.

Theoretically, one of us could pretend to be you and that way you could avoid these tests.

But for this to work your breasts need to grow some more. hehe

By the way how much have they grown already?

I'm not sure but I think I already have a small A.

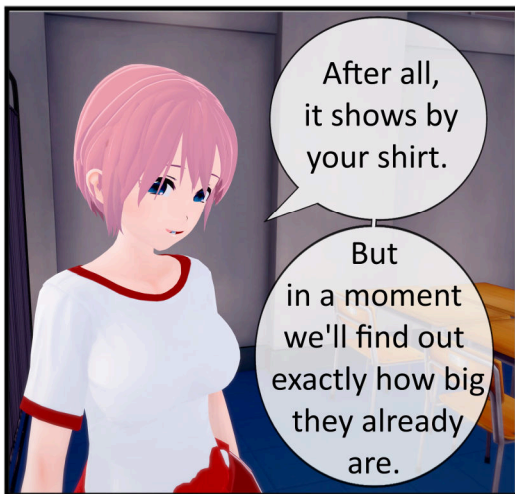

Why do you say they have grown?

Eee...

No kidding. I'm not blind. I can see they've grown.

I'm sure you already have at least a small a.

After all, it shows by your shirt.

But in a moment we'll find out exactly how big they already are.

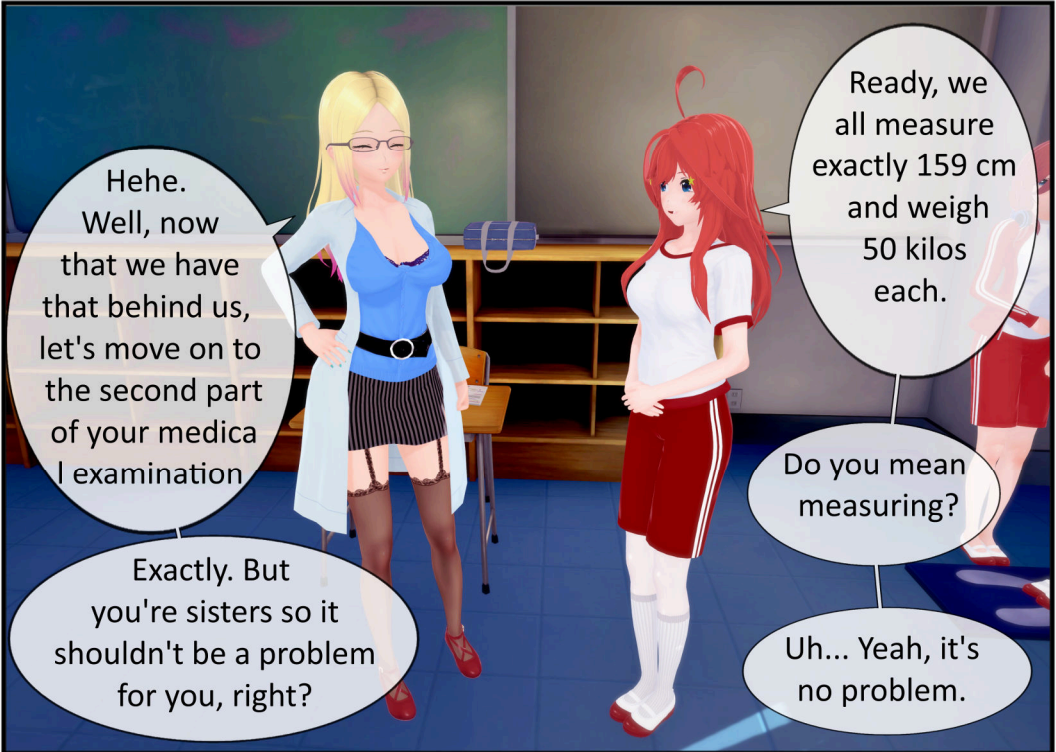

Oh no.

Moments later...

What?  
Me? No way  
I'm not going  
first.

*\*embarrassed\**

If I undress  
in front of  
Mutsumi-chan,  
the girls will  
notice that  
something has  
happened  
between  
us.

I can go as  
a second.

*\*embarrassed\**

However  
, getting  
undressed  
in front of  
Mutsumi-chan  
is not as easy  
as  
I thought.

What's with  
them today?

Why are they  
suddenly so polite  
today and say they  
can wait. Weird.

They were  
always arguing  
which one would  
be first.

Okay, also du,  
Mutsumi-chan.

A moment later...

Okay,  
now please  
take off your  
shirt.

Of course,  
I can't examine  
you if you don't  
take it off.

Besides,  
there's nothing to be  
ashamed of, it's all  
girls here.

Do I really  
have to? I'm terribly  
embarrassed.

*\*embarrassed\**

That's the  
problem.

What do  
you think his  
size is?

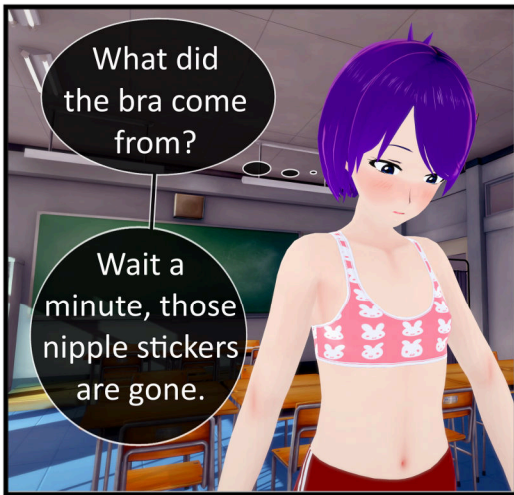

I think he  
already has a  
average A.

And you  
Nino.

I think  
something more  
next to a small or  
medium B

We'll see who's  
right soon.hehe

What did the bra come from?

Wait a minute, those nipple stickers are gone.

Since when is Mutsumi-chan wearing a bra?

Ymm... He probably put him on so no one would notice anything.

I would also ask you to take off your bra.

Now I understand what the problem was, she was probably embarrassed to be wearing such a cute bra.

It doesn't matter where the bra came from, what matters is that I am saved.

Yes, I'm already taking it off.

**\*Shocked\***

What!!!?

**\*Shocked\***

Moments later...

I'm glad it's over. It was humiliating.

I hope I never have to go through this again.

I'm probably the first guy in the world who's had his bust size checked by a doctor.

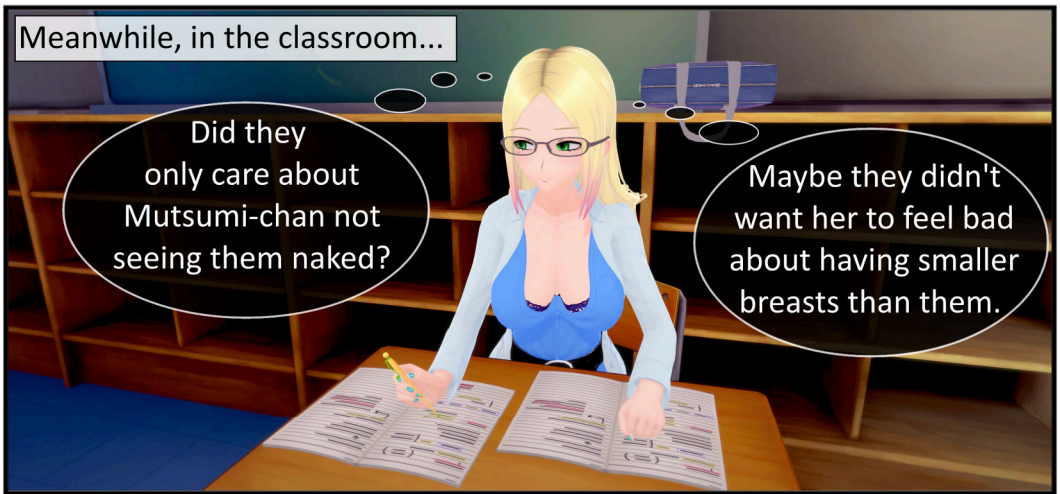

Really?

My congratulations Mutsumi-chan, it looks like your breasts are much bigger than they were last time.

Yes, last year you were a medium A, now your bust is a small B.

After the medical examination....

Well girls that would be it all.

Call the next group.

I almost forgot, please tell Mutsumi-chan that she can practice at PE again

Yes, as far as I can see her dislocation has already healed, so there is no reason for her to continue to miss PE lessons.

What, Mutsumi-chan will go to PE with us

What dislocation?

Mutsumi-chan dislocated her arm two months ago, that's why she had an exemption from PE

So that's why no one paid attention that Mutsumi-chan didn't go to PE, everyone thought she had a medical leave.

Great  
, And  
let him be  
more careful  
in the  
future.

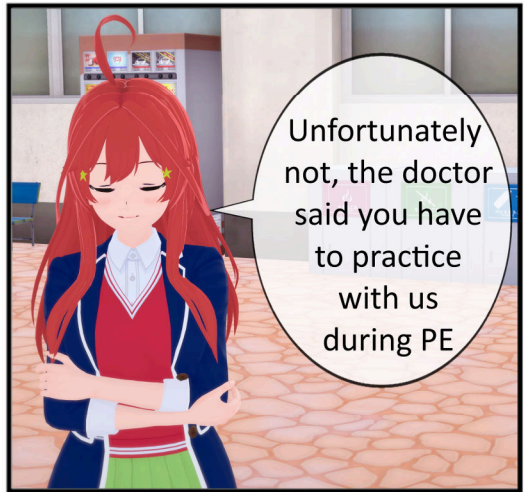

Okay, we'll  
tell her.

At the back of the school...

WHAT!!!

You're  
kidding  
right, say  
it's just  
a joke.

Unfortunately  
not, the doctor  
said you have  
to practice  
with us  
during PE

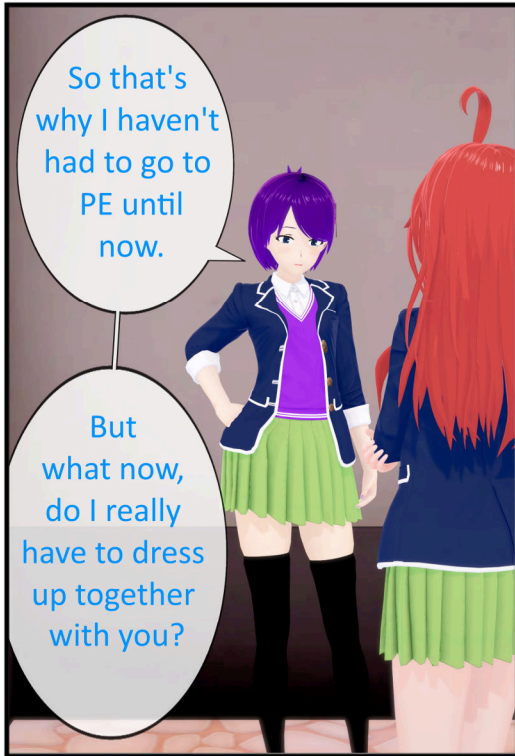

But that  
means...

But I didn't  
have to go to PE  
until now, what  
happened?

Yes,  
you will be  
dressing up  
with us.

From  
what the  
doctor told us  
you have run  
out of sick  
leave.

Oddly, Itsuki was the first one who wanted to fix all this.

Why did she suddenly change her mind?

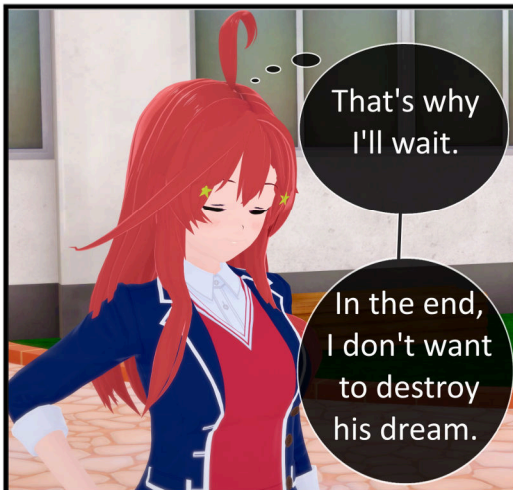

Last time, I'm starting to think that Mutsumi-chan likes pretending to be a girl.

I am also beginning to suspect that this wish was not just a joke at all.

Maybe Mutsumi-chan really wants to be a girl

That would explain everything, why he wears heels, why he wears makeup and even why he was wearing women's panties at the time.

That's why I'll wait.

In the end, I don't want to destroy his dream.

Great now even Itsuki is against me.

That's the End.

Some time later in  
the ladies' room...

Maybe Itsuki  
is mad at me?

But for what,  
after all I haven't done  
anything to her, I don't  
even spend much time  
with her.

Maybe that's what  
she's mad at me for,  
she probably thinks  
I'm ignoring her.

I think  
I need to  
start spending  
more time  
with her.

Maybe  
then she'll  
stop being mad  
at me and want  
to undo my wish  
again.

And done.

I don't know  
why, but since  
Ichika taught  
me how to  
do makeup,  
I feel like doing  
it to myself  
every day.

And I'm even  
starting to like  
it.

But  
okay, I won't  
tell anyone  
about it.

Although to me,  
there's nothing strange  
about a girl wearing  
makeup.

I have to  
remember that  
these things are  
normal for me  
now.

You  
mean that  
trip to the  
spa.

Too  
bad it's only  
for girls.

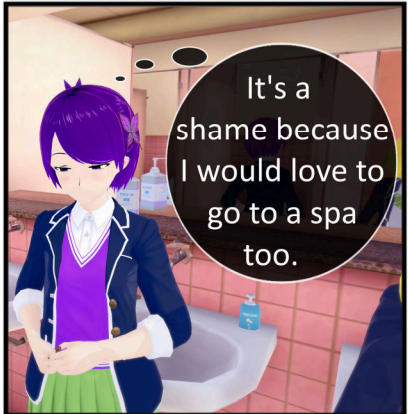

Ah, I'm  
looking forward  
to the trip this  
weekend.

Yes, it  
will be a great  
trip I can feel it  
already.

It's not  
our fault.

If the boys  
hadn't peeked at us  
last time, they would  
have gone on this  
trip too .

It's a  
shame because  
I would love to  
go to a spa  
too.

What, me?

You're going too, right, Mutsumi-chan?

I can't say yes because that would be a lie.

I don't know if I will be able to, I work on weekends.

Yes, after all, you are a girl, right?

Come on, just us girls, an opportunity like this may not happen again.

If my boss gives me a day off I will go.

I would like to go to this spa but at the same time I don't want to lose my job for it.

Now?

Then call her and ask.

Why not, there's still a few minutes left of the break.

I hope I don't interrupt her in anything important.

In the meantime...

Yes, yes, that's right.

Harder.

Ooooo...

Good morning this is Mutsumi-chan, sorry to bother you.

That's you.

No, you're not bothering.

Yes, Harder.

*\*embarrassed\**

*\*embarrassed\**

Are you sure I'm not interrupting?

I guess I called at the wrong time.

Maybe it wasn't a good idea after all.

No, no worries, I'm just getting a massage.

So, what's happened?

It seems silly to say this, but I have a small request.

Did something happen?

Would it be possible for me to request time off this weekend?

Just what?

No, just...

We have a class trip that I forgot about.

I see, well under normal circumstances I wouldn't give you time off because you just started working for me, but...

You didn't try to lie to me so I'll give you this weekend off.

Really, that's great, thank you.

Yes, but there is a condition.

Come to the studio this Thursday and Friday after school.

Then you can have that weekend off.

Is that all?

Yeah, so what, are you coming?

Of course.

Great, in that case you will come to the studio this Thursday and Friday right after school.

Just one more thing, instead of me, Mr. Masato will come to the recordings.

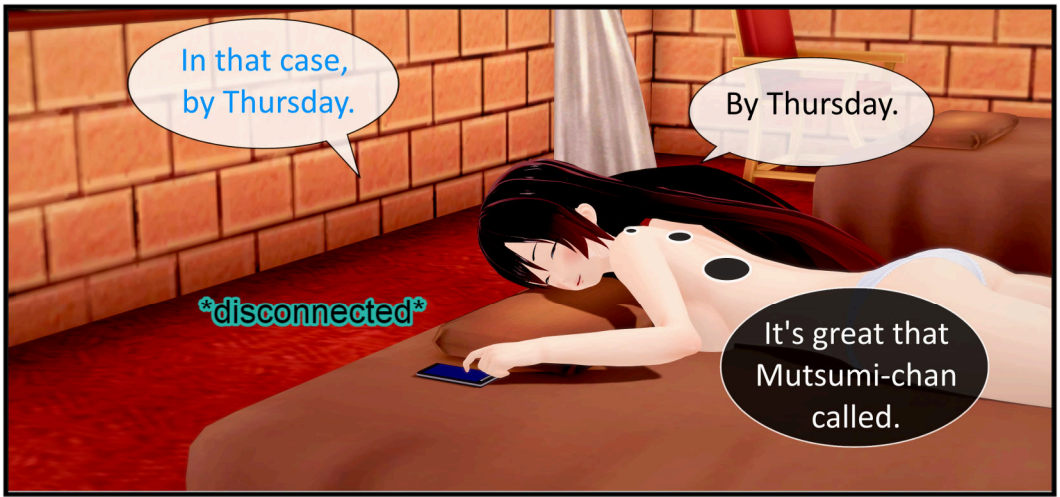

But Haruna will be there?

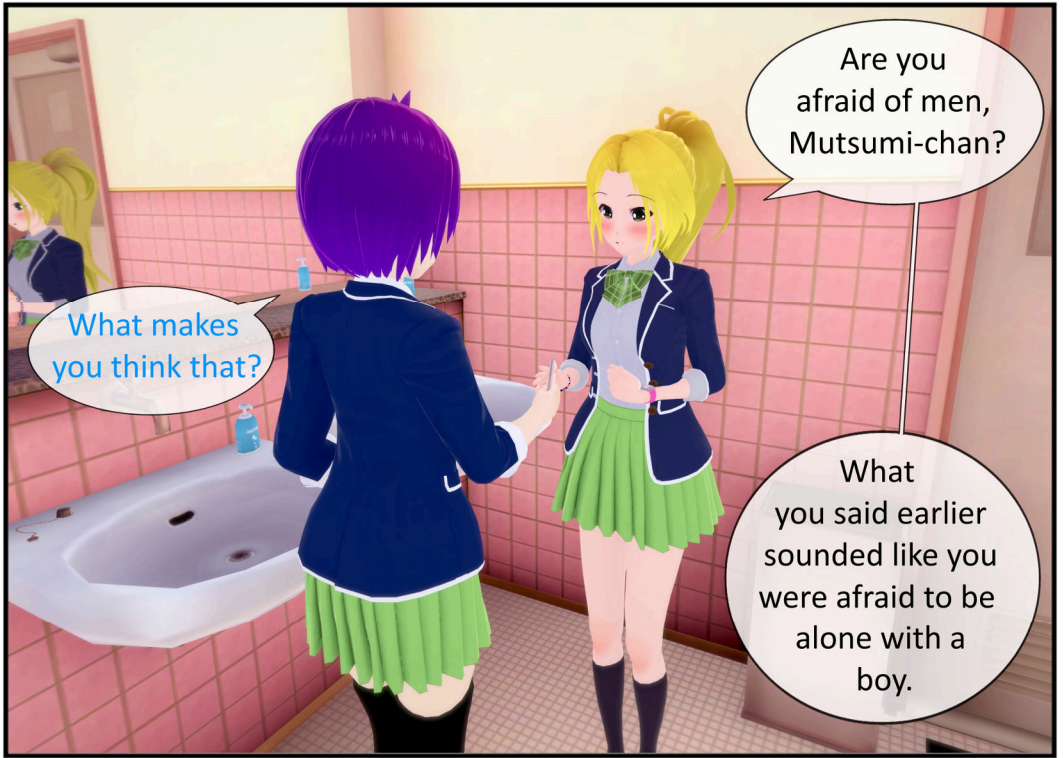

I see you liked her.

No worries, she will be.

Great because I wouldn't want to be alone with some strange guy.

What makes you think that?

Are you afraid of men, Mutsumi-chan?

What you said earlier sounded like you were afraid to be alone with a boy.

Maybe a bit.

I don't know why, but since I'm smaller other boys scare me.

Oh you poor thing.

Don't worry if some boy accosts you, I'll defend you.

And who will defend you?  
hehe

Funny, even though she knows she has no chance with any guy she is still willing to defend me.

Thanks, I feel safer already. hehe.

**\*School bell\***

Is the break over? Too bad, we'll talk later.

Sure.

But for some reason I even understand her and would do the same for her.

I felt something strange for a moment.

Maybe it's just my imagination.

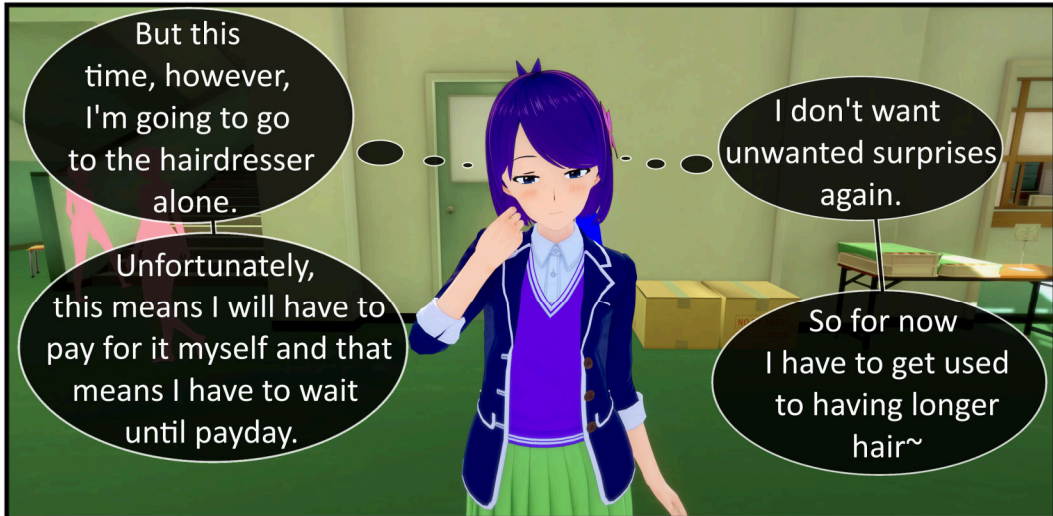

At the next break...

I just hope they're not planning anything again.

That's weird. Why were the girls looking at me the whole class?

Although they looked more puzzled than as if they were planning something.

Hehe  
I don't want  
your wish.

And no  
worryes, I won't tell  
anyone about it.

I just  
wanted to tell  
you to be more  
careful in the  
future, that's  
all.

That's all?

Well...  
thanks.

By the way,  
don't you think  
Mutsumi-chan  
should stay a girl  
permanently?

What?  
I thought we  
were just going  
to teach him a  
lesson.

Have you  
noticed this  
too?

Yeah, but...  
Don't you think that  
would be better.

Not only is  
Mutsumi-chan  
nicer to us now,  
but from what I've  
seen he's started  
being nicer to  
girls in general.

Yes

What happens when he's a guy again?

I don't know, he'll probably still be nice to us.

What if he hates us for all this?

What? Why would he hate us? We just...

force him to pretend to be a girl.

You're right, he can be a little angry about that.

Exactly, I'm sure he's mad at us for that.

All according to plan

Then what should we do. Revoke that wish?

No, that would only make things worse.

No way, he hates being a girl.

It would be best to make Mutsumi-chan like being a girl.

I wouldn't be so sure about that.

But what do you mean?

What?  
Hehe You must be joking.

How have you forced him to do this?

Didn't you notice Mutsumi-chan is wearing makeup?

I'm not kidding, it's true.

I'm not forcing him to do it at all.

I just showed him how to do it, and he's been doing his makeup every morning ever since.

You really didn't notice that?

Um... No, I thought he just looked like that.

Wait, after all, Mutsumi-chan had admitted earlier that he had already changed into women's clothes in the past.

In the evening during dinner...

I still can't believe it  
Mutsumi-chan  
really grew  
breasts.

Tell me, do they  
feel like real breasts  
already and where  
did you get that  
bra?

She asks  
me stupid  
questions  
all day long.

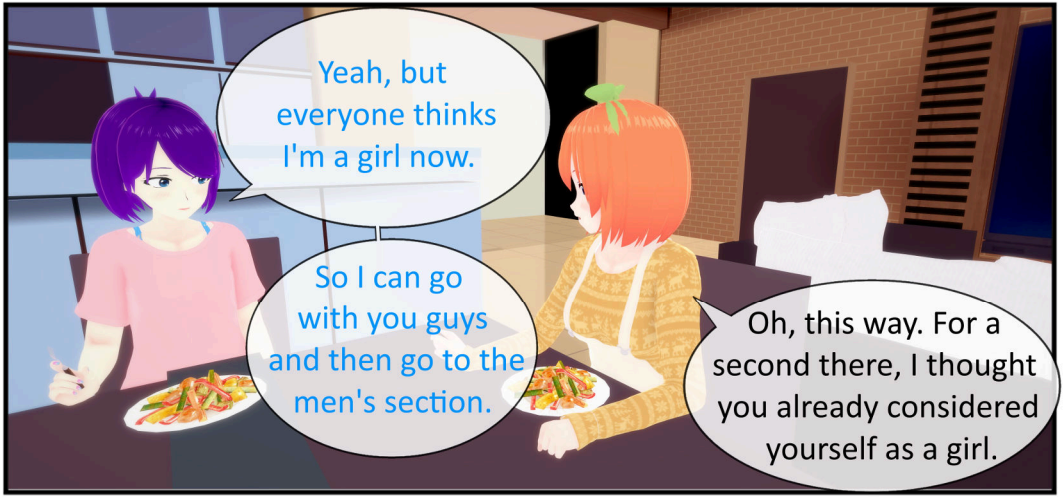

Would  
you please  
stop  
that?

Come on,  
I'm dying  
of  
curiosity.

\*sigh\* Ok,  
you win, yes,  
they feel like  
real breasts.

I knew  
hihi

Hmm... Maybe Ichika is actually right.

I hate it when you're right.

Maybe Mutsumi-chan is really starting to like being a girl but is ashamed to admit it.

I need to get rid of this damn bra.

Later in Mutsumi-chan's room...

Finally done, I never thought it would take so long.

But according to what is written on the internet, it is supposed to make my breasts smaller.

There's just one problem.

It's hard to breathe in it.

I think I'd rather wear a bra.

On Thursday in the studio...

Hi, girls.  
I'm Masato Akagi.

I will be substituting for Ms. Rise today.

By the way which one of you is Mutsumi-chan.

So this is Mr. Masato he's terribly tall.

Much taller than me.

That's her, go ahead and introduce yourself.

Either it's my imagination or Mutsumi-chan started being afraid of other men.

I'm Mutsumi Nakano, nice to meet you.

Why am I so nervous, after all, he won't do anything to me.

So this is the girl that Risa praised so much.

In the footage that Risa gave me she seemed a little taller.

But that doesn't matter, all I'm interested in now is whether she really has that great voice and talent as Risa told me.

And you must be Ichika, did I guess?

That's right, how did you know? Could it be that my fame preceded me? hehe.

Um... No. It's just that Risa told me earlier what your names were, but I didn't know who was who.

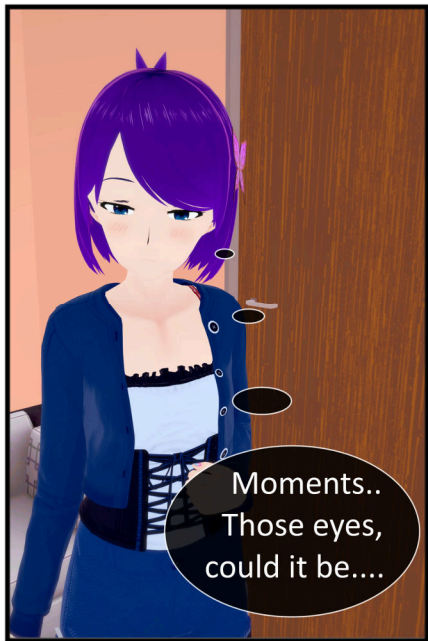

Sorry but that's just the way it is.

It was mean.

How am I going to work today?

I can't concentrate with this guy

Moments.. Those eyes, could it be....

Unbelievable, that's her.

She turned into a boy.

She probably did it to make fun of me again, but this time I won't give in.

In the recording room...

But why did she do this?

She probably takes pleasure in watching me suffer.

If he thinks I'm suffering because I have to pretend to be a girl

hmm... I have an idea.

The best I can do is show her that I enjoyed being a girl.

Which will make her stop enjoying it all.

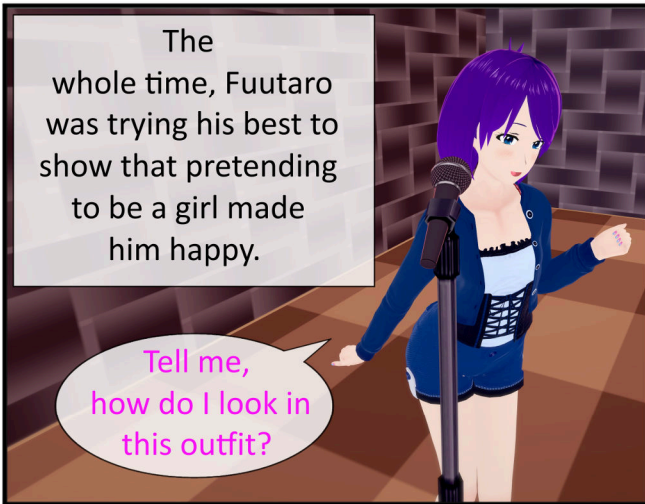

And then she will definitely revoke my wish.

All right, we'll start in

3... 2... 1...

I never would have expected Mutsumi-chan to make such progress in such a short time.

It also looks like Mutsumi-chan is slowly starting to accept that she's a girl now.

She's probably mad now seeing that being a girl makes me happy.

And you Harunku what will you wear to our wedding?

What?

Why is she smiling?

Maybe I'm not trying hard enough?

She should be furious.

**\*Mad\***

In that case, I'll try harder.

Interesting role,  
and tell me...

Wouldn't  
you and your  
sister like to  
play in a movie  
together?

That would be great.

Why, you  
have some  
roles for us  
to play.  
hehe

You're smart.

Well... We have  
two roles for which  
we need two almost  
identical girls.

Thanks, so  
what are the  
roles?

Almost  
identical?

This room  
is soundproofed  
so I can't hear  
anything.

What are they  
talking about?

On the other  
hand, they would not talk  
in front of Haruna about  
our secret.

That's why I thought you were the perfect candidate.

For these roles, we need two identical girls with different bust sizes.

Of course, both of you would also make quite a bit of money.

The question is whether Mutsumi-chan will agree.

I resume recording in 10 seconds.

Don't worry...

I'm sure Mutsumi-chan will be happy to hear that.

What were they talking about?

Could it be that my plan worked?

Is it finally over?

To be continued....
